Regional Qualifiers Results

Track

By Coach Bobby Avery

The region II, class 1A track meet was held last weekend in Abilene, at the ACU campus. Borden County was well represented at this meet with six girls all qualifying for the meet. They were Shelby Isaacs, Sandy Brummett, Jill Voss, Bobbie Armstrong, Tammy Cooley and Shalina Reyes. These girls have given their best to track this year, and their dedication paid off with a trip to the regional track meet.

Shelby Isaacs had a stroke of bad luck. She was to run the 100m hurdles, the 300m hurdles and the mile relay. A injured foot prevented her from running in this meet. Shelby's times would have been right up there with the best of them. Better luck next year, Shelby.

The mile relay ran a 4:44.9 and were fourth in their heat. This was not fast enough to make the finals, but it was a very respectable time. We were all very proud. This team consisted of Sandy Brummett, Jill Voss, Shalina Reyes, and Bobbie Armstrong.

Sandy Brummett had a big weekend at the track meet. Sandy began her day Friday with the triple jump. She made the finals in that event and finished eighth with a 32 foot, 8 inch jump. This even was run against a pretty good wind, so this was a very respectable distance to travel. Sandy ran the 100m dash in 13.3 but did not make the finals. She also ran the 200m dash in 27.75 and was 5th in her heat. Sandy did not make the finals in this event despite running the best time of her life. She also ran a 65 second leg in the

1600m relay, and began the race for the Lady Coyotes.

Tammy Cooley also had a stroke of bad luck in the shot put. In last week's preparation for the shot, Tammy strained her wrist prior to Friday's event. She threw the shot but was only able to put it 30 feet 9 inches. This was disappointing considering that her best throw of the year would have placed her in fourth. Better luck next year, Tammy.

Bobbie Armstrong and Shalina Reyes ran on the mile relay team. These girls gave 110% of what they had to the Lady Coyote track team. This effort mad everyone that knew these girls very proud.

Jill Voss began her weekend with the long jump on Friday. she set a personal record in this event with a leap of 16 feet, 5 inches. She qualified for the finals in this event and finished eighth. There were three contestants that jumped 18 feet or over, making the competition very stiff. Jill ran the 400 meter dash on Friday and was second in her heat with a time of 63 seconds. Jill later ran the 200 meter dash in a time of 26.24 seconds. Jill made the finals in both of these events and ran again on Saturday. She had the third best qualifying time in the 400 m. dash, and the fourth best qualifying time in the 200m. dash. In the finals of the 400 m. dash, Jill ran in second place for most of the race. On the last 100 meters a girl from Christoval out legged Jill to the finish line. Jill ran her lap in 63 flat and was third. (Hey another medal at regional, that's two in a row.) Jill had only about 20 minutes to recover

Golf

by Coach Trey Richey

The Borden County Lady Coyote golf team traveled to Abilene on Sunday to play in the Region 2 Golf Tournament. The ladies, accompanied by Coach Richey and Mrs. Richey, played a practice round of golf on Sunday to prepare the girls for the two days of exciting golf that lay ahead. On Monday morning the ladies played their first round of golf. As a result of finishing first and second at district the Lady Coyotes had ten golfers and two teams participating. On that Monday morning the Borden County 'B' team (2nd place finisher at district) teed off first. They began their round of eighteen holes of golf at 11:00 a.m. The members of this team were as follows: Nadia Baeza, Kerri Zachary, Dodi Smith,

before she had to run the 200 m dash and could not run it as fast as she did the day before with more rest. She still ran a 26.9 and finished in fifth place. Jill also ran the second leg of the mile relay in 63 seconds. When you go to the regional track meet you want to run your personal best. Jill did this in three of her individual events. She set personal records in the long jump, the 400m. dash and the 200m. dash. She also walked away with a bronze medal. Great job Jill.

Also I might add, that Jill's bronze medal and a fifth place ribbon was one of only three won by members of our district. Angela Welsh of Grady was the only other recipient of a medal in the 3200 and the 1600 meter runs.

Deann Parks and Meg Parks. When the dust settled after 6-1/2 hours of golf, this 'B' team posted a 1st day score of 521. This score placed the ladies in a tie for 15th place after the first round of golf.

The Borden County 'A' team (1995 district champs) teed off at 11:45 a.m. The members of this team were: Haley Roe, Magie Flanigan, Carrie Hart, Reagan Smith, Kembra Kemp. After they completed their journey they found themselves in 9th place posting a super score of 465. This was only 14 strokes out of 5th place.

The young ladies were able to enjoy a fantastic meal and a movie before it was time to rest up for their final round of golf on Tuesday. On the final day the ladies teed off just a little earlier that morning under a little more difficult weather (very windy). The 'B' team posted a very impressive score of 489 and moved into sole possession of 14th place. This is exceptional for these young ladies, this was 30 strokes better than last year.

The 'A' team which had a super 1st round score topped that with a second round score of 456. This score would not move them up any, but it is still very impressive for a group of girls that do not have a golf course. Of the schools participating, we were the only school in this situation. The two day total for the 'A' team was a 921, this was 104 strokes better than last year's total. The ninth place finish was also much better than 1994. Congratulations girls on a super tournament and a very enjoyable trip.

Below are the individual scores for the girls and their respective teams.

Tennis

By Coach Dyess

The Borden County High School Tennis teams was represented at the Region II meet held on the Hardin Simmons' Campus in Abilene. Bobbie Armstrong who had placed second in district played Cindy Watts of Mullin but lost in the first round of the regional tournament. In girls' doubles Carrie Hart and Reagan Smith represented Borden County after winning second at district. They played Triva Bailey and Jill Sonnenberg of Paint Rock and also lost in the first round. Congratulations for making it to the Regional tournament.

Borden County. 'A'

Kembra Kemp: 117, 104 total 221; **Reagan Smith:** 115, 110, total 225; **Carrie Hart:** 112, 128, total 240; **Maggie Flanigan:** 121, 114, total 235; **Haley Roe:** 130, 131, total 261. Total Points: 1st round 465; 2nd round 456 **Total: 921 for 9th place**

Borden County 'B'

Meg Parks: 123, 123, total 246; **Deann Parks:** 130, 112, total 242; **Dodi Smith:** 140, 131, total 271; **Kerri Zachary:** 138, 140, total 278; **Nadia Baeza:** 130, 123, total 253. Total Points: 1st round 521; 2nd round 489; **Total: 1010 for 14th place**

My wife and I had a very fun trip with this group of young ladies. They were all very fun and polite at all times, we hope to do it again next year. Thank you for all of your hard work this past year and congratulations on a fine year. We only had one senior this year and she finished up on an extremely high note as she posted an exceptional score of 104. Good job Kembra, and the rest of the Lady Coyote Golf team.

Who's Who Publications!

Many high school seniors have received or will soon receive solicitations from publishing firms offering an opportunity to be listed in a "Who's Who" - type publication. The student is usually required to buy the book; and many times, pay an additional fee to be listed. While some companies may do as they promise, the BBB considers many such books as "vanity publication." They are published for very limited distribution and few, if any, will be found outside the personal bookshelves of those listed. When receiving an opportunity to be listed, students and parents should consider

whether such a listing is a genuine form of recognition or simply a display of vanity for a price. If you are in doubt, call your BBB at 806/763-0459 for a reliability report on any publication that you are considering.

Even though grants, scholarships, loans, work-study programs and financial aid packages may be more plentiful than ever before, the key to getting your child into the college of choice is not to wait until the last minutes to start saving. Consider all available options, including federal, state and local aid programs, financial institutions' loan plans; home

equity loans, and scholarships; grants or fellowships offered by various organizations. The high school guidance counselor is a good resource as well as the college's financial aid officer. The federal and state government departments of education and congressional representatives may have some information and application procedures that would be helpful. Be careful and thorough in

preparing financial aid application forms. Follow the instructions and submit paperwork well in advance of required deadlines. Call

806/763-0459 and ask for a free copy of the brochure called **TIPS ON... FINANCIAL AID FOR COLLEGE.**

Women's Unique Nutrition Needs

by Kerry Whitaker
Family Circle Consultant and
Popular Lifestyle Expert

(NAPS)—Everyday choices—about what we eat, how much we exercise and how we react to stress—are the building blocks to good health. Studies show that for women, one of the key variables for maintaining good health is proper nutrition. The foods we choose affect our risk of developing illnesses from heart disease and cancer to osteoporosis and obesity.

The key to eating well is making informed food choices, particularly when it comes to fat. Fat is an essential nutrient, but not all fats are alike. Saturated fats, which come primarily from animals, have been shown in many studies to contribute to heart disease, cancer and obesity.

One delicious way to lower your cholesterol and reduce your risk of heart disease is to substitute walnuts for other saturated fats. You can use ground walnuts instead of butter to bind cookies,

or as a filling for foods from burritos to lasagna. Substitutions such as these will add flavor to your recipes—and reduce your intake of saturated fat.

Here's a recipe for one of my favorite light, zippy sandwiches that's perfect for lunch on a warm afternoon. With a crunchy and creamy filling of walnuts, crisp vegetables and seasoned low fat cottage cheese, this vegetarian sandwich will please your palate as well as your waistline. For more recipes using walnuts, write to: Walnut Marketing Board, 545 Sansome Street, San Francisco, CA 94111.

SUNNY VEGETARIAN SANDWICH

- 3/4 cup (2 oz.) low fat cottage cheese
- 1/2 tsp. lemon juice
- 1 small garlic clove, minced
- 3-4 drops Tabasco (hot pepper) sauce, or to taste
- salt and pepper, if desired
- 4 slices whole wheat bread
- 1/4 cup (1 oz.) walnut pieces
- 1 small zucchini, very thinly sliced
- 1 carrot, very thinly sliced
- 1/2 cup (about 1/2 ounce) alfalfa sprouts
- 4 slices tomato

In a small bowl, combine the first three ingredients and

blend until smooth. Season with Tabasco, salt and pepper, if desired. Spread each slice of bread with 1/4 of the mixture. Divide walnuts equally and sprinkle on top of cottage cheese on two of the slices of bread. Divide zucchini and carrot slices equally and use to top walnuts. Then top vegetable slices with 1/2 of the sprouts and 2 slices of tomato each. Top with the other slices of bread. Cut in half diagonally. Serve with a pear or apple. Serves 2.

Lady Texan Basketball Camps Set For June, July at SPC

Applications are now being accepted for all girls interested in attending Lady Texan Basketball Camp, which will be held in June and July at South Plains College.

A second week will be offered again this year to accommodate the increased demand for the growing camp, open to all girls in fifth grade through high school.

The camps, under the direction of South Plains College women's basketball coach Lyndon Hardin, are open to all girls in fifth grade through high school.

"We feel we have one of the better camps around," said South Plains College women's basketball coach Lyndon Hardin, director for the camps which will be held June 18-23 and July 16-21.

"We try to keep a small ration between

instructors and campers. It's a good environment to learn fundamentals."

The purpose of the camps is to provide an opportunity for girls and young women to improve their basketball skills in a fun environment. The fundamentals of basketball are stressed, with sportsmanship, team play and self-confidence emphasized as well.

"We're not going to make them great players in a week," Hardin said, "but we give them a good foundation. We're going to work hard on basketball skills. It's not a recreational camp, but they have fun too."

The camps will be held in Texas dome on the SPC campus. Other facilities for use by the campers are a indoor swimming pool, indoor racquetball courts and tennis courts. In

addition, campers also may spend time at the SPC Student Center, which features a video arcade, pool and ping pong tables and a giant-screen television.

Camp participants may commute daily from their homes or spend the week on campus in a college residence hall.

The cost of the camp is \$200 for overnight campers, \$165 for day campers who eat in Texan Hall and \$100 for day campers who do not eat in the dining hall.

Included in the camp fee is instruction, insurance, awards and entertainment, as well as certificates, a personalized camp t-shirt and a basketball for each participant.

The camp schedule will include ball handling, dribbling, passing and shooting drills, along with scrimmages, tournament games and individual instruction.

Time also will be devoted to "Let's Talk Basketball," a session which will stress attitude, desire, leadership and enthusiasm.

Assisting Hardin with the camp will be Joy Muller, assistant women's basketball coach at SPC. Other members of the camp staff include current and former members of the SPC women's basketball team, in addition to other outstanding area high school coaches and college players. Previous camps have included appearances by former lady Texan Sheryl Swoopes.

"We just have a great staff," Hardin said. "They do a great job of teaching fundamentals. The girls get a lot of individual attention."

Hardin, in his 12th season at the SPC helm, was named the Junior College Coach of the Year by the Texas Basketball Coaches Association in 1992. During the 1993-94 season, he recorded 200th career victory at South Plains.

The veteran coach previously has been associated with camps at Texas Tech University, West Texas State University, Wayland Baptist Uni-

versity and Texas Women's University, in addition to camps at Canyon and Tulia high schools.

Camp applications will be accepted as they are received and should be returned as soon as possible. A \$75 deposit should be sent with the application, and the remaining balance will be due at the time of registration.

Registration will be held on June 18 and July 16 at 2 p.m. in Gillespie Hall, with camp activities concluding at 3 p.m. on June 23 and July 21.

The deposit is non-refundable after May 19 and July 7, and a \$20 charge will be made on all refunds.

For more information, contact Hardin at (806)894-9611, ext. 224, or write: Lady Texan Basketball Camp, South Plains College, 1401 S. College Avenue, Levelland, Tex. 79336.
