Winners Announced

Carl Hill Will Be 1970 Picnic Assn. President

Carl Hill of Estelline was elected president of the Hall County Picnic Association Sunday morning activities on the information program.

Officers named were 1st president, Elmer Lacy of Olton; 2nd vice president, Jerral of Estelline; and Secretary, Fred Stephens. A treasurer will be named later it was announced.

Approximately 1,000 persons registered at the picnic it was reported. The crowd at the City Park was estimated at almost 2,000. Almost all of the beef was sold this year. What was left was sold for \$80, Past President Carl Campbell said.

The president extended appreciation to all those who worked in donating time and money to making the celebration this year successful.

The Parade Queen selected this year was Nelda Gay Stone, with Foxhall as runner-up. Miss Stone rode in the parade in the position of the American Auxiliary float.

All float entry winners were: Esther Stone Day Care, first; Swimming Pool, second and Billie's Plumbing, third.

Commercial float winners were: Harrison Hardware; second, Memphis Chapter of Young Homeowners; and third, Davis and Supermarket.

Cycle winners were: 1. Ger-South (wearing a tuxedo), 2. Dixie (wearing a clown costume), 3. Randy Archer (in a suit), 4. Earnest Rocha (carrying a crate full of chickens).

Walking winners were: 1. Mr. and Mrs. Long Horn Steer, 2. a pair dressed alike on sorrel horses, 3. rider of the Shetland pony (Names needed on last two weeks).

Walking club winners: 1. Child-Riding Club, 2. Kids on ponies, 3. Memphis Riding Club.

WINNER—Jack Mears of Lubbock was first place winner in the Fiddler's Contest, 60 years and older, here Saturday. Other winners in the division were Gene Sewell of Hobart, Okla., and Bill King of Dozier.

and everyone who entered the parade and all who helped me with it this year."

Fiddlers Contest

Approximately 500 attended the fiddlers contest held in the Community Center. The contest lasted two and a half hours.

Winning the 60-year-old and over contest was Jack Mears of Lubbock, first place; with Gene Sewell taking second and Bill King, third.

Winning the below 60 contest was Bartow Riley of Olton. Vernon Riddle of Wichita Falls won second place. Third place was R. C. Burkhalter of Perryton and fourth Dean Yadon of Perryton.

About 12 fiddlers entered the contest. Four guitarists accompanied the fiddlers, who played two songs each in competition.

Estelline To Travel To Patton Springs

Estelline Bears will travel to Patton Springs tomorrow night for the first of two games against the Patton Springs team. Patton Springs plays at Estelline on Oct. 10. The game is 8 p. m.

The Bears were open last week dropping their season opener at Harrold 42 to 8. At half-time the score was 8-6, but Harrold made the game open in the second half to win a one-sided victory.

For the Bears was End Harold on a long pass from QB Paul Bryant. Holladay caught the two-point

conversion pass.

About the Patton Springs game, Coach Jimmie Adams said this morning that the Bears are all ready for the contest. Jovett missed the Harrold game because of an infected throat.

The Estelline coach said Patton Springs has had about the same boys they had last year and should be a fine club.

About the Harrold game, the Estelline coach said Harrold scored four times on Estelline's mistakes. He was disappointed about the second half of that game.

Migrant Health Office Is In Need Of Clothes

The Hall County Migrant Office is in need of clothing of any kind or any size, it was announced this week by Migrant Health Nurse, Mrs. Rita Anderson.

Those with clothing to donate should call the Migrant Health Office, 259-2515, or contact Mrs. Anderson at 259-2867.

Those desiring to bring the clothes by the Migrant Health Office are asked to do so on Fridays. The Office is located in the Memphis Jr. High Building.

Troop 35 To Have Court of Honor Monday, Sept. 29

The Boy Scout Troop 35 Court of Honor will be held at 7:30 p. m. Monday, in the Scout Hall, over the Carnegie Library.

Parents of Boy Scouts are invited to attend. Several rank promotions and merit badges will be presented to scouts earning these awards.

Scoutmaster Les Sims and Scout Leaders and officers will take part in the Court of Honor.

Also, those boys 11 years old who would like to begin work in the scouting program are invited to be at the Court of Honor and bring their parents. The new scouting year will be beginning soon, it was announced.

Sometime next week, the troop officers will be elected and plans for the work and activities for the troop the coming year will be made.

These plans will be presented to the Troop Committee for approval. Oct. 20, a Cave Man Cook-out is planned for the troop at the City Park. This is when a meal is prepared without benefit of cooking utensils.

Funeral services for Owen B. Harvey, 85, of Shamrock, father of Mrs. Holland McMurry, were held at 2 p. m. Tuesday in the Bible Methodist Church in Shamrock.

Mr. Harvey passed away in the Hall County Hospital here after a long illness.

Rev. Nina Herbey, pastor, officiated. Burial was in the Shamrock Cemetery.

Mr. Harvey came to Wheeler County in 1914 and was a charter member and former chairman of the board of trustees of the Bible Methodist Church.

He was a retired farmer and rancher.

Survivors include: one son, two daughters, one sister, six grandchildren and three great-grandchildren.

Health Careers Club To Hold Bake Sale Sat.

The Health Career's Club will hold a bake sale Saturday, Sept. 27, in front of Lockhart Pharmacy, according to an announcement made this week.

The sale will begin at 8:30 a. m. A large selection of delicious home-baked pastries will be offered for sale including pies, cakes, and cookies, the president said.

Bids Sought For Gov. Housing Here

Services Held Wednesday For Mrs. Grimsley

Funeral services for Mrs. Virginia Grimsley, 92, of Lakeview were held at 2 p. m. Wednesday, Sept. 24, in the Memphis Church of Christ.

Gregg Whitacre, minister, officiated. Burial was in Union Hill Cemetery at Lakeview under the direction of Spicer Funeral Home.

Virginia Scott was born Nov. 18, 1876, in Dallas County. She was united in marriage to John Holt Grimsley Dec. 2, 1894, in Montague County. The family came to Lakeview in 1917. Mr. Grimsley predeceased her in death on June 26, 1959.

Mrs. Grimsley was a member of the Lakeview Church of Christ. She passed away Monday at noon in the Hall County Hospital.

Survivors include three daughters, Mrs. J. D. Wallace of Fresno, Calif., Mrs. Cora Ryan of Portersville, Calif., and Mrs. Gilbert Young of Lakeview; a foster son, Wayne McClendon of Wellington; six grandchildren; 16 great-grandchildren and 13 great-great-grandchildren.

Pall bearers were Joe N. Berry, Olton Pate, L. E. Hughes, J. W. Hatley, Zeno Lemons and Herbert Payne.

Henry F. Jarvis, Former Resident, Dies In California

Henry Franklin Jarvis, 56, of Sacramento, Calif., former Memphis resident, passed away Saturday evening in the Sacramento Medical Center Hospital.

Funeral services were conducted here at 10:30 a. m. Wednesday, Sept. 24, in the Spicer Funeral Home Chapel with Rev. Elmer Ward, pastor of the Estelline Methodist Church, officiating.

Interment was in Fairview Cemetery under the direction of Spicer Funeral Home.

Frank Jarvis was born March 18, 1913, in Jones County. A retired chef, a member of the Methodist Church at Lakeview and a World War II veteran, Mr. Jarvis had been a resident of Sacramento for the past 10 years.

He is survived by his wife Mrs. Marie Jarvis of Sacramento; one son, Henry Franklin Jarvis, Jr., and one daughter, Mrs. Vida Jo Kelly, both of Oklahoma City, Okla.; three step children; seven grandchildren; and three sisters, Mrs. Brown Smith of Memphis, Mrs. Otis Mason of Spearman and Mrs. Joe Eddins of Estelline.

Pall bearers were Elam Orcutt, Client Srygley, V. C. Durrett, James Skinner, Vedis Anderson and Ben Spear.

Shamrock Rites Held For Father Of Local Resident

Funeral services for Owen B. Harvey, 85, of Shamrock, father of Mrs. Holland McMurry, were held at 2 p. m. Tuesday in the Bible Methodist Church in Shamrock.

Mr. Harvey passed away in the Hall County Hospital here after a long illness.

Rev. Nina Herbey, pastor, officiated. Burial was in the Shamrock Cemetery.

Mr. Harvey came to Wheeler County in 1914 and was a charter member and former chairman of the board of trustees of the Bible Methodist Church.

Cyclone-Blackhawks To Tangle Here Fri.

The first home game of the 1969 football season will begin at 8 p. m. Friday in Cyclone Stadium as the much favored Phillips Blackhawks will pay a visit to the Memphis Cyclone.

One of the two teams will come out of the game a victor for the first time this season. Phillips has stepped out of its class twice, against Canyon and Lawton, Okla., and has not been able to win a game while Memphis has been playing two strong Class A ball clubs in Clarendon and Gruver and is 0-2 for the season.

Coach Bert Glascock said the Memphis team has been showing a lot of improvement with two games of experience and he felt the game with Phillips Friday could "make" his ball club jell.

If our team is physically able to move the ball against Phillips' fine defense and manage to score, and can physically contain Phillips offense the game could prove exciting and go a long way to "jelling" the team, Coach Glascock said.

Phillips' team this year is bigger than in past years and appears to be a little slower than their fine, quick team of last season. Donnie Sewell, 160, senior tailback is a versatile runner either inside or outside. He wears No. 12 and is a real threat whenever he has the ball, which is almost 50 per cent of the time. Phillips' trap plays up the middle with FB No. 44 Ronnie Morrison is always a popular weapon for the Blackhawks. QB Donnie Beebe (170) likes the sprint out passes and to bootleg the football on occasion. WB Jackie Lawson, No. 25, is dangerous on the scissor plays.

The Blackhawks use a stunting type defense with Young (190) Morgan (182) and Buckland (155) as linebackers. Noland at 200 lbs. and Guest at 206 are the biggest defensive linemen for Phillips.

For The Cyclone

Coach Glascock reports the local team is showing improvement with each passing day. Against Gruver, he said, the coaches were well pleased with the defensive effort.

Billy Gilbert won the Head Hunter award for his defensive effort. The coach also named Charles Carroll and Carol Thompson for doing good jobs on defense.

Offensively, FB Carol Thompson won the Golden Spear Award for his efforts carrying the football.

The coach said the overall defensive effort was good until Gruver scored in the fourth quarter. "We were disappointed that our boys had a mental let down after this," he said.

"Offensively, we were disappointed all night," the coach said. The coach explained that when reserve tackle James Hansard was injured in Wednesday's workout, a tight end was moved to tackle, and a wingback was moved to tight end. This player had only one-half a workout to adjust to the change, the coach said.

The coach said that Gruver's middle stunt hurt our offense real bad because of the failure

of our guards to pick-up the stunt.

Billy Gilbert is the only local lad, out this week. He has been sick with a throat infection. Hansard will be out of action for possibly three weeks with a knee injury.

Services Held Monday For Mrs. S. K. Jones

Funeral services for Mrs. S. K. Jones, 91, of Estelline were held at 3 p. m. Monday, Sept. 22, in the Estelline First Baptist Church with Rev. Elvis Pitts, pastor, officiating.

Burial was in the Estelline Cemetery under the direction of Spicer Funeral Home.

Kathrine Caroline Kelley was born Jan. 12, 1878, in Collin County. She was united in marriage to Ed Clifton in 1895 in Wise County and moved near Estelline in 1908. Mr. Clifton preceded her in death in 1919.

In 1924 she was united in marriage to S. K. Jones who passed away in 1949.

Mrs. Jones was a member of the First Baptist Church of Estelline over 59 years and had been a member of the Order of the Eastern Star, Chapter No. 351, for over 50 years.

She passed away Saturday evening at 7:10 p. m. in the Hall County Hospital here.

Survivors include: three sons, Hulen Clifton of Estelline, Noel Clifton of Memphis and Eddie Clifton of Lubbock; one step-daughter, Mrs. Agnes Bailey of Estelline; six grandchildren; 10 great-grandchildren; sisters, Mrs. Ella Baker of Lakeview, Ore., Mrs. Ona Randall of Raton, N. M., and Mrs. Ernest Hembree of Amarillo; brothers, Dick Kelley of Amarillo and Theodore Kelley of Terrell.

Pall bearers were A. P. Bumpas, O. R. Lambert, Barney Russell, Arthur Eddleman, Leonard Bradford and Carl Hill.

Memphis Junior Teams Are Seeing Action Against Quanah Tonight

The Memphis Jr. High teams will be playing Quanah 7th and 8th graders here tonight with games beginning at 6 p. m. and 7:30 p. m.; while at Quanah, the Junior Varsity Team will take on Quanah's B Team at 7 p. m. Jr. Varsity Coach Denzil Lacy said that he is looking forward to a great season if attitude and effort of his lads continue to improve each week.

His team suffered a 28-0 defeat at Clarendon early in the season, because of poor effort but bounced back to down Electra 31-6 last week. Ronald Canada scored three TDs, Jarry Johnson one TD and Jimmy Phillips had one TD against Electra. Chris Liber was outstanding on the offensive line and Terry Wheeler played outstanding on defense.

1970 ASC County Committee Elected

The 18 farmer elected delegates for all community committees met in the Memphis Community Building, Sept. 24, and elected the 1970 ASC County Committee, Lynn L. McKown, office manager, Hall County ASCS, announced today.

The Hall County ASC Committee for 1970 will be as follows: J. Robert Harvey, Jr., chairman;

The Housing Authority of the City of Memphis is asking for bids for the complete development of Housing Project TEX-286-1. Bids will be opened at 2 p. m. Tuesday, October 28 at the City Hall in Memphis, the Legal Notice announces.

Sixty dwelling units including plumbing, heating, electrical, site improvements are included in the contract to be let to the selected bidder.

Pierce, Norris, Pace and Associates, Architects, Engineers, Planners, 1002 West Wall, Midland, is the architect for the project and plans and specifications can be secured from them.

Members of the Board of the Memphis Housing Authority are: David Hamblin, chairman, M. G. Tarver, vice chairman, George Berry, Mrs. Sue Fowler and D. H. Pope. T. B. Rogers is the executive director of the Authority.

Being planned is 61 units, 60 dwelling type units and one community building. Forty of these dwelling units and the community center complex will be built on the two blocks east and south of the southeast corner of the square. The other 20 units will be built just east of the Texas Hwy. Dept. barn on State 256. These are designated low-rent housing units. The forty units near the square are to be housing for the elderly.

It has been explained that these units designated housing for the elderly are not designed as a nursing-type complex. Residents will have to be physically able to live without continuous nursing care.

Mr. Rogers said that the final plans are almost exactly the same as had been planned before. The local authority was notified last week that all was in readiness to let the contract on this project. The project has been in the planning stage for a number of years and several Memphis citizens have served on the board. Site location was one of the major problems, and also plans for utility services of the size to handle this project also had to be finalized before the contract could be let.

Mr. Rogers or any of the members of the Housing Authority board will be glad to answer any questions citizens in this area might have concerning the building or operation of the new housing project here.

More information will be released as plans continue to finalize and the contract is let.

Memphis Junior Teams Are Seeing Action Against Quanah Tonight

Fans are invited to watch the rematch game between Memphis and Clarendon Jr. Varsity squads at Cyclone Stadium next Thursday at 7 p. m. This will be the Jr. Varsity team's first home game.

Last Thursday, the Memphis 8th graders defeated Paducah 18-8 and the 7th graders won a 3-0 scrimmage against Paducah's 7th grade team.

Coach George Berry was pleased with the efforts of both teams. "Our Eighth Graders this year are not as large as our 8th grade team last year. We'll have to compensate for this by desire and hustle," the coach said.

Against Paducah, the 7th graders had their first outing, while Paducah had already played a game. Jimmy Melton, Daryl Thompson and Berry Weatherly each scored a touchdown for Memphis.

The 8th graders scoring touchdowns were QB Jim Dixon, two TDs, and Raul Ruiz, one TD. The coach said two touchdown plays were called back due to infractions.

The team showed a lot of improvement, Coach Berry said. Against Quanah, the two local teams will be facing tough opponents. Last year, Quanah's 7th won 22-0 over Memphis 7th. As 8th graders, these teams will meet again tonight.

The two Memphis teams are open next Thursday.

EDITORIAL

What Does The Future Hold?

The 79th birthday celebration of Hall County has passed, and we feel all those who worked on the different aspects of the celebration deserve a pat on the back. The activities Saturday were most entertaining and the food at the picnic Sunday was delicious. Many stood in rain to fill their plates, but some others let the rain interfere with plans to attend the picnic. For those hearty souls who stood in the rain to be served, the hot food was, as one TV commercial puts it, "a love pat for the tummy."

Fall is the time of the year in an agriculture-oriented country when many take stock of the situation, make economic evaluations and plan for the future. It seems to us that this is a good time to examine the future of our area.

Agriculture wise, the 1969 cotton crop isn't in as good shape as it was last year, but could prove to be a good crop if the freeze date is in mid-November, and we have some hot, dry weather to allow the cotton to mature properly.

There are other things in the wind which will definitely affect the future of this area, however, besides the outcome of this year's crop.

Announcement was made last week of the final approval of the Lakeview Watershed Work Plan, a project of over \$3 million in magnitude. This will mean that federal employees will move into the area to supervise construction work during the planning and building stages of this project. An added benefit besides the flood prevention, this project will afford a good portion of the northwestern portion of the county.

This week, the announcement is made of the asking for bids and possible letting of contract for 61 units of government housing to be built in Memphis. Forty-one of these will be homes for elderly including a community building for the elderly and 20 units will be low rent housing. This project has been in the planning stages for several years and is now only a few months away from reality.

Next Wednesday, at noon, officials of the Triple M Homes, Inc., will present a program to a joint Lions and Rotary Club meeting of opening plans for the new mobile home factory which is under construction here. The importance of industry in small towns in our nation is being recognized more and more at all levels of government, and citizens of Memphis feel grateful that industry would select our town as the site for expansion. By making new comers a part of our community we can make them feel welcome and needed in our civic, governmental, religious, educational and social elements.

The Hall County Picnic brings back many to visit their "home" county. We enjoy talking with these former residents. Seldom do we find a former resident who would not like to be living here again if business opportunities were as bright as they are where they are now living.

We feel we do have a good, wholesome environment for our citizens to live in and raise their children. We also hope the future will bring better business opportunities to our area so more people can enjoy living in our small town environment. Sure, we have our troubles, too, with declining farm commodity prices and rising costs, declining enrollments in our school systems, smaller attendance in our churches than we ought to have, not enough interest during election years at the polls, too many accidents, just to name a few.

But we do have those citizens who are continuing to work, and work hard, to develop this area, to provide better economic opportunities for our citizens, and to make this a better place to live in today than ever before. In other words, they are serving as good citizens should. Let's do our part today and tomorrow will take care of itself.

The Pop Festival!

By CLEMO CLEMENTS

I was feeling pretty low Saturday afternoon after a visit to the Pop Festival grounds, then at the camping area of the "hippies" at the lake. I had seen things at both places that had turned my stomach.

After witnessing about 40,000 . . . with most of them the shabby, scraggly new breed, doing their "thing" I had a nauseating feeling about the future of this country.

Then the telephone rang. It was Bob Gerardy and Randy LaGrone of Carthage, Texas, who were passing through town. They will be juniors at the University of Texas this year.

Both are neat, personable, clean cut young men. Gosh, what a welcome relief they were from the thousands of characters we'd seen that day.

They accepted my invitation to spend the night at our home. I would have been flattered and pleased at any time to have them visit my home. But on that particular day they were a God send . . . a wonderful balm for my depressed spirits.

One thing for sure, after our experience this past weekend with this new breed, we Lewisville residents should rejoice and count our blessings that we have so many decent, wholesome young people in our midst . . . and let them know we appreciate them.

Many folks have expressed disappointment in me for the passiveness in which I greeted the Pop Festival. I requested that our people show patience, tolerance and charity for our visitors . . . and to accept it as an experience.

I thought I was doing what was best for my community. It may have been, but I've had some pangs of guilt about it.

The festival was already set before anyone in Lewisville knew about it. There was not time to take legal steps to halt it even if we had chosen to do so.

As it was thrust upon us, I felt it best to try to calm fears by taking the tolerance tact. Actually, I was caught between a rock and a hard place. I could take this route and hope that the visitors would respond to kind treatment, or I could have ignored the thing completely and done or said nothing, or I could have written a heated editorial of denunciation.

The latter route would have been the popular one for the most part. But, I felt . . . and still do, that it would tend to inflame and incite. Maybe I was wrong. I was a judgement decision and I made the one I sincerely thought was best.

Also I'll confess to being woefully ignorant about "hippies". I'd never had an opportunity to be around such characters. Good gosh, I've worked with young people all my life and always gotten along fine with them. I foolishly felt that these "hippies" were just normal, mischievous kids who were getting through a phase.

Holy mackerel, many of these

characters are professional "hippies" . . . with many of them no longer young people. They are a breed that I've never come across before. They are irresponsible and amoral. They have no pride, conscience, or shame. They are polite yes, but this, too is weird and unreal. You simply can't reach them. How can you reach anyone who has no shame, pride, conscience or moral values?

If any good has come out of this weekend "happening", it was that of opening our eyes to what is really taking place in our country. We had a first hand, ring side seat to all this . . . we didn't have to rely on second hand information from television, newspapers or magazines. We saw it right here in our own home town.

And to be very frank about it, it is frightening.

Hickey Motor Co. Showing New Lineup Of 1970 Chrysler Cars

The 1970 line of Chrysler cars feature major improvements to the suspension system which significantly reduce road noise and vibration. The 15-model line went on sale Tuesday, Sept. 23. Local dealer for Chrysler is Hickey Motor Co.

The completely new styling which appeared on the 1969 Chryslers has been refined with changes centering mainly on the front and rear of the cars and body-side ornamentation which is distinctive for each of the five series: Newport, Newport Custom, 300, New Yorker, Town and Country wagons.

"We have accentuated the basic looks of Chrysler through styling refinements and have further developed mechanical aspects which make the car quieter and more luxurious," Glenn E. White, Chrysler - Plymouth Division General Manager, said.

lic paths for the transmission of noise and vibration to the body. The insulators separate the rear axle and springs in a rubber "sandwich".

The noise and vibration isolation system is standard on all models except convertibles and station wagons.

New grilles, a new full loop rear bumper, rear deck, and associated body panels significantly update front and rear end appearance. The massive full loop front bumper is retained.

A new wider rear track provides increased stability and further enhances appearance.

All interiors are upgraded throughout the 1970 Chrysler line. Selected seat and door trim combinations offer highly styled full bench seats, individual bucket seats, and the three-in-one bench seat option.

The 383 cubic-inch two-barrel engine, which uses regular gasoline, is standard in Newport, Custom Newport and Town & Country. The powerful 440 cubic-inch single exhaust four-barrel is optional in Newport, Custom Newport, and Town & Country, while the 449 cubic-inch dual exhaust four-barrel is also optional in Town & Country. The potent High Performance 440 cubic-inch four-barrel TNT engine is optional in 300, New Yorker, and Town & Country.

Other new features on 1970 Chryslers include: dual rear speaker system available on Town & Country wagons; long-wearing fiberglass belted tires standard; new larger L84 X 15 inch tires standard on New Yorker; locking steering column with column-mounted ignition key, and warning buzzer; positive action glove box latch; new steering wheel-

rim actuated horn switch operated by squeezing a soft strip on the inside of the steering wheel rim; new chrome plated steel road wheels available; new speed-shift gate for automatic transmission shift linkage; new bucket seat console; new low fuel warning light; new deluxe seat belts; new Cleaner Air System improvements.

New Imperial For 1970
Imperial makes a bid for even greater popularity in the luxury car field with new exterior and interior styling, model realignment, and appealing new features for 1970.

The four models in the Imperial line — two and four-door hardtops in each the Crown and LeBaron series — will be on sale in dealerships September 23. The Crown four-door sedan has been discontinued.

The new styling features combined with riding comfort and responsive performance make the new models the most luxurious in Imperial's history.

"In the tradition of truly fine prestige automobiles, the carefully refined 1970 Imperial projects a new level of dignity and excellence," White said.

There is a new, more massive appearing grille, with concealed headlights, and new parking and cornering lamps. In the rear are new fullwidth tail lights with the back-up lights relocated to the center. Individual Imperial name block letters have been added to the bumper.

Interior appointment levels reach a new luxury high. New bench seats with "bucket" contoured backs are available. The LeBaron 50/50 all-leather split bench seat with individual arm rests and passenger recliner is available in seven colors.

Other Imperial features for 1970 include: quieter interiors resulting from a new sound insulation package; new design single

Don't Blame The Farmer For Food Price Increases

Don't blame the farmer for higher food prices. In fact, explains Dr. Wm. E. Black, Extension economist at Texas A&M University, farmers are the consumers' best friend.

The American agricultural industry, he points out, continues to produce more than commercial markets will absorb at prevailing prices and they can do even better if the situation should warrant.

This unparalleled production has kept food prices from rising higher than they are while the

prices received by the farmer have averaged no more, most often considerable less, than those of 20 years ago, says the economist.

But, he adds, the food marketing bill has more than doubled in the last 20 years. And there are lots of reasons. The increased population has upped the volume of food marketing by more than one-third. Marketing services have jumped by one-half because consumers want and are getting more sorting, grading, trimming, packaging, processing and storage, more built-in conveniences and they are eating more and more away from home.

He also noted that labor costs account for nearly half of the total food marketing bill — have doubled. New plant and equipment costs along with transportation, materials for packaging, interest, rent and taxes keep climbing as do production costs for the farmer. Our agricultural producers, he emphasized, are striving to meet this price-cost squeeze by producing more at lower cost and are today the most efficient producers in the nation. They too are pushing hard for more efficient marketing and product promotion, Black says.

Consumers continue to be favored by increasing incomes while farm income lags. Despite higher food prices, consumers spend less of their incomes for food than any time in history and are getting the best, says the economist.

For comparison, consumers might ponder these figures, sug-

gests Black. For all items except food, the cost has increased 42 percent; transportation is up 60 percent; housing 42 percent; rent 52 percent and medical care 86 percent while all food, including eating away from home, has increased about 37 percent over the past 20 years, says Black.

It's Black's contention that consumers should be ever grateful to this nation's agricultural

producers who have stayed on the job, cutting expenses wherever and whenever possible and putting on the dinner tables of this nation the finest food in the greatest abundance ever known. Black doesn't believe many consumers would be willing to trade places with a farmer in order to have an opportunity to share the odds a farmer faces every day in the operation of his business.

Gruver Nips Cyclone In Defensive Tussle

Although the Memphis crowd was small at Gruver, due to the long trip involved, the Memphis Cyclone put on quite a defensive show staging four goalline stands and only giving up one touchdown to the favored Gruver Greyhounds.

Offensively, however, Gruver's rushing defense bottle necked the Cyclone's outside plays and made the Cyclone's offense play hard to see. The Cyclone's passing game accounted for two of five first downs earned by the Cyclone during the contest.

In capturing the 7-0 victory, the Greyhounds used a 5-yd. per carry effort on the part of No. 21, halfback Larry Gumfory and the running up the middle of FB Wesley Maupin to dominate the defenses actions of the night.

Gumfory paced off 140 yards against the Cyclone defense running outside and added the Greyhounds only TD on a 7-yard scamper around the right end early in the fourth quarter. No. 62, Mac Blankenship kicked the point after touchdown to round out the scoring.

Cherri Rapp Is Elected Senator At Wayland Col.

PLAINVIEW — Miss Cherri Rapp, daughter of Mr. and Mrs. Berrel B. Rapp, Estelline, was elected as a senator for the Wayland College sophomore class in the recent Student Government Association elections.

A 1958 graduate of Estelline High School, Miss Rapp is a member of the Hutcherson Flying Queens of Wayland College and last year was judged the rookie of the year at the national woman's page meet, and was champion in the women's regional tennis singles.

The SGA is composed of three officers and five senators from each of the four classes and serves as a representative of the student body in various capacities including sponsoring of campus projects and contact with the administration and faculty.

The Greyhounds drove, on two long carries by Gumfory to the Memphis 10 in the first quarter, only to see four plays stopped cold at the line of scrimmage by a stiff Cyclone defense which yielded only one yard in four attempts.

The punting of QB Merle Kilpatrick was superb during the night as the senior booted the ball nine times for a game average of 45 yards.

Kilpatrick passed the Cyclone's first, first down to TB Max McQueen, and he hit WB Mark Hundley for a 25-yard pass later in the first half for another first down.

The first half ended with Gruver making four first downs and two penetrations while the Cyclone had two first downs.

No. 11 Danny Henson returned a punt to the Memphis 4 yard line midway in the second quarter and it looked like a sure TD for the Greyhounds.

But Memphis defensive unit again rose to the occasion, stopping Gumfory on the first play on the three-yard line. Then, Kilpatrick dumped QB Henson for a 10 yard loss, and Ronnie McFalls tackled Gumfory for a 5 yard loss. On a fourth down attempt, Henson couldn't find a receiver open so he ran with the football and was dropped on the Memphis 27 where the Cyclone took over on downs.

The Cyclone moved for one first down to the Greyhounds 40, before Henson intercepted a Kilpatrick pass, stopping the Cyclone best first half offensive effort.

In the second half, FB Carol Thompson ran the ball for two plays, making four and seven yards and a first down to the Memphis 53. Then, two more carries by Thompson netted eight yards and QB Kilpatrick carried for another first down to the Memphis 46. But here, Gruver's defense on two outside plays dropped Memphis backs for 11 minus yards so the drive fizzled.

The Cyclone fumbled the ball on the Memphis 39 setting up Gruver's only scoring effort of the night. A pass play on the fourth down gave the Greyhounds a first to the Memphis 17. Then, on a fourth down and one needed for a first, eight yards from the goalline, Gumfory broke loose around end to score.

As the game continued in the fourth period, Gruver used trap plays up the middle and good running by FB Maupin to move the ball to the Memphis 17. But here again, the Cyclone defense denied yardage and Memphis took over on the 14.

With time running out, Memphis went to the air lanes but could not generate a drive. The game ended with Gruver in possession deep in Memphis territory.

Enrollment At Clarendon College At All-Time High

George C. Bourns, public relations director for Clarendon College, this week announced that enrollment figures at the college is at an all-time high. As of Sept. 22, the enrollment had reached 338 students. Final enrollment date is Sept. 30.

This represents an 80 percent increase over the past five years. Records show that men students have always been higher than women students, but the trend this year is almost even. Students came from 50 high schools as well as out-of-state schools and foreign countries.

Greenbelt FFA Dist. Officers, Sponsors To Meet Wednesday

The Greenbelt District Vocational Agriculture teachers and Chapter representatives will meet at 4 p. m. Wednesday, Oct. 1, in Wellington High School for the purpose of electing district officers.

Each Chapter will have three representatives and their sponsor at the meeting.

At the meeting, district officers will be elected, district program of work plans will be drafted, changes in the annual teaching plan will be discussed, and reports will be made on Young Farmer organization and new programs will be made.

Walter Labay, supervisor of Vocational Agriculture, Area I, will attend the meeting.

Mr. and Mrs. J. W. Coppedge of Muleshoe visited here Saturday with friends and attended the parade. They were en route to Canyon to visit their daughter, Kay, who is a freshman at WTSU.

Mr. H. B. Bennett and Guthrie Bennett of Santa Fe, N. M. were here over the weekend visiting friends and relatives and attending the Hall County celebration.

Mrs. W. M. Cofer had as weekend guests Mr. and Mrs. Ed Spears of Canyon, Mr. and Mrs. Tros Crowder of Amarillo, and Mrs. Marvin Seely of Hale Center.

Large Group Enjoys Legion Dinner Saturday

Over 250 persons attended the turkey dinner sponsored by Simmons - Noel Post 175 and the American Legion Auxiliary at the Legion Home Saturday, Sept. 20, Commander Henry Gregory and Mrs. Henry Gregory, auxiliary president, announced.

Approximately \$327 was grossed from the event and will be divided equally by the two groups. The auxiliary's bake sale, also held Saturday, grossed approximately \$75. Mrs. Gregory said, and the parade queen contest grossed \$100.18.

Proceeds from the events will be used to send representatives to Boys State and Girls State and in child welfare projects. The organization sent two girls and boys to the state meetings this past summer including: Nancy Voyles, Irene Foxhall and Spencer Gilliam.

"We wish to thank all the members who contributed food and work toward the turkey dinner and bake sale," Mrs. Gregory said. Commander and Mrs. Gregory both expressed their wholehearted thanks to the public for its support of the dinner and parade, as well as the queen contest.

The contest was won by Nelda Gay Stone, with Irene Foxhall as first runner-up. Only 186 votes

separated the two top winners and the other contestants were close behind, Mrs. Gregory stated.

Commander Gregory said that several of the floats entered in the Annual County Picnic parade will also be entered in the Hedley Cotton Festival.

Legion and auxiliary members are reminded that a "Grass Roots" Membership Workshop will be held

tonight, Thursday, at 8 p. m. in the Childress Legion Home. Everyone is urged to attend.

The public is invited to play bingo at the local Legion Home Saturday at 8 p. m.

Open House Sunday To Honor Mr. and Mrs. T. C. Stevens

MR. AND MRS. T. C. STEVENS

Mr. and Mrs. T. C. Stevens will be honored on their 50th wedding anniversary with a reception in the Bronze Room of the First National Bank Sunday, Oct. 5, from 2 until 4 p. m.

Couple Observes 50th Anniversary

Mr. and Mrs. V. G. Byars were honored Sunday, Sept. 14, with a reception held in their home, celebrating their 50th wedding anniversary.

The host and hostesses for the occasion were children of the couple. They are Mr. and Mrs. Thomas Bourland of Lubbock, Mr. and Mrs. Wayne Martin of Wellington, Mr. and Mrs. Doyle Miller of Lakeview and Mr. and Mrs. Kent Byars of Lakeview.

A host of relatives and friends visited during the afternoon and were registered by Miss Janet

Byars, granddaughter of the couple.

The guests enjoyed cake, punch and coffee served from attractively laid tea table.

Here to help celebrate the occasion were four sisters and three brothers of Mr. Byars. They were Mrs. Betty Kennard of Brea, Cal., Mrs. Carl White of Denver, Colo., Mrs. Bill Hill of Pampa, Mrs. M. H. Kennard of Lesley, Raymond Byars of Grandview, Luther Byars of Pampa and E. S. Byars of Memphis.

Bill Kilpatrick Returns Home From Hospital Mon.

Bill Kilpatrick, who had been receiving treatment in Northwest Texas Hospital in Amarillo for nearly two weeks, returned home Monday. He is reported to be improving satisfactorily at this time.

Mr. Kilpatrick received a head injury about two weeks ago in an accident that occurred at Brookhollow Club Lake. He was loading some wood to be used at the City Park picnic at the time of the accident.

Mr. Kilpatrick was treated at the local hospital and later transferred to Amarillo where he was in intensive care for two days.

It appears, Senator, that net income nowadays is just about limited to professional tennis players.

Married Oct. 5, 1919, at Cason, Tex., the couple made their home in East Texas until Jan. 16, 1938, when they moved to Memphis and have lived here ever since. Mrs. Stevens is the former Emma Smook of Cason.

Mr. and Mrs. Stevens are the parents of six children, five of whom are still living. They have 14 grandchildren and three great-grandchildren.

Hosts and hostesses are their children: Claude Stevens of Amarillo, Mr. and Mrs. Perry Stevens of Amarillo, Mr. and Mrs. S. J. Smith of Dalhart, Mr. and Mrs. Donald Stevens of Wellington, Mr. and Mrs. Julius Stevens of Tulla, and one granddaughter and husband, Mr. and Mrs. Kenneth Crump of Amarillo.

The request has been made that no gifts be given.

NOTICE OF PUBLIC HEARING CORRIDOR ROUTE

The Texas Highway Department will conduct a public hearing on Tuesday, October 7th, 1969, at the Estelline High School Auditorium, Estelline, Texas, at 7:00 P. M., for the purpose of discussing the improvement of U. S. Highway 287, from 1.0 Mi. Northwest of the Childress County Line to 2.0 Mi. Northwest. The proposed corridor route will pass through the town of Estelline in Hall County.

The highway project includes

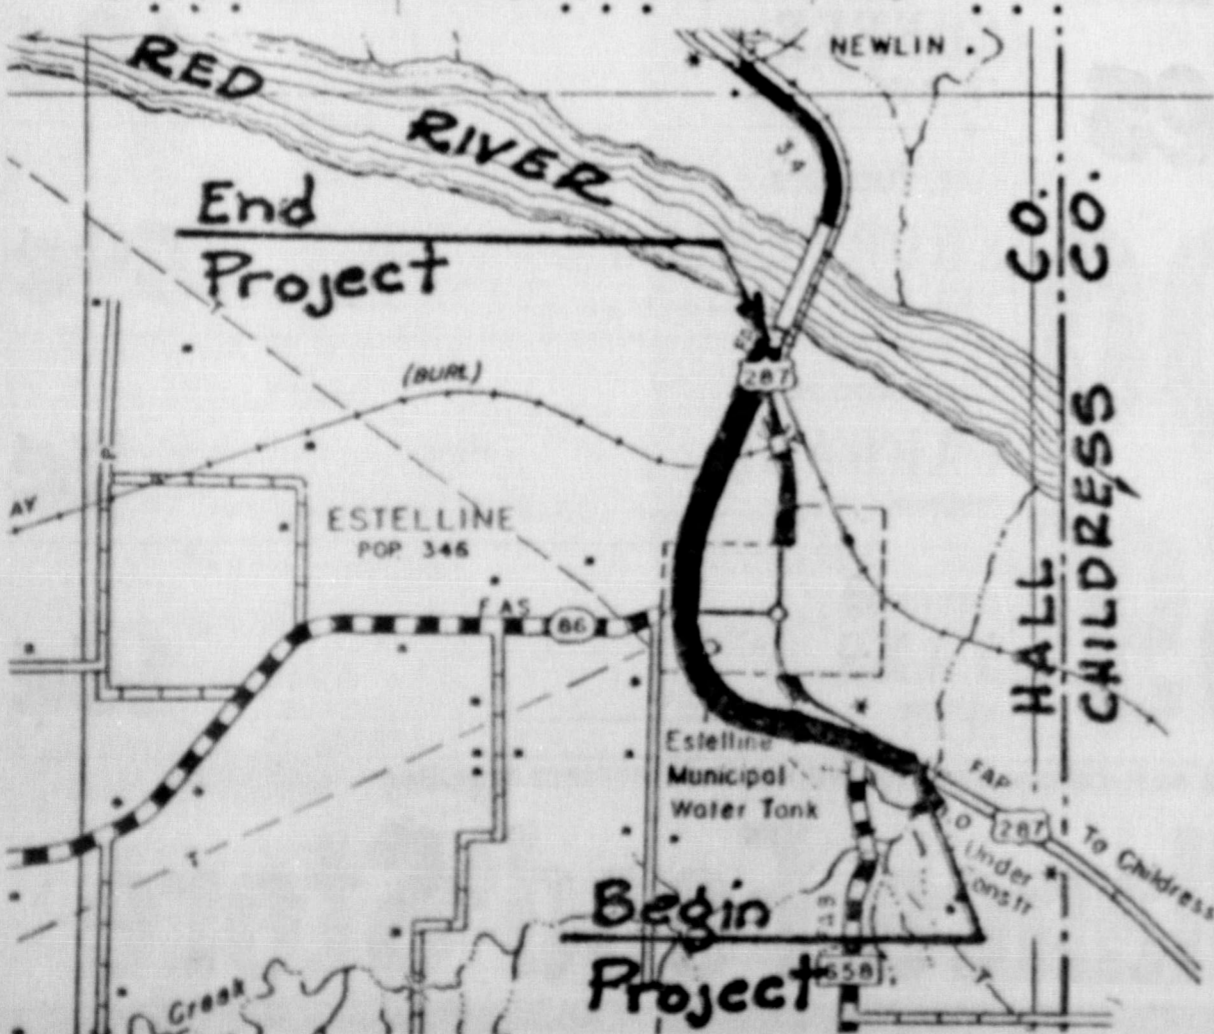

the development of a 4-lane divided facility on new location and on sufficient new right of way, from a point near Mountain Creek, Northwest through the west side of Estelline to a point near the Red River. This project will include the revision of traffic movement at a contemplated interchange with State Highway 86 in Estelline.

Maps showing the proposed corridor route that will be displayed at the public hearing, together with any other available information about the proposed project are on file and available for public inspection and copying at the office of Arville Coyle, Sr. Resident Engineer, Childress, Texas.

Also, maps have been placed on file with Hall County and the City of Estelline.

The State's Relocation Assistance Program, the benefits and services for displaced and information concerning the relocation assistance office will be discussed. Tentative schedules for right of way acquisition and construction will be discussed.

All interested citizens are invited to attend this public hearing. Written statements and other exhibits may be submitted to the office of Arville Coyle, Sr. Resident Engineer, Childress, Texas, but must be received not later than 10 days after the public hearing.

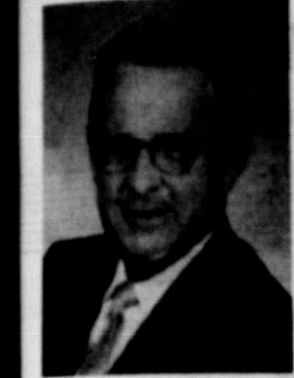

Mrs. H. Fuller Estelline Shower Honoree

Mrs. Harold Fuller, Jr., nee Ruby Burk, was honored with a lovely bridal shower in the First Baptist Church of Estelline Friday afternoon, Sept. 19. Guests who arrived at the church visited with the honoree, Mrs. Fuller; her mother, Mrs. Harold Burk, and the mother of the groom, Mrs. Harold Fuller. Presiding at the bride's book was Miss Jan Hudlow, a friend of

the bride. Chosen colors of white and yellow were accented throughout the room. The serving table was covered with a white lace cloth with a yellow underskirt. Presiding at the crystal punch bowl was Miss Cathy Boney, Miss Rene Pardue and Miss Aida Trevino, former classmates of the bride. The gift table was covered with a crocheted lace tablecloth with a yellow underskirt. There was a centerpiece of large yellow mums in the center of the table. Another gift table along the side of the wall was covered with a white cloth and filled with the bride's choice of pottery.

Reunion Planned Sunday Here By Montgomerys

By VIRGINIA BROWDER
A refreshing custom which has come into being in "this 'mod', mad world" during the past decade is that of family gatherings, reunions of the kith and kin dating back to even the great-grand sires and dames. The "kissing cousins", the great-uncles, grand-nephews and nieces gather in to exchange "howdya's" and "how ya all's" with their ancestors and descendants.

Continuing this tradition of recent years, the Montgomery Clan is to have a reunion at The Memphis Community Center Sunday, Sept. 28. A turkey dinner at 12:30 will start the festivities which will consist mostly of visiting, reminiscing, and recollections. Friends of the Montgomerys are cordially invited to stop by during the afternoon for refreshments and hand-shaking.

The genealogy of the Montgomery family began with the birth of Dr. James Paterson Montgomery (April 8, 1807 - May 24, 1869) in Georgia and his subsequent marriage to Miss Martha Cluny (Apr. 23, 1810 - Feb. 8, 1880) of Georgia. They lived for a time in Coosa County, Ala., before moving to Grayson County, Texas about 1850. Both parties died in Bells, Texas.

To this union was born three sons, James Cluny (Uncle Clowny), Sam, Claudius, Margaret Ann, and Martha Susan. Uncle Clowny was the father of William McElreath M., Vera M. Smith, and Faye M. Reed, and

S. S. (Scott) Montgomery; Sam was the father of Jim Pat Montgomery; Claudius moved away, married and was not heard from thereafter; Margaret Ann was the grandmother of Virginia, Cy, and Jim Browder; and Martha Susan was the mother of Will, Mary and Pearl Noel Ward.

As many of this line as are left on this terrestrial ball will get together this coming Sunday for a family party at The Community Center in Memphis.

1970 PLYMOUTH—Big, popular Plymouths for 1970 offer substantial styling improvements and a high degree of luxury. Major styling changes are at front and rear, with full loop bumpers encircling the grille and taillamps. Two new top-of-the-line models are the Sport Fury GT, a standard-size performance car with 440-cubic-inch V-8 engine, and the sporty S-23. Pictured is the Fury III four-door hardtop. Six different engines are available. Plymouths are now on display.

Plymouth For 1970 Offers Versatile New Line-Up with Overall Restyling

Plymouth offers for 1970 the most versatile new model line-up in its history, with a freshly restyled and realigned full-size Fury line, an improved Road Runner intermediate line, a new model in the compact series, the sporty Duster, and a totally new specialty-performance Barracuda. Plymouths went on sale September 23. Hickey Motor Co. is

the local dealer for Plymouths. The 1970 line is indicative of Plymouth's effort to create truly outstanding product offerings in every market segment we enter." Glenn E. White, Chrysler - Plymouth General Manager, said. "Never before have we gone into a new model year with such strength in each model we offer for sale. We are very enthused

about Plymouth's outlook for 1970," he added.

The Fury
The Fury, Plymouth's volume leader, presents the big, bold look with major restyling of the front and rear. The major news in the model realignment is the establishment of a new kind of Sport Fury as Plymouth's premium series for 1970. Sport Fury expands to include four-door sedan and four-door hardtop models in addition to the sport and formal two-door hardtops, two new models — the S-23 and the high performance GT — and an optional luxury Brougham package.

In the station wagon series, the premium Sport Suburban has concealed headlights and a special grille. Also, rear speakers are offered for the first time on Wagon models in 1970.

Six engines are available in the Fury line, from the economical 225-cubic-inch six-cylinder to a new special high performance 440-cubic-inch, six-barrel engine option for Sport Fury GT.

The Intermediates
Plymouth's very popular 16-

car intermediate line, which includes Belvedere, Satellite, Sport Satellite, Road Runner, and GTX, receives exterior and interior improvements, and more optional equipment.

Plymouth's mid-size performance models, Road Runner and GTX, introduce even more innovative options to satisfy the very special interests of the growing legions of performance enthusiasts. The front ends on the intermediates are restyled with new grilles, hoods, and fenders. The rear ends have been restyled and the body side appearance is new from the belt-line down.

Road Runner and GTX introduce a new very powerful, yet attractively priced engine option. First introduced in mid-1969 on a limited basis only, the new 440-cubic-inch, six-barrel high compression engine, rated at 390 horsepower, is available as a regular 1970 option. The king of the performance engines, the 426-cubic-inch, two four-barrel hemi, is updated with hydraulic tappets for a smoother, quieter maximum performance valve train.

Eight engines are available in the intermediate series — from the 225 six-cylinder to the 426-cubic-inch hemi.

The Compacts
The Plymouth compact line-up for 1970 features two new entries.

Joining the economy champ Valiant four-door sedan is a new racy-looking two-door coupe — the Duster — and an attractively priced new performance competitor — the Duster 340 — to bring to three the number of compacts to choose from.

The distinctive new coupe body style of the Duster and Duster 340 features tip-open rear quarter window glass like on the Road Runner and ventless front door glass.

The basic Duster has a new 198-cubic-inch six-cylinder engine. The engine is designed to achieve an improved performance level considered necessary and safe for modern freeway speeds at virtually no sacrifice in fuel economy.

The strongly performance-per-dollar-oriented Duster 340 is powered

by the modern, lightweight 240-cubic-inch four-barrel engine as standard equipment, along with a new fully synchronized floor mounted three-speed manual transmission. An improved four-speed manual, and TorqueFlite automatic, are available.

The Valiant four-door sedan received styling and trim changes. These include a new grille and tail lights, and trim groups. The 198 cubic-inch six is standard equipment, and the 225 cubic-inch six and the 318 V-8 are optional.

New Barracuda
The specialty - performance Barracuda is completely new, totally different for 1970, from front to rear, from the roof to the tires.

This sporty new body is entirely different from Plymouth's compacts and includes two-door, four-passenger models in hardtop and convertible body styles.

Six models in three distinct lines of the Barracuda are offered. They are the basic Barracuda, and two personalized versions — the luxury - oriented Gran Coupe, and the 'Cuda' a true high performance series with five high output engine choices.

Exterior styling on all three lines of Barracuda is bold and sleek with long hoods and short decks, minimum over all height, and steeply raked windshields.

Barracuda boasts an exhaustive list of optional personalizing equipment. These include an innovative "shaker" hood option on the 'Cuda series, road wheels and wire wheel cover options, AM/FM Stereo Radio, luggage rack, performance axle ratio package, special paint and stripe treatments.

Barracuda and Barracuda Gran Coupe offer the 225 six-cylinder and 318 cubic-inch V-8 as the standard power plants. Optional engines are the 383 cubic-inch two-barrel and the 383 cubic-inch four-barrel V-8. The 'Cuda series carries the special 383 performance four-barrel as standard, with the high performance 340 cubic-inch four-barrel; the 440 cubic-inch four-barrel; the 440-six-barrel and the 426 street hemi, rounding out a potent performance lineup of engine options.

Chrysler Corporation's warranty and limitation of liability was explained by Mr. Hickey, as follows:

Vehicles warranted to first registered owner: for 12 months or 12,000 miles, whichever occurs first — the entire vehicle, except tires; for five years or 50,000 miles, whichever occurs first — engine block, head and all internal engine parts, water pump, intake manifold, transmission case and all internal transmission parts, torque converter, drive shaft, universal joints, rear axle and differential.

1970 Hemi-'Cuda.

This year, there are 10 new Barracudas. And we've changed the looks substantially. (We've packed a 426 Hemi engine under a "Shaker" hood on one of them and called it the Hemi-'Cuda.) However you look at it, our Barracuda is all-new. We've moved it two inches closer to the ground. Pushed the wheels farther apart on our standard torsion-bar suspension. Put a tough optional bumper on the front that comes in most paint colors. And given the interior the design and comfort of a jet cockpit. If you want a car that makes it . . . Plymouth makes it.

1970 Sport Fury Brougham.

Here's our luxury model. (One of 28 Fury models with a new wide stance.) It's big enough inside to carry six adults in comfort. It's plush. But the price is still Plymouth. With a front seat that has individual adjustments for the driver and passenger, center armrests, and a reclining back on the passenger's side. Of course, the carpeting is thick, the headlights are hidden, and the price is still Plymouth. Whether you like your luxury in small packages, or as big as a 1970 Sport Fury . . . Plymouth makes it.

If you want a car that makes it, visit your Plymouth dealer's today.

The Quality of Mercy

"I will give you the sure mercies of David."

-Isiah 55:3

If we are promised "sure mercy", does this mean that anything we do shall be forgiven? Or, is "sure mercy" instead mercy that is tempered with justice?

Many of us are inclined to anticipate forgiveness. This is wrong. We belittle the consequences of a wrong deed when we assume that we need only ask to be forgiven.

In the courts of law, we find mercy. If circumstances warrant, charges are sometimes filed away; leniency is evident in the sentence passed upon a first offender. And yet, the courts insist that justice be done, that justice will be served.

We should not attempt to determine the real meaning of "sure mercy." What we should remember always is that God is merciful; that God is just; and that a sure judgement awaits every man.

Public Notices

Invitation For Bids

The Housing Authority of the City of Memphis, Tennessee, will receive bids for the complete development of Housing Project TEX-286-1, 60 Dwelling units, including plumbing, heating, electrical, site improvements (walks, grading, lawns and planting, etc.) until 2 P. M. CDST on the 28th day of October, 1969, in the City Hall in the City of Memphis, Texas, at which time and place all bids will be publicly opened and read aloud.

Proposed Forms of Contract Documents, including plans and specifications, are on file at the office of Pierce, Norris, Pace and Associates, Architects/Engineers/Planners, 1002 West Wall, Midland, Texas; at the office of the Housing Authority of the City of Memphis, Texas; and in appropriate plan rooms. Copies of the documents may be obtained by depositing \$50.00 with the Local Authority for each set of documents so obtained. Said deposit checks shall be made payable to the Housing Authority of the City of Memphis, Texas. Such deposit will be refunded to each person who returns the plans, specifications and other documents in good condition within 10 days after bid opening.

A certified check or bank draft, payable to the Local Authority, U. S. Government bonds, or a satisfactory bid bond executed by the bidder and acceptable sureties, in an amount equal to 5 percent of the bid, shall be submitted with each bid.

The successful bidder will be required to furnish and pay for satisfactory performance and payment bond or bonds.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the Specifications must be paid on this project, and that the Contractor must perform with his own forces at least the construction branches of structural concrete and carpentry.

The Local Authority reserves the right to reject any or all bids

Soil Conservationist Herb Evans Tues. Receives Outstanding Rating By SCS

E. Wayne Chapman, Area Conservationist, and Henry Gregory, District Conservationist, made the announcement in Memphis Tuesday that Herb Evans, Soil Conservationist with the Memphis Unit, has received an outstanding performance rating for the past year.

This rating, Chapman explained, is much sought after by Soil Conservation Service personnel and is given to less than three percent annually.

The outstanding rating was given for Evans' work in helping develop a Resource Conservation and Development application for the North Rolling Plains area.

Also his work in helping sponsors for the Lakeview Watershed in securing easements and this work in assisting the Bridle Bit Grazing Association develop a conservation plan and a Great Plains Conservation Contract.

Also, Chapman reported, Evans maintained high quality and quantity in his regular work and accomplishments.
