ROCKSPRINGS RODEO

The Rocksprings Junior ffa and 4-A Rodeo has been set for May 14 with two performances at 2:00 p.m. and 7:00 p.m. at the Edwards County Fair Grounds in Rocksprings. The Rodeo is opened to any person enrolled in school below the college level. The entry deadline is set for noon May 11. Entry fees are to be given back as prize money and engraved buckles are to be given to All Around in each division. There are three divisions: Senior Division 16-19; Junior Division 13-15; and Pee-Wee Division 12 and under. There will be a dance with the Rounders following the evening performance. For entry blanks or more information call (512) 683-4310 or (512) 683-4689 or write Rocksprings Youth Rodeo, Box 157, Rocksprings, Texas 78880.

AWARD

Sherry Smith of Brackettville was recently recognized for outstanding academic achievement during Sul Ross State University's Annual Awards Ceremony.

Ms. Smith received the Accounting Excellence Award which was presented by Robert Matthews, Certified Public Accountant.

Ms. Smith is the daughter of Marion W. Daniels, Jr. of Brackettville.

More than 100 students were recognized for scholastic achievement by academic departments and local organizations during the ceremony.

LANGTRY AWARD

ROADRUNNER AWARD FOR LANGTRY

Jack Skiles, Supervisor of the highway department's Visitor Center at Langtry, has been named as recipient of the 1983 Roadrunner Award at the Texas Travel Counselors Conference which concludes today.

The award, which recognizes the state's highest achievement in service to the traveling public, was presented by Tom H. Taylor, director of the highway department's Travel and Information Division.

The Langtry facility is one of 12 operated by the highway department. In 1982, nearly three million travelers were provided with information and assistance at the tourist bureaus that are at key highway entrances to the state, at the State Capitol and in Langtry.

Skiles was named supervisor of the Roy Bean Visitor Center on July 1, 1968, several months before the facility was opened to the public. To his new position he brought a background of a degree in botany from Sul Ross University plus graduate studies in Biology, geology, archaeology and museology. He is a former superintendent of school at Paint Rock and Balmorhea, and curator of the Shandhills Museum now a part of Monahans Shandhills State Park.

The Roy Bean Visitor Center preserves the historic "Law West Of The Pecos" saloon/courtroom of the crusty frontier judge. It, and the modern visitor center and garden of desert plants, are open daily. Some 95,000 tourist were visitors at the

center in 1982.

The remote location makes added demands on the personnel at Langtry Maintenance and technical problems are routinely handled by the staff; such as installation and maintenance of the sound system in the center's dioramas, or service of the antique windmill that was added to the facility last year.

The award won by Skiles bears the tongue-in-cheek Latin inscription that translates as "Getting paid for telling people where to go." And although it is also based on the inherently comical roadrunner, Taylor pointed out that it is in a serious recognition of superiority in service to travelers in Texas.

**KINNEY COUNTY
LIBRARY**

During fiscal year 1981-1982 Kinney County Library's total number items circulated were 5,457 and to total number viewers of movies were 5,138. Our total number library applications on hand went up from 818 to 1,319. Of these additional 501 new patrons, 211 were children and 290 were adults. Since October of 1982 until now, we have added 125 more patrons and project at least another 125 by the end of September. This will end fiscal year 1982-1983 with a total projected patronage (1973) of 1500.

Book circulation for March was 819. All of this is given simply to point out that circulation had doubled over the past year and patrons (people who use the Library) is ever increasing.

THANKS KINNEY COUNTY!!!!!!

CITY OF BRACKETTVILLE
COUNTY OF KINNEY
STATE OF TEXAS

PROCLAMATION NUMBER 4 -- 33
APRIL 22, 1983

WHEREAS, City Ordinance Number 209 in compliance with the Texas State Department of Health Bill 301.58 of January 1, 1982, directs that the owner of each dog or cat located within the vicinity of the City Limits of Brackettville shall have their vaccinated against rabies by the time it is four months old and each year thereafter. It is hereby resolved that Saturday, May 14, 1983, is designated PET VACCINATION DAY in the City of Brackettville. Dr. Zack Davis, DVM, will be available at the City Hall Complex from 8 a.m. until 12NOON on Saturday, May 14, 1983, to vaccinate all dogs and cats delivered to the area for five (\$5.00) dollars..

The City Council hereby urges all dog and cat owners to hereby participate in this very important and required vaccination program. This year four dogs have caused undue harm, alarm, and injury to Brackettville citizens. Wehave been fortunate that no rabid animals were involved but the concern is always present. Your continued commuity spirit and cooperation is appreciateted.

SALVATION ARMY

"GOOD NEWS" -- National Salvation Army Week
May 9-14, 1983

It's been said that good things come in small packages. But "good things" don't necessarily have to be packed at all. Take, for example, the Christian concern of the Salvation Army. This concern extends to people of races, creeds, and ethnic backgrounds in variety of situations. It comes in the form of a warm smile, a helping hand and professional guidance.

Stay alert and stay clear—

Avoid Contact With Power Lines

Think twice about your clearance overhead—and check it out carefully—anytime you're operating high-rise equipment around electric lines.

Cranes, drilling rigs, cotton module builders, hay balers and other big equipment become dangerous conductors of electricity if they contact power lines. Any contact could result in serious burns (or even death) for the operator and others nearby.

Although electricity performs valuable services for us every day, it must *always* be treated with caution—especially if you're working with equipment tall enough to tangle with electrical wires.

Stay alert—and stay clear of power lines!
