VOLUME LXXXIV \*\*\* Avalon Features \*\*\* MEMPHIS, HALL COUNTY, TEXAS, THURSDAY AFTERNOON, FEB. 20, 1975 \*\*\* 15c (Inc. 1c sales tax) \*\*\* NUMBER 42

**WEATHER SUMMARY**  
The weather this week turned cold and snow over the week with Memphis receiving a four inches of snow and a moisture content of .45 of inch. The snow made the land wet, it was reported. Temperature soared to a high of 79 before the cold front hit.

**MEMPHIS SCHOOLS SIGN WITH WEST TEXAS STATE**—Pictured above is Memphis High's All State football player, James Beck, signing an athletic scholarship with West Texas State University. The signing took place Wednesday morning, while his father and Mother, Mr. and Mrs. James Beck, and his coach, Clyde McMurray, looked on. West Texas State is interested in James playing split end for the Buffaloes. James interviewed with several universities, before choosing West Texas State. His father said he was very pleased James had selected West Texas State for it would give the family an opportunity to watch him play.

## Memphis Schools Invite Patrons Visit Mar. 3-7

Next week after next, March 3 to 7 will be Public School Week in Memphis and Memphis Superintendent Bill Wood announced this week that the Memphis schools will welcome visitors during the week.

The local schools are inviting patrons to visit the school any day during the week, from Monday through Friday," Supt. Wood said.

Patrons are also invited to eat in the two school cafeterias, either one at Austin or Travis, during the week.

Those who wish to have lunch in the cafeteria are asked to call the day before in order for the staff to know how much food to prepare. An average adult lunch will be collected," Supt. Wood said.

Memphis School Supt. Bill Wood and the M. H. S. Student Council with the aid of the Memphis Police Dept. did an outstanding job of hosting the playoff game between Phillips and Electra last Tuesday. Chamber member Bill Wood started the ground work and the student body of M. H. S. led the way for a most successful display of "Let's Talk Memphis" public relations work.

Our out-of-town visitors enjoyed the red carpet treatment the entire staff for the basketball game did an outstanding job. Our congratulations to the students of M. H. S. and all of other persons involved.

## Cub Scouts To Have Banquet Sat. Night

The annual Blue and Gold Banquet of the Memphis Cub Scout Pack No. 36 will be held at 7 p.m. Saturday night, Feb. 22, in Travis School Cafeteria, according to David Morris, Cubmaster.

The banquet and program, which will be attended by Cub Scouts and their families, will feature awards presentations by the Den, and a skit and flag ceremony by the Webelos.

The Webelos' skit is on the month theme of the Cub Scout Program, "George Washington", and the Webelos will conduct the opening ceremony and the closing ceremony for the evening.

Included in the awards presentations, will be the awarding of rank achievements, and Webelos Leader Bill Combs will present

six "Arrow of Light" awards, the highest achievement awarded in Cub Scouting. Two of the Webelos who just this week completed requirements for their "Arrow of Light" will also be recognized in the special ceremony.

The Cub Scout Pack is currently in the process of re-chartering, as February is the re-charter month. Any boy who has reached the age of eight and would like to become a Cub Scout is cordially invited to attend with his family. Registration for new boys and the organization of a new den for them will be held.

Over 100 people are expected to attend the banquet, the Cub Leader said.

At the banquet, Cub Scouts and their parents will be sitting together with their respective Den Leaders in Den Units. Dens are judged on the one which has the best attendance.

**The Chamber Corner**

expansion for industry for our facility here in Memphis. We are looking for an industry in the field of agriculture manufacturing.

We are asking the businessmen, agri-businessmen, and private citizens of Memphis and Hall County to hire the Memphis Chamber of Commerce to work for you in the progress and betterment of our community. An investment in the Memphis Chamber of Commerce is an investment in the progress and future of our community. Now is the time to work for the future of Memphis, and now is the time to hire us to work for you.

The Memphis Chamber of Commerce wants to encourage the support of Memphis and Hall County citizens to the Farmers Union in their state-wide campaign to send delegates to Washington, D. C. Among these will be a delegation from Hall County. The Memphis Chamber is in full support of the farmers and agri-business in seeking increased market prices.

We have been talking a lot about the Bob Wills Bicentennial coin for the past few weeks, and our response from the readers has been very good. Our advance sales of the coin are going very well and we expect to have the coins ready to display during the first week or two of March. We will be selling coin sets, individual coins, and beautiful chain (Continued On Page 10)

## Lakeview School Board Calls For Trustee Election

The Board of Education of Lakeview Independent School District has officially called a trustee election for April 5 to fill the expiring terms of W. O. Clark, Sonny Byars and T. U. Hughes. Filing deadline is 5 p.m. Wednesday, March 5 with absentee voting to be held March 17 through April 1 between the hours of 9 a.m. and 4 p.m. at the superintendent's office.

Polls will be open from 7 a.m. to 7 p.m. April 5 in the elementary school auditorium. Mrs. Clyde Reed was appointed the election judge with Mrs. W. C. Hignight, clerk.

Candidates may file for the school board at the superintendent's office.

## A. L. Gailey Named Director W. T. Chamber

A. L. Gailey, Kinard - Gailey Agency, Memphis, was one of 17 new directors elected February 14 at the executive committee meeting of the West Texas Chamber of Commerce in Abilene.

He was elected for a three-year term. The West Texas Chamber of Commerce is the largest regional chamber of commerce in the United States and serves a 132-county area of West Texas from El Paso to Fort Worth and Waco east and west, and from Dalhart to Del Rio north and south.

## Weed, Insect Control Meet Set For Thurs.

A Cotton Weed and Insect Control meeting has been set up for Thursday, Feb. 27, at 7:30 p.m. in the Council Room at the Memphis Community Center according to Warren Mitchell, County Extension Agent.

Special emphasis will be placed on the correct and efficient use of herbicides to control weed in Cotton. Banding as well as broadcast methods will be covered. Insect control information will cover what chemicals are cleared for use as well as any particular insect problems that have been encountered.

The program will be presented by Dr. Dale Lovelace, Area Agronomist and Mr. Emory Boring, Area Entomologist from Vernon.

Everyone is invited to attend this meeting if they raise cotton or not. The program will give a lot of useful information and there will be a question and answer session afterwards.

If more information is desired, Contact the Hall County Agents office in Memphis.

## Daylight Time Dawns Sunday

Once again clocks will be turned ahead an hour at 2 a.m. Sunday to begin eight months of Daylight Saving Time.

The U. S. Congress in 1974, determining that DST did not save energy during the winter months, approved the return to Standard Time from the months of November, December, January and all but the last week in February.

The common practice is for citizens to run their clocks ahead an hour before retiring Saturday night.

## Snows Sunday Measure Four Inches In Area

The Hall County area received approximately four inches of snow Saturday evening and early Sunday morning, which left about .45 of an inch of moisture, Rayford E. Hutcherson, official weather observer reported.

Temperatures before the cold front reached a high of 79 degrees, but plunged to 20 degrees during the coldest portions of the night time after the front passed.

The warmest afternoon high since Saturday has been Wednesday's 52. There still remains traces of snow on the north side of buildings, shaded from sunlight.

Weathermen are predicting another cold weekend.

## Valley High Girls Win Bi-Dist.; Advance To Region At Levelland

Bi-District basketball is the order of the day in the sport picture this week, with Memphis being the site of the Class AA game between Phillips Black Hawks girls and Electra Tigerettes, here Tuesday.

Phillips' 6-foot, 3-inch forward Jill Jankin was far too much for Electra's three 5-foot, 8-inch guards to try and contain and she put in 61 points to lead her team to a 77-38 victory.

Frankly, the Tigerettes might have had a chance if Miss Jankin hadn't been the super-player she was, however, the Electra forwards, whose individual scoring averages for the season were barely in the double figures, just couldn't manage to put enough points on the scoreboard to make the game interesting to about 700 fans. The noise level in the local gym was intense during the pre-game minutes but when play was finishing the first quarter, and a one-sided contest was obvious, things settled down to a calm which continued throughout the night.

### Valley High Wins

The Valley High Patriots girls basketball team, seemed destined to make a third trip to the State Play-offs, as they rolled over Allison 64-33 Tuesday night at Pampa in Class B Bi-District.

Valley girls, with a record of 30-3, won the District 4-B championship with a spotless record, and jumped to a 21-5 first quarter edge over the Allison team, a team which did not have a gym to workout in this year after the school's gym burned last year.

The Valley girls had balanced scoring from Mitchie Lipscomb who hit 24, 10 field goals and 4 free throws; Eva Cheatham, 21 pts, with eight field goals and five free throws; and Janna Turner with 17 points, seven of which from the foul line.

Valley advances to the Class B Regional tournament to be held in Levelland this weekend, opening at 8:30 p.m. Friday against the winner of the Bi-District game between Greenwood and Paint Rock.

Valley's team out rebounded Allison 33 to 23 with Cheri Brown, a guard, leading in rebounding with 18 off the defensive board.

Coach Dave Sanders, in his first year with the Valley girls, said he was pleased with his team's play. "We worked good together as a team," Sanders said.

Valley has had two shots at state crowns, in Class A ranks, and if the team can continue with balanced attack and good defensive play, the team may have a shot at another state crown, if all goes well at Levelland. There is an old saying, "third time is a charm."

The Dist. 2-A Claude Mustangettes lost to Stratford in Bi-District Monday night, by about 10 points.

Wellington boys defeated Shamrock boys for the District 2-A title and will be playing in Bi-District on Monday or Tuesday, March 3 or 4.

The Hedley Owls, winners of District 4-B, will be playing Moebette either Monday or Tuesday night, March 3 or 4, at a site to be selected early next week. Mr. Freeman of Hedley Schools said it was hoped to be able to arrange for a double header with the winners of Dist. 1-B and 2-B.

## C Of C Decoration Committee To Meet Tuesday

A decoration committee meeting of the Memphis Chamber of Commerce banquet committee will meet Tuesday night Feb. 25, at the Community Center.

All women of the chamber, who would like to help decorate for the banquet to be April 4, are asked to attend this meeting, Mrs. Linda Branigan announced.

Mrs. Fern Kehr and Mrs. Linda Branigan are serving as co-chairmen of the decoration committee for this year's banquet.

## Ennis Rites Held For Mrs. Schillinger

Funeral services were held in Ennis Friday for Mrs. Fred Schillinger, 90, according to word received here this week. Burial was at Ennis.

Mrs. Schillinger, a former longtime resident of Lakeview, passed away Thursday in the Odd Fellow Home in Ennis. She was a Baptist and a member of the Rebekah Lodge.

She is survived by one brother, Jess Payne of California; and several nieces and nephews, among them Mrs. James Skinner and Mrs. Jess Watson of Lakeview.

Hall County will send five persons on the Farmers Union Fly-In to Washington, D. C., early next week. The five from Hall County will join with citizens from Collingsworth and Childress Counties, and other counties in Amarillo Sunday.

The group will be a portion of 55 Texans led by Farmers Union Texas President Jay Naman, who will fly to Washington to meet with Congressmen and Senators concerning the need for better market prices for agricultural products.

The Hall County delegation, composed of Noel Long of Esteline, Jackie Blum of Lakeview, Mr. and Mrs. Joe Allen Ballard of Memphis, and Virgil Blakney of Turkey, will carry with it a letter from the Memphis Chamber of Commerce and other documents from this area supporting the need for better prices.

In order to support the delegation from Hall County, \$275 per person had to be raised to pay for travel and lodging expenses.

The delegation will leave from Amarillo at 12:30 p.m. Sunday and are not due to return until next Thursday. The period of the fly-in is Feb. 23 through 27.

The need for better market prices or an increase in target price is vital if agriculture is to survive in this period of skyrocketing inflation.

Currently under discussion in the nation's capitol is the new farm bill, and the delegation is hoping to influence support for higher target price and a guarantee of a better market prices.

## Contributions Needed Now For Library Fund

A Library Fund has been started and contributions are asked from all those who would care to donate, Mike Branigan, City councilman in charge of the Carnegie Library, stated this week.

Those who would like to donate to a library fund may give their money to Mr. Branigan or deposit it in the Library Fund at the First National Bank or the First State Bank.

Citizens have been interested for some time in making improvements to the library building and the project is under consideration by the City Council. No definite plans have been worked out as yet, A. L. Gailey, City secretary, stated.

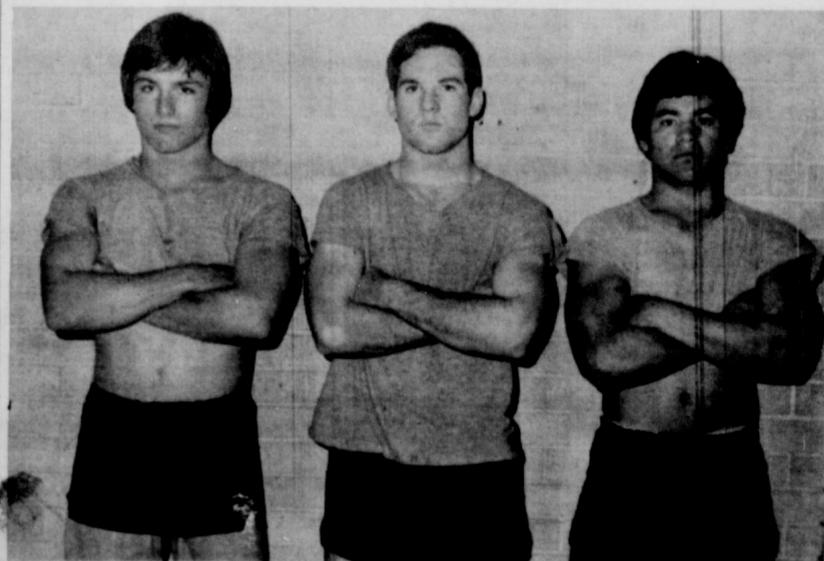

Federated clubs of the city have raised funds for the library in projects this fall and several years ago friends of the Library also raised some funds for the library.

## Graveside Rites Held At Lakeview For Rial Barnett

Graveside rites were held at 2 p.m. Monday, Feb. 17, in the IO. OF Cemetery at Lakeview for Rial Martin Barnett, 69, Rev. Bill Curry, pastor of the Lakeview First Baptist Church, officiated. The rites were conducted by the American Legion Simmons - Noel Post and were under the direction of Spicer Funeral Home.

Mr. Barnett was born Feb. 12, 1906, in Texas. A longtime Lakeview resident, he moved to Fresno, Calif., 23 years ago from Lakeview. He was a farm laborer and a veteran of World War II.

He died Friday, Feb. 14, in Fresno. Survivors include: one son, Oman of Graham; four brothers, Guy of Oklahoma City, E. C. Jr. of Borger, Clyde "Joe" of Stannett and Robert L. of Lubbock; one sister, Mrs. Bobbie Shaeffer of Dos Palos, Calif.; and three grandchildren.

**SUPER CYCLONES**—Earning top name in the MHS Athletic Program's Off-Season activities are three young men pictured above. These three will play key roles next year and are, left to right: Dick Hutcherson, Fred Alexander and Joe Reyes.

## Tech Range Plant Team Wins Third Mexico City

LUBBOCK, Feb. 12, 1975 — Tech University's range identification team, coming in Mexico City this week, third place. The student competition is sponsored by the Society of Range Management and in connection with the social annual meeting.

Timothy Holland of Turkey won first place in individual competition identifying 989 plants out of the required 1,000. Other team members included Russell Lasas-Lubbock, Steve Nelle, Lewis and Humberto Hernandez, and back. All are students in the department of Range and Wildlife Management at Texas Tech.

The team competition required the identification of 3,000 plants. The A&M University team won with a score of 2,953. Colorado State University was second with 2,949. The Tech team scored 2,943.

## Cable Work To Furnish Direct Dialing Is Begun

Workmen are now engaged in the laying of underground long distance cable from Dodson to Wellington. This is the first phase for the conversion to Direct Distance Dialing in November 1975, according to J. H. Davis, district manager for General Telephone Company. New underground long distance cables will also be placed from Wellington to Memphis, Memphis to Lakeview, Lakeview to Turkey and Turkey to Quitaque.

The addition to the building at Memphis to house the new equipment in connection with the project to furnish DDD has been completed. Installation of equipment is scheduled to begin in March. DDD will be furnished to Memphis and all towns toll centered on Memphis which are Wellington, Dodson, Clarendon, Hedley, Lakeview, Estelline, Turkey, Quitaque and Flomot.

## The Bradfords Are Listed on Tech Honor Roll

David and Susan Bradford were among students included on the Dean's list at Texas Tech University, according to information received here.

A student must make a 3.0 grade point or above to be listed on the honor roll.

Susan is the daughter of Mrs. Jim Margraf of Memphis and A. C. Sams of Lubbock and is an English major. David is the son of Mr. and Mrs. Wade Bradford of Childress and is a petroleum engineer student.

## Darlene Proffitt Graduates From Draughon's College

Darlene Proffitt, daughter of Mr. and Mrs. Tommy Proffitt of Lakeview, has recently graduated from Draughon's Business College in Amarillo, according to Jim Brown, director of the College.

Darlene received a degree in Secretarial Business and was an active member of the Student Council serving as vice-president of the organization. She was mentioned in the honor roll several times during her graduation requirements from Draughon's and is presently employed by Floyd West & Company in Amarillo.

# Dr. Donald A. Gill Does History On Hall County's Place Names

(Editor's Note: Donald A. Gill, of Lafayette, La., recently completed his dissertation for the Ph. D. degree from East Texas State University which was a linguistic analysis of the place names of the Texas Panhandle. Hall County was included in his study, and following is the portion concerning this county. He is a native son of West Texas and received his B. A. degree in 1940 West Texas State University.)

By Dr. Donald A. Gill  
"What is a name?" If this appears had thought more deeply about that question, perhaps it would not have had failed ask it. To some people, a great deal lies in a name, especially in a place name. Each name that lies on the land of ours is indicative of the people who live here, and it reveals the history, the folklore, the every-day events that happen to those people.

Listed below are the name origins of the place names which appear on the General Highway Map of Hall County.

**Baylor Creek** — This creek flows through the Baylor Ranch.

**Berkley Creek** (now Berk Creek) — The Berkley family were early settlers in the county.

**Bitter Creek** — The water in the creek tastes very bitter.

**Brice** — C. E. Brice assisted in organizing the county.

**Brooky Creek** — Dense brush exists in the creekbed.

**Bullard Creek** — A man named Bullard lived in the creek canyon.

**Deep Lake** — For years this lake was considered bottomless and was known to cattlemen hundreds of miles away. It was a favorite camping ground for the Indians, and the story is told that they buried great treasures there.

**Dry Salt Creek** — The creek bed has deposits of salt in it. The spring which fed the creek is now capped, and the creek is now dry.

**Elk** (now Elite) — Eli Melton DeWine was an early settler and leader of the community. The post office was discontinued in 1914 after fires and tornadoes destroyed part of the town.

**Elite** (formerly Elk) — When the people of the town requested renewal of the post office, the postal department would not permit the use of the name name; so it was added to the former name because the people still wanted to honor Mr. DeWine.

**Elmore School** — Elmore Dodson was a resident of the area.

**Estelina** — Estelina de Shields was the daughter of an early settler.

**Finger Lake** — J. C. Finger was an early settler in the area.

**Gazelle** — Mr. Richardson named this place for a friend who was conductor on the Fort Worth and Denver Railroad.

**Hall County** — Created from Bezer and Young Territories in 1876 and organized in 1890 with Memphis as its county seat, Hall County was named for Warren D. C. Hall, Adjutant General under President Burnett of the Republic of Texas.

**Hancock Lake** — George Hancock was an early settler in the county.

**Hulver** — Hulver, the first post office to be established in the county south of the Red River, was named for William Hulver Meador of Newlin.

**Indian Creek** — Indians once camped near this creek.

**John Mann Creek** — John Mann was a cowboy for the J. A. Ranch who later homesteaded at the head of the creek.

**Jonah Creek** — Origin unknown.

**Kent Creek** — The Kent family were early settlers in the county.

**Lakeview** — The town was named for Deep Lake, four miles away.

**Lesley** — This name honors the son of James P. Montgomery, Lesley Montgomery.

**Little Red River** — This river is a tributary of Prairie Dog Town Fork of Red River.

**Memphis** — Dr. Brice, while in Austin, saw a letter addressed to Memphis, Texas, with a notation, "No such town in Texas." The name was submitted and accepted.

**Mountain Creek** — The creek flows through a small group of mountains or hills.

**Mulberry Creek** — Mulberry trees grow along its banks.

**Newlin** — In the early 1870's Col. Charles Goodnight, Emmanuel E. Dubbs, and a Mr. Newlin, while on a buffalo hunt, camped one night in the valley just north of the present town. Sometime later Mr. Newlin returned and is said to have assisted in plotting the town in 1889.

**North Peace River** — Jacob de Cordova named the river for Governor E. M. Peace of Texas.

**Olks Creek** — A surveyor named Olks was surveying near the Red River and discovered this creek.

**Oxbow Creek** — The creek was shaped like an oxbow near one of the camps of the Shoe Bar Ranch. The creek has since changed its course.

**Panther Creek** — A panther was killed near this creek.

**Parker Creek** — A man named

# Charlie Williams To Be Honored On Birthday Sun.

Doctor lived near Memphis.

Parrell — The town was named for J. L. Parrell.

Pleasant Valley — This name came from the pleasant atmosphere of the valley, located in the old summer camp of the Shoe Bar Ranch. Shoe Bar, a well-known settler, died on four sections in this beautiful valley in 1877.

Pinkish Creek — Pinkish or pinkish water were often seen in this area.

Poska — The town of Poska was located on the 212 E. 1/2 E. 1/2 section, which later became a part of the W. W. Lee estate. The post office was established March 2, 1901, with James E. Robinson as postmaster. The office was discontinued in 1907 and when the community sought to reorganize the post office, the postal authorities reported another town by that name. Poska was suggested by E. S. Orr, Jr. in some town in Tennessee, and the new office was established at Poska in 1920.

Prarie Dog Town Fork of Red River — Numerous prairie dog towns were located near the river.

Raiders Creek — A Mexican cattle raider was caught and killed near the creek.

Salisbury — Much of this area was originally settled by the English and Scottish Land Syndicates, and it is possible that the community was named for Salisbury, England.

Salt Hole — This name is a description of a large hole or spring that flows salt water, with more salt content than the Gulf of Mexico.

Spring Creek — A flowing spring feeds the creek.

Tampico — This railroad station was named for Tampico, Mexico.

Turkey — Once known as Turkey Root, this town was established

by the late Charlie Williams, who died in 1901. Williams, who was born in 1848, was a prominent citizen of Hall County. He was a member of the Texas State Bar and a member of the Texas State Medical Association. He was also a member of the Texas State Historical Association. He was a member of the Texas State Bar and a member of the Texas State Medical Association. He was also a member of the Texas State Historical Association.

RECITAL — A popular music program will be presented Sunday, Feb. 23, at 2:30 p.m. in the Community Center by the three young ladies pictured above. Seated is Shari Posey, and standing are (left to right) Debbie Johnson and Sheri Davis. The recital will be vocal and instrumental.

# Vocal, Instrumental Recital To Be Performed By Local Teenagers Sunday

A program of popular music will be presented by Shari Posey, Sheri Davis, and Debbie Johnson on Sunday, Feb. 23, at the Memphis Community Center Auditorium. Each of these young ladies is a senior student in Memphis High School this year. They have enjoyed many honors and have been participants in numerous school, community and church activities.

The featured vocalist in the program will be Shari Posey, daughter of Mr. and Mrs. Marion Phares Sharr. She has been a member of the FFA, Senior Club, National Honor Society and the Memphis Cyclone Band. She has served as a Senior Class officer, Junior Varsity Cheerleader and Head Twirler for the Cyclone Band the past two years. Shari was selected for the 1973-74 All Region Band, Best Marcher Award, Girl State Runner-up and Farm Bureau Queen Runner-up. Among her top honors which she has received include entries in the UIL Regional Contest Division I and recipient of first place in the National Baton Twirlers Association. Shari plans to attend Texas Tech University at Lubbock and is hoping to twirl with the Red Raider Band.

Assisting her in the program is Sheri Davis, daughter of Mrs. Carlton Howard and Mr. Benny Davis. Sheri was selected as Class Princess, Cutest Couple, FFA President, Band Favorite, Sophomore Class officer, Band officer, FFA Sweetheart, Most Beautiful, Homecoming Queen and Drum Major for the Cyclone Band, for 1974-75. She received Best Marcher Award, was selected to attend Girls' State, has served on the Annual Staff and was

selected to Who's Who for two years. Sheri plans to attend Clarion College following graduation.

Debbie Johnson, daughter of Mr. and Mrs. Martin Johnson, will be appearing in the program also. Debbie has been a member of the local FFA Chapter for 3 years and has served as treasurer of the organization. She has been a member of the HERO Chapter and Vice President of the chapter this year. Debbie has been a member of the Cyclone Band for three years, has participated in plays presented by the Speech Dept., received the Little Sister Award from Young Homemakers of America 1974-75 and for the past two years has been Sweetheart of the Memphis Rotary Club.

These young ladies will be performing old and new popular favorites vocally and instrumentally. All three girls are voice and piano students of Betty Stewart who will provide accompaniment for the program.

The public is cordially invited to attend "An Afternoon of Music" beginning at 2:30 p.m.

### 1913 Study Club Enjoys Two Meetings In Jan., In Madden & Greene Homes

Ordinarily, The 1913 Study Club meets the first and third Wednesdays of each month but due to the fact that Miss Helen Madden was out of town, touring the islands of the south pacific and Australia, the second January meeting was scheduled for the fifth Wednesday in January. It was then deemed feasible to make one report cover that gala affair and the first February session.

The tour must have revitalized Miss Madden's energies as the delightful meeting in her home, January 29, showed signs of extra planning. In the absence of the president, Mrs. Gayle Greene, Mrs. Bray Cook presided during the business session which was brief. The courtesy committee was instructed to send flowers from the club for the funeral service of a past member, Mrs. Mills Roberts. Also, it was reported that the annual club reports had been sent to the proper persons.

Mrs. Byron Baldwin gave a most interesting and humorous review of Sam Levenson's autobiography, "Everything But Money" in which the author told of his close - knit Jewish family and how they cheerfully managed on love for one another and frugal living happily.

During the social interlude, the guests were treated to explanations as to the tokens brought back from her recent travels, delicious refreshments, place cards with bits of 'paua' shells, and strings of cocoa seed necklaces from Hawaii. This put the finishing touches to a most enjoyable

afternoon. Then, Wednesday the following week, the club members convened in a regular meeting in the home of Mrs. R. S. Greene. Mrs. Gayle Greene, the club president presided during the business portion of the afternoon session in which the updating of the club's constitution and by-laws was thoroughly discussed and tabled to be acted upon at the next meeting. A card of appreciation from Mills Roberts was read.

As a program, Virginia Browder gave excerpts from her forthcoming history of "DONLEY COUNTY: LAND O' PROMISE" and concluded with paragraphs lifted from a humorous little book called 'The Specialist' which, by-the-way, was not included in the manuscript of her book.

Present for the afternoon's festivities and the tasty refreshments served by the hostess, Mrs. Greene, were: Mmes. D. L. C. Kinard, Joe Allen Ballard, F. W. Foxhall, Ed Hutcherson, Mac Tarver, Paul Montgomery, Bill Wood, Miss Neville Wrenn, Miss Helen Madden, Virginia Browder, and one guest Laura Halperin from Dallas.

### Parnell Club Meets In Regular Session Wednesday

The Parnell Club met Wednesday, Feb. 14, in regular session with 14 members and 5 guests.

Billy Potts called the club to order and the Lord's Prayer was repeated in unison by all. The guest were introduced and made welcome to the meeting. Guests were Ester Hamilton, Shelly Page, Pauline Knight, Beulah Travis and Pam Bruce.

Cordye Hood gave the devotional. Roll call was answered with "Show and Tell some handiwork you have made or something that you treasure." Leona Burk read the minutes of the last meeting.

The club discussed old and new business. There were 19 sick visits counted. After dismissal by Lucille Cope there was a Valentine program.

Refreshments were served by the social committee to the following members and guest:

Cordye Hood, Nell Burk, Lucille Cope, Nelda Ferrel, Darlene Trapp, Leona Burk, Lena Hill, Clessie Jouett, Desie Osburn, Billie Potts and Lucille Robinson and guest Ester Hamilton, Shelly Page, Pauline Knight, Beulah Travis and Pam Bruce.

Mr. and Mrs. Lynn B. Jones and Mr. and Mrs. Lawrence J. Kenyon arrived home Tuesday, Feb. 18, from a week's fishing trip to Corpus Christi. They went deep sea fishing one day and caught 19 Red Snappers, and Mr. Kenyon caught a 31-lb. Amber Jack. They visited with Clyde Jones and Mr. and Mrs. Carl Jones in Corpus Christi.

### Delphians Enjoy Indian Artifacts; Book Review Tues.

The Delphian Club met February 4 in the home of Mrs. Robert Duncan with Mrs. Wayne Sweatt as cohostess.

The meeting was called to order by the president, Mrs. Sweatt. Mrs. Leon Davis introduced the program on "Americanism." The meditation, "The Indian Prayer" was given by Mrs. Dean Yarborough. Mrs. John Crane gave a review of the book, "Lame Beaver." Mrs. Jim Powell displayed pictures of Indian artifacts. Members enjoyed viewing, as Mrs. Robert Duncan explained how each was used, the Indian artifacts collected by the late C. C. Hodges.

Members were served from a beautifully decorated tea table.

Those present were: Mmes. John Crane, Leon Davis, W. C. Dickey, Henry Hays, E. L. Kilgore, Warren Mitchell, Ben Moss, Jim Powell, C. L. Smith, Wayne Sweatt, Dean Yarborough, Jack Boone, J. S. McMurry and the hostess, Mrs. Robert Duncan.

Mr. and Mrs. Hermon Bell, Sr.

### Mr., Mrs. Hermon Bell, Sr. Enjoy Reception On Fiftieth Anniversary

Mr. and Mrs. Hermon Bell, Sr. of Memphis were honored with a reception at their home on Sunday, Jan. 12, to celebrate their Golden Wedding Anniversary.

Hosts for the occasion were their children and families: Hermon Bell, Jr. of Memphis and Mr. and Mrs. Billy Bell of Odessa.

The guest register was attended by Lila Ann Bell, granddaughter of the couple.

The serving table was covered with a gold linen cloth trimmed in lace and was centered by a floral bouquet of yellow mums and daisies. The cake was white - tiered, decorated in gold and topped with a grey - haired couple and a golden numeral "50." China, crystal and silver appointments were used.

Edna Bell and Marsha Mackey, daughter - in - law and granddaughter of the honorees, served the guests. Toni Bell and Kay Bell, granddaughters-in-law, received and placed the gifts for display.

Hermon Bell came to this area with his parents at the age of 1 1/2 years and has lived in the area since that time.

Miss Lila Myrtle Bartley came to this area with her parents when she was five years old.

The couple was married January 10, 1925, at Sayre, Okla., and farmed in this area until retirement.

Out - of - town relatives and friends registering included: Mr. and Mrs. L. R. Latimer, Wayne Latimer of Hedley; Mr. and Mrs. Irvin Oakley, Fritz Stone, Sue Stone, Mr. and Mrs. Floyd Bartley of Amarillo; Addie Morris, Murlice Curl, Wiley Curl, Booger Groves of Sayre, Okla.; Mr. and Mrs. John Groves of Shamrock; Estelle Guthrie of Lubbock; Shirley Birdwell and Regina of Burns Flat, Okla.; Mrs. Nina Jackson of Weatherford, Okla.; Allen and Sharon Curl of Oklahoma City; Billy D. Bell and Kaywynn, Mr. and Mrs. Bobby Bell, Lila Ann Bell of Odessa; Bertha Bright and Bob Welch of Altus, Okla.; Inez Walters of Pampa; Ron Barnes of Amarillo; Mr. and Mrs. Grady Jones of Lela Lake; Mr. and Mrs. Everett Bell of Wellington; and Mr. and Mrs. Carl Morgan and family of Fritch.

### Delphian Club Members Study Texas Heritage

The Delphian Club met February 18 in the Bronze Room of the First National Bank with Mrs. Ben Moss as hostess.

The meeting was called to order by the president, Mrs. Wayne Sweatt. The club discussed plans for the Bicentennial Poster Contest to be offered to the grade schools in Memphis. Trophies and ribbons will be given in each of the three divisions.

Mrs. John Deaver II introduced the program on "Texas Heritage." The meditation, "What Hath God Promised," was given by Mrs. Mildred Stephens. The humorous recital of "Grandma's Recipe for Doing the Family Wash" was given by Mrs. Gaylon Ariola and Mrs. Sim Reeves discussed "Woman's Day of Rest 1874," describing the hectic Sunday of a woman in 1874, feeding dressing and seeing that her family of eight got to church on time.

Members enjoyed a tour of Heritage Hall Museum with Byron Baldwin and Hubert Dennis as their hosts. Pictures of the interior and exterior of Heritage Hall were given to each member.

Members returned to the Bronze Room after the tour and were served delicious refreshments. Those attending were: Mmes. Sim Reeves, Mildred Stephens, W. C. Dickey, J. S. McMurry, Robert Clark, John Deaver II, Warren Mitchell, Leon Davis, Neil Hindman, Gaylon Ariola, C. L. Smith, Henry Hays, E. L. Kilgore, Wayne Sweatt and the hostess, Mrs. Ben Moss.

Mr. and Mrs. Howard Martin

### Howard Martins To Observe Golden Wedding Anniversary Sunday, Feb. 23

Mr. and Mrs. Howard Martin will be honored with a reception Sunday, Feb. 23, in observance of their Golden Wedding anniversary.

The reception will be held in the Lakeview Cafeteria from 2 until 4 p.m.

All friends of the couple are cordially invited.

Children of the couple are Mrs. Jackie Blum of Lakeview, Raymond H. Martin of Memphis and

Tommie Martin of Lakeview. The former Artie B. Stanford and Mr. Martin were married February 25, 1925 at Lakeview.

Mr. Martin, a semi-retired farmer, is now employed at the Lakeview School.

They are members of the Church of Christ. The couple has 8 grandchildren and 2 great grandchildren.

Mr. and Mrs. Martin have resided in Lakeview for 58 years.

### Mr., Mrs. R. D. Hall Celebrate 50th Wedding Anniv. With Reception Feb. 9

The Bronze Room in Memphis was the scene for the Golden Wedding Anniversary reception honoring Mr. and Mrs. R. D. Hall on February 9 from 2 to 5 p.m. Hosting the event were the couple's children and grandchildren.

The refreshment table was laid with a cloth of Quaker lace over gold satin and centered with a lovely gold and yellow arrangement of mums and daisies. The three - tiered wedding anniversary cake was beautifully decorated and topped with tall white satin bells. The registering table was laid with yellow net over gold satin and held a crystal vase with yellow daisies. Guests were greeted by Mrs. Marcene Molloy. After registering, they were presented to the honorees. Mrs. Hall was attired in a formal beige embroidered lace dress complimented with two gold orchids.

The former Miss Nadene Crawford and R. D. (Doyle) Hall were married February 7, 1925, in Memphis by the First Baptist Church minister, Rev. Charles Whaley.

Mrs. Hall, the daughter of the late Mr. and Mrs. W. L. Crawford, was born in Cooke County, Gainesville on April 15, 1908. Mr. Hall was born in Parker County, Peaster, Texas, on May 19, 1902. He came to Hall County with his parents, Mr. and Mrs. G. D. Hall, in the fall of 1907. Mr. Hall has spent most of his life as a farmer and trucker.

They have made their home in the Pleasant Valley Community 7 miles south of Lakeview on the same farm since they married in 1925.

The registering table used in the reception was the original old time stand table that Mrs. Hall's parents started housekeeping with in 1906.

The members of the house party included the couple's three daughters and families, Mr. and Mrs. Joe Randal, Linda Beth, Melissa and Jennifer of Amarillo, Mr. and Mrs. Delbert Brandon and Sandra of Colorado Springs, Colo., and Mr. and Mrs. Roger Smart, Debbie, Curtis and Brian of Denver, Colo.

Mrs. Don Molloy registered the guests. Mmes. Carroll Hignight, Billie Faye Molloy, Harold Hodges and Worth Howard alternated at the serving table. Mrs. Hubert Hall and Mrs. A. L. Hall helped whenever needed. The granddaughters received the gifts and put them on display.

Mr. Hall's only sister, Mrs. Eula Davis of Amarillo, and Mrs. Hall's only sister, Mrs. Mae Muney of Floydada, were in attendance and all were beautifully attired in formal and wore yellow corsages.

The couple's two great-grandchildren, Stormye Lynn and Jamey Dale Farley, also were present from Colorado Springs.

A host of relatives and friends attended the celebration and also, a great number of relatives and friends who were unable to attend called their congratulations.

### Alpha Fellowship Begins Study Of Jonah February 17

The Alpha Fellowship of the U. M. W. met Monday, February 17, at 3 p.m. in the First United Methodist Church to begin the Bible study of the book of Jonah.

Mrs. F. W. Foxhall led a responsive reading entitled "The Sovereignty of God." She introduced the study of the book, "Rather Die Than Live", by Dr. W. M. Pickard. It points up the depth of God's love in contrast to the tragic suffering resulting from the denial of this love in the world.

Mrs. Ed Hutcherson gave an informative discussion of the first half of Chapter One focusing on the historical background of that time and the beliefs of some of the prophets.

Mrs. J. J. McDaniel gave a comprehensive review of the last half of the chapter.

According to Dr. Pickard, Jonah is one of the greatest missionary treatises ever penned.

Mrs. M. G. Tarver led the closing prayer.

Those present were: Mmes. Bess Crump, Ed Hutcherson, J. J. McDaniel, M. G. Tarver and F. W. Foxhall.

The American Flag was first used at Coth's Bridge during the Revolutionary War.

May 4, 1607 was the date of the first permanent English settlement in North America.

Mr. and Mrs. Tim Rieken

### Waddill-Rieken Vows Read Sat.

Wedding vows were exchanged Saturday, February 8, at 5:30 p.m. between Ronda Waddill and Tim Rieken. The wedding took place at the bride's home.

Ronda is the daughter of Mr. and Mrs. Lee Waddill while the groom is the son of Mr. and Mrs. Donken of Hedley.

Art Smith, minister of the church of Christ, performed the nuptial ceremony. Lori Maddox was maid of honor and Tony Eken, brother of the groom, was best man.

The bride was given in marriage by her father. For "something old", she wore a necklace belonging to her grandmother; "Something new" was bracelets given to her by her sister and for "something borrowed," she wore earrings belonging to her maid of honor. The bride also wore a blue garter and a sixpence in her shoe.

Guests were registered by Jackie Waddill and Lu Maddox. The couple is at home in Lawton, Okla., where the groom is stationed with the U. S. Army.

**BRIDE TO BE**—Mrs. Earlene Pickering announces the engagement and approaching marriage of her daughter, Pamela Mize, to Ricky Ward, son of Mr. and Mrs. J. A. Ward. The wedding is set for February 28 at 7:30 p. m. in the First Christian Church. Relatives and friends of the couple are cordially invited to attend the ceremony and reception to follow.

### Oliver Circle Meets for Study Monday evening

The Oliver Fellowship of First United Methodist Church met at the church at 7:30 p.m. February 18. Peggy Becker, group leader, conducted an informal business session in which the group decided to collect trading stamps, Betty Crocker coupons, and money for some new utensils and dishes for the church kitchen.

Johnnie Hutcherson, program leader, passed out the 1975 date book. She also announced that there will be a Day Apart strict meeting of United Methodist Women in Wheeler at 9:30 a.m. March 4.

The program for the evening was given by Yette Miller. It was a Bible study, based on Colossians 3, entitled, "As God's Chosen Ones." It emphasized that the wardrobe of God's people include compassion, kindness, lowliness, meekness, patience, forgiveness, and love — graces freely given by God to be received in faith and worn in obedience. The group then read responsively a list of things Christians can do today to help them become more effective followers of Christ. The program closed with a unison reading, "It Is Still a Beautiful World."

### Wedding Mass To Be Read Saturday Evening

There will be a mass at the Sacred Heart Catholic Church at 6:00 p.m. on Saturday evening, Father Ladislaus Wolko, announcing today.

In connection with the mass, the wedding mass of Ricardo Franco and Miss Aida Trevino will be solemnized.

### B. B. Shots

BYRON BALDWIN

I had a short interview the past week with Mr. and Mrs. David Davis of Amarillo. David will be remembered as the son of Mr. and Mrs. Ira Davis. David played quarterback on the Memphis Cyclones. He graduated from MHS in 1955. He married Waada Moore, daughter of Hazel Moore Coleman. Waada graduated from MHS in the 1959 Class. After leaving Memphis in 1959, David worked in Littlefield, Coleman and Hereford before moving to Amarillo where they have lived for the past 15 years. Davis is representative for Nabisco for the west half of Amarillo. David and Waada have 3 sons, ages 13, 12 and 17 months. David made the remark that he and Waada were furnishing grandsons for the Ira Davises and his sister, Pat Shepherd of Hereford, is furnishing the granddaughters as she has two daughters.

A quote: "One of the nicest things about always keeping your mouth shut is that you don't have to waste time remembering what you said."

I had a short visit a few days ago with Mrs. Eula Davis of Amarillo who was a longtime resident of Hall County. She is the daughter of the late G. D. Hall. The Hall family moved to Hall County in 1907. There were 4 sons and 3 daughters born to the Hall family. The ones now living in this family are Doyle, Hubert, Homby and the one daughter, Eula, who is the wife of the late Wayne Davis. They reared a family of 11 children to be grown and 9 are now living. Eula says she lived on the Boone section west of Lodge for over 40 years. Eula has only lived in Amarillo a short time. She moved there to be near her children. She was in Memphis for the special occasion of the 50th wedding anniversary of her brother, Doyle, and his wife, Nadine, Sunday, January 9. This made the second 50th anniversary in this family. Eula and Wayne celebrated their anniversary a short time before he passed away. Eula and some of the other members of the Hall family are

planning a flying trip to Frankfort, Ky., to help one of their aunts celebrate her 100th birthday. I am sorry we missed the party for Doyle and Nadine, but weather and ill health prevented.

A few days ago Homer Tribble called my attention to the fact that so many Johns were on the south side of the square. I had not given any thought to this before and I started analyzing this statement and we came up with the answer that this was a fact. There are John Harrell, John Shaddid, John Ferrel, John Fowler and John Wolfe and to go a little further, we found John Chamberlain, John I and John Deaver II just off the south side of the square. The only other John I could think of was John Farnsworth on the north side of the square. The only other Biblical names I could think of around the square were Paul Blevins, James Jeffers and James Chapell. It is a coincidence that the Johns are together on the south side of the square. This group of Johns may appear before the City Council and try to get permission to change Noel Street to John Street. I think they would be fended off by the City as this street was named for a John, Uncle John Noel, who was the father of the late Pearl (Ward), Mary, Will and Monty Noel.

Mr. and Mrs. A. L. Berry of Childress were visitors in Heritage Hall. Al is now district man for West Texas Utilities Co., for the Appliances Dept. They are from Stamford.

Mrs. Carol Gardenhire called a few days ago and was interested in getting some of the Girl Scout uniforms that were used here when Girl Scouts were first sponsored here. If you have anything that pertains to the early day Girl Scouts, call Mrs. Gardenhire. She wants them to use for display honoring Girl Scout Week in March.

I noticed an article a few days ago in our daily newspaper in regard to Boy Scouts and our new Congress. The new Congress includes 272 former Boy Scouts and

6 former Girl Scouts. There are 31 members of Congress who have served as adult leaders without themselves having been Scouts. Rep. Clarence J. Brown of Ohio, a former Eagle Scout and Scoutmaster who surveys each incoming Congress to determine the extent of its Scouting affiliations, says that 57 percent of the Congress has a Scouting connection.

One of the new Congress members and one of the ex-Boy Scouts in this 272 was a visitor in Hall County Heritage Hall last Saturday. Senator Jack Hightower had been a visitor many times and a supporter in helping us get Heritage Hall started. This was his first visit to Heritage Hall as a Congressman of the United States. I think Congressman Jack is gradually getting accustomed to this new responsibility of government. "For the people and by the people." He will not move his family to Washington until the end of the school year in Vernon as he has a daughter graduating at this time. I understood that his living quarters now in Washington were about 15 miles from his office. I asked Jack a few questions and he was very frank with his answers in his thinking. I asked Congressman Jack what to put in this column this week and his reply was, "Just tell the people that you got me straightened out on the different issues facing me." Congressman Jack has made a million miles or more since I first met him when he was traveling in his diaper suit crawling on the floor. Since then, he has grown in stature and has used many modes of travel and now has to go by jet to keep up with his appointments. After talking with Jack, I found that he has grown in wisdom faster than in stature. Our leaders need a lot of wisdom in trying to solve the problems of our country and other countries seeking help in their troubles.

We had a visit with Weldon Robertson the past week. Weldon, the son of Mona Robertson, was born in Hall County and graduated from Lakeview High School in 1937. For the past 15 years, he has been living in Dallas where he has been employed by Continental Electronics. Weldon's son, Randy, who graduated from Memphis High School, has been employed for the past 4 years with T. I. Mona's health has been bad and she is in Dallas now where she has been for several months.

When we are in the baby stage of life, we have to have our milk

castoria and love to keep us going. When we reach the senior citizen age, we have to have rest, pills, shots and love to keep on going. Love is a good tonic for any age from the cradle to the grave.

Rev. Mert Cooper gave me a report of the senior citizens' group meeting and entertainment at the First Methodist Church where Mert is pastor. He reported that there were about 75 percent from different church denominations and a lot of love and good fellowship was shown at this meeting. They plan for another group meeting of senior citizens the first part of March.

We had a surprise visitor in Hall County Heritage Hall the past Saturday, Mrs. P. K. Palmer of 2116 28th St., Lubbock, Texas 79411. She will be remembered as Dorothy Hart, daughter of the late Ben Hart. This family lived in Memphis from 1924 until 1931, where Dorothy attended school in Junior High and High School, but graduated in Denton. She married Dr. P. K. Palmer in 1947 at Lubbock. He is now deceased. They have one son, who is now enrolled at Texas Tech. Dorothy is now a legal secretary. Other sisters and brothers of Dorothy's were one sister, Sarah Harris Derkins who lives in Garland; three brothers, John Ben and Larry (deceased) and Bill who lives in Fort Worth where their mother lives. Some of the schoolmates Dorothy remembered here were Lola Mae Grundy, Annie Louise Hudgins, Lara Webster, Tommie Boren, Chas. Flannery, Edwin Thompson, Cearly Read Kinard, A. R. Evans, Guthrie Bennett, Darrell Grundy, Bob Foote and Marjorie Sigler. She remembered being a member of the "Football Follies" group directed by Russell Clark. Dorothy also was a member of the first Girl Scout group that was organized about 1927 and Mrs. T. C. Delaney (now deceased) was the leader of this group. Another thing she remembered while living in Memphis was that she and another girl

Material usually arrives within a week and patrons should order books by subject matter or by title and name of author.

friend would go to town on Saturday afternoon to keep up with picture serials and with 25c each they could buy themselves a hamburger and attend two shows. She remembered at one time she and Tommie Boren played hookey for half a day taking in the picture show. She said Mr. Ike Jay was looking through the window when they left, but he never did punish them for this offense. Mrs. Palmer was very complimentary of our town and Heritage Hall. She made the remark that she made the Mediterranean cruise and the other side trips last summer and saw lots of sights. But the prettiest sight to her with all of this travel, was she came to the high rise west of Memphis as it really gave her a homecoming thrill!

Q: What are some of the characteristics of a good breeding bull not necessarily required for good beef cattle?

A: Most notable characteristics for breeding bulls not necessary in beef cattle include; a masculine appearance, breed markings, constitution and a good weight-to-age ratio. CONSTITUTION — Usually described as the positive tendency of an animal to perform well and survive during advanced age. Physical characteristics indicative of a good constitution are full development of the forequarters, wideopen & broad nostrils, a strong straight back and good body width and depth. MASCULINITY — Evidenced by the appearance of the bull. General features to look for are a full neck, strong horns (when this is a breed characteristic), full forehead with good development of chest and shoulders.

## Memphis Athletes Participate In Active Off-Season Program

By BILL COMBS

Memphis High athletes are participating in off-season program, and, according to Coach Clyde McMurray, the program continues to be very successful and popular with the athletes for the challenge it presents.

Coach McMurray said, "Our young men have reached a stage in development where they have become very serious about bettering their physical abilities in a well-rounded fitness program under competitive design."

"This year each participant is awarded numerical points for his ability in bench press, military press, leg press, shuttle run, sit-ups, jump reach, 40 yd. dash, and rope run (high stepping through a rope maize similar to running through tires)," the coach said.

This is not all the activities the athletes engage in, as an examination of practice sessions reveal,

but the things listed by the coach are the test events which determine the athletes rating.

The athlete who can earn 580 points climbs to the Super Cyclone list. Three young men have reached that level, including Dick Hutcherson, Fred Alexander and Joe Reyes. Hutcherson, recently, even improved on this mark to earn 620 points and that's champion status.

Athletes earning 640 points are Cyclones, 480 points are Twisters, 440 points are Whirlwinds, 380 points are Breezes and 340 and below are wienes.

How strenuous are the activities? One event, sit-ups, has only one grade. The athlete must do 150 sit-ups to get any points in this event.

The off-season program has as a central theme the idea of competition. Sometimes, working on the large mat, provided by a fund raising from the Mothers' Club, young men par off and

wrestle each other. Tumbling exercises and other forms of reflex drills play an interesting part.

"Almost every participant can do well in something, and overall improvement takes place week after week," the coach said.

Coach McMurray has earned a reputation of having one of the finest off-season programs in the Texas Panhandle in all classifications. The program established at MHS has done much for preparing local athletes for participation in team sports as the school's won-loss record bears out; plus, fewer injuries have developed in the ranks due obviously to the players agility and strength.

Behind it all is hard work Coach McMurray works hard planning, preparing and seeing after the program, and he works closely with his coaches who see after each and every phase.

From the young men, little complaint is heard considering

the "competitive" nature of the program. There seems to be an atmosphere of respect among the young men, one for the other, and especially for those who earn the highest marks. There is also some good natured kidding when performances slip for some reason or the other.

What lies ahead? Simply it is another few weeks of the off-season intermixed with the track season. Athletes at MHS all compete in track. Coach George Berry is the varsity track coach.

This week, the tough process of getting in shape for the track season has hit all the local athletes. Regardless of how much off-season and basketball an athlete participates in, the grueling effort of running several 300s, 220s, and 110s causes muscles to knot, and stomachs to become upset at times.

Sure, athletes get in shape for football, get in shape for basketball, but the term "getting in shape" has a special meaning for trackmen.

Wednesday, James Beck, MHS highly recognized athlete in three sports, football, basketball and track, a senior this year, indicated he had to get in shape for track. He took his warm-ups home with him and planned to run to school this morning. For James, running to school constitutes about five and a half miles, as he lives in the country. After he arrives at school, first period is devoted to more running. Then, after school, there will be more running.

James is one of the state's top Class A quarter-miler, and he just may prove this year to be the best in the state.

## \$363 Per Capita Needed To Run Local Government

NEW YORK, Feb. 8 — For residents of Hall County, does the cost of local government run higher or lower than it does for people in other communities?

How much is spent locally, per capita, for all municipal and county operations and for all special services? How large is the local debt compared with the average in other areas?

A voluminous new report, just released by the Census Bureau, sheds light on these matters. It is based upon a detailed study of local finances, gathered from every county in the United States. The study, entitled Government Finances, is the first made since fiscal 1967. They are conducted every five years.

For people living in Hall County, the figures show, the total cost of local governmental oper-

ations came to \$363 per capita in the year.

In the rest of the nation the average was \$511 per capita and, in the State of Texas, \$406.

It took a total of \$106.5 billion to operate the various county, township, municipal and district governments in the country and provide the public with services in the fields of health, welfare, roads, sanitation, housing, police and fire protection, education and the like.

The \$106.5 billion outlay represented an increase of \$47 billion in a period of five years.

In some communities, the amount spent for local governmental operations was adequately covered by revenues. In many others, however, \$363 per capita, were offset by general revenue receipts equivalent to \$285 per capita.

Some \$275 of this revenue came from local taxes and charges and the remainder from Federal and state sources.

In order to finance their expenditures for capital improvements and provide their residents with necessary services, many communities have been forced to go deeper into debt.

Hall County's outstanding debt is placed at \$429 per capita in the report. Nationally, the debt of local governments averaged \$580 per capita. Throughout the state it was \$528.

# STATE CAPITAL Highlights AND Sidelights

by Bill Boykin  
TEXAS PRESS ASSOCIATION

WIN — Although, the 64th session has done little that is new, it has managed to pass about a million dollars a day on the average during its first 14 days of operation. Reporting for duty here on Feb. 14, lawmakers have passed emergency measures worth \$314.8 million. And work on the new biennial budget is getting started good in appropriations and Senate committees!

tems. If voters won't permit that, the appropriation voted by lawmakers this month will be nullified.

One of the first of the appropriations bills speeded through both houses provides \$93 million for immediate pay raises to state employees. More raises will be included in the budget for the new 1976-77 fiscal year.

Another \$80 million was allocated as an emergency grant fund to aid school districts which are having a hard time making ends meet.

Another \$18 million went to the junior colleges which have been experiencing unexpected growth.

A variety of other smaller appropriations measures, totalling several million dollars more, are being acted on speedily.

HIGHWAY FUNDS FREED — President Ford announced he would free \$2 billion worth of impounded federal interstate highway funds to help provide jobs and fight the recession.

State Highway Department officials estimated \$150 million worth of projects can begin soon when the money is received.

Texas ordinarily contracts for \$30 million to \$50 million worth of projects monthly, but may take bids on \$150 million worth in March and April to get the newly-released funds.

Meanwhile, a federal judge in Washington held the President does not have the power to impound money appropriated to the states for highways by Congress.

Texas and 11 other states filed the lawsuit which brought the new ruling.

HILL BACKED — Atty. Gen. John Hill's lawsuit to block a \$45 million intrastate long - distance rate hike by Southwestern Bell Telephone Company won House of Representatives support.

Representatives voted 87-48 for a resolution encouraging Hill to push forward with the action.

Rep. Jim Nugent of Kerrville said Hill is acting in an area without "specific statutory authority" and needs all the backing he can get.

Hill has challenged the increase on grounds that the rates proposed are too high. He won a temporary restraining order to halt the hike, and the case was set for hearing on his request for injunction early this week.

ENERGY PLAN OFFERED — Gov. Dolph Briscoe offered his own energy plan to President Ford in a meeting at Houston.

Included in the Briscoe plan are deregulation of the price of "old" oil, coupled with an excess profits tax. A "plowback credit" would be given on funds used to develop new energy. Briscoe also suggested invoking the Defense Production Act of 1950 to increase the supply of tubular steel needed for drilling.

COURTS SPEAK — A federal district judge in Dallas refused to grant a temporary injunction to prevent the airline pilots union from ordering pilots to honor pic-

ket lines of Texas International Airlines strikers. The airline appealed to higher court.

The State Supreme Court held invalid an incorporation attempt of Tucker in Anderson County.

Texas Court of Criminal Appeals turned down the appeal for new trial of an osteopath in Garland who was convicted of selling barbiturates.

A pollution fine assessed an oil trucking company was reversed by the Court of Criminal Appeals.

The Third Court of Civil Appeals reversed a \$241,875 default judgment against an out-of-state man used for failure to deliver diesel fuel on grounds he was not properly served with legal citations.

Probation and enforcement of officers must make a diligent effort to arrest a probation violator before revoking his probation.

AG OPINIONS — Attorney General Hill held Texas Youth Council must accept juvenile aliens properly committed to its custody by courts as delinquents.

In other opinions, Hill concluded: A county cannot contribute public funds for construction of a facility to be operated by a private livestock show corporation.

Department of Labor and Standards officials have authority to arrest for Labor Agency Law violations but are not "peace officers" with right to carry pistols.

Valueless records may be disposed of by county clerks and recorders and the state librarian, and those which are not confidential can be transferred to a private party.

Information in a university student's job placement office must be disclosed to the student concerned.

NEW APPOINTMENTS — Gov. Briscoe appointed Dee S. Osborne of Houston to the West Texas State University board of regents.

Among a long list of other Briscoe appointments last week were Dr. J. E. Miller of Dallas to Texas Rehabilitation Commission; Jim D. Bowmer of Kileen, Gordon A. Wynne Jr. of Wills

Point and James Ralph Meadows of Columbus to the Texas Conservation Foundation;

Dr. Gerald E. Mann of Austin to the State Commission for the Deaf; Benjamin B. Pegues of Mineola to the Sabine River Authority; Preston A. Stofer of Long Mott and A. C. Schwethelm of Comfort to the Guadalupe-Blanco River Authority board of directors and Donald W. Harris of San Antonio to the Advisory Council on Community Affairs.

State Rep. Anthony Hall of Houston and Nancy Perkins of Abilene were named chairman and

vice chairman of a new State Democratic Affirmative Action and Voter Participation Steering Committee. State Party Chairman Calvin Guest announced the appointments.

John Albach is the new regional director of the Texas office of the National Council on Crime and Delinquency.

SHORT SNORTS  
Governor Briscoe, estimating Nacogdoches County flood damages at \$7 million, requested designation of the county as a ma-

ior disaster area. Bowie, Deaf Smith, Motley and Ellis counties disaster area designation was also asked.

A bill to lift the \$300 million Lower Colorado River Authority bond debt ceiling has been given Senate committee approval as an emergency.

A four - installment Senate committee hearing on a bill to raise interest rates on loans up to \$5,000 finally concluded, with the measure (SB 69) referred to sub-committee.

# More Babies Are Forecast For Hall County

NEW YORK, Feb. 15 — Babies are about to stage a dramatic comeback in Hall County. That is the prediction, based upon the latest Government statistics.

They show that a bumper crop of new babies may be expected in the local area, as well as in most other parts of the country, starting this year and continuing for at least five years beyond.

The reason, according to the Planned Parenthood Federation, is that "tidal wave of prospective parents" is upon us.

Census Bureau figures show that no less than 9.4 million Americans are now at that stage—the early and middle 20's—as compared with only 6.9 million ten years ago.

The sudden increase in their number is attributed to the record birth rates that occurred in the years between 1950 and 1955. The babies of that period, now grown up, are in the process of getting married, setting up homes and starting their own families.

At the present time, Hall County has a pool of 518 young men and women in the 21 to 24 age group, where most marriages occur. It compares with only 296 at that age level in 1965.

Thus, there are 75 percent more in this potential parent group than there were ten years ago. Throughout the United States there are 37 percent more and, in the State of Texas, 43 percent.

The number of marriages has been going up at a similar rate. Nationally, the expectation is that there will be close to 2,450,000 marriages this year, as against 2,179,000 in 1970.

And, since, in the normal course of events, more marriages mean more babies, a proportionate upturn is predicted in the number of births.

In Hall County, according to the latest regional figures, there are 148 children born in a year in proportion to every 100 marriages that take place.

Commenting on the changing picture, a director of the American Academy of Obstetricians states: "There is no question but that we had a real drop in births in the early 70's. However, from here on, for five to ten years, there will be an increase—not necessarily an increased birth rate

but just an increase in the number of people who are, if you will, going into production."

pendants with the Bob Wills coin for the ladies. Pendants will be available both in Memphis and Turkey when the coins arrive in March. The 1975 Bob Wills bicentennial coin not only promotes Hall County as the "Home of Bob Wills" but also advertises Turkey as the site of the Bob Wills monument and Memphis as the Cotton Capital of the Panhandle. From the Bob Wills coin we hope to promote the entire county for tourism and also to our primary economy product, Cotton.

The City of Memphis has just recently redesigned their letterhead to include the community emblem of the cotton bale and state, and the slogan "Cotton Capital of the Panhandle."

The First State Bank has also used the emblem and slogan with the advertisement of the TV weekly program which is distributed by Davis Thriftway. And

## Larry Simpson Listed On State Tech Honor Roll

Larry K. Simpson, Memphis, has been named an honor student for the just-completed fall semester at Oklahoma State Tech, Oklahoma.

Simpson earned a 3.5 grade point average on a 4.0 system in all subjects throughout the 25-week fall session. Most students attended 30 hours of classes per week.

Grade point averages are computed on the student's grade in his major area of study and his related general education subjects.

Tech, the residential, vo-tech branch of Oklahoma State University, is the largest school of its type in the nation.

Simpson is enrolled in business data processing.

you will see the Memphis emblem on the Movie House show schedule. Again, we encourage everyone to use the Memphis emblem and slogan with your advertisement and correspondence.

Chamber member Byron Baldwin did his part of promoting the community and our No. 1 product, cotton, last week. U. S. Congressman Jack Hightower visited with Byron and was presented with one of the famous Memphis miniature cotton bales for his desk in Washington D. C.;

we now have a Memphis cotton bale in the federal office suite along with another owned by Dan Durham. Dan is with the U. S. Navy and purchased one of the bales for his office located in Washington D. C. also.

Again, we are still selling miniature cotton bales and they are available in several locations in downtown Memphis and on Highway 287. Our miniature cotton bale program has been a very successful one. We started the miniature cotton bales last year at

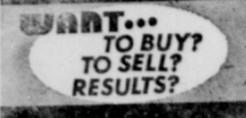

the annual chamber of commerce banquet and with your help we now have distributed about 1,500 of the little bales.

Tickets for the 66th annual chamber of commerce banquet set for Friday, April 4, will go on sale in March. Tickets will be \$5.00 each and the theme of the banquet will be "Hall County Home of Bob Wills." The first Medal of the Bob Wills series will be formally introduced to the public at the banquet. Be watching for the 1975 Grammy Awards

program on national television; our banquet speaker; Dr. Charles Townsend has been nominated for a Grammy for his work with the Bob Wills album "For The Last Time" recorded by United Artist in 1973. Dr. Townsend will be in New York for the ceremonies scheduled March 1.

Be a part of the ACTION . . . Invest in the Memphis Chamber of Commerce.
