## AROUND MULESHOE

Jim Ella Clemmons reminds all youngsters, K-5, to turn in all Halloween Carnival posters by October 17, and judging will be conducted on October 18.

All posters submitted will be displayed in Muleshoe businesses the week prior to the Halloween Carnival, which will be October 25.

\*\*\*  
Bailey County Commissioners Court will be meeting in regular session on Monday, October 13, at 10 a.m. in the courthouse.

Included on the agenda will be payment of routine county bills; consideration of a budget amendment to FY1986; review departmental reports and miscellaneous items.

\*\*\*  
Muleshoe Boy Scout Troop 620 had a campout Saturday and Sunday, Oct. 4-5. The Scouts backpacked one and one fourth miles to Watson Alfalfa from the Bailey County Civic Center.

The backpacking and country hike were requirements for camping and hiking skill awards. The Scouts cooked their meals and also had skits around the campfire.

Attending were John Hovland, Jon Robin Watkins, Bryan Rasco, Cory Welch, Scott Miramontes, Mark Hicks, Robert Chavez, Billy Tosh, Dustin White and Sammy King, guest.

## Eagles Take Another Win Friday Night

Friday night, in a driving rainstorm, the Three Way Eagles once again proved their dominance of the six-man football scene when they blasted power house New Home 46-12 on the Eagles' home field.

The Eagles widened a 22-6 halftime score to a final 46-12 by the end of the game, a rare game for the Eagles as it did not end at halftime, proving New Home's strength.

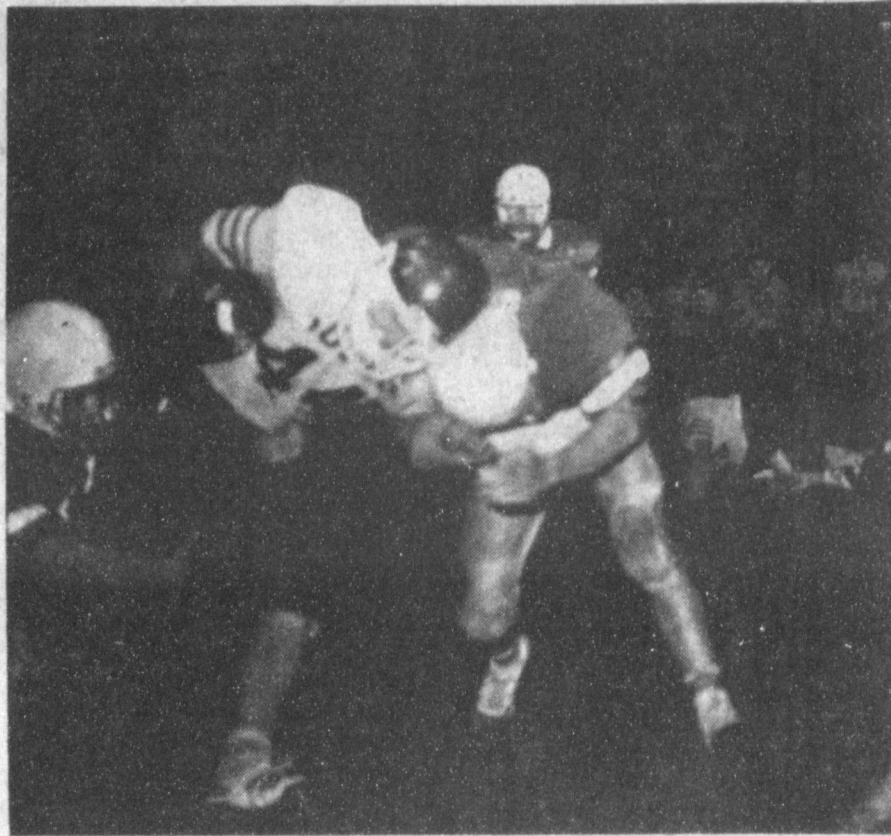

Once again, too, Eagle quarterback Saul Guillen completed 19 of 27 passes for 267 yards and six touchdowns. He was only intercepted one time. His brother, Oscar was his favored receiver, with eight receptions for 174 yards and three touchdowns.

In the first, Saul found Oscar for 60 yards, with Tucker adding the extra points. Also in the first quarter, Saul hit Robert Zamora for a four yard TD with the extra point try failing.

In the second quarter, New Home got on the boards with a Loy Caballero-Andy Correa five yard TD pass play, with the extra point try failing.

Saul also added points in the second quarter when he hit Matt Sowder for five yards, with Tucker adding the extra point.

**GRINDING OUT TOUGH YARDS**--Michael Dunham, No. 44, grinds out a couple of tough yards, as a stingy Friona Chieftain defense held the Mules back Friday night. The frugal Chiefs grudgingly held the Mules back, while racking up their first district win for 1986. The Mules are now 4-2 for the year, and 0-1 in district.

## Chieftains Defeat Waterlogged Mules

Friday night was wet, stormy and a total loss as far as football goes for the Muleshoe Mules.

Before the Mules arrived in Friona, more than an inch of rainfall had been recorded in that city some 30 miles north of Muleshoe.

By the time the Friona Chieftains had soundly defeated the Mules, 39-6, much, much more rain had fallen.

Although Friona took the initial kickoff, they were unable to move the ball in three tries, so punted to the Mules.

In a spectacular run, Armando Del Toro took the first handoff and broke through in a race that led to a 55 yard touchdown for the Mules. The PAT attempt failed.

Friona retaliated quickly on a 65 yard TD by quarterback Daniel Echols with 6:14 left in the first, and their own PAT attempt failed as they tried to run for two points.

Four miscues by the Chieftains, which could have led to touchdowns for the Mules were for naught, as the Mules could not capitalize on the fumble recoveries.

In the second quarter, Sam Montoya hit on a 32 yard field goal at 8:07 of the second.

Keeping the Mules from being a threat after Del Toro's TD, the Chieftains scored again at 2:44 of the second, when Lonnie Phillips slid over from the one yard line.

Then, Echols raced 52 yards for another TD with just :57 seconds before the half. Montoya added another point to make the half time score 6-23.

Mule defense tightened up some in the second half, with the only third quarter score being a one yard plunge by Lonnie Phillips, with an PAT

kick by Montoya at 4:57 of the third.

In the fourth, Montoya added another field goal, this one of 43 yards and Jimmy Williams

## Jennyslippers Fall Membership Meeting Slated

On Tuesday, October 14, a very special meeting is scheduled at 7 p.m. in the Bailey County Civic Center meeting room.

The Jennyslippers, a branch of the Muleshoe Chamber of Commerce and Agriculture, will hold their annual membership meeting, and host a special speaker.

Speaking will be Nancy Garms, an Amarillo attorney, who will speak on various topics of interest to women on the South Plains and in the Panhandle of Texas.

A native of Quanah, the attorney keeps her audience's attention with touches of homespun humor while steadily zeroing in on today's problems.

Mrs. Garms is president of the board of directors of the Amarillo Bar Association and is chairman of the Issues Committee on the Governor's Commission for Women. She also serves on the Law Focused Education, Inc., State Bar of Texas board and on the District Committee on Admissions of the Texas Bar Board of Law examiners.

She is also an elder of the First Presbyterian Church of Amarillo, and works with the Amarillo Chamber of Commerce.

In conjunction with the special guest speaker, the Jennyslippers will be conducting a membership drive. "If you like what the Jennyslippers do and would like to help in some area, come on out and join up," said Nelda Merriott.

"There's plenty for women to do to help their city and their community," added Mrs. Merriott, "and we welcome anyone who is willing to help on any or all of the many projects we work with."

A short business meeting will follow Mrs. Garms' presentation, and refreshments will be served.

### ECA Class Will Begin October 21

The Bailey County Ambulance Service has scheduled an Emergency Care Attendant (ECA) course which will be open to the public, covering basic first aid, CPR certification, choking victim rescue, basic bandaging and splinting.

Richelle Watkins, director of the Bailey County EMS, said the course will be conducted for approximately five weeks, two nights a week, from 5:30-10:30 p.m. in the ambulance building behind West Plains Medical Center, on West Second Street.

A state certified instructor will hold the classes, and the cost is \$75, plus cost of the book. An extra incentive is that recruit volunteers for the service will be reimbursed after six months of service to Bailey County for the cost of the course.

There will be no required rotation out-of-town at Lubbock hospitals, nor will there be any required ambulance rides. However, for those wishing to become involved with the ambulance service after completing the course, special arrangements will be made for extra training with the service.

Mrs. Watkins said, "I would like to encourage the community to take advantage of this opportunity to learn, and become involved. For more information, please contact Richelle Watkins at 272-4524, Extension 251."

## One Victim 'Critical' In Wednesday Wreck

Around 8:30-8:45 p.m. Wednesday, a two vehicle accident approximately three miles south of Needmore on Highway 214 left a Bailey County resident in critical condition at presstime in Lubbock Methodist Hospital.

Norma Caswell, 50, who lives south of Needmore, was reported to be in the driver's seat at Methodist Hospital with a fractured skull, broken neck and broken ribs. She was transferred to the Lubbock hospital after receiving emergency treatment at West Plains Medical Center in Muleshoe.

DPS Trooper Lacie Kirk said the accident occurred when a car driven by Henry Hetta of Muleshoe and a jeep driven by Neal Caswell, of Needmore, sideswiped, forcing the jeep into a broadside skid into a ditch where it overturned one time, landing on its wheels.

Both the Caswells were thrown from the jeep when it overturned. Trooper Kirk said neither was wearing a seatbelt at the time of the accident.

Mr. and Mrs. Caswell were brought to West Plains Medical Center by the Bailey County EMS ambulance, where she was treated and transferred, and Caswell was treated for lacerations and abrasions.

For awhile Wednesday night, it was chaos at the hospital. One of the EMTs waited until the ambulance was near Muleshoe to go over to the hospital and open up the 'big' emergency room, so doctors and nurses would have room to work on a critically injured wreck victim.

The EMT opened the door and found the big ER full of boxes, and started removing them to the hallways. On removal of the boxes, it was found the ER contained no emergency supplies.

At this point, the EMT said she sought out nurses, who could not immediately find keys to unlock the door to the respiratory therapy room. The EMT notified another EMT who removed oxygen, a suction

How would you like a fist-full of MAC Bucks? MAC Bucks that you could spend in any store, business, or professional office in Muleshoe? MAC Bucks that are issued in \$5 denominations that can be spent just like cash?

Anyone who spends money in Muleshoe will be allowed to participate in this city-wide project which will begin in the next couple of weeks.

There's just one catch! You will have to be present when the winning numbers are drawn on the first Saturday of each month on Main Street in Muleshoe. Three prizes will be awarded on a monthly basis: \$25, \$50 and \$100 each month except July and December. In

July, one-half of the money will be distributed. This will include the money that was added back when no one stepped up to claim their winnings when the tickets are drawn. In December, the entire amount in the pot will be distributed to a lucky winner, and on the first of each year, the drawings will start again, with the designated three monthly prizes.

MAC Bucks are the brainchild of the executive committee of the Muleshoe Activities Committee, who presented it to members at the MAC meet Thursday morning at the city hall.

This special promotion is not only for Chamber of Commerce, but will be open to all businesses and professional offices in the city. In order to participate, each business will contribute \$10 per month, with all funds going into the funds to be distributed in the drawings.

It was explained that the promotion is to show 'Customer Appreciation,' to all the shoppers in Muleshoe, whether they be big or small spenders.

"We need to unify as business people," said Eddie Morris, spokesman and chairman for the MAC group. "We need to encourage all the business we can for Muleshoe, and keep the shopping dollars at home. Therefore, we are making this promotion open and available to all businesses."

"Also the MAC Bucks, in \$5 denominations, can be spent for merchandise only, for an item or service equal to or costing

## Senior Supper Planned Before Floydada Game

The senior class of Muleshoe High School will sponsor a pre-game supper before the Muleshoe-Floydada game on Friday, October 17.

Baked chicken, creamed potatoes, green beans, hot rolls, salad, pie and coffee or tea will be served from 5-7 p.m. in the high school cafeteria.

Tickets are \$4 for adults and \$3 for children, and tickets may be purchased from any member of the senior class or from Sue Bessire at Bobo Insurance agency. Take out orders will be available and can be ordered the night of the supper by calling 272-4360.

This supper is the senior's major fund-raising project. Money made from the supper will help for the 1987 graduation and for color pictures of the seniors, which will be printed in the 1987 Muletrain memory book. The senior class said they certainly appreciate all the support they are given.

ONE CRITICAL AFTER WRECK--As a passerby holds a flashlight, EMTs from the Bailey County EMS ambulance service work on accident victim, Norma Caswell, who was critically injured in a two vehicle accident south of Muleshoe on Wednesday night. At presstime, Mrs. Caswell was still listed as critical in Lubbock Methodist Hospital.

RIBBON PRESENTED HECE/DECA--Following the ribbon cutting at the Hungry Mule Steakhouse on Thursday, the Palmas presented the ribbon (100 \$1 bills) to Linda Tanksley, to be used for the HECE/DECA scholarship fund. Pictured from left are Mrs. Tanksley, Tony Paima, Vickie Villarreal and Mary Palma.

**CAR FOUND IN FIELD**--Following an accident some 18 miles south of Muleshoe on Highway 214 Wednesday night, this car was found behind a five strand barbed wire fence. Driver and only occupant of the car was Henry Hettinga, of Muleshoe. He was not injured in the accident.

**PTA NOTES**

By: Kay Graves

Autumn is definitely in the air. With the changing seasons we begin to anticipate the holiday season that is forthcoming.

October brings us Halloween ghosts, goblins, witches and the PTA Carnival. Plans are underway for a really great Carnival. Jim Ella Clemmons, Carnival Chairman, encourages everyone to start the festivities by helping to gather pumpkins on Sat. Oct 18 to be used for the carnival on Oct. 25. We will meet at 1:00 p.m. at Dillman Elementary parking lot to go to the pumpkin patch. This is an experience that both you and your kids will enjoy.

On Sat. Oct. 25 the doors at the Bailey Co. Coliseum will open at 9:00 a.m. for booth decoration. Decorations need to be completed by 1:00 p.m. when the doors close. Booth judging will take place that afternoon. Pumpkins submitted for the "Decorated Pumpkin Contest" need to be at the Coliseum by 1:00 p.m. The costume judging contest will begin with registration from 5:00-5:30 p.m. and judging from 5:30-6:00 p.m.

At 6:00 p.m. the Carnival begins. With a large variety of booths, everyone, young and old alike, are assured of having a good time. Plan to come early and have supper with us, then stay for an evening of fun.

PTA Health Helpers assisted with the screening of approximately 1,100 children during the month of September. Vision and hearing tests that normally take months to complete was accomplished in a few days under the direction of school nurses Betty Jo Davis, R.N. and Janie Moynihan, R.N. Dillman and DeShazo campuses as well as 7th and 9th grade students were screened. Many thanks to the ladies who gave of their time and energy.

PTA and Dillman Elementary want to thank Kathy Embry for the castle now residing in the school. The castle will be used in conjunction with the PATH reading program which is currently being used by Dillman and DeShazo students.

DeShazo students were given instructions and a 45 minute demonstration by the Muleshoe Volunteer Department. Each grade level received individual demonstrations from the three volunteers who were at the school in conjunction with Fire Prevention Week.

Upcoming in the month of November Dillman and DeShazo will be sponsoring open house

on their respective campuses. Plan to attend. Close communications between parents and teachers help your child to have the best educational advantages. This is a time to see the progress your child is making in school.

**Tax Reform Bill Has Many Changes**

For farmers as well as other Americans, the tax reform bill currently awaiting President Reagan's signature will have major impacts. Dr. Wayne Hayenga, economist with the Texas Agricultural Extension Service, the Texas A&M University System, summarizes the significant changes that will result from the legislation.

--The tax reform bill would provide tax rates of 15 and 28 percent beginning in 1988. In 1987, there would be five tax rates--11, 15, 28, 35, and 38.5 percent.

--Standard deduction for a joint return would be increased to \$5,000 in 1988, and the personal exemption would be raised to \$1,900 in 1987, \$1,950 in 1988 and \$2,000 in 1989.

--Income averaging and the deduction for a two-earner married couple would be repealed.

--State and local sales taxes would no longer be deductible as itemized deductions.

--Deductions for IRA contributions would be repealed for joint filers with adjusted gross income in excess of \$50,000.

--About 80 percent of all farmers would be in the 15 percent bracket.

--For farm corporations, tax reform retains a graduated tax rate structure with a top rate of 34 percent. The tax rate would be 15 percent on the first \$50,000 of taxable income, 25 percent on taxable income between \$50,000 and \$75,000, and 34 percent for taxable income above \$75,000.

--Investment tax credit would be repealed. Only 65 percent (82.5 percent in 1987) of unused investment tax credits could be carried forward. Farmers earning 50 percent or more of their gross income from farming would be allowed a 15-year

carryback of existing investment tax credits. The amount available for refund would be limited to the lower of (1) 50 percent carryovers, (2) the taxpayer's net tax liability for the past 15 years, or (3) \$750.

--The Accelerated Capital Cost Recovery System depreciation would be retained with modifications. Autos, light trucks and most livestock would be depreciable over a seven-year period. Single-purpose agricultural structures would also be written off over a seven-year period. Deductions for most farm assets would be computed using a 200 percent declining balance method. Multi-purpose farm structures would be written off over a 31-1/2-year period at a straight line rate. The option to expense up to \$5,000 would be increased to \$10,000 for businesses which invest less than \$200,000 per year. Depreciation deductions would not be adjusted for inflation.

--The exclusion for long-term capital gains would be eliminated, and capital gains would be taxed at rates of 15 or 28 percent. Farmers could

continue to use the cash method of accounting with some limits. A restriction is that taxpayers could not deduct amounts paid for feed, seed, fertilizer or other supplies prior to the year consumed if they exceed more than 50 percent of expenses for which economic performance has occurred.

--The bill would require the capitalization of preproductive expenditures for assets with a development period of more than two years. However, farmers could elect to continue deducting preproductive period expenditures, including interest. If such an election were made.

**Management department at Texas A&M judged best nationally**

COLLEGE STATION -- Texas A&M University's Management Department has been judged the best in the country by one rating system and third by another.

Criteria developed by Human Relations Journal place the Texas A&M Management Department first in the nation. It is also listed as the top department in the South through guidelines established by the Human Relations Journal and the Academy of Management Journal, another scholarly publication. Using the academy journal's criteria, the Texas A&M Management Department ranks third nationally, behind only Harvard and Columbia.

"We've been working hard to achieve national visibility and we've done that. Obviously we're very pleased to be listed as the top management department or even among the top three departments, particularly considering the quality of the competition," said Professor Michael Hitt, head of the department.

MR. AND MRS. CHRISTOPHER LANE JOHNSON  
(nee Adena Kay Lindt)

## Miss Lindt, Johnson United In Marriage

Miss Adena Kay Lindt became the bride of Christopher Lane Johnson in a candlelight ceremony Saturday, Sept. 6 at 2 p.m. in the First Baptist Church. The Rev. Barry Bradley read the double ring vows.

Parents of the couple are Fred and Charlena Lindt and Robert and Ann Johnson, all of Muleshoe.

Vows were exchanged before candelabras accented with blue candles. White bows decorated the pews, accented with blue flowers.

Musical selections included: "Truly" and "Wither thou Goest".

Given in marriage by her father, the bride chose a full length white satin dress with a lace bodice which was beaded with white pearls by her mother. She wore a white lace hat and pearls borrowed from her mother. Her bridal bouquet consisted of different shades of blue and accented with white flowers, carnations, daisy's and roses.

Caice Hendrix of Levelland served as maid of honor. Bridesmaid was Laurie Lindt, sister of the bride, of Muleshoe.

Ray Vinson of Muleshoe served as best man. Groomsman was Jeff Milligan of Lubbock, brother of the groom; and Ralph Shoemaker of Artesia, N.M. served as candle-lighters and ushers.

Following the ceremony, a reception was held at the church. Suzanne Johnson, sister

of the groom, registered the guests. Servers at the bride's table were Meischelle Scoggins, Lisa Black and Casey King.

Serving at the groom's table were Leah Bell and Jody Wheeler.

Following a wedding trip to Santa Fe, N.M., the couple are making their home in Muleshoe.

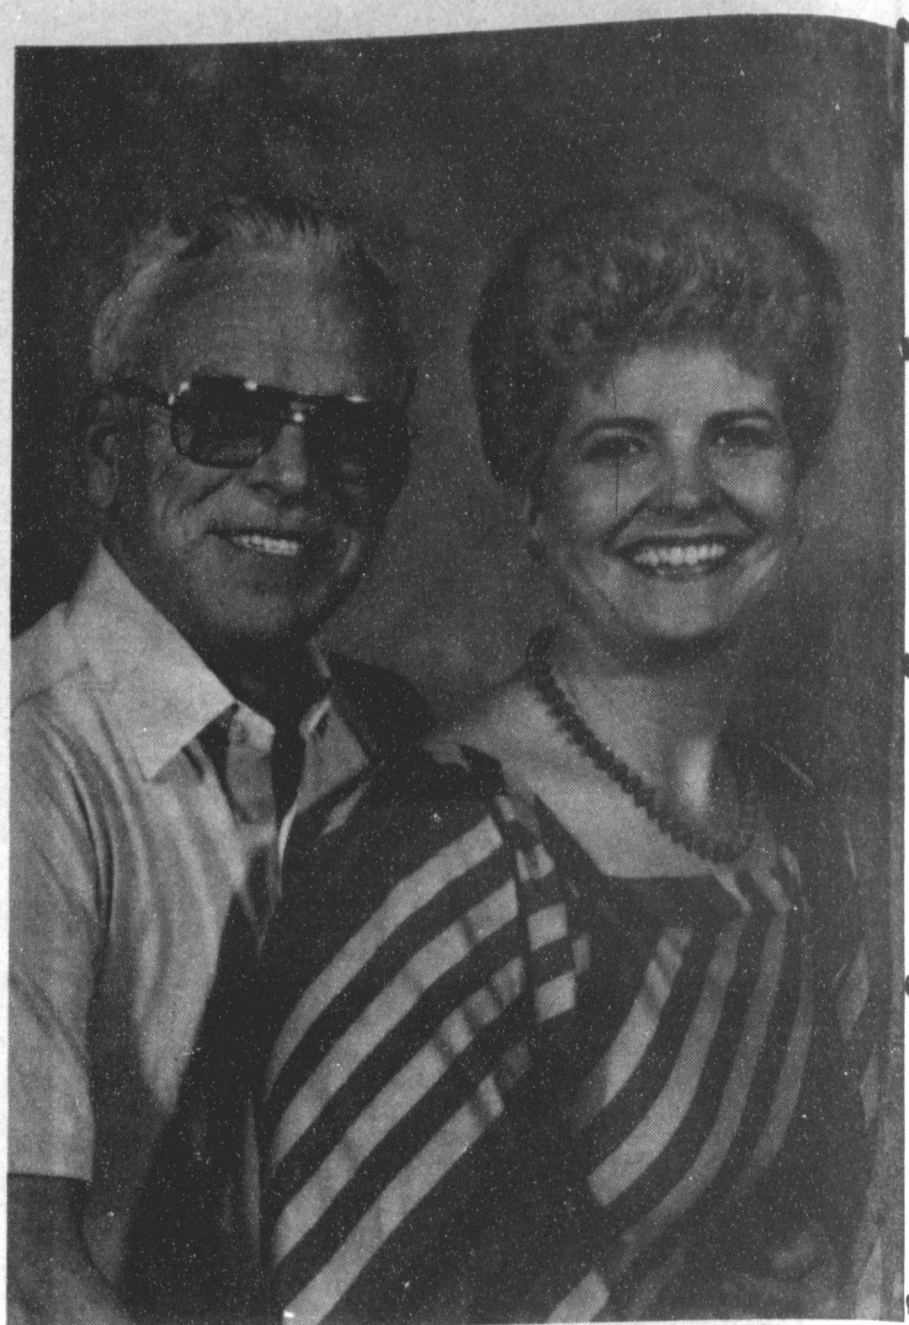

The bride attended Muleshoe High School where she was involved in FTA, FCA, Student Council, SCAC, (Student Community Action Club), Basketball, Defense Award, Track, Fighting Heart Award (twice) and Cross Country. She is employed at C.R. Anthony's.

Johnson attended Muleshoe High School and was involved in FTA, FCA, Football, Outstanding Lineman Award, and Track.

He is presently employed at Five Area Telephone Co.

Out of town guests included: Lucille and August Lindt, grandparents of the bride; Amy Elliott Warlick, grandmother of the groom; Horace and Ruby Johnson, grandparents of the groom.

The couple were honored with a rehearsal party at Viola's.

**ENGAGEMENT ANNOUNCED**—Ms. Charlotte Brannon and Claude D. Holmes of Levelland wish to announce their engagement and approaching marriage. Vows will be exchanged at 2 p.m. Sunday, Oct. 19 at the Word of Life Church at Levelland. Ms. Brannon is the daughter of Mr. and Mrs. Orval Griffith of Portales, N.M. and Holmes is the son of the late Mr. and Mrs. J.W. (Shorty) Holmes. Ms. Brannon is employed at Sandy's Beauty Shop at Levelland. Holmes is employed at Hockley County Sheriff Department.

### Install Officers

soc sudan young homemakers

The Sudan Young Homemakers met Monday, Sept. 8 to install officers for the 1986-87 year. New officers include Kathy Gatewood, president; Denece McDonald, first vice president; Ann Gaston, second vice president; Deanna Humphreys, secretary/reporter; Julie Rigsby, treasurer; Ann Carson, historian; and June Pierce, advisor.

Outstanding Young Homemakers for the 1985-86 year were Susan Donnell and Deanna Humphreys. An award was also presented to the outgoing president, Julie Rigsby.

Following a short business meeting, secret pal gifts were exchanged and refreshments were served to Julie Rigsby, Kathy Gatewood, Susan Donnell, June Pierce, Pam Mazwell, Lisa Walser, Ann Carson, Ann Gaston, Deanna Humphreys and Lorna Brazil.

On Tuesday, Sept. 23 the group hosted a supper for their secret grandfathers.

The meal consisted of brisket, baked beans, potato salad, tossed salad, french bread and homemade desserts. Tables were decorated with handmade quilts and red carnations.

Those present included: Mr. and Mrs. Offie Shannon, Mr. and Mrs. Jack Engram, Homer McLaury, Mr. and Mrs. John Burnett, Mr. and Mrs. Herschel White, Mr. and Mrs. Bernard Wilson, Julie Rigsby, Ann Carson, June Pierce, Ann Gaston, Deanna Humphreys, Kathy Gatewood, Denece McDonald, Rita Conley and Margaret Williams.

## Arts, Crafts

### Festival Planned At Littlefield

The Littlefield Arts and Crafts Festival, sponsored by Littlefield Young Homemakers, is a few weeks away. It will host an exciting array of talented artists and craftsmen. These people will show their wares on Saturday, Oct. 25 from 9 a.m. to 6 p.m. in the Lamb County Agriculture and Community Center.

All 51 booths have been reserved and will be filled with exciting and interesting items. There will be handmade items, paintings, jewelry, brass and wooden items. Many other crafts will be represented.

An admission of one dollar, which is tax deductible, will be charged. It will be used for charity in the Littlefield community through Young Homemaker projects.

Some of these charitable projects this year have included Childrens Protective Services, Sattlite School, and a scholarship to the outstanding Future Homemaker.

The admission fee also entitles each to chance for door prizes which will be awarded periodically. It was reported that you did not have to be present to win.

The Festival will be an opportunity for people to obtain unique gift items.

## Teen Talent Being Sought

TNT! Sound like dynamite? Well, it is! The Sudan FTA will be sponsoring Something Special Nov. which will be centered

around teen talent. TNT stands for teen night talent and if you can sing, dance or have a special skit or comedy act, you're just the person they are looking for.

A review or audition night has been set for Monday night, Oct. 13 in the Sudan High School auditorium.

It was reported that it is not a contest or a competition and you will not be judged or turned away, they just want to see what talent is available.

If you can not make it to the review on Monday night, you are asked to call 227-2188 and tell them what your act is so they can work you in.

## Muleshoe

### Art Association

### Meets Tuesday

Muleshoe Art Association will meet Tuesday, Oct. 14 at 2 p.m. at the Muleshoe Public Library with Tessa Lyons of Clovis, N.M. as guest artist. She will do a pen and ink demonstration. Marie Tidwell of Clovis, N.M. has been named Artist of the Month at the Muleshoe Public Library and her paintings will be on display at the library during the month of October.

Each member is asked to take two paintings to the meeting Tuesday. The paintings are to be hung at the Hungry Mule Steak House.

## Xi Omicron Xi Meets In Pool Home

Members and rushees of the Xi Omicron Xi chapter of Beta Sigma Phi met in the home of Mary Pool Tuesday evening, Sept. 23 for a "Half and Half" party. Those attending went attired in "glamorous" dress for the upper body and "tacky" dress for the lower half of the body.

Debbi Hutto, president, extended the welcome and introductions were conducted by vice president and membership chairman, Marilyn Riley. A

"Draw Dinner" followed with members and guests selecting items from a coded menu for their three course meal.

Since menu choices were in code, each course came as a surprise! After the final course, each person received a de-coded menu.

A meal, consisting of marinated vegetable salad, broccoli soup, quiche, spinach balls, rolls, fruit salad, pound cake and iced tea was served by Marilyn Riley, Gayla Toombs, Vickie Black and Jana St. Clair.

Other members attending were Annette Bonds, Alice Liles, Lindy Schuster, Rickie Warren, Debbi Hutto and guests, Cathy Franks, Debbi Green, Terri Hahn, Ruth Locker and Dawn Williams.

## Across The Fence

By Deana Finck County Extension Agent

There's no such thing as a "perfect" parent, and trying to fit unrealistic expectation may mean you no longer enjoy what can be a fulfilling role.

Here are some ideas for avoiding the perfect parent trap. -Honestly assess your goals.

Do you expect too much of yourself? -- including parenting.

-Be willing to accept children's help. Even young children can put away toys, help set the table or make their beds. It may not be done to your standards, but remember there are steps to learning all tasks. Encouragement will motivate the child to improve.

-Recognize that you are not instantly equipped with parenting skills. Most jobs require a training period. Parenting is no exception, but the training usually is done on the job. Just about the time you learn a skill, the children grow and change, requiring you to learn new skills.

-Learn to accept what can't be changed. Each day has 24 hours and only so much can be accomplished in that time. Parents may try so hard to get everything done that they don't feel good about what they are doing.

-Learn to relax and find some time away from the children. It's important for parents to sometimes make changes to cope with the daily demands of parenthood. Relaxation will allow you to tackle your parental responsibilities with renewed enthusiasm.

-Enjoy your children. Their growth and development can be one of your greatest pleasures.

### James Nicholes Johnson

Mr. and Mrs. Kenneth Johnson of Muleshoe are the proud parents of a son, James Nicholas, who was born Sunday, Sept. 7 in St. Mary's of the Plains Hospital in Lubbock.

James Nicholas weighed eight pounds and three ounces and was 21 inches long. He has two sisters, Julie 7 and Kendra 6 years of age.

Grandparents are Mr. and Mrs. J.C. Withrow of Littlefield, former Sudan residents; and Mr. and Mrs. J.R. Johnson of Muleshoe.

Great grandparents are Lola Lentz of Littlefield and Geneva Williamson of Rascoe.

Nature covers all her works with a varnish of beauty.

### Debbie Isaac Chosen AAUW Girl of Month

The American Association of University Women honor a high school senior girl of each month as AAUW Girl of the Month. She is recognized for her active participation in her church, school, and community.

Miss Debbie Isaac, daughter of Mr. and Mrs. Charles Isaac, was selected as the September Girl of the Month.

Miss Isaac has been a member of the Future Teachers of America for the four years; a four year member of the Fellowship of Christian Athletes serving as Vice President this year; Secretary and four-year member of Student Council; a member of the Student Community Action Club, currently serving as President; and a member of the National Honor Society.

Debbie has played Powder Puff Football for three years and was selected as Powder Puff Queen her junior year; she is a Varsity Cheerleader; and this year was a Homecoming Queen candidate.

A four-year basketball player, Debbie was selected All-District in her Sophomore and Junior years; All-South Plains her Sophomore year; Best All-Around Player her Freshman, Sophomore, and Junior years; and received the Best Offensive Player and Rebounder from Texas Tech her Junior year.

Debbie is a member of the Immaculate Conception Catholic Church.

### Grandparent Hopefuls Play 'Waiting Game'

The trend toward delayed childbearing among young married couples has left many of their parents anxious about becoming grandparents.

The "empty nest" feeling parents experience when children leave home may be prolonged as their adult children marry and then put off having

children of their own, says gerontologist Dr. Judith Warren.

The basis for "grandparent anxiety" is more than just the desire to have a baby around, says the Texas A&M University Agricultural Extension Service home economist. This waiting game can actually interrupt a crucial transition in the aging process.

"Grandchildren reassure older adults that the family will go on," Warren explains. "Grandchildren are also taken as a sign that the adult children have settled down into secure lives."

She advises older parents to look at the positive aspects of their adult children's delay in having children.

The young couple will have more time to enjoy their early years together and to build their marriage. They will also have a chance to get established financially and to fulfill career aims and personal goals.

Older couples may also find comfort in that fact that grandparenting has not gone out of style, it's just being delayed, notes the gerontologist. About 90 percent of older Americans with children over 40 are grandparents.

### Surprise Baby Shower Honors Mrs. Provence

Mrs. Tracy Provence was honored Thursday, Sept. 18 with a surprise baby shower in the home of Mrs. Patty Miller with Kim Moss as co-hostess.

The serving table was covered with a receiving blanket that was given to the honoree along with the centerpiece, miniature rocking horse planter surrounded with baby items such as lotion, pins, rattlers and other baby items, that were also a gift to the honoree.

Pink and blue napkins were used to carry out the "Baby" motif. Cookies, fruit plate and punch were served from crystal appointments.

Special guests included the mother of the honoree, Ann Hill, and the honoree's sister-in-law, LaRhonda Hill, both of Sudan.

LaRhonda assisted in opening and the recording of gifts and registering of the guests.

 Muyschondt and Dr. Jack McCarty all responded to the emergency call from the hospital, along with several nurses whose resignations are effective on Friday, October 17.

All the doctors were full of praise for the EMTs who handled the accident victims, especially Mrs. Caswell, who was gravely injured.

Two nurses from a nursing service in Lubbock were on duty when the emergency situation came up Wednesday night. They had to ask the EMTs how to turn on lights, how to find supplies or did not know any emergency procedure the hospital had instituted to handle such incidents, and emergencies.

Hettinga was brought to the hospital in Muleshoe by the Morton Ambulance Service. It was determined that he had no

injuries, and he was later released.

The Caswell vehicle ended up in a ditch, while the Hettinga vehicle was found behind a five wire barbed wire fence in a pasture.

Investigation into the accident was continuing at presstime.

A ticket will be given for each purchase up to \$5; two tickets for purchased of \$5.01 to \$10, etc.

Morris also explained that the MAC Bucks do not all have to be spent in the same place, and there will be no 'list' of participating businesses given, as the MAC Bucks can be spent anywhere, from a service station for gasoline to a utility company to pay a bill.

Terry Nickel, manager of Anthony's, is treasurer for the Muleshoe Activities Committee, and merchants and businesses may pay their \$10 to him at Anthony's each month.

The committee discussed closing Main Street to vehicle traffic on the Saturday of the drawing each month, and encouraging businesses, clubs and organizations to set up food and refreshment booths on the side refreshment booths on the sidewalks, and asking businesses to plan special sales for the day of the drawing.

There will be no age limit for participation, as young people also spend money.

Special rules may be designated by cotton gins, elevators, car dealers and other large money operations. "Most businesses will set their own store or business regulations," said Morris.

Each month, following the drawing, the 'pot' will be dumped and the promotion will start over again.

Get ready to participate in the biggest promotion for Muleshoe in many years, and anyone is eligible to participate -- as long as you spend money -- in Muleshoe.

She is survived by two sons, Willis Banning and Kenneth Banning, both of Morton; nine grandchildren and 12 great-grandchildren.

### Letter To The Editor

Dear Editor:

Perhaps one of the most difficult things for the human race to do is to admit to our mistakes.

I think that it is time for us, the people of Muleshoe and the surrounding area, to acknowledge the fact that we made a mistake letting Westworld lease our medical facilities.

And, is it not time for Westworld to admit that they made a mistake coming to Muleshoe and leasing our hospital?

Perhaps, Westworld's intentions were good. But it is quite evident that any positive act on their part has failed.

Remember the old hospital? It was adequate (sp). But, oh the joy, when our present building was constructed. At last, our devoted medical staff had a structure to perform their highly skilled tasks (sp) in. What pride the people of this area had. I will never forget (sp) the pride shown when our new hospital opened. So many people of this in our community gave so much. Rooms were furnished, equipment was bought, many in the form of memorials (sp), donations, work, love, care-all tokens to emphasize the fact of what the people of our area wanted. Our hospital was full, at times to the point of overflowing. Talk was started that we would need to add on to the hospital.

What happened? Our depts. grew. We needed financial help. Our supplies were exhausted. A ray of hope, somebody would lease our hospital. Everything would be fine.

Westworld came, leased the facility that we were so proud of. Our problems would be over.

Were they? Are they? No! The very thing, our medical facility, which was built with our most trusting concerns, has deteriorated (sp).

Is it our doctors, our nurses, our medical staff? Are they at fault? The hospital was full before Westworld came, with the same workers that we have now. Our doctors at fault, our nurses-what an absurdity!

The medical team that we had before Westworld came were excellent (sp). They still are. They have the support of the community. We love and trust them. Do we still support them and have faith in them? Are our doctors still dedicated to the people that they came to serve? The answer can only be yes. They are still here, administering to our needs. But how difficult it is for them, not to have a supporting hospital. Our doctors need a hospital for their patients. Why is Westworld trying to locate new doctors for Muleshoe? We don't want new doctors. Nurses are quitting working for Westworld. Patients are no longer using our hospital. It is quite evident that Westworld is not wanted in our area. Our hospital is no longer full. This can not be blamed on the Medical Staff. It can only be blamed on Westworld.

Yes, I will speak for the people of Muleshoe and the surrounding area. We made a mistake letting Westworld, isn't come here.

Now, I ask, "Westworld, isn't it time that you admitted to your mistake?"

Lynn Campbell  
702 W. 20th  
Muleshoe, Tx

(Publisher's Note: The Mason hospital story, among other things, points out the importance of having a local or area hospital, of which everyone should be aware.

In relation to the Muleshoe hospital situation, we try to present the facts as they become available, not supposition from either side of the fence.

Obviously, the controlling factor is the contract between Westworld and West Plains Medical Center, Inc.)

Dear Editor:

Who gives a flip about Mason, Texas. Your newspaper should be behind this community and be concerned about MULESHOE, TEXAS and the importance of having a hospital, who citizens of our community can depend on. I'm referring to your front page article on "Westworld Terminates Mason Acute Services."

The very idea that a hospital has to tell their residences to use their facilities just to make ends meet will not cut it.

I know each and everyone of the doctors personally with the exception of Dr. Garsfield. I would not hesitate to put my trust in anyone of their hands if the need arises.

The hospital, on the other hand, would be different. There was a time (before Westworld) when the care and professionalism of emergency care and treatment would have been taken for granted. By knowing at least some of the nurses and surgical staff people, I had confidence and peace of mind in knowing everything possible would be done to care for me and my family.

I no longer think that way. I care about my family. I just wish the hospital did. And by the way, this newspaper needs to keep an open mind and act on behalf of the community who lives and trades and raises their families here. You need us as bad as we need you. We can not survive without a hospital and your newspaper can not survive without a town. Your newspaper needs to be behind us-the community. We can not be behind the newspaper not knowing which side of the fence you are on.

Your front page article of October 9, 1986 just added fuel to the fire. Westworld is holding the only extinguisher.

Sincerely,  
Hugh Young

### FALL

Why is it that autumn produces such a tug on memories? Perhaps it's because growth is ending and a summer is dying and the end of a life cycle is so visible. It's a beautiful death-red, yellow, brown and orange in fields and forests.

Colder weather is ahead, the end of a year, and naturally one looks back.

In our fast-moving world, few of us take time to remember the old days, the good friends, life's great moments and dear ones far away.

Fall seems to bring back these memories.

### Trick Or Treat Safety For Kids

Halloween is fast approaching, a very special time for some very special little "goblins". Once again, hundreds of little children will be taking to

our neighborhoods with that all so familiar chant "Trick or Treat".

Major V. J. Cawthon, Commander of the Texas Department of Public Safety, Region V, said, "Many disasters can be prevented this Halloween, if parents and motorists will use good judgement." Cawthon stated: "Small children should be accompanied by older children or adults and trick or treating be confined to those areas that the parents are familiar with. Costumes should be light in color, non-flammable and any type of mask used should not prevent the child from being able to see."

Parents should also instruct their children in some traffic safety tips, insuring they look in all directions before crossing streets and to walk, never run. A flashlight carried by the child can serve as a warning to motorists, and children should be instructed to use sidewalks whenever possible.

Motorists should use extra caution in residential areas and be on the lookout for kids darting into the streets between parked vehicles. Remember, they are excited and pre-occupied with trick or treating. Drivers need to be extra alert.

Major Cawthon stated, "If parents and motorists join together and think "Safety First", Halloween, 1986 can be a safe and enjoyable evening for everyone."

RIBBON CUTTING HELD THURSDAY--Thursday afternoon, a large number of local business people and members of the Muleshoe Chamber of Commerce and Agriculture were at the Hungry Mule Steakhouse for a ribbon cutting ceremony. Actually, it was quite a different ribbon cutting. Look at the ribbon stretched across those in front of the restaurant sign. The Palmas, Tony, Mary and their son, Mark, hosted refreshments, including cake, hors d' oeuvres and drinks following the ceremony.

## At SPS, our vehicles go that extra mile, too.

Careful vehicle maintenance is one of the many ways we save money and keep electric costs down. We also use by-products like coal ash as a gravel substitute and treated sewage water in our cooling towers.

SPS people are doing everything they can to keep the cost of electricity as low as possible.

**Standby System Set For Public Hunts**

The Texas Parks and Wildlife Department has set up a "standby hunter" procedure to assure that all public hunts on wildlife management areas are kept at capacity.

Herb Kothman, public hunt coordinator, said in the past some of the hunters selected by drawing to participate in public hunts have failed to appear at the designated hunting time. "The standby procedure will allow prospective hunters to appear in person at the beginning of hunt periods to fill vacancies," Kothman said.

Kothman stressed that the department does not guarantee the availability of any vacancies. In the event there are more standby hunters than available slots, a drawing will be held on the site to select the desired number of hunters.

"The drawing will eliminate the 'first come, first served' aspect, and should discourage prospective hunters from camping in line," Kothman said. "There will be no advantage to arriving prior to the announced reporting time."

Standby hunters will be required to abide by the same rules, regulations and fees as hunters selected in the regular drawing. Persons may participate in multiple hunt periods under the standby program, but must pay the fee for each period.

Also, persons participating in multiple hunt periods may not exceed bag limits established for respective hunt categories and wildlife management areas, Kothman said.

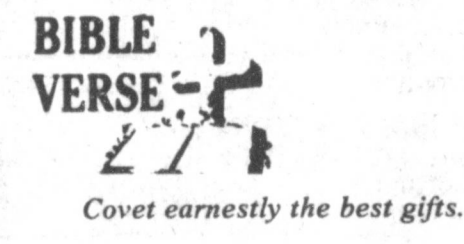

Standby applicants must be 12 years of age or older to hunt, and those 12 through 16 must hunt under the immediate supervision of a permitted adult 21 years of age or older. An adult may sponsor only one minor at a time.

The following describes how to participate in the standby program for archery deer hunts on seven management areas, and for a public pheasant hunt on the Granger WMA. Persons interested in applying as standby hunters for the archery hunts should appear at the check station for the respective areas at 11 a.m. on hunt start days. Permit fees will be \$40 per hunter for a two-day hunt. The bag limit will be one deer, either sex. Primitive campgrounds are available for use by

the reservoir dam. Hunt start dates are Oct. 3, 10, 17, 24.
