HOW KINNEY COUNTY VOTED

AMPHITHEATRE TO PRESENT
TWO-ORGAN CONCERT

Sunday, November 14, 3:30p.m.

Anything from Bach to Bacharach may be on the program for the Amphitheatre's next presentation. If the beautiful Indian summer continues, two organs and two accomplished organists from Del Rio's Alamo Music Center will present a concert to Fort Clark's members and guests at 3:30 p.m. in the afternoon of Sunday, November 14. In case of inclement weather, concert will be in the Town Hall.

Mike Stevens and Joyce Coughenour will be playing a wide variety of music. Their program will include pop western, patriotic and classical numbers. Mike Stevens is Manager of Del Rio's Alamo Music Center and has been a keyboard Consultant for more than twelve years. He fell in love with music-making at an early age when he first picked out a boogiewoogie tune on the piano. Locally he has entertained at the San Felipe

Country Club and Laughlin Air Force Base as well as several area motels and for private parties. Mike believes music is a wonderful way to express oneself and has always encouraged both experienced and inexperienced musicians to use playing as a way to forget their problems and enjoy musicmaking.

Joyce Coughenour is director of the musical education department of the Del Rio Center. She is also the director of the Chancel Choir and of the Children's choir at Laughlin Air Force Base. An accomplished pianist and organist, her musical education began with piano lessons at age 8 and continued through her classes at United Wesleyan College in Allentown, Pennsylvania.

The Baldwin and Yamaha organs upon which they will perform as well as the services of these two musicians are courtesy of the Alamo Music Centers of South Texas.

The performance will be free of charge. Come, bring

your friends and let's enjoy beautiful music in a beautiful setting, our Old Quarry Amphitheatre.

LIBRARY NEWS

We wish to thank the New World Study Club (Federated Women's Club) for their contributions to the library. Besides their being the library's "founding mothers" they have recently been responsible for putting in curbing, sidewalk, porches, three new bookcases and having an initial cleaning done to the grounds.

We still plan clean-up days this Friday and Saturday in preparation for our Grand Opening Sunday from 2-4 p.m. Remember, everyone is invited.

Respectfully Yours,
Mrs. Charolette Corey
County Librarian

Our Local LEADERS

Our Doctors And Dentists

It's usually easy to spot the public-spirited citizens in the community. The people who are always there on call... the people willing to help when needed.

A thoughtful medical man provides safe bottled water for patients to drink.

Many of the good things they do go unheralded, even unnoticed. Take our doctors and dentists. They're known for their medical care but they often go many steps beyond in helping their patients.

One way many of these professionals are taking these days is providing the best in drinking water for their patients. Bottled water is frequently the beverage that's available in the office of such professionals.

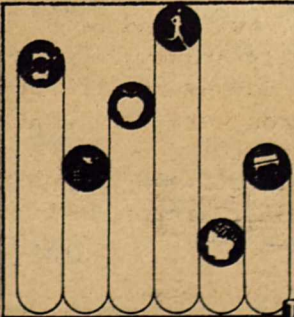

The reason? Increased concern with municipal water supply systems. Many professionals recognize the fact that bottled water is carefully supervised and its only use is for drinking. They know they're providing their patients with safe, clean, unadulterated, good-tasting water when they buy it by the bottle.

It's an act of thoughtfulness and caring.

For a free booklet about bottled water available, send a self-addressed stamped envelope to the International Bottled Water Association, 1010 Vermont Avenue, N.W., Washington, DC 20005.

You and your family can protect your health. Here, from the experts at the U.S. Department of Health and Human Services, are some sensible suggestions to follow:

There are many health risks that you can control.

- **Avoid cigarettes.** Cigarette smoking is the single most important preventable cause of illness and early death.

- **Follow sensible drinking habits and use care in taking drugs.** If you drink, do it wisely, and in moderation. Even some drugs prescribed by your doctor

can be dangerous if taken when drinking alcohol or from exercise—and there's some form of exercise almost everyone can do.

- **Eat sensibly.** A sensible diet can reduce your risk of heart disease. If you are overweight, lose it. Overweight individuals are at greater risk for diabetes, gall bladder disease and high blood pressure.
- **Exercise regularly.** Almost everyone can benefit

City Manager

SHERIFF'S CORNER

By: Sheriff Norman H. Hooten

Dear Fellow Kinney County Citizen:

This will be a new column appearing weekly in this paper. The primary purpose of this column will be to keep you, the citizens and taxpayers of our county, informed on the various activities of the Sheriff's Department.

I am, by no stretch of the imagination, a professional writer so I will be reporting to you in a clear, clean, straight-from-the-shoulder manner. This column is not intended to offend anyone and no gossip nor character assassinations will be appearing here. Only activity reports and general information that, I hope, will tend to bring you and the sheriff's Department closer together and give you a better understanding of the problems faced by peace officers in this community.

The column this week will be a little longer than most as I feel that I need to bring you up to date on how and why I got here.

I was first appointed Interim or acting Sheriff by State District Judge Marvin Blackburn on September 1, this year. This appointment was necessary because Sheriff Johnnie Sheedy, who had been appointed Interim Sheriff by Judge Blackburn after the suspension of Sheriff Morgan Bailey, decided that the process of the various cases against Mr. Bailey was going to be time consuming and he felt that he needed more time to tend to his personal business. Sheriff Sheedy had retired in 1980 after 32 years service to this county.

There were several applicants who had expressed interest in the job of Interim Sheriff and the final decision on the appointment was made by Judge Balckburn. this appointment

was to be in effect until such time that (1) Mr. Bailey was cleared of the charges against him or (2) an actual vacancy of the office occurred by either the resignation of Mr. Bailey or his conviction on any one of the felony charges against him or his removal from office by civil action.

October 18, this year was the date set for the Removal Suit, Cause #2374, to be heard. Prior to the time set for the case to be heard a plea-bargain agreement was worked out between Mr. Bailey and the District Attorney, and Mr. Bailey resigned his office effective October 18, this year.

At this time my appointment by Judge Blackburn became null and void and Kinney County was technically without a Sheriff. County Attorney Tully Shahan verified with the State's Attorney General's Office in Austin that the next legal and proper step was for an Emergency Meeting to be called by Commissioners' Court to appoint a Sheriff to serve out the un-expired term of office. The meeting was called, the required 3 hour notice was posted and at the meeting I was appointed Sheriff by a 3 to 1 vote. Had a vacancy occurred prior to or by September 18, this year a special election to elect a Sheriff to serve out the un-expired term could have been held. Of course, since this did not occur then the process used by the Commissioners' Court was necessary and proper.

Well, that's about it for this week. I will bring you up to date on other activities next week.
