

# Comfort

The opening of a savings account and its setday growth has been a source of comfort to many.

Your deposits need not necessarily be large, but should be made with regularity. When the figures climb to double, triple and extend in columns, then will you realize the value of systematic saving.

The comfort saving brings, more than offsets the necessary effort.

Faithfully,

the fluid being water. When the twenty-three foot sand was struck at 2,556 feet, six and five-eighths inch casing was set with a packer attached, shutting off the water from above. The hole was cleaned out to within eight feet of the bottom, but there was a delay in procuring a four and one-half inch sand pump to complete the job. The first flow was on December 16 after the tubing had been connected. Six days before Christmas, the flow resumed when plunger rods were inserted in the tubing and ten to twelve barrels of oil was obtained before the flow was shut off. A third flow occurred the next day.

Work at the Foster No. 2 has been temporarily suspended at 335 feet, due to the blowing of a hole in the boiler on the night of Dec. 18. The Underwriters' well on the Nat Smith tract, six miles west of Colorado, being put down by the Crescent Drilling Syndicate, has been shut down at 1,340 feet for a lack of water. On the same account, the Renotex Oil and Land Corporation on the C. P. Conaway lease has been idle at 3,030 feet. The well by S. A. Sloan and associates, being drilled by A. P. Spaulding of Tulsa, on the Zilpha Morris tract, near Westbrook, was down 250 feet at last reports.

Operators for the receiver of the General Oil Company at the McDowell No. 4 suspended work last week for instructions as to whether to test for commercial use or ease off gas that was struck at 1,500 feet. It will burn only when heated. Just before the gas was found, the crew had made a record of 750 feet of hole in six days.

Similar gas showings in the McDowell No. 1 at 1,428 feet, and at about the same level in the Sand Hill well of the General Oil Company in Howard County, proved fizzle. The McDowell No. 1 is a producer on the pump, but makes only six or seven barrels a day, sufficient for fuel for nearby rigs.

Big Spring has launched a move to finish to 4500 feet the 4,000 foot well of the Big Spring Production Company on Mrs. Mabel O. Quinn's ranch, thirteen miles west of the town. The equipment is intact, but considerable money for work is said to be due. In Glasscock County, the Cushing Ranch Drilling Association on W. F. Cushing's ranch has been having boiler trouble, but is down about 2,950 feet, with the hole clear. Much underreaming was necessary.

In another article carried in the same section the Star-Telegram correspondent states that Foster No. 1 was making 250 barrels per day under the gauge, and advances the prediction that the territory between Itan and the T. & P. No. near Westbrook will now be extensively developed.

Under the caption, "Mitchell Well Opens New Field, Oil Men Believe," the same paper carried another article Tuesday dealing with the oil situation here, outlining among other things the following:

"The oil fraternity has about decided that Foster No. 1 of the Colorado-Texas (Consolidated Oil Company) is a commercial pumper and that an oil field is going to be developed in that territory.

"Some weeks ago this well flowed by heads for nearly seven hours after being cleaned out and since then it has flowed at short intervals while being pumped. Increased showing of gas is considered a favorable sign."

### COUNTY JUDGE J. C. HALL ANNOUNCES CANDIDACY

County Judge J. C. Hall authorized the statement Tuesday that he had definitely decided to enter the campaign for re-election.

"I did not intend to become a candidate for the office again in the elections of 1922," Hall stated, "but since several petitions have been presented me, requesting me to run it would be unfair to them not to do so." Hall stated that petitions from various parts of the county signed by 812 voters, requesting that he run for the third term, had been recently presented to him. (Adv.)

## PUBLICITY GIVEN MITCHELL CONUTY BY PROMINENT FORT WORTH DAILY

In a special article carried in the Oil Section of the Fort Worth Star-Telegram Sunday the writer authorizes that Mitchell and Glasscock counties are leading in the West Texas wildcat field. Considerable space is given to comment on the Mitchell county wells. The following is an extract from the article:

"Mitchell and Glasscock Counties held the Christmas week boards in the wildcat West Texas field, due to increased production variously estimated at from fifty to 125 barrels daily by the Foster No. 1 at Itan and the striking of gas in volume of from 2,500,000 to 3,000,000 cubic feet a day in the McDowell No. 4, Glasscock County.

"A stream of fluid, mostly oil, fills a two-inch pipe from a twenty-three-foot sand at from 2,556 to 2,579 feet whenever the pump is running at the Colorado-Texas Petroleum Company's initial test on the ranch of W. L. Foster, Sterling City banker, eighteen miles west of Colorado. The bit last week was two feet

into line at the 2,581 foot level.

"The production augments that of from seventeen to twenty-two barrels daily at the Underwriter's T. & P. No. 1 and further stamps Mitchell County as a paying pumping field. The petroleum tests 43.5 gravity, higher than the oil found in the T. & P. well and in the McDowell No. 1, Glasscock County. It is not coming from a fissure but from a brown, sugar sand, say experienced oil men. George A. Reese, manager, believes the test as it stands will be good for 150 to 200 barrels, though estimates by scouts who have visited the well are somewhat lower, of course.

"Reese bases his calculation on the fact that, in little more than twelve hours pumping a fortnight ago, a 200-barrel tank was filled, little of

**POLITICAL ARENA.**  
It is not the province or mission of the Record to commend or praise or effuse over any particular one of those who have opened the Mitchell County campaign. It shall be our purpose so far as possible to fill this column without having said anything and if we should, by accident, express an idea we hope to take it

back before we close. Nearly all, if not quite all, who have thus far announced are, so far as we know, as well, if not better, known in the county as is the Record, so it would be superfluous or mere verbosity or prolixity for us to go on to say that each and every one was efficient, proficient or sufficient, each one worthy, competent or best; each one honest, industrious or trustworthy. We suppose all are after their respective aspiring positions not alone to gratify a laudable ambition but for the emoluments etcetera, each one enters this race full of vim, determination and hopes to reach the goal several laps ahead of his nearest opponent. All of which brings us back to what we started out to say, that is our reader's attention is called this week to our Announcement column where nine patriots are offering their names and perhaps reputation for the good of their country and especially Mitchell County. Here are the names given in the order as they came in each accompanied by the required 10 spot:

J. B. Holt.  
Irvin W. Terry  
Joe W. Dearen  
J. C. Hall  
W. W. Porter  
L. B. Elliott  
J. M. Page  
Floyd T. Kennedy  
Roy McCreless  
Loyed A. White  
Jim Fulkerson  
Tom Terry.

J. B. HOLT wants to be Sheriff and Tax Collector, announcing for that office. He has been your Tax Assessor for four years and knows nearly every man and woman in the county and all know him and so far as we know favorably so.

IRVIN W. TERRY also announces for Sheriff and Tax Collector and says he needs the office and promises to fill the place with credit to himself and the voters. Mr. Terry has been here always. Was here before the Record came.

JOE W. DEAREN comes in at a late hour for this issue but in time to get in and asks for the Sheriff's office also. Joe has been here fifteen years and is well known over the county, making the race strictly on his ability and qualifications to fill the office.

J. C. HALL, our present County Judge asks for re-election on a petition from his friends and as Mr. Cooper, our local man has said something about him in another column, we will say no more.

W. W. PORTER also seeks the bench as County Judge. Mr. Porter was for four years your County and District Clerk, then stepped down and out and has waited these past two years before asking favors, etc. Everybody knows Porter and as he and Hall are both fluent speakers we may expect an eloquent time.

Now comes on to be heard young L. B. ELLIOTT, known better as Lewis Elliott, who wants to be Tax Assessor. Mr. Elliott is a young man and his friends say quite efficient. He is ambitious and seeks this office asking the voters to consider his claims.

J. M. PAGE also announces for Tax Assessor and is one of the old stand-bys in the county, having been here a long time. He resided for some time at Westbrook and when asked if he did not claim the West half of the county as his stronghold he said he hoped to claim the whole county as his stronghold.

FLOYD T. KENNEDY comes from Loraine backed by his friends and throws his hat in the ring for Tax Assessor asking political preferment Kennedy is at present Justice of the Peace at Loraine and one of that fair city' leading citizens. Mr. Kennedy says he hopes when the polls are closed in July that his name, like an ancient distinguished citizen we have heard of will "lead all the rest."

ROY MCCRILESS, a young farmer, comes to the front asking to give a farmer boy a chance to be Tax Assessor and says this is his first offense. Roy has been practically raised in this county; comes of a fine family, and seeks the office believing he can and will fill the office creditably and well.

J. T. (JIM) FULKERSON, another hat in the ring for City Marshal is Jim Fulkerson, who says if he don't fill the office like it should be he will resign. The main plank in his platform will be to have no favorites all of which he will bring out in his stump speeches during the campaign.

By the way, we almost forgot to say that LOYED A. WHITE is in the race for City Marshall in the coming April election. While this may be the least and last office White wants it is distinctly understood that he is not the least and will not be the last by any means. He is in the race to win and asks a fair consideration of his claims. We understand there are more names to follow, we hope so at least as we have to pay our Taxes next

week.  
TOM TERRY announces this week for Public Weigher of Precinct No. 1. This is an important office and Tom says he can fill it and asks for your vote and a full consideration of his claims.

The above is written without prejudice, pre-judgment or preference. Simply to call your attention to the announcement column so you may judge who you want for your next county officers.

If looking for harness see Ed Jackson before you buy.

Prosperity seems a long time in returning. But don't let a little thing like that jar you. The longer the delay the more you will appreciate it when it does arrive.

**Jake to the Front Again.**

Jake's Restaurant, established in 1884 and known all over West Texas as a popular hostelry always had and observed a rule of giving a free dinner of Thanksgiving, Christmas and New Years days to everybody who would come and this generous hospitality was kept up and observed as long as Jake ran the restaurant, which was for 35 years. Since he has moved and opened up the "Jake's Rooming House" he is again at his old tricks and serves a big free dinner each year on Thanksgiving, Christmas and New Years day. Nearly everybody in West Texas know him as Jake, many do not know him as Jake Maurer but

as Jake. This past New Years day last Sunday he tried to outdo all former occasions by spreading a big turkey dinner, a 16 pound turkey with all the accessories, concomitants and ingredients appertaining thereto was prepared by Mrs. Jake, the French cook, in the style peculiar to the French which proved most pleasing as many were the high compliments paid her as chef. This big dinner was greatly enjoyed by all and appropriate toasts were offered to Mr. and Mrs. Jake Maurer. The guests: H. F. Wheeler, Tulsa, Texas; F. M. Boren, Colorado, Texas; G. A. Moor, Phoenix, Ariz.; Geo. F. Dunam, Chicago; W. M. Palma, Sierra Blanco, Texas; and five transient persons. Long live Jake.

### Taking Desperate Chances.

It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle?

### Out Buford Way.

Back again! And if these clouds just keep gathering and finally bring forth about three inches slow rain, my it'll be a "grand and glorious feeling."

Grandma Prentice is having quite a siege with a prolonged spell of indigestion and asthma. We hope for her early recovery.

The young people have had their usual round of holiday entertainments. Mr. and Mrs. James Bodine entertained his Sunday school class and served refreshments and all reported a very pleasant evening.

Mrs. Cooper, Mr. Curry and Mr. O'Neal have all either had a singing or a party recently.

We are to have some new neighbors in our community. Among the number we have learned to know, Mr. and Mrs. Claud Hooks, Mr. Tims, Mr. Fred Bodine, Mr. Frank Redmond, Mr. French and after the 1st of Feb., we are glad to welcome Mr. and Mrs. M. C. Holt again to our midst.

Grandfather McGuire, now at Mr. Holt's home in town, we found to be real cheerful, and inclined to see the bright side of things, despite his continued illness, and confinement. We pray that his suffering might be as far removed as possible.

School started off in "high" again and we predict that the remaining months will be the best in the history of the school. Mrs. Hooks will begin with a music class at once and will be carried on near the school building in conjunction with regular school work. All that intend to take music whether you are in school or not, you'll find Mrs. Hooks to be thoroughly capable of teaching and a talented musician.

We had a good hour at Sunday school Sunday morning, a good attendance and interest, and the school will elect officers for the coming year next Sunday morning. Every member of the S. S. is urged to be present and have a voice in this election.

We are very sorry to lose Mr. and Mrs. Martin, also Mrs. Webb, Luther and Miss Ima Webb. We'll miss these good folks in everything that stands for community improvement. We hope their moving away is only temporary, and that we'll have them back again before the year is gone.

Mr. W. L. Lindsay is building a new house on his farm just north of his home. Mrs. Tom Killiean will build a house southeast of the gin on a lot donated by Mrs. Redman and will make her home there.

Everybody who will is invited to go to preaching at Dunn Saturday morning. Bro. Stewart, the presiding elder, will preach. There'll be quarterly conference in the evening.

### When You are Constipated.

To insure a healthy action of the bowels and correct disorders of the liver, take two of Chamberlain's Tablets immediately after supper. They will not only cause a gentle movement of the bowels, without unpleasant effects, but banish that dull stupid feeling, that often accompanies constipation.

The Record force is not yet over the Christmas cheer.

IN SOCIETY AND AT THE CLUBS

Entertained Husbands. The members of the Harmony Club entertained their husbands last Thursday evening at the home of Mrs. D. C. Byrne. The house was

attractive with its bright Christmas decorations and the score cards were in keeping with the season. There were nine tables and the ever popular game of 42 was enjoyed by all present. In fact the gentlemen enjoyed it so much they wish to be made regular members. Chicken salad, wafers, pickles, apricot pie topped with ice cream and coffee were served.

Study Course. The Methodist missionary society met with Mrs. J. A. Buchanan Monday for the mission study course. The present day condition of Korea was studied. A time was also spent working on their quilt. The reports from all departments of the work was most gratifying the past year. Over two hundred dollars pledge was raised by the women and the children and young people did equally well. The hostess served sandwiches, fruit cake and tea.

Family Reunion. J. B. Farmer enjoyed his usual annual family reunion on New Year's day. The fatted turkey was killed and children and grand-children did justice to it. All his seven children except the oldest son in Hillsboro, were present. There were also eight grand-children and a brother present.

1921 Study Club. The 1921 Study Club met with Miss Olive Terry December 29. The regular lesson in Julius Caesar was led by the honorary member, Mrs. J. G. Merritt. Special papers on the lesson were given by Mrs. Ed Jones and Mrs. Mabel Smith. The club discussion was "Winter Health Hints." Mrs. Stewart Cooper gave a paper on Medicinal Value of Food. At the social hour the hostess served a bounteous Christmas luncheon. The meeting this week will be with Miss Smith.

Clubs Will Resume Work. After adjourning for the holidays the literary clubs will resume work this week. The Standard will meet with Mrs. J. H. Guitler; The Heperian with Mrs. Everett Winn; the Bayview with Mrs. Jack Smith and the 1921 Study with Miss Mabel Smith.

Business Meeting. The Women's Auxiliary of the Baptist church held the regular business Monday afternoon. The president read excerpts from the State president's message given at the annual convention in Dallas. Reports were given by the different departments and were all encouraging. The Sunbeams, under the leadership of Mrs. Lee Jones, have had a steady growth. They sent candy as a Christmas token to Buckner Orphans Home and have recently finished the study of Africa and had an "African" picnic. This month they begin the study of China. The Y. W. A. sent its Christmas offering this year to Buckner Orphans Home instead of China as has been the custom. It amounted to over twenty six dollars. Besides these several baskets of Christmas cheer were sent to the poor and shut-ins. It was decided to observe prayer for foreign missions next Monday and Tuesday.

Reception. One of the prettiest and most enjoyable affairs of the holidays was the New Year reception of the Standard club at the home of Mrs. H. B. Smoot celebrating its thirtieth birthday which is in the very near future, last Friday from 4 to 6 o'clock. The invitations were extended the other clubs at the closing meeting before the holidays and every member was anxious to express "Happy New Year" to this, the oldest club in town. It was organized by Mrs. M. B. Smoot with a membership of twelve and of that number four of the charter members are still living and active members. They are: Mesdames P. C. Coleman, who was the first president, H. B. Smoot, J. E. Riordan and Sherwin. The house was adorned with Christmas decorations and club colors. The reds and greens were in the hall, living room and library, while the dining room was a contrasting picture of gold and

white, the club colors. The table was covered with gold over which was laid a delicate lace lunch cloth and suspended from the chandelier to the four corners were streamers of gold fastened to lighted candles. Appearing from center was the little New Year 1922 holding in his arm a roll of "Resolutions."

The guests were greeted at the door by Miss Mildred Coleman and introduced to the receiving line which was composed of the club members. The other daughters of the club members, Misses Riordan, Mrs. Lucian Madden, Mrs. David Harrell, Miss Ewell Gary, Misses Mabel Smith, Byrd and Marion Adams and the granddaughter, Miss Eleanor Thomas, served Japanese spice tea and cake to over a hundred guests. Besides the pleasure of extending best wishes to the club the guests enjoyed the social chats with each other and went away with the desire to put good resolutions into practice. Mrs. Robert M. Webb of Ft. Worth was a guest of honor.

The members of the club now are: Mesdames C. M. Adams, M. Carter, P. C. Coleman, R. N. Gary, J. H. Guitler, J. C. Prude, J. E. Riordan, H. B. Smoot, N. S. Sherwin, Marcus Snyder, Edwin Fowkes, R. N. Gary and G. W. Smith.

Married. Miss Ethel Pritchett and Mr. Bronson Gregory of Vincent were married at Sweetwater last Thursday. This was quite a surprise to even their closest friends as Miss Pritchett did not resign her position as teacher in the schools until a few days before. Mr. and Mrs. Gregory will make their home at Vincent.

Entertained Former Classmates. The Senior class of the High School had as one of the holiday festivities, the pleasure of entertaining the Senior class of last year most of whom had been away to school and were home for the holidays. The entertainment was given at the home of the president, Lee Jones, Jr. The house was decorated with Christmas colors. A miniature Christmas tree with "gifts" for each guest started the fun for the evening. The class prophesies of both classes were read and of course nothing but good things could be seen in the future for each and every one. The remainder of the evening was spent in games and contests. Refreshments of salad, sandwiches, cake and tea were served.

Stag Dinner. Mr. and Mrs. H. C. Doss entertained with dinner Sunday complimentary to Conrad Ausley who was a guest of their nephew, Robert Brennan. The personnel was Mr. and Mrs. Doss, Conrad Ausley, Maxwell Thomas, John Prude, Robert Brennan and Brooks Bell.

Harmony Club. Mrs. H. C. Landers was hostess for the Harmony club Wednesday. Her guests were: Mesdames P. C. Coleman, Y. D. McMurry, H. B. Smoot, J. G. Merritt, D. H. Snyder, Bert Robertson, A. L. Whipkey, C. C. Blanford and Miss Nell Sue McMurry of Nashville, Tenn. Salmon salad, nut sandwiches, olives, fruit cake and coffee were served. The meeting next week is with Mrs. Lupton.

Quiet Wedding. Mr. J. C. Etheridge and Miss Abbie Thomas were quietly married at the home of Mr. and Mrs. Everett Winn last Sunday morning at 8 o'clock. Rev. M. C. Bishop said the solemn words that made them husband and wife. Mr. and Mrs. Etheridge left immediately in their car for San Angelo for a few days and will then be at home on West Fourth street. The Record joins their other friends in best wishes and congratulations.

Baptist Notes. We began the new year with fine spirits. Last Sunday was a Red Letter day with us. A good sized Sunday school with a splendid audience at the morning hour with another good audience for the evening hour. At the morning hour there were five additions to the church. We are delighted to have these fine folks come in with us. The Sunday school elected its officers and teachers and they will be regularly installed next Sunday morning at the 11 o'clock hour. If you never attended an installation service of Sunday school officers and teachers come and see it done in regular order. We are expecting to see the greatest effort put forth by this church this year it has ever done in all its history. We make the solemn appeal to each member for true-hearted service this year. No one has a right to be on the job. We want to make the prayer meeting worth while to a large audience this year. We want to see an average of over 200 in the Sunday school. Why should you stay away from your church services? God has commanded you to attend. Not for the

sake of the preacher but for Christ's sake attend the services both morning and evening. We are told the attendance is better than it has been for many years but it is not what it should be by any means. We will not be satisfied until the audiences pack the present seating capacity of the church house. We make the appeal to each member to become responsible for the life of the church. We want to do great things; we need to do great things; shall we do great things. Let your presence next Sunday be partly your answer to these questions.

M. C. BISHOP.

Taking Desperate Chances.

It is true that many contract severe colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle?

WEAK, NERVOUS, ALL RUN-DOWN

Missouri Lady Suffered Until She Tried Cardui.—Says "Result Was Surprising."—Got Along Fine, Became Normal and Healthy.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. I saw after taking some Cardui... that I was improving. The result was surprising. I felt like a different person. "Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me... My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it." Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments. For sale everywhere. E. 43
