\$60,000 SCHOOL BONDS TO BE VOTED UPON TUESDAY

But small opposition is developing to the proposed \$60,000 bond issue, to be voted upon Tuesday of next week at Colorado for the purpose of constructing a new Grammar school building here. Those who are leading in the campaign to carry the bonds state that the reason small opposition is being met is because of the fact that the general public realizes that some provisions must be made for relieving the congested condition in the schools.

The proposed bonds are to bear interest at the rate of six per cent, payable semi-annually. The bonds are to be serials, in denominations of \$1,500 each, the first to mature one year following the election and the subsequent bonds maturing annually until 1922, when the last of the issue shall have matured.

Plans as recommended by a citizens committee and approved by citizens of the district in mass meeting, call for the tearing down of the present Grammar school building and erection of a modern fire-proof fourteen room building on the site. It was decided to recommend that the old building be torn down only after that architects employed to inspect the building had condemned it as being a veritable fire trap. There are six rooms in the building and stoves from these are connected by long flues to the one chimney. It was estimated that at least five thousand dollars would be required with which to make repairs to this building.

The proposed bonds also provide for a fund with which to make repairs to the High school building and install needed additional equipment there. The proposed new building is to be modernly equipped and steam heated.

On the day following order calling for the election, a representative of George L. Simpson & Company, Dallas bond brokers, met with the school board and contracted to purchase the proposed bonds at par, the purchaser bearing the expense of having the bonds printed and approved by a bonding attorney. This contract, which was accepted by the school board, was made on condition of course, that the bonds be adopted in the election Tuesday.

The election will be held at the city hall and Y. D. McMurry, Jack Smith and J. C. Hooker were named as judges in charge of the election. The petition asking for the election was signed by 127 property tax voters of the Colorado Independent district.

Enrollment in the Colorado schools during the past year reached 875 and E. Frank King, superintendent of the schools, is of the belief that one thousand pupils will be enrolled early in the session of next year. During the past year 250 children attended school only part time because there was not sufficient room for them in the two buildings owned by the district.

COUNTY ATTORNEY FILES DELINQUENT TAX SUITS

Scores of suits to recover delinquent taxes on realty property in Mitchell County are being filed by the county attorney. Much of the delinquent property is represented in Westbrook town property.

DISTRICT SUPERVISOR TO VISIT COLORADO JUNE 21

Miss Helen Swift, district supervisor of the home demonstration work, Extension Department, A. & M. College, will be in Colorado Wednesday, June 21, for a demonstration here, according to information received Monday by the Chamber of Commerce.

Miss Swift is visiting Mitchell County at the request of the Colorado Civic League and the Chamber of Commerce and will take up with Commissioners' Court the matter of employing a demonstrator for this county. The Civic League has circulated petitions among the women of the county, requesting that the commissioners act favorably upon the request of the district supervisor that the services of a home demonstrator be furnished the women and girls of the county.

In discussing the matter recently with a representative of the Chamber of Commerce County Judge J. C. Hall expressed himself favorably, stating that he realized the need for a demonstrator. As to what action members of the court would take, however, he did not know.

Commissioners' Court will be convened in an adjourned session at one o'clock Wednesday afternoon, on the date Miss Swift is to be here, for the purpose of discussing with the supervisor and representatives of the Civic League the practicability of employing the proposed demonstrator. That such would be done was agreed Monday morning at the request of a representative of the Chamber of Commerce.

COUNTY IMPROVING ROAD WEST FROM COLORADO

The county road crew left Colorado Monday morning for Iatan where work of improving the highway from the Howard-Mitchell boundary was begun. The road from the county line into Colorado is to be worked and placed in good condition.

In some places the highway across the western half of the county had become in bad condition. Officials of the Booster Club and Chamber of Commerce requested that the highway in that part of the county be improved, since considerable complaint was being registered on account of damaged condition of the road.

ENGINEERS TO MEET WITH CITY COUNCIL TUESDAY

Engineers who have applied for appointment to represent the city in superintending construction of the Lone Wolf Creek dam, the sewer system and water extension have been notified to meet with the city council Tuesday night of next week, at which time it is planned to employ an engineer.

Mayor A. J. Coe stated Tuesday that nothing definite was done by the council at a meeting held Monday night toward the employment of an engineer. When the engineer is employed and plans and specifications of the three projects are approved, the council will advertise for construction bids.

The plans and specifications from which an estimate of the cost of the three projects was determined in calling the bond election were furnished the city by Myers & Noyse, consulting engineers of Dallas.

COLORADO BOOSTER CLUB PLANS ENTHUSIASTIC MEET

Plans are being made to entertain not less than two hundred boosters at the Booster Club banquet Monday evening of next week. The banquet will be held in the Ford Agency display rooms, on West Second street, where meetings of the club have been held recently. Reservations are being taken by the Secretary but for the convenience of the public these may be placed with any officer of the Booster Club.

The usual price of one dollar per plate for each reservation will be charged, it was announced Wednesday morning following adjournment of an executive meeting of the board of directors, convened by the president at the Chamber of Commerce. Each reservation, however, will entitle the holder to bring his wife or lady friend with him to the meeting. That the ladies be especially invited to attend the meeting was outlined in an official invitation passed by the directors Wednesday.

At the meeting Wednesday the ministers of Colorado were again extended the invitation to become active members of the Booster Club without payment of dues. This policy has been followed since the club was organized more than a year ago and the ministers of the city have cooperated most liberally in carrying out programs originated by the club. At the banquet Monday night plans as affecting the future activities of the Booster Club are to be worked out. Efforts will be made by the officers of the organization to extend the membership to include every citizen of Colorado and vicinity, placing the total at from one hundred and fifty to two hundred.

In addition to the refreshments to be served Monday evening, concert music will be rendered by the Booster Band, which, like the Booster Club, is one of the best in West Texas. J. Lee Jones, director of the band, has promised something unusual in the way of concert music Monday night.

Hon. W. P. Leslie, district judge, Col. C. M. Adams and Rev. M. C. Bishop, pastor of the First Baptist church, are expected to deliver addresses before the meeting. Another special feature will be in a reading to be given by Miss Cook.

The meeting will be called to order at 8:30 o'clock by the president, J. H. Greene. Recently in discussing the Booster Club, Mr. Greene stated that he would do everything possible within his power to make of the organization one of the best luncheon clubs in this part of the State. He wishes that every citizen take an interest in the club and attend the meetings, which are to be held regularly each month.

HUNDREDS OF VISITORS IN COLORADO EVERY DAY

Wednesday afternoon at three o'clock a total of sixty seven automobiles were counted parked along Second street between Oak and Elm streets, a distance of two city blocks. Scores of others were parked beyond those points and along the "side streets" of the business district. The major number of those cars were owned by visitors who had driven to Colorado from various parts of the county, the most of whom were attracted here because of the oil outlook.

Saturday is always a big day for Colorado in the way of visitors. The streets are crowded throughout the day and from two hundred to three hundred automobiles may be counted parked along the streets. On these days much of the crowd is shoppers coming to Colorado from its extensive territory for supplies. That business in all lines is good is attested by the business men of the city.

BIG SPRING ENTERTAINS OIL MEN AT BANQUET

Twenty-five members of the local oil fraternity were special guests at a banquet Friday evening of last week at Big Spring, given by the Big Spring Chamber of Commerce. The visitors report that an excellent chicken dinner was served and that swimming and dancing were features of the entertainment program.

A delegation from Big Spring visited Colorado Thursday night and extended the invitation.

CHRISTIAN REVIVAL WILL CLOSE SUNDAY, IS REPORT

The revival campaign being conducted by Rev. D. R. Hardison, pastor of the First Christian church at Union Tabernacle, will be closed with the services Sunday evening. Rev. Mr. Hardison stated Tuesday. The pastor expressed his appreciation for the good attendance and cooperation at the services already held.

On account of illness of the pastor, who during the past several days has been almost physically unable to preach at all, the morning services during this week were suspended. Rev. Mr. Hardison stated Thursday morning that he was improving, but would attempt to hold no service either Friday or Saturday morning.

The services Sunday evening were one of the best during the entire campaign. A special musical program, both instrumental and vocal, featured in the evening worship. In the special song service were two quartets, one of which was rendered by the Goodwin Quartet of Fairview and a duet, by Miss Tommie Smith and Ezra Jacks.

During the closing services of the revival special efforts are to be made to reach the unsaved and render a service for the good of every church in the city. Rev. Mr. Hardison stated in commenting upon the campaign. "We seek to do good to all, with no harm to any one," the pastor said.

Sunday morning at 11 o'clock and at the closing service, Sunday evening at 8:15, special song services are to be rendered. The committee arranging this part of the program will probably announce definitely just what these numbers are to be not later than Friday. Services are being held twice daily, at 10 a. m. and 8:15 p. m. No morning services have been held on Mondays and Saturdays and these services are held at 11 o'clock Sundays.

Brother Hardison hopes to make the two closing services of the revival a real climax for the advancement of God's Kingdom and he and his congregation are earnestly asking full co-operation from all the churches of the city to the end of accomplishing that desire.

NEW ROAD GRADER FOR MITCHELL COUNTY RECEIVED

The new 10-foot Russell Standard road grader, purchased a few weeks ago by Commissioners' Court, was received Monday and has been assigned to the western end of the county. The machine is being used this week in work on the highway between Colorado and Iatan.

FINGER PRINT SYSTEM EMPLOYED BY SHERIFF

Sheriff W. J. Chesney stated Monday morning that he had employed the finger print system in his office and that hereafter all prisoners arrested here would be registered in that manner. An expert from the Ft. Worth Police department came to Colorado recently at the request of Mr. Chesney and gave demonstrations as to how the prints should be made.

Through this system it has already been found that J. J. Howington alias Joe Hunter, one of the men arrested here recently in connection with burglary of the C. M. Adams store, has a police record in several cities of the country. Through comparison of finger prints of Howington at the Fort Worth police office, it was also found that he was a deserter from the U. S. Army.

When placed under arrest here, Howington gave his name as "Joe Hunter." He declined to give any information as to his relatives or where they might reside. The record of the man at Fort Worth disclosed his correct name.

ADDITIONAL 10-TON HOLT CATERPILLAR IS SHIPPED

The ten-ton Holt caterpillar tractor assigned to Mitchell County a few weeks ago by the Highway Department has been shipped from Port Clinton, Ohio, to Colorado, according to information received Sunday by County Judge J. C. Hall. The Holt now being used by the county.

Miss Frances McMurry is attending summer school at T. W. C.

JOHN ARNETT, PIONEER CATTLEMAN, DIED HERE

John Arnett, brother of D. N. Arnett of Colorado, died Thursday afternoon at the home of Mr. and Mrs. D. N. Arnett in Colorado and following funeral services conducted at the home Friday morning by Rev. C. L. Browning, pastor of the First Methodist church, the remains were buried in I. O. O. F. cemetery.

Mr. Arnett had been an invalid for some twenty-two years. About twenty-five years ago he was injured in an accident on his farm near Colorado and a few years afterwards rheumatism developed in his lower limbs. He gradually grew worse and four years ago became practically helpless. He came to Colorado a few months ago from Lampasas.

"Uncle Johnnie," as the deceased was affectionately called, was born in Burnett County, Texas, 62 years ago. He came to this county during the early cattle days here and for many years followed the cattle business. He never married. He was a member of the Methodist church.

COMMISSIONERS COURT TO HOLD ADJOURNED MEETING

Commissioners' Court will be convened Saturday morning at 9 o'clock to confer with F. F. DuBose of Austin, assistant bridge engineer from the Highway Department, who is to arrive in Colorado this week to superintend construction of the new bridge across the Colorado river here.

Judge Hall stated Tuesday afternoon that the court expected to conclude plans Saturday for advertising for bids to construct the bridge. The court was in session Monday and Tuesday of this week.

FEDERATED WOMEN'S CLUBS WANT HOME DEMONSTRATOR

Unanimous endorsement of the petitions being circulated in Mitchell County by the Colorado Civic League asking that Commissioners' Court cooperate with A. & M. College in employing a home demonstration agent for Mitchell County was passed by delegates attending the organization of a Mitchell County Federated Club here Saturday afternoon. Officers and directors of the newly formed association represent leading club women of Colorado, Loraine and Westbrook.

The request is receiving endorsement of Mitchell County women wherever presented, according to information received here.

BAPTIST REVIVAL OPENS HERE SUNDAY, JUNE 25TH

Rev. M. C. Bishop, pastor of the First Baptist church, stated Monday that the revival to be conducted by the Baptist church at Union Tabernacle would be commenced on Sunday, June 25th, and last for a period of two weeks. Rev. Mr. Bishop will do the preaching. Services of a choir and soloist have been secured for the revival.

"We desire to make of this revival one of the most far reaching soul winning campaigns ever held in this city," Rev. Mr. Bishop stated Monday. "We are appealing to the Christian people of every church of the city to lend us their co-operation to that end."

W. E. MCKENZIE INJURED IN CAR ACCIDENT SATURDAY

While driving over his ranch Saturday, W. E. McKenzie was painfully injured when his car collided with a stump and Mr. McKenzie was hurled through the wind shield. His face was lacerated and his lower jaw bone fractured, in addition to four of the front teeth being knocked out.

Mr. McKenzie was brought to Colorado and given medical treatment by Drs. P. C. Coleman and C. L. Root. He was doing nicely Wednesday afternoon and is expected to soon be entirely recovered.

COLEMAN HEADS COMMITTEE ON WEST TEXAS A. AND M.

President A. B. Spencer of the West Texas Chamber of Commerce, in naming committees to direct work of the Chamber during the ensuing year, named Dr. P. C. Coleman of Colorado as chairman of the West Texas A. & M. College committee. Dr. Coleman stated Friday that an aggressive campaign for establishment of the college demand by West Texas would be inaugurated soon.

DRILLING ON INCREASE; STANDARD ENTERS FIELD

Mitchell County is rapidly becoming a mecca to those of the oil fraternity. During the past thirty days no less than fifteen geological exploration parties have worked over the whole of the western part of the county. If those in doubt would but take the trouble to look at the county records they would understand that much is going on and that the embryonic stage of the field is just passed. The next few weeks will be but the forerunner of a great development campaign.

It has become known that the Standard Oil Company of California through its subsidiary, the California Company, has recently leased several thousand acres in Mitchell County, for development purposes. It is expected that it will start actual drilling within the next four or five months.

This company is extensively engaged in the oil business in a number of the states as well as in the Philippines and other countries. It is the largest producer and refiner of oil in the State of California.

Its reputation for fair and square dealings and careful and thorough drilling is above question, and this, combined with its vast resources and facilities, makes it one of the foremost, if not the greatest, now operating in the west. It will be the company's first development in Texas.

Twelve geological exploration parties have been over Mitchell County during the past thirty days. That their reports have been favorable is apparent for the major companies have been buying heavily. Hundreds of thousands of dollars will be spent for the development of this section.

Zilpha Morrison No. 1 of A. T. Spaulding Oil Company in Section 31, Township 1 North, Block 28, T. & P. survey, was shot with sixty quarts of nitroglycerine Monday night. The depth of the sand was 2552 feet. Oil is now standing about 1500 feet in the hole. The well will be put on the pump. This well extended the field one and one half miles to the west.

Oliver et. als. Etta Brennan No. 1, Section 1, Block 28, T. & P. survey is drilling at about 1500 feet. The log of this test is almost identical with the other wells in the vicinity.

Dainels et al. LeSure No. 1, was spudded in Thursday. The test is under the personal supervision of Chal Daniel who drilled the discovery well at El Dorado, Ark., and some of the J. K. Hughes early gushers at Mexico.

The Petroleum Operators Association has announced that they have ordered derrick and tools for a test to be drilled in the southeast of Section 36, Township 1 North, Block 28 T. & P. survey. This company is considered one of the best independent concerns now operating in the Mitchell county field. The personnel of the company have all of the actual field experience that makes operations successful.

The Reno-Tex Oil and Land Company's Conway No. 1, Section 21, Township 1 South, Block 28, was shot with 100 quarts of nitroglycerine Wednesday. The shot caused a bridge to be formed and the drillers expect to have the hole cleaned out by the latter part of the week. Should the sand found at 3238 feet be non-productive a second shot of 200 quarts will be given at about 2922 feet where an excellent showing was encountered some weeks ago.

The Colorado-Tex. Oil Company's Foster No. 2, is drilling at about 1500 feet. Excellent progress is being made in the drilling of this well and it is thought they will reach the Iatan sand within ten days actual drilling.

Fensland Oil Company's Reed No. 1, Section 27, Township 1 North, Block 30, T. & P. survey, has derrick up and tools are en route. Maxwell and Johnston's Stewart No. 1, Section 32, Township 1 North, Block 29, T. & P. survey, is hauling rig to location.

Maxwell and Johnston's Cappalucus No. 1, Section 13, Township 1 N., Block 30, T. & P. survey, is erecting derrick.

Maxwell and Johnston's Jones No. 1, Section 33, Block 26, Houston & Texas Central survey, has unloaded

John Tarleton Band Plays.

The band boys of the John Tarleton College in making a tour of the State, complimented Loraine with an entertainment Tuesday morning on the sidewalk before the Martin Drug store. A large crowd had assembled and enjoyed to the fullest, the splendid musical numbers that were given. Mike Looby is a member of the band and will make the tour with them. Mr. Looby began his work in our home band which can be judged by the fruit it has borne.

Several cars attended the boys to Colorado where they again heard them play. The Colorado Chamber of Commerce served lunch to the boys.

Miss Fanny Jarrett entertained the Old Maid and Bachelor club Friday evening on her lawn. No attempt was made to entertain the youngsters. They were simply left to entertain themselves and they did it to the fullest extent of their ability. Music furnished the incentive that keyed their natures to a hilarious mood and at a late hour cake and cream were served to about a dozen gloriously happy old maids and bachelors.

W. P. Hollis returned Thursday night from a trip to Belcher, Louisiana. His daughter, Mrs. Dr. Webster and little son, Bobby, accompanied him home for a visit. Dr. Webster expects to join his family here in about two weeks and they will probably locate somewhere in West Texas. Also Mr. Hollis' father, the Rev. Mr. Hollis of Belcher, accompanied him home for an extended visit.

Grandma Copeland left the latter part of last week for Harper, Kan., to visit her granddaughters, Messdames William and Fred Thompson.

Mrs. F. C. Checkel who has been visiting her daughter, Mrs. W. R. Martin, returned to her home at Abilene Sunday night.

Messrs Newton and H. Williams of Big Spring were business visitors here the first of the week.

NEW BANK BUILDING.

The First State Bank has accepted plans recently made by D. S. Castle for a new, larger and more elaborate building to be placed on the site of the old building. Temporary quarters will be found in the building north of W. J. Coon's store and work is to begin immediately on the new building.

Mr. and Mrs. C. N. Woodard and daughter, Miss Mary, who visited in the J. E. Spikes home several weeks ago while en route to Los Angeles, Calif., are expected to arrive here this week for another short visit before going on to their home at Keen, Texas.

M. D. Cranfil and H. R. Standerfer and son, James, are tearing down the gin at Champion this week and moving it over on the R. S. & P. Ry. about 2½ miles north of Wastella.

Mrs. Voyt Williams who has been visiting her mother, Mrs. W. T. White, left Monday for Hernalleigh to visit her mother-in-law, Mrs. Williams, for a few days. Mrs. Williams will return here before going to her home at Brownwood.

John and Hillis Rhodes left Wednesday night for Alexander, Louisiana, for a week's visit with their uncle and aunt, Mr. and Mrs. T. L. Aycock.

Miss Mary Slaton who has been here with her grandmother for several months left Wednesday for Rotan where she will visit relatives before going on to her home in Young county.

Miss Lucy Steadman with the Compton Publishing Co., at Chicago was a business visitor to our city this week.

Messrs H. Oblesbusch and H. H. Carroll returned Sunday from a prospecting trip to New Mexico.

Little Misses Zelma and Wilma Richardson spent the week-end with their grandparents at Potasi.

Kirk Taylor and Paul Terrell were Sweetwater visitors Saturday.

Mr. and Mrs. R. H. Bennett spent Sunday with Mrs. Bennett's parents, Mr. and Mrs. Welch at spade.

Mr. and Mrs. Emmett Richardson, Mrs. John Martin and Miss Bernice Clement motored to Westbrook Sunday.

Grandma McInturff who has been visiting her daughter, Mrs. George Foy, for the past two or three months returned to her home at Adrian Sunday. A. Foy, Henry Foy and little Misses Etta Mae and Bessie Foy accompanied her home. They made the trip in Henry Foy's car.

Rev. W. D. Green and wife and daughter visited friends here Sunday.

Earnest Rhodes and Elmer Burris of Colorado were Loraine visitors Sunday.

Frank Segar and James Buchanan left Sunday morning for north Texas where they will work in the harvest fields.

John Martin took Mr. and Mrs. S. E. Brown and son, Fred, to Marlin Sunday where Fred remained for medical treatment. Mrs. Brown is with him.

Mr. G. A. Hutchins and family spent Sunday in the S. H. Hart home in the Valley View community.

Judge Hall and Joe Shepherd of Colorado were business visitors to Loraine Saturday.

W. S. Cooper and Messdames J. G. Merritt and A. L. Whiskey of Colorado were business visitors here Friday.

W. L. Davis and children of Abilene are visiting relatives here this week.

Joe Bennett and family and Miss Connie Baird went to Moran Monday to spend a few days in the Oma Wagley home.

G. A. Hutchins is having a new garage built this week.

Rev. Bryant of Abilene was greeting his many friends in Loraine Sunday and Monday.

DEMOCRATIC CALENDAR FOR 1922 OPENS SAT., JUNE 17

The Democratic calendar for 1922 under provisions of the election laws of Texas, opens Saturday, June 17, and from then until the meeting of the executive committee July 29 to canvass returns of the primary election, several important dates, as affecting candidates and committee meetings, are to be noted. The calendar follows:

June 17. On or before this day candidates for nomination for offices to be filed by the voters of a single county or a portion thereof shall file application for place on the primary election ballot with county chairman.

All candidates should take due notice and have their applications filed without fail, on or before this date, otherwise their names cannot appear on the ticket.

June 19. County executive committee meets to determine order of names on primary election ballot, to name subcommittee to make up ballot and to transact other business.

June 26. On or before this day candidates in primary election must pay ballot fees.

July 10. Subcommittees of county committee meets to make up primary election ballot.

July 12. Not earlier than this day (ten days before primary election day) or later than July 19, (three days before such election day) qualified voters who expect to be out of the county of their residence on the day of such election may cast their

ballot with the County Clerk. July 17. On or before this day persons who have removed from one election precinct to another must present their poll tax receipt or certificate of exemption to the county Tax Collector for record of such removal. Also on this day the County Tax Collector shall furnish to the county election board supplemental lists showing such removals. These provisions apply only to cities of 10,000 or more inhabitants. The County Tax Collector shall also furnish a full list of qualified voters.

July 19. If presiding judges of election have not been furnished with certified lists of qualified voters by this time they "shall send for and procure them."

July 22. "Primary Election Day" and "Precinct Convention Day." Primary election opens at 8 a. m. and closes at 7 p. m. Every precinct should hold a convention on this day and elect a precinct chairman to serve as a member of the executive committee for the next two years.

July 26. Presiding judges of election shall make returns on or before this day to county chairman.

July 29. County executive committee canvass returns. Democratic Convention held. All members of the county executive committee shall attend this convention.

FORMER COLORADO MAN WEDS IN CALIFORNIA

Two Oxnard young people were the principals in a real old fashioned elopement Saturday night when Miss Evelyn Wiltfong and Jack Hyde were united in marriage in Santa Paula.

Shortly before 8 o'clock the bride's suit case was put out the window and caught by the groom and a few minutes later the couple was on its way to Santa Paula, where at the J. H. Cunningham home the ceremony was performed by Rev. Sprong of the Baptist church there. Miss Mary Cunningham and Ben Hyde, brother of the groom, were the witnesses.

A note to Mr. and Mrs. Jess Wiltfong, parents of the bride, stated that they were on their way to Colorado, Texas, for a honeymoon but it is expected that they will return later to Oxnard, where Mr. Hyde is in business with his brother in the Oxnard Welding Works, having lived here for almost a year.

Miss Wiltfong is a popular Oxnard girl having lived here with her parents for a number of years. She attended the local high school until a short time ago.—Oxnard (Calif.) Daily Courier.

Mr. Hyde formerly lived in Colorado, moving from here to Dallas several years ago.

In today's issue of the Record appears an advertisement of the Fort Worth Record "S Word Picture Puzzle Game." Fifteen big cash prizes are offered for the fifteen best list of answers to the "S Word" picture puzzle; prizes ranging all the way from \$2.00 to \$1,000.

It's the new "fun game" for all, no one is barred. Young and old, married or single, can find "S words," and it makes no difference where you live.

One need only take a pencil and paper, sit down and study the picture a little and plenty of "S words" will show up.

It is not necessary to send in any subscription to take part in the "S Word" puzzle game, make up your list and send it in and if in the opinion of the Judges it is the largest and nearest correct list you will receive \$35.00 in cash, and it will only take you a little while to get up your "S Word" list, of course, if you would like to receive more money you can win up to \$1,000 in cash by qualifying your "S Word" list with two six months subscriptions to the Fort Worth Record at the reduced rate of \$3.50, Daily and Sunday (one of which must be new or one new subscription for one year at the reduced rate of \$7.00, both Daily and Sunday.

\$1,862 Total Prize List

That is the sum the Fort Worth Record will pay to the fifteen winners of the "S Word" puzzle picture provided their lists are fully qualified. The best prize, of course, is \$1,000 in cash; the second best list \$300 and so on. So you see one can win some really big money by taking a little time and thought and working out a good list of "S words" and qualifying it with one or two subscriptions. At any rate, you can't lose and its lots of fun, why not try? You can win the \$1,000 as well as any one else.

A PRAYER

(This is a reprint from the Des Moines, New Mexico) Swasika): "Lord, I am only a nestor, a New Mexico dry farmer. Thou knowest that when wheat was \$2.00 per bushel and I had flour and sugar in the house and cake and pie every time I wanted it, I was not satisfied and voted for a change. Thou knowest that I wore a Harding badge and a Bar-um button and was faithful in all things to the G. O. P. Even, so, Thou knowest that I believe in the Dawn of a New Day and that wool would advance in price, that I got \$3.00 for wheat, 20c per pound for pork. Lord, two years have gone, never to return and I am too poor to buy the necessary Rockyfeller for my Henry, but I still wear a Harding badge, but now it is on the seat of my overalls. O Lord, I am thankful for one thing, and that is that Harding has been able to make jack rabbits taste good in the summer time; I pray Thee that Thou wilt keep them replenished so that I shall not want. Likewise, Lord,

Thou knowest that I have always believed that A. B. Fall is one of the greatest Texas statesmen who ever owned mines in the domain of Pancho Villa; he was my friend and the friend of Rockyfeller, even unto the Wyoming oil fields. I am glad, O Lord, that Thou hast prospered the railroads and that they have been enabled to keep up their freight rates when my corn would not pay the expense of gathering. And I pray Thee that Thou wilt continue to uphold Treasurer Strong and that the State Auditor may be enabled to collect interest for many years on the state funds for his own bank account, for it is in a righteous cause. Teach me to Pray.
"Our Father who art in Washington, Harding, by thy name. His Kingdom come, His will be done, even in keeping the soldiers out of a bonus. Give us each day our daily cornbread that Wilson tried for two years to make us eat and Harding had us eating it in three months, and lead us not into temptation to vote for a democrat and Harding's be all the power and Mellon's all the money and Rockyfeller's all the oil for ever and ever, and mine the patched trousers.

30 x 3 1/2 - \$10.90
WHEN you look at a 30 x 3 1/2 USCO at \$10.90 think back for a minute as far as you can remember USCO. Since last fall when USCO established the \$10.90 price range they have recognized it as a value beyond any possible comparison. A still greater money's worth than even USCO itself had reached before.
The truth is that men have always found USCO an outstanding money's worth no matter what its price. Today at \$10.90 USCO maintains its established standard of quality. And because of the new price, it sets a new index of tire value.
Men who have used USCO have never been inclined to measure its value by the general run of tires.

IN SOCIETY AND AT THE CLUBS

County Federation Organized

An organization was brought into being Tuesday that will tend to bring the women of Mitchell county into closer relations with each other, broaden their vision and enlarge their field of usefulness also help them to work together for the things near at hand. We speak of

the organization of the County Federation of Women's Clubs. For some time Miss Dry and Mrs. Whipkey had worked to enlist the women for this purpose and every Federated club in the county responded to the call. The Federation was made effective at the Chamber of Commerce Tuesday afternoon with a good representative body from Loraine and Colorado. Westbrook will enter active service later. Miss Dry was made temporary chairman and the organization was made permanent with the following officers:

Mrs. J. G. Merritt, Colorado, president; Miss Dry, Colorado, vice president at large; Mrs. Ab Pratt, Loraine, 1st Vice president; Mrs. W. E. Donaldson, Westbrook, 2nd vice president; Mrs. Stewart Cooper, Colorado, 3rd vice president; Mrs. Clarence Roland, recording secretary; Miss Ewell Gary, Colorado, corresponding secretary; Mrs. Chas. Coffee, Loraine, treasurer; Mrs. A. L. Whipkey, parliamentarian.

One of the first works of the body will be to join the Civic League of Colorado in securing a County Home Demonstrator for Mitchell County. Other questions that effect the county will be discussed as they present themselves. The women's organizations are eligible as associates, members and their women are hoping for their co-operation. The next

meeting will be held July 11th at 4 p. m. at the Baptist church.

Central Circle

The Central Circle of the M. E. church met with Mrs. Edwards Monday at the home of Mrs. Tom Hughes. Besides the routine business, Mrs. W. H. Garrett was elected to attend the all-day meeting at Big Spring, June 27th. Arrangements were made to serve luncheon for the young ladies missionary society. When the all-day meeting is held, this will be some time this month and Mrs. DeLaney, superintendent of the young people's work for the Northwest Texas Conference will be with them. Arrangements were made to buy some tables for the basement. The hostess served cake and ice cream. The July meeting will be with Mrs. Van King.

King's Daughters

The King's Daughters met with Mrs. Merritt on last Thursday. The tenth and eleventh Psalms were studied and flowers were sent to Mrs. Donaldson, a member who is sick in Sweetwater. Clothing was contributed for children who otherwise could not be in Sunday school. The pledge for the missionary supported by the Sunday school was paid. The hostess served cherry pie a la mode. The next meeting will be with Mrs. Schroeder.

U. D. C. Meeting

The U. D. C. will meet with Miss Dry at the home of Mrs. Jim Hall Tuesday, June 25th, at 4 p. m. with this program: Ritual and Lord's prayer. Business. Music. A chapter from History—The Chapter Social Hour.

Mission Club

The Mission Club of the Presbyterian church met with Mrs. Dougherty last Thursday. The president,

Mrs. E. F. King, presided. All members, except one were present. The lesson was on Mountain Missions. It was voted to send \$2.00 to help send the Home Missionary, Mrs. Majors in El Paso to Keerville and \$4.75 on the Girls Home in Japan. Messdames Burt, Lillias, Aycock, McIntyre and Miss Oriana Elliott were guests. The hostess served ice cream and angel food at the social hour.

MARRIED

On Wednesday evening at six o'clock at the residence of Mr. and Mrs. C. P. Conoway, their daughter, Miss Mattie, was married to Mr. Witt Hines, Rev. M. C. Bishop performing the ceremony, using the ring ceremony. The wedding was attended by the family and a few close friends.

Mr. Hines is an old settler of the Westbrook community and is a fine young ranchman residing at Aspermont. Miss Conoway was reared in the Westbrook community, graduated at Simmons College and taught in the Colorado schools last term. The couple left immediately after the ceremony for their future home at Aspermont. The Record joins their many friends in congratulations.

Priscilla Club

The Priscilla Club held a very interesting and helpful meeting with Mrs. Shropshire last Friday. The hostess served a salad course and ice tea. The meeting this week is with Mrs. G. W. Smith.

NO ACTION TAKEN BY COURT TO REPAIR STREET

No definite action was taken by Commissioners' Court, which was in session Monday and Tuesday, toward making repairs to the Lone Wolf bridge approach in the eastern part of the city, which was damaged from washouts several weeks ago. This was because that the State Highway engineer, who was in Colorado recently, requested that an additional span be added onto the bridge, thus allowing flood waters to escape.

F. F. DuBose, an engineer from the Highway department, is expected to meet with Commissioners' Court Saturday and it is understood that the Lone Wolf bridge question will be discussed at that time.

FORT WORTH RECORD REDUCES PRICE TO 15c WEEK

Although newspaper subscriptions are and have always been the cheapest things the public could buy, value considered, The Fort Worth Record has taken another step in giving the public a high-grade, complete newspaper for the lowest possible price.

The cost of newspaper publishing has declined very little since the peak of war and post-war prices. There has been a small reduction in paper costs and another in freight rates, though labor still receives the same wages as in war times. The Record has decided to pass on to the readers even more than the saving in expense justifies, thus helping reduce the cost of living.

The Record, on June 1, reduced the subscription price of the daily and Sunday to 15 cents a week, 60 cents a month. At the same time the price of the Sunday was cut in two. It is now sold by the single copy for 5 cents instead of 10 cents.

Citation on Application for Letters of Guardianship—No. 390

THE STATE OF TEXAS To the Sheriff or any Constable of Mitchell County—Greeting: You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Mitchell County, a copy of the following notice.

To all persons interested in the welfare of Wilson Gregory and Catherine Gregory, minors, J. F. Wood has filed in the County Court of Mitchell County, an application for Letters of Guardianship upon the person and estate of said minors which said application will be heard at the next term of said Court, commencing on the first Monday in July A. D. 1922, the same being the 3rd day of July A. D. 1922 at the Court House thereof in Colorado at which time all persons interested in the welfare of said minors, may appear and contest said application if they see proper to do so.

Herein fail not but have you before said Court, on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Colorado, this 12th day of June A. D. 1922. W. S. STONEHAM, Clerk County Court Mitchell County, Texas. 6-50

THE SCHOOL QUESTION.

The complaint has been made recently that there are those in the Colorado Independent School district to whom minute detail has not been given as to how the proposed \$60,000 bond issue, to be voted upon Tuesday, is to be expended by the district, in case the bonds are adopted.

The charge is further made, The Record is informed, that at least one voter of the district deprecates the policy of those advocating the bonds to "withhold information from the public."

It seems to The Record that if there be a citizen affected by the proposed issue, to whom all information he might desire has not been given, he has no one to blame but himself.

It is wrong to charge that any one is attempting to hide something in this campaign, when every action leading up to the petition calling for the bond election was directed by the public and not the school board.

For the information of those who deplore the "secrecy" attending the campaign, The Record assures that any interested citizen may obtain all the information he desires upon application to any citizen of the district who is really interested in the schools.

corporated this recommendation in their report, made before a mass meeting of citizens, held openly in the city and to which every citizen had been urged to attend, and the report was accepted as being the best solution of the school situation, there being not one dissenting vote.

In order to obtain further information the very much interested citizens who cannot acquaint themselves with all of the details to be followed out, should the bonds be voted, should attend the Booster Club meeting Monday night.

THE HOME DEMONSTRATOR.

If there be any significance attached to the wishes of the women of Mitchell County, it is most certain that Commissioners' Court will at least consider, and consider with all seriousness, the petition to be presented that Honorable court on Wednesday, June 21, by the Colorado Civic League.

One of the strongest champions of the move is the county farm agent, W. A. Dulin, who is co-operating fully with the Civic League and the Chamber of Commerce in creating popular sentiment in favor of the demonstrator.

Several residences of the city are being repaired and painted this week, a fact which speaks in a commendable way of the civic pride of the owners of the property.

We have the information that the Cemetery Association is lacking in funds sufficient to bear the expense of working the cemetery and since the place is sorely in need of work, The Record is passing this information on to the public.

When is a Battery Old?

Some men are young at eighty—others are old at forty.

It's about the same way with batteries.

Their usefulness depends on the care they have had, the amount of work they have had to do, how they have been used, and most important of all—the original quality of the battery.

There are many good reasons back of the decisions of the manufacturers of 173 makes of cars and trucks to use Willard Threaded Rubber Batteries.

Come in and we'll tell you more about them.

HARRY T. WARNAR OPPOSES PAT NEFF FOR GOVERNOR

PARIS EDITOR FIRES OPENING GUN IN GUBERNATORIAL RACE

Harry T. Warner, editor of the Paris Morning News, has announced his platform. It is largely critical of the administration of Governor Neff but refrains from all personalities and makes point only upon his official record as governor.

Mr. Warner offers some constructive suggestions to the democrats of Texas, but is more intent upon relief for the schools of the State and for the proper treatment of the teachers and care for the children than he is concerned about theories as to new statutes or experimental legislation holding that the members of the legislature will offer many measures designed to benefit the commonwealth.

In his formal announcement Mr. Warner says: "There are two political superstitions to which I do not subscribe. One of these is that no man may aspire to be governor of Texas who is not possessed of an independent fortune, the other that a governor of Texas is entitled to a second term no matter how inefficient, incapable or lacking he may be.

Conditions in Texas have come to such a pass that I believe it will require neither an extensive campaign nor a costly one to prove that neither of these assertions is true, and I therefore announce my candidacy for the democratic nomination for governor.

Our schools are trembling upon the verge of a complete breakdown. Thousands of teachers and trustees are dismayed and bewildered and do not know where to turn nor what to do. Our children—and especially those of the rural districts—face shortened terms and a destruction of much of that efficient system which has been built up during many years of hard work. They have been betrayed and their interests have been sacrificed.

The regents of the university, the boards of the colleges, the superintendent of public instruction and many others have given good advice to the end that something be done to prevent the very crisis which has now been brought about through executive vacillation, indecision and want of capacity to appreciate the situation and the needs of the schools.

They are compelled to hawk their warrants about and to discount them at high interest rates even though the salaries were barely sufficient for a living without such reduction. It is a shame and a disgrace to the fair name of Texas that our teachers should be so treated.

The confidence of many of the people of the rural districts in the State has been rudely shocked because of the action of the governor in decreasing the appropriation for aid to the rural schools.

The rural schools had been promised aid if they did certain things and attained certain standards. To accomplish these improvements hundreds of progressive farmers acting as school trustees and intent upon securing better school advantage for their children, signed promissory notes, expecting to secure the funds from the State aid.

They now find, due to the policy of false economy, that they must themselves pay the notes or increase

their local taxes, and even with this addition to their local funds they are bargaining with teachers for reduction in the already small salaries paid and are contracting for shorter terms of school.

This open veto by Governor Neff has resulted in setting Texas back ten years in an educational way. It came at a time when there was hope in the rural districts, when it was felt that there was a possibility of securing good schools without having to "move into town"—and that hope was frustrated.

I am strongly opposed to the Ku Klux Klan, which has been denounced by a great number of our courageous district judges, men of probity and of far-sighted vision. Announcing high principles, this foreign organization—which has no permit to organize within Texas—has brought a reign of terror to many communities.

There are now statutes of sufficient point and comprehension to enable the executive to control the situation if he only chose to do so. The penal code contains many provisions which might be invoked and which would be effective if there were earnest effort behind them.

Our prison system is bankrupt and is being operated upon money borrowed at a ruinous rate of interest and in defiance of plain provisions of the statute that the legislature shall make appropriations for the conduct of the system.

I believe it to be the duty of the State of Texas to care for every one of her sick and disabled soldiers without reference to what may be done later by the Federal government.

It was not creditable to the name and the fame of Texas that Governor Neff vetoed the bill providing for the tubercular sanatorium in the first instance.

These things, I believe, to cause the democrats of Texas, confronted by strong opposition—some of it making effort to capture the party from within—to desire a change in the executive office.

I shall from time to time make elaboration upon the statements herein contained, though the conditions to which attention has been called are notorious and need no greater publicity than has been accorded already in the news columns of the papers of Texas.

I am of opinion that a constitutional convention should be called to the end that our schools, colleges and the university may be taken from the realm of politics and placed beyond the power of either legislature or governor to again bring them to such a condition as they are now in.

I believe that these is a grave danger to the liberties of the people in the proposed act which would confer autocratic authority upon the governor and the attorney general and which has been widely advertised as the "law enforcement" statute.

I believe it to be within the power of the executive to stop mob action and I charge that the reign of terror in some sections of the State is directly to be attributed to lack of moral courage in the executive office, which has convinced many good men that there is a breaking down in the State's authority which requires action directly by the citizens.

Democratic members of the house and senate have been advertised to the world as being incompetent and incorrigible despite the fact that they are the representatives chosen by the people and that they made every effort to represent the people who had elected them, but were hampered and hindered in many ways by the executive.

I contend that the members of the legislature are the representatives of the people and shall counsel with them as the constitution contemplates rather than seek to compel my will upon them.

I have a working knowledge of the institutions of the State, of the departments and of the basic laws of the State without having to devote sixteen months' time to learning them. I already have that knowledge acquired as a working newspaper correspondent in and about the capital.

HARRY T. WARNER.

FRIENDS OF FORMER DAYS MEET AT COLORADO TUES.

Two friends of former days met at Colorado Tuesday when the Tarleton band came to town. They were the Rev. S. B. Culpepper, Baptist pastor of Stephenville, who is accompanying the band on its tour of West Texas, and Rev. C. L. Browning of Colorado. The two ministers were pastors together at Wellington a few years ago.

In discussing incidents of their associations together at Wellington, Rev. Mr. Culpepper told the following:

"Brother Browning and myself did our visiting together, held our revivals together and assisted one another in conducting our funerals. One time we were conducting a revival and at this particular morning service an old fashioned 'experience meeting' was in progress. A young fellow, not gifted much by his intellectual qualities, arose in the audience and said:

'The Lord hit me with a baseball bat, knocking my cussing out of

one corner of my mouth and my cigarettes out of the other.' "Just as the man finished these remarks and took his seat again, some one in the audience: "Well, we realize you have been hit with something."

TARLETON MILITARY BAND SPENDS TWO HOURS IN CITY

The Tarleton Military Band arrived in Colorado Tuesday at noon, one hour behind schedule, and rendered a concert from the street near the Colorado National Bank...

to support the Junior Agricultural College at Stephenville. Three hundred people were congregated on the street to hear the concert and address.

At the conclusion of the concert the party was escorted to the Herington building for luncheon. Dr. P. C. Coleman, president of the Chamber of Commerce, presided. He introduced Rev. Mr. Culpepper, who pronounced the invocation. The address of welcome upon behalf of the city was delivered by Mayor A. J. Coe. Prof. Honeywell and Rev. Culpepper delivered addresses of response.

In his address Mayor Coe stated that the time was coming when West Texas, "somewhere West of Abi-

lene," would have an A. & M. College, similar to the one at College Station. This matter was also referred to by Dr. Coleman, who spoke for several minutes upon the needs of such an institution in West Texas.

"The Junior Agricultural College at Stephenville, of which you are the representatives," Dr. Coleman stated, "was realized to you and to us because to some extent of demands originating in Colorado." Dr. Coleman explained of how several years ago he was requested to call a mass meeting of West Texans to meet at Sweetwater to demand that a West Texas A. & M. College be located, and that from that meeting the Tarleton Agricultural College originated in an indirect way.

"We are going to have a West Texas A. & M. College some day, and we want you to help us obtain this institution," Dr. Coleman stated. "We need you and you will need the institution." Promise that the people of Stephenville would cooperate with the West Texas citizenship to secure such a college was made by Rev. Mr. Culpepper.

The party left Colorado shortly after two o'clock Tuesday afternoon with the first scheduled stop at Coahoma. They spent Tuesday night at Big Spring. From Big Spring the party is to turn back, returning to Stephenville by way of Sterling City, San Angelo, Brownwood and intermediate towns.

WEST TEXAS EXECUTIVES TO MEET AT BROWNWOOD

President A. B. Spencer of the West Texas Chamber of Commerce has called a meeting of the executive officers and directors to meet in Brownwood in July. Dr. P. C. Coleman, vice president, and W. S. Cooper, member of the board of directors, will attend from Colorado.

Dr. Coleman was recently named as chairman of the West Texas A. & M. College committee and stated Monday that he would call for a meeting of this committee at Brownwood in connection with the meeting.

STERLING STRONG SAYS BOOZE FIGHT IS NOT YET WON

There is an organized effort in every state of the union to nullify or destroy the nation's liquor laws, by electing senators and congressmen who will vote to amend or repeal the eighteenth amendment to the constitution, Sterling P. Strong, candidate for the United States Senate, stated here Wednesday. Strong arrived in Colorado late Wednesday and delivered an address at Union Tabernacle in support of his candidacy.

"The wet interests would have you believe there is no liquor issue in this campaign," Mr. Strong said. "They don't want the voters to know what they are doing in their efforts to bring back the use of light wines and beer. They do not want saloons again. O, no! But we all know what will happen if they win the fight they are making now.

"The supreme court has recently ruled that congress has the power to say what percentage of alcohol shall be contained in beverages. So if the wishes of the wet interests prevail, and representatives and senators are elected who favor changing the percentage of alcohol in these beverages it would only be a crack in the door, and it would soon be wide open, and there would be established in this country a regime beside which the old days of the saloon would be decent in comparison.

"I am the only candidate before the people of Texas today who got into this fight against the liquor interests until the only question remaining to be settled was the size of the majority for prohibition. I went into the fight back in 1908, when twenty of us, prohibition Democrats, called a meeting and launched a campaign against the saloon which we fought to a winning finish. I was asked to take charge of the campaign, and I did. I went into the fight for three months, and it lasted three years."

Mr. Strong expressed his sympathy for the people of West Texas, where he was raised, in their efforts to establish a West Texas A. & M. College pledged his support if elected to obtain federal aid for West Texas highways and for plans to conserve the flood waters of West Texas and the Plains country.

"The part of the country is now the garden spot of the state," Mr. Strong said, "and I shall use all my influence and all the power of my office in any way I can, if I am made your United States senator, to see that you people realize all your ambitions, which you so richly deserve."

BANKHEAD HIGHWAY THRU HOWARD COUNTY DAMAGED

The recent rains did much damage to the Bankhead Highway through Howard County, according to Editor Jordan of the Big Spring Herald, who was in Colorado Monday. Jordan stated that in many places the gravel surface, which had only recently been placed on the road, was carried away by the excessive rains. The highway is now being graveled in the western end of the county, Jordan stated.

With the exception of a gap in Nolan County the Bankhead Highway through West Texas will soon be in excellent condition. Improvements are being made to the road in West-corn Mitchell County this week. From Colorado to the Nolan County line, the highway in this county is in excellent shape and one of the best pieces of hard surfaced roads in the country.

Hancock states that he will devote his entire attention to the abstract business.

FRANK HASTINGS DIED MONDAY AT STAMFORD HOME

Frank S. Hastings, manager of the S. M. S. ranch and nationally known authority on cattle matters, died at seven thirty Monday morning at his home in Stamford after a brief illness. Mr. Hastings was taken ill with Bright's disease late Friday.

The body was sent to Leavenworth, Kansas, where interment took place Wednesday.

Hastings who was nearly 62 years old is survived by his wife, a son, Warren of Stamford; one daughter, Ruth; two brothers, Edward and Harry, both of New York; and three sisters, Mrs. Kate Ferguson and Miss Alice Hastings, both of Kansas City, and Mrs. General Will S. Scott of San Antonio, also survive.

Frank S. Hastings was born in Leavenworth, Kansas, June Nineteenth, 1860. He was graduated from Norte Dame and University of Michigan. For a time he worked in a bank at Chicago then went to a large stationery house in Kansas City, then launched into the wholesale produce business in Denver. He was for fourteen years sales manager for Armour and Company, in the Pacific coast territory. Later he was manager of the importation of Hereford cattle from England department of Armours. He conducted many sales for that concern. Twenty years ago he identified himself with the Swenson interests as manager of the Swenson ranches. He was one of the best authorities in the United States on the cattle situation. He was a regular contributor to the larger livestock journals and was also author of several books that attained wide circulation. He was a Shriner and a member of the Episcopal church.

Mr. Hastings has been for many years a member of the executive board of the Texas and Southwestern Cattle Raisers Association. He was particularly active in that association.

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stogall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since... I am sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. B 68

The State of Texas, County of Mitchell. To W. J. Rushing and all persons owning or having or claiming any interest in the land or lots hereinafter described, the same being delinquent to the State of Texas and County of Mitchell for taxes, and the same lying and being situated in the County of Mitchell, and State of Texas, to-wit: Lot Number 17 in Block Number 7 in the Amended Town of Westbrook, as shown on map or plat of said town of record in Book 16, pages 642 and 643 of the Deed Records of Mitchell County, Texas, which said land is delinquent to the State of Texas and County of Mitchell for taxes for the following amounts: \$121 for State taxes and \$176 for County taxes, said taxes having been legally levied, assessed and rendered against said land and lots, and the same being a lawful charge and constituting a prior lien against the same in favor of the State of Texas and County of Mitchell to secure the payment thereof and you are hereby notified that suit has been brought by the State for the collection of said taxes.

And you are hereby commanded to be and appear before the Honorable District Court of Mitchell County, Texas, at the November, A. D. 1922, term thereof, to be held at the Court house of said County, in the City of Colorado, on the third Monday in November, A. D. 1922, the same being the 20th day of November, A. D. 1922, then and there to show cause why judgment should not be rendered condemning the said land (or lots) and ordering sale and foreclosure thereof for said taxes, interest penalties and costs, and all court costs; all of which, together with other and further relief, general and special, being fully set out and prayed for in plaintiff's original petition filed in said court on the 17th day of May, A. D. 1922, and appearing on the docket thereof as suit No. 3821, wherein the State of Texas is plaintiff and W. J. Rushing and all persons owning or having or claiming any interest in said land or lots, defendants. Given under my hand and seal of said Court, at office in the City of Colorado, in the County of Mitchell, this 3rd day of June, A. D. 1922. W. S. STONHAM, Clerk District Court, Mitchell County, Texas

WITH THE CHURCHES

SUNDAY WITH THE BAPTISTS

Last Sunday was another good day with us. While some of the faithful ones were absent others were present. Some of our folks are away visiting while others are sick, yet others were away for other reasons. We had two fine additions at the morning services. We are glad to welcome these good people into our church. Somebody is not doing his duty by the Sunday School. We were short Sunday. We hope the parents will see to it that the children come to Sunday school. Of course the parents should bring the children to the house of worship and see that the children remain for service. As long as the parents have no interest in Sunday school how may we expect the children to have an interest in the preaching service? This thing of religion rests on the parents. God holds a man responsible for the training of his children in matters of religion. Parents we appeal to you to help in the great matter of your children's religious training.

On June 25th we will begin our annual meeting at the Tabernacle. We are hoping and praying for the greatest meeting in the history of this church. We appeal to the Christians of the town for their spiritual co-operation: We believe in co-operation. We have dismissed all our services for the other meetings and have attended, sung, prayed and would have preached had it been necessary. Now we open our arms wide and ask all to come and help us make this one of the best meetings for our town. We are to have great music. This counts for much. We need great praying. Can't do much without it. We want great fellowship. It will count for much. We want great attendance. Cannot help folks who do not attend. You will get a fair deal whoever you are. We want you to make your arrangements to be with us in this meeting. We ask the people of the town to see to it that other attractions are not permitted to affect the meeting. Let the Christian women see to it that no social functions interfere with the work of the Lord during this meeting. We are striving to help the town. Will you help us do it?
M. C. BISHOP.

AT THE METHODIST CHURCH

A special program will be at the Methodist church Sunday morning at 11 o'clock. There will be present with us Mr. D. P. Yoder, president Snyder Utilities Company, his wife and perhaps other people of Snyder. The people of Snyder Methodist church have had something new, and yet something as old as the history of man, in operation in their church for the past year. They are delighted with it and are going to tell us about it Sunday morning. This new and yet old something that they are going to tell us about is God's Plan for Financing The Kingdom. Every member of the Methodist church is urged to be present. It is the most important meeting that we have had for years. Every loyal Methodist will try to be present.

Sunday school at 9:45. Let every teacher and pupil be present Sunday morning and stay for church. The service following Sunday school will be of great interest to every one.
C. L. BROWNING, Pastor.

THE REVIVAL

The revival at the Tabernacle will probably close Sunday evening. On account of the illness of the minister, the day services have been called off in order that he may be able to continue the evening services until the close.

Services each evening at 8:30. Mr. Jacks is a fine leader of song and his whistling is unusually good.

Recommends Chamberlain's Tablets.

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

SABBATH BREAKERS PLAYED BY 3 COLORADO PASTORS

In his sermon at Union Tabernacle Saturday evening, Rev. D. R. Hardison, pastor of the First Christian church, deplored the trend of modern custom to desecrate the Sabbath. Especially did the minister speak of his regrets in noting that young girls, some of them not over fourteen years of age were known to be joining with automobile parties at night and attending social functions such as the dance contrary to the wishes of their parents.

In speaking of the habit of men to show no regard for the sacredness of the Sabbath, Rev. Mr. Hardison deplored the fact that it had come to the point where apparently one could not shoot an oil well on any other day except Sunday. He recalled the history of those people who lived in early Bible days, reciting their downfall as a people and a nation because that they followed after those things contrary to the laws of God.

Reference to the same subject was made by both Rev. M. C. Bishop, pastor of the First Baptist church, and Rev. C. L. Browning, pastor of the First Methodist church, in speaking from their pulpits Sunday morning. Each of these two ministers were as outspoken in their denunciation of Sabbath breaking as was Rev. Hardison.

It is charged by some of the ministers of the city that a large per cent of their parishioners spent the greater part of the day Sunday in the field, mingling with the crowds who motored to the Zilpha Morrison well to witness the shooting. Sunday school attendance at Methodist church Sunday morning was less than at any time during the past eighteen months, there being only 123 registered in the several classes.
