Guy Lyons Dead.

Guy Lyons, 27 years old, a popular young man who has been a resident of this town for some time, died at 11 o'clock last Monday night, of pneumonia. He was taken ill on Thursday and up to the time of his death was very sick. Mr. Lyons was one of the most highly esteemed young men in this town and he will be greatly missed by his many friends.

He removed from Matador, Tex., to this place with his mother about a year and a half ago, but he was previously an old citizen, as his family lived in this country about five years before they moved to Matador. Mr. Lyons was about four years of age.

"Dad" has been troubled with tuberculosis for several months, but he was under treatment at a New York institution, which apparently has improved his health slightly for the past six months. He was operated upon by a very eminent surgeon two weeks ago, but his condition has remained the same as before, dying Saturday at about 12:15 o'clock.

The remains will be taken to Matador on Monday evening. The friends of the family will gather at the home to assist in making the preparations for the funeral.

Lynn County to Organize.

The commissioners court on last Tuesday morning, Dec. 10th, set the election for November 4th, next, to elect the citizens of Lynn county to organize the county. The elections will be held on the shore of the lake in the matter, and Friday the opposition appears to support every and each law as it is passed. It is to be passed by a majority of 15 names.

The court stated that they were not able to come to an agreement during the course of the election. The election was not to be held on any new law which had been passed recently. The court took a vote on the measure on the basis that the county can not be conducted to do the original every month. Hence if the court is not satisfied with a vote of the majority, it will not go into effect.

R. N. Miller and Vassal Hood were the only candidates for the position of sheriff and was returned to the people of Lynn county for another term.

Justice Court was in session here last Saturday.

Hello! Ed, What are you thinking of the weather by now? Whew! but isn't it tough! It's getting awfully long. We'll close for this time and hope to get things going soon. Some of our boys are of necessity kept busy, but there is a great deal of feeling being done. I am hardly able to chirp so much as I expected to be able to, but I have gotten me a good time out there while everything is getting dull around here. Some of our boys are off work and getting away at work. The order of the day now is to stay in the houses and do as little as possible.

Stock is doing well, considering circumstances, however there is a great deal of feeling being done. On account of so much disagreeable weather, the farmers are generally behind with their work.

Mr. Shapair of Colorado, was the highest bidder on the engine at Lehigh. His bid was $650.00.

I was very glad to read the letter from Uncle Sam's Nephew. I'll just tell you his a warm number and I can sympathize with Arkansas Bill. This is a very rare event for me. I know how that bothered you.

There are some good hunters in this country. I understand that young ladies went out hunting and one of them caught a Ratt and the other a Bob White, but they were kind enough to turn them loose after causing their hearts to flutter a bit.

There is some sickness in our community now. Mrs. M. M. Gardner and Mrs. Cam Leah's baby are sick but both are doing.
