

ADOPTION PAVING LAWS MEETING WITH APPROVAL

With few exceptions the property owners to be directly affected have pledged their endorsement of the proposed paving campaign in the business district, it is claimed by the Chamber of Commerce, Civic League, Lions Club and other civic organizations of the city. It is estimated that ninety per cent of the citizens owning property in the business district to be effected by the proposed paving will support the measure in the election April 3rd.

In discussing the proposed paving recently, Judge R. H. Looney, mayor, explained that under provisions of the general paving laws, the city would be authorized to negotiate paving contracts and make assessments against abutting property for approximately two-thirds of the cost. The remaining one-third is to be paid by the city. This means that the individual property owner will be called upon to bear only one-third of the cost of paving in front of his property, as he will pay one-third, the city one-third and the property owner directly across the street the remaining one-third.

The payments are to be extended over a period of five years, according to Looney, one-sixth of the cost to be paid at the time the paving is laid and the remainder in from one to five years in equal installments. Homestead property is exempt under the paving law, and the city would not be authorized to levy assessments against this property.

According to information from the city hall it is the policy of the administration to make no definite plans for the proposed paving until after the election in addition to a survey of Second street which has recently been made by engineers. Three types of paving have been suggested, bituminous, concrete and brick, but a thorough investigation of the three types will be made by the city before arriving at any definite conclusion in the matter.

Because that sand and gravel materials are to be had with a short haul, engineers estimate that street paving here can be contracted at a nominal figure. Opposition is developing in some quarters to the proposed paving and citizens who are interested in carrying out this progressive program for a better Colorado are urged to work to the end of making the victory a decisive one. Paved streets in Colorado will mean one of the biggest assets we could obtain.

NEW SCHOOL BUILDING BE DEDICATED NEXT MONDAY

The people of Colorado are invited to assemble in the high school auditorium on next Monday morning at 10 o'clock for the purpose of dedicating the new school building to the purpose for which it was erected and witnessing its occupancy by the children of the grades that are to be placed in that building.

Talks will be made by Dr. Coleman, Dr. Root, W. S. Cooper, H. L. Hutchinson, and any other members of the school board, who will talk, also any one, man or woman, who will do so will be asked to say something appropriate to the occasion.

The high school orchestra will furnish music for the occasion.

The building which is just being completed is a splendid school edifice, one of which Colorado may justly be proud, and we feel sure that its being built at this time will give a great impetus to the educational interest of this community. We hope to see a large congregation of patrons and friends of the school present on next Monday.

On next Tuesday evening at 8 o'clock, the faculty of the Colorado schools will entertain the members of the school board and the members' wives at the high school.

Now that we have our new building about ready for use, lets all pull together with one mighty pull for a bigger and greater school.

3,100 CANS PURCHASED FOR USE OF FARMERS

An additional order of 3,100 cans, to be used by farmers and cattlemen of Mitchell county, were ordered last week by the Colorado Chamber of Commerce in keeping with the policy of the organization to co-operate with the county farm and demonstration agents to introduce approved methods of cooking and preserving foods into the rural. During the past six months the chamber has placed no less than a score of orders with factory representatives for these cans, together with more than thirty steam pressure cookers, all of which were for citizens of the county.

In acting as a clearing house in placing these articles in the homes of Mitchell county housewives, the Chamber of Commerce is doing so without profit. Through a special contract, obtained with the factory through Miss Laceywell, a special dealers discount is received on every order placed, and this saving is passed on to the purchaser.

Miss Laceywell estimates that no less than a solid car of cans will be used by the housewives of the county during the coming season, when the products from home gardens, orchards and the farm are to be preserved under personal supervision of the demonstration agent. During the past winter months a number of beees and porkers were tinned in the county. In most instances, the preserving of a beef or hog was made a community affair at which all interested housewives were invited and under supervision of the agent detailed advice was given as to the approved methods to be employed.

SCHOOL CHILDREN MUST BE ENROLLED

Mr. N. T. Womack is taking the scholastic census of the Colorado school district, if he misses you see him and enroll your children. All children of school age who live in this district during the month of March must be enrolled, age 7 to 18 years.

COLORADO CONTRACTOR IS BUILDING ROTAN CHURCH

R. A. Clements, who has the contract to build the new \$20,000 Methodist church at Rotan, was here Friday and Saturday on business and to visit his family. Clements stated that all the foundation materials had been placed and that brick layers would start this week. The new church will be one of the most attractive in Fisher County, according to Clements.

COURT HOUSE BONDS RECEIVED FROM PRINTER

The 115 serial bonds of \$1,000 denomination each, voted January 27th to finance the erection and equipment of a new Mitchell county court house, were received Monday by the printers by W. S. Stoneham county clerk for signature of the county judge and to be registered by the county treasurer. A transcript of the issue was furnished the attorney general last week.

The bonds were forwarded to Austin after having been signed by the county judge and registered here for registration in The State Comptroller's office. Upon registration at Austin the bonds are to be forwarded to the Oklahoma National Bank at Oklahoma City for delivery to the purchasers, C. Edgar Homold Co., of Oklahoma City and the Southwestern Securities Company of Amarillo, who purchased the bonds jointly at par, with accrued interest and a bonus of \$560.

SCOTTISH RITE MASONS TO BANQUET THURSDAY, MAR. 29

The Scottish Rite Masons of Colorado are to gather at the Barcroft Hotel for a banquet Thursday next week at noon, Judge R. H. Looney stated Monday. There are approximately twenty members in Colorado. In a statement made for publication, Judge Looney extended an invitation to all visiting Scottish Rite Masons to attend the banquet.

PLANS MITCHELL COUNTY COURT HOUSE ACCEPTED

Plans for the new Mitchell County court house, as submitted by the architect, David S. Castle of Abilene, were accepted by Commissioners' Court Tuesday afternoon. Mr. Castle stated that all preliminaries for advertising for construction bids would be completed within thirty days.

The building is to be fifty-eight by ninety-eight feet in size and three stories, of re-inforced structural frame with exterior masonry of face brick and lime stone trim. All outside steps are to be of granite. The cornice, coping and freeze are to be of cast cement stone. The main entrance will face the east.

The interior mill work is to be of quarter sawed white oak throughout. The floor in the corridor on the first floor and in toilet rooms is to be tile. Wainscoting on first floor is to be of marble. The corridors, stairs and floor in district court room is to be of composition base of sanitary type. Interior walls are to be constructed of either hollow tile or steel studs with metal lath and plastered on each side of wall.

The district court room will occupy practically all of the floor space on the third floor and is to have a seating capacity of three hundred. The ceiling in this room is to be of wood pulp plaster. In all of the offices and court rooms throughout the building every modern improvement known will be incorporated.

Exterior doors in the building are to be of hollow metal construction. Windows in the record vault adjoining the county clerk's office are also to be of fire proof construction. Interior doors are to be of white pine construction. The interior walls are to be finished in three coats of flat paint, while all wood work and trim is to be finished in four coats, using stain and varnish.

The architect estimated that the building would cost between \$95,000 and \$98,000, leaving a surplus of from \$20,000 to \$18,000 with which to improve the court house grounds and purchase movable furniture in the building, heating and lighting plant, vaults and all built-in features complete.

Commissioners' Court authorized the statement Wednesday that they would invite the general public to call at the court house and inspect the plans, as adopted, and would invite the criticism of any interested citizen. "It shall be the policy of this court to erect a building best suited to the needs of the people of this county, as well as the officials who are to occupy offices in the building," U. D. Wulfjen, commissioner of Precinct No. 1, stated.

Judge Hall and the four commissioners have accepted an invitation to meet with the Lions Club today at the Barcroft. Hall stated Wednesday that he would submit preliminary drawings of the proposed building to members of the club.

FARM LOAN ASSOCIATION TO ELECT NEW SECRETARY

W. A. Dulin, president of the Mitchell County Farm Loan Association, convened directors of the association at the Chamber of Commerce Saturday to discuss preliminaries for electing a successor to E. S. Van Tuyl, deceased, who had served as secretary-treasurer of the organization for several years. Pending advice from the Land Bank at Houston election of the new secretary-treasurer was postponed until next Saturday.

The meeting Saturday will be convened at 2 p. m. at the Chamber of Commerce and in referring to the matter Monday Dulin stated that it would be important that every member of the directorate attend. Several applications have been filed for the secretaryship, Dulin stated.

While in session Saturday afternoon, the board of directors passed resolutions expressing their appreciation of the services of Mr. Van Tuyl.

LEAGUE MEET PROGRAM OPENS FOR TWO DAYS

Competing for first honors in the several events of the literary program of the Mitchell County Interscholastic meet, scores of boys and girls from the schools of the county are gathering in Colorado this morning for opening the two day events, commencing this afternoon at the High School auditorium. The literary features of the meet will occupy the entire afternoon. Tonight at the auditorium the individual and class debaters will compete for the winning awards.

Saturday is to be devoted exclusively to field events, opening at 9:30 at Colorado Ball Park on the South Side. A beautiful loving cup will be given by J. P. Majors, Colorado jeweler, to the winning High school track team, and since there are only two of these teams to enter, Loraine and Colorado, the contest will be doubly interesting. The Colorado Chamber of Commerce will give first place prizes in all events, both literary and field.

Director General G. D. Foster stated Thursday afternoon that all plans for the events had been worked out and he predicted the several contests here today and tomorrow would easily prove the best in the history of the Interscholastic League. At least twelve rural schools are to enter teams in one or more of the events, Foster stated.

STANDARD BRED POULTRY FOR MITCHELL CO. FARMS

J. H. Powell of the McKenzie ranch was in Colorado Saturday to receive a shipment of 38 standard bred Barred Plymouth Rock pullets recently purchased by him. Mr. Powell paid a price of \$7 each for the birds. Powell is specializing in this breed of poultry and announced while here Saturday that he would enter birds at the Second Mitchell County Fair at Colorado in September.

So many farmers of Mitchell County have disposed of their mongrel breeds and started pens of pure bred poultry during the past few months that an attempt to aggregate the total would be mere guess. Scores of boys and girls, as members of clubs recently organized in the county, are also devoting their attention to the production of standard bred poultry.

In discussing this fact recently, Miss Laceywell, home demonstration agent, remarked: "We are just beginning on our program to produce standard bred poultry, of both the fancy show and utility types, in Mitchell county. This county is peculiarly adapted to successful poultry raising, a fact the rural people are not slow to realize."

COLORADO TRUCK DRIVER LOSES MACHINE IN FIRE

The truck belonging to Lop Aleman was completely destroyed by fire Wednesday morning on the highway west of Westbrook. Aleman had been to Iatan to deliver a load of oil and was on the return to Colorado when his truck was fired from the exhaust. Attempts of Aleman to extinguish the flames were futile.

BAPTIST REVIVAL OPENS SECOND SUNDAY IN APRIL

A series of revival services, to continue two weeks, will be commenced at the First Baptist church on the second Sunday in April, the pastor, Rev. M. C. Bishop, announced Wednesday. The pastor will do the preaching and the choir and music will be under direction of an evangelistic choir, yet to be engaged. The services are to be held at the church.

Rev. Mr. Bishop has conducted revival services for his church each year during his pastorate at Colorado, this to make the third revival for him to conduct here. He is an able preacher and his meetings are always successful. He announced Wednesday that a cordial invitation would be extended the congregations of other churches of the city to cooperate in the revival.

MITCHELL COUNTY HAS BEST RURAL SCHOOLS

"In point of buildings, equipment and organization Mitchell County has the best system of rural schools I have inspected in West Texas," Miss Georgia Walker of Austin, supervisor of the rural aid department, State department of education, stated last week after completing an inspection of twenty-three rural schools of the county. The supervisor stated that she had recently visited some of the leading counties of West Texas, but no where found a rural school system equaling that here.

The supervisor authorized the statement that she would approve application for State aid to these schools amounting \$6,160.00, an amount sufficient to guarantee a school term of six months. Some of the schools inspected were found to not be in need of financial assistance from the State. With but one or two exceptions, every rural school visited was classified as A-1.

MEDICAL MISSIONARY TO SPEAK THURSDAY NIGHT

Dr. L. T. Numbower, medical missionary of the Southern Methodist church to Africa, will deliver an address at the First Methodist church here Tuesday night, March 22, according to announcement made at the church Sunday morning. Dr. Numbower was the first medical missionary to go to Africa under auspices of the Foreign Mission Board of the Southern M. E. church.

Mrs. J. G. Merritt, church lay leader and ladies of the Missionary Society are to have charge of the services Thursday night, when the missionary is to speak. He will tell of conditions in Africa and of the work being done in that country by the Methodist and other Christian churches. The general public is invited to attend. The address will be given at 7:30.

INSTRUCTIONS BAND CONTEST ARE RECEIVED BY GOLDMAN

M. S. Goldman, director of the Colorado Booster Band, has received complete instructions governing entries in the West Texas Chamber of Commerce band contest at San Angelo May 21-23, during the Fifth Annual Convention of the chamber. Goldman states that the Colorado band will enter the contest.

The Colorado band is to be a guest of San Angelo during the All-West Texas Pageant, to be shown on the evening of May 22, according to information received from San Angelo Monday.

DOG AND PONY CIRCUS UNDER BAND AUSPICES

The Don Carlos dog and pony shows, which is in winter quarters at Colorado, will open the season with a two day showing at Colorado under auspices of the Colorado Booster Band, M. S. Goldman, director stated Tuesday. Goldman stated that the event would be shown early in April.

The band will furnish music for the two days and is to share in the proceeds.

CATTLEMEN ELECT COLORADO MAN ON EXECUTIVE BOARD

D. H. Snyder, prominent cattleman of Colorado, was elected a member of the Executive Committee of the Texas and Southwest Cattle Raisers Association, at their convention held in El Paso last week. Mr. Snyder returned from El Paso Saturday and states that the convention just closed was one of the best ever held and that a majority of the cattlemen seemed to be very optimistic about the future outlook for their business. The 1924 convention will be held in Houston.

Mr. and Mrs. D. N. Arnett, Mrs. J. W. Shepperd, Mrs. A. P. Baker, Mrs. Berry, Mrs. Q. D. Hall, Mrs. Jeff Dobbs, Mrs. Merrell, Mrs. Tom Coffee, Mrs. Hope Herrington, Misses Alma May and Jessie Stell motored to Loraine Wednesday to attend the all-day meeting.

SMARTT ONE MAKES 100 BARRELS IN TWO HOURS

Smartt No. One of Sam. Sloan made one hundred barrels under a test of two hours Wednesday afternoon, Mr. Sloan reported Thursday afternoon. Sloan stated that the well would not be shot, because it will make all the oil that he could hope to pump through the tubing as it now stands. Oil men generally are enthused over the showing in this well.

Coleman No. 1 of Flescher and Duty was given a nitro shot Wednesday at 2735 to 2780 feet. The hole bridged and another shot was being placed Thursday afternoon at 2500 feet to test sand drilled through at that depth. The hole will be cleaned out and a test made of both sands for production.

Morrison No. 3 of the Underwriters Producing and Refining Co., topped the Morrison sand several days ago at 2906 feet and drilled through the pay to 2981 feet. The well will be shot. The nitro was being placed in the hole Thursday and it was expected that the well would be shot Thursday afternoon.

The Underwriters are erecting derrick at new location in Section 29, Block 28 and materials for two additional locations are moving to the field. These are for the wells to be drilled in Section No. 41 and 28, all in block 28.

The Gulf Production Company has completed landing 15 inch casing at 630 feet at their test in the O'Keefe survey and resumed drilling. The California Company is drilling at 510 feet at their Morrison No. 1 in Section 27. At Iatan, Dan Lewis is on a fishing job in Foster No. 1 of the Colorado-Tex. Company as the bottom of the hole stands only forty feet above the pay.

Eddleman, Looney et al, are drilling at 1800 feet in their Texas and Pacific No. 1 in Section 39, Block 28. At Smith No. 1 in the Nat Smith survey, J. F. Carey is drilling at 2810 feet. Guy Reed of Bowser and Reed reported Thursday afternoon that the Badgett gasser continued to make ten million feet of petroleum gas every twenty four hours. The well is not making any water.

COMMITTEES NAMED FOR C. E. CONVENTION HERE

Miss Jaunita Pond, president of the Abilene district, Christian Endeavor, has named committees to direct arrangements for the Christian Endeavor convention to be held at the First Christian church of Colorado early in May. The convention will bring a large number of delegates to this city, according to Miss Pond, and among them will be young men and women prominent in the affairs of the society.

Announcement of the committee appointments was made Sunday afternoon at a joint meeting of the Christian Endeavor and Epworth League societies at the First Christian church. Miss Pond stated that members of the League would cooperate in arranging the program and entertaining visitors attending the convention.

"Colorado is well known over much of the State, as the commercial center of an oil field, and as a progressive town in other lines," Miss Pond stated. "We plan to put Colorado on the map as a center of religious activities also and show those visitors we are really interested in the work of the young people in our churches."

Miss Jessie Stell of the Epworth League promised to Miss Pond and others of the Christian Endeavor the united support of the young people's society from the First Methodist church in making of the convention a success. "We are going to take such an active part in the convention that those visitors will be puzzled in the attempt to distinguish Leaguers from Endeavorers."

Mrs. H. A. White of Mt. Vernon visited her sister, Mrs. L. C. Dupree this week en route to Fresno, California, her future home.

MOTHER'S SON

The Record publishes the following by request:

We are all Mother's sons, we were the pride of the family, and part of a home, we loved our lives just as you now love yours, we were youths in years and experience of life, and yet we gambled, betting the highest stakes that man could wager, —our lives.

If we won, you won. If we lost we lost all and the loss was ours, not yours. And there was the grieving mothers, the saddened families and the broken homes to which we could never return. We ask only for God's speed in the support of our nation, in return for wagging our lives in the greatest gamble that has ever been known to the world.

For bravery and blood the flowering manhood of America will ask you to furnish bullets and bread, would you pawn your shekels for those who pawned themselves that you and your country might ever be free from the hand of tyranny.

Would you bet your gold on those on those who bet their blood that Germany could never conquer?

We are they, on whom the burden of the nation fell, on whom the destiny of your nation must soon fall again, for we are the flowers of the nation, the glory of a noble race and the tithe of "The Monster, War." We are the American Legion.

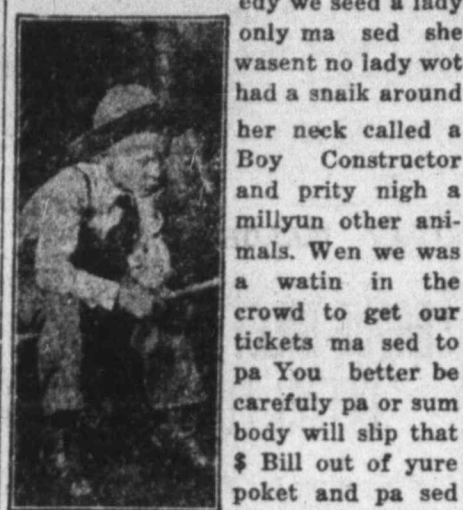

Coal, all kinds and prices. Get your coal now. Phone 346. Delivered.—O. LAMBETH.

Colorado is the only town in this section of the country where this picture will be played and many people from neighboring towns are expected to be in Colorado on these nights.

McMURRY LEADERS GATHER AT ABILENE FOR JUBILEE

T. W. Stonerod, Jr., member of the board of trustees, McMurry College, the new Methodist institution being constructed at Abilene, is in Abilene today to attend a jubilee of some three or four hundred prominent laymen and ministers of the Northwest Texas Conference who were to gather there to commemorate establishment of the college. Dr. J. W. Hunt, president of the institution, telegraphed an invitation to The Record Wednesday to attend the meeting.

The purpose of the meeting is to receive the report of the building committee, of which S. M. Shelton, of Abilene, is chairman. The report will contain the progress that has been made toward the completion of the administration building and other matters pertaining to construction work at the college.

Another matter to be taken up by the board and Bishop Dickey will be the erection of a dormitory for the accommodation of the boarding students. The date for the formal opening of the new college will also be determined at the meeting.

The first session of the day will be held at 9:30 o'clock Friday morning at the new administration building. At 10:30 o'clock the structure will be inspected, following which a mass meeting will be held in the auditorium of the administration building at 11 o'clock. Bishop Dickey will deliver an address at that time.

Luncheon will be served the members of the board of trustees at noon in the banquet room of the Wilson Cafe. An afternoon session will be held at two o'clock Friday at which time additional matters will be considered.

Other members of the board of trustees in addition to Mr. Stonerod are:

H. O. Wooten, chairman, Abilene; H. G. Towle, Snyder; A. B. Brown, Lockney; Dr. L. O. Dudgeon, Sweetwater; W. O. Stevens, Lubbock; Geo. R. Bean, Lubbock; O. P. Thrane, Snyder; J. H. Moore, Lubbock; L. R. Thompson, Merkel; Geo. S. Link, Spur; W. R. Ely, Baird; C. E. Powell, Baird; Dr. J. A. Richardson, Seymour; W. A. Baker, Munday; W. J. Garrett, Big Spring; W. J. This test is two miles southwest of Sterling City.

Fuel oil has been hauled to location and everything is now in readiness to resume drilling on the old McCauley well on the Douthitt-Parramore ranch. The Golden Eagle Petroleum Trust is backing this test and J. S. Meriwether will be in charge of operations.

LAND BANK RAISES LOAN LIMIT TO \$25,000.00

The limit of Federal Land Bank loans has been raised from \$10,000 to one individual to \$25,000 according to word received here by W. A. Dulin, president of the Mitchell County Farm Loan Association.

Mr. Dulin says that this is the result of recent legislation passed by the last congress and signed by

President Harding and that it will put the Farm Loan Banks in a position to be of real service to the ranchman of this section as well as the smaller farmers.

Mr. Dulin says that he thinks that this new bill will be a means of solving the financial difficulties of a great many of the large land holders of this section who need \$25,000 cheap money on long term to place their business on a sound financial footing. The interest rate is 5 1/2 per cent, with an additional 1 per cent to mature the loan in thirty four years.

Mr. and Mrs. W. L. Doon, D. L. Buchanan, Jamie Shorwin and Mrs. Jim Fulkerson are attending the Grand lodge of the I. O. O. F. at Dallas this week. Mr. and Mrs. Doon go from there to visit their daughter Mrs. Robert Motley, Jr., in Marshall.

OIL NEWS REPORTED BY THE BIG SPRING HERALD

Work was resumed on McDowell No. 4 of the General Petroleum Co. this week and everything is moving along nicely. A baller which had been lost in this well has been recovered and the work of drilling out the concrete plugs, which had been placed in the well to cut off the water, will now be attempted. If the water has been shut off they will be in position to bring in a well as an especially fine oil showing had been encountered when they suspended drilling to shut of the water.

We understand that the General Petroleum are planning to drill another well near McDowell No. 4, work to be started just as soon as all necessary plans can be made. H. D. Conley one of the trustees of the General Petroleum Company, is here to supervise development work.

Very little has been accomplished at the Enders-Cushing well No. 1 since our last report as work has been held up practically all week because a shipment of fuel oil failed to arrive. This delayed shipment reached Sterling City Thursday and the drilling operations will be re-started today. The hole has practically cleared of the iron fragments and steady progress should now be made.

The Sparkman No. 1 which was also shut down on account of the failure of the shipment of oil to arrive had a fine showing of oil at 1700 feet just before drilling was held up.

Work on Durham No. 1 of the Chicago-Texas Oil and Gas Association which has been suspended for some time was resumed Wednesday. They are setting ten inch casing between 1100 and 1200 feet and expect to be in production by the end of the month.

I been around G. D. Foster quite a bit lately. Our teacher miss Collins is plannin a ice cream party Friday After Noon, providin she can get sum of that good creme from the Colorado Drug store, wot they sell. O boy, that is sum creme. I'll tell the world.

Synopsis and Facts About "Manslaughter"

Producer—CECIL B. DE MILLE
Featured Players—Thomas Meighan, Leatrice Joy and Lois Wilson.

Other Players in the Cast—John Milern, George Fawcett, Julia Faye, Edythe Chapman, Jack Mower, Casson Ferguson, Dorothy Cumming, Mickey Moore, James Neill and Sylvia Ashton.

Scenarist—Jeanie Macpherson.

Cameraman—Alvin Wyckoff

Story—From the sensational Saturday Evening Post serial and popular novel by Alice Duer Miller.

Character of Picture—An intensely dramatic romance of today, showing up society's jazz life and produced on a scale that exceeds in lavish spectacle anything De Mille has ever done.

Synopsis of the Story—Lydia Thorne (Leatrice Joy) is a proud, beautiful young society girl—the leader of her fast Long Island set—who has always had more money and adulation than were

good for her. She is selfish and headstrong. Evans (Lois Wilson) Lydia's maid, steals a necklace from her mistress to save her (Evans' baby's life) and Lydia, without investigation, has the girl sent to prison. This is despite the pleadings of Dan O'Bannon (Thomas Meighan) the young district attorney of the county, who is secretly in love with Lydia.

Shortly afterward, Lydia, driving her racing car in her usual reckless fashion, crashes into a motorcycle policeman and kills him. O'Bannon, grimly determined to do his duty prosecutes Lydia for manslaughter and sends her to prison. She is bitter against him. In prison a new light dawns upon Lydia, and she comes out a changed woman—unselfish, eager to help out the poor.

Meantime O'Bannon, regretting having sent the girl he loves to jail, goes steadily downward. At last he has a big chance to get upon his feet again. It is within Lydia's power to spoil this, and at first she determines upon revenge. But in a strongly dramatic scene love proves too strong for her and she comes to O'Bannon's arms.

IN SOCIETY AND AT THE CLUBS

Reception
Mrs. Ross Dixon gave a reception to her many friends in her new home on Elm street last Saturday from four to six o'clock. The house was decorated in spring flowers and St. Patrick's colors, green. Ropes of green were festooned from the chandelier in the dining room to the four corners and caught with bunches of flowers. In the corner was a punch table draped with Irish figures where Misses Elsie Lee Majors and Fannie Bess Earnest, dressed in pretty evening spring frocks dispensed delicious punch. Mrs. Dixon greeted her guests and introduced them to her mother, Mrs. McKenzie who introduced them to the other

members of the receiving line, who were, Mrs. J. Hill Powell, Mrs. H. P. Slagel, Mrs. Bowen of Sweetwater, Mrs. W. W. Whipkey and Mrs. T. R. Moody. Mesdames H. C. Landers, A. L. Whipkey and Edgar Majors escorted the guests over the house, which was greatly admired by all. During the hours a program of readings, songs and instrumental music was given. Mrs. A. B. Blanks delighted with readings, Mesdames J. H. Guitar and John Daniels entertained with vocal solos. Mrs. O. B. Price favored with a piano solo and Miss Steadham with a violin solo. Mrs. Ed Snowden and Mrs. Harry Ratliff passed fancy cakes as the young ladies served punch and Misses Katherine Buchanan pinned the favors of green hats and Shamrock leaves on the guests as they left the dining room.

Aid Meeting

Helpful Helpers
The Helpful Helpers met on the evening of February 21 with Mrs. H. G. Williams articles for the layette were cut and business attended to then adjourned for the entertainment at night. The club as a whole was invited. Games for young and old were played and enjoyed by all. Much music through the evening by Misses Ferguson and Williams. At the social hour hot chocolate and cake were served to more than 40 people.

On March 6th eleven members and four visitors met with Mrs. W. P. Basham. Morning spent in work. Dinner served by Mrs. Basham. Afternoon more work. Lesson in hats was given by home demonstrator. Next meeting with Mrs. Adams.

Missionary Meeting
The Baptist women met at the church Monday for the regular monthly missionary meeting. The lesson was on Stewardship, led by Mrs. C. H. Leaky. There was an unusually large attendance and good talks and papers given by nearly all present. Mrs. Lee Jones, Mrs. T. J. Ratliff and Mrs. Mannering very interesting papers. Special programs prayer and thank offerings for home missions were observed Tuesday and Thursday.

Thrift Club
The Thrift Club meeting at Cuthbert Thursday the 15th was well attended. 12 women went in the morning and carried lunch and spent the day in making hats and paper flowers. After lunch more came in and we had roll call responded to by current events. Business was attend-

ed to next. One new member. Three of the members, Mrs. Simpson, Mrs. Tilloston and Mrs. Berry attended the county federation and reported an enjoyable and profitable time. The 6th district meeting of women's federated clubs at Midland was discussed and we hope several of our members will go. Motion carried that we send in our invitation to Mrs. Merritt to ask the federation to meet at Colorado next year. We decided to ask Dr. McMillan to make us a talk at 3 o'clock next meeting day which will be March 29th. Special invitations are extended to all mothers whether a member of the club or not also we will have a fireless cooker demonstration on that day by county demonstrator at 1:30 o'clock. Everybody come and bring somebody with you.—Club Reporter.

Entertain Husbands.
The Merry Wives club entertained the husbands at the home of Mr. and Mrs. O. B. Price. Tuesday evening at the conclusion of several interesting games, scalloped oysters, wickles, crackers, potato chips, pineapple salad, cherry tarts with whipped cream and coffee were served. The regular meeting of the club next week will be with Mrs. J. L. Pidgeon.

The Helpful Helpers.
The regular meeting of the 4th Wednesday was held at Mrs. Adams. We had a full attendance. Two new members and 7 visitors. The girls met with us and in the afternoon they were waiting a club so Miss Laceywell set a time to meet them and gave a list of the things they would be required to have for their first sewing lesson. They are getting in late but perhaps not too late. "The first shall be last and the last shall be first." The subject was "Millinery" We made three complete hats. One was a dainty little poke trimmed in violets and pink rose buds, the cost was 25c. An old hat that had served its time, they thought, was torn to pieces combined with a little dyeanshine adding some pieces from a discarded black silk waist made the pretty little poke shape hat. Another hat a black millam straw was treated. The hat was all out of shape and al-brown it was so badly faded. It was shaped and dyed then to complete it a sash of beautiful material was draped around the crown and brought down on the girl's right shoulder. The sash was made from the lower part of a silk dress that was so badly worn that it could no longer be used for a dress. There were a lot of silk flowers and leaves done over and a great many new ones made. The ladies were delighted with the things we were taught to do for ourselves. We adjourned to meet with Mrs. Elna Roach in two weeks.—Club Reporter.

The Morrison No. 2 was not a large well and its flush capacity was probably something like 200 barrels. This well has been producing for over a year and it has held up its production in such a manner as to mark it as one of the great wells of the state.

We have always believed and written that West Texas some day would take its place with the important producing centers of the state and the Smartt well leads us to believe that the pay sands of that district are indeed more important commercially than have as yet been admitted by big company representatives.

TECH LOCATING BOARD WILL NOT START MAY 1ST

AUSTIN, March 17.—Forty-four West Texas towns have filed applications with the locating board for the Texas Technological College, W. R. Nabers, secretary of the board, announced today.

A ruling of the location board made public today regarding the cost of land offered for the school holds that as long as the land is within the cost specified in the state law creating the school and meets other requirements, the board will consider it.

WEST TEXAS BAPTISTS ARE BUILDING HOSPITAL ABILENE

ABILENE, March 19.—Baptists of West Texas are spending \$200,000 for the construction of a large sanitarium here which should be completed in the late fall and be in full commission before the end of the current year.

The frame of the big hospital has been erected and gives some indication as to the magnitude of the institution. The building proper will be five stories. The contract price on the big building proper is \$105,000.

Plumbing, heating, electricity and equipment features will bring the cost of the building to at least \$200,000.00.

MIDLAND BANK STILL CLOSED; MAY OPEN SOON

Last week The Reporter was unauthoritatively optimistic over the prospect of the Midland National Bank re-opening some day this week, but—it didn't. It won't either, not this week and so far as our information goes, its affairs are just as indefinite as at any time since it closed, one month ago yesterday.

Some progress has been made, of course, and those in authority and most concerned are still working to the end of an early opening. Progress has been made, we are told, in refinancing the institution, and those best calculated to know are in no wise lacking in confidence that all obstacles will soon be overcome and the business of the bank resumed, more substantially entrenched than it has been in a number of years past.

No definite information is available. Our conversation with a federal reserve official this morning was of no importance. He very frankly stated that he would be unauthorized to report progress of the bank's affairs even were there anything definite that could be given to the public.—Midland Reporter.

FAIR QUEEN TO REPRESENT COLORADO IN BIG PAGEANT

Miss Lottie Pritchett, crowned queen of the First Mitchell County Fair at Colorado last September, has been named by representatives of the Chamber of Commerce as "Miss Colorado" to represent this city in the pageant to be shown on Tuesday evening, May 22nd, as a part of the program of the Fifth Annual Convention of the West Texas Chamber of Commerce at San Angelo.

In speaking of the pageant, Porter A. Whaley, general manager of the West Texas Chamber of Commerce, writes:

"On the second night of the convention at San Angelo, Tuesday night, May 22nd, there will be presented by some three hundred people an historic pageant depicting the progress of West Texas from its earliest pioneer days to its present splendid achievement. A special scenario is being prepared, a professional cast will play the leading roles (Harley Sadler's Company), a highly skilled director will have charge, and San Angelo's Pageant Committee will spare no effort or expense to make it the most unique, the most interesting and the greatest spectacle ever produced in Texas.

"The last episode of the Pageant will be a finale in which all the visiting bands will take part and a young lady from each town represented at the convention will appear on the stage as the typification of her town and as the town's sponsor. These young ladies will be designated as "Lady Colorado," "Lady Stamford," etc. Their names will appear in the souvenir program and as they take their places on the stage for the Grand Finale, the name of the town they represent will be announced so that all the spectators may know which towns are so represented.

"The young ladies will be met at Registration Headquarters by a committee of San Angelo ladies, special reservations will be made for them, they will be San Angelo's guests at the Banquet and other entertainments and several social functions will be given in their honor during the convention."

PARENT TEACHERS ASS'N. ORGANIZED WEDNESDAY

On Wednesday afternoon a representative crowd of the parents of the Colorado Independent school district met at the high school building for the purpose of organizing a Parent-Teachers Association. After several selections from the High school orchestra, Mr. King, who had made the call, explained the advantages it would give the teachers and parents in this co-operating together for the betterment of the school.

While the teachers and trustees have done much for the school, have worked under many difficulties, bringing about splendid results, yet much more can be accomplished in various ways by the united efforts of both parent and teacher. The parents realize this and were unanimous in their vote to organize, or rather re-organize for up to a few years ago much good was accomplished through this organization. The result of the election was: Mrs. Jack Smith, president; Mrs. Robert Terrell, vice president; Mrs. Lee Jones, secretary; Mrs. Vivian Shropshire, treasurer.

A committee composed of the president, Mr. King, Mrs. Sam Majors, and Mrs. C. R. Earnest was appointed to draft a constitution and by laws. A membership committee consisting of Mrs. Logan, Mrs. Leslie and Mrs. C. L. Root was appointed and the membership dues fixed at \$1.00 per annum.

Also a program committee was appointed. Mrs. J. H. Guitar, Miss McNutt and Miss Steadham constitute this committee. The meeting adjourned to meet next Thursday, March 29th to receive the reports of committees and attend to such other matters that may come up. In her speech of acceptance the president acknowledged in a very gracious

manner the honor and also said she appreciated the responsibility that such honors brought but was willing to undertake the work for the good of the school. She pleaded for the co-operation of the teachers and parents. The Record feels this is a step in the right direction and feels sure that the president will get the unqualified support of both parents and teachers.

CLEAN UP WEEK.

Plans for the clean-up week which has been set with the State clean-up week, April 2-7, inclusive are being met with hearty endorsement from individuals, business firms and those in charge of public buildings. The city council and civic league are working jointly and expect to give the city the best clean-up in her history and also have the organization so effective that it will be kept so, which is the main object for the campaign. County Judge J. C. Hall when he was visited by the committee about the court house and jail premises assured it that the work would be thoroughly done.

H. L. Hutchinson, president of the Board of School Trustees, assured the committee that just as soon as building was completed and that would be in a few days, the school grounds would be put in perfect condition and a man employed to keep them so. The Civic League appointed women to superintend in all the districts. Mrs. Landers and Mrs. Coleman will have charge of East Colorado and will assist and give information to any and all in that locality. Mrs. Merritt and Mrs. Jim Dobbs will have charge of the two streets and alleys in the extreme West part of town and Oak street. Mrs. Boyd Dozier, Walnut Street and alley; Mrs. Roy Dozier, Elm street and alley; Mrs. H. B. Broadus Chestnut and alley; Mrs. Jerold Riordan Locust and Hickory streets and alleys. Mrs. Stewart Cooper, Vine and Cedar streets and alleys and Mrs. Robert Brenhand the remaining section.

Citizens will see that all dead limbs and trash are burned that can be burned and all other rubbish is placed in piles in alleys so it can be hauled off and deposited in the city's dumping grounds and not piled on vacant lots and in gullies.

WESTBROOK ITEMS

The Westbrook Literary society met March 9th and rendered a fine program which was enjoyed by every one. New officers were elected which were: Wayne Armstrong, president; Marion Callan, vice president; Ella Widner, secretary; Nora Lee Guthrie, assistant secretary; Mr. Brown, critic; Cooper McCraney, sergeant at arms, and Mary Ethel, reporter. The society adjourned to meet again March 23. There were several visitors present. Come again, visitors are always welcome.—Reporter.

G. W. Hooks of Ysleta, Texas, is visiting his daughter, Mrs. E. V. Bell. Sheriff Terry was an official visitor to Westbrook this week.

W. E. Smith, B. F. Davis and others went to Stanton on a prospecting trip. They are very favorably impressed with the looks of the land and price of same.

Pat Morris invited a few of his friends out to eat birthday dinner with him on last Sunday all reporting a good dinner and a good time.

C. O. Harper had a very bad accident today but no one was serious-

ly injured, however. Mr. Harper was slightly hurt and one of Mr. McKinney's girls was hurt. The car in which they were riding was turned over and torn up considerably.

Hattie Cogway is home on a visit to the home folks from Simmons college of Abilene.

P. M. Rowland and family left today for a visit to relatives in Ranger.

Mr. Frazier and Mr. Pritchett of Colorado were in Westbrook on a sight seeing and business trip one day this week.

H. F. Snyder who has been in Abilene for treatment of his eye is not expected to ever see out of one eye again.

Mrs. A. L. Young left for Fort Worth last night to visit her mother and other relatives.

Tilford McKinney was a visitor to Longworth last Sunday to see the home folks.

Joe Roberts of Sweetwater was in Westbrook looking for a location to open a business.

No Reading Matter in This Picture

Much interest has been shown in an announcement made by the Best Theatre that it would play a picture in which no reading matter or subtitles appear. The name of the picture is "The Journey's End," and will be on the screen at the Best Theatre next Wednesday and Thursday.

Just how the authors bring out the different points of the story without any explanatory titles whatever has been the subject of much comment and many people expressed their opinion that it couldn't be done. The story deals with a very intellectual young girl who comes to America from war-ridden France to make her home with an aged uncle. An old agreement forces her into a marriage with a man very much her inferior. Her sufferings, heartaches, and finally the happiness that

comes at the "Journey's End" forms a most thrilling entertainment. The play is directed by Hugo Ballin.

Don't forget when its car trouble we do it and guarantee it to stand up—King and Free, Womack old Stand opposite City Hall.

Born March 15th to Mr. and Mrs. Tom Morrison, Jr., a fine girl.

HOBO Kidney & Bladder Remedy Got Results

"Blanchard, La. Oct. 8, 1922. You ask me to write and tell you what the Hobo has done for my son. It sure has cured him of Bright's disease but he took 3 or 4 bottles before we could tell it was doing him any good. Now he is as well as he ever was tho he still takes a little about about one or two bottles during the year. He took about 30 bottles of the Hobo medicine. R. M. Flowers."

Late in the winter of 1918 Homer Flowers was suffering from what the family doctor said was "Brights Disease." The story of his taking Hobo and the complete recovery that followed has been told in our advertising since that time. The letter above was written in answer to an inquiry of another sufferer addressed to Homer Flowers' father.

Hobo Kidney and Bladder Remedy is an herb remedy—it contains no alcohol or habit-forming drugs—gets results and leaves no bad after effects. Druggists sell Hobo for \$1.20 per bottle.

To the Sheriff or any Constable of Mitchell County—Greeting:
You are hereby commanded to summon L. A. Hayley, whose residence is unknown, and the heirs of L. A. Hayley, deceased, whose names are unknown, to appear at the next regular term of the District Court of Mitchell County, to be held at the court house thereof on the eleventh Monday after the first Monday in February, 1923, the same being the 23rd day of April, A. D. 1923, then and there to answer a petition filed in said court on the 14th day of March, 1923, in a cause numbered 4404, wherein W. T. King is plaintiff and L. A. Hayley, the unknown heirs of L. A. Hayley, deceased and W. H. Abrams are defendants, plaintiff's cause of action being as follows: Suit in trespass to try title, plaintiff alleging that on January 1st, 1923, he was lawfully seized and possessed of Lots Nos. One and four (1 and 4) in Block No. Eighty-nine (89) of the City of Colorado in Mitchell County, Texas, holding and claiming the same in fee simple; that on said date, defendants unlawfully entered upon said premises and ejected plaintiff therefrom and are withholding from him the possession thereof, to his damage \$2,000; that the reasonable annual rental value of said premises is \$200.00. Plaintiff further pleads title under the five years statute of limitations, alleging that he has been in peaceable, continuous, open and adverse possession of said lots, cultivating, using and enjoying same, under a duly recorded deed, for more than five years prior to January 1, 1923; Plaintiff also pleads that he has had actual possession of said premises, under an actual inclosure, cultivating, using and enjoying the same, for more than ten years prior to Jan. 1, 1923; and that defendant W. H. Abrams is asserting some title to said premises, the nature of which is unknown, but that said claim and that of defendants constitutes a cloud on plaintiff's title; plaintiff prays for citation, and judgment for title and possession on premises described in petition, removal of cloud upon title, issuance of writ of restitution, costs, etc., as more fully appears from his original petition on file in said cause.
You are further commanded to serve this citation by publishing the same once in each week for four consecutive weeks previous to the return day hereof in a newspaper published in your county; but if no newspaper is published in your county, then in the nearest county where a newspaper is published.
