## FIRE FIGHTERS CONVENTION

THE "BRACKETTVILLE FLASH", "LINGO" SANDOVAL'S FEET DON'T EVEN TOUCH THE GROUND AS HE LEADS BRACKETTVILLE'S PUMPER TEAM IN THE COMPETITION LAST SUNDAY.

THE BRACKETTVILLE WOMEN'S TEAM MADE "LINGO" LOOK LIKE HE WAS STANDING STILL.

EVERYBODY GETS WET (INCLUDING THE CAMERAMAN AND CAMERA) AS THE BRACKETTVILLE GIRLS PARTICIPATE IN THE WATER POLO EVENT. THIS IS NOT A BLURRED PICTURE, THAT'S THE WAY IT ACTUALLY WAS IN THE MIDDLE OF THE ACTION.

LETTERS  
to the editor

March 29, 1976

Dear Editor,

It has come to my attention that the Volunteer Fire Department of Brackettville was charged for the Civic Center, for a "Benefit Dance" which was held on March 27th. I think that the County Judge and some of the County Commissioners have taken too much on themselves and have the audacity to even charge the Fire Department.

I think it's about time that the people of the County go to their Commissioner and raise HELL---set their foot down and run this County according to the people and not to the Judge and County Commissioners.

The Volunteer Fire Department is for the benefit of all the people. They bear their burden--particularly in this dry year with all the grass fires---lets take the \$6,000.00 that the County received from pot fines, and help the Fire Department. Better still lets not Charge the Fire Department for the use of our Civic Center.

I have had a talk with the Commissioner in my Precinct, I was assured by Mr. Glover that he is against charging the Fire Department at all!

Thank You an Irate Citizen,  
Ron Curry

P.S. What do you think, Citizens lets have some comments.

## NEW LAW FORESEEN

Washington, D.C. -- Senator Lloyd Bentsen Tuesday said he believes a new \$17.6 billion, 2-1/2 year highway bill will be signed into law by the middle of April.

Bentsen was Chairman of the House-Senate Conference Committee which completed work on the compromise highway bill last week. The Conference report is expected to be written and ready for final congressional action as early as two weeks from now.

"I am hopeful that the President will sign this new measure as soon as it receives congressional approval so that we can ease the strain on the highway program in Texas and in other states," Bentsen said.

The Conference bill includes \$7.8 billion for each of the next two fiscal years plus \$1.8 billion for the interim period until the new fiscal year starts October 1.

The legislation represents a compromise between the \$7.3 billion per year included in the original Senate bill and the \$8.8 billion in the House measure.

The new highway bill provides \$3.5 billion for each of the two years for Interstate construction, \$600 per year for highway safety, \$1.35 billion in Primary Highway funds, \$800 million in Urban funds and \$400 million in Secondary Highway funds.

"These funds are badly needed in my State of Texas, for example, which is completely out of Primary and Secondary Highway funds," Senator Bentsen said.

## CAVALRYMAN NOW A MEMBER Texas Press Association

Lyndell Williams, Executive Director, of the Texas Press Association announced this week that the Kinney CAVALRYMAN is now an official member.

The Texas Press Association is the largest Press Association in the United States with over 575 member newspapers. To be accepted newspapers must meet numerous requirements of the Association, such as, circulation, period of Publication, minimum time in business and meeting Federal Postal standards.

The Kinney CAVALRYMAN is now the legal newspaper for Kinney County.

Williams stated, "We are delighted to have the Kinney CAVALRYMAN as a new member."

## RE-ELECT WILLIAM MENDEKE FOR MAYOR

A REDBUD TREE FOR THE OUTDOOR CLASSROOM was given by Beta Sigma Phi this week. Accepting the tree for the School is Carol Fritter, Mario Fuentes and Venita Gum. They are shown with Beta members, Howard Ragsdale and Lee Schermerhorn.

This past week will go down in BHS history as the week before the week before that really counted. It seems like all of us have been getting ready for our various activities that will start Monday.

The great BHS drama society will get the starting nod when they travel to Uvalde tomorrow (Saturday) for district U.I.L. one-act play competition. Those making the trip include Bill Pratt, Mark Tidwell, Tino Gomez, Marion Johnson, Venita Gum, Brenda Alston, Lucy Lucas, Tony Koch, and Walter Pierce. Many thanks to all citizens who allowed us to go through your attics and garages, and even use things that you needed.

Yesterday (Friday), the boy's track team went to Dilley for a final rehearsal before district next Friday. In the Del Rio meet, Tony Samaniego placed 2nd in the 440 yard dash and John Jones garnered a second in the 330 intermediate hurdles. Buck Smallwood placed third in the long jump and capturing a third in discus was Mark Tidwell. At Jurgenton, Maxine Meyer got a second place medal for the 440 yd. dash and the mile relay team placed third. The girls will also go to Dillwy next week for district.

Last Tuesday, the tennis team roller coasted over to Rocksprings for a meet. Sam Munoz, Lou Ann Lindeman, Kathy Dyer, Tammy Foust, and Kimberly Trant won honors for the BHS effort. Their district is coming up Monday in Sabinal.

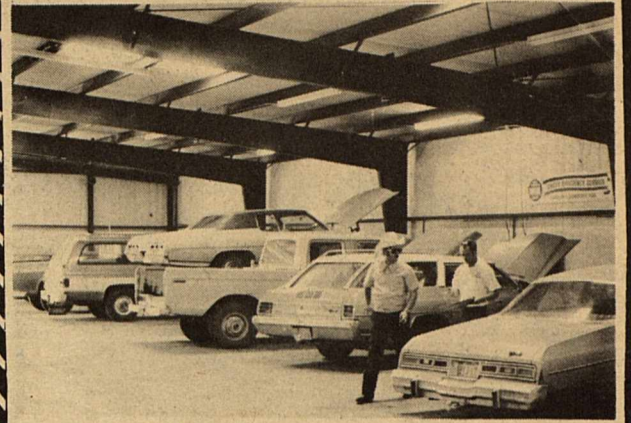

U.I.L. literary and scholastic events will also take place this next week. Mrs. Darlene Sterzinger will sponsor Marcelino Valdez and Venita Gum in typing and Georgeanna Crain and Veronica Garcia in shorthand. Lou Ann Lindeman will represent BHS in spelling. She has been coached by Mr. Tom Lester.

District livestock and dairy judging contest for FFA will be Monday in Uvalde. The winners there will then invade Aggieldand April 9 and 10 for the area meet.

Work is coming right along on the outdoor classroom. Shrubs have been planted and dirt is being hauled in for leveling. It is going to be a great thing for Brackett High School. See you around the campus.

## COMMENTS from THE SAGEBRUSH

BY JOE TOWNSEND

I am having more inquires about lawns, plants and yards than I've ever had. Usually when I check it out the two big problems are lack of water and impatience. Somehow we forget that the weather has been dry, dry, dry. You can't simply wet the top of the ground thoroughly and get sufficient water to the roots of plants. You must also remember a little rain goes better and farther than a lot of water from the sprinkler. So---water long and thoroughly and often. Also remember though the days are hot the nights are cool to cold and things don't grow all that fast under these conditions. These hot days make our gardening

fever rise, but they don't produce great plants when the nites are so cool. So just be patient, water, and time will work wonders. Also now is the time to feed your trees. As a growing boy needs to be fed, waking and growing trees need to be feed also. A good heavy feeding will pay big dividends in short order.

## RETAMA FLOWER SHOW

The Annual Flower Display of the Retama Garden Club was held at the Brackettville Country Club, March 28th. Although dry weather and the deer have made gardening a difficult task, many flower displays were shown. The Club wishes to thank the Rio Grande Electric Cooperative for their generous contribution of flowers for the display. The roses were gorgeous.

The Texas floral landscape paintings of Mrs. Gladys Westphal, who is an art teacher, added a special touch to the display. She says, "I can't grow flowers, but I can paint them." Her bluebonnets, red bud trees in a spring setting, and her familiar and dear to Texan's scene of a windmill, water, mesquite and sage were deeply appreciated. Thank You, Mrs. Westphal.

Mrs. Pauline Lucas showed a most interesting table of Japanese arrangements. A Morebana arrangement of British Dogwood in a low aqua container, Loquat branches in a bronze bowl, and a black Morebana basic, upright style, with Amaryllis.

Judges for the show were Mrs. Lee Bacon and Mrs. Jo Kent.

The following winners of awards in each category were: Weathered Wood, Mrs. C. L. Orr, first prize; Mrs. Pearl Kurle, second prize; Mrs. Walter Fithian, third prize. Flower Arrangements: Mrs. Kathy Smith, first prize; Mrs. Laura Seargeant, second prize; Mrs. Eleanor Frerich, third prize. ## Between Us

by:  
**JOE TOWNSEND**

I was cruising along the highway the other evening enjoying my C. B. radio. I had just talked with a "lady breaker" some distance ahead of me. I was picked up by a man considerably ahead of her. He talked with me, but the lady couldn't "read" him and asked me to relay what he had said to her. I did and from behind me came a caustic castigation from some yokel who had not heard the two in front of me. He didn't use the word, but called me a liar and suggested I "cut out the wind." I let him rest in his glory and simply said OK!

There are so many people who hear part or one side of a situation and get their daily mental exercise by jumping at conclusions. They feel quite proud of themselves because of their clever deductions. Little do they realize they hear the brunt of their own brashness and become the butt of ridicule and disrespect.

Had I truly been lying and were I simply a windbag, it was totally none of the intruders affair. I was not talking to him nor about him. Such is the character, however, of this type of person he must take it upon himself to set the world straight.

If there is anything more dangerous and disgusting than ignorance in action, it is arrogance that thinks it knows and loudly sounds itself from a platform of ignorance. It seems some people just don't believe in "live and let live."
