MARCH 29, 1990

BRACKETTVILLE, TEXAS

LITE-A-BIKE SAFETY CHECK IS A SUCCESS

Sutton Sides, Dot Fithian, Walt Fithian, and Sheriff Norman Hooten are pictured above checking out Heather Corey's bike while Mom, Charolette Corey looks on.

Pictured above from left to right are Agapito Saenz, Marg Geeze, Zandra Negrete (Winner), Dot Fithian, and Walt Fithian. Zandra won a AM/FM Stereo Cassette player recorder in the drawing. Names of all the children that had their bikes checked were in the drawing.

The 1990 bike check held Saturday march 24 was a great success. The bike check was sponsored by the VFW Ladies Auxiliary Post #8360 of Ft. Clark Springs and the Kinney County Sheriff's Department. There were a total of 29 bicycles, 3 tricycles, and 1 skate board safety checked. Upon passing inspection each bike checked was equipped with several reflective safety decals, After completion of the program. Sheriff Norman Hooten drew the name of Zandra Negrete,

as the winner of the Emerson AM/FM Stereo Cassette portable recorder.

A special recognition should be given to all the safety conscience students who participated in this years event.

Again a special thank you to the VFW Ladies Auxiliary post 8360 and the Kinney County Sheriff Department, for their time and concern for the safety of our children.

SIX CANDIDATES SIGN UP FOR SCHOOL TRUSTEE ELECTION

Six citizens have signed up to run for two positions on the Brackett Independent School board of Trustees as of the deadline at 5:00 p.m. on Wednesday, March 21, 1990. The incumbents seeking another term on the board are Jim Bader, current board president, and Lingo Sandoval, current board vice-president. Others seeking positions on the board are: Rudy Goodloe, Jim McDaniel, Barbara York, and Herb Senne.

The drawing for the ballot position was held on March 22, 1990 at 8:15a.m. with the following order:

1. Rudy Goodloe
2. Jim McDaniel
3. Barbara York
4. Jimmy Bader
5. Lingo Sandoval
6. Herb Senne

Absentee voting begins at the high school office on Monday, April 16, 1990, from 8:00 a.m. to 4:00 p.m. Monday through Friday until Monday, May 1, 1990 at 4:00 p.m. Election day is Saturday, May 5, 1990.

ADVANCE CLOCKS 1 HOUR SATURDAY NIGHT, MARCH 31, 1990, AT MIDNIGHT.

PUC GRANTS CPL RATE INCREASE

The Public Utility Commission today authorized Central Power and Light Company to collect a \$105 million stipulated increase, subject to refund pending final determination by the commission.

The increase is the first step of a two-step, \$264 million settlement of CPL's rate case. The agreement was reached in February between CPL and substantially all intervenors in the case. On March 16, a PUC administrative law judge recommended approval of the increase. The new rate represents a 13-percent increase over current bills on a systemwide basis. Today's vote was 2 to 1 in favor, with Commissioner Jo Campbell dissenting.

"The commission's implementation of the first-step rate increase preserves the settlement that the parties have worked so hard to reach. It signals what we hope is the beginning of the end to a long, complicated and expensive rate case," said Bob Carey, CPL president and chief executive officer.

A residential customer using 1,000 kilowatt-hours of electricity a month will see about a \$10 increase on the monthly bill. Winter bills will increase from the current bill of \$62.41 to \$73.51. Summer bills will go from \$68.61 to \$79.34. The increase becomes effective today (March 21).

Final commission approval on the merits of permanent rates for the first-step increase is not expected until later this year.

With approval of the stipulated first-step increase, two new programs for industrial and commercial customers become effective. An economic development rider gives discounted demand charges for new or expanded loads in certain industries of 600 kilowatts or more. Another program, called the Commercial Average Monthly Payment Plan or CAMP, allows commercial customers in certain rate classes to average their electric bills over a 12-month time frame.

Also being put into effect is an economy service rate for residential customers who use 500 kilowatt-hours of less a month. The new rate will allow those customers to pay rates similar to what they pay now.

Implementation of the new rates also extends the summer billing season for residen-

tial customers to eight months, instead of six, to track more closely the actual use of air conditioning and heating in South Texas. The summer season starts with meters read Feb. 19-March 19 and concludes with meters read Oct. 19-Nov. 19.

The settlement package calls for the \$105 million increase in March 1990 followed by a 120 million, 13 percent, systemwide increase effective January 1991. CPL must file a second rate case this spring and gain PUC approval before the second-step increase can be implemented. Base rates would then be frozen through 1994, except in the case of specific, unusual circumstances. Fuel costs would continue to be adjusted as necessary according to PUC regulation.

"Approval and implementation of the full settlement would save millions of dollars of rate case expense over the coming years," Carey said. "It would also mean stable, predictable rates for our customers."

In February 1989, CPL requested a \$464 million, four-year phase-in of rates to recover its investment in the South Texas Project nuclear plant and other costs of doing business. Both units of the 2,500-megawatt plant are in full operation.

THANK YOU

"A BELATED THANK YOU"

TO THE VOTERS OF PRECINCT 4, AND THE WELL WISHERS OF KINNEY COUNTY, A SINCERE AND HONEST "THANK YOU", FOR YOUR SUPPORT IN THE PRIMARY ELECTION ON MARCH 13, 1990.

A SPECIAL THANKS TO MR. HUEY AND THE STAFF FOR YOUR PATIENCE AND COOPERATION. GOD BLESSINGS ON EACH OF YOU.

NOTICE OF TARIFF CHANGE TO CENTRANET® SERVICE

GTE Southwest Incorporated gives notice of its proposed tariff changes to CentraNet® service, which is a Central Office-based service that provides PBX-type features to multi-line business customers and is currently being offered in all company wire centers where such facilities exist to provide the service.

The Public Utility Commission of Texas approved a generic tariff for CentraNet® service up to 100 lines in Docket No. 7652. The proposed tariff revision would establish specific rates for CentraNet® service involving 101 to 400 lines. Other proposed revisions involve the rate applicable to changes, additions, or deletions to the data bases and a new rate is proposed for additional trunks.

The names of the three CentraNet® packages have changed from Standard, Premium, and Deluxe to CentraNet® 1000, CentraNet® 2000, and CentraNet® 3000, respectively. Direct Call Pickup has been added to the three CentraNet® packages while Multiple Call Park and Shared Speed Call 30 have been added to CentraNet® 2000, and Speed Call 30 and Call Forward Busy/No Answer Split have been added to CentraNet® 3000. Flexible Night Answer and Automatic Route Selection also have been added as new optional features.

The proposed changes and new service offerings have been assigned Docket No. 9251, and pursuant to Section 43(d) of the Public Utility Regulatory Act will become effective June 23, 1990. Rates for service will be applicable to customers who subscribe to the service as well as existing customers. Therefore, there will be no effect on any other rates of the company. The company's gross annual revenues will increase by approximately \$399,600, or less than one percent annually.

The proposed rates are on file with the Public Utility Commission of Texas, and are available for public inspection at the offices of GTE Southwest Incorporated. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission. The deadline to intervene in this docket is 3:00 p.m., April 9, 1990.

A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

GTE Southwest Incorporated

BY ALAN L. MCWILLIAMS

If you had peach blossoms that withstood any late cold weather, have you thought about doing any thinning? Despite conclusive evidence that thinning is beneficial for all peaches and absolutely necessary for early peaches, it is one of the most unpopular task a homeowner does. Trees can be loaded down with peewee sized fruit of limbs broken down under the weight of unthinned fruit.

Peach thinning increases fruit size, improves fruit color, reduces limb breakage, allows better pest control, and contributes to tree vigor.

Timing is the key element in peach thinning. The earlier that peaches are thinned, the greater the dividends. Bloom thinning is best for most midseason of late peaches. Remember. After pit hardening, thinning doesn't do much good.

Thin mid and late season peaches in the

dime size fruit stage, You will find a bigger, healthier, crop or fruit with less tree problems.

Tomatoes are the mainstay of Texas gardens. Growing tomatoes can be rewarding in a backyard operation but it can also be very frustrating at times. There is some simple advice to avoid some of the pitfalls that can lead to an unproductive year.

First, homeowners should not grow tomatoes unless they can be placed in an area that receives sunlight for a least six hours a day. Tomato plants placed between tall shrubs, under trees, or between building imply will not produce a crop.

Second, good soil is essential for good growth and high yields. Often, poor soil can be improved with liberal amounts of organic matter and by proper fertilization.

If only a few tomato plants are to be grown, a space at least two feet square should be prepared for each plant. The soil should be worked to a depth of at least 12 inches. Liberal amounts of organic matter and a small amount of fertilizer such as 10-20-10 or 12-24-12 can be mixed into the soil where the plant is to be grown. Variety selection is of utmost importance and is one of the keys to growing tomatoes successfully. There are many varieties that resist many of

the common diseases. President, Celebrity Big Set, Carnival, or the small fruited Small Fry of Cherry Grande are excellent for this area.

When you buy plants, check for suspicious spots on the leaves which could be one of the many foliage diseases that are common on tomatoes. Short, stocky, darkgreen plants are best.

When the transplants are set in the garden, they should be planted somewhat deeper than they were originally growing. Plants grown in peat pots or peat blocks should not be removed, but rather the entire container planted. Whatever you do, do not disturb the root system. Mix two teaspoons of a complete fertilizer in a gallon of water and apply a cup in the hole prior to planting.

For best results, set transplants out on cloudy days or late after noon. The plants should be protected from adverse weather conditions such as high winds or excessive heat for a week or two after planting. You should cage or stake almost all varieties for better harvesting. Any method to keep the fruit off the ground is desired as to prevent fruit rot.

I have some more information available in my office if you desire, as well as a variety of other vegetable information.

Public Notice

Southwestern Bell Telephone Company hereby gives notice that it has filed an application requesting the PUC to declare Southwestern Bell's intrastate Billing and Collection market subject to significant competition and to authorize the following form of pricing flexibility: detariffing of the rates, terms and conditions of the Billing and Collection services now offered in Section 8 of Southwestern Bell's intrastate Access Service Tariff. Approval of the application as filed would result in all tariff sheets in Section 8 (Billing and Collection) of Southwestern Bell's Intrastate Access Service Tariff being cancelled, and the service thereafter being provided on a contract basis. Through this application, using procedures established by P.U.C. SUBST. R. 23.27, Southwestern Bell seeks to obtain uniformity of rates, rules and regulations for intrastate and interstate Billing and Collection services.

Approval of this application would remove all rates, terms and conditions applicable to billing and collection from Southwestern Bell's Intrastate Access Service Tariff. Intrastate billing and collection service would continue to be subject to PUC regulatory oversight only to the extent that (1) Southwestern Bell would be required to maintain current price lists at the Commission for the service, and (2) the revenues or losses from the service would be subject to the regulatory treatment specified in P.U.C. SUBST. R. 23.27(p). Further, under procedures established by P.U.C. SUBST. R. 23.27, the PUC's General Counsel, the Public Utility Counsel or any affected person could seek a subsequent review of the rates, terms and conditions of this service.

Persons who wish to intervene or otherwise participate in these proceedings, or who would like further information, should call or contact the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, (512) 458-0100. Further information may also be obtained by calling the Public Information Office at (512) 458-0227, or (512) 458-0221, teletypewriter for the deaf.

The PUC has assigned this matter to Docket No. 9224. A prehearing conference will be held on April 19, 1990, at 9:00 a.m. at the Commission's offices at 7800 Shoal Creek Boulevard in Austin, Texas. The deadline for filing motions to intervene is April 26, 1990.

"Nutria", which is a Spanish word for otter, is the trade name for the reddish brown fur of a large semi-aquatic rodent known as the "coypu". He has partially web hind feet and a long naked, round scaly tail. He is ratlike in looks and beaverlike in size, sometimes called the "beaver rat". In fact in times past he was exhibited in traveling shows as a giant rat. He weighs about ten pounds and is twenty inches to two feet long.

Mrs. Nutria has several young at a time and carries them on her back when swimming. Her teats are far up on her side so the babies can lunch while their mother is in the water.

Actually the coypu is more related to the porcupine than to the beaver. Its fur is a good imitation of beaver fur and was sometimes dyed and sold as beaver years ago when beaver hats were in style. It was used for coat linings, the making of hats and in later years in the canning of cat food among others.

The "coypu" was imported into the United States to eat the plant growth in the canals and bayous of Louisiana. But they didn't stop at eating the plants but ate turtles, game fish and soon became more of a pest after all. They multiply so fast they traveled over land and spread over the country side. I have seen them as far north as northeastern Oklahoma.

They were Imported originally from South America and as many as fifty thousand pelts in a single year were brought to market.

They are hunted and sold in Louisiana to the catfood canneries. they will eat a groove around the trunk of a tree. The tree will finally die. Here on the fort when the "coypu" showed up in these parts several trees were killed by coypu. They are generally called "nutria" but nutria is really the name of their fur.

REFLECTIONS

BY PRESTON TAYLOR
FIRST BAPTIST CHURCH

On our little farm we sometimes placed a "scarecrow" in a watermelon patch or in a garden. An old hat, coat, and trousers hanging loose around some "rigging" in the field would look a little like a man. Birds, rabbits and other intruders hesitated to come near such an unfriendly looking "man" who stood in his place day after day.

Real opportunities are missed by those who see "scare-crows" on the trail before them. One such scarecrow is fear. Many young people never venture into challenging areas because they are afraid they might fail. Others with less resources and often with fewer abilities "make-it" because they don't have any fear "hang-ups." Move on and you can succeed!

Discipline is a real "scare-crow" for some. The price of hard work, dedication, and a "stick-to-it" attitude must be paid to get beyond the deadening scarecrow in your way. S.L. Lout and I are friends. He is a pharma-

cist in another state. Before my friend celebrated his fourth birthday, he suffered from a crippling polio attack. He goes about on crutches--with only limited body movements. How did he make it? Discipline!

Another "scare-crow" on the road to success is unbelief. Hardcore doubting never wins in life's battles. Faith, trust, and belief will neutralize the effect of the ugly, hideous, but harmless appearances which stand before a person.

Jesus put it this way: "If you have faith as a grain of mustard seed you may say to the mountain (scare-crow) move to the middle of the sea, and it will happen! Face life with faith and the scare-objects will banish. Move on and conquer!

C/C SPOTLIGHT REVIEW:

MI LADY'S BEAUTY SHOP

Mi Lady's Beauty Salon is a special little ship located on the North side of Anne Street. It's more than just a beauty parlor-it's a pleasant place filled with creative ideas.

Mi Lady's Salon is owned by Evelyn (sis) Nance. Evelyn has been operation her shop for more than 25 years. Mrs. Nance obviously takes beauty care to heart because she certainly dies not look old enough to have been in business for 25 years.

Evelyn Nance is married to Donald. They have on son who lives in Leakey and works for Garner State Park. They also have a three year old grandson-Trey. Evelyn referred to him a the apple of her eye.

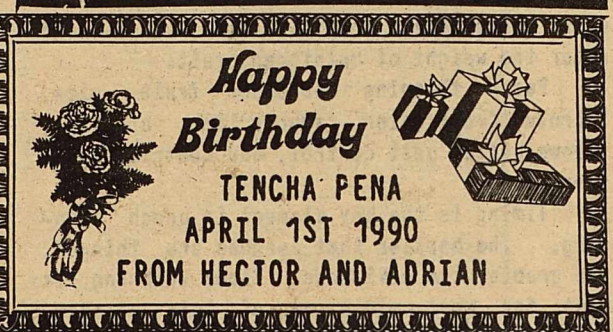

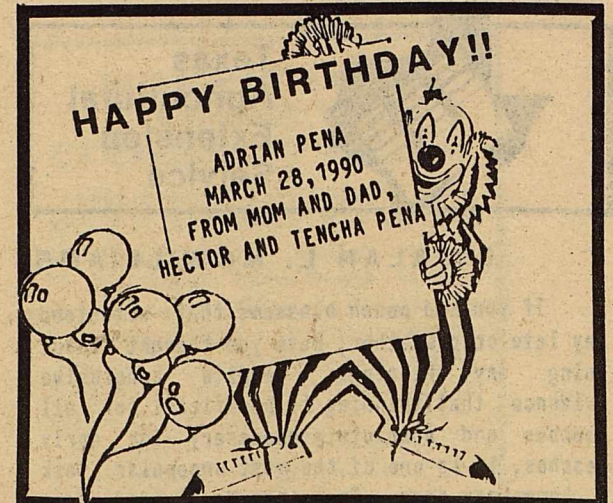

Calvin Oliver is the only other operator at Mi Lady's Salon. He has been doing hair for 5 years. At his station there is a photograph of a pretty little girl. Calvin informed me that the photo was of his daughter - the true love of his life. Calvin is married to Dorothy Oliver, a fourth grade teacher in Brackettville.

Evelyn and Calvin have a variety of hair care services to offer. They do permanents, sets, shampoos, cuts, and colors. A haircut is \$6 while a shampoo and set is \$7. Coloring is done for \$13. A permanent will cost \$22, \$27, or \$32, depending on whether the customer needs extra proteins and conditioners.

Mi Lady's Salon carries a wide range of products, from Loreal, Redkin, Faberage to many others. The Salon also has many specialized machines that aid in hair care. For example, they have a machine for permanents that will time itself off when hair has been permed to the right degree. This machine helps avoid the over-perming of hair.

Evelyn Nance is a very creative person. She has many great ideas that she will share with anyone who asks! For example, she recently redecorated her shop by putting up black & pink floral fabric on the back wall. It looks wonderful! Evelyn also paints gorgeous T-Shirts and makes unique jewelry, all of which are for sale in the salon.

Stop by and visit with Evelyn and Calvin. They provide cheerful company and wonderful creative ideas. Call 563-2698 for an appointment.

POSITION VACANCY

Cafeteria Manager

Brackett Independent School District is seeking qualified applicants for the position of cafeteria manager.

QUALIFICATIONS: High school diploma or equivalent.
Experience as a public school cafeteria manager, or restaurant manager.
Knowledge of food costing, planning, and preparation procedures.
Ability to work within a budget.
Demonstrated ability to prepare meals from scratch.

SALARY: Negotiable depending upon experience and qualifications.

Job begins August 20, 1990. Successful applicant must be available for training May 1, 1990, and during the summer of 1990 for selected Texas Education Agency workshops.

The position requires knowledge of food service, and the ability to schedule up to six workers. Interested applicants may pick up an application at the Brackett ISD Central Office. Deadline for applications will be Friday, April 27, 1990. Brackett ISD is an equal opportunity employer.

Public Notice

Southwestern Bell Telephone Company intends to file an application with the Texas Public Utility Commission to introduce new optional services - Call Control Options. The initial service areas will be Laredo, McAllen and Austin. Expansion into other service areas will be based on availability. Customers in other areas will be notified when these services become available.

Call Control Options include six new services - Call Blocker, Call Cue, Call Return, Priority Call, Call Trace and Selective Call Forwarding. The features will be available to single-line residence and business customers.

Call Blocker - enables the customer to block incoming calls from a maximum of three specified telephone numbers and/or to block the last incoming call.

Call Cue - enables the customer to automatically redial the last outgoing telephone number dialed. If the recalled number is busy, equipment will monitor the line for a maximum of 30 minutes and will let the customer know when the call can go through.

Call Return - enables the customer to automatically redial the telephone number of the most recent incoming call. If the number is busy, Call Return will continue to dial the number for up to 30 minutes, or until it completes the call.

Priority Call - provides the customer with a distinctive alerting signal, ring or Call Waiting Tone (if the customer has subscribed to Call Waiting), when the customer is called from a maximum of three preselected telephone numbers.

Call Trace - enables the customer to initiate a trace of the last incoming call received. The number, date and time will be recorded by Southwestern Bell Telephone so that the call's origin can be identified.

Selective Call Forwarding - enables the customer to forward incoming calls from specified telephone numbers (maximum of three) to another telephone number.

Proposed Rates (monthly)

	Residence		Business	
	Individual	Packaged	Individual	Packaged
Call Blocker	\$3.00	3.00	\$3.00	2.00
Call Return	3.00	3.00	4.00	3.50
Priority Call	2.50	1.00	3.00	2.00
Call Cue	2.00	2.00	4.00	3.50
Selective Call Forwarding	2.00	1.00	2.65	1.00
Call Trace**	1.00	1.00	1.00	1.00

Installation charges for residence customers will be \$2.70 per feature, with a maximum installation charge of \$5.40 per request per line. Installation charges for business customers will be \$5.40 per feature, with a maximum installation charge of \$10.75 per request per line.

The proposed date for Call Control Options to be offered is May 1, 1990. These services, however, will not immediately be available to all customers in all areas of the state. Customers in other areas will be notified when these services become available.

Call Control Options are projected to generate first-year annual revenues of \$1,761,000.

Persons who wish to comment on this application should notify the commission by April 20, 1990. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the Public Utility Commission Public Information Office at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

*Some telephone equipment may not be compatible with Priority Call Service.
**In addition to the \$1.00 monthly rate, Call Trace will cost \$8.00 per use.

Tennis developed from a handball game played in ancient Greece.

13 SIGN UP FOR CITY COUNCIL ELECTION

Listed below is the names of the 13 citizens that have sign up to run for Mayor and three Aldermans positions and how their name will appear on the ballot. Drawing for position on the ballot was held March 22, 1990 at 1:00 p.m. at City Hall. Eight of the Citizens that sign up to run in the election showed up for the drawing.

MAYOR

Larry Moore
Louis B. Hatch, Jr. (Bo)
Vito La Gioia

PLACE 21

Alex Longoria
Jesse H. Garcia
Richard Terrazas
Michael B. Broderick

PLACE 4

Ralph Gonzalez
Julie Fuentes

PLACE 5

Ray Robinson
Leonardo Luna
Bobby J. (Tatum) Guidry
Bernie Cervantes

City absentee voting begins on April 16, 1990 and ends on May 1, 1990. City Hall will be open from 8:00 a.m. to 5:00 p.m., Monday thru Friday for absentee voting.

ABSENTEE BALLOTS FOR CITY ELECTION

Requests for absentee ballots by mail must be made in writing, and must be signed by the applicant. Standardized forms may be obtained from the absentee Clerk in the appropriate election. Applications do not have to be made on an official form, but they must contain the following information:

1. Applicants name and residence address.
2. The address to which the ballot is to be mailed.
3. An indication of the grounds of eligibility to vote absentee by mail.
4. An application for a ballot to be voted by mail on the ground of absence from the County of residence must indicate that the applicant satisfies the requirement prescribed by Section 82.001.

Absentee balloting for the May 5, 1990 school trustee election begins on April 16, 1990. Request for absentee ballot by mail should be addressed to:

Brackett Independent School District
Mrs. Emma Swaim, Absentee Clerk
P. O. Box 586
Brackettville, Texas 78832

SNÖOPS

Whal, if time don't jest seem to whiz by! Seems that I jest finished doing last weeks column and here tis another week gone by.....Thangs have been busy this past week..... elections, and with some winnun and some a losen, and then thar whar the ladies luncheon last Wednesday on the Fort, and they had a "hat makun" contest, which whar most hilarious. The hat that cum in first whar titled "Fun and Games of the Fort". It whar modeled by Betty Inman, and it seems that she jest sashayed herself around in front of the judges with her cute little self, and perhaps a bribe too, and her table won first prize. It whar a very clever and well done hat.... These gals always seem to have a bang up time at thar luncheons, so next month, lets see some new faces also....Prizes went ta the best dressed man and woman in costume, and the group voted for our winter Texans, Ed and Nancy Franson, and fur the funniest, it whar Joan Boutwell. They all seemed ta have a grand old time. That gal, Sondra Meil, shore seems ta know how to throw a good party. Lest I forgit, I don't want ta leave out "thanks" to all of Sondra's willing helpers, which are many Thanks ta ya'll!.....Monday evening, was a little difficult fur some ta know jest whar ta go, as two very interesting thangs whar a happenin....First off, thar whar the one-Act Play, "The Actor's Nightmare", which whar performed at the High School Auditorium, and these kids did an excellant job. The audience was small, about 25 folks, but these young folk performed as thou the romm whar full, and they did a great performance. Armando Talamantez, as George, Shelley McDaniel as Amanda, Wendy McDaniel as Ellen, Scott Simms as Executioner, Lynn Floyd as Henry, and Gus Garcia, The Voice. Mrs. Mills did a fine job as Director, and Michelle Brandt, the Crew...This play will be entered into competition at Cotulla this week...This is a wonderful thang fur these young folk. It helps them larn ta express themselves in front of people, and ta larn discipline. Theater is hard work...We all thank you young folk fur your efforts....Than too, we had a fun time on the Fort, being entertained by the "Voices",thar theme being "Spring Sings of Love". They sang so many old time love songs, and they had a lovely white fence all decorated with flowers as their prop, and they whar good...The "Voices" consist of Fort folk,

FIRE DEPARTMENT NEWS

Saturday, March 24, 1990 at 5:00 p.m. the Fire Department was call on by the Department of Public Safety and the EMS to help out on an accident on highway 90 by the "66" station. The Fire Department used the "Jaws of Life", to remove a crushed door on a new truck which Mr. Ed Snyder had only had for one day. The door was quickly removed and the passenger properly taken out of the truck without any further risk.

The Fire Department is proud of its rescue equipment and training that allows us to provide a vital service to our community.

The Fire Department is always happy to work together with the EMS and the law enforcement agencys of our County. The Fire Department appreciate the support that the people of Kinney County gives us and it is this support that keeps your Fire Department trained and equipped in order to serve those in need.

PUBLIC NOTICE

The Community Council of Southwest Texas, Inc., will hold an election for the purpose of electing a Representative of the Poor for Kinney County to the Board of Directors.

The elections will be held at the Brackettville Head Start Center, Corner of Beaumont and Spring Street, Brackettville, Texas. The election date will be on Saturday, April 07, 1990 from 7:00 a.m. to 7:00 p.m.

The official candidate for the position is Ms. Ana Cano. The candidate for alternate is Ms. Connie Coronado. write ins will also be accepted.

Persons meting the following poverty guidelines will be permitted to vote:

Size of Family Unit	Poverty Guidelines
1	\$ 7,850
2	10,525
3	13,200
4	15,875
5	18,550
6	21,225
7	23,900
8	26,575

For family units with more than 8 members, add \$2,675.00 for each additional member.

Community Council of Southwest Texas, Inc., regular employees and vehicles will not be associated with the election process.

LOWER COLORADO RIVER AUTHORITY

Notice of Rate Change Request

The Lower Colorado River Authority (hereinafter "LCRA") has filed an Application for Authority to Change Rates with the Public Utility Commission of Texas and the City of Austin. The effective date of the proposed changes, which involve the LCRA's 44 wholesale customers, the 62 retail customers throughout LCRA's service territory, and 2 wheeling customers, is April 12, 1990.

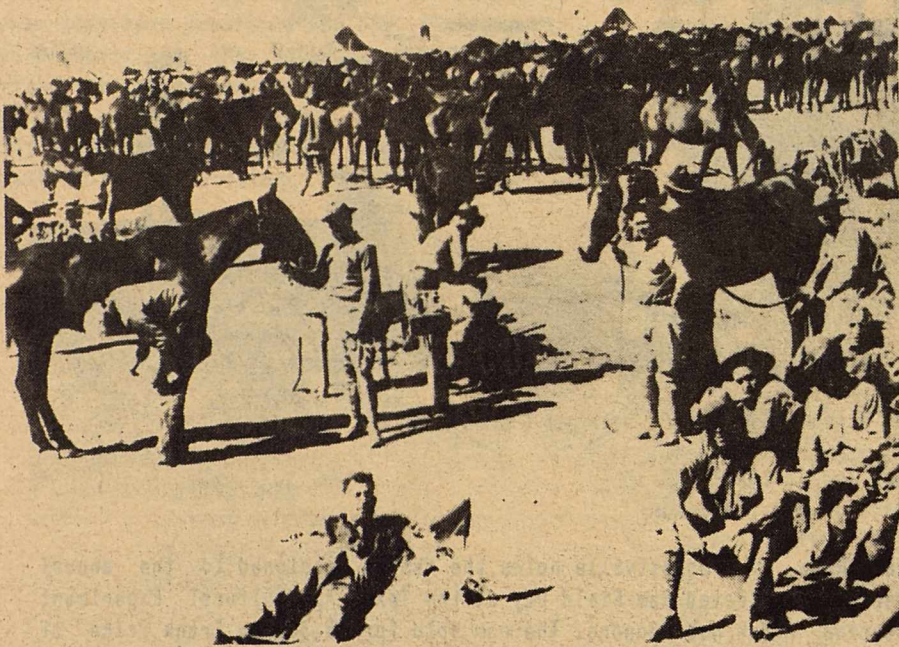

For the period ending October 24, 1991, the proposed changes are expected to result in a system-wide annual revenue increase of \$34,334,929 which is a 12.0% increase when compared to the fully adjusted total operating revenues for the test year ending September 30, 1989.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Utility Commission Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

OLD ARMY DAYS

BY WALLACE MORGAN

West Texas, 1920's. The Fifth Cavalry spent a lot of time in the field. Of course that is what the army is all about, training for battle. It would be hard to count the number of Cavalry horses in the photo, but it appears that the entire regiment is on the march. In the center of this scene, a trooper seems to be shaping a horseshoe, while to his left a farrier is at work nailing a shoe on to the hoof. To the right, another cavalry mount is waiting his turn for resetting or replacing horseshoes.

A boomerang cannot return to the thrower after hitting anything.

CONT. FROM PAGE 9

including the winter Texans, and the Brackettville folk, and they are always lookun fer you lovely people out thar who enjoy a singun, ta come out and join them....Judy Burks directed, and also sang "The Wind under Your Wings", and lovely Kathy Conrey played fur the group, plus an accordian solo, and a solo, well done by Lynn McNew, of "Begin the Begine". Harlan Hunter then led the audience in group singun some of the good "oldies" and a good time was had by all....A sad note in the loss of Curtis Shattuck, on Monday, March 19th. We send our deepest condolence ta his wife Nickie...On the lighter side, it seems that Lee and Elenor Herron has their daughter and two grandchildren, plus a young friend, a visitun with them this week. My source failed to git thar names, she said as she whar in a hurry when she bumped into these fine folk. But we welcome ya'll, and have a great time....Then too, heard tell that it whar the birthday on March 13th of Marge Nelson, and to her delight, she has the company of her daughter Dris Cornelius, along with her two adorable daughters Khara, and baby Lauren, of Beaumont, Texas. And fur you young girls out thar, Marge's son, Brent Nelson, who's in Med School, In Kansas City, Missouri, is a handsome 34 years old, and still single, and a lookun!.... What does that tell ya'll. Thar are some good ones that appear here on the scene-or-Acre's of diamonds! (that's a book worth readun). Marge and Bob Nelson have another son presently in Koria, with the Marines as Bombardier/Navigator, and his wife Theresa, is waiting at home in Mission Viejo, California, with their two sons...Marqe Nelson, is originally from Ojai, California....I mentioned thar son Brent, but it should be understood, that he is also a visitun, and will be here until March 24th...Seems thatlots of folks are here a visitun during the spring break, and we welcome you all....Over the week-end, Pat and Hubert McKelvy, had their son, Keith, and wife, Becky, and their children, Jamie, 12, and Summer, 14, a visitun. Jamie and Summer are still here with the grandparents...They came all the way from Odessa, Texas....Then, our own Betty Inman is leavun March 21st, fur San Angelo, ta help her daughter Sharijay, and son-in-law, Michael Covington, along with their four children, Heather, 8, Joshua, 2 1/2, and the twins, Caylee and Carlee, 8 months, ta move to Kansas City, Missouri...Then Betty is headun on ta visit her brother, Attorney John Cole, also in Kansas City, Mo., and then down ta Dallas/Jacksboro, Texas ta visit Harold Jr., and his wife Barbara Inman, and their son, and three grandsons. The one, a very new son born in February....Betty Inman, is quite a gal. She loves golf, and the theater, and has performed in several lays plus she has directed the "Terrific Teens" group. She lost her husband Harold, last year, and it was because of Harold that she became a Texan. They were married July 4th, 1952. Betty, has been a teacher, diagnositian, counselor, and is presently teaching part-time, a "speach-therapy" course at Jones Elementry school in Brackettville. She just performed in the play on the Fort, "Harvey" and she sings in the "Voices", plus other chorale groups, and is the director of the Methodist Choir... Is this gal busy or not!... I appreciate all you folk that gather the information fur this column, and keep up the good work!....Inportant... April 2nd, at Las Moras Inn, in the members Lounge Cavalryman room, the Old Quarry Society is wantin ta git all you folk acquainted with jest what they are all about...They will be servin "Border Buttermilk", along with hors d'oeuvre, and punch and will be showin you what they have done in the past and what is presently being planned. Hear tell that they are a workin on "The Glory Road" script and that Ben Pigenot, is gettin it ta be more factual, and according to history as it whar then. It takes a lot of work fur these people, and they are always a lookin fur your help. They say that "anyone" that has ever looked upon any of their plays, is a member of the Old Quarry Society, and is most welcome to help them out. Sooooo, come one and all, and visit on April 2nd. Time? Whal, I plumb fergot ta ask, but will try ta remember fer next week.... Ta Ta fur nov, and God bless ya'll. By the by Happy Birthday to Tim Ward on March 28th. "SNOOPS"

Among the largest human teeth scientists have found are those of the Java man, who lived one and a half million years ago.

LIBRARY NEWS

By Marjorie Moore

**HISTORY OF THE KINNEY COUNTY LIBRARY
PART TWO**

Now in 1973, our Kinney County Public Library was able to provide requested books borrowed from libraries nation-wide through the Interlibrary Loan Service of the San Antonio Area Library System. Mrs Goleman, at her own expense, became a certified librarian by attending workshops and taking required courses, and served daily with no pay. Other Study Club volunteers were Mrs. "Dude Knott. Mrs Frenchie Breaux, Mrs. Edith Bersey, and Mrs. Laura Seargeant..

The Kinney County Public Library was now open 20 hours a week. Al Seargeant, Frenchie Breaux, Leo Glasgow, Colonel Aulgur, and Carl Gant donated time and skills, building more bookshelves and taking care of odd jobs around the Library. Every month Mrs. Frankie Vevert brought books donated in Del Rio.

The Kinney County Commissioners established an Advisory Library Board with Charles Ward as President, Mrs. Clara Laman as Vice-President, and Mrs. Goleman as Secretary-Treasurer. This Board met each month and developed a constitution, by-laws, and policies for Library administration.

"Friends of the Library" was organized during a meeting of 23 business and civic-minded persons. George ("Top") West was elected President, Mrs. Goleman was Vice-President, and Mrs. Marion Wills was Secretary-Treasurer. Shortly afterward Mr. West moved away, and Mrs Goleman was now President. Nat Mendelsohn of Fort Clark Springs offered to make a personal donation of \$1000 to the Library if the "Friends" would match it. he matching money was raised.

In 1974 the San Antonio Public Library gave our library a 16 mm. projector and began sending packets of up to twenty films for children and adults each month. A special order catalog was made available for the members of our community wishing to order specific films. Classes from the Brackett Independent School District across the Street came every day to enjoy requested films.

In 1975 Mrs. Goleman became ill, and Else Sauer, retired after many years as a teacher and Principal of the Brackett Elementary School, volunteered to assume the administrative duties of the Library. A former English and History teacher, she provided outstanding guidance and help to the many students and adults who came to the Library in search of information.

LITTLE LEAGUE

The 1990 little League season is off to a good start and as President of the League I would like to start off by thanking the Commissioners Court of there generous allocation of \$2,500 for capital improvements to the county's baseball field. With this contribution we will be able to complete the following projects:1) rewire the concession stand and install an ice maker given by Mr. Wilson; 2) install an automatic sprinkler system; 3) repair and replace the grand stands; 4) put new dirt in the infield and re-sod portions of the outfield.

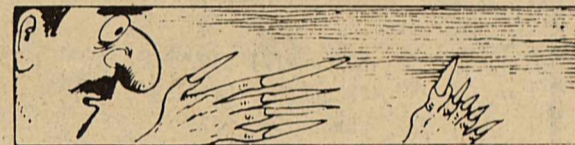

We have begun our annual fund raising program to collect the needed funds for operating the League this summer. If we don't get in touch with you about participating in this program, please feel free to contact Mr. Sonny Harrison, Mrs. Ruby Munoz, or Mrs Debbie Coe.

We have a new senior league this year for children ages 13-15. Unfortunately, this team will be playing all of there games out-

of-town because we don't have a field that will accommodate them. New this year too, we will offer three girls softball teams for ages 9-12. We will have four little league teams and four T-ball teams for children ages 6-12.

So far the program is off to a great start and with the continued support from the community I feel sure this will be a very successful season. I want to mention some of the people that have contributed time, effort, materials, equipment and their support. If I have failed to mention your name please forgive me, as there have been so many individuals that have helped this month.

Perfect Score

How To Play: Below there are unsolved words which will add up to a perfect score of 100. In order to reach the "perfect score," you must look to your key letters which will complete the words and ultimate phrase totalling 100 points. Remember, every key letter must be used.

Hint: Into the wee hours (insomnia)...

T(12) --- = 25
--- T(10) --- = 25
--- T(10) --- = 25
--- H(7) --- = 25
25 + 25 + 25 + 25 = 100

Key Letters: A5, A5, E5, E5, E5, H8, L5, L5, O8, S6, W4

SUNDAY MESSAGES
