Pictures on this page courtesy of Del Rio News Herald

Pictured above is Tony Frerich encouraging the bidders at the Kinney County 4-H and FFA Livestock Show. Many of the other local Ranchers helped also.

Walt Esser proudly shows off his lamb that won Grand Champion Crossbred. Pictured from left to right is Mr. Andy Waymack of Brown Automotive, Del Rio, Tx., Miss Kinney County, Stephanie Ahrens, and FFA Sweetheart, Nancy Mendoza. Mr. Waymack was the Buyer and Carl Esser the Breeder.

Jenifer Shahan's lamb won Grand Champion Finewool. Pictured above with Jenifer are from left to right, Miss Kinney County, Stephanie Ahrens, Neal Kerr of Producers Wool and Mohair of Del Rio, Texas and Buyer, (Jenifer) and FFA Sweetheart, Nancy Mendoza.

The Kinney County FFA and 4-H Livestock Show and Sale was held on January 20, 1990 at the Kinney County Civic Center. There was a large number of buyers from out of town and local. According to some of the ranchers, there seemed to be more buyers here this year than last year. With the many hours of work that went into planning and preparing for the Show, credit needs to be given to our County Agent, Alan McWilliams and our School Agriculture Teacher, David Carroll and Many of our local ranchers. This Livestock Show was one of the best that we have had here.

Since Ranching is our biggest income source for the County, the Livestock show is always one of our biggest highlights of the year.

Following is the Winners, places they won with their lambs, hogs, or calves, the weight of the animal, the breeder, and the buyer:

HILL COUNTRY MEMORIAL HOSPITAL

HILL COUNTRY MEMORIAL HOSPITAL, fully approved by the Joint Commission on Accreditation of Hospitals, serves Fredericksburg and several surrounding counties, says Jerry Durr, hospital administrator.

To keep pace with the needs of patients, Durr noted, "The hospital offers a broad range of services for a community of Fredericksburg's size." Specialties at the 61-bed, general acute care hospital include Obstetrics, with a fully equipped Family Birthing Center, Internal Medicine, Orthopedics, Urology, General Surgery, Pediatrics, Family Practice and Ophthalmology. Full time Hospital Specialists include Pathology, Radiology, and Anesthesiology.

The non-profit hospital, overseen by a board of 25 appointed trustees, "strives to operate for the benefit of the community," Durr said. "We are committed to providing the highest quality services that are economically feasible."

HILL COUNTRY MEMORIAL boasts of outpatient surgery, a five-bed intensive care unit, state-of-the-art monitoring equipment for cardiac patients, an in-house CT scanner, a mobile MRI unit that visits the hospital once a week, mammography, telemetry and a nuclear medicine department.

The emergency room, open 24-hours daily, is staffed by an in-house physician on nights and weekends while on weekdays local doctors are on call. The Gillespie County Emergency Medical Systems provides ambulance service and is ready to meet emergencies with skilled paramedics.

For area citizens over 55 years, HILL COUNTRY MEMORIAL offers passport 55. This free service entitles members assistance with insurance forms, interest-free payment plans, a physician referral service, health care information services, discounts on the Lifeline Support System and other benefits.

Another service that benefits members of the community of any age is the Wellness Program. The Wellness Program sponsors many activities throughout the year that help raise the consciousness of the community on how to live a "Well Life."

The hospital is an integral part of the community. Durr said, "We have 65 active Auxiliary volunteers and the new HILL COUNTRY MEMORIAL HOSPITAL Foundation which provides tremendous support that helps provide quality medical and surgical service."

PEDRO G. NIETO, ATTORNEY

Uvalde

Clyde H. Haak, Attorney - Hondo
Leland Kerby, Of Counsel - Uvalde

Probably the most important advice you'll ever receive would be to "seek professional legal assistance and counsel whenever legal problems arise." This advice should be heeded by local consumers as laws are constantly being changed and updated and new laws are being brought into effect everyday. Thus, the average person cannot possibly handle his or her own legal problems.

In this area, we'd like to bring your attention to the law practice of PEDRO G. NIETO, ATTORNEY, located at 109 E. Nopal in Uvalde, phone 278-9106. Providing legal assistance in criminal law, divorce, juvenile, consular law, probate and property settlement, PEDRO G. NIETO welcomes an opportunity to assist you. Working closely with CLYDE H. HAAK, who brings professional skill in area of personal injury, workman's compensation and related areas...you are assured of competent attention *when you need it!* CLYDE H. HAAK is located in Hondo at 613 Ave. K, Suite 102, phone 426-4311.

People throughout this area are indeed fortunate to have this concern representing them. As their reputation will prove, they have been a real friend to those who depend upon them.

In writing this Special Review of Businesses for 1990 we are pleased to present a firm that has become a true asset to this community. We suggest whenever you are in need of legal services...call and make an appointment to see PEDRO G. NIETO and discuss your legal problems. He will be happy to assist you in anyway possible.

Not certified by the Texas Board of Legal Specialization.

**TRACKS
ALONG THE
TRAIL
BY DORTHY PAYNE**

Buffalo hunting has always been an important part of New Mexico economy. After the harvest was over in the fall the people who lived up and down the Rio Grande and the Pecos began to plan for the annual buffalo hunt on the plains.

In the last part of September, Las Ciboleros met at Lucera in the Mara region. They were armed with lances, skinning knives and carts. The night before the hunt they celebrated with a farewell dance.

The hunting caravans rumbled over the Llano Estacado. A camp site was selected and a camp set up near a waterhole.

When dawn came the hunt was on, as soon as one buffalo was downed, the helpers and butchers began to cut up the carcasses and hauled them back to the camp. There the meat was cut up and hung up to dry. Then packed up to take back to the settlements.

Of course travelers on the plains could expect trouble from the Indians. Sometimes the dangers were many. The situation became so acute that in 1830 the Governor sent soldiers and cannons to escort the hunters home.

Most of the time the hunters had to rely on their own efforts. If the Indians appeared they would circle their carts and defend themselves.

The Ciboleros returned to the plains for buffalo year after year. Soon trails were formed over the Mescaleros Ridge, and from the upper Rio Grande valley as far as Tukumcari mountain and the Rabbit Ear near Clayton, New Mexico. Some of today's highways follow along the trails, especially through the passes in the mountains.

In the days of the Ciboleros men lived fast and hard. Their way of life has vanished from the plains and will never be seen again. Only the folk tales and ballads written about them remains.

**C/C SPOTLIGHT
REVIEW:**

KINNEY COUNTY LAND COMPANY

One of the benefits of a free-enterprise system is the right of property owners to buy and sell their holdings at fair market value. This applies to land, homes, commercial buildings, automobiles, gold coins, furniture--

Legally, property which is immovable, such as land and the fixed improvements that are a part of the land are called "real" -- as opposed to moveable objects such as automobiles, lawn mowers, and TV's which are called "personal" types.

A Realtor is a person who acts as a broker between a "buyer" and "seller" of real property to bring them to agreement on the FMV (Fair Market Value) at which change of ownership is to occur. Such a person is most essential in today's economic climate encumbered by long-

range financial arrangements and many legal requirements.

In our community, Kinney County Land Company--a "realty" business, owned and operated by Molly Ardrey, renders a valuable service to local property owners in many ways. First and foremost, she often brings a buyer from other points in Texas or out of state, together with a local seller, or vice versa. Second, she provides tenants for landlords holding rental property. Third, she may find new owners for a sort of second home--the so-called recreational vehicle (RV) which may be self-contained motor home or travel trailer, and also the camper trailer. All serve to shelter humans one way or another, so she also provides personal security.

Molly Ardrey's experience in the real estate field is closely intertwined with the history of Fort Clark Springs. She first worked for Nat Mendelsohn in California until 1971, when she came to Texas to assist him on the grand opening of FCS. She and her two sons, Kevin and Seth fell in love with the local scene and decided to make Brackettville their home as NEW Texans. The boys completed their elementary and high school education here, and went on to earn degrees from Texas universities.

Molly continued her employment with Mendelsohn until 1977 when she opened her realty business, which is located directly across from the Highway 90 entrance to Fort Clark Springs. She deals in property on the Fort and in town, as well as ranch sales and hunting leases in the county. She is also a part-owner and developer of Kinney County Ranch Estates, a 500 acre land sub-division two miles away, offering 5-25 acre tracts, which are popular with many folks who plan to make their home in Kinney County.

Office hours for the business are 9 a.m.-5 p.m., Monday-Saturday, with appointments on Sunday, if necessary. In addition to Molly, you can contact Pat Owens, her able and congenial assistant, by calling 563-2446, or just come by to visit them. The office is a comfortable place to do business, with plenty of parking space in front. You will enjoy knowing them as friends, and also as capable experts on the complexities of property exchanges. Best of all, they are generous with good advice to help you make the best decisions for your property interests. Look for the sign with the cross sabers logo.

**REP. HARRISON REPORTS
MEETING WITH THE
TEXAS PLANT FOOD
INSTITUTE**

State Representative Dudley Harrison, (D-Sanderson), District 68, reports that the Texas Plant Food Institute held its 1990 Annual Convention in Fort Worth on January 17th-19th. The convention focused on the issues and problems of the fertilizer industry today.

Rep. Harrison, as chairman of the Texas House Agriculture Committee, was a keynote speaker at the convention. He informed the group that the goal of the committee was to improve communication between commodity groups and the eleven state agencies that the committee oversees. "We want to make the state agencies better aware of the agricultural associations' concerns so that they may deal with them more effectively." Rep. Harrison said.

Rep. Harrison also spoke to the members on issues that are at the forefront of agriculture today. "As demanded by the public, today's farmer and rancher must also be an environmentalist, an ecologist, and a conservationist. The agriculture sector must address such issues as food safety, water quality and organic farming." Harrison said.

During the week of January 22nd-26th, Rep. Harrison will speak to the Texas State Teachers' Association in Del Rio and he will attend meetings in Houston on Normal Occurring Radioactive Waste. He will finish the week in Corpus Christi by giving a speech to the Texas Agriculture Aviation Association on the new pesticide regulations.

Winter Visitors Party in Del Rio

WINTER TEXANS - WONDERFUL
BY LASHAWN WARDLAW

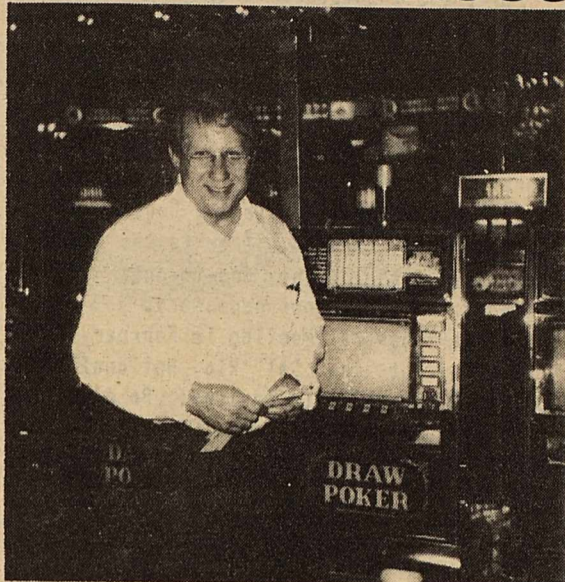

In early December, I attended the Winter Visitor Party in Del Rio and then more recently, I represented Fort Clark at the Harlingen and Brownsville Winter Texan Show, January 16th & 17th.

Working with Winter Texans is wonderful. This is the time when they get to see what our great state of Texas is all about. Even better, it is a chance to educate them on our great little Southwest Texas spot!

From surveys, interviews, and conversations, I would like to share some great things about Winter Texans. Winter Texans seek a peaceful escape from the cold, not too far from home, with folks like themselves, in a hospitable, uncrowded, modestly priced location with the type of amenities they require--RV and mobile home parks and

As you can see in the picture above, we have a happy local Pharmacist, B.E. Sweet. The Sweets recently took a trip to Las Vegas and Mr. Sweet was a lucky winner. The Clinic Pharmacy located on North St. in Brackettville is own and operated by B. E. Sweet. It is the only Pharmacy we have in our community. Thanks to Mr. Sweet we have a source for our prescription medication in our small town.

SPECIAL CITY MEETING

The City of Brackettville held a special meeting Monday, January 22, 1990. Mayor and all Council members were present. Mayor La Gioia opened the meeting by welcoming all the visitors. Mayor La Gioia informed the Council the Fire Department would like to bring a circus to Brackettville, and he thought it would be good for the community and would be a good fund raiser for the Fire Department. The Council approved the Fire Department request. Mayor La Gioia read resolution 1990-1 taxation of property exempt. This resolution would allowed the City to tax certain goods, wares, ores, and other tangible personal property that is forwarded out of this state within 175 days of its aquisition or importation into this state.

Mayor La Gioia stated he had received quite a few complaints on the service and reception of the TV cable. Mr. Melvin Zamzow, General Manager, from Falcon Cable TV in Pleasanton was present to hear complaints and

answer questions from the visitors and the Council.

Questions such as how many TV cable connections were there in Fort Clark and Brackettville? Answer: Approximately 850. How much revamping had been done on system since Falcon took over? Answer: Have replaced line from Las Moras mountain to dish and buried some cable that was on top of the ground at the Fort. When the TV goes off after 5:00 p.m. or on the weekend, customer calling, has to leave his message on the answering machine.

Mr. Zamzow replied yes the customer did have to leave a message on the answering machine and these messages were checked frequently. One visitor said he was told no service is provided on the weekend and he would have to wait till Monday. The response time to fix the TV cable was discussed. The visitors stated sometimes the cable was off for hours and sometime it was off for days and shouldn't the customer get credit on their billing for the time it was off. Mr. Zamzow told the people if they would leave their name and such he would look into it. Mr. Zamzow stated the repairman was only in Brackettville several days a week because he was servicing other towns owned by Falcon, and within the area Falcon owned they have 8,000 connection to service with only five men, but are looking to get a serviceman to live in Brackettville. One Lady stated she had called 6 days in a row and complained about her Disney channel being off and she never had anyone come and repair it and the personnel from Falcon was very rude. Another visitor stated he had paid his bill and he still got cut off and when he told the serviceman he had paid the bill the serviceman just replied, "Sorry I've got a cut off notice on you" Mr. Zamzow stated the serviceman is suppose to check with the local collection agency before he did any disconnects. Channel 4, 5, & 6 are the channels that the people are having the most trouble with. Mayor La Gioia asked Mr. Zamzow when could the people expect some result? Mr. Zamzow stated he needed to bring his boss down here to look over the system. Mr. Zamzow stated it would cost about \$400,000 to revamp the whole system and it would cost about \$90,000 to microwave from the mountain and because of the expense to upgrade it would be a long time span. Mayor La Gioia stated looking over the system wouldn't suffice and when would Mr. Zamzow get back with him with the results and what Falcon plans to do to the system. Mayor La Gioia after great effort finally got Mr. Zamzow to committ himself to get back with him at the end of February. The main office of Falcon is in California and the working office is located in Pleasanton, Texas. Mayor La Gioia informed the Council no decision could be made on the employees' insurance at this time because more information was needed.

The Planning and CDBG Grants will go before the review committee in Austin on the first week of February. The City will be notified after they have met and made their decision.

The City landfill has many violations but the City is in the process of correcting them. The landfill will be closed Monday, Tuesday, and Thursday starting February 12. Winter hours are from 8:00 a.m. to 5:00 p.m. and the summer hours will be from 9:00 a.m. to 6:00 p.m.

COMMUNITY CONCERTS PRESENTS PROGRAMS

On February 2, The Tennessee River boys, billed as "Country Music at its Finest" will combine the incredible vocal harmony with the good looks and down-home humor in a sensationally popular program by these seven electrifying men.

Community Concerts of Del Rio is associated with Columbia Artist Management of New York, bringing a series of four concert programs each year. Concerts are held at Paul Poag Theater for the Performing Arts, 746 S. Main, Del Rio, at 7:30 p.m. Admission is by membership card only.

Plans are now under way for the spring membership drive for the 1990-1991 season offering a splendid series of quality musical programs for the coming year. Watch for announcements and join Community Concerts to bring to you and your community great musical enjoyment.

VETERANS GIVEN FIRST CHANCE

The Texas Veterans Land Board (VLB) is offering 440 tracts of land for sale exclusively to eligible Texas veterans with no downpayment required, Texas Land Commissioner Garry Mauro announced today.

The tracts, located in 132 Texas countries, range in size from five to 100 acres. Detailed information on the tracts and their location is available by calling toll-free 1-800-252-VETS.

The Texas Veterans Land Board will finance the entire loan amount of all winning bids. There is no limit on the amount loaned or on the number of tracts that an individual can bid on. However, eligible Texas veterans are limited to one land purchase in the sale.

"I want to encourage all eligible Texas veterans who have been looking for quality land to build on or for recreation to take advantage of this opportunity," said Mauro, who serves as chairman of the Texas Veterans Land Board. "Since these tracts have never been offered before through the board, this sale gives Texas veterans an excellent way to buy quality land with 100 percent financing."

Mauro noted that these tracts of land are offered exclusively to eligible Texas veterans because the VLB has always given

Texas veterans the first chance to buy forfeited tracts. If any of the tracts do not sell in this sale, they will be offered to the general public through the new Tex-Trax program that allows Texas real estate agents exclusive rights to market the properties.

Eligible Texas veterans will receive an 8.75 percent interest rate with a 30-year assumable fixed-rate loan. A \$25 non-refundable bid fee for each bid submitted has been set by the board.

The sale will be by sealed bid only, with the minimum bid set by the Texas Veterans Land Board. All bids must be received by February 21, 1990 at 1:00 p.m.

Details of the sale and a brochure describing each tract and its location can be obtained by calling the Texas Veterans Land Board toll free number 1-800-252-VETS.

WARTIME GLIDER PILOT HISTORICAL SOCIETY SPEAKER

Clifford Lewis of Fort Clark, a World War II army glider pilot, who landed one of the first gliders in France on D-day, will discuss the training of glider pilots for the invasion of France in World War II, at 10:00 a.m. on Saturday, January 27, 1990, at the Saber Room, Fort Clark Springs. Mr. Lewis will show a training film used to prepare the pilots for combat, and will recount some of his experiences. Mr. Lewis is a member of the board of the Fort Clark Historical Society and is President of Brackettville Lion's Club. For more information please call Ron Buckles at 563-2877.

OLD ARMY DAYS

BY WALLACE MORGAN

In 1941 on Fort Clark, the horse and mule drawn wagons were not an uncommon sight. During that time, and with Fort Clark being located in what was a remote area modern changes of equipment were slow in coming. It is my understanding that it was a common sight to see the Fort Clark wagons and teams line up at the ice house, which is now stop-n-shop, loading block ice to be used at the Fort. This photo was taken near the Vet hospital. If any of our readers have old army photos, similar to the ones that I shown in this newspaper, I would welcome the opportunity to copy them and use them in this newspaper, with a short story of who or what they represent, with credit to the person or persons that I borrow them from. If anyone is interested, please contact Wallace Morgan at 563-2184.

campgrounds; parts and service sources; cafeterias and modestly priced food and shopping; a full calendar of diverse activities to occupy their time.

The majority of Winter Texans come from Minnesota. Iowa, Illinois, Michigan, Wisconsin, Missouri and Canada are other states that fill Texas in the winter months. Most Winter Texans enter at Gainesville, Texas, then at Texarkana, Texas. When a survey was taken on their occupational background, 32% were involved with the Managerial/Professional field and 18% were involved agriculturally.

Why do they say they come to Texas? Climate! (98%) Friendliness of the people, family/friends, and low living cost are reasons why they also come to the Lone Star State.

It is word of mouth that turns them on to Texas. This means that we are the ones to share the good news about our area.

I know that we certainly appreciate all those that do spend their winters here with us. And, I hope that these Winter Texans will also share the good word of our area to enhance our winning location in Texas!
