EDITORIAL

Beautify Memphis Project!

The City of Memphis has entered the "Beautify Texas Council's Governor's Awards Program" and to win in the population classification of 2.501 to 5.000 the local community will have to win out over 12other communities.

Communities entered include: West Clombia, Crane, Pittsburg, Wellington, Nocosa, Burnet, Memphis Ingleside, McCamey, Columbus, Eastland, Abernathy and Bastrop.

The Memphis Chamber of Commerce board of directors will be discussing the program at Monday's noon luncheon meeting as the chief item of discussion. What is the program and what are the assets involved is the subject of this editorial.

The Governor's Community Achievement Awards Program (GCAAP) is an opportunity for cities in Texas to develop a coordinated program for community improvement and beautification and at the same time compete for six beautiful cast aluminum plaques that are suitable for display in city hall, chamber of commerce or a city park. Any community would be pleased to win an award.

The organization which directs this awards program, the Beautify Texas Council, is an educational, non-profit corporation dedicated to a cleaner, more beautiful Texas.

All Texas cities and communities are eligible to compete for the six Governor's Community Achievement Awards, except the six winners the preceding year. To insure that cities only compete against other cities of comparative size, six identical awards are made by the Governor of the state to cities in the my wife. I would also be happy to completely unconscious and deathcategories. Memphis is in the second group, 2,501 to 5,000 quit picking her up.

An additional Award of Excellence will be given to the best of the six winners that has the best coordinated overall program for the year. Therefore, one city will be the proud owner of two awards and one city will be judged the "best in Texas."

Based on a summary statement for the fiscal year 1972-73, the Highway Department spent \$52 million on regular maintenance. This inludes ordinary repair work to shoulders, side approahes, roadside drainage and minor structures.

Also, \$58 million was spent for for traffic services. Examples in clude litter pickup, mowing, assistance to traffic in emergencies due to inclement weather and the maintenance of comfort stations

Upkeep of bridges and other structures over 20' long cost the department \$2 million. Cost of maintenance operations and materials are expected to continually increase.

"These are troubled times for highway maintenance people Scarcity of materials and resulting delays in delivery make maintenance work hard to plan and execute efficiently, so work is interrupted and delayed," said Castleberry.

"Our people literally are caught ers. n a two-way squeeze due to the energy crisis. The Highway Department's source of income for maintenance, as well as construction, is derived from fuel taxes.

"With the shortage of fuels, energy experts expect decreasing consumption and a corresponding drop in motor fuel tax revenues for highway construction & maintenance. Atalantean Club Meets Wed. Feb. 20 In Wilson Home

The Atalantean Club met for its regular meeting Wednesday afternoon, February 20, 1974 in the lovely home of Mrs Winfred Wilson, with Mrs. Bryant Adams as co-hostess.

Mrs. H. B. Estes, club president, called the meeting to order. Mrs. W C Dickey gave the invocation and the pledges to the flags were led by Mrs Tom Atkisson,

Mrs. Estes introduced the guest speaker, Mr. Jim Ed Wines, Chamber of Commerce manager. Mr. Wines and the Chamber have now done the ground work for consideration and proposed approval of expanding and improving Memphis City Park.

Mr. Wines had with him maps and blueprints of the complete outlay, and he gave a description of the project. The plan was given unanimous approval of the

Mr. Branigan had brought a display and he explained what each item was. The display included scales, unmounted diamonds of various sizes, mounted diamonds, of different grades from fine white to brown, pictures of famous diamonds, and diagrams of the different ways diamonds are cut. He said that diamonds were not know until aof all diamonds come from Africa.

He told how the formation starts working 16 miles underground and takes several thousand years to come to the surface through the eruption of valcanoes. Some mines are two miles deep. He went on to explain that nothing is wasted in working with diamonds, even the dust that is left after sawing is used to polish diamonds. From The Chamber Corner

Minature cotton bales are on are selling for \$2.00 each and the revenue from this project will be used to purchase an additional supply of Memphis bumper stickers. Bales may be purchased from Branigan Jewelry, Fowler Drug and Lockhart Pharmacy.

Anyone from out of town may Box 789, Memphis, Texas 79245, for your cotton bale and we will gladly mail you one for the same purchase price.

We received a letter from Dan Durham, a former resident who is now in Washington, D. C. with the United States Navy. Dan grew up in Memphis and graduated from M. H. S. and attended the Naval Academy in Indianapolis, Inch Dan is the son of the late N. W. We may gripe about the national or area postal service but the local service for Memphi is very good. The next time you see one of the men in our local postal office give him a thank you and pat on the back. Gene Lind sey, the postmaster for Memphis is a supporter and member of the Chamber of Commerce.

Hubert Dennis and his member ship committee have been hard at work. We have gained 20 new members this year and are getting close to the goal of a total membership list of 200 for the Memphis Chamber. We lack about 40 to reach this goal. Adding to the list of new members are Arnold Cruze, Gordon Maddox. Jr., CPA and Carroll Fowler of Lakeview We appreciate these fine men for their support and encourage others to join up. Abraham Lin-coln once said, "every man owes a community in which he lives a community in which he lives a

part of himself." Are you leaving a part of yourself to your community? Join the Memphis Chamber of Commerce and be a part of the action.

The chamber will meet this Monday at 12:00 noon at the De-Ville Restaurant, We will be in the back dining room and everysale now from the Chamber of one will order from the menu. All chamber of chamber members are invited to attend. We are encouraging especially the people who are interested in Beautify Memphis Committee and retail merchants to be present.
