

Colorado Record

SEVENTEENTH YEAR—VOL. XVII

COLORADO, TEXAS, FRIDAY, AUGUST 12, 1921

WHIPKEY PRINTING COMPANY

MITCHELL COTTON IS BELOW NORMAL

The cotton production in Mitchell county for the present year, will be 20,000 bales according to an estimate furnished The Record Tuesday by W. A. Dulin, county farm agent. This will be 12,000 bales less than the county production last year and 2,000 less than the receipts at Colorado alone.

Dulin stated that he had just completed an extensive tour of several communities of the county and found conditions varied. In some localities where good rains have fallen recently cotton is doing splendidly and will make almost a normal crop. In other localities, however, the rainfall during the growing season has been light and the crop has suffered. The cotton acreage, too, was reduced approximately 20 per cent in Mitchell county this year.

In the Westbrook vicinity, as well as in some other sections of the Colorado territory where good rains have fallen recently, cotton is doing splendidly, Mr. Dulin stated, and with favorable conditions the remainder of this month should mature a good crop. Rain fall approximating three inches fell over the Westbrook section last week.

Mr. Dulin stated that the first bale of 1921 cotton to be received at Colorado was expected to be brought in next week. "I know of three cotton farmers who expect to bring in the first bale and each plan to start picking next week." Cotton is reported opening in almost every community of the county and with a continuation of the present hot, dry weather, the crop will be moving on a large scale by September first.

Five modern gin plants will be operated at Colorado, according to information given the Record by the management of several of the plants. Of these one is a new plant of the Farmers' Gin Company, the machinery of which is all placed. This plant was given a test run Monday and Tuesday.

NEW RURAL TEXT BOOKS RECEIVED BY JUDGE HALL

Seven cases of new text books to be parceled out to the several rural schools of Mitchell County were received this week by Judge J. C. Hall, ex-officio county superintendent of public instruction. The shipment is valued at \$2,212.00.

Approximately \$1,400 worth of class books returned by rural schools last year are stored in a vault at the court house, while practically every school of the county has libraries. Judge Hall estimates that all together these text books represent a valuation of from \$12,000 to \$15,000.

Loraine and Colorado Independent districts receive their text books from the department at Austin independently of the county superintendent.

BOND TAX OF 63 CENTS LEVIED BY CITY COUNCIL

A special tax of 63 cents on the one hundred dollars valuation of property within the corporate limits of the city to take care of the interest and sinking fund for the \$120,000 water improvement and sewer bonds voted Tuesday of last week, was levied in an ordinance passed by the City Council Monday afternoon.

This will make the total city taxes \$1.54 on the \$100.00 valuation of property, since the former rate was 91 cents. This includes a tax of 31 cents assessed against the city several years ago in a judgement to pay off street improvement bonds under the old incorporation.

JOHN DOSS AUTOMOBILE IS RECOVERED OKLAHOMA CITY

The Buick automobile belonging to John L. Doss which was stolen from the streets here Wednesday afternoon of last week, was recovered by the police in Oklahoma City Saturday according to a telegram received by Sheriff W. J. Chesney from the chief of police at Oklahoma City Saturday afternoon.

The machine was found parked on one of the streets of Oklahoma City in apparent good condition, it was stated. No information was given as to whether those responsible for the theft of the car were apprehended.

W. C. Bush left Colorado Sunday night to return the car to Colorado. He was expected to arrive here Thursday or probably today.

A reward of fifty dollars was offered by Mr. Doss for recovery of the machine and Bush was directed to pay that amount to the Oklahoma City authorities who recovered the car.

CONDITIONS IN TEXAS ARE BETTER THAN ELSEWHERE

L. Landau, manager of the Colorado Bargain House, returned Saturday from St. Louis and Chicago where he had gone to buy goods. Mr. Landau stated that he found the universal expression among the wholesalers of those cities that conditions in Texas were considered better than in other states.

"The small merchant who under normal conditions would be given \$5,000 credit by these wholesalers are allowed to purchase to that amount if he be from Texas," Mr. Landau stated, "but those from other states are meeting with the inevitable of smaller bills."

Landau mentioned one state in which credit of the small dry goods merchant had been cut almost half on account of the financial stringency existing there.

RANCH COLORADO CITIZEN EMBRACED IN STATE PARK

J. C. Prude of Colorado owns ranch property comprising 25,000 acres in the Davis Mountains, site of the proposed state park that state officials, the press and other interests of the State have suggested during recent months.

In the pictorial section of the Fort Worth Star-Telegram last Sunday appeared several pictures of scenes in the Davis Mountains and when the attention of Mr. Prude was directed to these he immediately recognized the places portrayed as being in the immediate vicinity of his ranch.

The Prude lands are situated high up in the mountains and surrounding them are many of the most picturesque places to be found. Should the proposed park be established it is probable that a part of these lands may be included in the site. The park would greatly enhance the value of these properties.

LEAGUE WOMEN VOTERS TO BE ORGANIZED SATURDAY

Arrangements are being worked out for the organization of a League of Women Voters at Colorado Saturday according to Mrs. A. L. Whipkey, president of the Colorado Civic League. Several ladies of Colorado and Mitchell county are interested in the proposed organization. A meeting for this purpose is to be convened at the Coe Building here Saturday afternoon at 4 o'clock.

Mrs. James L. Spiller, of Sweetwater, congressional chairman for the Seventeenth district, is co-operating with the Civic League toward consummating the organization.

CHAMBER OF COMMERCE DEMANDS ADEQUATE FREIGHT STATION HERE

In the endeavor to have the Texas & Pacific Railway Company provide adequate freight station facilities at Colorado, the Chamber of Commerce has made formal appeal to the Railroad Commission, according to information made public Wednesday.

The freight station at Colorado was burned down almost a year ago and since that time the Chamber of Commerce has continually requested of the Divisional offices at Big Spring and the general offices at Dallas that an adequate fire proof station be built here replacing the former structure. The railway company has promised to relieve the situation here at various times, it is claimed, but to date have made no visible plans in that direction.

The complaint of the Chamber of Commerce was docketed August 8 by the Railroad Commission and will be heard on Tuesday September 13. Intelligence of this fact was received Wednesday in a letter from Allison Mayfield, chairman of the Commission.

It will be recalled that Colorado was compelled to go before the Railroad Commission on a former occasion, when this city was demanding passenger station facilities. The old Colorado Commercial Club sent Judge C. H. Earnest to Austin to represent the city in a hearing before the Commission and the present building was the result.

FORDSON DEMONSTRATION IS WITNESSED BY 100 FARMERS

One hundred farmers from various sections of Mitchell County witnessed the Fordson demonstration in East Colorado Wednesday. The demonstration was conducted by two representatives of the Ford factory and one from the Oliver Chilled Plow Co.

The tractor was subject to varied tests in both motive and belt power. Three disc breaking plows were drawn by the tractor through ground that had become very hard and dry, and the work done in flat breaking was the source of much comment by the spectators. Two row listers were also employed in some of the demonstrations.

In the belt power demonstration the Fordson operated a gist mill with ease. A. J. Herrington, local Fordson dealer, stated Thursday that he was well pleased with results of the demonstration.

Mr. Herrington served lunch on the grounds at noon.

I. R. SMITH NAMED PUBLIC WEIGHER AT WESTBROOK

Appointment of I. R. Smith as Public Weigher at Westbrook was confirmed by the Commissioners Court Monday and his bond approved.

Operation of the new gin of O. Lambeth at Westbrook the next season should mean that considerably more cotton will be weighed than the record of former years has been.

CRESCENT FILLING STATION ADOPTS ROAD SERVICE

Since August first, the Crescent Filling Station is maintaining a road service department and keeping their station open until midnight.

If your tube or casing "blows out" or your gas or lube "gives out" a phone call to the Crescent will straighten "you out."

We claim that Colorado is getting into City class when it comes to this quality of service for Automobile owners.

"She couldn't help it"—you'd have done it yourself! Come and see Bebe Daniels at the Opera House Friday and Saturday.

UNSUCCESSFUL ATTEMPT MADE TO LOOT GREENE & CO. STORE

Night Patrolman Hickman detected a man forcing an entrance through the skylight into the J. H. Greene & Company store Wednesday morning at one o'clock. Hickman telephoned for assistance to guard the front and rear entrance of the building, but in the meantime the intruder detected that he had been discovered and made his escape.

A guard was stationed at the street entrance and Mr. Hickman went to the rear of the building. L. W. Haynes, an employee at the store, entered the building from the front, and walking through to the rear, unlocked the door in order to admit the officer. Just after Hickman entered the building, the intruder jumped from the roof of an adjoining store into the alley and made good his escape.

REYNOLD'S ORPHANAGE HEAD TO PREACH AT COLORADO

Rev. J. Gilmore Smith, head of the Reynold's Orphanage at Albany, an institution maintained by the Presbyterian church, will preach at the First Presbyterian church of Colorado Sunday at 11 o'clock.

COTTON WORMS APPEARING COLORADO BANKER REPORTS

J. M. Thomas, active vice-president of the Colorado National Bank, stated Thursday that he had recently returned from an extensive trip over Mitchell county, with the view of ascertaining agricultural conditions, and found that worms were appearing in the cotton in several localities.

The worms, Thomas stated, have not yet done any material damage, but will very probably do so if not checked.

UNION REVIVAL AT SPADE SUCCESS, PASTOR REPORTS

Rev. B. H. Terrell, Methodist pastor at Westbrook, was in Colorado Monday afternoon from Union where a series of revival services are in progress this week. Rev. C. L. Browning of Colorado is doing the preaching.

Rev. Mr. Terrell stated that the revival closed recently at Spade was successful. This was a union meeting conducted by the Methodist and Baptist congregations of that community. The preaching was done by Rev. Williamson of Big Spring.

NEW EQUIPMENT TO BE INSTALLED BY THE RECORD

A. L. Whipkey of the Whipkey Printing Company, left Tuesday night for Dallas to buy new equipment for the plant. The plant of the Whipkey Printing Company in both the publishing and commercial printing departments, is one of the very best of its kind in the state.

O. M. Mitchell and family left Thursday for Aberdeen, Miss, where they will make their home.

CITY COUNCIL TO RUSH BOND APPROVAL AND SALE

Returns of the election held in Colorado Tuesday of last week, at which water improvement and sewer bonds in the sum of \$120,000 were voted, were canvassed by the City Council Monday afternoon and the results officially declared.

The council was convened again Tuesday and Wednesday afternoons completing a report of the election and other information to be demanded by the State for submission to the Attorney General. Thos. R. Smith, local attorney, has been employed by the council to represent the city in this matter and was making his arrangements late Wednesday to leave for Austin.

The Council will have its report in the Attorney General's office at the earliest possible date it was stated, and if the bond issue is approved, which the attorney believes will be done, sale of the bonds will be taken up at once. It is planned to rush the three preliminaries of obtaining approval of the Attorney General, having the bonds printed and sold within the shortest possible time and then get at the job of awarding contracts.

E. M. Noyse, of Noyse & Myers, Dallas engineers who were employed by the Chamber of Commerce to make preliminary surveys for the three projects, furnish estimates of cost, etc., spent Wednesday in Colorado and met with the council Wednesday afternoon on business in connection with further engineering work. Mr. Noyse returned to Dallas Wednesday night.

TWO NEW GIN PLANTS TO OPERATE IN COUNTY

Two new gin plants are to be operated in Mitchell county the coming season. One of these is the new gin of the Farmers Gin Co., at Colorado and the other the one nearing completion at Westbrook by O. Lambeth of Colorado.

The new plant here is a steam power, Munger equipped gin, having all the modern machinery for cleaning and ginning the staple. The plant at Westbrook is an exact duplicate of the Lambeth Brick Gin at Colorado, with the exception of having a smaller engine, which is one of the best gins in the state.

COLORADO BAPTIST PASTOR CONCLUDES HAWLEY REVIVAL

Rev. M. C. Bishop, pastor of the First Baptist Church of Colorado, returned Monday morning from Hawley where he concluded a revival Sunday night. Rev. Mr. Bishop stated that the series of services, which were held eight days, were well attended and that material good results were obtained.

Several conversations and additions to the Baptist Church at Hawley resulted from the meeting, he stated.

ECONOMIC EXPERT COMING SATURDAY

The demonstration to be given in Colorado Saturday by Mrs. Sullivan, of the Co-operative Extension Service, Agricultural and Home Economics, A. & M. College are to be in the Coe Building on Walnut Street, W. A. Dulin, county farm agent stated Monday.

Arrangements for the demonstration are being made jointly by Mr. Dulin, the Civic League and Chamber of Commerce. Mrs. Sullivan is an expert in economics and will be prepared to give valuable information to the housewives of Colorado and Mitchell county, not alone in practical demonstration, but in a series of discussions and in answer to such questions on the subject as may be put.

Everything needed for the cookery demonstrations will be provided at the building, including stove, and seats are to be provided for the comfort of the ladies who visit the demonstration during the day. This demonstration is for the rural ladies of Mitchell county just as much as for those of the city, Mr. Dulin stated Monday and the invitation is extended to all alike.

It was announced in the Record last week that Mrs. Sullivan would give demonstrations here both Friday and Saturday, but a change has been made in the original plan. She will be in Loraine Friday and come from there to Colorado, spending the entire day here Saturday.

Mr. Dulin authorized the statement Monday that he has every reason to believe that with proper co-operation among housewives, a demonstrator in home economics would be obtained for Mitchell county. Many counties of the state are afforded this service through the Extension Department A. & M. College and there should be no reason why Mitchell should not request it, he continued.

CHRISTIAN CONGREGATION TO WORSHIP AT THE TABERNACLE

The Christian congregation are holding services at Union Tabernacle W. W. Porter informed The Record this week. On account of the continued hot weather and the crowded condition at the church, it was decided to conduct services at the tabernacle.

Sunday school and both the morning and evening preaching services are to be held at the tabernacle for the next few weeks, it was stated. The first of these services there was held last Sunday morning.

Rev. M. C. Bishop, pastor of the Baptist Church, who has been holding a meeting in Hawley came home Tuesday and joined the Christoval party.

LORAINNE NEWS

Local and Personal News About Loraine and Vicinity.

—By Miss Isophene Toler—

Miss Toler is also authorized to receive and receipt for all subscriptions for The Colorado Record and to transact all other business for the Whiskey Printing Company in Loraine and Vicinity. See her and take your County Paper.

THOUSANDS OF VISITORS IN ATTENDANCE LORAINNE PICNIC

The Loraine Leader estimates that 10,000 people were in attendance at the picnic and barbecue there Thursday and Friday of last week. The paper relates that many and varied attractions were well patronized by the celebrants, but the series of ball games and the automobile and horse races probably proved the most interesting.

Big Spring played two games with the Loraine ball team, both of which are claimed by Loraine. The games Thursday afternoon is reported to have resulted in a score of 9 to 6 in favor of Loraine and the game Friday afternoon was forfeited to Loraine, so the Leader states, when Big Spring withdrew from the field in the ninth inning as the score stood 2 to 2.

In commenting on the horse and automobile races, the Leader says: "The auto and horse races attracted thousands of people from over this and adjoining states. Some of the leading drivers of the Southwest were in the auto races and everything went off like clock work. There was not an accident during the two days. Following are the winners in the auto races:

"First Day—10 mile race, light stock car—(none) to cost more than \$1,250; 1st place W. A. Pendergrass, driving a Maxwell touring car; 2nd place, N. M. Davis, driving a Dodge Roadster; 3rd place R. J. Carter, driving Hupmobile touring car. 15 mile race—heavy stock cars (none barred)—1st place Harry Jones, driving Essex roadster, 2nd place W. A. Pendergrass driving Maxwell touring car; 3rd place R. J. Carter driving Hupmobile touring car.

"Second day—25 mile race (none barred)—1st place M. K. Nagle, driving Hudson Special; 2nd place W. A. Pendergrass, driving Maxwell special; 3rd place Henry Sanders, driving Ford Special."

Mrs. Thompson and children of Abilene were guests of her sister Mrs. Segar during the two day picnic.

Ira Warren of Fort Worth was among the out-of-town visitors during the picnic.

Guy McGee and family are here from Cortez, Colo., to visit relatives. News comes from Miss Annie Gregg that she is at her home in El Paso after a delightful visit in California with her brother, Ross, and family.

Mrs. Hovenkamp and grandson have returned to their home in Fort Worth after visiting in the J. M. Baker home a week.

O. E. Stevenson, Jr., and little son, of Mertzon, were here for the picnic.

C. P. Gary of Colorado was here for the picnic.

Rupert Gains of Blackwell was up for the picnic.

Mr. Baird of Williamson county is the guest of his brother, I. B. Baird.

W. A. Bonds of Sherman was here for the picnic.

Hubert Toler and family of Sweetwater visited and took in the two days picnic, Thursday and Friday.

Jess Montgomery of Wichita Falls was a visitor during the picnic.

Baptist Association

Quite a crowd from here attended the Baptist Association and Foot-washing at Zion's Rest Sunday. They were Messrs. Frank and Thomas Ridens and Frank Johnson and family, R. L. Porter and wife. They report a good attendance. Twelve candidates were baptised and the brethren held a foot washing.

Mrs. Allie M. Edwin, Miss Toler and Miss Henthorne were dinner guests in the J. M. Baker home, Tuesday.

J. W. Fairbairn is able to be out again since his two day illness of neuralgia of the heart.

Mrs. J. S. Wade and daughter John Elizabeth of Jacksboro is the guest of Miss Toler.

Ben Montgomery and family of Roscoe were here for the picnic.

Bud Wharton and wife of Roscoe were among the picnic visitors.

Mrs. Anthony and children of Roscoe were over for the picnic.

Prof. J. Stone Rives and family of Roscoe were here Thursday and Friday.

Ott Mobley and family of Hermleigh was here during the picnic.

Mrs. R. A. Edwards children are home from Gordon where they visited their grandparents.

Dr. Shock of Sweetwater was here for the picnic.

Mrs. Hayes and daughter, Mrs. Cecil Henderson of Colorado visited and took in the two days picnic last week.

Mr. and Mrs. Ben Holmes, John Holmes and Earl Terrell, also Mrs. Edwards of Abilene, Miss Ollie Chinnorth, Dewey Norman and wife of Hermleigh were visitors in Mrs. J. D. Norman's home during the picnic.

Mrs. Malvern Stevenson was hostess for the Philomath Club on Friday afternoon.

Joe Hall and family, of Stanton, were here for the two days barbecue.

J. A. Saddler and family of Colorado were over for the barbecue.

C. M. Thompson was called to Garret to the bedside of his sister, Mrs. P. J. Harmon who is seriously ill.

T. R. Bennett and family left Tuesday for Arlington for a visit with relatives. Meanwhile Mr. Bennett will buy fall and winter goods at Dallas for the Loraine Mercantile Co.

John Erwin and son Russell of Teague are guests of his parents, W. S. Erwin and wife.

W. H. Kinley and wife left Sunday for DeLeon and Hico to visit relatives.

Rev. G. C. Farris, of Sweetwater will begin a revival at Bauman Sunday.

Mr. and Mrs. Carleton and children, of Barstow, are guests in the John Johnson home.

Miss Johnnie Belle Nolan of San Angelo is the guest of the Misses Clements.

Mrs. Clements and son Jennings accompanied Miss Viola Clements home to Baird where they will visit.

Mr. and Mrs. W. L. Edmondson and children of Coleman county were guests in the Hester home during the week-end.

Dewey Norman and wife were down from Hermleigh to attend the picnic.

Rattlesnake Bite

The five year old son of Mr. and Mrs. Finley whose home is South of town was bitten Friday afternoon by a rattlesnake. He was brought to town for medical attention and is reported recovering.

J. L. W. Coleman has returned from Haskell where he attended a reunion of his fathers family. There were, all included, 100 present, grand and great grand children and children. Besides the relatives there were several other visitors and Mr. Coleman reports a most delightful time.

L. T. Adcock, of Lawn, a former Loraineite was here for the two days picnic.

Barna Haney and family of Roscoe were over for the picnic.

Mrs. Collie Percy and son of Roscoe was over for the two days picnic.

W. L. Doss and wife of Colorado, Mesdames Barcroft and Majors, J. C. Prude, Holt, Hall, Smith were among the Colorado people who attended the Barbecue.

Mr. and Mrs. R. B. Kirkpatrick, Mrs. Emme McElroy and Mrs. Clanton Baird are guests in the J. F. Reeder home, they are from Haynesville, La.

G. C. Alford and family, former Loraineites, were here for the Barbecue.

Eugene Brown, of Brownsfield, Leham Brown and family of Coleman were here for the picnic.

Miss Maurice Hern of Roscoe was the guest of Miss Dunnahoo during the barbecue.

Harry Hallmark, who has been in the Coast Artillery Corps at Fort Dade Florida, arrived Friday and will remain. He has received his discharge.

Mrs. J. L. Vivian and children of Brundage, are guests of her parents M. F. Hall and wife.

Messrs Frank Murchison and Harrie Toler, Misses Opal Joe Howard, and LaNell Snell, were down from Sweetwater taking in the Barbecue.

Attention W. O. W.

Mr. Joe. H. Boggs, Past Head Consul of the Jurisdiction of Ohio, and District Deputy of Texas will deliver an address at the W. O. W. hall, on Tuesday evening at 8:30 o'clock, August 16, 1921. Everybody cordially invited to come.

C. C. PALMER, C. C.

Lone Star

The rains which fell recently were a great benefit to crops.

Mrs. S. B. Davie is still quite sick.

W. J. Lemmond, of Enloe, spent from Friday until Tuesday in the W. H. Harris home, looking after his farm interests.

Mrs. S. Y. Hamilton is on the sick list this week.

Wm. Martin and wife spent Sunday in the Hamilton home.

W. H. Harris, W. J. Lemonds, J. W. Richburg, Homer Harris and Miss Lillian Porter and Miss Eldie Richard and Colorado Saturday.

A good singing was enjoyed in the Richardson home Sunday night.

Bro. Young closed his meeting Wednesday night on account of the picnic. We had three conversions and fifteen additions to the church.

The school horse is receiving a new coat of paint this week.

Most of the girls of the community ate birthday dinner with Alice Richburg Sunday.

Pat Lucas and family and Clifton Henderson and wife spent Saturday night and Sunday in the J. H. Preston home.

CANCER SPECIALIST COMING TO SNYDER AUGUST 22ND.

I write this for the benefit of the public in general and suffering humanity in particular. I have had a cancer on my lower lip for four years and have been treated by the most eminent specialists of the country, and received no results. I took X-Ray, radium and Coutery treatment from experts in administering those treatments in this state at great expense and with no results. After long suffering and all the unavailing treatments I was advised by a friend to go to Dr. Peebles of Marlin, Texas, for treatment which I did and he has cured my lip. He is honest with his patients. If he cannot cure a case he tells the patient and will not take his money. I have been to Marlin where Dr. Peebles has lived nearly all his life and I have investigated him as a man and a specialist on cancer and skin diseases and he has the greatest reputation of any specialist I know of in his line of work.

I have arranged with Dr. Peebles to spend a while in Snyder so that others afflicted in this country would have an opportunity to see him. He makes no charges for examinations. No cure, no pay.

He will be in Snyder August 22nd, and remain two weeks. Adv. 8-12c E. A. Birdwell.

PORTER A. WHALEY DENIES BUYING DAILY NEWSPAPER

STAMFORD, August 9.—The report that Porter A. Whaley, general manager of the West Texas Chamber of Commerce had purchased an interest in the Sweetwater Reporter is incorrect according to W. K. Whipple, publicity manager of the organization.

In an interview this morning Whipple stated that he knew of no negotiations being made by Mr. Whaley either for the ownership of the Sweetwater Reporter or any other publication. Whaley has been in Austin for the past two weeks in charge of the Austin Bureau of Organization during the special session of the legislature. He was in touch with the general office today and stated that the story was incorrect. In a telegram received this morning from Whaley he said, "Sweetwater newspaper story incorrect. Beyond my comprehension to understand such a statement."

IN SOCIETY AND AT THE CLUBS

Sunrise Breakfast
The Campfire girls chaperoned by their Guardian, Mrs. Merritt and assistant guardian, Mrs. Jim Dboos, enjoyed a sunrise breakfast on the Bluffs last Friday morning.

Central Circle
The Central Circle of the Methodist church met in the basement of the church Monday afternoon with Mrs. Everett Winn hostess.

Besides the regular business meeting it was decided to entertain the League on the parsonage lawn next Tuesday evening. Committees were appointed.

Dues amounting to \$7.50 were received. Mesdames Winn, Wulfjen, Cook and Swimme, of Midland, were guests.

The hostess served ice cream and cake. Mrs. L. B. Elliott was received as a new member.

Auxiliary to C. W. B. N.
The Auxiliary to C. W. B. N. met with Mrs. T. C. Donnell last Thursday.

The subject was "Thibett" led by Mrs. A. J. Coe. Mrs. Jones gave a paper on Medical Missions and Mrs. Leslie Crowder one on "The Human Resources of the Country." Mrs. Leon Jenkins was received as a new member.

The hostess served sandwiches and pickles and ice tea at the social hour.

Civic League Meeting
The regular meeting of the Civic League met at the Baptist Sunday school rooms last Saturday.

It was decided to co-operate with the Chamber of Commerce and the County Agent, Mr. Dulin, in pushing the work of the Home Economics of A. & M. to be demonstrated here Saturday by Mrs. Sullivan.

Committees were appointed to phone the women of the town and surrounding country and help in any other way necessary to make the work a success.

Plans were also made for a band concert on the Court House lawn Friday evening. Besides the splendid music which will be given by the Colorado Booster band other numbers will be given by the children and young people of the town. The women will serve lemonade at 5 cents the glass. Orange nip at ten cents and chewing gum. They do this to refresh the people and to finish paying for the lights. The rest of the proceeds will be given to the band. Everybody is expected to be there and show their appreciation for the Booster Band and have a good time.

Mrs. H. S. Beal and Mrs. Stewart Cooper were appointed to visit the stores during August in regard to Pure Food Laws.

Christian Workers
The Christian workers S. S. class met with Mrs. Robert Smith Tuesday afternoon in a very interesting meeting. The devotional leader being absent Mrs. W. H. Garrett took this part. Quite a bit of business was attended to. \$1.00 collected as dues, \$1.00 paid on our Korean Mission fund, and a birthday bank established. Also a charter ordered for the class.

Our study "Woman's Ministry" was very interesting.

At the social hour the hostess assisted by her daughter, served homemade cream and cake.

Merry Wives
Mrs. Ed Jones was hostess for Merry Wives, Wednesday. Her guests were Mesdames R. O. Pearson, Sam Majors, J. E. Pond, Viola Elliott, J. P. Majors and Myrtle Vaughn of Sweetwater and Miss Conner. Refreshments of banana salad, wafers, cake and grape juice were served. The meeting next week is with Mrs. Lambeth.

"42" Party
Mr. and Mrs. R. P. Price entertained a few friends at 42 Tuesday evening honoring Mr. and Mrs. J. E. Stone of Abilene.

Sandwiches, pickles, cake and ice tea was served.

Mr. and Mrs. J. J. Robertson of Crystal Falls who have been here for a visit to their daughter, Mrs. Flora Keathley left this week on a visit to Fort Worth, Greenville and other North Texas points. They will extend their visit to Graham and Cisco. Mrs. Keathley went with them and will return home from Cisco.

When your windmill needs repairing, phone 280.

Register of Taxes Delinquent on Real and Personal Property

For the City of Colorado, Texas, for the Year 1920

Table with columns: NAME-AND ADDITION, LOT, Block, Total Tax. Lists various property owners and their delinquent taxes.

THE STATE OF TEXAS, County of Mitchell. L. A. Costin, Tax Collector of the City of Colorado, Texas, do hereby certify that the above named lots and land assessed on the Tax Rolls of the city for the year 1920, are delinquent for the taxes for 1920, and that I am entitled to credit for the taxes as shown herein.

THE STATE OF TEXAS, County of Mitchell. We hereby certify that we have examined the above report of lands and town lots, assessed on the Tax Rolls of the City of Colorado, Texas, for the year 1920, which are delinquent for the year 1920, and find the same to be correct, and that L. A. Costin, tax collector, is entitled to credit for the taxes as shown thereon.

BIG LIVESTOCK YEAR INDICATION AT STATE FAIR

Texas Farmers and Stock-Raisers Deeply Interested in Pure-bred Show.

One of the basic industries of Texas is looking forward to a great era of development if the indications furnished by the preparatory work of the State Fair of Texas are taken as evidence. The livestock department is

Texas has a big forage crop and livestock interests are booming.

seeing its most promising advance season, with the interest very general all over the State.

The cause of this is found in the splendid forage crop of 1921 in all parts of the State, in the opinion of Col. Frank P. Holland, State Fair director in charge of cattle, and one of the most experienced men in the State in the livestock line.

The State Fair season of 1921, October 8 to 23, will be a liberal education for the farmer and prospective stock-raiser. Premiums in livestock and agriculture total more than \$50,000, and this will bring the finest bred animals in America into the show competitions.

Early entries in the agricultural department of the State Fair are bearing out the fact that good crops are being made over the State. Over a dozen counties have reserved spaces for competitive exhibits.

Westbrook Items. Preston Phenix, son and daughter, Ward and Miss Ruby accompanied by Miss Lois Rhodes of Hamlin are visiting W. E. and D. L. Donelson. Friday afternoon, R. L. Terry took a crowd of young people on a picnic at Seven Wells honoring his sister, Miss Fae Terry.

WITH THE CHURCHES

With the Baptists. The pastor will be in his pulpit next Sunday. Let the membership be present. Don't forget the Sunday School. You are missed. The pastor cannot help you unless you are present. Let all the new members be present.

At the Methodist Church. Last Sunday was a good day at First Methodist church. The pastor was absent from the city, he being in a meeting at Union, but preaching services were conducted at 11 o'clock by Rev. Earnest Roper, who with Mrs. Roper recently located in Colorado. He is a young preacher and will join the Texas conference in October.

Preaching services next Sunday at 11 o'clock and at 8:15. The Epworth League will meet in the church auditorium at 7:30 p. m. Mid-week prayer service Wednesday evening at 8:15. A cordial invitation is extended the public.

Daily Vacation Bible School. The school is in its second week, nearing the close on Saturday morning, but the interest continues to grow. Each days program has been a treat to every visitor, as well as the many children that are there.

The League of Women Voters. Nowhere in history can we find anything more remarkable than the growth of the National League of Women Voters. It was organized in February 1920 and in fourteen months had an organization in every state in the Union with more than two million members.

LOOK through my store before buying. Prices are RIGHT and you can get most anything wanted NOW. R. L. McMURRY. The State Election Law, Election Officers, Election Booths, Ballots, The Primary Law, Elimination of Corruption.

Aid the Preacher

The preachers of this town are doing their best to make it a better place in which to live. Come and work with them, side by side. Do not sit in the bleachers and scoff. No American would live in a town where there are no churches, but churches cannot exist without the hearty co-operation of men and women who want the best for themselves and for their children.

Hear the Pastor. Attend the Baptist Sunday School. Your place will be vacant unless you go. August 7th the attendance was 189, collections \$9.85. Let's make it better next Sunday. M. C. BISHOP, Pastor, J. H. GREENE, Superintendent.

Proportional Representation. How to make a City, County, and Township, State and National Government, more efficient and more representative. Mrs. Carrie Chapman Catt, chairman of the committee that moved the resolution for a program of political study said: "Government by the people does not function in this country. The will of the individual voter is not now effectively registered. Are you women voters going to be content to let this be? Are you willing to hear this talk of 'the voice of the people' as the governing force in this country and yet see your desires set aside, your measures defeated year after year because of small, powerful groups which now mould public affairs to their liking?"

Reward. Some one left gate open at our yard Thursday night and let a big dark brown horse out. We will pay \$5.00 for information leading to recovery of same. VAUGHN & SON, Phone 27.

FOR BLUE BUGS. HEAD LICE, STICK-TIGHT FLEAS, Chiggers, and all blood sucking insects simply feed Martin's Blue Bug Remedy to your chickens. Money back if not satisfied. Ask W. R. CHARTERS. 10-7-e.

Home From The Markets. Our Buyer has returned from the leading markets of America where large stocks of fall and winter dry goods, notions, shoes, dress goods, etc., were bought. Shipments of these are arriving every day. Come and see the new goods and the new prices. Specials. 250 Ladies Shirt Waists in Georgette, Crepe de Chene and Jerseys, \$5.50 values. Special Price, you choice \$3.39. Colorado Bargain House THE PRICE IS THE THING.

FIRE INSURANCE COMMISSION FINDS MANY DEFICIENCIES AT COLORADO

According to the report of Ernest Baker, engineer representing the State Fire Insurance Department, there exists a number of defects in the fire protection of Colorado which if corrected, will materially reduce the key rate here.

Mr. Baker was in Colorado July 9 and made an inspection of the city water plant and fire department noting further that Colorado was not enforcing an adequate building law, which would prohibit the erection of poorly constructed and combustible buildings in the business district. All of these he reported as being detrimental to the best interests of the city and adding unnecessary additional cost onto the key rate.

The report of Mr. Baker which has been accepted by the Fire Insurance Commission and a copy of which was received by Mayor Coe Saturday follows.

"The present water supply of your city is inadequate, and in the events of a serious fire would handicap the best efforts of your fire department; in order to comply with standard equipment, it is necessary that you increase the supply to at least 194,000 gallons per diem. In addition to the protection afforded the charge in key rate of 4c for water supply 28 per cent deficient may be avoided.

"At the present time your city is depending entirely on gravity pressure from the standpipe for fire protection for your city, and we recommend for your immediate consideration the installation of a pump of at least 500 gallons per minute capacity which will take suction from the concrete reservoir and discharge into the supply main for the city. In addition to the added protection the key rate will be reduced 8c.

"Your present pumping station is not constructed of a fire resisting material, and we recommend that it be replaced with a building of brick, stone or concrete with a non-combustible roof, and occupied solely as such. A reduction of 10c will be secured if this recommendation is complied with.

"We note at present there is only one supply main from the pumping station to the service distributing mains, and in order to be prepared for a break in this main, which would be disastrous in case of fire we recommend the laying of an additional main of at least eight inches in diameter, of either the cast iron types, and aside from the additional protection afforded, a reduction of 2c in key rate will be in order.

"The best engineering practice has demonstrated that mains of less than eight inches in diameter should not be laid in the mercantile district unless properly girdironed, and in order that the charge of 5c for 54 per cent less than eight inches in the mercantile district may be eliminated, it will be necessary that all such mains be replaced by mains at least 8 inches in diameter, of standard cast iron.

"Experience has taught that the metering of service connections to consumers is a very valuable asset to any city in the conservation of its water supply, and as there is at present only 66 per cent of connections so equipped, we recommend that at least 75 per cent be metered and thus eliminate the charge in the key rate of one cent.

"Install a fire hydrant at the fire station and provide at least 100 feet of approved 2 1/2 inch labeled cotton rubber lined hose attached and neatly racked in a house over same.

"A city the size of Colorado requires the services of at least five full paid firemen, based on the requirements of five paid men to each 5000 population or fraction thereof; therefore by the employment of four additional full paid firemen who shall devote their entire time to the service, and sleep at the fire station, the charge of 3c may be eliminated in the key rate.

"By the installation of a standard automobile hook and ladder truck the charge in the key rate of 2c will be eliminated and further credit of 1c will be in order.

"In order to insure long life to your fire hose, we strongly recommend the necessity of erecting a hose rack or tower for proper washing and drying of all fire hose.

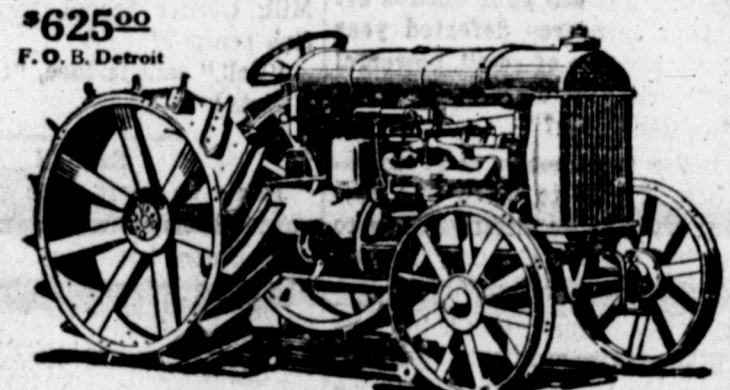

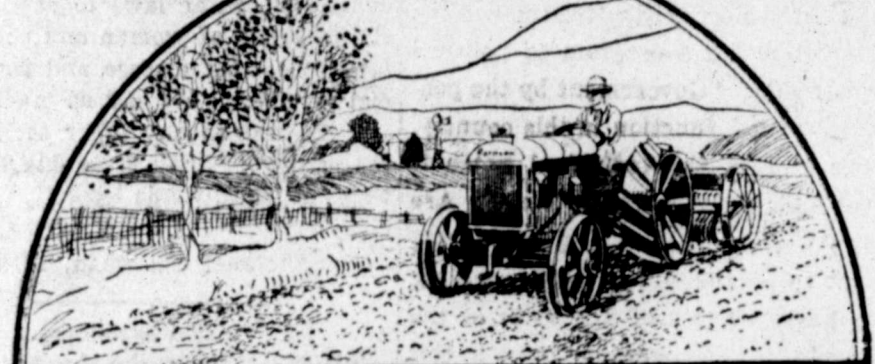

"Provide a good supply of cut-off nozzles, as the interior water damage is often greater than the actual fire damage, and in addition water is saved.

"The absence of an approved fire alarm system subjects your city to the menace of a conflagration, owing to the fact that before the fire department could be mobilized a fire of somewhat insignificant proportions might gain considerable headway, and to this end we strongly recommend the installation of an approved electrical fire alarm system; the charge of 5c in key rate will be eliminated if this system is installed in strict accordance with the requirements of the National Board of Fire Underwriters.

"In your present key rate, you are charged 5c for inadequate building law; in order to remove this charge and also to prevent the erection of poorly constructed and combustible buildings, we recommend the adoption in full of the building code of this commission and the appointment of a competent inspector to rigidly enforce provisions of same.

"We recommend that methods of fire prevention and principles of fire insurance be taught in all the public schools. In addition to the aid to the community at large, a reduction of 3c will be in order."

Fordson

#62500
F. O. B. Detroit

170,000 Now in Use

Built with over strength in every part; built to withstand the constant strain of heavy duty; tested out under every condition of farm and belt work, and put to actual test by 170,000 owners during the past three years—the Fordson Tractor has lived up to every claim made for it.

No matter what the farm task—whether plowing, disking, harrowing, threshing, baling hay, grinding feed, pumping water, sawing wood, pulling stumps, filling silos, or any of the many other jobs around the farm, the Fordson will not only do and do well, but quicker, easier and at less expense.

There are many different time and money saving ways in which the Fordson can be used that you owe it to yourself to get the facts. Come in and see the Fordson, or write or phone for the information.

PROFITS BY WHAT HER MOTHER DID

Little Rock Woman Induced to Take Tanlac Through Parent's Restoration

"Tanlac restored my mother's health so perfectly that I began taking it, too, and just two bottles have helped me wonderfully," said Mrs. Goldia Bird, 310 1-2 E. Markham St., Little Rock, Ark.

"A short time ago I seemed to have a general breakdown," she continued. "My stomach became so disordered that nothing tasted good and I just didn't want to eat a thing. I fell off in weight and became weak and run down. My complexion was pale and sallow and my back ached so I could hardly lift my baby. I took little or no interest in anything and was going from bad to worse.

"But I think Tanlac is just wonderful to have helped me so in such a short time. I have only finished my second bottle but already I feel like a different person. I enjoy what I eat and am gaining in weight. The pains have about all gone from my back and I have been built up so I feel better and stronger in every way. I have nothing but the highest praise for Tanlac."

SHERIFF'S SALE.

THE STATE OF TEXAS, County of Mitchell.

By virtue of an order of sale for delinquent taxes issued out of the Honorable District Court of Mitchell County, on 28th day of July, A. D. 1921, by W. S. Stoneham, clerk thereof, in the case of The State of Texas, versus C. W. Simpson, No. 3843, and to me as sheriff directed and delivered, I will proceed to sell, within the hours prescribed by law for sheriff's sales, on the first Tuesday in September, 1921, it being the sixth day of said month, before the court house door of said Mitchell County, in the City of Colorado, Texas, the following described land situated in Mitchell County, Texas, to-wit:

All of lot number 6 in block number 25 in the City of Colorado, Texas according to the original plat thereof of record in the Deed Records of Mitchell County, Texas.

Levied on as the property of C. W. Simpson, to satisfy a judgment amounting to \$36.33 in favor of The State of Texas, with interest and costs of suit.

Given under my hand this 1st day of August, 1921.

W. J. CHESNEY,
Sheriff Mitchell County, Texas.
By C. E. Franklin, Deputy. 8-19c

Profits by what her mother did

Little Rock Woman Induced to Take Tanlac Through Parent's Restoration

"Tanlac restored my mother's health so perfectly that I began taking it, too, and just two bottles have helped me wonderfully," said Mrs. Goldia Bird, 310 1-2 E. Markham St., Little Rock, Ark.

"A short time ago I seemed to have a general breakdown," she continued. "My stomach became so disordered that nothing tasted good and I just didn't want to eat a thing. I fell off in weight and became weak and run down. My complexion was pale and sallow and my back ached so I could hardly lift my baby. I took little or no interest in anything and was going from bad to worse.

"But I think Tanlac is just wonderful to have helped me so in such a short time. I have only finished my second bottle but already I feel like a different person. I enjoy what I eat and am gaining in weight. The pains have about all gone from my back and I have been built up so I feel better and stronger in every way. I have nothing but the highest praise for Tanlac."

Sheriff's Sale.

THE STATE OF TEXAS, County of Mitchell.

By virtue of an order of sale for delinquent taxes issued out of the Honorable District Court of Mitchell County, on 28th day of July, A. D. 1921, by W. S. Stoneham, clerk thereof, in the case of The State of Texas, versus C. W. Simpson, No. 3843, and to me as sheriff directed and delivered, I will proceed to sell, within the hours prescribed by law for sheriff's sales, on the first Tuesday in September, 1921, it being the sixth day of said month, before the court house door of said Mitchell County, in the City of Colorado, Texas, the following described land situated in Mitchell County, Texas, to-wit:

All of lot number 6 in block number 25 in the City of Colorado, Texas according to the original plat thereof of record in the Deed Records of Mitchell County, Texas.

Levied on as the property of C. W. Simpson, to satisfy a judgment amounting to \$36.33 in favor of The State of Texas, with interest and costs of suit.

Given under my hand this 1st day of August, 1921.

W. J. CHESNEY,
Sheriff Mitchell County, Texas.
By C. E. Franklin, Deputy. 8-19c

See Us Now About Your Battery

Suppose some queer trick of fate made you the owner of this service station and me the customer.

And I came in some day red hot because my battery had gone wrong—

And I had missed my train—

And I lost out on an important engagement—

And disappointed a good customer—

And stood to lose a lot of money—

You bet your life I'd be good and sore, but I'm mighty sure I couldn't ask for any more courtesy and consideration and square dealing and SERVICE than we are giving right now day after day.

The time to have us look at your battery is before anything happens.

GULF REFINING COMPANY

I now have the agency for the Gulf Refining Company, Get your good Gulf gas and Lusterite from me. Delivered free, anywhere, any old time.

J. A. SADLER

A Tonic For Women

"I was hardly able to drag, I was so weakened," writes Mrs. W. F. Ray, of Esley, S. C. "The doctor treated me for about two months, still I didn't get any better. I had a large family and felt I surely must do something to enable me to take care of my little ones. I had heard of

CARDUI

The Woman's Tonic

"I decided to try it," continues Mrs. Ray. "I took eight bottles in all. I regained my strength and have had no more trouble with womanly weakness. I have ten children and am able to do all my housework and a lot outdoors. I can sure recommend Cardui."

Take Cardui today. It may be just what you need. At all druggists.

TEXAS COMPANY AGENCY

I have the agency for the Texas Co. Oil, Gas and Lubricating oils. Buy your oil and gas wholesale. I will deliver. Your account large or small appreciated. See me at filling station at Womack & Co's Garage.—RUBE HART.

Suffered Intense pain

"A few years ago when visiting relatives in Michigan something I ate brought on an attack of cholera morbus" writes Mrs. Celesta McVicker, Macon, Mo. "I suffered intense pain and had to go to bed. I got a bottle of Chamberlain's Colic and Diarrhoea Remedy and one dose relieved the pain wonderfully. I only took two or three doses but they did the work."

"Cold in the Head"

is an acute attack of Nasal Catarrh. Those subject to frequent "colds in the head" will find that the use of HALL'S CATARRH MEDICINE will build up the system, cleanse the blood and render them less liable to colds. Repeated attacks of Acute Catarrh may lead to Chronic Catarrh. HALL'S CATARRH MEDICINE is taken internally and acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions. All Druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio. (Advertisement)

MIDLAND MINISTER DELIVERS LECTURE ON ODD FELLOWSHIP

Rev. S. X. Swimme, pastor of the Methodist church at Midland delivered a lecture at the Colorado Methodist church Sunday night using as his subject "The Mystery of the Three Links."

Rev. Mr. Swimme stated that no Odd Fellow had ever proven himself dishonest nor fell short of the attainments of a Christian life. "Of course there are members of the Independent Order of Odd Fellows, and of the Daughters of Rebecca, who are neither," he explained, "but taking a man or woman into these lodges does not necessarily mean that he is an Odd Fellow."

Illustrating that type of friendship for which the order stood the story of David and Jonathan; how that David for having slain the giant of the philistine armies had received commendation of King Saul and the subsequent promotion in the army of Israel. Following the death of Saul and Jonathan, David sent for and adopted the crippled son of his friend. "This," Swimme said, "represents the friendship for which the order of Odd Fellows stand."

To illustrate love, represented by the middle link of the Odd Fellow emblem, Swimme related the story of the good Samaritan. That Priest and the Levite who passed by and looked upon the wounded man, as he lay by the roadside were not big enough for their job, the speaker said, "The citizen of Samaria, who was supposed to have hated the life and religion of the Jews, proved himself typical of that true love for which the Independent Order of Odd Fellows stand."

"In the ages of ancient history, philosophers sought for an explanation of life, but could not find it," Swimme continued, "and the true definition and analysis of the mystery was not solved until one day there came out of Nazareth a man who proclaimed 'I am the Life'." Such a man was Jesus Christ, and from that day until this good August 7, 1921, the people of Christian belief have recognized in the Son of God a true illustration of Life. Odd Fellowship endorses those principles for which Christ stood."

Rev. Mr. Swimme spoke for one hour and thirty minutes and his lecture was interesting throughout. The largest congregation to assemble at the Methodist Church for several weeks heard the speaker.

In company with Mrs. Swimme, the speaker was enroute from an extensive automobile tour of East and Central Texas. They were carrying a complete camp outfit and while in Colorado camped at a site on the northwest outskirts of the city.

Swimme is past grand master of the Independent Order of Odd Fellows in Oklahoma and is an important factor in the fraternity in the Southwest.

Cook Books

The third annual edition of the Colorado Cook Book, compiled by the Baptist Women is now ready for their friends. Several new recipes have been added to it and the women are justly proud of the way the other two editions were received by their friends. The price of the book will be fifty cents and can be secured from Mrs. Robert Terrell, Mrs. J. A. Sadler, Mrs. Lee Jones, Mrs. Edgar Majors, Mrs. H. C. Lenders or Mrs. A. L. Whipkey. An order will be appreciated by any Baptist women.

Bankhead Highway Will Be Nationally Advertised

The Bankhead Transcontinental Highway which passes through Colorado promises to be the best advertised and the most popular tourist route from Washington to San Diego, California, a distance of 3600 miles, of any highway in the United States, according to information received this week by the Chamber of Commerce.

This highway passes through the states of Virginia, North and South Carolina, Georgia, Alabama, Mississippi, Tennessee, Arkansas, Texas, Oklahoma, New Mexico, Arizona and California.

Mr. J. A. Rountree, director general of the Bankhead National Highway Association, is actively at work with six of the largest map makers in the country, compiling a revised map of the Bankhead. He has also taken up with the American Automobile Blue Book Company, the logging of the Highway from Washington to San Diego. The Blue Book has agreed to co-operate in every way possible, and to see that a correct map of the highway.

Mr. J. R. Mixer of Chicago, road scout for the American Automobile Blue Book Company, has been especially detailed by his Association to co-operate with Director General Rountree in logging this Highway. Mr. Mixer has been in Birmingham at the headquarters of this association, securing data and full information in regard to the Bankhead Highway. All 1922 maps and road guides will carry full information in regard to this great Highway.

Cuthbert Notes
