LEAGUE OF TEXAS MUNICIPALITIES.

The first organized effort to combat the steadily growing power of utilities over municipal affairs is centered in the activities of the League of Texas Municipalities which will meet in Austin on August 19th and take formal steps for the protection of municipal interests. The executive committee of the League has issued a call urging the mayors and interested citizens from every city, town and village in Texas to be present.

The call cites the fact that municipalities have suffered all over the country by the domination of public utilities and their control over civic affairs. It also calls attention to the fact that the so-called public service corporations are thoroughly organized, that they have the best legal talent that can be attracted to their interests, and are fully prepared at any time to combat any efforts to weaken their growing strength on city affairs.

Further attention is direction to

Oil, Gas and Abstracts

Get ready for the Oil Boom by having your land titles straightened up, it will prevent being crowded at a time when many will be wanting abstracts made all at once.

THE RELIABLE ABSTRACT CO

W. S. Stoneham, M'gr.
Colorado, Texas.

the clever manner in which the utilities have heretofore succeeded in breaking down material opposition by pitching the small towns and small cities against the big cities and vice versa—"playing both ends to middle" while the "public was the middle."

Each city represented by its mayor or proxy will have one vote, regardless of the size.

FORD CAR FOR SALE—The Record has for sale a second-hand Ford car in first class condition. Bargain for quick sale. Terms.

TO THE FARMERS OF MITCHELL COUNTY.

There will be a meeting held at the Chamber of Commerce rooms at 3 p. m. Saturday, August 16th, for the purpose of completing arrangements for a Farmers Cooperative Store. All farmers interested please be present.

W. L. Lindsay, Tem. President.

Royal Arch Masons.

Friday night regular convocation of the Royal Arch Chapter. The M. E. and R. A. Degrees will be conferred on a team of Novices. Every member should be present to assist in getting these companions out of bondage and through the mountain passes; to assist in rebuilding the Temple without the hope of fee or reward.

Refreshments will be served consisting of two dozen fine chickens fried to a queens taste, and ice cream and cake. Every R. A. Mason in the county is expected to be present.

Lee Jones, High Priest,
J. A. Buchanan, Secretary.

A GRAVE SITUATION

The Publicity Committee of the State Teachers' Association has just received, in reply to numerous letters sent out, information that indicates so grave a situation in Texas schools that the Committee feels that this information should be brought to the attention of every citizen of the state. The Committee frankly admits that it does not see how the situation is to be met in time to prevent serious loss to our schools, but the information is given out in the hope that out of the wisdom of all the people some way may be found to remedy the condition.

Carefully prepared replies from nineteen of the best cities and large towns of the state show a loss this year of 34 per cent of their men and 20 per cent of their women teachers. In addition to many vacancies at the present time, these reports show an average of only one-fifth the number of well qualified male, and one-third the number of well qualified female applicants this year as compared with recent years.

Of the teachers lost, according to the estimates of superintendents, 77 per cent are among the better and 23 per cent among the poorer teachers. The reports from four schools losing over forty teachers among them, show that every teacher lost was in the better class.

Returns from county superintendents, representing 607 teachers, show even worse conditions. They have lost this year 33 per cent of their men and 30 per cent of their women teachers, and 78 per cent of those lost were among the better teachers.

The number of male applicants is less than one-fourth, and the number of female applicants is less than one-third of that of last year. One North Texas county reports 100 vacancies now, and a middle western county has 60 vacancies.

Of course a part of the losses in teachers is due to the usual transfers from one school to another, but 35 per cent of the city and town losses and 66 per cent of the rural losses are reported as permanent.

These losses are reported in spite of the fact that there has been an average raise in salary of 28 per cent in the cities and towns and 23 per cent in the rural schools reporting.

If the figures compiled from these reports are typical of the State as a whole, Texas schools have lost about 4,500 women and 1,200 men teachers this year, and there are 4,500 vacancies at this time. These vacancies, if filled at all, must be filled with untrained and inexperienced young people, mere boys and girls, and with former teachers who have dropped out of school work on account of inefficiency. Some superintendents report that they are obliged to use more inexperienced teachers than ever before in order to fill vacancies at all.

We ask, in all seriousness, what is to become of the children of Texas if one-third of the men and from 20 to 30 per cent of the women leave the schools, either by transfer to other schools or by getting out of the profession, in one year—especially when three-fourths of these are among the better teachers.

With probably more than 4,000 vacancies now in Texas schools, and with one-fifth the usual number of men and one-third the usual number of women applicants for these positions, what kind of teachers will your children have next year?

Certainly we realize today as never before, that the welfare of the State and Nation is wrapped up in our educational system, and yet it seems certain that, unless radical steps are taken in the near future, our schools will fall back more on the next year or two than they have gained in ten years. The teachers of Texas can easily afford to leave the schools for more remunerative employment, but the people cannot afford to let them go.

No ordinary measure will meet this grave situation. Increases of 23 per cent and 28 per cent have failed to hold the teachers because the cost of living has increased more than three times that amount. The Chicago papers call attention to the fact that the delivery boy on the milk wagon is paid more than the teacher in the school. The salaries of the railroad employees average \$585 more per year than when we entered the war. This increase alone is greater than the average annual salary of Texas

teachers, and almost equal to the average teacher's salary in the United States.

In the face of a 100 per cent increase in the cost of living, and the increased pay offered in other fields, the schools must meet the competition or condemn our children to the hands of half-trained, inexperienced, and incompetent teachers, aided by a few missionary spirits who will teach under any circumstances, and a few who are able to teach as a pleasure, regardless of pay.

Our legislators, our school boards, and the public must find ways to pay a living wage to school teachers, or lose to the commercial world a large part of their ablest and best qualified men and women. The salaries paid teachers must be practically doubled. This sounds impossible. If Texas can furnish over 200,000 of her citizens and put up a billion dollars a year to fight for democracy in Europe she can certainly put up the few millions extra needed to fight ignorance and incompetency at home.

We urge every man and woman to talk of this matter to his or her neighbor, to write about it to the papers, and to keep it before the people until a proper solution of the question is found.

Respectfully,

G. O. CLOUGH

Committee Chairman.

If you sit in a cool draft when you are heated and get a stiff neck or lame back, you will be looking for something that will ease the pain. Fix your mind on Ballard's Snow Liniment and don't be talked out of it because it is the best pain relieving liniment you can get anywhere. Sold by all druggists. Adv

WEED CUTTING NOTICE.

Notice is hereby given to non-residents, and to all agents representing non-residents, that the time limit for cutting weeds is extended to Sept. 1. All agents representing non-residents must see that the weeds are cut according to the ordinance published. If this is not done the City will be forced to cut them, and same will be held as taxes against the property. This applies to all other property owners as well.

It is further explained that renters or any one occupying the premises, must cut the weeds, or see that it is done. This is for the mutual benefit and welfare of the town, and every one is especially urged to co-operate with the Council in carrying out this ordinance. Those failing to do so will be vigorously prosecuted by law.

C. M. ADAMS, Mayor.

CONVINCING TESTIMONY.

Given by many Colorado people.

Experiences told by Colorado people—

Those who have had weak kidneys—

Who used Doan's Kidney Pills—

Who found the remedy effective—

Such statements prove merit.

You might doubt an utter stranger: You must believe Colorado people. Here's Colorado proof. Verify it. Read. Investigate. Be convinced. You'll find why Colorado folks believe in Doan's.

C. D. Bozeman, shoemaker, says: "About five years ago I had an attack of kidney trouble. The action of my kidneys was too free, especially at night, causing me to get up frequently. This made me nervous and I couldn't stand the least noise. Doan's Kidney Pills had been used in our family with good results, so I started taking them. I only had to take one box of Doan's before the kidney action was regulated and I was entirely cured. I have been in fine health and haven't had the slightest sign of kidney trouble."

Price 60c, at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mr. Bozeman had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Thomas McGuire returned to his home at Admiral Tuesday. He was called here on account of the serious sickness of his wife. She is now much better, has left the sanitarium and is at the home of her sister, Mrs. Wemack, and will soon be able to return home.

Mr. and Mrs. E. J. Smith and family of Window are visiting Mr. and Mrs. R. P. Price, Mrs. Smith and Mrs. Price are sisters.

MITCHELL COUNTY TO EXHIBIT

Will Have Agricultural Exhibit at the Dallas Fair and at the Waco Cotton Palace.

Mr. John L. Spurlin, representing the Waco Cotton Palace and C. T. Crowell, Secretary and Representative of the West Texas Chamber of Commerce, both visited Colorado on Wednesday of this week.

A meeting of the Chamber of Commerce was called and these gentlemen explained the plans, cost, etc., of an exhibit of Mitchell County products at both Dallas and Waco. The matter was thoroughly discussed and all the details gone over, after which it was decided by the Chamber of Commerce to get up a creditable exhibit at both Dallas and Waco.

The necessary funds will be raised and a man put to work gathering up the exhibit. A store building will be secured and the exhibit gathered up and put on display, with Mr. Dulin in charge.

Every Farmer in the county, who has or will have something extra good will be asked to bring it in and help advertise Mitchell County and West Texas. This season this county can make a fine showing and it is understood that some 40 counties will have exhibits there, all of which will make the down easterners sit up and take notice.

The president and secretary of the Chamber of Commerce, together with W. A. Dulin, farm demonstrator, has the matter in hand and will see about raising a fund and getting up an exhibit.

The farmers of Mitchell County will please take notice that it has been decided that Mitchell County will have an agricultural exhibit at the Dallas fair, and also at the Waco Cotton Palace. It is the plan now to commence to gather up this exhibit at once, rent a building here in Colorado and put it on display just as fast as it can be gotten together. This exhibit here in Colorado will be in charge of W. A. Dulin, who will take care of it on display. After the whole county exhibit is in it will be arranged and a Mitchell county fair day held in Colorado before it is shipped to Dallas.

The object of this article now is to urge every farmer in the county to save up and bring to town a small lot or sample of something of the best he has on the farm. The largest and best fruited cotton; a dozen ears of the best corn; several bundles of Sudan grass; some largest stalks of corn; largest pumpkins; melons; kershaws; sweetpotatoes; or anything that you have that would be worthy of exhibition at all—something of everything raised on the farm in this county.

Bring in what you have and your name and farm will be placed on it. This will be a great advertisement for the county, and every farmer in the county is asked to do this.

AMERICAN COTTON ASSOCIATION

Cotton growers of Texas will benefit materially in the organization of the Texas Division of the American Cotton Association recently perfected in Dallas. This Association will operate in twelve cotton growing states of the South and will devote its efforts toward protection of the cotton grower and securing a price for cotton commensurate with the high market price demanded by manufacturers and spinners. It will serve as a stabilizer of cotton prices, prevent their manipulation on the market and insure for every cotton grower a good price.

Growers of cotton have heretofore confined their interest and activity to the growing of cotton with the result that manipulators have secured prices from five to eight times the price paid the grower. There have been efforts made at various times to perfect an organization for the growers' protection but they have failed because of lack of interest and concerted support.

In twelve states of the South the American Cotton Association will be active. In each of these states an organization has been perfected and membership campaigns will soon be conducted. Every effort has been made to secure the active support in each state of men whose integrity, experience, and good citizenship is

unquestioned. The Texas Division of the Association is headed by Nathan Adams of Dallas, vice-president of the American Exchange National Bank, who has always been active in cotton circles. J. A. Thompson of Corsicana is vice-chairman, and Major Robert C. Lowry of Dallas is secretary. The board of directors is composed of the following well-known Texas citizens: J. A. Kemp, of Wichita Falls; Judge W. F. Ramsey of the Federal Reserve Bank of Dallas; John T. Scott of Houston; F. C. Weinert of Seguin, Director of State Warehouse and Marketing Department; J. A. Underwood of Honey Grove; J. K. Freeman of Camaron; D. E. Lyday of Ft. Worth, president of the Farmers' Union.

Better warehousing facilities and standardization of warehouse receipts throughout the south so that cotton warehouse receipts will be negotiable at all points are matters of great importance to not only the cotton grower but to all persons handling cotton either directly or indirectly. Texas Division offices are located in Dallas at 515-518 Slaughter Bldg.

A COLORADO BOY SCOUT MAKES GOOD.

Scout Master, Jno. W. Person has just received a letter from Gressett Collier, the son of Mr. and Mrs. J. R. Collier, who lived her for a number of years. Gressett was a member of the Boy Scouts here, and when they moved to their new home at Troup, he joined the Boy Scout Troop there. He has just returned from the East Texas Encampment which was held at Mt. Pleasant, where Gressett had the honor of winning the championship. His letter to Mr. Person follows, in part:

Troup, Texas, Aug. 10, 1919.

Dear Mr. Person:—

I have just returned from Mount Pleasant where I attended the East Texas Encampment, and listen!—I came back the East Texas champion, having won more points than any other individual Scout. We got the second place cup, and missed the first place by only a very few points. There were eight camps in attendance and some of them Scouts of three years standing. We are just five months old, but I have to thank you for some fine things I got before we were organized here. We were the best behaved troop in the encampment.

Remember me to your Scouts. I shall always love you and them. Do wish you could have been with us. I entered first aid contest but they ruled the contest out for some reason. I would have won first in that I feel sure.

I will leave for school about Sept. 15th. Will go to Terrell to Texas Military College. Will enter the Freshman class, and take oratory and join the band—I want to play the clarinet.

With lots of love, your Scout,
GRESSETT COLLIER.

DO IT AGAIN.

The Record has been feasting this week on watermelons, which helps to cut down the high cost of living. In our absence Mr. F. M. Thompson left us a whopper, and the next day Dan Beeman left us a striped beauty. These were greatly enjoyed, and for the benefit of inquiring friends who have watermelon patches, will say that we are now entirely out of melons.

Go to J. H. Greene & Co. for the best of everything in mens furnishings.

Wootton Jeffers who came home from Dallas last week, has been confined to his room ever since he arrived by a spell of fever. He is reported as improving now.

Miss Jessie Person is off on a trip to Plainview, where she will visit with Mr. and Mrs. Pierce for a few days.

Lieutenant Ellis and Sergeant Vobery have been killed and three persons were injured in a collision between an army airplane and a naval seaplane at the entrance to the Colca harbor.

Legislation for the enforcement of war time and constitutional prohibition probably will not be enacted for two months at least, as the result of the decision of republican leaders to have the house recess from Aug. 2 to Sept. 8.

Polan China, Duroc and Cross Pigs For Sale.

I have 25 pigs of the above breeds. Eight week old on delivery. Price \$10.00 each. Will deliver in Colorado on Sept 15 and 25. Orders taken now. Leave orders at FIRST STATE BANK.

D. A. Neel, Water Valley, Texas

Beal's Cash and Carry Store

A MAGNIFICENT AGRICULTURAL SHOW—\$10,000.00 IN PREMIUMS OFFERED.

The Victory Fair will have the most extensive agricultural show in America. Ten thousand dollars will be offered as premiums in this department. Of this amount \$5,000.00 will go to County exhibits and \$5,000.00 to individual farm exhibits. This is the largest amount ever offered by the State Fair Directors, and covers a wider range of the products of the farm, the orchard, the garden, and the ranch than ever before.

The wonders performed by the tractor, diversification, rotation of crops, soil study, adaptability of crops for certain localities, and many other vitally important subjects will be explained and demonstrated at the Victory Fair, for the benefit of the man who handles the hoe, follows the plow or drives the truck.

Advices are being received by Secretary Stratton that local contests are being held to select the choicest products for the State Fair. The irrigated districts, the dry sections, and all the other areas of Texas will have magnificent displays. It will be a veritable wonderland of agricultural and horticultural products in rainbow hues.

YUMA VALLEY.

I will ask for a little space in your paper, to let my friends know that I still don't have any come-back fever. I am well pleased with future prospects. The alfalfa seed crop is now being harvested, yielding from 300 to 1000 pounds of seed to the acre. The Peruvian seed is worth 30c a pound, and hay \$30 per ton. Cotton promises from one to two bales per acre. Cotton pickers are going to be wanted badly. The price will open at \$2 per hundred and is expected to go to \$3 for short staple. Long staple will be double that price. I have 80 acres of cotton and have a vacant house. Would love to have a good family to help me gather my cotton, with the privilege of renting the place another year. If interested write me at once. If you want me to say what I think of the Valley—I am here to stay.

D. S. CASWELL, Yuma, Arizona
Somerton Star Route.

LeGears poultry food makes hens lay. W. L. Doss drug store has it.

CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work

Calomel salivates! It's mercury Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes in it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it. Adv.

Notice to Telephone Users

After a year of Federal control the telephone property, which makes up the Bell Telephone system, has been returned to its owners by the United States Government.

While the property has been properly maintained, it is not the same property which the Government took over on August 1, 1918. It is not as adequate for its job, or as well manned as it was; that it is not, is in no way the fault of Federal control which was eminently fair. It is due to causes of which neither the Government nor the companies are to blame.

A year ago today we were at war. Labor and material needed for both telephone operation and construction were turned over to military uses. Some materials were so vital to the carrying on of the war that even the work of providing telephone facilities for the Government was retarded and no part of them could be spared for commercial telephone purposes.

No less vital was the Government need for those skilled to create, maintain and operate the vast intercommunication systems necessary in modern warfare in the conduct of the vastly increased Government service.

Thousands of telephone men were already at the battle front. Thousands more were under arms, and still telephone experts and skilled operators went into the service of the Government and contributory industries by tens of thousands.

The reserves of plant and equipment were drawn upon until they were entirely used up and the experienced staff was gradually depleted. To find others to take the places of those who had gone was difficult, to train them takes time.

During the year came Victory and the armistice; and instantly the business world sprang into intense activity. The demands for telephone service passed all former records.

To replace the exhausted reserves, which had been carried for just such purposes, and to replace the skilled forces to meet this unprecedented emergency, there began a rush for construction. For readjustment, for high pressure repairs, for feverish extensions. All these must be continued with increasing effort.

The return of the property comes in the very midst of this race between an overpowering demand and an upbuilding of a system whose growth was held and whose forces were scattered by the vital needs of war.

Much progress has been made in the upbuilding of this system, but far more is still required to meet the swift growth of business; and also to give first aid to every other business and every other service struggling against an unprecedented demand.

The prosperity which creates this emergency in service creates also a scarcity of those desiring employment in the service.

Under such conditions telephone service generally has not been and could not be up to the pre-war standard. It is beyond human power to immediately overcome the handicap which the situation imposes.

There are no people in public or private endeavor who are working more tirelessly or strenuously for the common good than those of the Telephone Companies. Service has always been given. More of it must be given and it must be improved. That improvement in some cases will take months. Eventually service must win the race with demand.

The
Southwestern Telegraph & Telephone Company

CITATION BY PUBLICATION

State of Texas:
To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded to summon Wm. Heard and J. H. Standridge by making publication of this citation once in each week for four successive weeks previous to the return day hereof in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 32nd Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest district to said 32nd Judicial District, to appear at the next regular term of the District Court of Mitchell County, to be holden at the Court House thereof in the City of Colorado, on the eleventh Monday after the first Monday in September, A. D. 1919, the same being the 17th day of November, A. D. 1919, then and there to answer a petition filed in said Court on the 7th day of May A. D. 1919, in a suit numbered on the docket of said court No. 3709, wherein J. C. Simons is Plaintiff and D. L. Gentry, R. D. Robinett, Henry Zweifel, J. D. Eubanks, Wm. Heard and J. H. Standridge are Defendants, said petition alleging:

That Plaintiff is the lawful owner and holder of Note No. 5 and Defendant R. D. Robinett is the lawful owner and holder of Notes Nos. 1, 2, 3 and 4 of a series of five (5) written promissory notes, all dated Sept. 6, 1916, numbered 1 to 5, both inclusive, or the respective sums of \$95.00, \$100.00, \$100.00, \$100.00 and \$500.00, due and payable Jan. 1, 1917, Jan. 1, 1918, Jan. 1, 1919, Jan. 1, 1920 and Jan. 1, 1921, respectively, with interest from date at 10 per cent per annum, interest payable Jan. 1, each year as it accrues, both principal and interest payable at Granbury, Texas, containing stipulations for past due interest and principal bearing 10 per cent interest, that failure to pay same or any installment of interest thereon when due shall, at the election of the holder of all or any of them, mature the series, and for the payment of ten per cent on the principal and interest then due if placed in the hands of an attorney for collection, or collected by legal proceedings, same being signed and executed by D. L. Gentry and payable to R. D. Robinett

or order, and secured by the express retention of the vendor's lien on and against one hundred acres out of Section No. Forty (40) in Block Twenty-nine (29), Township 1N, Texas & Pacific Ry. Co. surveys, in Mitchell County, Texas, abstract No. 1398, also described as sixty (60) acres off of the South end of the West half of said Section No. 40, and being all that portion of the W½ of said survey, lying south of the T. & P. Ry. Co.'s right-of-way, and also the Southwest one-fourth (S. W. ¼) of the Southeast One-fourth (S. E. ¼) of said section, described in deed from R. D. Robinett and wife to D. L. Gentry of that date, recorded in Vol. 29, p. 334, Deed Records of said county. That though lawfully bound and obligated to pay said notes the defendant Gentry has failed and refused to pay the installments of interest due Jan. 1, 1917, 1918 and 1919 on said Note No. 5, and also the interest on each of said past due installments of interest, and Plaintiff has elected to declare all of said notes due, and has placed said notes in the hands of an attorney and brought this suit, and become obligated to pay his said attorney the reasonable value of his services, which is averred to be in excess of ten per cent of the amount of principal and interest due. That Defendants J. D. Eubanks, Wm. Heard and J. H. Standridge are each asserting some claim to said land or a part thereof, the nature of which is unknown to Plaintiff, but which he avers to be junior and inferior to his claims and lien, and likewise to the claims of the defendants Robinett and Zweifel, which last named claims some interest in said Notes 1 to 4, both inclusive. Plaintiff avers that taxes for the years 1912 to 1918, both inclusive, aggregating with principal, penalties and interest, \$75.00 and school land interest for seven years at 3 per cent on \$97.50 principal due the State of Texas, and for which a lien exists against said land have been allowed to accrue, and which he will have to pay to protect his lien, all of which defendant Gentry is lawfully bound to pay and to which defendants Robinett and Zweifel are liable to contribute in the proportion borne by their interest in such purchase money indebtedness to the whole purchase-money debt, and that Plaintiff is entitled to be subrogated to such lien for all such payments of taxes and interest made by him.

Plaintiff prays for judgment against Defendant Gentry for the principal, interest and interest on past due interest due on said note with 10 per cent interest thereon, for his costs, and that the vendor's lien on said land to secure all five of said notes be foreclosed and the priorities to payment, if any, between himself and the defendant Robinett and Zweifel be adjudged and determined, and distribution of proceeds of sale of said land between them be decreed and that the costs of this action not collected from defendant Gentry, and all payments of taxes and school land interest be equitably apportioned and distributed among Plaintiff and said Defendants Robinett and Zweifel and that he do have judgment against the latter for their portion thereof paid by him, and against Defendant Gentry for all of same, and be adjudged subrogated to the liens of the State of Texas therefor, and that the claims of the defendants J. D. Eubanks, J. H. Standridge and Wm. Heard and each of them be foreclosed and held for naught, and that said land be decreed to be seized and sold as by law provided, and further that Plaintiff be afforded such other and further relief, both general and special, legal and equitable as he may show himself entitled to, as in duty bound he will ever pray.

Herein fail not but have before said court on the said first day of the next term thereof, this writ, with your return thereon showing how you have executed the same.

Witness W. W. Porter, Clerk of the District Court of Mitchell County, Texas.

Given under my hand and the seal of said court in the City of Colorado, this the 29th day of July, A. D. 1919.

SANITARY ENGINEER.

At the recent called session of the 36th Legislature provisions were made for an additional Sanitary Engineer in the State Board of Health. This Engineer will devote the greater part of his time to field work, and will make it possible of the Health Department to respond to requests for Sanitary Engineering advice and visits more promptly than ever before. Although he will not be permitted to do any designing work, he will counsel with city officials and give technical advice on water, sewage and garbage plants, mosquito control, sanitary ordinances, etc. There will be no charges for his services, but towns availing themselves of said service will be asked to pay his traveling expenses.

MITCHELL COUNTY IN DISTRICT FIVE.

Announcement has recently been made from the State headquarters of the Baptists -16,000,000 campaign of the appointment of publicity men in District No. 5, comprising Stonewall, Kent, Haskell, Jones, Scary, Fisher, Taylor, Nolan, Mitchell, Gaines, Andrews, Dawson, Martin, Midland, Glascock, Howard and Borden counties. They are: Rev. Ira L. Patrick, Aspermont; Rev. Chas. A. Powell, Rule; Rev. W. R. Alexander, Stamford; J. E. Vaughan, Claytonville; Rev. W. H. Sims, Snyder; Rev. E. A. Miller, Abilene and Rev. W. R. Underwood of Lamesa. Rev. E. E. Dawson of Abilene is District Five Publicity Director.

Carbon paper at Record office.

CLYDE COUNTRY HAS BIG YIELD OF ALL CROPS.

They seem to grow anything in the Clyde country that happens to strike their fancy—and the yield is nearly always big. This was illustrated the other day by a two and one-half ton truck owned and driven by George Walker of Clyde. The truck was loaded to the top railing with crates containing peaches, apples, plums, sweet peppers, tomatoes, berries, grapes, okra, potatoes and other products of the Clyde soil. Clyde will have a big pear crop this year, and the time for gathering it will roll round in a few days.

If it is a tombstone or a Singer Sewing Machine, or a 50c bed you want, call at the Keathley Rooming House.

CATTLE INTERESTS FACE GREAT PROSPERITY.

"The most prosperous era in the history of the West Texas cattle interests now lies ahead of them," says W. N. Waddell of Fort Worth, chief inspector of cattle loans for the War Finance Corporation and former chairman of the State Live Stock Sanitary Commission. "During the three years drouth, cattle in West Texas decreased 40 per cent, according to Mr. Waddell's estimate. Texas could, at present, accommodate half a million animals, he says though, only from 150,000 to 200,000 could be cared for north of the quarantine line. Because of the drouth that is prevailing in the Northwest thousands of cattle are expected to be shipped in from that locality. North of Tahoka, Lynn county, Mr. Waddell says the grass this summer is as good as it ever was. South of that point the vegetation is for the most part confined to weeds. The grass was all but killed out during the drouth, and it is believed that it will take two good years to restore it. The feed crops of 1919, however, will be excellent, and it is thought that more will be produced than can be consumed in this section and that there will be a surplus to ship out.

To Improve Your Digestion.
"For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them did I find the right treatment. Since taking them my digestion is fine."—Mrs. Blanche Bowers, Indiana, Pa.

PERMITTING GALVESTON COUNTY AND CITY TO ISSUE BONDS FOR GRADE RAISING PURPOSES.

Senate Joint Resolution No. 23.
A Joint Resolution proposing and submitting to the people of the State of Texas an amendment to Article Sixteen of the Constitution of the State of Texas by adding thereto a new section and authorizing the City of Galveston and County of Galveston to issue bonds for protective works, irrespective of Constitutional limitation, in the aggregate of five million dollars for both city and county, as may be by the city or county deemed necessary for the raising of the grade, building seawalls and breakwaters and doing any and all kinds of protective works in said city and county, and to levy and collect taxes to retire said bonds, principal and interest, providing for a sinking fund and creating an emergency.

Be it resolved by the Legislature of the State of Texas:

Section 1. The City of Galveston and the County of Galveston, and each of them are hereby authorized to issue bonds in such amounts not to exceed in the aggregate five million dollars, for both City and County, as may be by the city or county deemed necessary for the raising of the grade, building sea walls and breakwaters, and doing any and all other kinds of protective works in said city and county, without regard to and irrespective of any provisions of the Constitution of the State of Texas limiting tax levies and governing bond issues, and for that purpose to levy and collect taxes to retire and pay same, principal and interest, but no debt shall ever be incurred for such purpose, unless provision is made at the time of creating same, for levying and collecting a sufficient tax to pay the interest thereon and to provide at least two per cent, as sinking fund, this provision being cumulative, and authorizing the issuance of such bonds in addition to those heretofore issued for such purposes and still outstanding, the amount of such additional bonds to be issued by the county hereunder, not to exceed one million dollars, and the amount of such additional bonds to be issued by the city hereunder not to exceed four million dollars, but nothing herein shall apply to bonds heretofore or hereafter issued for purposes other than those herein defined, provided however, that that portion of Galveston County not lying within the corporate limits of the City of Galveston shall not be taxed for the purpose of issuing bonds for any of the purposes herein provided within the corporate limits of the City of Galveston, unless such bond issue and tax levy be authorized by a majority of all the tax paying voters residing in Galveston county outside of the corporate limits of the City of Galveston; provided that no such bonds issued by the City of Galveston shall be valid unless such bond issue and tax levy be authorized by a majority of all qualified tax paying voters of the City of Galveston, voting at an election to be called for that purpose by the Mayor and Board of Commissioners of said City of Galveston.

Sec. 2. The Governor is hereby directed to issue the necessary proclamation for submitting an amend-

ment to the Constitution to the qualified electors of the State of Texas on the first Tuesday in November, 1919, being the fourth day of November, 1919. Those favoring the amendment shall have written or printed on their ballots the words, "For the amendment to Article sixteen of the Constitution of the State of Texas, authorizing the issuance of bonds by the City and County of Galveston." And those opposed to the said amendment shall have written or printed on their ballots the words, "Against the amendment to Article sixteen of the Constitution of the State of Texas, authorizing the issuance of bonds by the City and County of Galveston."

Sec. 3. The sum of five thousand (\$5,000.00) dollars, or so much thereof as is necessary, out of the funds in the State Treasury not otherwise appropriated, is hereby appropriated to pay expenses for the carrying out of the provisions of this Resolution.

GEORGE F. HOWARD, Secretary of State. (Attest—A True Copy) 815

It is said that certain anti politicians are grooming Joe Bailey for President, and Bob Henry of Texas for governor. Wouldn't this jar your sensibilities? A nice pair of liquor advocates to draw to. They have about as much chance to win these positions of trust as the proverbial snow ball.

Many farmers are already worrying about how they are going to manage to get their unprecedented feed crops harvested. A hundred families will be needed at Roscoe within the next two or three weeks to assist in harvesting. The emergency is so pressing that George Shepherd, secretary of the Board of Development at Sweetwater, called a meeting of the business men and farmers at the court house to consider the matter and devise means if possible by which to induce laborers to come to this section. Prosperity is here in abundance, the fields are white unto the harvest and the laborers are few. Come over and help us!—Roscoe Times.

Try LUSTERLIGHT, clear and sparkling, in your oil stove.—It's the best.—J. E. Stowe, Agent, Phone 211.

The recent statement made by one of our leading commercial agencies that the cost of living has doubled during the war on most all necessary commodities pales into insignificance when compared with the cost of government. In 1912 the ad valorem tax rate in Texas was ten cents, while this year it is 75 cents and in addition thereto we levy a production tax of a million dollars per annum upon oil. No line of industry can show quite so reckless an advance in cost of operation as government. When we get through punishing profiteers in business we ought to turn our attention to profiteers in government.

The Record is glad to place on its exchange list this week the old reliable Wills Point Chronicle, one of the best papers published in East Texas.

Farmers have commenced to harvest the immense maize crop.

We are not a prophet nor the seventh son of a prophet, but we can foresee overwhelming defeat for the democratic party in next year's election. So many boneheads have been pulled by democrats, including the president, cabinet members, congressmen and others that the party can hardly hope to win.—Plainview News.

The Plainview brother seems to be sore about something. We hope he has no intention of going over to the Joe Bailey party, which is being promulgated at Fort Worth this week.

The cotton in Mitchell county is already fruiting and the crop looks good for 25,000 bales, says W. A. Dulin, county farm agent. Mr. Dulin declared that while he had not visited all sections of the county, he had seen enough to know that the cotton was in splendid condition. He said the hot weather of the past several weeks had had fine effect in the plant, giving it a big fruiting impetus.

Don't worry about carrying a sack sparkling, in your oil stove.—It's the best.—J. E. Stowe, Agent, Phone 211.

OUR FISHING TRIP.

We are home again after an absence of some four days fishing on the North Concho. On our return we found the office swamped with job work from Sweetwater, Big Spring, Abilene and Clarendon, and we'll now have to work overtime to make up the lost days. We had a good time and caught plenty of fish, and never let a single big one get away. For the past one hundred years people have been camping out on fishing and hunting trips for pleasure and pastime, and the novelty never wears off. It's the one bright spot in every business man's life, each year, when he can get off for a few days rest(?) and recreation—all of which he fails to find—often returning home feeling worse than when he left. But we had our outing, and when we get the mosquito and chigger bites scraped up and healed over, will again be ready for the battle of fighting the H. C. of L.

WESTBROOK ITEMS

Mr. and Mrs. N. A. Kellet and children returned from Ranger Tuesday, where they had been visiting for several weeks.

Mr. and Mrs. M. A. Lewis of El Paso are visiting their sister Mrs. Mary Lewis.

J. S. Barnes and family accompanied by Mr. and Mrs. E. M. McDonald and family of Merkel, are spending the week on the Concho fishing.

D. I. Reed of Stanton, spent the week-end with friends and relatives here.

Mr. and Mrs. H. L. May returned Monday from a ten days visit with relatives at Abilene, Merkel and Ranger.

Mrs. D. H. McNairy and children of Istian, and daughter, Mrs. R. Hood Chantum of Dallas were dinner guests of Mrs. O. T. Bird, Thursday.

Mr. and Mrs. J. T. Smith of Colorado, were visiting I. C. Sheffield and family Sunday.

Mrs. Jim Oliver who was taken violently sick at the home of J. E. Skelton, Saturday, is improving.

Milton Yater of Colorado, was visiting friends here Saturday and Sunday.

Miss Elsie Walker who has been visiting in Coahoma for several days returned home Friday.

Quite a number of the young people from here attended the social given by Mr. and Mrs. W. F. Bell, who live several miles east of town, Saturday night.

Mrs. Alberta Golden, of Eastland, is visiting her mother Mrs. Bessie Young, and her sons J. T., Billie and Jim Golden.

Homan Phenix left Tuesday for Hamlin to spend a while with home folks.

Mr. and Mrs. J. K. Scott of Big Spring, spent the week end with their daughter, Mrs. M. L. Cope.

Miss Bertha Carter of Istian, was visiting friends in Westbrook Tuesday.

Come in--Let us talk the matter over.

J. P. MAJORS,

Colorado. Jeweler and Optician Sweetwater.

Some time ago when the sandstorms were raging and the flood waters washing things away, we published that our Windom and East Texas friends were very much dissatisfied and wanted to go back home, in fact one of them almost gave away his crop and went back.

Now a Van Zandt friend of the Record writes from Murcheson and says we do not know how to handle them. He first compliments the Record as a good paper, which is sent to him by a friend. Then he goes on to say that these people get to thinking about the fine Elbertas, apples and pears—but we quote him:

"They want to be in a bunch together. Don't never take one off by himself to tell him anything. If you do the balance of them will think there is a trick to hurt or rob them. Nearly all of them will have from 15c to 35c on hand at a time, and you fellows must be careful how you handle them. Now later in the fall they will take another spell wanting to move, and I'll tell you fellows the cause: Here in this country we have

a persimmon crop and the 'possums will get fat, and these people will begin to think of all of that, and when this time comes, if you don't know just how to handle them, you will have more trouble. They are all pretty good fellows. They can tell the truth, for I have caught them at it. And another good thing about those boys is that I have heard of them even helping their wives chop a little cotton. If they get lonesome again long about frost time, you can tell them the persimmon crop is fine, and the 'possum crop is good."

Just arrived new fall samples of up to the minute tailoring for the conservative dresser as well as the young fellow who wants snap in his new fall and winter clothes.—J. H. Greene & Co.

See us for your cotton seed meal and hulls—cotton seed mixed feed—Continental Oil-Cotton Co. 81c

A statement issued from the headquarters of the Texas Republican Council which met at Fort Worth, says that a "republican census" taken by the Council recently discloses the fact that thirty thousand republicans have moved to Texas within the past two years. A large per cent of the newcomers are oil men and it is the claim of local Republicans that this new blood, together with the widespread change in sentiment throughout the state will materially increase their chance for success in the 1920 election. The Council announces that Texas republicans are preparing for the most vigorous campaign ever conducted in the history of the State and organization is being perfected in practically every county in Texas.

When there is hard work to do in hot weather Prickly Ash Bitters proves its worth as a stomach, liver and bowel purifier. Men who use it stand the heat better and are less fatigued at night. Price \$1.25 per bottle. Jno. L. Doss, special agent.

LEMON JUICE TAKES OFF TAN

Girls! Make bleaching lotion if skin is sunburned, tanned or freckled

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle, sunburn and tan lotion, and complexion whitener, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands and see how quickly the freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! It is harmless. Adv.

Inspectors representing the United States Postoffice Department were in Cisco last week with instructions to waive all ordinary requirements and to immediately install free city delivery. This action was made necessary by the department by reason of the growth of the city in the last eighteen months.

ECZEMA!

Hunt's Salve, formerly called Hunt's Cure is guaranteed to cure and permanently cure that itchy, burning, and irritating skin disease known as Eczema. It is recommended for that purpose and its efficacy will be generally conceded without question. Hunt's Salve is the only cure for Eczema, Tetter, Ring Worm, Itch, and all skin diseases. For sale only by John L. Doss' Pharmacy.

CENTRAL CIRCLE

Mrs. J. L. Pidgeon was hostess for the M. E. Central Circle Monday afternoon. The usual business was transacted, and an offering of \$3.50 was received. Quite a pleasant and inspiring feature of the program was the talk made by Miss Eula Harper of El Paso. Miss Harper is on her way to New York to go to Passa Sundo, Brazil, as a missionary, stopping here to visit her aunt, Mrs. Q. D. Hall. She is an alumnus of the State University and is sent by the M. E. students as a missionary. She will study the language and establish a school there. She is a young lady of pleasing personality, has a splendid education, full of interest for the Master's cause, and her many friends are confident of good results from her life work. Mrs. J. D. Wulfjen and Mrs. F. A. Winn were guests. Ice cream with pineapple and macaroons were served at the social hour. The next meeting is with Mrs. Arnett.

C. W. B. M. AUXILIARY

The Auxiliary to the C. W. B. M. met at the church last Thursday. The topic for study was "Our Mountain Neighbors," led by Mrs. Leslie Crowder. She gave an outline of the mountain work. The response to roll call was naming a great christian leader. Mrs. Jones told of a mountain funeral. Plans were made for a special program to celebrate the 45th anniversary of the C. W. B. M. in September. The meeting at that time will be with Mrs. Leslie Crowder.

SWIMMING PARTY.

Tuesday evening a merry crowd went up to "Little Blue," on the river for a swim and picnic lunch. After swimming, supper was spread, and after supper "snap" and other old time games were indulged in. More swimming by moonlight, and a royal good time was had by the following:

Sam Majors and family; R. P. Price and family; Mr. Smith and family, a brother-in-law of R. P. Price, from Windom; Leslie Crowder and family; W. R. Charters and family; Ed Jones and family; Mrs. M. E. Lindley; Mrs. Jee Key of El Paso; Mrs. Louise Mitchell; Mrs. A. J. Coe; Frank Newman.

Cure for Dysentery.

"While I was in Ashland, Kansas, a gentleman overheard me speaking of Chamberlain's Colic and Diarrhoea Remedy," writes William Whitelaw, of Des Moines, Iowa. "He told me in detail of what it had done for his family, but more especially his daughter who was lying at the point of death with a violent attack of dysentery, and had been given up by the family physician. Some of his neighbors advised him to give Chamberlain's Colic and Diarrhoea Remedy, which he did, and fully believes that by doing so saved the life of his child. He stated that he had also used this remedy himself with equally gratifying results." Adv

REESE-ANDREWS.

Sunday afternoon at the Christian parsonage, Rev. D. R. Hardison united in marriage Mr. Walter Mike Reese to Miss Virgie Andrews. "Mike" as he is familiarly called has been raised here and is an exemplary boy. His wife moved here last winter from Windom, and is of a most excellent family. Good wishes of a host of friends go with them.

WINN & PIDGEON

HAD TO QUIT WORK ON FATHER'S FARM

Kept Going Down Hill—Takes Tanlac and Begins to Pick Right Up

"I never saw anyone pick up so fast as my son John has since he started taking Tanlac," said A. McGrew, a prominent and successful farmer of Dawson, Okla., recently.

"He suffered awfully from indigestion and a general run down condition of his system for the past six months," continued Mr. McGrew, "and his kidneys seemed to give him a good deal of trouble and he was going down hill all the time. He had a healthy appetite but right after eating his food would feel like a lump of lead in his stomach and it gave him so much trouble that he got so he would hardly taste a thing on the table. He looked pale and sickly all the time and got thin as a rail and was so weak he just had to quit working on the farm. He just moped around all the time and couldn't get up energy to do a thing. He worried a lot about his kidneys and complained of having severe pains in his side and back and sometimes his back would hurt so bad he could hardly get up out of a chair.

"I read so much in the papers about the good Tanlac was doing so many people that I got some for him and started him on it. He is still on his second bottle, but it has done him a world of good and he is looking much better than he has for a long time. His kidneys don't trouble him any more and he hasn't had a pain in his side or back in some time. He has gained in weight and is stronger too, and is able to get around and do anything he wants. The indigestion don't trouble him any more and he can eat a good square meal without any pain afterward. Tanlac is the only medicine I have bought that has been of any benefit to my son and he is so pleased with what it has done for him that he is telling all his friends about it."

Tanlac is sold by all druggists everywhere.

Misses Lula Mae and Elnora Dulaney returned from Spur Wednesday where they had been the past ten days attending a house party of ten girls and fifteen boys. They report a grand time.

Dr. and Mrs. B. F. Dulaney have as their guest this week his brother and wife, Mr. and Mrs. Jeff Dulaney of Sweetwater, and his sister, Mrs. Streetman of Fort Worth.

Mr. and Mrs. W. L. Doss have as their guests Mr. and Mrs. Julius Doss and daughter, Mrs. Palmer and grand children, Jack and Alita Palmer, and Miss Thelma Long of Chickasha, Oklahoma; and Mrs. Fisher of Sweetwater. They came through in their cars and are on their way to Colorado, California and other places of interest.

J. F. Felts, one of Uncle Sam's boys from over the pond, is home this week much to the delight of his parents, Mr. and Mrs. J. D. Felts. He has been at the base hospital at Fort Sam Houston for some time, but now has his final discharge. He says it was funny to get in but still a greater pleasure to get out.

Your Prescriptions

We have not overlooked a single point in making prescription perfection. Accuracy insured by double checking quality, by the use of the purest ingredients; Price, lowest consistent with quality. Let us fill your prescriptions, no matter who your doctor is. When you have your prescriptions filled at this store you know they are right. We give each prescription our personal attention.

Mrs. Joe Key, who has been visiting relatives in Arkansas, Louisiana and her daughter Mrs. Caradine Howard at Dallas, is visiting Mrs. Ed Jones.

Miss Elsie Hooper, who has been at Abilene in the Citizen's National Bank, is spending her vacation here.

Mrs. Van Tuyl, Mr. and Mrs. Thos. Dawes and Mrs. Smoot spent Tuesday with the Smoots and Riordans on Silver, where they are wrestling with the mosquitoes and the finny tribe.

Try one of those fine, ripe, ice cold melons at Canada & Lambeth. They are sure fine.

Miss Ruby Wilson was brought into the local sanitarium on Wednesday of last week and operated on for appendicitis, and is now up and entirely recovered in exactly eight days.

For quick service and good work, bring your cleaning and pressing, or call 154 and we will call—J. H. Greene & Co.

Dr. W. A. Williams will fill his pulpit, at the usual hour Sunday morning and evening at the Episcopal Church. Everybody invited.

NOTICE.—I have on my farm north of Colorado a full blood registered Jersey bull. Phone me—A. C. Gist.

Miss Lucile Russell of San Saba spent Thursday here on a visit to friends, on her way to Washington where she goes to accept a government position.

We have put the work in work clothes. Just received, a big shipment of overalls, jumpers, unionalls and work pants.—J. H. Greene & Co.

No Worms in a Healthy Child
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispeel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

Although no reports of serious developments in the Idaho and Montana forest fire situation have been received forest service officials declared conditions were alarming with absence of rain and no prospects of relief in this direction.

Get your Deering Binding Twine at H. C. Doss. Best twine on the market.

SIGNED BY ANDREW JACKSON

C. C. Wyatt is down from Amarillo on his vacation and to visit his children, and is at present off on a fishing trip. Mr. Wyatt recently visited the old home in Missouri, in Grundy and Boone Counties. While there he went into the old log house of John Quincy Adams, now nearly 100 years old and which still belongs to the Adams' estate. This was in Grundy county, which was settled first by the Wyatts, McCrays and Adams. Mr. Wyatt showed us a deed, dated 14th November 1833, to a piece of land deeded to his grandfather. It was a United States patent and signed by Andrew Jackson, President; and Elijah Haywood Commissioner of the General Land Office. It was written on genuine parchment and in a good state of preservation. The document is indeed an interesting relic and is prized very highly by Mr. Wyatt.

Try a Want Ad in the Record.

The Best Plaster.
A piece of flannel dampened with Chamberlain's Liniment and bound on over the seat of pain is often more effectual for a lame back than a plaster and does not cost anything like as much. Adv.

BOTH FOREIGN AND DOMESTIC

Carefully Prepared for Those Who Desire to Keep Thoroughly Posted on Events.

FOREIGN—
The Belgian labor party has voted to ratify the peace treaty.

The Popolo Romano says that the Italian ambassador to the United States, Count Cellere, will be recalled shortly.

The Hungarian soviet troops have been thrown back in disorder across the Theiss river by Rumanians at Szolnok and other points.

It is reported in Rome that an appeal has been made to American bankers for financial aid for Italy to the extent of \$1,000,000,000.

General Pershing has started on his "valedictory" tour of the occupied area of Germany. He will first visit the American troops in the occupied area.

The Canadian government has decided to buy and market the Canadian wheat crop of 1919. The crop will be sold "at prevailing world prices."

Sixteen Japanese officers and men and three Japanese policemen were killed and seventeen Japanese soldiers more or less seriously wounded in a clash with Chinese at Kuang-Cheng-Kui, July 19.

The Croatian troops proclaimed an independent Croatian republic, according to a dispatch from Agram, the capital. At several points the Croats are fraternizing with the Hungarian soldiers.

Negotiations of the Deutsche bank, Berlin, with New York financial institutions for a large loan of unannounced proportions are proceeding favorably, according to information in official quarters.

It is impossible at present to give legislative effect to the government's trade policy. Premier Lloyd George says. He suggested that the trade restrictions expiring in September should therefore be extended.

"A distortion of the truth," was the characterization applied by Alexander Ribot to the recent statement of Mathias Erzberger, the German finance minister, declaring that Great Britain and France made peace overtures to Germany through the Vatican in 1917.

DOMESTIC—
Second Lieutenant Edward M. Anderson of Call field, Wichita Falls, was killed when his plane fell as he was preparing to land at Love field in Dallas recently.

There is in sight in Texas, for the construction of roads in the near future, a fund of approximately \$200,000,000, according to information compiled by Curtis Hancock, of Dallas.

The Texas division of the American Legion will meet in Dallas Oct. 10 and 11, during the state fair. This selection was made by the executive committee in regular session.

Right of way for the Dallas-Wichita Falls interurban has been procured through Denton, Clay and Montague counties, according to advice furnished stockholders of the company.

Rural schools desiring state aid are urged by the Hon. Annie Webb Blanton, state superintendent of public instruction to send in applications as soon as possible. All applications should be in by Aug. 15.

A regular flying boat passenger service between New York and Atlantic City has started. The first boat carried two passengers, Mrs. John A. Hoagland of New York City and Miss Ethel H. Lodge of Dallas, Texas.

While en route to Dallas from Shreveport, where he has been flying for recruiting purposes, Lieutenant Carlton developed engine trouble at an altitude of about 6,000 feet, but was planned safely to a corn field near Waskom, Texas. In trying to raise his machine struck a fence and was badly smashed.

The crew of the steamship Sag Harbor had to throw overboard \$100,000 worth of sugar before the ship was able to reach port recently. It struck a reef off Cuba while bound from Puerto Padre to Philadelphia.

Convicted of deserting his men, whom he had led into the fire of the enemy, Samuel H. Stone, of Ayres, Mass., formerly a second lieutenant of the 101st infantry regiment, has been sent to Fort Lavenworth, Kansas, to begin a ten-year sentence.

BAPTISTS WILL WAGE DRIVE BY DISTRICTS.

In the Texas Baptists' campaign for \$16,000,000 as a part of the Southern Baptists' \$75,000,000 drive for their five year program, Dr. T. V. Neal, State organizer, has divided the State into eighteen districts. Headquarters for these districts as announced by Dr. Neal will be at Brownwood, Fort Worth, Belton, Waco, Abilene, Tyler, Sherman, Dallas, Amarillo, San Antonio, El Paso, Houston, Breckenridge, Wichita Falls, Marshall, Plainview, Brownsville and Beaumont.

The Texas campaign will be carried through these eighteen districts to 120 Baptist Associations, 3,050 Baptist Churches and approximately 400,000 members of the Baptist denomination in the state. Organizations are being completed in the districts and associations, and it is expected that the 3,050 church organizations will be completed within the next few weeks. Each district, association and church will have its campaign director, organizer, publicity director and assistants. When perfected the state campaign forces for the Baptist \$16,000,000 drive will approximate 30,000 workers. The

month of August will be devoted to information, the month of September to intercession, October to enlistment November to stewardship and the first week in December, "Victory Week," to actual campaigning for the \$16,000,000.

Dr. F. S. Groner, State campaign director; Dr. T. V. Neal, State campaign organizer, and Dr. J. M. Dawson, State publicity director, have just returned from visits to various sections of the State in connection with the campaign organization, and report much interest and enthusiasm in the movement from every locality they visited.

CAMP MEETING IN DAVIS MOUNTAINS.

The regular old time camp meeting in the Davis Mountains, which has been an institution for years, began its services Thursday, Dr. George W. Truett of Dallas and other prominent ministers doing the preaching.

Cowboys from hundreds of miles in that section of the state gather at Skillman Grove each summer to hear Dr. Truett. The attendance is expected to be much larger this year. There are beautiful groves for camping and free beef will be allowed for all campers, and a cordial invitation is extended to all who desire to attend. It is a self supporting meeting all who go from a distance are asked to bring their beds and tents in their autos. Arrangements can be made with some of the camps for eating there being no hotels or restaurants. Several parties from this section are in attendance. Revs. Percy Knickbocker, El Paso; J. H. Burma, Dubuque, Iowa; Milo Atkinson, El Paso and Ervin of Fort Davis, will help Dr. Truett in the meeting.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful. Adv.

Race war terror and bloodshed has abated at Chicago, after several days and nights of rioting, but violence continues spasmodically, notwithstanding the fact that an army of nearly 10,000 state troops and policemen are on active duty in the South Side negro quarter.

Grove's Tasteless Chill Tonic restores vitality and energy by purifying and enriching the blood. You can soon feel its strengthening, invigorating effect. Price 60c.

Albert Duncan Accused of a Serious Crime.

Albert Duncan, a young business man who runs a tailor shop, we are sorry to say, was accused of a very serious crime. Complaints have been filed by the people. For three years he has been doing cleaning, pressing and repairing, and ordering suits to measure in a manner that no doubt will surprise the good people of Lorraine and surrounding country who have been spending their hard-earned money with him. Mr. Duncan has been accused and no doubt will be found guilty of doing cleaning and pressing cheaper than any other place in the county; also of selling better made to order clothing at a price too low. The case will be tried later. Watch for reports. In the meantime he will continue to do business in the way he has been accused. (Adv.)

JOYFUL EATING

Unless your food is digested without the aftermath of painful acidity, the joy is taken out of both eating and living.

KI-MOIDS

are wonderful in their help to the stomach troubled with over-acidity. Pleasant to take—relief prompt and definite.

MADE BY SCOTT & BROWN, MAKERS OF SCOTT'S EMULSION

"Just can't work any more." The faded, jaded, over-worked woman, with pains here or there, should ask her neighbor for advice. Ten-to-one she was dragged down by the pains and ailments of her sex, and was completely cured by that temperance tonic, made from wild bark and roots, and known for 50 years as Dr. Pierce's Favorite Prescription. When a woman complains of back-ache, dizziness or pain—when everything looks black before her eyes—a dragging feeling, or bearing-down, with nervousness, she should turn to this "temperance" herbal tonic, known as Dr. Pierce's Favorite Prescription. It can be obtained in almost every drug store in the land and the ingredients are printed in plain English on the wrapper. Put up in tablets or liquid. Dr. Pierce, of Invalids' Hotel, Buffalo, N. Y., will send a trial size for 10-cents.

BATON ROUGE, LA.—"Going thru middle life I was afflicted with heat flashes and dizzy spells. Some friends of mine advised me to try Doctor Pierce's Favorite Prescription and I was mighty glad I took their advice for it gave me more comfort and relief than any medicine I had ever taken. I came thru the change in excellent health; the heat flashes and dizzy spells left me at once. I cannot praise 'Favorite Prescription' too highly for the good it did me at that critical time."—Mrs. N. B. RICHARDSON, 155 St. Napoleon.

PROVIDING FOR THE SEPARATION OF THE STATE UNIVERSITY AND THE AGRICULTURAL AND MECHANICAL COLLEGE AND FOR BOND ISSUES BY EACH:

House Joint Resolution No. 29. A Joint Resolution to amend Article 7, Sections 10, 11, 12, 13, 14 and 15 of the Constitution of the State of Texas, which article relates to education, and which sections provide for the establishment and support of the University of Texas, the Agricultural and Mechanical College of Texas, and for a branch college for the instruction of colored youths; provides that the Texas State Medical College and the School of Mines at El Paso shall be branches of the University of Texas; provides that said University, said Agricultural and Mechanical College, and said College of Industrial Arts shall be separate State Institutions and independent in organization; provides for the sale of the lands belonging to the University of Texas permanent fund, and for the division of the proceeds of such sale and all securities between the University of Texas, the Agricultural and Mechanical College of Texas, and the Prairie View Normal and Industrial College; directs that the respective parts of each shall become the permanent fund of each institution and how it shall be invested; provides that the University of Texas and the Agricultural and Mechanical College of Texas may utilize the permanent fund of each as a basis for the issuance of bonds for improvements, and for redemption of such bonds from the income of such permanent funds; provides that the governing board of the Agricultural and Mechanical College may make provisions for permanent buildings for the Prairie View Normal and Industrial College from the proceeds of bond issues by the said Agricultural and Mechanical College; and declares said Prairie View Normal and Industrial College a Constitutional branch of the Agricultural and Mechanical College; provides that the Legislature shall make provisions by appropriation for the maintenance and development of the University of Texas and the Agricultural and Mechanical College, and for the development and support of the College of Industrial Arts, the Normal Schools, the Prairie View State Normal and Industrial College; provides for the authority to the University of Texas and the Agricultural and Mechanical College, pending division of the University endowment, to issue bonds redeemable from the income of the endowment, and granting authority to the Legislature to make appropriations to supply any deficiency; provides that the Legislature shall give encouragement and direction to the development of a University of the first class, and an Agricultural and Mechanical College of the first class, and a College of Industrial Arts of the first class; provides for the submission of this proposed amendment of the Constitution to the people, fixing the date for election to be held, and making an appropriation to pay the expense of said election.

University of Texas and its constitutional branches; the Agricultural and Mechanical College of Texas and the Prairie View State Normal and Industrial College, to fulfill the purposes for which created, all lands and other property heretofore set apart and appropriated for the establishment, endowment, and maintenance of the University of Texas and its constitutional branches, together with the proceeds of the sale of such lands heretofore made, or hereafter to be made, for the support and benefit of either institution, shall constitute a permanent fund for the University of Texas, the Agricultural and Mechanical College of Texas, and for the Prairie View State Normal and Industrial College; provided, that when the permanent University endowment shall, by constitutional and statutory authority, be apportioned to the institutions named it shall be divided between the University of Texas, the Agricultural and Mechanical College of Texas, and the Prairie View State Normal and Industrial College in the following manner: To the University of Texas, sixty-six and two-thirds (66 2/3) per cent, and the Agricultural and Mechanical College of Texas, thirty-three and one-third (33 1/3) per cent; and the governing board of the Agricultural and Mechanical College of Texas shall apportion to the Prairie View State Normal and Industrial College for colored youths such part of, or interest in, the said thirty-three and one-third (33 1/3) per cent as may be determined equitably by said governing board. The principal of all funds accruing to each institution from the division of the University endowment under the provisions of this section shall, whenever the said endowment is divided, constitute the permanent fund of each, and shall be invested as the permanent public free school fund is now or may hereafter be authorized by law to be invested; and the governing boards of the University of Texas and the Agricultural and Mechanical College of Texas shall be authorized, with the approval of the Governor, and in the manner to be provided by law to issue bonds for permanent improvements, such bond issues to be based upon the permanent funds of the institution issuing them; and the governing board of each institution shall make provision from the income derivable from its permanent fund for the payment of all bond issues under its authority as may be provided by law.

Sec. 12. The lands set apart to the University fund shall be sold under such regulations as may be provided by law; and the Legislature shall provide for the prompt collection, at maturity of all debts due on account of University lands heretofore sold, or that may hereafter be sold, and shall in neither event have the power to grant relief to the purchasers. And, until such time as the University endowment fund shall be divided in accordance with constitutional and statutory authority, the proceeds from the sale of lands as realized and received into the Treasury of the State, together with such sum belonging to the funds as may now be in the Treasury, shall be invested as the permanent public free school fund is now or may hereafter be authorized by law to be invested; and the interest accruing thereon, and any income from the use of the said University lands, shall be subject to appropriation by the Legislature, and may be available for the redemption of bonds based on the University endowment and to be redeemed from the said interest and income from the use of land, as may be provided by law, to aid in the construction, equipment and maintenance of the University of Texas and the Agricultural and Mechanical College of Texas, and the total of such bond issue outstanding shall at no time exceed four and one-half million dollars, and the legislature is hereby authorized to appropriate out of the general revenues of the State such moneys as may be necessary to cover deficiencies in the interest and sinking fund accounts of the bond issues herein provided for. Provided, that the one-tenth of the alternate sections of the lands granted to railroads, reserved by the State which were set apart and appropriated to the establishment of "The University of Texas" by an Act of the Legislature of February 11, 1858 entitled "An Act to Establish 'The University of Texas,'" shall not be included in or constitute a part of the permanent University fund.

Sec. 13. The Legislature shall provide by appropriation for the equipment, maintenance and development of the University of Texas, and the branches of the said institution named in this Article and such other branches as may hereafter be established by law; for the Agricultural and Mechanical College of Texas and its branches as now or hereafter may be established by law; for the College of Industrial Arts for the education of White Girls; for State Normal Schools; and for the Prairie View State Normal and Industrial College for colored youths.

Sec. 14. The Legislature shall give encouragement and direction to and make provision for the educational activities of the respective State Institutions provided for in this Article, and as may be adequate for the promotion of literature and the arts and sciences, pure and applied, and for instruction in the professions of a University of the first class; and for instruction in all those branches of learning which relate to agriculture, animal husbandry, the natural sciences, pure and applied, connected therewith, the mechanic arts and military science and tactics, requisite to the development of an Agricultural and Mechanical College of the first class; and for the education of white girls in the literary branches, the arts and sciences, and in social and domestic economy of the age, as may be necessary to establish and maintain a College of Industrial Arts of the first class for white girls, and for instruction in all the branches requisite to the development of normal schools of the first class.

Sec. 15. The Prairie View State Normal and Industrial College for the instruction of colored youths of the State, having been located at Prairie View, in Waller County, as a branch of the University of Texas, is hereby declared a branch of the Agricultural and Mechanical College of Texas. And in lieu of the separate apportionment of a part of the University endowment, as authorized in Section 11 hereof, the said Board of Directors of the Agricultural and Mechanical College may apportion to the Prairie View State Normal and Industrial College such part of any fund from any authorized bond issue by the Board for the purpose of permanent improvements as the Board may determine to be equitable and the fund so apportioned shall be available only for the purpose of constructing permanent improvements for the said Prairie View State Normal and Industrial College.

OFFICIAL REPORT ON WHAT THE "Y" DID WITH MONEY

\$97,817,005 Expended to March 31—
\$123,254,052 Contributed by
Public.

UNCOLLECTED FUNDS VITALLY NECESSARY.

Only Way Work Can Be Continued
Until End of Year, When Emer-
gency Will Be Over.

New York.—(Special.) The National War Work Council of the Young Men's Christian association, through its finance committee has made public a detailed statement of its receipts and expenditures for war work in this country and abroad in the period between April 26, 1917, and March 31, 1919. In a supplementary announcement the war work council explained that this is not a final report. Its war service, having reached its maximum in March of this year, is being continued in the United States and foreign countries.

The council received in the period covered by the report, an aggregate of \$123,254,052. Of this amount \$123,254,052 was contributed by the people of the United States in the three campaigns conducted to finance Y. M. C. A. war work.

A statement of Y. M. C. A. expenditures for work in the home camps shows 950 buildings constructed in the six military departments at a cost of \$7,698,984. In maintaining and operating these buildings the Y. M. C. A. expended \$3,965,736.

Concerts, vaudeville and other entertainment provided the men on this side cost the Y. M. C. A. \$1,166,767. Motion picture shows in the home camps cost \$2,326,271. It provided athletic supplies and physical directors to carry out its athletic program at an expense of \$1,503,179. It expended \$923,629 for writing materials and for financing camp newspapers and publications.

Religious work in home camps was done at an expense of \$2,105,816. Educational literature, lectures, French instruction and library service cost \$1,192,737; sex hygiene education and literature cost \$73,704. Other items include \$280,334 for war work in the canal zone, Porto Rico, the Philippines and other territories, \$192,386 for work among the employees of munitions plants and other war industries, and \$142,061 for work with the Students' Army Training corps.

The Y. M. C. A.'s work overseas with the A. E. F. from its inception to the end of last March, also is stated in detail. In this period it is shown \$4,801,271 was spent for huts and tents, \$2,950,421 for furniture, equipment and motion picture outfits, and \$1,014,337 for operation of huts and field units. The Y. M. C. A. further spent, for motor transport and miscellaneous equipment, \$2,671,738; for motor transport devoted exclusively to its canteen service, \$39,296, and for operation and maintenance of its motor transport, \$1,170,711.

Supplies worth \$1,794,771 were distributed free to the doughboys. Y. M. C. A. Christmas gifts and entertainments represented an expenditure of \$651,963. It supplied writing materials, newspapers, etc., to overseas men, to the value of \$2,296,808. In operating leave areas in France, the Y. M. C. A. spent \$831,601; in managing a chain of hotels for the men on leave in the larger cities, \$477,956.

On overseas religious work the Y. M. C. A. spent \$467,584; on education and library work, \$991,932. Concerts and entertainments were given at a cost of \$850,969, and motion picture shows at a cost of \$1,066,757. Overseas athletics cost \$1,957,301.

Through the international committee of the Y. M. C. A. \$16,042,695 was expended in work with the allied armies, and \$1,058,591 in work with prisoners of war. Of the sum of these two items the war work council contributed \$14,409,175.

Expenditures with the allied armies included \$6,738,744 for France; \$497,369 for Great Britain; \$3,139,951 for Italy; \$4,805,935 for Russia, and \$890,694 for other allied countries.

For the prisoners of war in Germany the Y. M. C. A. spent \$117,988; in Denmark, \$90,087; in Austria-Hungary, \$146,812; in Switzerland, \$247,950; in Turkey, \$56,206, and in other countries \$390,545.

The grand total of expenditures was \$97,817,005. This left, on March 31, 1919, a balance of \$27,465,854, which, with the payment of pledges to the United War Work campaign still remaining unpaid, is expected to be sufficient to support the work from April 1, 1919, to December 31, 1919.

In accounting for this balance the statement lists assets of the war work council on March 31, 1919, of \$43,333,166. These included \$8,835,881 in cash on hand, and assets overseas amounting to \$18,761,676. The Y. M. C. A. also had on that date canteen supplies on hand and in transit to the value of \$5,992,591, and outstanding accounts totaling \$9,735,366.

On the same date its current liabilities and reserves amounted to \$15,837,312 including \$2,792,964 in bills and salaries due in the United States and \$6,594,720 due overseas. There was charged against it \$1,627,285 representing remittances received from the men of the A. E. F. for transfer to the United States. It owed the British, French and United States governments, for transportation and supplies, \$3,022,538.

\$60,000.00 IN PREMIUMS FOR LIVE STOCK ALONE.

PRESIDENT SIMPSON INCREASES
APPROPRIATION TO THAT
AMOUNT FOR VICTORY
FAIR

President Simpson, of the State Fair of Texas, believes thoroughly in the live stock industry. He is doing everything he possibly can to encourage it.

To this end, at President Simpson's urgent request, the Board of Directors has appropriated the largest amount in its history, and the largest amount offered by any Fair anywhere, for live stock at the Victory Fair this fall. The amount is apportioned as follows:

For Beef Cattle: Herefords, \$15,000.00; Aberdeen-Angus, \$5,000.00; Shorthorns, \$15,000.00; Red Polled \$1,250.00.

For Dairy Cattle: Jerseys, \$3,000.00; Holsteins, \$3,000.00; Gurnseys, \$500.00.

In addition to this, the number of special premiums has been largely increased.

To increase Texas cattle productivity, these premiums have been offered. Already cattlemen from many sections of the country have entered their herds so that the cattle show at the Victory Fair will greatly surpass all former cattle shows.

A Bilious Attack.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea vomiting and a terrible headache. Take three of Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.

Yes! It's Cash—Gas and Oil at the City Garage—Hill Low.

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 60c per bottle.

COAL COAL

Lay in your winters
supply of coal now

I have a big lot of Coal on hand and want to sell your winters supply of coal off the car.

I can sell now, cheaper than any other time.

Remember the Government advances the price of Coal each month. The longer you wait the more you'll have to pay.

See Laribeth at once
for your Winter Coal

O. LAMBETH
The Coal and Feed Man

When you want your Ford car repaired, insist always upon getting the genuine Ford Parts, made by the Ford Motor Company, in order to insure reliable quality. There are "spurious," "counterfeit," "imitation" parts made by outside concerns who have no regard for quality in material, so insist on your Garage or Repair Man furnishing you the genuine Ford Parts. All reliable garages may now buy the genuine Ford Parts from us—so there's no excuse for any one using the "bogus" parts. To be sure, bring your car to us for repairs or replacements.

If you want a Ford Car place your order now.

PROVIDING FOR AN ISSUE OF BONDS BY THE STATE FOR THE PURPOSE OF CONSTRUCTION OF HIGHWAYS.

House Joint Resolution No. 13.

A Joint Resolution proposing to amend Section 49, Article 3 of the Constitution of the State of Texas relating to the power to create debts by or on behalf of the State so as hereafter to authorize the Legislature to enact such laws as may be necessary directing the Governor of the State to issue bonds in a sum not to exceed \$75,000,000; providing for the levy of a tax to create the necessary interest and sinking fund therefor; and providing that the proceeds from the sale of such bonds shall be used in the construction of durable, hard surfaced roads upon the public highways of the State.

Be it resolved by the Legislature of the State of Texas:

Section 1. Amend said Section so as to read after its adoption as follows:

Article 3. Section. 49. No debt shall be created by or on behalf of the State, except to supply casual deficiencies of revenue, repel invasion, suppress insurrection, defend the State in war, or pay existing debt; and the debt created to supply deficiencies in the revenue shall never exceed in the aggregate at any one time, two hundred thousand dollars (\$200,000); provided however, that the Legislature may enact such legislation as may be necessary to authorize and direct the Governor to issue bonds of the State in a sum not to exceed Seventy-five million (\$75,000,000) dollars, the proceeds to be used in the construction of durable, hard-surfaced roads upon the public highways of the State; provided that such proceeds shall be apportioned to the different counties of the State according to the needs of the State Highways in such counties; and, provided further that under Legislative authority a tax not to exceed twenty cents on the one hundred dollars valuation of taxable property in the State may be levied, assessed and collected to provide the necessary interest and sinking fund therefor, and said taxes shall be in addition to the taxes authorized by Article 8, Section 9 of the Constitution.

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors for members of the Legislature at an election to be held throughout the State of Texas on the first Tuesday in November, the same being the fourth day of November, A. D. 1919, and the Governor of this State is hereby directed to issue the necessary proclamation for said election and to have the same published as required by the Constitution and laws of this State. Those favoring the amendment shall have written or printed on their ballots the words "For the amendment to Section 49, Article 3 of the Constitution proposing to amend Section 49, of Article 3, relating to the power to create debts by or on behalf of the State, so as hereafter to authorize the Legislature to enact a law directing the issuance of bonds by the Governor of the State in a sum not to exceed Seventy-five Million (\$75,000,000) dollars, the proceeds of said bonds to be used in the construction of durable, hard-surfaced roads upon public highways of the State; and providing for the levy of a tax not to exceed 20 cents on the one Hundred Dollars valuation, on taxable property in the State." Those opposing the amendment shall have written or printed on their ballots the words "Against the amendment to Section 49, Article 3 of the Constitu-

tion proposing to amend Section 49 of Article 3 relating to the power to create debts by or on behalf of the State, so as hereafter to authorize the Legislature to enact a law directing the issuance of bonds by the Governor of the State in a sum not to exceed Seventy-five Million (\$75,000,000) dollars, the proceeds of said bonds to be used in the construction of durable, hard-surfaced roads upon public highways of the State; and providing for the levy of a tax, not to exceed 20 cents on the One Hundred Dollars valuation, on taxable property in the State."

Sec. 3. The sum of Five thousand dollars (\$5,000) or so much thereof as may be necessary, is hereby appropriated out of any funds in the State treasury not otherwise appropriated, publication and election.

Sec. 4. The fact that the Legislature is restricted by the provisions of Section 49, Article 3 of the State Constitution from enacting needed highway Legislation creates an emergency and an imperative public necessity exists, demanding the suspension of the rule requiring bills to be read upon three several days, and such rule is hereby suspended.

GEORGE F. HOWARD,
Secretary of State.
(Attest—A True Copy.) 815

ADMINISTRATORS NOTICE.

In the matter of the estate of J. E. Sweatt, deceased. Administration pending in the County Court of Mitchell County, Texas: No. 329.

All claims for money against the estate of J. E. Sweatt, deceased must be presented to me for allowance at Colorado, Texas, it being my place of residence and post-office address within one year from July 31, 1919, the date of the letters of administration issued to me. If not presented within the year as aforesaid, payment of the same will be postponed until the claims presented within that time are paid.

Witness my hand this the 31st day of July, A. D. 1919.

G. B. SLATON,
Administrator.

Tan-No-More THE SKIN BEAUTIFIER

Protects
Cleanses
Improves

Beauty, even skin deep, should be protected and improved. Tan-No-More, the ideal face preparation, does both. It is a sure protection against the beaming sun or blistering wind, and at the same time helps rebuild tissues. It brings to the skin that velvety softness of youth.

Applied to the face before going into the open, Tan-No-More insures full protection against the elements. Used before going out in the evening, it assures a faultless complexion. Thousands of testimonials declare Tan-No-More is superior.

You can have a clear, smooth, attractive skin by using this guaranteed beautifier. Sample for the asking. At toilet counters, 35c, 50c and \$1. Tints, white and flesh.

BAKER-WHEELER MANUFACTURING CO.
DALLAS, TEXAS

LOCAL NOTES

Colorado public schools open on September 15th.

Lieut. Dr. Reaves Coleman came in this week on a visit home. He goes to Camp Travis for his final discharge in a few days. The doctor looks fine and says the war work agreed with him, but that he has had enough.

All Gas and Oil is cash at the City Garage. Air and water are free, but gas is cash. Better not ask for credit.

Roscoe L. Bassham, another one of Colorado's overseas boys, got in home last Saturday night. Roscoe had been on the other side a little more than a year, and served in the medical corps. He has been at the embarkation camp for the last six months. He says nearly all the American boys are now home, except a number that re-enlisted to stay on that side. He was glad to get back to this country, and his parents were delighted to have him home.

H. C. Doss has the Deering Binding Twine—the best there is on the market.

A. C. White, for the past year living at Jacksonville, came in this week on a visit to home folks and to look after his farm east of town. Mr. White was a pleasant caller at the Record office and said he had twenty acres in sweetpotatoes as fine as any land could grow.

See us for your cotton seed meal and hulls—cotton seed mixed feed—Continental Oil-Cotton Co. 81

Champ Carter, who has been sojourning in Oklahoma since his army discharge is home for a few days, and left Tuesday night for Denver, Colorado, where he enters the School of Mine.

Palmolive soap at W. L. Doss' is 3 for 29 cents.

Lots of watermelons in this country and they are mighty fine.

Get your Deering Binding Twine at H. C. Doss—Best twine on the market.

Mr. and Mrs. Joe Ray of Waxahachie visited his sister, Mrs. W. P. Garvin last week. They went from here to Snyder, Post and New Mexico. Mrs. Garvin and daughter accompanied them to Snyder.

Constipation is the starting point for many serious diseases. To be healthy keep the bowels active and regular. HERBINE will remove all accumulations in the bowels and put the system in prime condition. Sold by all dealers. Adv.

Mr. and Mrs. Stonerod returned from their visit in Lubbock the last of the week.

Get the Deering Binding Twine—the best twine on the market—at H. C. Doss.

Miss Lois Whipkey returned home Monday from a visit to her cousin Mrs. E. F. McDaniel in Dallas, and sister, Mrs. Bert Robertson at Ranger.

Phone 406 for expert cleaning, pressing, bushing and dying.—Tom Hughes, Expert Tailoring.

Rev. W. P. Garvin is holding a meeting in Westbrook this week.

The Oil Mill at Colorado pays the highest market price for all second-hand sacks. tf

Judge and Mrs. Adamson of Snyder visited his sister, Mrs. Q. D. Hall and niece, Miss Eula Harper, Sunday. Miss Harper left this week for New York from where she goes to Brazil as a missionary.

Colds Cause Grip and Influenza
LAXATIVE BROMO QUININE Tablets remove the mucus. There is only one "Bromo Quinine." E. W. GROVE'S signature on box. 20c.

Early Tuesday of this week Mr. and Mrs. Everett Winn, C. C. Wyatt and Cliff Etheridge hid away to the banks of the Concho to fight mosquitos, fool the fish, and "play like" they were having a good time. How do we know? Because we've been there.

We had rather have a satisfied customer than to have your money, unless you get value received. We take pride in being sanitary, and our service is prompt. Phone 262, we'll get it to you at once.—Smith & Page.

Bert Wulfjen came over from Ranger to spend Sunday here with his family, and returned Tuesday to the Oil City.

Read the Record's WANT ADS.

Mr. and Mrs. Walter Whipkey, after spending the week at Big Spring, will leave tomorrow for their home in Paris, having spent a ten days vacation here.

Its Cash! What?—Gas and Oil at City Garage—Hill Low.

When you miss any one from town, phone the Concho, you'll find 'em there.

Remember Smith & Page sell only the best, purest and freshest groceries. They pride themselves on prompt delivery, and everything is sold absolutely on a guarantee. Your money's worth or your money back. Phone 262

MORE FISHERMEN.

Tuesday of this week after gathering up all the old tin buckets and pans and everything else they could find, a merry crowd of folks left, going South, on a big ten days fishing trip. In the party we noticed Myrtle Vaughan, Geo. Slaton, Comp. Pritchett, Jack Smith, C. F. Dixon and J. P. Majors of Sweetwater. They hope to make the biggest catch of the season and it is safe to say they will at least report it as such.

In every home where there is a baby there should also be a bottle of McGEE'S BABY ELIXIR. It may be needed at any time to correct sour stomach, wind colic, diarrhoea or summer complaint. It is a wholesome remedy, contains no opium, morphine or injurious drug of any kind. Sold by all dealers. Adv.

PALMOLIVE SOAP.

Palmolive Soap, 2 for 25c regular price, now selling for a short time only, at three bars for 29 cents; \$1.16 per dozen at W. L. Doss drug store.

Buy your typewriter ribbons here.

F. M. Burns is back from the New York markets. He says he has been visiting this market for thirty years, but never saw such a mad scramble for merchandise. It is not what you want but what you can get. The factories are behind, the wholesale houses are behind on orders, the prices are soaring and the whole commercial world is in a turmoil. Mr. Burns said his purchases were small enough to send by parcel post, but the check was so large it had to be sent by freight.

Don't suffer the misery of indigestion when you can get relief from Prickly Ash Bitters. It eases pain and drives out badly digested food. One dose does the work. Try it. Price \$1.25 per bottle. Jno. L. Doss special agent.

A WORD OF THANKS.

I have sold my retail oil and gas business at the Herrington filling station, and desire to express my sincere thanks to one and all for their liberal patronage in the past. I tried at all times to please my customers, and to those that patronized me I again offer my most hearty thanks. In this connection I also wish to announce that I am still the Texas Company's Agent, selling at wholesale, Gas, Oil and Kerosine, and will be pleased to receive your orders at any time. W. C. MORROW, Agent The Texas Company.

The Quinine That Does Not Affect the Head
Because of its tonic and laxative effect. LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE. 20c.

Watermelons on Ice.

Our melons are ice cold. Phone 111 for a nice one. We will get it to you cold to the core.—Canada & Lambeth.

Is it Possible to Legislate Life and Brains?

Swift & Company is primarily an organization of men, not a collection of brick, mortar, and machinery.

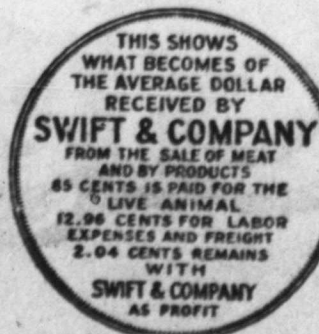

Packing Plants, their equipment and usefulness are only outward symbols of the intelligence, life-long experience, and right purpose of the men who compose the organization and of those who direct it.

Will not Government direction of the packing industry, now contemplated by Congress, take over the empty husk of physical property and equipment and sacrifice the initiative, experience and devotion of these men, which is the life itself of the industry?

What legislation, what political adroitness could replace such life and brains, once driven out?

Let us send you a Swift "Dollar." It will interest you. Address Swift & Company, Union Stock Yards, Chicago, Ill.

Swift & Company, U. S. A.

F. M. Burns

Just back from the New York Market.

An exceptionally large stock of fall and winter goods bought.

We are now receiving almost daily a fine assortment of

- Ladies Coat Suits

J. H. Cooper & Son
Opposite post office.

I am the only one in Colorado that handles genuine repair parts for John Deere, Deering and McCormick row binders. Don't be fooled into buying bogus parts. I have the only genuine parts.—H. C. Doss.

A SPECIALIST

Dr. M. E. Campbell of Abilene, a Specialist in Eye, Ear, Nose and Throat Work, will be in Dr. C. L. Root's office in Colorado on Saturday August 16th—One day only.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness. GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood. The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

If you sit in a cool draft when you are heated and get a stiff neck or lame back, you will be looking for something that will ease the pain. Fix your mind on BALLARD'S SNOW LINIMENT and don't be talked out of it because it is the best pain relieving liniment you can get anywhere. Sold by all dealers. Ad

Dan Beeman planted Johnson grass Soudan grass and sorghum seed for hay. It grew so thick and tall and large that he almost failed to get it cut. It is estimated at three tons to the acre. Hundreds of dead birds and rabbits were found when cutting this feed. It was presumed that after getting in it was so dense, that they were unable to get out, became lost and died from thirst or starvation.

Watermelons are neither good or healthy unless chilled. We keep them on ice. Try a nice cold one.—Canada & Lambeth.

LORAIN NEWS

By Miss ISOPHENE TOLER

Items of local interest to Loraine and the East half of the County gathered and reported by Miss Isophene Toler. Miss Toler is the authorized representative of the Record for Loraine and will attend to all business for the paper at Loraine. When having any business with this paper phone her and she will gladly wait on you.

Little Catherine Cook of Silver was up on a special mission Friday. She is still patriotic and helping her country by purchasing W. S. S.

Lithographed warranty deeds at Record office.

"Farm" That Raises Jewels.

The island of the Holy Ghost, Lower California, has the only farm in the world which sows and reaps a crop of jewels. Through artificial propagation and care pearls are actually raised there in the San Gabriel cove. In their natural condition the pearl beds are scattered and the oysters are prey to many submarine foes, but on this farm they are protected by a substantial masonry dike which walls off a portion of the bays, reaching above high-water-mark. Openings admit the free passage of the sea water, but are guarded by heavy screens. The bottom of this segregated area was cleared of all growth and paved with rock brought from the mainland and laid by divers. Here the pearl oysters are cultivated just as edible oysters are.

Soldiers Feel Wounds They Inflict.

Mr. Arthur MacDonald of Washington, honorary president of the International congress of criminal anthropology, tells in the Medical Record some of the oddities noticed in nervous soldiers. For instance: One "who bayonets another in the face may develop a hysterical tic in his own face; one bayoneting enemies in the abdomen may have abdominal contractures in himself. Hysterical blindness may follow from seeing horrible sights; hysterical deafness when the cries of the wounded are unbearable."

And he adds that in some of these cases the only relief is a real wound.

Pilotless Airplane Flies Far.

For two years experiments have been making in France with a pilotless airplane which seems to be a success. The apparatus is guided from land by telemechanic means. At a trial before Colonel Dhe, director of aviation, it traveled over a prescribed course of 180 kilometers and landed at a designated airdrome.

Duncan Tailor Shop

For Weak Women

In use for over 40 years! Thousands of voluntary letters from women, telling of the good Cardui has done them. This is the best proof of the value of Cardui. It proves that Cardui is a good medicine for women.

There are no harmful or habit-forming drugs in Cardui. It is composed only of mild, medicinal ingredients, with no bad after-effects.

TAKE CARDUI The Woman's Tonic

You can rely on Cardui. Surely it will do for you what it has done for so many thousands of other women! It should help.

"I was taken sick, seemed to be..." writes Mrs. Mary E. Vesie, of Madison Heights, Va. "I got down so weak, could hardly walk... just staggered around... I read of Cardui, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when run-down. I had no appetite, and I commenced eating. It is the best tonic I ever saw." Try Cardui.
