Desdemona's Fort Blair To Be Officially Marked

A state marker will be placed on the site of Old Fort Blair at Desdemona during ceremonies in which the Eastland County Historical Survey Committee will participate, according to committee chairman, Mike Collins. Date and time of the event have not been announced.

Twelve log cabins were erected inside the fort walls and during the Civil War several families moved into these cabins. The fort was established in 1857.

Among the families to move there were the William Arthurs, Ellisons, W. C. McGoughs, W. H. Manskers, brothers Jasper, Jim and Tom Gilbert and the Blairs. Many Eastland County citizens are descendants of the families who took refuge at the fort.

Not only did these families provide education for their children but also made their own food, clothing, soap, soda, candles, etc., according to Mrs. Howard Williams, Des-

C. C. GILBERT RETIRES AS POSTMASTER AT CARBON

Clifford C. Gilbert who has served Carbon as postmaster for the past 14 years, retired from that position at the end of his days work last Thursday, April 29. Mr. Gilbert is the first Carbon postmaster to retire, others being removed by changes, death or otherwise. He will always be remembered for his courteous service to the public.

Mrs. Truman Been, who has served as clerk, has been made postmistress and Mrs. O. A. (Pete) Hallmark is now clerk. The public feels sure that the same courteous service will be continued by these employes.

On the eve of his retirement last Thursday, co-workers and former co-workers honored Mr. Gilbert with a dinner in the dining room of the Brown Jug Cafe in Gorman.

Places were marked with small United States flags atop a square of styrofoam bearing each guest's name. Ribbon streamers attached to the floral centerpiece further carried out the colors of red, white and blue.

Mrs. Truman Been served as toastmaster and W. J. (Speck) Greer, retired rural carrier, on behalf of fellow workers, presented Mr. Gilbert with a gold tie pin and cuff link set. Mrs. Glenn Justice, sub-carrier, then presented the floral centerpiece to Mrs. Gilbert.

Guests were Mr. and Mrs. Gilbert, Mr. and Mrs. Truman Been, Mr. and Mrs. Glenn Justice, Mr. and Mrs. Otis Guy, Mr. and Mrs. Truett Norris, Mr. and Mrs. W. J. Greer, Mr. and Mrs. Collin Campbell and Mr. and Mrs. Rayneal Baze of Ranger.

After a delicious meal of chicken-fried steak with all the trimmings, the group went to the home of Mr. and Mrs. Glenn Justice and played games of 42. Mrs. Justice served nuts, mints, coffee and cookies to the guests.

18 Attend Regional Meet of Historical Survey Committee

A workshop meeting for Region Three of the Texas State Historical Survey Committee met at the White Elephant Restaurant in Eastland Saturday for a luncheon and

Vets Questions And Answers

Q — I am a World War II veteran, discharged in 1944. I was rated zero percent at that time for a service-connected disability, and have had no treatment since then. The disability has started giving me difficulty. Can I obtain treatment for this condition, and how can I reopen my claim?

A — You are eligible for treatment at a VA Outpatient Clinic for your service-connected disability. You may ask the Adjudication Division of the Regional Office to review your claim on the basis of treatment received. The Adjudication Division must have current medical evidence as a basis for review of the claim.

Q — I have a \$10,000 thirty-payment life National Service Life Insurance policy. I am considering borrowing on this policy. What are the terms of a policy loan, and what is

the schedule of repayment?

A — You may borrow up to 94 percent of the cash value of your policy. You will be billed each year on the anniversary of your loan for the interest only at four percent. You may make payments to liquidate this loan whenever you wish. If you should die the proceeds of the policy, less any indebtedness, will be paid to your beneficiary.

Pills belong in bottles. Definitely not on your sweaters. Yet, the fiber ends of some modern-day fabrics tend to roll into tiny hard balls—or pills—that stick tight to the fabric. This pilling increases during wearing and laundering because the balls catch other surfaces, particularly of the same fabric, to form more pills.

You can reduce pilling by turning the garment inside out when you wash it. For further protection, place the "pilly" item in a mesh bag for laundering.

If your garment already has pills, the job is more difficult. You have to remove them one by one. Pull the cloth firmly over a curved surface (so the pills stand up and away from the fabric.) then cut them off carefully with a scissors or razor blade.
