Jobs Available In Work-Study Program at CJC

Several jobs are available in the Cisco Junior College work-study program for summer school students and for those planning to enroll in the fall, according to Ralph Glenn, dean.

In the work-study program a student works not more than 15 hours per week at \$1.25 per hour while he is taking courses. A student planning to enroll later may work a maximum of 40 hours per week while he or she is not taking courses.

Students and prospective students who are interested in one of these jobs should contact Mr. Glenn at the college immediately.

New Office Plans Are Announced By Farm Bureau

Members of the board of directors of the Eastland County Farm Bureau have announced plans for a new Farm Bureau office in Eastland, according to Jack Cozart, president.

The board of directors has asked each member of the bureau to participate in this project by donating funds for the building. Mr. Cozart added. He said that donors' names will be engraved on a plaque to be placed in the new office. Donations may be mailed to Farm Bureau, Box 470, Eastland, or given to any Farm Bureau director, he said.

Members of the board are Mr. Cozart, president; Sam Kimmell, first vice president; B. T. Graham, second vice president; Ray A. Norris, secretary-treasurer; Bernard Campbell, J. D. Griffin, Jr., Mrs. Henry Fry, John Love, Herman Schaefer, J. C. Coats, Cowan Hutton, Glenn O. Jordan, R. L. Ricks, Teddy Snider, Henry Fry, Pete Haddock, K. F. Kirk, George Steele, and Lake Palmer.

The Farm Bureau will again sponsor two Eastland County High School students who will attend the Texas Farm Bureau's fifth high school Students Citizenship Seminar at Baylor University Aug. 8-11. To be eligible students must be entering 11th or 12th grades in September, 1967, and in the upper 30 per cent of their class, scholastically, with good character and leadership ability. Students to attend the seminar this year will be from Cisco High School. Superintendent Roy Hathaway of Cisco said the students will be named soon. The ultimate goal of the seminar is to convey to the students a better understanding

Henry A. Maness Buried in Final Services Sunday

Funeral services for Henry A. Maness, 60 were held at the First Methodist Church Sunday at 4:30 p. m. with Rev. Lee Fields officiating. Burial was in Murray Memorial Cemetery with Higginbotham Funeral Home of Gorman in charge of arrangements.

Mr. Maness died at his home Friday about 7:30 p. m. of an apparent heart attack.

Born July 21, 1886, in Falls County, he had been a resident of Eastland County 53 years. He was a retired farmer and a member of the Carbon Methodist Church.

He was married to Sybil Lovell Sept. 28, 1913. She died in 1917. He married Myrtle Patterson Sept. 28, 1924, who survives him.

Other survivors are one daughter, Mrs. Coda McDaniel of Carbon; one step-son, V. Patterson of Breckenridge; two sisters, Mrs. Lonie Bohannon of Gorman and Mrs. Ruby Johnson of Eastland; two grandchildren, three great grandchildren, nine step grandchildren and 10 step-great grandchildren.

Pallbearers were Donald Saverance, Jerry May, Johnny Patterson, Charles Patterson, Jimmy Hendrick and Daryl Cook.

Mrs. Mitchell Rites Held Wednesday

Mrs. Nettie Mitchell, 84, died Tuesday at 1 p. m. in Hickman Nursing Home at Cisco. Funeral was held Wednesday with burial in Dothan Cemetery.

Mr. and Mrs. Mitchell were former residents of Carbon. He died in 1965.

Survivors are 2 sons, B. C. of Carbon, Otis of Munday and a host of other relatives.

Card Of Thanks

We wish to extend our heartfelt thanks and appreciation to our Carbon friends and neighbors for their kindness to us during the recent loss of our loved one. The food, flowers, visits those who sat up at funeral home were appreciated more than words can express.

May God richly bless each of you.

The Family of Henry Maness

of the American system and way of life, and that they in turn will pass it along to others, Mr. Cozart said.

Vacation Bible School Plans Completed

Vacation Bible School for the Carbon Baptist Church will be held May 29 through June 2 classes to be held each day from 8 a. m. to 11 a. m.

Preparation Day will be held Friday May 26 from 5 to 7:30 p. m. At this time lesson assignments will be made for the different departments and after that a picnic will be held on the church grounds. Parents as well as children are urged to come and bring a picnic lunch to be spread at the end of the play period. It is hoped enough players will be on hand to have a ball game.

Mrs. Wanda Bryant will serve as principal of the school and the following superintendents: Beginners; Mrs. Parilee Sessum, primary; Mrs. Gladys Hale, Junior; Mrs. Allene Hughes, Intermediate; Mrs. Lavene Stubblefield.

Everyone between the ages of 3 through 16 are cordially invited to attend this school.

Announce Engagement

Mr. and Mrs. Charles Jack of Kerens have announced the engagement of their daughter, Darlene to Eddie Tim Stacy, son of Mr. and Mrs. E. V. Stacy of Carbon.

Miss Jack graduated from Kerens High School and is attending Ranger Junior College where she is a member of the girl's basketball team and the Debs organization. Stacy is a graduate of Carbon High School and attended Ranger Junior College. He is now stationed at Fort Bliss, El Paso for his basic training in the U. S. Army. Wedding date has not been set.

Marker to Honor Pioneer Doctor, Early Settler

The Texas Historical Survey Committee will dedicate the marker, Pioneer Physician, at the grave of the late Dr. J. D. Windham in the Tecumseh Cemetery, 20 miles south of Clyde, on Sunday, May 23, at 3 p. m., according to an announcement here.

Dr. Windham was born on Feb. 13, 1816, and died January 11, 1901. He was the first practicing physician in Brown County in 1865. He moved west to Callahan County in 1874 and established a truly needed outpost at Tecumseh. He owned a general store and the only post office for miles around.

A school house was soon built and school teachers were carefully investigated and, it was said, "the wilds began learning reading, writing and arithmetic." Children came for miles and miles, some on horseback and some walked.

The name, Tecumseh, it was said, was because the place was the burial location of the once famous Indian chief, Tecumseh.

Eula Windham Preslar, a granddaughter of the late Dr. Windham, said that many friends and relatives had asked her to make this announcement.

Public Notice

The 1967 Carbon High School annuals have arrived and will be on sale Monday, May 29, from 7:15 to 9:15 a. m. in the high school building. Anyone who has an annual ordered is urged to come and purchase it at that time. There will be a few extra annuals for persons who have not ordered them previously for \$3.00 each.

Grand Jury Suggests Repairs To Buildings

Remodeling of the Eastland County jail and courthouse and more plans to facilitate the work of grand juries were recommendations of the Grand Jury of the 91st Judicial District Court's April term handed to Judge Frank Sparks Monday.

In two letters to Judge Sparks, the grand jury's recommendations were as follows:

"We, the grand jurors of the 91st Judicial District Court April term, 1967, unanimously recommend to the Commissioners' Court that they inspect the courthouse and jail and make such repairs as they find are needed for the care and preservation of said buildings. We particularly

call attention to the damages caused by water to the 91st District Court quarters."

The second letter:

"Inasmuch as we, the grand jury, have been in session on three occasions during this term of our service and have done a very minimum of work, we urge and recommend that all witnesses be subpoenaed and present and that the docket be planned prior to the meetings of this or the next grand juries called to session so that we may more efficiently function."

Both letters were signed by W. C. Smith, foreman. The letters were filed by Judge Sparks in the District Court's office.

Be Careful When You Spray For Bugs, Insects

Are the bugs eating up your garden?

Most insects can be knocked out with sprays, powders and other poisons, but the unwary gardener sometimes can suffer from the effects of bug sprays too.

Some tips on use of insecticides are offered in Today's Health, the magazine of the American Medical Association.

Read the directions on the container carefully and follow them. The manufacturer spells out the proper usage and safety precautions.

If the directions call for rubber gloves, protective clothing or goggles, leave this alone, unless you are an expert.

Store the insecticide in its original container, with original label, in a safe, locked compartment, away from children and pets.

Destroy empty containers immediately.

Apply downwind, to avoid inhaling sprays and dusts. Stay out of freshly sprayed areas.

Do not smoke while spraying or dusting. Some of the chemicals are flammable.

If chemicals are spilled on skin, wash immediately and thoroughly.

Cover bird baths, dog dishes and fish pools before spraying. Pour left over spray down a drain or into the soil. Don't leave it around in pans or pails.

SEVEN TEAMS WILL COMPRISE TEENAGE BASEBALL LEAGUE

Season plans for the Eastland County Teenage Baseball Association were announced by Joe Culpepper, president, at a meeting Sunday.

There will be seven teams in the league—Eastland Green Backs, managed by Freddy Coburn; Eastland Blue Sox, Ray Harbin; Cisco Cats, V. B. Ferguson; Cisco Panthers, Jerry Morgan; Ranger Hawks, Winston Squires; Ranger Blue Six, Wesley Poyner, and Carbon, Colin Campbell.

Games will start at 8 p. m., and any team not on the field and ready to play at 8:15 will forfeit the game, according to Mr. Culpepper. A trophy will be given the league winning team, and if a team wins the trophy three seasons in a row, they will be allowed to retire the trophy.

At the end of the season the winner of the league will play an all-star team managed by the winner of the second place team. This will enable the league winner to make more money to help defray the expenses of state tournament play, Mr. Culpepper added.

League play will begin Tuesday, May 29.

Form ASCS 406 Has Been Mailed To All County Wheat Producers

Form ASCS 406 has been mailed to all wheat producers who did not sign up to participate in the 1967 wheat program, according to Jesse G. Meredith, office manager of Eastland County Agricultural Stabilization and Conservation Service.

The ASCS office needs to know the wheat acreage on farms for the purpose of establishing future wheat allotments, Mr. Meredith said. Failing to furnish this information will result in a reduction in future wheat allotments, he added.

Producers who have signed to divert acreage under the feed grain or cotton program are reminded that no crop can be harvested and no grazing is permitted between April 30 and Nov. 1, according to the ASCS office.

Failure to divert intended acreage or stay within permitted acreage will cause a drastic reduction in payments. In order to be eligible for price support payments on cotton and feed grain on permitted acreage the crop must be planted and worked in a workmanlike manner, Mr. Meredith said.

He added that since planting time for peanuts is almost here, every farmer should check carefully the 1967 allotment notice to pre-

vent over-planting. In many cases it will be smaller than for 1966 due to the limited acreage under the release and reapportionment provision.

June 23 is the final date set to aerial spray mesquite, Mr. Meredith stated. Funds are currently available for cost-share on this practice, he added.
