MEASLES VACCINE—The free measles inoculation held yesterday here was termed a success as 239 children, 41 of which were pre-school age, were given measles vaccinations. Above is pictured Mrs. Bob Anderson, R. N., Darrell Morris with the State Health Dept., and Mrs. John Ferrel, Migrant Health Sec., who handled the vaccination program.

About 240 Children Get Measles Shots

The measles vaccination program conducted here yesterday declared a tremendous success as 239 were vaccinated, including 41 pre-school age children from all four County Schools, Lakeview, Millie, Turkey and Memphis were vaccinated against measles. Darrell Morris, Regional Field Representative of the Immunization Section, Texas State Health Department, who was on hand to assist the program, was high in praise to school officials and health officials for the work they have done.

by Morris for the fine job she did notifying the three other schools in the county. All the documents necessary were all in order, he reported. Morris pointed out that "our tax dollar" made possible the free measles vaccination program and where the program is put on it is an economic blessing in many respects. Mrs. Bob Anderson, R. N., and Mr. Morris used a pressurized vaccination gun to give the older children the measles vaccine. Mrs. John Ferrel, secretary of the Migrant Health Office, assisted. An animated picture show about measles was shown to the children waiting.

Memphis Young Farmers To Meet Tonight To Organize Local Chapter

Memphis young farmers and men with agricultural interests are invited to attend an organizational meeting of the Memphis Young Farmers chapter at 8 p. m. tonight, Feb. 27, in the councilroom of the Community Center.

Refreshments will be served, courtesy of the First State Bank of Memphis and everyone interested in the Young Farmer program is invited to attend. Those who might be unable to attend the meeting and who are interested in joining the organization are encouraged to contact Advisor Morris at Memphis High School. "We feel this program has a lot to offer our young farmers," Morris said.

Local Track Team To Go To Idalou

By BILL COMBS
A warm, spring-like weather today made it possible for members of the 1969 edition of the Memphis track team to get on the track for the first time this season. The day was a hard one for 17 men as leg muscles hurt, cramps and cramped in protest. They were slow but still there. Glimmers of hope that the team will be another strong competitor as have been the past MHS thinslaid teams. The boys this year have a big challenge to live up to when they meet on the spikes. They can well remember the times and victories they have won. Hoot Jones, Jack Welch, Clyde Wilson, Roy Long, and others in the past have won events and Tony Pounds and Willie Devorce in the field events.

and Johnny Scott, a seasoned veteran of the weight events, is back again. Merle Kilpatrick, Ronnie McFalls, Otis Cooper and Robert Cornish are others being counted upon in key positions for the team. Saturday, Coach Bert Glascock and other local coaches will take the MHS thinslaid to Idalou. The coaches don't know how well the team will do or how tough the field of competition will be since this is the first meet of the season. Other lads rounding out the track team are Cornelius Scott, Max McQueen, Ronny Phillips, Lewis Davis, Johnny Vallance, Tommy Johnson, and Carol Bland. The key to winning track meets is picking up as many points in as many events as possible. Because of this, many meets are won by what coaches call "team depth," and it is always possible to lose all first places and still win the meet on total points from numerous lower places. The Idalou meet is of key importance not only as to how each individual places in his event but (Continued on Page 10)

Services Held Monday For Stella Badgett

Funeral services for Mrs. Stella Badgett, 81, who died Saturday night at Hall County Hospital, were held at 4 p. m. Monday, Feb. 24, in the Lesley Baptist Church. Rev. Bert Glascock, pastor, and Rev. C. A. Butler, pastor of the Lakeview Baptist Church, officiated.

Burial was in the IOOF Cemetery at Lakeview under the direction of Spicer Funeral Home. Mrs. Badgett was born April 8, 1887, in Taylor County and had lived about four miles west of Lakeview since 1953. She moved to Lakeview from Fort Worth where she had lived for 30 years. She is survived by one daughter: Mrs. V. G. Byers of Lakeview; one brother, Pinkney Freely of Chautauqua, Kans.; 14 grandchildren and 18 great-grandchildren. Pall bearers were great-grandsons, Allan Miller, Norman Miller, Wayne Martin, Kenneth Martin, Albert Bourland and Tommy Lee.

Arthur O. Gidden, Former Resident, Is Buried Here

Funeral services for Arthur Orr Gidden of Richardson, 51, former Memphis resident, were held at 2 p. m. Tuesday, Feb. 25, in the First United Methodist Church here.

Rev. David Hamblin, pastor, officiated. Interment was in Fairview Cemetery under the direction of Spicer Funeral Home. Mr. Gidden passed away Sunday at his home in Richardson. He was born Oct. 6, 1917, in Hall County and had lived in the county most of his life before moving to Richardson about one and a half years ago. He was employed by Collins Radio Co. there, and had previously owned Gidden Electric Co. here. He was a member of the First United Methodist Church here.

Arthur Gidden was united in marriage to Miss Mildred Inez Richburg in 1940 at Hollis, Okla. He is survived by his wife of Richardson; his mother, Mrs. A. Gidden of Memphis; one daughter, Mrs. Cleve Evans of Memphis; one sister, Mrs. Sam A. Thomas, Jr., of Amarillo; and two grandchildren.

Pall bearers were Junior Barbee, L. E. Hughes, James Jeffers, Rhubert Wynn, Gary Tarver and G. W. Lockhart.

Honorary pall bearers were John L. Burnett, Clint Scygley, M. G. Tarver, J. S. McMurry, Billy Hancock, John Smith, Dr. Robert Clark, J. M. Ferrel, Jr., J. J. McDaniel, Harold Hodges, Herb Curry, Holmes Posey, Dr. J. A. Odum, Bill Leslie and Ed Hutcherson.

Hall County Singers To Meet Here Sunday

The Hall County Singing Assn. will meet Sunday, March 2, at 2 p. m. in the First Christian Church Ernest Lee, president, announced this week. A cordial invitation is extended the public to attend and join in the Gospel Singing fest.

Curtailed Employment Seen At Postex Plant

Curtailed employment at Postex Hall Plant of Burlington Industries was announced this week by James Brown, general overseer of the Memphis plant. At the same time, it was announced that the company's operation at Post, Tex., was also reduced.

In explaining the reduction in employment of personnel at the Memphis plant, Mr. Brown quoted a statement by Louie Burkes, who production has become necessary at Post as well as the Memphis operation of the company. Mr. Burkes' statement, released to news media Wednesday, is as follows:

"For some months, our industry has produced more than is being consumed. Curtailment of is general manager of the plant in our sewing operation. "After some period of three-day operations, we will now provide 40-hour work week for fewer people selected on the basis of job seniority. "We hoped to avoid this reduction in job numbers, but the immediate business outlook makes this unavoidable. "We sincerely hope business conditions will improve soon which will warrant increased production in our sewing operation."

Antique Shop To Hold Formal Opening Saturday

A new antique shop in Memphis to be known as "The Golden Cobweb" will hold its formal opening Saturday, March 1, according to the owners, Virginia Browder and Laura Parks.

Coffee and cookies will be served throughout the day. The shop will open at 10 a. m. and close at 7 p. m. Located at 413 Main Street, the new business will carry antiques, early-day artifacts, as well as unusual gift items.

Public School Week Is Set For March 3-7

This year, Texas Public Schools Week has been designated as March 3 through 7, and marks the 115th birthday of Texas Education on a full public level. Hall County schools are inviting patrons and parents to attend school classrooms during the four days the school will be open next week, Monday through Thursday. Friday, schools will be closed while teachers attend a T.S.T.A. Convention in Amarillo.

The Texas Public Schools Week movement was started and has been sponsored by the Masonic Lodges of Texas, in the interest of continuing public educational opportunities. Parents, relatives and friends of students are urged to visit public schools in their communities particularly at this designated time. Schools will be in normal operation during the week and visitors are welcome, reports indicate.

Lakeview Eaglettes Meet Lefors In Bi-District Tues.

Schools Will Close Friday, March 7 While Teachers Attend Amarillo Meet

Hall County teachers will attend the District XVI Convention of the Texas State Teachers Assn. in Amarillo, March 7. Approximately 5,000 Panhandle Educators will attend the convention.

All four Hall County Schools will be closed on Friday, March 7, as the teachers attend the annual convention.

The House of Delegates will meet at Caprock High School Cafeteria, on March 6, at 6:30 p. m. to conduct the formal business of the convention.

"All Eyes Are On Education" is the theme this year. The general session will open in the New Civic Center Coliseum at 10 a. m. with Dr. W. M. Stoker of West Texas State presiding.

The convention is held annually to give teachers an opportunity to keep current with the new trends of education, as well as to evaluate those accomplishments of the past year.

Speakers are E. L. Galyean from the headquarters staff of

Texas State Teachers Assn., who will make a legislative report to the teachers. The main address of the morning will be given by Dr. M. Dale Baughman, professor of education and psychology at Indiana State University, Terre Haute, Ind.

Dr. Baughman's address entitled, "Preception Beyond The Rhetoric," should be informative as he is the editor of Contemporary Education and is an accomplished author.

The afternoon sectional meetings will be devoted to programs presented for the various teaching fields and will meet in numerous restaurants and schools throughout Amarillo.

World Day Of Prayer To Be Observed March 7

World Day of Prayer will be observed in Memphis this year March 7 at 3 p. m. in the First United Methodist Church, it was announced today.

Sponsored by Church Women United, World Day of Prayer is a day set aside each year (the first Friday in March) when people are brought together across boundaries that separate us, denominational, racial, national, cultural, to pray for the needs of the world, to express our commitment and oneness in Christ, to give an offering for carrying out the church's mission in the world, Mrs. M. G. Tarver, Memphis chairman, stated.

The public is cordially invited to attend the special observance here.

Blue And Gold Banquet For Cubs Is Friday Night

Cub Pack 35 will hold its annual Blue and Gold Banquet Friday night in the Memphis Community Center, it was announced this week.

The banquet will be held at 7 p. m., Friday, Feb. 28, George Williams, Cubmaster, announced.

All Cub Scouts, their parents, and adult leaders in the Cub Scout program are invited to attend the annual banquet. One of the high lights of the banquet each year is the passing out of awards earned by the Scouts.

HEATLY HONORED—Rep. W. S. Heatly (r) of Paducah was presented a special plaque in behalf of the Texas Easter Seal Society by Rep. Will L. Smith of Beaumont.

Rep. Heatly Is Presented With Plaque From Easter Seal Society

AUSTIN — SPM State Representative W. S. Heatly (r) of Paducah was honored Tuesday in the Chamber of the House of Representatives when Representative Will L. Smith of Beaumont (1) presented Heatly with a special plaque in behalf of the Texas Easter Seal Society.

The award was made on behalf of all members and directors of the Easter Seal group for "outstanding excellence in service to the handicapped and for participation in the Easter Seal Society programs serving Texas crippled children and adults."

Speaker of the House Gus P. Mutscher and Representative Will L. Smith were similarly honored by the Easter Seal Society Oct. 19, 1968. Rep. Heatly joined with

Mutscher and Smith in the successful effort to provide urgently needed additional funds for the continuation of hospital services for crippled children during the Special Session of the Legislature in 1968.

Smith praised Heatly's efforts in behalf of the crippled children's hospitalization program as "an outstanding achievement in behalf of the handicapped children of Texas."

State Easter Seal Society President Herman Baker of Sherman and Executive Director W. L. Russell of Dallas were present at the ceremonies as was six-year-old Byron Moore of Bryan, who was designated earlier in the day as "Easter Seal Child of 1969" by Governor Preston Smith.

The Lakeview Eaglettes will meet the Lefors Piratettes in Bi-District Girls Basketball play-off at 7:30 p. m. Tuesday, March 5, in the Clarendon Junior College Gymnasium.

The game promises to be a close contest between two ball clubs of about the same size girls.

All Lakeview fans are invited to attend the Bi-District game next Tuesday. The winning team will advance to the Regional Class B girls tournament next weekend.

To prepare for the Bi-District clash, the Eaglettes will play a practice game at Childress Jr. High gym tonight against Lockett girls. Coach J. C. Saunders is hoping this game will get his girls back into playing tune against a club with a reputation of being "quick."

He said that from what he has been able to find out, Lockett girls are small and quick. Lakeview has good team speed, especially on the forward end of the court.

The Bi-District game between Lakeview and Lefors promises to be an interesting contest. Lefors has one 5'7" girl, the tallest on their team, with other girls about average height.

Lefors defeated Brisco 50 to 40 in a district play-off contest last Friday. They had a one on one defense on the guard end and their forwards have a good touch in shooting the ball. Lefors moves the ball around the court real well, Coach Saunders said.

"If we play real well on both ends of the court, we have a good chance of winning the contest," Coach Saunders said. Physically his team is in good shape. "We have some girls with minor injuries," he said. "We are all hoping that we don't lose anyone to injuries," he said, "especially those girls who have tender knees right now."

As pre-game predictions go, this is one Bi-District game which neither team holds an advantage as far as previous records go. Lefors has shown a lot of improvement since they lost two games to Sannorwood early in the season. They came back to defeat Sannorwood later in the season. These are the only comparisons between the two teams as they have not played each other this season.

Services Held At Hedley For Mrs. Willie Rains

Funeral services were held at 2 p. m. Monday, Feb. 24, in the Hedley First Baptist Church for Mrs. Willie Selma Rains, 88, of Hedley. Rev. Dave Sellers, pastor, and Rev. Billy Wilson, pastor of the First United Methodist Church of Hedley, officiated.

Interment was in the Rowe Cemetery under the direction of Spicer Funeral Home.

Mrs. Rains was born Aug. 30, 1880, in Navarro County and had been a resident of Hedley for 79 years. She was united in marriage to William I. Rains in 1898 at Giles. Mr. Rains preceded her in death July 18, 1963. Mrs. Rains passed away Sunday morning, Feb. 23, in the Hall County Hospital.

She was a member of the First Baptist Church and a founder of the Donley County Pioneer Association.

Survivors include: one daughter, Mrs. Mabel Bridges of Hedley; sons, Charles and Ike, both of Hedley; three grandchildren; seven great-grandchildren; and one great-great-grandchild.

Pall bearers were Shack Messer, Tode Hill, Winfield Musley, John Nash, Roy Jewel and M. C. DeBoard.

Honorary pall bearers were Oscar Moore, Homer Simmons, Walter Johnson, Chester Walker, Johnny Long and C. T. Van Pelt.

Public School Week, 1969

Next week, March 3 through 7, will be observed as the 115th anniversary year of Public Schools in Texas and our citizens are encouraged to pay a visit to their schools during this special week.

This is the 19th straight year that Freemasonry in Texas has sponsored a Public School Week in Texas through the Texas Citizens' Committee on Public Schools Week. This year, J. M. Willson, Jr., of Floydada, is chairman of this committee.

Citizens in our area, due to many aspects of Governor John Connally's Committee on Public Education report, have been showing considerable interest in the future of our local schools. We feel that Public School Week is a fitting time to focus our attention on our schools, to investigate the needs as well as the blessings, and to begin working on the problems we have, if we are to maintain the control and operation of our schools at a local level.

As we plan to observe Public School Week, let us remember that our children are our primary concern and that we hope our schools are able to teach them far more than just book learning. Also, let us remember that our school systems need and must have adequate financial support in order to meet the tremendous progress now being made in teacher training, in educational innovations, and methods.

We should ask ourselves if Johnny a better reader? We can remember a few years ago when questions were asked, "why can't Johnny read?" Schools in past years were set up for the average student. The poor student got behind, and ended up by quitting school. The smart student was denied the opportunity to live up to his potential. Changes have come, and many more may be forthcoming within the next few years. Standards for facilities and curriculums will change, then change again.

Patrons of schools are always welcome to visit. When we visit our schools and express an interest in our children's education, we are in our own way teaching our children the value and appreciation for a good education.

Maybe our children will get "tired" of hearing about "how bad it was when we were young" stories, but these do make an impression and serve to point out how fortunate they are now, especially when you show your appreciation to teachers for their efforts in behalf of your youngsters.

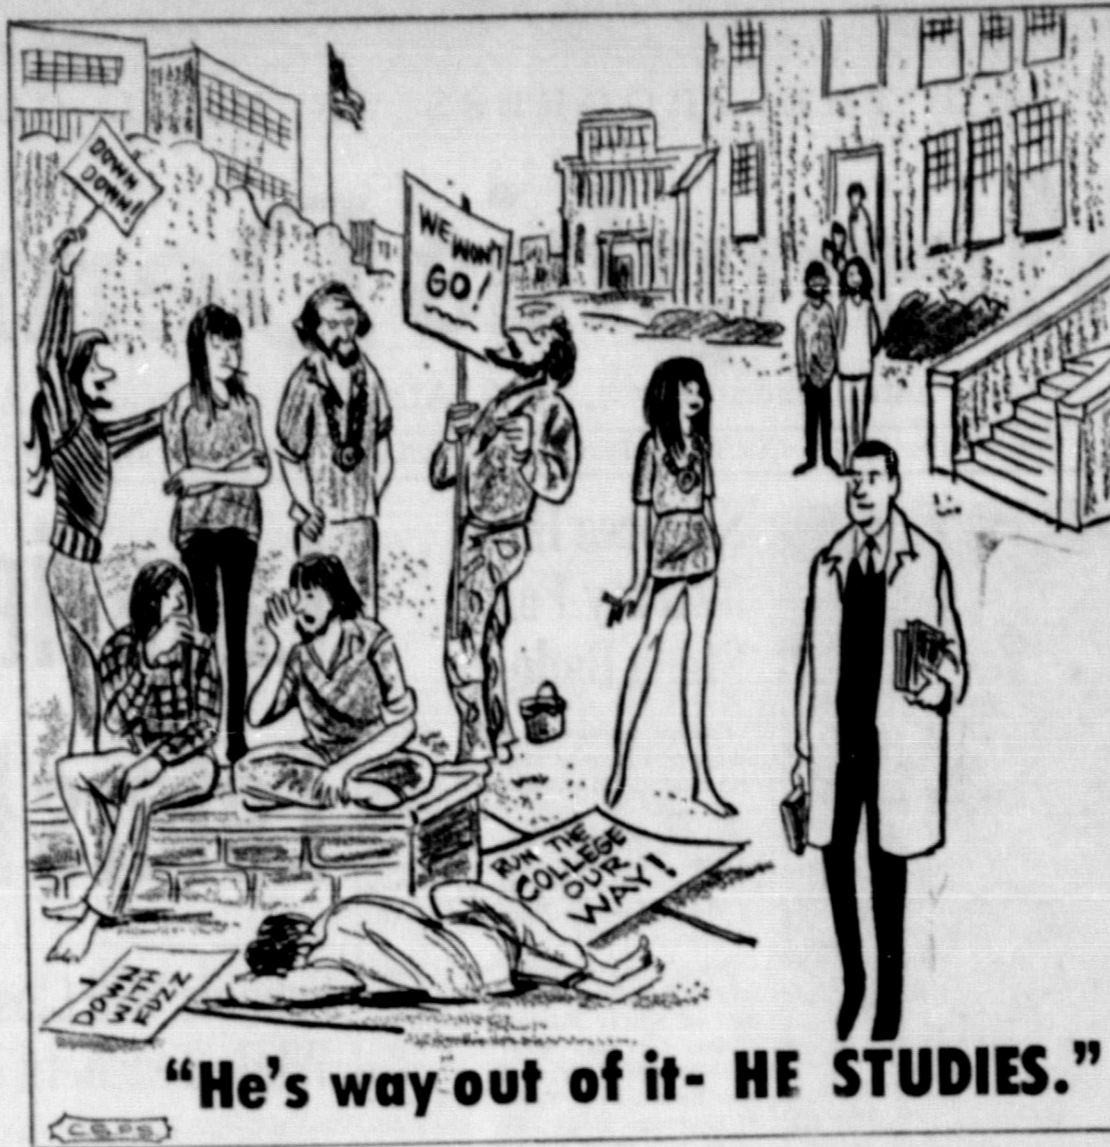

Teachers and school counselors have long known the value of parental encouragement, interest and support.

For 115 years, Texas schools have been growing and progressing. And this year, 1969, promises to be a brighter and better year than ever before. Masonic Lodges throughout the state have banded together to promote and punctuate the good that our schools are accomplishing for our youth, our homes, our communities and our state.

It will be your self-reward to visit a school or schools in your community March 3 through 7. See first hand what a good job teachers and educators in all phases of public schools are doing.

We would also add, attend all the school functions open to the public. Your life will be rewarded by many happy and entertaining, and sometimes exciting moments when you attend a sporting event, a play, a talent show, a concert, a contest, a commencement or whatever the occasion.

The public schools are yours! After all, you are a taxpayer! And that is the only way we have of financing our school system.

"He's way out of it- HE STUDIES."

What Other Editors Say

Voters moronic? or polls?
Nowhere is the morosity of the American voter displayed better than in the various polls.

We have a great deal of confidence in the major polls. They quite accurately reflect the mood of the people at the time they are made . . . if they are phrased properly and are not ambiguous or trite.

For instance, it doesn't prove a thing to ask such questions in a poll as "Do you think taxes are too high?" or "Are you for law and order?"

Or . . . "Do you oppose Madalyn Murray O'Hair?"

The polls reflect the fickleness and instability of the American people. For example, the popularity of a President, or the public's opinion of what kind of a job he is doing, is influenced by inconsequential things that would never be considered by intelligent, rational people. So it is with the factors that cause a person to vote for one man instead of another.

We were happy to note that LBJ left office with 49 per cent of the people telling the Gallup poll that they thought he was doing a good job . . . but the irony of the thing is, this is the same Lyndon Johnson who last August won the approval of only 35 per cent of those interviewed! John-

son hasn't changed . . . the people have!

A man is judged not by what he does but by the whims of the people at a particular moment.

If we have a winning weekend in Vietnam, up goes the President's popularity - But if we suffer a reverse, his popularity drops. And the man affected may be responsible for neither outcome.

Taking a look at Joe Belden's Texas Poll, we note some strange behavior on the part of Texans. Texans were asked to list LBJ's greatest achievement as President.

Only five percent listed "economic stability".

The fact is, it was during Johnson's administration that we hit an all-time high in economic prosperity. As pointed out in last week's column, never before in the history of the world have personal and corporate profits been so high, never have we had less unemployment, never have people been living so high on the hog!

Yet, only five per cent of the people remembered prosperity as an accomplishment of LBJ while 40 per cent remembered his "responsibility" for the war in Vietnam. And 28 per cent of the people couldn't remember any accomplishment of the LBJ administration! Among non-Democrats, 40 per cent couldn't remember

even one accomplishment!

We're so accustomed to prosperity we take it for granted.

About Postmasters

There was great news in the papers Thursday morning. The President announced he was taking postmasters out of politics. That's wonderful. Except I recall Herbert Hoover did the same thing in 1932 and each and every president since then has been doing the same thing, and we still have the patronage system, and will continue to have it.

And I don't know that I am against it. There is nothing so badly wrong with wanting to give a job to a friend rather than an enemy.

What Boys Say!

In his column in the Spirit Lake Beacon, Art Lorch tells about the teacher who asked Robert, an executive talker, why his mouth was so big. He replied: "Mrs. Perkins, that's because my mother washes out my mouth with soap every time I say bad words."

Suddenly John, sitting in front of Robert, volunteered to the teacher: "And I have big ears because my mother washes out my ears every time Robert tells me the bad words."

SPORTS SCENE

By M. C. ALLEN, JR.

What do you know about the sport of fencing?

The sport of fencing has a fascinating history. It originated as a form of deadly combat. Fencing duels were once the accepted way of settling a dispute.

The early duels were to the death. No gentleman could afford to refuse a challenge. For this reason, men gave much of their time to learning the art of fencing.

In the United States, duels "to avenge honor" ceased after the Civil War. Nevertheless, fatal dueling continued for many years in the U. S.

Today's fencing contests place a premium on speed and coordination. The sport is governed by a few conventional rules. Other-

wise, it differs little from ancient counterpart.

It Soaking? Or Are Enzymes The Supercharged Washday Miracle

Consumers are being bombarded with so-called washday miracles and the claim of laundry products supercharged with enzymes that soaking will get rid of stubborn stains appears to be true.

Research proves enzymes probably get rid of many stubborn stains. On the other hand, however, the housewife may be able to achieve the same results at half the cost, says Wanda Meyer, Extension home management specialist at Texas A&M.

The idea of soaking clothes in laundry to make your detergent cleaner is not significantly better, says Mrs. Meyer.

Soaking with detergent does a good job on most of the stains as does enzyme presoaks, she says.

In the test there was "very little difference" between two enzyme products and a detergent in their performance on blood stains, with the enzyme doing slightly better. But three removed egg stains completely in 30 minutes of soaking.

ing and spaghetti sauce overnight. All three removed a good part of grass, syrup, coffee and tea stains overnight.

"None did very well with mustard stains," Mrs. Meyer notes. She suggests that housewives first try presoaking in a solution made up of whatever laundry detergent they now use. It may perform surprisingly well — and at half the cost of an enzyme presoak.

She further stated that promoting the new enzyme products is expected to boost the total budget for laundry products \$70 million in the last 12 months to \$100 million in the next 12 months, the specialist adds.

Delphians Enjoy Program On Sewing Feb. 18

Members of The Delphian Club enjoyed a program on "Sewing" Tuesday, Feb. 18, in the home of Mrs. J. S. McMurry.

The program was introduced by the chairman, Mrs. Frank Finch, with the thought, "Americanism is Design" and the quotation, "There are hands and hands — Each makes what she desires".

The meditation, "When Mother's Sewing Buttons On" was brought by Mrs. I. F. Jones.

Mrs. A. Anisman presented "How is Your Glove I. Q. T.", in which she told when to wear gloves, discussed the materials of which gloves are made, the colors in matching clothing and the correct length of glove to be worn with certain sleeve lengths in dresses. Mrs. Anisman also gave brief thoughts concerning types of jewelry.

The program was concluded by Mrs. Lynn McKown who gave most informative instructions on "How to Tailor a Suit". Mrs. McKown presented each member with three booklets which contained many helpful hints in sewing. She covered the tailoring of both women's and men's suits and showed examples of points which she discussed.

The club members then modeled their own creations which included blouses, dresses and other items of clothing which had been made by them.

Attending were: Meses. Bill Lockhart, Mike Bogard, Bill Combs, James Brown, C. C. Hodges, Mildred Stephens, C. L. Smith, A. Anisman, Lynn McKown, J. L. Barnes, Gaylen Arjoia, L. F. Jones, W. C. Dickey, F. A. Finch, Henry Hays, Miss Maud Milam, and the hostess, Mrs. McMurry.

It was announced that the club would meet Tuesday, March 4, at the Big O Restaurant with Miss Maud Milam as hostess.

Mr. and Mrs. I. B. Bryan of Odessa are visiting here this week with Mrs. Carrie Belle King and Cora Lee.

Mrs. Sherron Lee Hostess To 1913 Study Club

The 1913 Study Club met Wednesday afternoon, Feb. 19, at 3 o'clock in the Bronze Room at the First National Bank. Hostess for the afternoon program was Mrs. Sherron Lee.

Presiding during the business session was Mrs. Edwin Hutcherson, president.

A most interesting and informative program was presented on "American Cities". The program was introduced by the program chairman, Mrs. M. G. Tarver.

Mrs. Gayle Greene discussed "Personality and Problems", listing some of the problems that face the cities of today. She mentioned noise as one of the problems that will have to be coped with in the future.

Miss Neville Wrenn concluded the program with a discussion on "Experimental Cities". Several of these have been set up in various states, she said. She told what the cities are designed to do and how they are meeting the criteria set forth by the planners.

During the social hour a tasty refreshment plate was served to the following members: Meses. Byron Baldwin, Herschel Combs, L. G. DeBerry, George Ferris, F. W. Foxhall, Gayle Greene, T. M. Harrison, D. L. C. Kinard, Edwin Hutcherson, Bob Hutcherson, Sherron Lee, M. G. Tarver, and Miss Neville Wrenn.

Mrs. Frank Finch Gives Mission Study Thursday

"In Aloha Land" was the title of the Home Mission Book which was taught by Mrs. Frank Finch Thursday, Feb. 20, at the First Baptist Church.

An interesting array of Hawaiian articles and pictures were on display and the ladies donned colorful leis. Mrs. Finch told of Baptist Mission work in Hawaii and Mrs. James Henry was reader for a film strip on same. Mrs. Finch also showed color slides that she took on her tour of Hawaii.

Despite bad weather, a group of 20 adults and 2 children enjoyed the covered dish luncheon at noon in the Fellowship Hall.

Young Homemakers To Meet In Regular Session Monday

The Memphis Young Homemakers will meet Monday, March 8, at 7:30 p. m. in the Homemaking Dept. of Memphis High School.

The project of the month is to elect the club's little sister and promote F. H. A. collection of General Mill's Betty Crocker coupons for Homemaking Dept. silverware.

Following a short business session, a program will be presented by Attorney Robert Montgomery.

The Memphis Young Homemakers would like to encourage every member to attend the meeting.

Mrs. Everett Williams will serve as hostess.

Baby sitting will be provided in the Travis Baptist Church nursery during the meeting.

Faye Maddox Is President Of 69er Club

The 69er Club met Tuesday afternoon, Feb. 18, at the home of Faye Maddox.

Officers were elected for the new club year and included the following: Faye Maddox, president; Dorothy Stargel, vice president; Opal Waites, secretary; Ruth Misenhimer, reporter and courtesy chairman.

The afternoon was spent quilting and visiting.

Mrs. Mattie Swent received the hostess gift.

Refreshments were served to eleven members including: Mattie Swent, Inez Aspgren, Carrie Dennis, Ima Widener, Ruth Gardenhire, Dorothy Stargel, Opal Waites, Ima Lawrence, Edna Lester, Ruth Misenhimer, and hostess, Faye Maddox.

The next meeting will be in the home of Mrs. Ima Lawrence on March 18.

Amarillo Tour. Attracts College Women's Teams

AMARILLO — Eight of the top college women's basketball teams will participate in the College Tournament, sponsored by the Amarillo Chamber of Commerce, March 20 - 22.

Amarillo's beautiful new Civic Center will be the site of the first two rounds, Thursday the 20th and Friday the 21st, with the finals slated for West Texas Fieldhouse in Canyon, Saturday the 22nd. The Amarillo Wrangler hockey team plays in the Civic Center the 22nd.

Six teams already have been selected for the tournament and the other two will probably be chosen this weekend.

The Hutcherson Flying Queens of Wayland College in Plainview top the list and after their double victory over defending national champion Nashville Business College last weekend the Queens should be ranked No. 1 in the nation. Cheri Rapp of Estelline is a member of the Flying Queens.

Also in the tourney will be the John F. Kennedy Patriettes of Wahoo, Neb., Temple Junior College Leoparquettes of Temple, Tex., Ranger Junior College Rangeanns of Ranger, Tex., Midwestern College Packerettes of Dennison, Iowa, and Ouachita Baptist University Tigerettes of Arkadelphia, Ark.

Handy Light - Reflector
If you don't have a large white cardboard that will reflect the sun's rays to provide "fill-in" light for a photo of your trophy fish or game, try using aluminum foil. Carry along a roll of foil for this purpose. Have your partner hold the foil so that light reflects from it will brighten the subject of your photo. The same foil that mama uses to wrap fish in will do the job fine.

Rod Storage
Never store fiberglass fishing rods in a room or closed car where the heat is likely to climb excessively high. Heat will cause the rod to take a "set".

YOUR COUNTY AGENT SAYS

FARMERS MUST REPORT AGRICULTURAL PAYMENTS

"Agricultural producers who receive agricultural payments in behalf of other persons, or that are shared with other persons must notify the Internal Revenue Service on form 4347 with their income tax report," says County Agent W. B. Hooser. Agricultural program payments to joint payees are reported by the United States Department of Agriculture's Agricultural Stabilization Conservation Service to the IRS by the identifying number of the person receiving the payment.

Through new electronic data processing procedures, the ASCS reports will be matched with the individual tax report and the Internal Revenue Service will expect the two reports to match, unless the taxpayer has specified the division of government payments on form 4347. Hooser says the forms may be obtained from the post office, tax office or the district director of the Internal Revenue Service, Dallas, Texas 75201.

AN INVENTORY OF PERSONAL POSSESSIONS IS INVALUABLE

Do you know what your personal possessions are worth? You not only need to know but also should maintain a current inventory of such items. Every day somewhere homes are destroyed by fires, storms or other disasters. After such losses, families usually have a hard time trying to remember all their possessions points out County Agent W. B. Hooser. Knowing the value of possessions lost or damaged, can be of untold value in settling claims for insurance and for tax purposes, he adds.

The average person doesn't

know within several hundred dollars what the furnishings in his house are worth, because possessions are usually bought a piece at a time and purchase prices are soon forgotten.

It will take time to make a list but it is the only accurate way to know what you possess and their value, believes Hooser.

It is a good practice to keep a record of the date of purchase, name of the dealer and cost of each item. Keep the inventory in a safe place, outside the house if fireproof storage is not available. It's a good idea to keep at least two copies in different places and don't forget to keep them up-to-date, reminds the county agent.

Birds Lure Birds

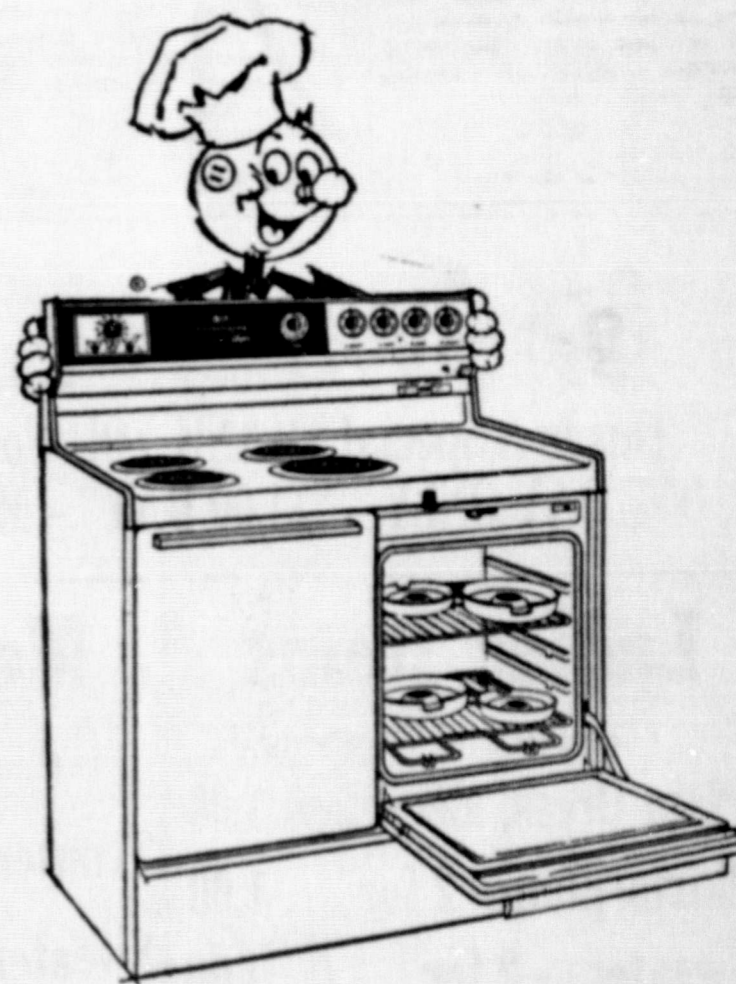

When waterfowl, other than ducks and geese, light among your decoys, don't frighten them away. They lend realism to the rig and increase its drawing power. Even blackbirds and ricebirds perched on the brush around your blind lend an air of security... indicating that all is well for ducks and geese to come in.

Many Texans are anxiously awaiting adoption of an important sine die resolution by the Legislature. Since die is Latin for "Let's go home, solons".

MRS. ROBERT ERNEST HIGGINBOTHAM, JR.

Tippery-Higginbotham Wedding Vows Solemnized In Canyon Ceremony

Miss Jeannita Gay Tippery became the bride of Robert Ernest Higginbotham, Jr., in nuptial ceremonies read Saturday evening at the First Assembly of God Church in Canyon.

The bride is the daughter of Mr. and Mrs. C. N. Tippery of Canyon. Parents of the bride-groom are Mr. and Mrs. R. E. Higginbotham, Sr. of Amarillo.

Double ring rites were read by Rev. A. J. Pettit, pastor. Mrs. Earl Gene Peppard, organist, presented traditional wedding selections and accompanied Miss Lynn May of Amarillo who sang "The Twelfth of Never" and "Whither Thou Goest". Miss May is a cousin of the bride-groom.

Vows were read before an archway entwined with salal leaves and centered with diamond dusted wedding bells. Flanking the archway on either side were baskets of white gladioli and seven-branched candelabra bearing spring green tapers.

The Bride

Escorted to the altar and given in marriage by her father, the

bride wore a formal floor length gown of white crepe with an empire waistline. The bodice, which featured scalloped neckline, terminated in long pointed chantilly lace sleeves. The formal lace chapel train was detachable and was held by a bow at the waistline.

Her veil of imported illusion was held to a crown of seed pearls and her bouquet was a cascade of white butterfly roses with touches of spring green and accented with pearls and carried atop a white Bible. She wore a single strand of cultured pearls which was a gift from the bridegroom.

Attendants

Mrs. Sally Floyd of Canyon served as her sister's matron of honor and junior bridesmaid was Miss Jolynn Tippery of Canyon, sister of the bride. They wore identical floor length gowns in spring green and carried votive candles surrounded with greenery and tied with green and white ribbon streamers.

Flower girl was Shelli Dawn Sparks, daughter of Mr. and Mrs.

Ronnie Hester of Amarillo. She carried a white basket with green and white trim, filled with rose petals. Her attire was fashioned after the bridal attendants.

Jeff McDowell, son of Mr. and Mrs. Aubrey McDowell of Canyon, served as ring bearer.

Arthur Chouinard of Kingsville served his brother-in-law as best man and groomsman was Ned Pilcher, Jr., of Odessa, cousin of the groom. Ushers were Gary McAtee, cousin of the bride, Mark Andrews and Tom Ray, all of Canyon.

The bride's grandmother, Mrs. W. H. McAtee of Canyon and the bridegroom's aunt, Miss Zady Belle Walker of Memphis, were escorted down the aisle and seated just ahead of the mothers.

Reception

A reception honoring the couple was held in the Fellowship Hall of the church. The bride's colors of spring green and white were used in the decorations.

Mrs. Arthur Chouinard of Kingsville, sister of the bridegroom, served the tiered wedding cake. Misses Kathy Townsend and Sharon Luman, both of Canyon served punch and coffee.

Mrs. Mark Andrews of Canyon registered guests.

For a wedding trip the bride chose for travel a yellow three piece suit with bone accessories and the corsage from her bridal bouquet.

The bride attended Canyon public schools and is now employed by La Casa Nursing home in Canyon.

The bridegroom graduated from Earl Wooster High School in Reno, Nev. He attended West Texas State University for one and one-half years and also attended Clarendon College while living in Memphis with his aunt, Zady Belle Walker. He has volunteered with the U. S. Air Force and is preparing to leave some time in April. He is presently employed with the Canyon Public Schools.

The couple will reside at 2512 8th Ave., Apt. 4 in Canyon.

Mr. and Mrs. Higginbotham, Sr., were hosts to the rehearsal dinner in Canyon on Friday evening.

Out of town guests attending were Mr. and Mrs. E. M. Higginbotham and Mrs. Willie H. Hughes of Beaumont, Mr. and Mrs. Ned Pilcher, Sr., of Midland, Mr. and Mrs. Ned Pilcher, Jr., of Odessa, Mr. and Mrs. Oren Fisher of Lubbock, Mr. and Mrs. A. M. Thomason of Gould, Okla., Paul Kitchens of Lubbock, Mr. and Mrs. Arthur Chouinard of Kingsville.

Also, Mr. and Mrs. Dean Begert and D'Ann, Mr. and Mrs. Ray Lloyd, Mr. and Mrs. Howard Fike, Mr. and Mrs. K. C. May and Lynn, Tom Warren, Mr. and Mrs. Robert Glidewell, Mr. and Mrs. John Goodell, Mr. and Mrs. Ronnie Hester and Shelli, Mr. and Mrs. B. W. Thomason and Mr. and Mrs. Ray Cartwright, all of Amarillo, Mr. and Mrs. Larry McAtee and family and Mr. and Mrs. Earl McAtee of Panhandle.

Friends, Relatives Attend Services For Mrs. Flora Pollard

Out-of-town friends and relatives who attended the funeral services for Mrs. Flora B. Pollard held at 2 p. m. Friday, Feb. 21, in the Assembly of God Church here were: Mr. and Mrs. F. D. Pollard, Tanya and Bill of Dumas; Mrs. T. H. Adams of Dumas; Rev. and Mrs. Lester of Dumas; I. Dale Moser of Ft. Worth; Mr. and Mrs. C. W. Moser, Sr. of Krum; Mr. and Mrs. C. W. Moser, Jr. of Wichita Falls; Mr. and Mrs. Don Moser of Wichita Falls.

Also, Mrs. T. John Smith, Jonna and Bruce of Tonganoxie, Kans.; Mr. and Mrs. James A. Lewis of Pampa; and Mr. and Mrs. Chester Wadley of Hollis, Okla.

Serving as pall bearers for Mrs. Pollard's funeral were Mack Richards, James Jeffers, Pat Johnson, A. L. Rogers, Robert Mauck and Lewis Edwards.

Entrance Fees To State Parks Are Big Bargains

AUSTIN — The biggest bargain in the Texas outdoors is the \$12 annual permit to State Parks, according to J. R. Singleton, executive director of the Texas Parks and Wildlife Department.

"With the approach of the outdoor recreation season, Texans will want to take advantage of this 'package deal,'" he said. "For \$12 per year per car, they can enjoy some of Texas' most beautiful scenery, take advantage of the many free facilities in the park, and have available to them the camping facilities for which there is an extra charge."

Without the annual permit, park visitors must pay \$1 per car per day.

The \$12 permit will admit the purchaser and occupants of his private vehicle to all but three of Texas' 66 State Parks.

Thirty of these parks require a \$1 per day entrance fee or the annual permit, and six require a 50 cent per day entrance fee or the annual permit.

At present, 18 State Parks are exempt from fees either because personnel aren't at the site, park facilities are not adequate to warrant the charge, present visitation rates make it economically infeasible, or operation of the park is on a concession basis.

Duplicate permits for annual permit holders may be purchased for \$2.50 each for additional family vehicles.

Entrance fees for Texas' State parks are part of the \$75 million bond program for the acquisition and development of parks approved by voters in Nov., 1967. Money from the fees is used to pay off the bonds.

Modern medicine has advanced to the point where an ounce of prevention is now worth 15 or 20 dollars.

PLANS APRIL WEDDING—Mr. and Mrs. Dick Delaney of Estelline announce the engagement and approaching marriage of their daughter, Rita Gail, to Larry Doyle Wynn son of Mr. and Mrs. Doyle F. Wynn of Estelline. The wedding will be solemnized at 7:00 p. m. April 5 at the United Methodist Church in Estelline. Graduates of Estelline High School and South Plains College, Levelland, both the bride-to-be and groom-elect are presently junior students at West Texas State University. Miss Delaney is an elementary education major while Mr. Wynn is majoring in computer science.

TIN — Legislators are being urged to move along with some important decisions facing the state.

Senate committee gave approval to a constitutional amendment by which voters will be asked to say "yes" or "no" at general election, November, whether they want liquor sold in Texas on a local basis.

House committee gave the proposal a friendly reception and is expected to act there, too. But sponsors say it will be hard to get two-thirds majorities necessary each house to pass the bill on to voters.

Big proposal for the Constitutional Amendments Committee is the \$3.5 billion water proposal sponsored by Bill Clayton of Springlake. The state's share of financing for the \$10 billion Texas Plan. It, too, will go to the voters in November of 1970, if two-thirds majorities in each house agree to submit it.

Bills Advance

Bill to raise retirement benefits for state employees to 25 per cent (up 10 per cent) landed on governor's desk following approval by both houses.

Another measure approved both houses raises the maximum income tax on state and local income from five to six and a half per cent.

Senate has passed proposed constitutional amendments to guarantee equal legal rights for women, to grant state funds to government and to exempt rural supply districts from taxation.

House passed by the Senate measures to transfer 45 from Harris to Waller, to permit Texas A&M University to issue revenue bonds for sewage facilities on campus and authorizing sale of Texas Woman's University

TO WED IN MAY— Mr. and Mrs. Roy L. Brewer of Memphis announce the engagement of their granddaughter, Cathy Pyeatt, to Richard J. Parker, son of Mr. and Mrs. Kenneth J. Parker, also of Memphis. The wedding is to be held at 7:30 p. m. May 31 in the First Baptist Church Chapel. Friends of the couple are invited to attend.

lot in Denton to finance a music scholarship.

Bills Galore

Usually the number of bills filed at the Capitol slackens after the first few weeks. So far this session, it hasn't happened.

Rep. Grant Jones of Abilene has introduced a bill to add at least 50 per cent to the tuition fees on non-Texas students at state colleges while increasing tuition for Texans only slightly.

Rep. George Hinson of Mineola has a bill through committee to allow school districts to get full state aid for students taking vocational courses in another district.

Rep. Carl Parker of Port Arthur has dropped a bill into the House which would allow public employees to have labor unions.

Four House bills to strengthen the obscenity law have been introduced.

Rep. Cletus of Houston has announced that he will introduce a bill to replace article 1220 of the Texas Penal Code (known as the paramour statute) which allows a husband to murder legally a man "taken in the act of adultery with his wife."

Two bills to up the punish-

ment for firearms crimes have been introduced by Sens. Jack Hightower of Vernon and Henry C. Grover of Houston.

Representative Parker also has introduced a bill to regulate and license private detectives and guards and their employers.

Sen. Criss Cole, Houston, has introduced a bill providing that subdivision plats in unincorporated areas must be approved by the county commissioners court before they may be filed and recorded.

Senator Cole also has introduced a bill providing for improved control of solid waste disposal and giving authority to counties, the State Health Dept. and the Water Quality Board. Rep. Rex Braun of Houston also introduced some pollution control bills and opposition between the two has arisen.

School Consolidation Opponents

The Little Red School House Committee, made up of rural landowners, farmers and ranchers from all over Texas, will lobby against the companion bills by Sen. A. R. Swartz of Galveston and DeWitt Hale of Corpus Christi. Their bills reduce the number of school districts in Texas from 1,218 to 353.

Charles Schreiner III, Mountain Home rancher and chairman of the Committee, said, "Merit bigness is not an absolute guarantee of excellence."

Courts Speak

Texas Supreme Court refused a hearing on the State of Texas' plea to put some 4,600 acres of land on Matagorda Bay into the public domain class.

Other half of the case is H. P. Baxter, Jr., who owns a tract of 4,505 acres which was originally

Memphis Democrat—Thurs., Feb. 27, 1969 Page 5

about 355 acres. State says the land was "grown" by dredging and the like, while Baxter's lawyers contend it was a gradual process since 1803. So far, Baxter has won the lower courts, so will keep the land.

Short Snorts

State Senate authorized Lt. Gov. Ben Barnes to name a six-member advisory committee on youth problems.

House appropriations committee has completed its budget hearings but the Senate finance subcommittee will continue hearings until Feb. 26.

Dallas families are challenging in federal court the Texas Department of Public Welfare's cut in financial aid to dependent children.

Senate labor and management committee approved a compromise

Once A Sinner

"Blessed is the man to whom the Lord will not impute sin." —Psalms 32:1-2

The modern world in which we live is filled with temptation and the opportunity to sin against God.

This is not a new thing. Adam and Eve were tempted in the Garden of Eden. Temptation is as old as the history of man; even Jesus was tempted by the devil.

If we profess Christianity, we are not automatically virtuous and moral, and we are foolish to believe that we shall not be tempted. And, we are vain to think that we have never sinned, and will never give in to temptation.

We should work and pray to build the strength of grace that overcomes the weakness of the human spirit. We should build a Christian life based upon honesty with yourself, our fellow man, and our God.

CARD OF THANKS

With grateful hearts we want to express our sincere thanks to you, our friends and neighbors, for your help and expressions of sympathy during the stay in the hospital and death of our loved one. To Dr. H. R. Stevenson and the entire nursing staff, we will never forget you for being so kind. For the prayers offered in our behalf, the memorial gifts — to the Texas Society of Crippled Children — also, to the building funds of the First Baptist Church and the First Methodist Church, floral offerings, and the food that was sent — to those who served it. May you be shown such kindness when sorrow comes to you.

Calvin Todd Buys Barber Shop From Paul Blevins

Announcement was made this week that Calvin Todd had purchased the Blevins Barber Shop, located at 611 Noel St. from Paul Blevins, long - time Memphis barber.

Wednesday Todd closed his barber shop, located at 915 West Noel, and took over the shop which he had purchased from Blevins.

Todd started as a professional barber in 1961 when he joined his father in a shop located at 416 Main Street. Since his father's death he has owned the shop.

He married Joyce Ann Matthews in 1961. They are the parents of three children, Calvin Lee, age six; Ellis, who is three; and Emily, seven months old.

Blevins announced that he had completed 46 years serving the people of this area as a barber. He came to Hall County in 1919, and entered the profession in 1923 in the Bob Howell Barber shop on Main St. Later he worked at two other shops for a while;

also operated the Memphis Hotel Barber Shop for nine years.

He leased a shop located on the east side of the square which he operated for nine years. In 1950 he established his shop at 611 Noel St.

He was married to Miss Bessie Wylie Sept. 10, 1927, in Memphis. They are the parents of a daughter, Mrs. Paula Boyd, who resides with her family in Denver, Colo. Mr. Blevins stated he would continue barbering on a part-time basis in the future. Mrs. Blevins plans to continue her baking and decorating business.

Some folks have not learned to count calories and they have figures to prove it.

40-Acre Plot For Planting Grass Needed

The Soil Conservation Service office in Memphis is seeking a plot to plant a trial grass in Hall County. Anyone interested is asked to contact the SCS office in Memphis.

The plot needed should be 40 acres in size and preferably on sandy soils. Grassing will need to be controlled. The grass to be planted will be furnished by the Soil Conservation Service through

Hall County Soil and Water Conservation District.

The grass will be three selections of Lehman lovegrasses. The selections were made at the Soil Conservation Service's Plant Material Center at Knoxville.

For further details, land owners are asked to contact either Henry Gregory or Herb Evans with the Soil Conservation Service, Memphis.

Christian Women's Fellowship Enjoys Salad Supper And Program Tuesday

The Christian Women's Fellowship enjoyed a salad supper on Tuesday evening, Feb. 25, in the church fellowship hall. Bernie McIntush, Mable Roberts and Inez Aspgren were co-hostesses for the evening.

Decorations carried out a St. Patrick's Day theme in green and white. The tables were covered with white and a floral arrangement flanked by green candles graced the head table. Other table decorations included small shamrock trees, leprechauns and candles. Place cards, inscribed with the names printed backward, were in the shape of shamrocks.

Faye Posey gave a prayer of thanks for the food. Following the meal, the social hour ensued. Mable Roberts welcomed the guests and then conducted a Bible quiz, patterned after the game show "Jeopardy". Prizes were awarded and the three winners were Dorothy Stargel, Merle Rogers and Faye Posey. A sing-song followed with Louise Fowler at the piano and chosen favorites selected by the guests were sung. "Blest Be the Tie that Binds" was sung

as the concluding number and the benediction was given by Tommie Kesterson.

Attending were three guests, Leta Mae Dennis, Bette Brown, Patay Clifton; and members, Susie Kesterson, Dorothy Stargel, Marjorie Kesterson, Susie Coleman, Merle Rogers, Faye Maddox, Jo Moore, Louise Fowler, Arminta Montgomery, Barbara Maddox, Bettye Browning, Eva Odum, Lizzie Aduddell, Ethel Rogers, Lucile Randal, Gennie Murdock, Tommie Kesterson, Faye Posey, Bernie McIntush, Mable Roberts and Inez Aspgren.

Alpha Circle Meets For Study At Church Mon.

The Alpha Circle of the Women's Society of Christian Service of the First United Methodist Church met Monday, Feb. 24, at 3 p. m. in the church.

After the opening hymn and prayer, Mrs. Mary Lou Erwin, the Bible study leader for the book of John, gave the introduction and inspiring meditation. She brought out the fact that the Gospel of John gives the first acts of Christ while the other gospels give the account of his later life.

Mrs. W. V. Coursey gave a comprehensive review of Chapter 2 of Saunders' book titled, "Coming to Life". It answered the question, "What's the Good Word?", Jesus is God's language to men manifesting God's will to awaken to them to a creative life in relationship to Him.

Mrs. M. G. Tarver discussed in an interesting manner the third chapter of the study titled, "The Word in the World". She pointed out the relationship of Jesus and John the Baptist and the call of the first disciples, as well as explaining the signs of the times. That is, the word once became a book which was a light to our path; now the Word has become flesh in a man who is the light of the whole world.

A social hour was enjoyed by the ones mentioned and Meses. W. J. McMaster, J. P. Montgomery, Clint Srygley, Ed Hutcherson, Boss Crump, Lee Brown and J. J. McDaniel.

Mr. and Mrs. Lloyd Martin went to Fort Worth Saturday to visit with their daughter and her husband, Mr. and Mrs. Jimmy Sexton. Mrs. Martin remained in Fort Worth to be with her daughter while Mr. Sexton is attending a banking school for adults in Washington, D. C. for the next four weeks.

Widows and children of veterans with service after Aug. 4, 1964, are eligible for pensions on the same basis as those of veterans of World War I, World War II, and the Korean Conflict.

Mrs. Roy Guthrie Is Speaker At Legion Meeting

The American Legion and American Legion Auxiliary met at the legion hall February 25 at 7:30 o'clock. The meeting was called to order by the auxiliary president, Mrs. Margaret Gregory.

The pledge of allegiance was led by little Nelda Stone. Mrs. Gregory introduced the guest speaker, Mrs. Roy Guthrie. She gave a very interesting talk on Americanism.

The meeting was adjourned, and cookies and coffee were served during the social hour.

Plans were discussed for the American Legion 50th birthday celebration.

A dinner was also planned by members to serve to the public on March 15 between the hours of 11 a. m. to 2 p. m. Tickets will be \$1.00 for adults and 50 cents for children. Proceeds will be used to send a boy and girl to Boy and Girl State in Austin this summer.

Cage Teams Advance To Regional Meet

The Quitaque Panthers were the only area boys basketball team competing in Bi - District which came out victorious this week.

Childress, representing District 2-AA lost to Spearman while Quail was defeated by the Allison Antelopes.

Quitaque defeated fabled McAdoo 79 to 59 in Bi - District at Plainview to advance to the 1969 regional Class B basketball tournament in South Plains College in Levelland this weekend.

Allison took an early lead and held off a third quarter comeback by Quail to win the Bi - District encounter 77 to 65, between Dist. 3-B and Dist. 4-B champs at Shamrock Tuesday.

Lone Star Gas To Apply For New Gate Charge

L. G. James, President of Lone Star Gas Company, announced today that Lone Star has commenced preparation of an application which it expects to file with the Railroad Commission of Texas in early summer to adjust upward the Company's authorized intracompany city gate charge for gas delivered in Texas. The last application filed of such a nature by the Company was in December, 1958.

James stated that the current city gate charge is insufficient to compensate for the increases in expenses and investment incurred by Lone Star's transmission division since 1958. According to James, Lone Star's transmission division has, since 1958, incurred substantial increases in the cost of gas purchased, Federal income taxes, other taxes, wages and salaries, the cost of debt money, capital construction, and the cost of such construction.

Lone Star's transmission division purchases and gathers natural gas and transports it to the city gates on the system. Lone Star's distribution divisions receive and pay for gas at the city

gate and distribute it to customer's premises.

James said that residential and commercial rates would not be immediately affected by the filing with the Railroad Commission. After the new city gate charge is established and specific computations made for each city and town, requests would then be filed for increases in individual cities and towns where they are justified.

B. G. Clifton Dies Sunday In San Angelo

B. G. Clifton, brother of Mrs. Mollie Carlos and Mrs. Pauline Wilson, died Sunday in San Angelo. He had been seriously ill for the past three weeks.

Funeral services for Mr. Clifton were conducted Tuesday in San Angelo. Mrs. Carlos and Mrs. Wilson left for San Angelo after being notified of their brother's death.

Tax Man Sam Sez—

Many taxpayers resemble the groundhog in their approach to preparing their income tax return and - or in keeping the records that they need to prove their deductions to keep from paying too many tax dollars. Every time these taxpayers come out of their hole - or wherever taxpayers hibernate the year around - the bright sunshine casts such a long shadow on the Form 1040 and

that shoebox full of records (?) that it "plumb nigh" scares them to death. Sorry! There is only one approach that these folks can take and that is to face right square up to the old Form 1040 and those messed-up tax records and - shadow or no shadow - get with preparing that tax return. However, don't you take any bets that these folks won't find April 15th to still be a mighty wintry day.

Mrs. Koons' gas dryer is so typical...it's impressive!

WASHDAY WISHDAY SALE

With a family of five, Mrs. William Koons, of Dallas, averages 15 loads a week in her gas dryer and has for four years! She has yet to spend a cent on maintenance. Remarkable? Nope. Gas dryers are built for that kind of reliability! Mrs. Koons also does each load for about a penny...that's five times less than electric drying. Amazing? Not at all. Gas dryers deliver that kind of economy! Would you like that kind of reliability and economy? Then get typical gas dryer...it'll really impress you!

Figures Given On Fire Record For Hall County

The report on fire record credit for Hall County fire insurance was received this week and made public by local insurance agents.

Memphis, as of April 1, 1969, for the next 12 month period, will have a 20 per cent credit, an increase of five per cent over the April 1, 1968 rate.

Turkey also received a five per cent credit boost, to 10 per cent, the report indicated.

Estelline and Lakeview received debit increases. Estelline will go from five per cent to 10 per cent debit, while Lakeview will go from 0 per cent to five per cent debit.

The fire record history report only effects dwelling policies and commercial building and contents policies. It does not effect any home owner policies, it was pointed out.

The maximum credit any town can receive is 25 per cent and the maximum debit any town can receive is 15 per cent. Only a five per cent change is allowed in any given year, it was reported.

Fire record credit and debit figures are based on past fire records of losses. Memphis and Turkey were fortunate to have few losses in the three-year period used to determine the fire record figures for April 1, 1969 through April 1, 1970.

More Vehicles On Texas Highways And Streets Now

AUSTIN - There will be approximately a quarter-million more vehicles on the State's streets and highways this year, State Highway Engineer J. C. Dingwall said recently.

During the 1969 registration year, indications are that more than 7.2 million motor vehicles will be registered in Texas, Dingwall said. That compares to almost 7 million registered in 1968.

Texas license plates this year have black letters and numerals on a white background. For the first time this year, all Texas license plates are reflectorized as a safety measure.

Registration began Feb. 1 at county tax offices and sub-stations throughout Texas. Motorists have until midnight, April 1 to register and affix license plates to their vehicles.

"But we urge everyone not to wait till the last minute," Dingwall said. "By registering now motorists can avoid waiting in lines during the last few weeks of the registration period."

State law requires each owner to register his vehicle in the county in which he resides and to present his title as evidence of ownership.

The vehicle title is one of four items motorists will need when registering. The others are last year's registration receipt, current residence address and correct ZIP code.

Making certain that the correct residence address appears on 1969 registration records can mean a big plus in convenience to vehicle owners next year.

Chemical Control Of Brush Offered By County Agent

"Catclaw, lotebush, algerita and other mixed brush, if not controlled, will become an increasing economic problem," says County Agent W. B. Hooser.

No broadcast treatment has been successful in controlling these brush species, as they are resistant to the low rates of 2,4-D, 5-T, broadcasted. But they are susceptible to individual plant treatment using 2,4,5-T mixed with diesel oil. This can be used as a basal spray or as a foliage wetting spray when the herbicide is mixed with water and the entire plant is covered with solution.

If there are less than 125 plants per acre, it is cheaper to use the basal application of 2,4,5-T mixed with diesel oil. This solution can be applied with power equipment or with a knapsack hand sprayer.

In using the livestock or power sprayer, mix four pounds of 2,4,5-T in 100 gallons of water, add a commercial wetting agent and spray the entire plant using 100 to 150 pounds of pressure. The sprayer nozzle should have a No. 4 orifice.

"The foliage wetting spray should be applied during the spring of the year when the plants are growing, but application can be made as late as the first of July and still obtain fairly good control," Hooser said. Individual basal plant treatment using diesel oil and 2,4,5-T can be made any time during the year.

For rates of herbicide to use, pick up Leaflet 414 or B-1029.
