

COLORADO SCHOOLS WILL OPEN MONDAY, SEPT. 18

The Colorado schools will open September 18th, according to E. F. King, superintendent. Mr. King stated Monday that this date had been designated by the school board, on condition that repairs to the Grammar school building were completed before that date, and that the contractor, J. M. Morgan, had promised to have the building ready for use by September 10.

No additional teachers had been employed up to Monday, King stated, and the two vacancies in the lower grades and one in the high school are yet to be filled. No assignments of teachers will be made until these teachers are employed.

The strike of railroad shompen is having its effect in progress on the new school building in that re-inforcing steel for the foundation is being delayed in reaching Colorado. E. M. McCollum, of Dallas, an official of the Texas & Pacific, was in Colorado Friday and stated that train service on practically all divisions had been greatly crippled because of the strike and that shipments of necessities and perishables were being given the preference in moving freight.

COLORADO NATIONAL BANK BUILDING WORK DELAYED

The shompen craft strike is affecting Colorado in causing a delay in materials for the Colorado National Bank building. Work has been temporarily suspended by the contractor, J. M. Morgan, for several days because that re-inforcing steel for the foundation cannot be delivered.

ELECTION OFFICERS ASKED TO TELEPHONE RETURNS

Election officers are requested to telephone returns from their boxes just as soon as the reports can be tabulated Saturday night. The Colorado Chamber of Commerce desires to obtain this information for the public and will appreciate your cooperation. Call W. S. Cooper, collect, and make your report. We will appreciate it.

CHRISTIAN S. S. MEMBERS PICNIC AT PECAN GROVE

Members of the Sunday school of the First Christian church were driven to Pecan Grove, five miles south of Lorraine Tuesday afternoon where a picnic was enjoyed. At 6:30 a basket dinner, prepared by ladies of the church, was spread at an inviting spot in the grove and varied entertainment features were enjoyed. Rev. D. R. Hardison, the pastor, estimates that 150 people motored to Pecan Grove for the picnic.

W. W. Jeffress and R. P. Price were in charge of arrangements for the outing. In addition to the basket dinner, iced drinks were served. "It was one of the most enjoyable Sunday school picnics I ever attended," Rev. Mr. Hardison stated Wednesday morning.

"Seeking the end of the rainbow," a contest in which scores of the children participated, proved one of the most interesting attractions of the picnic. A vessel containing a number of pennies was hidden in the grove and the goal was to find it. The contestants were required to seek out the hidden treasure by following a prescribed route, taking them in every direction of the compass.

"The children are not the only ones to appreciate cold soda pop," R. P. Price stated Wednesday morning. "There was an abundance of this beverage on hand and from the number of empty bottles discarded by the older people, one could see that they are on a par with the children in soda pop drinking, as well as real enjoyment of a good picnic."

RURAL POULTRY CLUBS BE ORGANIZED SATURDAY

Under the personal direction of Miss Myrtle Murry, superintendent poultry division, extension department, A. & M. College, rural poultry clubs are to be organized in Mitchell County Friday and Saturday. Miss Murry will be assisted in this work by Miss Georgia Laceywell, home demonstrator, and W. A. Dulin, county farm agent.

The first meeting will be held in the Buford community Friday morning, and from there the party will go to Looney for a meeting Friday afternoon. A rally for the east end of the county will be held at Lorraine Saturday afternoon.

ORDINANCE REPEAL ASKED BY LIONS OF COLORADO

Out of seventeen members of the Lions Club voting on the question as to whether the parking ordinance recently passed by the city council should be repealed, twelve expressed the belief that such should be done, when the question was put by Col. C. M. Adams, Lions Club president, at the luncheon Wednesday. Five members of the club expressed the belief that the ordinance should not be repealed, but that the time allowed for parking on Second street within the restricted zone should be extended from fifteen minutes to forty-five minutes. Other members of the club did not vote.

Every member of the club who expressed himself on the matter recommended that the ordinance be either repealed or an extension granted in the time in which cars are allowed to remain parked in the zone affected by the ordinance. Col. Adams stated that from a civic viewpoint, the ordinance was beneficial, but when considered in the light of the commercial interests of the city, it was detrimental to the business interests of Colorado.

"There is a local restaurant proprietor who tells me that this ordinance caused him to lose fourteen dinners recently," one of the Lions stated. A party stopped in front of this man's place for dinner, and when informed that they could not park their cars over fifteen minutes, drove off, stating they would make the next town.

At another restaurant a party of tourists stopped early the other morning for breakfast, according to one of the Lions, and when informed that he did not have time to eat breakfast and leave his car parked in the street without violating an ordinance, asked the distance to Sweetwater. "Well, we will eat breakfast in Sweetwater," he remarked as the car pulled out from the curb.

Business men generally of the city are represented as being opposed to the ordinance in its present form, some demanding its repeal and others demanding that the time allowed for parking in the restricted zone be extended. It is understood that a petition is being circulated requesting the city council to either amend the time clause or repeal the ordinance all together.

T. W. Stoneroad, member of the committee appointed to confer with representatives of the American Legion about the proposed hut, stated that tentative plans called for an expenditure of approximately \$6,500. A committee composed of Thos. Dawes, O. Lambeth and L. W. Sandusky was appointed to formulate methods for raising the money. This committee was requested to report at the next luncheon, Wednesday noon.

On motion of J. H. Greene, official tail twister, the Lions were unanimous in extending an invitation to all active ministers of the city to meet with the club, the ministers to be invited in rotation one at a time. This invitation is to be extended in alphabetical order. The club also extended to Miss Laceywell, recently assigned as home demonstrator of this county, an invitation to meet with the club next Wednesday.

Visitors announced Wednesday were R. M. Hoffer of San Angelo, representative Oil and Gas Department, State Railroad Commission; Sam Acton of Dallas, representing the Southwestern Paper Company; J. O. Crawford, secretary of the Underwriters Producing & Refining Company, and Rev. M. C. Bishop, pastor of the First Baptist church of Colorado.

Fines were assessed against three members of the club for failure to attend the luncheon.

Returns from the run-off primary election will be posted on a bulletin board in front of the Record office Saturday night. The returns will be from both the State and County elections. This service will be rendered the public by the Chamber of Commerce.

\$50 ADVANCE ALLOWED ON ALL FARM BUREAU COTTON

Members of the Farm Bureau Cotton Association will be paid an advance of \$50 on each bale of cotton pooled with the association this year, upon presentation of freight bill of lading to their bank, R. E. Overstreet, of Lubbock, district manager, stated in addressing a meeting of Colorado bankers and business men at the Chamber of Commerce Tuesday afternoon. The advance allowed last year was \$25 per bale.

On the twentieth of the month following shipment of the cotton another advance, placing total payment to an amount equaling sixty per cent of the market price of the staple, will be paid. The sixty per cent advances, which will include the fifty dollars drawn at bank when cotton is shipped, will be paid on each bale pooled until December 1, when funds from accrued sales will be disbursed. Additional disbursements from sales will be made each succeeding ninety days.

Another change announced by Overstreet in the handling of cotton this year is that all moneys for cotton sold will be sent by the association direct to the banks, and not to the bureau members, as heretofore. Each bank co-operating with the association will furnish the association with the names of its patrons and from these lists cotton remittances will be compiled to the banks. These payments are to be made at regular intervals of sixty days, unless in cases where an unusually large sale of cotton is made thirty days or more before the remittance date.

"We are going to join every member of the association who attempts to sell cotton on the street," Overstreet stated. "The only way for the association to be made a success is to follow out the terms of those contracts and this we plan to do." Sales of cotton on the local market will be authorized, however, Overstreet stated, in those instances wherein the banker or merchant considers their interests in jeopardy, and demand of the member that the cotton be sold to protect past due or unsafe obligations.

Overstreet made the prediction that when the cotton market is better stabilized, as a result of the marketing system of the Farm Bureau, a price of not less than twenty cents per pound will obtain at all times. Average quotations of the association last year were approximately two dollars above spot cotton quotations posted by jobbers and importers, he declared.

E. M. Baldwin, secretary-manager of the Mitchell County bureau, stated that he had on file in his office records of where Mitchell County members of the association had received more than thirty cents per pound for their 1921 cotton. No cotton is to be concentrated locally, Baldwin stated. As each bale of cotton is delivered to the compress by members of the association, it will be way-billed en route and immediately shipped to Texas headquarters at Houston where warehouse facilities are provided.

J. M. Thomas, vice president of the Colorado National Bank, T. W. Stoneroad, Jr., vice president of the City National Bank, and others spoke before the meeting. The bankers, while not criticizing the system of marketing being worked out, spoke their disapproval of the policy followed last year in withholding deposits from the country banks in favor of the city banks, and of the confusion in handling cotton accounts of their customers.

SUCCESSFUL REVIVAL IS CLOSED AT CUTHBERT

G. W. Womack of Cuthbert was in Colorado Monday and reported that the revival meeting closing there recently had been successful. Rev. H. W. Hanks of Sylvester did the preaching. An offering of \$70 was given the preacher and \$260 raised with which to make repairs to the church, Mr. Womack stated.

FEW PROTESTS ARE FILED AGAINST PROPERTY RAISE

But few property owners of the Colorado Independent school district filed protests against the raise in valuations posted recently by the school board, E. F. King, superintendent of the schools, stated Tuesday. Several property owners appeared before the board of equalization, King stated, but when shown that the raise was necessary in order to maintain the schools, but few protested. The valuations were raised from \$2,500,000 to approximately \$4,000,000, the exact amount however, will not be known until the rolls are made out.

Jack Smith, secretary of the school board, is reported as having found property in the district appearing on the unrendered rolls. This will be included in the revised rolls, soon to be made.

It is stated that the district is due the sum of \$1.50 per capita from the State, as balance due on apportionment allotted last year.

CHRISTIAN ENDEAVOR HAS INSTALLATION OF OFFICERS

An interesting program was featured in the public installation of officers by the Christian Endeavor society of the First Christian church Sunday evening. The new officers follow:

President, Miss Mary Broadbuss; vice president, Miss Elouise Pond; secretary, Miss Hettie Erwin; treasurer, Darrell Skinner; pianist, Miss Marcella Price; publicity director, Miss Jaunita Pond.

INTERESTING STONE RELIC FOUND FORTY YEARS AGO

A stone image representing the bust of a human being is on display at the office of Hart-Costin Realty Company, in the City Hall. The image, which is claimed to have been found several feet below the surface by a man who was digging a well on the N. T. Smith place, five miles west of Colorado forty years ago, has been in the possession of Turkey Smith, an old negro resident of Colorado, since that time.

A few days ago, J. L. Costin, member of the realty firm, was in the negro's cabin and noticed the image. The old darkey told how that it was found and stated he had kept it in his home all these years. Upon request, the negro presented the relic to Hart who prizes it very highly.

The image weighs nineteen and one-half pounds and was hewn from granite. Since there is no granite known to exist in this section, it is supposed to have been brought here from some other locality, probably from Old Mexico. An old primitive stone mill was found several years ago near the location where the image was found.

It is believed by some that the stone image was an idol, worshipped by a tribe which in the long ago lived in this section. It is known that nomadic Indian tribes frequented this part of the State until the early seventies.

BAPTIST REVIVALS CLOSE AT TWO RURAL CHURCHES

The revivals conducted at Plainview, three miles southwest of Colorado, and at Longfellow, seven miles northeast of town, by the Baptist congregations of those communities, were closed Sunday. At each of the places good revivals are reported.

Rev. A. R. Tyson, missionary of the Sweetwater Association, did the preaching at Plainview and several additions to the church there are reported. At Longfellow, the pastor, Rev. W. A. Foster, was assisted by Rev. W. C. Harrison of Seymour. Seven were baptized at Longfellow Sunday afternoon.

REVIVAL MEETING BEGINS AT ROGERS SEPTEMBER 3

Rev. Silas Dixon, the pastor, will begin a series of revival meetings at Rogers Sunday, September 3rd. Citizens of the Rogers, Horns Chapel, Fairview and Cuthbert communities will cooperate in the meeting.

MITCHELL OIL SITUATION UNCHANGED FOR WEEK

The Magnolia Petroleum Company is completing a pipe line from Iatan tank to their Foster No. 1, in section 18, of the Foster ranch. The pipe line was laid to carry water for operations at the well. The company had reached a depth of 565 feet Thursday morning, with a fifteen and one-half inch hole. Scarcity of water is causing delays at some of the other drilling wells where the supply was being taken from surface tanks.

Another new test was announced this week. This well, to be known as Badgett No. 2, will be drilled in the Fairview community near Badgett No. 1. Location will be made within the next few days.

Henry Riley is setting six and five-eighths inch casing at Murphey No. 1. Drilling is progressing slowly at Underwriters Texas & Pacific No. 2, where a depth of 3150 had been reached Wednesday afternoon. Morrison Two and Texas & Pacific One of this company continue to hold up under the pump.

Foster No. 2 of the Colorado-Texas Company and LeSurre No. 1 of Chal Daniels are on top of the sand, as is also Stewart No. 1 of Maxwell & Johnston Bros. near Iatan.

80 SECTIONS H. S. RANCH OPENED FOR COLONIZATION

Harry Hyman, owner of the H. S. Ranch, announces this week that approximately eighty sections of the property will be opened to colonization and sold to settlers in tracts of from eighty acres up. This ranch comprises some of the most desirable agricultural lands in Mitchell county.

Mr. Hyman advertises that the land will be sold on easy terms. He will spend several days at the Barcroft Hotel to meet interested parties.

RURAL SCHOOL DISTRICTS VOTE SPECIAL TAX INCREASE

Four rural school districts of the county have recently voted to increase the tax rate for school purposes, in keeping with the campaign for better rural schools in Mitchell County. These are the Looney, North Champion and Lone Star districts, which voted to increase the tax limit from fifty cents to one dollar on the hundred dollars valuation, and the Cuthbert district, which voted an increase of from twenty cents to fifty cents.

Citizens of the Spade district have recently voted a bond issue of \$1,000 with which to construct an additional room onto the school building and contract for this was awarded last week to A. G. Furlow of Lorraine. This will make the Spade school one of the largest in this county, having a total of four class rooms.

SIX CONTESTANTS ENTER COUNTY FAIR QUEEN CONTEST

Five young ladies of the county have entered the contest to be crowned Queen of the Mitchell County Fair, September 23, R. H. Ratliff, secretary, stated Thursday morning. These are Misses Fannie Bess Earnest, Hazel Costin, Madeline McCallum, Lottie Pritchett, Elsie Lee Majors and Ida Richardson.

These contestants, having entered before August 26, were awarded 5,000 votes each. Voting in the contest will be commenced Saturday.

KLAN ISSUE IN TEXAS ELECTION SATURDAY

AUSTIN, Texas, Aug. 22.—Fire and water enter into all Texas political discussions these days. The fire is the "Flaming Cross of Scotland Hills" otherwise the insignia of the Ku Klux Klan.

The water is involved in the question of water vs. light wines and beer.

Texas will choose a United States senator August 26 from a field of Earle B. Mayfield, reputed to have the solid support of the Klan and James E. Ferguson, impeached while governor on charges of misusing state funds. Ferguson has declared himself for light liquors and against the Klan.

Predictions are that it will be one of the most bitterly contested elections in the history of Texas.

EPWORTH LEAGUERS CLOSE SUCCESSFUL MEET HERE

The Epworth League convention of the Sweetwater district, Methodist church, which was convened here Saturday morning at the First Methodist church by Miss Lois Carrell of Snyder, district secretary, came to a close Sunday night, following conclusion of one of the most enthusiastic and successful district rallies ever held by the chapters of the district.

Delegates from practically every organized chapter within the district were in attendance throughout the two days. The convention was called to order Saturday morning at 10 o'clock by the secretary and the address of welcome was delivered by W. S. Cooper, president of the Colorado chapter. Miss Elsie Davis of Sweetwater delivered the response.

The Saturday morning session was devoted to organization and committee work. C. B. Casey of Clarendon, Northwest Texas Conference president and Prof. C. L. Browning, Jr., of the Sweetwater schools, delivered addresses before the convention Saturday morning.

Reports of the various chapters in the district were made during the Saturday afternoon session and these showed that the league is progressing at every station. Some of the delegates reported young people of their chapters who had lately surrendered for special life service. Some of these young people are to enter the ministry while others are to train for missionary duties abroad. Rev. C. E. Jameson, pastor of the First Methodist church at Snyder, and Miss Jaunita Pond of Colorado, president of the Christian Endeavor, Albany district, spoke before the convention Saturday afternoon.

At 6 p. m. Saturday the visiting delegates were taken for an automobile ride over the city and then to Seven Wells, historic beauty spot a few miles south of Colorado, where at 7:30 o'clock a basket dinner was served on the rocks near one of the springs.

Rev. C. L. Browning, the host pastor, delivered an address to the Epworthians Sunday morning at eleven o'clock at the First Methodist church. Business and devotional services were held Sunday afternoon and the concluding service was featured in a debate at the church auditorium Sunday evening on the subject: "Resolved, that the life and works of Jonathan were greater than the life and works of David."

The convention pledged support to the movement recently inaugurated to establish a permanent Epworth League encampment on the Palo Duro Canyon. The plan is to purchase a desirable site and permanently improve it and hold encampment each summer. The Northwest Texas Conference, in session last October at Amarillo, endorsed such a movement.

Special efforts are to be made to organize chapters at places now unorganized, according to resolutions adopted Sunday afternoon. Resolutions submitted by the policy committee call for one of the most active programs for the ensuing year ever attempted by the district.

A 'WEALTHY ROOKIE'

Every American doughboy will sympathize with Douglas MacLean when he sees him in his new comedy "The Rookie's Return," which will be on view at the Tent Theatre next Monday and Tuesday. The star, who falls heir to a large fortune, has his troubles when he is compelled to solve the great servant problem in his inherited home. But these worries ultimately bring him happiness in the form of a sweet girl, Doris May, his former teacher in Paris. The picture, in his leading roles, is his leading roles and leads in excellent supporting cast.

FARM BUREAU CAMPAIGN WILL LAST FIVE WEEKS

Walter Wins of Lubbock has been employed by the Mitchell County Farm Bureau to conduct a campaign in this county for enrolling new members in the organization and better explain working details of the organization, with special reference to the cotton marketing association end of the bureau. E. M. Baldwin, secretary-manager of the local organization, stated Tuesday.

H. E. Overstreet of Lubbock, president of the Lubbock County Farm Bureau and J. W. Miles of Dalhart, a representative of the State organization, were in Colorado Tuesday and met with the board of directors of the Mitchell County Farm Bureau. At this meeting plans for conducting the county campaign were worked out. The campaign was started Tuesday and will last for a period of five weeks.

The plan will be for the representative to visit the farmers individually and also hold community mass meetings at which addresses on the Farm Bureau will be made. Announcement of these community meetings will be made public within the next few weeks by Mr. Baldwin.

Overstreet left Colorado Tuesday night. He will return September 7 to spend two days in the county and deliver addresses. He will speak at Westbrook September 5 at 10 a. m., at Colorado at 2:30 p. m. and at Buford at 8 p. m. On September 6 he will deliver an address at Laramie at 2:30 p. m.

Overstreet stated Tuesday morning that plans were being worked out in the Dallas office of the Farm Bureau to enforce the poultry clause of contracts signed by members and that legal action would probably be instituted against members of the cotton association who failed to deliver their cotton as pledged.

The Standard of Comparison

Just Right for Two!
The 1923 Four Cylinder Roadster

Smart, sturdy — you won't find another two-passenger four cylinder roadster that compares with this new Buick in quality or in price.

Inspect it from any angle—snug, beautifully tailored top; long, low body lines; heavy one-piece crown fenders; lots of room for two people and two compartments for their luggage. A big steering wheel that comes up to you, a shifting lever that operates without bending forward, a transmission lock and improvements which give 1923 Buicks a Class "A" insurance rating.

And, below the surface, the famous Buick Valve-in-Head motor and chassis with refinements throughout which set a new standard of quality and performance in automobiles.

There are just a few of the many distinctive features that make this new roadster a car without an equal in its class.

The Buick line for 1923 comprises fourteen models:

RANGER INTERESTS DESIRE LIGHT-POWER FRANCHISE

Through Ole Overson, Ranger attorney, Eastland County interests have technically made application to the city council for an electric light and power franchise at Colorado. Judge Overson met with members of the council Friday afternoon and discussed the proposed franchise at length.

No official action was taken by the council, according to Judge R. H. Looney, mayor, who states that the meeting with Overson was purely informal. The attorney will return to Colorado at a later date, however, for another meeting with the council.

In discussing the matter with a representative of the Record, Judge Overson stated that the interests represented by him were anxious to obtain a franchise and construct a light and power plant at Colorado. In addition to offering this service to patrons in the city, the plan would be to construct a high line to Westbrook and into the oil field in Western Mitchell County, Overson stated. That an ice and refrigerating plant might be constructed in connection with the electric plant, in case the franchise was obtained, was hinted by the attorney.

EXCAVATIONS FOR DISPOSAL PLANT NEAR COMPLETION

Excavations for the disposal plant to connect with the sewer system were about completed Wednesday by the contractor, W. C. Weeks of Arlington. Materials for laying sewer mains have commenced to arrive in Colorado but Weeks is delayed in starting excavations for the mains, pending arrival of a ditching machine.

The contractor left Colorado several days ago for Fort Worth to purchase a ditching machine to replace the one demolished in a wreck two weeks ago on the Wichita Valley. It is reported that he purchased a machine in Chicago and left Fort Worth last week for that city to ship it to Colorado.

Same Old Story But a Good One.

Mrs. Mahala Burns, Savanna, Mo., relates an experience, the like of which has happened in almost every neighborhood in this country, and has been told and related by thousands of others, as follows: "I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint three or four years ago and a few doses of this remedy cured me. I have recommended it to dozens of people since I first used it and shall continue to do so for I know it is a quick and positive cure for bowel troubles."

INTEREST GROWING FAST IN MITCHELL FAIR EVENTS

The Fair catalogues will be ready for distribution Monday, R. H. Ratliff, secretary of the Mitchell County Fair Association, stated Tuesday. The list of premiums offered is to be one of the largest ever attempted by a county fair association. Ratliff stated and entries in scores of the classifications have already been arranged for.

Four young ladies of the county had filed their names Wednesday as contestants in the voting contest for Queen of the Fair. This contest promises to prove one of the most interesting of the scores of attractions being arranged. The young lady receiving the largest number of votes will be crowned Queen on the last night of the fair. Rules governing this contest were published in The Record last week. The Woman's Auxiliary, American Legion, is directing this contest.

Sam Goldman, director of entertainment, states that a big civic parade, in which the various civic and fraternal organizations of the county are to participate, is being arranged. Several hundred people are expected to march in this parade, which will be staged through the principal streets of Colorado.

Enquiries from interested parties throughout West Texas continue to be received by the secretary. Ratliff stated Wednesday that much of the exhibit space had already been contracted for.

A. J. Herrington, Ford distributor, announces a long list of prizes to be offered in a "Ford Round-up" to be held during the last day of the fair. A total of eleven events are named in the list of prizes offered. Several of the prizes offered by the distributor are valuable and those interested are referred to the fair catalogue for additional information.

Every Ford car and truck registering at Herrington's office before Saturday, September 23 at noon are eligible to enter this contest. It is planned to obtain judges from the Ford Motor Company at Dallas.

BEALS CREEK BRIDGE TO BE COMPLETED THIS WEEK

F. F. DuBose, highway engineer in charge of bridge construction in Mitchell County, stated Tuesday morning that the contractors were completing work on Beals Creek bridge, twenty miles south of Colorado on the Sterling City road. The bridge should be finished this week, DuBose stated.

E. Barber, commissioner of the Spade precinct, was assembling equipment at the location Monday preparatory to placing the earth fills on either approach to the new bridge. The bridge is of steel and concrete construction and 110 feet in length.

BIG SPRING MAN WILL TOUR CITY IN WHEELBARROW

BIG SPRING, Aug. 21.—Somebody in Big Spring will have to ride a wheelbarrow on a sightseeing trip up Main Street Labor Day. It will be either H. H. Slaughter or Ben Allen. They have wagered on Senatorial candidates. Slaughter will push the wheelbarrow if Mayfield is nominated in the runoff primary, and Allen will furnish the elbow grease and pedal potency if Ferguson wins. Slaughter is a heavier man than Allen, so that to be entirely square in the matter Allen has agreed to pedal 30 pounds of ballast along with Slaughter. And, by the way, Slaughter weighs 200.

Two other wagers are so enthusiastic and confident of their "champions" winning that it is understood they will shortly announce a rolling contest. The loser will be compelled to roll a peanut around the square.

THE PROPOSED HUT

Following out plans formulated by the Lions Club luncheon Wednesday, the business and professional men of Colorado are to be given the opportunity to have a part in building a hut for the former service men of Mitchell County, the proposed building to be located at some site yet to be determined in Colorado.

Several citizens have already pledged to support the project liberally with their money. Others who have not yet expressed themselves in this respect are just as anxious to have a part in the proposed building. Every citizen should consider it a privilege to contribute something.

And in this matter, we should not wait for the American Legion to take all the initiative. It would be much better for the citizenship to take the initiative, build the hut and then give it to the boys. For several months they have worked to raise money, and ladies of the American Legion Auxiliary have also worked, serving dinners, conducting bazaars, etc., giving the profits over to the American Legion hut fund.

THE VOTER'S DUTY.

It is the duty of every voter to exercise his, or her, right of suffrage in the election Saturday and go to the polls and vote for the man whom, in the voter's honest opinion, is the best fitted for the office to which he aspires. In Mitchell County as applied to the local candidates, there is apparently not so much importance to be attached to the campaign. The two candidates for sheriff and the two for tax assessor are among the best men of the county and, in so far as The Record can ascertain, either of them should be well fitted to meet the duties of the office to which he aspires and discharge them with honor to his constituency and credit to himself.

PLEASE EXPLAIN

The Sweetwater Reporter published a press report from Dallas Monday, stating that Webster B. Heidt, when placed under arrest at Dallas on charges of having embezzled \$25,000.00 from the First National Bank of Gadsden, Alabama, turned a gun on himself, "dying."

After informing the public that the man had committed suicide, the Reporter continues with this information:

CHISM REVIVAL TO CLOSE WITH SUNDAY SERVICES

The meeting conducted by Elder J. W. Chism for the Church of Christ at Union Tabernacle will close with the service Sunday evening, beginning at 8:15. The revival has been in progress several days and the evangelist is delivering some interesting sermons. The song services are being directed by Prof. J. W. Acuff of Waco.

Services are being held only once each day, at 8:15 p. m., and large crowds are hearing the evangelist each evening. Subjects announced for the remainder of the revival follow: Thursday, "Man on This Side, and Man on That Side of the River;" Friday, "Planting a Crop;" Saturday, "Jerusalem Rebuilt;" Sunday, "Seven Divine Trees."

TWO TIME ROARING

There could be no more audible program announced by the Colorado den, Lions Club, than that made public last week when the lions, tail twisters and all, commenced to roar their approval of plans to build an American Legion hut at Colorado. And those Colorado lions are not going to roar for a time and then go back into the den. They pledged to co-operate with the local post in financing the building of a proposed hut, which means that the hut will be built. This roaring will be two-time roaring.

Officials from the two National Banks and many of the strongest business and professional men of the city are on the Lions Club membership roster. This means when the Colorado Lions propose to do a thing, it will be done.

West Texas A. & M.

Col Louis J. Wortham, editor of the Fort Worth Star-Telegram, has for several years championed the interest of West Texas, especially those of the agricultural and livestock section. In the Star-Telegram Monday Col. Wortham says editorially:

"One thing which the legislature must do in addition to submitting to the people the question of providing direct and independent support for the educational institutions is to create a West Texas Agricultural and Mechanical College.

"The time has passed when it is necessary to defend the justice of the claim of West Texas in this matter. Every unbiased and enlightened citizen, no matter what section of the State he hails from, must recognize that in order to have a well-balanced system of education in Texas, contributing to the proper development of the whole of the State, a great institution of this kind must be established in the great empire of West Texas.

"The only question that can be raised at all is whether the time is propitious for its establishment and we do not hesitate to say that it most certainly is the time to establish it. Now is the time to lay its foundations, for the development of West Texas and the Panhandle, while it has been very great during the past two decades, is only begun. There should be such an institution to contribute toward this development and to grow as the section grows. As a matter of fact it already has been postponed too long and should not be put off another year. It is a necessity and the whole State will profit in the long run from its establishment."

Scores of Chambers of Commerce throughout West Texas are collecting agricultural exhibits for the West Texas Fair at Abilene, the State Fair of Texas at Dallas and the Waco Cotton Palace. It is to be noted that those counties from which the exhibits appear with most regularity are among those developing the faster. Citizens of Mitchell County should co-operate with the local fair association in carrying exhibits to at least one of these fairs.

There is one consolation to the election officers who will preside over the ballots here Saturday. They will not be compelled to work as many hours as was the case in the first primary election, July 22. In order to tabulate the returns of the Colorado box and make out their reports, the election officers worked all night and through Sunday until 4 o'clock in the afternoon.

The first two bales of 1922 cotton received at Colorado were bantam weights, but that in no case should infer that Mitchell County is in that class as a producer of this staple crop. Fact of the business is that Mitchell is one of the leading cotton counties of West Texas.

SAM GOLDMAN ELECTED DIRECTOR BOOSTER BAND

Sam Goldman, who since July 1 has been directing the Colorado Booster Band, was unanimously elected as official band director by the Chamber of Commerce Wednesday afternoon, filling the vacancy caused by the resignation of J. Lee Jones, which became effective several weeks ago. Mr. Jones, however, is retained as assistant director, and has by no means severed his connection with the band.

Mr. Goldman is recognized as one of the leading band men of the State and carries the distinction of having been declared the best band man attending the West Texas Chamber of Commerce convention at Plainview a few months ago. He was a member of the Shriners band, accompanying the Shriner delegation from Austin to the convention at San Francisco two months ago.

Directors of the Chamber expressed their approval of plans recently started to build an American Legion hut and pledged co-operation of the organization in fostering the move. Dr. P. C. Coleman, president, appointed a committee composed of G. B. Slaton, H. L. Hutchinson and Judge A. J. Coe, to represent the Chamber of Commerce in working with members of the post.

WESTBROOK ITEMS.

LeSurre No. 1 has caused quite a little excitement the past few days as they have had a real good showing of oil and it is expected that this well will soon be in for a good producer.

Murphy No. 1 has a fishing job but hope to soon have this well in shape for a shot.

Smith No. 1 is shut down indefinitely on account having to move their boiler to T. & P. No. 2.

The workmen had a very narrow escape at T. & P. No. 2 a few days ago when the boiler blew up. No one was hurt which was almost a miracle as they were all so close to the boiler at the time of the explosion.

Phelan No. 1 will resume drilling in a few days with the expectation of going 400 feet or get oil in large quantities.

Operations are going steadily forward at Iatan with all the speed possible. Things look good in all the oil field up this way.

J. R. Garner of Austin is here this week looking after his farm and viewing the oil fields.

Dr. L. E. Smith, Chiropractor, who has located at Colorado, has an office at the residence of J. T. Adams of this place and will spend a few hours of each morning here.

G. W. May who recently returned from El Paso, has been confined to his room for several days on account of the intense heat.

One of the most pleasant events of the week was a moonlight picnic and fish fry at the East Side park, honoring Misses Karon Shelton and Laundry Smith of Colorado. Those present on this occasion were: Chaparrones, Mr. and Mrs. J. A. Berry, Misses Madyln McCallum, Robbie Hudson, Mildred Griffith, Karon Shelton, Laundry Smith, Messrs. W. O. Lewis, Basil Hudson, R. P. McQuerry.

Miss Nettie Irwin of Pandora is visiting her sister, Mrs. E. S. Hudson.

Born, to Mr. and Mrs. E. L. Chilton on the 20th, a fine girl.

Mr. and Mrs. A. F. King returned Saturday from a trip to Central Texas.

Mrs. J. A. Thomason and children of Stanton are visiting her brother, and sister, J. E. Skelton and Mrs. M. G. Robertson.

Friday morning Mr. Kelley and Miss Louise West motored over to Colorado and were married. Mr. and Mrs. Kelley are at home in Westbrook.

Mr. and Mrs. C. E. Danner returned from Wiley and other points East Tuesday.

This is to announce that we have bought the feed business of Vaughan & Son and will appreciate your business in the future.—Oliver & Bell.

The Record still holds to the old saying that "West Texas can promise more and do less, or promise less and do more than any country in the world." A few weeks ago the cotton crop of Mitchell County promised a production of 50,000 bales. If rain does not come within the next few days, we will be lucky to harvest one-half that number.

Now is the time to have your windmill repaired. Phone 280.

OUT BUFORD WAY

Another week has passed into history about half our community got a couple of heavy showers but we folks in the south end of the valley must be the unjust and the rain never came as was predicted. Just and unjust alike. Our cotton seems to hold up and get new life from some source, the cool nights and light dews are helping, feedstuffs are suffering and some of it just cant wait any longer for rain.

Tuesday evening about 4:30 o'clock there was a very quite wedding at the Christian church in Colorado, Rev. D. R. Hardison, performing the wedding ceremony that made Mr. J. A. Jones of Taylor County and Miss Bessie Linsay, man and wife. Jim, as we all know him, lived in our community a year, and everybody that knew him called him friend. His home is at Hawley, near Abilene.

Miss Bessie, was the third daughter of Mr. and Mrs. W. L. Linsay and she numbers as her friends, loyal and true, all that knew her. She is good, kind, and true and should Jim have searched West Texas he could have found no lady that would have made him a better companion on the journey through life. We are sure that we express the wishes of everyone "out this way" when we say may all that life holds worth while and the blessings of our Master be theirs.

Incidentally this makes the third member of the Linsay family to get married in the last three months.

You just "orter" been to the S. S. picnic over on the river in Mr. Grable's pasture, about 175 people gathered at the church Wednesday morning at 9 a. m. and we followed to its last resting place, 80 gallons of lemonade, 10 cases of soda water and 600 pounds of ice, as we made quite a procession with every car full of happy, eager, joyous S. S. boys and girls and on arriving at the appointed place found a fat steer already barbecued, no use saying everyone did justice to the good dinner, and as there were many baskets of fragments, we voted to spread supper and still had plenty. It was a happy occasion and every one enjoyed the day beyond words.

Meeting is still in progress over at White church, good preaching and good crowds.
Bro. Walton the Methodist pastor sends word that the meeting will begin with the eleven o'clock service Sunday morning. Rev. Terrell will do the preaching. Bro. Leach sends the announcement that he will not hold regular 4th Sunday service.

Mr. Sims A. Palmer of Bangs, Texas, visited in his brother's home H. B. Palmer, this week. Mr. Palmer is just from the National guard encampment at Austin, where he is First Lieutenant of Co. B, 142 Inf.

Mr. Clyde Young of Hawly, Texas visited in the community over Sunday was a guest at the wedding of his friend, Jim Jones to Miss Linsay.

There was a business meeting of the Christian Endeavor Society last Tuesday night week at the home of Miss Marcella Price. The Abilene district convention which is to be held in Haskell October 6, 7, and 8, was discussed and plans made whereby a large number of members from the local society might attend. The Endeavor is going to Haskell with the intention of bringing the next convention to Colorado. The following officers were elected: Mary Broadus, president; Eloise Pond, vice president; Hettie Erwin, recording secretary; Eloise Pond, corresponding secretary; Marcella Price, pianist, and Darrell Skinner, treasurer. Immediately after the regular services Sunday night, Brother Hardison installed the new officers. Many kind remarks were made by the pastor and the members of the church so that Endeavorers feel encouraged to "keep on keeping on."

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

"For over 40 years, thousands of women have used Cardui successfully in the treatment of many woman's ailments. If you suffer as these women did, take Cardui. It may help you, too. Ask all druggists."

MAKE THE ICED TEA with our tea and the drink will be much better in every way. It will be extra fine in flavor and extra fine as a thirst quencher. Use our tea on the table too. Its cup quality is perfect. Its use is an economy because of its extra strength.

IN SOCIETY AND AT THE CLUBS

MARRIED
Married at the First Christian church, August 22nd, Mr. James Jones to Miss Bessie Lindsey, Bro. Hardison performed the ceremony. Quite a number of young people were present to witness the ceremony. These young folks have many friends who wish them many years of happiness together.

Sunrise Breakfast.
Mesdames Garrett, Gaskin, Frank Smith and J. W. Shepperd chaperoned the Junior Missionary society of the Methodist church over on Lone Wolf for a sunrise breakfast. A campfire was built and while the little folks were having a good time a breakfast of fried potatoes, fresh corn, bacon, eggs and coffee was prepared by the grown ups. After doing justice to this little fellows worked on their scrapbooks to be sent to the Wesley Houses.

Election of Officers.
The cemetery association will meet with Mrs. Gustine Thursday August 31st, for the purpose of electing officers for the ensuing year. All members please remember the date.

Porch Wedding
A pretty and unique wedding took place at the home of Mr. and Mrs. C. C. Formwalt near Westbrook last Saturday evening when their daughter, Annie, was married to Irwin Jacobs. The ceremony was performed by Dr. Johnson of Big Spring. The porch had been converted into a perfect bower of sunflowers for the occasion. The couple came from the house and stood under an arch made of sunflowers, marching to the strains of Lohengrins wedding march beautifully played on the Victrola. The guests were the immediate neighbors and several cars of friends from town. After the ceremony, Mr. and Mrs. Formwalt served delicious homemade ice cream and cake. The bride is well known and loved by many Colorado people, as the Formwalts made their home in town for several years. She graduated in the High school here a few years ago. Mr. and Mrs. Jacobs will make their home in Colorado.

Class Picnic
Mrs. J. A. Pickins took her class of intermediate girls of the Baptist Sunday school on a picnic Tuesday evening. Each girl invited a boy. A Vienna roast and watermelon was the picnic menu. A good time was reported.

Mrs. E. B. Ellis and children of Ft. Worth are visiting Mrs. Ellis and Mrs. Frank Smith here. They are to visit relatives in Loraine before returning home.

9,000 TEXT BOOKS FOR COUNTY RURAL SCHOOLS

Twenty cases of text books for distribution among the twenty-eight rural schools of the county were received this week by J. C. Hall, ex-officio county superintendent. Hall stated that approximately that number of text books were already on hand left over from last year.

Of the 1500 scholastics in the twenty-eight rural districts of the county, Hall estimates that an average of six text books will be required. This places the total number of school books furnished the country schools at 9,000. The independent school districts do not receive their text books through the office of the superintendent, but order them direct from the State publishing agent at Dallas. Approximately 6,000 text books will be used by the Colorado schools this year.

Citation on Application for Letters of Guardianship

THE STATE OF TEXAS
To the Sheriff or any Constable of Mitchell County—Greeting:
You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Mitchell County, a copy of the following notice: THE STATE OF TEXAS

To all persons interested in the welfare of Robert William Montgomery, a minor, W. H. Garrett has filed in the County Court of Mitchell County, an application for Letters of Guardianship upon the estate of said minor which said application will be heard at the next term of said Court, commencing on the First Monday in September A. D. 1922, the same being the 4th day of Sept., A. D. 1922 at the Court House thereof, in Colorado, at which time all persons interested in the welfare of said Minor, may appear and contest said application, if they see proper to do so.

Herein fail not, but have you before said Court, on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Colorado this 22nd day of August, A. D. 1922.

DR. HUNT SPEAKS HERE IN INTEREST EARLE MAYFIELD

Dr. J. W. Hunt, of Abilene, president of McMurry College, spoke from the street in Colorado Saturday afternoon in the interest of the candidacy of Earle B. Mayfield for U. S. Senator. In spite of the rain, which fell slowly during practically all of the time he was speaking, a representative number of voters heard the address.

The speaker assailed Ferguson on his record as a public official dealing largely upon the impeachment charges of Ferguson and the charges leading up to them. The record of Ferguson as a champion of the liquor interests was also discussed.

Rev. Mr. Hunt, who was conducting a revival meeting at the Loraine Methodist church last week, returned to Loraine Saturday afternoon immediately after the address here and spoke to the voters there.

Hunger, the Best Sauce.
Sauce is used to create an appetite or relish for the food. The right way is to look to your digestion. When you have good digestion you are certain to relish your food. Chamberlain's Tablets improve the digestion, create a healthy appetite and cause a gentle movement of the bowels.

R. U. Bean and family returned Monday from a motor car trip to El Paso and Roswell. Mr. Bean states that conditions are very dry in that part of the country, it not having rained in the Roswell vicinity for one year. "Jaurez was the only wet spot we saw on the trip," he said.

Cause of Appendicitis.
When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter, that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Take Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis.

Rev. M. C. Bishop, his son, Albert of Coahoma, Misses Beatrice Logan and Delma Bishop visited in Anson this week.

OLD NOTE HELD BY TEXAN WORTH \$50,000

WICHITA FALLS, Aug. 22.—A 15 pound note issued by the "State of Massachusetts Bay" in 1779, held by C. E. Basham, Wichita Falls banker, as a curio for several years, is probably worth about \$50,000, according to information received by him last week. A bill is now pending in the Massachusetts legislature to make these notes redeemable at par, with accrued interest.

Citation on Application for Letters of Guardianship

THE STATE OF TEXAS
To the Sheriff or any Constable of Mitchell County—Greeting:
You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Mitchell County, a copy of the following notice: THE STATE OF TEXAS

To all persons interested in the welfare of William B. Horn, minor, W. T. Horn has filed in the County Court of Mitchell County, an application for Letters of Guardianship upon the Person and Estate of said minor which said application will be heard at the next term of said Court commencing on the first Monday in September A. D. 1922, the same being the fourth day of September A. D. 1922 at the Court House thereof, in Colorado, Texas, at which time all persons interested in the welfare of said Minor, may appear and contest said application, if they see proper to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at Colorado, this 16th day of August 1922.
(SEAL) W. S. STONEHAM,
Clerk County Court, Mitchell County Texas. 8-25

Some Day You'll Need a New Battery

You'll step on your starter button and not even get a murmur. You'll wonder if some of those wires could have worked loose somehow— You'll blame yourself for not having noticed that your battery's health was failing— You'll make up your mind that you'll never get caught like that again— forty miles from nowhere with a dead battery.

But it will be too late then to do anything about it!

The time to avoid chance of battery trouble is RIGHT NOW, when your battery is in perfect, bouncing health.

There are a lot of things we can tell you about batteries, battery life, battery cost, battery care and so on if you'll come in.

You're welcome anytime!

So far this year Studebaker has built and sold more cars than during the entire year of 1921. And 1921, in spite of a general business depression, was the biggest year in Studebaker's 70 years' history.

This steady volume of business, plus the savings resulting from Studebaker's methods of complete manufacture, reduces manufacturing and selling costs. And it is a Studebaker policy of long standing to share these savings with the customer. Hence, the new low prices.

First Bale of Cotton.

The first bale of cotton for this season was brought in Tuesday by S. M. Smith of the Landers community and was ginned by the Farmers' Co-Operative gin. The bale which weighed 490 pounds brought 21 1/2 cents. A premium of \$31.40 was given in addition to free ginning and tying. Luke Finley, who lives on the Cardwell place at South Champion brought in the second bale of the year which was ginned the same day. A. C. Pratt bought both bales. The crops in the Loraine territory are excellent in consideration of the drought and a good price is expected.

Ministers Speak for Mayfield

Evangelist J. W. Hunt, president of the new Methodist College at Abilene and conductor of the Methodist revival being held here, spoke to a large crowd on the street Saturday afternoon, immediately following a similar address made at Colorado. He was introduced by M. F. Richardson who made a short and enthusiastic speech in favor of Mayfield. Mr. Hunt was eloquent in his denunciation of Ferguson, among other things attacking the position he has taken on the liquor question and his ability to change his opinion in accordance with the attitude of his audience toward the subject. He

spoke of Mayfield as a friend of the common people and in regard to the Klan declared that he preferred at any time to belong to an American organization by American people than to a foreign organization upheld by aliens. The applause was vigorous.

The revival at the Methodist church closed the latter part of the week. Rev. Hunt left Sunday night and Rev. Young finished the meeting. Large crowds were present at these services especially at the evening services, when the house was overflowed. Bro. Hunt and Bro. Young are each splendid talkers and presented their messages in a forceful and convincing manner.

H. H. Carroll and two sons came in Monday from Tatum, New Mexico to move the rest of the family and their household goods to Tatum, where they will make their future home. Mr. Carroll and sons have purchased a gin there and have been out there for several weeks repairing it for this fall's work. We regret to lose this estimable family from our midst but trust that good fortune and success may follow them to their new home.

Miss Lola Bill Morrow of Colorado spent last week the guest of Miss Lulu Jones and attended the Methodist revival here.

T. R. Bennett left Monday night for Dallas to buy the fall stock of goods for the Loraine Mercantile. Mr. Bennett will return Friday.

Miss Bess Longley of Hico arrived Thursday to visit her sister, Mrs. M. D. Cranfill.

T. A. McGee and mother, Mrs. Lina McGee, left Monday night for Hillsboro where they will visit relatives and also look after business interests.

A Primitive Baptist meeting was held at Zions Rest Friday, Saturday and Sunday. Among those attending from Loraine were Grandmother Porter, Mr. and Mrs. Thomas Riden and children and E. N. Riden, Mr. and Mrs. B. D. Smith, L. T. Britton and family and Mesdames C. H. Thomas and Howard Miles.

Mr. and Mrs. Harry Cranfill joined an excursion party from Colorado Monday to the Rio Grande Valley and other points.

Mrs. A. C. Smith of Abilene is visiting her son, B. D. Smith and family this week.

Mrs. Margaret Riden and Mrs. Abby Walker and son returned Saturday morning to their home at Ft. Worth, after a visit with relatives here.

Miss Lydia Jackson returned Monday night from quite an extended visit with her sister at Balmorhea. Miss Opal, who accompanied her will be home Saturday, having stopped over for a few days visit with friends at Odessa and Midland.

Mrs. Fred Sporer and children of Strawn visited in the Harry Cranfill home Friday.

Velma Cranfill is spending the week with Lois Pendergrass in the Longfellow community.

Rev. and Mrs. A. L. Faw and children of Roby, Mr. and Mrs. Emmett Richardson of Colorado, Mr. and Mrs. J. S. Munns and Max and Princess Martin were guests in the W. A. Pendergrass home in the Longfellow community Monday.

Miss Beatrice McGee who has been attending A. C. C. this summer returned home Saturday morning.

Mr. and Mrs. R. S. Baird and baby were Sweetwater visitors Friday afternoon.

Mr. and Mrs. Hugh Hallmark and children and Mrs. Henry Beight and children left Saturday for a trip to Post City, Lamesa, and other points on the Plains.

J. W. Fairborn and wife of Eastwind are visiting her sister, Mrs. Sallie Looby this week.

Malvin Stevenson and family of Sweetwater spent the week-end in the O. E. Stevenson home.

W. W. Rhodes and family who have been visiting in the O. E. Stevenson home for the past two weeks left Monday for their home at Alice, Miss Helen Stevenson accompanied them. She will teach in the public schools there this winter.

Mesdames W. B. McGuire and J. T. McGuire, J. G. Bruce and Robert Bruce went to Carlsbad Friday to see Mrs. J. G. Bruce who is in the sanitarium there. The many friends of Mrs. Bruce will be glad to hear that she is improving rapidly.

Miss Myrtle Hutchins spent several days with Miss Leona Hart in the Valley View community the first of the week.

Miss Neita Thomas returned Friday from a two weeks trip to East Texas.

Mesdames W. B. McGuire and J. T. McGuire who have been visiting their brothers, J. M. and J. G. Bruce, returned Monday to their home at Ft. Worth.

Mrs. J. T. Ledbetter and Mrs. S. A. Clement were Colorado visitors Saturday afternoon.

Mr. and Mrs. Homer Richards are moving back to town this week from the W. M. Richards farm where they have been since they returned from El Paso.

Rev. C. E. Jameson and Misses Aletta Knox, Willie Fern Currie, Fay Will and Maurine Moore of Snyder visited in the J. M. Bruce home Saturday.

Mr. and Mrs. Moore and daughter, Miss Maurine, Mrs. R. A. Walker, Miss Fay Will and Otis Munns, delegates from Snyder to the district League meeting at Colorado spent several hours in the J. M. Bruce home Sunday afternoon.

Mrs. M. D. Cranfill and Misses Bess Longley and Mantie Draper spent Tuesday in the E. A. Costephens home at Roscoe.

Joe Bennett and family and Mrs. R. S. Baird and son left Tuesday morning for a trip to the Plains.

Rev. J. B. Kuykendall, a Primitive Baptist minister, from Ellis county, held services at the Christian church Tuesday.

Born Saturday, August 12th, to Mr. and Mrs. A. J. Brown, a daughter.

The local base ball team added still another scalp to their string Tuesday afternoon by taking Colorado's measure 14 to 0. The game was played on the local grounds and the usual large crowd of fans were out to help put pep in the game by yelling for the home team.

Last Time Saturday.

Those who haven't seen Thomas Meighan's new Paramount picture, "The Easy Road" at the Tent Theatre, may do so for the last showing Saturday. "The Easy Road" is a strong photoplay. Gladys George heads an excellent supporting company.

WITH THE CHURCHES

BAPTIST NOTES.

A fine day last Sunday but we hope for a better one next Sunday. We want 200 in Sunday school. We are appealing to our membership to be present next Sunday. Loyalty is a great word and a word we need to give heed to at this time. The pastor cannot do much good unless the folks hear him preach. Talk S. S., prayer meeting, church attendance etc.

We are having a fine class of both Juniors and Seniors taught this week by Brother Phil Little of Abilene, in the B. Y. P. U. manuals. Dont forget to be present Sunday on time, evening service 8:00 o'clock

EPISCOPAL CHURCH.

All Saints' Mission.

There will be no church services until October 1, as Mr. Eteson leaves Monday, August 28 for Portland, Oregon to attend the Triennial which convenes in that city Sept. 8th. Church school will be held each Sunday promptly at 10 a. m. It is

hoped that a full attendance will be recorded next Sunday.

Missionary Meeting.

The Baptist women met at the church Monday for the regular missionary program. The subject was Industrial Missions led by Mrs. Lasky. Mrs. John Smith led the Bible lesson on wise hearted women of the Bible. Mrs. Bishop told of the Industrial work done in America and Mrs. Terrell of work on Foreign fields. After the program Mrs. M. C. Ratliff and Mrs. Lewis Pond served muscadine punch and cake.

FIRST CHRISTIAN CHURCH.

Our Bible school Sunday gave evidence of interest and increased attendance. All the teachers are responding to the call for work that is indeed encouraging. There were 108 present and about \$13.00 offering.

Worship and communion Sunday at 11:00 and preaching at 8:15.

Our young people showed they were interested in this work as about 50 were present in the three departments of young people's work. Come and bring your friends.

D. R. HARDISON.

He has a convict's cell in preference to a life of wealth with the girl he loved, and all because—well, just why a man who foiled the police for many years should deliberately Bert Lytell in "Alias Ladyfingers," a Bayard Veiller production for Metro at the Tent Theatre Wednesday and Thursday of next week.

Dee H. Donnell left Colorado Friday to join his father on their ranch in New Mexico. His mother and little sister remaining at their home in Colorado.

A PRESCRIPTION FOR BROKEN PARTS—

COLORADO ATTORNEY TO WED ALPINE GIRL SOON

The Record acknowledges receipt of announcement of the approaching marriage of R. H. Ratliff of Colorado, county attorney elect, to Miss Isabel Oren Smith of Alpine, the wedding to be solemnized September 6th, at the home of the bride's parents, Rev. and Mrs. H. M. Smith. They are to be at home in Colorado after September 15th.

Mr. Ratliff graduated from the law department, University of Texas, this year and was soon thereafter admitted to the bar. In the recent Democratic campaign, he was nominated for county attorney by an overwhelming majority over his opponent, Thos. J. Coffee. He was reared in this city.

The bride elect is a daughter of Rev. and Mrs. H. M. Smith of Alpine. Rev. Mr. Smith is pastor of the First Methodist church at Alpine and was formerly presiding elder of the El Paso district. A few weeks ago announcement of the engagement of Miss Smith to Mr. Ratliff was published in the society section of the El Paso Herald, and she was praised for the many beautiful characteristics in her life. During the time the family lived in El Paso, Miss Smith was popular among the younger set of the city, especially in her work as a leader in the younger people's work in the church, according to the Herald.

COLORADO MAN WINS IN COTTON CLASSING

Robert H. Johnson, of Colorado, Texas, and a vocational student from the Fort Worth office of the United States Veterans' Bureau, recently won first prize in an elimination contest with cotton classers at Texas A. & M. College. The contest is held upon a competitive stapling and classing basis and many of the men Johnson defeated were cotton men with years of practical experience, according to the Veterans' Bureau report.—Ft. The World's Greatest Baking Powder

Striking and Unusual Value which everyone knows

The striking and really unusual thing about the public estimate of the Hupmobile is its unanimity. Its owners give it their greatest regard because it is so reliable, so economical, so wholly efficient. Other owners look upon it almost with a tinge of envy.

Garage mechanics—who know all cars and their secrets—admire it for the sturdy qualities which keep it out of their hands and on the go.

The real test of a motor car, or any other manufactured product, is what people think and say about it.

UNUSUAL ATTRACTIONS FOR ABILENE WEST TEXAS FAIR

ABILENE, August 23.—Lovers of racing of any variety, whether running horses, harness horses or automobiles, will have an opportunity to enjoy their favorite sport under the best conditions at the West Texas Fair at Abilene, September 25 to 30. Racing on the five-eighths mile oval will hold the boards for five of the six afternoons of the fair. The horses will be in the limelight the first four days, while automobiles are scheduled for Friday, the fifth day. Saturday the closing day will be featured by a double header college football game between Simmons College and New Mexico A. & M., and Christian College and Clarendon College.

The program of horse races is one of the largest offered in the South this year with \$4,000 in real money offered in purses, and two big stake races, the Hotel Grace Stake for \$500 and the West Texas Derby for \$1,000. There are five running races and one harness race on each day's program.

Each evening of the fair there will be presented in front of the grandstand a big hippodrome show, with some of the best acts from the Majestic Theatre circuit engaged.

A balloon ascension and parachute drop and thrilling aerial acrobatics will be presented daily as a part of the free entertainment of the grounds.

Entirely in the afternoon and evening entertainment, and during the day in the morning and afternoon, there will be all kinds of interesting and amusing contests for the children offered in the grounds. In these competitions they obtain valuable prizes and enter by winning the necessary West Texas Fair, Abilene, Texas.

"The Easy Road" is the new Paramount picture starring Thomas Meighan, which will be shown at the Tent Theatre next Friday and Saturday in a screen thriller which will please all of Mr. Meighan's admirers.

SIMPSON SAYS IT PAYS

"Former" Simpson, member of The Record horse, says that advertising pays every time. Last week he placed an ad in Want Ad department of this paper, advising the public of the fact that he had some registered cockrels for sale. The result was that before Monday night he had sold twenty-two of the birds to readers of the Record. Simpson states that he will enter some of his English White Leghorn and "Aristocrat" strain barred rock cockrels at the Mitchell County Fair, at Colorado September 22-23.

THE UNIVERSAL TRACTOR

Storage Battery Repairer

Motors Overhauled

Fordson Often Does More In a Day Than Six Horses

The Fordson substitutes motors for muscles.

The Fordson substitutes tractor wheels for the legs of man and horse.

The Fordson takes the burden off flesh and blood and puts it on steel.

It allows the farmer's energy to be devoted to management, and not merely to operation. It gives him time. It cuts his producing costs.

There's a big story of savings made possible by the Fordson. Let us tell you. Write, phone or call.
