## DROP CRUDE QUOTATIONS EFFECTS MITCHELL FIELD

Posting of a material drop in quotations on Mitchell County crude a few days ago has had its effect on activities in this field. The dampening effect is more noticeable in lease trading during the week than among the operating developers. At all of the drilling wells in the county, with the exception of some three tests where trouble has been encountered, operations continue and the completed wells are holding up under the pump.

The Underwriters Company announce location for another test in their block. This well, to be known as Zilpha Morrison No. 2, will offset Zilpha Morrison No. 1 and contract to drill it has been made with Riley and Haynes.

Two drilling wells in the field are temporarily handicapped as the result of collapsed casing. These are the Coleman No. 1 of the Flescher Oil Company, and Murphy No. 1 of Henry Riley. The Flescher Company will pull the casing for replacement, and Riley plans to plug back to 2740 feet and give the sand encountered at that depth a test for production. The Murphy well is approximately 3100 feet deep.

Chal Daniel drilled into the top sand in LeSure No. 1 Tuesday afternoon at 2440 feet. The sand has been penetrated about forty feet. Geo. Adams is on top of the sand in Easter No. 2 at, Iatan, but was fishing for a lost bit Wednesday afternoon. Adams expected to drill into the sand at 2660 feet and lost the bit at 2600.

S. S. Owen of Tulsa is in Colorado and according to J. L. Vaughan, general manager for the Underwriters Company, plans to complete the fishing job at Smith No. 1 and resume drilling there. A string of tools was lost in this well several days ago at a depth of 2300 feet.

## COUNCIL AWARDS CONTRACT ADDITIONAL WATER WELL

The city council awarded a contract to Claud Bell Monday night to drill an additional well on the waterworks property east of the city, the well to be 600 feet in depth, unless third strata of water be encountered at a lesser depth. Standard eight inch casing is to be set to the bottom.

## SON L. W. HAYNES KILLED IN AUTOMOBILE WRECK

The little son of L. W. Haynes, until recently of Colorado, was killed in an automobile accident near Miles Wednesday night, according to a telegram received Thursday by A. H. Dolman, Gardner Harness of Colorado was in the car, which was struck by a Santa Fe train, but he is reported to have been only slightly injured. No particulars of the accident could be obtained Thursday.

## NEW FORD AUTOMOBILE STOLEN MONDAY NIGHT

A new Ford touring car, property of J. C. Prude, was stolen from in front of the Prude residence Monday night. The car was used by John Prude until about 11 o'clock during the night and he left the machine parked in the street near the home, turning the switch and carrying the key with him. At 5 o'clock Tuesday morning the car was found to have been stolen.

Mr. Prude has offered a reward of \$100.00 for recovery of the car. From the house, it was driven east to near the High School building, turned northward a few blocks and from there west, where the trail was lost in the traffic on the street.

The car is described as having the left front bow bent near body of car, highway number 681546, seal number 413009, motor number 619012, and equipped with Goodrich tires, except one Gates tire on left rear wheel.

## LIONS ENDORSE AMERICAN LEGION HUT MOVEMENT

The movement recently started by the Oran C. Hooker Post, American Legion, to build a hut at Colorado was endorsed by the Colorado Lions Club, at the midweek luncheon Wednesday noon. The subject was introduced by Roy Farmer and spoken to by L. B. Elliott, T. W. Stoneroad, L. W. Sandusky, J. M. Thomas and C. H. Earnest. Each of the speakers spoke very highly of the merits of the "boys" in the movement.

The Lions voted unanimously to cooperate with the Legion post in financing the purchase or lease of a desirable building site and the construction of a hut here. A committee composed of Judge Earnest, Sandusky and Stoneroad was appointed to confer with representatives of the American Legion in the matter.

## DEMAND FOR COURT HOUSE ENDORSED BY OFFICIALS

Members of the Commissioners' Court, in session Monday, expressed their appreciation of the movement recently inaugurated at Colorado by the Colorado Booster Club for a new Mitchell County court house. That such is sorely needed was expressed by practically every member and some of them stated that it was a movement which should have been started long ago.

"We have been ready to co-operate with the citizenship of Mitchell County for a new court house for four years," Judge J. C. Hall stated. "And in this, we believe that the great majority of the citizens of Mitchell County are anxious to co-operate in putting over a bond issue for that purpose."

A new court house bond issue could be carried by the tax payers without increasing the taxes one penny, Judge Hall stated Monday night in discussing the subject before a meeting of the city council. He explained that this was possible because that the old court house bonds would be taken up next year and that the money with which to liquidate the last payment was now in the treasury.

At the time the bonds with which to build the present court house were voted the county had a property valuation of approximately two and one-half million dollars. The valuation now is six millions of dollars.

The plan has as yet not reached any definite stage and no information is available as to the type of or cost of the proposed new court house. Some of those citizens expressing interest in the plan, however, among them Judge Hall, have expressed the belief that the present court house was constructed entirely too large and that a smaller building would adequately meet all requirements of the county. Hall stated Monday that a ten room building would, in his opinion, be large enough.

## NEW WATER LINES BEING LAID IN EAST COLORADO

Joe H. Smoot, mayor pro-tem, stated Monday that the city was laying two inch water extensions in East Colorado to meet immediate needs for water in that section of the city. The main will be laid to within a short distance of the new auto tourists camp, recently improved by the Chamber of Commerce and it is understood that the Chamber will connect a water line from the mains to the park.

## LIONS CLUB ORGANIZED AT SNYDER RECENTLY

A Lions Club was organized here Monday night with the following officers:

C. S. Perins, Jr., president; E. E. Matthews, vice president; A. D. Erwin, 2nd vice president; R. H. Curvatte, 3rd vice president; Fritz R. Smith, secretary-treasurer; Earnest Taylor, Lion tamer; Rob Strayhorn, tail twister; F. G. Sears, assistant; J. O. Dodson, second year director.—Snyder Signal.

## FERGUSON DENOUNCED BY PRESIDENT WOMENS CLUB

Mrs. J. G. Merritt, president of the Mitchell County Federated Clubs was loudly applauded Tuesday afternoon by the twenty-five women from various sections of the county attending meeting of the Federation at the First Baptist church, when she stated:

"I believe that we, as Christian women, should do all in our power to see to it that the right kind of men are elected to office, and I do not believe that a man, who stands impeached, as does Jim Ferguson, should ever be elected as Senator from Texas."

The remarks of the club president were made just after calling the meeting to order, which was convened for the purpose of hearing an address by Miss Georgie Laceywell, recently assigned to Mitchell County as home demonstrator.

## SEWER AND WATER PLANT PROJECTS ARE DELAYED

Surveys for the sewage disposal plant and water extension have been completed by the engineers in charge, Myers & Noyse of Dallas, but because of delay in arrival of ditching machine the contractor, W. C. Weeks of Arlington, has not yet commenced excavations for the two projects. The ditching machine was shipped from Wichita Falls several days ago and is in a wreck on the Wichita Valley railroad.

Mr. Weeks left Colorado Sunday night to see about getting the delayed machine here, and upon reaching the scene of the wreck found it too be a mass of ruins. It was being shipped on a flat car, which jumped the track and turned over. Weeks is now in Fort Worth to purchase another ditcher to be shipped to Colorado.

With the exception of a change for the main sewer line leading to the disposal plant, the surveys made by the engineers last year will be followed out. The main line will go south from Second street at Chestnut, instead of Elm, as was at first planned.

## BAND UNIFORMS EXPECTED TO ARRIVE IN FEW DAYS

The Colorado Booster Band will shortly appear in the new uniforms purchased for the band members by business and professional men of Colorado, J. Lee Jones stated Monday. The uniforms were ordered several days ago.

The band gave a concert Thursday evening of last week on the court house lawn. During the evening refreshments were served by ladies of the Civic League, the proceeds of which were applied to the fund being raised with which to pay for the uniforms.

Plans are already being discussed for taking the band to the West Texas Chamber of Commerce convention at San Angelo next year. The Booster Club has promised to a strong delegation to that convention.

## OFFICIAL BALLOT FOR RUN-OFF PRIMARY AUG. 26

The official ballot for the run-off primary which is to be held August 26 is now in the hands of the printer and contains the names of all state and county officers who are seeking the several offices.

The absentee voting privilege will also be in effect for the run-off, the dates upon which voting may be done between the 16th and 23rd.

The following is the official ballot:

## ONLY THREE TEACHERS TO BE YET EMPLOYED HERE

All members of the Colorado schools faculty, except one High school and two grade teachers, have been employed for the 1922-23 term. E. Frank King, superintendent of the schools, stated Monday. When the other three teachers are employed assignments to the various grades will be made.

Mr. King stated that G. D. Foster had been re-elected as superintendent of the High school. This makes the third consecutive year Mr. Foster has been elected as principal here.

## JUDGE LOONEY ASSUMES OFFICE COLORADO MAYOR

"I deliver to you, sir, the keys of the city," Joe H. Smoot, out-going mayor pro-tem, stated to Judge R. H. Looney Monday night just after the oath of office had been administered to the incoming mayor by Mr. Smoot.

In his speech of acceptance, the new mayor stated that he was entering the office with an open mind and with the desire to cooperate with the gentlemen of the council who, by reason of their long service in that capacity, should be familiar with the affairs and problems of the city. The judge promised that he would devote his time and thought to all questions arising as affecting the city and its administration.

An official canvass of returns from the recent municipal election, in which Judge Looney was elected mayor, showed no change in the original announcement as to the number of votes received by Judge Looney and his opponent, Judge W. H. Garrett. Looney received 191 votes and Garrett 67.

Following conclusion of the business session, F. B. Whipkey, in behalf of The Record, delivered an address expressing the esteem of the city for the newly elected mayor. Refreshments were served members of the council with compliments of The Record.

## PARKING ORDINANCE BECOMES EFFECTIVE FRIDAY, AUGUST 18

An ordinance was passed by the City Council Monday night, prohibiting the parking of automobiles, trucks, wagons, buggies or other vehicles, along Second street between Elm and Oak streets, a distance of two blocks through the principal business district, for a period of longer than fifteen minutes. The ordinance will become effective today.

A clause in the article allows that delivery wagons are exempt from the provisions of the ordinance and owners of these may park them in front of their respective places of business. For the first offence a fine of any sum not to exceed five dollars is provided, and for subsequent offenses the fine is placed at any sum from one to ten dollars.

Some citizens of the city are registering complaints because of the ordinance, expressing the belief that its enforcement will prove an inconvenience to owners of cars who stop in the city. Still others disapprove of the clause allowing delivery wagons to be parked within the restricted zone, and at the same time making it an offense for other classes of vehicles to be prohibited.

## LORAIN LEADER SOLD TO MUNDAY, TEXAS, MAN

Will White, founder of the Loraine Leader more than two years ago and who during the time has edited and managed the paper, was in Colorado Tuesday and stated that he had sold the plant to Earl Williams of Munday. White stated that he had not decided what he would follow in the future.

Mr. Williams was also in Colorado Tuesday and while in the city paid The Record office a fraternal visit. The Record wishes success to the Leader under the new management. Loraine is a good town, surrounded by one of the best territories in West Texas and should easily support a good weekly paper and commercial printing plant.

## NEW FOUNTAIN INSTALLED AT JOHN DOSS PHARMACY

A new Liquid Carbonic fountain has been installed at the John L. Doss Pharmacy, which, according to Mr. Doss, is one of the best soft drink fountains west of Abilene. The fountain is sixteen feet in length and all metal parts are of solid German silver. Two sections of the front were broken while being unloaded by the draymen and these have been replaced temporarily with Beaver board until new sections can be shipped from Chicago. The crate containing these sections was partly unloaded when the team moved forward, allowing it to fall onto the concrete sidewalk.

## EXCAVATIONS COMPLETED NEW SCHOOL BUILDING

Excavations for the foundation of the new school building were completed Monday, L. H. Gaskins, architect, stated, and the concrete foundation was to be poured just as soon as steel reinforcing materials arrived at Colorado and could be placed on the ground. Gaskins stated that the steel was in transit to Colorado and should arrive within the next few days.

The new building, which is to contain ten class rooms, will be two stories and of fire proof construction throughout. The building will be rushed to completion in order that it may be available for school purposes at the earliest possible date.

The old roof on the Grammar school building has been torn away and brick and cement were on the ground Monday for laying a concrete girder around the building above the second story window openings and extending the walls higher. A modern roof will be built on the building and the interior walls are to be re-calculated.

The Grammar school building is to be completed by the time school opens in September, but the new building cannot be completed by that time.

## RANGER ATTORNEY WELL PLEASED WITH THE FIELD

Hon. Ole Overson of Ranger spent a few days of this and last week at Colorado and in the field with the view of making some substantial investments here. Overson was a conspicuous character during the development stage of the Ranger field and the building of a city at Ranger. When Ranger was at the peak of its boom days, Overson was mayor of the city and he will be remembered by those from Colorado who attended the West Texas Chamber of Commerce convention there in February, 1921.

In addition to looking after his extensive private interests and filling the office of district attorney, Overson is devoting some of his spare time to his recently acquired duties as general attorney for the West Texas Chamber of Commerce. It was Ole Overson who wrote the resolution introduced at Mineral Wells five years ago creating the West Texas Chamber of Commerce and he also later wrote the resolution presented before the first meeting of the board of directors naming Porter A. Whaley as general manager of the organization. He fostered something worth much to West Texas in both of those resolutions.

## LEACH APPOINTED PUBLIC WEIGHER AT WESTBROOK

H. R. Leach was appointed to fill out the unexpired term of I. R. Smith as public weigher of Precinct No. 2 at Westbrook by Commissioners' Court Monday, following acceptance of the resignation of Smith. Leach was nominated for the office of public weigher at Westbrook in the Democratic primary election July 22.

## WEST SIDE SINGING CONVENTION AT CUTHBERT

The West Side Singing Association will be held at Cuthbert Sunday, September 3, D. T. Bozeman of Cuthbert, states. The convention will last throughout the day and at noon a basket dinner will be spread. All singers and those who enjoy music are cordially invited to attend, Mr. Bozeman stated. It is expected that all families attending the convention carry a well filled basket.

## YOUTHFUL SLAYER GIVEN LIFE TERM IN PRISON

CLARENDON, Aug. 11.—Houston Upton, 17 years old, was given a life sentence by a jury at this place this morning for killing his school room sweetheart, Gladys Solomon, as she slept in her bed at the Solomon ranch house in Floyd county. The killing occurred February 27.

**Entertained for Husband.**  
Mrs. A. E. Madden entertained with a three course stag dinner Friday celebrating her husband's sixty-fifth birthday. There were covers laid for sixteen. The guests were the Standard oil men in Colorado and a few near neighbors. The color scheme was red, white and blue the big horseshoe birthday cake with its tiny red, white and blue candles brought back boyhood memories to all present. Mrs. Lucian Madden assisted Mrs. Madden in serving.

**Birthday Party.**  
Mrs. R. P. Price entertained about thirty little folks Saturday afternoon honoring her little daughter, Frances Elaine's, fifth birthday. The little tots had a good time playing on the lawn. The birthday cake with its five lighted candles was the delight of all present. Ice cream cones were served.

**Mission Club.**  
The Mission Club of the Presbyterian church had its August meeting with the president, Mrs. E. F. King. The roll call was a scripture quotation beginning with, Jesus said. The president gave as a Bible lesson a short history of the book of Esther. The pastor, Rev. W. M. Elliott, led the lesson on a general survey of Foreign Missions. Mrs. Kramer and Miss Orlena Elliott were guests. The hostess served sandwiches and iced tea.

**Circle Meeting.**  
Mrs. Cehroder was hostess for the Central Circle of the Methodist church Monday afternoon. After the

regular business the time was spent in studying tithing. Seventeen present were tithers. An interesting roll call was items of interest of the twenty-three missionaries who sailed August 10th for foreign countries. Mrs. Reid and Mrs. Fulkerson were guests. The hostess served ice cream and little cakes at the social hour.

**Birthday Celebration.**  
Birthday celebration in honor of Mrs. R. F. Franklin at the residence of L. J. Howell, age 72. Nine of her ten living children were present. 32 grand children and 3 great-grandchildren. Also present, her only brother-in-law, Mr. M. J. Franklin, who is on a visit here from Louisiana, age 77, and her only sister, Mrs. M. E. King, age 85, and Mrs. Mollie Dodson, sister-in-law, age 77. Mrs. Franklin received many presents, and an elaborate dinner was spread on the picnic style. The Photographer was present and made pictures of the family group of 62. A very pleasant day was spent, long to be remembered by those present.

**Band Concert.**  
A musical treat was had by all who attended the Booster Band concert on the court house lawn last Thursday evening. A big crowd was there and by the hearty applause every number was enjoyed. More and more Colorado appreciates her splendid band. The Civic League served ice cream and home made cake during the evening and gave the proceeds \$20.55 to the band boys to apply on the fund for their uniforms.

**Class Meeting.**  
The Kings Daughters met at the Methodist church last Thursday with Mrs. Fulkerson as hostess. The Bible lesson was the 25th and 26th Psalms led by Mrs. Arnett. The visiting committee made a good report as a result several new members have been added to the class. The class went on record as being opposed to one James E. Ferguson representing Texas in the U. S. Senate. The hostess served ice cold watermelon.

**Auxiliary to Legion.**  
The Auxiliary to American Legion met at the Chamber of Commerce Saturday afternoon. The main topic of the meeting was the County Fair to be held Sept. 22-23. The secretary, R. H. Ratliff, who is also an active member of the Legion, told of the plans for the fair. He was full of enthusiasm to make it a success. The Auxiliary pledged its full support in the work, as the Legion hopes to be able, having all the concessions at the fair, to realize quite an amount towards building their proposed hut.

A message was sent to Senator Culberson asking that he vote for the compensation bill. Miss Lula Helton was received as a new member. The next meeting will be in the Baptist Sunday school rooms.

**Strong Clayton Picture.**  
"The Price of Possession," which will be shown at the Gerrard Tent Theatre next Monday and Tuesday is the first Paramount picture Ethel Clayton made in the East since 1917. Heretofore Miss Clayton's work has been done in California. Her latest vehicle is a thrilling picture. Rock-cliffe Fellowes is her leading man.

**PIONEER CLUB.**  
A community club was organized in the Lone Star neighborhood a few weeks ago and named the Pioneer Club. It began with only a few members but now has an active membership of sixteen. It is to meet monthly and study community problems. The last meeting was held with Mrs. T. J. Draper. Miss Georgia Lacey was the new county demonstrator, was

present and told of the county demonstration work. She promised to meet once a month with this club and assist them in its work. Mr. and Mrs. Dulin and Mrs. Pilant were guests. Mr. Dulin made an encouraging talk to the club and promised his co-operation. The next meeting will be held with Mrs. H. L. Harrell October 12 and all who wish to become members are invited to this meeting.

The committee which was appointed to formulate plans for the year's work will report and the work begin in earnest. Mrs. Draper was assisted by her daughter, Miss Lera, and niece, Miss Emma Willis in serving fancy sandwiches and tea.

**Junior Missionary.**  
Junior Missionary society met with Mrs. Rube Hart Friday afternoon, August 4. There were 25 members present, 3 new names added to the roll, 5 visitors. Our study was on Korea, and it was decided to send Miss Erwin our missionary a Christmas box. This must be gotten off by Sept. 1, if it reaches her for Christmas. We hope our little folks are busy with their little gifts.

Watermelon served at the social hour.

**OUT BUFORD WAY.**  
And its trying to rain just as hard as it can. Everybody's grunting trying to help.

Grandma Franklin's home south town was the appointed place for a reunion of the Franklin family Wednesday of last week. Six sons, three daughters, thirty-two grand children and three great-grandchildren were present. Also Mr. M. J. Franklin of Mansfield, La., the old home.

We learn from Curtis Rodgers and others that another meeting started at the White church Tuesday of this week to go on through next week. Elder Offard that conducted the series of services at the school early in the summer will do the preaching through this meeting. The folks met at the church one day last week, shrubbed off the grounds and did some other repair work in preparation for the meeting.

Mr. Martin Miller is on an extended visit and business trip to his old home in East Texas. We have missed him out of our S. S. too, he's our secretary and treasurer.

Mrs. E. Blachard and son, Joe Leonard, visited in the B. B. McGuire home in the Union community Monday and Tuesday of this week. Fixing windmills seems to be the order of the day now. Mrs. Lindley is having a new tower put up on her

farm east of the C. G. Key farm, demonstration work. She promised to meet once a month with this club and assist them in its work. Mr. and Mrs. Dulin and Mrs. Pilant were guests. **WARNING TO PATRONS OF COLORADO POST OFFICE**

For several months there has been certain children who are permitted to run around on the streets at night who have been coming to the office and pulling the lock boxes open and taking the mail out. Some of this mail has been recently found on the post office lobby floor which causes us to believe that this is not done with the purpose of stealing but due to the fact that children do not realize the gravity of the mischief. Patrons are therefore warned to caution their children about tampering with mail boxes. If their children are not old enough to realize the danger they are too young to be permitted to run around the streets at night.

Box holders of the office are again cautioned to see that their boxes are securely fastened before leaving them after taking mail therefrom.

If we cannot protect this mail in any other way, there will be but one alternative and that will be to close

the lobby at night. This office does not desire to have to take this step as we realize it will be a great inconvenience to the public.

The office is being watched and if older people are found tampering with boxes the matter will be brought to the attention of a post office inspector.

We trust no further warning will be necessary.

Very respectfully,  
R. S. BRENNAND,  
Postmaster.

Mr. and Mrs. Eteson leave the first of September to attend the Triennial which convenes Sept. 8 in Portland, Oregon. They will be gone one month. There will be no church services except Church school, until October 1st.

**ROGERS CHURCH SERVICES**

A visiting minister will fill the pulpit at Rogers Sunday morning at 11 o'clock. Following the sermon the Lord's supper will be observed. The general public of the Rogers community are extended a cordial invitation to attend this service.

Sunday school at Rogers has been changed from 10 a. m. to 3 p. m. in order to better meet the convenience of those enrolled in the school. Attendance last Sunday afternoon is reported to have been good.

**AT THE METHODIST CHURCH**

The attendance at Sunday school was better last Sunday. The weather is becoming cooler now, and it is hoped that we shall have a considerable increase next Sunday. The time is 9:45.

Beginning Sunday morning and continuing for a few weeks, the pastor will deliver a series of sermons on "The Sins of Respectable People."

The sermon Sunday morning will be on the subject of "Envy." The subject Sunday evening will be "Covetousness." All the respectable people of town are urged to be present.

C. L. BROWNING, Pastor.

**BAPTIST NOTES**

Vacation is now over and we are home permanently. We hope to see your smiling faces Sunday at all the services. We have enjoyed some good meetings and the encampment, at Christoval, this summer. The Encampment was great all the way through. The summer is ideal and it is hoped we are all back home full of "pep" and enthusiasm for the work of the Master.

M. C. BISHOP.

**FIRST CHRISTIAN CHURCH**

Bible school Sunday 10:00, R. P. Price, superintendent. There was a good attendance Sunday and fine interest. Remember we are to have a picnic Tuesday next. Be on hand and on time Sunday.

The pastor has been away for some weeks, so he would like to see all present Sunday at both services. We have a fine musical program for 11:00 a. m. and 8:15 p. m. You will be welcome.

D. R. HARDISON.

**REVIVAL AT PLAINVIEW**

Rev. A. R. Tyson, missionary for the Sweetwater Baptist Association, is conducting a revival at Plainview church, three miles southwest of Colorado. The meeting opened Friday night of last week and is to continue through this week.

**To The People of Mitchell County.**

This is to let you know that I appreciate very highly the support you gave me in my race for the office of District and County Clerk. I will endeavor to merit your good will by giving the office the best attention. I feel that I am better qualified now than when first elected to serve you and, at any time I can be of service to you, individually or collectively do not hesitate to ask me.

Yours very respectfully,  
W. S. STONEHAM.

**NOTICE OF TRUSTEE'S SALE.**

THE STATE OF TEXAS  
County of Mitchell

Whereas, by virtue of authority vested in me, as substitute trustee, duly appointed in an instrument of writing made and executed by W. W. Porter dated on the 8th day of August A. D. 1922, substituting me for J. C. Hall named and appointed in a certain deed of trust, recorded in Vol. 14 on page 216 and 217 of the records of real estate mortgages and deeds of trust of Mitchell County, Texas, executed and delivered to the said J. C. Hall on the 1st day of August A. D. 1920 by S. D. Wood and wife, Eva Wood, for better securing the payment of ten (10) certain promissory notes of Three Hundred Forty (\$340.00) Dollars each amounting to Three Thousand Four Hundred (\$3,400.00) Dollars, said notes more fully described in said deed of trust and in a deed of conveyance conveying the hereinafter described land and premises by W. W. Porter and wife, Memphis Bryan Porter, dated August 1, 1920 to S. D. Wood recorded in Vol. 48 and on page 51 of the Deed records of Mitchell County, Texas, here referred to for complete description of said notes and the location and identification of said land and premises, said notes executed by S. D. Wood and payable to the order of W. W. Porter at Colorado, Texas, due on the 1st day of August A. D. 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929 and 1930, respectively, bearing interest at the rate of eight per cent per annum from August 1st, 1920 until paid, interest due and payable annually as it accrues on the 1st day of August of each and every year, providing that failure to pay either of said notes or any installment of interest thereon when due, shall at the option of the

holder of said notes, or either of them mature each and all of said notes, and in such event the holder thereof may proceed to collect the same in the same manner as if the full time provided in said notes had expired, and also providing for the payment of ten per cent additional on the amount of principal and interest then due as attorney's fees, if placed in the hands of an attorney for collection, said notes given in part payment for the purchase money for Lots Number 4, 5, 6, 7, 8, and 9 in Block number 43 in the City of Colorado according to the map plan thereof of record on pages 487 and 488 of the deed records of Mitchell County, Texas;

And, whereas, the said W. W. Porter is the holder and owner of said notes; and whereas W. E. Doughty in a deed from S. D. Wood to the said W. E. Doughty assumed the payment of and agreed to pay said ten notes as shown by the record of said deed in Vol. 49 and on page 504 of the deed records of Mitchell County, Texas, said deed dated Nov. 4th, 1920; and whereas, the said S. D. Wood and the said W. E. Doughty have made default in the payment of the second of said series of ten notes due and payable on the 1st day of August A. D. 1922 and all interest on the last nine of said series of notes due and payable on August 1st, 1922, and same is now past due and unpaid, principal, interest and

attorney's fees, by reason thereof and as provided for in each of said notes and in said deed of trust, the said W. W. Porter has declared each of said notes and all of said indebtedness immediately due and mature and has heretofore so notified the said S. D. Wood and W. E. Doughty, in writing; and, whereas, each of said notes are now past due and unpaid, now aggregating Three Thousand and Six Hundred Ten (\$3,610.00) Dollars, principal, interest and attorney's fees; and, whereas, I have been requested by the said W. W. Porter to enforce said trust, I will offer for sale; between the legal hours thereof, to wit: Between the hours of 10 o'clock a. m. and 4 o'clock p. m., at public auction, to the highest bidder, on the first Tuesday in September A. D. 1922, the same being the 5th day of said month, at the court house door in the City of Colorado in Mitchell County, Texas, the following described property to-wit: Lots number 4, 5, 6, 7, 8, and 9 in Block number 43 of the City of Colorado, Mitchell County, Texas, according to the map plan thereof of record in the office of County Clerk of Mitchell County, Texas, with all the rights, members and appurtenances thereto in anywise belonging.

Witness my hand this 8th day of August A. D. 1922.

EQUALIZATION NOTICES

The school board mailed out notices to scores of property tax payers of the Colorado Independent School District last week, citing them to appear before the board of equalization August 18th and show cause why their property valuations should not be raised. In order to have a school of nine months here another year it became imperative that the property valuations be raised approximately double the

amount shown on the rolls.

Insofar as we have learned but few property owners of the district will contest the recommendations of the equalization board in raising their property valuations. The school board faced one of two inevitables—raise the property values or promise a five months school. They carried this question to the public in mass meeting and the public requested that the property values be raised to the scale that would guarantee a school of nine months. In raising the property valuations of the district, the school board has done the bidding of those who pay the bill and acted in good faith for the best interest of the school children of the district. This being true, it appears that no one could consistently object to coming up with his part of the expense.

Extension Work

Since 1914 has the extension department been in effect and nearly all of that time has Mitchell County had a county agent but not till this summer, August 11th to be exact has it had a county demonstrator, as woman to help the women with their home problems. So while this is a new work for us it might be well to enumerate a few of things this means to the homes, especially to the rural homes and assist the women and girls with their many problems. The lines of work are food, clothing, gardening, poultry, home economics, community problems, child sanitation and how obtained. Any one of these subjects is a problem of itself in these days of specializing but in the home all of them came up for solution and the housewife and mother will readily grasp all of the information she may be able to secure. The successful farmer gives thought to food and its preparation for his stock, so why should not the housewife give the same for her growing family. A big per cent of the children are below par and the cause is said to be malnutrition. So it behooves the young housewife to get a better start than her mother along these lines. The county demonstrator has made a study along these lines and will not only help but will tell where valuable and free literature can be secured. Enabling the mother to use to best advantage such articles of food that her section of country will produce. Clothing is another

subject that women have been interested in since the first fashions were started with fig leaves. There is no question but all men and women like to be well dressed. Well dressed does not always mean expensive garments. The county demonstrator will teach the girls how to sew, beginning with the simplest things and gradually leading them to make all their clothes. Thus not only enabling them to save money but teach them to use their time and talents, but giving them the satisfaction of accomplishing things. All these things will be done by groups or club work so you see the necessity of co-operation. From time to time more will be said along these lines in the Record.

WEST TEXAS I. O. O. F. MEET ABILENE NEXT YEAR

SWEETWATER, Aug. 10.—Abilene was chosen as the 1929 meeting place of the West Texas Odd Fellows' Association at the closing business session of the organization here Thursday afternoon. Approximately 275 delegates and members were in Sweetwater for the closing session. J. M. Simms of Sweetwater was elected president for the coming year succeeding W. A. Prescott of Big Spring.

Other officers elected are: First vice president, J. J. Allen of Abilene; second vice president, C. E. Cameron, Sweetwater; Secretary, W. S. Hamilton, Abilene; treasurer, Mrs. Katy L. Doss, re-elected, Colorado and chaplain L. G. Suber, Colorado.

Delegates of the Rebekah Lodge continue to arrive for the contest degree work at the local hall Thursday night.

Approximately 500 Odd Fellows and their families, Rebekahs and their families and friends attended the picnic supper and entertainment given under the auspices of the local Odd Fellows and Rebekahs at the City Lake Wednesday afternoon.

The opening session was called to order at 9 a. m. Wednesday. The Rev. D. B. Doak, pastor of the local Methodist Church, delivered an address on "The Purpose and Precepts of Odd Fellowship." The evening session was opened with a solo by Mrs. B. L. Brost of Sweetwater, followed by an address by T. A. Lee of Palava. Miss Grace Adams and Miss Girlie Reynolds of Sweetwater entertained the audience with songs, which were followed by a reading by Miss Inalee Ely of Sweetwater. The association expressed its gratitude to the local lodge at the conclusion of the business session by a standing vote.

Quite a number from Colorado attended the association and said it was the best in its history.

APPORTIONMENT SCHOOLS FROM STATE WILL BE SMALL

AUSTIN, August 11.—Warrants are going out for \$468,500 in available school fund to the various schools of the State, representing a payment of 50c per capita on last year's apportionment of the State fund of \$13 for each child within the scholastic age.

There is yet \$1.50 due on last year's apportionment, or a total of \$1,945,500. Last year's census showed 1,297,279 scholastics.

It is not expected that this year's apportionment will exceed \$10. Miss Annie Webb Blanton, state superintendent of public instruction, said today that per capita allowance probably will be \$9.50 or \$10. The State Board of Education meets in August to make the annual apportionment.

An estimate of the scholastic for this year shows a total of 1,300,000. Only a very slight increase is expected over last year, as revisions at certain places showed alleged padding, and there will be decreases in several places this year.

Klan Lecturer at Slaton.

SLATON, Texas, Aug. 11.—Boldly announcing that he was Ku Klux that he was a National officer of that organization and that his father was also a member during reconstruction days, the Rev. W. A. Hamlett, pastor of the First Baptist Church of Austin, delivered an address to more than five hundred persons at the Theatre here this afternoon on the principles of the Klan. His remarks were well punctuated by applause.

Miss Alice Wins Miss Alice Robertson, republican of Muskogee, the only woman in the present congress, will again meet W. H. Hastings, democrat of Talequah, whom she defeated for re-election in 1920 in the second district.

Mrs. Barnes and son of Westbrook visited Mrs. Geo. Slaton last week.

LEAGUE CONVENTION AT COLORADO AUGUST 19-20

Miss Lois Carroll of Snyder, secretary of the Sweetwater District, Epworth League, wired the Record Monday that because of a revival meeting being in progress at Roby, the district convention had been moved from that place to Colorado and would convene here Saturday morning, August 19th at the First Methodist Church for a session of two days.

Miss Carroll will arrive in Colorado this afternoon to complete arrangements for the convention. Arrangements to entertain the visiting delegates are being made by members of the Colorado League.

### COUNTY FEDERATION

The Mitchell County Federation of Women's Clubs met in called session at the Baptist Sunday school rooms Tuesday afternoon for the purpose of hearing and meeting Miss Lacey, the new county demonstrator and to plan for the Mitchell County Fair to be held September 22-23. There was a large crowd present, representatives from Loraine, Lone Star and other communities as well as representative women of Colorado. Miss Lacey, in a most interesting manner, told some of the things of the county demonstration work. She was well pleased with her reception in Mitchell County and of way in which it was organized for her work. She was very optimistic for the future but said she could not operate without the different communities would cooperate. This they have pledged to do. The coming fair was much discussed and the women were all willing to lend their support to it. Mrs. Jack Smith, chairman of the needle work department made an appeal for her booth and secured assistants from the various communities represented. Miss Dry also told the women something of what an art exhibit should be and asked them to be thinking about it so that they might be of assistance to that committee when the fair officials appointed it. The club went on record as being opposed to James E. Ferguson as U. S. Senator from Texas. The time of meeting was changed from 4:30 to 4 o'clock. The next meeting will be Sept. 12th at the Baptist Sunday school rooms.

### HUPMOBILE PRICES REACH ROCK BOTTOM

Colorado Garage Announces Big Reduction in Prices on Popular Four Cylinder Car.

One of the most important indications of the stabilizing of conditions in the automobile world is the reduction of Hupmobile prices just announced by the factory at Detroit according to G. E. Womack of the Colorado Garage, distributors.

A reduction averaging \$100 per car affecting all models has been announced on the Hupmobile and Mr. Womack states that this is the lowest level that prices on Hupmobile of the present design and quality have ever been offered, and that as great as the Hupmobile value has always been conceded even by concerns selling competitive lines of cars, the Hupmobile today stands probably foremost in genuine intrinsic value.

"Hupmobile prices," declares the Colorado Garage proprietor, "have reached rock bottom and we expect a heavy increase in business."

### LIVESTOCK BREEDERS WILL PROFIT BY FAIR EXHIBITS

The Mitchell County Fair to be held at Colorado September 22-23, will be of much importance to livestock breeders of this section in fostering a campaign to appreciate the value of good sires which are to head both the cattle and hog herds, according to W. A. Dulin, county farm agent. In a statement given The Record Monday, Mr. Dulin says:

"We believe that the county fair has been one of the most important factors in calling our farmers' and ranchmen's attention to the value of good sires. We also believe that it will be of greater importance in the future than in the past, if more people will avail themselves of the opportunity of contrasting the sires they have at home with the best that will be on exhibit during the show. The animals that will be exhibited are not better, just because they have been fitted, but on account of the fact that they, and their ancestors for several generations back, have been selected for a particular purpose.

"The Fair Association has secured the services of John M. Simpson from the Extension Service of the A. & M. College to act as judge in the Livestock Division. The judging of the various kinds of livestock should be of great interest to all of our people who are interested in improving their animals, as Mr. Simpson will explain, why certain animals are good enough to be placed at the top of the class and other poor enough to be placed at the bottom. You will also have an opportunity to get other information than judging, as the judge will have some time to discuss such subjects as feeding, and management of livestock with our people.

"Will you join us in increasing the attendance at the Fair, and assist us in interesting more people in the use of better sires?"

### Hunger, the Best Sauce.

Sauce is used to create an appetite or relish for the food. The right way is to look to your digestion. When you have good digestion you are certain to relish your food. Chamberlain's Tablets improve the digestion, create a healthy appetite and cause a gentle movement of the bowels.

### "FIGHTIN' MAD" LOVE STORY OF ADVENTURE

There is a wealth of romance and adventure, with daring feats of horsemanship and perilous escapes portrayed in "Fightin' Mad," a Metro release for William Desmond Productions which comes to the Tent Theatre Wednesday and Thursday, August 22 and 23rd.

There is never a draggy moment. The youthful hero gains the friendship of his comrades of the Border Patrol by his expert use of his fists and then proves that he is just as good a rider and fighter when they set out to rescue his sweetheart who has been captured by bandits.

In this screen adaptation of the original story of H. H. Van Loan, William Desmond once again demonstrates that he has few competitors as an all-around athlete. Virginia Brown Faire was excellent as the girl who found many strange happenings in the big outdoors. Rosemary Thelby as the sweetheart of the bandit chief and William Lawrence as the chief were both typical of their parts.

"Fightin' Mad," was directed by Joseph J. Franz and photographed by Harry A. Gersted.

### Cause of Appendicitis.

When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter, that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Take Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis.

does not depend so much on the building materials as on the solidity of its resources and the ability of the management. Both of these are fully demonstrated in the conduct of this bank.

Its financial solidity is beyond question, as the last statement will show. It is managed in a conservatively progressive manner which offers every courtesy to its customers consistent with the safety of its deposits.

BIG-SIX

was **\$1785** Now **\$1650**

**YOU** can buy a Studebaker Big-Six Touring Car today for \$1650. This is the lowest price ever asked for a car of its sterling high quality.

Always a matchless value, the Big-Six stands out today more strikingly than ever in the field of fine cars.

The seven-passenger Big-Six is not a "volume" motor car, but you get it at a volume price because the Studebaker organization produces and sells three separate models with only one overhead.

Look over the field. Check the many points that will appeal to you in the selection of a car. See the Big-Six. Ride in it—we'll

take you for a demonstration any time you say. Try the wheel yourself. Then compare it with any other car, even at two or three times its price, and you will appreciate how much more you get for your money in a Big-Six than you can find anywhere else.

The price of the Big-Six was reduced at a time when Studebaker had unfilled orders on hand for more than 15,000 cars. The first seven months of this year were the biggest in Studebaker's 70 years' history. Capacity production lowers costs and Studebaker believes that its manufacturing savings should be shared with the customer. Hence the new low price of the Big-Six.

**PLANS FOR MITCHELL FAIR MATERIALIZING**

R. H. Ratliff, secretary of the Mitchell County Fair Association, and Sam Goldman, chairman of the American Legion committee in arranging details for the first Mitchell County Fair to be held at Colorado September 22-23, are perhaps the two busiest men in the city. They are devoting their entire time to working out plans for making of the fair a big success and discussing various phases of entertainment and exhibits with local citizens and by others over West Texas by wire and letter.

The premium lists have been compiled and will be delivered from the press next week, Ratliff stated Tuesday. Work on the fair catalogue is progressing and it is expected that all advertising copy and other matter to be carried in the edition will be ready for the press within the next week. Automobile posters and road signs have already been printed and are being distributed over the county.

In speaking of the advertising feature of the fair catalogue, Ratliff stated: "All receipts from the sale of advertising space in the catalogue will be placed into a fund for meeting the cost of premiums and other expenses of the fair. The fair is for the benefit of the business and professional man, just as much so as any others, and unless the fair management receives full co-operation from them, the fair here Sept. 22-23 will not be the success we hope to make of it. In writing letters, we urge that you mention the Mitchell County Fair. In talking, talk about the fair; in singing, sing about the fair, and when you sleep, have your dreams to paint a wonderfully successful fair. To make it a success help us advertise."

Among the big attractions is to be the crowning of the Queen of the first Mitchell County Fair and American Legion Celebration, which event will be observed at 8:30 o'clock on the closing night of the fair. The Queen will be nominated by popular votes which will be polled at booths to be placed in each of the drug stores in Colorado, Lorraine and Westbrook. Rules governing this contest, as announced by Mr. Ratliff Tuesday afternoon, follow:

1. The contest will be open to any young lady or girl residing in Mitchell County, who is 15 years of age or over.
2. Each contestant will be given 5,000 votes, on condition that her name is entered not later than August 26.
3. All votes, not including those mentioned in section 2, will be sold at one cent each, payable in advance at the time votes are cast.
4. The contestant receiving largest number of votes will be crowned Queen amid elaborate ceremonies at 8:30 p. m., the closing day of the fair, August 23.
5. All other contestants will be designated maids in waiting to the Queen.
6. The Queen will select her prince consort to be crowned with her and likewise the dutchesses, or maids in waiting, will select their dukes.
7. The contest will close promptly at 9 p. m., September 18, and no votes polled after that date will be counted.
8. No votes shall be transferable under any conditions. This will eliminate any contestant from giving her votes to another contestant.

In speaking of the exhibit booths, Secretary Ratliff stated that all exhibitors should make application for these privileges not later than Wednesday, September 20.

Ladies of the county, through the Mitchell County Federated Club, are making elaborate plans for the fair, in the way of exhibits. It has already been definitely announced that exhibits of canned vegetables, and fruits, preserves, etc., are to be made by these ladies. Needle work products, art specimens, sewing and numerous other classifications are also to be featured.

At a meeting of the Federated Club, held Tuesday afternoon at the First Baptist church Sunday school rooms, plans for making these exhibits were discussed. Twenty-five ladies, from several communities of the county, were in attendance, and they were greatly enthused over the part they are to have in the fair.

Miss Laceywell, home demonstrator spoke at length before the meeting and spoke highly of the commendable work being done by the fair association and the American Legion in fostering the fair movement as strongly as they are. "The county fair is one of the best mediums I know of for promoting community co-operation and community interest in the material things of life," she

stated. In speaking of the well organized boys clubs of the county, Miss Laceywell stated that it was of course disappointing to her to learn that in this matter the boys were much farther advanced than were the girls. That the girls shall also have their clubs and be in position to compete with exhibits brought to the fair after this year, was promised by the home demonstrator.

The committee representing the American Legion who have in charge the entertainment features of the fair, announce that contract has been made with Elmer Gardner of Hermleigh for a big rodeo event both days. Substantial prizes will be offered in these events.

Negotiations have been completed with A. J. Herrington, Ford distributor, for staging a Ford round-up during the fair. Owners of "Tin Lizzies" and "Henrys" will be given an opportunity to compete for prizes the list of which will probably be announced next week.

The Colorado Booster Band of twenty pieces and directed by Sam Goldman, will furnish concert music throughout the two days of the Fair. This band is fast becoming to be recognized as one of the best bands in West Texas.

Just received advanced showing of the New Fall Coat Suits also Poiret Twill and Canton Crepe Dresses. Come and see them.—C. M. Adams.

She was accompanied by the buyers from the Plainview and Tulla store also by Mrs. W. A. Minter of Abilene for the Minter Dry Goods Co. Mrs. Ragan reports a nice trip and that she took in everything from Broadway Baptist church to the Giant's Baseball park. In speaking of business she said:

"Business conditions throughout the country were showing marked improvement until the railroad crisis became so serious. This has affected labor centers in the east much more noticeably than in this section or in the western portion of the country to the extent that it is causing unrest in business circles. With the settlement of the railroad strike business conditions will soon be back to normal and continued improvement will be noticeable."

**Same Old Story But a Good One.**

Mrs. Mahala Burns, Savanna, Mo., relates an experience, the like of which has happened in almost every neighborhood in this country, and has been told and related by thousands of others, as follows: "I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint three or four years ago and a few doses of this remedy cured me. I have recommended it to dozens of people since I first used it and shall continue to do so for I know it is a quick and positive cure for bowel troubles."

### Leader Changes Hands.

E. T. Williams of Munday purchased the newspaper and job printing plant of the Loraine Leader last week from Mr. and Mrs. Will White. Mr. Williams, who comes to us highly recommended as a high-class gentleman, a good newspaper man and a rustler, assumed ownership of the business the first of this week. Mr. and Mrs. White and baby left the latter part of the week for Falls, where they will visit her parents, Mr. and Mrs. B. M. Parker for a while. Mr. White stated that he had not definitely determined what he would follow in the future. We regret to lose these good people but wish for them as well as their successors good fortune and success wherever they may be.

### Painful Accident.

Mrs. W. D. McCarley, while chipping ice for dinner Sunday, happened to a painful accident when she slipped on the lionelium and fell breaking both bones in her right fore arm. Dr. Martin was called to set the broken bones and Mrs. McCarley is reported as doing nicely at this writing.
