

COURT CHARGES JURY TO ACT WITH THOROUGHNESS

In empaneling the grand jury Monday morning immediately following opening of the Mitchell County district court, Hon. W. P. Leslie, judge of the 32nd judicial district, emphasized the importance of thorough investigation of all matters pertaining to law violation directed to attention of the body. The court directed that the grand jurors work to the end of making good progress in their investigations, but at the same time look well into both the State's and defendant's side of each case as presented.

Judge Leslie explained by this that the grand jury was not to assume the attitude of a trial jury, but were merely to do their full duty under the oath they had taken and in fulfillment of the obligation they owed the state and society. The charge was not delivered in the spirit calculated to leave the impression that the jury was not expected to carry out well every phase of their duty, but to the contrary the court expressed his confidence in the twelve men before him and concluded with the statement that he felt assured they would fulfill every requirement of a good grand jury.

The court made no specific reference to any cases pending for investigation of the grand jury, but delivered his charge in a blanket form to include every form of law violation. He directed, however, that in case any defendants were being held in jail for investigation by the body, these cases be taken up without delay in that the prisoners be freed, if found entitled to their liberty, or else given a speedy trial, if bills of indictment were returned.

The court urged that the grand jury report the finding of any bills of indictment as early as possible. He spoke against any indication which might develop in the grand jury room of voting bills of indictment and then delaying reporting the same to the court. To be prompt in making these reports, the court pointed out, would facilitate the cases to every interest concerned, allowing ample time for speedy trial and also plenty of time for both the State and defense to secure their witnesses and get ready for trial.

The following gentlemen were sworn in as grand jurors for the term: A. C. Taylor, foreman; J. T. Garrett, Lee May, T. J. Riden, A. A. Dorn, O. Bowlin, A. F. Bledsoe, Carl Phenix, C. O. White, T. A. Richardson, C. A. Gillis and J. T. Draper. Tom Goss and R. C. Dale were sworn in as special grand jury bailiffs.

After delivering his charge to the grand jury and directing that the body retire to take up its work for the term, the court took up the civil docket in consultation with attorneys who appeared as representatives of clients and set trial dates for several cases pending. Some of these cases have already been disposed of and others are to be heard next week.

FIRE DEPARTMENT MAKES RUN TO COTTON OIL MILL

Fire in the seed house at the plant of the Continental Oil-Cotton Company Monday afternoon was put out after small damage had been done. The fire department ran a hose line from the plug at Main and Oak streets to the plant, a distance of two city blocks, in record time.

4 RURAL SCHOOLS OPEN 1923-24 SESSIONS MONDAY

The public schools at Dorn, Rogers, Cuthbert and North Champion were opened Monday for the session of 1923-24. The Dorn district has just completed a modern stone building to replace the frame structure burned down a few months ago. Some of rural schools are not to open until the first Monday in December. Trustees have postponed opening date on account of awaiting completion of new buildings and also that in several communities the patrons have needed services of the children in gathering the cotton crop.

ROAD BOND ELECTION TO BE HELD DECEMBER 18TH

Tuesday, December 18, was designated as the date on which the election to vote on \$650,000 road bonds shall be held in an order passed by Commissioners' Court Saturday afternoon. The order, was passed unanimously by the court after petitions signed by 243 resident property voters of the county, praying for the election, had been presented. The petitioners were from Colorado, Loraine, Westbrook, Spade and Cuthbert, with a few citizens from other parts of the county.

The order calling the election specifies that all conditions of the proposed issuance, as set out in the petitions presented, shall be complied with. Special emphasis is given to the condition that \$325,000 or so much thereof as may be necessary, shall be set aside for surfacing the Bankhead Highway with concrete and that any balance, together with the remaining \$325,000 of the bonds, shall be proportioned among the four Commissioners' Precincts on the ratio that property values in each precinct bear to the assessed values of the county as a whole, based in 1923 rendition.

The court arrived at no conclusion as to which roads in the four commissioners' precincts were to be improved but endorsed the policy of carrying this question to the people directly affected and allow them to have representation in designation of any part of their proportionate share of the lateral roads improvement fund. This matter is expected to be taken up immediately upon appointment of the citizens committee, to be composed of one citizen from each of the four precincts to confer with the commissioners. The court has ordered that the wishes of the people of every section of the county be fully respected in the distribution of the road fund.

Presiding judges to hold the election in the ten voting precincts of the county were named as follows: Colorado, A. A. Dorn; Westbrook, J. C. Costin; Spade, R. A. Hood; Landers, W. E. Wimberley; Cuthbert, W. C. Berry; Carr, G. W. Sweatt; Loraine, J. L. Pratt; Iatan, E. B. Gregson; McKenzie, G. A. Brown; Buford, I. K. Gailey.

The order as passed by the court directing that the election be held is published in another column of The Record.

Representatives of the Commissioners' Court and Colorado Chamber of Commerce returned from Austin Wednesday night where they had gone to take up with the State Highway Commission the petition of aid in paving the Highway. They obtained definite assurance from the commission that aid at the ratio of two to one would positively be allowed and paid by the State on this project, on condition the proposed bonds were authorized. Judge J. C. Hall, a member of the delegation, expressed the belief Thursday morning that the State department would allow even a better percentage of aid.

Other members of the party were U. D. Wulffen and Jno. D. Lane, members of Commissioners' Court, and J. H. Greene, executive of the Chamber of Commerce.

OIL MILL EMPLOYEE KILLED IN ACCIDENT

Funeral services for Sam Collins, who died shortly after midnight Monday morning from injuries received a few hours earlier at the plant of the Continental Oil-Cotton Company, were held Tuesday afternoon at four o'clock at the family residence. Rev. W. M. Elliott, pastor First Presbyterian church, conducted the services. Burial followed in I. O. O. F. Cemetery.

Mr. Collins, an employee at the oil mill, sustained a broken neck and other injuries when his clothing became entangled on a rapidly revolving shaft in the seed house at the mill. The accident occurred about eight o'clock Sunday night. He is survived by his wife and four children.

SEVENTH RED CROSS ROLL CALL POSTER
This typifies the American Red Cross bringing hope to suffering mankind.

BUILDING ASSN. ENDORSED POSTAL TELEGRAPH AND CABLE GRANTED EASEMENT BY CHAMBER COMMERCE

Organization of a building loan association at Colorado was given the enthusiastic endorsement of executives of the Colorado Chamber of Commerce Thursday evening and tentative plans for formation of such an organization were suggested. Officials of the chamber stated that the demand for such an association had become acute and expressed the belief that relief of the housing congestion here, together with future development of the city depended largely upon the facilities of such an organization, to render financial aid to men of nominal means in acquiring a home.

In referring to such an organization at Georgetown, T. W. Stonerod, member of the executive board, stated that the association there had proven a big success since the very start and had grown to such a marvelous extent as to now carry larger assets than the two banks in Georgetown. He estimated that ninety percent of the residences built in Georgetown since the association was formed had been made possible thru the organization.

J. H. Greene reported that a similar organization was in force at Lubbock and the success attained had been entirely satisfactory. Other associations over the State were cited as proof of the feasibility of such an undertaking here.

Detailed information as to capitalization, working plans, etc., is being requested of some of these associations and from the West Texas Chamber of Commerce and the matter is to receive additional consideration by the chamber. If found practical, there is little doubt but that definite program for organization will be started.

COLORADO OVER SUBSCRIBES QUOTA TO BOY SCOUT FUND

Colorado had subscribed a total of \$1,090.00 to the local Boy Scout fund up to Tuesday morning and the drive here was not yet complete, according to Rev. W. M. Elliott, president of the four county scout council. The quota assigned to Mitchell County was \$1250.00, \$200 of which is to be raised in Loraine. The citizenship at Loraine will easily raise their part of the quota, Rev. Mr. Elliott stated.

Mrs. Mattie Merriwether and daughter, Miss Humie, are spending the week visiting in Abilene.

Authority to construct their line through Mitchell County was granted the Postal Telegraph & Cable Company Saturday by Commissioners' Court. The company, a Texas corporation with general offices at Dallas, are planning the construction of a line from Fort Worth to El Paso and after considerable investigation have selected the route along the Texas & Pacific Railway as the most practical, although strong effort was made to induce the line to extend from San Antonio. The eastment granted the corporation allows them the privilege to build their line along the route of the Bankhead Highway through the county, with certain restrictions, one of which is that any poles or other construction that may for any reason hinder traffic or road improvement or become a public menace, shall be removed within ten days notice from the court. This easement does not by any means effect Second street in Colorado, since the Commissioners do not have authority to grant the corporation right to build its lines within the city limits. The telegraph construction in the city will not pass through the business district from which construction of the other utility concerns were recently removed.

AMERICAN LEGION LEASES PROPERTY FROM COUNTY

Lots 9 to 13, inclusive, in the block fronting the court house square on the east were leased to Oran C. Hooker Post, American Legion, in a contract entered into between Commissioners' Court and Thos. R. Smith, attorney for the post, here Saturday. The property is owned by the county and was acquired by the post to be used as show grounds in the future. The lease is to run for a period of ten years, with the option to cancel by either party upon thirty days written notice. The Legion will pay a rental of one dollar per year.

In explaining reason for requesting the lease, the attorney stated that the former service men desired to obtain control of the property as one of the means to assist them in raising funds with which to pay for the memorial building. He stated that it was the determination of the post to bring only creditable shows to this city and that by having them billed under auspices of the American Legion a liberal percentage on admission sales could be made available.

STATE TO MAINTAIN AND MARK DESIGNATED ROADS

The following valuable information, giving conclusive statement that the State will, in addition to taking over all designated highways on January 1, 1924, for maintenance, will also mark these highways at expense of the State, has been received officially from Captain J. D. Fauntleroy, State highway engineer.

"In addition to the State taking over the maintenance of all State highways January 1st, 1924, the State Highway Department will also take over the marking of all state highways on January 1st, 1924, under the direct supervision of the sixteen district engineers, details of which are as follows:

"The road signs will be very simple in design and merely intended to inform the traveler the distance between towns, cross roads and other important places.

"In addition to these signs, road markers will also be erected, which will consist of a black circle, six to eight inches in diameter, containing a single white star and in the center of the star will be the number of the highway. These circles will be painted on telegraph poles, bridge heads, culvert headwalls and occasionally on sign boards where there is nothing else available to show such markings. For example, anyone leaving Texarkana and following State Highway No. 1 will see these markers erected or marked on posts headwalls, etc. at relatively close intervals all the way to El Paso.

"In addition there will be other signs for "Bad curves," Railroad Crossings, "Detours," etc.

"The state highway department will finance the marking of all highways and have exclusive control of same, which will eliminate the necessity of the public contributing funds for the purpose of marking the highways."

Captain Fauntleroy, in speaking for the State Highway Department, desires that there be no confusion as to the possibility of the State making improvements to any of the designated highways after taking them over for maintenance. "The State will maintain these highways only to the same condition in which they were taken over," he has stated. Aside from the funds to be expended for maintenance and marking, no expense whatsoever is to be incurred to the State by these highways.

Since the State will not add any improvements to the designated highways, Mitchell County can have no hope for improvement to Iatan Flats, or any other portion of the highway passing through this county, a county official stated Thursday, unless the county takes the initiative in furnishing funds with which to make the improvement. "The position of the Highway Department is certainly clear," he continued, "and we need look for no relief there, aside from removing from the county the burden of maintaining the highway with its own funds, unless we vote bonds."

GRAND JURY RETURNS 9 BILLS OF INDICTMENT

In a report filed with the court Wednesday morning, the grand jury reported the finding of nine true bills of indictment. Eight of the bills were based on felony charges and one misdemeanor. Identity of defendants in the bills not disclosed.

The grand jury had not completed its work for the term and following report of these bills attention of the body was directed to deliberation again. An amended report will be filed by the grand jurors later. It was considered probable Wednesday that some of the cases developing in the bills returned would be tried during this term of court.

LOCATION TWO ADDITIONAL TESTS MADE DURING WEEK

Definite announcement of another location for test in the Underwriters Producing & Refining Company's block was made this week by J. F. Carey and rig materials have already been assembled on the ground. The test will be drilled on acreage controlled by Carey in Section 32, Block 28, offsetting Texas & Pacific No. 4 of the Underwriters Company.

The other location is announced by the California Company on the Butler lease about one mile east of their A. L. Miller well. Rig materials for this well are on the ground. The Butler test will be watched with much interest by local oil men, since the bringing in of a commercial well at this location will mean a material extension of the field to the east.

The California Company has rig up for their offset to Sloan's H. C. Miller No. One. This location is on the A. L. Miller lease of the California Company and well within territory. The test is expected to be completed in record time. At Morrison No. One of the California Company the crew is cementing pipe at around 3,900 feet.

The Sloan Oil Company has landed eight-inch casing at 1280 feet in their Smartt No. Two and resumed drilling. Record progress is being made at this test, which is surrounded by some of the largest producers in the field. S. A. Sloan, president of the company, is in California this week on business in connection with development in the field.

O'Neill No. One of S. A. Sloan et al has been completed and put under pump. Production is entirely satisfactory and the well is making an initial showing to be rated with the larger producers in the field. Morrison Four of the Underwriters Producing & Refining Company also has been completed and placed in the producer class. This well, too, is proving up for good commercial production.

The test on acreage north of Colorado will be spudded just as soon as one or two tracts needed to complete the block is procured. M. E. Eddleman, drilling contractor, stated Thursday morning, Eddleman has contract to drill this test.

\$5,200 OF SCOUT FUND RAISED IN FOUR COUNTIES

Rev. W. M. Elliott, president of the 4-County Scout Council, embracing Mitchell, Scurry, Fisher and Nolan counties, stated Wednesday that a total of \$5,200.00 had been subscribed in the district to the fund being raised to employ a scout director. The fund is sufficient to guarantee a definite program of work. Rev. Mr. Elliott stated and the director is expected to be employed within the next few days.

Mrs. Bert Robertson and little son, Joe of Los Angeles, Calif., are expected today on an extended visit with her parents, Mr. and Mrs. A. L. Whipkey.

TWO-STORY BRICK WILL GO UP ON WALNUT ST.

J. A. Buchanan, administrator for the J. M. Boren estate, reports the sale of fifty by one hundred and forty feet at Third and Walnut streets to J. L. Jones & Company of Ranger. The property has a frontage of fifty feet on Walnut street and one hundred and forty feet on Third. Consideration in the deal is not known.

It is understood from reliable sources that the purchaser will erect a modern two story brick building on the property at once to be occupied by them for mercantile purposes. The company has a large furniture and hardware business at Ranger.

The firm of J. L. Jones & Company is owned by the estate of the late J. L. Jones who died at Stamford a year or two ago. The company has extensive holdings at Stamford, Ranger and other points in Texas. Chester Jones of this city is a son of the late J. L. Jones.

ROBS CALOMEL OF NAUSEA AND DANGER

Medicinal Virtues Retained and Improved—Dangers and Sickening Qualities Removed. Perfected Tablet Called "Calotaba."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotaba." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large, family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotaba.—(Adv.)

TEXAS PHYSICIANS ENDORSE RED CROSS HEALTH DRIVE

The Medical Societies of Eastland and Comanche Counties, Texas, in a joint session at Cisco, Texas, passed a resolution pledging the moral and professional support of the members of these two organizations to the health service covered by the American Red Cross among the youths and school children of Eastland County. Twenty-eight physicians were present and voted unanimously for the resolution, which is here given:

"Be it resolved by Eastland and Comanche Counties Medical Societies, held in joint session, that we, the members of the above named organizations, do hereby endorse and promise our moral and professional support to the Health Service Campaign now being planned by the Executive Officers of the American Red Cross of Eastland County among the youths and school children of the county as described by Mrs. J. B. Nunn of Eastland City, Texas, and Mrs. Philip Pettit of Cisco, Texas, and that we pledge the above named officers of the American Red Cross and the Nutritional Expert Nurse to soon come into the county our very best efforts and service gratis in the furtherance of the work of meeting health problems among the school children of the county.

(Signed) W. H. Guy, M. D., Carbon, President.

LETTERS FROM THE PEOPLE

AN OPEN LETTER.

Setting forth my views on the bond issue problem and after having serious occasion to study the question from every angle, I have come to the conclusion that the whole problem, which has become almost a universal practice, is a dishonest transaction from start to finish because the very foundation upon which it rests is not right, nor just, because it allows A and B the same privilege as tax payers. A owns real estate and is security behind the bonds. B owns an old waterbury watch that's all but is allowed to vote a burden on his neighbor B. 2nd Mitchell county is already overburdened with taxation and we don't have to recall but a few years when the majority of our people had to borrow money to pay our taxes. 3rd the public highway has already become a nuisance to the general public. We are running mad-wild preparing to go when many, many of us ought to be preparing to stay at home omre and make our homes more attractive to live at. We as a people are not only casting but voting a reflection upon our common intelligence, thereby acknowledging our inability to manage our own affairs, still I had it thrown in my face when we voted (or rather they) the immense bond some time in the past that the rising generation would rise up and call us blessed. Now every one can have his own ideas as to what they will have to bless us for. 5th It is not a money proposition to those who have to bear the burden but oh, the danger that confronts. We are to called the goat, as for me I had much rather be called a goat than to be a goat dressed up in sheep's clothing, pretending to be doing something for the rising generation when there is no outstanding proof or even an indication of such. In conclusion I say there is only two classes of people in the world that ever produce a dollar.

NEW FILLING STATION.

J. I. White has opened up a new filling station on Second street across from the Presbyterian church. Mr. White is in personal charge of this station and is handling good gas, and oil, free air and water and plenty of service. He says his station will be open at all times and always on the job. Drive by and get your supply of gas and oils from the White Filling Station, your business will be appreciated.

NOTICE

Patrons of Westbrook Independent School, Monday, Nov. 26th 1923, is the date that all children of scholastic age must start to school, under penalty.—Signed Westbrook School Trustees.

FIRST SESSION DISTRICT COURT CONVENED IN 1881

As the November term of District Court was being convened here Monday morning one of the few remaining pioneers who came to Colorado at the time the city was founded revealed that the first session of district court here was convened in 1881 forty-two years ago. Mitchell county was then in the 12th judicial district of Texas and court was held in a stone building standing in the street just east of the present court house.

Reference to the court records shows that the Hon. T. B. Wheeler was judge, J. H. Calhoun, district attorney and R. C. Ware, sheriff. An entry in the minutes of the first session of district court discloses the fact that court was opened on Oct. 3, 1881, but that on account of the absence of the district judge, the session was postponed until the following day by an order of the sheriff. The next day came and passed but still Judge Wheeler did not arrive and the sheriff again postponed opening of the term until Wednesday, October 5. The court was present on that day and the initial session duly opened and proceeded to business.

It was on October 13, 1884 that the first session of district court was convened in the present court house. The building, though not entirely completed, was in such condition as to allow the holding of court therein and Judge Wheeler convened his court in the new building. At that time the citizens of the county, together with court officials and visiting attorneys prided themselves in the fact that Mitchell County possessed one of the most attractive and commodious court houses in the State. The new brick structure, standing three stories high, was among the best to be found anywhere, and this enviable distinction was held by this county for several years.

Discussion of these interesting historical events of the county was suddenly interrupted by the pioneer who, with a twinkle in his eye, exclaimed: "And say, did you fellows know that there is a bottle of good liquor in that corner stone there?" He pointed an unsteady finger toward the corner stone in building. "Well, I don't know whether it is there yet or not, but they tell me one was placed inside the corner stone, along with some newspapers and legal documents. I was not present when the corner stone was laid, but was in the country that day looking after some cows on the open range."

The present session of district court will in all probability be the last to ever be convened in the old court house. The new court house is expected to be occupied by the county before the next district court is convened here next April. With passing of the present Mitchell County court house will pass a landmark of the early boom days of "Colorado City." The building was erected in the midst of the boom days here in the early eighties when this city was the largest between Fort Worth and El Paso.

WESTBROOK ITEMS

Miss Ada Barber of Abilene visited with friends here Sunday.

Mrs. Calhoun of Ranger has been visiting her sister, Mrs. Van Boston.

Mr. Andy Widner of Stanton is here for a few days.

Miss Bessie Sheppard of the Hyman community was in Westbrook Sunday.

Mr. C. E. Danner spent Tuesday in Sweetwater.

Mr. and Mrs. Albert Erwin made a business trip to Sweetwater Tuesday.

All the parents of community are cordially invited to come to the Parent-Teacher Association this afternoon at the school.

A box supper was given at Conaway school house Friday night, ninety dollars was cleared. This amount will go toward buying school supplies.

Mr. and Mrs. C. E. Danner and daughter Miss Evelyn attended the show at Colorado Tuesday evening.

The B. Y. P. U. members will assemble at the Roney home aet of town tonight for a social.

The public is invited to a box supper at the Westbrook school auditorium Thursday evening, Nov. 29.

The missionary society of the Methodist church met with Mrs. Van Boston Tuesday afternoon. An interesting program was rendered. Refreshments of punch and cake were served. The next meeting will be with Mrs. Ollie Bird Tuesday Nov. 27.

Mrs. L. E. Gressett, Misses Bledsoe and Bentley are planning on attending the Texas State Teachers Association at Ft. Worth Nov. 29-31.

LONGFELLOW LOCALS

Our box supper last Friday night was quiet a success, clearing about \$100. We are going to improve our school rooms and make our library larger.

There was very few present at church Sunday morning and also Sunday night. Bro. Turner from Abilene preached. Sunday school and singing is about to slip from us. Lets everybody come next Sunday and bring somebody that has never been here before with them.

Bro. Lawlis will preach Sunday afternoon at 4:00 o'clock.

Mr. Edward Felts went to Lamesa last Friday. He is planning on moving up there and is improving his place.

Mr. and Mrs. T. H. Westbrook and family visited at Cuthbert Saturday night and Sunday in the J. M. Robinson home.

Our school is improving. We have several new pupils this week and expect to have more in a few days. As nearly everyone is through picking cotton.

There was several visitors over from Valley View Sunday. We welcome these good people back and hope they will bring somebody else

with them.
Mr. Horace Smith is working in Colorado for the Cooper Chevrolet Co. PRONTO.

CHILD DIES

Little Katherine, two months old daughter of Mrs. Enelie Prescott of one or two miles north of Colorado, died Monday morning and the little body was buried Monday afternoon in E. O. F. Cemetery.

PLENTY OF PROOF

From People You Know—From Colorado Citizens.

The greatest skeptic can hardly fail to be convinced by evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Colorado, of people who can be seen at any time. Read the following case of it:

Tom Goss, farmer and ranchman, Colorado, says: "I can recommend Doan's Kidney Pills very highly for I have used them on several occasions when my back had a tired, languid feeling. When I got up in the morning, my back felt sore and lame I had severe headaches and a shooting pain across the temple. I heard of Doan's Kidney Pills and took them, and they certainly gave me a great deal of relief."

MITCHELL COUNTY AFTER CONCRETE HIGHWAYS

Fred Whipkey of Colorado, publisher of the Colorado Record, was a visitor in Big Spring Tuesday and advised us to keep our eye on Mitchell County. He stated that at a routing county-wide mass meeting this week it had been decided to ask for

a bond issue of \$650,000 to build a concrete highway across the county from east to west and to build good graded roads throughout the county. The State and Federal governments will supplement this with \$800,000 to insure the construction of this concrete highway. According to plans this will be an 18-foot road with curb.

THINK IT OVER El Paso Creamery Co. El Paso, Texas

Mr. Whipkey stated that Colorado and Mitchell County were stepping forward and the past year had been one of continued progress.

This \$1,450,000 expended for good roads will be the crowning effort to put Mitchell County in the forefront of the progressive counties of Texas. Among the big things put over the past year he enumerated the \$120,000 street paving program, \$115,000 for new courthouse, \$50,000 and \$20,000 for bridges across the Colorado river also sewer and water works extensions.

Mr. Whipkey reports that over 23,000 bales of cotton have been marketed in Mitchell county up to the present and the county is in the most prosperous condition in its history.—Big Spring Herald.

J. M. DOSS DRUG STORE AT MINGUS TOTAL LOSS

The drug store of J. M. Doss at Mingus was totally destroyed by fire at an early hour Monday morning. Origin of the fire is unknown. J. M. Doss is a son of Mr. and Mrs. W. L. Doss of Colorado and was reared in this city.

COURT HALTS SESSION AS JUDGE UNITES 3 COUPLES

For the third time in close succession Saturday afternoon, Commissioners' Court was interrupted when the services of Judge J. C. Hall were requested to perform a wedding ceremony. The first couple to climb the stairway to the second floor of the court house and blushing venture into the court room armed with a marriage license was a young negro and his darkskinned sweetheart. They were promptly married and the boy relieved of the usual fee of \$2.

Accompanying this couple was a negro man and woman, who stood by and watched the ceremony with more than the usual interest. Immediately Hall pronounced the couple "man and wife," the negro man let out a loud grunt of approval, as a broad smile encircled his face.

The commissioners had barely settled down to the perplexing matters pending their consideration when another couple desiring to be married was announced. These were white people. Court again recessed and the couple married and given the good wishes of the marrying squire.

"Well, gentlemen, we can now get to work on this matter and soon clear out the business before us," Hall commented as he crammed another two dollars into his pocket and assumed his chair at the head of the table. But no. Appearing at the top landing of the stairway stood still another couple, and they, too, desired to marry. For the third time the court recessed while Judge Hall performed a ceremony and this time it was noticed that the Judge was forced to speak in a loud tone in informing the young man of the fact that "you owe me two dollars."

The commissioners completed their work for the afternoon without further interruption.

In Memoriam.

Died on the 14th day of November 1923, Leroy Coles, son of Mr. and Mrs. L. S. Coles, aged twenty years ten months and six days. That death leaves a shining mark, was fully verified as the spirit of our much loved Lanoy Coles took its flight Wednesday night, leaving broken hearted parents, brothers and sisters to mourn his loss.

A vast concourse followed his remains from the undertaker's office where he had been sent from Terrell, Texas, to his resting place where he was laid to rest, to await the great resurrection day. Dear friends put your trust in Him who doeth all things well. Farewell dear Lanoy, your beautiful life is ended here. Thou hast answered the call. May God grant the family be an unbroken one in Heaven.—Contributed.

LEROY COLES BURIED AT LOCAL CEMETERY FRIDAY

The body of Leroy Coles, who died Wednesday night at Terrell, arrived in Colorado Friday morning and was taken to the morgue of J. H. Greene pending completion of funeral arrangements. Burial was had in I. O. O. F. Cemetery Friday afternoon. Leroy was twenty-two years of age and the son of Mr. and Mrs. L. S. Coles of the Longfellow community.

JUDGE BLANKS ENDORSED COURT OF CIVIL APPEALS

Judge W. C. Blanks of San Angelo, brother of A. B. Blanks of Colorado, has the endorsement of the Tom Green County Bar Association for appointment as chief justice of the Third Court of Civil Appeals and according to press reports Sunday prominent lawyers in other sections of the state were urging upon Governor Neff the appointment of this man to the place made vacant in the recent death of Judge W. M. Keyes.

The San Angelo Standard carried the following article Saturday regarding the endorsement of Judge Blanks:

"The Tom Green County Bar Association, in a special meeting in the District Court room this afternoon endorsed W. C. Blanks, local attorney and a member of the firm of Blanks, Collins & Jackson, for the appointment as chief justice of the Third Court of Civil Appeals, to fill the vacancy created by the death of Judge W. M. Keyes on Tuesday, Nov. 13.

"A wire was sent to Governor Neff recommending Judge Blanks and setting forth in a few words his qualifications for this important position. Judge W. A. Wright and Alex Collins will go to Austin the last of this week to personally urge the appointment of Judge Blanks.

"The appointment must be made by the bars of the thirty-one counties that compose this district. Austin is the largest city in the district and San Angelo is next in size. It is believed that there is a strong probability of a San Angelian getting the appointment.

Information received from Austin Tuesday was that Judge Blanks was named Associate Justice of Section A of the Commission of Appeals made vacant by the resignation of Judge J. M. Gallagher to take the position as presiding judge of the Tenth Court of Civil Appeals of Waco. The appointment becomes effective December 1st.

THANKSGIVING SERVICES TO BE HELD AT M. E. CHURCH

Announcement of program in observance of Thanksgiving was announced Wednesday by a committee of young people representing the several churches of the city. The services are to be held at the First Methodist church at 7 o'clock in the evening. Rev. M. C. Bishop, pastor First Baptist church, will deliver the Thanksgiving sermon. Musical program will be directed by Thos. Dawes Millard Smith will have charge of the services.

The program, as announced, follows:

- Song.
- Invocation—Rev. W. M. Elliott.
- Song.
- Responsive reading of Psalm.
- Gloria Patri.
- Reading New Testament Scripture—Rev. J. F. Lalwis.
- Reading Thanksgiving Proclamation—Claud Cook.
- Song—Quartet.
- Sermon—Rev. M. C. Bishop.
- Song.
- Prayer with benediction—Rev. J. M. Shufford.

RUFUS MARSHAL CHARGED IN LORAIN ALTERCATION

During an altercation at Loraine Sunday night Benton Templeton received a serious knife wound in his side. Rufus Marshal also of Loraine

was placed under arrest following the trouble and later released on bond in the sum of \$250 pending grand jury investigation. The condition of Templeton was reported Monday as not necessarily serious.

Many sufferers have been made very happy over the results obtained from the use of PAZO OINTMENT—60c at any Drug Store.

(Follow the Directions Carefully.)

Same Hen--

Fed Differently

Ordinary chicken feed will make a good hen lay two eggs a week. Purina will make the same hen lay four eggs a week, so dont ask for chicken feed. Demand Purina Chicken Chowder and Purina Hen Chow in checkerboard bags. Please do not feed Chowder without Hen Chow or Hen Chow without Chowder—to do so upsets the scientific balance and loses you extra eggs. Feed as directed on the instructions with each bag and get more eggs.

**SOUTHWEST POULTRY ASSN.
SHIPS FIRST CAR TURKEYS**

SNYDER, Nov. 19.—The first car
of dressed turkeys from the South-
west Poultry Producers Association
dressing plant in Snyder was loaded
last week. The car contained around
25,000 pounds. The turkeys were
loaded in refrigerator car and shipped
direct to the northern markets.

The Southwest Poultry Association
dressing station is loading a car every
three days. There are now about 30
men and boys at work at the plant
and at the cooling rooms. Turkeys
are being received by express from
all sections of the district. Coop after
coop is being received from Fisher,
Mitchell, Nolan and other counties
forming the district. It is a real big
enterprise for Snyder and marks this
town as the largest poultry center in
West Texas.

The pay roll of the Southwestern
poultry station at Snyder is now
around \$100 per day, and will in-
crease as the season advances. It is
a real wonderful sight to visit the
plant and witness the activities taking
place there. There are thousands of
live birds in specially arranged coops
and runs. Men and boys are busy
killing and picking these turkeys. As
fast as they are picked they are placed
on cooling boards, after washing
head and feet. Not a drop of water
touches the turkeys except the head
and feet. They are then transferred
to the refrigerator cars.

Thanksgiving turkeys delivered in
Colorado. See Simpson at Record of-
fice or write Leesdale Poultry Farm,

METHODIST CHURCH

We had good services Sunday both
in Sunday School and at the preach-
ing hours. Thanks to all visitors and
a hearty come again extended to
every one. Let us try and have an-
other good school Sunday. Come,
don't let your place be vacant.

At eleven o'clock we will preach
on the ninth beatitude. Did you know
that there were nine? Come and see.
The young people are going to have
a Thanksgiving program at the even-
ing hour, 7 p. m. They have some
choice people on the program. (I be-
lieve this service is to be a joint
program of the Christian Endeavor
and the Epworth League). If I am
mistaken I beg pardon. If I am right
in making such announcement then
let all come and have a good service.

A Union Thanksgiving service will
be held at the Methodist church
Thursday, Nov. 29, at 7 p. m. The
young people of the town are to have
charge of this service and they have
something good in the way of pro-
gram and let all our people support
them with their presence. Let all our
people observe this day as a real
Thanksgiving Day and come to the
services. See Thanksgiving Program
in this paper.

All are cordially invited to our
services.

J. F. LAWLIS, Pastor.

COLORADO LIONS READY FOR SWEETWATER ROAR

Lions of the Colorado den are ready to make the trip to Sweetwater Friday afternoon to attend the joint banquet at Hotel Wright there at eight o'clock that evening. The trip will be made in automobiles under direction of a committee of J. Riordan, S. L. Cooper and P. K. Williams, named last Friday by Col. Adams to "see to it that every Lion had transportation to Sweetwater and return." The delegation is scheduled to leave the Chamber of Commerce at 6:15.

There will be no meeting of the club at Colorado Friday, the president announced just before adjournment of the meeting last week. Friday of next week, however, the club will meet in regular session. At the meeting last Friday twenty members of the club pledged definitely to attend the delegation to Sweetwater and several others promised to go if possible. It is estimated that thirty will go from here.

J. A. Buchanan, newly elected member of the organization, was introduced and as he arose from his chair to address the club was greeted with numerous growls and threats of attacks from among the members of the den. "I have been in some close places and been associated with some unusually tough characters," Buchanan stated, "but I must admit this is about the hardest aggregation I have ever been thrown into."

The newly made cub was promptly fined by the tail twister for a serious infraction of Lion etiquette.

Another new cub is scheduled for introduction to the Lions of Colorado at the meeting Friday of next week. He is I. W. Terry, sheriff. Terry was elected to membership Friday.

FRAUD PROMOTERS GIVEN SCATHING DENUNCIATION

After receiving one of the most scathing denunciations ever received by a prisoner at the Texas bar, Dr. Frederick A. Cook late Wednesday was sentenced in Federal District Court at Fort Worth by Judge J. M. Killits to serve 14 years and 9 months in the Fort Leavenworth prison and to pay a fine of \$12,000. S. E. J. Cox, joint defendant with Dr. Cook in the oil fraud charges, and who is well known at Colorado because of the operations of the General Oil Company in Howard County, of which Cox was president, was sentenced to 8 years in Leavenworth and to pay a fine of \$8,000.

Scores of Colorado and Mitchell County citizens will recall the big celebration at Big Spring in 1920 given by Cox and attended by people from various sections of America and the Hawaiian Islands. The celebration was held soon after McDowell No. 1 had been drilled in by the General Oil Company. Even at that time charges of irregularities were made by many of the purchasers of stock in the Cox company.

In giving his denunciation of Dr. Cook, Judge Killits said:

"Well, Cook, what have you to say for yourself. You at last have reached a point where your hypnotic personality will do you no good. First we had Annanias and the twentieth century produced Frederick A. Cook. This deal was so damnably crooked that the men who defended you must have had to hold handkerchiefs to their noses. Undoubtedly you have hidden your ill gotten gains. Right now you have money belonging to the poor people of this country. Why only yesterday a Texas woman wrote me that she had given you her last penny because of your literature and that she is going blind and has nothing.

"Oh, God, Cook! Haven't you any decency? Are you haunted at night? Can you sleep? The best satisfaction I have is that I know I am voicing the sentiment of the people of Texas. It is foolish of me to talk as it doesn't sting you."

Cox also was given a scathing denunciation by the court when the sentence of 8 years imprisonment and fine of \$8,000 was given him for the part he had played in defrauding the public in fake oil promotion schemes. Along with Cook and Cox, eleven others were convicted at the same time but received lighter sentences by the court.

In addressing the jury which tried the cases, Judge Killits said:

"This was an abhorrent, cold-blooded confidence game. There can be no doubt of it. The middle class of Texas is to be trusted. I see no distinction between the patriotism of one state and another. One thing that shocked me I found at the start a line drawn. You ought to be proud you are in Texas and the United States.

"While I never take pleasure in sentencing people, yet the nearest I have come to anything like pleasure is in passing sentence when a decent

honest God-fearing jury tells me to impose sentence. Some of those on trial should have pleaded guilty. John S. Pratt was right, I think, when he said in his argument that Cook was conducting a school of crime. Some of his young men, sentenced along with him, have been under a spell or they would have pleaded guilty. I want to carefully consider their sentences of those young men who were not allowed to testify.

"I never heard or saw a more sneaking, insidious thing than the effort of Cook to steal the going concerns. It was worse than highway robbery. I am sorry that you did not give Cox the same as you did the rest but I will correct that in the sentencing."

Junior Missionary.

The children had one of the most enthusiastic meetings on last Friday afternoon at the home of Mrs. H. L. Hutchinson. There were 27 present, 2 new names enrolled. Our scripture lesson was read by Mildred Martin from the 10 commandments. Our mission study was conducted by Mrs. Garrett from the "Honorable Japanese Fan." About little Miss "Opean Sea" and her blind grandfather, their visits to the 45 separate Gods of worship. We wish all the children could hear these lessons. It was decided to plant out bulbs in our flower beds at the church, also to see that our older friends were cheered on Thanksgiving day with flowers. At the social hour hostess assisted by Mrs. Gaskins, and their little daughters, served lovely cakes with hot chocolate—Reporter.

Coming to Sweetwater Dr. Mellenthin

SPECIALIST

in Internal Medicine for the past twelve years

DOES NOT OPERATE

Will be at

WRIGHT HOTEL

Friday and Saturday, Dec. 14 and 15

Office Hours: 10 a. m. to 4 p. m.

TWO DAYS ONLY

No Charge for Consultation

Dr. Mellenthin is a regular graduate in medicine and surgery and is licensed by the state of Texas.

He visits professionally the more important towns and cities and offers to all who call on this trip free consultation, except the expense of treatment when desired.

According to his method of treatment he does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

If you have been ailing for any length of time and do not get any better, do not fail to call, as improper measures rather than disease are very often the cause of your long standing trouble.

Remember above date, that consultation on this trip will be free and that his treatment is different.

Married women must be accompanied by their husbands.

Address: 211 Bradbury Bldg., Los Angeles, California. 12-7p.

GAINED SEVEN POUNDS

Ferrasal Relieves Man About to Lose Position.

"About three weeks ago I was nearly down with indigestion and almost unable to hold my position. Have been bothered with indigestion gas, etc., for several years. I started taking FERRASAL and began to improve from the very first dose. And now I haven't felt better in several years, and gained seven pounds in the last two weeks.

"A. DEE PHELPS,

"2017 San Jacinto St., Dallas."

Excess acid causes indigestion. Ferrasal neutralizes this acid at the source and aids nature in passing it out of the system. If neglected, excess acids often result in ulcers, cancer, chronic bowel disorders, catarrh, constipation, kidney trouble and rheumatism. Take FERRASAL NOW. 50c per box. Ferrasal keeps you healthy because it keeps you clean. It will improve your health or your druggist will refund your money.

MITCHELL CO. LEADS THIS SECTION IN GIN RECEIPTS

Mitchell County continues to hold its lead over other counties of this immediate section of West Texas in the number of bales of cotton ginned, according to a report of the Department of Commerce at Washington, received in Colorado Wednesday. The report is for the crop of 1923 prior to November 1, and places gin receipts in this county at 20,453 bales. At the same time last year gin receipts in the county totaled 18,010 bales.

The nearest competitor to Mitchell County in this group is Scurry, with total ginning receipts of 16,103. The report on receipts in other counties follows:

Nolan county, 13,516 bales; Howard county, 10,806 bales; Dawson county 10,238. No report is given on Sterling or Borden counties. Gin receipts in all counties cited in West Texas are larger than for the same period last year.

Williamson county is shown to have lost to Ellis county leadership in the State. At the last report received from the department, Williamson was leading all other counties in the number of bales ginned. The report for November 1 gives Ellis county a total of 105,059 bales and Williamson county 102,730 bales.

Total gin receipts in the State were given at 3,593,199 bales, as

compared to 2,847,427 bales for the same time a year ago. The report computed round bales as half bales.

Rev. M. C. Bishop and A. D. Lench have returned from Galveston where they attended the Seventy-fifth annual State convention of the Southern Baptist church. The convention was attended by 4,000 ministers and lay delegates.

HOW PEPSINATED CALOMEL RELIEVES THE BACKACHE

Tests with Pepsinated Calomel, the new English Calomel treatment, have shown that it is one of the most powerful stimulants to the kidneys which we possess. While not intended primarily for the treatment of kidney diseases, yet it exerts a powerful influence upon these organs and promptly relieves backache due to the kidneys, by stimulating both the liver and kidneys, thus aiding them in removing the waste matter that is causing trouble. If your back aches most of the time, or if you are troubled with constipation or biliousness, try Pepsinated Calomel on the positive guarantee that you will be relieved or your money returned. Colorado Drug Co., and all reliable druggists recommend and guarantee Pepsinated Calomel to bring relief between sundown and sunrise or your money refunded. Try it—we guarantee you'll feel better tomorrow. (Adv.)

COLORADO HUNTERS BRING DOWN 13-PRONG BUCK

R. D. Hart, B. W. Womack and "Pat" Neff returned Tuesday afternoon from the Gaudeloup Mountains where they spent a few days on a hunting trip. They brought back a large buck deer with 13 prongs, one of the largest seen here in months. Hart claimed the distinction of having brought the big game down.

Hunting is good in the Gaudeloup Mountains, the trio reported. They declined, however, to make a detailed statement as to the kind and amount of game bagged, in addition to the deer.

Will Wade of Sweetwater was in Colorado Monday on business.

Mrs. Boyd Dozier is visiting Mr. and Mrs. Sterling Dozier near Dunn.

WHERE THE DISHONESTY?

E. M. McCreless, citizen of the Union community, contributes an article for publication in this week in which he attacks the practice of voting bonds for public improvement purposes as dishonest. The Record does not call into question the sincerity of our old friend in making this charge, but we do reserve the right to differ with him and refuse to accept that the voting of bonds for any public benefice, whether it be for good roads, schools, or what-not constitutes an act of dishonesty.

If bond issues were not permissible, and were characterized by all citizens as an act of dishonesty as Mr. McCreless charges, the only method we now have of providing schools for the education of our boys and girls would be obliterated, because every public school in the country was made possible through authorization of a bond issue by the people in exercising their rights of suffrage.

According to tax rolls, Mr. McCreless is assessed a total tax of \$31.80 for the present year, \$12.00 of which is for school taxes in his district, leaving the sum of \$19.80 county and state taxes. This is based upon a rendition to 160 acres of land at \$1,120.00 and personal property at \$80.00, totaling \$1,200.00.

Mr. McCreless charges in his article that the public highway "has already become a nuisance to the general public," and he makes further charges which The Record cannot accept. We are firm in the belief that an overwhelming majority of qualified voters of the county concurs with

The Record in this position. As to the statement the land owner is security for the bonds, such is true. It is a fact, and one that our friend will have to admit, however, that the great majority of large property owners of the county are the real enthusiastic supporters of the proposed bonds. The great majority of our big taxpayers, both individual and corporation, whose increased tax would be computed in hundreds of dollars, as compared with the \$8.64 it would cost our contributor, are anxious to pay the tax for good roads, because they recognize the investment would be one of the biggest dividend payers within their reach.

Surely, it should be a consistent investment for us to authorize the tax, in order to obtain the huge amount of \$800,000 in aid from the Federal and State departments. Let's vote the bond, become eligible for this aid and contribute our part toward the continued development of this most wonderful section.

WELCOMED VISITOR

Mrs. J. L. Mitchell of Pryor, Oklahoma, official of the American Red Cross and who will be remembered for the work she did here in directing relief and rehabilitation work in the storm path following the cyclone last May, arrived Tuesday morning for a brief visit in Colorado. There is, perhaps, no other person in America, to whom the people of Colorado would extend a more cordial welcome than to Mrs. Mitchell. She hastened to Colorado when scores of our citizens were maimed, homeless and in actual need and the task which confronted her as representative of the great benevolent organization she represents was by no means a small one.

BOTH DISQUALIFIED

Editor Kellis of the Sterling City News-Record says: The man who gets the support of this paper for governor must be big and broad enough for all the people of Texas. If he puts in his time fighting for the Klan, it is a notice that he is too narrow to fit the governor's chair.

ISSUE IS UP TO US

The State Highway Department has placed its cards on the table and made definite its position on co-operating with the people of Mitchell County in improving the Bankhead Highway. This week members of Commissioners' Court and the Chamber of Commerce met with the department officials at Austin and were given the definite assurance that "in case Mitchell County votes sufficient bonds to provide high type of surfacing on Highway No. 1 (the Bankhead) the State would furnish two dollars for every one furnished by the county in thus improving the highway.

The next move is up to the citizenship of this county. The State is offering to come in and assist us in improving this important highway with a permanent surface, on condition that we furnish one third of the cost. The issue is plain. There are no provisions to retard the aid, if we come up with our part. Where are we to find a better bargain than to bond ourselves for the amount asked for

in order to receive not less than six hundred thousand dollars from an outside source to be expended on our roads? This offer of the State Highway Department is not made for all time to come and may be withdrawn after a few months if we fail in the present bond issue.

BABIES GET \$200 PRIZE WHILE PIGS BRING \$40

Babies amount to little in some parts of the United States according to the following report of a Red Cross public health nurse which has been presented to the Director of Nursing Service of the Southwestern Division: "I was invited to be a judge at a baby show held at one of the county fairs. My chairman went with me and I think we both got the surprise of our lives, something I shall never forget. We arrived at noon. After dinner we were taken to the fair grounds, and eventually introduced to an elderly gentleman (probation officer) who directed us to what was called Floral Hall. Then we discovered that our booth was in an annex. We were invited into a room, which was dusty and full of cobwebs, and had a broken window, one long bench with its legs directed east and west, an old scale with the glass broken off, a shopping basket and a foot and a half long which caught every baby in the nap of the neck, and one tiny teddy bear blanket. That was the equipment for the baby show. I sent in a hurry call to a doctor's office for some sheets, which helped a little. We weighed 38 children and awarded ribbons, and after looking through the catalogue, discovered that \$200 was to be the first prize for the babies, while \$40.00 was the first prize for the pigs."

Week of Prayer

The Presbyterian missionary society observed last week as week of prayer for Home Missions. Four splendid programs were given. Mrs. W. M. Elliott conducted the devotional each day. Besides special Bible study the book, The Child and America's Future was studied. Monday Mrs. J. E. Riordan led the lesson on Christian Education and ministerial relief. Mrs. Milwee led the discussion on the book. Tuesday Mrs. Coleman led. The program was on Orphans and Strangers at our doors. Mrs. Van Tuyl led the discussion on the book. Wednesday was Bible quiz and topic on Play and Work led by Mrs. Van Tuyl. Mrs. Coleman told story on Broken Model and Mrs. Van Tuyl gave true incidents from lives of Missionaries. Thursday was the regular missionary program with a scripture lesson. His tribute to Child Welfare in Matthew 18:2-6 and Mark 10:13-16. Mrs. Jerold Riordan gave a paper on Children of the Slums. The attendance all through the week was good and more than thirty dollars were received which will be applied on work among immigrants and their children. All the meetings were held with Mrs. Van Tuyl and on Thursday after the program her daughter, Mrs. Dawes served sandwiches, doughnuts and tea.

HONESTY REWARDED

We know of a man this week who left a \$5 bill laying on the show case. The merchant found it and after studying up his customers had an idea whose it was and phoned the next morning and found the owner and returned it. Christmas is coming and the said five may be used for a present. See.

GIN RECEIPTS AT BUFORD NEAR 2000 BALE MARK

D. P. Smith, manager of the Farmers' Gin Company plant at Buford was in Colorado Monday and stated that 1,800 bales of cotton had been ginned there up to that time. Smith estimated that from 200 to 300 additional bales would be handled by this gin before the season was over.

Messrs W. E. Dickenson and W. H. Harris returned from Abilene Saturday night where they had been serving as jurors past week in Federal court.

FOR SALE—Pure bred Rhode Island Red roosters. Mrs. J. C. Costin. Phone 9009, 4 rings. 1tp

TEMPLE, TEXAS, TO STAGE LIFE-SAVING CONTEST

Three-Day School of Instruction to Precede Championship Meet.

Two important life-saving events are scheduled for mid-winter in Temple, Texas, as a result of the life-saving campaign conducted by the Southwestern Division, American Red Cross, in Texas during the summer just ended. This will be a school of instruction for physical directors of high schools, Young Men's and Young Women's Christian Associations, and state normal schools. Between 75 and 100 will be in attendance from all parts of the state and the school will last three days, December 27, 28 and 29.

The second event is the state Red Cross Life Saving Championship meet in February or March. A trophy, to be known as the Campbell trophy, will be presented to the Red Cross chapter in the state meet to which the winning team belongs.

The life-saving instruction course will be conducted by Captain Joseph E. Law, Assistant Director of Life Saving in the Southwestern Division, American Red Cross. Law also is busy organizing life saving teams and working in conjunction with the physical departments of the various colleges and universities in the division. He reports enthusiastic co-operation on the part of all the universities which he has had an opportunity to approach on the subject thus far.

W. M. Martin and family visited Mrs. Martin's parents at Lone Star Sunday.

Mr. Eddie Plunkett and sisters of near Roscoe were visitors in the W. A. Jarratt home Sunday.

O. H. Majors was in Sweetwater Monday on business.

Roy Farmer has been on the sick list this week.

Mr. W. J. Lemmond, who has been here visiting W. H. Harris and family and looking after business affairs returned to his home at Enloe last week.

CITIZENS AID IN CHILD WELFARE AND FLOOD RELIEF

Red Cross Rendered Much Volunteer Assistance in Southwestern Division.

Volunteer work in the Southwestern Division, American Red Cross, has been unusually active during the last year, according to reports which have come into the division office in St. Louis recently. The volunteer committee of the Port Arthur, Texas, chapter is regarded as one of the mainstays of the service which the chapter at Port Arthur renders the community. Through this committee garments are collected, sorted and kept in order to be used whenever needed.

In Independence, Kansas, the volunteer committee of the Red Cross chapter has conducted better baby contests and children's clinics with marked success.

Volunteers in the six towns of Texas County, Oklahoma, also have been holding child welfare clinics and conferences and have been able to accomplish much good towards the better health of the community by calling the parents' attention to slight physical defects of their children, which corrected now amount to nothing but which if permitted to run on might become serious for the child.

In Little Rock, Arkansas, dancers have been able to play an important part in reconstructing the impaired brains and nerves of the patients in the U. S. Veterans' Hospital No. 78 in that city, by teaching men to dance and thus assisting the other occupational therapy work in stimulating the dormant mental faculties of the veterans.

Volunteer members of three chapters in the Southwestern Division also have had ample opportunity to demonstrate their enthusiasm in the administering of food relief during the last summer and fall. Thirty-four hundred dollars was raised by the Winfield, Kansas, chapter to take care of the recent victims of the floods of the Walnut and Arkansas rivers. At Ft. Smith, Arkansas, the Sebastian County chapter handled the acute needs of the refugees of the floods of last June in the district between the Arkansas and Potomac rivers, and at Tulsa, Oklahoma, volunteer Red Cross workers conducted relief headquarters where 148 persons were fed, clothed and furnished with sleeping quarters for six days until the water subsided sufficiently for them to return to their homes.

RED CROSS SERVES AT INTERNATIONAL AIR MEET

Ambulances, Nurses and Physicians on Duty for First-Aid Work.

That the Red Cross never overlooks an opportunity for service was evidenced in the recent International Air Meet in St. Louis when aviators from all over the world, representing both military and civic organizations, competed for world famous trophies. With a daily attendance of close to 100,000 in the way of spectators, and a literal army of flyers, mechanics, attendants, laborers and the necessary personnel of such a gigantic undertaking, there was real work to be done by the Red Cross.

A first-aid station was established on the field under the direction of one of the Field Directors of the Southwestern Division of the Red Cross, and ambulances with nurses and physicians were on duty all day. A territory of 173 acres had to be covered and ambulances had to be ready on instant call in case of an accident to the flyers, so that a real field service was maintained, with first-aid dressing station and similar activities.

The canteen was under the direction of the Women's Overseas League of St. Louis, and while the service of the First-Aid station and its personnel was given free to the public, the canteen charged for its services and the money thus raised was used for the disabled members of the league.

The St. Louis Chapter of the American Red Cross also furnished motor cars and other transportation to bring the World War veterans from local hospitals to the field to witness the flying.

Although the percentage of accidents and other casualties was remarkably small there were enough of them to keep the Red Cross workers constantly busy for the entire week of the meet, and to gain the thanks not only of the individuals who were given attention but of the officials of the meet and the representatives of the United States and other governments taking part in the contest.

ARKANSANS ESTABLISH CORRECT WEIGHT RECORD

More than 1,500 men, women and children had been weighed and measured for health at the Red Cross booth at the Washington County fair held at Fayetteville, Arkansas. Best records for proper weight for age and height were found between the ages of 20 and 30, and astonishingly few were found to be over or under weight.

Washington County people made a remarkable showing in the matter of health as indicated by weight and measurement, according to experts who have looked over the records. Children between the ages of 8 and 9 were especially satisfactory in their weight and measurement. All persons showing defects in weight were given information as how to correct them.

RED CROSS ENABLES MOTHERS TO ATTEND TEXAS STATE FAIR

The "Greatest Mother" Cares for Babies While Their Mothers See the Sights.

Women who never before had found it possible to attend the state fair were present at the West Texas Fair at Abilene, Texas, this year, according to reports received from that city at the division headquarters of the Southwestern Division, American Red Cross, in St. Louis. This was because the Red Cross of Abilene was on the job to assist the mothers in the care of their children and to give them an opportunity for resting when the sight-seeing of the fair became too strenuous.

"I never would have thought of coming to the fair," said one mother in expressing her appreciation of the care given her baby at the Red Cross tent during one day, "if I had not known that the Red Cross would be here to help me take care of my baby."

Babies of all sizes and ages were cared for in this day nursery and during the hour of the races there were 65 babies under the charge of the Red Cross nurse and volunteer helpers while their mothers cheered on the running horses, sharing the pleasure of their husbands in this "sport of kings."

Miss Mary Kennedy, Red Cross Advisory Nurse for Texas, for the Southwestern Division of the American Red Cross, was present and in charge of the tent. The Red Cross tent and First Aid station was set up by the Abilene Chapter and members of that chapter took turns in the management and conduct of its various departments.

The mothers who were able to enjoy the outing of this fair were unstinted in their praises of the courtesy, kindness and unfailing consideration of the Red Cross people who were in charge of the tent.

NUTRITION CLASSES BENEFIT CHILDREN

Improvement in Health and Discipline and Reduction in Underweight Result in Schools.

Twelve hundred and sixty children in the vicinity of Chickasha, Oklahoma, developed sturdy little bodies and healthy alert minds because of the nutrition classes conducted under the auspices of the Grady County Chapter of the Red Cross last year. These children were found to be underweight due to malnutrition, and while in many cases the malnutrition was not due to lack of food but to the wrong kind of food, the results were the same.

Hot lunches of properly balanced diet were put into 17 schools. The children were taught what to eat and how to eat, that is, how much and how many times a day, and were encouraged to eat fruit and vegetables, to drink milk, and to eliminate coffee and tea from their diet, and a health rule book by which the children were encouraged in the practice of outdoor exercise and personal hygiene and well-ventilated sleeping and living rooms was inaugurated. This all made for a general improvement in health and incidentally a decided improvement in the discipline in the school.

The percentage of underweight was greatly reduced and the parents were so much pleased with the improvement that they are demanding a continuance of the program for another year.

The oldest "Junior" Red Crosser in the United States is Dr. Elliott Smith of Kansas City, Missouri, who is 70 years young. Dr. Smith is port scout master of the Kansas City, Missouri, Boy Scouts and has been active in Sea Scout work for several years. He took the original Red Cross Life Saving test in 1919 at the Kansas City Y. M. C. A., and is an expert swimmer, canoeist and life saver. He is Chairman of the First Aid Committee of the Kansas City, Missouri, Red Cross Chapter.

RED CROSS NURSE GETS QUILT FROM INDIANS

A red, white and blue quilt was the unique present which has been given to Miss Mary D. Beyer, Public Health Nurse for the Okfuskee County Chapter of the Red Cross with headquarters at Okemah, Oklahoma, by several full-blooded Creek Indians. Miss Beyer comes constantly in touch with the members of this tribe in her work throughout the county.

It is not easy to establish friendly relations with the Indians for they are suspicious. On one of her visits to a rural school, the nurse discovered a small boy of 11 who was not doing well in school. His parents came to the school to interview the nurse. The father thought the boy had stomach trouble because he would not eat regularly. A diet of oatmeal, eggs and milk was outlined. The father, not quite sure of the plan, said, "When Lee, he not want to eat breakfast, make him." And the nurse replied that that was the proper thing to do. "Him, I see," said the father. Now Lee is eating regularly and making vast improvement in his scholarship.

Miss Beyer has under observation an Indian squaw who is worth \$3,000,000, but the squaw seems to have no idea how important her fortune might make her.

IN SOCIETY AND AT THE CLUBS

Began Mission Study
The women of the Missionary society of the Methodist church met in the basement of the church Monday afternoon and began the study of Japan on the Upward Trail, with Mrs. J. A. Buchanan as teacher. There was a goodly number present and the book promises to be both interesting and instructive. The women planned a food sale for Thursday the proceeds to go to buy equipment for the girls club the Kings Daughters are to sponsor. This club is being organized at the public school with Miss Georgia Lacey, county home demonstrator, director.

Hesperian
The Hesperian met with Mrs. Jim Johnson. The lesson on Othello was led by Mrs. Sam Majors. Roll call. Is there any evidence of poetic temperament in Othello. Mrs. Majors traced the cause, development and result of Jealousy in Othello. The hostess served sandwiches, olives, bruce cake and coffee. The meeting this week will be with Mrs. W. P. Leslie.

The Shakespeare
Mrs. Frank Lupton was hostess to the Shakespeare club. Mrs. J. L. Doss led the lesson on current history and Coriolanus. Mrs. Jess Gage was a guest. The hostess served a salad course, cake and coffee. Mrs. E. F. King will be hostess this week.

Standard
The Standard met with Mrs. J. C. Prude. Mrs. Marcus Snyder led the lesson on Anton and Cleopatra. Mrs. Sherwin gave an interesting paper on Ancient Egyptian burial customs. At the social hour the hostess served scalloped oysters, crackers, pickles, coffee and apple pie a la mode.

Delphian Society
The Colorado Delphian Chapter met in Judge Leslie's office last Thursday. The lesson was on the story of Babylonia and Assyria led by Mrs. Jack Carter. The public school teachers were invited to be guests at any or all of the meetings. The next meeting will be December 6th with Mrs. Cramer leader.

Missionary Meeting
The women of the Baptist church met Monday for the monthly mission program. The topic was medical missions and evangelism led by Mrs. R. O. Pearson and Mrs. F. B. Whipkey. The Bible study was the wonderful gifts of life with a roll call on Thanksgiving. There was a good crowd present. The year book committee reported the programs all made out for next year and it was decided to have them printed.

1921 Study Club
Mrs. C. E. Pritchett was hostess for the 1921 Study club. Mrs. C. C. Thompson led the lesson on Rudyard Kipling. Mrs. C. R. Earnest told the story of the "Man who Was" Mrs. Roy Dozier and Mrs. Thompson gave papers on the local color and the characters in Kipling's novels and tales. Mrs. Root gave a Kipling Bibliography and Mrs. Dolman read

a sketch of Kipling's life. The hostess served chocolate, fruit salad, sandwiches, olives, pickles and mints. Each plate was prettily decorated with yellow Chrysanthemums.

The Pioneers
The Pioneers met on Wednesday, November 14th, with Mrs. Noah Caswell for the first time in several weeks. Miss Lacey was with us. Since her presence always serves as an inspiration toward better work we had a most successful business meeting, followed by a very enjoyable social hour. Mrs. Caswell assisted by Mrs. Johnson, served cake and cocoa. Our meeting next week will be with Mrs. Hart.—Reporter.

Mrs. Williams Entertains
Last Thursday afternoon Mrs. P. K. Williams entertained the Merry Wives. The Harmony club and a number of other friends in her new home. After the guests arrived score cards were passed and quite a while was spent with the ever interesting game "42". The refreshments were Mexican dishes, Enchiladas, hot tamales, frijoles. The lunch cloth and napkins were decorated with the Mexican colors, red and green. Those who enjoyed Mrs. Williams' hospitality were Mesdames Jack Carter, Ross Dixon, A. H. Dolman, L. A. Maddin, J. L. Pidgeon, O. B. Price, Floyd Quinney, Harry Ratliff, Pearl Shannon, Edgar Majors, E. H. Winn, Sam Wulfjen, A. E. Barcroft, F. E. McKenzie, M. Carter, Jim Johnson, Jess Gage, W. L. Doss, L. H. Gaskin, E. F. King, Lister Ratliff, W. L. Doss, Jr., T. J. Ratliff, J. F. Carey, M. C. Ratliff, Charlie Thompson, J. H. Greene, Lee Jones, H. P. Slagel, Sam Majors, T. W. Stoneroad, A. L. Whipkey, J. S. Vaughan, L. W. Sandusky, Lewis, Troupe, Misses Hazel Costin, Nettie Martin, Eleanor Thomas and Jennie Brennan of Big Spring.

Entertains With 42
Mrs. D. H. Snyder and Mrs. T. W. Stoneroad entertained with 42 Wednesday evening at the home of Mrs. Stoneroad. The guests were the members of the Shakespeare club of which they are both a member, the two 42 clubs and a few other guests. The spirit of autumn and Thanksgiving were carried out. The decorations were Chrysanthemums, the score cards and pads were decorated with turkeys and other Thanksgiving emblems. Refreshments of pressed turkey, sandwiches, potato chips, olives, salted almonds in little chrysanthemum baskets, mints and coffee, were served to more than fifty guests.

MARRIED
Mr. Chester A. Boyle and Miss Rosa L. Palmer motored down to Abilene Sunday and were married. They will make their home in Coleman City. The contracting parties are prominent young people and have a host of friends who wish them well.—Contributed.

U. D. C. Meeting
The November meeting of the U. D. C. chapter was held with Mrs. Gustine. Besides the usual business, plans were made for the turkey dinner to be given the Veterans Dec. 18th, at the home of the president, Mrs. R. N. Gary. A very interesting report of the annual state meeting which was recently held at Belton was given by the delegate, Mrs. Frank Lupton. The work done the past year was gartifying to all and called forth the discussion whether the young members have had more to do with the progress or those who worked when times were more unfavorable. It was unanimously decided that to Mrs. Ed Dupree, Mrs. Reese, Mrs. G. W. Smith, Mrs. Gustine, Mrs. F. B. Whipkey, Mrs. Merritt, Miss Dry and a few others belong the honor. As they not only assisted in organizing the chapter and educating the new members but are still ready to help sponsor all that the magic letters U. D. C. stands for. The hostess assisted by Miss Butler and Mrs. A. L. Whipkey served two kinds of sandwiches cake and coffee.

NEVER AGAIN
From the Lubbock Avalanche:
A year ago Sunday Lubbock business houses did not close their doors in celebration of Armistice day. We called attention to this fact last year editorially and, some of the men of the town came to us after reading what we said, and almost shed tears because they had been so indifferent regarding the observation of the day of all days that should be observed and they said: Never again will we have to be reminded of this, but again this year, just because the day happened to fall on Sunday, it was agreed that the stores would not be closed to observe this day. Is Lubbock going money mad? Is the almighty dollar all that people can see in this town? Have we forgotten how serious things got five years ago, when our boys were being sent over

seas by the thousands, and more were being drafted to keep the supply up as the Germans shot them down in France and other nations of the European conflict. We were very repentant then and would have closed our store for a week if necessary to do honor to the boys over there, but in that short space of time we have seemingly forgotten, and it just simpering down to a cold cash. Four days in a year have been designated by an agreement for observing by closing the stores, and the Retail Merchant's Association agreed upon it, but they do not even see fit to do that if by chance it is possible to slip by one of them on the technicality of it not having been provided that this day would not be observed by closing the following day if by chance it fell on Sunday as it did this year. Have we forgotten. Will it ever happen again? We hope not, but if we are to take past as a guide to the future it may in Lubbock. Are we ungrateful. We hope not.

The banks in Lubbock were the only institutions that observed the day. The balance of us were chasing the Dollars and cents and we can't take any of it when we leave

S. T. J. Brown and son were in from China Grove Tuesday on business.

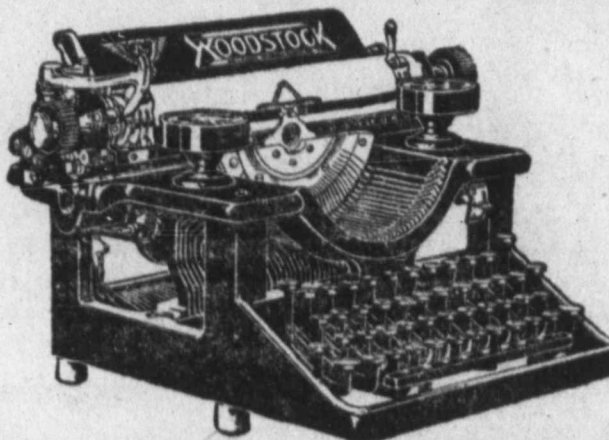

The Record office has what the children want in the way of school supplies. We do not substitute. Send your children here.

TAYLOR COUNTY ROAD BONDS SOLD AT PREMIUM

The Taylor County Commissioners' Court in session Monday sold her road bonds to Bregg, Garrett & Co. of Fort Worth with \$11,235 premium. The total amount of the bonds was \$350,000, and there was something near twenty bidders. This means that work on the roads, the two highways will begin at once, and the court expects to let contracts at an early date. The \$350,000 supplemented by the State and National Highway Commissions will bring the total to one million dollars. The road is to be built of hard surface and must be approved by the State and National Highway Commissions.

Abilene Reporter (with Sunday) one whole year, 365 papers and The Record one year, new or renewal, at only \$4.75. This is bargain rates.

SCHOOL NOTES

The Annual staff up to Monday morning had sold sixty-one annuals. This is making a splendid showing as they began taking subscriptions only last week.

Miss Laceywell organized a home demonstration club among the high school and seventh grade girls last Monday. Twenty-eight girls joined.

The Parent-Teacher Association has taken the job of making the high school stage curtain new. They have been selling adds to be placed on the new curtain and have found more takers than they had space to accommodate. This association is a wide-awake organization and composed of ladies who mean to make it a success and they are receiving splendid backing from the public. They, as has been stated in these columns before, are placing a thousand dollars worth of playground equipment on the school yards this year, and they will have raised half of the amount within the next few days. We have heard of no other parent-teacher association in this part of the State that has undertaken so much for the year's work. But, this is the liveliest association of the kind that we have heard of, they will succeed.

As a part of the Parent-Teacher Association's plans to raise funds for the purpose mentioned above, Mrs. J. H. Guitart will present a home-talent play at the high school auditorium next Tuesday night. Quite a number of the ladies of the town, and many teachers are taking part in this play. Under Mrs. Guitart's management, this will be one of the show treats of the year. You do not want to miss seeing this show.

Several new pupils entered school this week, both high school and grade. The ninth and tenth grade rooms are too much crowded. It would be to the interest of the students if these two grades, each of them, could be divided.

The high school boys "busted" all the base balls they could buy, and now they are improving their basket ball court to make it ready for practice.

The 1921 Study club will offer a five dollar gold piece to the member of the fifth grade who makes the best grade on examination in history near the close of the session.

Mrs. Earl Morrison will give a ten dollar gold piece to that member of the seventh grade who proves to be the best speller. This work will begin at the first of the book in use and continue until test is decided.

SAYS FOUR DRIVEN FROM A. & M. COLLEGE BY HAZING

The fourth Sterling City youth to get more than enough of hazing at A. & M. College has quit school and is at home to stay. He is Seth Sowell. Others, who returned earlier to Sterling for this same reason, are Douglas Boswell, Clyde Reynolds and David Glass.

In a writup this week concerning hazing, the Sterling City News Record opines that from the attested statement of the youths that hazing "seems to be the chief occupation of some of the upper classmen." Fear is expressed that inasmuch as there were 800 freshmen there this year and few of them missed two whole days without some form of hazing, some of the upper classmen must have been overworked.

The News Record relates that Boswell was kicked while forced to hold the ankles of a husky upperclassman and that when he thought the punishment must cease a "fishkiller" made from a 1x3 board was used on his anatomy until he was almost paralyzed with pain. The paper continues:

"For days, Boswell slept on his stomach and stood up while taking his meals. Somehow, Douglas got soured and returned home and if you see him riding the range, you will notice that he does not ride so deep on one side as he does on the other, Boswell doesn't say much, but he was hurt.

"Clyde Reynolds and David Glass were hazed at intervals from Sept. 17 to Oct. 12, when they returned. When it became known that they had complained to the authorities about the treatment at the hands of the upperclassmen, their punishment became unbearable and they left the institution in disgust.

"Glass was brutally beaten five times with cudgels in one day by upperclassmen. The last beating he received was a few hours before leaving the college. The boys say that the other freshmen were being given the same punishment and that many of them were trying to get permission to leave the college.

"The boys say they were forced to flunk for the upperclassmen by making their beds, cleaning their rooms, running errands and carrying luggage and were rewarded by insults, indignities, humiliation, kicks and blows and that complaining to authorities only made matters worse and their punishment more certain and severe. They say the authorities are up against it in restraining hazers because the hazers have a way of making the freshmen afraid to seek protection while there.

"We have always, without exception upheld the A. & M. and believing it the best school south of the Mason Dixon line, have urged the boys to avail themselves of the opportunities which the state at great expense has offered to the youth of Texas. Until such times as the present method of brutal hazing is eliminated from that institution, the next boy we recommend to go there as a student we shall advise him to take along a water elm club and a few clips of extra cartridges for his Springfield, and treat the college with a first class funeral and maybe the authorities will wake up to the fact that hazing is not altogether a funny pastime for brainless boobs.

"Sterling County is without a single representative in A. & M., when we should have four. The people of Sterling are mad and they are going to be heard from later on."

There could be no nicer gift for Christmas than the Ladies Home Journal. A beautiful Christmas card with the givers name will be sent so as to reach your friend on Christmas day. Phone 157 or see Mrs. A. L. Whipkey, agent.

TEXAS COTTON MEN TO GET \$4,207,702

DALLAS, Nov. 23.—The Texas Farm Bureau Cotton association will distribute \$4,207,702 to its members on December 15, the executive committee of the association decided here today. Distribution will be on the basis of 150,000 bales of cotton handled by the association, plus more than \$1,000,000 owed the membership, on a previous \$70 per bale advance, which has not been drawn. The December payment will bring the total cash distribution to members in Texas to more than \$13,500,000, according to John T. Orr, president of the association.

This is to let you know that I am still putting up tombstones. If you want the grave of your loved one marked with granite or marble, I shall be glad to mark it at your own price. I shall be glad to show you my designs and give you prices whether you buy of me or not.—E. KEATHLEY at Alamo Hotel, Colorado, Texas.

SHERIFF'S SALE

THE STATE OF TEXAS, County of Mitchell

In the District Court of Mitchell County, Texas, A. D. Bracy, plaintiff, vs. Henry Riley, defendant.

By virtue of an execution for costs issued out of the Honorable District Court of Mitchell County, on the 4th day of October, 1923, by the Clerk thereof, in the case of A. D. Bracy, plaintiff, versus Henry Riley, defendant, as against plaintiff, A. D. Bracy, said case being numbered No. 4388 and to me, as Sheriff, directed and delivered, I did on the 7th day of November, A. D. 1923 levy upon the following described oil and gas leasehold interests in and upon the following described land, situated in Mitchell County, Texas, to-wit:

An undivided one-third (1/3rd) interest in and to a certain oil and gas mining lease, on the South one-half of the East one-half of the Northwest one-fourth of Section No. Twenty-four (S. 1/2 of E. 1/2 of N. W. 1/4 of 24) in Block No. Twenty-nine (29), Township 1 North, T. & P. Ry. Co. Surveys, said Mitchell County, Texas; the oil and gas leasehold mining interests being fully described in oil and gas lease executed by F. P. Murphy and wife to P. C. Coleman of date 27th March, 1919, said lease being of record in the Deed Records of Mitchell County, Texas; levied on as the property of the said A. D. Bracy, to satisfy a judgment for costs against said A. D. Bracy; and on the 4th day of December, A. D. 1923, between the hours of 10 o'clock a. m. and 4 o'clock p. m. on said day, at the Court house door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of said A. D. Bracy in and to said property.

Given under my hand, this 7th day of November, 1923.

I. W. TERRY,
Sheriff of Mitchell County, Texas,
by C. E. Franklin, Deputy. 11-23

HOW TO GET A BARGAIN

There Is Only ONE Way To Get A Bargain
 And That Is To Buy What You NEED
 At the TIME You Need It
 And At the RIGHT PLACE

Colorado Bargain House
 THE PRICE IS THE THING

L. LANDAU, Manager.

Merchandise is not considered a bargain when bought cheap unless it is in season and something that you actually need. To get what you may consider a bargain, you should visit the Colorado Bargain House and you will find just what you want, just when you want it. Since our Mr. Landau has returned from the market we have been unpacking new goods daily, and what you could not get yesterday, you will find today.

Special Bargains

Owing to the large business we have enjoyed this fall, we have accumulated a quantity of odd lots of merchandise. This merchandise is of standard quality but in order to work this stock off, we will have same on tables Saturday at very special prices.

Special Prices on Ladies' Ready-To-Wear

We find ourselves with a little larger stock in our Ready-to-Wear Department and we will give a special discount on Ladies and Childrens Coats, Suits and Dresses.

Mrs. Robert Taylor of Marshall is the guest of old time friends here.

C. OF C. PRESIDENT URGES DESIGNATION OF HIGHWAY

Designation of the road connecting Snyder and Sterling City as a highway was urged in a telegram sent the State Highway Commission Monday afternoon by Dr. P. C. Coleman, president of the Colorado Chamber of Commerce. Dr. Coleman has evidenced a strong interest in this route since its designation as a highway was first suggested several months ago by the Chamber of Commerce. The telegram follows:

"All our people are watching with much anxiety your action on petition request that road running from Scurry County to Sterling City be designated as highway. After much thought and investigation we believe it a logical and just petition. We sincerely hope for favorable action upon the part of your body on this petition."

Mrs. John L. Doss spent a few days in Abilene this week.

Beautiful Christmas Cards.

We have in stock the largest stock of the latest designs in Christmas cards. We suggest you come early and select your greeting cards before the stock is broken. We will lay them aside for you. Come look at the new beautiful designs. Don't wait until the last minute and then be disappointed. Come see them whether you buy or not.

Also see those beautiful new 14 k gold Wahl fountain pens. The finest holiday present in the world. We have them from \$6.00 to \$25.00—Whipkey Printing Co.

SOUTHWESTERN DIVISION ORIGINATES SYSTEM

The Southwestern Division, American Red Cross, has originated a new form of nutrition instruction which is being copied by other divisions throughout the United States. The Southwestern Division embraces the states of Arkansas, Colorado, Kansas, Missouri, New Mexico, Oklahoma and Texas.

This plan is that of the itinerant nutrition worker. Three years ago two such workers were put into the field by the division. Last year the number was increased to seven and now there are twenty, with a constantly growing demand for more.

The itinerant nutrition worker is the worker who goes from chapter to chapter instructing classes in nutrition, talking to schools on proper food values, addressing Mothers' Clubs and other organizations on the importance of proper diet to correct the results of malnutrition among American children.

Here is the way the itinerant worker organizes her work, according to the Director of Nutrition Service in St. Louis: Under the advice of local physicians who made a school examination, she plans a program for the children suffering from malnutrition. This program consists of instruction to all school children, with special instruction to underweights under the advice of physicians, to mothers of children of pre-school age where these mothers are made to realize the relation of food to growth, to health, to bone development, teeth development and the relation of food to blood, even to heart action. In this mothers are shown pictures of animal experimentation, where growth is stunted from the absence of enough milk in diet, where legs become paralyzed when certain foods containing essential vitamins are kept from diet. Mothers also are given pre-natal instruction in relation of food to the development of the unborn child.

Home visits play a large part in the reaching of mothers and children. The itinerant worker remains in a chapter from two to six months in order to reach the entire community with this instruction. She also instructs local teachers in elementary nutrition and plans with them on how to carry on the work after she has gone. The following year she returns for another short period, checking up on the results of her former visit and then opening new classes.

In the states of the Southwestern Division the itinerant workers serve eleven chapters in Arkansas, three in Kansas, twelve in Missouri, six in Oklahoma and twenty-two in Texas.

COUNTY COMMISSIONERS APPROPRIATE FUND FOR RED CROSS WORK

The County Commissioners of McPherson County, Kansas, have appropriated \$1,600 for Red Cross work in the county during the year.

In the expenditure of this money the Executive Secretary of the chapter will act as Poor Commissioner, Truant Officer and Probation Officer for the county. She already has acted in these three capacities without remuneration and her work has necessarily been hampered by lack of sufficient funds to carry it through.

The Lyon County Chapter at Emporia, Kansas, has organized a County Health Unit with a full-time health officer and nurse. This work is a near-by county has so interested the McPherson County Commissioners that they have determined to make that as the next work on their program of public welfare.

LORAIN FARMER MAKES BIG PROFIT FROM TRUCK

W. M. Bennett, proprietor of the Lakeside Truck Farm, two miles east of Lolaine, was in Colorado Wednesday to attend to some business matters. Mr. Bennett stated that from his tomato patch of one acre this year he had sold \$850.00 of fresh vegetables, canned 750 tins and had a large supply of the vegetables left from which pickles are to be made.

In addition to the acre in tomatoes, Mr. Bennett cultivated two acres in melons, beans and other vegetables, marketing these products in large quantities. He is firm in the belief that Mitchell county is one of the best places to be found in the Southwest for truck farming.

Mr. Bennett will continue his truck farming another year on an even larger scale, in addition to devoting some attention to standard bred poultry. He admitted while here Wednesday that he was making money and has no desire to look for a better country in which to live.

Inactive Liver

"I have had trouble with an inactive liver," wrote Mrs. S. Nichols, of 4412 Spencer St., Houston, Texas. "When I would get constipated, I would feel a light, dizzy feeling in my head. To get up in the morning with a lightness in the head and a tremble feeling is often a sign that the stomach is out of order. For this I took *Theford's Black-Draught*, and without a doubt can say I have never found its equal in any liver medicine. It not only cleans the liver, but leaves you in such a good condition. I have used it a long time, when food does not seem to set well, or the stomach is a little sour."

If it isn't Theford's it isn't BLACK-DRAUGHT Liver Medicine.

Place your orders now for a Hudson Super Six \$1490 delivered in Colorado.—Price Auto Co.

Miss Thelma Grissett of Mineola is visiting relatives and friends here.

NOTICE OF ROAD BOND ELECTION

THE STATE OF TEXAS, County of Mitchell:

To the resident property taxpayers voters of Mitchell County, Texas: Take notice that an election will be held on the 18th day of December 1923, within Mitchell County, Texas, to determine if said county shall issue bonds and if a tax shall be levied in payment thereof, in obedience to an election order entered by the Commissioners' Court, on the 17th day of November, 1923, which is as follows:

Be it remembered that on this the 17th day of November, 1923, the Commissioners' Court of Mitchell County, Texas, convened in regular session at the regular meeting place thereof, in the courthouse in Colorado, Texas, all members of the court, to-wit:

J. C. Hall, county judge; U. D. Wulfjen, commissioner of precinct No. 1; H. A. Lassetter, commissioner of precinct No. 2; Jno. D. Lane, commissioner of precinct No. 3; W. D. McAdams, commissioner of precinct No. 4 being present came on to be considered the petition of P. C. Coleman and 241 other persons, praying that bonds be issued by said Mitchell County, Texas, in the sum of Six Hundred and Fifty Thousand Dollars, (\$650,000.00) bearing interest at

Jones Dry Goods Co., Inc.

the rate of not exceeding Five and one-half per cent (5 1/2%) per annum payable semi-annually, and the principal of said bonds to mature at such times as may be fixed by the Commissioners' Court, serially or otherwise, not to exceed thirty (30) years from date thereof, for the purpose of constructing and operating graveled or concrete paved roads and turn-pikes, or in aid thereof, and whether or not a tax shall be levied upon the property of said County subject to taxation, for the purpose of paying the interest on said bonds; and to provide a sinking fund for the redemption thereof at maturity; provided, if said bonds are issued there shall be expended the sum of Three Hundred Twenty-Five Thousand Dollars (\$325,000.00) or as much thereof as may be necessary, in the construction of concrete paved highway running through said county from Mitchell-Nolan county line to Mitchell-Howard county line, and now known as Bankhead Highway, and any unexpended balance, together with the remaining Three Hundred Twenty-Five Thousand Dollars (\$325,000.00) of said issue shall be set aside for construction of graveled roads and lateral highways in the four Commissioners' precincts of said county; provided further, that said remaining amount of money and the said sum of Three Hundred Twenty-Five Thousand Dollars, (\$325,000.00) of said issue shall be proportioned among said precincts in proportion that the taxable values based on the tax rolls of 1923 rendition in each precinct bear to the assessed values according to said rolls of the county as a whole.

And it appearing to the court that said petition is signed by more than fifty (50) of the resident property taxpayers voters of said Mitchell County, Texas; and:

It further appearing that the amount of bonds to be issued will not exceed one-fourth of the excess valuation of the real property of said Mitchell County, Texas;

It is therefore considered and ordered by the court, that an election be held in said County, on the 18th day of December, 1923, which is not less than thirty (30) days from date of this order, to determine whether or not the bonds of said county shall be issued in the amount of Six Hundred and Fifty Thousand Dollars, (\$650,000.00), bearing interest at the rate of not exceeding Five and One-Half per cent (5 1/2%) per annum payable semi-annually and the principal of said bonds to mature at such times as may be fixed by the Commissioners' Court, serially or otherwise, not to exceed thirty (30) years from the date thereof, for the purpose of constructing, maintaining and operating graveled or concrete paved roads and turn-pikes, or in aid thereof, and whether or not a tax shall be levied upon the property of said county, subject to taxation for the purpose of paying the interest on said bonds, and to provide a sinking fund for the redemption thereof at maturity; provided if said bonds are issued, there shall be expended the sum of Three Hundred and Twenty-Five Thousand Dollars (\$325,000.00), or so much thereof as may be necessary in the construction of concrete paved highway running through said County from Mitchell-Nolan County line to Mitchell-Howard county line and now known as Bankhead Highway, and any unexpended balance, together with the remaining Three Hundred and Twenty-Five Thousand Dollars (\$325,000.00) of said issue shall be

set aside for the construction of graveled roads and lateral highways in the four Commissioners' Precincts of said county. Provided further, that said remaining amount of money, and the said sum of Three Hundred and Twenty-Five Thousand Dollars (\$325,000.00) of said bonds, shall be proportioned among said Precincts in proportion that the taxable values based on the tax rolls of 1923 rendition in each precinct bear to the assessed values according to said rolls of the county as a whole.

The said election shall be held under the provisions of Articles 627, to 641, inclusive, of Chapter 2, Title 18, Revised Statutes 1911, as amended by Section 1, Chapter 203, Acts of 1917, Regular Session.

All persons who are legally qualified voters of this State, and of this county, and who are resident property taxpayers in this county, shall be entitled to vote at said election, and all voters desiring to support the proposition to issue the bonds, shall have printed or written on their ballots, the words:

"For the issuance of bonds and the levying of the tax in payment thereof."

And those opposed, shall have written or printed on their ballots, the words:

"Against the issuance of bonds and the levying of the tax in payment thereof."

The polling places and presiding officers of said election shall be respectively, as follows:

For voting Precinct No. 1, held at Colorado, Texas, in the Courthouse thereof, in the County of Mitchell, A. A. Dorn, presiding judge.

For voting precinct No. 2, held at the Methodist church in the town of Westbrook, J. C. Costin, presiding judge.

For voting precinct No. 3, held at the school house at Spade, R. A. Hood presiding judge.

For voting precinct No. 4, held at the Landers school house, W. E. Wimberly, presiding judge.

For voting precinct No. 5, held at Bozeman's store in Cuthbert, W. C. Berry, presiding judge.

For voting precinct No. 6, held at the Carr school house, G. W. Sweat, presiding judge.

For voting precinct No. 7, held at J. J. Riden's office in the town of Loraine, J. L. Pratt, presiding judge.

For voting precinct No. 8, held at the storehouse in Itan, E. B. Gresson, presiding judge.

For voting precinct No. 9, held at the McKenzie school house, G. A. Brown, presiding judge.

For voting precinct No. 10, held at the Buford school house, I. K. Gailey presiding judge.

The manner of holding said election shall be governed by the general laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the statutes referred to.

Notice of said election shall be given by publication of a copy of this order in the Colorado Record and the Loraine Leader newspapers published in the County, for four consecutive weeks before the date of said election, and in addition thereto, there shall be posted other copies of this order at three public places in the County, one of which shall be at the Courthouse door, for three weeks prior to said election.

The county judge is hereby directed to cause such notices to be published and posted, as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers, and received by this

Court.
Given under my hand with the seal of the Commissioners' Court affixed, this the 17th day of November, 1923.
J. C. HALL,
County Judge, Mitchell County, Tex.
