ANNUAL CELEBRATION OF THE BAPTIST LADIES AID SOCIETY

The regular annual meeting in celebration of the anniversary of the organization of the Baptist Ladies Aid Society was held Tuesday evening at the home of Rev. and Mrs. L. L. Parker, there being quite a number in attendance and a very enjoyable occasion reported. Amusing and interesting games were instituted as a diversion, one of which, "the postoffice", created much merriment and outside comment. The annual celebration is looked forward to with pleasure from year to year.

H. C. ALLEN FARM DESTROYED BY FIRE THURSDAY MORNING

The H. C. Allen farm home, on the Geo. M. Williams place near Dry Lake, was completely destroyed by fire of unknown origin, together with all his household effects, Thursday morning of this week. No one but Mrs. Allen was at home at the time, and she stated that the fire started in a room in which there had been no fire all winter.

Neighbors of that community immediately came to the aid of Mr. Allen in a financial way by contributing five and ten dollars each to help tide over the loss. A list was also brought to town and all to whom it was presented contributed liberally in accord with their means.

H. C. Allen has "hit it hard" the past year or two. Last year he was hailed out, and this year he burned out, but he is a man who never throws up his hands and quits. Here is hoping the tide will turn his way in future.

The auction sale of registered Poland China hogs conducted Monday by W. A. Johnson on his Dockum Stock Farm northwest of Spur, was a success in every particular, everything offered for sale being taken at fair prices. The prices obtained averaged sixty dollars per head.

The Dockum Stock Farm had the finest herd of registered Poland China hogs in all of Western Texas.

This auction sale will result in further extending the raising of fine, registered hogs over the country.

Bidders attended this sale from the plains and other sections as well as within the Spur territory.

R. L. COLLIER ANNOUNCES FOR COUNTY JUDGE'S OFFICE

We are authorized to announce R. L. Collier as a candidate for the office of County Judge and School Superintendent of Dickens county, subject to the action of the democratic primary elections.

R. L. Collier is personally known to every voter in Dickens county, having rendered public official service and been identified with public movements and progress of the county during the past twenty years. As sheriff he had much to do with court procedure, and as judge will be familiar with the official duties as well as the law. R. L. Collier is qualified for the county judge's office, and fitted for the place in that the duties of the office will be performed with out fear or favor according to law.

In the primary election we ask that voters give his candidacy due consideration.

Trade in Spur— FRED HISEY ANNOUNCES FOR PUBLIC WEIGHER, PRECINCT 3

Fred Hisey authorized us this week to make his announcement for the office of Public Weigher of this Precinct, subject to the democratic primary election.

Fred has been considering the proposition of entering this campaign for some time, and could not longer disregard the solicitations of friends, and the enticements of the campaign.

Fred Hisey is eminently qualified for the office. He is a competent cotton grader; is accurate in figures and business transactions, and honest in all of his dealings. Should he be favored above the many other good men also seeking this office, the public is assured of faithful, accurate and competent service, and we ask that voters give his candidacy due consideration before casting a ballot in the primary elections.

FOR COUNTY JUDGE.

Accepting the earnest, personal solicitations of many good citizens of all parts of Dickens county, I announce myself a candidate for the important office of County Judge and School Superintendent of Dickens county. I do this, first, of course, because I want and need the office. Secondly, I feel qualified to perform the various responsible functions of the office, having read law and conducted courts in North and West Texas for twenty years. It would be my delight to render the people of Dickens county a faithful and valuable service according to law, for which I ask your support.—F. N. Oliver.

R. L. BASS ANNOUNCES FOR COUNTY JUDGE'S OFFICE

This week we are authorized to announce R. L. Bass as a candidate for County Judge and School Superintendent, subject to the action of the democratic primaries in July.

R. L. Bass made the race for county attorney in the last campaign and was nominated unanimously for the office, but not having a license to practice law could not qualify for the office. Since that time he has been studying law and will stand an examination for license to practice law, thus not only qualifying for the practice of law but also to hold the office of county judge. Should he be favored for the nomination R. L. Bass will render his court decisions according to law and without fear or favor.

We ask voters in the primary election to give the candidacy of R. L. Bass due consideration before casting a ballot.

HEN WORTH ACRE OF LAND
A Kansas calculator figures these days one good hen is worth an acre of land to the farmer! Such a hen will lay twelve dozen eggs the year round. One dozen eggs are now worth two bushels of corn or were up until a few days ago, and twelve dozen are worth twenty four bushels, which is all an acre will ordinarily produce. With 80 good hens a farmer has added 80 acres to his holdings. Of course these figures may not hold good now or six months from now and yet they may.—Clovis News.

FAIR SECRETARIES SET DATES

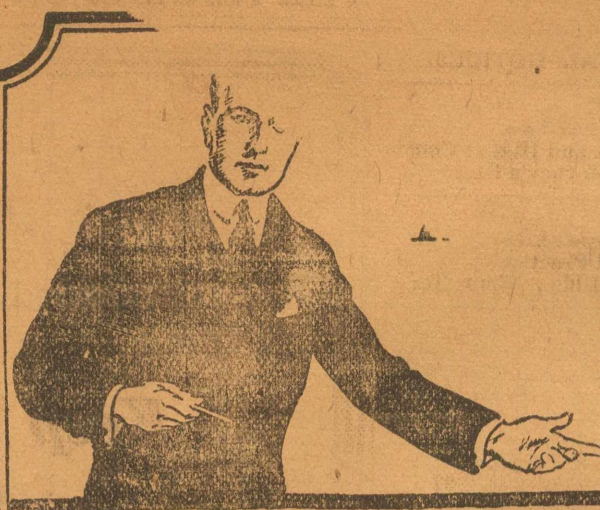

Organization of a permanent West Texas Fair Secretaries Association was perfected at a meeting of West Texas Fair Secretaries held at Abilene last week. Stuart L. Williams was elected president and W. G. Kingsolving, Secretary.
The meeting today had been called by the West Texas Chamber of Commerce to arrange dates for the various fairs of West Texas and to eliminate in so far as possible conflicting dates. A schedule committee, which was appointed by President Williams is composed of the following: Grady Kingsolving, Abilene; Curtis Keen, Lubbock; J. E. Bell, San Saba; Geo. S. Plants, Seymour, and the secretary of the board of City Development of San Angelo yet to be named. This committee will arrange the fair dates for 1923.

The following schedule of fair dates was adopted by the secretaries for this year: September 12-16, Seymour and Childress; September 14-16, Ballinger and Cisco; September 21-22, Brownwood and Spur; Sep. 22-23, Colorado; September 25-30 Abilene; September 25-27, Floydada; Sep. 28-30, Plainview; Sep. 29-30, Brownfield; Oct. 5 to 7, Post; Oct. 17-21 Lubbock; Oct 24 to 28, San Angelo.

OUR WAR BILL

It may seem a bit sordid to make reference to what war is costing you and me, today, in dollars and cents. Yet it need not be concealed. Of all the federal taxes we pay, 93 per cent is going to pay for wars past and future. Our people surely do not realize this enormous drain, but if the war tax could only be separated, and every time a man paid his taxes he paid in at one window \$7 for all other purposes of government, and then was obliged to step to another window marked "War Tax," and pay his \$93, he would wake up and cry in real distress, "For God's sake disarm!"—H. H. Windsor in the Popular Mechanics Magazine.

Help bridge over the dull season

Diversified farming knows no season, for it harvests crops throughout the year.

Keep at least two milch-cows

Cream checks, help pay grocery bills.

Have a hog for each Co-operative shipment. Thousands of dollars have been brought to our country already through these shipments. Be ready for the next one

Do not forget the chickens

125 hens means, eggs and chickens both, for the market and needless to say the money will be worth more now than later.

Try these suggestions the next six months, see how it is to get by what has always been the starving season in this country

People in all sections of the United States are "Bridging Over" by these diversified methods, and turning their big crops such as cotton, corn and wheat into money for new homes, paint and improvements for the old home. Lets make this year one of real thrift

A MICELLANEOUS SHOWER HONORING MRS. ROY HARKEY

Mesdames C. L. Love, C. A. Love, and W. P. Simpson were hostesses at a miscellaneous shower for Mrs. Roy Harkey Thursday afternoon at the home of Mrs. C. L. Love.

As the guests arrived they were received by Mesdames Love, Simpson, Harkey, Pierce, Andrews, Manning and Adams, and escorted by Mrs. McClure to the cloak room. In the reception room Mrs. Jim Edd Hall presented favor cards for the occasion, and Mrs. Link presided over the "bride's book" of artistic hand-painted covering and on the pages of which were written recipes and good wishes by the many friends and guests.

Mrs. Dickson sang a "bride song," after which Mrs. Adams as toastmistress called for toasts. Mrs. Pierce gave a toast to the bride, and to which the bride responded in a very charming and appropriate manner. Mrs. C. Earyl Senning gave a toast to the groom, Mrs. Manning to the absent mothers, and Mrs. Andrews to the girls left behind.

At the conclusion of the toasts, the bride was given the end of a thread and instructed to follow to where it lead, and at its end were many handsome gifts of linens, cut glass, and other useful and ornamental articles for the home. The occasion, together with the many presents, was substantial evidence of the love and esteem in which the bride is held by her friends in Spur, and all join in wishing the bride and groom much happiness and prosperity through life.

Mr. and Mrs. Roy Harkey were married Sunday, February 4th, and after spending a wedding tour of a week are now at home to their friends in Spur.

MEETING OF CATTLE MEN AT SPUR, FEBRUARY 25, 1922

County Agent Johnston and others have called a meeting of cattle men, which will be held in the director's room of the Spur National Bank Saturday afternoon, February 25th, at two o'clock.

The meeting has for its object the perfection of an organization for the advertisement of the cattle, especially calves, of this immediate section. Every one interested in the furtherance of the cattle interests of this section is cordially invited and urged to attend.

No better range cattle are raised than those produced in the general Spur country, and it will be of considerable advantage in case a well organized association can by means of suitable, well directed advertising put buyers in touch with sellers. The plan has been tried successfully elsewhere and there is no reason why it can not be made a success here.

For the benefit of the Spur organization Mr. Frank S. Hastings, of Stamford, manager of the Swenson Company's cattle interests, has very kindly offered his active cooperation. We hope that the various cattle interests will recognize the possibilities and will have representatives at the meeting in Spur.

MERCHANTS WILL GIVE FREE SHOW IN SPUR EACH SATURDAY

The merchants and business men of Spur have arranged with the Gem Theatre management to give a free show to all who come to Spur every Saturday afternoon, from one to five o'clock, and every individual from the surrounding country is cordially invited to attend the show.

Such a move on the part of Spur business interests is in line with the usual consideration shown and extended the people of the Spur trade territory and in this instance we are confident the thoughtfulness and consideration will be appreciated and many will avail themselves of this opportunity of enjoying an hour or two's high class entertainment. In putting this show on free of charge, it was done with the idea of furnishing those who shop in Spur, and especially the women and children, a place where they may feel free to go for rest and recreation and at the same time be entertained with the very best moving pictures.

The following business men are those who contributed the necessary funds in furnishing this show each Saturday afternoon free of charge to the public: Hogan & Patton, City Drug Store, Spot Cash Grocery, S.M. Swenson & Sons, Red Front Drug Store, Citizens Gaage, Brannen & Dobbins, Sam T. "LAST OF THE MOHICANS"

NOW A LIVING HISTORY

Critics have placed Maurice Tourneur's new picture, "The Last of the Mohicans," by J. Fenimore Cooper, in a new category of film productions. It is called a permanent photoplay classic, which means that it will live when the ordinary entertainment film has passed on. This is for several reasons, the first being that Tourneur proved he could make an absorbing entertainment out of Cooper's famous story, and at the same time preserve the historical and educational values. The picture offers his extravagant production, "The last of the Mohicans" is a story too well known to need repetition, but the sweet love tale, with the humor and pathos thrills and exciting moments, is one that will cause every beholder to gasp—then laugh, then gulp—for it is intensely human, intensely real, and replete with historical events that thrill.

All the ability and knowledge of the great Tourneur has gone into this production, which comes as his first through the new Associated Producers of which he is a member with Thos. H. Ince, Allan Dwan, Marshall Neilan, Mack Sennett, George Loane Tucker and J. Parker Read, Jr.

An all-lead cast, especially selected by Tourneur, appears in this story. The scenic backgrounds are exquisite in their rugged beauty.—G.m. soon

MIDWAY HAPPENINGS

Well as there is no reporter for our part of the country I guess some one should take the job.

I suppose every body knows where Midway is, it is better known as Shinery. When you reach the top of the Dickens hill north of town, your eyes will catch a glimpse of a rough, rolling sandy country, well that is known as Shinery community. A stranger who did not know would take this to be one of the most God forsaken countries on earth. But the people manage to make a living.

In the center of our community is located a good school house and two church houses.

The school house is built modern and has four teachers.

This Shinery, you know is the home of good ball players, they are bred and born here. So Midway is trimming up to take championship in the county, and even in the district.

We have a bunch that is going to be hard to beat. Would you like to know their names? Here they are, Clark, Blakley, N. McCormick, Austin J. McCormick, Kizzah, Williams, Overstreet, Marshall and others, who may prove to be good. The school team that beats this one will be a cracker jack.

Well it is about bed time, if this misses the waste basket I will come again.—Uncle Josh.

The singing at three o'clock Sunday afternoon at the Methodist Church was attended by a large crowd. As the president Mr. Horace Nickles was going away, a new one had to be elected, so only a few songs were sung, after which a president was elected. Mr. Eloise Nickles, was elected president, and Mr. Chester Ray, vice president, also a secretary Miss Lena Nickles. A few more songs were sung and the singing was dismissed by Brother Phiper to meet again the fourth Sunday.

Rev. Yates filled his regular appointment Sunday at eleven o'clock also Sunday evening at 7:30.

IMPORTANT

It is very important to every man woman and child in Spur, in a sanitary sense, that the City remove the terrific Sewer Stench from South of town as it is a peril to the health of every inhabitant of Spur, as it is a foul smell on our streets, and also smelled by the inhabitants in the farthest Northwest and North part of Spur. We believe it is only necessary to call attention to the City Council to a matter so vital to the health of all our people for speedy action before the weather gets warm.

J. H. Jones, of the Highway community, was in Spur during the week hauling out lumber and building material with which to make improvements on his farm. He is adding a room or two to his already comfortable farm home, and also making other building improvements on the place. There never has been a time since the beginning of Spur, thru the war, drouths and other disadvantages, but that improvements continued in the country. The Spur country always goes forward and never backward.

Walter L. Powell, of Dry Lake, was in the city Saturday. Quite a number were after him to get in the race for county judge, since it is generally understood that Judge McLaughlin will not be a candidate for reelection. Mr. Powell served two terms as judge, is familiar with the duties of the office, and would make a strong candidate regardless of the number who enter the race.

There is not a man in Dickens county who is more familiar with county affairs, or better qualified to perform public duties than B. G. Worswick. TO PEOPLE OF DICKENS CO.

You have probably already noticed in the last issue of the Texas Spur, that I would not be a candidate for re-election to the office of County Judge and School Superintendent, I wish to take this means of confirming that statement and also correcting the rumor that I have resigned. I have not resigned nor have I even thought of doing so.

The rumor being circulated about the same time that I announced that I would not be a candidate for the next term, would cause people to think that I am dissatisfied with my job and would therefore render inefficient service. On the contrary, I enjoy the school work very much, because I am deeply interested. I have tried to improve the schools of Dickens county, and feel that our efforts have not been in vain.

Now in order to call the attention of the public to our schools, will mention a few steps that we have taken:

First: Seven new schools have been built during the last year, all of which are modern and according to state aid plans. Of this number four are a credit to any county.

Second: Dickens county has been conditionally granted about twice as much state aid as it received last year, notwithstanding the fact that the aid was reduced one-fourth, and several thousand more schools applied for aid this year than last.

Third: There are sixty five teachers in Dickens county, and only eight have second grade certificates. Over fifty per cent of the teachers of Texas now only hold second grade certificates. Last year over fifty per cent of Dickens county teachers held only second grade certificates.

Fifth: Every school in Dickens county, save one, have met the requirements for state aid.

The above is mentioned only for the purpose of preparing your minds for the suggestion which we are going to make. Dickens county is awake to good schools and has made the long step in that direction.

According to the last census there were four hundred and fifty seven children in the town of Spur. These children have an able and well qualified superintendent. The 1,540 rural school children have an ex-officio superintendent who is supposed not to give the more than half of his attention. We say that these 1,547 children more than deserve full time of any superintendent, matters not how well qualified he may be. This idea is in harmony with every single educator in the state. Some may think that I have an axe to grind, but will state before they have time to say it, that I will not be a candidate for County Judge or County Superintendent, or both combined, if it remains a dual office. Neither have I any special friends that I wish to assist in getting any office.

We are merely trying to perform our duty in the betterment of the schools in Dickens county, and to our opinion, to divide this dual office is the most necessary step toward the betterment of the rural schools at the present time. Should this dual office be divided it will not be necessary to raise taxes.

We ask the people of Dickens county to give this question a serious thought, and when they do so, we feel satisfied what the results will be.—Cas. McLaughlin.

STEEL HILL.

The Steel Hill literary society was enjoyed by a large crowd last Friday night. The program rendered was real good. We have a program every two weeks. Our next meeting will be on the 24th of February, and we invite everybody to be present that can.

A. W. Jordan and wife and Walter Jordan returned home this week from Childress where they had been summoned to the bedside of their dying brother, Marion Jordan, who died Saturday night about ten o'clock.

Mrs. Ethel Jordan and Mrs. C. E. McClellan spent the day with Mrs. Nona McClellan Tuesday.

Last Friday night Mrs. Walter Jordan awoke in the night and discovered a Mexican trying to break in the house through a window. She called all the boys on the place, and ran the intruder away with an ax. The following morning Sheriff Goodall came and took the Mexican to the Kent county jail.

N. M. and H. F. Morris returned this week from Oklahoma where they had been on business.

Somehow I think it rather nice for me to offer some advice.

If you feel as cold as ice You'd better read this over twice.

The way I got this on my mind I heard a man kinder whine.

He said because he was behind He could make no crop of any kind.

The reason why he did complain He said because we need a rain.

Here, he said, it's nearly spring And so dry I can not do a thing.

I wonder if he never knew There's something else he can do,

Better for him and others too Than sit around and act so blue.

Of course it is rather dry But is that any reason why

we should sit around and sigh, And say we are not going to try?

Remember God in His plan Has some work for every man,

Something more than till the land, And we are serving Him all we can.

Don't you think now at last It would be well for us to fast,

Or some thanks toward heaven cast, For the blessings of the past?

Don't wear a frown on your face, Go out to some lonely place,

Ask yur Father and in faith, To bring you to a throne of grace.

If you can be meek and mild And keep sweet in your style,

There's nothing sweeter than a smile So try one just a little while.
