Borden County Pup, Matt Proulx (#32) makes a tackle against a Garden City opponent.

Pups Conclude Season Perfect Three Consecutive Years

By Coach Richey

The Borden County Pups concluded the 2008 season with another perfect season, their third straight year of perfection moved their consecutive win streak to 27 in a row.

The Pups beat the Garden City Bearcats 50 to 20. Eighth graders Steven Howard, Matthew Roberson, Luis Hernandez, Tanner Richey, Austin Cope, Helio Rosales, Troy Copeland, Valerio Hernandez (who missed the last 3 games with a knee injury) and Riley Smith (who missed the entire season with a head injury), brought their junior high football careers to an end not knowing what defeat tastes like.

These young men finished 18-0 in their career. 7th Graders, Zach McMeans, Matthew Proulx, Matthew Ham, Michael McClain, TJ Basquez, Brady Dowds, Tristen Benavidez and Tyler Summerville will take their 9-0 record into next year with the hopes of keeping the streak alive. All of these young men contributed to this victory as the 2nd team was able to play as much or more than the first team as the Pups gained control of this contest, but not before an early scare as the Bearcats got on the board first as they returned the opening kick-off to give the visitors a quick 6-0 lead.

The Pups took one play to tie the game as Steven Howard followed some nice blocks for a 30 yard score. The 2nd team

offense converted the extra point to give the Pups the lead they would never give up as Proulx hit McMeans for the point and a 7 to 6 lead. The Pups defense forced a quick 3 and out and on the first play Richey hit Luis Andrade on a 50 yard pass play to push the lead to 13 to 6 in the first quarter.

The Pups first defense of Richey, Cope, Basquez, Andrade, Rosales, and Howard again forced the Bearcats to give the ball up and on the first play of the 2nd quarter and also the first play for the Pups offense, their 3rd of the game had a 33 yard run by Basquez for a 19 to 6 lead. The Pups first team forced another 3 and out and on the 2nd play of the Pups drive, Richey found Basquez on a nice 22 yard screen pass for a 25 to 6 lead. The Pups used their 2nd team defense after that which consisted of Proulx, Dowds, McMeans, Ham, Summerville, Benavidez, McClain, and Copeland put up a valiant fight but eventually gave up a touchdown just before the end of the 1st half to make the score 25 to 13. The Bearcats recovered an onside but the first defense did not allow the Bearcats to keep the momentum.

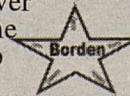

The Pups again lost an onside to start the 2nd half, but again the 1st team defense did not budge an inch and after a quick 4 and out, Austin Cope and the 1st team continued the theme of their game as in only

one play, Cope sprinted 45 yards to pay dirt. After a Copeland extra point run the Pups had a 31 to 13 lead. Another quick defensive stop led to a Helio Rosales 15 yard touchdown run and a 38 to 13 lead. The Bearcats managed another touchdown against the Pups 2nd team to cut the lead to 38 to 20.

The Bearcats recovered their 3rd onside kick of the game, but again they were unable to do anything with it, and after forcing the ball over on downs, the 1st team offense got one more offensive play on a 4th down play when Richey set sail on a 50 yard touchdown run to make the score 44 to 20.

Both teams played their younger players the rest of the way and the Pups had a few nice defensive plays with this group highlighted by a big hit from Matthew Ham, and several nice sacks and tackles by Zach McMeans. This group got on the board themselves as Tyler Summerville followed some nice blocks by McMeans, Tristen Benavidez, Proulx, Ham and Dowds for a 53 yard touchdown and the final tally of 50 to 20 and another perfect season.

Congratulations guys on another fantastic season. This was two seasons in a row where the Pups were able to comfortably win every game as the Pups averaged over 50 points a game and only gave up 14 points a game.

Lady Coyote Basketball

Lady Coyotes Begin Pre-Season With a Bang

By Coach McCook

After weeks of practice, the Lady Coyotes finally had a chance to compete against an opponent in O'Donnell two Saturdays ago. The format for the scrimmage included two 12-minute JV sessions and two 20-minute Varsity sessions. Both teams put on a defensive exhibition.

The JV forced more than twenty turnovers and held the Eagles to only 2 points while pouring in 27 of their own.

Brittany Day led all scorers with 12 points; Shylo Rinehart finished with 6; and Chellsie Pigford, Chelsey Sapp, Seleste Herridge, Raegan Belongia, and Shaylie Boles also made significant contributions.

On the Varsity level, the Lady Coyotes again caused the Eagles to turn the ball over 20-plus times.

The first session ended 26-7 and the second 27-10 for a combined score of 53-17 with the Lady Coyotes on top. Three girls finished with double-digit scoring: Taylor Richey (19), Olivia Key (12), and D'Nae Johnson (11). Stefanie Cooley finished with 8; and Bailey Anderson, Krystal Hobson, Krista Tarleton, and Phyneshia Rutherford also helped make this scrimmage a good first step in a promising season.

Different Scrimmage, Same Result

By Coach McCook

The Lady Coyotes played in their second and last scrimmage of the pre-season this past Tuesday. The JV Girls competed in two hard-fought 15-minute sessions against the Roscoe JV.

In both sessions the girls came up just short on the scoreboard (8-11; 6-10), but their effort was not lacking in the least.

Shylo Rinehart and Raegan Belongia led Borden County scorers with 4 points apiece. Brittany Day, Lacey Roberts, and Chellsie Pigford each scored 2. And Shaylie Boles, Seleste Herridge, Chellsie Sapp, and Alvina Seyler also made contributions.

The Lady Coyotes Varsity scrimmaged two different teams in two separate 20-minute sessions.

In their first session they took on the Loraine Bulldogs and, after a slow start, forced 21 turnovers leading to a 29-10 romping. Olivia Key led Borden County scorers with 14 points in this session. Taylor Richey finished with 7, Krystal Hobson scored 4, and Bailey Anderson and Krista Tarleton each contribute 2 points. Stefanie Cooley, D'Nae Johnson, and Phyneshia Rutherford also played a part in the team's success.

In the second 20-minute session the Lady Coyotes took on Roscoe and jumped out to a 15-1 lead before the Plow Girls answered with an 18-2 run of their own to take a 19-17 lead.

Nevertheless, the Lady Coyotes kept their poise and played well down the stretch to finish with a 23-22 win. Taylor Richey and Olivia Key led the attack with 11 and 10 points respectively, while D'Nae Johnson, Stefanie Cooley, Krystal Hobson, Bailey Anderson, Krista Tarleton, and Phyneshia Rutherford all played a part in the team's success on both sides of the floor.

All in all, the scrimmage served as a good measuring stick for the Lady Coyotes as they gear up for their season opener.

Medicare in 2009

Recently, the Centers for Medicare and Medicaid Services (CMS) announced changes to the Medicare program for 2009. These changes will take effect 01 January 2009. It is important to look carefully at all these changes and determine how they might affect you, especially changes to Medicare Part "D," the prescription drug benefit.

If you have not already, you will be receiving a copy of *Medicare and You 2009* in the mail. This handbook will help you navigate the services to which you are entitled under Medicare and should be kept in a place for easy reference. If you happen to lose your copy or do not receive one, you may access it through the Medicare website: <http://www.medicare.gov>.

An overwhelming majority of Medicare beneficiaries do not have to pay a monthly premium for their Medicare Part "A" benefit, inpatient hospitalization coverage, because they have at least 40 quarters of Medicare-covered employment (or are the spouse or surviving spouse). However, for those who may not have worked the required 40 quarters, you may obtain Part "A" coverage by paying a monthly premium. For those who worked less than 30 quarters, this premium will be \$443 per month for 2009. For those who worked 30 to 39 quarters, this premium will be \$244 in 2009.

The annual Part "A" deductible in 2009 will be \$1,068, an increase of \$44. This amount is paid by the beneficiary when admitted as a hospital inpatient. The Part "A" deductible is the beneficiary's only cost for up to 60 days of Medicare-covered inpatient hospital care in a benefit period. Beneficiaries must pay additional amounts for stays longer than 60 days - these amounts will increase slightly in 2009.

For the first time in a num-

ber of years, there will be no change in the monthly premium for Medicare Part "B," the optional outpatient health insurance. The standard Medicare Part B monthly premium will be \$96.40 in 2009. Additionally, the \$135 annual deductible for services for 2009 is unchanged from 2008.

The 2009 open enrollment period for a person to enroll in or change a Medicare prescription drug plan begins on 15 November and ends on 31 December, 2008. Any and all changes made will go into effect 01 January 2009. Each beneficiary should compare the changes in cost and drug coverage that will take place in 2009 to their current prescription drug plan. Beneficiaries should then compare this to the costs and coverage of other plans that will be offered in their community - checking to see 1) the costs of these plans, 2) the medicines and services they cover, and 3) how it works with their pharmacies and doctors. Each beneficiary needs to choose the best plan that meets their prescription drug needs and then enroll in this plan.

Conditions and costs of each plan will vary by provider and by the plan type. Some plans offer additional help and some beneficiaries will qualify for extra assistance based on income. To find out the specifics for each plan, consult the plan provider directly. In 2009, monthly premiums will average \$30 and beneficiaries must meet the \$295 annual deductible before the Part "D" plan begins paying, unless that particular plan has some exception. Coverage will continue with the beneficiary paying just the co-payment and any residual cost for prescription drugs until the amount paid by the plan and the beneficiary reaches \$2,700. At that point, the beneficiary will be responsible for 100% of drug costs until \$4,350 is reached unless

the particular plan has some exceptions for coverage during this gap period. Once the beneficiary has spent more than \$4,350, coverage resumes under the plan.

According to CMS, some Part "D" beneficiaries may see significant premium increases or changes - such as reduced coverage in the gap - if they stay in the same prescription drug plan in 2009. Medicare encourages individual beneficiaries to review how their plans are changing and what other options are available.

There are four ways to find out more information on Medicare as well as review and compare Part "D" plans:

- * Call 1-800-MEDICARE (1-800-633-4227, TTY 1-877-486-2048). 24 hour help is available from trained Medicare representatives.

- * Visit <http://www.medicare.gov>. Compare costs, coverage and more. Get an estimate of your out-of-pocket costs for the year.

- * See the listing of plans in your Medicare & You handbook and information sent to you by your plan.

- * Talk with local Medicare experts at your State Health Insurance Assistance Program.

SEEDS FROM THE SOWER

Michael A. Guido
Metter, Georgia

Two country boys wandered into a brand new school in the city and found two men working in one of the rooms.

"Whatcha' doin'?" asked one of the boys.

"Installing electric switches," answered a man.

"I'm glad we go to a country school," said the other boy. "They still switch us by hand."

Not to punish a child when he does wrong is an act of cruelty. It encourages further wrongdoing.

But to punish a child for doing wrong which he has learned from his parents is also an act of cruelty. It, too, encourages further wrongdoing.

There must be the discipline. But with the paddle, there should be first of all your prayers and your godly pattern.

Thought for the Day

There's always a lot to be thankful for if you take time to look for it.

For example, I am sitting here thinking how nice it is that wrinkles don't hurt.
