## Charley Wines Services Held Wed. March 27

Services for Charley Wesley Wines, who died at 7:10 a.m. Monday in High Plains Baptist Hospital in Amarillo, were held at 2:30 p.m. Wed., March 27, 1974 in the First Baptist Church in Memphis. Rev. C. H. Murphy, Jr., and Rev. Darius McKay of Trinity Baptist Church in Wichita Falls, officiated.

Interment was in Fairview Cemetery under the direction of Spicer Funeral Home.

Mr. Wines, a retired farmer, was born Jan. 25, 1892 near Crafton in Wise County. He was married to Miss Mettie Ruth McKay at Park Springs, Texas on Oct. 25, 1914.

He moved to Hall County in 1925. He farmed in the Plaska area until his retirement in 1939, when he moved to Memphis.

Survivors include his wife; two daughters, Mrs. Walter Tyner of Memphis, and Mrs. J. H. Ramsey of Amarillo; three brothers, Jack and Harvey, both of Memphis, and Alph of Plainview; three sisters, Mrs. Martha Becker of Fort Worth, Mrs. Bertha McDaniels and Mrs. Ruth Musgrove, both of Quannah, and one grandchild.

Pall bearers were Gene Sasser, Gene Hearns, Wendell Harrison, Jay Nunnally, W. W. Martin, Roy Richardson, Robert Hanvey and Hub Holt.

Honorary pall bearers were Vernon Sasser, Paul Morris, Paul Blevins, T. B. Rogers, M. E. McNally, Vernon Fowler, Ernest Kilgore, John Burnett, L. G. Rasco, James Pepper, Dr. Robert Clark, Dow Johnson, William Bishop, J. J. McDaniel, Leonard Wilson, E. E. Foster, L. L. Stanford, Roy Rea, Rex Rea, and Johnny Brewer.

## Farmers Union To Meet Friday Night

The Farmer's Union Family Night will be held Friday, March 29, at 7:00 p. m. in the Community Center.

A covered dish supper will be served, so bring the family and enjoy the food, games, and entertainment.

The Union will also hold an election of officers.

## Dr. Enid Bates To Give Program On Puppets To Hall County TSTA

A puppet is more than a children's toy—the delight it elicits when imitating human speech, gestures and other qualities makes it an ideal tool for instruction.

"Puppetry, A Vehicle for Learning" will be presented April 1, at the Hall County United meeting of the Texas State Teachers Association at Valley High School, Turkey-Quitque.

Presenting the lecture is Dr. Enid Bates, professor of elementary education at West Texas State University, at the 7 p. m. dinner meeting.

Dr. Bates will discuss puppetry as a means of providing enjoyment, literature enrichment, the development of oral language, speech correction, self-concept enhancement and values clarification from kindergarten to grade 12.

## Lakeview Exes Homecoming To Be Held Apr. 13

Plans have now been completed for the Lakeview Ex-Student and E-Teachers Homecoming to be held on April 13, 1974 in the grade school auditorium at Lakeview, Texas.

Activities will begin with registration at 2:00 p. m. A fee of .50c will be charged for registration. Immediately following registration the afternoon session will begin. This session will include entertainment, a business meeting, and class reunions. The (Continued on Page 12)

# City Of Memphis To Begin Refuse Collection Charge

REV. CLIFTON IGO

GUY ELLIOTT

## Revival Services To Start Sunday At Travis Baptist Church in Memphis

Rev. Wilburn Coffman, Pastor of Travis Baptist Church said that Sunday morning services saw many people committing themselves to the Lord as the week's preparation for Revival Services began. Services as scheduled for March 31, through April 7.

The Rev. Clifton Igo, pastor of College Ave Baptist Church, Lubbock, will be the Evangelist. He has pastored in Lamesa, Texas, Colorado Springs, Colo., and for the past two years in Lubbock.

Rev. Igo will preach at the noon services, 11:50 to 12:45, Monday through Friday, each week night at 7:30 p. m. and on Sundays, 11 a. m. and 7 p. m.

Mr. Guy Elliott, also of Lubbock, will be leading the (Ole Time) Gospel Singing. On Saturday night at 7:30 p. m. he will lead in a Festival of Sacred Music.

Schedule of events include: Sunday night is sensitivity Sunday; Monday night is Sunday school flock night; Tuesday night is Sunshine Sensations (hot dog supper for boys and girls 1-6 grades); Wednesday night Patriotic Night, City officials invited, dress is red, white and blue; Thursday night is fantastic fri-

ends night; Friday night is Jesus celebration night (youth night) with "Ocedit Program" following, sandwiches, Cokes, chips after services; Saturday night festival of sacred music.

Sunday, April 7, the church wants to break all attendance records, Rev. Coffman said.

"We have a goal of having 228 in Sunday School and 228 Bibles in our midst," Rev. Coffman said of the Super Score Sunday.

"Everyone is invited, come, bring your family and your Bibles. Bus services is available by calling 259-2656 by 6 p. m. Nursery is open for all services," Rev. Coffman said.

The City of Memphis will begin their billing under the Refuse Collection Ordinance No. 461 the first of next week, which is three months later than originally planned by the City Council.

Due to the fact that much of the city had not received the refuse containers by Jan. 1, 1974, the City decided to not begin the charge until all the containers were in use. This has now been accomplished.

Since it is three months late, residential customers are being allowed to pay a fee of \$18.75 instead of the normal annual fee of \$25.00. Resident dwellers can pay \$2.50 each month instead of the annual fee if they so desire.

Business firms will be billed on a monthly basis as no annual fee has been established by the City Council. Those businesses who have solid waste which it too large to place in containers (large cardboard boxes, etc.) will be allowed to haul these to the dump ground without paying the regular rate fee at the City Dump Ground.

A gate fee will go into effect April 8, which will include \$.50 for pickup size loads and \$1 for flat bed truck or 4-wheel trailer loads. The gate will be open Monday through Friday from 3 to 5 p. m. and Saturday from 10 to 12 noon. All other hours, the Dump Ground gate will be locked.

The controls at the City Dump Ground were made necessary due to Federal Regulations covering municipal land fills.

An attendant will be on duty at the City Dump Ground during the hours the gate is open. Correct change should be dropped into a metal container, and no change will be made for those who do not have the correct change. The attendant will direct where dump loads should be unloaded.

Also, there will be no scavenging allowed at the city dump ground.

# Atalantean Style Show To Be Friday, April 5

"Meet Me in The Park" is the theme for this year's dinner and

style show sponsored by the Atalantean Club.

The show will be April 5 at 7:30 p. m. in the community center, and is the highlight of the club year.

Tickets are now on sale, \$3.50 per person, until April 1 or 2 and can be bought from any Atalantean Club member.

Models for the show are: Wilma Voyles, Kathy Hall, Tammy Lockhart, Jamie Moss, Boycena Bruce, Ann Farnsworth, Pat Yarbrough, Susan Godfrey, Shell Thompson, Mike Murphy, Sonya Thompson, Kim Wynn, Jo Ann Crawford, Sondra Elen, Susan Wolfe, Sydney Johnson, and Mark McQueen.

The latest Spring and Summer fashions will be shown by local retail merchants.

Make your plans now to attend. All proceeds will go to helping the city parks project.

## Lakeview To Organize 4-H Horse Club

A meeting to organize a 4-H Horse Club for the Lakeview area will be held in the Lakeview School Auditorium at 8:00 p. m. April 1.

All boys, girls and their parents who are interested in organizing an active 4-H Horse club are invited to attend. Leaders are needed for the organization.

**BOSS OF THE YEAR**—Pictured above (right) is Jack Scott, City of Memphis Tax Assessor Collector, who was selected "Boss of the Year" by the Memphis B&PW Club. The election was made Thursday night at the Annual Bosses Banquet. B&PW President (left) and Nell Messer, Tax Office Secretary, who nominated Scott for the honor.

# Memphis Athletes To Go To Amarillo Relays Fri.

The Memphis High School Track, and Golf teams will be competing in the Amarillo Relays, 501 Division, Friday and Saturday, April 5 and 6, at Amarillo, Texas. Most of the competition will take place Friday.

Memphis golfers hosted a tournament at McLean today, and on their home course, the golfers scored a very respectable score.

David Cofer and Matt Monzinger scored 74s, Ronnie and a 75, Phillips Bray and Don Cofer a 77. If Memphis golfers can score as well in the Amarillo course they will be able to prove they are contenders for an Amarillo championship.

Golfers are expecting a stiff competition from the Chisholm boys in their division at Amarillo and there will be several other teams in the meet.

Cofer has hopes of seeing Memphis sweep district, and do well at Region. A trip to Amarillo for the Class A state final is a dream of these young men

who have dedicated long hours to the sport.

Memphis tennis players making the Amarillo trip include: Janet McNally and Jamie Moss, girls doubles (1st team); Cynthia Collier and Sydney Johnson, girls doubles (2nd team); Karyn Smith and Jana Davis, girls singles; Audie Moore and Ted Phillips, boys doubles; Ed Hutcherson, Dick Hutcherson and David Collins, boys singles.

Carol Blain and Mrs. Winnie Floyd are working with the tennis team. The girls were engaged in a match with Wellington girls at the local courts yesterday.

Eight grade Tim Nelson won boys singles in the Freshman Division at Vernon last weekend (with finals Monday) Others entered in the freshman division were Tracy Galloway, Audrey Phillips and the doubles team of Susan Elliott and Tammy Lockhart.

**Track Team**  
The Memphis trackmen will go

# Memphis Band Comes Close To Year's Goal

The Memphis Cyclone Band that Thursday in Panhandle, came within one judges choice of making a Sweepstakes, capturing a Division I rating in Concert but setting a Div. II marking in Sight Singing.

The sight reading saw one judge rank his comment sheet a 1, but two others judged the performance a Div. II and the majority rules in the three judge contest.

Of the two judges making Div. I ranking on the sight reading, one was a former Memphis band conductor, Bill Bradley, now in Big Spring. The other was Hiram H. Henry of Lamar Tech.

Bradley said, "I like your spirit, enthusiasm, interest, fine appearance and discipline." Bill Bradley said, "Good instructions, now play the music and you will be successful."

Bradley said, "I like your spirit, enthusiasm, interest, fine appearance and discipline." Bill Bradley said, "Good instructions, now play the music and you will be successful."

Bradley said, "I like your spirit, enthusiasm, interest, fine appearance and discipline." Bill Bradley said, "Good instructions, now play the music and you will be successful."

Southwestern State Judges and a Div. III from Oklahoma State Uni. judge.

Jurors from Southwestern said "This is such a difficult number to perform. Really dig on balance and pitch, some nice band sounds here. You have the correct idea to a band sound and are getting some fine effects. You have handled the problems well and have given us a musical performance. This group knows what they are doing, congratulations."

Paul Fry of Southwestern said, "Nice alto sax solo. Group plays very musically. Well rehearsed band, good precision and generally good pitch. Really a good band."

Hiram H. Henry of OSU said, "Listen to each other more for unison tuning and to other instruments playing same note on melodic line. Be more conscious of accents and spaced style of playing when accents involved."

The Memphis Band under Carol Blain had hopes of a Sweepstakes, a Div. I rating in all three contests, marching, sight reading and concert, and to come so close was naturally a disappointment for the group.

Upcoming is the band banquet the first Saturday in April.

**GIRL SCOUT BANQUET**—Pictured above, Mrs. Robert Breedlove, Memphis Neighborhood Chairman, is shown as she introduces guests at the Annual Girls Scout Banquet held here recently. On the left is Mr. and Mrs. George Berry and on the right is Mr. and Mrs. Leon Davis. Berry and Davis are members of the Official Board of Quivira Girls Scout Council. Mrs. Elmont Branigan served as Master of Ceremonies for the occasion.

# Over 1,000 Athletes Compete Here In Junior Division Meet

WILL COMBS was "skin blistering" on Friday and about eighth and ninth grades from over 20 schools in Memphis competing in the junior portion of the two-day track meet.

But Saturday morning, even though many of these same schools brought their varsity boys over for the big meet, weather was so cold that the visiting coaches voted unanimously to call off the meet.

Coach Clyde McMurray said, "We first decided to dispense with preliminaries and shorten the meet, using times to determine but then, the weather got even colder so the coaches were called together and took a vote."

Even though the varsity meet was cancelled, the Track Meet was considered a huge success.

The Cyclone Mothers Club which handled the concession stand, sold out of everything they had planned on selling during both days of the meet, it was reported.

With 1,000 youngsters at the meet, plus interested parents, etc., there was a sea of humanity here Friday.

To make the Junior Meet even more interesting, competition in

all three divisions was keen. Many races saw as many as five heats run off in each division, and for any school to capture a point in the meet was a major accomplishment.

Giving the stiffest competition were the large schools, Vernon, as school which had 70 athletes here, and Tulia, with Childress, Shamrock, Memphis, White Deer, Quana, and Paducah all having large groups.

### Memphis Teams

The Memphis 7th graders took third place in their division capturing 63 and three-quarters pts. behind second place Tulia with 96 and a half and Vernon with 113, and the performance of these 7th graders earned the praises of all the local coaches.

Coach Roland Murray, who works with this team, cited the individual performance of Kirk Fields, who won the 220-yd. dash with a time of 26.0, took second place in the long jump and ran an outstanding anchor leg in the 1320 relay.

After teammates Yayo Salinas, Gary Ferguson and Woodrow Richardson had run their legs in the relay, the baton came to Fields, and he was trailing 50 yds. and back in the pack in the heat. Fields made up most of the distance and placed second in the heat, giving the Memphis team third place.

The 7th graders 440 relay team

of Donald Matthews, Gary Ferguson, Terry Allard and Kirk Fields also placed third. Yayo Salinas placed third in the grueling 660 for another good individual effort.

"I was real proud of our 7th graders for placing third especially considering the competition they were facing," Coach Clyde McMurray said.

The Memphis 8th graders made a good showing in their division placing sixth with 37 and a half points.

Coach Jimmy Pope, who works with this group, cited the sprint relay of Cody Williams, Rodney Hall, Randy Shahan and Joe Foster for placing third in their event with a time of 50.9.

Shamrock placed first with 93 and a half, Vernon was second with 76 and a half, Tulia third with 68, Paducah fourth with 46 and White Deer fifth with 45.

The Memphis freshmen captured 20 and a half points and finished well back in the pack.

"We were pleased with our 8th graders and freshmen for capturing the points they did," Coach McMurray said.

### Volunteers Cited

Coach McMurray issued a special thank you to several volunteers who helped make the meet such a success.

Timers Danny Scarbrough, Joe Bob Browning, Larry Rogers, C. H. Murphy, Jr., James Floyd and J. H. Jackson, Jr., Lakeview Supt. of Schools, were given a special

"thank you". High School students who kept records including Jay Campbell, Wayne Davis, Shari Posey and Debbie Combs were cited for their work.

"Our coaches, Pope, Murray and Berry, and C. D. Bradshaw and Neal Hindman, put in a hard days work," Coach McMurray said.

T. O. Pounds and A. O. Carroll did a lot of extra work preparing the track for the meet.

### Dual Meet

Memphis and Childress varsity squads meet Monday in a dual meet which Memphis won, Coach Berry said.

Some of the highlights of this matchup for Memphis were: 45.3 for the 440 relay (Alexander, Don Davis, Spruill and Beck); Jimmy Melton 10.4 in the 100-yd. dash and 24.1 in the 220; Ricky

Douthit 41.6 in the 330 Int. hurdles, and 2:06.0 in the 880. Jay Campbell a 2:08.7 in the 880; James Beck 51.4 in the 440 and Bobby Hall 15.8 in the high hurdles.

Mrs. R. E. Clark was in Waco over the past weekend were she visited with her grandson, Bobby Clark, who is a student at Baylor University.

## EDITORIAL

### Footsteps In the Right Direction!

It is becoming increasingly difficult to keep up with everything that is going on in the world today. At the State Capital, the new constitution for Texas is taking shape, in Washington, D. C., the nation's capital, many topics crowd the newspapers, and internationally, things are even more complex.

However, there are some things which should please us buried in the middle of all these things. We may not like some of the effects certain things have on our lives, but we must, never the less, accept the bad and the good.

Consider the Senate's passage of the budget reform bill by an 80-0 vote. The U. S. Senate agreed unanimously on the legislation, and its high time the House and Senate got together on budget reform legislation.

The bill passed by the Senate, is like a bill passed by the House, which will draw up new procedures in budgeting. Congress for the first time would be able to act on the budget intelligently and wisely.

We dare to guess that this legislation will not please the Chief Executive, for it would require Congress to adopt its own budget each year, setting its own priorities as opposed to what the President recommends. Then there are procedures seeking to guarantee it lives within its budget.

The push for the legislation has come from ever-deepening frustration felt by most legislators in dealing with spending issues in recent years. The frustration has been fed by the fact that there have been deficits in 16 of the last 20 years, that about 75 per cent of the budget now is considered uncontrollable, that the federal debt has increased \$200 billion in the last 20 years with \$1100 billion of this in the last few years, and that inflation has steadily eroded the value of the dollar.

We think this is footsteps in the right direction for this nation.

Secondly, the Arab Oil embargo has been lifted. Americans will be able to get more fuel for personal, business and industrial purposes. But, it is going to cost each of us a lot more.

Several T. V. specials have been run on the "Energy Crisis", many national leaders have made statements. The oil industry has been questioned, and citizens have all kinds of opinions about the whole situation.

Putting all this aside, however, let's consider one fact that all agree upon. Each man, woman and child in the United States today is a greater user of energy than any other individual in the world since time began. All the other nations of the world also have increased their energy demands.

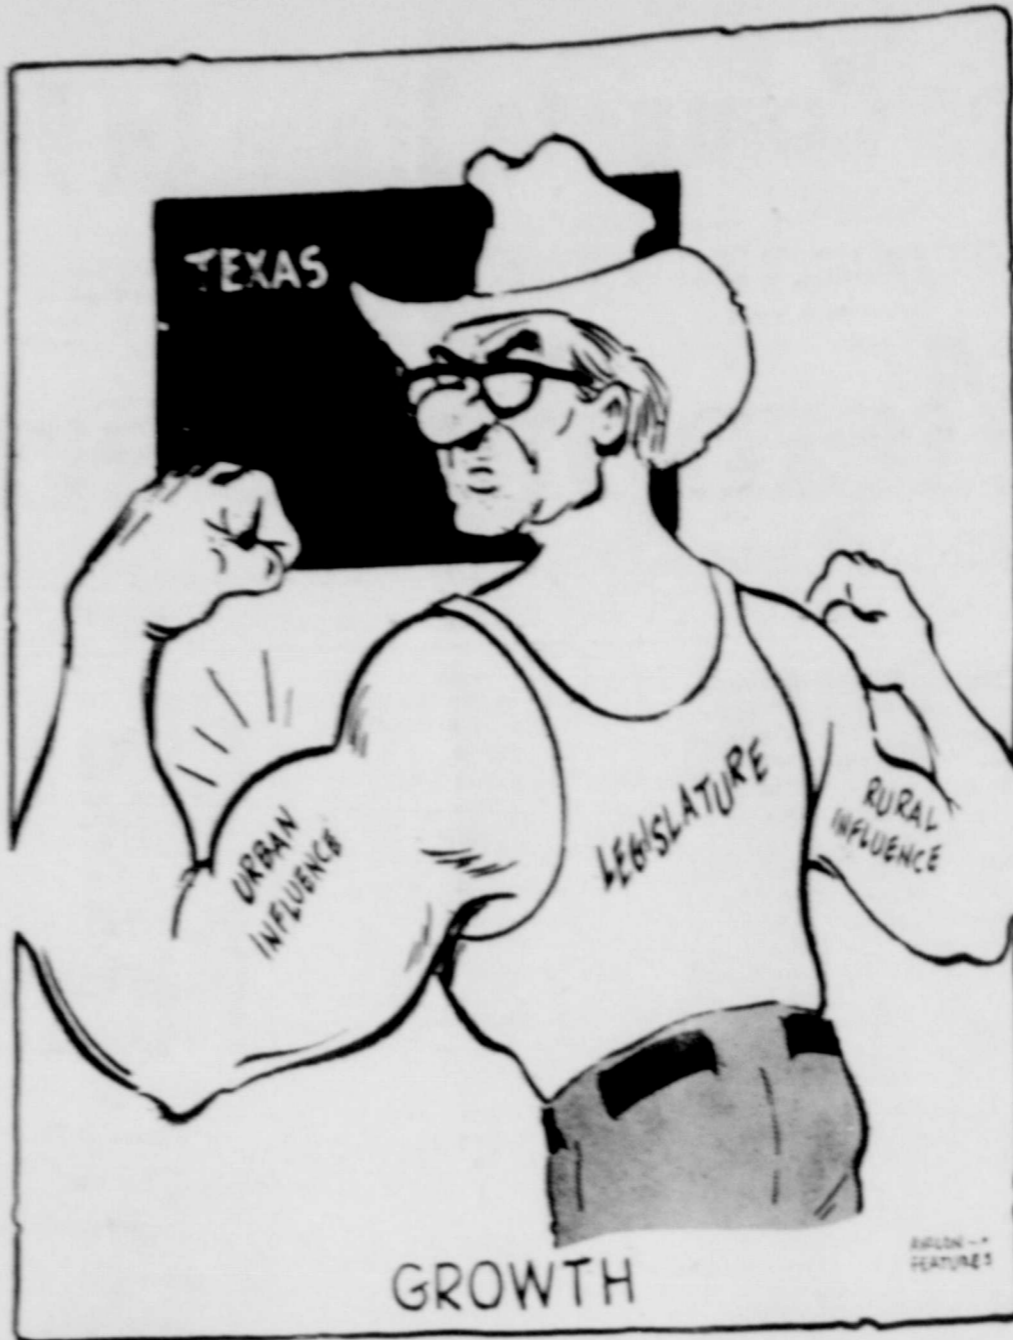

A shortage was bound to hit sometime. It was predicted back in the 1950s, came to the attention of our national leaders in the 1960s, but generally, nothing much was done about the problem. Europe was paying much higher prices for gasoline in the 1960s than was the United States.

Consider these facts. In a typical March week this year, Americans used 6.5 million barrels daily. A barrel contains 42 gallons. Government estimates show that, with no limits on supply, use during that week would have averaged 6.8 million barrels. During the comparable week a year ago, consumption averaged 6.2 million barrels each day. Americans have been increasing their use of oil at a rate of 6 to 7 per cent a year.

Some are predicting that gasoline prices will climb to \$.75 per gallon in the U. S. by this summer. If Americans can't afford those prices, then they may have to stop traveling so much. It had to stop somewhere, sometime. The fuel shortage is here to stay and each of us should plan our lives accordingly.

## FIELD MAN NEEDED

Established large Texas cannery needs local representative in your county to contact growers about planting Southern Peas to be combined for our company. Complete program available for growers—seed, farming technology and contract for produce. Must be well-known in agricultural circles. Knowledge of pea farming would be very helpful. Work would be mainly during period just prior to planting of early Spring and Fall pea crops, so we need someone who could start immediately. Call collect for full information. Mr. Bob Orr, 214-592-6571 or 593-6656.

## ACROSS THE DESK

What Other Editors Say

### These Printed Words

One of the problems with the printed word is that it can be read and reread . . . and reread at the most opportune (or inopportune, depending on the point of view) times. It is a problem of which all newspaper editorialists, and others who write for the printed media, must be continuously aware, for the possibility always exists that we may be confronted with our carefully preserved words at some future time.

It is this awareness that must have inspired that often-quoted "editor's prayer," whose author is to us unknown: "Lord, make all my words soft and sweet, for tomorrow I may have to eat them."

It is an awareness which should be shared, also, by all those public speakers whose stature is

sufficient that a record may be kept of their utterances . . . and especially by prominent politicians. Here is an example which has recently been resurrected and displayed in the public print:

"This Administration has proved that it is utterly incapable of cleaning out the corruption which has completely eroded it and re-establishing the confidence and faith of the people in the morality and honesty of their government employees. The investigations which have been conducted to date . . . have only scratched the surface. For every case which is exposed, there are ten which are successfully covered up even then this Administration will go down in history as the 'scandal-a-day Administration.'"

"It is typical of the moral standards of the Administration

that when they are caught red-handed with pay-off money in their bank accounts the best defense they can give is that they won the money in a poker game, a crap game, or by hitting the daily double.

"A new class of royalty has been created in the United States and its princes of privileges and pay-offs include the racketeers who get concessions on their income tax cases, the insiders who get favorite treatment on government contracts, the influence peddlers with keys to the White House, the government employee who uses his position to feather his nest. The great tragedy, however, is not that corruption exists but that it is defended and condoned by the President and other high Administrative officials. We have had corruption defended by those in high places. If they won't recognize or admit that corruption exists, how can we expect them to clean it up!"

The speaker was then-Senator Richard M. Nixon, in a spirited denunciation of the Truman Administration at the Hotel Statler in Boston on November 13, 1951.

—The Canadian Record

### B&PW Club Has Annual Bosses Banquet Mar. 21

The Memphis B & P.W. Club had their annual Bosses' Banquet, Thursday night, March 21, 1974 honoring their bosses. Mr. Jack Scott, City Tax Collector & Assessor, was selected "Boss of the Year".

President Sylvia Alewine presided and the theme was "Big Chief Pow Wow" with Mr. and Mrs. Elmont Branigan showing their film on the Indian Customs and Ruins in Colorado.

Mr. Jerald Rapp furnished music for the evening and Minister Tom Posey gave the invocation.

There were approximately sixty members and guests present. Mrs. Mike Branigan was Program Chairman and Miss Juana Reyes presided at the punch bowl.

Shots that I thought I would get credit for on my income tax, and I made a suggestion that I would take a fair price for the same to pay on the tax; but Bill Cosby frowned on this and said I would be getting into more trouble than some other people that had tried this route. I found out they were of no value for tax exemptions.

with 2 Clarendon Saturday, whom we "timers". One was the first moved to in 1921, where he bank deposit 53 they are still tak- checks he writes. of our friend, Bill,

with Mike when the baby was born, as he fainted and passed out for a time, but he has now recovered and has started spoiling this young daughter.

"Let your light shine", is what I noticed about our bicycle riding Methodist Pastor, Rev. Tommy Nelson. I met him coming up main street a few days ago and I thought he had a light or reflector above his head, but as I came a little closer to him I found out that it was the reflection of the sun on a certain spot of his head that was a little bare. The word bare makes me think of the 28 degree weather last Saturday which will leave our fruit trees bare this year, and they will be "Streaker Trees" for the year of 1974. They will still have their leaves for cover and for modesty.

I visited with Mrs. Abe Anisman last week. The Anismans operated the "Popular Department Store" for a number of years, and have now retired in Fort Worth where their son Sheldon is an attorney. Mrs. Anisman reported that Sheldon and his friend brought an old tractor and have started in the fruit business, they put out 18 different kinds of trees. They have now started on a vegetable garden. I hope they start packing and shipping their products from the soil and help inflation some. There should be a good demand for his fig leaves.

I had several copies of the Memphis Democrat with B. B.

Many of us do not realize how smart the average filling station man has to be now-a-days to make a living. He has to be a Capitalist, an all-round auto mechanic, a purchasing agent, marketing manager, a personnel manager, a bit of a psychiatrist, to both customers and employees, and a janitor, and like in every other small business, you have to be your own expert in everything and you better be right more often than wrong. These qualifications were given by a filling station operator in last Sunday's Daily Paper.

An article I read a few days ago in our daily paper had the heading, "Students Distrust Officials". Honesty apparently is the best policy for everyone to practice unless one is a public official. At least high school students think dishonesty is part of the life style of the Public officials. A new survey shows the majority of high school students think public officials are dishonest in some way. That is the opinion of 88% of the 74 thousand polled in this Watergate era. The students represented a scientific cross section of the Nation's high school population. The survey was run by Scholastic Magazine's National Institute of Student Public Opinion.

Watergate has caused a lot of distrust in adults as well as youngsters. We need to get (Continued on Page 9)

### Hall Countians Pay \$4,762,000 In Federal Taxes

NEW YORK — To what extent will Hall County residents be enriching the Federal coffers, come April 15th, through their income tax payments?

The government counts on their contributions being larger than they were last year, when local returns of personal income and employment taxes were close to \$4,177,000.

That is the approximate amount that was turned in locally, based upon an unofficial breakdown of the statewide collection figures released by the Internal Revenue Service.

From the State of Texas as a whole, Uncle Sam received over \$8,354,000,000 last year, the IRS figures show. Of this total, taxpayers in Hall County paid an estimated 0.05 percent.

The returns generally are expected to be bigger this year because of the wage gains chalked up by most families in 1973 and because more people were employed nationally than in 1972.

As a result, the budget submitted by the Administration looks for personal income and employment taxes to yield a record \$392 billion this year.

That is \$24.8 billion more than in 1973, when the tax haul was \$177.2 billion.

Local taxpayers will be shouldering their full share of this increase, it is expected, reflecting the higher level of income in the area in the past year.

On that basis, the Hall County collection next month will come to approximately \$4,762,000, it is calculated.

The Administration's new budget, for the fiscal year that begins in July, 1974, calls for bigger income tax receipts next year than ever before, although the rates will remain the same.

It is based upon the expectation that personal income, nationally, will continue on its upward course and will reach new heights.

The budget anticipates \$210 billion next year in personal income and employment taxes, an increase of \$18 billion over the current level.

For the local population to produce its proportionate share of this addition, total earnings in the area will have to rise by about 3.0 percent.

### Energy Consumer By Local Family Averages \$743

NEW YORK, Mar. 9 — How much have Hall County residents been spending annually for the energy needed to keep the house warm, the lights lit and the car running?

Very few of them ever bothered to figure up the total. They were aware that these costs kept going up each year, as did everything else, but felt that the increases were not out of line.

Now, however, they are doing the figuring. Because of the energy shortage and the resultant surge in the prices charged for gasoline, fuel oil, natural gas and the like, their budgets have been thrown out of whack.

Some help in determining what the average family spends per year for the energy to run its home and operate its car is provided by the Citizens' Advisory Committee on Environmental Quality, a Federal agency.

In Hall County, on the basis of its general findings, these bills amounted to approximately \$743 per family in the past fiscal year. For some families it was more than this and for others, less.

Nearly half of it, an average of \$345 per household, went for gasoline for the car, the report states. For the local area as a whole, it came to \$728,000.

The second biggest expenditure last year was for the energy used for space heating and for water heating. It averaged \$214 per household.

Other operating outlays listed include \$76 for major electrical appliances and \$46 for air conditioning in homes so equipped. The other costs were for cooking and miscellaneous.

Assuming that the energy rates in Hall County are similar to those in most other parts of the country, the 2,110 local families had bills of approximately \$1,568,000 to meet in the year.

Translating the various kinds of energy that are used—natural gas, electricity, oil and coal—into equivalent amounts of gasoline, the survey finds that the average family consumed 1,270 gallons of gasoline, or its equivalent, in the past year.

In Hall County, on that basis, home fuel consumption represented some 4,790,000 gallons of gasoline.

## LEGAL NOTICE

### Pork Referendum and Producer Board Election

Being certified by the Commissioner of Agriculture of the State of Texas for this purpose, the Texas Pork Producers Association, 2622 Tule, Sherman, Texas 75086, proposes a referendum election on May 14, 1974 under provisions of Article 15c, Vernon's Civil Statutes, on the proposition of whether or not the pork producers in the State of Texas shall assess themselves a maximum amount of 30 cents per head on all slaughter animals to be collected at the point of first processing or sale and to elect members of a 15 member commodity producers board to administer proceeds of such assessment to be used for research, produce control, disease and insect control, education, and promotion designed to encourage the production, marketing, and use of pork.

The referendum and election will be held by mail ballot which will be provided to all eligible voters not later than 15 days prior to the election. Ballots

must be mailed to the polling place at Sherman, Texas before midnight on the date of the election.

Any person within this state engaged in the business of producing, or causing to be produced, slaughter hogs for commercial purposes is eligible to vote, including owners of farms and their tenants and sharecroppers, if such person would be required to pay the assessment proposed.

Any person qualified to vote at the referendum may place his name in nomination for membership on the proposed commodity producers board by application in the above organization signed by himself and at least ten other persons eligible to vote in the referendum. Such applications must be filed at least 30 days prior to the election date.

Any person qualified to vote who does not receive a ballot prior to April 20, 1974 may obtain one at his local County Agent's Office.

Let's Talk Memphis!

### Taxes Rise Sharply Over 10-year Period

NEW YORK, Feb. 23 — How often has the average worker in Hall County thought, as he picked up his weekly paycheck: "Boy, oh boy, if only I had the money that Uncle Sam took out of it."

Just how much is being taken out these days? How much would the average local family have accumulated in the past 10 years if there had been no deductions for Federal income and Social Security taxes?

Some calculations along this line have been made by the Tax Foundation, the non-profit research organization.

It finds that these two taxes, combined, have grown so fast that they now take 80 percent more per family than they did in 1963.

With state and local taxes also on the rise, the net result is that the average American has to put in 2 hours and 39 minutes of each working day to pay his tax bills.

During the past year, the first 121 days went for that purpose. Not until May 2nd had he earned enough for his 1973 taxes.

On the other hand, most Hall County residents have seen their earnings rise sharply in recent years.

Much of that added money never reached them, however, because the larger incomes, coupled with mounting taxes, resulted in larger payroll deductions.

In the 10-year period the average family in the local area had total earnings, before taxes, of approximately \$58,100, according to the annual reports.

Some \$7,950 of this total went for Federal income and social insurance taxes.

PARALLEL TERRACING—Pictured above, Ed Foxhall and David Seitz examine a wall of parallel terraces, 35,000 feet of standard terracing, at Foxhall Farm. Ed Foxhall has just completed a diversion terraces and has shaped a grassed waterway on the farm located 4 miles west of Memphis. David Seitz, Soil Conservation Service, reports Foxhall entered the Great Plains Conservation Program in 1973 and is seeding about 80 acres of native grass in the area.

This was only part of the tax burden, however. It was the visible part. In addition, there were the so-called hidden taxes, such as the excise levies on cars, gas, liquor, tobacco telephones and the like.

The Tax Foundation found that if these and other taxes on to consumers were added up, it would be the government collecting that manner for every dollar that enters via the visible

### U. D. C. Meets With Mrs. R. E. Clark Mar. 12

Members of the Winnie Davis Chapter of the United Daughters of the Confederacy met March 12, in the home of Mrs. R. E. Clark. Mrs. Roy Gresham, president, presided during the business session, and the District Convention to be held in Odessa April 17, was discussed.

Mrs. Glynn Thompson introduced the program. Mrs. Herbie Norman brought the meditation, and Mrs. Nat Bradley gave highlights of the book, "True Tales of The Confederacy". These true accounts of life in the South have been handed down to us through letters exchanged by the soldiers and their families during the conflict.

Delicious refreshments were served to: Meses. Theo. Swift, Roy Gresham, Emma Baskerville, Herbie Norman, Glynn Thompson, Nat Bradley, Miss Sybil Gurley, and the hostess, Mrs. R. E. Clark. The meeting for April 9, will be with Mrs. Emma Baskerville instead of with Mrs. Theo Swift as scheduled.

### Hall Co. Men Attend Membership Drive In Minn.

Two Hall County men were flown to Minnesota recently for a membership drive for the Farmers Union.

Ivan Knox and Virgil Blakney were the two men who went to represent Hall County.

Mr. Blakney said that almost everyone there already belonged to the Farmer's Union, but they really enjoyed the 4 day drive. They were graciously welcomed by the people of Minnesota and saw some beautiful country and Dairy farms while there.

### Atalantean Club Meets In Davis Home March 20

The Atalantean Club met on March 20, in the home of Mrs. James Davis. Plans were completed for the upcoming style show. Mrs. Gertrude Kaseo brought a report on the District Convention held in Burkburnett. She said the convention was interesting, entertaining and informative and that everyone had a wonderful time.

The Atalantean Club was one of the three clubs in Memphis to receive a first place on their yearbook. The club is proud of the work done by all those involved in the yearbook especially Nita Murphy who was head of the committee.

Following her report, Nita Murphy gave a program on Americanism.

Refreshments were then served to the following members: Meses. James Davis, W. G. Dickey, Bob Dought, H. B. Estes, Henry Foster Jr., Imogene King, CH. Murphy Jr., Dub Parker, Robert Swanson, Jerry Shields, Robert Spicer, Glynn Thompson, Windford Wilson, Tom Atkinson, Larry Parke, and Gertrude Kaseo.

### Mrs. R. S. Greene Is Hostess To Harmony Club

The Harmony Club met in the home of Mrs. R. S. Greene Wednesday, March 13.

Mrs. Bray Cook, President, presided during a short business meeting.

Mrs. D. L. C. Kinard brought an inspirational devotional.

Eula McElrath reviewed the story of the life of the composer John W. Marsh, who wrote the words and music of "Texas Our Texas", the state song.

Mrs. Bill Wood, accompanied by Mrs. Bray Cook, sang "Texas Bluebonnets", by Julia D. Owen. Delicious refreshments were served to Meses. D. L. C. Kinard, Bray Cook, Bill Wood, Miss Eula McElrath, and the hostess, Mrs. R. S. Greene.

### Tommy Lockhart, Lynn Ralston Exchange Vows

Lynn Ralston, daughter of Mrs. James J. Ralston and the late Mr. Ralston of 1405 N. Nix in Amarillo, became the bride of Tommy Lockhart, son of Mr. and Mrs. G. W. Lockhart of Memphis, on March 13, 1974.

Vows were exchanged in Amarillo.

The couple will make their home in Memphis where Tommy is engaged in farming.

### Delphian Club Meets Tuesday

The Delphian Club met at the Bronze Room on March 19th with the President, Mrs. Kenneth Dale, as hostess. The meeting was called to order by the members reciting the Pledge of Allegiance to the American flag.

Mrs. Sweet gave a very interesting account of her trip to the Convention of the Federation of Women's Clubs which was held in Burkburnett. She was accompanied to the convention by Mrs. W. C. Dickey and Mrs. John Deaver II. Mrs. Deaver presented the awards earned by our local chapter at the convention.

At the conclusion of the business meeting a program on Education was presented by Mrs. Smith, Mrs. Hayes and Mrs. Morris. Mrs. Smith gave a meditation entitled "The Art of Education."

Mrs. Hayes then gave a talk entitled "The Meaning of Education" in which she told how we need to take a more realistic look at what we call education. She said there is a need to differentiate between "training" and "Education."

Mrs. Hayes said that education, sometimes called schooling or learning, should be a more specialized form of schooling. True education is the ability to use knowledge to grow in wisdom. It is claimed that adult education is the most important phase as true education takes a maturity that youth has not acquired. She said that actually the I E's are a means to an end, and the quest for knowledge separates men from animals, and education remains an individual achievement.

Mrs. Morris gave "The Teacher Story" from L. A. Sines in which Dorothy Plummer, a fictional teacher of English in a Los Angeles class room, gave problems she confronted in a typical school day. At the end of one day she used the words poetry, discipline and exhaustion to describe it.

The following members attended the meeting: Meses. W. C. Dickey, Wayne Sweet, J. S. McMurry, Sim Reeves, Dean Yarbrough, Robert Duncan, C. D. Morris, C. L. Smith, Leon Davis, Henry Hays, John Deaver II, Warren Mitchell, Neal Hindman, Ben Moss, Mildred Stephens, L. F. Jones and Kenneth Dale.

Mrs. Ward gave the devotional, and roll call was answered with "My Favorite Song".

Dessie Osborn, a new member, was added to the club.

Leona Burk read the minutes of the last meeting, and there was a short business meeting.

There were 26 sick visits and Home Circuit discussed the club.

Chester Jovett served refreshments to the following members: Dessie Osborn, Celeste Ward, Leona Burk, Darlene Morris, Erlene Trapp, George Bowman, Anne Belle Doney, Bessie Orcutt, Lucille Robinson, Bessie Lathram and Lena Hill.

Mike Murph of Amarillo spent the weekend here with his parents, the C. V. Murphys.

Mrs. Mike Goodman and Jena left Sunday for their home in Fla. after visiting her parents, The Boland Salmons.

Mr. G. W. Salmon of Vernon visited with friends here Tuesday. Mr. Salmon is a patient in the hospital and is doing well.

Greg Hartung of Calif. spent Friday night with his aunt Mrs. J. C. Johnson and family.

Mr. and Mrs. Boland Salmon went to Clavis Tuesday to be with her brother-in-law, Tom Baker, who is very ill.

Mr. and Mrs. Marie Lemons visited Sunday in Clarendon with Thelma Lemons.

Mrs. C. V. Murph, Mrs. T. H. Gattis, Mrs. J. C. and Starr Johnson were Amarillo visitors Tuesday.

Refreshments were served to the following members: Mrs. Nat Bradley, Mrs. Ward Gurley, L. A. Stillwell, Jeannette Irons, Frank Ellis, Pat Lewis, Jim Lange, Miss Sybil Gurley and the hostess, Mrs. Robert Moss.

### Alpha Fellowship Meets Mar. 18, 25 For Bible Study

The Alpha Fellowship of the U. M. W. met Monday, March 18, and 25th to continue the Bible Study entitled, "The Healing Fountain", writings selected from contemporary Christians.

Mrs. W. J. McMaster read inspiring selections from the chapter entitled "Witness".

Mrs. Ed Hutcherson gave a comprehensive treatise focused on articles of Christian leaders in the chapter on "Life and Death".

Mrs. M. G. Tarver and F. W. Foxhall enhanced the study of this chapter with readings by Thomas Norton and A. Schenck.

Mrs. W. V. Coursey led the closing prayer.

On March 25, the final chapter entitled, "Joy, Freedom, Peace", was studied.

Mrs. J. J. McDaniel gave an effective description of joy by different authors.

Mrs. A. D. Britt discussed the subject of liberty and read an impressive poem by Baskinoff entitled, "Sorrow and Joy".

Mrs. Ed Hutcherson highlighted her readings with a story of Alaskan missionaries from "Guide Posts".

Mrs. M. G. Tarver read a meaningful paragraph by Martin entitled, "On Knowing God".

Thought questions were posed for the group to answer after which Mrs. W. J. McMaster led the closing prayer.

Those present at one or both sessions were: Meses. R. S. Greene, W. V. Coursey, W. D. Smith, J. J. McDaniel, Ed Hutcherson, M. G. Tarver, W. J. McMaster, and F. W. Foxhall.

Mrs. Morris gave "The Teacher Story" from L. A. Sines in which Dorothy Plummer, a fictional teacher of English in a Los Angeles class room, gave problems she confronted in a typical school day.

At the end of one day she used the words poetry, discipline and exhaustion to describe it.

The following members attended the meeting: Meses. W. C. Dickey, Wayne Sweet, J. S. McMurry, Sim Reeves, Dean Yarbrough, Robert Duncan, C. D. Morris, C. L. Smith, Leon Davis, Henry Hays, John Deaver II, Warren Mitchell, Neal Hindman, Ben Moss, Mildred Stephens, L. F. Jones and Kenneth Dale.

Mrs. Ward gave the devotional, and roll call was answered with "My Favorite Song".

Dessie Osborn, a new member, was added to the club.

Leona Burk read the minutes of the last meeting, and there was a short business meeting.

There were 26 sick visits and Home Circuit discussed the club.

Chester Jovett served refreshments to the following members: Dessie Osborn, Celeste Ward, Leona Burk, Darlene Morris, Erlene Trapp, George Bowman, Anne Belle Doney, Bessie Orcutt, Lucille Robinson, Bessie Lathram and Lena Hill.

Mike Murph of Amarillo spent the weekend here with his parents, the C. V. Murphys.

Mrs. Mike Goodman and Jena left Sunday for their home in Fla. after visiting her parents, The Boland Salmons.

Mr. G. W. Salmon of Vernon visited with friends here Tuesday. Mr. Salmon is a patient in the hospital and is doing well.

Greg Hartung of Calif. spent Friday night with his aunt Mrs. J. C. Johnson and family.

Mr. and Mrs. Boland Salmon went to Clavis Tuesday to be with her brother-in-law, Tom Baker, who is very ill.

Mr. and Mrs. Marie Lemons visited Sunday in Clarendon with Thelma Lemons.

Mrs. C. V. Murph, Mrs. T. H. Gattis, Mrs. J. C. and Starr Johnson were Amarillo visitors Tuesday.

Refreshments were served to the following members: Mrs. Nat Bradley, Mrs. Ward Gurley, L. A. Stillwell, Jeannette Irons, Frank Ellis, Pat Lewis, Jim Lange, Miss Sybil Gurley and the hostess, Mrs. Robert Moss.

Mrs. Ward Gurley presented an interesting article written by Ferdie J. Deering, posing the question "Is Liberty's Light Getting Dim?". The article won the George Washington Freedom Award last year. She told of the things he suggested that should be done for our country. The overall thing was for true Americans to renew their hold upon the facts of life and history, and that the patriotic should let his voice be heard again in mass.

Mrs. Jim Lange and Miss Linda Haggood attended the district convention and Mrs. Lange gave an informative report on the convention.

Refreshments were served to the following members: Mrs. Nat Bradley, Mrs. Ward Gurley, L. A. Stillwell, Jeannette Irons, Frank Ellis, Pat Lewis, Jim Lange, Miss Sybil Gurley and the hostess, Mrs. Robert Moss.

### Mrs. Harrison Returns From Caribbean Cruise

Mrs. Ruth Harrison returned home Sunday after enjoying a 19-day cruise in the Caribbean. Mrs. Harrison and a cousin, Mrs. Laura

Finch of Dalhart, joined a tour group from Amarillo for the cruise.

Mrs. Harrison said they visited numerous islands and ports and saw many interesting places.

"We had a most enjoyable vacation," Mrs. Harrison said.

### 1913 Study Club Has Mar. Meeting In Wrenn Home

Mrs. Neville Wrenn hosted the second March meeting of the 1913 Study Club. In the absence of the president, Mrs. Gayle Greene, Mrs. Frank Foxhall conducted the brief business session.

A report from the Recording Secretary with minutes of the previous meeting was followed by the treasurer's report and reports from the Departmental Councilors.

The club's concern for that meeting was "Focus on the Middle East". Developing that study, Mrs. Bill Wood gave an interesting paper entitled, "Israel, The Seventh Day" and Mrs. Bob Hutcherson followed with a thought-provoking article, "Jordan and Syria", setting forth status in the Middle East struggle.

Sixteen members and one guest, Mrs. McMurray, mother of Coach Clyde McMurray attended the meeting and relished the delicious refreshments served by the hostess, Miss Wrenn.

The members present were: Meses. Byron Baldwin, Joe Allen Ballard, Dewey Britt, J. P. Fowler, F. W. Foxhall, R. S. Greene, T. M. Harrison, Bob Hutcherson, Edwin Hutcherson, D. L. C. Kinard, Paul Montgomery, M. G. Tarver, Mack Richards, Bill Wood, Ma. Melan Madden and Virginia Browder.

Russell Smith, student at Tech University, has been visiting here this week with his parents, Mr. and Mrs. Smith and family during term break.

# God's Help

"The Lord shall guide thee continually."

—Isaiah 58:11

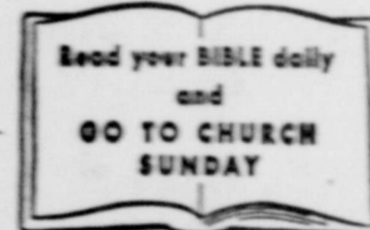

When we come to a difficult crossroad along the pathway of life, how comforting it would be if God suddenly appeared to point to a road which would lead straight forward to happiness and security.

How satisfying it would be to know that any dark night could be lighted with but a single prayer.

But God's help does not come in the form of an instant rescue. It is spelled out in the life and teachings of Christ, and in the commandments of God. Life is not guaranteed perfect for all who follow the guide lines; it is only that challenges are more easily met and faith lends greater strength to every action and decision.

He restoreth your soul...Worship together this week

# STATE CAPITAL Highlights AND Sidelights

by Bill Boykin  
TEXAS PRESS ASSOCIATION

## AMARILLO, TEXAS

An extensive property tax study beginning in 35 of 1,113 areas will be conducted in 1975 as a guide to the public education financing formula.

The Legislative Property Tax Committee approved the survey of C. B. Inc. of Cleveland, Ohio, and Marshall and Stevens, worldwide tax appraisal service.

About \$337,000 is available for work, although money will be spent in 1975.

Gov. Dolph Briscoe had requested a top-to-bottom study of values in all districts in preparation for his recommendations to the 1975 Legislature on school finance reform.

However, the property tax committee said such a study would cost \$8 million, and a 325-district spot-check proposed by Texas Research League \$2 million.

Committee Chairman Sen. H. (Doc) Blanchard of Lubbock said he is hopeful the 35-district survey "can be used as a model by which we can set a formula for locating state school aid that provides equitable support and maintenance."

Consultants have a November deadline for completing their work and a first phase report is anticipated April 18.

Districts to be covered ranged from student population from 18 in Klingus to 26,884 at Northeast Bexar County. They include: Firendwood; Little Cypress-surciville; Overton; Hitchcock; Ridge; Darroutzett; Cross

Plains; Presidio; Celeste; Sonora; Glen Rose; Rusk; Joshua; Mumford; Carthage; Arlington; Clarksville; Midlothian; Buffalo; Atlanta; Northside of Wilbarger; Alvin; Elysian Fields; Central Heights of Nacogdoches; Somerville; Shidell; Bruni No. 22; Bowie County CSD No. 42; Lindale; Alvord; Devers; Strong and Lenkey.

A "SAD" TAIL  
Texas printers are having problems with the new campaign reporting law, because the name and address of the printer — name and address of the candidate have to appear on each printed item.

Latest problem comes from candidates who are having "t-shirts" printed for campaign workers.

It seems the name and address of the candidate and name and address of the "t-shirt" printer must be printed on the tail of the shirt.

If you see someone pulling off a "t-shirt" at a political rally, don't worry about a streaker, it's just someone fulfilling the request of the Secretary of State's inspector.

STATE OIL SHARE BIGGER  
The State School Land Board terms for public lands in an effort to increase the state's income and encourage more drilling.

The Board, by a two-to-one vote, raised minimum royalty interest on state leases from one-sixth to one-fifth royalty and reduced the leasing term from five to three years.

Quarterly lease sales will be held, and minimum bonus bid payment will be reduced to \$10 an acre in all areas for the right to hold a state lease.

Terms adopted by the board will go into effect with leases awarded at the next oil and gas lease sale July 2. Nominations of state tracts for that sale will be open until April 19, and the School Land Board will determine and conditions of leases to be awarded on nominated tracts at

HALL COUNTY SPELLING BEE WINNERS—Friday, Jayne Eudy of Turkey, daughter of Mr. and Mrs. Jay Eudy, (the only girl competing) won the Hall County Spelling Bee and will go to Amarillo April 27, to compete in the regional contest. Runner-up was (right) Jeff Crump of Turkey, son of Mrs. Jacquelyn Crump, who won the contest last year. In the junior bee, on the left, is pictured Richey Fuston, son of Mr. and Mrs. Richey Fuston of Turkey, the runner-up, and Amon Chavira, son of Mr. and Mrs. Sam Chavira. Amon will be a guest at the Regional Bee in April. Lester Campbell pronounced the words for the spellers and Margaret McElreath, Mrs. Frank Ellis and Clara Pyeatt served as judges. Jayne was the junior bee champion last year.

its meeting May 7.

"With oil prices doubling and gas prices tripling, I think it is an appropriate time for the state to realize higher royalty for production of its mineral resources," said Land Commissioner Bob Armstrong.

### ENERGY "SAVED"

Governor Briscoe claims the state's voluntary energy conservation program has brought "significant savings" in gasoline, middle distillate fuels and electricity, and ought to be continued.

Total gasoline sales increased .3 per cent for December and January, over the same period a year ago, but historical growth rate for gasoline sales is about seven per cent per year. Briscoe calculated 81.5 million gallons of gasoline or about six and a half per cent of expected demand has been effectively saved.

Electrical production was reported up 2.3 per cent in January over January 1973, but down seven and a half per cent

from the projected demand.

Briscoe urged continued cooperation by individuals and called on oil companies to plow more of their profits into research and exploration.

### AG OPINIONS

Financial information on individuals collected by the Legislative Property Tax Committee in a market value study is open to the public, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded: A dozen prisoners can testify before a legislative committee studying prison reform.

Marijuana possession offenses committed before last August 27, should be tried in district courts, although the offense may be a misdemeanor.

Candidates for Congress and other federal offices must comply with the Texas campaign reporting and disclosure act except where federal laws are in conflict. Licensing system for use of air-

craft in control of predatory animals is controlled by an act covering 155 counties passed last May 18.

The City of Eagle Pass's lease agreement with private investors for commercial development is presumed to be public information and should be released to the party requesting it.

Members of the Texas Youth Council and State Board of Examiners in the Basic Sciences don't have to file financial state-

ments under the ethics act. A juvenile court has authority to allow a federal agency access to its files.

Texas Department of Public Safety is not a "consumer reporting agency" within meaning of the federal fair credit reporting act.

Secretary of State Mark White Jr. reminded April 1, is the filing deadline for executive heads of states agencies to submit affidavits discussing interest in state-regulated businesses.

White also ruled it is legal to make photo copies of political ads for distribution if the name and address of the original printer is clear.

COURTS SPEAK  
The State Supreme Court ordered a third trial for a suit over a loan against a Lubbock bank.

The Court of Criminal Appeals reversed a conviction of Abilene men for conspiracy to commit theft in a dispute over computer cards.

A Federal Court jury convicted Duval County political boss George B. Parr of income tax evasion.

An Amarillo man won a Supreme Court ruling in a \$4,000 damage suit against an auto dealer accused of using incorrect procedures in a motor repair.

APPOINTMENTS  
Norman Moser of DeKalb was named chairman of Texas Animal Health Commission.

Hall E. Timanus Sr. of Houston was appointed by the governor to the Texas Amusement Machine Commission.

Appliances won't last forever if over 10 years old, start a replacement fund. The life of major appliances runs from 11-16 years, says the Extension Service.

To provide a successful learning experience, an allowance must be regular and in line with a child's activities and ability to handle money according to the Extension Service.

### Gardening News

from Leslie's Flowers

The satisfaction of a garden does not depend on the size nor cost or variety of the plants. It depends entirely upon the person and what he likes. If your garden includes both food for the table and food for the eye we have the plants you need, tomatoe, pepper, petunias, pansies, mums, and geraniums, also a nice assortment of bulbs.

Some fruit was not frozen, so now is the time to spray to prevent worms and insects. We have a good assortment of sprays and dusts and fertilizers for all your needs, and also the knowledge to help you with these products.

### Legal Notice

#### "LEGAL NOTICE" NOTICE OF HIGHWAY IMPROVEMENT

The Texas Highway Department offered an opportunity for a public hearing to be requested by publication on February 28th and March 7th, 1974, of a notice reporting the proposed improvement of State Highway 256, extending from U. S. Highway 287 in Memphis, to the Childress County Line. The proposed roadway improvement will pass through a portion of the City of Memphis, in Hall County.

No requests for a public hearing were received; therefore, the District Office of the Texas Highway Department, at Childress, Texas, has submitted all of the engineering data and information received in connection with the development of these projects for approval of the proposed route and design by the Administration of the Texas Highway Department.

The proposed improvement within the City of Memphis consists of widening, reconditioning, and resurfacing the existing roadway to provide a 64-foot curb and gutter municipal section on the existing right of way.

From the East City Limit of Memphis to the Childress County Line, the proposed construction consists of widening, reconditioning, and resurfacing the existing roadway to provide two 12-foot travel lanes, with 8-foot paved shoulders, and climbing lanes as required to meet current safety standards. The right of way required on this project varies from a minimum of 120 feet to a maximum of 225 feet; however, there will be no displacements or relocations involved.

Maps, drawings showing geometric design, environmental studies, and all other available data concerning the development of these projects may be inspected and copied at the office of Arville Coyle, Supv. Resident Engineer, Childress, Texas.

The Veterans Administration Board of Appeals was cited recently for its "high quality appellate decisions which reflect sympathetic understanding and generous intent of the law."

Let's Talk Memphis!

### Stretch Your Food Dollar By Using Vegetables Wisely

With almost everything either in short supply or higher priced, Americans are finding ways to get more from the resources they use.

This type of thinking can easily be applied to the task of feeding one's family a well-balanced diet, says Rita Ruff, USDA extension home economist based in Milwaukee, Wis. Food budgets can often be stretched either by substituting one kind of food for another or by using food products more efficiently, she says.

"In the wake of rising food prices, many consumers are taking a close look at vegetable products to supplement the vitamins, minerals, and particularly, protein from meat and meat products," says Miss Ruff. "And with careful menu planning, they can indeed utilize vegetable nutrients as an alternative or supplement to meat."

When we refer to protein in the human diet, Miss Ruff continues, we are talking about amino acids, which are required to build, maintain and repair healthy tissues and to meet other body needs. These amino acids are contained in protein. Many of the proteins in meat and animal products contain all the amino acids the human body requires, so menu planning with these products is relatively simple.

"However," she notes, "other proteins contain only some of the essential amino acids. Vegetables usually contain these 'incomplete' forms of protein."

"It is indeed possible to combine several vegetable products in one meal which bring together all the necessary amino acids that meat normally contains," she points out, "by applying adequate knowledge and some discretion. Combining vegetables with at least one animal product such as fish, eggs, cheese, or milk makes the task easier. Extension offices throughout the country can offer guidance in selecting vegetables."

Different kinds of vegetables also vary in the type of vitamins and other nutrients they contain, Miss Ruff adds. Again, some knowledge is essential in order for the consumer to choose the right combination of vegetable products for a balanced menu.

Besides actually replacing meat products with vegetables, consumers can stretch their food dollar by using vegetables more wisely, Miss Ruff adds. One easy step to increase efficiency in the kitchen is simply to handle and prepare vegetables properly. This prevents loss of vitamins and nutrients which often occurs before the food reaches the table.

Also, the home economist says, a family menu planner needs to know where vitamins and nutrients are concentrated within the vegetable, for example whether they are found mainly within the stems or the leaves of a given item. This will provide guidance for trimming and serving the vegetable so that nutrients are retained.

One of the simplest — but often neglected — ways to encourage a family, particularly children, to eat more vegetables is to serve them in ways attractive to both the eye and the palate, Miss Ruff concludes. Developing a special knowledge of your family's taste and inventing a little time to learn different and tempting recipes will enable the consumer to get more of the benefits from the vegetables she serves and to serve them more often.

### Bill Richburg Takes First In Borger Invitational

The Lakeview tennis team travelled to Borger March 22, 27, for the Borger Invitational Tennis Tournament.

Bill Richburg, senior at Lakeview, took first place honors by defeating Rodriguez of Hereford 6-1, 3-6, 6-4; Kernes of Borger 8-3; Walker of Amarillo 8-4; and Hill of Dumas 7-5, 6-7, 6-4. Lakeview will travel to Amarillo for the Relays this weekend.

### Estelline 4-H Horse Club Is Organized

An organizational meeting was held March 19, at Estelline High School to organize a 4-H Horse Club. Adult leaders for the organization are Mr. and Mrs. T. W. Tippett, Mr. and Mrs. Jack V. Johnson and Mr. and Mrs. Danny C. Davidson.

Warren Mitchell, Hall County Extension Agent, explained to the group that adult leadership is an absolute requirement for a good 4-H Horse club or any other type of 4-H Club.

Officers elected for the Estelline 4-H Club are as follows: president, Shane Hedrick; vice-president, Wade Johnson; secretary-treasurer, John Mark Holland.

Present for the meeting were; Dana Davidson, Dajuana Davis,

Susan Eddins, Shane Hedrick, Jon Mark Holland, Darcy Johnson, Wade Johnson, Cliff Tippett, Tracy Tippett, Mrs. Joe Kent Eddins, Mr. and Mrs. Danny Davidson, Mr. and Mrs. Jack V. Johnson and Mr. and Mrs. Danny Davidson. The next meeting will be Sunday afternoon, April 7, at Estelline High School.

DOUBLE STAMP DAY - WEDNESDAYS

# West Texas State University Is Approaching It's 75th Anniversary

The institution approaching its 75th anniversary, West Texas State University looks mighty new and mighty strong.

WTSU opened a new library, capable of housing a million volumes, and a new University Science Center, constructed at the same time.

Two important events in 1973 shared in the new spirit at WTSU. The school marked its 10th anniversary with university status, and Dr. Lloyd Watkins arrived to take over the reins as university president.

Almost as soon as he arrived on campus, the new president began bringing up a new excitement among all segments of the University and its supporters.

Watkins has been associated with a number of fine Universities in the Midwest, so everyone expected him as something of an authority in such matters. His enthusiasm for this part of the country, its people and especially TSU was contagious.

The new enthusiasm has already begun to show itself in a number of areas such as the concept that the University is operating to serve students. That concept is manifested in a broad range of activities, from simplified registration procedures that have shortened those traditional lines at the start of each semester to a faculty-student ratio of 1-30, which means that a WTSU student ever becomes a numbered seat in an audi-

School of Business, the College of Education, the School of Fine Arts and the Graduate School — offer a total of 16 different bachelor's and master's degrees with over a hundred majors and areas of emphasis. Expansions of the curriculum in recent years have taken diverse forms. Five new degree programs and courses in social work and criminal justice administration have appeared.

Latin has reappeared, and horsemanship is now offered for either physical education or agriculture credit. WTSU students, within the past year, have found themselves engaged in projects ranging from digging for archeological material threatened by a new dam to mapping Mars from photos gathered by the Mariner spacecraft.

Just as WTSU recognizes that all students cannot attend classes at the same hours, the university also knows that all students have time when they are not attending classes. There are 61 organizations on the WTSU campus, from fraternities and sororities to societies for special interests, to provide for those hours not spent in classes.

The hub of the cultural and social scene at WTSU is the Activities Center, a complex of bowling alleys, pool tables, handball and paddleball courts, a weight training room, four basketball courts, an Olympic-size swimming pool, and rooms for reading, music and films.

Students arriving at WTSU now can take advantage of a remarkable growth program of the past five years, which added eight new buildings and a 2,400 acre ranch to the university's facilities.

The unique spirit of WTSU is also captured in its efforts to help students with the financial aspects of attending college. In addition to the conventional loan, scholarship and student employment programs, WTSU has the special Opportunity Plan, Inc., a non-profit organization which offers individualized financial assistance and counseling along with part-time job opportunities.

WTSU is in a land of contrasts. Because it is in the Amarillo metropolitan area, students have easy access to the cultural activities in Texas' 7th largest city, yet it still has a good bit of the romance of the old West. Spectacular, rugged Palo Duro Canyon state park is West Texas State University's backyard.

Work is often tiresome and boring but have you ever tried to work?

# Hall Co. Residents Are Living Longer

NEW YORK, Mar. 23 — For the average Hall County resident, the chances of living to a ripe old age are better than they have ever been.

Thanks to the dramatic progress that has been made in the fields of medicine and public health in recent years, the span of life is at an all-time high.

As a result, the average child born today in the local area has a life expectancy of 71.1 years.

If the same child had been born in 1850, he could have expected to live only to age 40. At the turn of the century his life expectancy would have been 47 years.

The great expansion in the span of life since that time is attributed by the Health Insurance Institute to general improvements in living conditions and to the development of antibiotics and vaccines.

The biggest progress, by far, has been among the very young due to the strides made in curbing childhood diseases.

Although the gains among the older segment of the population have not been as striking, they have been substantial. As a consequence, the odds in favor of a local couple living to celebrate their silver anniversary are much greater than they were in former years.

According to the overall statistics, a very high proportion, well over 80 percent, of the recently married couples in Hall County may look forward to that happy event, assuming that divorce does not intervene.

In fact, for a local couple who marry in their early 20's, where the man is two or three years older than his bride, the chances are now better than 3 out of 10 that they will survive to their golden anniversary, 50 years hence.

The increase in longevity is evidenced by the growing number of older people. In Hall County, some 18.6 percent of the population is over 65. The latest breakdown shows that there are 460 men and 660 women in that age bracket locally.

Many of them have chosen not to retire and are continuing to work. According to the figures, 42.6 percent of the local men over 65 are still in the labor force.

Elsewhere in the United States, 24.8 percent are in the labor force and, in the State of Texas, 29.6 percent.

# Hall County Has Goal Of \$160,000 In Savings Bonds

According to Mr. Larry D. Parks, Chairman of the Hall County Savings Bonds Committee, the 1974 Savings Bond goal for the county is \$160,000. January sales of E and H United States Savings Bonds totaled \$6,268 for 4% of the sales goal.

The 1974 sales goal for Texas is \$236.8 million. During the month sales were \$21,189,711 for 9% of the yearly goal.

## Memphis Public Schools Cafeteria Menus

Monday, April 1

Friday, April 5

Sloppy Joes, Tater Tots, Lettuce with Dressing, Apricot Cobbler, Milk.

## Dr. Jack Rose Attends Seminar In Dallas Mar. 15

Dr. Jack Rose attended a seminar in Dallas over the weekend. Subjects discussed were: Fitting the Bausch & Lomb Softlens, tests for children with learning disabilities, and pathology of the cornea and iris.

This was part of the Continuing Education Program of the College of Optometry at the University of Houston.

### CARD OF THANKS

I wish to thank all my friends and loved ones for the cards, visits and flowers while in the hospital. I especially want to thank Dr. Stevenson, the nurses, and all the hospital staff. Bessie Latham

## B. B. Shots — (Continued from Page 3)

Watergate behind us and start voting for the man that will get in office and strengthen our confidence in the men who are in public office.

I noticed in the news a few days ago about a streaker at League City, Tex., who was stripped of his rank in the Senior Class of their high school. He was vice-president of his class. It cost him a cap and gown on his graduation day. The school board stripped him out of class and off the varsity swimming team, and ordered him graduated "In Absentee" in May (if he passed his courses). This was a pretty expensive Streak! Which makes me think of a sticker on a car bumper, "Streakers Repent, Your End Is In Sight".

A veteran comedian explained the difference in comedy these days: "In the old days, we would hear a dirty joke and clean it up for the stage; Today we hear a clean joke and dirty it up for the stage".

A remembered quote: "We all have strength enough to endure the misfortunes of others."

"Let's Talk Memphis"

## Watsons Contribute To Lakeview Paving

An additional contributor to the Lakeview Elementary School parking lot paving project was Mr. and Mrs. Bernie Paul Watson. J. C. Stepp, Elementary School Principal, said that Bernie Paul Watson contributed \$25 to the project and his name should have appeared on the list published earlier.

Benefits counselors at 58 Veterans Administration regional offices handle more than 1.2 million telephone calls per month, assisting veterans seeking housing, education, compensation, pension, medical care and other benefits.

### A Message to the High School and College Age Students of Memphis . . . (and those who love them)

From the President of West Texas State University

You are standing on the threshold . . . perhaps the threshold of greatness, but at least on the threshold of what can be a rewarding career. West Texas State University is also on the threshold . . . we think it is the threshold of greatness.

There is a new excitement on our campus. Everyone associated with the University tells me they feel it, students, faculty, alumni and our many boosters throughout the Panhandle.

The excitement started ten years ago when we achieved University status. We began getting many new facilities including a new library, science building, research center, classroom and administration buildings and a new Student Activities Center which is second to none in the United States. We have new programs of a dozen different kinds . . . even one for horsemanship.

Much of the money for these programs and facilities has come from individual citizens, companies and foundations. These benefactors say, in effect, that our area should be the site of a significant university . . . a university with facilities and programs which attract outstanding faculty and students from all over the nation, even the world.

WTSU is growing but it is not so big but that our teachers can take a personal interest in each student and relate to him as the individual he is. Though we have a higher percentage of Ph.D.'s on our faculty than most universities, (over 50%) our classes average fewer students than most, (under 20).

Our students are very much a part of making things happen at WTSU. They are interested, involved and excited. Their learning experience is bigger than the classroom . . . it is as big as life itself.

Tell us which of these areas of study interests you and we will tell you more about that program at WTSU. Clip this coupon and mail it to me personally. I'll see that you get the whole exciting story without obligating you in any way.

*Lloyd D. Watkins*  
Dr. Lloyd Watkins, President  
West Texas State University

P. S. Don't let financial considerations keep you from exploring the idea of coming to WTSU this summer or fall. Scholarships and other financial assistance are readily available.

### From The Chamber Corner

"Today is Thursday, the 28th day of March... And it's a Great Day in Memphis..." This is the heading of each letter from the Memphis Chamber of Commerce. This office receives and distributes information daily on Memphis and Hall County ranging from history reports for in state and out of state school students to industrial development prospects. The Memphis Chamber office distributed some 1,805 pieces of mail during the year of 1973 combining this figure with an assortment of telephone conversations and personal visits we are continuing our work to promote Memphis, Tex.

Panhandle Odyssey 2000, the annual chamber banquet in Amarillo was well attended by Memphis. Guests of the Amarillo Chamber of Commerce from Memphis were: Chamber president, John and Fern Kehr, Larry and Rosemary Parks, Bill and Lynda Crane, Jim Smith, and Jim Edd Wines.

We met several former residents of Memphis, Mr. and Mrs. Noel Bruce, and Bob McMurry.

We are happy to announce that we have another shipment of cotton bales on the way. The 4 1/2 inch miniature bales are selling very well, and we are extremely glad to see the fine support of Hall County residents who are promoting Memphis and the county by sending the bales to their friends and relatives all over the nation.

Mr. and Mrs. Noel Bruce, former residents and brother to Glen and Boyce, purchased six bales for his friends. Noel is an officer with the Tascosa National Bank in Amarillo.

Glen and Mrs. Cope of Cardiff By the Sea, Calif. also purchased a cotton bale to show off to their friends at their home. Glen is a classmate of R. C. Lemons.

Walter C. Smith, of Anadarko, Okla. purchased a cotton bale through the mail by sending his check to the Memphis Chamber of Commerce P. O. Box 789, Memphis, Tex. 38245. Cotton bales are selling for \$2.90 each.

Mr. and Mrs. D. E. "Don Moore of Plymouth, Wisconsin, purchased another cotton bale to show to their friends in Wisconsin. Faye and Don are both from Memphis and avid supporters of our community. They receive many comments from their Memphis bumper sticker and Dallas Cowboy bumper sticker. Again we extend our appreciation for their support of Memphis.

We received another order from Dan Durham for the purchase of 5 more cotton bales. Dan is presently with the U. S. Navy in Washington, D. C.

Mrs. Willie Ery, formerly of Lakeview and now of Dallas ordered a cotton bale. Mrs. Key still owns a farm in Lakeview and wanted a real cotton bale to show off to her friends.

Mr. D. R. Kelly formerly of Memphis ordered another bale for one of his relatives, Orth Kelly in Eugene, Oregon. Our thanks to Mr. Kelly for his support.

Again, the miniature cotton bales make excellent and thoughtful gifts for friends and relatives. They are on sale at Branigan's Jewelry, Lockhart Pharmacy.

### Political Announcements

The Memphis Democrat is authorized to announce the following as candidates for public office, subject to the action of the Democratic primary on May:

Congressman, 13th District  
Jack Hightower  
Texas Senate, 30th District:  
RAY FARABEE  
CHARLES FINNELL  
County Judge:  
LORAN DENTON  
W. W. COOPER  
For County and District Clerk:  
SYVILLA LEMONS  
County Superintendent:  
TOPS GILREATH  
County Treasurer:  
LUCILE WRIGHT  
Justice of the Peace:  
RUBY RODEN  
County Precinct Commissioner, Precinct No. 2:  
V. C. (Zipp) DURETT  
MACK COFER  
County Precinct Commissioner, Precinct No. 4:  
HAROLD M. LANE

macy, and Fowler's Retail Drug. Bales are running short but we expect another supply at any time.

A good way to mail your miniature cotton bales is to wrap them in paper, a box is not needed. Postage for 3rd class delivery is 24c per bale.

The style show "Meet me in the Park" is Friday, April 5th at 7:30. Tickets for the evening dinner and spring fashion show are on sale now from the members of the Atalantean Club.

Proceeds of this show will go into their club activity of our community park development program. The park program is presently under study by the city council.

The slogan contest for the beautify Memphis campaign is receiving very little attention. Again we are in need of an original theme or slogan for our clean-up campaign to start soon.

The Memphis Lion's Club will sponsor a city wide clean-up day this spring. We are inviting everyone to team up with the Lion's club and let's pick up the town.

Litter and trash is everyone's job. Point out the litter bug and let's all work together to stomp out trash.

Last week we received a comment toward the possibility of erecting a Memphis sign at the south end of town on highway 287.

It appears that the sign on the campus property cannot be seen from the south to Amarillo. Discussion led to an ideal location of the old oil mill where a sign could be seen for over a mile if you are driving from the south.

This office is open to any suggestions that might seem worthy in any endeavor to promote Memphis. We will present this proposal to the Board of Directors for discussion upon the next membership meeting Monday, April 8th at 12:00 noon in the De Ville restaurant. All chamber members are invited to attend an all membership meetings held each month of the year.

The true value is in Thompson Brother's, the everybody store, a modern general store with everything. If Thompson's hasn't got it, then they will get it. Everyone looks for the true value and of course that is Thompson Brother, the everybody store, a member of the Memphis Chamber of Commerce.

The STEP program has been approved and we are ready to begin on the work project in our city park. Any person age 55 years or older may be eligible to apply. Application blanks are available at the Chamber of Commerce office. We are seeking a work force of 7 or 8 men to work on a \$1.80 per hour wage scale and not more than 24 hours a week schedule. We need applicants now in order to keep this new program in force to work for the betterment of Community property here in Memphis.

Slogans for the Beautify Memphis Campaign, Box 789, Memphis, Tex.

### Luke Griffith Takes Honors In Math Contest

Nine Memphis High School students competed in the West Texas State Mathematics contest last Tuesday. The students entering this contest only competed in their own classes, and first, second, and third place winners are named in each class.

Luke Griffith won second place in honor of Memphis High School. The other eight attending were Wayne Davis, Jay Campbell, Jay Hudlow, Ronnie Browning, Karyn Smith, Lisa Knighten, and Jamie Ortiz. Students from Alamo Catholic were the first and third place winners. In Memphis'

class. There were approximately 310 people entered in competition, and after the test they visited the computer center, science building, and activities center at West Texas State.

### Lakeview Exes

(Continued from Page 1) evening meal will be served in the school cafeteria from 6:00 to 8:00 p. m. Meal tickets will be sold at the door. Evening entertainment will begin at 8:00 p. m. in the school gymnasium. Tickets will be sold at the door.

This Homecoming includes ex-students and ex-teachers from Lakeview, Webster, Brice, Lesley, Pleasant Valley, and Deep Lake. "We hope to see ex-students and ex-teachers from all these schools at Homecoming, April 13, 1974 in Lakeview, Texas," announced Brenda Pate, Publicity Chairman.

### Carol Blain To Serve As U. I. L. Region II Judge

Memphis High School Music Director Carol Blain has been chosen to serve as a U. I. L. Region II Sight Reading Judge. She will judge Class C Jr. High Bands and Class A High School Bands in Region II at Abilene and Vernon on April 30 and May 1.

### County Farmers Union To Have Supper Here Fri.

The Hall County Farmers Union will have a covered dish supper at 7 p. m. Friday, March 29, in the Memphis Community Center. All members are cordially invited to attend the covered dish supper, it was announced.

### Atalantean's Style Show Set For April 5th

"Meet Me in the Park" is the theme for this year's dinner and style show sponsored by the Atalantean Club.

The show will be April 5th, 7:30 p. m. in the community center, and is the highlight of the club year.

Tickets are now on sale, \$3.50 per person, until April 1 or 2 and can be bought from any Atalantean Club member.

Models for the show are: Wilma Voyles, Kathy Hall, Tammy Lockhart, Jamie Moss, Boyce Bruce, Ann Farnsworth, Pat Yarbrough, Susan Godfrey, Shell
