Travis Baptist Church To Hold 20th Anniversary Services Sunday

The Travis Baptist Church will celebrate its 20th Anniversary Sunday with special services at the church, according to an announcement made this week.

Services will begin with Sunday school at 9:45 a.m. with worship services scheduled to begin at 10:30 a.m.

Worship will be served in the Fellowship Hall at noon Sunday with a house scheduled at the new church from 1:00 to 2:00 p.m. Anniversary services will be held in the sanctuary beginning at 7:00 p.m.

We invite all our friends to join us and share with us on this special day. Birthday as a church, Rev. V. L. Huggins, pastor.

It was just 20 years ago that a group of people started a mission that was to grow into a church with 538 members and a property worth in excess of \$100,000 today.

From the beginning, the heart of the church was ministering to the spiritual needs of the community. This need is still our leaders of the church state.

To reach people with the gospel, we have held high priority in the work of the church throughout its history. We have been blessed with pastors who loved people, had compassion for the poor, and stayed true to the Word of God as they stood in the pulpit to proclaim the good news of Christ. It truly has been a journey of twenty years, with many hardships but receiving many blessings from God. It was a journey we must, by faith, continue to look into the future and follow God's leadership for as much as in store for the church. New boundaries to cross, new battles to be won as we continue to march forward in his service," the pastor said.

The Lakeview churches had their first combined bible study Wednesday night, Sept. 24, in the Methodist fellowship hall, with 38 people attending.

Lakeview Churches Begin Combined Bible Study Wed.

The Lakeview churches had their first combined bible study Wednesday night, Sept. 24, in the Methodist fellowship hall, with 38 people attending.

The study is designed to help correct misunderstandings and to reduce prejudice among the different religious groups. It is believed that these two areas along with traditions and customs being taught or confused with biblical doctrine Matthew 15:1-9 are the main causes of religious division today.

"We hope to begin to fulfill Jesus' command in John 17:20-21," those attending said. "Jesus said that if we are all one in him the world will believe in him. The opposite is also true: If we are not one but rather divided, then the world will not believe in him. Many people do not attend Bible study and worship anywhere because of the division and confusion in the religious world today." It is the hope of those already participating in this combined Bible study that everyone, regardless of religious belief or background can and will take part in this study and gain much from it.

The first class was concerned with the importance of unity, the attitudes people should have in the study, and the importance of Bible study in general.

The classes begin at 7:30 on every Wednesday night in the fellowship hall. (Continued On Page 10)

Cablecom Gives Split Signals To Help Viewers

Cablecom General TV viewers in Memphis have been receiving split signals of the three Amarillo TV stations on Channels 11, 12, and 13, Hershel Pruitt announced.

The purpose of this split-signal approach is to allow local viewers to check out their TV sets for signal reception on these three new channels.

"Some sets will have to have their channel tuning adjusted by a repairman in order to receive a clear signal and this offers an excellent way to compare," Pruitt said.

Cablecom General is preparing to supply local viewers with three completely new channels on Channels 11, 12 and 13.

First State Bank and Fire Department To Give Away 'Tot Finder' Decals

The First State Bank and the Memphis Fire Department are coordinating a program to help save the lives of children in case of fire, it was announced this week.

During Fire Prevention Week, Oct. 6 through 11, the local Fire Department will pass out "Tot Finder" decals to kindergarten students through the Fifth Grade.

The decals are to be placed in the bedroom window of the child's room.

The decals are bright red trimmed in silver and carry a picture of a fireman saving a child. The decals are part of the fire rescue program.

Elderly persons, who might need help in case of a fire, can also use the decals.

Persons who would like to have decals may contact the Fire Department or the First State Bank.

Band Boosters To Meet Monday Night

The Memphis Band Boosters will hold a business meeting on Monday evening, Oct. 6, at 7 p.m. in the Cyclone Band Hall, according to members.

The meeting is for the purpose of the upcoming Cotton Boll Enduro and planned activities for the October 26th race to be held in Memphis.

All interested Chamber of Commerce members are invited to attend.

The chamber Board of Directors will meet in regular open session during the meeting.

Bill Cosby Appointed Hall County Rep. On Panhandle Emergency MSS

Bill M. (Bill) Cosby, member of the Hall County Hospital board, has been appointed Hall County's representative on the Panhandle Emergency Medical Services System, Hall County Judge Lester Campbell has announced.

Cosby is to attend his first meeting of the Panhandle-wide committee, headed by Dr. Louis Gray of Amarillo, today at the monthly meeting in Amarillo.

The PEMSS, as its name would indicate, has been organized to provide emergency medical services to Panhandle residents who are needed. The commission already has done considerable work toward an area-wide communication system, transporting of patients to the correct work areas, setting up medical services at the best possible geographical locations.

The organization will provide the arrangement of personnel, facilities and equipment for the efficient and coordinated delivery of an appropriate geographical

area, of health care services under emergency conditions (occurring either as a result of the patients condition or of natural disasters or similar conditions.)

For example, it was explained, in our region it may be more prudent for the definitive care to be provided in the local setting, when in the past a patient was rushed to the Amarillo Emergency Receiving Center. Conversely, some community hospital surgeons may be in hospital during the day but not available on a state basis at night.

Along with communications, emergency vehicles and training, categorization of facilities is a prime prerequisite for a cohesive emergency medical services system in the Panhandle. In this endeavor, the PEMSS is currently in the process of establishing a critical care plan under the direction of Ron Welty, PEMSS vice president for facilities. Also included in this comprehensive plan will be a program for transfer capabilities.

District 2-A play begins Friday night and the featured game in the District will match the Memphis Cyclone visiting the Wellington Skyrockets on Powell Field in Wellington with kickoff set at 7:30 p.m.

Not only is this the key game in the District, a game which could be the deciding factor in final analysis on which team will eventually win the championship, but it is being selected as the key game in the Panhandle in Classification by Amarillo Globe-News.

The game pits the No. 7 ranked Skyrockets (Harris Ranking) against the No. 10 ranked Memphis Cyclone and according to predictions by Harris only one point should separate these two teams when the game ends.

Wellington has fared better in the first three games of the season score-wise and injury wise than has the Cyclone fared, however the Cyclone has developed a recent history of being a tough opponent in crucial games.

Both teams will be going into the contest with winning spirit and confidence that they will win the game, and that offers the kind of setting which produces championship performance on the gridiron.

Of major concern in Memphis has been the physical condition of several of the Cyclone's most experienced players. Coach Clyde McMurray announced Wednesday after workouts, "Our team is ready, everyone who will suit out will see action." The only player not expected to suit out is Fred Alexander who is recovering from a neck injury.

The Skyrockets and the Cyclones will be on equal footing, have depth in their backfield but could possibly be lacking depth of quality linemen should injuries occur in the trenches. The Cyclone has improved its depth prospect with the return of several injured players who rested through the Lubbock Christian game last week.

The Rockets have an experienced squad in that many of their players were starters last year, and this experience, especially in engineering the wide-open running and passing offensive attack has led to the Rockets climb to the No. 7 position in Class A state-wide.

Wellington has two fine quarterbackers, No. 10 George Brewer, 160, and No. 11 Shane Tarver, 160, and No. 170, FB Jessie Davis 170, and Wingback Edward Thomas 145, round out the Rockets backfield. Split end is Joe Baumgardner at 170 and tight end is Paul Hanna 145. The Rockets throw the football to all eligible receivers.

George Brewer was named Amarillo Daily News' Class A player of the week this past week for his contribution to Wellington's 13 to 13 tie of Childress.

Rocket linemen are Tackles Allen Sanders, 170, and Jackie Black, 200, Guards Don Allred 180, and Danny Morris, 180, and Center Randall Maxwell, 155.

On defense, Baumgardner, Sanders, Black and Allred make up the defensive line, with Randall Sims, Cliff Pennon, Davis and Thomas as linebackers and cornerbacks, and Ford, Brewer and Tarver as safeties.

The Cyclone will have a starting offensive lineup of Ends Joe Reyes and Steve Browning, Tackles Kenneth Fields and Mike Bloxom Guards Matt Monzingo and Randy Orcutt, and Center Mike Murphy.

The Backfield will be Don Cofer at quarterback, Charles Bryley and Kirk Fields at running backs, and Darryl Smith at wingback.

Defensively, according to Coach McMurray, Reyes and Cofer will be at ends, Fields and Paul Ables at tackles, and Mike Bloxom at noseguard. Linebackers will be Monzingo and Orcutt, with Pedro Salinas as rover back, and safeties Riekie Spruill, Glenn Johnson and Charles Bryley.

Memphis fans were reminded at Booster Club Tuesday night that the School's pep rally begins at 3:15 p.m. Friday and fans are welcome to attend. Also, there are (Continued on Page 10)

Friday Is A Deadline

For any "unregistered" voters in Hall County, Friday, Oct. 3, is a deadline for these persons to go to the County Tax Assessor-Collector Office and register to be an eligible voter in November 4th Constitutional Amendment election.

Most citizens have now received from the Secretary of State a newspaper looking document about the Proposed Constitution of the State of Texas and in that document is a form whereby citizens can register to be eligible voters if they get their forms to the Tax Office in the County Courthouse in time.

Also included is a sample ballot for citizens to study and decide how they will mark their ballot come election time on the eight propositions. Also included are pages containing explanation of the eight propositions and a history of constitutional revision in Texas.

There is plenty of reading matter for everyone to bone up on if they want to be intelligent voters in the election come November 4th. Otherwise, they can just go mark their ballots as they see fit.

It has taken several years to bring about this election on a new constitution for Texas. In 1971 the State legislature proposed a constitutional amendment, adopted by the voters on Nov. 7, 1972, calling for the Texas Legislature to sit as a constitutional convention in 1974. This amendment also required the legislature to establish and fund a constitutional study commission before convening as a convention. After nine months of study and public hearings held throughout the state by 37 citizen-members, the Texas Constitutional Revision Commission submitted its recommended new state constitution to the legislature on Nov. 1, 1973.

On Jan. 8, 1974, a constitutional convention, composed of the state's 31 senators and 150 representatives, sitting as a unicameral body, and despite the development of several versions of a revised constitution, none was able to garner the two-thirds vote necessary for submission. The convention dissolved on July 30, 1974, without submitting a new state charter to the voters.

The 64th Legislative Session convened in January, 1975, with constitutional revision a major issue in both the senate and the house. Over 30 bills and resolutions were introduced. The House and Senate finally drafted the proposed constitution which voters will be casting ballots on Nov. 4th.

The proposed revision of the constitution, the first Texas voters have had opportunity to cast ballots on in 100 years, is submitted in the form of eight separate amendments, each of which revises a particular portion of the constitution and may be individually adopted or rejected by the voters. The Bill of Rights is retained in full, unaltered except for the technical amendments required because of changes in other parts of the constitution.

In future weeks these eight proposed amendments will be discussed. The voters need to understand what they are voting upon come Nov. 4th.

Saluting Coaches!

High School Coaches over the nation are being honored on Friday, Oct. 3, 1975, during National Coaches' Day. Being honored are all coaches in high school and grade school levels covering all sports.

Coaches take our greatest possessions, our daughters and sons, and during a few short years play an important role in their lives. The influence of a coach on the life of a young man or woman is something unique, and often very beneficial.

Coaches teach lessons in life, such as pride, competition, cooperation and determination; and lessons in good health; and some of the most valuable lessons taught in school today.

Dedication to a goal, being competitive, self-discipline, and careful preparation to be able to give completely to the game, are equally applicable to the game of life.

Athletes discover that they can go further when cooperation and teamwork are applied, and the development of community cooperation is developed in the minds of our youth. Community cooperation has played a critical role in the history of our nation.

Athletes must obey the rules, whether they be training rules set by the coaches or rules of the game. They learn respect. Respect for officials, respect for their opponents, and most of all respect for themselves and their friends, especially those who exhibit personal characteristics of dedication and leadership.

Possibly the greatest contribution coaches make to a community is in the area of directing youthful energies toward worthwhile goals, allowing young men and women to dream of being No. 1 in their sport, of someday being the champion, or defeating the favorite in a major upset, or whatever the particular challenge may be. Sacrifices are made, and the spirit of determination grows in the heart of the athlete.

Our society needs competition and goals. Our young people need the challenge of facing the adversary with determination, persistence, and patience which can often make a dream come true.

Men and women who take the title, "Coach", have a demanding profession, one which requires real dedication and hard work. The ones we know personally deserve the support and confidence of their communities. Their job is made easier when they have cooperation and respect.

RULES TO LOSE BY

There is an old law to the effect that you can't believe everything you read in the newspapers. Neither can you believe everything you read in the public opinion polls.

One poll taken recently shows that there is mass dissatisfaction with the capitalist system and says a majority of Americans would like public ownership of business. This poll was taken by an activist anti-capitalist organization whose pollsters have a way of asking leading questions to get the right answers.

However, there is no denying that there is an enormous growth in antibusiness sentiment in this country. People who distrust big labor and big government also distrust big business.

There is anger among wage earning people at business because these people feel that business has failed them when it does not provide jobs at wages adequate to provide the standard of living they want.

Some people feel that they have played the game according to the rules — they have worked hard, they have supported their families, they have tried to save money — and now they're taking it on the chin.

They see that inflation seems to tax away their higher earnings even faster than government dis-

rect taxation and they see that there isn't always much daylight between what people who do work get paid and what people who do not work get paid by welfare.

They see that if they've been putting money in the bank, it has shrunk in value. They feel cheated, and rightly so.

But it may be that when they blame business, they blame the wrong thing. Government spending and government waste is the largest single contributor to inflation and recession and erosion of savings.

The most frustrating thing about it is that there seems no real, visible enemy with whom one can engage in combat. We are surrounded by silent forces that strip us of our income.

Asthma Seminar To Be Held In Amarillo Oct. 4

Miss Tops Gilreath today reminded residents of Hall County of an area-wide asthma seminar, sponsored by American Lung Association of Texas, to be held Saturday, October 4, at the Quality Inn, I-40 East, in Amarillo.

"The morning program from 8:30 till noon is strictly for health professionals," Miss Gilreath said. "Afternoon program from 1:00 till 4 p.m. will be oriented toward parents of asthmatic children and adult asthma patients."

There will be no charge for the afternoon session. Morning registration will be \$5.00. Four and one-half nursing education points have been approved for both RN's and LVN's. Morning session will include physiology, immunology, biochemistry and stress management of asthma, whereas the afternoon session will be oriented toward the parents of asthmatic children and coping with the disease from the patient's point of view.

All interested persons in the Panhandle area are invited to attend, including teen-age asthma sufferers.

Mr. and Mrs. Carl Lee and Boyd of Lockney spent the past week here with their parents and grandparents, Mr. and Mrs. B. O. Shankle.

Smith-Richards Nuptials Read In Pretty Church Service Sat.

In a pretty candlelight ceremony solemnized at 7 p.m. Saturday evening, Sept. 27, in the First United Methodist Church, Miss Karyn Sue Smith became the bride of David Charles Richards.

The bride is the daughter of Mr. and Mrs. Harold Smith of Memphis, while the groom is the son of Mr. and Mrs. Mack Richards, also of Memphis.

The Rev. Mack Cooper, pastor, read the double ring ceremony before a background arrangement of salaal greenery. The altar was centered with the open Holy Bible flanked with brass candleholders holding white tapers, brass urns were on either side of the altar with arrangements of bronze fugi mums, bronze and gold daisy, cushion pompom mums, spiral caryoptus and natural wheat. Spiral candelabras with white tapers completed the altar setting.

The bridal isle was marked with gold satin bows, English ivy and bronze and gold pompom mums. The windows of the church were decorated with lighted votive candles, greenery and bronze and gold pompom mums.

Mrs. John Chamberlain, organist, played pre-nuptial selections and the wedding march.

Attendants

Miss Janet McNally was maid of honor and bridesmaids were Miss Meredith Douthit and Miss Judy Sherrod of Wichita Falls.

The attendants wore identical Dior Blue Nycsta gowns styled with high duchess necklines and long slender tapered sleeves. The soft fluid silhouette was sashed in self fabric cummerbunds at the natural waist line.

They carried bouquets of bronze fugi mums, bronze and gold pompom mums, spiral eucalyptus, wheat and baby's breath tied with floor-length gold veiled streamers.

Nick Long of Fredrick, Okla., was best man and groomsmen were Ronny Keith Phillips and Ed Hutcherson. Ushers were Russell Smith and Matthew Smith, brother of the bride, and Bobby Mack Richards, brother of the groom.

Little Miss Casey Ward, gowned identically to the other attendants, was flower girl, and Scott Elmore of Houston was ring bearer.

The Bride

Given in marriage by her father, the bride wore a gown designed especially for her by the House of Bianchi of Boston. The camelot design gown featured a shield yoke of silk French Alencon lace heavily encrusted in Pearl beading. A high duchess neckline repeated the beading in scrolls on English silk net and the long candlestick sleeves were cuffed in matching lace edged in scrolls of pearl beadwork. The full circular skirt fell in soft folds from a high peeked waistline. The entire silhouette was complemented by a fan shaped Watteau train.

She wore a matching seven cream camelot caperlett from which fell her full mantilla veil applied in Alencon lace and edged in scallops of seven cream satin piping which drifted beyond the length of her train. She carried a bridal bouquet of candlelight glamelias and baby's breath atop a white Bible showered with floor length streamers.

Mrs. Smith chose for her daughter's wedding a floor-length gown in pastel green accented with a corsage of matching green Cymbidium orchids. Mrs. Richards, the groom's mother, wore a floor-length frock of blue complimented with a corsage of white Cymbidium orchids.

Immediately following the wedding, a reception was held at the home of the bride's parents, 1209 North 17th Street.

Punch and cake was served from an attractively laid bride's table in the dining room while champagne and appetizers were served from another table in the lawn area.

The tiered wedding cake was decorated with white snowflake pompom mums and turquoise tinted baby's breath. At the base of the cake was a garland of English

MRS. DAVID CHARLES RICHARDS

ivy entwined with the snow-flake pompoms and baby's breath.

For a wedding trip, the bride chose for travel tan slacks with matching sweater set. She wore the orchid from her bridal bouquet.

Both the bride and groom are graduates of Memphis High School and the bride attended Texas Tech College.

The newlyweds will make their home in Houston where the groom is employed with Chicago Bridge and Iron Company.

James Spencers Celebrate 30th Wedding Anniv.

Thirty years of marriage were celebrated by Mr. and Mrs. James Spencer of 3305 Lometa in Amarillo on Sunday, Sept. 28, in the home of Mrs. Spencer's sister and brother-in-law, Mr. and Mrs. Cecil Adams of Estelina.

The former Mrs. Opal Richburg of Lakeview and James Spencer were married Sept. 30, 1945, in the Lakeview First United Methodist Church, Cecil Hardaway was the officiant.

For the first 26 years of their marriage, they lived in Houston, having moved to Amarillo four years ago. They are the parents of three children, one son and two daughters, all of the home.

A covered dish luncheon was held at noon. The table was laid with a lovely cloth with a cake serving as a centerpiece. The one-layer anniversary cake was decorated in white with blue flowers and writing on the top and blue trim around the edge.

Those present were the daughters of the honored couple, Linda and Connie Spencer of Amarillo; Mr. and Mrs. Clinton Richburg of Paris, Ark.; Mr. and Mrs. James Richburg, Mr. and Mrs. Lewis Richburg, all of Lakeview; Mrs. Vera Orr of Plaska; Mr. and Mrs. R. H. Belew of Earth; Mr. and Mrs. Larry Don Smith and Misty of Perryton; Ada Jones, Sal Couch, Mrs. Iver Wright, Mr. and Mrs. Joe Eddins and the host and hostess, Mr. and Mrs. Cecil Adams, all of Estelina.

Mrs. Lynn B. Jones Wins at Lubbock Fair

Mr. and Mrs. Winfred McQueen and Christi and Mrs. Lynn B. Jones were in Lubbock over the weekend. They visited with Mr. and Mrs. Elmer Teal and Karen Crisman, Mr. and Mrs. Winston Jones, Ricky, Kathy and Sean and Mr. and Mrs. Don Stewart, Jr., Paul and David.

On Saturday, they went to the Fair. Mrs. Jones picked up her fair entries Monday morning and reported that she won first place on knitted house shoes, second place on knitted afghan and honorable mention on embroidered pillow cases.

She also won second place on beet pickles and second on mixed pickles. In the antiques she won third on a small crock bowl, second place on small glass bowl and third place on inkwell.

Clinton Richburgs Named 1975 Family of Year in Logan Co., Ark.

Mr. and Mrs. Clinton Richburg, formerly of Estelina, recently received the 1975 Farm Family of the Year Award in Logan County, Ark., which is sponsored by the Arkansas Power and Light Company and Arkansas Press Association.

Mr. and Mrs. Richburg moved from Estelina to a valley south of Subino, Ark., in September, 1967.

At the time Mr. Richburg purchased the 303-acre Hubert Moseley farm, the land was covered with a profusion of persimmons, sage grass and cedars. Today the valley produces a luxuriant growth of fescue clover, Dallis grass and bermuda grass that provides grazing for at least eleven months each year for more than 100 head of cattle.

During the first year the Richburgs lived in Logan County, the rainfall was unusually heavy at 65 inches. Clinton had never fed cattle through the winter in mud. He also discovered that marketing was not as advantageous as it had been in Texas.

The demonstration on the Richburg farm was planned in 1969. At that time, the beef herd was in poor condition. The pastures were infested with sage grass and had no legumes. After the first year of fertilizer application, change was noticed in the cattle and the quality of plants in the pasture. A good stand of legumes and Dallis grass had spread over most of the pasture.

The Richburg cattle have been mostly mixed breeds, but he brought some registered Angus to the farm. He has mixed with Cherokeis and Hereford. The Angus-Cherokeis produces big calves that handle, he says.

An early plan that evolved separate pastures, making cross fences, he had so that one would be able to see the water as well as ponds tied in well with use ment deroded areas, to fence because they are dry, and the mover can der the fence.

Mrs. Richburg is the daughter of Mrs. Wilson of Turkey, Ark. Mrs. Richburg has their home with her own craft. A colorful bedspread made from squares of fabric a wall clock is centered in a frame of thread and gold colors. Other patchwork items of many colors found throughout the house.

The Farm Family of the Year program in Arkansas recognizes to farm families doing an outstanding job in community leadership, homemaking; to the agricultural; and disseminating information on improved practices.

Following further consideration, the Richburgs were named the Family of the Year, to be during the week of October 0 from the eight districts. The state winner will be announced at the state awards meeting at Little Rock, Ark. on Dec. 11, 1975.

The Hall County Local Unit of T.S.T.A. (Unified) met in Valley School Cafeteria (Turkey - Quitaque Consolidated) Monday night, September 22, 1975 for the first meeting of the year.

Welcome was extended by U. F. Coker, Jr., President of Local Association. Mr. Wilburn Leeper, Superintendent of Valley School gave the Invocation and a delicious dinner was served buffet style which consisted of steak, potato boats, pea salad, hot rolls, butter, fruit cobbler, tea and coffee.

The Valley High Students - Dodi Lane, Suzanne Lane, Jill Eudy, Sherice Price, Michie Lipscomb, Connie Ferguson with Ronald Crump at piano entertained the teachers, administrators and guests with songs and music. Pepper Jones gave beautiful interpretation of dramatic reading "Creed" I AM AN AMERICAN.

The Unit heard a report of President Coker of TSTA Workshop in Amarillo on September 9, 1975 and Weldon (Doc) Bates, Vice-President of Unit and Superintendent of Estelina School discussed with the group some resolutions which are now being brought to attention of teachers for Legislature in two years.

The following named district delegates will attend District XVI T.S.T.A. in Amarillo on November 6 and 7th: U. F. Coker, Jr., Valley School; C. M. Wooten, Estelina School; Neal Hindman, Memphis Jr. High School; and Tops Gilreath, Hall County Schools. Mr. Weldon (Doc) Bates is also a delegate of the District since he is District XVI Executive member. State T.S.T.A. will meet March 11, 12, 13th, Fort Worth, Texas and U. F. Coker will represent there.

The scheduled meeting Local Unit was announced President: February 23, 1976 - L. April 5, 1976 - Estelina.

There were approximately 20 teachers, guests and administrators in attendance at Valley School Cafeteria.

Hypnosis Shows Be Used With Caution, Says Does hypnosis have a medical care? Yes, but with sharp cautions, says the Texas Medical Association.

The most common use of hypnosis is as an anesthetic for dental surgery during the setting of a filling. It has been used to ease patients to relieve headaches, hypnotic suggestion and others have cut down on quitters.

However, it is important to know that dangerous conditions can result from the criminate use of hypnosis by non-professionals and on screened patients. Most strongly object to use of hypnosis for entertainment purposes because of severe effects sometimes follow.

One big problem in treatment is that it so treats the symptoms without treating at the cause. One went to a hypnotist because he was a chain smoker. She smoking, but gained 40 pounds. The other hypnotist cured the eating problem, but the patient became an alcoholic, finally was treated psychiatrically.

Hypnosis has been used in sports in an effort to improve performance. It didn't work. A league baseball team once used a hypnotist to pep up the spirits of the team. They won in seventh place.

About one-fourth of the population can be deeply hypnotized in a relatively short time. Most people can be hypnotized some degree. It's relatively easy to learn hypnosis, but it's dangerous.

Hypnosis is not a top-down use may seriously affect individual's physical and mental health.

Young Frankenstein" To Show At Power Drive In Friday, Saturday

Gene Wilder, then only 19 years old, wrote the novel, "Frankenstein" while spending a summer in Switzerland with her husband, Percy Bysshe Shelley and Mary Shelley. The weather was inclement and the novel really developed itself as a self-entertainment effort of the trio.

Gene Wilder, as Dr. Frederick Frankenstein, played his role as a sort of wide-eyed innocent seduced into horror rather than as a diabolically-inspired scientist. Peter Boyle, as the Monster, in this story is pathetic at times and at other terrifying.

"Young Frankenstein" is directed by its writers, Gene Wilder and Mel Brooks as "a salute to the horror movies of the '30's" for that reason it was shot in black and white in the 1:35 size conventional in that these familiar with Mel Brooks' "The Producers" might expect a "black and white" approach to the "horror" legend, but the humor is never directed at the "horror" but the turns and twists of plot are there all right, but channeled into laughter. The frightening element is not neglected either.

Major and Mrs. Bill Freestone, Jr., and children will leave on October 27 for Brussels, Belgium, where Major Freestone will be with the U. S. Army for three years. Mrs. Freestone is the daughter of Mrs. Elsie Hoover of Memphis.

During the month of September, many things have been enjoyed by residents of Cousins Home with the First Christian Church having services each Sunday and the Church of Christ having services each Tuesday evening. Also, the Travis Baptist Church has entertained with music and singing several evenings this month.

Mrs. Roxie Johnson came each Tuesday morning and played the piano and sang with them. Mrs. J. B. Yates played the piano Sept. 2 for their entertainment.

Mr. Finis Allen and Mrs. Fannie Reynolds attended the Senior Citizens Day in the Community Building Sept. 12.

Mrs. Quia Bowerman from Turkey entertained residents with piano playing Friday, Sept. 19.

On Saturday, Sept. 20, 8 residents, Mrs. Fannie Reynolds, Mrs. Clara Bragg, Dot Webster, Andrew Womack, Jim Gowdy, Mitchell Pritchard, Finis Allen and Mrs. Ida Hollis, enjoyed going to the Hall Co. parade and a special place was reserved for them to watch the parade by Junior Barbee. We wish to express our thanks for this act of kindness.

On Sept. 27, a birthday party was given for three of our residents, Mrs. Emma Smith, who was 93, Mrs. Gertie McWhorter, who was 88, and Dot Webster who was 82. Each had his own birthday cake furnished by members of their families. Their picture was taken with their cake

and happy birthday was sung to each one. Miss Helen Bolden furnished music for the occasion. Cake and ice cream were served to all present.

We wish to express our thanks to Mr. Calvin Todd for coming to the home and cutting the men's hair.

We welcomed three new residents to the home this month, Mrs. C. L. Sloan, Mrs. Emma McCalister and Mrs. Oeta Belle Durrett.

Residents continue to enjoy daily activity in the home.

Foxhall Motor Co. To Begin Showing 1976 Ford Lineup Friday, Oct. 3

The 1976 Fords will go on display Friday, October 3, and Eddie Foxhall of Foxhall Motor Company of Memphis extended an invitation this week to citizens to stop by and view the new lineup.

Ford for 1976 is offering a complete lineup of cars beginning with the Pinto, and continuing through the Maverick, Mustang II, Granada, Torino, Elite, Ford LTD and the Thunderbird.

The way to measure value in standard-size cars is to examine the beautifully styled quality built Ford LTD Landau 2-door hardtop. LTD's quiet, solid comfort for six offers many available luxury-car features which include concealed headlamps, vinyl roof with color-keyed vinyl bodyside moldings, electric trunk lid release and front cornering lamps.

Ford LTD offers roomy, six-passenger comfort with luxury and convenience features that have become traditional with LTD. Standard features include 351 V-8 with solid state ignition, Select Shift Cruise-O-Matic transmission, gas-saving, steel-belted radial ply tires, power front disc brakes, power steering and others.

There are eight new Ford LTD's to choose from: two Landaus, two Broughams, two LTD's and two handsome Wagon models.

The Elite offers fine car elegance, road-car spirit, in mid-size price. The 1976 Ford Elite is a new road car which combines the operating economy of a mid-size car with classic styling and personal luxury that sets it apart. The Elite comes with trim opera windows, rich grain vinyl roof, and many standard features. It is powered by a standard 351 CID 2V V-8 with solid state ignition, Select Shift Cruise-O-Matic transmission; five-pod instruments panel; power front disc brakes and power steering.

Granada comes in a choice of four models: Granada 2-Door and 4-Door, and the elegant Granada Ghia in 2-Door and 4-Door. Interior room and luggage space is comparable to larger cars, although Granada is about two feet shorter than most standard-size cars.

Granada Ghia comes standard with a 250 CID Six engine while Granada has a 200 CID six engine. Option engines are 302 CID or 351 CID V-8, all with solid state ignition.

Torino line contains nine solid mid-size models from which to

Brice News

Mrs. T. H. Gattis had as weekend guests her son, Jim, his wife and daughter of Dallas.

Relatives who visited in the J. C. Johnson home Sunday were Mr. and Mrs. W. C. Rexrode of Amarillo, Mrs. Everett Anglin of Clarendon and their granddaughter and husband, Mr. and Mrs. Jeff Campbell of Lubbock.

Mr. and Mrs. Watt Foard enjoyed a fish fry in the home of their son, Bob, in Childress Saturday.

Mrs. Starr Johnson had these relatives visiting the past week: her brother, Mr. and Mrs. Winfred Martin of Portland, Oreg.; her sister, Mrs. Joe Stephenson of Silver Springs, Nev., and her niece, Mr. and Mrs. Movie Seigerberg of Oakland, Calif.

Mrs. J. C. Johnson visited Wednesday in Lubbock with her daughter, Bobby Johnson.

choose: two Torinos, two Gran Torinos, two Gran Torino Broughams and three Wagon models.

Gran Torinos comes well equipped in mid-sized and value-priced. Gran Torino has 351 CID V-8 with solid state ignition; Cruise-O-Matic transmission, steel-belted radial tires; power front disc brakes and power steering all standard.

Maverick is the proven family compact of the Ford lineup. Maverick offers a choice of two or four door sedans. There are two economical 6-cylinder engines, or a lively V-8. Simple, honest value plus a great reputation for reliability make Maverick a family favorite. It's a roomy, well-built compact that's easy on gas, easy to park and handle, and easy to service.

Mustang II is a small sporty, personal car that stands out and the Mustang II Stallion is more than just a fancy paint job. Mustang II offers four distinctive models: Hardtop and Ghia with formal roofline, or the fastback-styled 2 plus 2 and Mach I models.

Pinto comes in the 2-Door Sedan, 3-Door Runabout or the popular Pinto Wagon. All come standard with bucket seats, rack and pinion steering and 4-speed floor shift.

Ford again offers its popular lineup of Wagon's Ford offers the prestigious new LTD Country Squire, and the Ford LTD Wagon in standard size. Torino Wagons come in the lowest priced Torino Wagon, the popular Gran Torino Wagon, and the Gran Torino Squire, and they seat six or eight in a mid-size wagon. Ford Pinto Wagon is America's best-selling Wagon, big or small. It seats four adults and packs plenty of cargo.

Mr. and Mrs. Christopher R. Lerner are the parents of a son born Sept. 24. He has been named Corey Mason and weighed 7 pounds.

Mr. and Mrs. Teddy M. Ivy of Childress announce the arrival of a son, Walker Clay, on Sept. 26. He weighed 10 pounds, 1 ounce.

Mr. and Mrs. Roland Z. Jenkins, Jr. of Wellington are the parents of a son, Roland Devoy, born Sept. 25. He weighed 8 pounds, 6 1/2 ounces.

Randy Jack Aguilar of Lakeview, was born Sept. 26. He weighed 9 pounds, 11 ounces and is the son of Mr. and Mrs. Martin Aguilar of Lakeview.

Mr. and Mrs. Richard Baker of Newport News, Va., announce the birth of a son on Sept. 18. He weighed 6 pounds, 5 ounces. Andrew Charles, namesake of the late Charles Snowdon, is the grandson of Mrs. C. T. Snowdon of Memphis. Paternal grandparents are Mr. and Mrs. Dewey Baker of Beville.

Mr. and Mrs. Dale Thompson have returned to their home in Longview after visiting here with his parents, Mr. and Mrs. Glynn Thompson and attending the Rascos reunion and Hall County Picnic.

Cyclone Tags Lubbock Christian 21-6 Friday

The Memphis Cyclone Friday night won a 21-6 victory from the Lubbock Christian Eagles in a game that kept Memphis Homecoming crowd on its feet much of the night.

The Cyclone's big job on defense was stopping No. 34 Dennis Willis, the Eagles 195 lb. tailback who is an outstanding running back, and who gained 106 of the Eagles 193 yards rushing and scored the Eagles only TD of the evening on a one-yard drive into the end zone.

The Cyclone's offensive task was trying to mount a ground game against the Eagles defense, which held a 15 to 20 lb. advantage, especially since the local team was trying out a completely new backfield composed of juniors and sophomores.

The Cyclone's victory was a hard earned affair and was brought about by a tremendous team effort and aggressive play which forced Lubbock Christian into committing several mistakes. Memphis came up with five fumble recoveries, three of them by Pedro Salinas, and a pass interception by Rickie Spruill who made an outstanding catch on one of the Eagles' two passes they attempted.

The Cyclone offensive line ignited from the opening play from scrimmage and continued throughout the night to crack seams in the Eagles' defense for Sophomore HB Kirk Fields and others. Fields had his finest night of his career toting the football as he stepped off 166 yards on 21 carries averaging 7.9 yards per rush.

The entire Cyclone team participated in spirited play on offense and defense in capturing the first victory of the season, and several of the players were playing new positions.

Memphis got an early drive going following the opening kickoff and made two first downs to the Eagle 37 before a fumble turned the football over to the Lubbock Christian when John Barnett recovered.

The Eagles tested the Cyclone defense early, driving for three first downs to the Cyclone 17, and things looked dark for the Cyclone.

Four straight carries by TB Willis were fourth-coming, but the Cyclone defense braced for the attack. Willis carried for eight yards on three plays, setting up a 4th down and two on the Memphis 9. A sweep right was called with the pitch going to TB Willis and a host of Cyclones led by Sa-Matt Monzingo knocked Willis from his feet for a 2-yd. loss and Memphis took over on the 11-yd. line.

On the next play, a fumble resulted in the backfield and Guard Randy Orcutt alertly recovered for the Cyclone, but a four-yd. loss was the result. QB Don Cofer on two carries made back the lost

yardage, but Sophomore Punter Ricky Guy got-off a good punt to get the Cyclone out of the hole.

The Eagles had possession on the Memphis 35, but three running plays netted only 3 yards so David Yochem punted for the Eagles. Unfortunately, Yochem's punt struck the back of one of the Eagles and only traveled eight yards so Memphis had a first down on the Memphis 20.

Again the Cyclone offense got rolling, as HB Fields, and HB Pedro Salinas stepped off good yardage on several occasions, and FB Billy Spencer had a seven-yard carry. The drive stopped on the Eagles 18, when a fourth and three carry by Fields came up only inches short.

The Eagles made a first down, then, passed down the east side lines, but Safety Rickie Spruill picked the ball off in front of a receiver giving Memphis possession on the Eagles 47.

The Cyclone couldn't get rolling, and Guy punted the football out-of-bounds on the Eagles 3 yd. line. On the first play, Eagle QB Vandiver and FB Ronnie Kircus had a mix-up on the hand-off and the loose football was recovered by Pedro Salinas on the nine, setting up the Cyclone's first scoring opportunity.

On the first down, HB Fields made six big yards carrying to the three. Then, HB Salinas slipped through for two more yards and the Cyclone was knocking at the one.

The Eagles defense guessed the Cyclone would attempt a power play and loaded their defense to the left side of the Cyclone line, but QB Coker on the keeper slipped in between center and right guard and was untouched as he scored. Joe Reyes, who shifted to tight end for the game, took over the place kicking chores and booted the point after, and Memphis lead 7-0 with 4:36 left in the second quarter.

The Half ended with Memphis in possession in the Eagles end of the field.

Memphis kicked off to Lubbock Christian opening the second half, and on the second play from scrimmage, the Eagles fumbled and Memphis recovered on the eagles 44. Salinas carried for four yards, then, HB Fields took the hand off, and with second, third and fourth effort, he twisted and turned and fought his way 13 big yards for a first down to the Eagles 27.

HB Spruill tested right end but was thrown for a one-yd. loss, and QB Cofer made five on a keeper. Facing third and six, QB Cofer rolled out to the left and tossed a perfect strike to End Steve Flemmons who was open in the end zone for a 23-yd. touchdown pass play. Reyes booted the point after and Memphis led 14 to 0 with 8:55 left in the third quarter.

The remainder of the third per-

iod was taken up by fumble turnovers between the two clubs, with much of the period action taking place between mid-field and the Memphis 30-yd. line.

As the period clock was winding down, the Eagles recovered a Memphis fumble on the home 38-yd. line. The visitors, with a good carry by Willis made a first down to the Cyclone 20. Willis, then, carried to the 15. Another bobble occurred and Pedro Salinas came up with the football on the Memphis 17-yd. line, and this threat ended.

Unable to get un-tracked, Guy was called in to do the punting, and he got off a fine kick, which was fielded by Willis and he broke tackles and fought his way to inside the Memphis 25. A penalty was tacked on the Cyclone defenders and Lubbock Christian came up with a first down on the Memphis 12. TB Willis carried for three plays and on the final carry he knifed over for the score. Jimmy Crouch tried the point after kick but it went wide of the goalpost. The score was 14-6 with 9:17 left in the final quarter.

Lubbock Christian kicked off and Billy Spencer returned the football to the home 33.

The Cyclone offense took the field, and on the first down, one of the really exciting plays of the night resulted. The Cyclone had been making good yardage running HB Fields behind blocking on the right side of the Cyclone line, but on this play, holes opened up which allowed the 165-lb. sophomore to see daylight and he turned the corner and turned up field and out-raced the entire Eagles secondary for a 67-yd. scamper. No flags were on the field and the officials signalled touchdown, Reyes added the point after and the score was 21-6.

The Eagles tried to get another score in the final minutes of play.

By
BYRON BALDWIN

During this year's Hall County Picnic, we checked up in Hall County Heritage Hall and found that even with the bad weather Sunday, there were about 500 visitors representing 11 states and 57 towns outside of Hall County. We appreciated very much the items brought in for special display by Roy Alvin Massey of Dallas. This outstanding display included a black laquered spoon back chair which belonged to Napoleon. The chair was used in Napoleon's palace on the Isle of Elba. Another very interesting item was the Egyptian tomb boat, complete with the rowers and model of the person buried in the tomb. This dates from the twelfth dynasty, about 2000 B. C. So it is about 4,000 years old. Another item was a piece from an Egyptian mummy case of the 18th dynasty, about 1500 B. C. and was painted with hieroglyphics. Another collection of Precolumbian bowls, vases and tomb figures from South America, dating from 700 A. D. Two newspapers that Roy had on display were very interesting, an original copy of the "Columbian Centinel" printed in Boston, March 26, 1794. The front page features a bill passed by the first session of the Third Congress of the United States and signed by George Washington who was president at that time. The other original newspaper was a copy of "Gazette of the United States" published in Philadelphia January 5, 1791. These items you will not find in very many small town museums. Thanks to Roy Alvin for this contribution to Heritage Hall.

Our thanks to the T. C. Pounds family for their program of singing religious songs in Heritage Hall on Saturday afternoon of the picnic. The music was furnished by one of the girls playing the foot pump organ. Mr. and Mrs. Pounds have 9 children, 6 girls and 3 boys. Two of the daughters are married. They all seem to enjoy singing and we enjoyed listening.

We want to express our thanks to the ladies who served as hostesses in Heritage Hall for the Picnic days.

With this week's column, I think I have just about found all of the notes I wrote myself during the picnic.

Mr. and Mrs. A. G. Henry of Watsonville, Calif., were here several days for the picnic reunions and Heritage Hall and to meet old friends. She remembered a host of them. She will be remembered by her schoolmates as Bessie McBrayer, daughter of the late Mr. and Mrs. J. L. McBrayer. Mrs. McBrayer's mother was Minnie Thompson, sister of Ike and Seth. Bessie graduated from MHS in 1930 and they moved to California in 1932. They have one daughter and three grandchildren. They traveled about 1600 miles to get to Memphis for this occasion. They grow and sell apples, not by the pound but by the ton. Had a good crop this year of delicious apples. I know because he gave me one to eat. Thanks for their con-

tribution to Heritage Hall.

Visiting in Heritage Hall were Mr. and Mrs. Jack Miller of Prescott, Ariz. Mrs. Miller will be remembered as Nella Rawlins, daughter of the late Mr. and Mrs. Marcus Rawlins. The Millers have 6 children, 8 grandchildren and one great-grandchild. Mr. and Mrs. Perry Scott of Phoenix, Ariz. were also in Heritage Hall. Mrs. Scott will be remembered as Amy Rawlins, another daughter of the late Mr. and Mrs. Marcus. Their mother will be remembered as Audie McCool, daughter of the late Mr. and Mrs. W. McCool. They have their birth certificates that Dr. Winfred Wilson had written when they were born. There was one other child in the Rawlins family, a son, Marcus, Jr., who lives in Kearny, Ariz. They rode in the "Gray Ghost" race car their father used on the race track of the Hall County Fair Grounds. They enjoyed their visit here and left a group of snapshots of the early days. Mr. and Mrs. Matt Ward of Tyler were in Heritage Hall at the same time as the Rawlins girls, Marcus and Matt were competitors in the races in the early days. Matt is the one person that was called the "Peach King." He has now retired, but still gives some hints to others on how to grow fine peaches. Audie (McCool) Rawlins passed away in 1953 and Marcus in 1972.

In our modern days with vitamins and make-ups, I find myself mixed up on which is mother and which is daughter.

I think V. L. McClocklin of Nashville, Tenn., had his big smile on his face the past weekend in Heritage Hall and at the picnic, renewing his acquaintances with old friends. He told me that he remembered that his first school teachers in Memphis were Miss (Bass) Lee. V. L. is the brother of Mrs. Carl Hill of Estelline. He married Frances Ogden, daughter of the late Mr. and Mrs. Frank Ogden. Frank passed away in 1973. His daughter, Dorothy of Houston, passed away in 1969. Frances was unable to make the trip this year. Her two sisters, Grace and Elise, were both here. They have both worked for Uncle Sam over 1/4 century. Elsie now lives in Elberta, Ga., and Grace is living in Florida.

I found a note on the table at Heritage Hall that said, "Have a good day," signed by Bill Gerlach of Big Springs, Carl Gerlach of Houston, Arthur Albert (Babe) Gerlach of Florida and Fannie Gerlach Bass of Dumas. I did not see these people, but I did appreciate them leaving this note. Our best wishes to this group of Gerlachs.

We had a good visit with Mr. and Mrs. C. W. Dunham of Midland. C. W. managed a store here for the C. E. Stone Co. for three years. He stayed in Memphis long enough to fall in love with one of the good looking daughters of Bill Gerlach and talked this girl, Gussie, into changing her name to Dunham. They are operating their store in Midland.

Mr. and Mrs. L. M. McQueen of Lubbock were visitors in Heri-

tage Hall. L. M. is the son of the late Mr. and Mrs. Ed McQueen of Hedley where he graduated. While in the service, he was stationed at Fort Thomas, Kentucky. He met a "Kentucky Babe" and married her in California. They have three children. Other children in the Ed McQueen family now living are Vera Mae of Wellington, Gertrude of Oakland, Calif., Ruth of Amarillo, Paul of California, Christine of Amarillo and one other now living is Willard.

Glynn Thompson had as his guest in Heritage Hall, his son, Dale, of Longview who graduated from MHS in 1937 and married Faye Rasso. They have four children and 6 grandchildren. Dale deals in heavy machinery and travels in many foreign countries selling this type of machinery. Dale is one of our hometown boys who spent a year in a German prison camp in World War II.

Mr. and Mrs. John Davis of Wichita Falls were Heritage Hall visitors. Mrs. Davis will be remembered as the granddaughter of Uncle Sam Boon and daughter of Bert Boon of Haskell. Other children in this family are Buck of Hugh Springs, Ruth Day of Tyler, Pete of Sweetwater. The other member of this family, Raymond, is now deceased. Another visitor in Heritage Hall was Ellis Veteto of Panhandle, brother of Mrs. Doodles McQueen and Abbie Veteto. In the early days we had a "Memphis Melody Quartet" composed of Ellis, Raymond Adcock, Bill and Edd Todd. They were good singers.

Mrs. Bryan Adams had as her guests, her brother-in-law, two sisters, Dr. and Mrs. N. A. Hightower of Austin, Dr. and Mrs. Harold Hightower and son of San Angelo. The two Dr. Hightowers are the sons of the late Mr. and Mrs. N. A. Hightower who were early day residents of Hall County. Another Hightower was here for the picnic, Mr. and Mrs. Forkner of Pecos were visiting with his brother, C. A. of Memphis.

It was good to see Kent and Mary Magness of Sand Springs, Okla., visiting with their friends in Memphis during the picnic days.

Orville Goodpasture had as his guest, his brother, Milton C. (Cordell) Goodpasture of 1606 Bowie, Amarillo. If I remember right, I heard his dad told me that he named his son for his friend, Cordell Hall. Cordell graduated from MHS in 1939. He served 33 months in the Navy and left here in 1946, traveled two years in Texas and Louisiana and next had the distributorship of Town's Pegnuts. For the past 27 years, he has been selling meat market equipment to dealers. He married Oradel Nuhn, the sister of Carl, whose father operated a saddle shop on the east side of the square in the early days.

Del Wells had his son Keith of Abilene as a guest in Heritage Hall. He graduated from Lakeview High School in 1939 and left Hall County in 1940, served four years in the Marines. He married a Dallas girl. They have one daughter and two sons and one grandchild. He met Mrs. Payne in Heritage Hall who was his second grade teacher in Lakeview.

Also, visiting in Heritage Hall were Mr. and Mrs. Grady Phillips of Dumas. Grady will be remembered as the son of the late Mr. and Mrs. S. P. Phillips. Grady married Frankie Kercheville. They have one son and one daughter and three grandchildren. The

sister of Mrs. Phillips, who was the former Ella Mae Kercheville, and Mrs. Phillips are the daughters of the late Guy Kercheville and Mrs. Ann of Memphis, who was having her 86th birthday on Monday, Sept. 22, which gave her a double celebration with the Picnic. Grady and the two sisters attended school in Estelline. The Kerchevilles moved to Hall County in 1913. If my memory is right, Ella Mae was keeping books for Lemons Furniture Store when she met Gordon (Chick) Shankle and they were later married. Chick was the salesman for Amarillo Hardware Co. and with his personality, he was soon promoted and they moved to Amarillo where Chick passed away. They have three sons and two grandchildren. One of the boys is really outstanding in his golfing, Ella Mae reported.

We were glad to see Nolan Baker and Dave Price here for the Picnic. Nolan of Fort Worth and Dave is now living in Arlington at the Masonic Home. Dave is still still on his wood working hobby. He showed me an unusual "Pig Tote" he had carved out of wood. Henry Byrd of El Centro, Calif., is the son of the late Mr. and Mrs. A. J. Byrd, who moved to Hall County in 1912 living two miles north of Lakeview. There were 12 children in this family; three are now living—Ethel Byrd Watts of Plainview, Della (Byrd) Wheeler of Austin and Henry. They are sisters and brother of the late Mrs. Marion Wiley. This was Henry's second trip back to Hall County in 38 years. Mrs. Walter Hightower did not have her son Jack here for the Picnic, but she did have the Hugh family of Houston. Mrs. Lilly is her daughter, Laura Mai, with her two daughters, Janie and Kate. Janie attends Bellaire School in Houston and I think majoring in tennis!

Another visitor who lived in Memphis in 1924-1925 was Mrs. G. W. Christian of Stamford. She is the sister of Mack Graham. Mrs. Vernon Williams and daughter, Mrs. H. J. Taylor (we knew her as Annie Ruth Williams) of Chillicothe were visitors in Heri-

tage Hall. The Williams operated a drug store in Memphis in the early days. Vernon passed away several years ago. Vernon, Jr. is in the home with his mother. I remember that we attended our first talking picture show, "Old Man River" in Wellington. The Williams broke the springs on their car in chug holes.

Bob Stewart of Littlefield was a visitor in Heritage Hall. Bob first moved to Hall County in 1914. He remembered working here for Vallance Grocery, Piggly Wiggly, Waples - Patter, Thompson Bros. Fred Clark, the druggist, and selling hamburgers for Mr. Roach for 5c each and also buckets of Lemonade at the Hall County Fair for 5c a cup.

We were happy to see Gene and Sis Koeninger from Vega in Heritage Hall. Gene was reared in the Deeplake area and Sis, the daughter of the late Mr. and Mrs. Cal Holland, was reared at Brice where her family operated the Brice General Store. Gene and Sis operated the store and post office at Plaska for 10 years before moving to Vega 17 years

ago when they operated a market. They both attended view High School. They had that friendly Hall smile. I asked them how they were doing and they said that "We work, jog and are Dana, now age 28, in Amarillo, and Gayle, now in Lubbock."

Mrs. Henry Gregory invited her guests, Mr. and Mrs. Stephens, her mother and of Dallas, also, her sister, and Mrs. C. D. Gregory, of Henry, all of Dublin. They gave the report that they have lived on the same corner block for 72 years in Lincoln so they must be "old Steves. I did find out that Stevens was 92 years old should say "young!"

Also visiting in Heritage Hall was Georgia Clark Jones, daughter of the late Mr. and Mrs. Turner Lewis, when she attended school here. She left here for Arizona several years ago. (Continued on Page 9)

MOTOR CO. 10 HAVE SHOWING 76 Chevrolet Lines Friday

Chevrolet line-up of trucks go on display Friday at dealer showing at the nation and Dennis Ward Motor Company. Residents area residents view the new line.

Mr. and Mrs. Gregory are introducing an engine line which has a mileage rating of 40 mpg and 28 MPG in highway and the standard 1.4-litre engine with 4-speed manual transmission. The mileage you get will be strongly influenced by how and where you drive, Chevrolet spokesmen said.

The new car was introduced. The new car is international in design, incorporating the concepts proved a success in the world. It's wheelbase is as long as a VW Rabbit's. Ward said a Chevette is being shown during the showing.

Monza enters its second year in the Chevrolet line. The important new engine improvements, brake improvements, a wider offering of equipment for greater safety and style.

The 2 plus 2 hatchback in the Monza series includes the Monza series coupe. The coupe can be tailored to a motorist's tastes with a variety of options. A sport equipment package is available.

Monza moves into center stage in the Chevrolet line. The new car field for 1976 with significant "under the hood" changes in the car since its debut in 1971.

Refinements to the Vega headline 1976 advancements in the developments in suspension, brakes, front grille. The engine is 1000 mile or five year warranty.

The base four-cylinder block engine is the design of new valve lifters.

The three series of regular Chevrolets are the Caprice Classic, Caprice Estate wagons, and Impala.

Chevrolets have styling changes for 1976 with engine refinements to improve fuel economy, performance and drivability, and improvements in the braking system of the regular Chevrolets.

compact sales leader for 1976 with new levels of class and luxury.

A new top-of-the-line series, the Nova Concours, is offered with a standard 250-cu.-in., six cylinder, or a new standard 305-cu.-in. V8 engine.

A new peak of individuality for Chevelle paces the industry's intermediate sales leader for 1976. Highlighting the refined styling accents for most of the line, Chevelle's top-of-the-line Malibu Classic series features new stacked headlights, a lightweight diamond-patterned grille and new bumpers and rear styling.

The Chevelle lineup also includes the Landau coupe, regular coupe sedan and either two or three-seat wagons in the Malibu Classic series.

In addition, Chevelle offers a two or three-seat Malibu Classic Estate wagon along with the familiar coupe, four-door sedan and two or three-seat station wagons in the base Malibu series.

Chevrolet's Monte Carlo adds to its prestige as a personal luxury car for 1976 with a smart new head-on look.

Monte Carlo front end styling sportlights new rectangular headlights in vertically stacked pairs, new body front end panel with lightweight chrome grille and new bumper.

The Monte Carlo is offered in either the Landau or regular coupe models with a new base 305-cu.-in. V8 with two-barrel carburetor or optional 4-barrel 400-cu.-in. V8 and 350-cu.-in. two-barrel V8.

The regular Chevrolet marks its 65th anniversary on the road with a revised lineup that features new front styling and refinements in engine and brake design.

The 1976 model count has been reduced from 17 in three series to 13 in two series. The model changes include the elimination of Bel Air sedan and wagons, the Impala sport coupe and the Caprice convertible, and the addition of a new Impala sedan.

The three series of regular Chevrolets are the Caprice Classic, Caprice Estate wagons, and Impala.

Persons Should File For SS Now For 1976

James Talbot, District Manager of the Amarillo Social Security Office, points out that 1976 is fast approaching and that many people are thinking about filing for their Social Security benefits and having their checks start effective with January, 1976.

To make sure your checks will begin on time, a claim must be filed with the Social Security Administration in advance of when you want checks to start. A rule-of-thumb to follow in applying for benefits is to visit your social security office about two or three months in advance of when you want your checks to start. This will allow time for any problems which might arise (proving your age for example) to be cleared up and will allow social security to process your claim in time to get your checks started when you need them.

"There are certain things you can do to help get your check on time," says Mr. Talbot. "At the time you file, you will be required to prove your age. A birth certificate or baptismal record recorded before age five is preferable, but if you have neither, other documents may be used to establish your date of birth. Bring whatever documents you have which show your age or date of birth. Also, if you have been in the military service any time since 1939, you may get additional credit for that military service. When you come in to file, bring in proof of your military service."

If you have any questions concerning filing for social security, please call your social security office and remember, don't delay in filing for your social security benefits if you plan to retire at the end of this year. Delay in receiving your check can be avoided by preparing to prove your age and filing two to three months before you want your checks to start.

The Amarillo Social Security Office is at 317 East Third Street. The phone number is 376-2241 (area code 806).

Mr. and Mrs. Bob Douthit and Ricky of Pursell, Okla., were here visiting friends over the weekend and attending the wedding of Miss Karyn Smith and Duck Richards.

Plans Complete For 24th Annual Cotton Festival In Hedley Oct. 10 and 11
