SCHOOL OPENING SEPTEMBER 4TH

The Brackett Public Schools will open the 1939-40 school term on Monday, September 4th, it is learned.

The opening date, Monday 4, being Labor Day, is enrollment day for the schools, and it is urged that all children should be enrolled the first day as it will facilitate the task of the teachers in enrollment, assignments of seats lessons and other necessary preliminary tasks.

There will be a few new faces in the faculty this year, but as a whole the faculty will be substantially the same as that which had such a successful term last year.

There will be one addition to the school faculty this year, and that will be a band instructor. For a time there has been agitation for a band, and now, with the band instructor available, and a number of students already have signified their intention of taking up music. We should have a nice, peppy school band next term.

AAA Final Date For Filing Assignments

Information has been received by the local A. A. A. office that no Assignment of Payment, executed after October 31, 1939, will be accepted by the State office.

For this reason all ranchmen and farmers who are expecting to assign their 1930 Agricultural Conservation Payment to someone for cash or services advanced should come to the county office and execute these forms before October 31, 1939.

Several cities in the past few weeks discovered dogs which investigation showed had rabies, and persons who had been bitten took the Pasteur treatment.

Show Work

Good progress has been made in the past two weeks on the construction of the new theatre building, although showers and rains hampered the work some. At this writing laying of tile and brick on the front of the structure. Carpenter work was also progressing rapidly and roofing of the building was about ready for installation. Plumbing and electrical work on the building also is well advanced. With the assistance of favorable weather, and the present rate of advancement on the construction, it is expected the building will be ready around the first of next month.

Artillery Here

The 77th Field Artillery, en route from their station in Fort D. A. Russell at Marfa to the big army maneuvers which are now being held in the vicinity of San Antonio, encamped here at Fort Clark the night of Thursday, the 10th leaving early next morning, being joined by 2 Fort Clark radio cars. The artillery was all motorized.

Summon Jurors

Summoning of jurors for the fall term of Kinney County District Court, which is scheduled to convene here on Monday, September 11th, was begun last week end and is now in progress.

It appears as if the grand jury will have some work to do, and the Court itself will have quite a good amount of business to work out from its docket. Among the cases coming up for the attention and investigation of the court will be two stock killing and theft charges.

Too Many Weeds

Following recent rains we now have a bumper crop of weeds everywhere in town, in the yards and about the streets and alleys of town. These weeds are not only an eyesore but should be removed because they can harbor both injurious insect and snakes. The majority of homes in town show good care, but we have a number of vacant lots in town and side streets that have a most luxurious growth of weeds which should be removed.

Laughing Around the World With IRVIN S. COBB

A Matter of Physics

By IRVIN S. COBB

IN the old wicked days when there were saloons on the corners, there was in Chicago a corner saloon-keeper who sold his whiskey at the standard price of ten cents a throw, but was proud of the excellence of his wares and hated a customer who poured too freely.

A stranger walked in one day and by way of beginning flattered

the proprietor so palpably on the worthiness of his stock that the latter became suspicious. The customer then laid down his dime and asked for whiskey and bitters. He was given the bottle and a glass and while the proprietor turned to get the bitters the caller performed a scientific job by filling the glass brimful without spilling a drop or overflowing.

The saloon-man surveyed the handiwork calmly and then struck

plunging middle finger into it. "What are you doing?" demanded the patron sharply. "Making a hole for the bitters to go in," said the saloonist. (American News Features, Inc.)

County Agent's Column

Outline The 1940 Range Program

College Station, Tex., Aug. 12 —Spokesmen for livestock producers of Texas, who went to a national conference in South Dakota and helped draw up the AAA range program for 1940, came home with feathers in their caps.

Out of the conference came two recommendations with a special bearing on Texas; one, that pasture mowing be added to the list of conservation practices drawing payment under the range program, and, the other, that the rate of assistance for furrowing of range land on the contour be sizably increased.

An avowed tribute to West Texas ranchmen who have popularized improved run-off control technique, the furrowing recommendation would set the payment rate for that practice at 2 cents a hundred linear feet, instead of 20 cents per acre.

Mowing of pastures to kill no-account weeds and brush, an operation found to be of particular benefit to grazing areas of South and East Texas, should earn 25 cents an acre, the conferees decided.

Both moves had been recommended earlier by the State Agricultural Conservation Committee, which had five representatives at the meeting.

Reports of the conference, which called for no fundamental changes in the range program but did provide for a higher allowance of funds for deferred grazing, was expected to gain the ready approval of Secretary of Agriculture Henry Wallace, whose signature is needed to put the recommendations into effect.

As usual, participating ranchmen next year will receive range-building allowances, to be earned by a wide variety of conservation practices. No practices was dropped from the list. Deferred grazing, which now qualifies for 60 per cent of a ranch's range building allowance, where supplementary practices are recommended and carried out, will qualify for 75 per cent of the allowance next year. The same provisions regarding supplementary requirements will apply. L. W. Anderson of Pecos, who attended the conference as a ranchman and a state committeeman, reported.

Among other Texans at the meeting were Howard Kingsbury of Santa Anna and Jess Watson of Newcastle, state committeemen; E. N. Holmgren, state AAA administrator and executive secretary of the state committee; and Fred Runnels, special range representative of the state office.

Rains Do Damage

The rains of the past week while doing a considerable amount of good to all of the ranges in this county, also did some damage, principally to the county road work, and fences involved in the area served by the Pinto Creek and draws served by that watershed. It was reported that some of the fencing on the new Highway 85 right of way, under construction, was washed down. Ranchers along that section also had some fence trouble following the rainy spell. Country roads were being worked and put back into shape once again.

NEWS MEMORIES OF THE YEAR 1907

(Brackett News, Aug. 18, 1907)

Sergeant Heidrick has a new two cylinder Oldsmobile and to say the least it is a fine machine, an item was stated.

An item stated that a number of ducks had been killed around here during the recent cold spell, according to a reporter.

At a special meeting of the Board of Trustees of the Brackett Independent School District the bids of Jeffries & Norris of San Antonio for \$19,000 for the construction of a new school building.

Telephone Notice: All parties talking over our telephone line from toll lines or business houses are allowed only five minutes. Any time used over five minutes will be charged five cents for each minute.

Among those named in the school notes: Mary Veltmann, Mattie Perry, Charley Veltmann, Mamie Haines, James and Agnes Keith, Henry Herzing, Celestina dela Pena, Susie Fritter, Hortense Sauer, Hope Anderson and Theresa Nolan.

There was a lengthy article, copied from an exchange, on the one and only Teddy Roosevelt, in which this active president's character was set out in detail. According to information in the article, the United States at that time had eighty million people.

You were in the army then: A general court martial was in session here at this time. The men have permission to wear either blue or olive drab after retreat. The recruits were getting plenty of drilling, about 200 of them. The departmental dental surgeon was due to make his appearance soon and fix the boys' teeth fit "to eat government contract beef." Owing to the large number of men absent on furlough the troops are having consolidated troop drill; two troops being made into one.

RANGE NEWSLETS OF VARIED SORTS

Two hundred and twenty-five thousand pounds of wool which sold last week in San Angelo is said to have brought prices of 25 to 26½ cents. At the same time out in New Mexico nearly one million and a half pounds of this year's wool was sold at from 16 to 23 cents per pound.

A total of 60,458 head of all classes of cattle passed from Mexico into Texas through the border ports of Hidalgo, Laredo, Eagle Pass and Laredo, during the first six months of the year, according to figures on imports given out by Harry P. Hornby, collector of customs for the San Antonio district. Eagle Pass topped the ports in the number of cattle passing through.

Considerable agitation continues to be raised throughout this nation by the livestock producers against the importation of meat from the Argentine Republic. It is pointed out that aside from the known effect such importations would have on the price of domestic beef, there is the ever present danger of an epidemic of stock disease which has been known started in this country from imported meat.

Tentative plans for the organization of two soil conservation districts in this area were made recently at two meetings held in Uvalde, we learn from the Uvalde Leader-News, and was attended by county judges, soil conservation experts, county agricultural agents and ranchmen from interested counties. One proposed district would include the territory embraced in the Elm Creek Watershed while the other would be the parts of Kinney, Uvalde, Edwards and Real Counties lying between the Nueces and Main Frio Rivers north of the Southern Pacific tracks.

The chief ingredient of any mosquito eradication formula, says a scientist, is to banish its breeding places. Eliminate or oil all standing water, cut down weeds, and keep all rubbish accumulations at a minimum.

Chicken Dinner.

A pillar of the colored church, Alexander Jackson, was entertaining at dinner the pastor and some of the prominent members. After grace Alexander began to carve the chicken, and the pastor waxed facetious.
"Brudder Jackson," he asked smilingly, "do de white folks 'round you keep chickens?"
"No, sah," he responded, "dey does not; but they sutlinly tries hard enough to."

SKIPPER TREASURES HERO PAPERS FROM BRITISH ROYALTY

River and Lake Captain Has Rescued 26 Persons From Wrecks.

MEMPHIS.—The hungry, muddy waters of Old Man River licked at the new coat of paint on the Isabella II and her skipper, Capt. Arthur Edgar Eagan, stood there by the rail and, between puffs at his pipe, talked about cheating the river and death of their victims.
He's a hero in his own right for he has rescued 26 persons from drowning, and he talked about the rescues as if they were part of his job.
He blew a cloud of smoke into the star-spangled night and he must have been thinking about the time when he pulled 12 persons out of the icy waters of Lake Michigan.
"Wait a minute," Captain Eagan said. "I'll show you some of my papers."
He disappeared below deck and you could hear him as he slammed a cabin door. Soon he was back with two age-browned documents.
"A collector once offered me \$1,000 for this one," he said, handing across one of the papers. "Of course I turned it down."
It was a citation of the Royal Humane society, awarding him a medal "for having saved life from drowning." The date on it was November 15, 1910. It was signed by "George P., President," the prince of Wales, the man who later became king of England and gave up his throne for the woman he loved.

Honored by Chicago.
The other citation, dated December 1, 1901, conferred the Chicago Life Saving medal for "having saved 26 persons from drowning."
"The British consul at Chicago is the one that got me the Royal Humane Society medal," said Captain Eagan. "That was because I rescued 12 people out in Lake Michigan, and three of them were British subjects, one of them a 76-year-old woman."

The rescue took place 11 miles north of Chicago and 26 miles off shore. It was late one stormy afternoon. Captain Eagan and several companions were coming across the lake in a small sailing boat when the storm hit. They sighted a schooner-yacht in distress and headed for it.
"We sailed around her," he explained, "but we couldn't get close because a 30-mile wind was blowing and the seas were high. I swam over to the boat and took a line. They didn't have a life preserver on the boat. They were all wild except the 76-year-old woman. She was the gamest one in the bunch. One at a time I got 'em to our boat."

Received \$500 Reward.
Later the woman gave the captain a check for \$500 and the boat from which they were rescued.
Last November Captain Eagan started out from Lake Michigan on the Texas gulf coast. His crew was a bunch of young landlubbers. But before winter they ran into some rough weather. The boat froze over and the hatches were sealed with ice. Two of the young would-be sailors became prisoners. Finally chopped out, they quit.
When the skipper and remaining members of the crew had moved on down the Mississippi, the rest of the crew decided they had had enough too. So Captain Eagan called off the gulf venture and tied in here.

Lifer Used Yarn in Jail Break, Official Reveals

DENVER, COLO.—Federal prisoners are not allowed to wear woolen socks because they might escape from the penitentiary.
The startling statement was made here by A. V. Anderson, district supervisor of the United States alcohol tax unit in Denver and former warden of the federal prison at Leavenworth, Kan.
Speaking on crime and criminals, Anderson told a group of business men that a strand of wool from a woolen sock was used to saw through a one-inch iron bar, and since that time woolen socks have been banned in federal prisons.
"Ralph Evans, a life-terminer, used the woolen fiber in sawing through the bar in the amazing time of seven hours," Anderson said.
"I didn't believe it when Evans told me, so he did it again while I looked on and satisfied myself it could actually be done."

Postcard Reaches There,

But It's 26 Years Late
SPRINGFIELD, OHIO.—Though he waited a long time, Fred Hatcher of the Ohio Odd Fellows home finally has received a postcard mailed to him from Cleveland more than 26 years ago.

The postcard, with its penciled script still legible and hardly a crack on its face, was written by a Mr. Peck, June 1, 1913, from Wiloughby, Ohio, and bore a Cleveland postmark of the same date at 11 p. m.
The card was addressed to Hatcher at his former home in Rushsylvania, Ohio, but did not arrive there until March 29, 1939. Hatcher received the postcard from Mrs. Maile Sloan, along with a note commenting:
"It has taken it some time to get here, has it not?"

YOUNG PSYCHOLOGIST

An employee of the public library has just reported a conversation she overheard between a progressive schoolboy and a non-progressive pal. Evidently the progressive scholar was trying to explain the difference between an inferiority complex and a superiority complex to his unlightened contemporary. "Suppose," he said, "I asked you if you could jump ten feet and you said sure. Then you'd have a superiority complex. But if you said no, then you'd have an inferiority complex."
"What would I have," the other boy inquired, "if I said maybe I could and maybe I couldn't?"
The progressive boy pondered. "I guess," he remarked, "you'd have a split personality."

LAUGHS AT HOME

"Do you go to many amusements these days, Bill?"
"No. Don't have to now. My son's gone to wearing Oxford bags and cretonne vests."

Why Not 'Crepe de Chine'?

A man and his wife decided to dine at a tearoom or cafeteria on Sundays. Recently some very delicious lemon chiffon pie was served to them. The next Sunday after church services Mrs. Green inquired:
"Where shall we eat today, John?"
To her amusement her husband answered:
"Let's go where they have that good georgette pie."

Moving De Luxe
The J family was moving across the city. When the moving men came, the small family kitten was no where to be found. Donnie burst into tears but a neighbor promised to keep the kitten when it appeared and let Mr. J pick it up the next day.
When the family arrived at their new home, however, and mother opened the cabinet to get a dish towel, there was the kitten fast asleep on the pile of towels.

Five Year Plan
It was during the empanelling of a jury, the following colloquy occurred:
"You are a property-holder?"
"Yes, your honor."
"Married or single?"
"I have been married for five years, your honor."
"Have you formed or expressed an opinion?"
"Not for five years, your honor."

SUN STROKE

"How did he get a sun-stroke?"
"Jimmy Sunfish bumped into him."

Kept Out
"If time hangs heavily on your hands, why don't you go into politics?"
"A man as rich as I am," answered Mr. Dustin Stax, "doesn't dare go into politics. He is considered lucky if they let him shove a card under the door with a check attached to it."

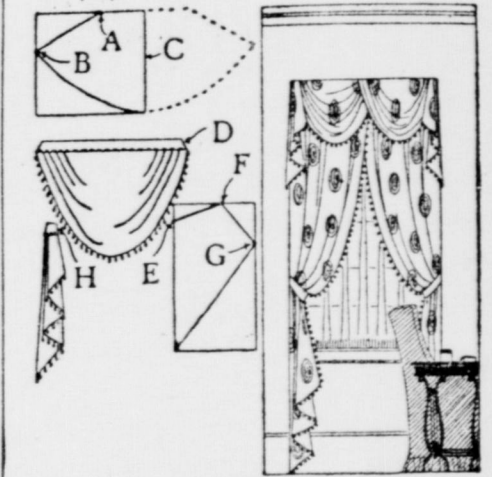

Turn About
"Gracious!" exclaimed Mrs. Filлип. "The baby has eaten a lot of that dog biscuit!"
"Never mind, dear," said a caller, "it just serves Fido right. He's often stolen the baby's food—haven't you, Fido?"

By Comparison
Diner (after a long wait)—Waiter, have you ever visited the zoo?
Waiter—No, sir, I haven't.
Diner—Well, you ought to—you wouldn't half enjoy watching the tortoises whiz past.

Quick Thought
The nurse came into the library to proclaim the good news. "It's a little boy," she announced.
"What?" asked the absent-minded professor. "Oh, yes, just ask him what he wants."

Formal Draperies to Make at a Low Cost

By RUTH WYETH SPEARS
AN IMPORTANT speaker was scheduled, and the club rooms were looking rather shabby. The decorating committee reported that formal draperies would lend an air of distinction. The funds could only pay for the material. Sewing machines hummed and here is a sketch of the miracle that was wrought. Here also are the dimensions that were used for

making patterns for the graceful valance sections which were fastened over rods with snaps.
For the looped section, cut paper 18 inches deep and half as wide as the window measured over the frame. From the upper right corner to point A is half of the window width less two inches. Point B is 6 inches below the upper left corner. Draw a diagonal line from A to B, and a curve from B to the lower right corner. Place the edge marked C on a fold of the goods. The diagonal ends are pleated and stitched into a band as at D.
For the end pieces, cut paper 15 inches wide and 24 inches deep. E is 3 inches below the upper left corner. F is 9 inches in from the upper right corner. G is 6 inches down from the upper right corner. Finish the top as at H.
The offer of the two 25-cent sewing books containing 96 HOW TO SEW articles that have not appeared in the paper will be withdrawn soon. At present you can get both books for the price of one; but don't delay; send 25 cents with name and address to Mrs. Spears, 210 S. Desplains St., Chicago, Ill., and both books will be sent by return mail, postpaid.

Pull the Trigger on Constipation, and Pepsin-ize Acid Stomach Too

When constipation brings on acid indigestion, bloating, dizzy spells, gas, coated tongue, sour taste, and bad breath, your stomach is probably loaded up with certain undigested food and your bowels don't move. So you need both Pepsin to help break up fast that rich undigested food in your stomach, and Laxative Senna to pull the trigger on those lazy bowels. So be sure your laxative also contains Pepsin. Take Dr. Caldwell's Laxative, because its Syrup Pepsin helps you gain that wonderful stomach-relief, while the Laxative Senna moves your bowels. Tests prove the power of Pepsin to dissolve those lumps of undigested protein food which may linger in your stomach, to cause belching, gastric acidity and nausea. This is how pepsinizing your stomach helps relieve it of such distress. At the same time this medicine wakes up lazy nerves and muscles in your bowels to relieve your constipation. So see how much better you feel by taking the laxative that also puts Pepsin to work on that stomach discomfort, too. Even fussy children love to taste this pleasant family laxative. Buy Dr. Caldwell's Laxative—Senna with Syrup Pepsin at your druggist today!

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of a satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for functional kidney disorder and for relief of the pain and worry it causes.

If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty or too frequent urination may be warning of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

School Opens Sept. 5

The Brackett Public Schools will open the new 1933-34 term on Tuesday, September 5th, it is officially announced. Through an error we mentioned, in our article on the front page of this issue, the opening and enrollment date would be Monday, Sept. 4th.

There will be a school faculty meeting Monday, 4th, and the opening of school and enrollment the following day.

Catholic School Ends

The Catholic Summer School, which had been in session for two weeks, was concluded last Sunday, after a very successful term. Sisters Dolores and Angelina, of the Order of Divine Providence, San Antonio, were in charge of instruction at the school, and they had good attendance throughout. A bazaar was held Monday evening, and a play and program were presented, marking the end of the summer school Tuesday evening.

Showers

Several local showers and rains were received throughout this section during the past week end and up to this writing, aiding to the gratifying total of moisture already received this month. A large portion of rains during the week-end were reported from the area south and southwest of here where the precipitation was such as to run a good amount of water in the creeks and draws in that section. Showers and light rains are continuing to visit this section, and are ever welcome.

End Of Landmark

The dismantling of the old residence near the V. Christensen home the past week end marks the passing of the final trace of the first school built here. When the two story brick school structure was built, the old lumber structure was cut into two parts, and for a number of years were used as residences until a few years ago one of the two buildings was torn down as being unsafe. Tearing down of this other half removes all trace of the old school.

Sept. 16th Plans

The Brackettville Mexican folk are preparing for an observance of September 16th, the Mexican national holiday, with a celebration and program on that date. Present plans include a dance, the crowning of a queen voting in which contest has already started--and possibly an additional program. The contest for selecting a queen has several candidates in it, and promises to be an exciting event.

Gets Gold Medal

On August 1st, the Post Commander of Fort Sam Houston, awarded Joe Perea, Jr., a gold medal at Camp Bullis, Texas, where he had stayed a month to receive military training. Approximately 250 boys received medals for participating in different sports. Maj. Gen. Krueger made the awards during a regimental review. Joe was given a gold medal for being the camp's outstanding third baseman. Incidentally, his company won the championship in baseball, and never lost a game. Besides getting a medal, Joe ranked as a corporal in his company, being presented a certificate stating that fact. He's working hard trying to get a commission in the officer's reserve.

Miss Lurline Vincent of Spoford is recovering from a recent operation in Del Rio.

Mr. Langston Sr. of San Antonio is here this week visiting his son, L. B. Langston, and family.

Mrs. A. P. Utterback who underwent an operation in San Antonio, is reported much improved in health.

Carol Briggs from the Mud Creek section was in town the first of the week in attendance on Commissioners Court.

Roy Baxter, who recently underwent an eye operation at the Mayo Bros. clinic is reported to have had a very successful operation.

Word from Harlingen is that Marvin Coleman's father, who had been injured when struck by a hit and run autoist, suffered a shattered leg.

Including enumerations in the District, and transfers from outside districts, the total number of scholastic enumerations in the Brackett Independent School District is 925.

Miss Jimmie Hybarger was a San Antonio visitor the first of the week.

Herbert Senne was in Uvalde Sunday playing ball with the Uvalde team.

Mrs. Doris Mendeke and two children have returned from a visit in San Antonio.

The City Council held their regular monthly business meeting Monday night at the city building.

Mr. and Mrs. Homer Jones of Del Rio were here Sunday afternoon visiting Mrs. M. Keplinger and family.

Mrs. Rosa G. Perry was in San Antonio Tuesday where she went to be with her daughter, Mrs. Ramsdall.

The Fort Clark team Sunday played the Del Rio Merchants on the latter's home grounds, the soldiers winning 4 to 0.

Mr. and Mrs. August Smith have returned from their vacation spent in Corpus Christi and other sections of the state.

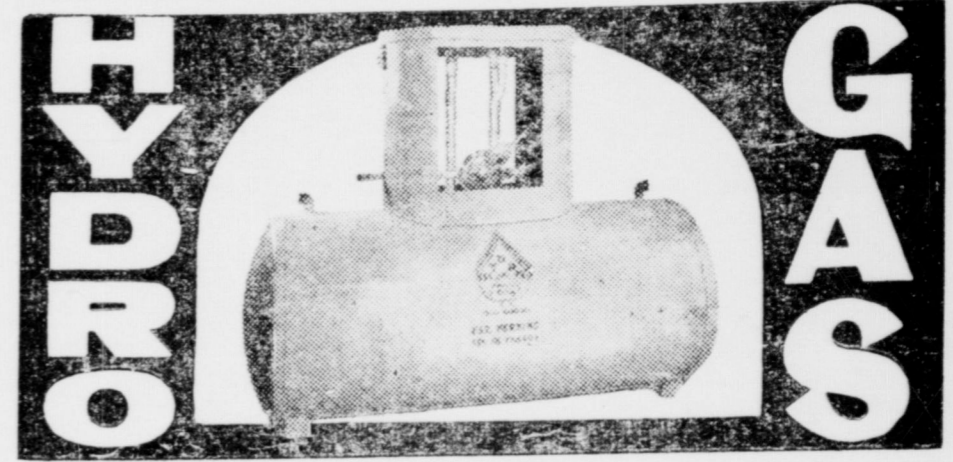

Mrs. D. L. Anderson Sunday moved her household goods from Del Rio to Brackettville and will make her home here with her daughter, Miss Ella Mae Anderson.

Mrs. A. B. Wooldridge of Axtell, Texas, is here this week visiting Mr. and Mrs. Russell Hoover and Sgt. and Mrs. Sam Hoover and their families. Mrs. Wooldridge is a sister of Sam and Russell Hoover.

Will Dooiey, who ranches just north east of town, has purchased 1300 yearling ewes, we learn, paying for them a price said to have been \$6.00 a head. Mr. Dooiey purchased 300 head from Latham Bros., and 300 from Phil Newell of Uvalde, and 700 from Mrs. Belcher.

What was said to have been the peak price this season for mohair was reported in Del Rio last week when the Del Rio Wool and Mohair Company sold 50,000 pounds of mohair to Louis Ragland, representative for R. P. Collin & Company of Boston, at prices of 49c per pound for adult hair and 60c for pound for kid hair.

The two week period of training by members of the Organized Reserve officers camp at Ft. Clark was concluded the past week end, and those attending the camp returned to their homes. This was the second two week session of the camp held here this year, and nearly one hundred and fifty men attended the camp. Features of the training period were a three day hike, one encountering a spell of wet weather.

Kitchen Shower

Complimenting Miss Jimmie Hybarger and her fiance, Johnny Hess Jr., Mrs. W. Fred West, Mrs. James Shahan, Miss Maud Nipper and Miss Sara Webb entertained with a delightful Mexican supper and kitchen shower Sunday evening at the ranch home of Mr. and Mrs. West.

Small tables were arranged in the patio. These were laid with briget-hued covers and centered with bouquets of mixed blossoms in blending shades. Favors were miniature Mexican woven baskets containing mints. Musicians played Mexican music during the evening.

In addition to the honorees, the guests included Mrs. Mattie Hybarger, Mrs. Rosa Perry, Mrs. E. Webb, Mrs. Laura Seargeant, Mrs. M. T. Hunt, Mr. and Mrs. Homer Hess, Dr. and Mrs. W. W. Nipper, Mr. and Mrs. Claude Dooley, Mr. and Mrs. V. G. Deason, Mr. and Mrs. Ben Nolan, Mr. and Mrs. Pat Fritter Jr., Mr. and Mrs. L. B. Langston, Mr. and Mrs. Jack Harwood, Mr. and Mrs. A. E. Bartberger, Misses Mary Helen and Eloise Hunt, Helen Nelson, Ellis Perry, Nellie Jo McCabe, Betty Jean Hybarger, and Messrs. John Hess Jr., James Shahan, J. J. McCabe Jr., Paul Hill, George Bless, W. Fred West, Albert Seargeant, Lamborn West and Jack Arnett.

Linon Shower

Complimenting Mrs. Montgomery of Fort Clark, whose husband, Sgt. Montgomery recently retired from the army, Mrs. Sidney Meeks, Mrs. J. Eberhardt, Mrs. Daniels, Mrs. Frank Moy, and Mrs. Portez, were joint hostess for a prettily appointed linen shower and Luncheon party last Friday afternoon from 2 to 5 in the N. C. O. Club at Ft. Clark. An arrangement of roses, zinnias, Regina Corona, and oleander blossoms formed the attractive decoration for the club. Following the games, prizes were awarded and an ice course with cake was served to about 60 guests.

Night Bridge Club

Mr. and Mrs. J. B. Hudson entertained the Night Bridge Club at their ranch last Friday evening. The tables were arranged on the cool front screened porch where dinner was served preceding the games. Mrs. V. G. Deason received ladies' high score prize and Mr. O. R. Davis the men's.

Members present included Mr. and Mrs. O. R. Davis, Mr. and Mrs. V. G. Deason, Mr. and Mrs. A. E. Bartberger. Additional dinner guests were Miss Ida Mae Hudson, Lloyd Davis and Junior Moy.

Mrs. Allan Williams and son, Allen Dennis, spent several days last week in San Antonio with relatives.

Approaching Wedding

An interesting announcement of the week is that made by Mrs. Mattie Hybarger, announcing the engagement and approaching marriage of her daughter, Jimmy, to Mr. Johnny Hess Jr. The marriage will take place Wednesday morning, August 23rd, at 10 o'clock, in St. Andrew's Mission with the Reverend F. C. Ruffe, pastor of the Mission, officiating.

Citation By Publication

THE STATE OF TEXAS

To the Sheriff or any Constable of Kinney County, Greeting:

You are hereby commanded to summon J. M. Nix by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Kinney County, to be held at the Courthouse thereof, in Brackettville, Texas, on the tenth Monday after the first Monday in July, A. D. 1939, the same being the 11th day of September, A. D. 1939, then and there to answer an amended petition filed in said Court on the 8th day of April, A. D. 1939, in a suit, numbered on the docket of said Court as No. 1400, wherein Oaker Korn is Plaintiff, and J. M. Nix is Defendant, and said amended petition alleging that on January 20th, 1939, defendant executed and delivered to plaintiff his certain promissory note for the sum of \$3,247.50, bearing interest from date until paid at the rate of seven percent per annum, payable annually, both principal and interest payable at the First State Bank of Brackettville, Texas, principal of note payable in weekly installments of \$20.00 per week, first installment due on February 6th, 1939, and like sum on Monday of each week thereafter until the full amount of note has been paid off and discharged. It is stipulated and agreed that failure to pay two consecutive weekly installments, as promised or any interest thereon when due shall at the election and discretion of the holder mature the full amount of note at once and become due and payable, and chattel mortgage mentioned shall become subject to foreclosure proceedings, with the usual ten percent as attorney's fees. That plaintiff is the holder and owner of such note, that the weekly installments become due as follows, to-wit: February 6th, 13th, 20th, and 27th, 1939; March 6th, 13th, and 20th, 1939, and so on until the said note is discharged; that defendant failed and refused to pay three consecutive weekly installments, to-wit: February 13th, 20th, and 27th, 1939. Plaintiff on the 23rd day of March, 1939, elected to declare said note matured and made demands of defendant to pay same, and defendant refused to pay same, and plaintiff placed said note in the hands of an attorney for collection in consideration of plaintiff's promise to pay an attorney an amount reasonable for his service. That the balance due on said note is the approximate sum of \$3,157.50. It is alleged that at the time of executing such note, defendant executed and delivered to plaintiff a chattel mortgage upon certain picture show equipment located in Brackettville, Texas, to secure the payment of said chattel mortgage which was filed in the County Clerk's office of Kinney County, Texas, on the 23rd day of January, 1939, and recorded in Vol. D-7, page 17, Chattel Mortgage Record of Kinney County, Texas. Plaintiff prays for judgment for the sum of \$3,157.50, interest and attorney's fees with foreclosure of said chattel mortgage.

Herein fail not, and have you before said Court, at its aforesaid next regular term, with this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Brackettville, Texas, this 8th day of August, A. D. 1939.
(Seal) CHAS. VELTMANN, Clerk, District Court, Kinney County. By EDNA KARTES, Deputy.

Fiery Itching Skin Gets Quick Relief

Home Treatment Bases Unbearable Soreness—Distress
 There is one simple yet inexpensive way to ease the itching and torture of Eczema, Itching Toes or Foot Rash and many other externally caused skin eruptions and that is to apply Moore's Emerald Oil night and morning and people who suffer from such embarrassing or unsightly skin troubles would be wise to try it.
 Just ask any first-class druggist for an original bottle of Moore's Emerald Oil and refuse to accept anything else. It is such a highly concentrated preparation that a small bottle lasts a long time and furthermore if this clean, powerful penetrating oil that helps promote healing fails to give you full and complete satisfaction you can have your money refunded.

MEN LOVE GIRLS WITH PEP

If you are peppy and full of fun, men will invite you to dances and parties.
 BUT if you are cross, listless and tired, men won't be interested. Men don't like "quiet" girls. When they go to parties they want girls along who are full of pep.
 So in case you need a good general system tonic, remember for 3 generations one woman has told another how to "get going" with Lydia E. Pinkham's Vegetable Compound. It helps build up more physical resistance and thus aids in giving you more pep and lessens distress from female functional disorders.
 You'll find Pinkham's Compound WELL WORTH TRYING!

HAY FEVER Test This Quick Relief

Try one dose "Dr. Platt's BINEK Prescription." Relief usually begins in a few minutes. A physician's relieved medicine, you can't see, but it's a boon for sufferers from Hay Fever, Hoax Fever, Head Colds, Coughs, Asthma, Nervousness, Sneezing, wheezing, itching eyes, running nose quickly relieved. Satisfaction within a few hours guaranteed or money back. Your druggist recommends BINEK, \$1.00.

HELP STOMACH DIGEST FOOD

Without Laxatives—and You'll Eat Everything from Soup to Nuts
 The stomach should digest two pounds of food daily. When you eat heavy greasy meals or rich foods or when you are nervous hurried or cheerless your stomach often fails to do its work and your food doesn't digest and you have gas, heartburn, nausea, pain, or constipation. You feel ever sick and never will you have any more take a laxative for stomach-ache. It is dangerous and foolish. It takes a little black tablet called Bull's Eye for Indigestion to make the excess stomach fluids harmless, relieve the pain, and put you back on your feet. Relief is so quick it is amazing and the package proves it. Ask for Bull's Eye for Indigestion.
