FIRE DEPARTMENT BAR-B-QUE

The Brackettville Volunteer Fire Department will hold a benefit Bar-B-Que, Sunday, October 7, at noon at the City Park.

The Public is invited and plates will be \$2.50 each, with proceeds going to the Fire Department.

COMMUNICATION

Many people only hear the words that are said and then wonder why they never quite understand what is happening in their lives forgetting that words don't tell it all. There are also the spaces in between and the eyes and the hands.

Listening is retaining what one hears either consciously or unconsciously. Observing is retaining the actions one sees. This is part of communicating.

Learning more about communications between parent and child before a generation gap appears will be presented by the New World Study Club on October 22. This enlightening subject will be discussed by guest speaker Lee Schermerhorn at 7 p.m. ###

BIKE-A-THON HUGE SUCCESS

Over \$800.00 has been raised by the dedicated children and adults of Kinney County who showed that our commity understands the importance of research being done at St. Jude Children's Hospital As children come around collecting money pledged to them by their sponsors please honor your promises. The outstanding efforts of these children who went out collecting sponsors rode so well enduring the heat and are then going around collecting the pledges merit the honorable response of the adults who sponsored them to pay what they promised. This money not only goes to the admirable cause of researching cures for cancer and leukemias but the honoring of your promise to these kids teaches them on object lesson in honesty, charity and responsibilities. Remember--Children learn not so so much by what we preach as by what we do! Each person who raises \$25.00 or more receives a free T-Shirt and who raises \$75.00 or more also receives a free back pack.

There were 30 children and 5 adults who rode in the Bike-A-Thon: Ornette Daniels, Micheal O'Rourke, Jodi Schermerhorn, Jamie Schermerhorn rode 10 miles: Dennis Dodson, Debby Herman, Chris Herman, Robert Longoria, Micheal Goulla, Reuben Talamantez, Stephen Boutwell, Robin Ward, Ethel Arrant, Ralf Fuentes, Rita Diaz, Laura Gomez, Anna Rocha, Barabara Waddell, Linda Sharp, Christina Benacci, and Virgie Garza each road 20 miles: Jodi Corey rode 22 miles: Philip Pena, Steven Wilson, Barbara Forbes and Kristy Gwartney rode 30 mile each. All these participants did outstanding riding and we are very proud of them.

We want to thank Mr. Lugo and representatives from the Brackett Band who played several energetic songs giving the riders a spirited send-off until they rode out of sight. Thanks.

Special Thanks goes to Chuy's B&S, Stop & Shop for their refreshment donations. These and others helped keep the riders going as the heat threatened to

end the Bike-A-Thon all too soon!

Prizes donated by the Sagebrush Shoppe, The Screen Door and Western Auto were awarded to Mr. Martin Kelso, the oldest rider (age 67) who road 30 miles and to the youngest rider (age 7) who rode 10 miles. Also an award was given to Barbara Forbes for her zesty spirit in riding 30 miles "for-the-fun-of-it" since she had already been committed a set amount of donations (not pledges per mile) and did not have to ride more than one mile. We want to thank the other adults who rode in the Bike-A-Thon. Mrs. Sandy Herman, our co-chairman, who rode 10 miles; Kathy Bunjes, our First-Aide-On Wheels who rode 20 miles; Jose Flores who rode 10 miles; and Mr. Bill Miars another dedicated citizen who rode 20 miles.

A special thanks goes to all those who helped with the Bike-A-Thon---Mr. & Mrs. Charles B. Shipman, Jr.; Mr. Bill Herman Smilie Goodloe; Kevin Johnson; Cindy Miars; Lois & Louis Forbes; Don & Karen Crowder; Ernestin Talamantez and Zulema Wilson who were all either checkpoint or refreshment monitors along the route.

We want to thank all the mothers and fathers; grandparents and other relatives and friends of these kids for sticking with them and backing them with encouragement to follow through

"And finally all my loving thanks to my husband, who actively participated as checkpoint and refreshment co-ordinator and who kept me going through my most harassed moments," said Mrs. Corey, Bike-A-Thon Chairman. ###

ANGER IS A WIND BLOWS OUT THE
LAMP OF THE MIND.....

Between Us JOE TOWNSEND

One glaring need of Brackettville is the establishment and promotion of "The United Way". This method brings organization to benevolent drives for money. There is no end to organizations which seek funds from the general public to sustain their work. It is next to impossible for a person to be well enough acquainted with the various "good causes" to feret out the worthy and disregard the questionable. There are at present three drives being used often place a person in the role of a villian if he refuses to support the drive. Apparently some promoters stay awake nights dream ing up ways to con the public into giving to their causes. Too often the donations made on the basis of what a person or child calls for a donation and not on an evaluation of the cause. It is difficult to refuse a child, a customer or a friend so often a donation is made but with a feeling is disdain. In addition to these; three drives

there have been others within the the last, and will be others yet to come. If there were organ ized a "United Way" worthy causes could be included and a concerted "once for all drive" conducted and the many disbursed to the causes represented. Then a person could in good grace refuse to give to any group that did not participate in the "United Way" In years past this method served Brackettville well. The clinic the library, the Fire Department The ambulance, the Salvation Army (source of local funds for emergency benevolent needs and many other organizations were well served. The fact that this method has gained wide accept-ance proves the worthiness of the idea. It's past time for Brackett ville to come up to date.

Present Day Myths

by JOE TOWNSEND

It is interesting to watch and listen to MR. Ted Kennedy as he so manipulates the media. He still seems to feel he has the "charisma" to hood-wink the public. He says in effect President Carter has no leadership and he does. It is certainly true that Mr. Carter has destroyed any leadership he may have had. However, the question surfaces, "What leadership does Mr. Kennedy have?"

Having been kicked out of Harvard for cheating he can't lead the college youth--even in cheating he was a failure. He can't lead in the energy crisis because he was the architect of the policy that put us in the situation where we pay \$5 plus per barrel for some domestic oil and pay the OPEC robbers \$20 plus per barrel. He can't offer moral leadership. The Chappaquiddic incident revealed his moral character. He can't offer stability of leadership in a crisis, his reaction to the drowning of a young lady in his company reveals that. He can't offer leadership in the realm of Health care--

'S Crush Tigers

By Phillip Benites and Joe Gomez

On the day of September 28, the Brackett Tigers met the Alpine Bucks and lost their first game of the '79 season. The Tiger's only touchdown was made by Arthur Goodloe. Nelson Payne added two points making the score 17-8. The strong Alpine defense kept the Tigers off the scoreboard for the rest of the game.

Whatever the reason—the long trip, the higher altitude, or a lack of school spirit—the Tigers could not get things together and were outscored 24-8.

This week the Tigers travel to San Marcos to play the San Marcos Academy Bears.

DOGS FOR SALE!

HOT OR CHILI

By Bea Garcia

Last Thursday, (Sept. 28) the varsity cheerleaders were busy selling dogs in front of the old gym—hot dogs, that is.

Hot dogs were sold for \$.50 and chili dogs for \$.75. Cookies and cupcakes were sold for \$.15. For less than a dollar students could have a nice hot lunch.

Elementary students were the big spenders. They really supported the cheerleaders more than the high school.

The cheerleaders used the money to pay for their trip to Alpine.

6 WEEKS TESTS SOON

By Juanita Pair

The Brackett High School year began on September 4, and students and teachers are already preparing for the first six weeks exams.

Six weeks tests are set for October 10 and 11. Odd numbered classes will be tested on Wednesday and even numbered on Thursday. Report cards go out on Wednesday, October 17,

Next week will really be a busy one for the high school -- first six weeks tests and Homecoming '79!

SHORTHAND IS FUN!

By David Cruz

Shorthand is a good subject to take in high school. Shorthand is a method of writing that uses symbols or letters to take the place of words. Secretaries and students find shorthand a helpful tool for taking notes.

There are six senior girls enrolled in the shorthand class. One student stated that so far the course "is pretty easy, IF you pay attention and PRACTICE, PRACTICE!"

Mrs. Speckels teaches shorthand first period. She is a graduate of Texas Tech University. Before coming to Brackett High Mrs. Speckels taught at John Jay High School in San Antonio.

Mrs. Speckels likes BHS better than Jay; it has a more "enjoyable atmosphere" than the larger school. Shorthand is her favorite subject to teach.

WHERE OH WHERE HAS THE SPIRIT GONE???????????

By Richard Slubar

"BHS has no school spirit," complained the cheerleaders, who wish the student body would yell and cheer more at the pep rallies.

One idea for raising school spirit is to compete for a spirit stick. Each class will vie for the stick by doing yells and cheers at the pep rallies and for with special spirit ideas during the week. Classes can win the Spirit Stick by performing skits during the pep rallies, putting up signs in the halls, and the school colors. If your class or club wants to put on a skit at a pep rally or put up signs, check with Mr. Johnson or the cheerleaders

The cheerleaders were disappointed this past week when very few of the students cheered at the pep rally. If the pep rallies are to be successful, the student body will have to be more enthusiastic and participate in the yells more.

Get behind the TIGERS, show some SCHOOL SPIRIT, YELL at the next pep rally.

* SCHOOL PICTURES **

By Bill Tom Ferguson

Individual school pictures were opened for viewing this week. This year payment for the pictures is requested in advanced. The entire packet is \$4.40. Single sheets of pictures can be purchased for \$1.75.

Retakes are scheduled for some time in January. Anyone who was dissatisfied with these prints or who was absent on picture day can have retakes made. Retakes must be paid for in advance.

The cheerleaders wish to thank everyone who helped make the hot dog sale a success..

BAND IS READY FOR SAN MARCOS

By Vicky Jaso

Brackett's Tiger Band hasn't marched at a football game in three weeks. The band last performed in the La Pryor game on September 14. Everyone in the band wants to do well this Friday night. If practice makes perfect, then the band should have a great show.

Leo Lugo, the band director triesto see that the band is always ready to give a good halftime show. The band practices at Kize Field for two hours each evening after school.

The TIGER TAILS section of the Calvaryman is written by the journalism class. The actual making up of the paper is called the paste-up. A different paste-up crew is appointed each week. The crew has the job to carefully pick out the best articles and photographs to be printed. Then they proof read each article to check for errors errors. Then the pages go directly to the Calvaryman for printing.

HOMECOMING FEVER

By Roman Saenz

Brackett High School students are in that Homecoming mood again. BHS will host the Center Point Pirates for the big game. Every class is planning something special for the parade. The junior class is especially busy selling mums. Classes and school clubs are busy preparing floats for the parade and downtown pep rally.

Classes have elected their representatives to the Homecoming Court:

Senior Queen Candidates are Becky Benites, Ana Esparza and Lisa Schafer. Other members of the court include Gina Esparza, junior princess, Delma Villarreal, sophomore duchess, and Ginny Martin freshman duchess.

The bonfire has always been a main attraction during the Homecoming Week. Students build the bonfire from wood gathered along creeks, vacant lots and donated items. Students will pick up anything that will burn, just call them.

The game is scheduled for 8 pm. The coronation will be during the halftime. Everyone is invited to attend all the Homecoming activities.

CUBS FIND VICTORY IN DILLEY

The seventh grade team was defeated 17-0 in their first real test of the season. According to the coaches, "the score does not indicate how well the boys played."

The eighth grade team won their game 44-14. Memo Leos led the scoring with 24 points. Paul Flores had 18 points to his credit. A dynamic Cub defense and offense line played extremely well.

his program is so outrageous even his democrats turn their noses away from it. He can't offer leadership in the foreign relations problems, his trip to Ireland proved this. He can't offer leadership in the family life of America, his wives problems in living with him reveal this. He can't offer leadership in the realm of maturity--he had to have the permission of his mother even to run. Please Mr. Kennedy--where is this 'leadership' you offer? Mr. Carter has been disastrous enough--thanks--but no thanks--we don't want to follow you.
