Cyclone-Bucks To Open Season Here Fri. Night

Football season kicks off here Friday night in Cyclone Stadium as the Memphis Cyclone hosts the White Deer of Coach Larry ...

be out of action for at least six weeks. These are James Beck, Jimmy Melton and Charles Bryley. Defensive linemen starting are Gary McKay, Dick Richards, and Ben Smith, with Jimmy Booth and Don Davis at defensive ends. Linebackers will be Jim Dixon and Mark Bradshaw with Mark McQueen playing rover linebacker. "We are not disappointed in our team's efforts this week. We have just had to make so many position switches that knowledge and timing seems to be lacking, and through Wednesday's work-out the team is not executing as well as we should be," Coach McMurray said.

White Deer Bucks White Deer, long a football power, finished third (tie) in district play last year and are having to find replacements in several key positions including quarterback, Buddy Cummings, 180, senior, has stepped into the quarterback position, from full-back last season, and he and HB Dan Sandlin are the team's big offensive threats. FB Billy Lynch is a 168 lb. lad and Wingback Randy Walger is 158 lbs. White Deer's line play is lead by big Donny Thurman, 240, an offensive tackle and defensive noseguard. He is the youngest of three brothers, & the older two have been all state and Donny is a top prospect for this honor and a college football prospect. Center Jim Wayne McCann, 180, may be the best center Mem-

Don Long Is New V-P At First National Bank

Ben Parks, President of the National Bank of Memphis, announced the employment of Don W. Long. "Don will join our bank as a vice president and will assume his responsibilities September 10th. Everyone is invited to come by the bank and meet Don. We feel like he will be an asset to our community as well as our bank."

"Don was reared on a family ranch near Post, Texas and attended public school at Post, graduating from high school in 1957. He attended Texas Tech University and received a degree in the school of Agriculture."

Long has been in the banking field since leaving Tech spending eight years with the First National Bank of Tucumcari and the past two years with the First National Bank of Espanola, New Mexico. His background includes experience in operations, lending and data processing. Mr. Parks also said that he would like for the people of our trade area to meet Don's fam-

DON LONG

State GP Committee To Meet Here

Services Held Tuesday For Mrs. McNally, Sr.

Funeral services for Mrs. Lilian Mae McNally, 88, longtime Memphis resident, were held at 2:00 p. m. Tuesday, Sept. 4, in the First Christian Church with Tom Posey, minister, officiating.

Interment was in Fairview Cemetery under the direction of Spicer Funeral Home.

Mrs. McNally passed away at 3 a. m. Monday, Sept. 3, in Hall County Hospital after a long illness.

Mrs. McNally was born Feb. 7, 1885, in Dallas County and moved to Memphis in 1913. She was united in marriage to M. E. McNally, Sr. Dec. 29, 1909, at Godley in Johnson County. Mrs. McNally was a member of the First Christian Church.

Survivors include: one son, M. E., Jr. of Memphis and two grandchildren.

Funeral bearers were J. N. Helm, Jr., Wendell Harrison, Robert Sexauer, Dick Fowler, Clinton Voyles, Robert Breedlove, Ira Davis and Joe Montgomery.

Mrs. R. D. Baker Dies In Dallas; Funeral Tuesday

Funeral services for Mrs. Russell D. Baker, 57, the former Tommye Boren and daughter of Hollis Boren, Memphis, were held at 9:30 a. m. Tuesday, Sept. 4 in the Restland Wildwood Chapel in Dallas with the Rev. Paul Petty and Rev. Gene Jorgensen officiating.

Interment was in Restland Cemetery under the direction of Restland-Laurel Land Funeral Home.

Mrs. Baker passed away at 11:30 a. m. Monday in the Presbyterian Hospital in Dallas after (Continued on Page 10)

STATE CONSERVATIONIST ED THOMAS

Hall County Picnic Plans Taking Shape as Date Near For Celebration

A visitor to Memphis could tell immediately that a county-wide celebration is in the making by looking at the bearded men about town. The beard-growing contest is just one part of the celebration planned for the Hall County Picnic to be held here on Saturday and Sunday, Sept. 15 and 16.

Plans for the celebration are well underway. Actually festivities will get underway Friday morning at 10 a. m. when a posse plans to round-up non-bearded citizens and take them before a kangaroo court on the courthouse square, Jim Ed Wines, chairman of the committee stated.

"We are expecting a lot of fun out of this event and invited citizens to come down town and

watch the court in operation," he stated.

The Two-day celebration will get underway on Saturday afternoon at 2:00 p. m. with a parade. The parade is under the direction (Continued on Page 10)

Approximately 50 Agriculture Leaders, College and University Agriculture Professors, Heads of Government Ag. Agencies, SCS, State ASCS and FHA, are all invited to an Annual Meeting of the State Great Plains Committee here next Wednesday and Thursday, hosted by the Hall-Childress SWCD, Mack Richards, chairman.

"Our Soil Conservation District is hosting this meeting," Chairman Richards said.

The meeting will get underway Wednesday, Sept. 12, in the American Legion Building in Memphis at 2 p. m. with District Chairman Richards calling the session to order.

State Conservationist of SCS Ed Thomas, will be in charge of the annual business session. He is chairman of the State Great Plains Committee, which is composed of 38 to 39 members.

That evening those attending the annual meeting of the State Great Plains Committee will enjoy a 7 p. m. catfish dinner and program at the Memphis Community Center. The dinner is on an invitation basis.

The State Great Plains Committee is composed of about 40 men who work on a state-wide concerning the Great Plains Conservation Program which is administered by Soil Conservation Service.

One of the reasons Hall County was selected as the site for the annual meeting of this State Committee is the Grazing Association programs which have been established, the first of their kind in Texas.

A tour for members of the State committee is scheduled for (Continued on Page 10)

Estelline Bears To Open With Harrold

Estelline Bears open their 1973 football season against the state runner last year, Harrold, at 8 p. m. at Estelline Field, tomorrow night.

The Bears, under Coach Paul Morris, will field a squad of one senior, two juniors, six sophomores and six freshmen, and the team is expected to be more competitive this season.

The 8th-7th grade, and the 6th-5th grade teams were cancelled out tonight at a game scheduled at Patton Springs because the field is under water, however, the game has been re-scheduled for Oct. 18th.

The two junior high teams have games scheduled throughout the season, with the 8-7 team playing six games and the 6-5 team playing four games, all on Thursdays.

The Bears have only one player sidelined, with a fractured collar bone, freshmen back up quarterback Joe Brent Nivens.

Starting lineup for the Bears will have Vernon Abram calling the signals, with HB Steve Altman, and Jay Rhynes, possible starters in the backfield.

Senior Bobby Morris will start at center, and Pat Hughes, Victor Torres or Don Morrow expected to see action at guard slots.

Ends will be selected from Roy Rhynes, Delfino Contreras, Joel Morris or Randy Contreras.

FB Jeff Morris, Center Monte Bradley, and HB Gary Morrison round out the squad.

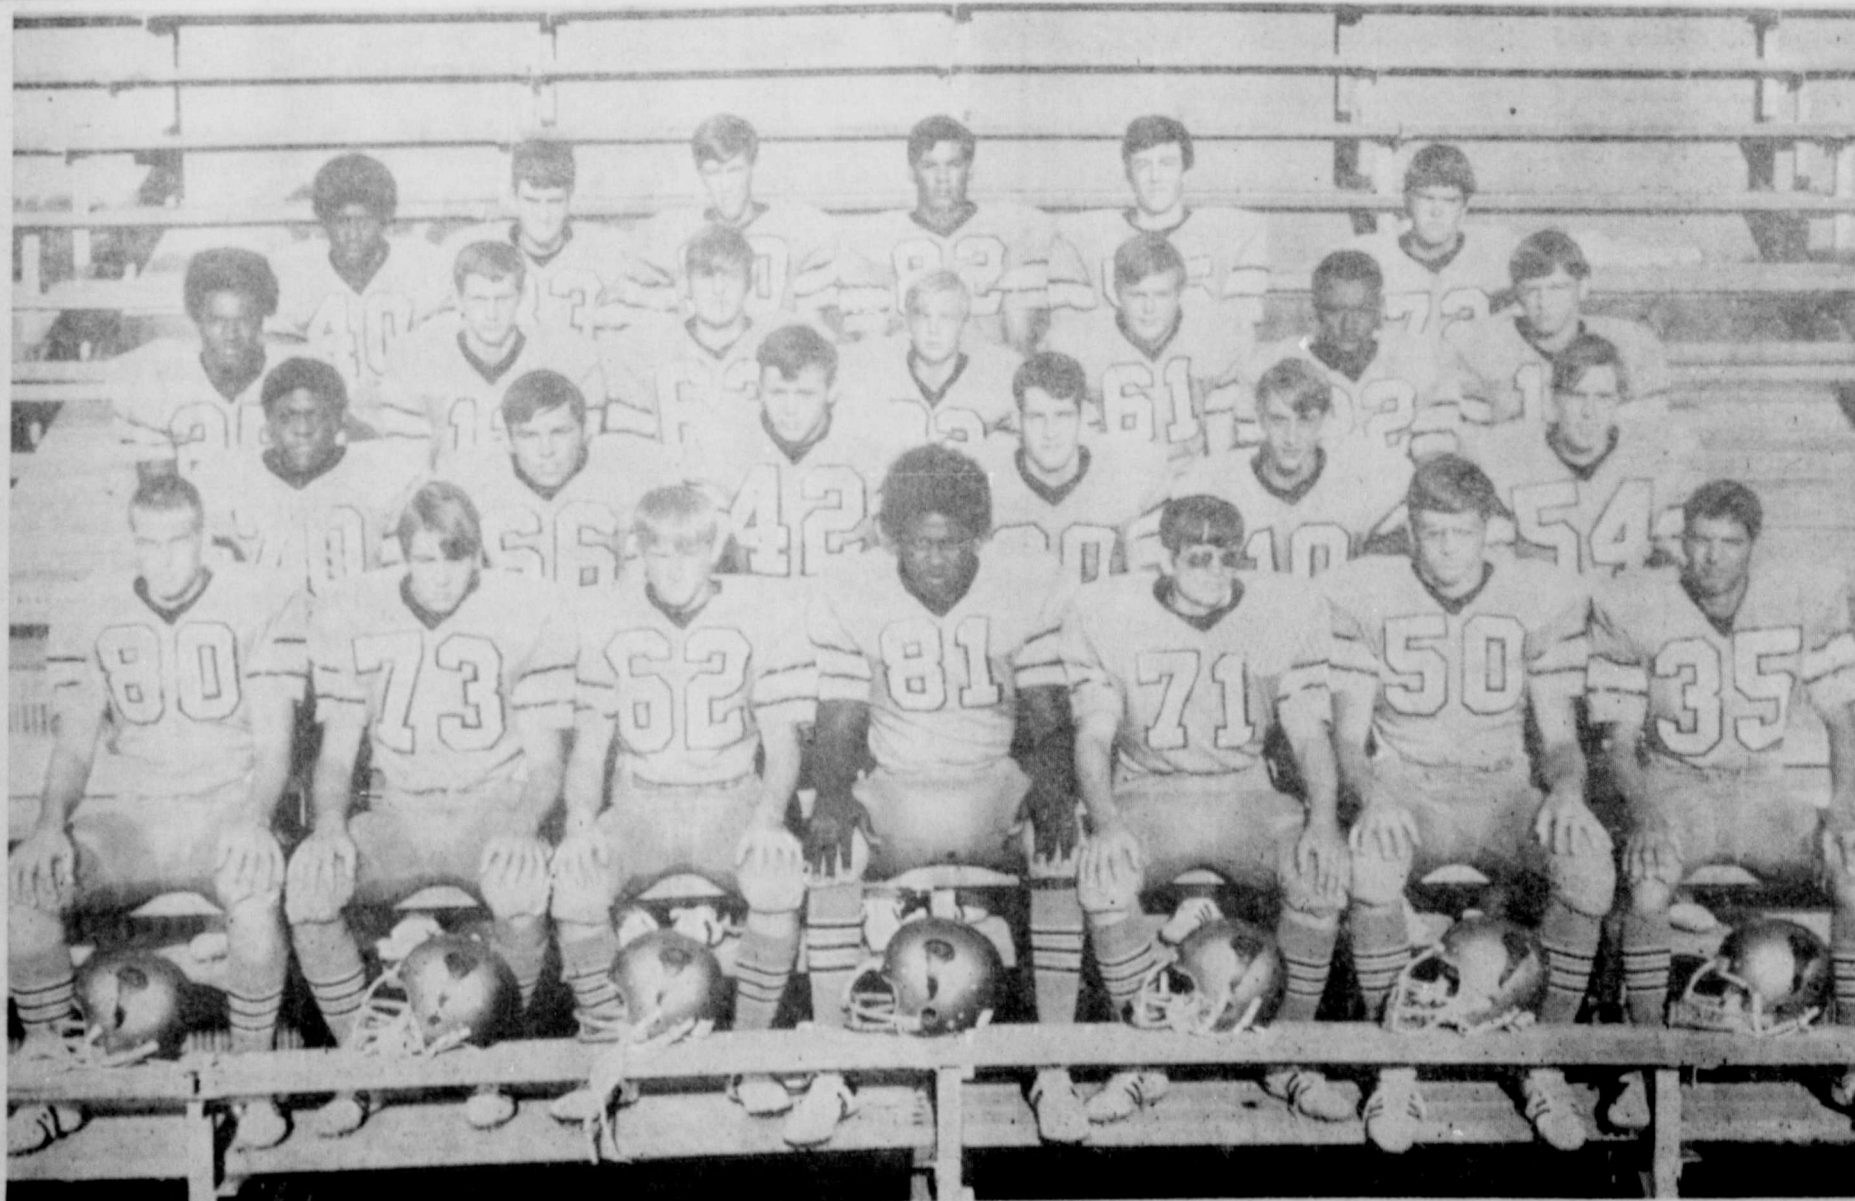

Although the Bears will be competitive this season, their 8-man schedule is a tough one this season. Guthrie has dropped out of football program so this game has been cancelled.

The Bears open district play against Follett, Estelline a week from Friday night at 8 p. m.

Goree, Harrold, Miami and Follett all have strong 8-man teams.

Estelline, however, is making plans for the future with 30 boys in the football program in the freshmen, eighth, 7th and 6th grades.

After a long season last year, the Bears are molding a team for the future, and are expected to be more competitive this season.

1973 MEMPHIS CYCLONE—Pictured above are members of the 1973 Memphis Cyclone squad taking the field against White Deer Friday night in Cyclone Stadium. Front row, l. to r., are: Bobby Hall, Lyndel Orcutt, Jimmy Booth, Ben Smith, Mike Mowrey, Jay Campbell, Tony Salinas (who will wear No. 90). Second row from the left: Jarome Spearman, Mark Bradshaw, Jim Dixon, Wayne Davis, Ronnie Browning. Third row from the left: James Beck, Gary McKay, Buddy Ballew, David Cofer, Audy Moore, Don Davis, Jimmy Melton. Back row from the left: James Deary (transfer student) George Wiggins, Chuck Chappell, Candy Reyes, Ed Hutcherson, and David (Duck) Richards. Not pictured but listed on the varsity roster are No. 30 Charles Bryley, No. 35 Ricky Miller, and No. 40 Earl Ray Wright. Managers are Butch Welcher, Gary Hall and Phillip Bray.

HALF-PAST TEEN

Pearl Massey had as her Heritage Hall the past week Mrs. Alvin Massey and their daughters, (Massey) Bradshaw of Ft. (Massey) Margaret Ann (Massey) of Los Angeles, Calif. and Abbie now have 11 children.

...a surprise visit with an resident of Memphis a ago. This was a side- with Mrs. Joe Moberly Ala., along with her Jane, who is an artist, the designer for the Mardi parade in Mobile. Mrs. Mo- will be remembered by her day friends as Alene Wil- daughter of Mr. and Mrs. Wilborn who moved to a number of years ago the Wilborn tank. The son, Herbert, is this business on after passed away. Mrs. Al- is now almost 102.

There was one other (Jannie) Mrs. W. W. makes her home with in Amarillo. When I Alen, I thought of that we used to sing, "Or- bay". Another thing I it was that she would witness against some "Watergate" moved in she knew pretty well their watermelons from

Mrs. Verrell Watson their guests in Heritag- last week Mr. and Mrs. Spadden of Newhall, Conley Watson of Los Calif. Conley, the son of Mrs. Watson, was born now Plaska. The doctor brought him into this world Payne of Lakeview. This first visit back to Hall's 22 years. Conley has who have grown up in work as their dad has with the Scouts for a of years. He was born or son's birthday and with main whiskers made him a contestant in the Hal' Picnic whisker contest Spadden will be remem- Betty Watson, daughter of Mrs. Watson who was Lakeview. Dr. J. M. Bai- Memphis brought her into She attended school at and Lakeview. She and one daughter and one daughter. The Watson fam- moved to Hall County in and picked cotton for Gus in the Salisbury area. From they moved to Hulver or L. Sloan place and from to Plaska and Lakeview. married Jimmie Harman, of the late Mr. and an Harman of Lakeview.

In conversation with them, I found out where they were married. They were in Clarendon to get married and found their preacher, Robt. Price, who was minister of the Church of Christ but they needed witnesses, so that was solved by the T. M. Little Dry Goods Store who made a clearance on the mezzanine floor where this ceremony was performed Jan. 10, 1925. They had plenty of witnesses.

If there are 15 million bicycles sold in the United States this year, that should cut down on car pollution, but there would be an increase in B. O., but we can watch television and find out all about detergents and deodorants

I made a short trip to Turkey Labor Day and found several Turkey old timers doing the same thing that some of us old timers do, drinking a cup of coffee and shooting the breeze in the Lane Restaurant (they make good coffee). Daphne Lane served us; she is the wife of Harold Lane (grandson of Uncle Dave Lane whom we knew in the early days). These old timers who said they were old as the hills were Alga Turner, Paul Meacham, Roy Edwards, Clyde Rogers and Jack Barnhill, who was one of the younger ones that Dr. Garne brought into the world. Another Memphis man sipping coffee was Lebow McKay who was born in Turkey.

Other visitors in Heritage Hall were Mr. and Mrs. Paul Bryant of Tell. Also, Julie Lott and Ter

Mitchell of Levelland. Julie Lott is the granddaughter of Mr. and Mrs. Jude Gable. The mother of Julie will be remembered here as Eudine Gable. They have lived in Levelland the past 9 years.

Lacy Montgomery had as his guests in Heritage Hall the past week, Lola and Ramon Trejo. Along with them was their daughter, Alicia. Lacy and his guests made a complete tour of Heritage Hall. I made a social error with Lacy by asking him what town he was from as I glanced up and saw all of that cover up on his face and tried to introduce myself to Jackson or Grant. When he gave that smile from under his whiskers, I recognized him. This is not the first person I have tried to introduce myself to after this whisker business started. Others I noticed growing whiskers the past few days were Ike Bryant and Les Sims with a light growth that needed a little shoes polish Mike Branigan (as Dr. Buchans pills); Neal Hindman (as W. I Douglas shoes); Jerry Montgomery (as Dr. Pierce's new discovery medicine); Jerry Davidson (as Woodbury Face Soap); Joe Mothershed (as Mar! Twain); Kenny Schull (as Smith Bros. Cough Drops); Scapy Tribble (as Andrew Carnegie); K. B. Chick (as Dr. Caldwell's Syrup of Figs); Bob Douthit (as Dr. Allen's Foot Ease); Tommy Profit (as Williams Shaving Soap).

Jerry Moss was visiting here last Sunday and I found that he along with Pres. Nixon, had his Gable mustache. The comparative advertisements mentioned above were taken from some advertisements in the 19th century.

From Earl's Pearls: "Heard a man sigh - 'If I was any more tired, I'd have to hire someone to help me ache.'"

A remembered quote: "The trouble with trying to run away is that the mirrors are the same everywhere you go."

"You All Come" to the Hal' County Picnic Sept. 15-16

Mr. and Mrs. Jess Dennis of Amarillo visited here the past several days with his sisters, Mrs. Pearl Massey and Mrs. Addie Hampton, and other relatives.

General Telephone Co. Transfers (Dub) Leigon To Oklahoma

(Dub) Leigon, who has been general manager of the Oklahoma area since 1968, will be transferred to Oklahoma City effective September 1. At that time, the western and central areas will be consolidated and headquarters for the newly formed area will be in Brownwood, Texas.

Wells, presently central area manager, will head the new operations to be consolidated in Sherman, Texas. Wells began his career in 1947 as an engineer in Sherman, Texas. He held a variety of positions including cost engineer and budget director for General Telephone Co. in New York. He has been assigned to Brownwood since August 29, 1973.

division managers in Oklahoma will report to Leigon. Leigon will report to C. A. Crain, vice president-operations, who has offices in San Angelo. He will receive full staff support from the western area headquarters office in Brownwood.

With General Telephone since 1941 in various management positions in west and south Texas, Leigon attended Levelland High School, Texas Tech University and the University of Kansas and has been active in a variety of civic and community affairs.

He was presented the Outstanding Citizen's Award for Terry County in 1972 and has been active in a variety of civic affairs.

Beatrice McCauley Is New Pres. Of Legion Auxiliary

Members of the Memphis American Legion Auxiliary enjoyed a family night supper and installation of officers Friday night, Aug. 21.

Officers installed included: Beatrice McCauley, president; Beverly Maynard, first vice president; Lois Weatherly, second vice president; Margaret Gregory, secretary; Hazel Hall, historian; Ora Ritchie, Sergeant at Arms; Fannie Mae Tiner, courtessy; Hulda Wilson, chaplain; and Doris Perkins, reporter.

General Telephone Releases Changes In Management

W. C. Wells, Area General Manager for the newly consolidated Western Area, announced today the appointment of W. F. Morris, Jr., presently Area Operations Manager, to the position of Division Manager for the expanded Brownfield Division.

Morris will supervise the existing Brownfield Division plus what is now the Memphis Division. Memphis has been re-designated a District reporting to the Brownfield Division.

G. T. Hamilton, presently Brownfield Division Manager, has been named to a special assignment related to the Company Performance Improvement Program.

W. A. "Dub" Leigon, newly appointed Oklahoma Area General Manager, said today that Hank Jordan, who has been serving as Area Public Affairs Manager, will move to Oklahoma City as the Oklahoma Public Affairs Representative.

Morris began his telephone career in 1942 as an exchange repairman in Kilgore, Texas. He then served in various positions in Irving before moving to Brownfield in 1969 from Henderson, where he served as division manager. He is a graduate of Grand Saline High School, and he has attended many courses involving management and human development. He is married, has one child, and is currently a member of the Evening Lions Club.

JOHN DEERE DISPLAY—Friday was demonstration day at Harrison Hardware Co. and pictured above is part of the display set up in front of the store on the northwest corner of the square. Company representatives were here to assist with the open house and pictured above are, left to right, Sig Griggs, of Amarillo, business management representative with John Deere Co.; Wendell Harrison, Tom Jones and Olen Fryer, both of Dallas, factory representatives; Lena Mae Adcock, bookkeeper at Harrison Hdw; and Evans, of Amarillo territory manager.

First Baptist To Hold Lay Witness Mission Sept. 28

The First Baptist Church is making plans for a Lay Witness Mission which will be held on the weekend of September 28 thru Sept. 30.

Every family is invited to take part in this Lay Witness Mission. An inspiring schedule will be provided for all age groups and cordial invitation is extended to all, the pastor, C. H. Murphy stated.

The Lay Witness Mission is a weekend of experience of renewal for the local church, it was stated. A group of trained laymen from other communities will be coming to Memphis to share and tell what Christ means in their lives. They are ordinary people who have been searching for spiritual reality and struggling in their own relationship to God. They have begun to find some answers and are willing to share them with the people of Memphis, it was stated.

Mrs. Ruth Harrison and Mrs. Mrs. Laura Finch of Dalhart, Gladys Smith, accompanied by spent the Labor Day weekend in Dallas. Mrs. Harrison and Mrs. Finch visited with Mr. and Mrs. John Alderman and daughter while Mrs. Smith visited with her son, Carl J. Smith and family.

Jr. Hi. Cheerleaders Are Named Recently

Cheerleaders for Memphis Junior High School for '73-74 were chosen recently.

Eighth grade cheerleaders include: Sharon Penney, Cheryl Frisbie and Jane Richardson with a tie for head cheerleader between Sharon Penney and Jane Richardson.

Seventh graders named as cheerleaders are: Tammy Browning, Donna Ferrel and Sandy Hindman.

Mr. and Mrs. Larry Wynn of Houston spent Labor Day weekend here visiting with his parents Mr. and Mrs. Rupert Wynn and Kim.

"Let's Talk Memphis"

Lions Club To Have Broom Sale Wednesday

The Memphis Lions Club will have a broom sale Wednesday, Sept. 12, from 8 a. m. until 7 p. m., President of the Club Rayford Hutcherson announced.

The selling points will be at all the Memphis grocery stores, as well as on the Southwest corner of the Courthouse. Money raised by the club will be used for worthwhile civic activities and projects.

Citizens of Memphis are aware that the items the Lions Club members sell are manufactured by the blind, as the local club for many years has conducted these broom sales.

Boss Lion Hutcherson said that citizens can spot the club members while they are selling the items at the various points.

Assembly of God To Hold Three Day Revival

Rev. James Jackson, West Texas District Youth Coordinator, will be conducting a three-day revival, Thursday, Saturday and Sunday at the Assembly of God Church, 820 North 11th Street.

Services will be held at 7:30 on Thursday and Saturday evenings and at 11:00 a. m. and 7:00 p. m. on Sunday.

The public is cordially invited to attend all the services. Rev. Jackson has been head of the District Youth program for the past four years. A special Sunday School promotion will be conducted Sunday, Sept. 9, with a congregational picture being taken immediately after the morning services.

Memphis Jr. Varsity, Fresh. Team Open Play This Week

The Memphis Junior Varsity and 9th grade football teams will open play this week as the J-Vs travel to Clarendon tonight to meet the Clarendon "B" team.

Game time is 6:00 p. m. The Memphis Freshmen are scheduled to open play against the Groom "B" team Saturday morning in Cyclone Stadium. Game time is 10:00 a.m.

The Memphis Junior High teams open play next week on Thursday evening with games scheduled at 6:00 and 7:30 against Childress.

EDITORIAL

Let's Be More Considerate This Season!

Seasons come and go, and whether or not we are ready for it, another football season is all set to begin Friday night at Cyclone Stadium.

Football is a big part of fall activities involving our students and adults alike. Spectators at football games number over 2,000 each week, which is a large percentage of our active population.

This year, the Memphis Public Schools have released a request, no doubt made necessary by past activities of some people, about late comers to Cyclone Stadium Parking Lot.

The statement indicates that some people are waiting until just before kickoff time to arrive. Then they are parking their cars in the traffic lanes on the parking lot, left open by Memphis Volunteer Firemen who have been working hard for an hour directing traffic to leave the lanes open so cars could leave the parking lot in times of emergency.

The School is taking steps this year to try and cure the problem. License Plate numbers will be read over the P. A. System, examinations of the parking lot will be conducted during the game. Some vehicles may even be towed away.

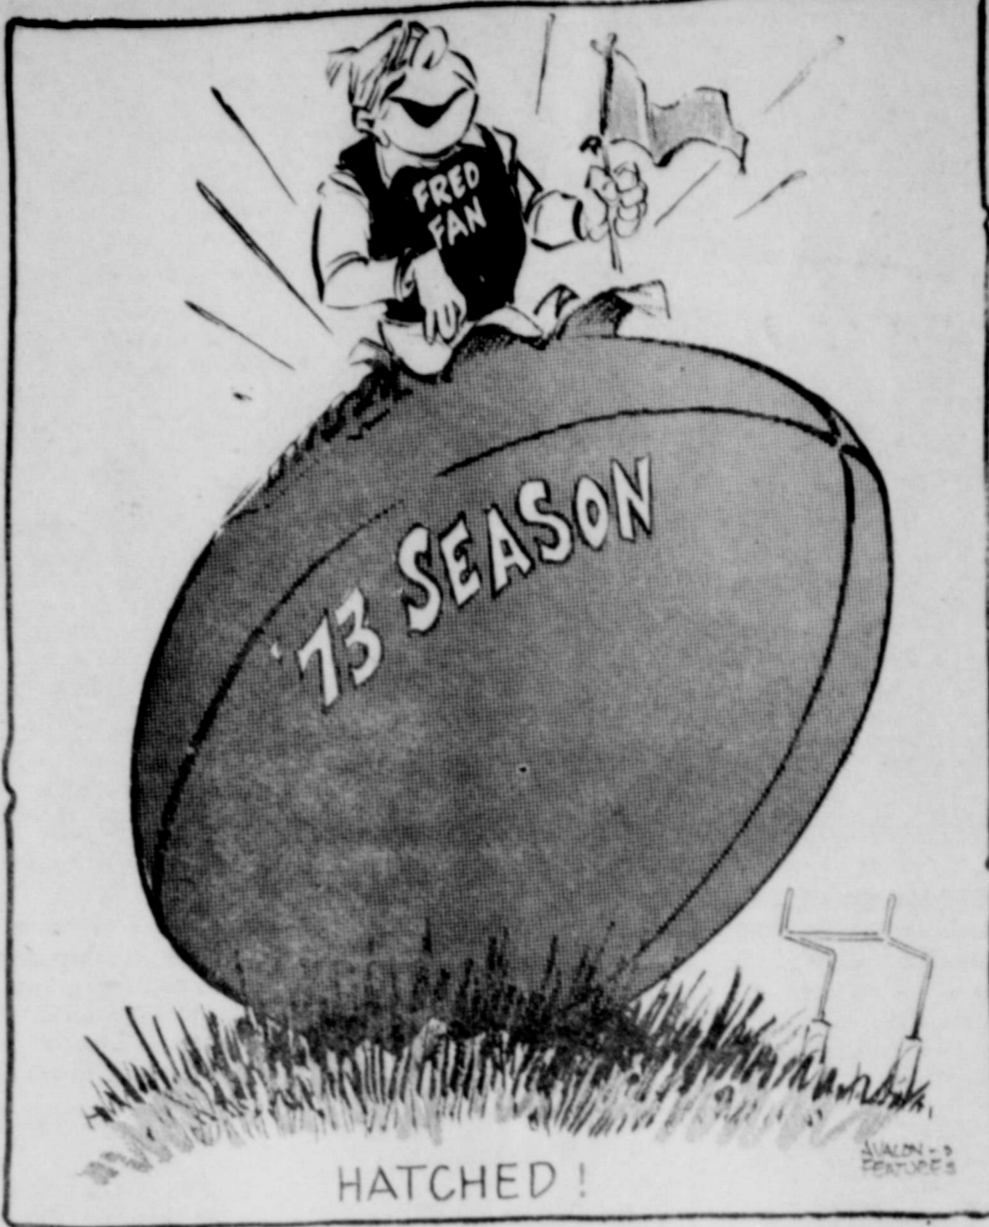

Steps such as these are being brought about through necessity, because there is a real need. Consider, our local medical doctors like to see football games. They can be reached quickly by the hospital via telephone in case of an emergency. However, they can't leave the stadium parking lot if lanes are blocked by parked cars.

Football season is a time when emotions run high on the field of contact and in the stands. People sometimes lose control of their tongues, and their tempers. All in all, it is even more important that adults set a good example and be more considerate.

We read in the Texas Coach, a magazine put out by the Texas High School Coaches Assn., an article about being a good fan. The article encouraged yelling for your team, not at the players and the coach. Gives the players a pat on the back and mention their good play, don't remind them of their mistakes, criticize other members of the team or the coach.

Finally, our school and our town are hosts five games and visitors five games each season of regulation play. Being a good host or a visitor has its own responsibilities. Driving to and from football games is another situation where irresponsible acts or conduct is not appreciated and creates dangerous conditions.

Let's all remember to abide by the rules of good conduct, good sense and practice a little consideration this season. If we do we'll even appreciate ourselves.

ACROSS THE DESK

What Other Editors Say

TRAIL DUST

One of the most interesting places I have ever visited is the Aztec National Monument at Aztec, New Mexico. Here are the ruins of an ancient civilization that once flourished on the Animas River. The pre-Columbian community was erroneously called "Aztec" by early pioneer settlers. Pueblo Indians of Arizona and New Mexico built the structure. One pueblo of the Aztec complex covers two acres, stands three stories high and contained 500 rooms, averaging 10 by 12 feet. The centuries old structures were constructed of available rock and laid with skill. The people were agricultural and produced corn and squash as the result of canals that irrigated the rich soil of the river valley. Great Kivas came into use, dominating the ceremonial life. The Great Kiva was completely restored in 1934. Some of the best money the government has ever spent is in restoration of the Aztec ruins where man first built his community about 500 A. D. There is evidence that two occupations of the ruins existed and is believed that changing climate and water supply effected the changes and final abandonment. The people were artistic in pottery, basketry and other crafts. It is fascinating to stand amid the ruins and visualize the centuries beneath the stones, of a period when thousands labored to build the community. Here are rocks where bare feet have trod; a part of the past projected into a modern world.

—The Matador Tribune

Anyone for a cottonburger?

With the scarcity of beef and all, how about cottonburger for lunch?

We're not putting our readers on, either. We're just boosting an entirely new cotton product industry which is just getting under way in Lubbock—the world's first commercial plant to manufacture flour out of cottonseed.

"We will be able to produce the highest source of protein with the lowest cost in the world," John Herz, general manager of the Plains Cooperative Oil Mill which has built the \$2.4 million flour plant, declares.

Protein content of the flour will be 65 per cent, at a cost of around 35 cents per pound but a concentrate from the cottonseed can be made that contains up to 100 per cent protein.

The new plant, which goes into production this week, will make flour that is completely soluble in water yet has not taste, making it ideal as a food additive.

Cottonseed has heretofore been regarded as usable only for its vegetable oil and as cattle feed, primarily due to the toxic pigment glands that were mixed with the protein-bearing seeds.

For 25 years the U. S. Department of Agriculture has worked on the gland removal problem, finally reaching the solution in a New Orleans research laboratory with financial help from the Texans.

Commercial marketing of the cottonseed flour will be handled by the Grain Processing Corp. at

country in the world. Production of the cottonseed flour will mean Texas cotton farmers will see greatly increased prices for quality cottonseed.

Eighty per cent of initial production will go into commercial foods, although cottonseed flour is suitable for home use.

Now getting back to those cottonburgers. A pound of meat,

CANDY

BY TOM DORR

the cooperation of 35 citizens' organizations. Gov. Dolph Briscoe, Atty. Gen. John Hill, Lt. Gov. Bill Hobby and House Speaker Price Daniel Jr. are united in support of Constitutional Amendment One. The amendment would raise legislative pay from \$4,800 a year (plus expenses) to \$15,000 a year (plus \$18 a day during sessions). It would also provide for regular legislative sessions of 180 days during odd-numbered years and of 60 days, mainly for budgeting matters, during even-numbered years. Austin attorney Will Davis was selected chairman of the organizational support group, with Phil Strickland of Dallas as vice chairman. All executive headed by Davis and Strickland will work with the 35 cooperating trade, civic and professional associations in the campaign. (Texas Press Association is among the organizations.) "This is a must thing," said Attorney General Hill. "It is a necessity that we pay the right amount for an honest day's work in a very high calling." "Annual sessions in this day and time are essential for an efficient, responsible, intelligent and accountable legislative branch to properly function," said Daniel. The statewide support organization will coordinate fund-raising and publicity activities for the campaign. Legislators have been paid \$4,800 a year since 1960. Voters defeated proposals for pay raises in 1965, 1968, 1969 and 1972. They also rejected annual sessions of the legislature in 1969.

COMMISSIONER RESIGNS
Byron Tunnell resigned his position as a member of the Texas Railroad Commission and was immediately replaced by Mac Wallace of Athens. On September 15, Tunnell, 47, will become vice-president of Tenneco of Houston in the company's governmental affairs department. Wallace, 43, a former district attorney, has been serving as executive director of Governor

Briscoe's Criminal Justice Council and as legal advisor to the Gov. Briscoe appointed him two days after Tunnell's resignation. Tunnell was appointed to the powerful, three-member oil, gas and transportation regulatory agency by former Gov. John Connelly in 1965, succeeding Ernest O. Thompson. He was re-elected to a six-year term in 1972.

Vending Records Blocked
Vending industry leaders blocked House Speaker Price Daniel Jr.'s effort to make public records of a 1968 legislative investigation of the industry. Raymond B. Williams and Burnie H. Williams in their lawsuit contended release of the investigative record held by the Department of Public Safety in a confidential file would cause "possible abuse" through circulation of "ill-based stories." Their case was set for hearing Sept. 6. Meanwhile, a former Austin vending machine operator claimed he made cash payoffs to a state representative, a state judge and an ex-state senator Daniel said he is considering a new House sub-committee investigation of the coin-operated amusement machine industry. Telephone Savings Claimed
Legislative Budget Board approved a new telephone system for state agencies which reportedly will save a million dollars a year.

The system, pushed by Gov. Briscoe, would link all state agencies over Texas and provide Agencies over Texas and provide nationwide. An installation charge of \$170,000, plus \$350,000 a month is required for the TEX-An communications network.

LBB advised Briscoe to be cautious he is not buying more-out-of-state service than necessary. One member, Rep. W. S. Heatly of Paducah, said the telephone company should be required to improve service to ordinary citizens before the state purchases TEX-An. Present state telephone service now costs about \$431,201 a month for long distance and WATS lines.

AG OPINIONS

With some exceptions, Welfare Department records on child care facility licensing are public. Attorney General Hill held, although identity of persons covered by social and health records would remain confidential.

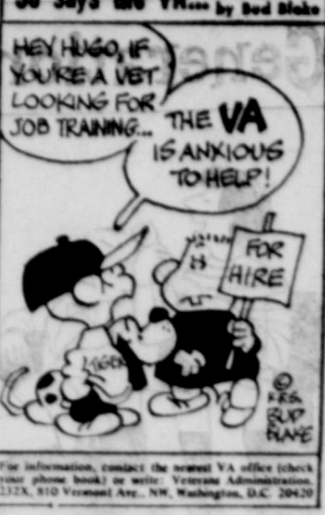

In other recent opinions, Hill concluded: Fees assessed adult probationers can be deus for juvenile probation at discretion of judges, although they should be used primarily for adult probation purposes.

No member of the 63rd Legislature would be eligible to paid appointment to the office of House administrator, having resigned from the legislature to accept it. But Rep. James D. Cole of Greenville took the job without salary.

County commissioners can hold bond elections for buildings and acquiring books for library purposes.

APPOINTMENTS

So says the VA...

Lorenzo D. Cole of Houston is first executive director of the Governor's Office of Equal Employment Opportunity.

W. J. (Bill) Harding of Austin has been designated chief clerk of the State Board of Insurance effective September 1.

Governor Briscoe appointed Kaufman County Attorney Harold D. Hollingsworth criminal district attorney for the county.

He appointed James Arnold acting director of the Office of Traffic Safety.

District Judge Herman Jones of Austin will head a special fact finding committee to inspect conditions at Austin State School.

Joe G. Moore Jr., director of the Office of Research at the University of Texas Lyndon B. Johnson School of Public Affairs, became program director of the National Commission on Western Quality September 1.

Sen. Lloyd Doggett of Austin was named by Lt. Gov. Bill Hobby to the State Legislative Library Board.

Raymond L. Prewett is head of the governor's Division of Rural Community Affairs.

800,000 NEW ADULTS
Texas picked up about 800,000 new adults overnight August

27, when a law took effect granting majority rights to 18-to-20-year-olds.

Under the new law, the young Texans can buy alcoholic beverages, enter contracts, get married without their parents' consent, and serve on juries, among other things.

A total of 249 acts of the 63rd Legislature took effect last week. Among them was reduction of the penalty for first offense possession of marijuana (up to four ounces) to a misdemeanor.

PLANNING REGIONS RE-IDENTIFIED

An executive order by the Governor redelineated state planning regions after a four-month review.

Regions are Texoma State Planning Region, Heart of Texas State Planning Region and Middle Rio Grande State Planning Region. Karnes County was realigned from the Coastal Bend State Planning Region to the Alamo State Planning Region, and Hardin County from the Deep East Texas SPR to the South East SPR.

SHORT SNORTS

Dr. George Willeford of Austin is expected to step down as state Republican chairman in October.

American Petrofina Company of Texas announced price increases put to 15 cents a barrel for crude oil purchased from leases, as did Cosden Oil and Chemical Company.

The House Administration Committee reaffirmed a decision to buy a new \$721,000 voting

Soda Pop Sales In Hall County Leads Nation

NEW YORK, Aug. 25 — Residents of Hall County seem to have been on a drinking spree in the past year—for soda pop, that is.

They have been downing cold drinks, ginger ale, fruit-flavored beverages and mixers at a record rate, according to the latest industry figures for the regional area.

By the same token, their outlay for these thirst quenchers has reached significant proportions. As a result, the fizz biz has become big biz locally.

Local consumption of soft drinks in 1972 was at the rate of 478 eight-ounce bottles a year for every man, woman and child in the area, it is estimated.

This was more than ever before. Two years ago, by way of comparison, local people were consuming about 465 bottles annually. The increase since then amounts to 13 bottle per person.

Elsewhere in the United States the average was close to 400 bottles per capita, which was 12 more than in 1970.

One explanation for the increase is that teen-agers, who are the biggest users, are more numerous than ever. They have been going for soda pop at the astounding rate of 550 bottles

per year.

Another factor cited is the attractiveness to many people of the many low-calorie drinks that have become available. They have made a strong impact on the weight-conscious public.

Standard and Poor's, the financial advisory service, notes: "With more time for leisure and greater affluence, people are indulging their tastes for foods and beverages. These products are almost universally recognized as a symbol of the American modern-day culture."

The net result, in Hall County, has been that soda pop consumption reached a total of 2,677,000 bottles in the past year, according to a breakdown of regional figures compiled by Carbonated Beverages, an in-

dustry publication.

Nationally, the soft drink industry is expected to double the 1965 sales of \$7.6 billion. Hall County's share of this is estimated.

Merle L. Kilpatrick, chairman of the WTSU in Carnegie, is a senior student.

Mrs. Seth Palmer, who returned to her home in Wichita Falls after visiting here for the past three weeks with her mother, Mrs. Susie Kesterson, and her friends, Mrs. M. P. Kesterson, is a former long-time resident of Memphis.

Sort and save with an electric home laundry pair

Electric washers and dryers have a setting for all fabrics. It's as important to sort for fabric types as it is for color fastness. Many fabrics do not need a hot water cycle, so you save on water heating. Wait and wash a full load and save on water, too.

For help in selecting a model to fit your need see your local appliances dealer... and be sure to ask about recommended operation.

Use the easiest way with Frigidaire Electric Appliances. **WTU**

B. B. Shots

By BYRON BALDWIN

Linda Estes and Mrs. J. had as their guests in the Heritage Hall last week. Mr. and Mrs. Linton Wichita Falls, Hall not new to Newlin as is a brother of the late Mrs. Will Noel, her was Uncle Joe Estes the first herd of white-tattle in the Panhandle. He was the first acting in Wichita Falls. He was a furniture store owner. Linton remembered a contractor, carry- ing in a bucket to mix the rock building that Hudgins built for their store on the northeast of the square where Bros. operated for a years. Linton's Uncle operated a saddle shop on the west end of here Heritage Hall is d. Mr. and Mrs. Linton t his son a second several years ago in hills and when they ar- with the saddle, they name of Fred Estes, rker of Memphis, Texas, ered in the early days, ide trip to Fort Worth t a fine bull and ship- k to Newlin in the bag- of the passenger train. nbered when the train to Newlin one day a horses were frightened. offered to help him with. This teamster said, "I the horses alright, but boy." This was the first boy had ever seen and eared the daylight out Mrs. Linton Estes was Helen Hill of Clayton, here she was reared. I why Linton wandered to get a wife. He ex- at after World War I, rraiting officer for and while in this area, "Commander-in-chief. They have two sons, r. and John L., both their businesses in

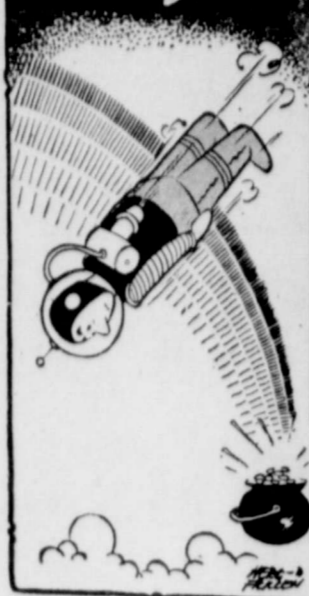

Wichita Falls. Linton and Helen are very active and both ride their saddle horses. Linton said people over the years had asked him where he was born, and when he told them Newlin, they still did not know, so he told them it was a small town in the Panhandle that had a sign by the road that said, "Welcome to Newlin and Hurry Back". Mrs. Estes says she has three hobbies now-book binding, beadwork and horseback riding.

Mrs. Ruby Compton had as her guests in Heritage Hall, her daughter, Mrs. Wayland Marcum of Amarillo. She will be remembered as Edith Compton who graduated from MHS in 1949, married Wayland in 1950. They have four sons. Their son, Gene, married Jackie Pyeat. Another daughter of Mrs. Compton in Heritage Hall was Mrs. Richard Ayers of Borger. She will be remembered as Doris Compton who graduated from MHS in 1945. Doris married Richard Ayers in 1947 and they moved from here in 1948. They have four children, two now married and two in Texas Tech. The other daughter of Mrs. Compton, now Mrs. Cates of Childress, is Ann who graduated from MHS in 1942. She has two sons and one daughter. Ann's daughter, Carol, now Mrs. George Miller of Amarillo, and her children, Julie, David and Angela, represented Ann's family in Heritage Hall. Ann has the three grandchildren, Ruby Compton now has 11 grandchildren and three great-grandchildren.

We want to congratulate the Chamber of Commerce and Memphis Compress on the sign that they have telling the people that travel the highway where they are and that we are "The Cotton Capital of the Panhandle". Another good rain and I think we could keep the capital.

From Earl's Pearls: "Sam Levenson says today's kids are much too paupered. When I was

Out of Orbit

a kid, my mother's mealtime menu offered two choices - take it or leave it!"

If you have the backache, you are now in style as this disease has just about caught up with the common cold. I heard on television a few mornings ago that 163 million dollars was spent in California last year for the treatment of backaches. Several times I have noticed weights hanging on the patients' feet while in traction, which I found out was treatment for backache and not trying to make this person taller by stretching them as my first impression was.

While visiting Hall County Hospital last Saturday, we found three new arrivals in the nursery. While taking a short rest in the coffee room for the nurses, I noticed two signs on the wall signed by Don Curl, the administrator, which I thought were very good and hope I do not violate a code by giving them. "Help protect them against staph with soap water". I think this has always been a good medicine. In fact, that old quotation, "Cleanliness is next to Godliness", I thought for several years that this quote was in the Bible, but it is not there. The other sign was headed, "Remember in the eyes of the patient and visitors, you are Hall County Hospital". These two messages were for the nurses but I thought it would help patients to know the principals are

taught in the care of their patients with efficient service.

I found one of our Hall County college students a few days ago who was glad to get back to Texas-Gary Sims and his working partner from Galveston have been working together for the past three months selling books in the state of Pennsylvania. This was a new experience for Gary in the coal dust fog and smog. They were working in Dauphin County out of the county seat town of Harrisburg which is a railroad and steel town. He visit in the Lancaster area which is heavily populated by Amish people who still use their wood carts and wagons. These people, as I understand it, want vocational education through junior high and then go to work. I wonder sometimes if some of us are not getting over-educated as the world seems to be turning upside down. (That is an old man's thinking as they did back when gun powder exploded.) Gary did tell me that he met Miss Pennsylvania, the beauty queen. Also, said he visited Hershey, Pa., the home of Hershey bars. The stores, barber shops, other businesses had the name Hershey, as I found in Hannibal, Mo., several years ago, everything was named Mark Twain or Tom Sawyer. Gary returned direct to Weatherford from Nashville and drove over to Memphis to pick up his other socks and shirts last week. I asked Gary how Texas and Oklahoma girls looked to him after having all of these Hershey kisses in Pa. His answer was "O. K."

A quote from Marjorie Holmes book, "I've got to talk to somebody" from the part that was headed, "Keep Me at It." "God give me due respect for the abilities you have given me. Don't let me sell them short. Don't let me bury my talents through indecision, cowardice or laziness."

I had a short visit with Mr. and Mrs. Clifford Farmer last week. They had just returned from Missouri. They were stirring up a storm mowing grass and painting pictures.

Mrs. Eunice Spruill had as her guest in Heritage Hall, her sister, Mrs. Elmer Hunter of Borger. They are the daughters of the late Mr. and Mrs. George Carter who moved to Hall County in 1922. There are now 7 children of this family living. They attended school at Lakeview. This family moved to Memphis in 1942. Mrs. Hunter moved

from Hall County in 1938. She has four children.

Exie Sweatt and his daughter, Alma Hughs, had as their guests in Heritage Hall, Mr. and Mrs. Chas. Galloway of Amarillo. Chas. is the grandson of Mr. Sweatt. His parents are Cecil Galloway and hi wife Estelle (Sweatt) Galloway. Mr. and Mrs. Cecil Galloway have the one son

and four daughters. Chas. recently graduated from West Texas State. He and his wife, Danise, are going back to West Texas where Charles will work on his master's degree.

Temple Deaver, Sr. brought in a picture of the 1915 freshman class. If you were in this class, you will want to see this picture (Continued on Page 9)
