

TWENTIETH YEAR—NO. 3.

COLORADO, TEXAS, FRIDAY OCTOBER 19, 1923.

WHIPKEY PRINTING CO.

TWO NEW PRODUCERS ARE EXPECTED IN THIS WEEK

The continued rains of the past week has retarded development in the Mitchell County field, but with the S. A. Sloan et al O'Neal and the Underwriters Morrison No. 4 drilling at 2900 feet, the field should add two producers during this week. Sloan Oil Company has completed the rig for Smart No. 2 and are now rigging up. This is an offset to the H. C. Miller No. 1 of Sloan et al, which came in sixty days ago with a production of 270 barrels. This location is 660 feet West of H. C. Miller No. 1 in the S. E. corner of the N. E. quarter of Section No. 21, T. 1N, R. 2E.

The California Company's Morrison No. 1 is drilling at 3905 feet. Riley's Underwriter-Morrison No. 1 in section 29 is completed and is now waiting for tubing and rods and will go on the beam. Thompson et al, Badgett No. 1 will be drilled a few feet deeper and shot. The consensus of opinion is that this well is a commercial producer. This well is located 3 1/2 miles northeast of the H. C. Miller No. 1 and has therefore extended the field that distance.

Messrs. R. V. Dixon, Amos W. Elliott and R. H. Clarke, all from San Francisco, have been in the field for several days as the guests of S. A. Sloan. These gentlemen are interested in the field and while they claim that the Mitchell County wells are not as large as the big California wells, they have every ear-mark of being long and consistent producers.

Operators report roads to the field are in bad condition and some almost impassable, hence little activity in the field at this writing the earlier part of the week.

OIL NEWS FROM MITCHELL AND ADJOINING COUNTIES

At McDowell No. 4 Unless some bad luck upsets present plans it should be but three or four days until McDowell No. 4 will be ready for a test to determine whether or not it is a real oil well, destined to open a big field in West Texas.

A perforated liner has been set at 3600 feet to prevent interference from tools which could not be recovered, and the work of running 6 5/8 inch casing to shut off water was started Thursday. If all goes well this task should be completed in three or four days, according to H. D. Conley, trustee of the General Petroleum Company, who is superintending operations at this test.

It is the belief of all our folks that the McDowell No. 4 has encountered a real oil sand and is going to be completed as a sure enough producer.

Developments at this well will be closely watched the next week or so.

Sterling County Oil News Paul S. Odward of Chicago, trustee for the Chicago-Texas Oil and Gas Syndicate, was a business visitor in Big Spring Tuesday. He is now busy looking after the development of the company's holdings in Sterling County. He informed us that 6-inch and 8-inch casing had been secured so drilling can be resumed at 1400 feet in the near future.

Mr. Odward also informed us of the organization of a new company the O. & M. Oil Co., at Sterling City. The O. & M. Oil Company is capitalized for \$100,000, trustees, Paul S. Odward and James S. Meriwether. Their holdings are in the Chicago-Texas Oil & Gas Syndicate, the Co-Operative Lease & Development Co., a quarter section close to production in the Colorado field in Mitchell County, and are negotiating for offset leases to the Fidelity Oil well and the Big Lake well in Reagan County. These properties lie on the Marathon Fold structure that geologists claim will be one of the biggest oil producing areas in Texas when developed. This company is organized for the purpose of completing development work on their holdings.

STATE FAIR OPENS 37TH SEASON AT DALLAS SAT.

The State Fair of Texas and International Exposition opened its 37th season at Dallas Saturday with one of the best initial days recorded in its history. This was true, both from the standpoint of readiness on the part of exhibitors and amusement features and in point of attendance. So thorough had been preparations beforehand that even early arrivals at Fair Park found the exposition in full swing on their entrance to the extensive grounds.

The various exhibit halls and buildings filled with a multiplicity of exhibits: Amusement Plaza with its host of entertainment devices, the racing bars housing the fleet-footed turf horses, the office of fair officials—all these and other features and departments that go to make up Texas' greatest annual fair were marked early in the morning even before the arrival of the vanguard of visitors with a bustle and an activity that bespoke complete preparation for the opening of the 1923 season.

Although the weather was not quite as propitious as might have been desired, it did not interfere materially with the opening day. Occasional showers fell during the morning and these were followed in the early afternoon by intermittent drizzles and a snappy temperature that made of the day a hint of coming winter. A few overcoats were in evidence but the crowds for the most part were indifferent in their enjoyment of the occasion to the change in temperature.

President H. A. Olmstead and Secretary W. H. Stratton of the fair both declared the showing on the opening day presaged a record-breaking season for the exposition.

Despite the rain which fell intermittently throughout the morning and afternoon, Fair Park was visited Sunday, the second day of the State Fair of Texas, by a sizeable throng of people. All of the exhibit halls and buildings, where protection from the rain was afforded, were comfortable filled with people, the visitors evidently enjoying their inspection of the vast array of exhibits as much as if the skies had been bright and the sun smiling.

The Automobile and Manufacturers building, housing hundreds of booths of Dallas manufacturers and automobile displays, was particularly favored by the Sunday crowds. Interested spectators of the "action" exhibits of the manufacturers and the glistening new products of the automobile factories, moved back and forth throughout this building virtually all day. The main exhibit hall the textile and fine arts building, the agricultural building and other exhibit buildings also drew their share of visitors. Live stock enthusiasts and poultry lovers found the fair no particular deterrent to their desires to view the many fine entries in those departments and altogether the crowds of visitors were larger than might have been expected in view of the disagreeable weather conditions.

The day demonstrated in a convincing way that the State Fair this year has an appeal more compelling than ordinarily. In addition to the thousands of Dallas residents who want to visit Fair Park, visitors from other parts of the State feel that same desire as well. That they will see the fair, bad weather notwithstanding, was the story told by Sunday's attendance at the grounds. It looks like the 1923 season is going to be the biggest in point of attendance ever recorded in the history of the fair, a history that goes back 37 years.

7,554 BALES GINNED IN COUNTY PRIOR SEPT. 25

Figures announced by the Department of Commerce, Bureau of the Census, gives the total cotton ginnings for the State of Texas at 2,185,781 prior to September 25. The figures for Mitchell county are 7,554 bales.

MITCHELL COUNTY EXHIBIT STATE FAIR SHOWS QUALITY

The agricultural products which will be included in Mitchell County's Exhibit at the Dallas Fair were shipped to Dallas by express Tuesday of last week. W. S. Cooper and Miss Laceywell left to take charge of the exhibit. Miss Laceywell became sick at Hamilton and did not reach Dallas. A letter from Cooper says he is working day and night with the exhibit and will stay during the fair.

Mr. W. A. Dulin, Miss Laceywell and Mr. Cooper worked hard for a whole week getting the exhibit up and it is mostly to these three that our exhibit shows up as it does at Dallas.

There is not a doubt, but that some of the finest specimens of farm products are to be found in Texas are included in the exhibit from Mitchell County, and we are going to secure some good publicity as a result of having this exhibit at Dallas. While we cannot hope to win first prize, because our display is incomplete—due to inability to secure some products listed on the score card—we can make a showing that will cause folks planning to move to West Texas to consider Mitchell County.

Where we fell down on our exhibit was our failure to employ a man a month or two ago to do nothing else but collect the best samples of all farm, garden and orchard products.

We waited until after most of the crops had been harvested and it was impossible to secure good specimens. Then the coming of rains caused weather damage and we could not secure the bright, clear color in some of the grain sorghum heads. It was no one's fault in particular; it was one expecting the other fellow would bring in enough to make up the exhibit. It is characteristic of the majority of our folks, however, that they are willing to help in most everything but it is necessary that someone make it his special business to keep on the job to see that we do not put off or forget to do our share in these community enterprises. It takes time, money and effort to do most anything worth while, and with everyone of our folks busy as could be this fall it was almost impossible to employ anyone to help go out and secure specimens for the exhibit pack and ship same to Dallas, and then remain in charge of the exhibit as can be testified to by the secretary of the Chamber of Commerce who at the last minute was given the entire responsibility of seeing that Mitchell county had a creditable exhibit at the Dallas fair.

Thursday morning this wire was received: "Part of exhibit failed to arrive and we could not fill score card, but won twenty-third place. Quality of Mitchell County products rated good. We only lost out on attractiveness, arrangement and failing to show all products required."

NEW RULING AFFECTS LOCAL FREIGHT SHIPMENTS COTTON

Clarence E. Gilmore, Chairman of the Railroad Commission of Texas in answer to a complaint filed with the Texas Railroad Commission by the Federated Farm Bureau of Mitchell County states that where a railroad company in Texas refuses to give a shipper of cotton the bill of lading because of the platform of the railroad is already over-crowded with cotton, that the Railroad company has no right to refuse the cotton because it is the opinion of the commission when there is not sufficient platform space to hold all cotton as tendered, a tender by the shipper on the railroad right of way is a legal tender and it is the duty of the railroad company to receive and receipt for the same.

In other words the commission considers that under the law of Texas as a failure to have adequate platform space is a disability of the carrier and ought not to injure to the disadvantage of the shipper by delaying the securing of bill of lading.

MOST SUCCESSFUL MEET IN HISTORY BAPTIST ASSN.

The Baptists of Sweetwater Association, composed of Taylor, Nolan, Mitchell and a small part of Coke counties, met in Colorado last Wednesday evening at 7:30 o'clock in their 49th annual meeting. Rev. M. C. Bishop, pastor of the First Church at Colorado, was elected moderator; Lee Stulce of Abilene, clerk; Guy Ivey of Abilene, treasurer. It took but a very few minutes to perfect the organization. Some committees were appointed and the body was ready for the annual sermon which was delivered by Pastor L. G. Moroney of First Church, Sweetwater. He brought a very strong and helpful message along the lines of denominational and church activities. Dr. Moroney is a new man in Texas but is doing a fine work at Sweetwater. His church has erected a modern brick pastor's home and is now building a modern church building. His church is fast taking its place as one of the leading churches in the west.

On Thursday morning the body was ready to go into business in full swing. The reports on the various objects for which the Baptist stand were ready to be made. The Moderator had previously asked men and women over the association to prepare these reports in order that no delay might occur at the meeting in making these reports.

The attendance was far ahead of anything in previous years, so said the old timers, who have attended these meetings for years. The Abilene Reporter made the statement that it was the best meeting for the past 33 years. Everyone present was willing to help make the meeting all that it should be. The fellowship was like unto that of long ago. The folks from the rural districts and the folks from the towns and cities vied with each other in the old fashion way of enjoying a Baptist association.

There had been some complaint last year about getting through too quickly but this year everyone had his or her say and we stayed as long as anyone wanted to talk in meeting. The very last hours of the meeting were the best.

The reports on missions were discussed and those present were made to feel the need of doing more in the Master's cause to spread the Gospel into all the world. Ministerial Relief came in for a full discussion. Several brethren magnified the ministry and advised the younger ministers to lay by for an old age period. One ministerial student spoke and told how hard a struggle a young preacher has in getting an education. One high hour was when Buckner Orphan Home was presented. There was cash and subscription to the amount of over \$1600 made to the home. Christian Education came in for a warm discussion. Dr. Sandefer made his annual report on Simmons College, which showed the greatest years work of any yet having been done. He stated that Simmons had the best Fine Arts Building South of Cincinnati, Ohio. The people, he said, should know what they have at Simmons and they would have more interest in the school. The present enrollment is the largest at this time of the year of any previous year.

Saturday Market

The women of the Christian church will have a Saturday market at H. B. Broadus' store Saturday. Get your Sunday dinner there.

Rev. W. M. Elliott will not be able to supply his pulpit here Sunday at the Presbyterian church on account of having to preach at Coahoma.

make a great affair of that occasion as the body meets in the city for which the association was named 50 years ago.

Rev. W. C. Ashford of Abilene was elected to preach the annual sermon.

Colorado was glad to have this fine body of Baptists composed of more than 8,000 to hold its greatest session in our midst. They brought us a great blessing and we hope they carried one away with each and every one. The home church had a right to feel proud of her pastor as host. He had laid himself out many days before hand to have it a success in every way and it was. Many blessings will come to the church by having this meeting with them.

LIONS WORKING FOR ICE PLANT HERE THIS YEAR

The Lions met in regular time and place Friday noon at the Pullman Cafe, with the following visitors being introduced:

Mr. Lester W. Dawley, an official of the Southern Ice and Utility Co., who manages the company's local plant at Paris, Texas, and Mr. Kelley manager of the company's ice plant at Big Spring.

President discussed the contest proposition and upon motion of J. H. Greene it was decided to stage another three months contest with E. H. Winn and A. B. Blanks as captains.

Mesdames A. L. Whipkey and J. B. Dobbs, presented at this time the proposition of selling to the lions tickets to a proposed lyceum course which the Civic League is attempting to bring to our city, with the result that every lion present pledged himself to buy tickets for each member of his family.

Mr. Dawley, who is District Governor for the eighteenth district of Rotarians of Texas gave an interesting talk upon co-operation of Lions Rotarians of Texas gave an interesting address upon the ice problems. In his address he produced figures to the effect that a small ice plant, such as we would probably have, seldom pays a dividend and suggested that we consider being served by his company from Big Spring, by means of a refrigeration vault which would be installed here.

Mr. Kelley addressed the club upon the same question and explained conditions as they exist in the retail ice business from the standpoint of price of ice in small deliveries.

Oey Lambeth, local man, who had been a guest of the Lions club, was present and made the statement that he had changed his plans, and would not erect an ice plant here, as he had contemplated, for the reasons above set out, whereupon the President appointed a committee of J. M. Thomas, T. W. Stoneroad and Oey Lambeth to meet with these gentlemen and the committee from the Chamber of Commerce to discuss this matter further. This committee met at Chamber of Commerce at which place an agreement was reached by which the Committees were granted time to negotiate with other concerns to secure an ice plant. Mr. Lambeth making the statement that he had decided not to put in the plant but that he would deliver the ice and carry out his contract as made provided the committee and citizens so desired, however, he is perfectly willing, he says, for the committee to secure the plant if some one desires to put in the plant.

The committee all agree that Colorado is entitled to an ice plant and are going to do everything possible to secure one, according to a statement made by members of this committee to the Record representative.

REVIVAL AT TABERNACLE CONTINUES INDEFINITELY

The revival at the Tabernacle conducted by the Cowboy Evangelist continues in spite of the inclement weather. The heavy rains caused a break in the services from Friday to Monday night, however, a number unwilling to be discouraged advised that the meeting go on.

On Monday night a good crowd greeted the evangelist for the reopening of the meeting and a good service followed. The evangelist preached on "Praying Through." He spoke from the text, "Men ought always to pray and not to faint." He argued that "always" should be rendered, "all the way," saying that men should pray all the way through self, the flesh and the devil to God which is victory.

Tuesday evening he selected for his text, "Be sure your sins will find you out." He declared that our sins will find us out, in the court of physical retribution, in our character our conscience, our children and eternity.

The revival will continue indefinitely, the following are some of the subjects yet to be discussed by the cowboy: "The sin against the Holy Ghost," "Hell, Is It a Place of Fire, where is it, is it eternal?" One night the cowboy will tell the people of one he has discovered that should be voted out of town. He will tell of his conduct, his devilry, hypocrisy and call his name, and ask those present to vote whether he be allowed to remain in town. Of course those likely to be the party will not be expected to be present at this time, however, the cowboy says that he expects to persevere and if necessary, thrash him.

Sunday afternoon at 3:00 the message will be for men only, including those from 14 to 100. At this time the preacher will speak on "The Bramble King." This is a red hot message and should be heard by every real man.

No service on Sunday morning as the evangelist advocates each person going to his own Sunday school and staying for preaching service.

NOLAN AND MITCHELL OFFICERS CAPTURE STILL

A still and two Mexicans were the concrete results of a raid conducted late Friday night by Sheriff Terry of Mitchell County and deputy sheriffs Butler and Musgrove of Nolan County into the country southwest of Roscoe.

The still was located about one-half a mile east of the Nolan-Mitchell line and a mile and a half south of the main highway. It was out in a cotton patch but it was too hot to handle when found, indicating that it had occupied a commanding position on a stove just prior to the arrival of the officers. It was full of mash. A barrel, containing about 50 gallons of mash was also discovered on the premises.

Officers said the output of the still was being peddled in Lorraine, which resulted in the raid.

The two Mexicans were given an examining trial and held to await the action of the grand jury on \$1,500 bond each.

The still was on exhibition at the sheriff's office in Sweetwater Saturday. It consisted of a large can with a close fitting top. A copper tube was soldered into the top and then coiled down into a large wooden pail.

Fair Train in Two Sections

Local T. & P. agent has been advised that No. 6, will be operated in two sections from Big Spring east, Oct. 19th and 20th. First section will have regular equipment including mail, baggage and express and will not have any extra equipment to handle fair travel. Second section will handle coach passengers only, making all the regular stops. Mr. Ralph advises that all fair travel should use second section.

Misses Ruth and Katherine Buchanan left Monday night for a trip to Dallas.

## WITH THE CHURCHES

**METHODIST CHURCH**  
My what a rain! The Sunday school was so slim you could see through it. But the clouds have passed and the fair is over, the sunshine here and the bracing fall weather, and now for a big, growing attendance to our school Sunday at 9:45 a. m. And a good congregation at each of our services at 11 a. m. and 7:30 p. m.

Leagues—Junior 4 p. m., Senior 6:30 p. m. Prayer service Wednesday 7:30. Come Sunday and we will have good services. All are welcome.  
J. F. LAWLIS, Pastor.

## SUNDAY WITH THE BAPTISTS

Last Sunday was the rainy Sunday of our entire ministry. Everyone had a rest day that day. Not much automobiling or going a visiting. The Association closed just in time to miss the rainy weather. Everyone seemed to have enjoyed the Association so much. Some even say they are going to attend another year. Our people miss many great blessings by not going where blessings are obtainable. These general meetings are of such great moment that no one who possibly can attend should miss any of them. Some of the greatest business men of our state attend many of these religious meetings. We hope those who did attend will have received inspiration enough to help those who did not attend. Our ladies did themselves proudly in entertaining the guests. We feel proud of everyone of you for you worked hard and did the thing up in your characteristic way of doing things. There were many fine compliments on the order of entertainment. No one could do it better. We appreciate the use of the Methodist church house on Wednesday. The men held their meeting there on that day. The addresses on that occasion were as good as you would hear anywhere.

We hope to have a full house next Sunday morning and evening. There will be many things to keep you away but we want you present on that date. Remember the Sunday school hour to be present. Things are getting better all the time. Some changes are being made for the betterment of the school and we trust that all will fall in and help make the school a great success. If you like the method on which the school is run you may boost it, if not offer us a better one. We have a first class superintendent and let us all boost for the best Sunday school in all West Texas.

## Mission Club

The mission club met with Mrs. W. M. Elliott last Thursday at four o'clock. Mrs. Billie Hagler led the lesson on Home missions from the Mission Survey. At five o'clock the Central Circle came for a joint meeting to hear reports. Mrs. Coleman, who had recently attended Synod at Dallas gave a very interesting Synodical report. She told of the Mexican school to be located at Taft. This Auxiliary has already come up with its full quota. Mrs. Riordan told in detail of the district meeting which was recently held at Coleman. At the social hour the hostess served delicious refreshment. The next meeting will be with Mrs. A. H. Dolman.

## Missionary Society

The young people's missionary society met last Tuesday with Mrs. L. B. Elliott. The lesson was on Russia, led by Miss Tommie Smith. Mrs. J. W. Butler was a guest. The hostess served sandwiches, pickles, wafers and cocoa. The next meeting will be with Miss Lulu Helton.

## SIMMONS COLLEGE

ABILENE, Oct. 16.—The first of a chain of "Simmons Clubs" being organized and fostered by the Alumni Association of Simmons College in towns through the Western part of the state came into being in Merkel during the past week. Some fif-

teen or more former students and graduates of the college, the majority of them teaching in the Merkel schools, held a meeting and perfected organization of the club. The recently elected president of the Alumni Association, Mrs. Roy Bradley and Mr. Roy Bradley of Abilene, the field secretary of the association, E. T. Miller, John Alvis and Josh Barrett, ex-students, journeyed over from this city to be present and assist at the meeting.

Holland Teaff, '20, was made president of the new organization, Miss Lucy Tracey, vice-president, and Julia Martin, secretary. The Merkel exstudents made big plans for the home-coming which is scheduled for Thanksgiving of this year. They also pledged support to the Alumni campaign for funds for the new men dormitory now being constructed, and for the endowment drive.

The association plans organization of such clubs throughout many West Texas towns where numbers of Simmons graduates and ex-students will gather for loyal support of the activities now involving the association, especially the dormitory campaign.

## OUR GOOD FRIEND

During the meeting of the Sweetwater Baptist Association last week the Record man had in his home the good Dr. R. C. Pender of Abilene. Dr. Pender is field representative of Buckner Orphan Home and is regarded as father of the home since the home-going of Father Buckner. Dr. Pender is 72 years old and looks on "Aunt Rose" and the writer as his children. Dr. Pender is full of religion and puts it in his life, when asked how he put so much into life he said, "Here is my motto, read it."

## My Motto

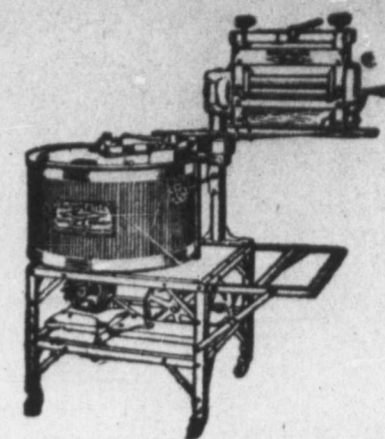

Do not keep the alabaster boxes of your love and affection sealed until your friends are dead and gone. Fill their lives with kindness, speak cheering words while their hearts can be thrilled and made happier by them. The kind words you mean to say, say them before they are gone; the flowers you intend sending for their coffins send them now to brighten, cheer and make happy their lives and homes before they leave them. If my friends have alabaster boxes laid away, full of fragrant perfumes of love and sympathy which they intend to break over my dead body, I would rather have them now to cheer me in my weary hours, that I may be refreshed and comforted by them while I need them. I would rather have a plain box coffin without a single flower, a funeral without an eulogy, than a life without the love, affection and sympathy of my friends. Let us anoint our friends and loved ones beforehand for their burials. Post mortem kindness nor carloads of flowers do not cheer the troubled spirit nor bring sunshine to the weary life after it is gone. My friend, flowers on the coffin cast no fragrance backward over life's weary way. So let us cast sunshine and bring joy today.

Affectionately,  
R. C. PENDER.

Mr. and Mrs. John Prude and son John were with relatives in Fort Worth last week before going to Graham, Oklahoma, where they will visit Carey Prude and family.

**CRACKS IN THE RECORD**  
We would go to the Dallas Fair but we haven't the Dallas fare.

Anyhow, if we went, we believe we'd stay off the bump-the-bumps, figure eight, and the like. Fact is, we've gotten the same sensation riding up and down Second street this summer.

But just wait, give us time and we will have a dandy main drag. Seeing the steam roller packing down the dirt before the concrete base is laid reminds us of the conversation between two Irish women, which ran something like this:

"Mrs. Clancy, Yer child is badly spoiled."  
"Gwan wid yez, Mrs. O'Brien, he's not."

"Well, if ye don't believe me, cum and see what de steam roller did to him."  
The guys wot we don't like is these automobile agents who try to see how slow they can drive down Second street in their new cars while our tin lizzie is spitting and sputtering behind them.

We hope the time will come when we can go into a grocery store, ask the clerk if he has any bananas without having him come back at us with some silly little ditty, or something about tomatoes or pa-tatoes.

Sign in Roscoe, Texas, Hotel Rex. Yeh, it is just that.

Some Colorado fellow yet may have the honor of discovering the missing links. It is reported that the Colorado Golf Club is thinking of having its course, cleared of the weeds.

Time was when you could count the population of Colorado at the railway station. Now it is necessary to go to the post office at about nine-thirty every morning.

Furthermore Walnut street is no flowery bed of ease. Just at present it resembles the business part of a duck farm.

At any rate we can say it does rain in West Texas.

Concentration, yes, yes, Mitchell's population was inside the Harley Sadler tent Monday night.

A local mossback says if automobiles get much thicker in Colorado we will have to build a subway for the weary pedestrian.

Uncle Bill Cornstassel says it is getting to a pretty pass when the town's trash hauler acquires an automobile for pleasure riding.

You would think that every housewife in Mitchell county has gone on strike and refused to do K. P. if you visited the Colorado restaurants about noon each day.

Robert Whipkey drove his Essex to Dallas last Friday to visit the Fair. He had as his company Willis Jones and Homer Hutchinson. His father went along as chaperone. It rained all the time they were there and drove back Monday thru mud hub deep, but the boys say they had a dandy good time. Uncle Abdon't say much about the trip. The Mitchell county exhibit at the fair is fine and compares favorably with any county there, be they in east or west Texas.

### ADMINISTRATOR

THE STATE OF TEXAS  
To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Mitchell County, a copy of the following notice:

THE STATE OF TEXAS  
To all persons interested in the estate of C. D. Doggett, deceased, H. C. Landers has filed in the County Court of Mitchell County an application for an order to be appointed Administrator of said estate, located in Mitchell County, Texas, which will be heard at the next term of said court, commencing on the first Monday in November, A. D. 1923, the same being the 5th day of November A. D. 1923, at the Court house thereof, in Colorado, at which time all persons interested in said estate are required to appear and protest said application if they desire to do so. Herein fail not, but have you before said court on the said first day of the next term thereof this writ, with your return thereon, showing how you have executed the same. Given under my hand and the seal of said Court at office in Colorado, this the 10th day of October, A. D. 1923.

Five years ago this month more than 400,000 United States soldiers began the drive on the Argonne. Seventeen thousand were killed, many wounded, in fighting that stretched along a forty-mile front.

You can tell a man who raised cotton this year by the way he walks, even at a distance or several yards. Well, the cotton raisers have had so many downs that all ought to rejoice that they have some up years now and then, and that this is one of the up years for the cotton raisers.—Baird Star.

Mitchell County farmers walk natural. Some seem a little proud but it will wear off.

DROUTH FUND

Haskell County paid to the state on Wednesday, Sept. 26, \$13,000, which was the balance on the \$60,000.00 Drouth Relief Loan plus 4 per cent interest. Several other counties of the state which have not paid will probably be sued in the courts for the principal and 4 per cent interest. This is the instruction given by Attorney General by the last Legislature.—Haskell Free Press.

Mitchell County paid her loan back the following spring and nearly all the counties in the West did the same thing. We are surprised that any county would be so long in refunding to the State.

ITS ALL RIGHT.

LOCAL PREACHER WRITES ON PRESENT-DAY AFFAIRS

We are in the midst of wonderful times today. Congress is always talking about helping somebody. It has talked about helping the cotton farmer until now it seems the cotton farmer is about to get on top and thereby not need any of our Uncle Sam's help. With cotton playing around 30 cents it seems foolish for people to talk about Congress helping the cotton farmer in any way. The cry today is that the wheat farmer is bankrupt and therefore the Congress must do something for him in order not to have the whole U. S. to go into bankruptcy. We need to stop and think for a moment. Only 6 per cent of the farm products of the U. S. is in wheat. In the adjustment period of the world's history we find different industries getting hard hit. Today cotton and wheat are not well balanced in price but the great reason for that is that the world is short on cotton but is full of wheat. It costs but little more to produce a large yield of wheat than it does a small one. The cotton situation is different in that it costs much to have a large cotton crop gathered. Suppose the wheat farmer had but one-half the present crop and was getting \$2 per bushel instead of one dollar everyone would feel the wheat farmer was doing well but we fail to stop and think he is doing very well because he has made much and has not cost him any more than if he had made but one-half a crop. Russia is full and running over with wheat. That makes the Orient well off.

GLOOMY SUNDAY.

You have heard of "Blue Monday" and "Good Friday," but taking a shot at prophesying on the weather we will say that today will be "gloomy Sunday" to a bunch of folks if they will just allow it to be. But without it is just pouring down big drops of water all over the town section and several miles around, don't allow the weather to interfere with your going to Sunday School and church. But few, if any business men failed to be present at the regular hour when the store or shop opened yesterday morning, notwithstanding there was water all over the ground, and the rain was coming down at a rapid rate. They just simply donned their rubber boots or overshoes, rain coats or umbrellas, and in some instances called sevice cars to get to their business to greet the customers who might come to buy. Do likewise today. If it is still gloomy weather attend church anyway. The preacher will be there to greet you. He has spent the week in preparation of a sermon for you, and you should not disappoint him by not being in your accustomed pew.

Sunday will be what you make it. What will you make today? Attend Sunday School, stay for preaching service, and then you will enjoy the balance of the day better by having performed your duty. What do you say?—Lubbock Avalanche.

Monday morning in Colorado was just as gloomy and rainy and yet every business house in town opened up on time, while the day before not a church in town opened its doors. It seems that merchandising is more important than the church, preacher or Sunday school.

WESTBROOK ITEMS

Card of Thanks We desire to express our thanks to those who ministered unto us in the illness and death of our darling little Bruce. Especially do we thank those who were so thoughtful of us in our deep trouble. May God's richest blessings abide with you all and may you have such friends should like trouble come to you.—Mr. and Mrs. R. R. McCramey and Cooper.

Mrs. Bertha Barber left Monday night for Abilene where she will visit with her daughters, Misses Myrtle and Ada who are attending Simmons College.

The infant child of Mr. and Mrs. John Kitchens who has been dangerously ill, is very much improved at this writing.

The Parents-Teachers association met at the school auditorium Friday and reorganized. The following officers were elected: Mrs. Terrell, president; Mrs. Rowland, vice president; and Mrs. E. V. Danner, secretary. A Halloween carnival will be given under the direction of this club at the High school auditorium Oct. 26th.

Pent Hines left Tuesday night for Dallas where he will attend the Fair and visit relatives.

Albert Oglesby who was operated on for appendicitis several days ago at the Colorado sanitarium was brought home Tuesday.

Mrs. Leroy Gressett received word from Portland, Oregon, that her husband who had undergone an operation for appendicitis was recovering rapidly. Mr. Gressett is playing ball with the western coast league and was expected to return home in a few days.

E. C. Danner is attending the Dallas fair this week.

OIL NEWS.

(Continued from first page) Development Company have dismantled their old derrick and are going to erect a new one for the purpose of standardizing if necessary. Mr. Meriwether left Sterling City for Beaumont to make necessary arrangements to complete operation.

It is rumored that one of the big companies has leased the Richardson tract of land in Sterling City for Beaumont to make a thorough test. Geologists contend that a real oil sand had been struck in Richardson No. 1 just about the time the operations were suspended and the well abandoned.

Texon Well Produces 10,200 Barrels

SAN ANGELO, Oct. 12.—The Texon Oil and Land Company's discovery well, the Santa Rita, has produced 10,200 barrels of high grade 36 gravity oil since it was connected with steel storage tanks June 25, according to Carl G. Cromwell, head driller, who was in San Angelo last week. Two carloads of oil were shipped Saturday, a week ago, to the Rio Grande Refining Company at El Paso and two more carloads were shipped last Monday and Tuesday.

The Santa Rita well has never been drilled deeper since the bit struck the pay sand May 28 and went only 18 inches or two feet into the sand its exact depth is 3,026 feet, says Mr. Cromwell.

The first offset to the discovery well, or Santa Rita No. 2, lacks but a few hundred feet of being down to the same level, where it is expected the pay sand will be struck. It was shut down early last week at 2,720 feet for new stems which are being trucked from Eastland by M. C. Baker of Pioneer, drilling contractor. Ten-inch pipe extends to 2,000 feet. At 2,300 feet, 8 1/2 inch casing will be landed.

Santa Rita No. 3, the second offset, has been fishing at 500 feet for two strings of tools that have been secured and will be drawn out as soon as a casing hitch is received.

Several months ago Henry and Sam Shoeler, R. Thies and Son, Mrs. L. C. Goodwin and John Queen of Big Lake and San Angelo, leased 16 sections of University land in Reagan County at 25c per acre of \$64 per section, plus a small filing fee. Last week they sold 15 of the 16 sections for \$24,000, making a profit of \$23,030. They sold the tracts to the Trans-continental. The land is in block 6, 17 miles southwest of Big Lake and 10 miles south of the Santa Rita well. Trans-continental intends to drill some wells on section 6, within a mile of the Santa Rita.

In The Pecos Field

Dr. John C. Wichmann, Los Angeles capitalist, came in the early part of the week with Guy Covey to look over the Pecos oil field. They together have visited the various wells over the field and Dr. Wichmann expresses himself as well pleased with the prospects of a real oil field here. He stated that the oil is of high gravity and exceedingly fine and that beyond question we have a grand oil field here which only needs development.

Dr. Wichmann is a capitalist and has plenty of friends who are also capitalists, who will go full length with him in the development of the Pecos oil field. Dr. Wichmann has interested himself in the Trans-Pecos well just above Barstow and states to the Enterprise that in the event he secures sufficient lease acreage to justify the undertaking his corporation will take over the proposition and with the best and latest improved machinery put that well down to pay in the least possible time. It will not be a lease sale proposition, he states, as they will have ample funds with which to operate and their only hope or expectation of remuneration will be the production of oil.—Pecos Enterprise.

Merry Wives

The Merry Wives met with Mrs. Boyd Dozier Wednesday. Her guests were Mesdames W. L. Doss, Jr., H. C. Doss, C. C. Thompson, A. E. Barcroft, Henry Pond, Lister Ratliff, W. A. Dozier and Miss Martin. The hostess served a salad course and coffee. The meeting next week will be with Mrs. W. B. Crockett.

CITATION BY PUBLICATION

THE STATE OF TEXAS To the Sheriff of any Constable of Mitchell County—Greeting: You are hereby commanded, that you summon, by making Publication of this Citation in some newspaper published in the County of Mitchell, State of Texas, if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County to said Mitchell County, for four consecutive weeks previous to the return day hereof, W. M. Williams, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Mitchell at the

Court House thereof, in Colorado, Texas on the 11th Monday after the first Monday in September, 1923, same being the 19th day of November, A. D. 1923, then and there to answer a Petition filed in said Court on the Seventeenth day of October A. D. 1923, in a suit numbered on the Docket of said Court No. 442, wherein Laura Williams is plaintiff and W. M. Williams is defendant, the nature of the plaintiff's demand being as follows, to-wit:

That on or about the 14th day of October, 1918, in the town of Atoka, State of Oklahoma, plaintiff was lawfully married to defendant and continued to live with him as his wife until the 26th day of September, 1922, for the reason hereinafter stated she was compelled to, and did separate from defendant, since which time she has live separate and apart from him.

That during all the time plaintiff lived with the defendant, she managed the household affairs of her said husband with prudence and economy, and at all times treated him with kindness and forbearance, but that defendant disregarded the solemnity of his marriage vows within a short time after said marriage, commenced a course of unkind, harsh and mean conduct toward her, and

on many occasions would whip and beat this plaintiff, and that finally some time during the summer of 1922 he began living in adultery with a woman whose name will be given on trial hereof, and so lived in adultery with said woman at their home where plaintiff and defendant were living, which conduct was of such nature as to render plaintiff's and defendant's living together insupportable, whereof she separated from defendant as aforesaid.

Whereof plaintiff prays the Court that defendant be cited by publication to appear and answer this petition, and that said marriage be dissolved and declared null and void, for costs of suit and for such other and further relief, special and general, in law and equity as in the premises she may be justly entitled.

Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Colorado this 17th day of October, A. D. 1923. (LS) W. S. STONEHAM, Clerk District Court, Mitchell County, Texas. 11-2p

**MIDLAND DISTRICT TO HAVE FALL C. E. CONVENTION**

On October 26, 27 and 28, Midland District of Christian Endeavor is working to have it's Convention, to be held in Big Spring. The goal of one hundred visiting delegates in attendance and every society in the district represented, is very likely to be realized. Much interest is being manifested throughout the entire district.

The convention will be held in the First Christian church, west of the court house. A junior choir as well as senior, will be had. Our Juniors are to have a part in this convention.

Banners were offered the society securing their registration quotas first and Barstow and Coahoma hvae won first and second banners, respectively. The third will be given for greatest attendance and the fourth for greatest number of registrations Big Spring is trying to win the last one. They are having a contest between the two societies of the Christian and Presbyterian churches.

Among the speakers that have been secured are W. S. Hutton, secretary for the Christian church in Texas, Arkansas and Louisiana; E. F. Huppertz, our own field secretary Colby D. Hall, former state C. C. president, but now Dean of T. C. U. Rev. Sheppard and Rev. Ruth, Big Spring; the district council members and Midland district is fortunate enough to have a splendid neighbor in the Colorado Endeavorers who are not only coming to lend their aid but will take certain periods on the program. The Epworth Leaguers, also are coming. This is a fine spirit to have and we are happy to have such co-operation and fellowship with a neighboring district.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS  
To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded, that you summon, by making Publication of this Citation in some newspaper published in the County of Mitchell, State of Texas, if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County to said Mitchell County, for four consecutive weeks previous to the return day hereof, Linal Prescott, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Mitchell at the Court House thereof, in Colorado, Texas, on the Third Monday in November, A. D. 1923, the same being the 19th day of November, A. D. 1923, then and there to answer a petition filed in said Court on the 17th day of October, A. D. 1923, in a suit numbered on the Docket of said Court No. 4444, wherein Emily L. Prescott is plaintiff, and Linal Prescott is defendant, the nature of plaintiffs demand being as follows, to-wit:

Plaintiff is suing defendant for a divorce, and alleges as follows: That plaintiff is and has been for a period of twelve months prior to the filing and exhibiting of the petition herein an actual bona fide inhabitant of the State of Texas, and has resided in the said County of Mitchell for at least six months next preceding the filing of this suit; that plaintiff and defendant, on or about the 1st day of October, 1918, were lawfully married in Bisbee, Arizona; that plaintiff and defendant continued to live together as husband and wife until on or about April 1st, 1923, when, by reason of the cruel and harsh treatment and improper conduct of defendant toward plaintiff, plaintiff was forced and compelled to permanently abandon defendant, since which time they have not lived together as husband and wife. Plaintiff specifically alleges that about October 1st, 1920, defendant cursed and abused and applied opprobrious epithets to plaintiff, and that such conduct continued up until April 1st, 1923, at which time plaintiff left defendant. Plaintiff alleges that said marriage relations between plaintiff and defendant still exist and that defendant's actions and conduct toward plaintiff generally are of such a nature as to render their further living together as husband and wife insupportable, the premises considered. Plaintiff prays for judgment dissolving said marriage relations, costs of suit:

Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Colorado this 17th day of October, A. D. 1923.

### IN SOCIETY AND AT THE CLUBS

**The Shakespeare.**  
The Shakespeare met with Mrs. Robert Brennan, Mrs. Tom Stonerod led the lesson in Carolanus and Current History. At the social hour the hostess served sandwiches, cake and coffee. Miss Earnest was a guest. The meeting this week will be with Mrs. Jerold Riordan.

**Standard**  
The Standard met with Mrs. P. C. Coleman with Mrs. Gary leader. The program was on Antony and Cleopatra. Mrs. Hooper of Abilene a former member was a welcomed guest. At the social hour the daughter of the house served veal loaf, its accompaniments, hot biscuits, coffee and candy.

**Hesperian**  
The Hesperian met with Mrs. Broaddus and had the first lesson in Othello with Mrs. S. O. Wulfjen leader. Mrs. W. L. Doss gave the introduction to the play. Mrs. Winn gave "Pen pictures of Scenes." Mrs. Johnson district librarian told of the work being done and planned for the coming year over the district. She urged that this club have a part in library work. The hostess served a salad course and coffee. The meeting this week is with Mrs. Dixon.

**Auxiliary to Legion.**  
The Auxiliary to the American Legion met with Mrs. Schroeder Saturday. Notwithstanding the cold, rainy day there was a good number present and an interesting meeting held. Plans were made to sell poppies on Armistice day or rather on Saturday as it falls on Sunday this year. A letter of appreciation was read from the welfare worker at Kerrville to whom the Auxiliary had recently sent a nice box of clothing for the babies and wives of ex-service men who are in the hospital. Plans were made for Christmas cards that the Auxiliary might be ready for cheer at that time. The hostess and her daughter, Mrs. Baker served sandwiches, pickles, potato chips, brown nut bread and coffee. The next meeting will be held at the Chamber of Commerce. Mrs. Albert Wilson and Miss Martin were guests.

**Daughters of the King.**  
The Daughters of the King met with Mrs. L. H. Gaskin last Thursday with the new president, Mrs. Chesney, presiding. The class decided to pay its dues and stay a member of the county federation of women's clubs. Mrs. Chesney, Mrs. Costin and Mrs. Van King were elected as delegates. Plans were made to carry on Purple Cross work for the interest of McMurry College. Mrs. Hutchinson was received as a new member. Mrs. Ed Jones was a guest. The hostess served a salad course.

**Children of Confederacy.**  
The Thomas Q. Mullin chapter of the Children of the Confederacy met at Mrs. Jack Smith's last Thursday with Juliana Smith and Sybil Dobbs hostesses. Besides the routine business delegates were elected to the annual meeting in Belton next week. Elizabeth Terrell and Delma Bishop were elected delegates. Mary Dixon Smith goes as special pace to the president; her grandmother, Mrs. E. W. Bounds. The hostess served cake and punch. The meeting next month will be with Bessie and Juliet Phillips.

**1921 Study Club**  
The 1921 Study club met with Mrs. C. R. Earnest. A discussion of "The Gold Bug," was led by Miss Mable Smith. Papers bearing on Poe's influence, style and characteristics were given by Mrs. Hooks, Mrs. Lambeth, Mrs. Quinney and Miss Smith. Special emphasis was placed upon the Governor's proclamation regarding "Fire Prevention Week," and talks were made by Mrs. C. E. Pritchett and Mrs. J. T. Pritchett on the importance of observing the precautions against fire and of making such information nation-wide. Delicious refreshments of bananas split and angel food cake were served by the hostess.

**Wiley-Hutton**  
A beautiful home wedding was solemnized Friday at one o'clock when Miss Lucile Hutton was united in marriage to Mr. Thomas F. Wiley, Dr. M. C. Hutton, father of the bride officiating. The bride is the accomplished daughter of Dr. and Mrs. M. C. Hutton and has scores of friends who love her for her many womanly traits of character. The groom is a very prominent business man of San Antonio, being a member of the firm of Wiley and Wood, contractors. They were the recipients of many handsome gifts, attesting the high

esteem and love which follows them. Mr. and Mrs. Wiley left immediately for San Antonio.—Georgetown Sun.  
Miss Lucile is a sister of Mrs. Jerold Riordan and spent a greater part of the summer here in the home of Mr. and Mrs. Riordan.

Nervous troubles, with backache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors. Ask your neighbor.

Mrs. S. A. Cox, Cypress St., Colorado, says: "I suffered with kidney trouble. I was so bad, at times, that when I stooped, the pains caught me so I couldn't straighten without help. When I got to bed, I couldn't rest, the pains were so sharp. I had terrible headaches and was almost a nervous wreck. The action of my kidneys was irregular and my back felt so sore I couldn't do any work. My feet and hands were swollen. I was told to use Doan's Kidney Pills and after finishing two boxes, I could feel great benefit. This medicine completely cured me."

**ROBS CALOMEL OF NAUSEA AND DANGER**  
Medicinal Virtues Retained and Improved—Dangers and Sickening Qualities Removed. Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.  
In biliousness, constipation, headache and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.  
Calotabs are sold only in original, sealed packages, price thirty-five cents for the large, family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.—(Adv.)

SHERIFF'S SALE.

THE STATE OF TEXAS County of Mitchell.

Notice is hereby given that by virtue of a certain execution issued out of the Honorable county court of Mitchell County, on the 25th day of September A. D. 1923, by W. S. Stoneham, clerk of said court for the sum of Three Hundred Seventy-Six and 37-100 (\$376.37) Dollars and costs of suit, under a judgment in favor of C. M. Adams in a certain cause in said court No. 1399 and styled C. M. Adams vs C. H. Lockhart, placed in my hands for service, I, I. W. Terry as sheriff of Mitchell County, Texas, did, on the 25th day of September 1923, levy on certain real estate situated in Mitchell County, Texas, described as follows, to-wit:

An undivided 7-60 interest in and to a certain oil and gas leasehold interest and all rights and privileges thereunder in so far as it effects all of the E. one-half of the S. E. one-fourth and the W. one-half of the S. W. one-fourth of Section No. 2, Block No. 26, H. & T. C. Ry. Co. surveys of lands in Mitchell County, Texas, and also an undivided 7-60 interest in and to an oil well now being drilled on said lease together with all personal property used or obtained in connection therewith also the entire oil and gas leasehold interest in the E. 16 acres of the E. 320 acres of Section 22 in Block No. 26, H. & T. C. Ry. Co. surveys of lands in Mitchell county, Texas; also an undivided one-half interest in and to the oil and gas leasehold interest in the E. 17 acres of the W. 625 acres of Section No. 1 in Block 28, T. 1 N., Texas & Pacific Ry. Co. surveys of land in Mitchell county, Texas, the interest levied on being all of the right, title, estate and interests in and to all of the above tracts of land owned, held and claimed by C. H. Lockhart. and levied upon as the property of C. H. Lockhart and that on the first Tuesday of November, 1923, the same being the 6th day of said month at the Court House door, of Mitchell County in the City of Colorado, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and

said judgment and execution I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of said C. H. Lockhart.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Colorado Record, a newspaper published in Mitchell County.

Witness my hand, this 25 day of September, A. D. 1923.

I. W. TERRY, Sheriff Mitchell County, Texas, by C. E. Franklin, Deputy. 10-26c

OVERLAND CHAMPION IS FARMER'S FRIEND

At last the farmer has been given a closed car of superior finish inside and outside, that he can utilize for various farm jobs and "chores" with the same cheerful abandon as he does his open touring car.

Thousands of farmers have expressed the opinion that they would gladly use closed cars if they could press them into practical work and get out of them the same all-round service the touring car provides.

This has been the farmer's winning argument for the touring car over the closed car for some years and it is admittedly a reasonable one. Practical service on the farm means the hauling of grain and other material of a highly "spillable" nature. A load of bran or shorts for instance leaves a car resembling the interior of a feed grinding room.

This new model, having as many personalities as a South American Chameleon can proudly claim the distinction of being called "America's most versatile car," for in introducing the Champion, Willys-Overland has succeeded in bringing out something absolutely novel and radically unique.

In the Champion, the rear seat and upholstery is entirely removable, providing fifty cubic feet of clear carrying space. Apart from this both front and rear seats quickly adjust forward and backward. The front seats adjust to three positions so that a tall driver can move it back to drive without leg cramp and a short driver can move it forward so as to reach the pedals without stretching. The rear seat can be adjusted backward so that rear seat passengers will not be crowded when the front seat is moved back.

Another clever feature of this car and characteristic of the unusual foresight in design, is the arrangement of both front and rear seats which with the upholstery can be entirely removed and made up into a luxurious bed in the car, occupying the whole length and width of the car. What a boon to the farmer and his family who want to spend the night away from home in a little hunting or camping jaunt.

LONE STAR

I think we have had enough rain for the past few days. Although we can't regulate the weather proposition. If we could some of us would never be ready for a change, so we take what comes and try to be satisfied.

Mrs. J. F. Hiser returned from the Sanitarium at Temple Monday morning. She is doing fine.

Dexter Taylor and Homer Mearse went to Cisco Thursday to purchase a Ford.

Mrs. Smith Hallmark was brought home Friday from the Grogan Wells sanitarium at Sweetwater. She is very little improved. They are going to carry her to Glen Rose this week for treatment.

Jessie Mearse the eleven year old daughter of I. B. Mearse, made a record, as a cotton picker one day last week. She picked 375 pounds. Some cotton picker isn't she?

The following described land and premises, situated in Mitchell County, Texas, holding and claiming the same in fee simple, to-wit:

Lot Number Twelve, (12) in Block Number Thirty-six (36) in the original town of Colorado, Texas, as is laid down and described on a map or plat of said town, a copy of which appears of record in Book "C" pages 15 and 17 of the Deed Records of Mitchell County, Texas.

That on the day and year last aforesaid defendants unlawfully entered upon said premises and ejected plaintiff therefrom and unlawfully withholds from him the possession thereof, to his damage \$500.00

Wherefore, plaintiff prays judgment of the Court that plaintiff have judgment for the title and possession of said above described land and premises, and that writ of restitution issue, and for his damages and costs of suit.

Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court and issued at office in Colorado, Texas, this, the 6th day of October, A. D. 1923.

CITATION BY PUBLICATION THE STATE OF TEXAS

To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded, that you summon, by making Publication of this Citation in some newspaper published in the County of Mitchell, State of Texas, if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County to said Mitchell County, for four consecutive weeks previous to the return day hereof, E. J. Sailing, Emma L. Gambel, T. A. Gambel, Minnie Dixon, J. T. Dixon, G. E. Sailing, C. C. Sailing and F. M. Sailing, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Mitchell at the Court House thereof in Colorado on the 11th Monday after the first Monday in September, 1923, same being the 19th day of November, A. D. 1923, then and there to answer a petition filed in said Court on the Seventeenth day of October A. D. 1923, in a suit numbered on the Docket of said Court No. 4440, wherein W. J. Manley is plaintiff and E. J. Sailing, Emma L. Gambel, T. A. Gambel, Minnie Dixon, J. T. Dixon, G. E. Sailing, C. C. Sailing and F. M. Sailing are defendants. The nature of the plaintiffs demand being as follows, to-wit:

That on or about the first day of January, 1923, plaintiff was lawfully seized and possessed of the following described land and premises, situated in Mitchell County, Texas, holding and claiming the same in fee simple, to-wit:

Lot No. 3, in block No. 23, T. & P. division to the town of Loraine, Mitchell County, Texas, as the same is described on a map thereof, of record in Book 16, pages 602 and 603 of the Deed Records of Mitchell County, Texas.

That on the day and year last aforesaid, said defendants unlawfully entered upon said premises and ejected plaintiff therefrom and unlawfully withholds from him the possession thereof to his damage in the sum of \$1200.

Wherefore, plaintiff prays the judgment of the court, that defendants be cited to appear and answer this petition and that plaintiff have judgment for the title and possession of said above described property, land and premises, and that

writ of restitution issue for costs of suit and for such other and further relief, special and general, in law and equity that he may be justly entitled.

Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ,

with your endorsement thereon, showing how you have executed the same.

**CITATION BY PUBLICATION**  
 THE STATE OF TEXAS.  
 To the Sheriff or any Constable of Mitchell County—Greeting:  
 You are hereby commanded that you summon, by making Publication of this Citation in some newspaper published in the County of Mitchell State of Texas, if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County to said Mitchell County, for four consecutive weeks previous to the return day hereof, the heirs of Mrs. — Cochran, deceased, the said Mrs. — Cochran,

during her lifetime being the wife of J. H. Cochran, alias Byrd Jackson Cochran, alias Byrd J. Cochran, whose residence is unknown, to be and appear before the Honorable District Court, at the next regular term thereof, to be holden in the County of Mitchell, State of Texas, at the Court House thereof, in Colorado, Texas, on the Third Monday in November, A. D. 1923, the same being the 19th day of November, A. D. 1923, then and there to answer a petition filed in said court on the Ninth day of October, A. D. 1923, in a suit numbered on the Docket of said Court No. 4426, wherein Floyd

Shock is defendant; and J. H. Cochran who also goes under the name of Byrd Jackson Cochran and name of Byrd J. Cochran, and the heirs of the deceased wife of J. H. Cochran (alias Byrd Jackson Cochran and alias Byrd J. Cochran, and John W. Thomas, Chester S. Thomas, A. R. Wood, C. C. Reynolds, R. L. Boswell, and Southwestern Life Insurance Co. a corporation, are defendants, the nature of plaintiff's demand being as follows:  
 Plaintiff is suing for the amount of principal, interest and attorney's fees due upon seven promissory vendor's lien notes, the last seven of a series of eight such notes, same having been executed by John W. Thomas, payable to Chester S. Thomas, dated August 5th, 1916, due and payable November 15th, 1918, 1919, 1920, 1921, 1922, 1923, and 1924, respectively, payable at Colorado, Texas; notes one and two being for \$136.85 each, and notes three to eight, inclusive, for \$167.85 each; plaintiff alleges that on the 5th day of August, 1916, Chester S. Thomas conveyed to John W. Thomas the following described land, to-wit: All of the North one-half of Section Number 60, Block Number 2, H. & T. C. Ry. Co. surveys, Sterling County, Texas; a part of the consideration for said conveyance was the above described notes, and a vendor's lien was retained in said conveyance to secure the payment of said notes; that on the 30th day of January, 1920, said John W. Thomas conveyed the above described land to J. H. Cochran, the said J. H. Cochran as part consideration for said conveyance assuming the payment of above described notes;  
 Plaintiff alleges that he is the present legal and equitable owner and holder of said notes; that he has been compelled to pay to the State of Texas the sum of \$10.35 interest, and has been compelled to pay State and County taxes on said land to the amount of \$13.41; in order to protect his lien; Plaintiff asks for judgment against defendants, J. H. Cochran (alias Byrd J. Cochran and alias Byrd Jackson Cochran), John W. Thomas, Chester S. Thomas, A. R. Wood, for the amount of said notes, interest, state interest, attorney's fees, taxes and costs of suit, and as against all of defendants for foreclosure of his lien on above described land.  
 Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ, with your endorsement thereon, on showing how you have executed the same.  
 Given under my hand and seal of said court at office in Colorado, Texas, this 9th day of October, A. D. 1923.

County, for four consecutive weeks previous to the return day hereof, Barbara Hughes, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Mitchell at the Court House thereof, in Colorado, Texas, on the 11th Monday after the first Monday in September, 1923, same being the 19th day of November, A. D. 1923, then and there to answer a petition filed in said Court, on the 17th day of October A. D. 1923, in a suit numbered on the Docket of said Court No. 4441, wherein T. E. Hughes is plaintiff and Barbara Hughes is defendant, the nature of the plaintiff's demand being as follows, to-wit:  
That on or about September 1st, 1921, at Fort Smith, Arkansas, plaintiff was lawfully married to defendant, then a single woman, and

that they continued to live together as husband and wife until about the 10th day of February, 1922, when by reason of the cruel harsh and improper conduct of defendant toward plaintiff, he was forced and compelled to permanently abandon her, since which time they have not lived together as husband and wife.  
Plaintiff alleges that during the time he and defendant lived together as aforesaid, he was kind and affectionate to her and always provided for her support and maintenance, but defendant unmindful of the duties and obligations of her marital vows, within a few days after their marriage began a course of unkind, cruel and tyrannical treatment toward plaintiff, which continued until plaintiff was forced and compelled to abandon defendant as aforesaid; that defendant considered herself of much better blood than plaintiff and on various occasions would curse and abuse plaintiff without any cause whatever; said that she was a fool for marrying him, and she had no love for him, which conduct grew worse until she refused to have anything to do with him, refusing to perform the duties of a wife to a husband, stating that she hated him and would rather die than live with him, which conduct grew to be of such nature as to impair the health of plaintiff, wherefore as aforesaid, he was forced to separate himself from her.  
Wherefore, plaintiff prays the Court that defendant be cited by publication to appear and answer herein and for judgment dissolving said marriage, for costs of suit and for such other and further relief, special and general, in law and equity, to which he may show himself entitled.  
Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.  
Given under my hand and seal of said Court, at office in Colorado this 17th day of October, A. D. 1923.

#### WHO IS TO BLAME?

Who is to blame for the moral condition of our country? Some will say "The general conditions of affairs are to blame." Others have a different notion about it. In former times men respected women. But a few years ago a gentleman would not smoke in the presence of a lady but what about it today? Men think nothing of it. Women may be to blame for this condition as so many of them in many places smoke themselves. But smoking is as offensive to a lady today as it ever was. Take the question of swearing. The law forbids anyone to use profane language in a public place. Why is it that so many today have no regard even for the presence of ladies when they want to "cuss." No body demands anything is about the only reason given. A man would smoke but once in a lady's presence if she objected. Men would quit "cussing" if men and women objected. Men and women would regard laws if someone objected strong enough. People drift disregard for law and order. Men are violating the statutes of Texas every Sunday in Colorado but nobody objects so there is nothing done about it. There are many improprieties going on around us but no one objects hence the deeds are continued. The right kind of public sentiment will cure lots of the ills of today. The temperance cause of America was launched by the good, moral women of America. The women must come back to it and raise their voices against the downward tendencies of today or the world is doomed to ruin and destruction. When ever women will set the standards for themselves the men will abide by them. If they are low the men will not raise them. If they are high the men will not lower them. Let our good women cry out against the sins of today in the form of immorality, bootlegging, public indecency on stages and in the movies, tent shows, etc. This condition of affairs will continue to exist until the public rise up and demand some thing better. The newspapers and shows give the people what they want and the public alone is to blame.

**MITCHELL COUNTY SOAKED BY TWO DAYS RAINFALL**

The rain which flooded this section Saturday night proved to be only a prelude to a general rain which swept down from the Panhandle Sunday and brought with it a breath of winter in the shape of sharply lowered temperatures.

There was snow in Denver and other points north and the rain seemed much heavier at Amarillo, Lubbock and other points than father south.

The rainfall at Colorado from Friday evening to Monday morning was 3.43 inches, making a total for the year thus far of 24.08 inches.

At the Texas & Pacific offices rain was reported from Baird to Toyah, the moisture falling practically all night and in about the same quantity as in Colorado. The rain continued as in Colorado.

The Fort Worth and Denver bridge of the Canadian was washed out Friday and the nearly completed Santa Fe bridge was again swept out as the result of the heavy down-pour. Clovis reported two inches and similar precipitations received from other Plains points, it was said.

The Orient reported wet trouble on their lines north of Sweetwater but last reports were to the effect that heavy rains were falling from Sweetwater clear to Altus, Okla. The rain did not reach as far south as San Antonio until Saturday morning a mist beginning to fall there during the forenoon. Indications were that before night it would reach on south.

According to cotton buyers, the result in this section of the rain will be sharply lower grade on the balance of the crop. On the strength of the rain and cold weather in the cotton belt, however, the market reacted strongly upward Saturday morning, and it may be that from a dollars and cents standpoint, this section may not be so badly off. It is estimated that about three-fourths of the crop has been gathered. Cotton picking stopped with a bang and for several days.

**HARLEY SADLER'S BIG LONE STAR CHAUTAUQUA**

The Harley Sadler Chautauqua is filling a week's engagement here this week. The large tent is on the right of-way near the passenger depot and is taxed each night to full capacity. The Harley Sadler show plays Colorado each year and is quite popular. He comes this year with new plays and new program and with his popular and splendid band has no trouble filling the tent each night.

Dr. W. A. Lee brought in a freak stalk of maize from his farm in the Lees community this week. From one stalk numerous suckers were formed until the parent stalk and suckers equaled a big bundle of feed. There were sixty-two big heads of grain on this freak stalk. This specimen will for ma part of the Howard County exhibit at the Dallas Fair.—Big Spring Herald.

The Doctor Lee referred to is the other-in-law of our Farmer Simpson printer who says the maize came out of his crop, and that he had whole fields of it.

**POISON IN EIGHT OUT OF TEN TESTS OF MOONSHINE BOOSE**

CHICAGO, Oct. 17.—Poison is found in eight out of every ten samples of liquor taken in saloons and soft drink parlors and analyzed, according to Dr. Hermann Bundesen, city health commissioner. The statement was issued as Mayor Dever revoked the one thousandth retail beverage license in the city campaign against prohibition law violators, which has resulted in more than 1,000 additional places closing voluntarily.

Poison liquor has killed at least 2,000 persons in the United States thus far this year, or six times as many as died from small pox in 1920, according to Dr. Dundesen.
