

Colorado Record

EIGHTEENTH YEAR—NO. 37.

COLORADO, TEXAS, FRIDAY, JUNE 23, 1922.

WHIPKEY PRINTING COMPANY

BIG COMPANIES CONTINUE BUYING LEASES IN FIELD

The major companies have continued to buy leases in the western part of Mitchell county during the week. The independents have been coming into the district during the past two weeks and have purchased many small tracts. Practically all of the active companies, both major and independent now own leases in Mitchell county.

Six wells will be drilled by the California Company, subsidiary of the Standard Oil Company of California, according to unofficial reports. By far the greater part of the California Company's holdings are in the south central part of Mitchell county.

The A. T. Spaulding Oil Company's Zilpha Morrison No. 1, was put on the pump Thursday. Flush production is estimated at 100 barrels. The well is producing from a sand at 2552 feet.

The Reno-Tex. Oil and Land Company's Con-

COUNTY FAIR ASSN. TO BE ORGANIZED SAT.

Permanent organization of the Mitchell County Fair Association will be perfected at a meeting to be held here Saturday afternoon at 2 o'clock, it was announced Wednesday by W. A. Dulin, county farm agent. The meeting will be held at the Chamber of Commerce.

Date of the Mitchell County Fair to be held at Colorado by the fair association was named as September 22-23 some time ago at a meeting of fair representatives of West Texas held at Abilene. Colorado was represented at that meeting by J. H. Greene, H. L. Hutchinson, W. R. Morgan and W. S. Cooper.

Cash contributions to be applied on a fund for offering prizes at the fair are already being received and already approximately one hundred dollars have been paid in. All of these donations have been received without solicitation.

Following permanent organization of the fair association, plans for the fair here in September will be worked out, Dulin stated. The organiza-

CONTRACT RIVER VIADUCT WILL BE LET JULY THIRD

County Judge J. C. Hall received instructions from the State Highway Department Thursday afternoon of last week to advertise for sealed proposals for the construction of the concrete bridge across the Colorado river at the foot of West Second street, in the western city limits. The bids are to be opened Monday, July 3, and each proposal submitted is to be accompanied by a certified cashier's check for \$2,500.

Total length of the project will be 1200 feet, including approaches on either side, to be earth fills with gravel surface, and the bridge, consisting of six concrete girder spans 31 feet in length and one steel span 150 in length. The new bridge will stand five feet higher on the street level than the present structure, requiring that approaches be raised to that height. This will be done to take out the street depression on either side of the river.

Detailed plans and specifications for the bridge are available at the office of Judge Hall upon application. F. T. DuBose, assistant bridge engineer from the department, who is to superintend construction. Blue prints may be obtained at cost upon application to the Highway Department at Austin.

Bids for construction of another bridge, to be built across Beals creek will also be received by Judge Hall for consideration of Commissioners' Court on July 3, and for let of a steel span 36 feet in length from a location on Beals creek to Silver Creek.

Bids on the two latter projects will be accompanied by cashier's check for five per cent of amount of

E. H. Manigault of El Paso, chief highway engineer, was here Friday to meet with Commissioners' Court on business in connection with improvements to Lone Wolf Creek bridge in Colorado and the bridge across Morgan Creek, five miles west of Colorado. An additional span of 31 feet is to be added to the Lone Wolf bridge and the bridge across Morgan will be raised five feet. Both of these structures are at the Bankhead Highway and the department at Austin has promised to assist in financing the contemplated improvements. Judge Hall left Saturday night for Austin to file application with the department for that portion of the funds expected from the State.

BAPTIST REVIVAL OPENS SUNDAY AT TABERNACLE

"Our objectives in the revival campaign to be opened Sunday are four fold," Rev. M. C. Bishop, pastor of the First Baptist church, stated Tuesday in commenting upon the revival to be conducted by his church during the next two weeks at Union Tabernacle. "These are to worship, to praise, to revive and to save."

The preaching will be done by the pastor, who conducted the revival for his congregation here last year. Rev. Mr. Bishop is a strong man, both as a pastor and evangelist and he has announced some subjects to be discussed during the revival which should merit special interest here. Among these are the following:

"What Folks Think About in Hell"
"Behind the Door with Jesus."
"Automobile Religion."
"What Must Do to Be Saved."
"The Joy of Repentance."

The choir and orchestra will be directed by Thos. Dawes and Mrs. Scoggins of Breckenridge, soloist, will appear in special vocal numbers from time to time throughout the campaign. Mrs. Scoggins visited the local church a few months ago and rendered a vocal number.

"The different churches of Colorado will get a fair deal from us," the pastor stated in urging that the members of all Christian denominations of the city co-operate in the revival. The pastor is especially interested in the orchestra and choir and has extended an invitation to musicians of the city to assist, in both song and instrumentation.

Services are to be held twice daily, at 10 a. m. and 8:30 p. m.

BUILDING ACTIVITY HERE ASSUMING BOOM ASPECT

Following closely the announcement that contract has been let for construction of the new Colorado National Bank building, E. A. Barcroft announced that an annex of twenty rooms would be immediately built onto the Barcroft Hotel. Excavations for the foundation of the annex were commenced Monday morning and the work will be rushed to completion. Rev. R. A. Clements is superintendent of construction on this job. The annex will adjoin the hotel on the east, with frontage on Second street, is to be two stories and of like materials as the main building.

Stewart Cooper, manager of the Fair Fill Service Station, corner Chestnut and Second streets, stated Wednesday that the present building occupied by the station would be removed and a modern brick station constructed on the location. The new filling and service station, Cooper stated, will be among the most attractive and modernly equipped in this section. Actual work is expected to be commenced next week.

F. E. McKenzie has purchased property in North Colorado and states that he will erect a modern home at once, the building to cost approximately \$5,000. Mr. McKenzie and wife had planned to leave Colorado and make their home in Georgia, but recently changed those plans and will continue to make their home in this city.

The firm of Shirliff Brothers, blacksmiths, is to be housed in a new concrete building, twenty-five by one hundred feet, with frontage on East Second street. Construction work on this building was commenced this week. The building is to replace the old wooden structure now occupied by the concern and will add much to the appearance of that section of the city.

W. W. Whipkey recently purchased two choice lots in North Colorado and plans are being drawn now for a bungalow home of concrete and lumber materials. This will be among the most attractive homes of the city and is to be occupied by Mr. and Mrs. Whipkey as their permanent home. The Whipkeys recently moved to Colorado from Paris.

The homes of Dr. and Mrs. P. C. Coleman, R. E. Dolman and others are to be remodeled and improved, it is announced. The bungalow homes of Mr. and Mrs. Bun Pritchett and Mr. and Mrs. Thos. R. Smith are nearing completion.

It is reported that Judge W. P. Leslie contemplates erecting a brick business house on his property adjoining the City National Bank on Walnut Street and that the new church, for the Presbyterian congregation here will be under construction within the next few weeks.

Local contractors are of the opinion that more new buildings will be built here within the next ninety days than at any previous time during a period of 12 months for several years.

ADDITIONAL CREDITS GIVEN COLORADO HIGH

The Colorado High School now has a total of nineteen affiliated credits and is rated as one of the best high schools of the State, according to information received Friday by E. Frank King, superintendent of the schools. The school had a total of sixteen credits previous to this, and additional credits were awarded by the State Department of Education in the subjects of physiology, solid geometry and commercial geography, giving to the high school here an affiliated credit in every subject taught.

The three credits just awarded the Colorado High School were made under difficulty, since most of the class rooms were crowded during the past year and because of a shortage in funds needed additional laboratory equipment could not be supplied. The State superintendent of public instruction has spoken of the work accomplished here under those conditions in a most commendable way.

News comes from Mrs. J. B. Reese who is visiting her sons in California that she is having a most delightful time.

RESIGNATION OF COE ACCEPTED BY COUNCIL

Judge A. J. Coe presented his resignation as mayor of Colorado to the city council Tuesday night and the same was accepted. The resignation became effective at once and Joe H. Smoot, member of the council was unanimously elected mayor pro-tem.

It was stated Wednesday morning that the council would order an election probably at the next regular meeting, Monday, July 10, to elect a successor to Judge Coe.

Coe was elected mayor of Colorado in the municipal election last April, defeating his opponent for the place, J. H. Greene, by a majority of one vote. He has been a citizen of Colorado during the past forty years.

MAGNOLIA WELL LOCATED ON FOSTER RANCH LANDS

The Record stated last week that the first well to be drilled by the Magnolia Petroleum Company on their holdings in western Mitchell County was located on the Hiram Snyder ranch. This was an error, since the well is to be drilled on Section 18 of the Foster ranch.

REGISTERED PIGS BOUGHT BY MITCHELL CLUB BOYS

A shipment of registered Poland China pigs was received Saturday from Big Spring by W. A. Dulin and was delivered by him to members of the boys clubs of Mitchell County. These pigs were sired by a 1000-pound boar which in 1920 was awarded first prize at the Texas State Fair at Dallas.

Another shipment of these pigs from the same breeder at Big Spring is to be received at Colorado on Saturday, July 1, when Dulin will make his last delivery.

Dulin stated Saturday that many of the club members were maintaining commendable records in the feeding contests now being held by the boys. Several pigs are making a net gain of one and one-half pounds per day, he stated.

Pigs grown by the club members are to be entered in competition for prizes at the Mitchell County Fair, to be held in Colorado September 22-23, and already cash subscriptions totaling approximately one hundred dollars have been received to be applied to a fund for paying of these prizes. Definite announcement of the fair program is expected to be made within the next few weeks.

SOUTHERN PACIFIC TRAINS PASS THROUGH COLORADO

Two Southern Pacific passenger trains passed through Colorado Sunday over the Texas and Pacific. Due to washouts on the Southern Pacific lines because of floods on the Rio Grande the trains were detoured from Fort Worth and Sierra Blanco, The Sunset limited, crack train of the Southern Pacific, passed west through here Sunday afternoon at 4 o'clock.

A. & M. COLLEGE COMMITTEE WILL MEET AT BROWNWOOD

Dr. P. C. Coleman, chairman of the West Texas A. & M. College committee named recently by A. B. Spencer, president of the West Texas Chamber of Commerce, has announced that he would call for a meeting of this committee to meet in Brownwood during the time the executive board of the Chamber is to be in session there, which will be on a date in July.

WOMAN'S AUXILIARY SERVES REFRESHMENTS TO BOOSTERS

Refreshments were served at the Booster Club on Monday evening by ladies of the Woman's Auxiliary, American Legion. These women are co-operating with members of Oran C. Hooker Post to raise funds with which to construct a hut at Colorado.

During the past year the women of the auxiliary have assisted in many ways toward maintaining a hall and club room for the post, as much of the expense of equipping the hall formerly occupied by the boys was raised by them.

SCHOOL BONDS VOTED AT RATIO OVER TEN TO ONE

The \$60,000.00 school bond issue voted upon here Tuesday was adopted by a vote of more than ten to one, there being only twenty-four votes out of a total of two hundred and seventy-eight polled against the issue. The election was one of the quietest held at Colorado for some time.

H. L. Hutchinson, president of the school board, stated Thursday morning that every thing within the power of the board would be done to rush sale of the bonds and awarding of contract for the new fourteen room school building. The bonds were contracted for a month ago by George L. Simpson & Company of Dallas, the same bond brokers who bought the water and sewer bonds.

COL. ADAMS OPTIMISTIC IN VIEWING THE FUTURE

In an address before the Booster Club Monday evening, Colonel Chas. M. Adams predicted unprecedented prosperity for Colorado and Mitchell County because of the ideal agricultural and business prospects. He pictured a vivid mental picture between the conditions existing here a few years ago following the drought and during the war and now.

"The prospects are that the best cotton crop in the history of Mitchell County will be produced this year," the Colonel said, and I am of the opinion that a price of from thirty to thirty-five cents per pound will be received by the producers of this commodity this fall. They tell us that business conditions have turned the corner on the way to normalcy and that better times are just ahead."

The Colonel is predicting great things for Colorado because of those facts, coupled with the marked increased commercial activities to come here as the result of the adjacent oil fields. He is one of the leaders of the optimists at Colorado and every boost he makes is "two-time talk," as he is always liberal in supporting any program having for its purpose the making of a bigger and busier Colorado.

Col. Adams has no children in school, but was one of the strongest enthusiasts of the city for the bond issue voted upon Tuesday. He is, we might state in passing, a heavy tax payer. Colorado should have more "Colonels."

HARDISON CLOSSES REVIVAL CAMPAIGN OF TWO WEEKS

The revival campaign conducted for two weeks at Union Tabernacle by Rev. D. R. Hardison, pastor of the First Christian church, was closed with the service of Sunday night. Because of illness of the preacher last week no morning services were held, but none of the evening services were suspended.

Rev. Mr. Hardison stated Monday afternoon that the revival had resulted in much good to the church, in that the members of his congregation and of other churches of the city had been inspired to greater efforts in Christian work as a result of the campaign. Six or seven additions to the Christian church are reported during the revival.

Ezra Jacks, the choister who directed the large choir and orchestra, and rendered the special vocal numbers throughout the campaign, endeared himself very much to the people of the city. Jacks, though a young man, leaves Colorado with the distinction of being one of the best choir directors and soloists ever visiting the city. He left Monday night for Kansas City, Mo., where he will sing before the International Sunday School Convention, an honor conferred upon none but nationally known singers.

Rev. Hardison, who is president of the West Texas Encampment at Merton, will leave Colorado July 7 for Merton to open the 1922 encampment there on July 9th. He will be joined at Merton by Mr. Jacks who will have charge of the large choir and orchestra which annually is featured in the services at Merton.

interscholastic League meet, held at Loraine a few months ago, had never been paid, in so far as Colorado was concerned.

It is claimed that announcement was made that in order to induce the county committee to hold the meet at Loraine, rather than Colorado, prizes totaling \$60 were offered to winners in the several events. The Colorado High School team carried off the county championship, it is claimed, but never did receive any of the prize money, even though request that it be paid was made.

one of the best he has any knowledge of in this part of the State. The outstanding walls are to be of face brick and stone construction. On the interior the floor of the lobby is to be of tile, while the offices and working departments are to be floored with composition. The fixtures and interior wall decorations are to be of marble.

J. M. Thomas, active vice president of the bank, stated Monday that the building and the large vault to be installed would be both burglar and fire proof.

—MISS PEARL TEMPLETON—

Miss Templeton is also authorized receive and receipt for all subscriptions for The Colorado Record and to transact all other business for the Whipkey Printing Company in Loraine and Vicinity. See her and take your County Paper.

Died.

Mrs. Minerva Riden after a patient illness of many weeks passed away at the home of her daughter, Mrs. J. W. Walker on Tuesday night of last week. Mrs. Riden has made her home here since 1900 (22 years) and was highly esteemed by all who knew her. She was born in Louisiana in 1856 but moved to Coryell County, Texas while quite small. She was, until her marriage to E. N. Riden, Dec. 1876, Miss Minerva Hall. Seven children, five boys and two girls, came to bless their home, all of whom are living.

Mrs. Riden became a member of the Baptist church in 1876 and remained a member throughout her life bringing her children up in the admonition of the Lord. Coming to pay the last sweet tribute to the dead were: Roland Riden and wife of Seminole; Mrs. G. C. Smith of Corsicana; Henry Hall of Ft. Worth; and A. E. Hall of Rochester. Rev. M. F. Richardson conducted the services at the home of Mr. and Mrs. J. W. Walker on Wednesday afternoon at 3:30 o'clock. The remains were laid to rest in the Loraine cemetery and she has gone quietly across the river to rest in the shade of the trees.

The sweetest tribute that can be paid any one has been paid her when her bereft friends and family said: "She was a good woman."

Died.

On Sunday afternoon at 3:00 o'clock the tiny body of Wilburn Jones was laid in the cemetery here. A quiet group of men and women bore the casket away bearing not only the little body but all the many dreams that have been woven about it. He was the son of Mr. and Mrs. Erven Jones and began his feeble life just four days before his death on Saturday. Elder G. W. Cypert of Merkel conducted the funeral services. The little soul has returned to the God who gave it and we, the recipients of all gifts, can only bow our heads and say: "Thy will be done."

Mrs. C. M. Black, Mrs. L. W. Rhodes and Miss Thelda Black were shopping in Colorado Monday.

M. E. Sunday School Notes

Attendance Sunday was very good. Number present: 125 teachers; 14 teachers and officers; 5 visitors; \$5.41 collection.

Mr. Lester Jarrett rendered a vocal solo. The Adult Missionary Society met at the church Tuesday at 4:00 p. m. Miss Spencer, a missionary in Mexico of many years experience, addressed the society.

The Y. P. M. S. met with Mrs. T. R. Bennett on Wednesday afternoon at 4:00 p. m. A lesson on Rio de Janerio proved interesting as well as instructive.

Rev. M. F. Richardson left Thursday for Potasi, where he will conduct a B. Y. P. U. training school to last something like a week.

C. M. Black of Foard City spent the week-end with his family here.

Mrs. Oliver Helfin of Ft. Worth came in Sunday morning for a visit with her father, Mr. Kimble. With her was her sister, Miss Ruth Kimble who has been in school at Ft. Worth.

Mrs. N. J. Smith of Sipe Springs, Texas returned to her home Wednesday. She came to attend the funeral of Mrs. E. N. Riden.

Miss Jewell Spikes is on the sick list this week.

Miss Bessie Langley was operated on for appendicitis at Temple on Wednesday. Her sister, Mrs. M. D. Canfill is with her. We trust that she will rapidly recover.

News comes from Fred Brown, who has been at Marlin Wells for his health for several weeks, that he is much improved. We are very glad to hear of his return to good health.

We regret to report that little Glynn Thomas, son of Mr. and Mrs. C. H. Thomas, has been quite ill. We hope he will soon recover.

Benton Templeton left Tuesday night for Ft. Worth, where he will enroll in Brantley-Draughon business college.

Mr. and Mrs. Elbert Martin of Roscoe visited in the C. J. Martin home Monday.

Card of Thanks.

To all our many friends, who have in any way ministered unto us during the illness and death of our tiny son we thank you for each loving deed and each perfect thought and for each loving expression of sympathy, for God has blessed you in so doing.

Mr. and Mrs. Erven Jones.
Mr. and Mrs. Oscar Jones.

Jennings Clement and sister, Miss Nila Pearl, left Monday morning for Lorenzo to visit their sister, Mrs. Montie Page.

Mrs. T. R. Coffee and daughter, Miss Marie and Grandpa Coffee of Lubbock spent several days in the T. J. Coffee home last week. Grandpa Coffee remained for a visit of several weeks.

Mr. and Mrs. Joe Bennett and children and Miss Connie Baird returned Sunday from a trip to Moran. Mrs. Bob Dowdy of Ft. Worth, sister of Mrs. Bennett and Miss Baird, met them at Moran and accompanied them home for a visit.

Mrs. Kate Howell and children left Saturday for Abilene where Miss Willie will attend Simmons College. Miss Adine remained here and will stay in the G. A. Hutchins home.

Mrs. T. R. Bennett and Miss Mattie Thompson visited friends at Champion Monday.

R. W. Jacks, advisory counsel for the Brantley-Draughon business college at Ft. Worth, was a business visitor in our city Saturday.

W. M. Richards, Floyd Thomas, Lige Sanders and Claude McCallum returned Saturday from a prospecting trip to New Mexico. Messrs. Thomas, Sanders and McCallum filed on land in Lee County, 45 miles southwest of Roswell.

Mr. and Mrs. Roy S. Baird and little son visited relatives at San Angelo from Thursday till Saturday.

Miss Bernice Clement spent the week end with Miss Johnnie Belle Nolan at San Angelo.

W. A. Sloan and family and J. S. Sloan and family of Roscoe visited in the A. Phillips home Friday evening.

Mr. McMann of Dallas visited friends south of Loraine Monday.

Rev. A. L. Faw and family of Roby spent Sunday in Loraine. Rev. Faw filled his regular appointment at the Presbyterian church.

The Ladies' Missionary Society of the Presbyterian church met with Mrs. L. W. Walker Monday afternoon. Miss Kate Spencer, a missionary of Mexico, was present and gave a very interesting talk on general missionary work.

Mr. and Mrs. Homan Fulkerson and Mr. and Mrs. Joe Dearing of Colorado and Mr. and Mrs. J. L. Boyd of the Valley View community attended the funeral of little Wilburn Jones infant of Mr. and Mrs. Erven Jones here Sunday afternoon.

Mrs. A. E. Walker left Thursday for Rising Star where she will visit relatives.

Mr. and Mrs. J. E. Seymour of Ft. Worth spent several days in the Anton White home the first of the week.

Dr. W. L. Hester has purchased the residence owned by J. W. Fairbairn in East Loraine. Mr. Fairbairn will not move here at the present time as were his intentions.

H. A. Foy, A. Foy and the latter's grand daughters, Etta Mae and Bessie Fay Foy, returned Saturday from a short visit at Adrian.

Mr. and Mrs. W. L. Glaze and two children of Jackson, Miss., en route to Idalou, Texas, stopped off Friday for a day's visit with Mrs. Glaze's sister, Mrs. William White.

Miss Mary Woodard came in Thursday to visit her cousin, Miss Jewell Spikes.

Mrs. Harry Cranfill, Mrs. Homer Richards and Mrs. Herman Richards were shopping in Colorado Tuesday.

Mrs. Rouley was here Tuesday in interest of the Delineator. Mrs. Rouley is from St. Louis.

J. W. Fairbairn underwent an operation at the home of Mrs. Tooby Dr. Hester doing the work. Mr. Fairbairn is doing well.

Herman Finley and Miss Pearl Templeton were in Sweetwater Tuesday.

Frank Wertz of Iowa visited Miss Cora Nelson Sunday.

Miss Myrtle Newton came in Wednesday night after a months visit with her brother, Horace Newton at Midland.

Death of Mrs. Donaldson.
Mrs. Anna M. Donaldson died at a sanitarium in Sweetwater Monday morning. The body was sent here on the night train and the funeral held at the Methodist church Tuesday afternoon, conducted by the pastor, Rev. C. L. Browning and the body was laid to rest in the I. O. O. F. cemetery beside her husband. She had been in failing health for some time and for the past month she had been in a sanitarium hoping that the rest and treatment would restore her to her wanted health. But not so, death claimed her for his own.

Mrs. Donaldson was born in Ohio in August, 1850. She was left an orphan at an early age. She had lived in several States and at several places in Texas in her life time. She and her husband came to Colorado over nineteen years ago, where they lived till death called them up higher. Mr. Donaldson preceded her about six years.

Mrs. Donaldson was raised in the Presbyterian faith but joined the Methodist church with her husband and to that church she was loyal all her life. The tributes that her pastor and a former pastor, Rev. R. A. Clements paid her were beautiful, indeed. They both have been pastors for years and had many charges but each said they had never known a more faithful member, one who had more of the spirit of the Master. Mr. Browning said the text that most suited her life was "She hath done what she could." She was always ready with a word of cheer, counsel or advice to those who needed them

and always noted for her thoughtful and loving deeds. Not only was she true to her church but the fraternal organizations of which she was a member had in her a loyal and faithful member. Her duties as a member of society were always faithfully discharged. Truly in the home going of Mrs. "Don" as she was affectionately called, many hearts are saddened. While she had no children of her own yet she had a great mother heart that reached out to those who needed mother love.

"The tears that fell were from the eyes of those who knew her best. Blessed are the dead which die in the Lord from henceforth; Yea, saith the Spirit that they may rest from their labors and their works do follow them."

COMMISSIONERS TO ACT ON PETITION JULY TENTH

Miss Helen Swift of College Station, district supervisor with the Extension Department, A. & M. College, was in Colorado Wednesday to meet with Commissioners' Court and ask that the county co-operate with the department in employing a home demonstrator for Mitchell County.

Miss Swift came to Colorado in response to an invitation from the Civic League and the Chamber of Commerce. Mrs. A. L. Whipkey, president of the Civic League, addressed the commissioners upon the needs of the demonstrator and made a strong appeal that the demonstrator be employed, presenting the commissioners a petition endorsed by 125 women of the county.

Following the address of Mrs. Whipkey, Miss Swift spoke at length upon the duties of the demonstrator and told of what women in those counties where the demonstrators were employed were accomplishing in the way of food production and conservation, co-operative marketing, etc.

"We are buying Maryland tomatoes and Maryland corn here every day," Miss Swift stated, when there is no need at all for doing so. The people of Mitchell County can produce the necessities of life just as easily as the people of any country. The only trouble is we are not improving the opportunities presented.

Miss Swift described how that the women working under her department assisted the women and girls of the counties employing them in making dresses, hats, etc. "In Tarrant County, 200 women, under the direction of our home demonstrator, made their own dress forms and fitted one dress each, realizing a saving to each woman of twenty dollars. That one item alone saved the women of Tarrant county 4,000.00."

Others to appear before the commissioners were: Mrs. J. G. Merritt, president of the County Federated clubs; Mrs. W. P. Leslie, president of the Hesperian Club; Mrs. Tom Pritchett, Miss Ella Dry, D. T. Rozeaman and W. S. Cooper.

The court announced that no official action would be taken on the request of Miss Swift that an appropriation of \$1,200 be made to pay part of the salary of the proposed demonstrator until the next regular meeting, which will be convened on Monday, July 10. None of the commissioners spoke adversely to the plan. Judge J. C. Hall, who was in Austin on business with the State Highway Commission, was not present.

Miss Swift left Thursday morning for Big Spring to meet with Howard County officials on business in connection with a home demonstrator there. She promised to visit this city again within the next few months.

OUT BUFORD WAY.

Mr. Key Hooks since his return from A. and M. College is making his home with his brother, Claud Hooks.

The Christian meeting that has been in progress at the school house for past week closed Sunday night. Elder Offord, wife and son, left for Alpine to conduct a series of services there. There was dinner on the ground after eleven o'clock services, both Sundays.

Mr. L. J. Jackson's little son fell from the running board of a perked car last week and broke his arm above the wrist. He's doing nicely and soon will be free from bandages and splints.

Mr. and Mrs. J. B. Neal are the proud parents of a fine girl. Uncle Johnnie won't hardly speak to any of his neighbors now when he meets them in the road.

A five inch rain fell in the Dunn territory last Saturday morning and in a very short time put the streams all out of banks, and quite a lot of damage was done to growing crops.

Those folks have the oil fever up there. Some reputable company has a man blocking land up west of Dunn and on the river. A dollar per acre and a dollar rental for five years to drill two wells at once. They are asking at least half of the acreage. The other acreage is being leased at from \$5 to \$17.50 per acre. Most of it at \$10 per acre. Here's hoping Sunday school was interesting beyond words last Sunday. 95 all told, present.

WESTBROOK ITEMS.

The Westbrook oil field is alive with operators and workers. It looks as though we will soon

WORTH WHILE SERVICE

It is worth emphasizing that the City National Bank has only one service, the best we can possibly give. Our officers are men of unquestionable responsibility—they can lend you an expert hand in business.

have the boom we have the right to expect.

At the Smith No. 1 we are told they have a fishing job and it is to be hoped they will soon have the tools out of the well, for, according to the information we have they have a very favorable formation and with a few days more drilling they would hit the pay sand.

T. and P. No. 2 is drilling around 1900 feet and the formation is running true to Morrison No. 2, and they should soon have production in this well.

LeSurre No. 1, being drilled by W. J. Thompson and Son, is waiting for casing to shut off water around 400 feet.

Phelan No. 1 is drilling and making good headway, around 1500 feet. Seems as though these people are all doing nicely and are doing their best to reach the pay as soon as possible.

We are told that Mr. Adams,

who is drilling Foster No. 2 south of Iatan is going along steady at about 1500 feet.

The Fensland Oil Co. has rig builders working on their rigs north of Iatan and hope to soon be spudding in their No. 1 well.

Murphy No. 1 is making record time from the last report we are able to get. With continued good luck these drillers will soon be down to the pay level.

We have not been able to learn what the results were from the shot at Conaway No. 1, but think the production was increased by shooting the well.

Contractor Sam Benard has A. Petty's home under construction and will exercise all his ability to make this one of the most up to date homes in Westbrook.

Hayslip and Erwin have dissolved partnership and the garage is now under the management of Hayslip.

FORD RETAIL SALES HIT NEW HIGH MARK

According to a report just received from the Ford Motor Company, Detroit, a daily average of 5,210 retail sales of Ford cars and trucks had been reached by the close of April in the United States alone.

Ford sales of cars and trucks for the month, including both domestic and freight, totaled 127,249. This establishes a new high record, exceeding the largest previous month, June, 1921, by 15,467.

The sale of Fordson tractors has also been steadily climbing. A total of 11,181 Fordsons were sold during April in the United States, a daily average of 469 having been reached by the end of the month. This gives the tractor a new high sales record, and shows 100 per cent increase over the best month in 1921.

Dressed poultry every Saturday. Buy your Sunday dinner poultry from the City Market.

The Race Victory at INDIANAPOLIS
The Road Victory at WICHITA
Help You Choose Tires

500 miles at 94.48 miles an hour—a relentless grind over a rough-finished, sun-baked concrete and brick pavement at record-breaking speed—that is the gruelling test Oldfield Cord Tires underwent successfully at Indianapolis Speedway May 30th. They were on the winner's car for the third successive year and on eight of the ten finishing in the money, upholding the confidence successful race drivers have in the trustworthiness and ability of these tires to meet the greatest demands of speed, endurance and safety. Their records in every other important race have been equally as good.

Consider this achievement along with another test of Oldfield quality made at Wichita, Kansas, this past winter and early spring.

34,525 miles on rutted, icy Kansas roads, running day and night on a Studebaker stock car without a single tire change. This test was made by a group of Wichita automotive dealers in a tire, oil and gasoline economy run. Mayor Kemp of Wichita was official observer and made affidavit to the mileage and service given by Oldfield tires.

You may never subject your tires to the gruelling experience of Indianapolis nor the steady grind of bad winter roads, but it is good to know you can get such safety and mileage economy by buying Oldfield tires. Ask your nearest dealer.

165% Increased Business
The buying public is the surest barometer of the value of any article. Their approval of Oldfield value has been demonstrated by the increase of 145% in business for the first five months of 1922 over the corresponding period of 1921.

Agents Everywhere
Oldfield Tires are distributed through 73 branches and distributing warehouses in all parts of the United States. More dealers are constantly becoming Oldfield agencies and Oldfield Tires are now available in your community.

"The Most Trustworthy Tires Built"

COLORADO LOOKING FORWARD

There is more building promised for Colorado for the immediate future than at any other time in the history of the city since the boom days of the early eighties. The Colorado National Bank building which will be a credit to the city, the new Grammar school building, the Barcroft Hotel 20-room Annex, the new Shirliff building, the new concrete viaduct across the Colorado river here and the extension onto Lone Wolf bridge in East Colorado, together with numbers of new residences and improvements to others,

are on the calendar. For the most of these contracts have already been let or will be awarded within thirty days.

Colorado is looking forward and with a sane, conservative building program, should be developed into one of the leading commercial centers of this section of West Texas. The city has an extensive territory, producing abundantly of the varied staple crops, is the commercial center of a large cattle and hog industry, and is the hub of operations in the Mitchell County oil field.

The result of the election here Tuesday, in which \$60,000 in bonds were voted with which to construct a new Grammar school building in the city and make permanent improvements to the High school reflects the fact that the citizenship of the Colorado Independent school district is a progressive citizenship. There were only 24 votes polled against the issue, making the majority in favor of better schools, better citizenship and a better city in which to live more than ten to one. A commendable feature of the campaign was to be noted in the fact that the heavy

tax payers of Colorado were the most active in support of the bonds. Such a progressive, unselfish citizenship would build a city in a desert.

BOOSTERS ENTHUSED OVER SCHOOL BONDS

Every one of the one hundred and twenty-five members of the Colorado Booster Club attending the meeting Monday evening at the Ford Service Station apparently expressed their endorsement of the school bond issue voted upon here Tuesday except one citizen, B. S. Van Tuyl. Following the statement by one of the speakers that there was not more than three present at the meeting opposing the bonds, the president called for those three to stand. Mr. Van Tuyl was the only one to respond.

Addresses pleading for support of the bonds were delivered by Rev. M. C. Bishop, Col. C. M. Adams, Dr. P. C. Coleman, Thos. R. Smith, L. B. Elliott, E. Keathley, Mrs. A. L. Whipkey, Dr. T. J. Ratliff, Rev. D. R. Hardison, Rev. C. L. Browning, Mrs. Sam Majors and W. H. Garrett, and J. H. Greene. Each of the speakers were applauded.

The meeting, which called to order by the president, J. H. Greene at 8:30, was noted for the usual Booster pep. The Booster Band, under direction of J. L. Jones, rendered concert music throughout the evening. An interesting diversion on the program was a reading by Mrs. Thos. Coffey.

The first Thursday night of each month was definitely decided upon as the regular meeting date of the club, but because of the revival meeting to be in progress at Union Tabernacle at the time of the next meeting, the July date was postponed one week, until Thursday night, July 13.

Committees were appointed by the president to take up with the city council the question of causing a Federal census to be taken of Colorado and to work out a plan for raising a fund to provide uniforms for the Booster Band.

Upon invitation from A. J. Herrington, the club will continue to hold its meetings at the Ford Service Station.

MYERS & NOYSE WILL SUPERINTEND PROJECTS

The firm of Myers & Noyse of Dallas, consulting engineers who were employed by the Colorado Chamber of Commerce last year to make surveys and furnish estimates of cost on the dam, water extension and sewer projects at Colorado, were employed by the city council Tuesday night to superintend construction of the three projects.

E. M. Noyse, member of the firm, was in Colorado to represent his firm at the meeting held jointly between engineers who had applied for the contract and the city council. The contract specifies a fee of the usual five per cent of the amount expended on the projects, less \$750, which was paid the firm last year by the Chamber of Commerce.

Myers & Noyse have been employed by the city of Dallas to superintend the proposed Trinity river levee, a project costing four and one-half millions of dollars, to be constructed by the city to protect Dallas from overflows by the Trinity river. The firm has been highly recommended by Col. Blaylock, finance commissioner of the city of Dallas and officials of the Texas & Pacific Railway Company.

Mr. Noyse stated that he would complete plans for the three projects at the earliest possible date in that the city be in position to advertise for construction bids without unnecessary delay.

AUTO TOPS.

Best material, expert workmanship, prompt service and reasonable prices. And don't forget the place—Colorado Saddlery in Masonic bldg.

WELL DRILLING.

We are drilling a well for your neighbor, why not let us drill for you.

Our well drilling rig is now here and we are at work. This machine is of the latest type, a double arm spudder and will do the work. We will drill you a well to any depth up to 500 feet. For any well work see L. L. Dorn or W. C. Morrow. Phone 11.

Sunday School Picnic.

An unusually good time was had at the Episcopalian Sunday school picnic at Pecan Grove Wednesday. Cars were provided for the whole school and the day was spent in swimming, playing games, etc. Not the least feature was the dinner of fried chicken, pie, cake, ice cream etc., in which all did justice.

If in need of any thing in dishes we will absolutely save you money. We have the latest purchases which enables us to make the lowest prices—H. L. Hutchinson & Co.

Cottonwood Filling Station. Gas and oil for sale here Sunday. Everybody come. West Side.

One third off on all ready trimmed spring hats at Mr. B. F. Mills Saturday.

OVERSTREET SAYS THE NEWSPAPERS DID IT

"A Hupmobile a day," is the way J. R. Overstreet, West Texas distributor of Hupmobile cars with headquarters at Fort Worth described the way the famous "Hup" has been selling during the past month in his territory.

"Yes, better than a car a day," Overstreet declared, "for our actual sales in this territory have totaled just 33 Hupmobiles in just 30 days and in addition to this splendid record of retail sales, we have added nine new, live-wire dealers to our list of Hupmobile sellers in the same period of time."

"I ascribe the astonishing record of the last 30 days almost directly and exclusively to the use of printers ink," he continued, "for we have sold these cars and secured these new dealers in territories covered by the advertisements we are now running in the local papers and in practically every instance the sale or contract was traceable directly to the local paper."

Full cream cheese at City market.

We buy any kind of hogs and pay top prices. Bring them in we are in the market at all times. Phone 181 Oliver and Bell.

ROOMING HOUSE OPENS ON NORTH WALNUT STREET

The old Glisson building, at the corner of Third and Walnut street, which was recently purchased by Miss Minnie Bellah of Big Spring, has been remodeled throughout and is to be opened as a rooming house. Furnishings for the building were delivered the first of the week. Miss Bellah lived in Colorado many years but during the past few years has made her home at Big Spring.

IS RECOVERING.

Oscar Majors of Colorado is recovering nicely from an operation he recently underwent at the Baptist Sanitarium at Dallas, according to word received by his parents here, Mr. and Mrs. J. P. Majors. He is expected home the latter part of the week.—Sweetwater Reporter.

NEFF TO DELIVER ADDRESS AT SWEETWATER JUNE 26

Governor Neff is scheduled to deliver an address at Sweetwater on Monday night, June 26, presumably in the interest of his candidacy for re-election. Local admirers of the governor will invite him to visit Colorado for an address, it was stated Wednesday.

When is a Battery Old?

Some men are young at eighty—others are old at forty. It's about the same way with batteries. Their usefulness depends on the care they have had, the amount of work they have had to do, how they have been used, and most important of all—on the original quality of the battery. There are many good reasons back of the decisions of the manufacturers of 173 makes of cars and trucks to use Willard Threaded Rubber Batteries. Come in and we'll tell you more about them.

BAPTIST REVIVAL SERVICES

REV. M. C. BISHOP

There will begin at the Union Tabernacle June 25th a series of Revival Services conducted by the First Baptist Church. The pastor doing the preaching. There will be a good Chorus, Mrs. Scoggins of Breckenridge will render the Solos. There will be a great Junior Choir. We will have a fine orchestra. The object of the meeting will be four-fold; to worship, praise, revive and save. The different churches are cordially invited to co-operate with us. You will get a fair deal. We ask the Musicians to help us, both in song and instrument.

The men are invited to come without their coats.

You are urged to hear the pastor, Rev. M. C. Bishop, discuss, among others, the following subjects:

Automobile Religion—What Folks Think About in Hell—Behind the Door With Jesus—What I Must Do to Be Saved and Prove it—The Joys of Repentance, etc.

Why Suffer From Rheumatism?

Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

COLORADO LOOKING FORWARD

There is more building promised for Colorado for the immediate future than at any other time in the history of the city since the boom days of the early eighties. The Colorado National Bank building which will be a credit to the city, the new Grammar school building, the Barcroft Hotel 20-room Annex, the new Shirliff building, the new concrete viaduct across the Colorado river here and the extension onto Lone Wolf bridge in East Colorado, together with numbers of new residences and improvements to others,

are on the calendar. For the most of these contracts have already been let or will be awarded within thirty days.

Colorado is looking forward and with a sane, conservative building program, should be developed into one of the leading commercial centers of this section of West Texas. The city has an extensive territory, producing abundantly of the varied staple crops, is the commercial center of a large cattle and hog industry, and is the hub of operations in the Mitchell County oil field.

The result of the election here Tuesday, in which \$60,000 in bonds were voted with which to construct a new Grammar school building in the city and make permanent improvements to the High school reflects the fact that the citizenship of the Colorado Independent school district is a progressive citizenship. There were only 24 votes polled against the issue, making the majority in favor of better schools, better citizenship and a better city in which to live more than ten to one. A commendable feature of the campaign was to be noted in the fact that the heavy

DEMOCRATIC EXECUTIVE COMMITTEE HOLDS MEET

The pledge adopted recently by the State Democratic committee, in session at Austin, for the purpose of eliminating all voters who supported candidates of any other than the Democratic party, was adopted by the Mitchell County Democratic Executive committee, which was convened at Colorado Saturday, June 17th, by the county chairman, J. A. Buchanan.

The pledge is being adopted over the State by county conventions for the purpose of protecting the Democratic ticket against infringement by those who in the last general election supported candidates of the American Party, Republican, Socialist, or Independent. Buchanan stated Monday that a copy of the pledge would be furnished to each election officer of this county.

In part the pledge is as follows: "No person shall vote in the general primary elections who, in the last general election voted for, gave aid, support or comfort to any political party other than the Democratic party."

Two candidates who had previously announced for office in the county failed to file application for a place on the ballots. These were T. A. Morrison, candidate for sheriff and tax collector, and John O. Lane, commissioner of precinct three. There was no name filed as a candidate for the office of county surveyor.

On the State ticket, as arranged Saturday, the names of James E. Ferguson and Mrs. Ferguson, candidates for the United States senate, come together. Mrs. Ferguson's name comes in fourth place and that of Mr. Ferguson in fifth.

The ballot for county and precinct officers will be as follows:

For County Surveyor: J. W. Gross, Roselious Powell, U. D. Wulfjen.
 For Commissioner, Precinct No. 1: A. Lasseter, L. J. (Lee) Barrow.
 For Commissioner, Precinct No. 4: V. D. McAdams, S. M. Hallmark.

BAPTIST REVIVAL SERVICES

REV. M. C. BISHOP

There will begin at the Union Tabernacle June 25th a series of Revival Services conducted by the First Baptist Church. The pastor doing the preaching. There will be a good Chorus, Mrs. Scoggins of Breckenridge will render the Solos. There will be a great Junior Choir. We will have a fine orchestra. The object of the meeting will be four-fold; to worship, praise, revive and save. The different churches are cordially invited to co-operate with us. You will get a fair deal. We ask the Musicians to help us, both in song and instrument.

The men are invited to come without their coats.

You are urged to hear the pastor, Rev. M. C. Bishop, discuss, among others, the following subjects:

Automobile Religion—What Folks Think About in Hell—Behind the Door With Jesus—What I Must Do to Be Saved and Prove it—The Joys of Repentance, etc.

SERVICES 10 A. M., AND 8:30 P. M., EACH DAY

- For Justice of the Peace, Precinct No. 1: C. S. Thomas.
- For Public Weigher Precinct No. 1: Tom Terry, Jack Helton.
- For Public Weigher, Precinct No. 4: Roy S. Baird.
- For Commissioner, Precinct No. 1: J. W. Gross, Roselious Powell, U. D. Wulfjen.
- For Commissioner, Precinct No. 2: A. Lasseter, L. J. (Lee) Barrow.
- For Commissioner, Precinct No. 4: V. D. McAdams, S. M. Hallmark.

antecommends Chamberlain's Tablets.

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Hewston Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.

UNION ITEMS.

The candidates are still running. Just the geologists are roaming, the arrows are hopping and the buzzards are sailing but Eli is not dead. There are some strange things happening listow-a-days, when a good doggie strikes the trail of a geologist he don't have to run far before he of jumps his nose against a stob. Neither I nor the dog knows what it means but don't deny the fact that some one does.

Farmers are very busy working their crops, which are somewhat promising at this time. We had a very good rain last Saturday.

Rev Dixon filled his pulpit at the church last Sunday. Much to the delight of a few hearers. Our Sunday school seems to be lingering from some cause but it is necessary sometimes for one that has a strong hold to turn loose in order to get on to spit on his hands so we are hoping for better things in the future.

For the past two days Tom Metcalf and little son have been pleasant visitors in this community.

Our committee who has charge of the cemetery decided last Sunday to get apart Wednesday, the 15th day of July for all concerned to meet and work the cemetery and I suppose decorate the graves of our dead.

Now if this misses the waste basket it may wake Eli up.

If it is coal or wood see me.—R. Spaulding. Phone 149

O. E. S. School of Instruction
 School of Instruction, second district to meet with Colorado Chapter No. 58, Monday, June 26th.

There will be no other services.
Order of Service, July 2.
Holy communion and sermon 10 a. m.
The children are expected to come and take part in the above service. The younger children will be dismissed before sermon.
Evening prayer, 8 p. m.

AT THE METHODIST CHURCH
Sunday school at 9:45. A special program is to be rendered during the Sunday school hour, as follows:
Song, by Mr. Stonerod's class.
Recitation—Jessie Stell.
The General Conference—C. L. Browning.

For the church hour a delegation from Snyder will be with us. Mrs. Yoder will sing a solo and Mr. Yoder will tell us how the Tithing plan works in Snyder. If there is any time left, some one else may say "a piece." These folks will be our guests, let us give them the Colorado welcome.

There will be no services Sunday night on account of the Baptist meeting. A fine spirit of fellowship exists between our churches here and we want our people to encourage and enlarge the unity of this brotherhood. The Christian spirit is not intolerant or sectarian.
C. L. BROWNING, Pastor.

FIRST CHRISTIAN CHURCH
I wish to take this opportunity to extend the thanks of the members of this church to the good people of the other churches for their fellowship and co-operation during our revival. The pastor also extends his very sincere thanks for the fine spirit shown us. We hope and pray that much good has been done and that many blessings will yet come from the services given to our Lord.

Next Sunday we meet at the church at 10:00 a. m. for our Bible school and the services at 11:00 for worship. No services at the evening hour on account of the Baptist revival at the Tabernacle.

There is always a sincere invitation to attend all our services.
D. R. HARDISON.

PREBYTERIAN CHURCH.
Sunday school 9:45. J. M. Thomas superintendent.

No service at 8:15 on account of Sermon and worship at 11 a. m. at the Baptist meeting at the Tabernacle.

A cordial welcome always given to strangers and visitors.
W. M. ELLIOTT, Pastor.

Junior Missionary.

The Junior Missionary Society of the Methodist church met in their mission study and social meeting with Mrs. Grantland on last Friday afternoon, there were more than 35 members and visitors present. Our district secretary, Mrs. J. I. Payne of Sweetwater was a very welcome guest. Riggs Sheppard led the devotional. Mrs. Garrett conducted our mission study on Africa. Our mite box opening amounted to \$7.40. There were 14 cup towels ready for the shower at Searritt Bible school. Margaret Stoneham was elected alternate to Big Spring Friday 27.

Mrs. Payne made us feel very proud of our selves when she told us that we were the very best Junior society in the Sweetwater district. Hostess served lovely fruit punch at the social hour.

The Juniors met at the church Sunday afternoon at 5 o'clock and went from there to our Mexican quarters taking some food and clothing. Miss Gary and some other friends accompanied the Juniors.
Reporter.

For flavor, satisfaction, strength economy, insist upon having your coffee fresh roasted today at Bean & Coursey's.

MARRIED.

Monday afternoon at the home of the bride, Mr. E. P. Allison to Mrs. A. M. Richards at 4 o'clock. The ceremony was performed by Bro. D. R. Hardison in the presence of a few friends. We wish for them every blessing of life.

SURE NUFF.

Ten thousand miles to one gallon of gas is to many miles but it's not too many miles for a Pennsylvania Vacuum Cup Casing and tube Womack Garage has a good stock of them to sell.

SWEETWATER STUDENT HEADS COLLEGE PAPER

Frank P. Hill of Sweetwater, who has been business manager of "The Prairie," the college newspaper of the West Texas State Normal College for the past year, has been appointed editor-in-chief of the paper to take effect on June 7, the opening of the Summer normal.

He is a sophomore. He is 18 years old. He is the nephew of J. A. Hill, president of the West Texas State Normal College, and his father, E. I. Hill, was a successful newspaper man for a number of years and is now district attorney of this judicial district. It was at Canyon that he received much of his newspaper experience. Under his management "The Prairie" has increased in size and circulation.

LET ME DO YOUR PLUMBING.

I want to install your bath room fixtures and do your plumbing of all kinds. Am ready at all times to give you estimates on any kind of plumbing. Phone me at R. B. Terrell's and I'll be on the job in fifteen minutes.

J. C. McClarty.

FORMER SENATOR SAYS WEST TEXAS CROPS GOOD

AUSTIN, June 22.—"West Texas is dressed in her Sunday clothes," said F. C. Weinert, former State Senator and former Secretary of State, who was in Austin today en route to his home at Saguin after a visit of ten days with his son, Herman Weinert, in Haskell County.

Crop conditions, particularly cotton and feedstuffs, were never better in the western part of the State, and cattle also are in fine shape, Weinert said. There is some political talk indulged in, he said, but the people generally are paying more attention to business than politics. Having retired from political life some time ago, Weinert refrained from discussing politics.

Chamberlain's Colic and Diarrhoea Remedy.

Every family should keep this preparation at hand during the hot of the summer months. It is almost sure to be needed, and when that time comes, is worth many times its cost. Buy it now.

LONE STAR.

We had another good shower Saturday. The farmers are busy chopping cotton and killing weeds.

Bro. Ashford preached to a house full of people Sunday morning and night. He sure is a fine preacher. There were three conversions Sunday and two of them joined the church.

Alice, Lillian, and Willie Richburg, Gladys Richardson, Lessie and Bessie Porter and Una Sanders were dinner guests of Lillie Richburg Sunday.

Thelma Blair and Lois Jackson took dinner with Allie Hallmark Sunday.

Bro. Ashford was a supper guest in the H. D. Mearse home Sunday night.

J. T. Richburg, wife and son, W. H. Long and family, Milton Hamilton and wife, were guests in the home of N. J. Richburg and wife Sunday.

Nate Preston and family and Clifton Henderson and family spent Sunday with N. L. Henderson and wife.

Mr. and Mrs. Gray Taylor were called to the bed side of her mother, Mrs. E. J. Dunlap at Sweetwater Saturday who is ill.

Homer Mearse and J. W. Richburg have been having dental work done at Colorado.

Nellie and Mabie Dale, Mrs. A. S. Hallmark and daughter, Allie, Alice and Lillie Richburg and Moody Richardson were supper guests in the J. W. Porter home Sunday night.

F. P. Brame and family spent Sunday in the W. H. Harris home.

J. W. Porter and family were dinner guests in the W. E. Williams home Sunday.

Mattie McAdams was a guest of Exa Ware Sunday.

BLUE EYES.

FREE TUBE.

With every Pennsylvania Casing we will give a Ton Tested inner tube absolutely free, of a limited time only.—Womack Garage.

Why Suffer From Rheumatism?

Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.

So extra delicious With fresh fruits

No other food has such an appeal on a hot day as Kellogg's Corn Flakes! They win fickle appetites, they satisfy hungry folks! As an extra-summer taste thrill, eat Kellogg's with the luscious fresh fruit now in season. Such a diet is not only ideal from a health standpoint, but it is refreshing!

You can eat Kellogg's Corn Flakes liberally at any meal because they digest easily. Let the children have all they want.

Insist upon Kellogg's Corn Flakes in the RED and GREEN package that bears the signature of W. K. Kellogg, originator of Corn Flakes. None are genuine without it!

LOCAL NOTES

In a letter received from Judge J. C. Hall Tuesday, who was in Austin to meet with the State Highway Commission to request additional aid on the proposed improvements to Lone Wolf and Morgan Creek bridges, he stated that scores and scores of county officials were in Austin on similar missions. "Demands extremely large are being made of the department at this time," he wrote, "but I am not going to be contented until we obtain assurance that the money we want, and need, will be awarded."

I will sell you a Ford, either new or used car, just as cheap as any one else. Will take your old car as part consideration on a new one. See me at A. J. Herrington new location. Maurice Coughran.

The county farm agent and C. W. Hooks were the principal speakers at a meeting of the Buford Pig Club, held Monday night of this week at Buford school house, north of Colorado. The boys met at the school house to hear talks on approved methods of pig feeding and care and also to exchange ideas obtained from their personal experiences. Dulin states that the meeting was interesting.

Have your tires been giving you trouble? Has your Ford been using too much gas? Then why don't you purchase a set of Star Ender braces and do away with the rattle at least.—Womack Garage will put them on for you.

The Colorado Bargain House received one of the largest shipments of shoes ever shipped to Mitchell county in their last week's shipment. There is a pair of shoes for each man, woman and child in Mitchell County.

You should not overlook our aluminum sale. Your choice of any piece in the west window of our store for only \$1.45.—H. L. Hutchinson & Co.

Prof. George Goodwin, prominent log breeder of Fairview, is destined to have the honors he has held for some time shared with other and younger competitors in the hog business, according to W. A. Dulin. Dulin states that quite a number of the boys in the pig clubs of this county are making history in the production of registered hogs. Better get busy, George.

This is to announce that we have bought the feed business of Vaughan & Son and will appreciate your business in the future.—Oliver & Bell.

Sweetwater continues to grow and conditions generally there are good, according to T. O. Cowan, citizen of that city who spent several hours in Colorado Tuesday. Cowan is interested in the oil field here and during the past few weeks has been a frequent visitor to Colorado.

If we should happen not to have just the part that you are in need of for your New Perfection stove we will get same for you on short notice.—H. L. Hutchinson & Co.
