EDITORIAL!

Memphis City Park which has long been the pride of the city, has become the focus of vandalism and abuse in recent months, and the abuse seems to be on the increase. Currently making plans to modernize and improve facilities at an expenditure of addition funds from the city, the park managers have been worried about recent outbreaks of vandalism.

A recent occurrence was the killing of the last baby monkey in the park which happened this week. The young monkey was shot and killed, leaving only two of the monkeys in the park.

The owner of the monkeys, P. A. Cowan, announced this week that the pair of monkeys is now for sale, as he is moving to the public park for the animal's own protection.

Recently, a lavatory in the city swimming pool rest room, which has been left open at night and during the day when the pool is closed, to provide bathroom facilities in the park, was broken down and the wall and floor torn up.

Some of the park benches are being moved into the roadways in the park, and some of these have been torn up. Traffic hazards occur with these practices.

The common occurrence for the over head lights in the park is to be out, and table tops to be overturned and sometimes broken.

These, the work of sign painters and others acts of vandalism in the city fathers find they are spending more and more money to just keep the facility where it can be safely enjoyed.

A city councilman for the city council said it would take \$150,000 to repair the lavatory in the restroom.

City fathers are being asked to report any acts of vandalism in the park to local law enforcement.

The Memphis Cyclone opens its 1974 football season hosting the Childress Bobcats of District 2-AA at Cyclone Stadium Friday night with kickoff set for 8 p. m.

Fans can expect to see a real crowd pleasing football game, as these two teams have talented players filling many positions and spirits are running high in both camps about the prospects of a possible victory.

For Memphis, a victory over Childress would break a string of recent dominations by the larger school to the south; however, the Bobcats, by virtue of their Class AA ranking and pre-season choice of favorite to win another district crown, will probably be favored.

Childress downed Clarendon last week four touchdowns to two.

Coach Clyde McMurray of Memphis said Wednesday, "Childress is not only a good ball club, they are very, very quick. They have good football speed. Bobby Felton (No. 68, senior, 175) is an all state candidate as fine a lineman as I've seen in this area. Ronnie Hawkins (senior 168) and Jody Hernandez (junior 162) are fine, fine backs. Hawkins made over 200 yards against Clarendon."

Clarendon's defense gave up four TDs to the Bobcats, as Childress passed for two and ran for two.

Childress has had two costly injuries, both to players knees, and this game will be the second in the season for their team.

Cyclone Spirit

Spirit in the Cyclone camp is running high in anticipation of the 1974 season and the opening game with Childress.

Coach McMurray said, "We're excited about this year's team. We're going into the game to play to win. We feel the winner will be determined on which team creates their own opportunities."

"Our young men have worked very hard preparing for the ball game. We've stressed pass defense, and play recognition very hard in preparation.

"If our team will play with poise under pressure, we will develop into a good Class A ball club."

Hall County Picnic Activities Crowd Weekend As Final Plans Are Made

'Roaring 20s' Reunion Planned For Weekend

A highlight of the Hall County Picnic this year will be the "Roaring 20s" reunion planned by local graduates of the Memphis High School during the 1920's. Virginia Browder is serving as chairman of the reunion.

No special program as such is

being planned as the out-of-town-ers will return to visit mostly, Mms. Browder stated.

The Community Room at the Housing Authority, 216 S. 5th Street, has been reserved for Saturday and visiting will get underway with a coffee "klatch" at

9 a. m. Saturday morning. At noon Saturday sandwiches will be served to the out-of-town visitors. Local residents who would like to come are asked to bring sandwiches and come enjoy the meal with out-of-town guests.

The group will attend the parade, visit Heritage Hall and later in the afternoon return to the Community Room for open house.

All local residents who would like to visit with former friends are invited to come by and visit during this time.

More than 70 letters have been mailed to former MHS graduates and a number of these indicate they plan to attend.

Among those who plan to be present are William Swaim, Estel-

A weekend crowded with activities is planned for the Hall County Picnic celebration this weekend in Memphis, Joe Allen Ballard, president of the association, said today. We are expecting one of the largest crowds in the history of the association, he said.

Actually activities will get underway Friday night when the Memphis Cyclone Football team opens its season against the Childress Bobcats at Cyclone Stadium. The game begins at 8 p. m. and everyone predicts a hard fought battle between the two teams.

Saturday

The day Saturday will be crammed with activities, beginning at 9 a. m. with a coffee "klatch" for the classes of the Roaring 1920's. The Community Room at the Housing Authority will be open all day Saturday for their activities.

Parade

A parade, sponsored by the American Legion Post, will be held at 2:30 p. m. More than 40 entries have already been entered in the parade. John McCauley, parade chairman, said they are looking forward to one of the best parades in history. Heading the parade will be the Memphis Cyclone band. Prizes will be awarded in several categories.

Immediately following the parade, the Beard Growing contest will be held on the courthouse lawn. Hall County men have gone all-out to cooperate with this phase of the picnic celebration.

Winners in several categories will be chosen Saturday afternoon.

The Heritage Hall will be open and out-of-town visitors are urged to go by and inspect the many early-day relics now housed in the local museum.

Saturday Night

The Business Women's Club is sponsoring the annual Miss and Master Contest at the Community Center on Saturday evening.

At this time Miss and Master of Hall County will be named. Entries are children from age 3 to 6 years and a large number of contestants have entered the contest.

Also to be featured on Saturday evening is an old-fashioned gospel singing in the Fellowship Hall of the First United Methodist Church. The singing will begin at 7:30 p. m. and everyone who enjoys good gospel singing is invited to attend.

Sunday

Buses from the Courthouse to the City Park will begin running at 10:30 a. m. Sunday, Bill Wood, chairman, stated. The buses, under the direction of the Sheriff's Department, will give continuous transportation during the morning and afternoon, Sheriff Elmer Neel stated.

At noon Sunday the free barbeque meal will be served in the City Park. Tickets will be issued

Hall County Picnic 1974!

Hall County Picnic weekend is fast approaching, only two days away, and everyone is gearing up for an exciting weekend and looking forward to visiting with former friends and acquaintances due to attend the celebration.

How big the following will be this year is a matter of some question due to the economic implications which have occurred since last September. Gasoline prices have soared, traveling on the highways has been reduced by the 55 miles per hour, national speed limit, and in general, inflation has cut deeply into the social lives of citizens throughout the country.

For those who do come, it is a strong indication that the Picnic weekend in our area has a deep meaning. This meaning is described by some as a feeling of returning to the roots of one's beginning. The re-establishment of personal identification. At the very least, it is a time to remember the days of past years, when each of us was younger.

President Joe Allen Ballard and committee chairmen have been working steadily to make the celebration a success. There is a great amount of planning and detailed work which goes into the celebration each year. Everyone who works deserves a vote of appreciation, for everything that is done is accomplished by volunteers. The Hall County Picnic is not a money making project. Contributions offset the costs each year.

Citizens will get things off on Friday night by watching one of the really outstanding sporting events of the year, the Memphis Cyclone and Childress Bobcats football game. This game promises to be a real classic by two state ranked ballclubs, both ranked at the top of their districts.

Saturday, the annual parade will kick off at 2:30 p. m. in the downtown square area. The American Legion Post has been working hard this year seeking entries in the parade and a fun time is being planned.

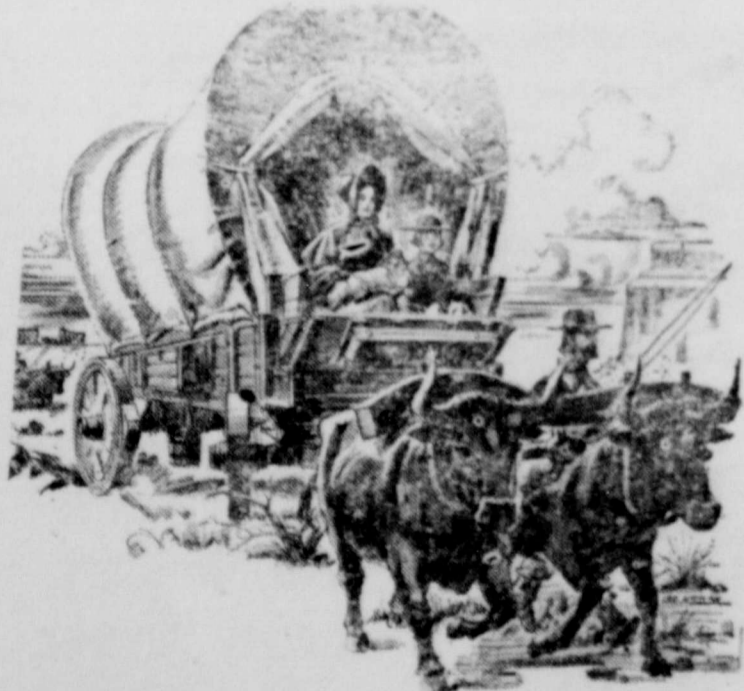

After the parade a beard judging contest will be held by the Chamber of Commerce. The beard contest caused a big commotion last year with several hundreds of people assembled in front of the courthouse. This year, a lot of the men started out growing beards, full ones. As the weeks went by, these have been trimmed, and now only a few men are supporting a full beard, but many have trimmed mustaches, and other assorted whiskers in various styles.

The 1920s school people will be having a big affair during this celebration which will live up to the activities, and the Little Master and Miss Hall County contest, for ages three to six, will be held Saturday evening sponsored by the Memphis B & PW Club.

Also, on Saturday evening, a "community singing" will be held at 7:30 in the Fellowship Hall of the First United Methodist Church. Anyone who enjoys old fashioned gospel singing is cordially invited to come.

Sunday's free barbecue in the City Park at noon will highlight the weekend activities with Pete and Bill Land of Clarendon doing the cooking for the affair. Their son and grandson, Steve, is a coach in the Memphis Schools and he and his wife are citizens of our community.

We extend our invitation to all former citizens to come and enjoy the Hall County Picnic, 1974 style, and hope everyone has an enjoyable time.

What Other Editors Say

Republican Economics
The Republican Party either hasn't learned much about managing the national economy in its first hundred years, or it doesn't care much about what happens at the middle and lower levels of it.
You can take your choice about the underlying reasons for it, whether it is villainy, vanity, or venality, but the obvious fact is that the Republican Party, philosophically, is only concerned about what happens at the top levels of economic policy.
The historical fact of the policy has always, in the long run, resulted in economic failure and political ignominy for the Grand Old Party hasn't, up to now, served to alter the grand strategy.
And much as we'd like to believe that President Ford is going to pass some sort of miracle, or at least steer the party in a different direction, there isn't any evidence of it so far and there is considerable evidence to the contrary.
Creating a scarcity of goods and services... and money... never has worked as a means of either creating prosperity or controlling inflation; but that seems to be the policy we're pursuing. There is still serious talk in Washington, for example, of raising the price of motor fuels by

radically increasing as already high federal tax on them... the theory being that if the fuel price is high enough, people will use less of it and shortages will be manageable.

The same reasoning has been applied, and is still being applied, to the cost of money... as soaring interest rates attest. The theory is that high interest rates will reduce spending, thus putting a lid on inflation. The level of interest rates, and the level of taxes, are both factors in the economy over which the Federal government can exercise direct & positive control, so the use of these weapons in "the fight against inflation" is not matter of idle speculation. They have been used, they can be used, and there are many indications that the Administration plans to continue to use them this way. This is in accord with the Republican

philosophy of government and economics, so it isn't surprising.

But it is disheartening, because this country has learned to its sorrow on many previous occasions that these policies don't work... that the ordinary people get hurt by them in a hurry.

High prices for fuels aren't specially disturbing to that segment of the population which is wealthy enough to afford them; and high rates of interest aren't noticeably disastrous to that segment of the population which has money to lend.

Reducing spending, freezing people out of the market place, doesn't control inflation... it creates it. And carried to extremes, it can create depressions, too, as everyone over fifty can well remember.

Christian Church Ladies' Groups Have First Meeting

A joint meeting of the Women's Missionary Council and the J. O. Y. Circle, both of the First Christian Church, was held in the form of a salad luncheon on Monday at 12:30 p. m. to begin their fall activities; both groups having dispensed with their meetings and studies for the summer months.

Dorcille Widener, Charlotte Mitchell and Lynda Crane were acting both as hostesses and in charge of the program. The tables were laid in white and center-piece of flowers and candles in autumn hues enhanced the decor with new yearbooks made up by Genevieve Murdock and Dorcille Widener at each table setting in various colors, also adding up to make a most attractive setting. Dorothy Stargel offered thanks for the food consisting of a variety of delicious salads, relishes, snack crackers, pies and iced tea which was served buffet style.

Following the luncheon, the program was given along with a short business meeting in which plans were suggested for redecorating the Jr. Assembly room upstairs. Also, a plan was discussed for combining the two groups into one using it for both a missionary study and Bible study; meetings to be held on the first Monday of each month at 3 p. m., the object being to increase interest and larger attendance. Lynda Crane

crane gave a very good talk on "Friendship" using poems to illustrate her subject and Charlotte Mitchell gave three scriptures selections, two from Proverbs and the other from Matthew on "Christian Friendship" and what a friend really means. The group then formed a Friendship Circle joining hands and sentence prayers were given in turn with Mrs. Mitchell beginning and closing the prayer session.

Those present were: Lucile Randal, Faye Maddox, Eva Odom, Dorcille Widener, Mable Roberts, Mary Sue Stotts, Dorothy Stargel, Mary Jane Thompson, Genevieve Murdock, Lynda Crane, Charlotte Mitchell and Inez Aspgren.

Progressive Class of Travis Baptist Has Meeting Sept. 9

The Progressive Sunday School Class of Travis Baptist Church met Monday afternoon, Sept. 9, in Fellowship Hall for their monthly class meeting.

The meeting was opened with prayer by Ethel Byars; the minutes of the previous meeting were read. There was no new or old business.

Mrs. Hansard read the scripture using Ecc. 3. Mrs. Byars led in a Bible quiz using the book of Genesis.

Reunion of all the late Mr. and Mrs. Wilson, pioneer residents of Memphis, was begun on Aug. 31, with the arrival of Mr. and Mrs. Wilson of Chicago. An open house for visitors, old-time friends of the family was held on Saturday at the home of Miss Grace Wilson from 6 to 9 p. m. Calling during this time revealed a beautiful white table with pale gold leaves. Various floral arrangements sent in by friends enhanced the beauty of the occasion. A serving table, a solid oak table used by the family for years, was laid with a white Damask linen edged in knotted fringe, an undershirt, which was full and hung to the floor. A centerpiece was of large gold ferns with greenery in a bowl. Dainty homemade nut and candies were served with the fruit punch provided for by Miss Mary, daughter of Willie C. Wilson, in crystal holders on the desk, a family picture near the table. All table linens were of crystal. The five children, Leonard, Dorcas Ruth, Howard and two attended services on Sunday morning at the Presbyterian Church (the home church of the Wilson family), accompanied by Mrs. Leonard (Pauline) Wilson, Mrs. Howard (Virginia) Wilson and Joe and Mary, children of Mr. and Mrs. Harold (Willie C. Those remaining attended evening services at the First Christian Church and were welcomed and recognized by their minister. Present here also were floral arrangements, memorials to Mr. and Mrs. John C. Wilson. Miss Grace Wilson wore a beautiful corsage to both services, sent to her by Mrs. F. E. Leary. A very full and enjoyable week of family get-togethers, friends visiting, trips to the old time home-place, cooking, eating, reminiscing, looking at pictures and family treasures was enjoyed by the family which ended on Thursday, Sept. 5, when Mr. and Mrs. Leonard Wilson and Miss Grace Wilson took Howard and Virginia to Amarillo where they were joined by Dorcas Ruth to put them on the plane back to Chicago. They were house guests in the homes of Leonard and Pauline at 223 S. 12th St. and Grace who lives at 1316 W. Main.

Local SCS Men To Attend Field Day Sept. 18

A field day and tour will be held at the Soil Conservation Service plant materials center at Knox City September 18, State Conservationist Edward E. Thomas announced today.

Tours of the center, which serves Texas and Oklahoma, will be held from 8:30 a. m. to 3:00 p. m.

Livestock producers, seed dealers, sportsmen, and others interested in the search for improved plants are being invited to attend. David Seitz and William Reeder plan to attend.

Paul Kramer, director of the Texas Forest Service, will speak during the field day.

New grasses, forbs, legumes, shrubs, and other plants under evaluation at the center will be discussed during the day. Some 1,500 strains of more than 300 different plants are being grown at Knox City.

Chief goal of SCS plant materials work is to find new strains of grasses, legumes, forbs, or shrubs that will solve specific conservation problems. Since livestock and wildlife co-exist on the same land, the search extends to those which have values for both livestock and wildlife. Such plants are needed for use in range seedings, travel lane plantings, or other uses.

Plants are also being sought which will thrive on high saline soils as well as those which will prevent wave action damage on shorelines.

Strains which appear promising at Knox City are then grown and evaluated under field conditions on farms of soil and water conservation district cooperators under a wide variety of conditions. Selections which prove superior to other plants available commercially are then released by conservation districts to seed growers. These producers then grow seed and sell it to the public.

Grass strains proven and put into use by SCS include Mason sandhill lovegrass; Selection 75 kleingrass, El Reno, Uvalde, and Vaughn sidecoats Grama; Kin Ranch bluestem, green sorangletop; and Grenville switchgrass.

Some of the groups who cooperate with SCS in its plant materials work in Texas include Agricultural Research Service, Texas Agricultural Experiment

TriState Fair To Feature Good Entertainers

The Tri State Fair offers more in '74. Each year we think it can't get better but it does.

Rex Baxter, manager of the fair, has announced the entertainers to be on hand this year. Among them will be Tanya Tucker, the teenage entertainer who was a nationwide hit with "Delta Dawn" on Columbia records when she was only thirteen.

Tanya was born in Seminole, Texas in 1958 and moved to Henderson, Nevada in 1971.

Appearing with Tanya will be Mel Tillis, songwriter, singer, comedian, publisher. . . Total entertainer.

Tillis' track record as a performer in his chosen field is formidable. Some of his hits include "Old Faithful," "Something Special," "Untouched" and many more.

Performances for these two will be on Monday and Tuesday of the Fair at 5:30 and 8:30 p. m. Tickets are \$3, \$4 and \$5.

On Wednesday and Thursday of fair week, Charlie Rich, the country singer voted best male singer of 1974 by the Country Music Association, will entertain you. His hits, "Behind Closed Doors" and "The Most Beautiful Girl in the World" are played on nearly every radio station.

See Charlie Rich on Wednesday and Thursday performances at 5:30 and 8:30 p. m. Tickets are \$4, \$5 and \$6.

To wind up the week, that great favorite Charlie Pride will be the star. Friday and Satur-

day performances at 5:30 and 8:30 p. m. Tickets priced at \$4, \$5 and \$6.

Tickets for these performances will go on sale at Sears on Aug. 26th. Dates are Sept. 16 thru 21.

Join with us in the celebration and the big barbecue which will be served at the City Park Sunday, Sept. 15th.

As events of years gone by are discussed, many "old timers" will remember when Memphis Compress was established here in 1921. From that date the "Press" has served as headquarters for our friends in the ginning and cotton buying business, not only in Hall County but over the state and nation.

We are proud of the record we have established in helping to promote the progress of this county. We shall continue to cooperate in all worthwhile efforts which will mean more to our friends in the cotton industry—from farm to the final buyer.

Join with us in the celebration and the big barbecue which will be served at the City Park Sunday, Sept. 15th.

Ray Farabee Plans To Be Here On Weekend

Ray Farabee, Democratic nominee for the Texas Senate for this district, will attend the Hall County picnic Saturday. He will arrive in Memphis from Silverton.

"I look forward to visiting with friends at the picnic. Although I will not begin official campaign activities until the Democratic Convention in Austin is completed next week, I have continued to travel this summer in the 29 counties that make up the 30th district."

"The best way I know to overcome citizen apathy toward government and build confidence among people is to have person to person contact with candidates and elected officials. If government officials will listen carefully to the citizens they represent, we will see better participation at the polls in November," observed Farabee.

On Friday, the Wichita Falls businessman and attorney spoke to the Lockney Rotary Club and attended the Floyd County Fair. On Thursday he attended the Gate City Electric Cooperative meeting in Childress.

BYRON BALDWIN

visitors were in the past looking over Heritage Hall representing the Amarillo Chamber of Commerce. They were very com-

great-grandfather, J. J. Robertson, in his general store at Crystal City in 1870. Also, the chart that their mother used in teaching at Plaska 34 years ago when she was teaching her pupils the different stages of the cotton industry from the planting of the seed until the cotton came out in woven cloth.

Other visitors in Heritage Hall the past week were Ronald Ables and Peggy Mottlie of Dallas. Ronald, the son of Mr. and Mrs. Emmett Ables, graduated from M. H. S. in 1962. He served on the police force in Amarillo for two years and decided that was not the life for him. He next entered a trade school in Dallas and is now service manager technician for Sound Electronic Co. of Dallas.

Virginia Browder gave me the following names of the ones she had heard from that were going to be here for the "roaring 20's" reunion: Lyle Montgomery from Kiowa Lake, Texas-Lyle's father was the driver of the first horse-drawn fire truck that was bought by the City of Memphis; Ruth (Swift) Stanley of Amarillo, the daughter of the late Mr. and Mrs. Fred Swift, who were early day residents of the Memphis area; Mr. and Mrs. Roy Garner of Bells, Calif., who were former residents of Turkey and Memphis; Floyd Gilmore, the son of the late Dr. and Mrs. Gilmore of Turkey, is planning to be here. Melvin Rawlins, Elise (Ogden) Frierson, Grace (Ogden) Fitzjarrald, R. K. Everett, Joe Everett, Mr. Cosgrove, Jack Rawlins, C. Eand Lucille Baker, Della (Gober) Seals, Charles Massey, James Bradshaw, A. R. Evans, Mr. and Mrs. Budge Harle, Mr. and Mrs. Toots Thompson, Zady Bell Walker and Rev. William

Mr. and Mrs. Neill of Irving for their contribution to Heritage Hall. Mrs. Hoover will be remembered as...

T. Swain.

Also received word from Virginia (Thompson) Brown of Tyler that they would be here for the roaring 20's. Orville Goodpasture is preparing to act as host at the recreation room of the housing authority. Word came to me a few days ago that Virginia Browder is planning to have an old fashioned hay ride on one of the floats for the roaring 20's in the parade. These roaring 20's may have to have ladders and assistance in getting on and off the float, as most of them in this group are married to grandpas and grandmas. I received a letter a few days ago from Frank Duke of Alvord stating that it had been several years since he had attended the Hall County

Picnic. He said the fever had been coming up on him to attend the picnic this year. He asked the question in his letter if there would be a good dance on Friday or Saturday as he liked a swing party. I answered him telling him to bring his "Arthur Riteus" medicine and come on. I think Frank would be like an April shower; it would be over before the fiddle started.

A quote: "It's called 'take home pay' because there's no other place you can afford to go with it."

Hall County Heritage Hall will be open all day Saturday, Sept.

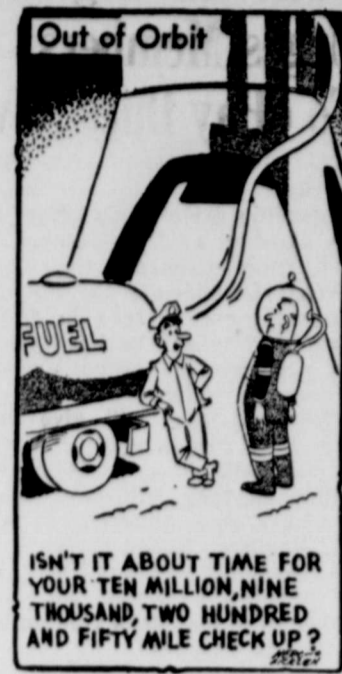

14, and will be open from 2:30 to 6 p. m. on Sunday afternoon, Sept. 15. The latest report I had was that the beef committee had secured the beef, Fete Land and his big salt and pepper shakers and other equipment for the cooking along with the fire boys.

Ruth (Finch) Harrison was visiting in Dalhart a few days ago with relatives and her uncle Irville Finch sent us a small vase with the picture of the old courthouse. The picture was made about 1910. Mr. Orville has been a strong supporter in every way for Heritage Hall since it was first started. The Finch family were early day residents of Hall County. I think Orville, brother of the late Frank and Howard, is the only member of the J. A. Finch family now living. Orville is now in his 90's and is very active for his age. He recently passed the test for his drivers license. Our thanks to Mr. Finch for his continued interest in Heritage Hall.

Well, "Texas" did it again the past Saturday night when Shirley Cothran, a flutist with an old fashioned hairdo, was named "Miss America" for 1975. She is the second Miss America to be named from Texas in the past 4 years. The other former Miss America was Phyllis George of Denton. She was on stage as a cohostess when Miss America was crowned by her predecessor, Rebecca Ann King of Colorado. Texas can still brag over "Texas Shirley".

A man returns to his hometown. Things are different. It's the new dimension of added year old friends. The star of the high school football team now brown bald and the quiet little boy who always had his head buried in a book is now the judge.

Things change. The hill that seemed to steep for sleighing 30 years ago seems so little. That front lawn that was so large when mowed by a young lad is now so small. But though the years bring change and the years bring new values, it's still the happiest, friendliest, quietest,

ISN'T IT ABOUT TIME FOR YOUR TEN MILLION, NINE THOUSAND, TWO HUNDRED AND FIFTY MILE CHECK UP?

most beautiful place in the world—a man's hometown. Even if it just exists in his memory.

A quote: "A teenager is the great American middleman—to young to be old, too old to be young. Teenagers are the vanguard of tomorrow. They are a fresh breeze to a stale world."

The latest word from Lucile Wright was that Charlotte Fore, daughter of Jet and Dora, was planning to be here for the picnic this year.

Joe Allen Ballard is doing a lot of leg work putting over the

picnic this year. Those who could not hear the invocation or program last year will be surprised this year as I think Joe Allen has made arrangements for several loud speakers placed in trees and on poles in the park.

Our best wishes for everyone to enjoy the homecoming and picnic of Hall County. This is not just an "old timer" reunion. If you have lived in Hall County a few days or if it has been 50 years ago, we will look for you. Tomie Potts will have his greeters there to make you feel welcome and glad you came.

American Legion Urges Members To Pay Dues Now

The Simmons-Noel Post 175, American Legion is holding a membership drive in an effort to have all dues paid by October 1, 1974, it was announced today.

After October 1, the Legion Post will have to send in \$1.00 extra in state and national dues. All members are urged to pay dues now in order to save money.

The local post will give one year free membership dues to veterans who have just become eligible if they will send their names and dates of service to Box 158, Memphis, Texas before Oct. 1. All Vietnam veterans who have not joined the Legion will also receive first year dues free under the same conditions.

The Legion is holding a Fish Fry with all the trimmings Thursday, Sept. 12, and urges all members to attend and also invites new members to be present.

First Baptist Plans Special Services Sunday

In connection with the annual Hall County Picnic, special services will be held this Sunday at the Memphis First Baptist Church, according to C. H. Murphy, pastor. The morning Bible study and worship services will be abbreviated in order for everyone to participate in the free barbecue dinner at the City Park.

Special guest Bible teacher for the adults will be Dr. Ivlyoy Bishop, professor of religion and head of the Division of Religion and Philosophy at Wayland Baptist College in Plainview. All adults are invited to this special Bible study time at 9:45 a. m. in the church auditorium, Rev. Murphy said.

Special events are planned for all youth as well, beginning at 9:45 with a featured testimony by Tommy Speed, followed by Bible study with Geary Brogden leading.

The morning worship services will begin at 10:45 a. m. and dismiss at 11:30. Everyone is invited to attend by Rev. Murphy.

Buses To Run To City Park Sunday

Buses will run from the square to the City Park, beginning at 10:30 a. m. Sunday. The buses are being furnished by the Memphis Public Schools.

Sheriff Elmer Neel and Van Howard will be driving the two buses with trips being made as soon as the buses are filled. Citizens are asked to ride the buses to the park rather than drive their cars, in order to avoid traffic congestion. The buses will make regular runs between the park and no one should have to wait very long to catch a bus.

Band Boosters To Meet Monday

The Band Boosters Club will meet at 7:30 p. m. Monday night, Sept. 16, at the Band Hall in the High School Building.

New officers will be elected. All parents of band members are urged to attend this important meeting.

Lena Mae Adcock, who is deserts chairman, urged all local residents to bring deserts to be served with the barbecue. This is an added treat for our out-of-town visitors who seem to enjoy this part of the dinner, she stated.

Following the picnic meal, a program will be presented under the direction of Wendell Harrison. Also during the business session, new officers will be elected for the coming year.

We are expecting one of the largest crowds in the history of the association, he said.

Rep. Bill Clayton, Fort Worth released his five remaining backers to do as they pleased.

Parker claimed the Clayton coalition — which includes staunch conservatives, staunch liberals & down-the-middle moderates — is hastily and insecurely glued together.

He said he still hopes to shake it apart by emphasizing to liberals his own voting record, particularly on House reform, minority, labor, consumer and ecology legislation.

Most legislators appeared to agree with Clayton that: "For all intents and purposes, the ballgame is over."

CRC TO MEET
The 37-member Texas Constitutional Revision Commission plans an October 4, meeting here to take a look at possible future means of getting a new state constitution.

The January-July Constitutional Convention, with the legislature sitting as delegates, ended in failure. CRC recommended a revision draft to the convention which has drawn wide praise as a sound document.

out" as quickly as possible. He cited records of cruelty to youthful inmates there.

Texas Youth Council members voted to appeal the order because it did not "take into account improvements (during) the past year."

TAX CUT TALKED
Both Governor Dolph Briscoe and Lieutenant Governor Bill Hobby have suggested sales tax rate cuts next year.

Briscoe called for elimination of the four per cent tax on utility bills.

Hobby, in a speech here, said he thinks the projected \$1.5 billion general revenue surplus will lead legislators to consider "very seriously" lowering the state sales levy in 1975.

Briscoe's proposal would take an \$80 million annual load off utility bills.

strike is unconstitutional, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

A justice of the peace may not delegate to any employee exercise of his constitutional or statutory judicial powers.

Records of State Bar Grievance Committee proceeding are not subject to mandatory public disclosure under the open records act.

The Workmen's Compensation Second Injury Fund may be deposited in an interest-bearing account.

Wages must be paid at least semi-monthly and within 16 days after the day earned.

Certain medical records of county hospitals may be protected from forced disclosure.

BOOK HEARINGS ON
More than a dozen individuals and groups this week presented 484 objections to public school textbooks submitted for state adoption in 1975.

The three-day September hearings — airing objections and answers of publishers — are the first step in the annual adoption process. The State Board of Education will have the final say when it votes on the books Nov. 9. The board will also hold a special public hearing here Nov. 9. (Continued on Page 12)

POPULATION BOOMING

Texas population is growing by 30,000 a year due to migrations from other states, and nearly 250,000 new baby Texans are born annually.

But the most important factor in growth and decline of cities, according to a new report by Robert I. Ryan, editor of Texas Business Review at The University of Texas, is not birth rates but job opportunities or lack of them. One hundred and eighty-five of the 254 counties actually lost population through migration in the last decade. The Negro population increased during the sixties at a 55 per cent higher rate than the white population.

STATE JOBS TO INCREASE

State employment will increase substantially during the next half dozen years, according to Texas Research League.

The League, a privately-supported research group, predicted non-educational employees will increase from 58,700 to between 78,000 and 95,000 by the fiscal year 1980. The average cost per employee is estimated by TRL to increase from \$9,174 (a 1972 figure) to more than \$12,000.

SHORT SNORTS

September 16-21 has been designated Voter Registration Week.

Senator Jim Wallace of Houston served as governor-for-a-day Saturday. Senator Peyton McKnight of Tyler was honored Monday at special "McKnight Day" ceremonies in Tyler.

Secretary of State Mark White Jr. certified the general election ballot — without the Socialist Workers Party candidates.

Ten employees of the State Department of Labor and Standards were dismissed. Then son of

AFL-CIO President Harry Hubbard was promoted to the \$16,000 a-year job of one of those sacked.

Lone Star Gas Company is asking Texas Railroad Commission to approve an 8.6 cent per thousand cubic feet rate increase.

State cigarette tax revenues declined more than a million from August 1973 to August 1974 — from \$24.7 million to \$23.7 million.

Jack Hightower Expresses View on Nixon Pardon

Senator Jack Hightower, Democratic nominee for Congress, said today that President Ford's full pardon for former President Nixon "has wiped the slate clean before we had a chance to find out what was going to be written on the slate."

Hightower said he personally feels compassion for Mr. Nixon and has no interest in looking for ways to punish him.

"But for nearly 200 years this has been a nation of laws and not men," Hightower added. "Americans have a right to expect fair and equal treatment under the law for all citizens. I think the President's action poses real problems for Watergate defendants who have been convicted or who still face trial."

"When President Ford took office he said the long national nightmare of Watergate was over, and we all breathed a sight of relief and rallied behind the new President. Now the nightmare has been revived, and I am afraid national unity will be severely affected."

"Perhaps President Ford has a reason for acting so prematurely to pardon a man who has not even been charged with a crim-

"Please come back, Benjamin, daddy will never say that word 'work' again..."

al offense, but it seems to me this action raises new questions and may prevent the people from ever knowing the full story of what happened in the Watergate affair.

"It seems to me the administration should be devoting its full attention at this time to the nation's economic ills rather than looking backward at Watergate."

"The President has said, and rightfully so, that inflation is public enemy Number 1, but apparently there are some members of the administration who are more interested in dragging out the Watergate tragedy rather than attacking the problems of high interest rates, soaring food costs, and tight money," Hightower concluded.

He campaigned Monday in the Amarillo area.

Reddy's consumer tips on... lighting

Edison's light bulb has come a long way since it first lit up the night in 1879; today, lighting is such a natural part of our lives we hardly give it a thought. But the fact is, the more choices we have in how we can use light, the more attention we should pay to how we buy and use light bulbs and lighting fixtures. Put a little more light in your life by following Reddy's money-saving, energy-conserving lighting tips:

CARE FOR LIGHTING EQUIPMENT
 Dust and dirt alone cause substantial losses in the amount of light produced. Systematic cleaning is important. Clean lamp bulbs (when they are cool) with a damp cloth.

Check frequently for defective cords or plugs. Replace or repair them immediately if they are faulty.

LESS IS MORE
 Generally, you'll get more light for your money if you use the least amount of bulbs that give the light you need. For instance, one 100-watt bulb gives more light than three 40-watt bulbs—and costs about one-third less to buy and replace.

READ THE LABEL
 Speaking of "lumens," you'll find that all light bulbs have three ratings on their packaging. Lumens tell you what the light output or performance of the bulb is. "Wattage" tells you how much electricity is needed to produce that light, and "bulb life" is the estimated length of time it will take the filament inside the bulb to burn out. When brightness is more important than bulb life—for reading, studying or working—choose the "standard" bulb that gives you the most lumens for its wattage.

Remember, Reddy supplies the energy, but only you can use it wisely!

Baldwin, Davis Vows Read Aug. 31

The Park Cities Baptist Church of Dallas was the scene for nuptials uniting in marriage Jenny Kay Baldwin of Dallas and John Floyd Davis of Oxford, Miss., at 8 p. m. Saturday, Aug. 31.

The officiating minister was Dr. Hubert R. Howard, pastor.

The bride is the daughter of Dr. and Mrs. Alvin Baldwin, Jr.,

of Dallas and the groom is the son of Lt. Col. (Ret.) and Mrs. Montie A. Davis of New Orleans, La.

Lovely church decorations included white candles, white azaleas and greenery. Wedding music was provided by the church organist, Christina Fischer, and included Bach "Tocatto in G Minor", Bach "Fugue, O God Our Help in Ages Past" and Bach "Fugue in D Major", also themes from "The Nutcracker Suite" by Tchaikowsky. The processional was "Trumpet Tune in C" by Purcell and the recessional was Bach "Fugue in G Minor".

The bride chose a gown of imported silk organza veiling a silhouette of taffeta. The moulded empire bodice veiled with appliques of chantilly lace traced with seed pearls and paillettes was fashioned with a high fitted neckline and double cap sleeves. The wide oval yoke was accented by the chantilly lace and edged with Venise lace. Tiny covered buttons accented the back of the gown. The slim skirt enhanced by appliques of the jewelled chantilly lace and Venise lace swept to a wide chapel length train. Her veil, a mantilla of imported silk illusion, was edged with ivory lace and fell to her shoulders. She carried a white orchid on a white prayer book.

Matron of honor was Mrs. Ted Crow of Dallas and maid of honor was Miss Patricia Baldwin, also of Dallas. Both wore costumes of peach voile with wide ecru lace edging, scooped neckline and sash of ecru ribbon. They carried Tropicana roses.

Bridesmaids were Mrs. Montie A. Davis III of Jackson, Miss., Miss Nellie Watson of Baton Rouge, La., Miss Carol Rushine of Memphis, Tenn., and Miss Mary Guittard of Dallas. Their costumes and flowers were the same as worn by the matron of honor and maid of honor.

Serving as best man was Martin Paschall of Paris, Tenn.; groomsmen were Andrew Davis, Yale University, New Haven, Conn., Montie Davis III of Jackson, Miss., John Sullivan of New Orleans, Gregory Breland of Oxford, Miss., and William Man-

drill of Fayetteville, Ark. The couple will live in New Orleans, La. The bride is a graduate of the University of Mississippi with a BA degree and Louisiana State University where she received her M. A. She is a member of Pi Beta Phi sorority. Her groom is a graduate of the University of Mississippi with a B. A. and an M. F. A. He is a member of Kappa Alpha fraternity. Following the ceremony, a garden reception was held at the home of the bride's parents at 6215 DeLoache in Dallas. Prior to the wedding, a rehearsal

ing the affair were Dr. and Mrs. Marvin Knight.

The bride is a granddaughter of Mrs. J. L. Prideaux of Wichita Falls and the late Jess L. Prideaux of Archer City and the great-granddaughter of Dr. R. O. Prideaux, the first white settler of Archer City who came to Archer County in 1874. She is also the granddaughter of the late Mr. and Mrs. A. Baldwin of Memphis and a niece of Mr. and Mrs. Byron Baldwin and Mrs. T. L. Rouse of Memphis.

In Remembrance

... of all those hardy and religious men and women who pioneered this area. This thought is occurring as we hold our annual Hall County Picnic. They were the settlers ... came with faith, that with the help of providence, they could establish a new life. These are the ones who made their homes upon the fertile land and in the towns of our county. They built the churches, the schools, and laid the foundations which we are enjoying today. It is our prayer that time and circumstances may never erase the memory of the challenge of their faith.
