MAIL SUBSCRIPTIONS

We have had many requests lately for mail subscriptions from both out-of-town readers and a number or local residents. Some local residents want a mail subscription due to the fact they are not always able to pick up their free copy at their favorite local advertiser each week. FREE COPIES WILL STILL BE AVAILABLE AT OUR ADVERTISER .

Due to postal regulations we are not eligible for a second class permit. (You must have 300 mailed a week. I don't know how you are supposed to get the first 300.) Therefore, at 10¢ mailing cost each, plus folding and labeling, it will be necessary for us to charge the \$11.00 per year rate. See the back page for more information.

TIGER TALES

BY SHIRLEY HADSELL

D'Hanis Wins Two Games

On Friday Night the Tigers and Tigerettes entertained the teams from D'Hanis and the visitors took both games. The visiting girls won by a score of 47-44 in a very close contest. Traci Roselle hit 27 points for the home team while Jane Kile got 23 for the winners.

In the Boys game the Tigers were cold as left over turkey and could not fin the basket. Hadsell lead the home team with 13 while the Tigers had the lowest scoring output of the year with only 33 points. Doug Kemp lead the visitors with 27 points. The final score was 43-33.

Let's hope both teams get warmed up again before they travel to Sabinal for their first District Contest on Tuesday Night.

TIGERETTE SPOTLIGHT

In the Spotlight this week for the Tigerettes is Candy Smallwood. Candy is the daughter of Mr. and Mrs. Ray Smallwood and is a freshman student at Brackett High. Candy has been around the basketball court for many years as her father, Ray, is a former Tigerette coach. Candy has earned a starting slot on the Tigerettes team as a freshman and has scored as high as 24 points in a contest this year so the future should hold lots of good news for Candy. Besides being active in Basketball, Candy is also a cheerleader for the Tigers and is very active in the 4-H Club where she has won lots of trophies and ribbons. She shows at the big shows out of town as well as the local shows. We expect great things on and off the Basketball Courts, for Candy Smallwood.

CITIZENS ADVISORY COMMITTEE

The Citizens Advisory Committee met at the City Hall on Monday, January 6, 1975, to be briefed on the Community Development Program.

Although only about one-half of the Citizens appointed by Mayor Mendeke made their appearance, much ground work was accomplished.

The Committee was briefed by Mrs. Elia Santos of the Middle Rio Grande Development Council on the many phases of the program, although no decision was made at the time, the general opinion of the Committee was that the first and most important item to be considered was the paving of the City Streets.

The Committee will meet with the City Council on Friday, January 10, 1975, to give the Council their recommendations.
