IN MEMORIAM

FUNERAL OF S. T. SMITH
The funeral of Mr. S. T. Smith, who died suddenly at his home in South Colorado last Thursday evening, was held at the family residence last Friday afternoon conducted by Rev. M. C. Bishop, of the Baptist church, assisted by Rev. D. R. Hardison, pastor of the Christian church. The active bearers were: A. A. Dorn, Steadman, Jim Plaster, Max Thon, N. Gary, and Lay Powell. The honorary pall bearers were: Dr. C. J. C. Prude, F. M. Burns, J. N. Looney, J. H. Gage and J. Johnson of Sweetwater. Many floral offerings sent by friends of other places as usual here.

Samuel Thomas Smith, the son of Capt. Jack Smith, was in Milam County October 19. He grew to young manhood in that county and was married to Annie Harrelson Leonard in Milam County February 1st. To this union five children born four of whom are living: Smith, Mrs. Charles Mann,

COALE REVIVAL MOVED TO UNION TABERNACLE

The revival meeting being conducted by Rev. D. L. Coale of Los Angeles was moved to Union Tabernacle Wednesday morning because of the crowded condition at the First Methodist church at the evening services. Sunday evening a number of people were turned away from the building and with interest growing in the services it became evident that the church auditorium, balcony and gallery would not seat the people.

Rev. Mr. Coale and his singer, Albert Cunningham, arrived Sunday morning from Ranger where the evangelist closed a revival Saturday night. He reports more than two hundred conversions at Ranger.

The evangelist is one of the most practicable and forcible preachers coming to this city for a series of meetings in the near future. While scathing in his denunciation of sin, he is equally kind in his dealing with the sinners so far have been directed at the sinners in the church.

Cooperating with the pastor, Rev. C. S. Browning, are Rev. M. C. Bishop, pastor of the First Baptist church, and Rev. D. R. Hardison, pastor of the First Christian church.

The evangelist has spoken of his sincere appreciation for evidences of this co-operative spirit among the pastors of the city and their congregations.

A large chorus, composed of the choirs from the several churches of the city, assisted by an orchestra and two pianos, is furnishing the music. The juniors have also been organized into a great choir and assist in the song service each evening.

The young people and the juniors have been organized by Mr. Cunningham and hold meetings daily. The juniors meet at the Methodist church at 4 p. m. and the young people at 7:15.

The services are being held twice daily, at 10 a. m. and 7:45 p. m. Beginning Tuesday of this week, many of the local stores and offices have been closing for the morning services. The revival will continue through next week.

CONVENTION CITY ENDORSES COLEMAN FOR C. OF C. VICE

The Plainview Chamber of Commerce has officially endorsed Dr. P. C. Coleman as the practical candidate for first vice president of the West Texas Chamber of Commerce. This information was received Thursday in a communication from John Boswell, secretary of the Plainview chamber. The Fourth Annual convention of the West Texas Chamber of Commerce is to be held in Plainview May 22-23.

"We have heard so much of the progressive activities of Dr. Coleman," the communication states, "that it has occurred to us that he would be a splendid man for one of the officers of the West Texas Chamber of Commerce, in fact, we have frequently heard his name mentioned for first vice president during the past few weeks."

"If Colorado comes to the convention with a big delegation and does some concerted boosting for Dr. Coleman, we see no reason why Colorado can not have the honor of owning the next vice president of the largest commercial organization in the world."

Similar communications are being received from Chambers of Commerce and individuals from various parts of West Texas. Dr. Coleman has made no statement for publication as to the advances being made and it is not yet known whether he would permit for his name to be used on the convention floor as a candidate.

OPERATOR MOVING HERE FROM WICHITA FALLS

W. G. McClung and family, recently of Wichita Falls, arrived in Colorado Tuesday and will make their home in the city. McClung is drilling the Billingsby No. 1, 12 miles north from Colorado. He stated Wednesday morning that he was experiencing difficulty in obtaining a house for he and family. Their household articles arrived from Wichita Falls Monday.

LONGFELLOW BOYS IN CITY TO BUY PIGS AND CALVES

Saturday thirteen boys, forming the membership of the Longfellow Boys Pig and Baby Beef Club, came to Colorado to receive the pigs and calves purchased by them under direction of the county farm agent, W. A. Dulin. Those boys went to the banks and obtained loans for the money needed with which to make the purchases.

Saturday of this week Buford club will come to Colorado for the same purpose. Dulin stated Monday that one of the strongest clubs in the county was being organized in the Buford community and that from twenty to thirty boys were expected to be here Saturday as representatives of that club.

Clubs are being organized in the several rural districts of the county and all these boys are to be given financial assistance by the banks at Colorado to purchase a pig or a calf. The money is advanced to the boys on their individual notes, without interest and payable next fall.

Saturday afternoon, in company with Dulin, the Longfellow boys made a visit to the Colorado National and City National Banks to discuss with Messrs. Thomas and Stoneroad some of the advantages to be obtained by entering the club work. The boys, when the question was put at one of the banks, stated they had never borrowed money before.

Dulin stated Monday that the public was greatly indebted to the banks of the county for assistance in making a success of the campaign to organize these clubs. The banks are advancing loans to the boys to finance the undertaking and will advise them from time to time as to the best policies to adopt in becoming successful managers.

The pigs and calves, which are from pure bred stock, are for the present being supplied from Mitchell County breeders.

HICKMAN AND SPAULDING ARE INDUCTED INTO OFFICE

T. A. Hickman, city marshal, and R. L. Spaulding, alderman, were inducted into office Monday night by the City Council. Joe H. Smoot, re-elected on the aldermanic board Tuesday of last week, was not present at the Council meeting.

The Council will meet Friday in an adjourned session. L. A. Costin city secretary stated Tuesday.

MOTION PICTURE FILMS OF BARBECUE RECEIVED

Several hundred feet of motion picture film, showing scenes at the barbecue celebration at Westbrook Monday of last week were received Tuesday by the Colorado Chamber of Commerce. Chas. Taylor, manager of the Best Theatre, stated that the film would be run at his theatre as a part of the Saturday afternoon matinee.

WESTERN UNION BUSINESS SHOWS INCREASE 250 PER CENT.

A statement of business at the local Western Union office showing a comparison of business handled during March, 1922, as compared with the same month last year, shows an increase in the volume of messages handled of 250 per cent. The increased business was handled at a smaller expense to the company, the report showed.

CITY IMPROVED STREETS IN RESIDENCE SECTION

Several of the streets in the residence section of Colorado are being improved this week. Gravel is being hauled from the municipal pits to fill in holes and low places and the surface of the streets is being leveled with drags.

An order directing that this work be done was passed at the March meeting of the city council.

THREE QUALIFY AS J. P. BY FILING BONDS WITH COURT

The bonds filed by C. S. Thomas, justice of the peace at Colorado; J. E. Skelton, justice at Westbrook, and G. W. Sweatt, as justice at Iatan, were approved by Commissioners' Court Monday.

The bonds were filed to qualify appointments made by the court one month ago.

BRIGHT SPOT LIGHTS IN COALE SERMONS

Reference to Woodrow Wilson described him as the greatest statesman America or the world ever produced. Babies are being born in to the world every day half damned because of the sins of their daddies and mummies.

Nothing so demoralizes Christianity as prosperity. Mexia and other towns which were formerly noted for the piety of citizenship, are now recognized as notably debased since the oil boom came.

If the Christian people of Colorado do their duty during the revival, the entire city will be taken for Christ.

The woman who plays cards for prize or reward, costing money, is just as much a gambler as the man who secretes himself away at night and gambles for the hard cash.

Gambling, either by card playing, or otherwise, is a sin of the same proportions as highway robbery. The highwayman uses the cold steel to get the other fellow's money, and the card game is for the same purpose.

People who do not tithe are robbers in eye of God, and are just as guilty of sin as the person who robs the bank.

AMERICAN LEGION POST PLANS BUILDING NEW HUT

The joint meeting of the American Legion and Woman's Auxiliary to be held Thursday night, April 13, at the Legion club rooms promises to be one of the most interesting sessions of these organizations ever held. Thos. R. Smith, post commander stated Monday. Smith stated that plans for a proposed club building and recommendations for financing the structure would be presented before the meeting.

The auxiliary was in session Saturday afternoon and full co-operation is promised by the president, Mrs. J. G. Merritt. It was stated Monday that a tentative site for the proposed club building had already been secured. According to the plans, as technically agreed upon, the proposed building would contain three or four rooms to be used as executive offices, holding meetings, etc., in addition to a main auditorium.

Smith is urging that every former service man of the county, whether a member of the post or not, attend the meeting.

Misses Hettie Erwin and Eloise Pond and R. C. Newland will leave today for Albany to attend the Christian Endeavor convention, which is to be convened there Friday evening. The convention will close Sunday evening.

ANOTHER OPERATOR WILL DRILL IN MITCHELL FIELD

Chal Daniel, the third operator to enter the Mitchell county field during the past few days will develop the Le Sure tract, lying immediately south of Morrison Number Two. Daniels stated Thursday afternoon of last week that he had contracted with L. W. Sandusky, owner of the Le Sure lease, to develop the tract. The first well will be drilled one mile south and one half mile west from the Morrison. Rig materials are expected to arrive in Westbrook this week.

At the Zilpha Morrison No. 1, the Spaulding Drilling Company is shut down at 1700 feet awaiting arrival of casing, now in transit. Casing will be landed at the bottom of the well and drilling resumed.

The Crescent Drilling Company are experiencing a delay of a few days at Smith No. 1, pending arrival of a new stem from Breckenridge. The well is down 1640 feet and drilling will be resumed today or Saturday.

The Reno-Tex Company were drilling in gray lime at 3170 feet late Wednesday. Early in the week a small strata of black lime was penetrated after which the gray formation was drilled into.

The packer has been pulled and a pump installed at Morrison No. 2. M. E. Adams, field superintendent for the Underwriters Producing & Refining Company, stated Thursday that he expected to have the well under pump by today.

Rig materials for the first well to be drilled by Harry Riley on the Murphy tract have been hauled out from Westbrook.

Geo. A. Reese, president of the Colorado-Tex. Company, arrived Monday from Trinidad, Colo., and stated that drilling is to be resumed at Foster No. 2 at Iatan. Jno. Gale, a director in the company, accompanied Mr. Reese to Colorado.

ROBERT S. BRENNAND IS POSTMASTER AT COLORADO

Robert S. Brennand, Mitchell County stockman, is to be the next postmaster at Colorado, according to information received in Colorado Sunday from Washington. Ben Van Tuyl has been acting postmaster here since last July when the appointment of Jno. W. Persons expired.

Mr. Brennand stated Monday that he had received no official confirmation of his appointment but considered the information carried in the press naming him as the appointee here as being correct.

CONTESTS ANNOUNCED FOR SUNDAY SCHOOL PUPILS

All boys of the junior and intermediate departments of the Methodist Sunday school who remain for church each Sunday during the months of April and May are to be entertained by the superintendent, G. D. Foster, on a picnic at Seven Wells, Foster announced Sunday.

The pastor announced a similar contest, to include all the boys and girls of those departments. In entering these contests the boys have the opportunity of attending two picnics.

LORAINNE NEWS

Local and Personal News About Loraine and Vicinity.

—MISS PEARL TEMPLETON—

Miss Templeton is also authorized receive and receipt for all subscriptions for The Colorado Record and to transact all other business for the Whiskey Printing Company in Loraine and Vicinity. See her and take your County Paper.

Mr. and Mrs. S. M. Hallmark left Wednesday for Dallas where Mr. Hallmark will attend the Ginner's convention and Mrs. Hallmark will undergo medical treatment.

G. A. Hutchins and wife returned Saturday night from Merkel where they were called to see Mr. Hutchins' sister, Mrs. Effie Rider, who was quite ill. They report her condition much improved.

Otha Thompson was on the sick list the first of the week.

The Loraine base ball team went to Hermleigh Thursday afternoon where they played their first game of the season. The score was 7 to 3 in favor of Hermleigh. Saturday afternoon the Hermleigh boys came to Loraine and another game was played resulting in a score of 8 to 0 in favor of our boys.

L. W. Rhodes left Wednesday morning for a business trip to Waxahatchie.

Mrs. Frank Segar returned Monday from Brownfield where she was called last week to see her nephew, Roland Brown, who was seriously ill. Mrs. Segar reports his condition as unimproved.

Rev. S. H. Young, C. H. Manley, T. R. Bennett, J. M. Bruce, Roy Edwards and Frank Johnson attended the Methodist revival at Colorado Monday night.

Little Miss Alma Ritchey celebrated her seventh birthday anniversary with a party Saturday afternoon. Victrola music and games furnished amusement for the guests. The little honoree received lots of gifts. Cake and lemonade were served to about thirty of her play mates.

Mr. and Mrs. Herman Fulkerson of Colorado spent the week-end in the Oscar Jones home.

Mrs. Homer Richards is spending a few days in the W. M. Richards home south of town this week.

Miss Lelia Givens who has been doing stenographic work for L. W. Sandusky at Colorado is home for a weeks vacation.

News has been received of the marriage of Miss Florence Brown, formerly of Loraine and Mr. Frank Turner of Brownfield, Texas on Thursday April 6th.

Mr. and Mrs. T. R. Bennett and Mr. and Mrs. John Martin were Westbrook visitors Sunday.

Morgan Hall of Stanton is visiting his parents, Mr. and Mrs. M. F. Hall this week.

Mr. and Mrs. M. D. Cranfill visited Mr. and Mrs. Milo McNary at Westbrook Sunday.

Miss Odessa Smith of North Champion is spending the week with Miss Lois Coon and Jewell Spikes.

C. M. Black spent Sunday and Monday with Mrs. Black at the Carlsbad sanatorium.

Mrs. Paul Cooper of Colorado visited her sister, Mrs. Clyde Wilson from Saturday till Monday.

Mr. and Mrs. S. E. Brown spent Sunday at Abilene with their son Fred and daughter, Miss Viola who are attending the Christian college.

Misses Annie, Fanny and Opal Jarrett were Sweetwater visitors Tuesday.

Mrs. Boyd and Miss Grace Shook of Sweetwater were business visitors to Loraine Thursday.

C. M. Arbough of Sweetwater visited friends in Loraine Tuesday.

Mrs. Sallie Looby and daughter, Richard, went to Eastland Saturday morning to visit in the J. W. Fairbairn home.

Mrs. S. A. Farris and children of Sweetwater spent the week-end with Mrs. Farris' parents, Mr. and Mrs. S. M. Hallmark.

Rev. and Mrs. S. H. Young were Colorado visitors Tuesday. Mrs. Young was having dental work done over there.

Miss Leona Hart of Valley View spent the week end with her sister, Mrs. A. C. Caswell.

Rev. M. F. Richardson held his regular appointment at Potasi Sunday.

Mr. and Mrs. John Johnson and Mrs. Jim Johnson were Colorado visitors Tuesday.

Elmo Black visited his uncle, L. C. Green at Sweetwater Sunday.

Miss Lydia Jackson assisted in the rush at Reeder's Grocery Saturday.

J. M. Baker and W. S. Erwin left Monday night for Stamford to attend the Presbytery which convenes there this week.

Miss Alma Browning spent Saturday and Sunday with friends at Sweetwater.

T. R. Bennett purchased a new Maxwell car Tuesday.

Mrs. Davis who has been visiting in the L. C. Ward home north of town left Tuesday night for Hugo, Okla.

Miss Opal Jackson spent the week end in the Will Jackson home at Valley View.

Mesdames R. B. Pratt and J. F. Hargrove left Tuesday night for Hico to visit relatives.

Rev. A. L. Faw of Roby will fill his regular appointment at the Presbyterian church next Sunday. Everybody is invited to be present.

Grandmother Claxton, who lives South of town is seriously ill at this writing.

The little daughter of Mr. and Mrs. J. H. Owen was quite sick the first of the week.

The Lutherans of Loraine will observe Good Friday and Easter Sunday with special services. Good Friday will be fittingly observed by a service commemorating the vicarious atonement of Christ, who suffered and died that we might live. On Easter Sunday there will be double service, both services will be commemoration of the glorious resurrection of our Savior from the grave. The afternoon service begins at 3 o'clock. The public is heartily invited.

LONE STAR.

Though we have been having good rains it doesn't keep the sand from blowing. We had the worst sand storm Monday we had this spring.

Bro. S. H. Young failed to preach Sunday afternoon, so there were a few disappointed.

Most everyone from here went to the singing convention at Looney Sunday.

Mrs. J. W. Richburg and two of her children spent Sunday at Buford with her daughter, Eldie, who is teaching there.

Mr. Frank Brame is real sick with erysipelas. It was caused from striking a wire in his hand.

W. A. Jackson gave a singing Sunday night. There wasn't very many there so they didn't have much singing.

N. J. Richburg and wife, Carnie Groom and family and W. H. Long were guests in the home of Milton Hamilton and wife Sunday.

S. Y. Hamilton and wife, W. H. Harris and wife and C. C. Hamilton and family spent Sunday evening in the Frank Brame home.

Lillie Richburg invited a crowd to her home on Wednesday night. Victrola and piano music and forty two were enjoyed by all. Before the guests departed fruit and cake were served. A nice time reported by all.

Sanford Fraser and family spent Sunday at Champion visiting relatives there.

Grace Long spent Monday night with Helen Hamilton.

Alice and Lillian Richburg had as their dinner guests Sunday, Orbie Richburg, Evert Henderson, Lissie Porter, Una Sanders and Grace Long BLUE EYES.

W. J. Vaughan, first vice president of the Underwriters Producing & Refining Company, who is responsible for the development work which led to the discovery of the Mitchell County field, returned to New York a few days ago after six weeks in the field. Barbecue day at Westbrook saw William attired in true cowboy style astride a William S. Hart pinto and when last seen he was taking his meals standing up. But from the way he does things we'd take a small chance that the same Bill would make a good cowboy out of himself in record time.—Texas Oil World.

 IN MEMORIAM

FUNERAL OF S. T. SMITH.
 The funeral of Mr. S. T. Smith, who died suddenly at his home in South Colorado last Thursday morning, was held at the family residence last Friday afternoon, conducted by Rev. M. C. Bishop, pastor of the Baptist church, assisted by Rev. D. R. Hardison, pastor of the Christian church. The active pall bearers were: A. A. Dorn, Stoneham Beal, Jim Plaster, Max Thomas, R. N. Gary, and Lay Powell. The honorary pall bearers were: Dr. Coleman, J. C. Prude, F. M. Burns, Judge R. N. Looney, J. H. Gage and John T. Johnson of Sweetwater. Many were the floral offerings sent by old friends of other places as well as those here.

Samuel Thomas Smith, the eldest son of Capt. Jack Smith, was born in Milan County October 19, 1856. He grew to young manhood in that county and was married to Miss Annie Harrelson Leonard in Washington County February 1st, 1881. To this union five children were born four of whom are living. Jack Smith, Mrs. Charles Mann, Mrs.

Hunter Looney and Coleman Smith all of Colorado and all reached the home in a short time after receiving the news of their father's sudden death. The other daughter was Mrs. Will Singleton, who died less than a year ago.

Mr. and Mrs. Smith came to Colorado forty years ago where Mr. Smith was successfully engaged in the cattle business till the time of his death. In the early days of Colorado he has driven his cattle with other pioneer cattle men to the Kansas City market. He has seen life as a cattleman in all its phases and always interested in it. Just the day before his death he, with his sons, rode over his pastures looking after the cattle. While his death was sudden yet the evening before when he returned from his ride he seemed to be impressed with the uncertainties of life and talked of it to Mrs. Smith but saying he had trusted his life to His Savior and all was well and as the morning dawned he passed to his reward as a child goes to sleep in its mother's arms.

In the passing of Mr. Smith a pioneer cattleman and citizen has gone and many are the heartbeats of sympathy from those old timers left behind, for the grief stricken wife and sorrowing children

OUT BUFORD WAY.
 We take pleasure in correcting an impression we gained from one of the trustees concerning the certificates of our teachers, Miss Porter has the higher grade of the two, and both teachers are planning to attend the state normal at Denton this summer and they are to be commended for their efforts to better qualify themselves. Mr. Sam Curry informs us that all three teachers have already been offered their positions back for the next session of school.

You folks that could come and didn't sure missed something worth while last Saturday. The rain Friday night was "some'n awful" and the church yard was under water but a number of the folks came and after a splendid sermon by the P. E., Bro. Stewart, about the world revival that's coming soon, we fixed a long table and it was then just stacked with good things to eat, prepared by the good mothers and it being about 1:30 no one present failed to double duty. After dinner conference was held. Had as visitors Mr. and Mrs. W. H. Richardson with the pastor and his wife all from Dunn.

Just a good time again at Sunday school Sunday morning. 85 present and such an interesting lesson from 11 Kings about the Boy King Another good sermon at the eleven o'clock hour by the Presiding Elder The pastor and family and Bro. Stewart took Sunday dinner with Mr. and Mrs. M. C. Holt.

Singing Sunday night at Mr. Reese Dedford's Quite a few of our folks went to the East Side singing convention at Looney Sunday.

Oh yes sandy! But we are in luck compared with some part of Scurry county where they had a 5-inch rain that fell in such a short time washing the farms away almost, and many of the culverts and at least one steel bridge.

We found Billingsby No. 1, the oil well at Dunn down 600 feet, but temporarily shut down because of a lodged casing. Folks in Snyder are looking to Colorado to spread the oil field out till it shall include Scurry county.

Anyone that doesn't appreciate the good road that is being built for us is rather a knocker. The roadbed is being widened and the drainage ditches are put clear over against the fence and the outer edges of the roadbed are being reinforced with rock. We are informed by the foreman that it is the intention of the crew to go clear to the county line then come back and grade the new road recently created by the court east from Buford gin.

Preventative Medicine.
 The tendency of medical science is toward preventative measures. It is easier and better to prevent than to cure. Pneumonia, one of the most dangerous diseases that medical men have to contend with often follows a cold or attack of the grip. The cold prepares the system for the reception and development of the pneumonia germ. The longer the cold hangs on, the greater the danger. Take Chamberlain's Cough Remedy as soon as the first indication of a cold appears so as to get rid of it with the least possible delay. It is folly to risk an attack of pneumonia when this remedy may be obtained for a trifle.

"FROZEN SWEETS" DOESN'T ALWAYS MEAN CONFECTION

Max Elser, the genial and accommodating oil lease merchant, who maintains his home in Cisco, but most of whose oil interests lie in Mitchell county, is highly appreciative of a good joke, and in reading over yesterday's news concerning an arctic feast by the Abilene Chamber of Commerce, Mr. Elser said he was reminded of an incident which happened here during the recent cold spell.

"A bevy of chattering and shivering young ladies returning from a picture show passed through the lobby of a local hotel on the way to their rooms. One of the men in the lobby glanced up and remarked to the man in the next chair: 'Those ladies remind me of a new confection one of the candy houses is putting out—Frozen Sweets.'"—Cisco News.

SURE NUFF.

Ten thousand miles to one gallon of gas is to many miles but it's not too many miles for a Pennsylvania Vacuum Cup Casing and tube Womacks Garage has a good stock of them to sell.

C. E. CONVENTION TO BE HELD AT ALBANY THIS WEEK

What promises to be one of the best district Christian Endeavor Conventions West Texas has ever known is to be held at Albany on the 14th, 15th and 16th of April.

Extensive preparations are being made by the combined Endeavor Society forces in Albany to stage a convention that will be a credit to the Abilene District. Noted state speakers will be on the program during the three days, among which will be Dr. Burma, Waxahachie, and Mr. E. F. Huppertz, State Field Secretary for Christian Endeavor.

Preparations are being made in Albany to take care of one hundred or more guests. With that wholehearted hospitality of the West, Albany states that they will furnish all meals and lodging for every delegate that will attend.

The Convention will open Friday evening with a prayer and song service, followed by the principal address of the evening. "Trusting and Promising" which will be delivered by Rev. W. E. Hamilton, pastor of the Albany Methodist church. Saturday morning will be given over to district reports, quite hour, conferences and short addresses.

What promises to be one of the most enjoyable features of the convention will be the picnic, which will be held Saturday afternoon, the entire convention body motoring out to historic Fort Griffin.

Saturday evening and Sunday will furnish many good addresses and much special music, both vocal and instrumental. The new officers for the district will be elected during the convention and will be installed during the closing service Sunday evening.—Abilene Reporter.

The Road to Happiness.

You must keep well if you wish to be happy. When constipated take one or two of Chamberlain's Tablets immediately after supper. They cause a gentle movement of the bowels.

FOX HORN CAFE WILL OPEN SATURDAY MORNING

The Fox Horn Cafe will be opened for business Saturday morning, Harry Cress, proprietor, stated Tuesday. The Fox Horn is located in the old First State Bank building in the room recently vacated by the West Texas Garment Company.

Cress came to Colorado recently from Plainview. He is locating in Colorado, he states, because this city has a most brilliant future as the commercial center of the new oil field. In speaking of the Chamber of Commerce, Cress stated: "To be sure I am going to join

the Chamber of Commerce. I shall associate myself with every organization in the city that has for its purpose the bettering of Colorado. And you can count me in on your delegation to the West Texas Chamber of Commerce convention at Plainview," he concluded.

Before opening a cafe in Plainview two years ago, Cress was in the restaurant business at Sweetwater. The Pullman Cafe here was established by him.

RAINFALL FOR COLORADO FOR LAST EIGHTEEN YEARS.

This record is made from the Government Gauge, now in charge of, and accurately kept, by E. Keathley. He can give you any other information.

Table with columns for Year, Jan, Feb, Mar, Apr, May, Jun, Jul, Aug, Sep, Oct, Nov, Dec, Total. Rows for years 1904 through 1922.

COLORADO RECORD

Published in Colorado, Texas, at 119 Walnut street, one door south of the Postoffice, and entered as second class matter at the Postoffice under the act of Congress of March, 1879, by the WHIPKEY PRINTING COMPANY.

F. B. WHIPKEY, A. L. WHIPKEY, Editors and Proprietors. W. S. COOPER, Local and City Editor.

SUBSCRIPTION RATES: One Year (Out of County) \$2.00, One Year (In the County) \$1.50, Six Months (Straight) \$1.00, Four Months (Straight) \$0.75.

No want or classified ads taken over the phone. These are cash when inserted.

The county farm agent and the banks of Mitchell County are helping the boys of the rural districts help themselves in putting over the campaign to organize boys Pig Clubs in the various common school districts.

The Fourth Annual Convention of the West Texas Chamber of Commerce is to be convened at Plainview May 22-23. That is just a little more than one month off and Colorado should commence preparing now to send a strong delegation to the convention.

Following announcement Tuesday that the Colorado National Bank is to build a modern home on the site of their present banking house, it is expected that contracts for other brick and concrete business buildings will be announced soon.

The Colorado delegation to the West Texas Chamber of Commerce convention will, if the most plausible thing is done, be headed by the Colorado Booster Band. There is a wonderful opportunity before this city, but whether that opportunity is improved judiciously remains to be seen.

The Texas Oil World, one of the best oil journals published in the Southwest, carried six articles about the Mitchell County field in the Saturday edition. One of these articles, which was played up as the feature story on the front page was written by Frank E. Force, associate editor, who was here last week.

The volume of business at the local Western Union office became such that it was impossible for the patronizing public to receive the service to which they were entitled, because of the fact that the operator could not do the work of two. The local Chamber of Commerce and the manager of the Western Union office here appealed to the district manager at Dallas for relief, but no relief came.

Terry County and the South Plains are not the only sections of the State that are enjoying the pleasures of sandstorms this year. The editor had letters from two brothers last week, one in Fort Worth and the other in Johnson County, and both reported very bad sandstorms on the 9th. We had a small snow-storm on that date and rather high winds, but nothing to compare with the Sunday before that date.

Yes, they have sandstorms and dust storms, and floods and drought, and cyclones and many other things equally as bad if not worse than what we have in West Texas, but the people down in that country are not willing to believe it. They also

have boll worms and weevils, and mortgages and chiggers and ticks, and fleas and chills and a great many other things that we do not have, still they will continue to live in that country for fear the well starve to death out here, when as a matter of fact we have to ship them feed for their work animals and milk cows, and also send them money to educate their children, and their negroes' children, who never pretend to go to school. Come to West Texas folks, and get rid of a lot of those useless luxuries get down to living at home and enjoy life in true West Texas style.

The Enterprise is still standing pat in the belief which has been expressed almost every week for the past two or three years that Pecos is in the center of the greatest oil field in Texas. If it were possible to strengthen this belief the oil and gas found in the territory covering many miles in extent would suffice. The Enterprise has predicted the bringing in of a real gusher within thirty to sixty days for the past two years and confidently expected it to come true. He is still making the same predictions, but as a matter of fact he has long since learned that he cannot gamble too strong on what is going to occur in or to an oil well before the gusher is brought in. It is certain that not even the best of drillers can tell just what they will encounter or just how long it will take to go down a given depth. However this may be the editor is sure that some time in the near future the first real gusher will be brought in and thereafter the trouble will be ended and the gushers will be brought in as regularly and as rapidly as in the best of fields.—Pecos Enterprise.

The Record has been hard at work for more than a year to develop an oil field in Mitchell County. We now have it on the road and commenting on the same the Texas Oil World at Fort Worth says:

"A visit to Mitchell County, must convince the visitor that new great fields are in the making and that another few months will see forests of derricks where now but few rigs are at work. Each of these new fields have a period of cheap wildcat acreage prices always followed by a considerable increase when the discovery well is completed. Delays usually follow and during the period of doubt before the possible trend of production has been determined, acreage may still be secured at reasonable figures. A second well sends all close up stuff out of sight with coincident increases in outlying acreage and succeeding wells soon put acreage out of the reach of the ordinary individual. All wildcat wells indeed, do not mark new oil fields, for many are bound to be dusters, but the best legitimate lay in the world for a man's money at this time is in acreage in or near some of the new fields already marked by good discovery wells."

COLORADO AND WESTBROOK. Many Southwestern cities and towns seem to desire above all things an oil boom. Some of them don't seem to worry whether they get much of an oil field and are satisfied as long as the crowds come for a little while and the headlines get into all the oil publications. Usually each one of these booming towns is jealous of all other towns within a radius of fifty miles and publicity agents are employed to see that his particular spot occupies a more prominent place in the news columns all the time than any other in the vicinity. It is refreshing for one who must try at least to treat all of these places fairly and honestly, to visit Colorado and Westbrook in Mitchell County. What may become one of the great oil fields of the year is developing in that county ten miles west of Colorado and two and a half miles north of Westbrook. Colorado is a city of several thousand inhabitants, while Westbrook is just a mite of a town on the Texas & Pacific. Naturally as the field develops Colorado must remain the general headquarters and Westbrook appreciates this, while Colorado knows that just as surely as oil is produced in constantly increasing quantities Westbrook is bound to assume importance as a field headquarters and a shipping

point. It is from Westbrook that oil from the field is now being shipped and it was at this point that the entire countryside assembled recently in a spirit of good fellowship and co-operation to celebrate the first shipment of crude. Everybody in that country is out to help put Mitchell County on the oil map and the very fact that jealousy and petty intriguing does not exist is one reason why they are going to succeed. The other reason is found in the actual production and shipment of crude.—Texas Oil World.

Some of The Commandments. What would it mean to the world if the Commandments that apply in man's relation to his fellowman? Are these old but ever new teachings being kept today as they should be? Let us see some of the things that would happen if they were kept.

"Thou Shalt not kill." If this commandment was kept both in the letter and spirit the good and happiness it would bring could not be measured. But let us mention a few of them. Thou shalt not kill. There would not be any more wars, which leaves in its path sorrow, pestilence and famine, together with broken hearted widows and orphans. It would mean that the 80 per cent of our tax money used for the purpose of maintaining our armies, navies, etc., could be used to help the sorrowing, relieve the distressed, fight sin and disease and hasten the coming of Christ's Kingdom. We would have no use for prisons and houses of reform.

"Thou Shalt Not Commit Adultery." This would mean pure womanhood and manhood. No illegitimate children, very few divorces, less crime of all kinds. It would mean that every child born into the world would be of pure, healthy blood. Mothers would have no anxiety as to the safety of their boys and girls. All would have pure thoughts and clean minds.

"Thou Shalt Not Steal" would mean open houses for there would be no need for lock and key. Everyone would have confidence in the honesty of his neighbor.

"Thou Shalt not Bear False Witness Against Thy Neighbor." There would be no gossip, no backbiting, no scandal. We would love our neighbors as ourselves. There would be perfect understanding between man and man. Our motives always pure and unselfish. The aching, throbbing hearts of humanity would not be dying for a "little bit of love". The whole human family would go through life in peace and harmony; And all would get a foretaste of glory divine.

Let us live the Commandments, for they are as essential today as when given to Moses on Mt. Sinai and teach them to our children and children's children. M. C. J.

A male red bird, harbinger of spring, visited the Record man's home Sunday. It sang merrily, as if in his mind's eye he could see the delicious fruit that will appear soon upon the peach tree upon which he perched. The bird was a cardinal, brilliant red, with a top knot upon his head. He was a welcome visitor. As his musical notes trilled, one could look just a little bit ahead and smell the fragrance of new blown blossoms, hear the humming of the bees and watch the butterflies flit from flower to flower, sipping nectar from their hearts. It's a wonderful mystery, that bursting into life again after winter's cold and stormy blasts. Year after year the same delightful miracle is wrought again, which many of us take as a matter of little consequence to us. But it is full of significance. It has a deep and comforting meaning, for surely God with His wonderful power is just as able to resurrect human bodies from the cold and lifeless dust as He is to gather from the wind, the sun and the earth the fragrance of many blossoms, and the delicious fruit upon the branches of many trees. The red bird was a messenger from God singing of the resurrection.

FIRST CHRISTIAN CHURCH. Last Sunday was a good day at this church. The Bible school was away over the century mark and the interest above the average.

There was a good audience at the morning services with one addition to the church. Next Sunday will be Easter. We hope all the members will come to the morning services. No services at the evening hour on account of the revival at the Methodist church. D. R. Hardison.

Typewriters, office supplies and school supplies at Record office. Ever-sharp pencils and leads at Record office.

WESTBROOK ITEMS

Westbrook has had a little excitement the last day or two owing to the report of a good showing of oil in the Conway well but we were not able to learn just what they have there but we are still hopeful for this to make a good producer if not a gusher as some think it will be.

The rig and rig timbers for the well to be drilled on the Murphy section north and west of here about four miles is being hauled out. We have heard some of the oil men say that this is a very favorable location and they had every reason to think this would be a good well when drilled in.

We have been unable to learn when operation will begin on the section just west of Westbrook known as the Le Sure location. We would be glad to see this well going down in the near future. The farmers near this place are all very busy preparing their land and planting everybody seems to be wearing a smile now-a-days as there is a good season in the ground and prospects for a bumper crop are good and the possibility of an oil field makes things look good for Mitchell County in 1922. May every one have cause to be glad they came to Mitchell county.

Messrs Hayslip and Erwin have their garage near completion on Main street and will soon be ready to give the motorists the good service and courteous and fair treatment for which they are noted.

We are sorry to learn that Mr. R. S. McDonald, rig contractor for the Underwriters, had a derrick to blow down last Sunday night. However we understand he has this all up and will soon complete T. & P. No. 2 rig.

Mr. Spaulding informs us that owing to the fact that he has a broken on drill stem the Zilpha Morrison will be shut down for a few days. However he is in Breckenridge for the necessary parts for repairs.

Mr. and Mrs. W. R. King of Big Spring were business visitors in the oil city today.

Mrs. Lucile Riddle of Ft. Worth niece of E. P. Gussett, was here for a few days in interest of the Coeden Oil Co., and to visit relatives.

Rev. J. W. Griffin of Camp Spring is conducting a meeting at New Hope. Reports great interest being manifested in the meeting.

Mrs. R. D. Mullins of San Antonio was a business visitor in our city last Friday.

The Chamber of Commerce has called a special meeting for next Friday night for the purpose of re-organizing as well as to attend to other business at usual meeting hour at Mr. E. C. Danner's store.

Mr. E. B. McCallum left for Ft. Worth with Mr. C. N. Bond for the purpose of perfecting plans for drilling a well south of Westbrook.

Mr. C. G. Gressett left Ft. Worth to take up his duties with a ball team for this season.

Miss Georgia Lovett is visiting her mother this week.

Mr. A. W. Brooks lost a very valuable horse last night.

Mr. B. F. Davis lost a fine milk cow Tuesday night.

W. W. Wade reports that he has lost a fine cow.

Mrs. James Anderson of Iatan was a visitor to our city Wednesday and reports things looking good around Iatan. Also said that Foster No. 2 would resume drilling next Monday.

Roymond Davis and Clyde Dennis of Snyder were visitors here Wednesday and looking after business interests.

We are delighted to announce the completion of a toilet on each floor and hot and cold bath on the second floor of the Alamo Hotel. Our building is old but our beds and meals are A-1. Keathley and Wright.

City Ordinance Regulating Trash, Etc., on the Streets and Alleys.

Art. 44. It shall be unlawful for any person to place or cause or permit to be placed upon any street, sidewalk or alley, or upon any other property in this city not owned, occupied or used by him, except the dumping grounds designated by the City Council, and sweepings, trash, tins, iron articles, wire, bottles, broken glass, oil tanks or cans, boxes, barrels, rags, paper, rubbish or any filth of any character, and the finding of any such materials on a street, sidewalk, alley or vacant property adjacent to any premises owned, occupied or used by any person shall be prima facie evidence of the guilt of such person.

Art. 45. It shall be unlawful for any person owning, occupying or using premises in the city of Colo-

IT PAYS TO PAY CASH.

VETERAN OF CONFEDERACY DIES AT COLORADO HOME

Thomas J. Low, veteran of the Civil and Indian wars, died Wednesday morning at 12:20 o'clock at the Barcroft Hotel, following a lingering illness from heart trouble. Mr. Low was 85 years of age. The re- low was 85 years of age.

Following funeral services conducted Wednesday afternoon at 12:30 at the Barcroft parlors by Rev. C. L. Browning, pastor of the Methodist church, the remains were forwarded to Comanche Wednesday afternoon by J. H. Greene where they were buried Thursday in the family burial plot beside his wife, who died in 1906.

The remains were accompanied to Comanche by Mrs. E. A. Barcroft, daughter of the deceased, and Mrs. O. H. Majors, a granddaughter.

Born in Tennessee eighty-five years ago, Mr. Low moved with his parents to Missouri when a boy where he lived until 1884. In 1862 he was married to Miss Elizabeth Bagby. Two children, Mrs. E. A. Barcroft of Colorado and F. M. Low of Houston, survive.

At the outbreak of the Civil War, the deceased was among the first contingents to be mustered for service under the Confederacy. He saw service in Battery K, Second Regiment, Missouri Light Artillery and received two wounds in battle. One of these was in his right foot, which crippled him for life. The other was received in his hand.

In 1884 Mr. Low and family removed to Texas and settled at Meridian, Bosque County, living there a few months when they again moved to Iredell, in the same county. The family made their home at Iredell until 1890, when they moved to Comanche. It was at Comanche that Mrs. Low died in 1906 and four years afterwards, in 1910, the deceased came to Colorado to make his home with his daughter, Mrs. E. A. Barcroft.

Mr. Low had been in feeble health for several weeks, and some five or six weeks ago his condition became such that he was unable to leave his room.

When a child, Thomas J. Low was converted and became a member of the Methodist church, living a consistent Christian character during the many years thereafter of his life. Another champion of the Confederacy has gone to his reward.

Typewriters, office supplies and school supplies at Record office.

Contract for Gravel Road to be Let PECOS, Texas, April 10.—Contract for the construction of a gravel road over what is known as the Monahan sands on the Bankhead Highway will be let Wednesday, April 12. One hundred thousand dollars is available for this work, and it is generally believed that this sum will prove to be sufficient to extend the area to be improved from Monahans to beyond Pyote.

This section of the Bankhead Highway has given heavily loaded tourists cars considerable difficulty, and the majority of the travel has been diverted over a southern detour to Pecos by way of Grand Falls. The Monahan sands are the worst stretch on the Bankhead between Fort Worth and California with the possible exception of the desert sand in Arizona and around Needles California.

Division engineer D. E. H. Manigault, of the state highway department was in Pecos this week inspecting the other road work being carried on in this section. Heavy rains early in the week in the western part of Reeves county have proved helpful to the contractors on the Bankhead Highway, about eight miles of gravel road having been completed, and the rains have aided the workers in tamping down the road.

Forty miles of roadway are in this stretch. The work is being done on a newly surveyed route, and does not interfere except in a few places with travel. In all these instances a new road has been laid out for use by travelers until the graded road is completed.

Mr. Manigault is hopeful that further state aid can be secured for Ward County to construct a graded road over a six mile stretch from Barstow to the Pecos river, and he will present this matter to the highway commission as soon as the Pecos district makes arrangements with the commission for the construction of a ten mile stretch between the Pecos river and Toyah. Six miles of this route leading through Pecos is now graded. One hundred thousand dollars have been voted by the Pecos district for the construction of this road.

F. B. WHIPKEY, Editor Sworn to and subscribed before me this 30th day of March, 1922.

J. C. PRITCHETT, Notary Public in and for Mitchell County, Texas. My Commission May 31, 1922.

"ROSCOE FLAT" SECTION OF HIGHWAY IMPROVED

That section of the Bankhead Highway across "Roscoe Flat" in Nolan County has been considerably improved recently, according to tourists passing through Colorado. The road bed has been graded and dragged since the rains of last week.

Heretofore following heavy rains the road in the vicinity of Roscoe has been almost impassable because of mud holes.

COLORADO KU KLUX KLAN ORGANIZED, SAYS BULLETIN

"The Ku Klux is organized at Colorado," a notation on the bulletin board of the City National Oil Exchange stated Monday morning. W. W. Jeffress, a member of the exchange, stated he had no information as to who made the notation on the board.

It is believed that the notation was the work of some one intending it as a joke and that in fact no organization of the robed knights exists at Colorado.

SIX REGISTER FOR COUNTY EXAMINATION FOR TEACHERS

There were six to register at Colorado Friday for the examinations held at the court house under direction of S. C. Harris of Lorraine for teacher's certificates. Most of these applicants took the examination required for either first grade or permanent certificates to teach.

Those taking the examination were P. L. Ferguson, Miss Winnie Vaughan, Miss Orlean Cary, Mrs. S. C. Harris, B. H. Marable and Miss Lelia Pierce.

4.10 INCHES RAIN FALLS AT COLORADO LAST WEEK

Eighty hundredths of an inch rainfall was registered at Colorado Friday night by the local government bureau, placing the total for the week previous 4.10 inches. The rain Friday night was accompanied by a severe windstorm and some hail. Slight damage to property at Colorado and vicinity is reported.

Call me for good coal oil, in fifty gallon lots or less.—J. A. Sadler.

For Oil Well Supplies see Colorado Supply Co., phone 280.

NEW COURT HOUSE HERE FAVORED BY OFFICERS

That Mitchell County is sorely in need of a new court was expressed Tuesday by County Judge J. C. Hall and the members of Commissioners' Court in session here. The court is unanimous in expressing the demand that a new court house should be built at Colorado.

"The court is facing the inevitable of either co-operating with the public in building a new court house or making extensive repairs to the present building," Judge Hall stated. "In the latter case, the county would not have much court house, even though considerable money be expended for repairs, as the old building is in bad condition. In many places the walls are cracked and even the foundation is giving away in some places."

U. D. Wulfjen, commissioner of the Colorado precinct, stated that he had realized the need for a new court house for many years, but had waited until the bonds issued for building the present building had been redeemed. The old court house is now practically paid for, Mr. Wulfjen said.

RURAL MAIL CARRIER ENCOUNTERS YOUNG TWISTER

Monday morning Alvin Myhre, carrier on Route No. 1, extending north from Colorado, encountered a whirl wind while driving his car over the road that almost demolished the top of the machine. Myhre stopped his car until the young twister had passed and soon after reached the next box on his route. Before leaving Colorado he had noticed a package for this particular box, but he now found that it was missing.

He turned around and retraced the route for a distance of eight miles, looking for the lost package, but the package was not found. Giving it up as lost, he turned north again and just as he drove up to the spot where the whirl wind had passed, the package was noticed hanging from a tree top nearby.

The wind had picked the package up from the bottom of the car, carried it several feet away into the tree by the road side.

Statement of the Ownership, Management, Circulation, Etc., Required by Act of Congress August 24, 1912.

Of The Colorado Record published weekly at Colorado, Texas, for April 1, 1922:

STATE OF TEXAS County of Mitchell,

Before me, a Notary Public in and for the State and County aforesaid, personally appeared F. B. Whipkey, who, having been duly sworn according to law, deposes and says that he is the Editor of the Colorado Record and that the following is to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of Congress of August 24, 1912, embodied in section 443, Postal Laws and Regulations printed on the reverse of this form to wit:

1. That the names and addresses of the publishers, editor, managing editor, and business managers are: Publisher, Whipkey Printing Co., Colorado, Texas. Editor, F. B. Whipkey, Colorado, Texas.

Managing Editor, W. S. Cooper, Colorado, Texas.

2. That the owners are: F. B. Whipkey, Colorado, Texas. A. L. Whipkey, Colorado, Texas.

Why the \$10.90 USCO is better than just a \$10.00 tire

ON November 10, 1921, the 30 x 3 1/2 "USCO" was marked to sell for \$10.90.

This odd and closely figured price was the lowest quotation ever made on any tire of known standards.

A genuine pioneering step by the makers of U. S. Tires.

Now comes a lot of different \$10.90 tires being rushed into the market. "Special" tires. "New" treads.

Unfamiliar to look at—with perhaps an atmosphere of having been made to meet the price.

But the "USCO" still occupies a place by itself. A good old

standby on millions of cars for years. Better than it ever was.

Still putting the emphasis on honest quality, even if it does sell for only ten dollars and ninety cents.

The \$10.90 tire with the record of a proven product.

The tire that people still buy for the dignity of its quality regardless of the low amount they pay.

IN SOCIETY AND AT THE CLUBS

Hesperian.
The Hesperian met with Mrs. Sadler. Mrs. Sam Majors led the lesson in Kenilworth. The roll call was current events. The report to be given the district meeting in Ranger was read by Mrs. Sadler, who represents the club there. At the social hour the hostess served creamed chicken in patty cases, hot butter biscuits, grape jelly, tomato and lettuce salad, little cakes and iced tea. The meeting this week is with Mrs. Lee Jones.

House Warming.
Besides the linen shower given by the Episcopal ladies last week for Mrs. Maud Scott in her new house, other friends gave nice and serviceable things, among the many were

draperies for the windows and a nice new bed. All of them were highly appreciated. This was just a little token of her friends for faithful and uncomplaining service rendered the public. Mrs. Scott has been night operator at the telephone exchange for years and is ready at all hours of the night to give any information in her power. No one has any but words of praise for her faithful service and like all deserving people her heart overflows with gratitude for these expressions of love from her friends.

Bayview.
The Bayview had no meeting last week on account of sorrow in the family of one of the members but will meet with Mrs. J. H. Greene this week.

Standard.
The Standard met with Mrs. Riordan. Mrs. Smith led the lesson in In Memoriam and Mrs. Snyder in

Civics. Mrs. J. E. Hooper of Abilene and Mrs. W. R. Smith of El Paso, former members, were guests. The hostess served a luncheon at the social hour. The meeting this week is with Mrs. Sherwin.

No. U. D. C. Meeting.
On account of the series of meetings going on at the Methodist church there will be no meeting of the U. D. C. Chapter this month. The regular meeting will be held next month. Program will be announced later.

Central Circle.
The Central Circle of the Methodist church met with Mrs. Boyd Dozier Monday afternoon. Besides the routine business plans were made for the prayer meetings during the meeting. Mrs. Merritt gave

an interesting report of her visit to San Antonio and the Woman's Council which she attended there. The hostess served a salad course and coffee. The next meeting is with Mrs. Jim Dobbs.

1921 Study
The 1921 Study met with Miss Baker at Mrs. T. J. Ratliff's. The lesson was on Salt Lake City and Denver, led by Mrs. Tom Pritchett. Papers were given by Mrs. Soper, Miss Ewell Gary, Mrs. Stewart Cooper, Miss Mabel Smith and Mrs. Pritchett. Miss Saleny was a guest. The hostess served Osgood pie a la mode. The meeting this week is with Mrs. Claud Hooks at Mrs. Buchanan's.

Will Serve Lunch.
At the meeting of the Baptist women Monday it was decided to serve lunch in the Sunday school rooms on Saturday of the 5th Sunday meeting. Mrs. F. B. Whipkey was appointed chairman of this. Let the Baptist women see her about what to prepare. Miss Coral Bishop was elected as representative to the district meeting in Abilene, which was held Wednesday.

Allathean Meeting.
The Allathean class of the Baptist Sunday school held the monthly meeting with Mrs. Seals last Thursday. The meeting of this organized class grows in interest and usefulness each month. The Bible study for the present is the book of Mark and was led by Mrs. M. C. Ratliff. The next meeting will be with Mrs. D. L. Buchanan. The hostess served pie, sandwiches and tea.

Forty-Two Clubs.
The two Forty-Two Clubs had a joint meeting Wednesday at the home of Mrs. Harry Landers. Mrs. Slagel being hostess for the Merry Wives and Mrs. Landers for the Harmony. The score cards were hand painted rabbits and the favors were wee chickens. The guests were Mesdames Y. D. McMurry, F. E. McKinzie, Prather, Bert Robertson Mrs. Tom Stoneroad and Miss Mamie Robertson. Ice cream and cake were served. There will be no meeting next week of either club on account of the meeting.

Mission Club.

The Presbyterian Mission Club met with the Misses Riordan Thursday afternoon. Mrs. Jerold Riordan conducted Bible lesson in Genesis and Mrs. A. H. Dolman led the Foreign Mission lesson on Africa. There was a good crowd present and the program was interesting to all. The guests present for the program were: Mrs. W. C. Reese, Mrs. Bert and Mrs. Lillias of Abilene, Mrs. Joe H. Smoot and Miss Adams of Buckholts. The hostesses served a chill lunch.

GETTING YOUR MONEY'S WORTH AND THEN SOME

That's what you get at the Womack Garage. No matter how badly your motor is wheezing we have the experience as well as the ambition to put it back on a running basis, and we always do what we start to do. Our business is auto repairing—we sell gasoline and accessories. We have pleased everyone else, perhaps you had better try us. Phone 162. Hart Brothers Garage.

LET ME DO YOUR PLUMBING

I want to install your bath room fixtures and do your plumbing of all kinds. Am ready at all times to give you estimates on any kind of plumbing. Phone me at R. B. Terrell's and I'll be on the job in fifteen minutes.

J. C. McClarty.

PROGRAM FOR CELEBRATION OF SAN JACINTO DAY

The following program for San Jacinto Day, April 21, is respectfully submitted by the Bell County Daughters of the Republic of Texas and the Women's Centennial Movement, with the request that some school, patriotic or other society shall arrange for its presentation, or that of a similar program in each city, town and school district in the state:

Song—"Texas, My Texas."
Tribute to Austin and other Texas Pioneers.

Reading—"Travis' Last Address. Heroes of Goliad, Alamo, and San Jacinto.

Song—"Lone Star Flag of Texas" Days of the Republic

Reading—A tribute.
Address—"Texas of Today."
Song—"No Red Without the White and Blue."

Caught With The Goods.

W. L. Doss was caught with a big stock of talking machines on hand that must be sold regardless of prices or cost.

Real Estate.

We are in touch with parties wishing to buy royalties in Mitchell County, also have buyers for oil leases, city property and farm lands. If you have anything to sell see us. HART-COSTIN REALTY CO.

PROGRAM FOR LEAGUE MEET AT CANYON

CANYON, Texas, April 10.—Judging from reports made by Normal instructors who have been helping in the County meets over West Texas and judging from the records made in many of the county meets, the district meet in Canyon April 21-22 is expected to be the best that has ever been staged in the Panhandle before.

Many schools have already entered for the various events, and large numbers of others are expected to enter in the next few days according to the Director General of the meet.

The following is the program for the Interscholastic League meet:

Friday morning registration and payment of fees.

2:00 p. m.—Volley ball preliminaries.

2:30 p. m.—Tennis preliminaries.

3:00 p. m.—Preliminaries, 100 yd 200 yard, 440 yard dashes, half if necessary. Jumps, if necessary on account of number entering.

2:00 p. m.—Preliminaries for Senior girls debate.

3:30—Preliminaries for Junior boys declamation.

7:30—Finals for junior girls and boys declamation and senior girls debate.

Saturday morning—Finals in Tennis, volley ball and track and field events.

Saturday afternoon will be literary program including declamation debates, etc for all the divisions entered.

Indigestion and Constipation.
"Prior to using Chamberlain's Tablets, I suffered dreadfully from indigestion. Nothing I ate agreed with me and I lost flesh and ran down in health. Chamberlain's Tablets strengthened my digestion and cured me of constipation," writes Mrs. George Strop, Solvay, N. Y.

Get First Hand FACTS About Your Battery

Batteries will wear out—nobody can stop that, but in a good many cases the embarrassment would be less if the owner knew his battery had "one foot in the grave," and was apt to die any time. When anything like that happens we feel that we have failed in our effort to get your car and tell you the facts—the condition of your battery. One of our most important duties is to tell you—whether you own a Willard Threaded Rubber Battery or not—just how that battery stacks up.

Come in. WINN & PIDGEON

"Come on, Alice, you know Mother said we are going to have Kellogg's Corn Flakes for lunch. And that's the kind I like to eat about a whole box of, because they ain't tough to eat! Come on and hurry up!"

Kellogg's Corn Flakes are a taste-thrill at meals or any time

That's because Kellogg's Corn Flakes are so deliciously flavored—the Kellogg flavor that is known all over the civilized world! You, as well as the little folks, can eat great bowlfuls of Kellogg's Corn Flakes day after day—and each sunny-brown, crispy, crunchy spoonful thrills the taste as though it was the first!

Put Kellogg's in comparison with imitation corn flakes! Kellogg's Corn Flakes are never tough or leathery or hard to eat! They are all-the-time crisp, all-the-time good! Don't miss such enjoyment!

Insist upon Kellogg's in the RED and GREEN package that bears the signature of W. K. Kellogg, originator of Corn Flakes! NONE ARE GENUINE WITHOUT IT!

Don't forget, KELLOGG'S Corn Flakes are made by the folks who gave you the JUNGLE-LAND Moving Pictures. Coupon inside every package of KELLOGG'S Corn Flakes explains how you can obtain another copy of JUNGLE-LAND.

Kellogg's CORN FLAKES

Also makers of KELLOGG'S KRUMBLES and KELLOGG'S BRAN, cooked and krumbled

TEXAS PUBLIC SCHOOLS FACING BAD CONDITIONS

Texas public schools are facing for the next session a crisis which will materially affect their efficiency. This relates both to buildings to house the children and to funds to maintain the schools.

As regards buildings, reports from all parts of the state show that the scholastic population has increased more rapidly than have the accommodations for the children. In many districts rented rooms and portable buildings are being used. Schools in all parts of the State have grades in which two shifts of children per day are being taught. This is very vividly brought home to us here on account of the congested conditions existing in the Colorado buildings at this time.

As to funds for state support, the prospects are that for next session we shall have a material reduction. In 1920 the state per capita appropriation for the schools was \$14.50, which was nearly double the amount of the preceding year, namely \$8.50. It is well to see how this increase came about. The available school fund is derived from several sources: (1) The interest on the permanent school fund, amounting to approximately \$3,500,000 per year; (2) one dollar out of every State poll tax; (3) one-fourth of all the occupation taxes; (4) the proceeds of a thirty-five cent tax for the support of the schools and the purchase of free text books.

The country schools of Texas are the weakest part of our school system. As a whole, we now have as good city schools as any state in the Union, but two-thirds of our children are in the country schools. Texas ranks thirty-fourth in education, having advanced five points in the past two years. It holds this low rank because it is the greatest agricultural state in the Union, and we have never provided adequate school facilities for two-thirds of our children, namely those in the country schools. We had last year an average term of seven months for the country schools, and this was the longest average country school term in the history of the state. This is a very deplorable circumstance, and if the people of the state think no more of their rural districts than this, something should be done to open up their eyes. It is true that through the grants of the special state aid to the rural schools, great improvements have been wrought. Modern, sanitary buildings have taken the place of untimely huts; good playground apparatus installed; libraries have been bought and laboratories and workshops arranged; and inducements have been held out to rural teachers to improve their qualifications and remain in the country schools. If we cannot secure and maintain competent instructors for these schools it is our fault and our loss, and an almost irreparable loss. The appropriation for this rural school has been materially reduced, and by this reduction a little heavier load is going to have to be carried by the country, but—if a thing is worth doing at all, it is worth doing well.

To The Citizenship of Mitchell County.

I have been asked: "What will you give me to vote for you?" Others say, "I'll vote for the highest bidder, there's two votes in my family." And my answer is this: I offer to the citizenship of Mitchell County genuine expert service. I want to be Tax Assessor of Mitchell County because I know that I can fill the office as it should be filled; the work is not new to me, I can do it. I made all tax rolls for Mitchell County, and the independent school districts for the year 1921 and I made approximately half of the Nolan County tax rolls. The tax rolls are important, but there are many other things to be considered—taxation affects the title to your property, an inefficient tax assessor would cause you trouble and expense in the years to come. I can improve the efficiency of the office, improvements that will last for years. 7-28c

L. B. ELLIOTT.

CITIES CANNOT FORCE PAYMENT OF POLL TAXES

AUSTIN, April 10.—Cities and towns in Texas have no legal authority to impose a poll tax on their citizens as a prerequisite to voting in any city election held the Attorney General's Department in an opinion to the county attorney of Mason county.

There is a law on the statute books, it was pointed out in the opinion, that authorizes and empowers cities and towns to impose such a poll tax on all "male" citizens. When the Legislature passed the woman suffrage act the law-makers failed to amend the law so as to include women. This omission meant that only male citizens could be required to pay such city poll tax. The Attorney General's Department held that to allow the male citizens to be so taxed and not the female would be a discrimination against the male, hence the ruling that none can be required to pay a city poll tax as a prerequisite to voting.

Means Return Poll Tax.
According to this ruling, several dollars of tax for 1921 that was collected by cities in Texas will have to be returned to the tax payer. This will effect practically every incorporated town in the State. The ruling was made on application from city authorities at Killeen, Texas, who sought to ascertain if women could vote without possession of a city poll tax receipt.

The Attorney General's office has ruled that women were not subject to city poll taxes unless the charter of the city provided for same, and where the charter provided for payment by males only, same was void and discriminatory. The ruling held that unless a city's charter had been amended in accordance with the home rule act to apply to both sexes, neither was liable for the tax. Under this ruling quite a large sum will have to be refunded to the tax payers.

WE DO AUTOMOBILE BODY WORK—ADAMS MOTOR CAR CO. SWEETWATER.

COLORADO NOT ALONE.
BRECKENRIDGE, April 10.—This section of Central West Texas today is being swept by the most severe sand storm of the year. The dust darkened houses and business is almost suspended. Chickens went to roost. It follows closely on Saturday's tornadoes and heavy rain storm.

WICHITA FALLS, April 10.—One of the worst dust storms in the history of the city is raging here today, the wind blowing at a high velocity. One-tenth of an inch of rain fell last night over this section.

DENISON, April 10.—Clouds of dust hung in the sky over the city this afternoon, all but obscuring the sun. A fine silt dropped from the dust clouds. It is believed that the dust storms raging in West Texas have driven the dust clouds this far northeast.

Abilene was the worst ever in its history business almost suspended. At Big Spring the sand storm can not be described.

McClarty is the best plumber Colorado has and his prices are reasonable. Phone him at R. B. Tereis for any kind of plumbing work.

Marcus and Hiram Snyder, kings of the range in West Texas, have seen many cattle seasons come and go, and the one to come is bound to be listed among the best. They are also taking quite a little fancy to the oil development in Mitchell County, for some sections of their large holdings, at least, seem certain to become largely productive.—Tex. Oil World.

Our well drilling rig is now here and we are at work. This machine is of the latest type, a double arm spudder and will do the work. We will drill you a well to any depth up to 500 feet. For any well work see L. L. Dorn or W. C. Morrow. Phone 11.

For Oil Well Supplies see Colorado Supply Co., phone 280.

Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

Theford's BLACK-DRAUGHT

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which griped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive."

Get a package from your druggist today—Ask for and insist upon Theford's—the only genuine.
