## Hall County Picnic Kicks Off Saturday For Two Days Running

### Memphis Travels To Annual Parade

A large crowd is expected in Memphis Saturday and Sunday for the annual Hall County Picnic celebration. Lee Vardy of Turkey, President of the Association, announced today.

As in the past, the festivities will be climaxed at a large free barbeque dinner Sunday at noon in the City Park, Mr. Vardy stated.

Beeves will be barbequed Saturday, beginning early in the morning, with Pete Land of near Clarendon as chief cook assisted by Memphis Volunteer Fire Department with Richard Liner, fire chief, as chairman.

Tickets for the free barbeque will again be passed out at the bridge going into the City Park. These tickets entitle holder to a free plate of barbequed beef, beans, etc and the half of each ticket is good for dessert.

Ladies are urged to bring desserts to the picnic Sunday to be served with the beef. Serving will begin immediately following church services Sunday.

Bus transportation to and from the Memphis square will be provided for those interested in avoiding the traffic jam in the City Park. Bill Wood is chairman of transportation.

Wendell Harrison will be the emcee of the picnic program and business session held following the barbequed meal.

Officers will be elected following a report by the nominating committee which includes Byron Baldwin, V. C. Durrett, Owen Jones, Jerrel Rapp and Elmer Layton.

A highlight of the program will be the old Fiddlers Contest, which will get underway at approximately 3 p. m. Sunday afternoon.

President Vardy said all committees are functioning and everything is ready for the big celebration.

The serving committee will be composed of Lions clubs of Memphis, Lakeview and Turkey assisted by Estelline Citizens with Tom Seay as chairman.

The Memphis Rotary Club, the Kiwanis Club and the Memphis Boy Scout Troop is in charge of cleaning up after the picnic, the president stated.

### Baptist Church Makes Plans For Lay Witness Meet

The First Baptist Church of Memphis will sponsor a Lay Witness Mission the weekend of Sept. 28, according to Rev. C. H. Murphy, pastor. All members are urged to attend all the sessions possible and any and all guests will be welcome, he said.

The schedule will start on Friday afternoon at 4 p. m. and last through the Sunday evening services. There will be meetings consisting of coffee groups, salad luncheons, dinners, worship services, sharing times, singing and Fellowship, something has been planned for all age groups.

During the weekend there will be a dinner meeting on Friday, small personal groups on Saturday, another dinner on Saturday evening and a number of guests sharing in the Sunday School and worship services on Sunday.

This Lay Witness Mission can bring new life to the church, members of the congregation stated. A number of other churches all over America have found the Lay Witness Mission very helpful in bringing about renewals, it was stated.

This mission is just 42-hours long and to get the maximum good out of this experience, one will want to attend each session. Also, this is people-to-people experience, rather than pulpit-to-pew, it was pointed out.

The meeting is layman sharing with layman how he has discovered a meaningful faith. The laymen coming into the congregation will travel hundreds of miles at their own expense, and local members in the same spirit of sacrifice should become totally involved in every phase of the weekend.

## CHANNEL 7 ANNOUNCES NEW SHOWS

### KVII-TV Programming

#### "Better Than Ever"

The place to be again this fall is Channel 7, Amarillo. The introduction of exciting new shows starting the week of September 10 and the return of crowd favorites, KVII-TV promise to be better than ever.

Outstanding new prime-time programs include a wide range of entertainment for the whole family.

On Tuesday nights at 7 o'clock, beginning September 18, you'll be watching at Paul Lynde who has led the zany gang of cut-ups in "In the Company of Men". He's the administrator of a private hospital for cosmetic surgery.

"Tama", on Thursday evenings 7 o'clock, starting October 4, is a brilliant young actor, Tony Danza, as a super-cop who relies on his wits, not his gun.

A light-hearted series, "Adam's Rib", starts Friday, September 14, at 8:30 p.m. It pits a lovely lady lawyer against her profligate husband.

"Griff", which debuts Saturday, September 29, at 9:00 p.m., returns your old friend Lorne Greene to a regular series. He's a dynamic private investigator.

"Carol & Ted & Alice", which starts at 9:30 p.m., is a sparkling comedy series with a new plot for the entire family, and starts September 30.

Tuesday and Wednesday "Movies of the Week" program innovative fare of mystery, suspense, adventure, comedy and drama. And, the ABC "Sunday Movie" include blockbusters such as AIRPORT.

PRO NEWS Staff of Professionals

Because of their expertise, experience and dedication, KVII-TV's staff of newscasters has become known as "The Professionals". Seated, left to right, are Jim Pratt, news director, and other members of the daily news team: Bill Zortman, Woody Van Dyke and Len Slesick. Second row, left to right, are Kelly Foss, assistant news director, and weekend newsmen

Joe Fields, Don Robbins, Dan Baker and Paul Matney. Back row, left to right, are Sandy Wright, reporter; Bedford Forrest, farm news director; and John McPherson who reports the news and weather on weekdays in the morning and at noon. In addition to this group, PRO NEWS has local reporters in various towns in the area.

Garry Moore's popular "To Tell the Truth" is moving to Channel 7 four nights a week at 6:30 p.m., following KVII's championship PRO NEWS, starting September 17.

NFL Monday night football will be back as well selected NCAA games on Saturdays.

Yes, indeed. All this combined with a wealth of additional nighttime and daytime programming makes Channel 7 better than ever this fall.

### Filmed News Reports Doubled on KVII-TV

Kelly Foss

Channel 7's increased use of filmed news reports has won the enthusiastic approval of viewers across the Golden Spread. They say "PRO NEWS is better than ever".

Another mobile unit has been added to the KVII-TV fleet and staff reporter's instructions are "don't spare the film when there is news to be covered". Also, cameras have been provided for use by Channel 7 reporters who live in towns throughout the viewing area. As a result, the amount of filmed news on KVII-TV has more than doubled in recent months.

Sound-on-film reporting by Channel 7's newsmen of much local news has brought a new dimension to PRO NEWS. Now you hear as well as see the action.

### KVII-TV Still Claims Texas' Tallest Tower

Still unchallenged is Channel 7's claim to Texas' Tallest Tower.

The orange and white giant from which KVII-TV programs are broadcast is located above the Canadian River breaks northwest of Amarillo.

Towering 1,703 feet into the sky it is taller than the Empire State Building, the Eiffel Tower or the Statue of Liberty.

### Complete Ch. 7 Program Schedule Inside

Save this convenient viewer's guide to outstanding programs on KVII-TV. For additional copies, write Box 925, Amarillo.

### "To Tell The Truth" Moving to KVII-TV

Garry Moore

One of television's favorite fun programs, "To Tell the Truth," in color, is moving to Channel 7 on September 17th. The show will be featured on Monday, Tuesday, Thursday and Friday each week at 6:30 p.m.

Garry Moore plays host for thirty minutes of lighthearted entertainment with panelists Bill Cullen, Peggy Cass, Kitty Carlisle, and a host of revolving celebrity guest panelists, one for each week.

Easy-going Garry keeps things on the laugh-track while the panel matches wits with three contestants... each claiming to be the same person. Matching the right name with the right face is what it's all about, and you'll enjoy playing along with Garry and his panel of educated guessers from the world of show business.

### "Reliability" Code of PRO NEWS Weather

Len Slesick

Len Slesick's twenty years of experience as a professional weatherman combined with KVII-TV's Constant Image Radar and modern receiving equipment give Channel 7 weather reports an authenticity which residents of this area have come to rely upon.

Channel 7's highly sensitive AVQ-10 radar complex scans an area 173 miles in all directions from Amarillo and portrays conditions from the earth's surface to the atmosphere. It projects a constant image of systems moving through the region so that details of threatening cloud formations can be carefully observed and accurately reported.

It is KVII-TV's policy to remain on the air when there is the threat of violent weather and keep residents advised continuously of changing conditions. During such periods local observers in towns throughout the area stand by to report on-the-spot developments by phone to Channel 7.

Forecasts are made from Slesick's personal evaluation of daily weather maps and information received hourly from the National Weather Service.

## EDITORIAL

### Hall County Picnic — 1973!

Hall County is celebrating its 83rd year of existence this weekend and our county is inviting all former residents and guests to come and celebrate the occasion at the Annual Hall County Picnic.

President Lee Vardy of Turkey has added a county-wide flair to the occasion this year and everyone should find the entire weekend most enjoyable from the opening with the rounding up for those males who decided not to wear face whiskers to the concluding events Sunday afternoon in the Memphis City Park where the barbecued meal will be served.

The Picnic Parade, set for 2 p. m. Saturday afternoon should bring out youngsters and oldsters alike to see entries ranging from bicycles to horses, floats and all kinds of fun things.

The Hall County Picnic is non-commercial in its scope, and those visitors will be hosted at most functions. All in all, the affair is quite popular.

Considering that all things are accomplished for the events by committees and organizations who donate their time and talent to making the celebration a success, the Hall County Picnic event has been one activity which has brought Hall County citizens closer together, year after year.

Citizens do not sometimes think of the tremendous amount of good an annual celebration like the Hall County Picnic does. It's impact is sometimes completely overlooked in the final scene of things, but a lot has been accomplished over the years because of the influence of the annual celebration.

For one thing, facilities at the Memphis City Park have continued to be improved. Several years ago, new wooden benches were built and painted as one of the major projects attributed to the celebration. A former resident even donated the lumber to have the benches made.

Memphis Fireman, Memphis Lions and Rotary, Kiwanis, American Legion and Auxiliary, Boy and Girl Scouts, school groups, band, Chamber of Commerce, FFA, FHA, Young Homemakers, churches, and individual businesses and citizens in Memphis, along with Lions Clubs from Turkey and Lakeview, square dancers, singing associations, etc., all get into the act of contributing their time and talents to making the affair a success.

Not be overlooked are those men and women who take the initiative to work on the various Committees which function to provide for the Picnic itself. Our citizens should say a big "thank you" because these are the people who make the Hall County Picnic possible. President Vardy and his officers and steering committee have done the advanced planning but it is the committees who see after the thousands of details.

The scope of the Hall County Picnic is huge, when considered overall. The Picnic has a reputation of being carried off year after year in the grandest style that elements would allow.

Folks have stood in line in the rain to eat the barbecue. Sure the crowd was off but still a lot of people turned out in rain gear anyway. No one has ever gone away hungry.

All the public is asked to bring in sweets, everything else is provided. Come to the Hall County Picnic this year. You'll enjoy the affair and renew old acquaintances and even get to meet our new citizens for they pitch in and help, too.

## ACROSS THE DISK

What Other Editors Say

### Bolder Effort Needed

We're continually dismayed by the fact that while the administration describes the energy crisis in gravest terms, it doesn't propose any very imaginative or urgent-sounding efforts to deal with the problem.

In his recent energy message, President Nixon proposed measures to speed technology in the development of coal and shale oil production.

But nothing in what he said suggested a "crash program" to get something done about meeting future energy needs.

The "crash program" approach is needed, it seems to us, for two very good reasons.

First, it's apparent on all sides that most people really aren't convinced there's any crisis in energy supplies. Despite all warnings, they're taking a business-as-usual attitude toward the issue.

If nothing else, the announcement of a "crash program" on the scale of the Manhattan Project—or at least the race to the moon—might have the psychological effect of persuading people to adopt some of the measures individuals have been urged to

### take to conserve energy.

That would help bridge the gap while development of conventional energy sources catches up somewhat with demand.

But by far the most important result of a "crash program" approach would lie in its long-range implications. For at least one fact is fairly obvious: Assuming mankind isn't first poisoned into extinction by the pollution which conventional fuels release, the supply of such fuels eventually will be used up.

Therefore, some new and, hopefully, inexhaustible energy source must be developed if civilization is to survive, and the time to begin developing it is now.

Scientists frequently mention two possible such sources. One is hydrogen, the supply of which is virtually unlimited. The other is solar energy. The later source not only offers a limitless supply but is also an environmentalist's dream so far as pollution is concerned.

Yet Mr. Nixon, in his proposals, made no mention of the possibilities of hydrogen technology and proposed only \$12 million to expedite solar energy research.

That's too little to convince many people that there is an energy crisis, much less to begin to overcome it. It may not be too late to get going with something that will do the job, in both respects, but it's getting later.

## Travis Baptist WMU Meets For Week of Prayer on State Missions

The W. M. U. of Travis Baptist Church met Monday and Tuesday at 9:30 a. m. at the church for a week of Prayer for State Missions.

Mrs. Grace Richardson opened Monday's meeting by reading I Cor. 15:12-19 and the prayer calendar. The missionaries were remembered in prayer led by Mrs. L. G. Rasco, Mrs. Sam Hamilton and Mrs. J. J. Herndon. Mrs. Richardson gave the life of Mary Hill Davis.

The week of prayer for state missions was named in 1935, "The Mary Hill Davis Offering," in her honor. Mrs. Lynn B. Jones gave outline of the week's program. Mrs. L. G. Rasco brought the devotional, "A Transformed Person"

reading Mark 5:1-21. She also told about the Latin American Scholarship, Negro scholarship students, New Mission starters, the River Ministry and Student Summer Missions and led in the closing prayer.

Attending were Mmes. Jones Richardson, Rasco, Hamilton, Herndon, Cap Byars and Joyce Richardson.

Mrs. Richardson opened Tuesday's meeting by reading I Cor. 15: 20-28 and the prayer calendar and the missionaries were remembered in prayer by Mrs. Wilburn Coffman and Mrs. Sam Hamilton.

Mrs. Lynn B. Jones brought the devotional from John 4:1-42, discussing what wonderful things

God has done . . . in his word in Samaria. She discussed special associational projects including drug addicts, prostitutes, homosexuals and alcoholics, also the Valley Baptist Academy and school at Nuevo Progreso. Mrs. Coffman led in prayer for this mission work. Mrs. Cap Byars discussed new mission church construction, mobile disaster unit and the Houston-Galveston metro projects. Mrs. J. J. Herndon and Mrs. Jones led in prayer. Attending were Mmes. Richardson, Jones, Coffman, Hamilton, Byars, Herndon, T. C. Stevens, Rasco, Lucille Hutchins and Miss Joyce Richardson.

The study was continued on Wednesday and Thursday mornings and the group will meet Friday at 9:30 a. m. to conclude the study.

### CARD OF THANKS

I want to say thank you to Dr. Clark and nurses who gave me such good care while I was in Hall County Hospital and to my friends and relatives for your prayers, cards, telephone calls and visits while I was in Hall County Hospital and High Plains Hospital in Amarillo. A special thank you to my good neighbors for all the nice things they did for me.

MR. AND MRS. WINFRED McQUEEN AND CHRISTY

**Mr. and Mrs. Winfred McQueen Named 'Family Of The Year' By MY Club**

Mr. and Mrs. Winfred McQueen were selected as "Family of the Year" by the Memphis Young Homemakers Club, according to an announcement made this week by the club president, Mrs. Bobby Ward. They have been presented with a plaque.  
 The McQueens have one daughter, Christy, who is 15 months of age.  
 The McQueen family will be presented during the Hall County Picnic on Saturday as they will appear on the Young Homemakers float in the parade.  
 Mr. and Mrs. McQueen live one mile west of Memphis where Mr. McQueen is engaged in farming, for the past two years. He is the son of Mr. and Mrs. W. S. McQueen of Memphis.  
 Mrs. McQueen is the daughter of Mr. and Mrs. W. L. Williams of Minolia, and a 1970 graduate of Memphis High School.  
 Mr. and Mrs. McQueen were married Aug. 8, 1970 in Memphis. They are members of the Travis Baptist Church.  
 Mrs. McQueen is starting her third year of membership with the Homemakers Club and is presently serving as the club's first vice president.

**Memphis Band Boosters Meet, Discuss Plans**

The Memphis Band Booster Club held its regular meeting on Monday evening, Sept. 10, in the Cyclone Band Hall. President Mrs. Raymond Martin presided at the business meeting.  
 The membership chairman, Mrs. Bob Douthit, gave a progress report on the drive. She stated that the membership drive is in full swing. Anyone wishing to pay their booster dues may do so at the Big O Restaurant or Memphis Glass and Supply.  
 Mrs. Ronald Wilson, calendar chairman, gave a report on the campaign. It was announced that the deadline for the community calendar sales will be Oct. 7.  
 It was stated by Mrs. Wilson that the charges for printing the calendar have risen again this year. The company raised printing fees last year, but the booster club's prices remained the same. However, with the still rising costs, the club is forced to raise the cost of the calendar 25c, she said. Each calendar will sell for \$1.25 and each birthday and anniversary on the calendar will remain the same—25c for each listing. The campaign is just getting underway and the club is planning to call at every home possible in Memphis in the near future.  
 A report was heard concerning the "Cans For The Band" collection. Many people in the city have been most cooperative in helping the booster club and band students collect all the aluminum cans possible, it was pointed out. All help will be greatly appreciated since this campaign will end next April. Local collection centers will be set up and announced soon.  
 Miss Carol Blain, director of bands, explained to the new club members that the main purpose

of the booster club is to aid the high school band; however, she did explain that the booster club purchased all the chairs the Jr. High Band is now using as well as the music stands.  
 Miss Blain also stated that the Cyclone Band will go to the University Interscholastic League Marching Contest on Oct. 16. The contest is being held earlier this year than usual; the band will be performing in the Frank Kimbrough Memorial Stadium in Canyon.  
 A very nice group was in attendance last Monday evening and it is hoped that the interest in the booster club will increase and even more will have a desire to attend, Mrs. Martin said. The next meeting will be held on Monday evening, Oct. 1, at 7:30 p. m.

**Artists Studio Members Enjoy Day At Cap Rock**

The Memphis Chapter of Artists Studio traveled to the rest area over looking the Cap Rock near Silverton Sept. 11 for an all-day outing.  
 Delicious brunch consisting of sausage, toast, eggs, jam, cantaloupe, cinnamon rolls and coffee was prepared and served at the rest area.  
 The Cap Rock's magnificent formations were sketched and painted from early sunrise to mid-afternoon. During the business meeting, Mary Hudgins, president, presided. New officers named for the 1974 club year included: Nat Scott, president; Susie Kesterson, first vice president; Jimmi Wheeler, second vice president; Ada Craghead, secretary-treasurer; LaNora Wood, historian; Lottie Kinard, parliamentarian; and Nadine Wheeler, publicity.  
 Plans were made for an art display and sale which will be held in the West Texas Utilities building Sept. 15 for the Hall County Picnic. Reservations are also being made for those who can attend the Palette Award Dinner being held at the Travelodge West in Amarillo Oct. 6.  
 Members present included: Martha Salmon, Nat Scott, Jimmi Wheeler, Fran Spicer, Ada Craghead, LaNora Wood and the hostess, Mary Hudgins.

... of all those hardy and religious men and women who pioneered this area. This thought is occurring as we hold our annual Hall County Picnic. They were the settlers ... came with faith, that with the help of providence, they could establish a new life. These are the ones who made their homes upon the fertile land and in the towns of our county. They built the churches, the schools, and laid the foundations which we are enjoying today. It is our prayer that time and circumstances may never erase the memory of the challenge of their faith.

# Memphis Upsets White Deer 26-0

Memphis Cyclone got its football season off to a Friday night with an 26 to 0 victory over White Deer. The game was packed with excitement for Memphis fans, as the Cyclone played tough defense and a spectacular goal-kick. The Cyclone scored on their first drive of the football, after the White Deer punter, forcing a punt to the Cyclone's 37-yd. line. Jim Dixon on the first scrimmage tested the Cyclone and made three yards.

Then, the Cyclone was called for offsides, and it was second down and 12 needed. Quarterback Jimmy Melton, on the next play, carried on the left end and made the first down to the home 48. Melton sustained a knee injury on the play and was assisted from the field. Senior Quarterback Wayne Davis went into the lineup for the Cyclone and held the signal calling duties the remainder of the evening. On a first down from the home 48, Sophomore HB Charles Bryley took a pitch back and skirted right end and raced for 42 yards to the Bucks' 10-yard line. Two power plays with FB Dixon carrying took the football to the

three. On third down, a delayed snap cost Memphis five yards, making it third and eight to go. QB Davis rolled out on a pass play, saw daylight open and raced into the endzone for the team's first score of the season. End Ben Smith tried the point after kick but the attempt missed the mark so the score was 6-0. The Bucks came back, following the kickoff into the end zone off Smith's toe. QB Buddy Cummins for the Bucks rolled out on a passing pattern, elected to run and raced down the west sidelines and was caught from behind by Charles Bryley who downed Cummins on the Memphis five-yd. line. The gain was about 80 yds. HB Dan Sandlin made a one-yd. gain to the four. Then FB Billy Lynch made three more, and the Bucks were knocking with a third and one. On the next play, Lynch went wide around the left end but Charles Bryley came up and made the stop for a six-yd. loss. Facing fourth down, the Bucks went to the air, and QB Cummins passed to WB Randy Walker at the one-yd. line. Wayne Davis made first contact at the one, then James Beck and Mark Bradshaw arrived to down Walker, denying the Bucks their only scoring opportunity of the evening. The Cyclone took over on the one-half yard line and marched for four first downs. FB Dixon made gains of five and 22 yards,

HBs Don Davis and Charles Bryley ripped off seven and nine yards. FB Dixon and HB Davis carried on the next two plays for first down yardage to the Bucks' 47-yd. line. FB Gary McKay made 12 yards to the visitor's 35, but here the drive fizzled and Bobby Hall punted the ball to the White Deer 8-yd. line. The Bucks were held for three downs and Donny Thurman punted the football to near the mid-field stripe where Memphis took over. The local team's second scoring drive resulted as Jim Dixon on slashing runs of seven and two yards, then an offside by White Deer gave Memphis a first down on the visitor's 33.

Then, FB Dixon ran over defenders for a 11-yd. gain to the Bucks' 22. In the next series, HB Bryley made one yard then Dixon made

Memphis Democrat—Thurs., Sept. 13, 1973 Page 7 five tough yards. On the next White Deer 7. FB Dixon carried over for the score on the next light and stepped his way to the (Continued on Page 8)

(Continued From Page 5)  
 A letter received the past week from Libby Wallis Snowden Hatch of 1430 South Ave. J, Portales, N. M. She will be remembered as the sister of the late Bob Snowden. She enclosed a picture of old-timers that she found in Bob's trunk. She sent her regrets of not being able to be at the Hall County Picnic as she had planned but had her program changed. (A quote from her letter) "Hope the gathering is large and that all will have a nice time. I remain an old-timer who still thinks of Hall County and Memphis."

Thanks to Ida Mae Long for remembering Hall County Heritage Hall. Ida Mae, a long time resident of Hall County, is now living at 315 E. King, Apt. 21, Kingsville, Texas 78363.

Joe Mothershed made a flying trip to Washington, D. C. to help his daughter, Susan, pack up and move back to Texas after working in the national capital. In

conversation with Susan after she returned, I asked her how it felt to get back to Texas and she replied, "In driving back, the closer I got to the Texas border, the faster I drove."

A remembered quote: "You are young only once. After that, you have to find something else to blame your mistakes on."

A quote: "Maybe you can't take it with you, but it sure brightens up the port of embarkation."

Another remembered quote: "Some women are late for everything—dates, business appointments and both birthdays."

We were pleased to receive one of the new books for Hall County Heritage Hall, written by Elsie Bass Guthrie, "The Lucky Moores". We appreciated the tribute paid to Heritage Hall on the fly leaf of Elsie's new book. This book is just off the press, a very interesting story of the pioneer days of the family who moved to West Texas in a wagon and helped develop it for future generations. They had no highways, running water (very little

water at the best). They made the best of what they had access to in making a home. They had God as their leader who gave them strength to meet their obstacles of life.

We were saddened to hear of Waring Walker passing away in Plainview. He operated a grocery store here several years. His wife was the former Lucile Hill who was one of our outstanding teachers here in the 1920's.

Bill and Wilma Leslie have returned from their long trip to several different countries. From trying to speak so many languages, their tongues will be twisted for a few days.

Hall County Heritage Hall will be open all day Sat. Sept. 15, and will open at 2 p. m. Sunday afternoon Sept. 16. See you at the picnic!

**Brother Of Paul Blevins Dies; Rites At Paris**

Clayton Blevins of Pattonville, brother of Paul Blevins of Memphis, passed away in McCuiston Hospital at Paris on Sept. 8 about 8 p. m. after a long illness.

Funeral services for Mr. Blevins were held Monday, Sept. 10, at Fry-Gibbs Chapel at Paris, their home pastor of the Methodist Church officiating.

Born at Spring City, Tenn., May 23, 1899, Clayton Blevins was the son of J. H. and Elizabeth (Passe) Blevins and had lived in Texas since about 1921. He was a retired farmer and was a member of the Methodist Church of Pattonville.

He married the former Miss Clyde Humphrey of Pattonville Nov. 12, 1916.

Survivors include: his wife of the home and one son, Billy Blevins of Pattonville.

Mr. and Mrs. Blevins were honored by their son and his wife on their 50th wedding anniversary prior to his first paralysis.

Mr. Paul Blevins is the only remaining descendant of the Blevins family.

He and his niece, Mrs. George Helm, left early Sunday morning to attend the services.

Mrs. Susan Sweatt and daughter Leslie of Groom visited here Monday with their parents, Mr. and Mrs. Jack Moreman and grandmother, Mrs. Ira Lawrence.

play behind good blocking by the Cyclone line. The Cyclone tried a two point conversion but the football was fumbled.

The Bucks were unable to move the football and punted to Memphis. The Cyclone got another drive going and marched to the White Deer 30 to be stopped by the halftime buzzer.

**Second Half**

The second half of play opened when Memphis elected to kick off to the Bucks. The Bucks were held again and punted short to Earl Ray Wright of Memphis who fell forward to the Bucks' 39.

Good field position resulted in a drive for paydirt and Bryley and Dixon joined up to make a 10-yd. gain to the 29.

In the next series, Don Davis and Jim Dixon netted only one yard on the first two carries, but then HB Bryley broke loose and

raced to the 12-yd. line.

FB Dixon carried on three of the next four plays and scored with a one-yard plunge. Ben Smith booted the point after and the scoreboard read 19 to 0, with 5:24 left on the third quarter clock.

The Cyclone scored again on their next possession of the football, with the drive being kept alive by a 15-yd. roughing the punter call by the officials.

Following this penalty, Memphis had first down on the Bucks' 25, and on the next play, Charles Bryley broke loose on the half-back dive play and scampered the distance. Smith's PAT kick was good with 1:24 on the clock in the third period.

This rounded out the evening scoring for the teams with Memphis holding a 26 to 0 victory at the end of the game.

The last stanza was highlighted by a pass interception by James Beck for the Cyclone. FB

Gary McKay came in to do most of the ball carrying chores.

The Bucks got one drive going which took them from their own 32-yd. line to the Memphis 38, but a recovered fumble stalled this one.

Don Davis ripped loose and made 20 yards, only to lose the football when he was hit hard. The Bucks were in possession when the game ended.

## Announces Major Provisions Of Upland Form Cotton Program

Provisions of the Upland Form Cotton Program for the 1974 crop year are first to be covered by the newly enacted Agriculture Conservation Act of 1973, announced by Mr. Larry B. Rogers, Executive Director, Hall ASCS Office. Major provisions are as follows:

Primary loan rate of 25.26 cents per pound, applicable to one-inch upland cotton with average location in the national production goal of 11,000,000 acres.

National base acreage allotment of 11,000,000 acres, set aside for the program.

Conserving base requirement of four-year span of agriculture and Consumer Act of 1973.

Producers may substitute any other crop or any conservation program used for hay or in order to preserve the

## Out of Orbit

In the event it is then determined, the preliminary loan rate will be adjusted downward accordingly.

Loans available to program cooperators for different individual qualities will be based on the midding 1-inch rate, after adjustment to the quality strict low midding 1-1/16 inches—the new base quality adopted for spot and future price quotation purposes. A schedule of premiums and discounts for these various qualities and the base loan rate for strict low midding 1-1/16 inches cotton at each warehouse location will be issued at a later date. As in 1973, loans will be available to cooperators for a term of 10 months from the first day of the month in which the loan is made. Loan amounts will be reduced for any unpaid storage charges in excess of 60 days, as provided by law.

The national production goal of 14,802,000 bales (standard bales of 480 pounds, net weight) is equal to the sum of the estimated domestic consumption and estimated exports for the 1974-75 marketing year which begins August 1, 1974, plus an allowance of five percent of the total for market expansion, plus an adjustment to provide carryover stocks equal to 50 percent of the average offtake for the 3 preceding marketing years.

The national base acreage allotment of 11,000,000 acres reflects the statutory minimum provided by the Act, it takes into account adjustment needed to maintain adequate supplies. The allotment will be apportioned to states on the basis of the acreage planted (including acreage regarded as having been planted) to upland cotton within the farm acreage allotment in the year 1968 through 1970, and the farm base acreage allotment in 1971 and 1972, with adjustments in these acreages as required by law. State base acreage allotments will be announced later.

The same skip-row planting rules which were in effect for the 1971 through 1973 crops will be applicable to the 1974 crop.

The Agriculture and Consumer Protection Act of 1973 limits total payments to any person under one or more of the annual programs for cotton, feed grains or wheat of \$20,000. This limita-

### SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS

#### SPECIAL ELECTION NOVEMBER 6, 1973

#### NUMBER ONE ON THE BALLOT (S.J.R. 8)

Article III, Sections 5, 24 and 49a and Article VIII, Section 6 of the Texas Constitution are amended to:

Provide for regular annual sessions of the Legislature. The regular session in each odd-numbered year would be for a period not to exceed 180 days. The regular session in each even-numbered year would be for a period not to exceed 60 days and would be limited to consideration of fiscal matters and any emergency matters submitted by the Governor. The 60 day session could be extended by the Governor for a period not to exceed 30 days.

Provide an annual salary for members of the Legislature not exceeding \$15,000 per year and a per diem not exceeding \$18 per day for each day of each regular session or special session.

Provide that no appropriation of money shall be made for a longer term than one year and direct the Comptroller to make annual estimates of anticipated revenue rather than biennial estimates.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for annual regular sessions of the legislature; and to provide an annual salary of \$15,000 and per diem for the members of the legislature, effective in January, 1975."

#### NUMBER TWO ON THE BALLOT (H.J.R. 7)

Article XVI, Sections 50 and 51 of the Texas Constitution are amended to:

Include within the scope of homestead protection for real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses.

Presently a single adult person is not entitled to claim a homestead exemption and a married man can abandon a family homestead without the consent of his wife.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses."

#### NUMBER THREE ON THE BALLOT (S.J.R. 13)

Article VIII, Sections 1-a and 1-b of the Texas Constitution are amended to:

Extend the \$3,000 ad valorem tax exemption to the residential homesteads of unmarried adults.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults."

#### NUMBER FOUR ON THE BALLOT (S.J.R. 1)

Article XVI, Section 59, of the Texas Constitution is amended by adding a new Subsection (e) which:

Provides that no law creating a conservation and reclamation district shall be passed unless a copy of the proposed law is delivered to the commissioners court of each county and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the proposed law with the Governor, Lieutenant Governor and Speaker of the House of Representatives. Each special law creating such a district must comply with general laws then in effect relating to consent by political subdivisions to the creation of such districts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts."

#### NUMBER FIVE ON THE BALLOT (S.J.R. 12)

Article XI, Section 7 of the Texas Constitution is amended to:

Provide that all counties and cities bordering on the coast of the Gulf of Mexico are authorized to levy a tax to pay for bonds issued for the construction of sea walls and breakwaters upon a majority vote of the resident property tax-payers. Counties and cities are presently authorized to levy such taxes and this amendment only changes the required vote from a two-thirds majority to a simple majority.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing counties and cities bordering on the Gulf of Mexico to issue bonds for the construction of sea walls and breakwaters upon a vote of the resident property tax-payers."

#### NUMBER SEVEN ON THE BALLOT (H.J.R. 6)

Article III, Section 49-b of the Texas Constitution is amended to:

Provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund. This amendment increases the present \$400 million authorization to \$500 million.

Remove the present provision which permits buying of land only by those veterans who served between September 16, 1940 and the date of formal withdrawal of United States troops from the armed conflict in Viet Nam. This amendment would allow all veterans who serve after September 16, 1940 to buy land from the Veterans' Land Fund, provided they are otherwise qualified.

Provide that, in the event of the death of an eligible

#### NUMBER SIX ON THE BALLOT (S.J.R. 26)

Article V, Section 8 of the Texas Constitution is amended by adding a new paragraph which:

Provides that the district court, concurrently with the county court, shall have the general jurisdiction of a probate court and in a probate proceeding shall also have the jurisdiction otherwise conferred on it by law. It also provides that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, may adopt rules governing the filing, distribution, or transfer of cases and proceedings as between the courts having jurisdiction of probate matters, and may provide that all appeals in probate matters shall be to the courts of civil appeals.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment stating that the district court concurrently with the county court shall have the general jurisdiction of a probate court, and providing the jurisdiction thereof, and further providing that in any probate proceeding the district court shall also have jurisdiction otherwise conferred upon it by law, and further providing that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, and further providing that the legislature shall have power to adopt rules governing the filing, distribution and transfer of all such cases and proceedings as between district courts, county courts, and other courts having jurisdiction thereof, and further providing that the legislature may provide that all appeals in such matters shall be to the courts of (civil) appeals."

#### NUMBER NINE ON THE BALLOT (S.J.R. 25)

Article VIII of the Texas Constitution is amended by adding a new Section 2C which:

Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations or cooperatives from all property taxes. The exemption would apply only to such property as is reasonably necessary to conduct the business of a non-profit water supply corporation or cooperative.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or a non-profit water supply cooperative."

### From The Chamber Corner

This Saturday afternoon immediately following the 2 p. m. Hall County Picnic Parade, will be the judging of the Beard Growing Contest. Contest judges are: Mrs. Jan Turner of Turkey, Mrs. O. L. Favors of Lakeview, Miss Tops Gilreath and Virginia Browder, both of Memphis. First Place trophies and a free shave from either of the Memphis barber shops will be awarded to the best full beard, partial beard, mustache, chin whiskers, one who tried hardest and best over all beard. The judging will take place on the courthouse lawn and chamber member Lester Campbell will be master of ceremonies. We want to encourage everyone to attend the contest and especially all men who are growing beards.

Shaving permits are selling fast especially since the water tank has been set up. Additions to the list of the men shaving with permits are: H. R. "Hiram" Crawford, Marion Posey, C. A. Hightower, John Baker, C. R. Hall Coy Yarbrough, J. M. Ferrel, Grady Simpson, Lenis Simpson, Gene Lindsey, G. D. "Don" Davis, J. H. "Junior" Barbee, Charles A. Williams, R. B. Phillips, W. D. Young and W. B. Hooser.

Additions to the Brothers of the Bush are: James Hansard, Bob Sperry, Bill Hall, Melvin Srygley, Jimmy Don Molloy, Alvin Phillips, John Binkley, Gary (Bernie Greenway) Alexander, Gayle Greene and Roy Gresham. The list for the Brother of the Bush is not complete; and if we left your name out, we apologize for this error. There are approximately 500 men participating in the contest and we appreciate your activity. Thank you. If the weather is permitting, Judge Dirty Harry and the Kangaroo Court will be in session every day up until the contest judging. Be on the watch for the Sheriff and his posse.

Hall County Picnic President Lee Vardy is doing a great job and everything is falling into plan for this year's picnic and celebration. American Legion Commander John McCauley has a good parade lined up and Tommie Potts has sent out several invitations. Mr. Potts has the distinction of being first to use the newly designed chamber stationery. A good time awaits everyone this weekend at the Hall County Picnic. Ya'll come!

We are delighted to have the opportunity to work with the Hall-Childress Soil and Water Conservation District in hosting the 1973 annual meeting of the State Great Plains Committee.

Plans for the 2nd annual Cotton Boll National Enduro are being finalized for the upcoming race Oct. 27 and 28th. Plans include an area wide Texas hamburger feast and Tri-State Cotton Boll Parade. Many other activities are being planned and all organizations who wish to participate are asked to contact the Chamber of Commerce.

Amarillo Track and Trail Sport Riders Pat Henry and Pete Donnell will be visiting in Memphis the next few weekends to set up the race. We are encouraging the area farmers and ranchers to help us by letting us cross your land between the various creeks in Hall County. Cecil Whitten, Barry Ward, Mike Branigan, Bob Hutcherson and John Kehr will be assisting them in regards to the tract of land being sought for use in this race.

This week we want to recognize chamber member CableCom General, Inc. of Memphis. CableCom manager, D. H. Pope, along with Chris Liner and Nell Davis, are capable of handling any of your television viewing needs. We certainly appreciate their continuous support and activity in making Memphis a better place to live.

"Let's Talk Memphis"

### Lakeview School Enrollment Is Up This Year

Enrollment in Lakeview Schools is up this year, approximately 15 students, figures reveal, according to Superintendent J. P. Jackson.

This year a total of 175 students were enrolled in the twelve grades, while last year's peak enrollment was 160 with an average daily attendance of 151 for the year.

High School enrollment has 28 freshmen, 10 sophomores, five juniors and seven seniors.

Nine students are enrolled in the 8th grade, 16 in the 7th, and 15 in the 6th grade. Twelve students are registered in the 5th grade, 22 in the 4th, 18 in the 3rd, 16 in the 2nd and 17 first graders.

### Stamps By Mail To Be Sold By Post Office

Postmaster Gene Lindsey announced today that a new "Stamps by Mail" service will be offered in the Memphis area beginning later this month.

According to Postmaster Lindsey this new service will permit customers to purchase stamps and stamped envelopes through the mail using a personal check or money order.

The Postmaster noted that "This service will be of great benefit to all our customers and especially shut-ins, the elderly and working wives. It will enable them to satisfy their postal needs simply, rapidly and inexpensively from their own homes." Leaflets spelling out the details of the service will be distributed to area households and small businesses during the next few weeks.

"This new service has been tested in selected cities nationwide with very positive results," said Postmaster Lindsey.

"One of our customers in a test city wrote, 'I am very happy about this service, as many of us older people can't get around the way we would like. We really appreciate this new service.' Obviously we are pleased to provide a service which means so much to people like this senior citizen." A 40c fee will be charged to defray the cost of two-way postage, internal procession of checks and other costs associated with this new service.

### Cyclone Mothers To Have Bake Sale Sat. Morning

The Cyclone Mothers Club will have a bake sale beginning at 9:30 a. m. Saturday morning, Sept. 15, according to members.

The Mothers will be selling delicious home-baked goodies at two locations in front of Fowlers Drug and Lockhart Pharmacy and cordially invite the public to come by and purchase their desserts for the Picnic.

### TOWER Drive In Theatre SHOW STARTS AT DUSK

Thursday, Friday, Saturday Sept. 13, 14, 15 "The Last Picture Show" (R) Plus "J. W. Coop" Starring Cliff Robertson

Sunday and Monday Sept. 16 and 17 Stanley Kubrick's "Clock Work Orange" (R)

Tuesday, Sept. 18 "Somos Novios" Beginning Thursday, Sept. 19 Hurl Reynolds "White Lightning" (PG)

### Church Of Christ To Hold Week's Lectureship

A Bible Lectureship will be held at the Church of Christ in Memphis beginning Monday, Sept. 17 and continuing through Friday evening, Sept. 21, according to an announcement made this week by Minister Art Smith.

Services will be held each evening at 7:30 p. m.

The public is cordially invited to attend.

Serving as song director and in charge of special singing will be Johnnie Luke of Westview Boys' Home of Hollis, Okla.

Each evening of the lectureship will feature a different speaker.

Speaking on Monday evening will be J. R. Chism of Childress, who will speak on the subject "How Can I Be a Better Parent?" A preacher for 22 years with work in Tennessee, Texas and Louisiana, he recently moved to Childress from New Orleans. A native of Texas and graduate of Abilene Christian College, Mr. Chism is fifth in line of "Preaching Chisms."

On Tuesday evening Don Stone of Clarendon will deliver the message. He will speak on "How Can I Be a Better Example." He has worked as a minister for 20 years and is a native of Oklahoma. He is a graduate of WTS,

Eastern New Mexico and Hardin and U. T. He served one year as Bible Chair director at N. M. S. U.

"How Can I Be a Better Teacher?" will be the topic discussed on Wednesday evening by Tom Anderson of Wellington, who is a former minister of the Memphis Church of Christ. He is well-known here. The family moved to Wellington 6 months ago from Stinnett. Prior to that, he had served as Director of the Bible Chair at Weatherford, Okla., for two years.

Paul Evans of Hollis, Okla., will be the speaker on Thursday evening. He will speak on "How Can I Be a Better Personal Worker?" A native of California, he was reared in Canute, Okla., and attended C. C. C. and Sayre Junior College.

The lectureship will be concluded on Friday evening with the topic "How Can I Be a Better Christian?" Speaker for the final lesson will be Jerry C. Brewer of Chillicothe, who has been with the Church of Christ there for the past four years. He has written and edited various church papers.

Mr. and Mrs. Robert Nash of Destin, Fla., visited with their sister and family, Mr. and Mrs. Phaeton Alexander Saturday. The Nashs were on their way to Bakersfield, Calif., to visit their mother, Mrs. Abe Nash, and other relatives. Mrs. Phaeton Alexander accompanied them to California and will fly back home in a few days.

### Art Display To Be Held At WT Utilities

An art exhibit will be held at West Texas Utilities all day Saturday by the local Art Club, Mary Hudgins, president of the club and picnic art committee chairman, stated.

Everyone is invited to come by during the day. Refreshments will be served.

Other clubs are also invited to set up displays and those who wish to do so should contact some local merchant, Mrs. Hudgins stated. We would like to have several window displays, she added.

### Adult Lessons In English Are Being Offered Free Here

Adults in or around Memphis who would like to learn to speak and read English are being informed that there are individuals interested in providing a free service.

Those interested can call 259-3533 and ask for information about this free service.

Mr. and Mrs. Andy Gardenhire and Phaeton Alexander visited in Canyon Saturday and attended the WTSU football game.

### Railroad Crossing On State Hwy. 256 To Be Upgraded

AUSTIN—A railroad crossing protection project in the Childress district has been announced by the Texas Highway Commission.

The project, under the supervision of District Engineer V. J. McGee will upgrade the State Highway 256 crossing of the FW&D in Memphis at an estimated cost of \$29,000.

The project is part of the \$1.5 million 1974 Railroad Grade Crossing Protection Program authorized by the 63rd Legislature. Under the program the state pays 90 percent of the installation costs and the railroad 10 percent.

### Hall County To Receive 2.9 Miles of F. M.

The Texas Highway Commission approved development of a 2.9 mile Farm to Market road in Hall County as part of the 1973 Texas Farm to Market Road Program.

District Engineer V. J. McGee said estimated cost of the work in the county is \$130,000.

The approved project extends from State Highway 86, 1.5 miles Southwest of Turkey, South to

a county road. This work will be under the supervision of H. Monroe, Engineering Aid, Clarendon, Texas. Work authorized for this secondary road program, which will be developed.

A total of 261.6 miles newly designated roads under the 1973 program will develop Farm to Market Roads. National roads which have been designated as the state-maintained highway work.

The additional mileage total mileage of the program to almost 41 thousand. Much of this mileage was former county road roads selected cooperatively by the Highway Department and county commissioners.

The Farm to Market program originally was aimed "get the farmer out of the mud" on that score it has been full by opening new economic and education opportunities to the millions of Texans who live in rural areas.

For example, of the designated roads, 18.1 miles per cent are school roads, 168.3 miles or 64.3 per cent rural mail delivery roads.

But FM and RM roads benefited more than 2 million Texans who live in the country. Most provide access to the outdoors of this state.

## Memphis Young Homemakers Feature Style Show At Opening Meeting

Memphis Young Homemakers held their first meeting of the fall on Monday, Sept. 10, in the Aids Room at Memphis High School.

The program for the evening featured a style show, "Lining Up Your Fashions," presented by Mrs. Susan McQueen.

Refreshments were served by Mrs. Judy Stewart and Mrs. Ahari

Robertson. The bake gifts were furnished by Mrs. Katie McDonald and Mrs. Nelwyn Ward.

After the style show, a short business session was held. The float for the Hall County Parade was discussed; also plans for Young Homemaker week which will be Sept. 17-23.

Those present were Mrs. Nelwyn Ward, Katie McDonald, Priscilla Shira, Susan McQueen, Wanda Messick, Melroy Cefer, Gayle Muzzingo, Beatrice Levy, Linda Kincaid, M. E. McNally, Bengy Godfrey, Garland Coldiron, Betty Norton, Charollette Olinas, Chris Carroll, Shari Carroll, Connie McQueen, Linda Altman, Shirley Ward, Linda Cafy.

Also FHA girls Dana Coldiron, Lisa Knighton, Terry Rogers, Kay Posey, Barbara Haire, Janie Garcia and Debbie Johnson.

## Southern Gospel Music Assn. To Hold Convention

The first Southern Gospel Music Association convention will be held Sept. 14, 15 and 16 at the Church of God campground in Weatherford, it was announced here this week.

This organization is composed of more than seventy gospel singing groups from a five-state area for the purpose of promoting gospel music.

Among those who will be present is the Wills Family of Arlington, former Memphis residents.

Everyone is cordially invited to attend, either one or all of the session.

## McDaniel Home Is Scene For Patfinders Meet

The Pathfinders Council held the first meeting of the Fall season in the home of Mrs. J. J. McDaniel with Mrs. Otis Cobb president presiding.

Twelve members answered roll call and paid dues.

It is the custom each year to place a book in the public library and this year the club chose "The Lucky Moores" written by Mrs. Elsie Bass Guthrie to be placed in Carnegie Library.

After the pledge to the flag,

the meeting adjourned. Those enjoying a tasty refreshment plate were Mmes. Robert Breedlove, Otis Cobb, Mary Lou Erwin, Elsie Gidden, Vera Gunstream, J. F. McIntush, J. W. McMasters, Velmon Payne, Ora Ritchie, Brown Smith, W. D. Young and the hostess Mrs. McDaniel.

## Ben Parks Co. Handles Land Deal For Hogan

Ben Parks and T. C. Massey of Ben Parks Co. Realtors of Dallas, have handled the sale of land to be used as a 36-hole country club near Dallas and Ft. Worth.

The project, at Westlake on the southwest shore of Grapevine Reservoir, will include a country club to be known as The Trophy Club that will feature complete accommodations for swimming and tennis.

The development is a joint venture of Ben Hogan, golfing legend, board chairman of the Ben Hogan Co., Fort Worth attorney John McMackin and Johnson-Loggins, Inc. a firm and subsidiary of First Realty Investment of Miami, Fla.

Bennie Parks, as he is known locally, is the son of Mr. and Mrs. Ben L. Parks of Memphis. He mailed his father a press packet about the "The Trophy Club" and said, "as you know, represents many, many man hours and much effort. We are privileged and proud to be a part of The Trophy Club."

"For a long, long time I've wanted to build a golf course," Hogan said. "I've a lot of ideas on how it should play: Golf

and 83rd Birthday Celebration in Memphis Saturday and Sunday

As events of years gone by are discussed, many "old timers" will remember when Memphis Compress Company was established here in 1921. From that date the "Press" has served as headquarters for our friends in the ginning and cotton buying business, not only in Hall County but over the state and nation.

We are proud of the record we have established in helping to promote the progress of this county. We shall continue to cooperate in all worthwhile efforts which will mean more to our friends in the cotton industry—from the farm to the final buyer.

Join with us in the celebration and the big barbecue which will be served at the City Park Sunday, Sept. 16th.

# Mr. and Mrs. Bill Leslie Enjoy Tour of Orient

(Editors Note: The following is a very brief account of the Leslie's tour of the Orient written by Bill who says that a detailed account of all they saw, learned and heard would require more space than is in this entire paper!)

We left Memphis on Friday, August 10th, drove to Albuquerque where we visited with relatives until Sunday morning. Flew to Las Vegas where we spent four days attending the National Convention of Florists' Transworld Delivery Association. Caught a couple of "night shows" - Phil Harris, Harry Jones and Frank Sinatra Jr. at the Frontier and Elvis Presley at the Hilton (where we stayed) - Observed some of the gambling, and I believe anyone who has been there will agree that more money changes hands faster there than at any place in the world.

We got up at 5 A. M. Thursday, caught a Western Airlines flight to Los Angeles at 7 A. M. where we joined the rest of a group of 71 people for the Fourth Floral Tour of the Orient. Left L. A. about 45 minutes late at 10:45 A. M. on Japan Air Lines 747 Garden Jet with 361 people aboard, stopped 1 hour in Honolulu for change of crew and refuel then arrived in Tokyo at 5:05 P. M. Friday since we lost a day crossing the International date line. Our guide told us that two million Japanese went abroad every year. Someone ask him if they all went the same day. At any rate, every departing and arriving passenger must have had at least 10 to 50 of his friends and relatives at the Tokyo airport to see him off or greet his arrival because I have never seen such a mass of humanity.

After 24 hours of daylight and

five meals and two snacks we retired in the Palace Hotel. Saturday morning August 18th, a walking tour of the Imperial Palace grounds across the street from our hotel. We didn't see the Emperor but saw his private garden. Then to Chinzanso Garden Restaurant for a barbecue lunch, visiting the Diet Building, Olympic facilities in Meiji Shrine outer gardens enroute. This meal was cooked on a grill in center of each table of four. Attended a floral design demonstration and welcoming party before retiring. Sunday August 19th, left Asakusa station for Nikko via Tobu Private Railway express train. Saw lots of farms enroute. The average size farm in Japan is 2 1/2 acres. At Nikko, sightseeing via bus in the National Park, visiting Toshogu Shrine, Kegon Waterfall, Lake Chuzenji and the thrilling zigzag mountain road. Lunch at the Kanaya Hotel and return to Tokyo by train. Monday morning we visited wholesale and retail florists in Tokyo, then by bus to Kamakura via Keihin Highway No. 3 visiting Daibutsu (Great image of Buddha) and Hachiman Shrine, then along scenic coast line of the Pacific to Hakone. Sightseeing boat ride across Lake Ashi, then by bus thru scenic Owakudani Valley seeing lots of sulfur water geysers, to mountain resort Hotel Fujiya for the night.

Tuesday morning bus via Ten Province Pass where we were supposed to view Mt. Fuji but the fog and haze prevented a good look at Atami station where we boarded the "Bullet Train" - fastest in the world, 145 MPH, computer controlled and arrives and departs on time within ten seconds of schedule, two minutes for passengers to unload, one minute for passengers to load. Caught up with our baggage at the Nagoya Castle Hotel, Nagoya is an industrial town and was completely flattened during World War II. It is completely re-built and is more modern than most with wide streets, etc. A "Welcome Dinner Party" at the Nagoya Miyako Hotel guests of Japan FTD members who were holding their annual convention there. Wed. Aug. 22 by Private

Express train to Toba visiting Mikimoto Pearl Island where we saw how to make cultured pearls and saw the maiden pearl divers in action. Lunch at Toba Hotel International then to Ise Grand Shrine, the most revered Shinto Shrine in Japan, en route a marvelous scenic view of Toba Bay from Ise-Shima Skyline Drive.

Return to Nagoya by train. Some of the group went up Nagoya River and saw the Cormorant Fishing-using trained birds to catch the fish. Thurs. Aug. 23, visited the Noritake Chinaware factory and other industries before leaving Nagoya on the "Bullet Train" again for Kyoto where we stayed at the Kyoto Royal Hotel. This is the cultural and religious center of Japan and this city was not bombed during the war. Friday, visited Kyoto Wholesale Florist, then sightseeing tour of this classic city visiting numerous shrines, Japanese gardens, etc. followed by a "Sukiyaki" dinner party with traditional Geisha girls entertaining (not Gish). We had to take off our shoes here and at numerous other places before entering, sat on the floor and ate from tables about 12 inches above the floor with chop sticks.

Sat. Aug 25, to Nara, ancient capital of Japan in the 8th century, by bus. En route visited Uji Byodoin Temple, the largest wooden structure in the world, housing the colossal bronze Buddha, Lantern Avenue at the Kasuga Shrine, and its Deer Park where hundreds of tame deer will eat from your hands. Sunday Aug. 26, by bus to Osaka, saw some of the Worlds Fair buildings, then by plane to Taipei, Taiwan (Formosa).

Arrived in Taipei about noon. President Hotel, toured city visiting National Palace Museum housing the rarest collection of Chinese arts in the world, Presidential Square, Lungshan Temple, the ornamental Confucius Shrine and theatre district. Monday, Aug. 27, bus tour of surrounding countryside with many steep mountainside farms on terraces, then tour of handicraft center and jade store. Evening at a restaurant for a Mongolian Bar-

becue dinner which was indescribably different. Tuesday Aug. 28, left Taipei via Singapore Airlines, stopped briefly in Hong Kong, then to Singapore and the Shangri-La Hotel which was the swankest hotel we stayed in on the whole trip. Called Elaine (Clayton) Potter, she and Doug picked us up at hotel, spent the balance of evening visiting with them and learning about Singapore. Wed., morning tour of city, waterfront, Esplanade, Tiger Balm Garden, millions of orchids and other tropical flora at the world famous Botanical Garden and the exquisite jade collection at the Jade House. Afternoon, Elaine showed us where she taught school last year and where she will teach this year, took us sightseeing and shopping. Evening, a Malayan Night at the famous Raffles Hotel including dinner and a variety of entertain-

ment including some dances you would have to see to believe. Thur. Aug. 30 was a day of leisure topped with dinner at the Potter home. This was the first real American meal we had eaten since leaving the USA and it was most enjoyable. Fri. we left early via Malayan Air Service for Hong Kong via Kuala Lumpur, the capital of Malaya. Arrived at the Excelsior Hotel in time for a Welcome Party at the "Top of the Town" on the 34th floor of the hotel. Sat. Sept. 1, bus tour of Hong Kong Island visiting Wan Chai Suzie Wong District, Another Tiger Balm Garden, ride on cable car tram to top of Victoria Peak (this tram has been in operation since 1885 with no accidents), famous Repulse Bay and Aberdeen Fishing village where thousands of fisherman

## Welcome To Memphis For The Annual Hall County Picnic

### And Birthday Celebration Saturday and Sunday

Everything is in readiness for the big crowd which will be in Memphis for this annual affair. Committee Members and individuals are to be commended for their efforts in preparing for the celebration, and for their work during the two big days which will end with the free barbecue in the City Park.

We are glad to join in observing this occasion. This bank met the early day needs of this area after it was established here in 1898, and 75 years later we continue to serve our trade area by meeting the challenge of changing times.

Our business goal is service. Service to every age, young and old alike, is our No. 1 product.

## Farmers Borrow Over \$1.4 Billion From FHA in '73

WASHINGTON—Family farm-billions from the Farmers Home Administration (FHA) during fiscal year 1973, enabling them to buy, improve and operate farms, and to restore farming operations disrupted by natural disasters.

Secretary of Agriculture Earl L. Butz announced today.

A total of 195,972 loans were made to farm families, more than double the number served a year ago. The \$1.4 billion of loans is a 73 percent increase for fiscal 1973 over the previous record amount of \$831.8 million advanced in fiscal 1972.

Loans made in cooperation with private lenders also greatly increased. In this program, FHA enlists the assistance of local commercial lenders to make part of

a loan for buying, developing or operating a farm. The Farmers Home Administration lends the balance necessary to complete the transaction.

During fiscal year 1973, private lenders provided nearly \$300 million to supplement FHA farm ownership loans and about \$188 million to supplement operating loans. By using outside credit in this manner, FHA was able to assist many more farmers than otherwise would have been possible. The net effect of this industry-government cooperation has been to make supplementary credit of nearly \$2 billion available to family farmers in fiscal 1973.

The need for emergency assistance was at an all-time high because of tropical storm "Agnes" lingering drouth in the southwest, flooding in the Mississippi Valley, and other natural disasters. Lending for emergency loans in fiscal 1973 totaled \$557.7 million—more than four times the amount loaned in any previous year. This money was used to help re-operations for more than 128,000 farmer-borrowers.

Original budget figures allocated \$350 million for the FHA operating loan program. In order to assist in efforts to bring more land into productivity, and partially to offset problems arising from natural disasters, additional funds were made available for operating purposes. With these funds, Farmers Home made loans of more than \$454.6 million to over 50,000 family farmers. Previously the largest amount loaned in any year was \$337 million in fiscal 1972.

These operating loans represent short term credit and are used to purchase farm equipment, lives-

tock, seed, fertilizer, and other items necessary to keep the farm running.

Under the farm ownership program, \$350 million had been allocated. Additional funds were put into this program also, enabling Farmers Home to make a total of \$408 million in loans to 15,492 families. These funds are used by borrowers to buy or improve farms, including farm buildings, refinance debts and increase income by developing non-farm enterprises. Fiscal 1973 saw the all-time high amount loaned in the program which has been in existence since 1938. The previous record was established in fiscal 1972, when \$355 million was loaned.

Mr. and Mrs. C. D. Bradshaw were in Brownwood over the past weekend to visit with their son, Ronald, who is a student at Howard-Fayne College and member of the football team. On Saturday evening, they enjoyed attending a football game.

Mrs. Lester Campbell was in Amarillo on Wednesday of last week to play in a golf tournament at the Tascos Country Club. Mrs. Campbell and a friend, Barbara Caldwell of Amarillo, won second place in the first flight. Fifty teams entered the tournament.

Mr. and Mrs. J. J. Cottrell and Mr. and Mrs. Jamie Cottrell and family of Eldorado, Ark., were recent visitors here with their aunts, Mrs. W. F. Ritchie and Mrs. D. B. Kennedy and Mr. Kennedy. They were en route to New Mexico on a vacation trip.

Mr. and Mrs. Holmes Posey were Amarillo visitors last Saturday.

Pabelo Reyes, student at Southwestern State College, Weatherford, Okla., visited here over the weekend with his parents.

**CARD OF THANKS**  
I want to express my sincere gratitude and appreciation to my friends and neighbors for the attention and love given to my children while I was in Dallas last week taking care of my daughter, Margie Austin, who was seriously ill in the hospital. May God bless you is my prayer.

families live their entire lives in the junks. Rest of the day was spent shopping and this was the first time I had seen anything like this. Wilma and I went to a tailor made shoes for her and I had hand made shoes for her. We were on Tuesday morning on a bus tour of the harbor thru (across) Hongkong and New Kowloon. We saw the Shek Kip Mei Estate where 45,000 people live in blocks of low income housing. We saw the Red China 700 year old walled city. We saw the Tin and up to the border. In the evening we had a "Farewell Party" which was the last time we were together.

Sept 3, some of our group went on the "Hydrofoil" tour to a Portuguese colony on the China Mainland where they were within a 100 yards of the Red border and had to be careful what they did and said. It is famous for its gambling casinos. Wilma and I spent the day shopping and visiting the Christian Childrens Far East headquarters where we visited with our "adopted" son, a small Chinese boy who attends High Rock Christian School.

In the evening the whole group went on a Harbor Cruise on a Chinese Junk and had Chinese dinner on the Tai Pak Floating Restaurant. Tue. Sept 4, we left Hong Kong at 4 P. M. on Japan Air Lines 747, stopped in Tokyo then on to Honolulu about noon and it was still Tuesday because we had re-crossed the International date line. Spent the afternoon shopping for the remainder of gifts for grandchildren in the largest shopping center in the world, dinner of fruit boats that are out of this world at Pier 7 in the Ilikii Hotel. Spent the night in the Waikiki Resort Hotel, left early for Los Angeles, rushed from Northwest Orient terminal to TWA in time to catch a plane for Albuquerque, flying time from L. A. to Albq. 1 hour 25 minutes. Visited and rested in Albq. until Friday and got back in time to see the Cyclones whip the Bucks Friday night.

Random summary notes: Tokyo is the second largest city (pop.) in the world (Shanghai China is the largest, which I didn't know), over 12 million people and growing. Yokohama joins it and has 6 million. Prices in Japan have gone up 25 percent per year for the last four years according to one man who has made all four tours. We didn't care much for Tiawan. Singapore is cleanest and most modern city but prices are highest there. All hotels were as good and better than the best in the USA. English language newspapers in all places with Watergate, Agnew and other USA news including baseball scores. Some English language radio and TV. Most people with whom we came

## National Democratic Party To Sponsor Telethon II Sept. 15

The longest prime time television broadcast in history will take place on September 15th, as National Democratic Party sponsors Democratic Telethon II.

With the theme of "America Goes Public," the fund raising event will be broadcast nationally over NBC affiliate stations from 6 p. m. to 1 a. m.

Numerous celebrities will appear during the Telethon, including Paul Anka, Ed Asner, Jim Backus, David Jansen, Rich Little, Bill Macy, Shirley McLaine, Jane Meadows, Barry Sullivan, Dick Van Dyke and Andy Williams.

Texas will have five, 5 minute segments during the telecast featuring Democrats from throughout the State. These will be broadcast to stations in Texas over a special network.

At the present time some of the Democrats set to appear on the Texas portions include Governor Dolph Briscoe, Lt. Gov. Bill Hobby, Attorney General John Hill, Land Commissioner Bob

Armstrong, Agricultural Commissioner John White, and State Senators Bill Braecklein, Oscar Mauzy and Ren Clower of Dallas, Tom Creighton of Mineral Wells, Lloyd Doggett of Austin, Jack Hightower of Vernon, Bill Meier of Eules, Peyton McKnight of Tyler, and Tati Santiesteban of El Paso.

The purpose of the Telethon, according to Gordon Wynne, Jr. of Wills Point, Co-Chairman of the Texas Telethon Committee, is to reform political fund raising procedures by offering Americans a real chance to take government out of the hands of special interests, to prove that Americans will finance the political system if given the opportunity, to interest and involve Americans in a political system they feel left out of, to help restore faith in the two party system by demonstrating that it works, and to build a sound base for upcoming campaigns.

Wynne also noted that the Democratic Party of Texas will receive half the funds raised in Texas in connection with the Telethon. "These contributions will help provide us with the funds we need to insure that the Democratic Party remains a viable force in the state," he said.

Governor Dolph Briscoe recently called the Telethon "a great step forward in bringing our political process back to the people. In the past too few Americans have had the opportunity to shoulder the financial burden of political campaigns," he noted. "The Democratic Telethon will offer them that opportunity—and give them a chance to strengthen our political process."

George L. Bristol of Dallas, Co. Chairman of the Texas Telethon Committee, said that there will be 316 telephones set up in Dallas and Houston the night of September 15, to take pledges from all over the state.

Up to the minute Texas totals will be broadcast by the 16 Texas stations during 5 minute segments originating from Dallas.

Last year's Telethon lasted 20 hours and raised \$4 million from 400,000 contributors.

This year's Telethon will be broadcast live from Los Angeles and is expected to reach an audi-

## DIAMONDS WERE IMPORTANT IN 1890

AND ...

## ARE IMPORTANT TODAY, TOO!

The modern jewelry store is a far cry from that in the early days of Hall County. But the demands of customers of today are similar to those of yester-years in that quality and dependability are a "must" in order to please.

It has been our pleasure to serve you in Memphis for a number of years and we trust you will continue to let us help with all your jewelry needs.

Come in and visit us while you are in Memphis attending the annual Hall County Picnic Saturday and Sunday.
