

A BUSINESS 'DAVID'
TO THE FORE

By Raymond C. Baker
American Way Features
Correspondent

In these days of too much fear of controversy by business, it is refreshing when a David comes forward to do battle with a Goliath of the television networks in defense of sound business principles and American fair play.

The protagonists are James S. Kemper, board chairman of the Kemper group of insurance companies, and the American Broadcasting Corporation. The villain is convicted perjurer Alger Hiss, who used his exalted position in the State Department to act as agent for a communist spy ring.

Mr. Kemper is being sued by ABC for \$452,000 as a result of his decision to cancel his companies' show, ABC-Evening Report, because the network put Hiss on the air last November to sing out "The Political Obituary of Richard Nixon" following the former Vice President's defeat in the California gubernatorial race.

Distasteful Verbiage

Hiss also used the nation's air waves to leave the impression that he was innocent and that Nixon, then an aggressive young member of the House Un-American Activities Committee, was "motivated by ambition, by personal self-serving." ABC preempted prime evening time, on which a Veterans Day tribute titled "The Fighting Man" had been scheduled, to air the distasteful Hiss verbiage.

As should have been expected, protests by the thousands flooded ABC. Even former President Dwight D. Eisenhower expressed his "astonishment" to ABC Vice President James Hagerty, his former White House press secretary.

In spite of the half million dollar suit, Mr. Kemper iterated that "we are standing by our position. We must preserve the good name of an insurance group on which two million policyholders depend for their security."

Bad Taste, Not Censorship

It is obvious that bad taste, not censorship, motivated the decision since the commentator on ABC-Evening Report, Ron Cochrane, noted news reporter and analyst, had absolute freedom of expression under the Kemper contract.

On the other hand, it was liberal commentator Howard K. Smith, whose reputation was built on anti-business commentaries, who allowed Hiss to use the air to vent his spleen over the political defeat of his arch enemy.

"To present a convicted perjurer, convicted because he lied about his communist associations and activities, as a witness to the character of a man who has served his country in many capacities was absolutely reprehensible," Mr. Kemper asserted.

"The furor provoked by the Hiss appearance, evidenced by newspaper editorials, letters to editors, condemnation of ABC by unanimous vote of the Illinois State Senate, protests by veterans' organizations, and the flood of letters and telephone calls to us, clearly showed the kind of image we could expect to suffer as a sponsor of an ABC news broadcast."

Forthright Stand

Mr. Kemper said the contract with ABC "provides a ten minute separation between our broadcasting time and the broadcast of a competitor. ABC flatly violated this contract when, not ten minutes away but inside our broadcast time, the network asked our audience to watch the show sponsored by one of our competitors on which Hiss appeared." This intrusion caused some critics to mistakenly blame the Kemper companies for the Hiss show.

Mr. Kemper emphasized that "continuation of the program would do us more harm than good. We have a right to choose our own bedfellows."

Too many business men cower at the thought of doing battle with media which use "freedom of the press" as an excuse for carrying liberal columnists and commentators who freely express their anti-business, pro-socialist views.

It is to be hoped that Mr. Kemper's forthright stand will dissipate this fear, that more and more business leaders will refuse to support media which take their advertising dollars and at the same time use the editorial columns and air waves to destroy them.

Letter To
The Editor

Santa Anna, Texas
February 5, 1963

Dear John,
Last Saturday morning we started a final drive to collect from livestock producers in Precinct 2 who had not yet paid their part for the Screwworm Eradication Program. This drive should be completed by the end of this week.

Coleman County has raised \$17,000 already, but we still lack \$7,000 of the amount designated for the county. There are about 200 livestock owners in our Precinct who have not yet paid and it will be virtually impossible for our committee to personally contact each one this week. It would be a great help if those who have not paid would leave the money at the bank — 50 cents a head for cattle and horses and 10 cents a head for sheep, goats and hogs.

This is our only chance to control screwworms in Texas, and I feel that every effort should be made to raise this money and continue this program.

Sincerely,
Tom Kingsbery

Snatch Coffee
Raise \$54.41 For
March Of Dimes

The annual "Snatch Coffee", a project of the Delta Omicron Sorority, raised a total of \$54.41 Saturday for the March of Dimes. Mrs. Sammie McCreary was chairman of the coffee committee.

The March of Dimes drive is now about complete. All the major functions are over and all that remains is those who desire to make contributions who have been missed.

Anyone desiring to make a contribution of the March of Dimes is requested to leave it at the Santa Anna National Bank, deposited to the March of Dimes account. Several have made contributions in this manner in the last few days.

Lee Wristen
Struck By Car
Wednesday, Jan. 30

Lee Wristen, 5-year-old son of Mr. and Mrs. Thomas Wristen, was struck by a car about 5:15 p. m. Wednesday, January 30, in front of their home on Avenue A. The youngster suffered only superficial bruises.

Apparently Lee started across the street and John Hurst, an employee of the circulation department of the Brownwood Bulletin, struck him with the front of the car he was driving, knocking Lee an estimated 10 feet. He was carried to the Santa Anna Hospital in an ambulance and after a complete x-ray and physical examination, was released. He did not suffer any broken bones.

The youngster is now recovering nicely and appears to be suffering no ill effects.

The accident was investigated by Deputy Sheriff M. R. Simmons. No charges were filed.

Father Of Local
Man Dies In
Abilene Wednesday

T. J. Dockery, 67, father of James T. Dockery of Santa Anna, died in an Abilene hospital at 9:15 p. m. Wednesday after an illness of two days. Funeral services were held Friday at 2:00 p. m. at the Kiker-Warren Funeral Home in Abilene, with burial in the Clyde Cemetery.

A retired farmer, Mr. Dockery was born September 24, 1895 at Killeen. He was a long-time resident of Clyde, but had lived in Abilene since 1958. He was a veteran of World War I. His first wife died in 1954 and he was married to Margaret Permelly in Abilene in 1958.

Survivors include one son, James T. Dockery of Santa Anna and two granddaughters.

Housing Authority
To Meet Tuesday

The regular monthly meeting of the Santa Anna Housing Authority will be held in the Directors Room of the Santa Anna National Bank at 3:00 p. m. Tuesday, February 12. All members are urged to be present.

Attend church regularly.

School Trustee
Election Called
For April 6th

In regular session Tuesday night, Feb. 5, the Board of Trustees of the Santa Anna Independent School District ordered an election to fill two places on the Board of Trustees. Texas school trustee elections are set by law on the first Saturday of April of each year.

The terms of Grady McIver and William Brown expire on May 1, 1963.

The law requires that all applications for places on the ballot must be in the hands of the county judge at least 30 days prior to the election. Application forms for places on the ballot may be obtained at the school office and must be filed with the County Judge before midnight, March 6th.

BUS DRIVER NEEDED

Earl Irick Jr., driver of school bus route No. 34, resigned his position in January. His resignation was accepted by the school board Tuesday night.

The job is now open. Anyone desiring the job may make application to Mr. Cullen N. Perry or to any member of the school board. It is desirable that applications be made as soon as possible.

Hearts Inspire
Love, Candy and
Hard Work

Valentine's Day with its hearts inspires most lads to think of love, courtship and dainty morsels of chocolate candy.

But to Robert Janus, the heart means an organ that does enough work in 12 hours (obviously a non-union heart) to lift a 65-ton tank car one foot off the ground.

Not content with such an unhappy comparison, Janus goes on to report that the heart pumps blood through about 100,000 miles of blood vessels — a distance equal to five round trips between New York and Sydney, Australia.

A man's heart is only about the size of his fist, yet it pumps approximately 1,800 gallons of blood through his body each day.

In its first stage of development, the human heart is like the heart of a fish — only a simple tube. Then it resembles the heart of a frog, then that of a snake. When it's fully developed, it resembles the heart of a bird.

Janus, unfortunately, should know. He's science editor of World Book Encyclopedia. Mrs. Janus doesn't care — she'd better get her heart-shaped box of candy, or else.

Account Numbers
Must Be On 1962
Income Tax Returns

Taxpayers were reminded today by Dallas District Internal Revenue Director Ellis Campbell that under a recent law they are required to enter their identifying "tax account" numbers on 1962 income tax returns filed in 1963.

For the individual, this is his social security number, or similar number issued for tax reporting purposes if he has never had employment under social security coverage.

Use of identifying numbers is essential to electronic processing of returns, now being installed nationwide by Internal Revenue. Mr. Campbell said. He added that failure to show account number may delay any refund due.

Taxpayers still needing an account number should apply at once to the District Director's office, or to the District Office of the Social Security Administration, or by writing to Internal Revenue Service, Post Office Box 211, Baltimore, Maryland.

Director Campbell pointed out also that payers of dividends and interest are required to obtain the account numbers of their shareholders and depositors and to use them on information documents submitted to Internal Revenue.

He said receivers of income from these sources should comply promptly when they get requests for their account numbers from the paying organization. This also is required by law, he added.

Attend church regularly.

Two Wrecks
Tuesday Morning

Two auto accidents were investigated by the Sheriff's Department in this area Tuesday morning. The first accident occurred about 7:15 a. m. on the Whon Road about 14 miles south of town.

Floyd Morris, driving a 1949 Plymouth and heading north was in collision with a trailer being pulled by a 1951 Ford pickup and driven by Chester Davis of Brownwood. Davis was traveling west at the intersection of the highways at the entrance to the Turner Ranch.

Damage to both vehicles was heavy, but no injuries were suffered. A horse in the trailer was not injured. No charges were filed.

The second accident happened about 10:40 a. m. in front of the H. B. Monroe home on Avenue C. Doc L. Wallace, driving a 1949 Chevrolet, hit the rear portion of a 1958 Rambler station wagon parked in front of the Monroe house. The Rambler belongs to James E. Rose of Rockdale. No injuries were reported.

Damage to the Rambler was estimated at \$100 and \$50 to the Chevrolet. No charges were filed.

Regular Boy
Scout Meeting

The regular meeting of Troop 30, Boy Scout of America, was held at the City Hall Tuesday, January 29. Seven boys were present.

During the business session an order was prepared and sent off for the boys' badges of rank. Other usual business was carried out.

The following officers were elected: Quartermaster, Joe Rutherford; and Reporters, Patrick and Pascal Hosch. The meeting was then adjourned.

The Scouts met again Tuesday night of this week in their regular meeting place at the City Hall. Assistant Scoutmaster Lee Ray Huggins was in charge.

The nine boys present paid their dues. After repeating the Scout Oath and a short discussion, the meeting was adjourned.

The next meeting will be held Tuesday, Feb. 12, in the regular meeting place.

Burkett F-M Road
Under Construction

A contract for 4.6 miles of construction on FM Road 2806 in Coleman County has been awarded to a Clyde firm, it was announced in Austin this week by the State Highway Commission.

T. M. Jr. & Don Brown submitted the low bid of \$78,326 on the project. Grading and structures from 4.6 miles northwest of SH 206 to SH 206, three miles Southwest of Burkett is expected to take 100 working days, according to E. M. Pritchard District Highway Engineer at Brownwood.

Eric C. Mayo Sr., Resident Engineer at Coleman will be in active charge of the project while it is under construction.

Screwworm Program
Still In Jeopardy

Mission — An appropriation of funds by the Texas Legislature will not relieve the crisis which has developed in the exhaustion of producer funds in the Southwest Screwworm Eradication Program. Private sources will still have to raise the remaining \$1,000,000 of a \$3,000,000 livestock producer goal within the next few months, it was pointed out by C. G. Scruggs, president of the Southwest Animal Health Research Foundation.

Scruggs expressed the Foundation's appreciation to Governor John Connally and the Texas Legislature for recognition of the emergency facing the livestock owners of Texas. State funds which might become available would insure the successful completion of the three-year program, provided producers come up with their share, Scruggs said.

Rev. and Mrs. Roy Breggs of Corsicana spent the weekend with her sister, Mrs. T. L. Huggins.

Type III Oral Sabin Polio
Vaccine Here Sunday

Plans are presently being completed to administer the Type III Sabin Oral Polio Vaccine on Sunday, February 10, in this area. The same procedure will be followed as was employed in the previous administration of the other two vaccines.

Type III is recommended for everyone from two months of age up. A statement from the United States Public Health Service said, "The U. S. Public Health Service recommends that Type I and III be given all people, including adults, with the understanding that there is a very slight chance that Type I or III polio may occur even after immunization. There has been no indication that there has been any Type I or III polio caused by the vaccine itself."

It is especially desirable for

young parents and expectant mothers to obtain their immunizations.

The vaccine will be administered at the Armory Sunday afternoon between the hours of 1:00 and 6:00 p. m. The ladies of the Delta Omicron Sorority will take care of most of the details of registration and helping to administer the vaccine. Trained medical attendants will also be on hand to oversee the project.

The cost of the vaccine will be the same as in the past — 25 cents for each vaccination. However, everyone is urged to go and take the vaccine regardless of whether you are able to pay the 25 cents or not. Those who are able are requested to contribute a little more than 25 cents in order to pay for the ones who are unable to pay.

This is the final vaccine of the three oral vaccines for the prevention of polio. It is yours for the little effort it takes to go to the Armory and take it. Although polio is on the decline, the way to keep it that way is for everyone to take the vaccine when it is offered.

Mountaineers
Continue Drive
For First Place

The Mountaineer boys continued their drive toward the championship of District 9-A Friday and Tuesday night. Friday night they defeated a determined Burnet team 43-40 and Tuesday night they lambasted Marble Falls 50-22.

They have three more games on the district schedule, two of them being tough ones. This Friday night they go to Bangs but should not have much trouble there. Tuesday night of next week Goldthwaite comes here for a game that could be a thriller. The Eagles are the only ones who have won over the Mountaineers in district play.

The final game of the district schedule will be played here the night of Feb. 19. It will be with Copperas Cove, presently tied with the Mountaineers for the top position. Santa Anna is the only team to defeat Copperas Cove in district play.

Goldthwaite is just about out of contention for the title as they have lost three games.

In the girls division, the local fems have a 6-3 district record. The girls won both their last two outings by winning over Burnet 43-19 and taking Marble Falls 41-22.

Meetings Continue
At Adventist Church

A book, "Beyond Tomorrow," by Raymond F. Cottrell is being given away at the meetings held at the Seventh-day Adventist church. Each person responsible for bringing a guest to the meetings that has not previously attended receives one of the volumes. The winner does not have to belong to the Adventist church.

The book to be given away is copyrighted 1963. It has chapters about "A Man for the Hour," "Fireproof Men," "Under the Tyrant's Heel," and others. Charles Mesnard, evangelist for the series, states that the book is extremely interesting and inspiring.

A gift is also given to each person who attends for the first time. Several of these gifts and copies of "Beyond Tomorrow" have been given away already.

Tuesday night the millentium was presented with Black Light illustrations and Friday night the topic will be "Red River of Life." The service begins at 7:30.

Quarterback Club
To Elect Officers
Monday Night

The regular meeting of the Santa Anna Quarterback Club will be held at the high school at 7:00 p. m. Monday, February 11. All members are urged to attend.

Principal order of business will be a report from the nominating committee and the election of officers for the coming year. New officers will be installed after the election.

Present officers are: President, Billy Campbell; Vice President, Jim Rutherford; Secretary and Treasurer, A. D. Bowen.

Mr. and Mrs. Tony Pirrello of Abilene visited during the weekend with her parents, Mr. and Mrs. John Gregg and John Wayford.

Services For Mrs.
J. H. Freeman
Held Tuesday

Mrs. J. H. Freeman, 90, a long-time resident of Coleman County, died in the Santa Anna Hospital about 9:00 p. m. Sunday. She had been a rest care patient there for about two years.

Funeral services were held at the Seventh-day Adventist Church at 1:30 p. m. Tuesday, with Edgar Browning, pastor, officiating. Burial was in the Santa Anna Cemetery, under the direction of Hosch Funeral Home.

Mrs. Freeman was born August 16, 1872 in Quince, Ill. She had been a resident of Coleman County since 1905. She lived northeast of town for many years and has made her home here for the past several years. She was a member of the Seventh-day Adventist Church.

Survivors include three sons, Dee Freeman of Guthrie, Okla., R. L. Freeman of Santa Anna and Jim Freeman of Denver, Colo.; three daughters, Mrs. Jessie Darnell of Sanatorium, Calif., Mrs. Mary Cannon of Henderson and Mrs. Ruby Rankin of San Marcos; one half-brother, C. A. Farmer of Red Bluff, Calif.; nine grandchildren, 19 great-grandchildren and one great-great-grandchild.

Pallbearers were Lester Newman, David Niell, Jess Griffith, Fred Murray, Earl Ray and Neely Evans.

It's Time For... EYE CARE

Dr. Newton K. Wesley
UNRULY EYES

Some people are far sighted in one eye and nearsighted in the other. This condition is called anisometropia. People thus afflicted have an advantage when they are older because they will see "near" with one eye and at distance with the other. Therefore, they will believe they do not need glasses, but this is not true. The ideal condition would be to have the eyes corrected.

Wesley

The image size in the two eyes are quite different. The far sighted eye is smaller than the near sighted eye and the brain has a problem in fusing. This may bring about crossed eyes. Hence the importance of having children's eyes examined early.

Imagine if a person was slightly nearsighted, he would see blurred objects at a distance—then when he became older, he would still be able to read at "near" without a correction. This is the reason so many of these people feel they never need glasses for reading. But actually all through life their vision blurs at objects in the distance.

In beginning cataract cases, a slight nearsighted (myopia) condition might develop due to the swelling of the lens. This sometimes causes people to think their vision has improved. This calls for a complete eye examination. The National Eye Research Foundation suggests such an examination every six months.

NOTICE TO THE OWNERS OF LOTS IN THE SANTA ANNA CEMETERY

Members and Directors in regular session January 18, 1963, voted that no independent workers would be allowed to work lots in the Santa Anna Cemetery on a commercial basis after April 1, 1963. Lot owners may work their individual lots.

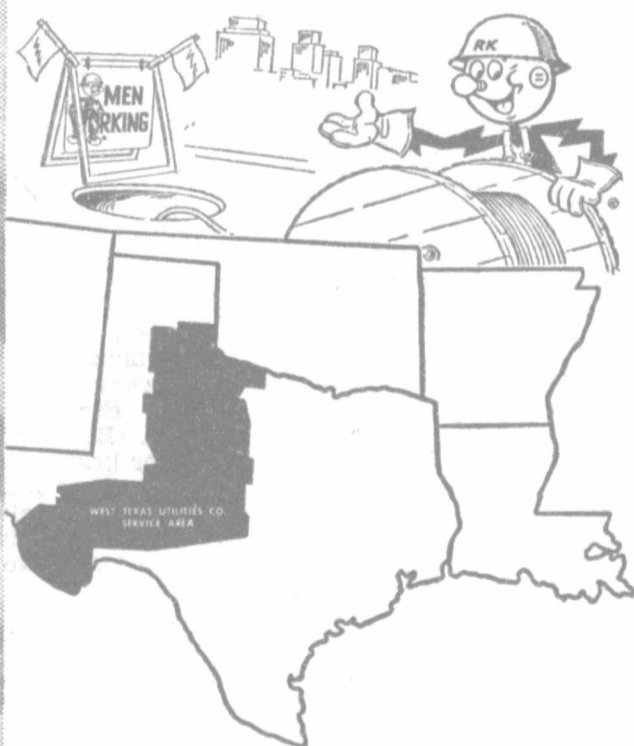

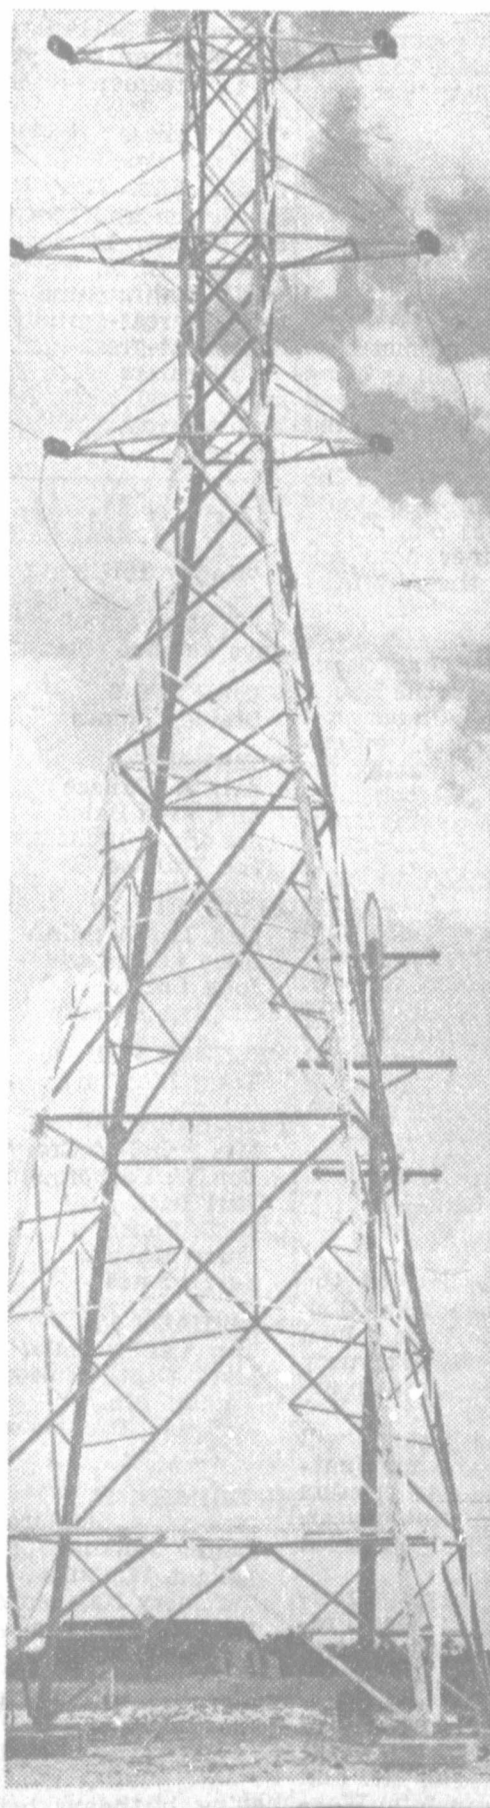

A motion was also carried that General Rules Section 1 and 2 be brought to the attention of the public by publishing same in The Santa Anna News, as follows:

RULE 1: The Santa Anna Cemetery Board shall at all times have legal custody and possession of all lots, walks, drives, avenues, grounds and other properties situated and held in said cemetery.

RULE 2: Proper care and policing of the grounds of the cemetery, location and grade of lots, walks, avenues and drives and all improvements made therein are under the exclusive control of the Board, and its authorized agents.

The action is intended to help the Association keep the cemetery in a much improved condition.

ALL **BIG** THINGS

DON'T HAPPEN IN BIG CITIES

Proud cities of small and medium size are scattered throughout the West Texas Utilities service area, plus some small towns and villages.

But collectively they compose the vital and fast-growing Center of the Southwest, where major business and industrial development is taking place.

For example: a nationally-known packing company has established a lamb processing plant here... an existing manufacturer has developed machinery for a new process which is the hit of the footwear industry... one of America's great business complexes has constructed a major textile-producing factory... a wool scouring plant has been built and expanded... a leading surgical supply company will soon start plant construction... and dozens of other operations are bursting out all over the area.

Yes, it is very true. All BIG things don't happen in the big cities. Our service area faces GROWTH UNLIMITED, and our own expansion plans are geared to measure and meet the electric service needs of this dynamic area, the CENTER OF THE SOUTHWEST.

A Salute To Young Men With A Good Motto -- Be Prepared

February 7-13 is Anniversary Week Of the Boy Scouts... Celebrating 53 Years of Outstanding Achievement.

BE PREPARED

Is the motto that inspires thousands of young American boys in their scout work and they are preparing for a worthwhile future as outstanding men. We cannot estimate the greatness of the work of this fine organization, but we can pause to pay tribute to them as they celebrate the 53rd anniversary of their founding.

YOUR FRIENDLY

Santa Anna National Bank
Member FDIC and Federal Reserve Bank of Dallas

AUSTIN — Rep. Will Smith of Beaumont wants the voters of Texas to select the Speaker of the House.

He has introduced a resolution calling for a constitutional amendment to make the position of Speaker an elective office.

If passed by the people it would eliminate much bickering among House members, not only during sessions but between sessions. It would speed up work in the House by enabling the members to get down to business on the opening day of each session. And equally important it would save the State many thousands of dollars as a consequence of the man hours lost.

PADRE PROJECT BRIGHT
Prospects are brighter for passage of Padre Island National Seashore legislation by the House and Senate.

An impressive parade of supporting witnesses went before State Affairs Committees in both chambers and a surprising about-face occurred on the part of Land Commissioner Jerry Sadler.

Opposition had all but vanished—principally because of Sadler's retreat from his previous stand. He told the legislators that if a Federal project was what they wanted, "then I want to see it happen, too."

WOMEN'S RIGHTS
More than 200 women marched into a senate committee meeting on "equal rights for women" and cheered committee approval of a constitutional amendment; they've battled for through several legislative sessions.

The "equal rights" bill — yet to be passed by the Senate — may run into trouble in the House of Representatives.

Rep. James Cotten of Weatherford — former foe of the

amendment — is chairman of the House Constitutional Amendments committee.

GOVERNOR SIGNS FIRST BILL

First bill to be signed by Gov. John Connally was one he'd requested.

It was the bill which appropriates \$65,000 for his office; \$50,000 for a study of higher education needs; and \$82,000 for investigation and prosecution by the Attorney General's office.

Governor Connally also made two appointments. He named Austin attorney Robert D. Bullock to the Texas State Historical Survey Committee, and re-appointed Mrs. J. S. Abercrombie of Houston to the State Board of Mansion Supervisors.

SOLD ON SCREWORM PROGRAM

Governor Connally met with farm and ranch leaders and told them he's still a strong supporter of the Screwworm Eradication Program, but won't request the legislature to make emergency appropriations until he sees the results of the program's fund drive.

"I am completely sold on the program," Connally said, "and I am confident the livestock industry will raise the remainder of its quota by March 1."

He said requirements for a state contribution to the eradication program will be considered after March 1. "I do not think we will have difficulty in securing state appropriations, if the producers can meet their commitment," the governor predicted.

"MADE IN U. S. A." ORDER HIT

The 3rd Court of Civil Appeals in Austin has contradicted the State Highway Commission by declaring that the commission has no authority to enforce a "made in the U. S. A. only" restriction on highway construc-

tion materials. Commission had stated on October 28, 1960, that highway contractors can't use foreign materials for highway construction. This order was challenged by the Texas Association of Steel Importers, Inc., in the 53rd District Court in Austin, which upheld the state order.

Importers appealed to the 3rd Court of Appeals. It ruled, "We believe an order disbarring all imported materials from the market available to highway construction contractors acts to restrict competitive bidding."

Attorney General Waggoner Carr plans to appeal the decision.

LEADING TRIAL ATTORNEY JOINS CARR

Texas' Attorney General, who recently bemoaned the fact that his department couldn't afford to employ experienced trial attorneys to prosecute slanted-hole oil well cases and cases resulting from Billie Sol Estes scandal, has added a legal luminary to his staff.

He is Joseph Searcy Bracewell, former president of the Houston Bar Association and father of former Sen. Searcy Bracewell.

HOME FOR PARKS BOARD?

An alternate to Governor Connally's proposal that the State Parks Board be combined with the Game and Fish Commission has been offered by the Bayshore Rod, Reel and Gun Club of Baytown.

The club, which believes the merger proposed by Connally would be "catastrophic" for the Game and Fish Commission, argued that the State Highway Department would be a more suitable "partner" for the Parks Board.

As the law now stands, the Highway Department holds the purse strings to all state money allocated for tourist attraction.

INDUSTRY LURE

A proposal to give new or expanded industry a five-year exemption of state property taxes has been advanced by Rep. C. Jim Segrest of San Antonio in a constitutional amendment he introduced in the House.

"Tax lures" for new industries are considered unattractive by the Texas Industrial Commission, but Rep. Segrest predicted a property tax exemption would speed up industrialization. His proposed exemption would apply to new industries coming into the state or to existing firms which increase both capital investment and employment by 10 percent.

LIFE BEGINS AT FORTY

That old saying "life begins at forty" has been refuted by many workers who claim their troubles start at forty, when their jobs are endangered because of their advancing age.

Governor Connally included job security for people up to 65 in the program he laid before the 58th Legislature, and the Fraternal Order of Eagles has made the matter its No. 1 legislative project.

Bills stating that no state agency or political subdivision of the state may refuse to employ a person solely on the basis of age have been introduced in the senate by Sen. Franklin Spears of San Antonio and in the House by Rep. Will L. Smith of Beaumont.

Bills also provide that no agency of the state or any political subdivision may establish a maximum employment age of less than 65 years.

If the bills pass, it also would be illegal for any individual, firm or association in Texas to refuse to hire, or attempt to fire, anyone up to 65 solely on the basis of age.

STAMPS OR CASH

Rep. Milton Schiller of Cameron is circulating a bill to require merchants to give customers a three per cent cash discount if they don't want to accept trading stamps as a shopping "bonus."

Schiller is trying to see what sort of support he'd get if he

decides to introduce the bill.

BILL BOOSTS OIL QUOTAS

A bill which would make the Railroad Commission allow much greater oil production in Texas has been introduced in the House of Representatives.

Rep. Lloyd Guffey of El Campo has proposed that the commission set 14 days as the minimum operation monthly by any well.

He also wants new fields unprorated until production reaches 10,000 barrels daily.

Every well also would be permitted to produce at least the "average daily capacity allowed by the commission for the preceding 60 days."

TOURIST SLUMP ENDS

A four-year tourist slump ended in Texas last year. State Highway Department says tourists spent \$471,000,000 during 1962, an increase of \$31,000,000 over 1961.

Number of tourists jumped from 8,400,000 to 10,600,000.

HEALTH PANEL DUE

A steering committee is being selected to choose and guide a statewide planning committee for developing mental health services in Texas.

Dr. J. E. Peavy, state commissioner of health, is chairman of the new committee. Co-chairman is Dr. Cyril J. Ruilmann, director of mental health for the state hospital system.

Leading Texas authorities in psychiatry and mental health will be on the committee.

NOT FOR JP COURT

Violators of game and fish laws cannot be tried in justice of the peace courts.

Attorney General Carr issued the opinion in response to a request by Rep. Bill Hollowell of Grand Saline, chairman of the House investigating committee.

Hollowell said his committee has received reports that such violations were being tried in justice courts contrary to at least two decisions by the Court of Criminal Appeals.

NO TEEN-AGE TATTOO

Rep. J. E. Ward of Glen Rose has introduced legislation that would make it unlawful to tattoo any person under 18 years of age.

Ward's bill declares that it is important to prevent young people from acquiring tattoos which may be disfiguring and impossible to remove without scarring.

It also noted that disease may be transmitted by the tattooing process.

DEFICIT FLUCTUATES

State General Revenue Fund now shows a deficit of \$60,508,881, State Treasurer Jesse James says.

This figure is up almost fifty percent over the \$42,281,647 deficit reported on January 9.

DO-NOTHING OFFICIALS HIT

Do-nothing public officials will get small paychecks if Rep. Maurice Ball of Dallas has his way.

Ball, a Republican, has introduced a House measure which would allow deductions from salaries of public officials who neglect their duties.

Texans unhappy with officials from the governor down to city department heads could present their complaints, along with \$100 to the appropriate person or agency which authorizes the payment of salaries.

FUNDS ASKED

Dean of the new South Texas Medical School in San Antonio has asked legislators to give the school enough funds to begin recruiting a faculty.

Dr. Robert Berson said prospective heads of departments at the new medical school could join the staff of the R. B. Green Hospital until the school's teaching hospital is completed.

HOSS "ALL TEXAN"

Hoss Cartwright, in Austin to address a joint session of the legislature, said he is mighty glad to be home in Texas again.

The 300-pound "Bonanza" star, whose real name is Dan Blocker, said he'd never really been away — just "on a long link"

from here to California.

"Once you're a Texan, you can't be anything else," he declared.

The big actor was named "Texan of the Year" by the Texas Press Association.

TOUCHY PROPOSAL

The Texas Legislature has been confronted with the politically touchy proposal of replacing justice of the peace courts with county courts of record.

Rep. Ben Barnes of DeLeon offered a proposed constitutional amendment on the subject. He noted, however, that his sponsorship is "by request."

The idea originated in the State Bar of Texas, and has been the subject of controversy both inside and outside the organization.

BOOSTING TEXAS

Rep. Bill Walker of Cleveland wants a silhouette of the State of Texas and the words "Lone Star State" on Texas' automobile license plates.

He has introduced a resolution in the House aimed at accomplishing this goal.

Walker says the change would make the identification of Texas cars "instantaneous as they tour the continent."

MEDIATION SERVICE REQUESTED

Sen. D. Roy Harrington of Port Arthur believes the creation of a state labor-management mediation service would be a good move.

He says it would be "good for management, good for labor, and most important of all, good for the public."

A good mediation service could avert many a potential breakdown in labor-management negotiations, he said. By providing a knowledgeable but neutral third party, it could shorten many long and costly work stoppages or lockouts, the Port Arthur solon believes.

REPEAL SOUGHT

Rep. Don Gladden of Fort Worth is asking repeal of a law requiring school districts to secure voter approval before desegregating schools.

Gladden said his bill is co-authored by 50 House members.

SPECIAL NOTICES

Citation by Publication THE STATE OF TEXAS
To: O. C. Jones Defendant,
Greeting:
You are hereby commanded to appear before the Honorable 35TH DISTRICT Court of Coleman County at the Court House thereof, in Coleman, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 4th day of March A. D. 1963, then and there to answer Plaintiff's Petition filed in said Court, on the 30th day of October A. D. 1962, in this cause, numbered 8701-A on the docket of said court and styled Monnie Jones Plaintiff, vs. O. C. Jones Defendant.
A brief statement of the nature of this suit is as follows, to wit: That Plaintiff is a bona

fidie resident of the County of Coleman and has resided in said county for more than six months and in the State of Texas for more than 12 months preceding the filing of this petition and that Plaintiff and Defendant were lawfully married in Rannels County, Texas, on or about the 19th day of October, 1926, and permanently separated on or about December 1, 1960, and Plaintiff alleges that the Defendant, at the time and of shortly prior to the final date of separation, was guilty of excessive cruel treatment directed at Plaintiff of such a nature as to make their further living together as man and wife insupportable. Plaintiff alleges that no children were born of the marriage and that the community property has been divided by agreement and that the house and lot situated on Block 13, Clows Addition to the Town of Coleman, Texas, recorded in Volume 401 Page 158, of the Deed Records of Coleman County, Texas, as Plaintiff's sold and separate property; as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
Issued and given under my hand and the Seal of said Court, at office in Coleman, Texas this 17 day of January A. D. 1963.
Attest:
G. A. HENSLEY Clerk
District Court, Coleman County, Texas 4-7c.

Read Romans 10:1-11
Whatever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope. (Romans 15:4.)

In James M. Barrie's book The Window in Thrums, we read about the crippled old Scotsman who sat at her window in Trams. Her favorite text was a verse in the sixteenth chapter of Genesis. She turned to it often. She said, "I read from the beginning of the chapter, but when I come to 'Thou God seest me, I stop... I let the book lie in my lap, for once a body's sure of that, they're sure of all.'"
The Bible takes for granted that God does speak to men. His voice singles a man out from the crowd and isolates him from all other souls in a personal appeal or message.
For soldiers in foreign lands, for stricken men on lonely beds of pain, for prisoners and refugees who are homeless in a strange land, this Book has divine power to recreate home and peace in the heart.

PRAYER:

O God, set free our souls from all doubt and fear so that we may follow the guidance given to us in Thy Holy Word. Help us amid the storm and stress of life to find that peace which Thou alone canst give. Through Jesus Christ, our Redeemer. Amen.

THOUGHT FOR THE DAY

I will not only read the Bible, but heed the voice of God speaking to me through it.

Bar Committee To Work With Texas Newspapers

Austin — A special Bar committee to work with the state's newspaper industry was appointed Friday by State Bar President Leon Jaworski of Houston.
The committee was authorized by the Bar's board of directors at the requests of executives of the Texas Daily Newspaper Association and the Texas Press Association.

Jaworski named John P. Blair of Beaumont to head the committee and Joe Reynolds of Houston as co-chairman. Homa S. Hill of Fort Worth, the Bar's public relations committee chairman, was named an ex-officio member.

The Bar president said the group will assist the two newspaper organizations "in studying laws affecting the publication of news and newspapers, as well as those relating to publication of public notices."
Membership on the committee is statewide.

Named to serve with Blair and Reynolds were W. Pat Camp of San Antonio, Wilson H. Fox of Taylor, W. C. Haley of Waco, Martin Harris and R. Dean Moorhead, both of Austin, and Leslie Lockett of Corpus Christi.

USDA Announces Availability of Cotton Micronaire Readings for 1963

B. B. Manly Jr., in charge of the U. S. Government Department of Agriculture, Cotton Classing Office in Abilene, calls attention to a recent news release from Washington, concerning the availability of Micronaire readings for next year. Some details remain to be worked out and as soon as they are complete they will be announced.

Micronaire readings on samples of cotton submitted for classification under the Smith Doxey Program will be available, on a fee basis during the 1963-64 season, according to the U. S. Department of Agriculture.

This service provides a measurement of fiber fineness of cotton as determined by airflow instruments. Fiber fineness is a quality factor important in

spinning. Testing for micronaire readings is authorized under the Cotton Testing Service Act.

The micronaire reading service was introduced during the latter part of the 1962-63 season and was used extensively by farmers in West Texas and Oklahoma. A fee of eight cents per sample was charged for this service. The fee for the coming season will be announced about May 1.

Applications for the testing service must be submitted by a ginmer to the Agricultural Marketing Service cotton classing office serving the territory in which the gin is located. All samples submitted for classification from a gin that files an application for the micronaire service will be tested. Applications should be submitted as soon as possible but no later than July 1. Several weeks are required to install equipment and train personnel to provide the testing service. Classing Offices may not be able to provide testing service to gins submitting applications after July 1 due to a lack of equipment and trained personnel.

The gin that submits application for the service will be responsible for payment of the test fee. Applications for micronaire readings and additional details regarding the service may be obtained from any local Cotton Division Classing Office of the Agricultural Marketing Service.

HONORARY BETA OF THE MONTH

Each month the Beta Club selects a student as Honorary Beta of the Month. For February, we salute Linda Evans. Linda, a senior student is the daughter of Mr. and Mrs. Doyle Evans. She is well liked in SAHS and is friendly to everyone. Her subjects this year include English IV, Shorthand, Chemistry and Economics.

During her Freshman year, Linda was a representative to the Student Council. Her Sophomore year, she was class favorite and Student Council Representative.

As a Junior, she was Secretary-Treasurer of the Student Council and FHA Parliamentarian. At the present time Linda is Secretary-Treasurer of the Student Council, runner-up in the most popular and most beautiful girl elections, senior class representative in Halloween Carnival, Band Sweetheart, Parliamentarian of her class and Band Reporter.

Linda has been a member of the senior band 6½ years and is

a member of the Stage Band. She is always a member of the School's Honor Roll.

We are pleased to have Linda as our Honorary Beta of the Month.

AGRICULTURE DEPARTMENT

Mr. Pettit and ten boys from his department spent a few days last week at a stock show in Fort Worth. Those attending were Bill Horne, Stanley Hartman, Les Guthrie, John Dillingham, Donnie Henderson, Frank Valdez, Randy Brown, Mike Hosch, Joe Ed Wise and Bobby Morgan.

The boys worked hard and won around thirty ribbons. Second place ribbons were presented on their exhibits. Mr. Pettit complimented these boys in the Monday morning assembly. He said he had never taken a group of boys anywhere who were as devoted to their job. Two-thirty in the morning would find these boys still working on the tasks to be done. He just could not get them to quit.

We at SAHS are proud of these boys and we wish them

luck as they go to San Antonio this week for another stock show. Have a little fun this trip, boys. Remember, "All work and no play makes Jack a dull boy!"

GRADE SCHOOL NEWS

The seventh grade class has received two new students from Springtown, Texas. They are Lillian and Frances Johnson.

Mr. Camp, in an effort to build up the Junior High Band, has received seven new students in his band. These are Wanelda Blount, Sherry Thompson, Mary Wells, Wilma Townsley, Frances Johnson, Lillian Johnson and Alice Herrera.

Several members of the seventh grade have received suits as members of the basketball team, these being Carolyn Rowe, Dickie Horner, Bob Rutherford, Roy Joe Harvey and Lin Wristen.

The eighth grade held a class meeting Monday morning, February 4. Carlton Watson, President, called the meeting to order. Committees were appointed for the food, entertainment, and theme of the eighth grade banquet. Other committees appointed were history, will and prophecy writing committees. Waiters and waitresses, names to be announced later, were chosen from the seventh grade.

The grade school basketball teams will participate in a tournament at Early Thursday, Friday and Saturday nights. Both boys and girls will play. The girls' game Thursday night will start at 5:10 p. m. and the boys' game will start at 6:15 p. m. The winners and losers will both play on Friday night, and the winners will play on Saturday night.

window shopping tour, returning to attend the First General Session at 7 p. m. in the Grand Ball Room of the hotel. Two of the local Betas, Larry and Sherman, were ushers at this meeting and there met the executive head of the Beta Club, Mr. J. W. Harris. During the first session, candidates for state offices in the Beta Club were introduced and made campaign speeches. Also on the program was a talent show featuring acts from all over this vast state.

Saturday morning at the Second General Session, the Santa Anna Beta Club and many other newly-formed clubs were recognized. Other varied business was discussed at the meeting. It was stated that there was an increase of 84 chapters in the U. S.; 21 new chapters in Texas. Following this meeting, our local Betas attended the Projects and Plans Conference. There they listened to and participated in discussions on new ideas for fund raising and service projects this new year. After the conference the Betas went sight-seeing escorted by Mr. Homer Schulze and his wife, who are former residents of this county and an uncle of Sandra Davis.

The Third General Session was in the form of a banquet and dance. At the banquet the new state officers were installed and Dr. Virgil Blossom addressed the group on the importance of youth to our nation. After a brief intermission, the Beta Ball was held.

All those attending the convention reported that it was an interesting and enlightening experience.

BASKETBALL

On January 26, the S. A. teams hosted the Early Longhorns in the local gym.

The S. A. girls dropped the game to Early by three points in a double overtime. Earla Buse was high point for S. A. with 22 points.

The S. A. boys won their game with Early by a score of 52-30 in regulation play. The S. A. boys continued their wins in district play. Freddie Cullins was high point boy with 14 points.

The S. A. teams journeyed to Burnet Friday, February 1. The S. A. girls won their game by a score of 43-21. Earla Buse was a gain high point girl with 21 points. The boys won their game with only a 3-point margin as the score was 43-40. Pete Simmons was high point boy with 16 points.

SCIENCE FAIR

The Science Fair for Santa Anna Schools will be held April

24-25-26 in the high school gym. All science students in junior high and high school will be required to enter a project and all other students are invited to participate and enter something. The students with the best projects will be awarded medals.

In charge of the program are Mr. Mathews, Mr. Tindol, Coach Davis and Mr. Perry.

ASSEMBLY

Tommy Stewardson, President of the Student Council, opened the Monday morning assembly with the Pledge to the Flag. Carol Campbell led the student body in singing America. Arlene Welch was at the piano.

Mr. Mathews, principal, reminded the students of good sportsmanship especially at the basketball games. He told the students that too much noise was being made when the opposing team member takes a free shot. He asked cooperation in keeping quiet when a free shot is attempted. It is his opinion that the noise does not keep the ball from going into the basket.

Mr. Pettit, Agriculture teacher, complimented the boys he recently took to the stock show in Fort Worth.

Sherman Stearns, President of the Beta Club, presented Linda Evans a certificate as Beta of the Month for February. Linda will be invited to the Beta Club meeting for February.

Mr. John Wrench, minister from the Christian Church, spoke for a few minutes on perseverance and determination. The assembly closed with the Alma Mater.

TALENT SHOW

At the March of Dimes Talent Show, January 28, sponsored by the Student Council, there was a very good turnout of townspeople. The master of ceremony was Riney Jorden of KEAN in Brownwood.

In the Junior Division the prize-winner was Marguerite Horner who sang "Patches." Those receiving honorable men-

Two girls from Bangs, Pat Tree and Glenna Walker, won in the Senior Division, by singing several popular songs. Four individuals and groups from Santa Anna received honorable mention. These were: Stanley James; boys trio, Tommy Stewardson, Freddie Cullins and Pete Simmons; band group, Linda Horner, Glen Gilbreath, Donnie Neff, Leland Williams and Freddie Cullins; and Carole Campbell.

CAMPUS CHATTER

Larry Wardlow, do you like ranch-style beans? (in the mouth or in the lap!)

Geraldine, that was a cute boy we saw you with Sunday. Is it fun to sit on the corner?

Tommy S., do you plan to be a fireman some day? Watch those tricky fire extinguishers.

Ruby, did you get Bill Gibson on discount? These Saturday night flats seem funny.

We understand that the boys at the Fort Worth stock show had quite a time last week. Boys, 2:30 a. m. is no time to tour Cowntown.

Brownwood will be glad to hear that Terry and Gary are back again.

From what we hear, Sherman met a cute girl from San Antonio. It seems she sat down, pulled off her shoes and started a conversation with Sherman. He didn't run, girls.

Sandra and Lawanda had fun at the convention. They had breakfast in bed Saturday morning. They had cokes with the Vice-President of the State Beta Club and Lawanda didn't know who he was until he left the table.

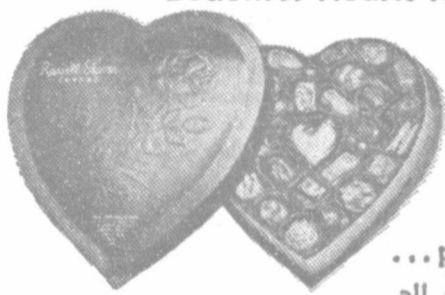

See you next week!

SANTA ANNA STUDENT RECEIVES DEGREE

SAN MARCOS — Rosalie Niell Strickland from Santa Anna received a bachelor of science degree in elementary education from Southwest Texas State College in graduation ceremonies Sunday.

Mrs. Strickland is the daughter of Mr. E. M. Niell of Santa Anna and Mrs. Ola Niell of Temple.

Dr. W. E. Norris Jr., head of the biology department at SWT, delivered the commencement address entitled "Think Critically."

College President Dr. J. G. Flowers conferred the degrees and Rev. Maynard L. Rich, instructor in Bible, gave the invocation.

There were approximately 115 candidates for degrees, 100 for bachelor's and 15 for master's degrees.

Cleaning Your Dog's Nose
 During quail season, dogs often get chaff and dust in their noses. This lessens their efficiency as hunters.

Before taking to the field, slip a small bottle of diluted boric acid in your hunting jacket. Now and then insert a few drops of the stuff in the dog's nostrils.

This will cause the dog to sneeze and blow out any foreign matter.
