## TIGERETTS WIN DISTRICT

**BRACKETT TIGERETTES**  
1982 - 83  
Top Row: Coach Bowers, 2nd Row:  
Rhea Slaughter, Ginger Hooten,  
Elda Estrada; 3rd Row: Lashawn  
Wardlaw, Barb Forbes; 4th Row;  
Rosie Rodriguez, Leisha Wardlaw;  
5th Row: Elida Estrada, Lisa  
Slaughter; Botton Row: Manager  
Mary Jane Garcia.

Our Tigerettes are now Dis-  
trict Champs and they will be play-  
ing against LaVernia for the Bi-  
District Championship on February  
17th in Hondo.

BE Sweet is now serving  
Brackettville as a Pharmacist.  
He has been open for business  
for about three weeks now. He  
will fill any and all prescript-  
ions from any doctor. He is  
not limited to Clinic patients.

Brackettville has had a great  
need for a Pharmacy for the last  
two years. We are very fortunate  
to have Mr. Sweet. Mr. Sweet's  
"Clinic Pharmacy" is located in  
the Clinic Building at 201 James  
St. here in Brackettville. He  
is here every evening at 7:30pm  
and all day Fridays. He will be  
here part of the day on Saturdays.

Lets welcome Mr. Sweet back to  
our community and do business  
with him so he will stay.

## CHAMBER OF COMMERCE BANQUET

DAN COOK, SPORTSCASTER AND TELEVI-  
SION PERSONALITY WILL SPEAK AT THE  
ANNUAL CHAMBER OF COMMERCE BANQUET  
AT THE BRACKETTVILLE CIVIC CENTER  
MARCH 5TH AT 7:00 P.M.

# SHERIFF'S CORNER

By Norman H. Hooten

Business was as usual this past week. Local crime was down a little. This is normal. Crime seems to come in waves, it will be down for a few days and then all of a sudden there will be a flurry of activity.

Some criminal researchers have indicated that sporadic crime waves can be linked to the cycle of the moon and stars. I do not know if this is true or not, but records show that crime does rise and fall in cycles.

A Fort Clark youth was arrested and charges of Criminal Mischief filed against him after he broke out a window at the Teen Center in Fort Clark. He was released on bond and the trial is pending.

Another Fort Clark man was arrested and placed in County Jail after statements were obtained from local youths alleging that the man bought and/or provided access to alcoholic beverages to minors. The man was released on \$1,000.00 bond. That trial is also pending.

Vandals struck a cruel blow to David Bixby, owner of the Screen Door, a plant nursery in Brackettville. Someone climbed over a fence that is around his property and dumped sever hundred dollars worth of young rose plants on the ground. Nothing else was taken or disturbed.

Of all the crimes I have to deal with and investigate, vandalism is the least understood by me. What makes a person damage or destroy the property of another? In most vandalism cases there is no attempt at financial gain, just damage and destroy, like a sheep-killing dog that will slaughter sheep after sheep and leave them dead or dying and not because of hunger, simply for the joy of killing.

The First State Bank of Brackettville moved their burglar alarm indicator to the County Jail this past week. This was, in no way, a reflection on security personnel at Ft. Clark. Merely an attempt by bank personnel and law enforcement people to improve reaction time in the event of a signal from the alarm.

Prior to this, when the alarm went off, the security people at Ft. Clark would then have to notify the Dispatcher at the jail and the Dispatcher would then have to

notify a peace officer and dispatch him to the bank. Now, should the alarm sound, the Dispatcher knows immediately and can dispatch an officer to the scene.

I told you last week that I would report to you on the Rabies Control Act. I have run out of space so will make the report next week.

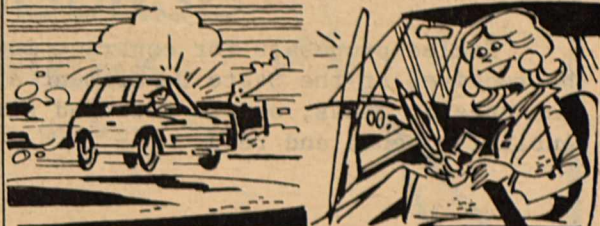

## TEXAS AGRICULTURAL EXTENSION SERVICE

There will be a Spring Gardening workshop for all interested residents of Kinney County on Tuesday evening, February 22, 1983 beginning at 7:00 p.m. at the Kinney County Courthouse. Dr. Jerry Parson well known as Extension Vegetables Specialist from San Antonio will speak and give some very informative hints on how to get ready for that Spring Garden you want to plant. Dr. Parson will also speak in what is best to plant in this area.

Also Dr. Roger Jones Extension Plant Pathologist Headquartered at Uvalde will discuss Garden Vegetables of disease and how best to control them, using Pesticides and by not using Pesticides. This Spring Garden Workshop is sponsored by the Kinney County Horticulture Subcommittees and the Texas Agriculture Extension Service. There is no fee and the Public is invited. For further information contact Carl Esser County Extension Agent at 563-2442.

## QUICK QUIZ

Recent studies show that for every one percent increase in safety belt use, 172 lives could be saved. Taking this quiz could help put you in the driver's seat when it comes to safer driving.

1. More people under age 44 die from \_\_\_\_\_ than any other cause. (a) fires (b) gun shots (c) motor vehicle crashes.
2. Over \_\_\_\_\_ percent of the motor vehicle injuries and deaths could have been eliminated if safety belts had been worn. (a) 10 (b) 30 (c) 50.
3. You need only wear safety belts when you go on long trips, or if you are driving at high speeds. (a) true (b) false.
4. Being involved in a motor vehicle accident at 30 miles per hour without a safety belt is the same as jumping head first off a \_\_\_\_\_ (a) chair (b) three-story building (c) 8' stepladder.

ANSWERS: 1. (c) Motor vehicle accidents are the leading cause of death among people 44 and younger. Each year, about 50,000 people die in such accidents, the equivalent of a fully loaded 727 airliner crashing each day! 2. (c) Not wearing a safety belt more than doubles your chances of serious injury or death in a motor vehicle crash. In addition, wearing a safety belt often helps a driver to maintain control of the vehicle and avoid serious accidents. 3. (b) Eighty percent of deaths and serious injuries occur in cars traveling under 40 miles per hour and 75 percent of deaths or injuries occur less than 25 miles from home. 4. (b) According to experts at the National Highway Safety Administration, at just 30 miles per hour you'd be thrown into the dash with the same force as if you'd jumped head first off a three-story building. No one's arms are strong enough to "catch" him or herself and break a three-story fall. Safety belts are. That's why people need them on every trip. Safety belts save lives!

## KAZEN

### School Finances

It seems only fair to me that the federal government should pay its share to school districts in neighborhoods where federal property places a heavy burden on schools and the taxpayers who finance them, but at present this is not the case.

In an effort to correct this, I have introduced H.R. 1141 to provide for payments in lieu of taxes to be made by the federal government to local governments for property exempt from taxation which is located within the jurisdiction of these local governments. Look at it this way: The federal government is the country's largest property owner, and much of it is made up of buildings which share neighborhoods with privately-owned structures. If this property were taxable, it would account for about 5 percent of the national property value, and the taxes collected would obviously be of great benefit to our hard-pressed local governments, schools, and taxpayers.

I introduced this new legislation calling for payments in lieu of taxes after hearing from many South Texans calling special attention to the budget crunch in many of our school systems.

## KINNEY COUNTY LIBRARY

### New Books:

Robert A. Caro's The Years of Lyndon Johnson, Jimmy Carter's Keeping Faith, Herman Hattaway's How the North Won, Wayne Gard's The Great Buffalo Hunt, & The Chisholm Trail, The Collected Stories of Katherine Ann Porter, and several more new J. F. Dobie. This week's

job feature is: Shelving Books; take book which have been pre-sorted and place on shelves according to area.

Mrs. Charolette Corey  
County Librarian

**EMERGENCY CARE CLASSES**

**TO START FEBRUARY 21**

Emergency Care Attendants (E.C.A.) classes will begin Feb 21 at the Members Lounge on Ft. Clark Springs.

The course is sponsored by Kinney County Vol. Ambulance Organization and is approved by the Texas Department of Health, Emergency Medical Services.

Classes will cover an overview of the human body, diagnostic signs and patient examination, bandaging and splinting, C.P.R., child birth, and management of accident scenes.

Dr. Luz of the Kinney County Clinic will lecture on Medical Emergencies such as Heart conditions, stroke, diabetes and epilepsy. Other guest lectures from Del Rio and Uvalde will attend.

Students taking their final examinations on March 28th are members of local law enforcement agencies, Ft. Clark Security, K.C. Fire Department, and private citizens who wish to become part of K.C. Volunteer Ambulance Organization.

Classes are limited to 20 persons. Anyone interested in taking E.C.A. classes, contact Kay Smith, 563-2144, or RoseMary Slubar, 563-2311.

**HEALTH HINTS**

**SUGARLESS SNACKS**

Children love snacks. And much to the chagrin of the dental profession, they love snacks filled with sugar.

According to the American Dental Hygienists' Association, when sugar reacts with the bacteria in your mouth, plaque is formed on your teeth. The acid from the plaque causes tooth decay.

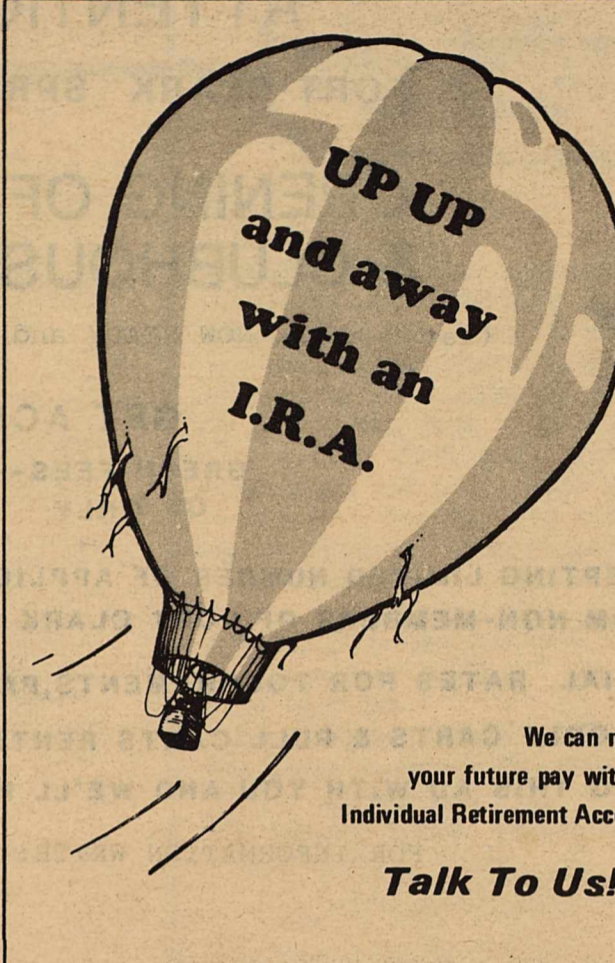

Research has shown that how often sugars are eaten, how long they stay in the mouth and the type of food eaten also play an important part in the decay process.

To help you combat tooth decay and satisfy your children's sweet tooth, the American Dental Hygienists' Association suggests the following snack recipes that do not contain table sugar, honey or syrups:

**APRICOT CANDY**

- 1/3 cup grated coconut
- 3/4 cup chopped pecans
- 1 teas. lemon juice
- 1 teas. lemon rind
- 1 teas. orange juice
- 3/4 cup dried apricots
- 1/3 cup water

Steam apricots five minutes in the water. Cool and mix with rest of ingredients in a blender. Form into balls and roll in coconut. Refrigerate several hours. Makes about a dozen.

We now have a new sign for the Kinney County Memorial Clinic. The Sign was purchased by the Maverick County Out-Patient Clinic in Eagle Pass, Texas. It is a very nice looking sign and compliments the Clinic Building. Drive by and take a look!

**Some Wise Words For Sports Enthusiasts**

If you're a sports enthusiast—whether it be basketball, baseball, jogging, tennis or roller skating—it's important to be physically prepared for activity. Your body is especially vulnerable after a period of inactivity, whatever the reason. Therefore, it's important to begin slowly with a routine of warm-up exercise.

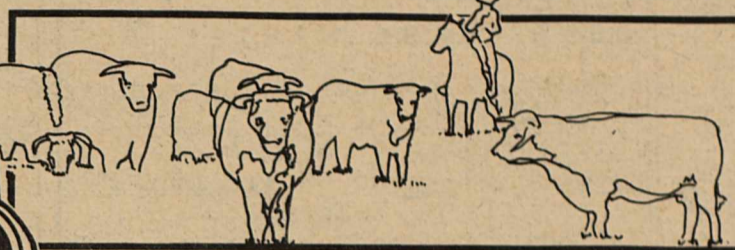

\*\*\*  
Don't forget your skin when it comes to sports. It will need extra protection when exposed to sunlight so use a sunscreen. For the inevitable scrapes and cuts, keep an ample supply of bandages and first-aid products on hand. Many families prefer the new Curad Flexible bandage, a good high-action bandage for active people.

\*\*\*  
Sports enthusiasts espe-

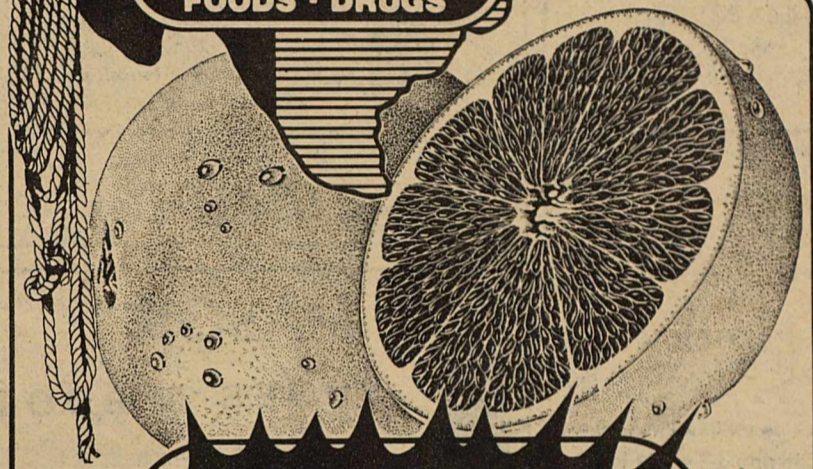

cially like the way the new flexible fabric bandages move with you and adhere over bendable areas. They're available in a variety of sizes including pads large enough to cover elbows and knees. Since many cuts and bruises occur over joints, you might try using the pads as protection on vulnerable areas to help prevent injury. Whatever favorite pastime lures you out of doors, take the time to learn the risks involved. Take adequate protection before starting and carry a supply of bandages in your backpack or pocket.
