Interest in Starke Revival Grows With Each Service

That more than passive interest is manifested in the Starke revival by the people of Colorado and vicinity is evidenced by the large audiences attending the services, especially those of the evenings, commencing at 7:30 o'clock. The largest audiences ever assembled in the First Methodist church heard the evangelist preach Friday and Sunday evenings, when the main auditorium, the south wing and the gallery were filled to overflowing. Scores of people were turned away from both of these services because there was no room for them in the building.

The greatest inspirational service of the revival was held Sunday afternoon at 3:00 o'clock, when the evangelist delivered a special sermon to young people and children. Seats in the main auditorium were reserved for these and more than three hundred were in attendance. The south wing and gallery of the church were filled with adults. With all the passion of his soul, the speaker appealed for a decision by the children and young people to live a Christian life and 195 pledged themselves to do so in the future. Every church in the city was represented in the notations of church preference expressed by those young recruits for Christ.

Throughout the revival the evangelist has stressed the importance of prayer upon the part of the Christian people of the community and appealed to his hearers for greater activities in Christian work. One of his strongest sermons along these lines was delivered Tuesday morning from the subject, "The Potter and the Clay," from Jeremiah. He painted a vivid picture of the inspiration that came to Jeremiah as he stood in the house of the potter, watching him form vessels of the clay; how that in the first casting, the product came with a flaw and was broken up by the hands of the potter and recast into a beautiful vessel. He applied the same process in describing what God does to the awkward and indifferent Christian who permits himself to be placed into the hands of the Divine potter for transformation into a vessel of usefulness in God's Kingdom.

The story of how God formed the first human being, Adam, from the clay was told by the evangelist in a diplomatic manner. Creation of Eve, woman, the most beautiful product of God's handiwork, from the rib of the man is sufficient that man's wife should be regarded most highly and loved most sincerely by him. Dr. Starke stated, since she was made of the rib nearest his heart.

At the service Wednesday morning, Dr. Starke continued the sub-

ject "A Clean Heart," begun Sunday morning, reading as his text the quotation, "Create Within Me a Clean Heart," from the Psalmist. "If the more than three hundred members of the Methodist church in this city were yearning for a clean heart in the sight of God as did David, and were living up to the sacred vow they took when coming into the church, we could carry this community for God," Dr. Starke stated. In practically every sermon delivered by the evangelist he has made an appeal for the church members of the city to lay aside indifference and get into the work of doing something for the Master.

The Wednesday morning service was the first one to be attended by the business men of the city following the mutual agreement to close for one hour, from 10 to 11 o'clock. Dr. Starke expressed his appreciation for the courtesy extended him in this matter.

Commencing Tuesday afternoon, conferences by personal workers have been held at the church auditorium each afternoon at 3 o'clock. Leading laymen and laywomen of the various churches of the city compose this band and they are doing effective work in co-operating with the evangelist in making the campaign a success.

The Record would be inconsistent should we fail to make reference to the choir. Dr. Starke stated from the pulpit a number of times, that he has heretofore had his chorister with him to direct the song service and in a number of revivals in the larger cities a paid choir was used. "But," he said, "I have never, during the more than sixteen years I have been in the evangelistic work, heard better singing than we have here." The singers from each of the churches of the city are co-operating in these services. The choir is being directed by Messrs. Thos. Dawes, W. L. Doss, Claude Womack and Elliott.

The revival will continue through all of next week, closing Sunday night, May 1, according to announcement made by Dr. Starke.

LIGHT FREEZE SATURDAY NIGHT; DAMAGE SMALL.

A light freeze resulted from the drop in temperature at Colorado Saturday night, but small damage to such as fruit and young crops was done, according to reports received by The Record. The cold snap followed closely several days of cool, bristly weather and during the day Saturday the most severe sandstorm of the year prevailed. The sandstorm did considerably greater damage to crops than did the freeze.

SCHOLASTIC CENSUS SHOWS INCREASE OVER LAST YEAR

The scholastic census at Colorado for 1921 is 652, according to statistics given The Record Tuesday by Judge J. C. Hall, ex-officio county superintendent of public instruction. This shows an increase of 46 over the census of one year ago, when the number totaled 606. Two years ago the scholastic census of Colorado Independent School District was 433.

A like increase is shown in the Lorraine Independent District. The census there this year is 354. Last year it was 303, while one year ago the scholastic population was 242.

Tabulations of the several rural districts of the county were not complete Tuesday afternoon and it could not be ascertained what the scholastic population of Mitchell County for 1921 would show. Judge Hall stated that he expected to complete this work by Thursday.

BONDS COUNTY DEPOSITORY APPROVED BY COMMISSIONERS.

Bonds of the Colorado National Bank in the sum of \$100,000 required in conditions to be met in qualifying as depository for the school and county funds of Mitchell County were approved by commissioners court Monday, convened in adjourned session by Judge Hall for that purpose.

The bond filed as guarantee for the school funds was for \$40,000 and for the other funds, \$60,000. Approval of these bonds was the last official act in completing the details of consolidation of the Colorado National and the First State Bank.

Commissioners Court completed this work Monday afternoon and adjourned to meet again in May.

"BUDDIES" OF OVERSEAS MEET HERE WEDNESDAY.

"Well, what are you doing here?" demanded "Jap" McClure of Dallas, as he greeted Roy Dozier on the street here Wednesday morning.

"And what are you doing?" came the rejoinder from Dozier as each of them recognized in the other a "buddy" while in the 117th Supply Train, 42nd Division abroad during the world war. McClure found two other former service men at Colorado that he knew in the same division. They are Floyd Quinney and J. B. Pritchett.

They had forgotten each other, but immediately they met Wednesday morning the friendship cultivated while in the service in France rekindled. It is needless to state they enjoyed recalling some interesting reminiscences of the conflict in which they played a part.

McClure is a civil engineer and is here with R. W. Willard to make surveys for the proposed site of Lake Colorado and a sewer system in the city. They are in the employ of Myers & Noyse of Dallas.

STORES, BANKS, OFFICES CLOSED DURING REVIVAL.

Both banks and practically all stores and offices of Colorado are by mutual agreement closing from 10 to 11 o'clock each week day, except Monday and Saturday, during the Starke revival, in that the business men and their employees may attend the morning services. This policy was commenced Wednesday morning of this week.

Patrons of the various business institutions of the city are requested to remember that the banks and the stores will be closed this morning from 10 to 11, and at the same hour Tuesday, Wednesday, Thursday and Friday of next week. Tomorrow and Monday and Saturday of next week they will not close at that hour.

ENGINEERS BEGIN SURVEYS ON PROPOSED PROJECTS.

Messrs. Willard and McClure, of Myers & Noyse, consulting civil engineers, arrived in Colorado Wednesday and commenced surveys of the site of the proposed dam across Lone Wolf Creek near the city and of sewer mains in Colorado. Willard stated that it would require several days in which to complete the surveys and make blue prints of the two. They have offices while in Colorado in the building vacated last week by the First State Bank.

COLORADO HIGH AWARDED SILVER CUP AT ABILENE.

The silver cup which was instituted during the war to be awarded to the high school taking the tennis doubles for three consecutive times was won by Brooks Bell and Robert Brennan of Colorado at the district meet held in Abilene Friday and Saturday of last week. The fast Colorado duo outclassed all contestants to the match and carried off the honors with ease.

Those to attend the meet from Colorado report that a cold wind from the north made it very uncomfortable for spectators at the field events which were held at Paramore Field. Fires were built in front of the grand stand to warm the athletics and overcoats and blankets were everywhere in evidence. The strong wind and flying sand hindered the contestants and made it impossible for them to do their best.

Abilene high school carried off a larger percentage of honors than any other of the contesting schools. To this school was awarded a total of 93 points.

CITY COUNCIL CONVENE IN SPECIAL SESSION

Mayor Coe convened the city council in special session Monday night at the city hall for the purpose of auditing the finances of the city and preparing a budget for street, waterworks and other municipal expenses during the fiscal year. These budgets were not made, however, when it developed that complete data as to the extent of needed street repairs and other information was not available until further consideration.

R. O. Pearson, re-elected on the aldermanic board in the recent municipal election, was sworn in Monday night. Mr. Pearson was absent from the city Tuesday night of last week when the mayor and members of the council assumed office.

Mayor Coe stated Tuesday that he planned to have published regularly an exhibit of expenditures made by the city government in that the citizenship might be kept posted as to the condition of the treasury and of the purposes for which the public funds were expended.

DOES IT PAY TO ADVERTISE?

Last week Walter A. Grubbs of the West Texas Shirt Company decided to spend \$100 in a mail order advertising campaign on his famous "3 for \$1.00" neck ties postpaid to any address in the United States. He figured it would cost him \$100 to mail out 5000 one cent letters describing these ties, the cost to include the printing postage and expense of addressing, and before he had mailed out fifteen hundred he had received checks in the mail for a sufficient amount to pay for the entire advertising campaign.

"Colorado Maid" Ties are now being worn in all sections of Texas and Oklahoma lists he is going to other states with the mail order business. The West Texas Shirt Company, only one month old, is now employing four seamstresses and one traveling man, and if the business of this concern continues to grow as it has since its establishment here, Colorado will soon have an institution that it should feel proud of, and which will give it considerable publicity as the Company uses a bright green package in mailing out these ties which bears the name of "Colorado, Texas."

The Company will soon begin the manufacture of mens light weight underwear, palm beach suits, pajamas, and many other articles of mens apparel. They also make clothing for small boys, the mothers furnishing the materials. This is done for a small expense, and saves the mother lots of work and trouble, and is something Colorado has needed for a long time, and should receive the patronage and hearty co-operation of every citizen who has the interest of Colorado at heart.

PIANO TUNER.

L. W. Norcross, with the George Allen Music House of San Angelo, will be in Colorado all next week. Mr. Norcross is an expert tuner and now is your chance to get your piano put in good shape. Phone him at Coe's cottage house.

School Bond Election Will be Held Thursday, May 26

An order directing that an election be held at Colorado on May 26 to vote on the issuance of bonds in the sum of \$30,000 with which to purchase a site, build and equip a ward school building was passed by the school board late Wednesday afternoon. A petition signed by 95 tax paying voters of Colorado Independent district, asking that the election be ordered was presented to H. L. Hutchinson president of the school board, Wednesday afternoon and he convened the board in special session to consider the petition.

The order specifies that the bonds shall bear five per cent interest of forty years maturity, providing that the school board may redeem the bonds after the expiration of ten years, if such be desired.

In commenting upon the needs of the district for another school building, Mr. Hutchinson stated that in one room alone in the Grammar school there is an enrollment of 97 pupils. "The scholastic census of the district shows a material increase over that of a year ago," he continued, "and the school board is facing the one of two alternatives; to provide the needed class rooms and other needed facilities for the schools of the city, or else permit the efficiency of the schools to deteriorate, and in the latter we can have no promise of retaining the affiliation the schools of Colorado now have."

CUTHBERT FARMER SUSTAINS PAINFUL INJURY TO FOOT.

R. B. Burrus, farmer of near Cuthbert, sustained a painful injury to his left foot Saturday night while running after some horses he was attempting to corral at his place. Mr. Burrus, while running to intercept the animals, stepped onto a sweep that was lying upon the ground bottom up. He struck one of the sharp triangular points with the ball of his foot. He stumbled and fell to the ground, hurling the sweep several yards distant.

Burrus was in Colorado Tuesday for medical treatment. He stated this was the second time since becoming a citizen of Mitchell County that he had gone on crutches as the result of injuries to his left member. A few years ago while removing cartridges from the magazine of a .22 calibre rifle, the gun was discharged the bullet penetrating his left leg in two different places.

REGISTERED HEREFORD BULLS TO BE SOLD AT AUCTION.

Earl Morrison, local breeder of registered Hereford cattle, will conduct an auction sale of sixty head of bulls from his herd Saturday. The sale will be held at the Morrison home in East Colorado.

Mr. Morrison states that following the sale, buyers and others attending the auction will be the guests at a barbecue.

SCHOLASTIC POPULATION OF MITCHELL COUNTY IS 2516.

Judge Hall stated to The Record shortly before going to press that he had completed tabulation of the several rural scholastic census reports of Mitchell County and that population of these districts totaled 1432. Added to the 652 at Colorado and 432 at Lorraine, this shows a population of 2516 scholastics for the county for the present year.

JUDGE DeARMOND ATTENDING BANKHEAD HIGHWAY MEET.

Judge J. M. DeArmond of Big Spring passed through Colorado Saturday enroute to Greensboro, N. C., where he is attending the convention of the Bankhead National Highway Association, which was convened there today. He will represent Colorado by proxy in the convention.

Merry Wives.

Mrs. Bruce Aycock was hostess for the Merry Wives at Mrs. Abe Dolmans. Her guests were Mesdames R. E. Dolman, H. C. Doss, Soper, Osborne, R. W. Mitchell, Misses Bernice Terrell and Jeanette Earnest. Chicken salad, potato chips, sandwiches and ice tea were served. Mrs. J. E. Root will be hostess next week at Mrs. C. L. Root's.

The school board will make no definite contract for a site for the proposed ward building until the project is financed by a bond issue, the president stated.

The petition requesting the order for an election was circulated on Tuesday afternoon and those carrying it report that of the 96 citizens to whom it was presented, only one refused to unconditionally sign it. This is sufficient evidence of the fact that the people of Colorado appreciate the need of better school facilities and there is little doubt but that the issue will carry with small opposition.

The school board plans to push the project and believing that the bond issue will be adopted expect to have the building, which is to contain six class rooms and all modern conveniences, completed by the time school opens in September.

SAPIRO, MARKETING EXPERT, TO SPEAK AT ABILENE.

Aaron Sapiro, probably the best informed man on co-operative marketing in the United States today, is scheduled to make an address at Abilene on Monday, May 2nd, at 2 p. m. Sapiro is coming to Texas to make twelve addresses in different sections of the State under auspices of the Farm Bureau.

"Every cotton farmer and every banker and interested business man should hear Aaron Sapiro discuss the Texas Farm Bureau cotton growers' co-operative marketing association," E. M. Baldwin, secretary of the Mitchell County Farm Bureau stated Wednesday. "He has a magnetic personality and grips the interest of his audience. It is once in a lifetime that you know a man like Aaron Sapiro, and you cannot do too much to get folks out to hear him."

Arrangements are being made for a delegation of Farm Bureau members and other interested citizens of Mitchell County to go to Abilene to hear the address.

BUFORD SUNDAY SCHOOL VISITS CHRISTIAN CHURCH.

About sixty members of the Buford Sunday school came in cars to visit the Christian church last Sunday. They stayed for preaching and after the service were all invited to the Coe building where a bountiful dinner was served.

DORN & BEAN GROCERY UNDER NEW MANAGEMENT.

Messrs. J. T. Pritchett and W. E. Thrailkill have purchased the Dorn & Bean Grocery and assumed charge of the business last week. The business will be conducted under the firm name of Pritchett & Thrailkill. Messrs. Dorn and Bean have been in the grocery business at Colorado for several years and built up a thriving patronage.

AMERICAN DUO TO APPEAR OPERA HOUSE THURSDAY.

"The American Duo," a cast of unusual merit, will be shown at the Opera House Thursday night, April 22, under the auspices of the American Legion Post. Joe Y. Fraser commander of the post, stated Monday that he had endeavored to have the troupe postpone their engagement here on account of the Starke revival, but was unable to do so, and he has announced that the program will not be started until 8:30 o'clock in that those desiring to witness the performance after church services may do so.

The local post is endeavoring to raise funds with which to equip a hall and club rooms and funds derived from this bill will be applied to that purpose. Popular prices will be charged and a cordial invitation extended everybody to be on hand.

OUT BUFORD WAY.

Yes, ten cars of Sunday school folks were on time, bright and early at the Christian church Sunday morning. This was our second visit to the city Sunday schools and once again we were convinced we have some real neighbors over there.

We were greeted by the reception committee and handed little church papers, a printed sheet, telling about the church and Sunday school activities. A new feature of church work out this way, and helped everyone to know what the church has accomplished.

The church was soon well filled, and Superintendent Porter was on the job greeting the folks, urging folks to sing with the splendid choir,

when the song service began.

We noted a good interest shown in each class. The class of young people in Bro. Hardison's class have quite an organization within itself. And they are taking advantage of the opportunities presented to render good service to the church, to the city and to the communities from which they come.

We listened to some good music by the choir, then a special song, "Though Your Sins Be as Scarlet" by Miss Crowder and Mr. Woods. Then a quartet by the Goodwins, "Do Not Forget to Pray."

Bro. Hardison preached from the text, "Run Well the Race Which is Before You." Making the application that the weights that keep each

of us from running a better race, is our besetting sin.

After the preaching hour, every visitor as well as every member of the Sunday school was asked to go over to the Coe Building, and there dinner was spread on a series of long tables reaching almost the length of the building. It was estimated by several present, that there were fully 200 folks ate dinner and we think the proverbial number, 12 baskets full were taken by the good ladies who prepared the meal. The folks and visiting folks mingled and talked together till we all knew each other. So all told, we had a splendid morning, an exceptionally good dinner, (a regular feast) and a pleasant social hour together.

Most everyone after resting a while went hear Big Brother Lee at the Methodist church in the 3 o'clock children's service. In a little while we found that indications were good for a sweeping revival of old time religion. Quite a few folks stayed in town for the night service. Everyone that took advantage of the opportunity to go visiting with the Sunday school Sunday, enjoyed the day. And we feel that we were made to see and hear things that will make us better folks. Especially do we thank the good ladies for their efforts in our behalf.

We patiently wait for real spring to come. Also the rainy season to begin again. Mr. Editor, you are part prophet. Perhaps you had better advise us as to just when the spring rain is coming. We need to know. We are "rearin' to go" out Buford way.

CLEANING THE DOG

"THIS is the most wonderful soap ever offered the public," explained the voluble agent, as he opened his grip. "It will clean anything under the sun. It will remove grease spots, polish tinware—"

"Oh, I have no doubt it will restore hair to bald heads and make chickens lay eggs," said Mrs. Curfew, sarcastically. "I feel quite satisfied it's made of barks and buds and healing herbs, but I don't want any of your marvelous soap, having had experience with other marvels of the same kind. Last fall an agent came along, selling a soap that would do everything you can think of, from beautifying the female complexion to chasing the crows out of the corn. The agent talked as though he had eight-day works in him, like our old grandfather's clock, and he didn't make any impression until he said the soap would heal all skin diseases of man or beast. It happened at that period that Mr. Curfew had an imitation bird dog that he traded a good watch for, and gave a dollar to boot, said dollar having been extracted from my private savings, and never returned.

"This dog had the mange or some disagreeable disease that caused him to itch in the most reprehensible manner. He was always scratching and rubbing against everything he could find, first and last. One day he upset my parlor table and broke all my best china, which I had placed on the table a few minutes before. He also upset the sewing machine and the churn, and I don't know what else. "So when Mr. Curfew heard that the agent's soap would cure skin diseases, he insisted upon buying a cake, and after he had gone he began to wash the dog with that marvelous soap. I don't know what ingredients said soap contained, but after it was rubbed into the dog's skin that unfortunate animal became frantic and acted as though its reason tottered on its throne. Mr. Curfew tried to hold the beast, and it reached around and bit his ear almost off, and of course he released it then, and the uproar he made, as he danced around the house, holding his ear with one hand, and summoning the police with the other was simply scandalous.

"Meanwhile the dog ran off, entirely demoralized. Mrs. Turpentine was crossing the road pushing her baby buggy, when the animal collided with said vehicle, and spilled her offspring into the mud. I am willing to admit that such an experience was aggravating, but I don't think it was ladylike in Mrs. Turpentine to come over to my house with her muddy infant under her arm, and shake her fist under my nose, and tell me that for five cents she'd pull all my hair out. "Old Mr. Poppinjay was standing on the corner, leaning on his cane, waiting for a street car, when the crazy dog ran against his cane and he took a header into the gutter, and I really felt sorry for him when I saw him going home ten minutes later, dripping slush and mud like a sea-serpent, but I couldn't sympathize with him so very much when he picked up a brick as he was passing our place and smashed a panel in our front door.

"For two days people were coming here claiming that we ought to reimburse them for damages done by that dog. It seemed that the unfortunate animal made a circuit of the town, and left a trail of desolation behind him. He upset six pans of milk for Mrs. Trumpeter, and scared Smith's family horse so it ran away and injured several members of the family, and killed eight prize chickens for Mr. Dippy, and I don't know what else. In view of which, I think we can struggle along without any of your marvelous soap."

An Intellectual.

"You often hear it said that Mrs. Githery has all the brains in the Githery family." "But Mr. Githery is a successful business man." "Oh, yes. However, he merely makes money. While sipping tea and smoking a perfumed cigarette, Mrs. Githery can discuss more abstruse questions that have nothing to do with housework, or the upbringing of the Githery twins than any other woman in her set."—Birmingham Age-Herald.

Blocks Easily Removed.

A prominent tradesman in south-west London expostulated with a gang of road repairers regarding a small mountain of wood blocks dumped in front of his premises. The protest being ignored, he surreptitiously stuck a card, bearing the inscription: "Please take one," on the offending heap. The philanthropic suggestion was quickly acted on by passers-by, and more than half the blocks had disappeared before a vigilant policeman rounded the corner.—London Express.

THIRTEENTH ANNUAL SESSION ABILENE DISTRICT, W. M. U.

The Thirteenth Annual session of the Abilene District of the Woman's Missionary Union of Texas will be held in Abilene on Wednesday, May 4, 1921, with the College Heights church. The ladies of the church will be hostesses for the day.

The Abilene District, formerly known as the Central West District, comprises seven associations—Big Spring, Fisher, Haskell, Jones, Scurry, Stonewall and Sweetwater. All women who are members of the Baptist missionary societies in the above seven associations are messengers to the District meeting.

Sisters, be sure to come. The success of the meeting will depend in a large measure upon your presence. A fine program has been arranged. Several of our State officers will be with us. Please write Mrs. H. W. Morris, 19th and Hickory Streets, Abilene, that you will come. Some one will meet you. There will be homes for all.

Mrs. O. H. Cooper, President.

BAYLOR COLLEGE GLEE CLUB.

Colorado was given a musical treat last Friday evening by the Baylor College Glee Club, under the direction of Mrs. Allie Coleman Pierce.

Baylor College is the oldest college in the South and has always stood for the highest type of ideals for women as well as the highest literary and fine arts attainments.

The young ladies showed exceptionally fine training and Mrs. Pierce is a woman of charming personality, as well as an efficient musical director.

Tired. "I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than— CARDUI The Woman's Tonic. I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took of my bottles. Now I'm well, my skin is clear and I have regained and sure feel that Cardui is the best tonic ever made." side thousands of other women have found Cardui just as the Burnett did. It should be at all druggists.

The Colorado Independent School District is to face with the inevitable. We must provide additional facilities in the way of class rooms if the schools of the city are to maintain their affiliation as it is today.

Did you know that there is an enrollment of 97 pupils in one room at the Grammar school, and that the average daily attendance is over 70? It is reasonable to expect enrollments to increase another year.

'Be a Booster' is becoming the slogan of every progressive citizen Colorado. The Colorado Booster Club is arranging the preliminaries for putting Colorado on the map as the city was never placed in the spot lights before.

Some of our friends have "jumped onto us" for criticising the governor because of his action in vetoing the West Texas A. & M. College bill.

The Record now has a "devil." Some say it has been run for a long time by a "devil" but such is not the case.

Certainly West Texas, with her boundless fields of wheat, her almost millions of unplowed acres, her vast herds of registered cattle, her limitless ranches, her superb registered hogs, her underground oceans of oil, and the greatest gas wells in the world, and all her other undeveloped resources is able, most abundantly able to do anything she wants to do.

Why, if West Texas were shut off from all the rest of the world this very hour, she would live and thrive, so far as food and clothing and shelter, which are the three essentials in life, are concerned.

Truly, if all the sentiment could be forgotten for a while; if all state relationships could be pleasantly and peaceably adjusted; if the State family ties could be broken without a family quarrel, there is not a doubt but that it would be far better for West Texas to become free and independent of the old home.

West Texas is a typical example of a great big overgrown boy "rearin' to go." Full of pep and possibility, with a vision of life that his parents can not and will not see.

gone you can have the dear old worn-out place."

Sentiment is all that is holding West Texas at home today. Sentiment prevented the Revolutionary War for many years. But at last the Boston Tea Party was too much for sentiment.

"Theatres Open Fight on Clara Hamon," said head lines in the papers Tuesday morning. In reading the articles we learned that motion picture exhibitors in convention at San Antonio had gone on record as opposing the proposals to film Clara Smith and favoring a program to clean the industry "from the inside."

School Bond and School-Bond Tax Election Order.
On this the 20th day of April, 1921 came on to be considered a petition legally drawn and designed by 95 tax-paying voters of the Colorado Independent School District, praying that

this board order an election to be held in the said school district for the purpose hereinafter set forth.
It appearing that the above mentioned petition has been signed by at least twenty property tax paying voters of said district, and it appearing that election prayed for should be ordered, therefore the School Board of the Colorado Independent School District orders an election as follows:
An election is hereby ordered to be held at the court house of Mitchell county in the city of Colorado, on the 26th day of May, same being Thursday, 1921, polls to be opened at 8 o'clock a. m., on said date and closed at 6 p. m. of same date. Said election to be held as nearly as possible in conformity to the general election laws of the State of Texas. F. A. Winn is hereby appointed manager to hold said election and he shall appoint two judges, also two clerks to assist him in holding this election.
The election herein ordered is to determine whether the School board of the said Colorado Independent School District shall be authorized to issue bonds to the amount of thirty thousand dollars (\$30,000) to bear interest at the rate of five per cent (5 per cent) per annum from date of issue, and become mature at the expiration of forty years from date of issue; provided that said School board or their successors in office may have the privilege of redeeming any or all of these bonds

after the expiration of ten years from date of issue; also this election shall be to determine whether an additional tax of ten cents on the one hundred dollars, \$100, valuation of property in said school district, making with the tax that has heretofore been voted a total of sixty cents (60c) on the one hundred dollars valuation of property in the Colorado Independent School District for school purposes, to provide interest on said bonds and to create a sinking fund to redeem said bonds when mature, shall be levied.
The above mentioned bonds shall be for the purpose of raising a fund to purchase a site on which to build a school building of brick material, to build the house, to equip said building, and to repair school buildings of the above mentioned school district.
Only those who are legally qualified property tax paying voters in the Colorado Independent School District shall be permitted to vote in the election herein mentioned.
The ticket to be voted in this election shall read: "For the bonds and tax," or "Against the bonds and tax."
Public notice of said election shall be posted in three different places within the Colorado Independent School District, also published in the Colorado Record thirty days before the date of said election.
By order of school board:
H. L. Hutchinson, President, 5-13c
H. C. Doss, Secretary.

Music's Perfect Mirror

The NEW EDISON
"The Phonograph with a Soul"

The New Edison is like the perfect mirror that reflects form and feature, true to every line and subtlety of coloring. It gives you an exact RE-CREATION of the singing or playing of the living artist or artists.

Mr. Edison spent 7 years of his time and 3 millions of his dollars to develop the perfect realism of the New Edison. He has proved this perfect realism by comparing the New Edison with living artists 5,000 times before more than 5 million people. The New Edison is positively the only phonograph which can sustain this test.

We have, for you, a proof on offset paper of the famous Franklin Booth Etching of Mr. Edison, as he looks today. Size 12 x 19 inches. Bears no advertising matter; suitable for framing. Just fill out the ballot,—and bring or mail it to us.

Local and Personal News About Loraine and Vicinity.

—By Miss Isophene Toler—

Miss Toler is also authorized to receive and receipt for all subscriptions for The Colorado Record and to transact all other business for the Whiskey Printing Company in Loraine and Vicinity. See her and take your County Paper.

PRESBYTERIAN NOTES.

Rev. Bryant of Abilene conducted services at the church Sunday and will conduct services again next Sunday.

Mr. Hutchins, Sunday school organizer, was here Sunday and organized a school which will begin next Sunday morning at ten o'clock. All Presbyterians are earnestly requested to attend and bring others who may be interested in the Sunday school work.

A Woman's Missionary Society also was organized. Everybody invited to attend the morning and evening services.

ACCIDENT.

Mrs. Hal Bennett happened to a painful accident on last Saturday afternoon, she had hung some clothes on the line and was hurrying into the house and struck another line, cutting her neck very badly and also the fore with which she struck threw her backward on the ground, rendering her unconscious for a time and when a physician was summoned he found the collar bone broken, and a bad bruise on back of her head and side. However, it is thought no further injuries are sustained. Her friends will regret to learn of this unfortunate accident, but will hope for her speedy recovery.

IMPROVEMENTS.

We notice this week more improvements as we make our round in the search of news. Hutchins-Hall have added to their splendidly equipped drug store the Sanoix tables and Eastwood chairs. Not only does this add to the sanitary efficiency of serving, but to the beauty of the store as well.

Mrs. J. G. Gaham of Merkel has represented the firm for a week here and has made a house to house canvass for the Velvetina goods, and reports a good business.

Work is progressing on the Higginbotham-Bartlett buildings which will add much to the business part of town.

Mr. Frank Johnson is adding a sleeping porch to his residence. The John Griffin residence is now completed.

J. M. Compton has added some new fences and other repairs to his place.

What we are hoping for is a new modern equipped hotel in the near future, and we feel sure that our Chamber of Commerce will bring about that as well as other things they have done. The old livery stable buildings and fence near the Kidd garage have been torn down and we hear rumors that a business house will be built there.

Mrs. R. B. Pratt is able to be about since her recent illness.

Mrs. W. J. Bennett has been quite ill recently.

C. B. Martin and wife of China Grove are entertaining a new daughter.

Drew Givens-assisted at the soda fountain of Hutchins-Hall Saturday.

News comes from Mr. J. W. Fairbairn and wife that they are enjoying their visit in Houston and will be in Harlingen soon for a visit with their son, Clyde.

Messrs. C. M. and Otho Thompson and wives visited Charlie Thompson at Rogers Sunday.

The ladies of the Bethel Baptist church met Sunday afternoon at the church and organized a B. W. M. U. Society. Mrs. M. F. Richardson and Mrs. C. G. Reeder of Loraine helped in the organization. Mrs. Richardson made us a glorious talk on women's work, after which we all had higher ideas of the work. There were twenty women in our organization, and we have a splendid opening for a great union. Our officers are as follows: President, Mrs. W. D. Green, vice president, Mrs. W. M. Richards, secretary, Mrs. Floyd Thomas; treasurer, Mrs. Dee McCollum; personal service chairman, Mrs. Jim Marshall; musician, Mrs. Thomas Ridens. We urge all the Baptist ladies to join us. We will have our first meeting Wednesday afternoon with Mrs. Jim Marshall. We ask the prayers of all the ladies of the W. M. U. in the Sweetwater association, that we may go forward in the Master's work.

LONE STAR.

We have been having some fine sandy weather, very disagreeable.

Miss Alice Curry of Buffalo Gap is spending the week with her sister, Mrs. Sanford Fraser.

We received good news when we heard that Lois Jackson, our junior in the spelling contest, won first place.

Oscar Moore and family of Sweetwater spent Sunday in the G. H. Richardson home.

Misses Eldie Richburg, Linnie McGuire, Nannie Lou Taylor, Willie Harris and Florence Richardson were dinner guests of Misses Lillian and Annie Mae Porter Sunday.

Miss Maggie Peach spent the week end in Loraine.

Joe Richburg and family spent Monday in the John Richburg home. Bro. Greene filled his regular appointment here Saturday night and Sunday. Sanford Fraser and family and

Carnie Grooms and family spent the week end at Buffalo Gap and Tye visiting relatives.

Mr. and Mrs. N. L. Henderson and son Clifton and wife visited Mr. C. Nance and family of Big Spring from Thursday until Sunday.

Misses Annie Mae and Lillian Porter entertained with a singing Sunday afternoon. All report a nice time.

SENATE JOINT RESOLUTION NO. 1

Proposing an amendment to Section 2, Article 6 of the Constitution of the State of Texas by providing that only native born or naturalized citizens of the United States shall be qualified electors in this state, and permitting either the husband or the wife to pay the poll tax of the other and receive the receipt therefor, and permitting the Legislature to authorize absentee voting.

Be it resolved by the Legislature of the State of Texas: That Section 2, of Article 6 of the Constitution of the State of Texas be so amended as hereafter to read as follows:

Section 2. Every person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this state one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided, that electors living in any unorganized county may vote at any election precinct in the county to which such county is attached for judicial purposes; and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost. Such affidavit shall be made in writing and left with the judge of the election. The husband may pay the poll tax of his wife and receive the receipt therefor. In like manner the wife may pay the poll tax of her husband and receive the receipt therefor. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of the State at an election to be held throughout the State on the fourth Saturday in July, 1921, at which all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment to Section 2 of Article 6 of the Constitution of the State of Texas providing that only native born or naturalized citizens of the United States shall be qualified electors in this State, and providing that either the husband or wife may pay the poll tax of the other and receive the receipt therefor, and permitting the Legislature to authorize absentee voting." And all those opposed to said amendment shall write or have printed on their ballots, "Against the amendment to Section 2 of Article 6 of the Constitution of the State of Texas providing that only native born or naturalized citizens of the United States shall be qualified electors in this State, and providing that either the husband or wife may pay the poll tax of the other and receive the receipt therefor, and permitting the Legislature to authorize absentee voting."

Sec. 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and have the same published as required by the Constitution, and existing laws of the State.

Sec. 4. That the sum of Five Thousand (\$5,000) Dollars, or so much thereof as may be necessary is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated to pay the expenses of such publication and election.

TO THE COTTON GROWERS OF MITCHELL CO.

You must reduce your acreage, cut cost of production, and grow a staple of cotton that will sell, if your 1921 crop is to show a profit.

There is an enormous carry-over, most of this is low grades and short staple.

The man who produces that kind of cotton this year will find little or no demand for it next Fall; but there is always a strong demand for strong and uniform staple of 1 1-16, to 1 1-8 of an inch and such cotton will be taken first next fall at top prices.

You must produce the cotton at the lowest cost, the one factor which will make the largest showing for the least outlay is GOOD SEED.

This Bank has secured a limited amount of the Lone Star Variety of Seed, which has been tested in this section of the country, and is the best seed adapted, for heavy yield in wet years as well as dry ones.

The seed offered is as pure as can be obtained, doubly cleaned and in three-bushel sacks, ready to be delivered at the price paid per bushel by this Bank. It is our desire to assist the farmers, and by this method we hope to encourage them in every way possible along toward prosperity.

Kindly place your order with Mr. J. M. Helton, W. A. Dulin, or leave your order at this Bank. It pays to buy the best—place your order!

Booster Club Meeting is Postponed for One Week

The Third monthly meeting of the Colorado Booster Club has been postponed from Tuesday night, April 26, until one week later, W. W. Porter, president of the club, stated Wednesday afternoon.

Reason assigned for postponing the meeting was on account of the Starke revival which will be in progress all of next week. Mr. Porter stated that it was his desire to do nothing that would hinder full cooperation of the citizenship in these series of meetings, and all directors of the Booster Club who were interviewed concurred in that desire.

Porter said that he fully expected that this meeting of the Boosters would be the most successful one to be held since organization three months ago. He assigned his predictions upon the fact that interest has grown in the club from month to month since the first big "smoker" was staged at the Price Auto Company display rooms on February 22.

W. R. Charters and H. B. Broadus, who will direct arrangements for entertainment and refreshments, had not completed these plans Wednesday but they state that the Boosters will be given the best possible in the way of music, eats and smokes. Concert music will be furnished by the "Colorado Booster Band," directed by J. Lee Jones. The band members were made honorary members of the club at the meeting in March and at the time of their next practice meet unanimously adopted the name, "Booster Club Band."

More than ordinary interest will attend this meeting of the club because of the plans started one month ago to put over a project to dam Lone Wolf Creek, lay sewer mains and make an extension of water mains in at least two sections of the city, North Colorado and South Colorado. Committees appointed to work out the preliminaries of these projects are to report and no doubt definite plans for inaugurating a campaign for a municipal bond issue will be worked out.

Dr. P. C. Coleman, chairman of the committee to furnish an estimate on cost of these proposed projects,

stated last week that the firm of Myers & Noyse, consulting civil engineers of Dallas, had been employed to make the surveys, furnish blue prints, estimate of cost, etc. This work will be done at the earliest possible time, Dr. Coleman stated.

Another committee, composed of attorneys of the city and of which Judge C. H. Earnest is chairman, is to report its findings as to legal conditions to be met in financing the proposed projects. Still another committee, one appointed to negotiate with land owners the probable purchase of the proposed lake site, is to report at this meeting. The latter committee is headed by C. M. Adams as chairman.

The Colorado Booster Club became a live wire organization the first meeting and has already become a most important asset in the commercial and civic life of the city. Its membership represents practically every commercial and professional interest of the city and at all the previous meetings it has been clearly demonstrated that each individual member is a live wire within himself. Colorado needs the "spizzerrinctum" of the Colorado Booster Club, if the city is to develop and maintain the distinction of an aggressive municipality.

Accommodations will be available for 150 men and those desiring to attend should see W. R. Charters or the secretary at once and make reservation. 114 attended the last meeting and officers are expecting a material increase in the roster of boosters Tuesday, May 3. The Booster Club is boosting every progressive interest of Colorado and should be entitled to the support and cooperation of every progressive citizen of the city. Make your reservations and attend the smoker and feed Tuesday, May 3. The program to be rendered by the Colorado Booster Band, the best band in West Texas, alone will be worth the small pitance you will pay for your plate. Come. We are expecting you. There will be no limit and the Joker will be running wild.

NEFF SAYS WILL SUBMIT REDISTRICTING TO LEGISLATURE

Abilene, Texas, April 17.—Definite assurance that he intends to submit senatorial redistricting to the special session of the legislature was given by Governor Pat M. Neff in a letter to the editor of the Abilene Reporter, received here this morning.

"West Texas should be re-districted," the governor said, and added that the constitution says "it shall be done."

NOTICE IN PROBATE.

The State of Texas—To the Sheriff or any Constable of Mitchell county—Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Mitchell County, a copy of the following notice:

The State of Texas:
To all persons interested in the estate of Mary M. Mann, deceased, Charlie Mann, George Mann and Carrie Mann Trammell have filed an application for letters testamentary, also the last will and testament of Mary M. Mann, deceased in the county court of Mitchell County, on the 13th day of April, 1921, for the probate of said will and for appointment under said will as executors of the estate of said Mary M. Mann, deceased, which said application will be heard by said court on the 2nd day of May, 1921, at the court house of said county in Colorado, at which time all persons interested in said estate are required to appear and to answer said application, should they desire to do so.

Herein fail not, but have you before said court, on the first day of the next term hereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at Colorado, Texas, this 13th day of April, 1921.

Mell King visited S. D. Sullivan at Vincent from Friday until Sunday. They are old friends having known each other in Wood county.

On account of the West Texas rain the Parent-Teachers Association did not convene last Friday afternoon.

Rev. Sam Morris preached here on Saturday night, Sunday and Sunday night. The crowd was small, but attentive Saturday night. It was large Sunday and Sunday night however, the house being filled.

D. T. Bozeman (Major) the retired merchant, is having lots of fun growing pigs, gardens, chickens, and a few cats.

G. W. Womack, the fisherman, got a crowd to the river Friday and had fair success fishing. A crowd from Snyder met them.

Prof. Smith's car is in the hospital this week. He is being put to some inconvenience in going to school. A friend in need is a friend indeed, Mr. Smith's friends are helping him by furnishing him a conveyance to school.

A MATTER OF DIET.

A negro employed at one of the movie studios in Los Angeles was drafted by a director to do a novel comedy scene with a lion.

"You get into this bed" ordered the director, "and we'll bring the lion in and put him in bed with you. It will be a scream."

"Put a lion in bed with me!" yelled the negro. "No sah, Not a-tall! I quits right here and now."

"But," protested the director, "this lion was brought up on milk."

"So was I brought up on milk," wailed the negro, "but I eats meat now."
