## THE GALVESTON NEWS

A Newspaper for the People, and a Journal Without Political or Private Complications to Cripple It.

### THE DAILY NEWS

Has been Enlarged and Improved.

Having added a WEB PERFECTING PRESS, with its new stereotyping apparatus, the *DAILY NEWS* can now print 10,000 copies per hour, printed on both sides, and in a more rapid and economical process, it presents each day.

### MORE READING MATTER

Than any paper in Baltimore, Boston, Philadelphia, or New York, the *DAILY NEWS* is equal to any paper in the South—equal to the delivery of fifteen thousand papers per hour, printed on both sides, and in a more rapid and economical process, it presents each day.

### SPECIAL BISPHAM

From all parts of Texas are given daily full reports of legislative proceedings by telegraph, during session of the legislature, which is now in progress. The *DAILY NEWS* has a marked feature of the paper, Special reports by wire and from regular correspondents at Washington, and from all other cities, official political information. Special telegrams and letters by able correspondents from New York, Boston, Philadelphia, and other cities, of interest, financial, commercial, political and social news. Daily reports of decisions rendered in supreme and lower courts, and whatever else may be found of interest in Texas readers.

Special attention is paid to

### COMMERCIAL AND FINANCIAL NEWS

Reports are given daily from all the markets of the world, regular telegrams and correspondence from all the leading cities, and commercial affairs, movements of steamship operations in Texas seaports, and private and general news, and enterprises of a kindred nature at other points that may be of interest to our readers.

### POLITICAL QUESTIONS

Will be discussed as they arise, and always with a view to the party or its interests will receive the most diligent attention. It fact nothing will be overlooked or neglected that goes to make up a complete newspaper.

Citizens of the interior who wish to keep abreast of current events will be able to do so by sending their names to the publishers and reading for the *DAILY NEWS*.

### THE WEEKLY NEWS

Made from the same material as the *DAILY NEWS*, but on a smaller scale, and intended for circulation at points less remote to be reached by the *DAILY NEWS*, containing more reading matter than any paper in the South. Price 10 cents for the number, or \$1.00 for the year. Subscriptions are continued from day to day and subscribers to the *DAILY NEWS* receive the gift of all the daily editions.
