## City-Wide Cleanup Day is Wednesday, May 14

Citizens are invited by the members of the Memphis Lions Club to join with them to Clean-Up Memphis on Wednesday, May 14, beginning at 8 a. m.

Trucks to be used in the clean-up effort will be parked at the Community Center parking lot at 8 a. m. Wednesday. All Lions members and all other volunteer workers are invited to make up crews to serve on the trucks.

Team captains are: A. L. Gailcy, Gene Lindsey, Sherron Lee, Clyde Smith, Rayford Hutcherson, C. L. Chambless and Dick Fowler.

The 85 members of the club are making plans to man trucks and will spend the day hauling off trash. The trucks will be furnished by the City of Memphis, Memphis Compress Co., and other firms and individuals.

## Johnny Thomas Recovering From Vietnam Injuries

Johnny Earl Thomas, who was injured March 25 while serving in Vietnam with the U. S. Army, has been transferred to the Army Hospital in San Antonio. Both of Thomas' legs were broken as well as injuries to other parts of his body when he stepped on a land mine.

According to members of his family, he is improving satisfactorily and will probably be able to leave the hospital in another two or three weeks.

His parents, Mr. and Mrs. Earl Thomas, left Wednesday to visit with their son for a few days.

Thomas had been in Vietnam for the past eight months.

## Robert Galloway Purchases Super Save Market

Mr. and Mrs. Robert Galloway announced early this week the purchase of Super Save Market from Mr. and Mrs. Hubert Jones. The purchase became effective Monday, it was announced.

Mr. Galloway has been in the grocery store business at the same location for 20 years going to work for Henry Foster on May 12, 1949, as a clerk. He became a butcher in the meat market two years later and has been there ever since.

Robert is a native of Hall County, raised at Plaska and attended school in Plaska and Memphis. He served over two years in the U. S. Navy during World War II, receiving a discharge in 1946.

From 1946 until he went to work for Henry Foster, he worked in service stations and on the farm with his father.

He married Christine Chappell of Memphis in 1948 and the couple have two sons, Robbie and Tracy.

The family is a member of the (Continued on Page 10)

## Democrat Wins Second Place In PPA Advertising

The Memphis Democrat was awarded second place in the Advertising Enterprise contest of the Panhandle Press Assn. at the annual convention in Amarillo last weekend.

The winning entry submitted by this newspaper of the Sept.-Dec. advertising contract by First National Bank of Memphis utilizing localized pictures, Editor Bill Combs stated.

This contest is relatively new with the PPA. This was the first year The Democrat entered this contest. Winners were selected on uniqueness of advertising idea and presentation. One advertiser or a community-wide promotion could be entered.

Publisher Herschel Combs said, "We feel honored receiving this award, but much of the credit must go to the bank."

## School Board Re-Elects L. J. Kennon President

At the May meeting of the Memphis School Board Monday Lawrence Kennon was elected President of the board, with R. B. Phillips as vice president and Harold Smith as secretary.

The board was re-organized after the April election named two new members to the board.

In other business, the resignation of Band Director Martin

Glass III was accepted with regrets by the school board. Mr. Glass has been director of local bands this year.

Also the letter from Mrs. Clifford Farmer expressing her wish to retire at the end of this year was accepted with regrets by the board.

The board also approved a portion of the athletic budget and

approved the Memphis ISD membership of Region XVI Media Service for 1969-70.

Gordon D. Maddox was approved as the auditor for 1968-69 budget year. The board also approved Mrs. Maudie Foster as authorized representative for our school system with Government

## Netters Win State Meet

Hall County Class B tennis players walked away with all four State Tennis titles at Austin Saturday, making it the first clean sweep in the history of the county.

The county has had its fair share of state tennis winners in past years but this is the first time all four trophies came home to Hall County.

The remarkable thing about the victories is that none of the players lost a set at Austin. Rains on Saturday morning postponed matches which for some reason helped to settle nervous stomachs and in others the nervous condition seemed to grow.

Barney Bevers, Loran Denton and Jimmy Don Adams, tennis sponsors of Lakeview, Turkey and Estelline, all spoke of nervousness among their players.

Denton said, "It is a common condition. David Paul (Majors) was sick last year on Thursday after workouts." But all the sponsors were well pleased with the play of their netters and the way they responded after finals matches were delayed for several hours.

Brenda Durrett's victory over Zepher's Jenny Briggs was one of the crucial semi-final matches. (Continued on Page 10)

Supervisor Levoid Connor, State Director of FHA J. Lynn Futch, and John O. Barnes, Asst. State Dir. of FHA. The association purchased over 15,000 acres of Lennard land with money borrowed from FHA.

## County Farmers To Get An Estimated \$4,021,374 In Diversion Payments

Hall County cotton, feed grain and wheat producers will receive an estimated \$4,021,374 in ASCS payments for participating in the 1969 diversion program on the basis of the sign up, Lynn L. McKown, office manager, Hall County ASCS, announced today.

Due to no diverted acres being required for cotton in 1969, only 44,660 acres will be diverted this year under the annual diversion programs. With 15,654 acres diverted under the long range diversion programs — Conservation Reserve and Cropland Adjustment Program — over 170,000 acres will be available for the production of cotton, grain sorghum, wheat and alfalfa. Under the annual diversion program, producers have a permitted acreage of 89,306 acres of cotton, 69,000 acres of grain sorghum and 10,000 acres of wheat, McKown explained.

With \$170,548 in annual rental to be paid under the long range diversion programs and \$60,000 under the Agriculture Conservation Program, total ASCS payments for 1969 will be \$4,311,922.

"New records have been set in 1969 on a national basis for the number of farmers signing up to participate in the annual diversion programs. There have been 973,481 wheat producers, 1,645,398 feed grain producers and 468,499 cotton producers signed up for the 1969 program. In Hall County 783 cotton, 601 feed grain and 227 wheat producers have signed up," the office manager stated.

## Patsy Clifton Is Manager of Triple D Discount

Patsy Clifton, wife of Noel Clifton, 622 South 6th St., was named as new manager of Triple D Discount Center No. 5 in Memphis, according to an announcement made this week by L. D. Brittain of Lawton, Okla., who is owner of the chain of stores in Texas.

Mrs. Clifton replaces Waylon Bratcher who resigned to accept a position with Perry Bros. Inc. in Lamesa as assistant manager.

Mrs. Clifton is a native of Memphis and well known in this area. She was formerly employed with Parson - Lockhart Pharmacy, Postex Mills and owned and operated Patsy's Drive Inn here for some time.

The Cliftons have three children, Mrs. Bill Morgan of Austin, Noel Clifton, Jr., of Levelland and Vicki of the home.

## Fandangle Winners Named For Fri. Show

Although the crowd was small Friday night at the Hall County Fandangle, approximately \$70 was raised for the Hall County Cr-

pled Children Society, it was announced.

Stormy weather and threats of tornadoes in the area kept many from the show and caused several performers to cancel at the last minute.

John Ashley of KBGH Radio served as emcee for the Fandangle. Shirey Patrick was pianist; and Tommy Greene, accompanied by Betty Stewart rendered a special number. Dennis Hamilton entertained the audience with several numbers on the banjo.

High School winners: first place — The Crescendos, Quitaque, Gail Tyler, Vanessa Robison, Stephanie Chadwick, Jolene Hall and accompanist, Anna Jean Taylor; second place — Estelline Pep Squad, novelty number.

Junior High winners: first place — Jamie Gomez, Lakeview; second place — Randolph Munoz, Turkey.

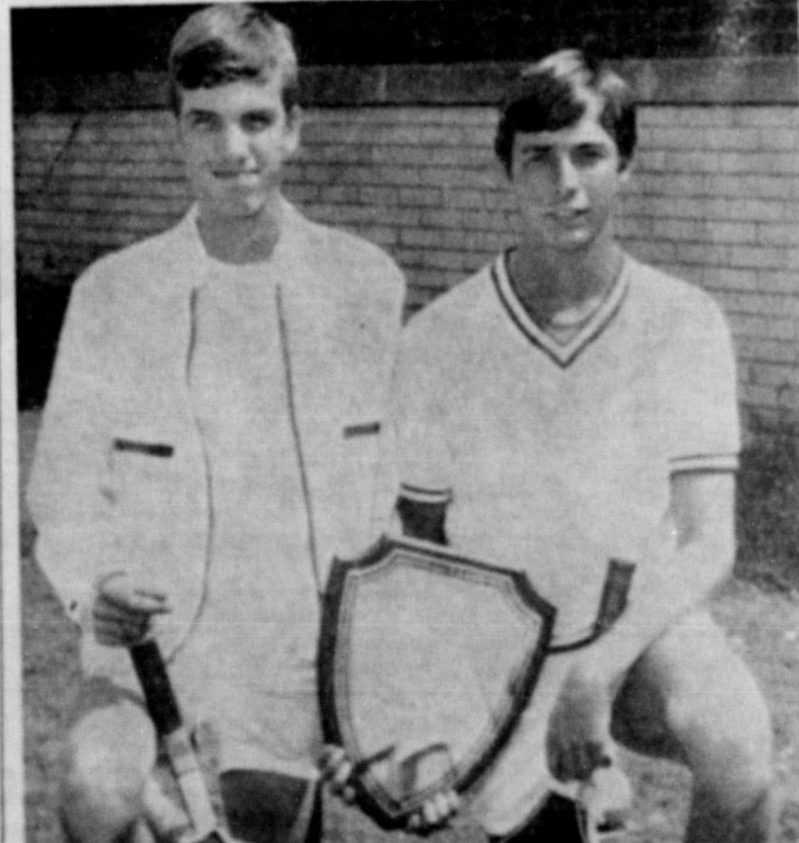

Elementary winners: group — first place, Turkey Poults, square dance; second place, Turkey 4th grade, song, "Over the Rainbow"; duo — first place, "Black Hawk Waltz", by Turkey's Larry Cox and Isabell Chivara; singles — first place, Doris Vinens, Turkey; second, Melissa Martin, Memphis; third, Debra Gragson, Turkey, honorable mention, Carol Gomez, Lakeview.

Open division adult winners — first place, Mary Nell Diggs, Estelline.

Prizes were donated by the First National Bank, First State Bank and the Memphis Compress Co.

DOUBLES CHAMPS—Brenda Durrett and Terry Wansley won Class B State Tennis plaques they won at Austin Saturday. Durrett defeated Zepher's Jenny Briggs 6-4, 6-4 in the semi-finals and Barbara Tidwell of Winona 6-0, 6-2 in the finals. Wansley downed Bo Barston 6-0, 6-1 in the first round, and defeated Winona's Johnny Johnson 6-3, 6-0 to capture the title.

DOUBLES CHAMPS—Turkey's Rod Adamson (left) and Rod Setliff proudly pose with Class B boys doubles plaque awarded them for winning this event at the State Meet. The juniors dominated both matches to win. In the semi-finals, Winona was downed 6-3, 6-0. Rocksprings' Anton-Cerda team was stopped in the finals 6-2, 6-1.

GIRLS CHAMPS—Anne Rapp with her sister, Jan assisting, brought to Estelline High the fourth straight Class B doubles plaque. Anne and Jan defeated Celeste's Justus-Duncan team 6-4, 6-0 to win the title. La Pryer was dropped 6-0, 6-2 in the semi-finals Friday at Austin.

## EDITORIAL

### Hats Off To Lions Club!

We take our hats off to the Memphis Lions Club and their president, Kenneth Dale for undertaking a city-wide clean-up this year. The Clean-Up Day is Wednesday, May 14, and this newspaper wants to give its support to this worthwhile project.

It has been several years since the civic club has sponsored a Clean-up Memphis Day, although the City of Memphis in the past has set aside a special week of cleaning up by doing special trash hauling from the alleys throughout our town.

In the late 1950's and early 1960's the Memphis Lions Club sponsored city-wide clean-ups and many volunteers worked along with the Lions to do their part to clean-up Memphis. The project stopped; however, partly due to the considerable abuse put on the workers by citizens, too lazy or too tight to hire their yard work done.

It even got so bad that workers were requested to haul away old foundation concrete, cut down old trees, tear down old fences, clean off junk from vacant lots, and any other thing the property owners felt these men ought to do.

This year, during this clean-up the Lions Club members and workers will haul stuff out of alleys, including trimmings from trees and shrubs, etc., but will not haul off anything from the property of an individual. In other words, if it's in the alley it's hauled, otherwise, it will not be hauled.

We think this is only fair to these Lions Club members and the other volunteer workers who are donating a day's hard work to making our town cleaner and more attractive place to live.

Readers should also remember that these men have their own property to clean up before working on the Clean-Up project.

If citizens feel this organization is doing a fine service to our community during Clean-Up Day next Wednesday, then remember that the Lions Club is also selling tickets for the Annual Lions Club Park Opener, Friday, May 30. It would be appreciated by the Lions if more tickets were sold this year than ever before. The money is always spent on some worthwhile project sponsored by the club.

### Is Steam Power To Be Future Wheel Mover?

For many years, proponents of the internal combustion engine have successfully combated efforts on the part of inventors to make a steam-powered motor for the automobile.

Patents have been purchased at enormous amounts, and pressures have been brought about in other ways on manufacturers which have eliminated the marketing of steam-powered vehicles since the early days of automobiles.

Now, Motor Trend magazine has released a news article concerning a 150-man development team working at a former air force base outside Reno, Nev., to make the internal combustion automobile engine obsolete. The goal is to come up with a system of propulsion that will not emit toxic elements during operation and thus not contaminate the air.

Heading the plot to throw a king-sized wrench into the gears of the automotive industry is William P. Lear, a 66-year-old millionaire-inventor and builder of the Lear Jet, the world's most widely used business aircraft.

Motor Trend says Lear has earmarked \$10 million of his own money to develop a steam propulsion system.

The article does not, however, reveal the source of power to be used to create the steam to drive the engine, or at what price the vehicles will sell. The magazine does indicate that the engines are capable of 500 horsepower and displaces 132 inches, 18 inches in length and 14 inches wide.

In these United States, the number of citizens who depend on the internal combustion engine for their livelihood is almost without number, when you consider the oil industry, factory laborers, car mechanics, service station personnel, etc.

This is why Mr. Lear's experimentation in steam engines is upsetting the automotive industry. We predict even Lear is in for rough waters before production begins on his steamer.

## ACROSS THE DESK

What Other Editors Say

### Crime Methods!

John McKee of the Dallas Crime Commission was interviewed recently by Mike Kingston of The Dallas News. Explaining how young girls were introduced to prostitution, the following dialogue took place:

Kingston: You have interviewed more than 180 high school girls who had gone into prostitution. In detail, how are they lured — and by whom?

McKee: Let me illustrate with a sample case. A girl, say 14-16 years old, will start to high school today. She will be screened by a committee set up by the prostitution ring.

They will look for two things, a pretty face and physical development. Then a seller (drug peddler) will try to get her close friends to persuade her to try marijuana or habituates. If she takes the bait, they'll supply her for several months without charge.

The next step is to induce her into taking heroin, also free of charge, for a time. After about a month or six weeks on heroin, she is hooked. Then the gang will tell her the shots will cost \$10 each. By this time, the girl needs three shots a day and the cost is prohibitive.

It's then suggested that she leave home and move into an apartment with a boy friend — a member of the gang who has cultivated her friendship. He'll take care of the costs of the drugs.

She'll live with the boy friend about three months and he'll start bringing other men to the apartment to sleep with her. One girl, for instance, had 10 men in one week. The men pay the boy friend and he continues to supply the drugs.

By this time, the girl realizes she has become a prostitute, but is addicted to the narcotic and can't quit and shut off her supply. The gang will suggest that she leave Dallas for prostitution. The local girls are sent either to New Orleans, Atlanta, Birmingham or St. Louis. Girls from other areas are brought to Dallas to work.

### Just For Today

JUST FOR TODAY: I will try to live through this day, and not tackle my whole life's problems at once. I can do something for twelve hours that would appall me if I felt I had to keep it up for a life time.

JUST FOR TODAY: I will be happy. This assumes to be true what Abraham Lincoln said that, "Most folks are as happy as they

will give to me.

There you have it . . . "Just For Today", written by Dr. William S. Hendrie. Wouldn't it be a great thing to read every morning when you get up? You know, a lifetime of success is nothing more than a long string of successful days and a person couldn't very well miss by following Dr. Hendrie's suggestions. Living one day at a time, and living it fully, means fully living a lifetime whether it lasts 100 years, or a week. And it's amazing how something like this can completely change a person's life for the better, actually revolutionize it, and find him doing more in a year than he's normally done in five years. Time, you know, is relatives — a lot can be accomplished in a single day, if we see it for what it really is — all the time we've got. Yesterday is gone, tomorrow really never comes. Today is the thing.

### Hall County Cancer Society Has Items Available For Use By Cancer Patients

Mrs. J. F. McIntush, service chairman for the Hall County chapter of the American Cancer Society, said this week that the local chapter has available a number of items that can be loaned to local cancer patients.

Among items available to local cancer patients are hospital beds, mattresses with mattress covers; hospital bed side rails, wheel chairs, walkers, crutches, and bed commodes, dressings, rolled gowns, bed pads, short hospital gowns and nylon pillows.

Among the expendable items are tapes, colostomy applicators, ostomy bags, irrigating appliances, urinary appliances, alcohol rubbing compound, baby oil, baby powder, petroleum jelly, A & D ointment, lubricating jelly, bed sheets, etc.

All persons in Hall County who are in need of any of these items should contact a cancer patient service coordinator, Mrs. McIntush, or Roy Coleman, chairman of the Hall County chapter.

### Extension Specialist Advises An Alert For Grasshoppers

COLLEGE STATION — Grasshoppers could cause more trouble during this year than last. A survey conducted by the U. S. Department of Agriculture's Agriculture Research showed that grasshoppers infested more than 10 million acres last fall, up nearly 10 million acres from the 1967 survey.

The fall survey, points out L. R. Green, Texas A&M University Extension entomologist, indicates potential severity of grasshopper infestations the following year, and gives advance warning to farmers and ranchers so they may be on the alert for these pests. The spring survey will give a more accurate estimate of the grasshopper problem and will pinpoint areas which are likely to require the control programs, says Green.

To conduct a successful grasshopper control program, the entomologist says it must be started early and all infested areas must be treated. Treating small areas is helpful in reducing initial infestations; however, grasshoppers migrating from adjoining areas can reinfest the treated areas within a short time. Maximum benefits are obtained, explains Green, when large areas are treated.

It is advisable, says Green, to treat small areas before the grasshoppers leave their breeding grounds. Infestation is considered economically significant when eight grasshoppers per square yard are present.

Green says that several insecticides are effective against grasshoppers and are listed in MP-339, "A Guide for Controlling Insects and Mites on Grain and Range Crops." Additional information on the life habits of these pests is carried in L-429, "Grasshoppers Common to Texas." Both publications are available from the offices of local county agricultural agents.

### COUNTY AGENT YOUR SAYS

#### Good Lights Are A Valuable Aid To Farm Safety

Good lighting can benefit a farm or ranch family all year round. Yard lights will help keep wild animals and prowlers away. They can prevent falls and accidents. And they can save a farmer time when working at night.

One of the best lights available is the new mercury-vapor yard-light, according to the County Agent, W. B. Hooser. When located near the middle of the building area, one of these lamps should light up the entire area.

The mercury bulb has a rated life of 16,000 hours, and many farmers seem to prefer the 250 to 400 watt lamps over the 175 watt size, Hooser says.

The light fixtures have a built-in photoelectric control that will automatically turn the light on at dusk and off in the morning. Since the mercury bulb does have a long life, it should last about four years under automatic control.

Many electric power suppliers have a rental plan whereby a farmer can pay a small monthly charge and the lamps will be installed and permanently maintained by the power company.

Judging a man's future by his past is always a poor policy.

### Tax Man Sam Sez—

If you have lived in one place all year and have worked for one employer, probably you haven't been faced with the problem of getting your W-2 form. You may even have received your refund check. However, if you move around and still don't have all of your W-2's you better let your old employers know what your address is now, so he can mail you your W-2's. Don't file your tax return until you get all of your W-2's because the computer will simply hold up your refund or the processing of your tax return. The computer will also send you a nice little form letter saying "Get your W-2's".

Internal Revenue can help some cases, but ordinarily they expect you to talk to your former employer and get the W-2. If you cannot secure a W-2 Internal Revenue will furnish you with an affidavit form for you to estimate to the best of your ability, your earnings, Social Security tax and the income tax that was withheld by your employer. If you don't have all of your W-2's — now is the time to start getting them.

## MHS Graduating Class Guest of Honor At Church Of Christ Banquet Tuesday

Members of the 1969 graduating Class of Memphis High School were guests of the Church of Christ at a banquet held on Tuesday evening, May 6, at the community center.

Tables were attractively laid for the occasion and were decorated with bouquets of roses and busts of graduates.

The food for the occasion was catered by the O-Bar Dining Room of Memphis. Assisting with serving the meal were Mrs. Gene Hughs, Mrs. Bray Cook and Mrs. Monty Alewine.

Guest artists for the program hour were Max Comer of Amarillo, and Martha Kennedy, also of Amarillo.

Mr. Comer, who is with Southwest Public Service, is a talented after - dinner entertainer. He amused the group with songs, humorous skits and concluded the

program with a message of challenge.

Guests for the occasion, other than members of the senior class were Supt. and Mrs. Charlie Chambliss, Principal and Mrs. C. E. Voyles, Coach and Mrs. Bert Glascock.

Greeting the guests were Mr. and Mrs. Ronnie Morris, and Minister and Mrs. Greg Whitacre.

Don't trust in the ponies and you'll never have occasion to join a "Don't Worry Club".

## Draft Board To Call 10 For June Induction

Texas Local Draft Board No. 20 has received a call for 27 registrants for armed forces physical examinations and 10 registrants for induction for June 1969.

These will be a portion of the June draft call for Texas of 1,300 down from 1,453 for May. Morris Schwartz, state Selective Service director, said this week. This is the state's share of national quota of 25,900 for 23,900 for the Army and 2,000 for the Marine Corps.

## K. Booth Joins Service Dept. At Ward Motor Co.

Kenneth Booth has joined the staff in the service department at Ward Motor Company, franchise dealers for Chevrolet and Oldsmobile cars and trucks, located at 217 Boykin Drive. He assumed his duties this week, according to an announcement by Dennis Ward.

Booth was reared in the Lesley community and is the son of Mr. and Mrs. B. B. Booth of Memphis. He is an expert mechanic, with experience in service departments in Clarendon and Pampa for the past eight years.

He is married to the former Shirley Holman of Clarendon. They are the parents of two children, Bobbie, age seven, and daughter, Cheryl, 10 years old. The family will move to Memphis as soon as school is out.

At the same time Ward announced that the firm's body repair department was in full operation.

**WED IN JULY**—Mr. and Mrs. Delbert Hightower announce the engagement and approaching marriage of their daughter, Patsy Lynn Murdock, to Freddie Clark McAnear, son of Mr. and Mrs. J. G. McAnear of Clarendon. The wedding will be solemnized on Saturday, July 12, in the Travis Baptist Church in Memphis. Miss Murdock is attending Clarendon College, while Mr. McAnear is a senior student at Texas Tech.

**Clarendon Rites Held For Sister of Local Resident**

Funeral services were held in Clarendon May 2 at 10 a. m. for Ellen V. Moreland, 68, a daughter of Hulda Wilson of Memphis. The services were conducted in the Clarendon First Baptist Church. Mrs. Moreland was born Nov. 1900, at Elmo. She was the wife of the late L. L. Moreland and was a member of the First Baptist Church. Mrs. Moreland died away Wednesday, April 30, at Adair Hospital. Survivors include one son, W. Moreland of Abilene; two daughters, Mrs. Irma Easterling of Farmington, N. M., and Mrs. Word of Lordsburg, N. M.; a son, Mrs. Hulda Wilson of Memphis, Mrs. Lela Bulman of Clarendon, Mrs. Josie Peabody of Memphis; brothers, Richard Cannon of Clarendon, Milton Cannon of Leburn, Sam Sannon of Vernon, Jim Cannon of Channing and Cannon of Lubbock; 8 grandchildren and five great-grandchildren.

**Car Overturns, Turns, On Hwy. 27 Sunday**

Charles Kock of Amarillo overturned and rolled his 1962 Rambler about 9 miles south of Memphis on U. S. Hwy. 287 at 10 a. m. Sunday. He ran off the left shoulder of the road while traveling south. A muddy shoulder caused his vehicle to skid and overturn several times. Kock was helped from the vehicle, with only minor injuries. The car caught fire and was destroyed. Highway Patrolman Tex saw the fire and summoned the Memphis Fire Department which extinguished the blaze.

**Granddaughter of Estelline Residents Receives Honor**

Kathy Greenley of Amarillo, senior student at West Texas State University in Canyon, has been notified that she has been selected by the music faculty as the outstanding undergraduate performer in string instruments this year. In the letter which she received, congratulations were extended and she was informed that as a result of the honor received she was asked to perform on the Honors Recital scheduled for May 14 at 4 p. m. in the Theatre at Canyon. Kathy is seeking a degree in music majoring in the string bass. She is the daughter of Mr. and Mrs. Fred Meadows of Amarillo and the granddaughter of Mr. and Mrs. Lura Marcum of Estelline.

**Charles Duncan Dies In Calif.**

Charles C. Duncan, former Hall County resident, died at his home in Corcoran, Calif., on April 18, according to information received here. Mr. Duncan lived in Hall County for many years prior to moving to California in 1942. Since leaving here, he had made several trips to visit friends in this county until his health failed five years ago and limited his activities. He is survived by his widow, Mrs. Mona Duncan, and four daughters, Mrs. Barbara Gilliam of Hesperia, Calif., Mrs. Lee Burt of Sylam, Calif., Mrs. Bea Wade of Ventura, Calif., and Mrs. Billie Campbell of Indianapolis, Ind.

Early cotton growers threw the valuable cotton seed away after the cotton was ginned.

# 'Confronting The Issue' Is Theme Of This Year's Soil Stewardship Week

Soil Stewardship Week, a nationwide observance which places emphasis on man's obligation to God as stewards of the soil, water and other related resources, will be observed locally, May 11-18, according to Donald Crook, Chairman, Hall County Conservation District.

This year's observance with the theme, "Confronting The Issues", underscores the responsibility which each citizen has in dealing forthrightly with current issues

involving stewardship of renewable natural resources.

The Hall County Conservation District and some 3,000 companion Districts throughout the nation along with their State and National Associations are sponsoring the event for the 18th consecutive year.

In preparing for the observance and to help in encouraging widespread recognition of Soil Stewardship Week, local ministers and pastors of the Memphis ministerial alliance went on a tour on Wednesday, April 30, of county farms and ranches and planned the observance of Soil Stewardship Sunday for local churches.

The Hall County Conservation District has distributed to churches of all faiths, program lands, and booklets created particularly for this year's observance.

## Two Students To Attend FHA State Meeting

Dee Chappell and Susan Spruill, accompanied by their sponsor, Miss Nancy Allen, attended the Future Homemakers of America State Meeting in Dallas today, Thursday, May 1.

Miss Chappell and Miss Spruill were selected to attend the state meeting because of the most number of points and were approved by the faculty.

The students and Miss Allen returned to Memphis Sunday.

### CARD OF THANKS

We want to thank our many friends who have been so kind to us during my illness. We especially appreciated the food that was brought to the home, and the beautiful flowers and get-well cards at the hospital. I also want to express my appreciation to Dr. Stevenson and the hospital staff for their splendid care. Each act of kindness was appreciated by me and my family.

## Salvation Army Fund Campaign Draws To Close

Rev. John Bobo, campaign chairman for the 1969 Salvation Army annual fund appeal, this week expressed his appreciation to the many volunteer workers who are participating in the campaign.

Contributions have been generous, and from reports already in, totals appear that they will be ahead of last year's campaign, he stated.

Rev. Bobo urges all unreported workers to complete their reports as soon as possible.

Similar reports came from the campaign chairmen, Rev. Roy Havens of Turkey and Rev. Elmer Ward of Estelline.

Due to the efforts of the volunteer workers and the generosity of Hall County residents, the county service unit committee will have funds for its charitable work, it was stated.

Most people will agree that the last sparrow would be a more welcome bird than the first robin.

A man who refuses to try to help himself finds little sympathy when he seeks outside assistance.

## Dr. Goodall Is Much Improved

Dr. O. R. Goodall, long-time Hall County physician and surgeon, is continuing to improve this week, according to his daughter, Mrs. Betty Shahan.

Dr. Goodall suffered a heart attack on April 24 and has been hospitalized since that time.

His son, Major Sim Goodall, left Sunday for Germany where he is stationed with the U. S. Air Force after being here for the past week.

## Lone Star Gas Files For Gate Rate Increase

AUSTIN — Lone Star Gas Co. today filed with the Texas Railroad Commission an application for an increase in the intracompany gate charge for residential, commercial and distribution unaccounted-for gas.

The company asked an increase from the present gate charge of 35.4 cents per thousand cubic feet of gas to 44.8 cents per thousand cubic feet.

When the Railroad Commission gate charge, specific computation establishes the new intracompany gate charge, specific computations will be made for each Texas town. In those towns where earnings are deemed inadequate, individual rate action will be pursued with each town's ruling body.

#### Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT (HJR80)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 2, Article VIII, Constitution of the State of Texas, be amended to read as follows:

"Section 2. All occupation taxes shall be equal and uniform upon the same class of subjects within the limits of the authority levying the tax; but the legislature may, by general laws, exempt from taxation public property used for public purposes; all real and personal property owned by a nonprofit water supply corporation which is reasonably necessary for, and is used in, operation of the corporation in the acquisition, storage, transportation and sale of water as authorized as its sole legal purpose; actual places or (of) religious worship, also any property owned by a church or by a strictly religious society for the exclusive use as a dwelling place for the housing of such church or religious society, and which yields no revenue whatever to

such church or religious society; provided that such exemption shall not extend to property that is reasonably necessary for a dwelling place and in no event more than one acre of land; places of burial not held for private or corporate profit; all buildings used exclusively and owned by persons or associations of persons for school purposes and the necessary furniture of all schools and property used exclusively and reasonably necessary in conducting any association engaged in promoting the religious, educational and physical development of boys, girls, young men or young women operating under a state or national organization of like character; also the endowment funds of such institutions of learning and religion not used with a view to profit; and when the same are invested in bonds or mortgages, or in land or other property which has been and shall hereafter be bought in by such institutions under foreclosure sales made to satisfy or protect such bonds or mortgages, or such exemption of such land and property shall continue only for two years after the purchase of the same at such sale by such institutions and no longer; and institutions of purely public charity, and all laws exempting property from taxation other than the property above mentioned shall be null and void."

Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election all ballots shall have printed on them the following: "FOR the Constitutional amendment to exempt nonprofit water supply corporations from taxation," and "AGAINST the Constitutional amendment to exempt nonprofit water supply corporations from taxation."

### PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT (HJR4)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51-d, Article III, Constitution of the State of Texas, be amended to read as follows:

"Section 51-d. The Legislature shall have the power, by general law, to provide for the payment of assistance by the State of Texas to the surviving spouse and minor children of officers, employees, and agents, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units with authority to make an arrest, of the State of any city, county, district, or other political subdivision who, because of the hazardous nature of their duties, suffer death in the course of the performance of those official duties. Should the Legislature

enact any enabling laws in anticipation of this amendment, no such law shall be void by reason of its anticipatory nature."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment authorizing the Legislature to provide for payment of assistance to surviving spouses and minor children of governmental officers, employees, and agents, including members of organized volunteer fire departments and certain organized police reserve units, who have hazardous duties and are killed in the performance of those duties."

### PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT (HJR9)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section 49-d-1 to read as follows:

"Section 49-d-1. (a) In addition to Texas Water Development Bonds heretofore authorized to be issued by Sections 49-c and 49-d of Article III of the Constitution, the Texas Water Development Board is hereby authorized to issue \$3,500,000,000 in aggregate principal amount of bonds. No part of such additional bonds shall be issued prior to approval thereof by the vote of two-thirds of the elected members of both houses of the Legislature.

State of Texas. Provided, however, that financial assistance may be made pursuant to the provisions of such Sections 49-c and 49-d subject only to the availability of funds and without regard to the provisions in Section 49-c that such financial assistance shall terminate after December 31, 1982.

(e) Under such provisions as the Legislature may prescribe, the Texas Water Development Board may receive grants and, in addition, execute contracts with the United States or any of its agencies, other states of the United States, foreign governments and others, for the acquisition and development of such water resources and facilities for the State of Texas. Such contracts when executed may be secured by the general credit of the state, and if so secured shall constitute general obligations of the State of Texas in the same manner and with the same effect as Texas Water Development Bonds. If facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's interest. The aggregate principal amount of Texas Water Development Bonds authorized herein and in said Sections 49-c and 49-d shall be reduced by the aggregate of principal payments committed under such contracts constituting general obligations of the state. The provisions hereof shall not be construed to limit the authority of the Texas

Water Development Board to execute contracts or issue revenue bonds when such contracts or bonds are not secured by the general credit of the state.

(f) Texas Water Development Bonds and such contracts secured by the general credit of the state shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

(g) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such laws shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on Tuesday, August 5, 1969, at which election all ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment broadening the powers of the Texas Water Development Board and the purposes of the Texas Water Development Fund; eliminating the interest limitations on Texas Water Development Bonds; raising the authorized amount of Texas Water Development Bonds by \$3,500,000,000; extending the maturity schedule on Texas Water Development Bonds; eliminating the procedures for curtailment and the financial assistance to be provided by the Texas Water Development Board."

### PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT (HJR50)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Constitution of the State of Texas, be amended by adding a new Section 50b-1 to read as follows:

"Section 50b-1. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Two Hundred Million Dollars (\$200,000,000) in addition to those heretofore authorized to be issued pursuant to Section 50b of the Constitution. The bonds authorized herein shall be executed in such form, upon such terms and be in such denomination as may be prescribed by law and shall be interest, and be issued in such installments as shall be prescribed by the Board provided that the maximum net effective interest rate to be borne by such bonds may be fixed by law.

Constitution and the laws enacted pursuant thereto.

(c) The said bonds shall be general obligations of the state and shall be payable in the same manner and from the same source as bonds heretofore authorized pursuant to Section 50b.

(d) All bonds issued hereunder shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under this Constitution.

(e) Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment such acts shall not be void because of their anticipatory nature."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The Constitutional amendment authorizing the Legislature to provide for additional loans to students at institutions of higher education under the Texas Opportunity Plan."

### PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER FIVE ON THE BALLOT (SJR8)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51-a of Article III of the Constitution of the State of Texas be amended, and the same is hereby amended so as to read as follows:

"Section 51-a. The Legislature shall have the power, by general laws, to provide, subject to limitations herein contained, and such other limitations as may be deemed expedient, for assistance grants to and/or medical care for, and for rehabilitation and any other services included in the federal laws as they now read or as they may hereafter be amended, providing matching funds to help such families and individuals attain or retain capability for independence or self-care, to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of state funds for such purposes; provided that the maximum amount paid out of state funds to or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of such state funds on behalf of such individuals shall not exceed the amount of Eighty Million Dollars (\$80,000,000) during any fiscal year.

making matching funds available to help such families and individuals attain or retain capability for independence or self-care, to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of state funds for such purposes; provided that the maximum amount paid out of state funds to or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of such state funds on behalf of such individuals shall not exceed the amount of Eighty Million Dollars (\$80,000,000) during any fiscal year.

"Supplementing legislative appropriations for assistance payments authorized by this Section, the following sums are allocated out of the Omnibus Tax Clearance Fund and are appropriated to the State Department of Public Welfare for the period beginning September 1, 1969 and ending August 31, 1971: Three Million, Six Hundred Thousand Dollars (\$3,600,000) for Old Age Assistance, Two Million, Five Hundred Thousand Dollars (\$2,500,000) for Aid to the Permanently and Totally Disabled, and Twenty-Three Million, Nine Hundred Thousand Dollars (\$23,900,000) for Aid to Families with Dependent Children. Such allocations and appropriations shall be made available on the basis of equal monthly installments and otherwise shall be subject to the provisions of currently existing laws making allocations and appropriations for these purposes.

"Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may be amended to the extent that federal matching money is not available to

the state for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enacts such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons.

"Nothing in this Section shall be construed to amend, modify or repeal Section 2 of Article XVI of this Constitution; provided further, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the eyes, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes of any defect whatsoever in any manner nor to administer physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this state."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday in August, 1969. At the election the ballots shall be printed to provide for voting "FOR" or "AGAINST" the proposition:

"The Constitutional Amendment providing for assistance to and/or medical care on behalf of the needy aged, the needy blind, the needy disabled, and the needy dependent children and their caretakers in the amount of \$27,900,000 as the maximum amount of state funds paid per year from state funds for assistance only; allocating such appropriations for supplemental assistance payments for legislative appropriations for assistance grants; and authorizing the Legislature to enact such laws as may be necessary in order that federal matching money will be available for assistance and/or medical care."

### PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT (HJR7)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Constitution of the State of Texas, be amended by adding a new Section 64 to read as follows:

"Section 64. All other provisions of the Constitution notwithstanding, bonds issued pursuant to constitutional authority shall bear such rates of interest as shall be prescribed by the issuing agency, subject to limitations as may be imposed by the legislature."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment removing the constitutional interest rate limitations, subject to limits imposed by the Legislature, for bonds issued pursuant to constitutional authority."

### PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT (HJR3)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 42, 46, and 48 of Article III, Sections 2a and 7 of Article VII, Section 12 of Article VIII, Section 3 of Article IX, Sections 1, 3, 4, 5, 6, 7, 8, and 9 of Article X, Section 10 of Article XI, Sections 3, 4, 5, and 7 of Article XIII, Sections 2, 3, 4, 5, 6, and 7 of Article XIV, Sections 3, 4, 7, 13, 29, 32, 34, 35, 36, 38, 42, 45, 46, 54, 55, 57, 58, and 60 of Article XVI, Constitution of the State of Texas, be repealed, it being specifically

understood that the repeal of these sections shall not in any way make any substantive change in our present constitution."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in August, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to repeal the obsolete, superfluous and unnecessary sections of the Constitution."

### PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT (SJR31)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24, Article III, Constitution of the State of Texas, be amended to read as follows:

"Section 24. The Lieutenant Governor and the Speaker of the House of Representatives shall each receive from the Public Treasury an annual salary in an amount to be fixed by the Legislature, not to exceed one-half the annual salary of the Governor. Each other member of the Legislature shall receive from the Public Treasury an annual salary to be fixed by the Legislature, not to exceed the annual salary paid to a district judge from state funds. Members of the Legislature shall also receive a per diem of not exceeding Twelve Dollars (\$12) per day during each Regular and Special Session of the Legis-

lature. No Regular Session shall be of longer duration than one hundred and forty (140) days.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on August 5, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment providing that the Lieutenant Governor and the Speaker of the House of Representatives shall receive a salary fixed by the Legislature, not to exceed one-half the salary of the Governor; providing that the Legislature shall fix the salary of the other members, not to exceed that received by a district judge from state funds; and removing the 120-day limitation on per diem for regular sessions."

### PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT (HJR4)

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 5, Article III, Constitution of the State of Texas, as amended, be amended to read as follows:

"Section 5. The Legislature shall meet in regular session each year at such time as may be provided by law and at other times as convened by the Governor. When convened in odd-numbered years in regular session, the Legislature shall devote the first thirty days to the introduction of bills and resolutions, acting upon emergency appropriations, passing upon the confirmation of the recess appointees of the Governor and such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided that during the succeeding thirty days of such session the various committees of each House shall hold hearings to consider all bills and resolutions and other matters then pending; and such emergency matters as may be submitted by the Governor; provided further that during the following sixty days the Legislature shall act upon such bills and resolutions as

may be then pending and upon such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided, however, either House may otherwise determine its order of business during this session by an affirmative vote of four-fifths of its membership.

"Regular sessions in even-numbered years, commencing in 1972, shall not exceed sixty days and shall be limited to legislation on the subjects of providing funds for the support of functions and activities of the state government and emergency matters submitted by the Governor in messages to the Legislature. At each regular session, commencing in 1971, appropriations shall be made for the support of functions and activities of the state government for the next fiscal year."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on August 5, 1969, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to provide for annual legislative sessions."

The Migrant Health Project for Childress and Hall Counties has announced the hiring of Donald M. Cage of Childress to serve as sanitarian and administrator.

Cage is a native of Childress and has been employed by the Fort Worth and Denver Railway Co. in Childress for 12 years as invoice clerk and stockman. For the past two years, Cage has headed the clean-up campaign in Childress while serving as city councilman. Through this comprehensive clean-up campaign, Cage became interested in sanitation and health programs.

The Migrant Health Project for the two counties is sponsored by the Greenbelt Medical Society. Dr. Jack E. Fox of Childress and Dr. H. R. Stevenson of Memphis are co-project directors.

Besides Cage, the project employs three registered nurses, Mrs. Shirley Clifton and Mrs. Margaret Westenberg of Childress, Mrs. Rita Anderson of Memphis and two part - time clerks, Mrs. Sue Ferrel of Memphis and Mrs. Lorraine DeOnier of Childress.

The project objective is to improve personal health services for migrant families and permanent families of similar socio - economic status.

Funds for the project are provided by the U. S. Government grant. Doctors services are donated by nine physicians in Childress and Hall Counties.

## When was the toboggan invented?

The toboggan was developed around 1890. A group of thrill-seeking American men and women were vacationing in Switzerland. They were looking for something more daring than piddling around on snowshoes.

The Americans built themselves a toboggan and laid out a course on the mountains. They were soon hurtling down the snow-filled slopes. Some spectators looked on the sport as a new means of committing suicide!

However, other enthusiasts soon joined their ranks. The sport achieved wide popularity.

This particular group of dare-devils soon found the toboggan too safe. For more speed, they mounted their toboggan on sled-

like runners. This invention was the forerunner of today's hobsled.

# Legion, Auxiliary Members Ready For Summer

City Park in Memphis was the scene for warm weather visitors Saturday, May 3, by the Simmons Post 175 and the Legion Auxiliary. Members and their guests spent the entire day raking and cleaning the park.

Assisting in the project were several city maintenance workers who hauled debris away in trucks.

Under direction of Commander Gregory, the group raked leaves and refuse, cut and trimmed trees and shrubs, cleaned the cooking facilities, and prepared the picnic areas ready for use. There is still work to be done, Commander Gregory stated, and members plan to continue their project in their spare time in the evenings.

At noon and in the evening, refreshment meals were served by the auxiliary workers.

The Legion designated a picnic area on the south side of the park for the special project and will repaint the facilities. This will be used as a meeting place for Legion family night supervised by Commander Gregory said.

### Gamma Kappa Chapter Meets In Childress

The Gamma Kappa Chapter of the Delta Kappa Gamma Society, International, met in Childress Saturday, May 3, for a program honoring the twelve founders of the society.

Mrs. Zola Donald of Clarendon, program leader, reviewed the history of the society which was organized in Austin forty years ago under the leadership of Dr. Annie Webb Blanton. The vision, courage, strength, and unity of the founders created an organization that has grown to international status with 2,151 chapters and a membership of many thousands of women in education.

Chapter members read letters with information on each founder. These letters were written by relatives, fellow teachers, former pupils, and roommates. White candles were lighted for the eight founders who are deceased. Red candles were lighted honoring the

four founders who are still active in the society. These are Miss Lela Lee Williams of Dallas, Miss Ray King of Fort Worth and Dr. Helen Koch of Chicago. Miss Eula Lee Carter of Ft. Worth, honorary founder of Alpha State and chairman of the committee on organization and expansion, was honored also. Miss Carter is known as the "Skipper", and organized Gamma Kappa Chapter thirty years ago.

Local members attending were Mmes. Anna Mae Foster and Kaki Deaver, and Misses Esta McElrath, Alma Bruce, Margaret McElreath, Ethel Hillhouse and Zady Belle Walker.

### BIRTHS

Mr. and Mrs. Thomas Albert Fry III of Dallas are the parents of a son, who was born April 23. He has been named Thomas Albert Fry IV, and weighed 7 pounds and 5 ounces at birth. Maternal grandparents are Mr. and Mrs. O. L. Helm.

### Local Delegates Give Highlights Of FHA Meeting

Susan Spruill and Dee Chapell, accompanied by their advisor, Miss Nancy Allen, were representatives at the Memphis Future Homemakers of America Chapter at the state FHA meeting in Dallas, May 1-3.

Headquarters for the meeting was the Baker Hotel with conference meeting being held in Memorial Auditorium nearby. The auditorium was almost filled at every meeting by FHA members from all over the state.

The theme for the Texas 68-69 state meeting was "FHA Gateway to Dream". Thel Daniel of Spearman is state president.

One of the highlights of the meeting was when Marilyn Van Derbur, a former Miss America, spoke on "Goals and Dreams". She is now youth speaker for United Airlines. The theme of her speech centered around the thought "you can do anything you think you can, and more when the need arises". She told some humorous experiences of her own during her reign as Miss America, when she was called on to do the impossible.

Other program highlights include a speech by Mrs. Adams of Adams Extract Company; the state choir that sang "Lara's Theme," "I Believe" and "This is My Country", and state degrees, scholarships and other awards were issued.

### WCS Members Attend Annual Spring Meeting

Mrs. F. W. Foxhall, Mrs. David Hamblin and Mrs. M. G. Tarver were in Vernon Wednesday, April 23, to attend the spring meeting of the District Woman's Society of Christian Service of the United Methodist Church.

During the business session new district officers were elected. Mrs. Tarver served on the nominating committee.

Mrs. Cecil Matthews, district president, was the featured speaker.

### Atalantean Club Members Tour Goodnight Ranch

Some of the Atalantean Club members enjoyed a tour of the Colonel Goodnight Ranch headquarters at Goodnight on April 26.

Mrs. Palmar, hostess of the ranch home, graciously gave the history of the ranch and the changes that had been made through the years. She took the group through the home explaining the historical mementos here and there and their origin.

Refreshments were served to the following members: Miss Imogene King, Mmes. Earl Allen, Roy Jewel, Henry Foster, Glynn Thompson, Herbert Estes, W. R. Scott, Kenneth Parker and Bob Douthit. Two guests, Misses Meredith Douthit and Jo Ann Scott, also made the trip.

After the group left the ranch, they went to Amarillo for a luncheon at the new Villa Inn Motel. Later, they went on a shopping tour in Amarillo.

### Mike Bogard Shows Film At C. B. Club Meet

The C. B. Club held their monthly meeting April 10.

Guests for the evening were Mike and Amelia Bogard. Mr. Bogard showed a film entitled "America the Beautiful", as the program for the evening.

Following the program, a business session was held and two new directors were appointed for the year. They were Thurman Ellerd and Billy Darrell Roden.

The C. B. Club regrettably announces that due to certain circumstances the club will not be able to carry on the organized storm watch this year. This has been one of the club's projects for the last three years. Members deeply regret that they will not be able to continue this service for their community.

The next meeting of the C. B. Club will be May 8 at the Community Center.

### Methodist WSCS Meets For Study Monday Morning

The general meeting of the Woman's Society of Christian Service was held Monday, May 5, at 9:30 a. m. in the First United Methodist Church.

The president, Mrs. M. G. Tarver, presided at the business meeting giving a report of the district meeting in Vernon April 30, attended by three members. A highlight of the meeting was a review of the goals of the Women's Society and Guild by the Northwest Texas conference president, Mrs. Matthews.

Mrs. Bob Hutcherson gave three interesting stories to enable the members to be concerned for and feel the needs of the world about them. They were "Charter Flight", about Cuban refugees; "Night Shift" about the service of three protestant ministers in San Francisco; and "School for Brides" about the education of an east Indian's wife. To introduce Mrs. Hutcherson's program, some of the members gave pur-

poses of the Women's Society. Inspiring Bible readings were given by Mrs. W. J. McMaster to correlate the program.

Mrs. Mary Lou Erwin distributed pictures of religious perversion in the Philippines and led in prayer for Richard Deats, a missionary to that country.

Those present, other than the ones mentioned above, were Mmes. Carl Morris, Bess Crump, J. J. McDaniel, David Hamblin, J. W. Oliver, F. W. Foxhall, Herb Evans and her aunt as a guest, Mrs. Frieda Stafford.

### CARD OF THANKS

The family of Mrs. Edna Russell wishes to express their sincere thanks to everyone for the many kindnesses shown to her and her husband during the long time she was in the Hall County Hospital. A special thanks go to the nurses, candy strippers and Dr. Clark for their faithfulness to her.

### L. V. N. Assn. Meets In Lavender Home Monday

The L.V.N. Association met Monday, May 5, at 7 p. m. in the home of Mrs. Mable Lavender with Alma Hemphill as hostess.

The meeting was opened by president, Bernie McIntush, after which the opening prayer was given by Ruby Compton.

Following the business session, cokes were served to the following members: Neville Slogh, Le Briggs, Emma Wright, Mable Lavender, Ruby Compton, Alma Hemphill, Stella Rice, Bernie McIntush, Abbie Veteto.

The meeting was closed by the group repeating the Nurses' Pledge.

The next meeting is slated for June 7 in the home of Bernice McIntush at 7 p. m.

Mrs. Madden, who has been a patient in the local hospital, was able to return to her home Saturday. Mrs. Bessie Broome of Clarendon is staying with Mrs. Madden.

Mrs. E. D. Watson met her husband in Morton for the weekend and they were guests in the home of her mother, Mrs. Clyde Queary. Mr. Watson has been employed in Pecos and from Morton went to Hobbs, N. M. where he will work for the next week or two. On Saturday, Mrs. Watson visited in Lubbock with Mrs. Odell Anthony, who underwent surgery last week in a Lubbock hospital.

Mrs. Herschel Combs visited in Wellington Sunday afternoon with her mother, Mrs. L. A. Dickey.

Mrs. Grace Monzingo, Mrs. Oren Jones, Mrs. Gip McMurry and Mrs. Myrtle Howard were Amarillo visitors on Wednesday of last week.

Mr. and Mrs. Dick Fowler and family were in Austin over the past weekend to attend the state interscholastic meet.

Mr. and Mrs. Waylon Bratcher and baby moved to Lamesa this week where he will serve as assistant manager of Perry Bros.

Mrs. Harold Beck and Mrs. Edna Smith of Clarendon were guests Saturday afternoon in the home of Mrs. C. W. Kinslow. While here they enjoyed attending the shower in the home of Mrs. Allen Dunbar honoring Miss Sarah Beth Montgomery, who is a niece of Mrs. Smith.

**MORTAL ENEMIES**—One of the most dangerous and dazzling animal acts in circus history comes to the Amarillo Civic Center with the Ringling Bros. and Barnum & Bailey Circus for 9 big shows beginning Friday, May 9, through May 12. Althoff's Siberian tiger performs with and rides on his mortal enemy, a horse.

## Local Residents Attend Amarillo Rites For J. Lester

Mr. and Mrs. L. H. Lester and Mrs. R. L. Lester attended funeral services in Amarillo Saturday, April 26, for Sp. 4 Jimmy Don Lester, 21, of 1713 Brooks St.

Sp-4 Lester was killed in action on April 17 in Vietnam

while his unit, of the 25th Infantry Division, defended an artillery position under enemy attack near the Cambodian border. The Amarillo native had been wounded twice in battle and was decorated for bravery.

Lester was a second cousin of L. H. Lester, and the late R. L. Lester.

The almighty dollar figures in a multitude of angles and triangles.

## Lakeview P-TA Installs Officers At Meeting Mon.

The Lakeview Parent-Teacher Association met Monday evening, April 28, for the last meeting of the year, it was reported early this week.

The president, Mrs. Brenda Pate, called the meeting to order. J. C. Stepp, grade school principal, gave the invocation.

Mrs. Henry Foster, in an impressive ceremony using as a theme "Fruit Bearing," installed the officers for the coming year. As she reminded each officer of his duties, she likened each to a certain kind of fruit. If the elected officer was willing to assume the responsibilities of the office, he acknowledged this fact by adding his fruit to the center of interest at the front of the room.

Officers installed were: president, Wanda Montgomery; first vice president, Mr. Stepp; second vice president, Dixie Barbee; third vice president, Mrs. A. P. Jones; secretary, Janet Montgomery; treasurer, Francis Hancock;

# Maverick's hot! Any questions?

Measure it any way you like. By the crowds. The news stories. The sales. Few cars have caused a sensation like Maverick or broken so many records. Every day more and more people are asking questions about it. Here are the answers.

### Q. Why did you build the Maverick?

A. We think of Maverick as another one of Ford Motor Company's answers to the gold drain. Now Americans who want small car economy don't have to send their U.S. dollars overseas.

### Q. Why did you call it Maverick?

A. You know what a maverick is: A maverick breaks the rules. A maverick is different. Maverick plugs the big gap between the compacts and the imports. It has a wheelbase eight inches shorter than a '69 Falcon, eight and one-half inches longer than a VW 1500. Nothing else like it.

### Q. Why did you make it this size?

A. Maverick pinches pennies, not people. We gave Maverick more leg room. More shoulder room. More luggage room. Good example: the front seat of a Maverick offers you nine inches more shoulder room than the front seat of the leading economy import and its trunk can handle all the luggage for a family of four, including a set of golf clubs.

### Q. What do I get for the price?

A. You get your money's worth. A complete, built-for-Americans kind of car. Room. Hot styling. Color-keyed interiors. Even the heater is included. Some economy car interiors are about as luxurious as a park bench. Not Maverick's. You get plush seats. Cloth and vinyl upholstery with unique tartan plaid cloth inserts. You also get safety features like smart pull-out door handles. Strong safety door locks. Two-speed electric wipers. Safety belts. Head restraints. Plus conveniences like armrests, coat hooks, lighted heater controls . . . important little things that add so much to your driving comfort.

### Q. What about options?

A. You can get 'em if you want 'em. You can order integral air conditioning. (It's built in, not hung on.) Other options include 3-speed automatic or low-cost semiautomatic transmission, and a hefty 200 CID Six. But lots of people won't put an extra cent into this car. Because it's all there. A complete car all ready to drive home.

### Q. What kind of gas mileage can I get?

A. That depends on you as well as the car. You can get as much as 25 or 26 miles per gallon—if you have an educated toe and the right road conditions. If you have a lead foot, or do a lot of city driving, you will

get a lot less. In tests by professional drivers at our tracks, where we do our best to duplicate actual driving conditions, Maverick averaged 22.5 mpg.

### Q. What kind of power does Maverick have?

A. Maverick's Six lets loose 105 galloping horses. That's 52 more than you get in the 4-cylinder VW 1500. Maverick can cover 417 feet in ten seconds from a standing start. That means you can get up to highway speed in a hurry. When you enter a 70 mph turnpike, you won't feel like a retired bookkeeper thrust into the middle of a pro football game.

### Q. If it has an eight inch longer wheelbase than the leading import, does it still handle and park easily?

A. Maverick can U-turn in a tighter circle (35.6 feet) than the leading economy import (36.0 feet). Maverick can slant through traffic like a halfback. It can turn on a dime and give you nine cents change. If you've been driving any other American car, you'll find Maverick's neat size adds up to 5 1/2 feet to any parking space.

### Q. Can Detroit really build a small economy car that's tough and long lasting?

A. It's not easy, but we did it. Maverick's unitized body construction makes it light, strong and durable. It's welded like a battleship. Rustproofing compound goes into deep crevices that never see the light of day. Then all that strength is covered with four coats of paint for lasting beauty. Result: one tough little car that's put together to stay together. (The service schedule in the Maverick owner's manual goes up to 108,000 miles or nine years; that ought to tell you something about its rugged durability.)

### Q. How about parts and service?

A. Maverick is designed to be unusually easy to service. You're dealing with made-in-America parts and 6,000 easy-to-find Ford Dealers. Fast repairs and easy replacements mean extra savings in both time and money.

### Q. Is Maverick really easier and less expensive to maintain than an economy import?

A. Definitely. Maverick oil changes come only every 6,000 miles and chassis lubrication once every 36,000 miles. The leading economy import recommends oil changes every 3,000 miles (twice as often as Maverick) and chassis lubrication every 6,000 miles (six times as often as Maverick). Those are

just a few examples of the many ways Maverick lessens inconvenience and lowers operating cost.

### Q. Can I do my own maintenance work?

A. Yes, if you have an average amount of mechanical ability. The Maverick owner's manual contains 24 pages of detailed diagrams and easy-to-follow instructions for routine maintenance jobs you can do yourself, if you wish. You'll find it easy to change spark plugs, replace ignition points . . . plus many other do-it-yourself repairs and replacements.

### Q. Can a small car be safe? And how safe is safe?

A. This small car incorporates the latest advances in engineering. Maverick's brakes are as big as a standard compact's—designed to stop cars weighing hundreds of pounds more. Maverick gives you weight . . . power . . . stability. Designed for American driving conditions.

### Q. How does Maverick ride?

A. Here's where Maverick's longer, wider stance really pays off. You get a smoother, quieter ride. Maverick's tight, strong, unitized body helps eliminate squeaks and rattles. Special insulation blocks out road noise. The people who brought you a Ford that was quieter than a Rolls-Royce now bring you a small car that doesn't sound like a power mower.

### Q. Is there an advantage in the fact that Maverick is really a 1970 car?

A. Slower depreciation is one money-in-the-pocket advantage. Maverick's 1970 model designation means it keeps its trade-in value higher, longer. (Maverick is built to be a good investment from the minute you buy it to the minute you sell it.)

Better come take a look at this one. You'll find it where the action is . . . right in there with other great Ford values like specially equipped Ford Galaxie 500's . . . Fairlanes . . . Mustangs and Falcons.

You'll find them at your Ford Dealer's . . . the place you've got to go to see what's going on.

For an authentic 1/25 scale model of the new Ford Maverick, send \$1.00 to Maverick, P.O. Box 5397, Department , Detroit, Michigan 48211. (Offer ends July 31, 1969.)

### Contests To Highlight Area I FFA Convention In Amarillo Saturday

Miss Karen Eudy of Turkey, Greenbelt FFA Queen, and Billy Ed Dixon of Memphis, district winner of the FFA public speaking contest, will compete in Area I competition at Palo Duro High School in Amarillo Saturday, May 10.

MISS KAREN EUDY

Karen is a freshman at Turkey High and was freshman candidate for Miss Turkey and selected "Most Beautiful" of Turkey High School.

Dixon won the Greenbelt Dist. public speaking contest last month.

Gaylon Clark, a freshman at West Texas State University, is a candidate for the State President nomination. Delegates at the convention will vote on Area I officers and a candidate from Area I for State President.

The district talent contestant from Clarendon will also be in competition at Amarillo during the Area Convention.

All the FFA Chapters in the Greenbelt District are invited to the convention and voting delegations will determine winners in most of the contests.

### Jr. High Band Festival Will Be Saturday

Memphis and Clarendon will have an Elementary and Jr. High Band Festival Saturday, May 10, at Clarendon Jr. College.

Bands from Memphis, Childress, Phillips, Vega, Clarendon, McLean, and Shamrock and soloists and ensembles from Wheeler will attend.

Memphis bands play at 9 a. m. and at 3 p. m. with the 6th grade band playing first. Solos and ensembles contests will also be conducted.

Band Director Martin Glass said both schools agreed to jointly sponsor the contest this year.

are unfavorable and cause growers to associate damping - off with cold, wet weather.

"Most commercially purchased planting seed will be treated and this will be noted on the container tag. Growers who save their own planting seed can purchase the needed chemicals at most farm supply stores," Hooser said.

If seed are treated on the farm, the important thing is to get a uniform covering of the protective fungicide over the seed coat. This can be done with a home-made device which tumbles the seed and permits the fungicide to become thoroughly mixed with the seed.

The county agent points out the need for using the proper dosage. Lower than recommended may cause the treatment to be ineffective while excessive rates may damage the seed. Some diseases are borne inside the seed and must be treated by other than with chemicals.

Hooser said that detailed information on chemical seed treatment is available from his office and invites interested persons to come by for it.

If the present pace continues, those federal grants and loans may turn into grants and loans.

# THANKS TO MY FRIENDS AND CUSTOMERS

We have sold Super Save Market in Memphis to Robert Galloway, and use this method of extending our sincere thanks to the citizens of this area for their patronage. Since we purchased the business from Henry Foster and took charge April 1, 1963, you have been good to us, and we are grateful.

It is our wish that all former customers of Super Save Market continue to come to the store under Mr. Galloway's ownership. No change in operation is being made under his management, and the same service and high class merchandise will be handled.

"We are planning no change in the operation procedure and the same personnel will be employed to take care of the needs of our customers," Galloway said.

Employees are: Ray Woodard, Jim Lamberson, Joyce Crooks, Ottie Ray Jones and Randy Dale.

### Netters Win—

(Continued from Page 1)

Briggs was at Austin for the third straight year, Bevers said.

Also Wansley's match with Bo Barston, which he won rather easily, was another touchy match as Bo was one of the two boys doubles champs last year.

The Rapp sisters reported that the first set in the finals was difficult due to a poor start in the match. "We were anxious to play but didn't draw a court until 3 p. m.," Anne said. For a veteran of four years, Anne readily admitted she was nervous due to the delay.

Hall Countians have always felt they had the best tennis players in the state and this year, our netters proved it, without so much as having to play an extra set.

### Local Bank—

(Continued from Page One)

several out of the county have donated to the building fund. However, we are still short of the needed amount to purchase the building, Mr. Baldwin said, and all donations will be appreciated. To date no drive has been made and all contributions have been volunteered.

Fixtures for the building, including several showcases, have been given from the Popular Dry Goods building as well as several other fixtures. Local men have been working in recent weeks redoing the fixtures and putting them in first class condition. Already on display are a large group of interesting historical items and the museum is open to the public at various times.

Mr. Baldwin said he wanted to thank everyone who had helped either with contributions or by donating their time to repair the display cases.

An equalization board of C. T. Chappell, C. J. Wynn, Jr., and A. L. Gailey was appointed by the board. This board will meet Thursday (today) to handle equalization problems.

The school board also re-employed the auxiliary personnel and secretaries of the school district. The school insurance with Southwestern State General Agency was also approved for 1969-70.

### City-Wide—

(Continued from Page 1)

Residents are urged to clean yards, trim trees and shrubs, and pile their trash in the alleys. The truck crews will pick up all piled trash, including tree limbs, which are in the alleys.

Members of the Lions Club stressed that they will not be responsible for cleaning yards or trimming trees, but will haul off all trash from alleys.

It was also explained that trash in the alleys next to vacant lots

will also be hauled away during the cleanup. "We would ask that property owners pile their cuttings and trash in one or two piles, or place it in disposable containers whenever possible," Lester Campbell, publicity chairman for the project, announced. This will help speed up work.

Crews are planning to work all

day long on this clean-up campaign, beginning early, so citizens should do their own cleaning before next Wednesday, May 14.

The biggest trouble with contained furniture is that it simply doesn't fit most people's contours.
