## Memphis Cagers Face Crucial District Games

Memphis basketball teams leave today to play key 2-A games, with the Cyclonettes having a first half district championship if the girls can manage to defeat the strong Claude team on Claude's home

the first half, as Wellington's boys are still undefeated going into the final night of the first half play and look the odd-on favorite at this point. Coach Wayne Thompson of Memphis had this to say about the crucial encounter with Claude's girls. "They have two big forwards who do most of their scoring for them. They will give us our biggest test of the season, especially on our guards' end of the court."

quarter deficit. Memphis' girls, however, came back strong in the third period to hold a 44 to 30 edge, while the guards of the Cyclonettes shut down Wheeler's forwards allowing only three points that quarter. About this game, Coach Thompson said that Wheeler had a guard who did as good a job guarding Mickey as any Miss Henderson has played against Mickey, a two-time all-district forward, with both under the basket and outside shooting powers, plus extremely quick hands and good rebounding characteristics, is not the easiest young lady to cover. Despite the exceptional job by Wheeler's guard, Mickey led in scoring with 28 points while Faye Beck had 22. Faye is a freshman, little sister of James Beck, and plays like a veteran.

CHARLES WADE New Employee at SCS Office

"Our forwards have been showing real improvement the past five games and are playing real well. Marilyn Mason, Jeanetta Matthews and Debra Cannon deserve a lot of credit for their play," Coach Thompson said. "Our forwards, Mickey Henderson, Terri Salinas and Faye Beck have been playing well all season," the coach said. "This game could turn into a scoring match, with the team which can keep the ball on its forward end of the court the most, eventually winning," he said.

Tuesday night, against Clarendon's girls, the Cyclonettes took a 63 to 38 victory in which the local team dominated the first and third periods of play.

There will be a B team girls game at 5 p.m. at Claude, with the varsity girls beginning at 6:30 and the boys at 8 p.m. **Second Half** Next Tuesday night, in Cyclone gymnasium, the Cyclone will face the Wellington Skyrockets in a crucial first-round, second half clash which is a do-or-die game for the Memphis boys. If Wellington is to be stopped, the coach indicated, a team will have to win the second half (go undefeated) and then defeat Wellington in a play-off for the title. If this team is going to be Memphis, the boys face the moment of truth.

**Cyclone Action** The Memphis - Shamrock game last Friday at Shamrock, was one of those night's when neither team could seem to get rolling; however, Shamrock managed a 41 to 39 victory over Memphis.

Shamrock led 9 to 3 after one quarter of play, but trailed 17 to 14 at halftime. One of the local players described the night as a time when nothing seemed to work. James Beck hit 12 points, Glen Johnson had 10, Charles Bryley 8 and Daryl Smith 5. When Wheeler came to Memphis (Continued on Page 12)

DANIEL L. CLARK Lakeview Rites Held Wed. For Daniel L. Clark

Where scheduling hurt Memphis boys in the first half of play, (having to play Wellington the first game of the season) the second half schedule favors Memphis. Wheeler is the only tough boys team Memphis will have to play on the road in the second half. "We have Wellington, Shamrock and Claude, all playing in our gym, along with Silvertown, in the second round," Coach Thompson said.

**Past Game** Memphis girls defeated Shamrock 74 to 33 last Friday, Wheeler 56 to 40 on Saturday, and Clarendon 63 to 38 here Tuesday night, to remain undefeated in the first half of play. Against Shamrock, the Cyclonettes led 12-5, 27-11 and 29 to 21 to control the game all the way. Miss Henderson had 24 points, Terri Salinas had 10 and Faye Beck had 9. Wheeler's game was a little tighter, as the Mustanettes held a 27 to 24 halftime edge, after coming back from a 12 to 7 first

**Cotton Harvesting Is At 44,041-Bale Mark**

Favorable harvesting weather this week has allowed Hall County and area farmers to gather about 5,000 bales to bring the season's ginning total to 44,041 bales. The harvest continues in the latter stages. Farmers should be finishing their harvest within the next week or two in this area. The figure indicates that the county's final yield may fall between the 45,000 and 50,000 bale mark for 1974, about one-half that was produced in the 1973 crop.

**Classing Report** Cotton harvest resumed over Memphis, Texas area, according to W. E. Cain, in Charge of the USDA, Agricultural Marketing Service Office. "Harvest was slow one day by high winds and blowing dust, but cotton strippers began running again as soon as the dust settled," said Cain. The Memphis, Texas Office classed 20,500 samples last week to bring the season total to 104,100. This compares to 194,990 on the same date a year ago. The predominant grade was grade 42 with 41 percent followed by grade 41 with 34 percent, and grade 51 with 11 percent.

## Bank Deposits Show Slight Decline

### Willie S. Smith Longtime Res. Is Buried Tuesday

Funeral services for Willie Speed Smith, 93, a retired farmer were held at 2 p.m. Tuesday Jan. 14, in the Travis Baptist Church with Minister Tom Posey of the First Christian Church officiating.

Burial was in Fairview Cemetery under the direction of Spicer Funeral Home.

Mr. Smith passed away at 2 p.m. Monday in Hall County Hospital.

Willie Speed Smith was born Dec. 14, 1881, in Denton County and came to this area in 1903. He was united in marriage to Emma Sarah Satterfield Nov. 11, 1900, at Electra.

Mr. Smith was a member of the Newlin Baptist Church. Surviving are his widow; two daughters, Mrs. O. M. Hancock of Lakeview and Mrs. Mattie Eastland of Memphis; 12 grandchildren; 17 great-grandchildren and five great-grand-grandchildren.

Funeral services for Willie Speed Smith, 93, a retired farmer were held at 2 p.m. Tuesday Jan. 14, in the Travis Baptist Church with Minister Tom Posey of the First Christian Church officiating.

### Honor Students Named For Third Period At MHS

Forty Memphis High School students were listed on the honor roll for the third six-week period, according to C. E. Voyles, principal. These included 22 seniors, 6 juniors, 5 sophomores and 7 freshmen.

Named to the list were the following students: Seniors: Nancy Cabler, Dana Coldiron, Debbie Combs, Sheri Davis, Dedria Evans, Stacy Farnsworth, Beverly Higgins, Ray Nell Martin, Connie Miller, Sylvia Ortiz, Shari Posey, Debbie Roden, Terry Salinas, James Beck, Albert Blanks, Philip Bray, Charles Chappell, Robbie Galloway, Gary McKay, Candy Reyes and George Wiggins. Juniors: Martha Clark, Sara (Continued on Page 12)

MIKE BRANIGAN

## Mike Branigan Named To Head Local Chamber

Mike Branigan was named to head the Memphis Chamber of Commerce as president for the 1975 term when directors met Monday to elect officers.

Other officers elected include: Don Long, vice president; Bill Crane, secretary and Jim Edd Wines was advanced from manager to executive vice president

of the chamber. Directors of the organization were recently chosen by ballot of the membership. Seventy-four ballots were returned, representing 52 percent of the membership.

Elected to three year terms were Hubert Dennis, Don Long, Coy Miller and Lenis Simpson. Larry Burleson received the next largest number of votes and will replace Morris Davis for a two year term. The largest number of votes received by one person was 51 and candidates had to receive at least 40 votes to receive a placing majority.

Holdover directors for one year terms include Larry Parks, Frank B. Foxhall, O. R. (Doc) Saye, and Bill Crane. Directors, who still have two years to serve, include Mike Branigan, Donny Spicer, Don Cockrell and Jerry Burleson.

Retiring directors are Danny Scarbrough, Johnny Franschworth, Andy Gardenhire and John Kehr. Reared in Memphis, Branigan is associated with his parents, Mr. and Mrs. Elmont Branigan in the operation of Branigan Jewelry.

He was selected Citizen of the Year in 1974 by the Memphis Lions Club and was also chosen as "Outstanding Young Man of America" by a committee of the United States Jaycees. He served as chairman of the Cotton Boll National Enduro in 1974 and played a major role in its success the past two years in Memphis.

Mike is married to the former Linda Miller and both were graduates of MHS with the class of 1965. They have one daughter, Michell and one son, Michael Shane.

Franigan has already taken over his duties as president and will be making committee assignments and plans for the year's program in the near future. Formal transfer of the gavel from the outgoing president John Kehr to the new president will be made at the annual Chamber of Commerce banquet in the near future. A date for the banquet has not been set at this time.

Hall County entered 1975 with a slight decline in the financial picture, with statements of condition reports of the three Hall County Banking institutions showing slight decline in total assets, slightly over one million dollar decline in total deposits and a 5.3 million increase in loans over a year ago.

The Dec. 31, 1974, end-of-year totals possibly reflect the agriculture marketing situation, as much of the 1974 cotton crop did not sell in the market before the reporting date as price offers were unattractive to most sellers.

With 1973 a remarkably good year for agriculture, the banks' financial statements were at all time record highs during the first three quarters of 1974, but the final quarter could not keep pace with the trend.

Possibly the most eye-opening figure in the recent report, is the loans figures, up to \$18,565,147.26, an increase of \$5,361,019.39 over the Dec. 31, 1973 figure for total loans of the three banks.

Total assets was \$30,807,700.93 at the close of 1974, a decline of \$467,557.03 from the total assets figure of Dec. 31, 1973.

Total deposits of the three banks totaled \$27,506,185.75, a decline of \$1,145,570.76 from last year.

Another interesting comparison is that total assets of the banks are up about \$400,000.00 over the October, 1974 report, and total deposits are up about \$500,000 for the same three month period. Total loans are up about \$3,000,000.00 for the same three months.

Statements of condition of First State Bank of Memphis, First National Bank of Memphis and Peoples State Bank of Murkay are published elsewhere in this issue.

### Services Held Wednesday For Annie Thornton

Funeral services for Mrs. Annie Thornton, 77, a Hall County resident for 25 years, were held at 2 p.m. Wednesday, Jan. 15, at Mount Pleasant Baptist Church. The Rev. J. E. Smith, pastor, officiated. Burial was in Fairview Cemetery under the direction of Spicer Funeral Home.

Mrs. Thornton died Monday morning in Hall County Hospital. She was born March 26, 1897, at Little Rock, Ark., and was a member of the Mt. Pleasant Baptist Church.

Survivors include: three sons, R. P. Proby of Lakeview and Elisha Proby and Ross Proby, Jr., both of Memphis; two sisters, Parthana Stewart of Idabel, Okla. and Mrs. Versae Taylor of Oklahoma City; one brother, John D. Miller of Garvin, Okla.; one half brother, Charles Miller of Fredrick, Okla.; 11 grand-children and nine great-grandchildren.

Funeral services for Mrs. Annie Thornton, 77, a Hall County resident for 25 years, were held at 2 p.m. Wednesday, Jan. 15, at Mount Pleasant Baptist Church. The Rev. J. E. Smith, pastor, officiated. Burial was in Fairview Cemetery under the direction of Spicer Funeral Home.

Estelline ISD To Have Adult Basic Education

An Adult Basic Education Class will be sponsored by Estelline I.S.D. with the program designed for an adult 17 years of age or older who has not completed high school.

Supt. Weldon M. Bates announces that the first meeting will be at 7:30 p.m. Monday, Jan. 20 in the Estelline School Cafeteria, and at that meeting the students taking the class will decide the time and day of the weekly, three hour sessions.

Instruction will lead interested adults in preparation for the GED or High School Equivalency Certificate. The GED certificate is equivalent to a high school diploma and is awarded after the (Continued on Page 12)

## Dist. 4-B Action Continues Fri.

District 4-B will continue play Friday, with Hedley visiting Estelline, Lakeview visiting Valley High and Quail and Samnorwood playing.

Then, on Tuesday, Valley High visits Estelline, Lakeview travels to Samnorwood, while Hedley hosts Quail. District 4-B will not have a district tournament this year.

District 4-B boys leaders, the Hedley Owls, continued their winning ways with an 82 to 29 victory over Samnorwood Tuesday, with Hicky Bolin leading in scoring with 18 points. Last Friday the Owls defeated Lakeview 90 to 33 with Bolin scoring 18 points in that game. Lakeview's Brad Byars had 15 points for his team.

The Hedley girls lost to Samnorwood 38 to 36 in an overtime game, which was all tied up 34 to 34 at the end of regulation play. Shauna White had 17 for Hedley in this game. The Owlettes defeated Lakeview's girls 45 to 9 on Friday.

Valley High's girls continued to lead in the district race with victories over Samnorwood 55 to 38 Friday and 106 to 57 over Quail's girls Tuesday. Eva Cheatham had 45 points against Quail, while team Jana Turner had 24 against Samnorwood to be the Patriots leading scorers in these games.

The boy Patriots downed Quail 75 to 70. In other games Friday, Quail teams won a pair of games from Estelline teams, 64 to 37 in the girls game and 65 to 35 in the boys game. Estelline's Susan Edkins with 14 and Stevie Altman with 8 were hit for their teams, while Lenora Oatman with 36 and Tommy Caldwell with 19 were hit for Quail's teams. Tuesday night, Lakeview and Estelline teams had exciting games against each other. Estelline won both games, 57 to 54 in the boys game and 50 to 43 in the girls game.

### Arsonists Pick On City's New Trash Containers

City Fire Marshal Jack Scott this week asked citizens help curb the number of instances when containers catch fire. "We were having about one a month to catch fire, but we are having about one a week now, and it's costing the city a lot of money for repair and replacement," he said. He indicated it took \$200 to replace one of the containers, which can become warped out of shape and unusable if the fire is hot enough. Otherwise, containers have to be repainted and cleaned up following a minor fire.

## EDITORIAL

### Who's Really To Blame?

The economy of the free world has reached such a point in time that a change will have to take place before a lasting stability can be achieved in the future, order restored, and trust re-established in the minds of the common citizens.

This nation has not traveled so far along the road of "controlled" economy that the average man-on-the-street trusts the powers that be to keep the economy going on an acceptable path. And, considering turn of events the past few years, who can blame those who harbor mistrusts and doubts.

Our citizens, especially the middle and lower income consumers, have been urged and courted into living beyond their means, and as a result of years of this adverse and dangerous economic philosophy, many are only a few weeks away from bankruptcy, should their employment stop suddenly.

During a period of run-away inflation, as we have had now for over a year, there is a narrow limit which is easily reached in almost everyone's budget, where to venture over the line is foolhardy. When you can't even afford to pay the interest on a charge account, things are really getting sticky in the old budget.

The limit has been reached, we feel. New car sales are at their lowest point since World War II ended. Most budgets just can't stand to pay higher and higher prices for living expenses, and the time has come when budget trimming must take place.

It's going to take some economic discipline, if order is to be restored, and that's a big question. Whether a family should do without additional clothing, wholesome food, in order to enjoy roaring around the country-side in the family gas-burner, is just one of the hundreds and hundreds of decisions many family heads are going to have to make.

How disciplined will Americans become in future months? Can and will they cut back on gasoline consumption . . . trim the family budget to the bone in order to pay their debts . . . repair the old car instead of buying a new one . . . stay home during the vacation this summer and apply some of that money on paying bills? Who really knows the answers to these questions?

Are we spoiled to the "free and easy" life? A spoiled child who has been told not to eat too much candy, it will cause a stomachache, when the stomach does hurt, is more inclined to blame a faulty stomach or bad candy than to see any fault in the amount of candy consumed. It's sad for this, basically, is the problem of fuel consumption.

The powers that be, whether this be government, business leaders, or whoever, have been like the New England minister, (a resident of Salem) who had a spoiled brat for a daughter. This undisciplined child was cared for during the day by a governess. Because her parents made no effort to teach the child obedience, she soon learned that she could get almost anything she wanted by throwing a temper tantrum. She would fall to the floor, kick and scream, and hold her breath, whenever she was denied anything she wanted.

Her indulgent and naive parents, concerned about her behavior, asked her why she behaved as she did. Her answer was that she really had no control over herself . . . that her governess cast a spell over her which left her powerless to control herself.

Convinced that their child would never "tell a story," their parents accepted the explanation at face value and took action against the governess whom they accused of being "devil inspired." Because of the close association of church and state and the influence of the local minister, the governess was cast into prison and threatened with execution.

This set the stage for many, many other families, who had misbehaving children, to seek out the witches in their children's lives for punishment.

An undisciplined economy results in misbehavior. What we need, and need desperately, is good parents who teach discipline in matters of economy. The blame rests with each of us, not with some scapegoat. The virtues of thrift, hard work, personal initiative and the ability to live within one's means, can become increasingly important.

### What Other Editors Say

#### SAM ERVIN'S LEGACY

A little-noticed bill passed during the dying hours of the 93rd Congress and signed into law by President Ford should speed up and improve the administration of criminal justice in this country.

The new law requires that by 1980 all persons accused of federal crimes must be tried or released within 100 days of arrest.

No more holding an accused criminal for months without trial. NO MORE LETTING him roam around indefinitely on bail, perhaps committing new crimes, while prosecutors and defense lawyers haggle and stall over trial dates and legal technicalities.

The new law specifies that by 1980 an accused person must be indicted within 30 days of arrest, arraigned within 10 days of the indictment and then tried within 60 days except in unusually complex cases.

THE AIM, of course, is to make sure that guilty persons are punished before they commit new crimes and that innocent persons

are tried and freed as quickly as possible.

Much of the credit for the new law belongs to retiring Sen. Sam J. Ervin Jr., D., N. C., who's been arguing for five years that speedy trials are guaranteed by the Bill of Rights and therefore cannot be denied by the courts. In a sense, the speedy trial bill was Sam Ervin's legacy to the rule of constitutional law in the United States.

It's true that the new timetable will apply only to cases being tried in the federal courts. But once the Ervin reform takes hold, the states will almost certainly be under strong pressure to make improvements in their own criminal justice systems as well.

—Ft. Worth Press

#### TSTA'S \$12,000!

We received a news release this week from the Texas State Teachers Association, announcing that there is enthusiastic reception among the state's teachers for the "Lackland Plan" for a \$12,000

starting pay schedule for all Texas teachers in the public schools. The TSTA said that there were petitions being circulated and that teachers were enthusiastically signing these as an endorsement of the plan. This is news, perhaps, but not too surprising. We suspect that if we were to circulate a petition around the state among newspaper reporters, editors, advertising salesmen, proofreaders, etc., calling for a beginning salary of \$12,000 per year, we could count upon just about 100 per cent signatures. Practically nobody in this newspaper business makes that kind of money. And there are a lot of these people with college degrees, years of experience, etc., yet they don't make salaries comparable to the present teacher pay schedule. This makes it difficult to generate too much support among newspaper writers for a \$12,000 per year beginning teacher pay schedule. Teachers are no doubt worth every penny of this, but so are newspaper people.

—The Perryton Herald

Mr. and Mrs. John Shadid and Terri were in Sulpupa, Okla., over the past weekend to visit with Mrs. Shadid's mother, Mrs. Naifeh, who is a patient in the hospital there. Mrs. Naifeh fell before Christmas and broke her leg and has been seriously ill since that time.

### 30 YEARS AGO January 18, 1945

Fire last Thursday night destroyed the cotton house and 22 bales of cotton at the Farmers Union gin at Eli.

Miss Laura Mai Hightower, freshman at Baylor University, Waco, has won a coveted place on the Dean's List by attaining an "A" average in all her subjects.

Buses again were operating through Memphis today after the strike of Bowen drivers was settled late Wednesday. The walk-out, which took place at midnight Monday, left Memphis without bus transportation for 48 hours.

A slow, drizzling rain Wednesday and Wednesday night soaked farm and pasture lands in Hall County, but put an abrupt end, temporarily at least, to the gathering of cotton and feed crops. It is estimated that the ginning figure is now between 30 to 35 thousand bales.

Mr. and Mrs. Thomas William Collins are the parents of a boy January 11. He was named Darrell Duane.

A modern airport, paving of the highway west to Silverton and continued efforts in behalf of a veterans hospital are the major activities outlined for the Memphis chamber of commerce for the coming year.

A single motor vehicle license plate for 1945 has been ordered. It will be placed on the rear of cars and all other previous year plates will be removed.

### 20 YEARS AGO January 20, 1953

Service through Memphis was disrupted several hours Friday morning when a drawbar on one of the cars of a long Fort Worth & Denver freight train broke on a curve about four miles southeast of town. The mishap prevented the northbound morning passenger train from arriving here until about 10 a.m.

## LET US TELL YOU ABOUT OUR FORD IRRIGATION ENGINES AND WE JUST MIGHT GIVE YOU ONE.

### FREE.

But getting an engine free isn't the only reason for talking to us. We want to tell you why right now is the best time to buy one. **GUARANTEED PRICE.** There's no telling what inflation is going to do to the price of irrigation engines this spring. With our plan, however, you pay 10% down and you don't have to worry about the price going up in the spring.

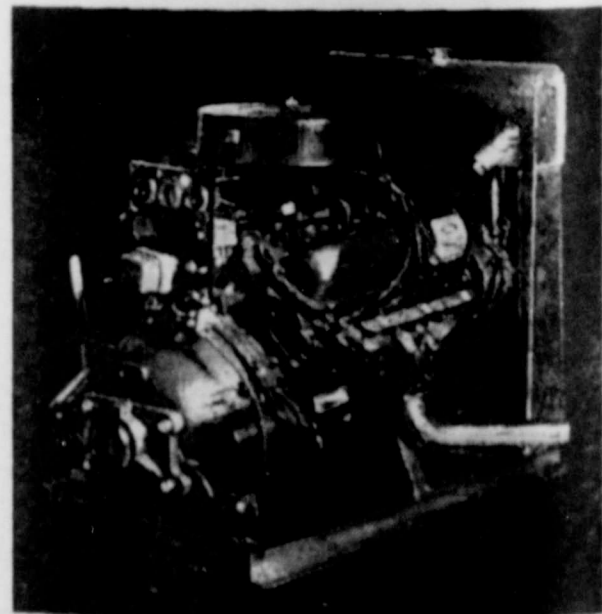

**PAY FOR IT ON DELIVERY.** We don't tell you when to take delivery. You tell us. You can take delivery any time. January, February, March. So, you also get a guaranteed delivery date and you don't have to pay for it until then.

**GET THE IRRIGATION ENGINE YOU NEED.** We have the 300 CID 6-cylinder and the 428 and 534 CID 8-cylinder engines. This is the best part. Because you get the best irrigation engine on the market. Ford. Unlike most irrigation engines, ours have been modified for irrigating. Not for cars and trucks. Because of that, they're more durable so they're more economical to operate. Very simply, they're designed to save you time and money. And these days, that's exactly what you need.

**WE JUST MIGHT GIVE YOU A 428 CID. FREE.** Come by right now. Let us tell you about our irrigation engines and register for a free 428 CID. There's no purchase necessary and you don't have to be present at the drawing to win. Registration ends January 31, 1975.

But don't let that keep you from booking your engine early. If you go ahead and buy one, and your name is drawn, we'll give you your money back.

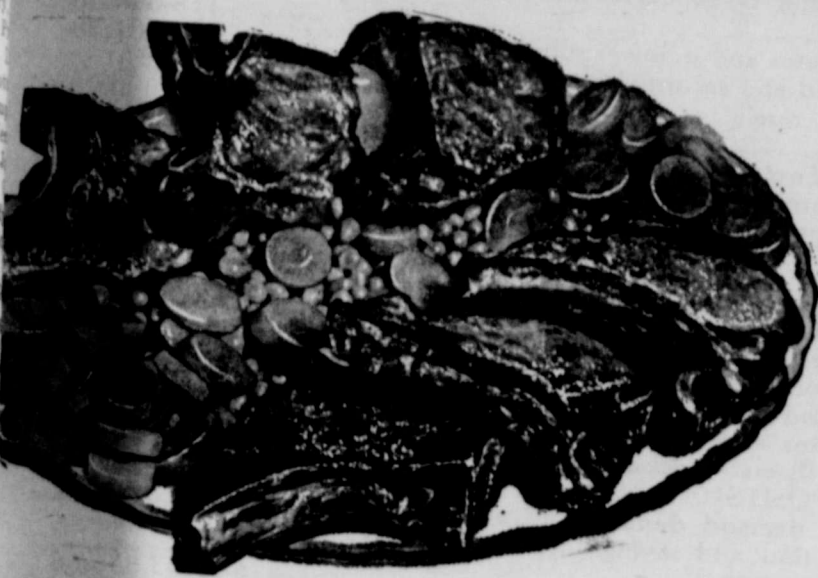

Come by right now. Any way you go, you're a winner with Ford.

### The Chamber Corner

Jim Edd Wines

The slogan, "Memphis... Cotton Capital of the Panhandle" may be changed to Diamond Capital of the Panhandle. Our congratulations to the officers of the Memphis Chamber of Commerce; President Mike Branigan, Vice President Don Long, Secretary Bill Crane and Executive Vice President Jim Wines.

The Chamber has accomplished many goals set in early 1974 under the leadership of retiring president John Kehr; however, we are expecting even greater expectations in '75 under the helm of Mike Branigan and the chamber Board of Directors. New committee appointments and work groups will soon be named for the year and chamber members are encouraged to contact President Branigan as to personal preferences of committee assignments. The President's most difficult task is to select good working committees. Through the committee's work and time only are progress and goals achieved. We hope that all chamber of commerce members will be willing to devote their time and energy to work assignment of the chamber of commerce this year.

A program of work will be drawn and the proposed budget for the year 1975 will be presented at the next meeting in February. A membership drive will also be incorporated to acquire a larger budget in order to increase our projects.

The Bob Wills Series, Hall County Bicentennial coin and fund raising project for the Memphis Chamber and Bob Wills foundation is now under way. Advance sales are being made and we have already received several sales. Again the coin edition is limited and coin sales will go on a first come bases. Advance sale order forms and information of the Bob Wills coin may be obtained at First National and First State Banks of Memphis and Peoples State bank of Turkey. Displays for the coins will be soon set up and the coins are scheduled to arrive in March. We will also be selling pendants and key chains with the coins when they arrive. All orders should be sent in to the Chamber of Commerce with checks payable to Hall Co. Bicentennial Foundation. We re-

ceived a letter from Mrs. Oran Dorsey of Batty, Nev. concerning the Bob Wills coin of which she learned from the Amarillo Daily News. Other orders from the Amarillo area have been received as well as the Hall County area. Information on the Bob Wills Series may be obtained from the Chamber of Commerce office or any Director.

Excerpts of "Yesterday in Hall County": "The Commercial Club of Memphis was organized in 1907 with W. P. Dial president and A. W. Read secretary. Mr. Read gave of his time and ability in the execution of his office until his death in 1917. The club was organized in 1919 as the Hall County Chamber of Commerce with the following officers: Jack Owen president, R. B. Morgan secretary, W. W. Clover, H. W. Mitchell, W. H. Youngblood, and E. M. Ewen all vice presidents. The name of the club was later changed to the Memphis Chamber of Commerce."

We received a letter from Mr. LaVelle Beck of the Tioga Co. Redevelopment Authority, Lawrenceville, Penn. requesting the famous Memphis miniature cotton bale. Mr. Beck also asked for some of the Hall Co. cotton bolls and stalk of cotton to show the people of Lawrenceville. Again miniature cotton bales are available in downtown Memphis and at the chamber of commerce office for \$2.00 each. Out of town orders are sent by the chamber for the cost of the bale plus 25 cents for postage.

Attractive membership plaques for chamber members are now available for the cost of the plaque; calendar cards with the recommended holidays of 1975 will soon be sent to the chamber members. We welcome new chamber members of Hudlow Art Gallery of Estelline and J. B. Scott of Memphis. J. B. doesn't seem like a new member as he has served

## AgriCulture?

HOW'S YOUR TOMATOES ORIGINATED IN TROPICAL AMERICA BUT WERE LATE COMERS TO U.S. MENUS

EUROPEANS APPRECIATED TOMATOES' GOOD-EATING QUALITIES LONG BEFORE WE DID... AND BY END OF THE 18TH CENTURY, ITALY WAS GROWING THEM AS AN IMPORTANT FOOD CROP...

But it was about 1850 before people in the U.S. dared to eat tomatoes!

Now the average American eats about 32 lbs. of tomatoes in one form or another every year!

as director and past president (1969) while manager of West Texas Utilities.

Many local citizens got a real surprise while watching the Rose Parade on television on New Year's Day. Our own rose, Bill Leslie, was among the honored FTD Florists shown during one of the commercials of the parade.

An investment in the Memphis Chamber of Commerce is an investment for progress today and tomorrow for Memphis.

Letters are sent by the Veterans Administration to each man and woman as they leave military service, urging them to take advantage of veterans' benefits. A second letter is sent six months after the person's separation date.

Brighten Festive Table With A Merry Popcorn Man

'Tis the season to be jolly but economical too. Try making novel popcorn goodies for fun and savings too. Get the family together, pop plenty of Jiffy Pop, then create garlands for the tree, balls for early eating and a merry popcorn elf to decorate the center of the table or mantle piece. Eyes, nose, mouth and earmuffs are edible gumdrops, while mittens and scarf are fashioned from colorful felt. Here's how to make your popcorn man.

- 3 packages (5 oz.) Jiffy Pop Popcorn (butter-flavored)
- 1 cup light corn syrup
- 1 cup sugar
- 1/2 teaspoon salt
- 1 teaspoon vanilla

Prepare popcorn according to package directions. Combine corn syrup, sugar, and salt in a saucepan. Cook over medium heat. Stir constantly until mixture comes to a boil. Cook for 4 minutes without stirring. Remove from heat, stir in vanilla. Gradually pour over popped corn. Stir until evenly coated. Grease fingers lightly with margarine, pack into medium-sized bowl; round top. Remove popcorn from bowl; round bottom. Do the same in small bowl for head. Use remaining popcorn mixture for snowballs. Place large ball on tray, press smaller one on top. Place half toothpicks in gumdrops and attach to head for eyes and nose. Cut gumdrop for mouth, flatten for earmuffs. Use toothpicks to secure as with eyes. Cut scarf and mittens from felt or other bright-colored cloth. Arrange and press to popcorn man. Place holly or fir in ball at side.

He's a gambler. He throws his seed like dice on a giant gambling table of land. He bets his muscles and knows how on the heat of sun and the turn of a rain cloud. Sometimes he wins and sometimes he loses. The Gods make him sweat for his winnings. He builds the schools and heeds logs for the churches. He takes the wild land and tames it into peaceful acres. He lives by the code of the land and never refuses a helping hand to friend or stranger. He's America's best customer — He's the world's most constant hope — He's the most useful man in America. He's a farmer.

Below is given by Dan Valentine, "What is a Farmer's Wife?" "She comes in all assorted sizes,

short, tall and medium high. She comes in assorted colors, blonde, brunette and in between. She's America's greatest career girl. She feeds the men who feed the world. She is a Sunday School teacher, P. T. A. chairman, party giver, gardener and woman of all trades. Her busy hands are the hope of the future.

Arms Hightower had as his guests in Hall County Heritage Hall, Mr. and Mrs. Falconer Hightower of Pecos the past week. Falconer, brother of Arms Hightower, is the youngest son of the late Mr. and Mrs. W. C. Hightower who moved to Hall County about 1890 and owned a ranch northwest of Lakeview where this son was born. There were 5 sons and four daughters in the family. The survivors of this family are Arms and Falconer, Sallie Pool and Fannie Snyder of Grapevine. Falconer farmed a short time in the Lakeview area before joining the U. S. Army in 1918. He was stationed at Camp Sheridan, Alabama. After serving in the Army, he retired to the Wichita Falls and Henrietta area where he worked with different oil companies for 15 years. He married Minnie Evans, daughter of the late Mr. and Mrs. John Evans who were early day residents of Hall County. They moved to Pecos in 1955 where Falconer farmed and has served as J. P. for the past 10 years before recently retiring. (He now belongs to the "Honey Do" Club). His wife Minnie passed away in Sept. of 1972. They had two daughters. Falconer's present wife, whom he married about a year ago, was a good friend of Minnie's. She was the former Katherine Calley who was reared in Wichita Falls in her youth before moving to New Mexico and for the past 10 years lived in Pecos. They seemed to have a 50-50 deal as each of them has two daughters, two sons-in-law and 5 grandchildren. In finding out their ages and looking them over, I think they had been to the "Foundation of Youth" before coming to Memphis. This was their first visit to Heritage Hall. They seemed to be proud of the collection of artifacts that had been assembled. In fact, they are going to send an item or two for display. The two Hightower boys were telling me about good

with acreage where they raise gardens, flowers and a few cattle. They both enjoy living out in the open air. One of the other interests V. L. plans to pursue is serving as a tour host for the Meir International Study League of Hurst, Texas, who are specialists in groups to countries all over the world. He and Frances became interested in this work the summer of 1973 when they went on the trip to the Holy Land. On this trip, they covered a lot more territory than just the Holy Land. Some of the places were Athens, Greece, several Greek Islands, Alexandria and Cairo, Egypt. He says that Dr. and Mrs. Meir are excellent tour directors and personally look after their passengers and see to it that they are comfortable and have an enjoyable trip. Dr. Meir is a graduate of Southwest Theological Seminary in Fort Worth. He served several years as minister of education of Baptist (Continued on Page 8)

### Congressman Jack Hightower Has Staff Completed, On The Job

Congressman Jack Hightower today announced completion of the staff organization for his Washington office and three 11th District offices.

Hightower will maintain offices in Amarillo, Wichita Falls and Vernon.

Lee H. McMurtry II, a Tulsa native and Panhandle coordinator for the Congressman's election campaign, was appointed District Administrative Assistant with offices in the Amarillo Federal Building, Roy Ann Bonar, who was a secretary in Hightower's Amarillo campaign office, will be McMurtry's secretary and staff assistant. She is the daughter of Mr. and Mrs. Carl Bonar of Stillwater.

Ivan Sinclair, from Dismitt, a former reporter for the Amarillo Globe-Times, was appointed Administrative Assistant in Hightower's Washington office.

Mrs. Betty Higgins, formerly of Wichita Falls, was named Hightower's personal secretary. Her husband, Don, is with the Federal Aviation Administration in Washington.

Two Amarillo residents, Karen Bailey, daughter of Mr. and Mrs. Morris Bailey, and Levi Brown, son of Mrs. Lee T. Brown, were appointed staff assistants in the Washington office.

Jerry Lowery, of Wichita Falls, will handle legislative matters for the Congressman. Lowery is the son of Mr. and Mrs. James A. Lowery of Wichita Falls.

Bernie Kale, a Florida native with extensive congressional staff experience, will serve as staff assistant handling much of the Congressman's constituent case work.

Because of a most welcome high volume of constituent mail, Hightower today hired Miss Jane Hansen, a Maryland native with congressional secretarial experience, to assist in typing responses to district mail.

Staff members in the Wichita Falls federal building office will be Mrs. Dorothy Alfred and Mrs. Wanda George. Mrs. Alfred has worked in the offices of Lyndon B. Johnson, when he was a Congressman, and former Congressman Homer Thornberry and Joe Kilgus. Mrs. George has worked in Hightower's State Senate and congressional campaigns.

Mrs. Thelma Lancaster, a secretary 12 years in Hightower's Vernon law firm, will staff his hometown office.

McMurtry, formerly employed by DeKalb Agricultural Research in the upper Panhandle, began working in Hightower's congressional campaign in January last year. He attended Amarillo Junior College during the 1964-65 school year and graduated with a Bachelor of Business Administration degree in 1969 from the University of Texas.

McMurtry will offer immediate contact to anyone from the 11th District. "I hope to maintain close contact with Congressman Hightower's constituents," McMurtry said, "and service their needs whatever way possible." He will communicate daily with the Washington office.

Miss Bonar taught at Shirley Elementary School in Hereford in 1972. Immediately prior to working in Hightower's congressional campaign she worked on the public relations staff at Texas State Technical Institute. She is a 1971 graduate of West Texas

### Larry Simpson To Graduate From OS Tech

Larry K. Simpson, Memphis, is one of 299 Oklahoma State Tech graduates scheduled to receive a diploma during graduation exercises Friday, Jan. 24, 1975, on the Okmulgee campus.

Larry is the son of Mr. and Mrs. Grady Simpson.

They will be members of the 79th class to graduate from Tech, the largest, residential technical college in the nation.

M. S. McLaughlin, vice president of the marketing staff of Ford Motor Co., will be commencement speaker. He has responsibility for marketing activities of the company and its subsidiaries worldwide.

Wayne W. Miller, a vice president of Oklahoma State University and director of Oklahoma State Tech, will present diplomas at the 7:30 p.m. ceremony. He will be assisted by Dr. Robert B. Kamm, OSU president. Tech is the residential vo-tech branch of OSU.

An honors and awards ceremony is scheduled for 2 p.m. in Covelle Hall. Each instructional department will host an open house for its graduates and families and friends from 35 p.m. and following commencement.

Simpson will receive a diploma in business data processing.

State University. Sinclair was born in Dismitt and attended Dismitt schools. His father, Mrs. L. F. Shannon, lives in Hereford. After graduation from Hereford - Simmons University in 1958, he worked as a reporter for the Amarillo Globe-Times. He left the Globe-Times to enter military service at Fort Knox, Kentucky. After six months active duty, he attended the Columbia University Graduate School of Journalism in New York, graduating in 1962 with a Master of Science degree.

He worked in Washington for the Carpenter News Bureau after leaving Columbia before being recalled to Army active duty. After nine months at Fort Stewart, Georgia, Sinclair joined the staff of then Vice President Lyndon B. Johnson. He continued to work for Johnson until February, 1963 when he became public affairs officer for Lloyd N. Hand, LBJ's Chief of Protocol. He remained with the State Department until July, 1966 when he became Washington district sales manager for Brantiff International.

After one year, he transferred to Brantiff's corporate headquarters in Dallas as Director of Community Affairs, serving in that capacity until June, 1969, when he returned to Washington as Regional Sales Director.

Mrs. Higgins, Hightower's personal secretary, worked seven years for Graham Purnell, former Congressman from the 11th District. She attended grade and high schools in Dallas and graduated from Baylor University. She lived in Wichita Falls 18 years.

Lowery, who worked in the House of Representatives Post Office, while going to school, has completed course work and passed comprehensive exams for a Doctorate in government and politics at the University of Maryland. He graduated from Midwestern University in Wichita Falls with majors in political science and history. He did graduate study in government at the University of Texas at Austin.

Miss Bailey, whose father is Executive Vice President of Plains Machinery Company in Amarillo, is a 1974 graduate of Austin College, Sherman.

Brown graduated from Washington and Lee University, Lexington, Virginia, in 1970, and received his MBA degree in accounting from the University of Texas in 1971. He has completed exams for a CPA.

On the eve of his being sworn in, Hightower said his staff is assembled and "we are now hard at work."

The Hightower office in Washington is Room 1315, Longworth House Office Building, Washington, D. C. 20515.

The World War II GI Bill, signed into law June 22, 1944, is said to have had more impact on the American way of life than any law since passage of the Homestead Act more than a century ago.

Attend The Church of Your Choice This Sunday.

**WATSON SCORES** — Lakeview's Terry Paul Watson No. 33, is shown scoring two points against Estelline, while Bears defenders No. 21 Joel Morris, No. 33 Jeff Morris, Danny Collins, move for position, and Steve Altman tries to block the shot. Watson had 27 of Lakeview's 54 points while Vernon Abram had 19 of Estelline's 57 points. The Bears staged a flawless come from behind victory in the last four minutes of the game.

### Mrs. Robert Moss Elected President Of Culture Club

The Woman's Culture Club met January 8 in the home of Mrs. Alvin Pysatt.

The meeting was opened with prayer led by Mrs. Frank Ellis. Mrs. Ward Gurley, president, read "A Recipe for the New Year" and conducted the business session.

The following officers for 1975-1976 were elected: Mrs. Robert Moss, president; Miss Jackie Culbert, first vice president; Miss Nancy Hillery, second vice president; Mrs. L. A. Stillwell, secretary; Mrs. Jeanette Irons, treasurer; Mrs. Jim Lange, historian; Miss Alma Bruce, reporter and Mrs. Theo. Swift, parliamentarian.

The quotation "... Fear, desire and hope are still pushing us on toward the future," Montaigne was read by Mrs. Robert Moss.

Members attending were Mrs. Frank Ellis, Ward Gurley, Jeanette Irons, Jim Lange, Robert Moss, L. G. Esaco, L. A. Stillwell, Theo. Swift, and Misses Edna McClrath, Jackie Culbert, Nancy Hillery, Alma Bruce and hostess, Mrs. Alvin Pysatt.

### Veterans Can Get Information By Telephone

Veterans in need of any VA information regarding medical care, government life insurance or other benefits, can get it now by telephone.

By dialing a WATTS number, 800-792-1110 on Mondays through Fridays, between the hours of 7:45 a.m. to 5 p.m., Veterans will be connected directly with the Veterans Administration Regional Office in Waco.

A Veterans Benefit Counselor will answer and advise each caller. Glyn Thompson, Hall County VA Officer said.

### Virginia Browder Named President 1913 Study Club

The 1913 Study Club met Wednesday at the DeVille Restaurant with the president, Mrs. Gayle Greene, presiding.

During the business session of-foam were elected for the 1975-76 club year. Officers elected included:

Virginia Browder, president; Mrs. Bill Wood, vice president; Mrs. F. W. Foxhall, recording secretary; Helen Madden, corresponding secretary; Mrs. Ed Hutchinson, treasurer; Mrs. D. L. C. Kinard, parliamentarian and Critic; Mrs. H. A. Combs, press reporter and press book custodian.

Mrs. Byron Baldwin gave a most inspirational devotional using as the text Genesis 1:28-21.

Mrs. H. A. Combs discussed "Let Us Train Our Women to be women" and Mrs. Bill Wood concluded the program with "Woman of the Century, Clara Boothe Luce."

Tea and coffee was served to the following members: Misses, Byron Baldwin, Joe A. Ballard, Virginia Browder, H. A. Combs, F. W. Foxhall, Gayle Greene, R. S. Greene, T. M. Harrison, D. L. C. Kinard, M. G. Tarver, Bill Wood and Misses Neville Wrenn and Helen Madden.

### Cyclone Mother's Club Makes Plans For Projects

Cyclone Mother's Club met Jan. 9, in the Visual - Aid Room of Memphis High School for the beginning of 1975. Coach Clyde McMurray explained to the new members the purpose of the organization and discussed the equipment that had been bought since the Cyclone Mother's Club started four years ago.

Plans were discussed to have a concession at the Junior High Basketball games, Cyclone Relays (track meet) in March and also at the Junior High track meet.

Bumper stickers and Key chains were ordered for another fund raising project in the future.

For OFFICE SUPPLIES Call The Memphis Democrat

**DIST. 4-B ACTION** — Pictured above, Laker Christie Whitten is shown shooting over Estelline's Kimi Fowler in Tuesday night's game at Lakeview. Line's other guard pictured is Marsha Jones, view's Janet Byars (No. 14) is shown in the 19 of the picture. Marsha was Estelline's leading scorer, leading her team to victory 50 to 41. Lakeview's Karen Cofer was high with 19 points.

The National Cemeteries Act of 1973 provided for the transfer of responsibility of 82 national cemeteries from the Department of the Army to the Veterans Administration. These joined 21 VA cemeteries to form the National Cemetery System.

LOCKETT SEED COMPANY IS IN "PER-FECT CONTROL" "PER-FECT CONTROL" is a concept of cottonseed treating by Gustafson Inc. of Dallas. "PER-FECT CONTROL" combines VITAVAX 17F, a fungicide from UniRoyal, GONNOL, a systemic insecticide from Green Cross and CAPTAN, a time proven fungicide from Valent.

All Three combine to stop Rhizoctonia (damping off), Soil borne diseases, Early insect attack, Soil borne fungi, Pre & post-emergent diseases by systemic application. "PER-FECT CONTROL" does this by penetrating into the seed (action) and remaining with the seedling for 3 to 4 weeks. Place order for "PER-FECT CONTROL" Lockett varieties with your Local Seed Dealer. ### Rise Vegetable Gardeners Plan Early, Carefully

Important interest in home gardening last year appears to be getting little momentum going into 1975, says Warren W. Mitchell, Extension agent.

With increasing demand for seeds, gardening tools and supplies, plus higher seed and fertilizer costs than last year, home gardeners would be well advised to spend the winter months in careful planning of what foods to grow and how to grow them. One of the first things to do, Mr. Mitchell, "is to assemble information for quick reference as you create your garden plan. Two items that will help in advanced planning are a pamphlet, Home Gardening Texas B-1139 and the Vegetable Variety Recommendations for the Texas Plains. Seed catalogs for 1975 are available from commercial seedmen and are a great help."

The first thing to consider in preliminary planning is the size of the vegetable garden. This will depend on available area, the number of different kinds of vegetables to be grown, and the number of people in the family.

The gardener with a small fence yard has to decide whether to plant a sizeable amount of only one or two vegetables or just a few of many kinds of vegetables.

As an example, let's assume you have a small garden and your family likes green snap beans. You would like to plant enough to have fresh beans on the table at least two times a week from mid-June to October, enough for 50 or 60 pint cans for the freezer.

Using the centerfold table in Home Gardening in Texas, you see that for each person it takes about 15 feet of row to produce beans for fresh use plus an additional 15 to 20 feet of row beans to freeze or can. These are merely average figures. If you have a big appetite, plant more than the average. To satisfy a family of four this would be about 100 to 120 feet of row which would yield, on the average, about 120 pounds of beans.

Experienced gardeners can harvest up to twice as much as that. Warren Mitchell figures that 10 feet of bean row will take 10 square feet of garden space. Only a small space is available, the area of beans will occupy most of the garden.

"Snap beans require about 60 days from germination until harvest time," he adds. "Since our growing season ranges from 180 to 200 days you can see that there will be time enough to get two to three crops in the one season."

"In your planning this means that you need to have only one-third of your total bean requirement growing at any one time.

**DEFENSE** — Defensive play by the Cyclonettes' forwards has been excellent all season, as is seen in this picture. Mickey Henderson deflected numerous Clarendon passes, with several resulting in scoring plays. Forward Terri Salinas is shown guarding the Clarendon guard the pass was intended for before being blocked.

Three successive plantings of 30 to 40 feet each will keep you continuously supplied with fresh beans and some for freezing from mid-June to frost."

Snap beans will develop at least two or three sets of blossoms so that one planting picked over several times will bear continually over a three to four week period.

"The third planting should be seeded no later than ten weeks before frosts," he advises. "You need to leave at least two to three feet between plants in the row. You will need about one-half pound of seed for the three plantings."

One word of caution to home gardeners would be to order the seed as early as possible to make sure that you get the varieties desired.

**CRADLE ROLL CALL**

Mr. and Mrs. Jose L. Gorostiza are the parents of a daughter born January 10. She has been named Rachel and weighed 5 pounds, 7 ounces.

### Veterans To Receive 12% Check Increase

Nearly 2.3 million veterans and survivors will receive 12 percent increases in their monthly Veterans Administration checks and 6,537 severely disabled Cold War veterans will be eligible for \$3,300 automobile grants as a result of two bills signed recently by the President.

These increases are in addition to the increased G.I. Bill education allowances that became law December 3, VA Administrator Richard L. Roudebush pointed out.

The 12 percent increase applies to pensions for veterans who have become disabled from non-service-connected causes and to their widows and children. Increased also were payments to dependent parents of veterans who died or were totally and permanently disabled from service-connected causes. The payments, called pension and dependency and indemnity compensation, were last increased on January 1, 1974, by 10 percent.

This year's 12 percent increase is effective January 1, 1975, and it will be reflected for the first time in checks received February 1.

The other measure, signed by the President December 22, broadens eligibility for automobile grants to include veterans who suffered loss or loss of use of one or both hands or one or both feet or blindness due to military service between World War II and the Korean Conflict.

The amount of the grant was raised from \$2,800 to 3,300 for veterans who have suffered such injuries since the beginning of World War II. Necessary adaptive equipment is furnished also.

Costs for the two new measures, combined with costs of the increased education benefits, will

### Christmas Seal Funds To Train Five Physicians

Miss Tops Gilbreath of Memphis revealed today that an additional \$50,000 has been allocated in Christmas Seal funds to train Texas chest physicians in 1975. Miss Gilbreath is Hall County representative of the American Lung Association of Texas, Top of Texas Area. The Christmas Seal funds will provide fellowships of \$10,000 each to five physicians training in lung disease through Baylor and Texas University centers. A number of other specialists are in training in Texas on fellowships awarded annually, she said.

Citing a critical and dangerous shortage of chest specialists to care for the nation's lung patients, she said that "it's a little late to think of training a chest doctor when the patient is in acute pulmonary failure. We're acting today to save the lung patients of tomorrow."

Miss Gilbreath urged local residents to answer Christmas Seal letters, stating that the campaign is lagging behind last year while the number of lung patients is steadily increasing. She said that area Lung Association plans include a multi-phase program on asthma and other lung disease in 1975, to include update training for physicians, nurses and other hospital personnel, as well as a program for parents of asthmatic children.

Richard L. Roudebush, appointed by President Ford as Administrator of Veterans Affairs, is the ninth man to head the nation's largest independent federal agency since its establishment in 1930.

Total nearly a billion dollars for the remainder of the current fiscal year, it was estimated.

**HENDERSON SCORES** — Mickey Henderson No. 40, of the Cyclonettes is shown scoring 2 points on a lay-up against Clarendon's girls here Tuesday night. She was the leading scorer in the game, and is the leading point producer for the team. The Cyclonettes meet Claude's girls Friday in Claude for the district showdown for the first half. Both teams are undefeated. Forward Faye Beck is shown on the right of the picture.

### Gamma Kappa Chapter Enjoys Coffee Saturday

The Gamma Kappa Chapter of Delta Kappa Gamma met in the Bronze Room of the First National Bank Saturday morning, January 11, with the Memphis members as hostesses for the 10:00 o'clock coffee.

Mabel Mongole gave the invocation and the president, Lola Donald conducted the business meeting.

The program was presented by the Professional Affairs committee, under the leadership of Betty White and was given in the form of a Professional Attitude Inventory.

Memphis members present were Misses Esta McElrath, Alma Bruce, Margaret McElreath, Helen Madden, Mrs. Audrey Tribble, Carrie Belle King and Brunetta Morris.

**BAPS ARE THRIFTY SCOTS FAVORITE**

Any homemaker trying to economize knows that budget meals often need a little zip. Home-baked rolls with their warm yeasty fragrance and flavor could be just what your menus need. Serving for serving, rolls are one of the most economical kinds of baking you can do.

Leave it to the Scots to originate a roll using only the most basic ingredients, staples that you already have on your pantry shelf. These simple Scottish specialties simply known as Baps, are familiar items on tables from the Highlands to the Lowlands. Thrifty Scots make their rolls do multiple duty as breakfast breads, tea time treats and accompaniments for hearty soups, stews, and casseroles.

The recipe for Baps was developed by the Test Kitchen of Fleischmann's Yeast. The dough is prepared by the Rapidmix method so the dry yeast is added right from the package to part of the flour, sugar and salt. Heated liquids

are added all at once and initial beating is done with an electric mixer. The tender, oval-shaped Baps are dusted with flour before baking. Serve these delicious and economical rolls the next time your meal needs a lift.

**SCOTCH BAPS**

- 2-3/4 to 3-1/4 cups unsifted flour
- 1 teaspoon salt
- 1 teaspoon sugar
- 1 package Fleischmann's Active Dry Yeast
- 1 cup milk
- 1/4 cup (1/2 stick) Fleischmann's Margarine
- Milk
- Flour

In a large bowl thoroughly mix 1 cup flour, salt, sugar and undissolved Fleischmann's Active Dry Yeast. Combine 1 cup milk and Fleischmann's Margarine in a saucepan. Heat slowly until liquid is very warm (125°-135°F). (Margarine does not need to melt.) Gradually add to dry ingredients and

beat 2 minutes at medium speed of electric mixer, scraping bowl occasionally. Add 1/4 cup flour, or enough flour to make a thick batter. Beat at high speed 2 minutes, scraping bowl occasionally. Stir in enough additional flour to make a soft dough. Turn out onto lightly floured board; knead until smooth and elastic, about 8 to 10 minutes. Place in greased bowl, turning to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour.

Punch dough down; turn out onto lightly floured board. Divide into 16 equal pieces. Shape into flat oval rolls and place on greased baking sheets. Brush with milk and sprinkle with flour. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour. Bake in hot oven (400°F.) 15 minutes, or until done. Remove from baking sheets and cool on wire racks. Makes 16 rolls.

**Larry Driver Leaves With College Tour**

Larry Driver left on December 29 with fellow Austin College students on a 22-day study tour of the South Pacific. Accompanying the group was Howard A. Starr of Sherman, Texas. At 6:00 p.m. the group boarded the ship at the Dallas - Fort Worth port destination Mexico City, Guacala, Fahahti the Fiji Islands and New Zealand. This is summer time in the islands and Larry has been looking forward several months to this trip. Much study of the culture of the islands has been done. The tours of interest in the cities, Botanical gardens, museums and the countryside. The group will travel by jet, motor coach and by boat.

Larry is fluent in the German and Spanish languages, but French is their predominant language of the islands. He is the son of Mr. and Mrs. Floyd Driver of Hereford and Dimmitt and the grandson of Mrs. J. W. Driver of Lakeview and of Mr. and Mrs. Homer Hulse of Hereford, former Lakeview residents.

Larry is a junior student at Austin College in Sherman, where he is majoring in biology and psychology. He maintains a 4.0 grade average. He is active in Beta Beta, Alpha Phi Omega and holds lifetime membership in Phi Chi fraternity. Although Larry has traveled extensively over the western, northern and southern parts of the United States, this is his first trip out of the country. Austin College, noted for its academic excellence, offers foreign travel as a part of its curriculum. Larry will graduate in the spring of 1976 and is already looking forward to the study-travel January term of next year, it was stated.

**STATE CAPITAL Highlights AND Sidelights**  
 by Bill Boykin  
 TEXAS PRESS ASSOCIATION

AUSTIN — The 64th Legislature whipped into action Tuesday (Jan. 14) faced with a heavy agenda which lawmakers must strain to complete by the June 2 adjournment deadline.

Blessed with a revenue surplus estimated at well over the \$1 billion mark, legislators may still have a hard time avoiding new taxes due to record spending demands.

Most costly proposals of all deal with overhauling the public school finance formulas, regarded as a

must job for the legislature this year.

Price tag on school finance reform ranges up to \$2.7 billion for the next two years. While a more-modest version probably will be adopted, any approach will take a big chunk of the available revenues.

Election of the new House speaker — Rep. Bill Clayton of Springlake — was the first major order of business for the session.

Only 30 new members took the

oath of office in the House, only four in the Senate.

Gov. Dolph Briscoe is pushing for \$394 million in emergency appropriations to raise state employment pay by 10 per cent immediately, provide stopgap school aid and increase retirement benefits.

Matters which legislators will wrangle over during the next 140 days include constitutional revision, creation of a public utilities commission, election law reform, launching a presidential primary, environmental matters, prison and hospital reforms and property tax overhaul.

COMMISSION SPURNED — A Senate consumer affairs subcommittee balked (on a two-to-one tie vote) at recommending a statewide public utility commission.

Sens. Betty Andujar of Fort Worth and Bill Meier of Euleus voted against the proposal, while Sens. Ron Clower of Garland and Lloyd Doggett of Austin supported it.

Clower and Doggett immediately prefiled a bill to set up the commission, as Clower warned the committee vote demonstrates stormy days ahead in the legislature over the issue.

APPOINTMENTS — Governor Briscoe named State Rep. John H. Poerner of Hondo executive director of the Committee on Aging effective February 28.

Other recent appointments by Briscoe include Norman L. Utter of Corpus Christi as 214th district judge, Gerald Alton of Lufkin as 159th district attorney and Herman Smith of Hurst as chairman of a special advisory council on housing.

Dorothy Davidson was named to head the new Texas Education Agency department of general education as an associate commissioner.

INQUIRY SET — Atty. Gen. John Hill announced he will ask District Judge James R. Meyers of Austin to convene a court of (Continued On Page 10)

**Highlights —**

(Continued from Page 8)

**Inquiry, probably next summer, into the 1974 Huntsville prison seizure.**

Hill delayed plans for the inquiry until after trials on criminal charges resulting from the July - August hostage seizure and shootout led by onetime narcotics kingpin Fred Gomez Carrasco.

One of Carrasco's confederates is set for trial next month, and trial of others accused of smuggling guns into the prison is expected to follow. Hill said judges strongly urged him not to call the court of inquiry until the trials have been completed.

The Attorney General said it is doubtful the probe can begin in Meyers' court before mid-summer.

**COURTS SPEAK —** The Texas Supreme Court held parents of a Brewster County youth shot to death while allegedly stealing a battery from a car have a right to trial of a wrongful death suit against the man who killed him.

The Third Court of Civil Appeals held a woman whose only surviving son was killed in a Hays County car - train collision is entitled to 15,850 damages. A jury verdict had held the 75-year-old woman should recover \$25,000.

**REVISION PROPOSED —** Two formal proposals for further efforts at constitutional revision have been prepared for legislative consideration.

Outgoing House Speaker Price Daniel Jr. announced a bill will be sponsored to provide for a 72-delegate constitutional convention to convene April 5, 1976.

Sen. Bill Patman of Garado, meanwhile, prefled in the Senate a joint resolution proposing the 15,631-word product of the ill-fated 1974 constitutional convention be submitted to voters. Patman said his proposal will save time and money.

The legislature sitting as a convention in 1974 failed by three votes to agree on a document for submission to voters.

The issue of revision is expected to be subject of major debate in the legislature this year.

**SALES TAXES REPORTED —** Texas cities received more than \$62 million in municipal sales and use tax allocations for the last reported quarter.

Of the total, Houston received \$12.5 million, Dallas, \$7.8 million, San Antonio, \$3.9 million, Fort Worth \$2.6 million; and Austin and El Paso, \$1.9 million each during the quarter.

New Comptroller Bob Bullock resumed release of the data with out charge to news media. The

comptroller's office last year discontinued distributions of the reports.

**WATER REPORTS ACCEPTED —** Governor Briscoe accepted a short - range action program for guiding water development submitted him by a 32 member task force.

At the same time, he emphasized need to find a way to bring water to deficit areas from outside the state.

The program calls for a \$1.7 billion worth of projects (many already under way) to meet Texas water needs and set priorities. It advises local management of ground water resources and endorses water importations for long-range needs.

Briscoe called on members of the task force to stay on the job and help implement the plan.

**AG OPINIONS —** Jurisdiction over minors 14 -17 years old for fish and game law violations is in juvenile courts, Attorney General Hill held.

Where minors are taken into court, they must be released promptly to parents on promise to bring them to court on request.

In another opinion, Hill said the State General Land Office may pay for operation and maintenance of its airplane and two automobiles from the travel item of the current appropriations act.

**SHORT SNORTS**  
State and city sales taxes apply to gold and silver bullion purchased or delivered in Texas, Comptroller Bob Bullock held.

Texas wheat farmers may harvest a record crop of 117 million bushels in 1975, according to Texas Agriculture Commissioner John C. White.

Cigarette stamp revenues increased more than a million dollars — to \$20.8 million — last month over December 1973.

Wildcat oil drilling increased by 42 wells in 1974 over 1973, but wildcat gas well drilling declined slightly.

Disaster designation has been requested for Castro, Floyd and Hale counties due to prolonged drought and adverse weather conditions.

Since the first of the three GI Bills became effective in 1944, some 15 million veterans have taken training under some Veterans Administration program. Six million persons have trained at the college level.

There were about 4.7 million veterans in the United States when the Veterans Administration was established in 1930. Today there are more than 29 million veterans eligible for VA benefits.

Notice is hereby given that bids will be received for the County Depository of Hall County, Texas, at the February Term, 1975, of the Commissioners' Court of said County. Bids will be publicly opened at 10:00 o'clock A.M., Monday, February 10, 1975. All bids must be delivered to the County Judge before that hour and no bids will be received after the first bids has been opened. All bids must be sealed and must state the rate of interest offered for the use of all moneys belonging to and under the control of the County, including all County funds, School money, road bond money, etc., between the date of said bid and the next regular time for the election of a depository, which is two years. Interest to be computed on daily balance, and payable monthly. Bids must be accompanied by the certified check for not less than one-half of one per cent (1/2 of 1 percent) of the county revenue of last year, 1974, as a guarantee of

good faith. Any Banking corporation, association or individual banker in Hall County, will be allowed to bid. The award will be to the highest bidder, the Commissioners' Court reserving the rights to reject any and all bids. Respectively submitted  
Loran Denton  
County Judge,  
Hall County, Texas 37.3c

The Veterans Administration administers approximately \$36 billion worth of government life insurance for about 5 million policy holders.

**Living Costs Outpace Incomes In Hill County**

**NEW YORK —** To what extent rising living costs and bigger taxes offset are wiped out the income gains that Hill County workers have obtained in the last few years?

Where does the average local family stand today in the nip and tuck race between mounting costs and rising wages?

For a while, most families in the area were able to keep ahead of the game because their incomes were going up more rapidly than their living costs.

In three of the last five years, however, the reverse has been the case. The erosion of income was most pronounced in the past year, according to the Bureau of Labor Statistics.

Nationally, it reports, although weekly earnings rose about 7 percent, on average, consumer prices surged by nearly 12 percent. As a result, there was a loss of close to 5 percent in net spendable income in the year.

A study by the Tax Foundation, shows how inflation and higher taxes have been putting the squeeze on the family pocketbook.

In Hill County, on the basis of its figures, pay increase of less than 34 percent in the last five years fell short of giving the average family the purchasing power it had with its smaller 1969 income.

As a result, local families that had an income of \$7,500 in 1969, would have to be earning approximately \$10,200 at this time to have the same purchasing power that they had then.

Those whose incomes were \$10,000 previously would require close to \$13,750 now to stay even. Families that were earning \$12,500 five years ago would need about \$17,300 to balance out.

For retired people in the lo-

cal area who are living on fixed incomes and for the unemployed, the going is especially rough.

It is difficult, also, for working men who have to provide for their families alone. That situation is less common than it was at one time, however, because married women have been entering the labor force in growing numbers, producing second incomes.

Over 38 percent of the married women in Hill County are now holding down jobs, the latest figures indicate.

**The amazing, incredible, indestructible Bond.**

Nothing can hurt a U.S. Savings Bond.

Suppose yours are lost. Or stolen. Or burned. No problem.

Just let us know they're missing. And we'll replace them.

So you see, if Bonds can't make you feel secure, probably nothing will.

Now U.S. Bonds pay 6% interest when held to maturity of 5 years (4 1/2% the first year). Bonds are replaced if lost, stolen or destroyed. When needed, they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

**Take stock in America.**

Join the Payroll Savings Plan.

**HAM "IN THE SNOW"**

Canned Polish Ham is a boon to the busy housewife, economical and tasty. It may be eaten as is, or prepared into a real eye-catching dish for company.

Polish Ham has all the Old World goodness of natural flavor, with no additives. It is just cured under the most modern scientific methods in its own natural juices.

The hams come in sizes to fit every family's needs. A delicious main dish is Polish Ham in the Snow—an unusual coconut and pineapple flavored delicacy.

- 1 3-pound can Polish Ham
- 1 can (8 ozs.) crushed pineapple
- 1/4 cup brown sugar
- 1/4 tsp. dry mustard
- 1/4 tsp. ground cloves
- 1/2 cup shredded coconut

Slice ham 1/4-inch thick and place in shallow baking dish; spread ham slices apart slightly. Combine brown sugar, mustard and cloves with pineapple (including liquid). Spoon mixture over ham. Bake in preheated oven 350 degrees F. for 15 minutes. Sprinkle with coconut and bake 5 to 10 minutes longer, until coconut is golden brown. Makes 8 servings.

Suggested Menu: Polish Ham In The Snow; Yams; Tossed Green Salad; Black Bread; Dessert.

**Legal Notice**

THE STATE OF TEXAS  
TO: MACHELL BANHAM MURDOCK

GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 24th day of February, A. D., 1975, at or before 10 o'clock A. M., before the Honorable District Court of Hall County, at the Court House in Memphis, Texas.

Said plaintiff's petition was filed on the 10th day of May, 1973. The file number of said suit being No. 4685.

The names of the parties in said suit are:

JOHNNY GLEN MURDOCK as Plaintiff,

and

MACHELL BANHAM MURDOCK as Defendant.

**West Texas Utilities Announces Changes In District Management**

A series of management changes in three of West Texas Utilities Company's seven operating districts was announced today by Durwood Chalker, WTU president.

James Elam, district auditor in Childress for the Panhandle District, has been transferred to

in the Company's Big Bend District, headquartered in Marfa, was transferred to Ballinger as district manager.

George Field, district manager

Marfa as manager of the Big Bend District. Jean Collins, assistant district auditor in Childress since February, 1974, has been promoted to district auditor for the Panhandle District.

Elam who came to work for WTU as a clerk in the Abilene District Office in 1959. He has been serving as district auditor in Childress for the Panhandle District since 1972.

Mrs. Collins joined WTU as a clerk - bookkeeper in the Panhandle District Office in Childress in 1964. She was promoted to senior clerk in Childress in 1973 and one year later was promoted to assistant district auditor.

Born and raised in Childress County, Mrs. Collins attended school in Carey, graduating from Carey High School in 1964. Prior to joining the Company, she was employed as a clerk - bookkeeper at Montgomery Ward in Childress.

Mark Stevenson, who has spent the holidays here with his parents, Dr. and Mrs. H. R. Stevenson, left Sunday for Lubbock where he is a student at Texas Tech University.

**Amarillo Little Theatre To Give "The Fantasticks"**

The Amarillo Little Theatre will present "The Fantasticks", a musical comedy from January 24 through February 8.

"The Fantasticks" is a milestone of musical theatre history. Having had over 700 productions throughout the world, it is still running after 15 years off-Broadway.

Tickets are priced at \$4.00 (adults) and \$2.00 (students), and will be available at the theatre box office (355-991) beginning January 20. Performances beginning at 8:15 are scheduled for January 24, 25, 31 and February 2, 7 and 8. A Sunday Matinee February 1 will begin at 2:30.

## Memphis Rebekah Lodge Holds Joint Installation Service Jan. 13

A joint installation of officers was held on January 13th with Memphis Rebekah Lodge No. 246 and Wellington Rebekah Lodge No. 24. The Memphis lodge was host for the occasion in L.O.O.F. hall.

Those serving on the installing staff were Marguerite Smith of the Memphis lodge who served as District Deputy President. Other Rebekahs on the staff were Katie Isbell, Deputy Marshal; Ethel Lowery, Deputy Warden; Martha Zeck, Deputy Secretary; Lela Fay Burkhalter, Deputy Treasurer; Ina Tatum, Deputy Inside Guardian and Ethel Lowery, Deputy Chaplain.

Those installed as elective officers of the Memphis lodge were Dorothy Gurley, noble grand; Mattie Oak Jones, vice grand; Louise Snider, recording secretary; Edna Merrill, financial secretary and Marguerite Smith, treasurer.

Appointed officers were Emma Lee Nabers, warden; Florence Taborough, conductor; Fay Re-well, chaplain; Zora Young, musician; Vera Reed, color bearer; Estelle Barber, right supporter to the noble grand; Eric Morrison, left supporter to the noble grand; Emma Stevens, right supporter to the vice grand; Jean Lamb, left supporter to the vice grand; Eula Morland, inside guardian; Hil-dred McMillan, right supporter to the past noble grand; Florence Paschall, left supporter to the past noble grand; Lennie Ken-terly, right supporter to the chap-lain; Ann Lewallen, left supporter to the chaplain and Agnes Bailey, lodge mother. Co Rogers was seated as junior past noble grand.

During the good of the Order several talks were made by the visitors and members. Co Rogers, retiring noble grand, was presented a gift and a Past Noble Grand Certificate from the Mem-phis lodge. Lela Fay Burkhalter, retiring noble grand of Well-ing-ton lodge was honored and pre-sented a gift from her lodge.

The incoming noble grand and vice grand and also the lodge mother was presented from the center of the floor by Secretary Louise Snider and District De-puty President Marguerite Smith read appropriate tributes to each.

## Cub Scouts Are Selling Bottles Of Conc. Cleaner

The Memphis Cub Scouts of Pack 35 have been conducting a house-to-house campaign of sell-ing Civic Pride concentrated cleaner, in order to raise funds for the operation of the Cub Scout Program here.

Cubmaster David Morris said the drive ends tonight as ordering the cleaner sold will be done Fri-day 10-10-75.

The Cub Scout leaders chose to conduct a selling campaign this year as the Parks primary fund raising program. Scout units have fund raising activities to provide money to finance scouting functions.

The Cub Scouts' Blue and Gold Banquet is coming up in Febru-ary.

The concentrated cleaner is selling for \$2.50 per bottle, and Cubs have been taking names and phone numbers of those purchas-ing the cleaner. When the mer-candise arrives, Cubs will deliver their bottles to those on their list and collect.

Last year, the Cubs had a suc-cessful drive to raise funds, and the year before that, the group sold bottle cap openers.

Katie Isbell of Wellington, Es-telle Barber, Ora Eitzen and Marguerite Smith all of Memphis are Past District Deputy Pres-idents of district 6 of the Rebekah Assembly of Texas.

A delicious refreshment plate was served after the reading to the twenty-two members and nine guests attending.

## Amarillo Artist's Studio To Feature Noted Lecturer

Russell Moody of New York will be in Amarillo with the Na-tional Art Show sponsored by the Amarillo Artist's Studio for a lecture and demonstration on February 4 and 5. The show will be held at the Ramada Inn, lo-cated on L-49.

Advance tickets are now on sale for \$2.00 each from Alice Baldwin, 7791 Broadway, Ama-rillo.

Mr. Moody is a well known painter, author and lecturer. His paintings have been featured in exhibits all over the United States.

## Memphis Cagers -

(Continued from Page 1)

his Saturday, however, the Cy-clones seemed to start getting all together again, trailing 19 to 22 at the quarter, the local lads pulled to within one at halftime, 27 to 26, then moved ahead to 31 to 23 at the start of the final period, before winning the contest, 43 to 41. Beck had 22 points, while Johnson had 14, and Don Davis, Breyler and Norton had 4 each.

Memphis defeated Clarendon Tuesday 83 to 36 as Beck and Johnson each had 20 and Breyler had 14. Clarendon was playing without any seniors on their team, four of whom were starters at the first of the season.

Fans of the Memphis team are urged to make plans to at-tend the next two games sched-uled the next two games sched-uled since possible district title hopes rest on the outcomes.

## Estelline ISD -
