Cyclones Travel To McLean Friday

The Memphis Cyclone will be on the road again Friday night, traveling to McLean for a football game with the McLean Tigers with kickoff scheduled for 7:30 p. m.

The Cyclone will be seeking its third straight district victory and the sixth straight of the season when the two teams line up for the opening kickoff.

McLean has lost two district outings and appear to be one of the weaker teams in the conference, but Coach McMurray, head mentor of the Cyclones squad, said, "this game is just as important for us to win as any other and we must play to win the game and look sharp doing it."

Clarendon, the Cyclone's next week's opponent, defeated the Tigers by a one-sided score last week while the Cyclone was winning a crucial game at Shamrock.

Memphis and Silverton are the only two teams with 2-0 records in district play and Clarendon, 1-1, is playing Silverton Friday night.

Clarendon volunteered to forfeit the Shamrock game, which Clarendon won 22 to 18, on a player eligibility technicality, and the District 2-A committee voted to require the forfeit. This action made the forfeit official.

The Cyclone's next opponent, the McLean Tigers, started the season with less than 20 players on their roster, several of which are listed as freshmen. Since the season has continued, three Tigers have sustained injuries which further thinned their ranks.

Memphis Coaches were very pleased with the Cyclone squad at Shamrock Friday night, and Coach McMurray said, "Our offensive line graded out real high and our backs blocked better than they have all season and looked good doing it."

"We have had good workout sessions all week and we must maintain a consistence of good performances, and make an effort to eliminate the number of penalties on our part giving our opponents new life and field position in the four-down zone of the field.

"Our ball handling has definitely improved and our passing game has really come on in recent weeks," the coach said.

The coach cited J. D. Evans, Ed Hutcherson, Kenneth Fields, Matt Monzingo, Candy Reyes and Buddy Ballew for outstanding offensive performance against Shamrock. He said the team's running backs were equally deserving and James Beck had an outstanding night.

There could possibly be two lineup changes against McLean, he indicated, defensively, as competition for starting positions remain keen in the Cyclone camp.

The Cyclone has two goals for the regulation season, and these are to capture a District Championship, and to have a 10-0 season.

Mack Richards Re-Elected To Two Co. SWCD

An election for a board member of the Hall-Childress Soil and Water Conservation District No. 109 was held on October 9, 1974, in the Hall County Courthouse.

Warren Mitchell, Hall County Agent, presided over the election. Mack Richards, who is a well known farmer, was re-elected to a five year term as the new director.

Richards was appointed some three years ago to fill the vacancy following the death of Joyce Webster.

Richards will be serving as director of Zone 1 which is all of Hall County north of Red River.

For the past two years Richards has served as Chairman of the Board of Hall-Childress Soil and Water Conservation District.

The District meets the second Wednesday of each month, alternating their meetings between Childress and Memphis.

No Easy Answer

Everyone in this area is well acquainted with the plight of the cattleman, and especially the cattle feeder who has seen profits turn into deficits under the crunch of lower fat cattle prices and higher feed costs.

But despite all of the outcries about the situation, nobody seems to know what to do about it, at least not in a way that would be satisfactory to all.

Arbitrarily raising the price of fat cattle does not set well with consumers who know that these are likely to be passed on, even though lower fat cattle prices don't seem to be reflected at the retail meat counter.

Arbitrarily lowering the cost of feed grain would generate quite an outcry from farmers who must now depend upon continued high prices for grain in order to meet the increased costs of fertilizer, machinery, labor and everything else that goes into its production.

There might be a subsidy to the cattle industry, but the American taxpayer is not likely to have any of this because such payments would come from tax money extracted from individuals and corporations.

The Texas and Southwestern Cattle Raisers Association met last week in Fort Worth and passed a resolution disapproval of "intemperate protest acts such as the proposed wasteful destruction of hundreds of cattle" in Stephenville.

The resolution stated that in lieu of protest acts such as the aborted destruction of these cattle, other action should be taken.

These included prohibition of unrestricted meat imports, allocation of more funds for beef promotion, increased research efforts for the industry, fiscal responsibility at all levels of government and continued efforts to fight inflation so that the average consumer will have more disposable income.

These may get the job done. An official of the Texas Cattle Feeders told the local CowBelle organization much the same last month at a luncheon in Perryton. He called for more effort directed toward increasing beef consumption.

These measures are not quick and not dramatic and certainly not effective enough to rescue the cattle producer from his plight right now.

If it were a simple matter, most of us could understand it. If the price of slaughter cattle dropped drastically and this was followed quickly by an equally drastic drop in the price of meat in the retail stores, we could conclude that there were too many cattle and that the law of supply and demand was working.

But when the price of slaughter cattle drops and meat prices stay about the same, it makes one wonder if the free enterprise system has broken down.

ACROSS THE DESK

What Other Editors Say

IT'S NOT FUNNY, SONNY

It all began as a joke, probably, but it wasn't any laughing matter . . . and by now, we feel sure, even the person (or persons) who wrote the bomb threat letter which cleared the Canadian schools last Thursday morning has realized the totally un-funny aspect of it.

The reality of bombings has been demonstrated with terribly telling effect in too many places in our so-called civilized world in recent years for anyone, anywhere, to take a bomb threat lightly or to ignore the possibility that it may be for real.

Even though school authorities may have been reasonably sure that the letter in Thursday morning's mail was a hoax, they made the only sensible decision when they ordered the immediate evacuation of students from all of the school buildings, and we commend them for making it. The chance, however remote, that a threat such as this might be "for real" cannot be taken when the safety

of hundreds of children may be at stake.

It is unfortunate that somebody's sense of humor went awry, but now that it has happened, it is vitally important, we believe, that it be made very clear to everybody that this sort of thing cannot be tolerated . . . that the offense was an extremely serious one . . . and that it can't be laughed off as somebody's idea of a joke.

Not any more than the destruction of the football signs should be laughed off as a joke . . . nor any more than the splashing of paint on school buildings should have been laughed off as a joke . . . nor any more than burglaries and break-ins of private properties, or of vandalism

to any kind of private or public property should be laughed off as a joke . . . or be allowed to go unpunished.

Too many such happenings have been passed over in this community in recent years, with the excuse that "kids will be kids" or that "it was only in fun" . . . and so we advance from such Halloween-type pranks as tossing eggs and garbage and paint at private homes and automobiles and businesses to other and more serious acts of vandalism, including break-ins and burglaries and bomb threats.

None of these are funny. And many of them are the outcome of progressive and promiscuous permissiveness. We, in the adult community, are directly responsible for the acts and the attitudes of our children . . . because we have failed to draw lines where lines should have been drawn . . . and when.

We have failed to draw these lines at any point for at least a part of our youth.

Home gardeners can also use
farm-tested practices. Contouring
rows and using terraces in a home
garden shortens the slope and re-
duces erosion. The contoured
rows capture the soil particles
that the raindrops knock loose
from the surface. Rotations —
moving plants around in the
garden — can serve as a conserva-

plants such as turnip greens that
can be used as a protective win-

Dye Crafts

How To Make Fiber Flowers

Here is a great decorating idea. The flowers made from twine are brightly colored in dye solutions. They are surprisingly easy to make, inexpensive and look like the expensive, imported ones you may find in stores.

Supplies: Cream or light brown sisal or baling twine, liquid or powder Rit dye, fine and medium wire, green floral tape, scissors, wire cutter, old newspaper or paper towels.

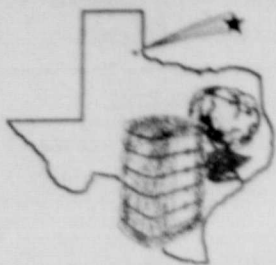

General Directions: Cut twine in about 8 inch lengths for each flower and unravel. Cut shorter lengths, about 4 to 5 inches, for each flower center; unravel. A wide tooth comb can be used to help unravel; discard tangled fibers. Tie lengths loosely into bundles using a small piece of twine. For each chosen color, prepare dye solutions by mixing 1 tablespoon liquid dye or 1 teaspoon powder dye in one quart hot tap water. Submerge bundles in dye solutions for about 10 minutes or until color is as desired. Dye flower center bundles in contrasting col-

ors. Rinse in cool water and drain on paper towels.

When dry, loop medium wire around center of a bundle of 4 to 5 inch fiber lengths (cut wire twice the length desired for flower stem) and twist wire ends together. Fold twine ends together and secure by wrapping around fine wire just above the loop. Trim twine flower center edges to desired length. Repeat for remaining flower centers.

Place longer lengths of dyed twine in a contrasting color evenly around a flower center and tie securely with fine wire. Trim edges; bend and shape with fingers. Repeat for all flowers. To finish flowers, wrap with floral tape, beginning just slightly above where wire is tied around the fibers and continuing until entire stem is covered.

Fiber flower container: A natural rattan container was dipped into a dye solution to add color to complement the fiber flower arrangement.

The Chamber Corner

This Saturday, Oct. 19 at 12 noon on KGNC Television, Channel 4, will be the scheduled time of the Farm and Home Show featuring the Cotton Boll National Enduro.

We will be guests of KGNC TV for a 30-minute television show with the various activities of this year's Cotton Boll National Enduro. Billy Ed Dixon and Dennis Holt will be among those of a western band providing music during the show and all of the Trophy Girl Contestants will be shown. Interviews with several Memphis Chamber members will also be conducted in relation to the many activities of the Enduro weekend, Oct. 26 and 27.

Mrs. Lena Mae Adcock and Larry Parks are accepting entries for the 3 p. m. Saturday parade Oct. 26. Everyone is invited to enter the parade which will form at the Junior High School between 2:00 and 2:30. Trophies and ribbons will be awarded to the various divisions of the parade. Many invitations have been sent out and we are expecting a grand parade this next Saturday, Oct. 26.

The Memphis Lions Club and Chamber of Commerce will jointly sponsor the community wide hamburger feast. We are preparing for 750 hungry people with big hamburgers, beans and all the trimmings. Half of the proceeds will go to Girl's Town in Berger and the cost is \$2.00 per person. At the conclusion of the Texas style hamburger feast will be the Cotton Boll National Trophy Girl Coronation. The girls will be shown and voted on by the audience at the hamburger feast.

We are encouraging all Chamber members to decorate your store front with the welcome banners and signs this week. Enduro riders will start coming into Memphis in their campers next Thursday.

Merchants who are selling the Cotton Boll National Enduro shirts are: Sylvia's Ready to Wear, Greene's Dry Goods, The Lady Fair, Simpson's and Donny & Fran's Place. The shirts are available in short and long sle-

eves, in various colors, and both children's and man's sizes.

Our Memphis Cyclone football team and band are doing a great job this year. The Cyclones are still undefeated and our band really looks sharp. Miss Blain and the band students have been putting a lot of long hard hours into getting ready for marching contest this year. We are hoping for another Division I rating at Canyon and we encourage everyone to support our Memphis band.

Another place where the Memphis slogan appears is on the pencils of Campbell's Insurance. Lester has always done a good job of promoting our community and we hope others will use our emblem and slogan in your business advertising and public relations.

The Chamber office received a letter requesting information by a gentleman of West Chicago, Ill., on how Memphis got its name. The following is from the book by Inez Baker, "Yesterday In Hall County", copyright 1940:

"The promoters of Salisbury immediately resented the little town (Memphis) and were accused of being responsible for it going so long nameless. Many names were submitted to the postal department but were refused for various reasons. At last Dr. Brice, while in Austin, saw a letter addressed to Memphis, Texas, with a notation (No such town in Texas). This name was submitted and after much delay, ac-

MHS Classmates Enjoy Reunion In Leslie Home

Several classmates of Memphis High School enjoyed a get-together Saturday, Oct. 12, in the home of Mr. and Mrs. Bill Leslie.

Those attending were Cella Leslie Godfrey of Houston, Leslie Helm Fry of Dallas, Deeda Hickey Ford of Perryton, Helen Howard Harrison of Minneapolis, Minn., Teresa Beckham Morgan of Amarillo, Sondra Stargel Reinauer of Hereford and Carleen Harrison Alderman of Dallas.

Memphis received its name in 1890 after the town site was founded by pioneers: J. C. Montgomery, Rev. J. W. Brice and T. J. Woods, Jr. of Dallas. The first buildings at the town site were a small rooming house owned by C. H. (Court House) Scott; homes of D. P. Webster, Robertson and Montgomery; general store owned by Rev. Brice; drug store owned by Dr. L. A. Brice; and a law office owned by Ben Keely and Charles Brice. Mr. J. G. Noel, brother-in-law of Mr. Montgomery, was another booster of the small town in Hall County who gave much of his time and money for the development of the new town.

Ben E. Davis of Davis Motor Co., located on the corner of N. 5th and Hwy. 287 is a new member of the Memphis Chamber of Commerce. Davis Motor Co. has hired the Memphis Chamber to promote our community and work for the progress and development of Memphis.

UDC Members Attend State Convention Oct. 8

The Winnie Davis Chapter of the United Daughters of the Confederacy met on October 8, in the home of Mrs. Bryan Adams.

In the absence of the president, Mrs. Theodore Swift, the second vice president, Mrs. Bray Cook presided over a short business session.

For the afternoon program Mrs. Cook told the "Story of Cotton." Roll call by members was "Cotton Facts."

The hostess, Mrs. Adams, served delicious refreshments to seven members present.

During the social hour the following oral report of the 78th annual convention of the Texas Division, United Daughters of the Confederacy, held at the Holiday Inn East, Wichita Falls, Oct. 1, 2 and 3 was given by Mrs. Bray Cook, Mrs. R. E. Clark and Mrs. Glynn Thompson. Also attending were Mrs. Theo. Swift and Mrs. Herlie Moreman.

Highlight of the opening meeting Tuesday evening was the bestowal of Crosses of Military Service to four men of World War II, with Col. Harold B. Simpson of Hillsboro receiving the distinguished Dick Dowling Medal by Order of the Stars and Bars, Texas Division. Col. Simpson is the 5th person in Texas to receive this prized medal. He was the guest speaker at the "Real Daughters" luncheon the next day and talked on "Robert E. Lee in Texas."

On Oct. 2, at 11 a. m. an impressive memorial service was observed for 8 deceased Texas Division, United Daughters of the Confederacy members.

Hostesses for the "Real Daughters" luncheon at 12:30 were Childress Chapter and Winnie Davis Chapter of Memphis.

These two chapters furnished attractive table decorations and also the program which was a skit cleverly narrated by Tops Gilreath, Childress Chapter, as Mrs. Paul Meyers, pianist, played soft southern music as Mrs. B. B. Martin, Mrs. L. L. Baker and Mrs. Clinton Voyles, all of the Childress Chapter and Mrs. R. E. Clark, Mrs. Bray Cooks, Mrs. Glynn Thompson, Mrs. Theo. Swift and Mrs. Herlie Moreman, all from the Winnie Davis Chapter of Memphis, beautifully gowned in "Southern Belle" dresses, paraded across the stage as her name was read portraying confederate women spies.

That evening from 5:30 to 6:30 a reception for officers, distinguished guests and members of U. D. C. was held in the Red Slipper room of Holiday Inn. The next morning Mr. and Mrs. Charles Ronick of Dallas gave a complimentary breakfast for all registered members and officers attending the convention.

A closing banquet was held at the Wichita Falls Woman's forum with Mrs. M. K. Anthony, a teacher of history at Wichita Falls college as guest speaker. Her subject was "Speak Out America."

A musical program was then given by the Bell Ringers, a group of high school students at the First Christian Church.

Over 200 U. D. C. members and guests registered from towns throughout Texas.

Awards were presented by the president, Mrs. Hall Etter of Houston, to chapters that had earned them.

New elected officers were installed and the convention adjourned to meet at a new resort near Baytown on the Texas coast in 1975.

The 69ers Club met Tuesday, Oct. 15, in the home of Opal Waites for an all day quilting.

The group quilted about an hour before lunch. At noon the group gathered around the beautiful laden table to offer thanks for the food. The meal was served buffet style and consisted of roast, potatoes, conjealed salads, tuna salad, corn, pea salad, relishes of all kinds, cake, coffee and ice tea.

Following the meal, the group returned to quilting. The butterfly quilt was completed at 4:00 p. m. The lucky lady of the afternoon was Ethel Lambert.

The next meeting will be in the home of Irene Reed on Nov. 19.

Mrs. and Mrs. Cap Byars, Mr. and Mrs. H. T. Tooke, Mrs. Lynn B. Jones, Rev. J. I. Herndon, Rev. Wilburn Cofman and Doyle Fowler, all of Travis Baptist Church, attended the Seventeenth Annual Session of the Panhandle Baptist Assn. of Turkey Tuesday afternoon and night, Oct. 15.

Delphian Club Meets In Regular Session Oct. 1

The Delphian Club met in regular session Oct. 1 at 4:30 p. m. in the Bronze Room with Mrs. Sim Reeves as hostess.

Mrs. Henry Hays was elected as delegate to the district workshop to be Oct. 7.

Mrs. John Deaver 11 introduced the program on the Bicentennial. Mrs. L. L. McKown spoke on what is an American and read a poem "America Begins at Home."

Mrs. Warren Mitchell presented information on the Bicentennial administration in the State of Texas and in Hall County. Mrs. Kenneth Dale and Mrs. Ben Moss gave talks on women in the Bicentennial.

Mrs. Henry Hays closed the program with a discussion and suggestions from club women about Bicentennial projects for the Delphian Club.

Members present were: Mmes. Wayne Sweatt, Geary Brodgen W. C. Dickey, J. S. McMurry, Mildred Stephens, Robert Duncan, Henry Hays, L. L. McKown, Sim Reeves, C. L. Smith, Neal Hindman, Kenneth Dale, Leon Davis, Ben Moss, Warren Mitchell, L. F. Jones, E. L. Kilgore, John Crane, Gaylon Ariola and John Deaver, 11.

Travis Baptist WMU Meets In October

The W. M. U. of Travis Baptist Church enjoyed two meetings in October, on Oct. 8 and 15, at 2:30 a. m. at the church.

Mission study was held Oct. 8 with Mrs. J. I. Herndon reading Genesis 13:1-11 and the Prayer Calendar. The sick and unsaved were mentioned and remembered in prayer.

Mrs. L. G. Rasco taught the Mission Book, "The Miracle of Love" by Charles L. Allen.

Attending were Mmes. Herndon, Rasco, Grace Richardson, C. H. Davidson, Wilburn Cofman, Cap Byars and Miss Joyce Richardson.

The W. M. U. also met Tuesday, Oct. 15, at 9:30 a. m. at the church for Bible study.

The meeting was opened by Mrs. Lynn B. Jones and she read Genesis 25:24-34 and the prayer calendar. The sick, unsaved and the unenlisted were mentioned. All of these were remembered in prayer led by Mrs. L. G. Rasco.

Mrs. Wilburn Cofman taught the Bible study, "Something Before Action," discussing the first two chapters of Acts. Mrs. Cofman led in the closing prayer.

Plaska Sewing Club Meets Tues., Oct. 10

The Plaska Sewing Club met Tuesday, Oct. 10, at 1:30 p. m. with Mrs. Stacey Waites.

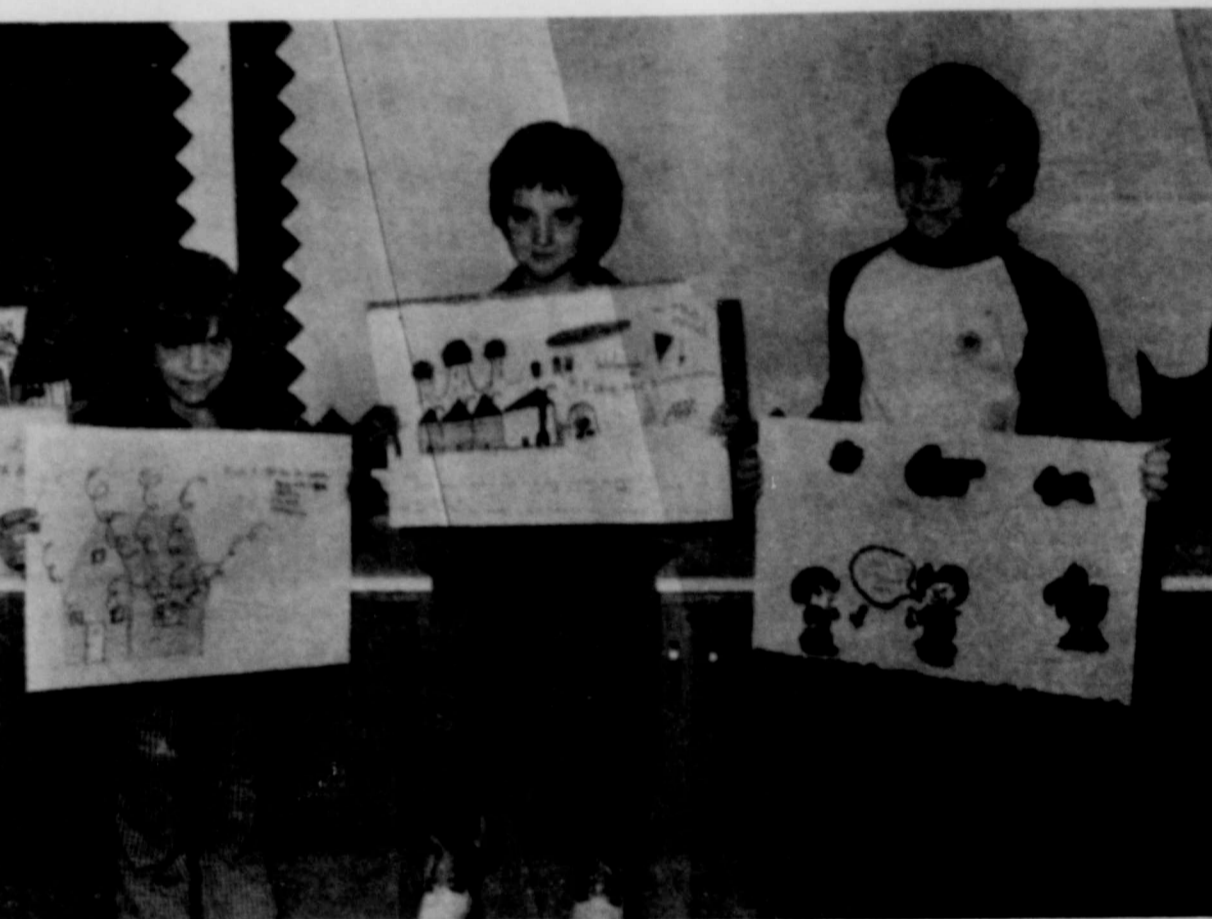

The afternoon was spent quilting and embroidering for the hostess.

Refreshments were served to Mmes. Brown Smith, Odessa Crisman, Elem Oreutt, Harvey Wines and the hostess, Mrs. Waites.

Helen Madden returned home this week after visiting in Geneseo Ill., and in Downers Grove, Ill. with her sister and husband. They also visited the North Woods and Sturgeon Bay where they viewed the lovely fall foliage.

Pathfinders Meet; Mrs. Breedlove Is Hostess October 8

The Pathfinders Council met Oct. 8 with Mrs. Robertlove as hostess in the Housing Center.

The president called the meeting to order and several made reports on the workshop that was held in Memphis Oct. 7.

The program theme for the meeting was "Dreams Are Realized". Mrs. Valmon Payne gave the opening prayer and also brought the inspirational thought which was a beautiful new version of the 23rd Psalm. Mrs. J. O.

Cobb introduced the program. Mrs. Cecil Adams gave a very useful talk on modern treatment of burns, especially among children. She stressed cleanliness with burns as being very important.

Mrs. Brown Smith gave an enlightening talk on "Dr. Debakey and the Heart". She told how Dr. Debakey knows and cares for each patient and when he looks at a human heart, he says, "It's the most beautiful of human nature".

A lovely refreshment plate was served by the hostess to Mmes. J. O. Cobb, J. F. McIntush, Joe Eddins, Cecil Adams, Brown Smith, Valmon Payne, A. Gidden, W. D. Young, E. R. Oreutt, J. J. McDaniel, W. J. McMaster and the hostess, Mrs. Breedlove.

It was announced that the next meeting would be held Oct. 22, with Mrs. J. J. McDaniel as hostess.

Home Health Agency To Serve Memphis

The Seymour Branch of the West Texas Home Health Agency is a sub-division of the Lubbock agency located at Briercroft Office Park No. 3, Lubbock, Texas. It is a non-profit organization certified for participation by the Bureau of Health Insurance of the Department of Health, Education, and Welfare upon the recommendation of the Texas State Department of Health. It is a community service and is available to any member in need of nursing care on an intermittent basis in the home. Home Health is covered under Medicare and Medicaid.

Patients must be referred to the agency by the physician. Services provided include nursing services such as bed baths, ememas, surgical dressings, catheterizations, catheter irrigations, ambulation exercises, injections, blood pressures, and vital signs. Also offered upon the physician's orders is a registered Physical Therapist who works with the Home Health Agency. Equipment may be furnished to the patient on order of the attending physician. Some of the equipment that is furnished includes hospital beds, trapezes, hoist lifts, wheelchairs, commode chairs, walkers, bedpans, urinals, decubiti pads, I. V. standards, oral suction, oxygen equipment, and I. P. P. B. machines. Many supplies are furnished, but drugs must be provided by the patient or his family.

The West Texas Home Health Agency in Seymour is located on Hospital Drive. The Director of Nursing of the Seymour Branch is Mrs. Mary McGough, R. N., and she works under the direction of an executive director, a board of directors, and a professional advisory committee in Lubbock. The Seymour Branch also has a local medical advisory committee who provide professional guidelines and advice on all medical and nursing policies. The Seymour Branch also employs two R. N. supervisors, Mr. Frankie Bailey, and Mrs. Charlotte Bryant, R. N., who have their offices in Seymour but work all the area served for evaluations, or any venipuncture. There are eleven L. V. N.'s — their names and the towns they live in are: Thelma Walker,

Somebody's trying to take something that belongs to you.

Right here in Texas

In fact, somebody's trying to take something that belongs to all of us: freedom of speech. Somebody's undermining your right to communicate, to listen, to have all available information on a given subject.

Somebody's trying to tell certain Arkansas companies they may not advertise their services.

But advertising is just another word for communication. It is public information; it gives you a choice. It encourages new and better ways of doing things and helps continue the development of newer, better and more economical consumer goods.

Now, however, the right of certain Texas companies to communicate with their customers is in danger. This could ultimately have more far-reaching effects on free speech as we know it.

Right now, we want you to think very long, very hard and very deeply about advertising and about the good it does in America. We want you to think about its effect on business, on your own entertainment, on radio, television, newspapers and magazines, on your right to know.

We want you to think about the effect advertising has on your company's sales, and how the sales of your company affect your own life-style.

Right now, we want you to think very long, very hard and very deeply about the issue of free speech. Then we want you to write Governor Dolph Briscoe, State Capitol, Austin, Texas 78711, and your legislators and your friends and tell them how you feel.

The ball is in your hands. It's up to you not to drop it.

Advertising is everybody's business.

BYRON BALDWIN

I had two surprise visitors last Saturday morning who were none other than Mr. and Mrs. Holmes McNeely of Houston who were returning home from Cuchara, Colo., where they have been living the past few months in their cabin in the mountains of Colorado. Holmes will be remembered as the son of the late Dr. and Mrs. M. McNeely who moved to Memphis in 1908. Dr. McNeely practiced dentistry for a number of years and his wife taught music and speech. At that time, we called the speech class "Elocution". The reason I can remember so well was that I was one of her pupils. Dr. McNeely passed away in 1951 and Mrs. McNeely passed away in 1956. Holmes was a graduate of the 1925 MHS class. He regretted very much that he was unable to attend the reunion of the roaring 20's. After graduating from MHS, he was a student at the University of Texas and also Hardin Simmons at Abilene. Holmes had a musical career teaching bands in high school and colleges. He taught four years in the schools at Falfurrias, Texas, which at that time seemed like the end of the world. In the town of Falfurrias is where he met his wife, Virginia Turner of Mt. Vernon. After living with Holmes the past 47 years with all of his blowing and tooting horns, it seems to agree with her as she has good ears, good eyesight and a good personality which showed she must have made a trip to the

"fountain of youth". Holmes served 3 years in the Navy, taught band music in Houston High Schools 24 years and 16 years with Rice University and the University of Houston where he retired in 1972. Holmes and Virginia have one son who is a pathologist and now serving in the Army. The Holmes McNeely's have one grandson. Holmes made the remark that Memphis had changed a lot in the time that the stores opened up for business in the mornings.

Our local postmaster, Gene Lindsey, gave me a letter the past week that had been sent to him from Eugene Dodge of Milton, Iowa, who had recently moved from Memphis, Mo., where he had lived 60 years. This town had 2,000 population. He is trying to get the history of how the towns of Memphis in the U. S. get their names. The Memphis towns he gave in his letter were in the following states, Indiana, Michigan, Missouri, Nebraska, New York, Tenn. and Texas. Memphis is mentioned in the Bible, Hosea 6:3 which was Memphis on the Nile. I gave this letter to Mrs. Hubert Dennis to answer and she gave him the information he wanted.

Mrs. Henry Scott had as her guests in Heritage Hall Peggy (Crow) Hopkins of Salem, Oregon, and Tomie Sue Crow of Lubbock, Peggy, the daughter of the late Mr. and Mrs. Chas. Crow,

graduated from MHS in 1946. She married and moved from Memphis in 1947. She has one son now living in Eugene, Oregon. Peggy is now working for the state of Oregon in "Human Relations Research" and for the past 6 years. Tomie Sue Crow is a niece of Peggy's as she is the daughter of Tom Crow who is the brother of Peggy. Tomie Sue's mother will be remembered as Edna Earl Hillyer, daughter of the late Mr. and Mrs. W. M. Hillyer. The other Hillyer children now living are Henry at Portland, Oregon, Kennon of Houston, Lettice of Fresno, Calif., and Alfred of Denver. The other Crow children now living are Winfred and Mae of Portland, Oregon, and Carrell of El Paso where he has retired after serving over 20 years in the Army.

I understand that Eddie Foxhall, Jr. has been practicing some on a bicycle for an "Evel Knievel ride". If he does alright on his practice, we might have him try out for jumping Red River. (Anyway, we are happy to hear he is out of the hospital and back at his college work.)

We received a letter the past week from Howard Wilson of Chicago, Ill., telling how much he and his wife really enjoyed visiting this last time with old friends and acquaintances. He closed this letter stating that next year, they plan to be back here and bring their children and grandchildren.

Mr. and Mrs. Clarence Jackson of Hemet, Calif., were visitors in Heritage Hall the past week. Clarence will be remembered as the son of the late Mr. and Mrs. O. H. Jackson who moved to Hall County in 1926. Clarence graduated from MHS in 1930. He and his brother, J. D., played on the Cyclone football team 1929 through 1931. Clarence remembered when he and Jamie Stanford and Wilford Martin worked for Tarver Drug on the N. E. corner of the square. He remembered going to school at Lesley and Joe Bownds was his schoolmate. He also stated the bricks were made at Lesley for the school building. Clarence taught school at Windy Valley and Chamberlain where he met his wife, Betty Baker, and she said "yes" for his wife. He remembered that his football coaches were Nolan Walters and Blake Bolton. The three brothers of Clarence are now living in California and are operating a chain of au-

to parts stores. After 30 years with the Atlantic Richfield Oil Co., he has now retired. His wife, Betty, is the daughter of the late Mr. and Mrs. Walter Baker and sister of Morgan Baker of Memphis. She attended school at Smith School and graduated from MHS in 1929. Some of her schoolmates she remembered were Ruth Mendigrass, Morgan Dennis, Shirley Greene and Susan Boaz. Betty taught at Churchman, Clarendon and Chamberlain where she was coach for the basketball teams. Mr. and Mrs. Clarence Jackson have two daughters who are music teachers in California. The Jacksons have 7 grandchildren and 1 great-grandchild.

Other visitors in Heritage Hall the past week were Chas. Hartman and daughter Kathy of Amarillo, Chas. will be remembered as the son of Mr. and Mrs. Bill Hartman. He graduated from MHS in 1953, served two years in the Army, married Peggy Evans in 1958. They have the one child, Kathy. Chas. has been with the Civil Service Helium plant of Amarillo for the past 20 years.

Well, Hedley, Texas, did it again in a big way with their "Cotton Carnival". I don't believe you would find another town in the United States for its size having the cooperation and advertising in getting things put over as they do.

Ida Mae Long of Kingsville was a visitor in Heritage Hall the past week. In reminiscing she said the first money she ever made as a telephone operator, she bought her a record player from T. A. Singer. She reported on the R. L. Moreman family who operated gins in this area in the early days at Lakeview, Floydada, Wellington and Samnorwood. There are four of the Moreman family now living, Emma of Amarillo, Doyle of Brownsville, Elton of Corpus Christi and Leck of Kingsville who married Ruby Long (sister of Ida Mae). They now have 9 grandchildren and great-grandchildren. Leck has now retired to the job of fishing. Ida Mae also gave me a report on the Rosenwasser Bros. Jess is operating a ready-to-wear store in Corpus Christi and Marcus is in Lubbock.

It is hard to keep up with so many different sports-cowchis throwing in Oklahoma, chicken plucking in Florida and here was another sport from Rusk, Texas. Nene Foxhall had a full page in last Sunday's Dallas News with a

write-up of the Armadillo races in Rusk which was a big celebration with all of the 17 armadillos dressed and painted for the races, with some of the people who entered the races with costumes to match their armadillos.

Mrs. Hub Holt and Mrs. Rex Rea had as their guest in Heritage Hall their sister, Mrs. Kermit Evans of Arlington. Mrs. Evans will be remembered as Florence Whitfield, daughter of the late Mr. and Mrs. W. C. Whitfield who moved to Hall County in 1909. She attended school at Plaska (Lodge). She married Kermit (the son of Mr. and Mrs. Emmett Evans) in 1930. They moved to California in 1935. They have four children and 6 grandchildren. Kermit's parents were early day residents of Hall County. His mother is now living in California. Some of you may remember Mrs. Evans as Lena Melton, daughter of the late Mr. and Mrs. W. M. Melton. There were 9 children in the Emmett Evans family and 5 are now living. Florence remembered going along as a chaperone on a buggy ride with Roy and Clara Rea when they were courting and let the lines get loose for some reason and the horse had a run away with them. Kermit has now retired after 21 years with T. I. in Dallas.

Shirey Patrick met us at the back door of Heritage Hall and made a donation of glass cleaner for our show cases. Thanks to Shirey that he shows so much interest in Heritage Hall.

An article entitled "The World Around Us" published in one of our daily papers gave this report from Oswestry, England. After performing back surgery on Jane Vaughan (82 years old) the doctor asked if she had lost a 6-inch knitting needle. That's what he found lodged in her back. The doctor said he believed she sat on this needle without noticing about a year ago. We better watch our knitting needles and avoid having a bad backache.

Two different financial stories

I read a few days had both of these stories dated from the founding of the Coca Cola Co. by Asa Griggs Candler in Atlanta, Ga. In the early 1900's the Neiman-Marcuses sold their interest out in the Coca Cola for 25 thousand and came to Texas and have made that amount of money grow. The other story deals with the great-great-grandson of Asa Griggs Candler who had an inheritance from the estate of \$250,000 and a few days ago he filed for bankruptcy, listing his assets as \$4500 and liabilities of \$11.2 million. His total assets were his wife's picture, \$50; beverages, \$100; clothes and jewelry valued at \$800 and bassett hound valued at \$30. We never know how estates will go, up or down!

We received a letter from Mrs. Jet Fore the past week, full of excitement over hearing her many old friends' voices in Memphis on tape that her daughter, Charlotte, gave her when she returned. Dora says she has played this tape over and over many times and could

recognize so many of them after being away from the Frank Fore. Listen to the people she knew in her life before she married. Her thanks and appreciation wonderful messages she gave her an uplift. She had more surgery and had to be in his wheelchair. She was taking the tape to Woodland Hills for hearing where he is now living. I wish I could print her letter that is so full of much good we do need. Mrs. Jet Fore, Boy Scout deed the tea for her own and had the tape read voices. I think that we agree that love is good for everyone and that a dose of medicine for the

Cyclone Wins Crucial Game At Shamrock Fri.

The Memphis Cyclone won a key District 2-A victory at Shamrock Friday night with a 34 to 12 score to remain one of only two undefeated teams in the district after the second round of play.

The Cyclone's victory was especially important following the forfeit by Clarendon to Shamrock on a player eligibility technicality, and the Irishmen would have been in the drivers seat if they could have managed an upset victory over Memphis, with victories over the two toughest contenders, but that possibility was completely wiped out by the heads up aggressive and effective play of the Cyclone squad at Shamrock.

For the first three quarters of football, the Memphis team looked sharp, blocking, tackling, running and passing, putting 34 points on the scoreboard. The fourth quarter penalties and a revived Shamrock offense put 12 points on the scoreboard for the losers.

The Irishmen came out with two surprises, a new offensive alignment, a variation off the Denver City wide spread T, and a stacked six defense.

It took the Cyclone offense two possession to get untracked, but when they did, it took only seven plays to march 74 yards to paydirt.

Staying on the ground, Charles Bryley swept the end for an 8-yd. gain; then, FB Don Davis, hit up the middle and darted outside and raced 37 yards to the Shamrock 29 before being driven out-of-bounds.

QB Ricky Miller rolled out for a pass play, found running room and made eight yards. Then, FB Davis, the leading rusher, added two more yards and a first down to the Shamrock 19.

HB Bryley was stopped for only one-yd. gain to the offensive right side. On the next play, FB

Davis got the fake up the middle and right halfback Fred Alexander took the hand off and broke into the left flat and only one Irish defender saw the ball carrier. Alexander was too swift and raced over at the flag for the local lads first TD. Candy Reyes booted the point after and the score was 7-0.

James Beck kicked off for the Cyclones. Shamrock was held on their own 30, punted after three unsuccessful attempts, and Rickie Spruill returned the football for a good return. The return was wiped out by a Cyclone clipping penalty.

Beginning on the Memphis 37, the Cyclone's second drive took eight plays to cover 63 yards. Highlighting this drive was a 28-yard gainer by FB Davis who ran with authority all night, and a fourth down clutch pass catch by End James Beck who snagged the Miller pass on the Shamrock 3 setting up the score. On the next play, HB Charles Bryley carried straight ahead and twisted, turned and edged his way into the endzone for the TD. Candy Reyes kicked the ball through the uprights to make the score 14-0.

The Cyclone's third TD before the half came only minutes later on a 47-yard drive in six plays. The passing combination of QB Miller to End Beck, mixed with running of FB Davis was successful combination to crack the Irish defense a third time in the second quarter.

The scoring play was a 33-yard pass from QB Miller to End James Beck. Beck was double teamed by Irish secondary all night but still turned in a brilliant record. The scoring play was a fake run, pass play which was described by Coach McMurray during game film viewing Tuesday as picture perfect, "the way you draw the play up on the blackboard." End Beck got a step on the two Irish defenders about

the 10, made the catch over his right shoulder and won the footrace across the goalline. Beck came out of the end zone holding the ball high over his head (a personal habit of his seen in the Childress, Wellington and Shamrock games). The extra point kick was good for a 21-0 score.

In the first half, Shamrock managed three first downs.

After halftime, the Cyclone scored on its first possession, driving 57 yards in 8 plays. Carries by HB Alexander, HB Bryley, QB Miller, and FB Davis presented the balanced ground attack which has become most effective, moving the football to the Irish 21-yd. line.

Then on a first down, the Irish defense stacked up for the run, and QB Miller saw HB Charles Bryley wide open in the endzone, 10-yds. behind the Irish defenders, and Miller laid the football dead on mark and Bryley had an easy catch of it for the touch-down. The score was 28-0.

The Cyclone defensive unit added the final TD for the Cyclone, as the Irish, after staying on the ground most of the night, went to the air, and Deep Safety James Beck proved to be just as adept at catching the opponent's passes, as he snagged one and raced into the northwest corner of the endzone for his second trip to paydirt. The interception return was about 35 to 40 yards. Reyes missed the point after and the score was 34-0. Shamrock came back in the first

SCORING PLAY—HB Charles Bryley (center-left) shakes off a Shamrock defender (No. 58) to score on a three-yard carry in the second quarter Friday. Other teammates visible are No. 25 James Beck (just behind Bryley) No. 61 Audie Moore, No. 54 Ed Hutcherson and No. 74 Kenneth Fields (left). Tackle Candy Reyes is just visible behind Bryley and Beck. Bryley caught a TD pass, and Beck caught a TD pass and intercepted a pass for a touch-down.

stanza to score twice, once on a 70-yd. drive and the second time on a 45-yd. drive. The

game ended with Memphis in possession.

Coach McMurray said the coaches were most pleased with the performance of the entire squad, and especially the offensive line. "Our line play was the best of the season, while our whole offensive looked sharp," Coach McMurray said.

The game had a lot of hard hitting, with Duck Richards, Kenneth Fields, Don Davis, Linebackers Candy Reyes and Gary McKay (who earned the big lick of the week award) and James Beck doing outstanding on defense, while Buddy Ballew and Matt Monzingo, along with Audie Moore, Fields and Reyes, came in for praise on the offensive line.

The coach cited his junior quarterback Ricky Miller for having a second fine night passing the football and directing the attack.

"Our three running back threats, coupled with improved passing attacks, is making our offense highly explosive," the coach said. Our offense started out the season real slowly, behind the defense, but it appears to be catching up rapidly. Our defense had 8 returning regulars, while our offense had only four at the start of the season.

Interest On Natl. Debt Takes At Record Level

New York, Oct. 12 — What Federal expenditure takes three times as much from Hall County residents, through the taxes they pay, than aid to education?

What is it that takes a bigger piece out of their tax dollar than Federal spending for veterans services, revenue sharing, housing and community development, space research and environmental protection, all combined?

The answer is — the interest on the national debt.

The interest costs are at a record level, nearly \$30 billion, by virtue of a big boost in the debt ceiling in May. The total debt is now at an astronomical \$495 billion, just under a half trillion.

The increase, requested by the Nixon Administration, was necessary so that the government could borrow money to meet its oncoming obligations.

Since \$495 billion is too colossal a sum to grasp, it is broken down for better understanding.

If it had to be paid off all at once and if everyone in the country had to chip in an appropriate share to liquidate it, Hall County's contribution, based upon local population and income, would amount to \$11,418,000.

Since there is no plan to pay off the debt, of course, it presents no immediate problem. What is of concern, however, is the huge amount of interest that must be paid on it annually.

The \$30 billion that will be required during this fiscal year is second only to the cost of national defense, the budget shows.

Residents of Hall County will be paying approximately \$692,000 toward these interest charges, in line with their normal share of the overall tax load. Per local family, the average is \$330.

The Federal debt has reached the point of being larger than the combined governmental debts of the rest of the world, according to Congressman H. R. Gross of Iowa. It has risen more in the last five years alone than in the previous sixteen.

Responsibility for the growth is attributed to deficit spending, year after year. The national government has grown so big that it takes \$9,500 every second to keep it going.

Reception Honors Mr. and Mrs. Howard on 50th Wedding Anniversary Saturday

On the occasion of their 50th wedding anniversary, Mr. and Mrs. Buster Howard were honored with a reception at the home of Mrs. Carl Harrison, Saturday, October 5th.

Hosting the reception were the children of the couple, Mrs. Ralph Howard of Lubbock, Mr. and Mrs. Virgil Miller of Ada, Oklahoma and Mr. and Mrs. Allyn Harrison of Minneapolis, Minnesota.

Mrs. Worth Howard registered the guests and serving the gold and white cake and the gold punch were sisters of Mr. Howard, Mrs. Mable Lavender and Mrs. Ott Misenhimer. The table was covered with a white crocheted cloth which was made by the honoree, Mrs. Howard. The centerpiece was gold spider mums.

Attending were grandchildren of Mr. and Mrs. Howard; Dennis, Kelly and Brain Howard of Lubbock, Lanny Steven, Carla and Lyle Miller of Ada, Oklahoma and Sam and Julie Harrison of Minneapolis. Two grandchildren and one great-grandchild were unable to attend.

The former Ruby Rountree and Buster Howard were married in October 4, 1924 in Memphis by the Rev. Charles Whaley. They are the parents of three children, Martha Jean Miller, Helen Harrison and Ralph Howard, deceased Mr. and Mrs. Howard reside at 809 S. 8th, Memphis, Texas.
