

FARMERS, CATTLEMEN AND OIL INTERESTS BENEFITTED

The farmers, livestock men and interests identified with development in the Mitchell County oil field will share equally in benefits from the heavy rain that covered this section Monday afternoon. The precipitation assumed proportions of a small water spout at Colorado and for a few hours following the downpour streets in the downtown district were flooded with water. This was especially true on Walnut street between Second and Third and in vicinity of the court house, where the streets were inundated and water backed onto the sidewalk.

Within less than an hour one and one-half inches of rain fell here. During the early evening three hundredths of an inch additional rain was registered, placing total at 1.53 inches. The rain was accompanied by a severe hail storm which stripped trees of considerable foliage and is reported to have damaged fruit crop in several communities of the county. Eight of the large arc lights on Second and Walnut streets were broken by hail stones.

The rain left an ideal season in the ground, assuring ideal conditions to farmers for starting off their crops for the present year. On the range, Spring grass will grow off rapidly and an abundance of surface water was caught in reservoirs. In the oil field one of the largest supplies of surface water for months was caught in earthen tanks, which will be of much benefit to operators in obtaining water supply for drilling purposes.

Reports received in Colorado Tuesday from over the county indicated that the rain was general throughout the Colorado territory. The rain was heavier north and east of Colorado than in other sections of the county. W. D. McAdams of Loraine stated Tuesday that about three inches fell there. South of Colorado a few miles less than one inch fell. Hail is reported as having been heavy at Cuthbert.

Farmers in some localities report damage to their crops from wash-outs and overflows, in addition to the damage done by hail. In a few instances young crops which had come up to good stand will be replanted.

HIGHWAY SUPERVISOR HAS CREW DRAGGING BANKHEAD

W. D. McAdams of Loraine, supervisor of the Bankhead Highway in Mitchell County, was in Colorado Tuesday morning and stated that he had two crews dragging the highway. One of the crews was working on the east end of the county and the other in the vicinity of Westbrook.

The supervisor left Loraine Tuesday morning to go to Iatan Flat with one of the large tractors and drags, but arriving at Colorado found that he could not cross the river on account of paving work at the new river bridge, which had passage there temporarily blocked.

HUTCHINSON AGAIN NAMED C. OF C. VICE PRESIDENT

H. L. Hutchinson, vice president of the Colorado Chamber of Commerce, during the past year, was re-elected to this place by the board of directors in the first executive session of the new fiscal year Thursday evening of last week. J. H. Greene, who has filled the position of treasurer of the organization for several years, was also re-elected. The board announced that W. S. Cooper, secretary, had been elected for another year.

The executives renewed their support of the Colorado Booster Band at this session and will in the future, as they have in the past, give to the director and membership personnel their moral and financial support.

COMMISSIONERS COURT TO HOLD SESSION NEXT WEEK

County Commissioners' Court will meet Monday morning for the regular May term. County Judge J. C. Hall stated Monday that regular routine work would constitute principal business to come up for consideration of the commissioners.

BARNES PLEADS GUILTY LIQUOR CHARGE; 2 YRS.

W. E. Barnes entered a plea of guilty to charges of transporting intoxicating liquors when his case was called in District Court at Colorado Monday morning and received a sentence of two years in the State penitentiary by the jury trying the case.

Barnes was apprehended here last December while passing through the city in an automobile loaded with 61 quarts of high grade whiskies. He had been confined in the county jail since that time. The defendant, who is about 50 years of age, stated that his home was in El Paso.

GRASSHOPPERS THREATEN DAMAGE MITCHELL CROPS

Farmers in practically ever community are becoming fearful lest last year's damage from grasshoppers be repeated this year. The pests are appearing in large numbers and farmers are organizing to combat the threatened depredations on their crops. Every day citizens from the rural districts are calling at the office of the county farm agent to obtain information as to approved methods for exterminating the hoppers.

It is difficult to foresee what the outcome will be. Last year the dry weather reduced the pasture growth and drove the hoppers into the cultivated fields in quest of food. The result was the complete destruction of acres of cotton and other crops. On some farms from fifteen to twenty acres were stripped of all vegetation by the invading pests.

The county agent is warning farmers to begin now their fight to exterminate these pests before they multiply into large numbers and also before the crops are starting to grow off. Formulas which have been thoroughly tested by experts from A. & M. College may be obtained upon application to the agent, and he will co-operate with the farmers otherwise by giving them his personal direction in exterminating the pests.

GEER ATTENDS ELECTRICAL CONVENTION AT STAMFORD

John Geer, local manager for the West Texas Electric Company, attended a safety and utility meeting conducted at Stamford Tuesday jointly by the various electric light and power companies serving West Texas. The feature of the day's program was a big barbecue on the famous Hereford ranch of R. V. Colbert & Son five miles north of Stamford. The public generally was invited and hundreds of Stamford citizens, as well as visitors from other towns were present.

TEACHERS ENTERTAINED AT WIENER ROAST FRIDAY

Members of the faculty, Colorado public schools, their wives and husbands, were entertained by the Sunday school classes of T. W. Stoner and E. H. Winn of the First Methodist church Friday afternoon with a wiener roast in the country northwest of Colorado. Members of the classes and their guests met at the church Friday afternoon and drove to the picnic grounds in automobiles.

Rube Hart and Ocie Green, champion wiener roasters, presided at the camp fires where hundreds of "hot dogs" were prepared for serving. The evening was enjoyably spent.

OFFICE EQUIPMENT BOUGHT BY DR. ROOT LAST WEEK

While in San Antonio last week attending the State Medical Association convention, Dr. C. L. Root purchased an X-ray machine and other equipment for his office, in the Dulaney building. Office equipment of Dr. Root was practically destroyed in the fire which razed the second floor of this building recently.

NO CONVENTIONS HELD BY MITCHELL CO. REPUBLICANS

Republicans of Mitchell County did not hold any precinct or county conventions to elect delegates to the State convention and thus qualify to participate in naming the party nominee for president and vice president.

18 TO GRADUATE IN 1924 CLASS COLORADO SCHOOL

Eighteen young people, twelve girls and six boys, are in the 1924 graduating class, Colorado High school, which will close for the term on Friday of next week. This is to be the third largest class ever graduating from the school. Last year there were 24 in the class and a few years ago the number reached 19. There were more boys than girls in the class of 1923, but this year the girls to graduate outnumber boys two to one.

Commencement week program begins Sunday evening at the First Methodist church with deliverance of the baccalaureate sermon by Rev. John E. Chase, pastor of the First Christian church. The concluding exercises at the high school auditorium Friday evening, May 16, at which time diplomas will be presented members of the graduating class.

E. Frank King, superintendent of the schools, issued the following statement for publication Monday, outlining program for commencement week:

"The present term of the Colorado public schools will close on Friday, May 16. The last program will be the high school commencement exercises held at the high school auditorium on Friday evening, May 16th at 8:00 o'clock.

"On Thursday evening at the same place at 8:00 o'clock the grammar school graduating exercises will be held.

"Examinations will begin on Wednesday morning, May 14, and close Thursday afternoon, May 15. Seventh grade and high school—Senior examinations will be given somewhat earlier than other examinations in order to give these pupils time to prepare for their final program.

"On Sunday evening, May 11, at 8:00 o'clock at the Methodist church, the baccalaureate sermon for the high school graduating class will be preached by Rev. J. E. Chase, pastor of the First Christian church. Mr. Thomas Dawes will have charge of the music on Sunday evening, and all the members of all the church choirs of the town are asked to meet him at the Methodist church at 8:00 o'clock on Friday evening, May 9, for song practice. We cordially invite you to help in this song service.

"The people of Colorado are requested to attend all the closing exercises of the schools. We believe we are closing one of the best years of all the years of the life of this school to date, and on the last evening there will be a report given of the school's work during the last few years.

"The members of the senior class who are candidates for graduation, are:

"Jessie Stell, Willis Jones, Clarice King, Mattie Dorn, Agatha Plaster-Dorn, Robert Whipkey, Audrey Smith, Ida Bell Bean, Johnny Chesney, Vivian Franklin, Dale Hall, Sallie Miller, Morgan Gist, James Joyce, Mary Broadus, Ima Dot Moeser, J. W. Sheppard, Mary Lee Crowder, E. FRANK KING, Supt.

MISS BARBARA WAY NAMED MEMBER T. U. HONOR ROLL

Announcement of the honor students for the winter term in the College of Arts and Sciences at the University of Texas has just been announced by Dr. H. Y. Benedict, dean of the college, and it is noted that Miss Barbara Way of Colorado won the distinction of having her name on this roll.

In compiling the honor roll, both the quality and quantity of work is considered. Miss Way is rated by the dean as having done commendable work during the term.

REV. ELLIOTT LEAVES TO ATTEND SCOUT MEETING

Rev. W. M. Elliott, pastor of the First Presbyterian church at Colorado and scout master here, left Wednesday morning for St. Louis to attend the National Boy Scout convention, which is to convene today for a session of three days. Rev. Mr. Elliott will visit his son, Marion Elliott, who is a student at Park College, Kansas City, en route home.

COLORADO DELEGATION AT BROWNWOOD TO BE LARGE

The delegation attending the Sixth Annual Convention, West Texas Chamber of Commerce at Brownwood, which opens Tuesday morning of next week for a session of three days, will be the largest ever sent by this city to a similar convention, surpassing considerably in number the delegation representing Colorado at the convention last year at San Angelo. This statement was made Tuesday by representatives of Chamber of Commerce, Lions Club, and Booster Band, who are working to send a large delegation from here.

The band will be in the best condition in its history, M. S. Goldman, director, claims. Under personal direction of Mr. Goldman and P. K. Williams, drum major, the band has been holding practice rehearsals almost every day during the week. Much of this practice has been devoted to drill work on the street. In the band contest, to be staged the second day of the convention, the Colorado Band will compete with some of the best bands in Texas, among which are the Plainview band, grand champion prize winner at San Angelo last year, and the band from Ennis, one of the best in Texas.

Colorado delegates to the convention will begin leaving Sunday morning for Brownwood and scores of them are planning to drive through the country in automobiles. Others will go by rail, driving to Sweetwater Sunday afternoon and go to Brownwood over the Santa Fe, arriving there at 7:30 p. m. The band will leave Monday, going to Sweetwater by automobile and continue the trip to Brownwood by rail. Quarters for the band have been obtained for the entire time they will be in Brownwood.

Sponsors from Colorado will also go to the convention city Sunday afternoon. These young ladies are to be entertained at the girls dormitory at Howard Payne College. They are to be honor guests at a number of exclusive functions at Brownwood during the convention.

Members of the Colorado delegation going by automobile are invited to go via Baird and Cross Plains in a communication received Monday from the Cross Plains Chamber of Commerce. The road between Baird and Brownwood is being dragged this week, the letter stated, and will be in good condition. Coloradans are invited to avail themselves of the tourist camp facilities at Cross Plains.

"We have every reason to believe there will be 75 people in the delegation to go from here, in addition to the 26 men in the band," a member of the convention committee stated Tuesday. "And judging from the way the people are boosting the trip, this number may be doubled. Colorado will be in the lime light at this convention, and there should be a big delegation in Brownwood to help pep things up."

ALL DELEGATES REQUESTED TO REGISTER AT BROWNWOOD

All delegates attending the West Texas Chamber of Commerce convention at Brownwood next week are requested to register at Colorado headquarters which will be maintained at the Allen Hardware Company. All delegates will also be expected to wear a small Colorado badge, which will be furnished by the Chamber of Commerce.

In addition to the general headquarters at the Allen Hardware Co., the Chamber of Commerce will maintain an office on the fifth floor of the Southern Hotel, where matters pertaining to Colorado's part in the various convention activities will be worked out. This office will be opened Monday morning.

CITY COUNCIL TO CONVENE IN MAY SESSION MONDAY

The regular May session of the city council is scheduled to be convened Monday at the city hall. It is expected that petitions requesting extension of paving on Chestnut street will be presented the city at this meeting.

GRAND JURY RETURNS 45 BILLS OF INDICTMENT

After being in session for only two days following reconvening Thursday of last week, the Mitchell County grand jury reported the finding of 16 additional bills of indictment, placing total for the term at 45. This is claimed by officials to establish a new record in Mitchell County, as the number of bills returned is the largest ever found by a grand jury here during any one session of court.

Nine of the indictments returned were on felony charges and seven misdemeanor charges. This places the total felony indictments for the term at 21, and the others at 24.

The grand jury recessed Friday until May 22 when the body will again convene to complete its deliberations for the term.

DALLAS BUSINESS MEN VISIT COLORADO FRIDAY

Traveling in a special Pullman train of 11 coaches, 150 business men of Dallas, accompanied by the Red Hussar Band of Dallas, spent fifty minutes in Colorado Friday morning. W. T. Cox, conductor of the band, formerly lived in Colorado.

Chas. Saville, manager of the Dallas Chamber of Commerce, a member of the party, stated that the Dallasites were agreeably surprised to find Colorado the progressive small city it is. This was the first time several of the visitors had ever been in Colorado. "Your paved streets and white way looks just as good as anything we have in Dallas," was the comment of Mr. Saville.

The special left here for the west shortly before 9 o'clock. The special passed through Colorado Sunday night on the return from El Paso.

RECORD ATTAINS HIGH ART IN SCHOOL PUBLICATIONS

The commercial printing department of the Whipkey Printing Company, publishers of the Record at Colorado, is maintaining an unusual distinction in the typographical art throughout West Texas. During the past few weeks some of the most attractive jobs of book printing ever delivered from a West Texas press have been completed at this office.

Included in these high grade commercial jobs are the annual publications of four high schools and one senior college in this section of the State, as follows:

"The Trail," annual publication of Daniel Baker College, Brownwood, containing 124 pages; "The Lone Wolf," annual publication of the Colorado High school, containing 110 pages; "El Rodeo," annual publication of the Big Spring High school, containing 100 pages; "Yucca Gloriosa," annual of the Sweetwater High school, containing 110 pages, and "The Skyline," annual publication of the Tahoka High school, containing 75 pages.

HERRINGTON BUILDING TO COST MORE THAN \$40,000

The new home of the Ford, Fordson and Lincoln at Colorado, to be erected by A. J. Herrington at corner Main and Elm streets, will cost more than \$40,000. Mr. Herrington stated Saturday. Original plans of the building as contracted for recently called for a brick and stone structure 130x135 feet to cost \$31,000. Revised plans specify that the building cover the entire quarter block, 175x130 feet at an additional cost of from \$10,000 to \$12,000.

The contractor is expected to begin excavations for the foundation within the next few weeks, Mr. Herrington said. The structure will be ready for occupancy by fall.

MITCHELL FARM BUREAU MEMBERS TO CONVENE

Members of the Mitchell County Farm Bureau are to convene at the district court room in Colorado Saturday afternoon at 2 o'clock to elect delegates to the district convention of the organization, which convenes at Loraine May 17. Mitchell county is in the 17th district, composed of Andrews, Borden, Dawson, Fisher, Gaines, Howard, Martin, Mitchell, Nolan and Scurry counties.

OPERATIONS TO START AT LOCAL REFINERY JUNE 15

The large plant of the Anderson-Pritchard Oil Corporation at Colorado will start operations about June 15, J. Steve Anderson, vice-president of the corporation, stated Thursday. Work of assembling the several units of the plant is progressing entirely satisfactory, Anderson said.

All pumps and steam connections at the plant are in place and run-down lines and storage tank connections are about completed. The brick setting and insulation for crude stills were completed Thursday and brick layers have started construction on settings for boilers. A special type of coil is being installed in the condensers. This coil, known by the trade name of Sterling, is manufactured by the American Radiator Company. Installation of this unit of the plant will be completed in 10 days.

A large crew of workmen has been started on the pipe line connecting refinery with oil field, 14 miles west of Colorado. The line is being constructed of high pressure pipe, will connect with pump station on the Smart lease of the Sloan Oil Company, where large crude storage will be provided.

LIONESSES TO BE GUESTS AT CLUB BANQUET MAY 27

Date of the Lions Club banquet at which Lionesses are to be the special guests, was changed from Friday evening, May 23, to Tuesday evening, May 27, by the club membership Friday. This change was made in order that Dr. J. W. Hunt, president of McMurry College, Abilene, might address the meeting. While here recently to attend the annual banquet of the Chamber of Commerce, members of the club invited the college president to address the Lions and Lionesses Friday, May 23, but because of a conflicting engagement, he was not able to do so. The change was made to meet the convenience of the visitor.

Col. C. M. Adams, club president, announced Friday that Hon. R. M. Chittwood of Sweetwater, member of the Texas Legislature, would also address the meeting May 27th.

BONHAM CIVIC LEADER SURPRISED AT COLORADO

"Colorado is one of the best small cities I have ever seen in Texas, and I was certainly surprised to find here the forward looking, progressive industrial center that Colorado is" was the declaration of C. R. English, secretary of the Bonham Chamber of Commerce, who spent Thursday in Colorado. The visitor was so well impressed with Colorado and Mitchell County that he stated he would no doubt make a substantial investment in either city or rural property.

"Colorado is the best town of its size I know of in West Texas," he concluded.

Mr. English was accompanied by Brown Hays of Stamford.

BAPTIST FAVOR PAVING ON NORTH CHESNUT STREET

During an executive session at the First Baptist Church Wednesday evening, the membership pledged its cooperation with the city and property owners on Chesnut street to extend the street pavement over this important thoroughfare. Petition requesting that Chesnut street be paved north from Second street intersection will be presented the city commission Monday.

WEST TEXAS ELECTRIC CO. INSTALLS COLORADO PLANT

CISCO MAN WIDELY ENDORSED AS W. T. C. OF C. PRESIDENT

As the time approaches for the opening of the great West Texas Chamber of Commerce Convention at Brownwood, May 13, the candidacy of Hon. R. Q. Lee of Cisco, for presidency of the great organization is gaining in momentum.

Many Chambers of Commerce have endorsed him for the place and letters approving his candidacy are being received daily from prominent men throughout West Texas by the Cisco Chamber of Commerce.

Mr. Lee is president of the Cisco Northeastern Railroad, the Cisco Chamber of Commerce, and the Cisco Banking Company. He has lived the greater part of his life in West Texas and has been successful as a ranchman, a merchant, railroad executive, and as a banker. He has been a leader in progressive movements for the advancement of the city, the county and the State.

With no disparagement intended for the other two distinguished aspirants for the presidency of the West Texas Chamber of Commerce, Mr. Lee's enthusiastic supporters declare that his wide and varied experience make him the logical man for the position.—Cisco Chamber of Commerce.

MAYOR'S PROCLAMATION

I, R. H. Looney, mayor of the City of Colorado, Texas, by the authority in me vested, do proclaim and set forth the week of May 11 to 18, 1924 as "Better Homes Demonstration Week."

The progress of a city, like the progress of a nation, is measured by the quality of its homes. The better the homes, the greater will be the effort to preserve them.

I, therefore, recommend that the earnest support of the people of Colorado be given to this campaign and that every family in the city seek an opportunity to see and to study the Demonstration Homes being loaned by the public-spirited citizens of this city.

Given under my hand and seal, this 7th day of May, 1924.
R. H. LOONEY, Mayor.

Chas. Farris a Fisherman.

Charlie Farris is the present contender for the Isak Walton honor. He arrived last week in the prize winning class of fishermen. He cut a notch on his fishing pole for two of the finny tribe that not only jerked the fisherman's line but the scales on which they were weighed, up to the prize winning notch. Mr. Farris is modest and not given to talking weights when his fish are in the balance, but there has been whispered in the ear of his best of friends, that the fish weighed around about five and a half pounds, so second prize must go to him, Jack Carter of Buick fame, holding first prize to date.

Mr. Farris is a fisherman for the sport of the game. He has studied phenomena and philosophy and atmospheric conditions as such may have bearings on the temperament of fish, and the consequence is that Farris is an authority on much that has to do with fishing.

The fish he caught last week was just preceding storm disturbances. It is conceded that fish usually feed just before a rise in streams or the muddying of the water caused by heavy rains.

COMPLIMENTS CHAMBER.

The following letter came addressed to the Chamber of Commerce this week:

Dr. P. C. Coleman, Colorado, Texas.

I have noted with sincere pleasure that you are to continue at the helm of the Colorado Chamber of Commerce for another year; and I congratulate Colorado upon the recognition she has given real merit, and I congratulate you two gentlemen upon the splendid showing you have made during the past year.

It has certainly been most creditable and while, of course, I am not giving the executive officers entire credit, yet I know of the wise leadership that has obtained and the showing has been really remarkable.

I shall hope to see you in Brownwood next week and I am sure the annual meeting will be in line with your expectations.

Sincerely your friend,
HOMER D. WADE.

A. & M. OFFICIAL TO SCORE COMPETING KITCHENS SAT.

One of the most interesting and helpful contests held in 1923 was an Improved Kitchen Contest which was conducted under the direction of the Extension Service of A. & M. College and the U. S. Department of Agriculture co-operating and the Semi-Weekly Farm News.

The same contest is being held again this year. The women of Mitchell county entering the contest are Mrs. S. D. Dunnahoo of Loraine, Mrs. Joe Johnson of Valley View, Mrs. Evans of Valley View and Mrs. Urda Wulfjen of Seven Wells.

These kitchens will be scored by the county committee to determine the winning kitchen in the county. Mrs. M. M. Daugherty of A. & M. Extension Service acting as district committee, will score the kitchens Saturday, May 10th to determine the winning kitchen of this district, and before June 1st, the kitchen will again be scored by a State committee to determine the State winning kitchen.

Roy Cogdell, 17-year-old boy, filled the pulpit at the Church of Christ here Sunday morning and evening. Young Cogdell is a student in the theological department, Abilene Christian College.

WELL ON HART-COSTIN ADDITION SETS RECORD

Tests of a water well recently completed on the Hart-Costin addition, north of Colorado, show that the well will afford fifty gallons of water per minute on the pump. This is an increase of about twenty gallons per minute over records maintained by wells owned by the city at the waterworks.

The test was made Friday afternoon by officials of the city and Chamber of Commerce. The water is not so brackish as that taken from the present supply and the belief was expressed it would show a favorable test for raw ice manufacture. Sample of the water has been taken for analysis.

A. L. Baker has leased the Alamo Hotel and will assume active management of the place Saturday.

Stamford and Hamlin have voted a good roads bond issue for the purpose of building a paved highway across the north end of Jones county. This is the second big road project Jones county has put over in the last few months. West Texas' richest county, when it did wake up, came alive in grand style.

By Babylon's Waters.

Abilene Reporter: An archeologist has unearthed a harp on the banks of the Euphrates said to be 3,700 year old. Probably it is slightly out of tune.

Undoubtedly out of tune. But exactly in harmony with the Scripture. "By the rivers of Babylon, there we sat down, yea, we wept when we remembered Zion. We hanged our harps on the willows in the midst thereof."—Psalm 137.

The harp recently unearthed by the archeologist in the valley of the Uuphrates may have been one of those "hanged" by the poor captives who remembered Zion and wept by the rivers of Babylon. The Israelites were taken from their Canaan and carried as spoils of war to mighty Babylon, where they wept amid the willows by the waters of the Euphrates. Who will say this is not one of the self-same harps mentioned by the Psalmist? We hear a great deal or

read a great deal, concerning geology's and zoology's disproof of the Bible, but we hear and read less concerning archeology's proof of it. Babylon the great went into dust, and the willows by the rivers thereof were engulfed by the desert. But the Euphrates and the Tigris flow on forever, just as the eternal records of God's revelation to those primitive peoples are handed down from generation to generation and endure even as the things of God endure while man-made Babylon rose and fell and the rivers remained to pour their floods into the insatiable sea. To the Euphrates, Babylon was but yesterday. To time, the sea is but a bubble. To the Creator of the heavens and the earth, history is but a breath on a page, yet the tears of captives weeping for their Zions are not shed unseen of Him.

BOY SCOUTS JOIN RED CROSS IN LIFE-SAVING CAMPAIGN

Boy Scouts of America, with a membership of more than 600,000 will join this summer with the American Red Cross in the most extensive campaign for water safety ever attempted in this country.

"Every Scout a Swimmer" will be the slogan at the numerous Boy Scout camps that will dot the country. Red Cross Life-Saving technique will be used as a model and it is expected that an army of expert swimmers will be built up to decrease materially the annual toll of nearly 8,000 drownings in the United States.

Members of the Red Cross Life-Saving Corps, with its 45,000 qualified Life-Savers, will be available throughout the country for instruction purposes upon the request of

Boy Scout officials at the summer camps.

The Boy Scouts have already made their merit-badge requirements in life-saving parallel those of the Junior life-saver of the Red Cross. The new plan will give at least two qualified scout life guards in each of the 22,000 troops. They will be charged with the duty of helping their comrades to qualify in swimming and life-saving.

To encourage the movement, the Red Cross will give Honorable Service Medals to its volunteers who assist in the advancement of Life-Saving. Through the thousands of Red Cross Chapters free insignia are to be awarded to Scouts who qualify.

Under the direction of officials of the life-saving service of the Red Cross, the National Council of the Boy Scouts of America has just prepared a water safety book which will be used as a text-book by the Scouts in their "Master the Water" campaign.

Life-saving Institutes have been set up by the Red Cross in its six territorial divisions to give free training in advanced swimming, life-saving and first aid for Scout officials and camp counsellors of other organizations.

These institutes are in charge of some of the most expert swimmers in the Red Cross life-saving organization and are expected to train thoroughly men and women who will in turn be in charge of water safety campaigns at the numerous summer camps.

The ultimate effect of the whole movement will be to develop thousands of young swimmers equipped not only to take care of themselves in the water, but even more important, to be able to render instant and efficient aid to others in water accidents.

Someone has decided that the letter "e" is the most unfortunate letter in the English alphabet because it is always out of cash, forever in debt, never out of danger, and in hell all the time. No little credit is due however, in that it is never in war and always in peace. And we are deeply indebted to this little letter since it is beginning of existence, the commencement of ease and the end of trouble. Without it there would be no meat, no life and no heaven. It is the center of honesty, and although it starts off in error, it ends by making love perfect.—Exchange.

Checked, barred and plaid woollens strode into the limelight when new suits for spring made their entry on fashion's stage. There are many fashions among them in which combinations of tan and brown or beige and brown are foremost. Such fabrics need no decoration and are made up in true boyish styles like that pictured.

OVERLAND BLUE BIRD IS BEST LOW PRICED CAR

With public interest in balloon tires at its height Willys-Overland announces its newest model, the Overland Blue Bird, the lowest-priced motor car with genuine balloon tires furnished as standard equipment.

Those who have seen the car at its preliminary showings at the factory agree that the Blue Bird is the most striking design that has ever been produced by this organization.

The combination of a long, roomy body done in rich Peacock Blue, set off by black fenders and running gear, smartened by nickled radiator, windshield stanchions and outside door handles; with upholstery of a bluish shade to match the body, and a top of similar hue, creates an appearance of spirit and sparkle that is entirely in keeping with its happy choice of trade name.

This new creation is another instance of Willys-Overland's endeavor to work steadfastly toward the end that beauty, utility and economy can be assembled in a single unit.

A new standard in riding qualities has also been reached by the coupling of the patented triplex spring suspension with balloon tires. The wheelbase of the new car is 106 in., giving it a spring base of 136 inches. Weight of each Overland spring is about twenty pounds. The material is chrome vanadium steel, carefully heat treated, having an elastic limit of 190,000 pounds. The springs are so designed and assembled in the chassis that all road shocks are absorbed with a minimum distortion of chassis.

THE UPSIDE DOWN FLYER

Cyle Horchem's letter head pulls your eye instantly over to the left-hand margin. There in small blue letters is this:

FEATURING
Upside Down Flying

After you've puzzled that out, you go on and discover on the right and left margins other astonishing legends, such as "Has Flown Approximately 800,000 Miles," or "Performing on Trapeze 2,000 Feet in the Air," and gradually your eyes come to rest on "If Done in the Air We Do It," with the conviction that Mrs. Horchem must have been learning these things since before airplanes were invented. Then you discover—if you're as lucky as I was—the picture of an undeniably pretty girl, who isn't the least bit modest about the date of her birth. She discovered America, via Ransom, Kan., in March, 1899. Since then she's found time to get an education in Portland and Seattle. For business success she's come back to the same country. Horchem's Aerial shows have headquarters in Wichita. But Mrs. Horchem explains that she has to be on the road pretty continually—by which I take it she means in the sky—so she gives her "home folks' address" at Ransom, just like a girl who never goes even to the county seat.

In a letter written in July she told me that she had just made a new woman's altitude record of 16,399 feet while flying at St. Louis on July 5. She's been in commercial aviation four years, parachute jumping two years. (Somehow that simple record of a year or two years to learn one new form of control over herself and her machine gives one a thrill of realization of the hugeness of each victory.)

As a regular job, Mrs. Horchem specializes on carrying passengers commercially. The last half year has kept her at this work very steadily. On her present notch stick of achievement she has chosen to keep the record of miles flown. Counting from January, 1923, she is aiming to make 20,000 miles before winter shuts down on her job of aerial taxi driver.

Call me for good Coal Oil in fifty gallon lots or less.—J. A. Sadler,

WITH THE CHURCHES

Baptist Notes

Yes, it happened last Sunday. What was it? That fine attendance at S. S. How many did you say? 275 by actual count. Then there were two fine audiences for preaching. Of course the folks were tired out after an all day singing and an aeroplane show in the afternoon but they came to church anyway. Lots of new folks in the service each time. We are always glad to have them and hope they will feel at home and come often.

A very pleasant surprise greeted us the other night. We had recently bought us a new Ford Sedan and made a first payment with our old car and gave our note for the balance. The surprise was when one of the deacons handed us that note marked "Paid." So, as you see us riding around in that Ford you have our permission to think of the kindness of a group of friends both in and out of the Baptist Church who have made us a present of this car. We are happy about it all and expect to use it in helping make others happy. All we ask is the privilege of serving you in your needs. To say we appreciate this splendid gift would sound weak and flat because everyone would say that and more on an occasion like this but we would have all concerned know we are delighted. This gift was made to the pastor and his family. We hope to so serve and act as never to cause anyone who took part in this friendly deed to have any occasion of regret but pleasure on every remembrance of the same.

Come and help us next Sunday to put over one of the best Sunday Schools in all of West Texas. The Church gave the pastor a trip to the Southern Baptist Convention at Atlanta, Ga., next week. We expect to leave next Monday and will be gone about ten days. Next Sunday will be Mother's Day. We will have a special program. Come on and enjoy it with us and help honor your Mother.

M. C. Bishop, Pastor

FIRST CHRISTIAN CHURCH
Mother's Day will be observed

with appropriate exercises at the First Christian Church next Sunday morning. In the evening we will unite with the other churches of the town in a joint service at the Methodist church, for the Baccalaureate sermon. At the Bible school hour all who attend will receive a small token in the way of a button which will bear the picture of a mother in the heart of a carnation which is the proper flower for Mother's Day.

The pastor will be out of town next week attending our State Missionary Convention which convenes at Waxahachie. In the meantime preparations are going forward for the Hamilton-Burley Revival meeting which is set to begin May 25th and continue to June 15th. At the present these evangelists are at Topeka, Kansas, where they are engaged in a splendid meeting with the Oak Park Christian church. The first two weeks of the meeting resulted in seventy-one conversions with the meeting just getting under good headway. The church at Colorado is making extensive preparations for the meeting and we confidently expect to have a great meeting here.

Let us all honor our mother next Sunday, first by wearing a flower for her, a white flower if she is dead, another color if alive, carnation preferred. Then let us attend both Church and Sunday school, and thus honor the example and instruction which she placed before us.

Merry Wives.

The Merry Wives met with Mrs. J. L. Pidgeon. There were four tables of Mah Jong and four tables of 42. Her guests were Mesdames McKenzie, King, Nolen, Slagel, Johnson, Barcroft, O. M. Majors, Bennett of Lorraine, Earl Jackson of Fort Worth, H. C. Doss, Maule, Arterburn, Bruton, Misses Sealy, Nash, Mabel Smith and Lindley of Sweetwater. The hostess served strawberry ice cream and two kinds of cake. The next meeting will be with Mrs. A. H. Doiman.

FIRST BAPTIST PASTOR GIVEN CAR BY CHURCH

A few weeks ago Rev. M. C. Bishop, pastor of the First Baptist church purchased a new Ford Sedan of the new four door type, trading in his old jitney for a part of the purchase price and executing notes for the balance. The minister and family, while enjoying their new car, realized that they must economize for the next several months in order to meet the monthly payments on the machine.

Wednesday evening as the parishoners were gathering at the church for the mid-week prayer service, J.

H. Greene, superintendent of the Baptist Sunday school, called the preacher to one side and presented him with the notes he had executed in purchasing the car. The notes had been paid by members of the church and other warm friends of the minister and the few hundred dollars involved presented him as a token of their esteem.

The J. B. Farmer & Company building on Second street, occupied by Farmer's Candy Kitchen and Jones' Barber Shop is being remodeled. A new modern plate glass front is being built and other improvements made.

Queen Elizabeth

Once insisted that the beautiful Mary Stuart's Ambassador should tell her which was the more lovely, herself or Mary. The astonished diplomat evaded, until Elizabeth asked which was the taller.

"My own gracious sovereign, Mary" he replied.
'Then,' said Elizabeth in triumph, 'she is too tall for I am just of the right height myself.'

\$160 IN CURRENCY FOUND IN DISCARDED RUBBISH

While cleaning house this week, Mrs. W. C. Hargis, widow of W. C. Hargis who died at Colorado a few weeks ago, found \$160 in currency which had been in the household for some time.

Some two years ago the mother of Mr. Hargis died at Hico and her personal effects were shipped to her son here. They were stored away in the Hargis home until this week when Mrs. Hargis in cleaning house took them out for inspection and to discard those not of any value as family heirlooms. Among these effects were some old pictures, and as Mrs. Hargis was assorting them she happened to notice the corner of a piece of currency emerging from its hiding place between the picture and back of the frame containing it. An investigation disclosed the fact that \$160 was hidden there.

The pictures were considered of no value and were being collected for burning when the protruding bill disclosed the hidden treasure. It is presumed the money was placed there by Mr. Hargis mother while the picture was in her possession at Hico.

LITTLE THEATRE OPENING A GRAND SUCCESS

The Little Theatre opening was a success from every standpoint, Tuesday evening. The new Memorial Legion building was packed. Every number on this program was well received and the managers were gratified with the financial results.

Already talent has been discovered the public is interested in having clean entertainment by home talent and the managers of this movement are to be congratulated for the success already achieved, and we are sure even better things are in store for the public.

Mrs. Broadus explained the purpose of the Little Theatre. She said one act performances each, and larger programs when needed, Legion to get part of all proceeds.

Mr. and Mrs. D. B. Smith are enjoying a visit this week of Mrs. Hermon B. Rudolph of Granger, Texas. Mrs. Rudolph and Mrs. Smith are sisters who have not seen each other for quite a while.

IN SOCIETY AND AT THE CLUBS

Mission Meeting.

Monday, May 5th the home mission meeting of the Central circle and an auxiliary meeting were held with Mrs. J. E. Riordan. Owing to the sudden rain and hail storm the attendance was small, but home missions and bible lessons were given. It was voted to send \$4.00, our quota, to aid in sending the wife of our Mexican evangelist to the Mexican Presbyterial at San Antonio.

Stewardship Class

The class on Christian stewardship was held by the women of the Presbyterian auxiliary Monday, Tuesday and Wednesday of last week. There was quite a good attendance and much interest was shown in the meeting. The claims of God upon not only our means but our time, our influence and our service were impressed by president. The lessons on the successive days were led by Mrs. Coleman, Mrs. J. E. Riordan and Mrs. Van Tuyl at the close of the last meeting. We were served cake and cream by our hospitable hostess, hWh zhH noisenteE e shrdl shdr

Mrs. Connor Honors Mrs. Jackson.

Mrs. Truman Holman Connor complimented Mrs. Earl Jackson, who will leave soon for California, and the Colorado Club with a party at the Woman's Club Wednesday afternoon. Bluebonnets were used in profusion in the reception hall and dining room, gladioli and carnations making the music room lovely.

Those in the receiving line were Mmes. Earl Jackson, T. R. James, James Evans, Irby Dunklin, J. R. Buck Sr., George Connor, Misses Lucille Henthorne and Willabeth Floyd. Others in the house party were Mmes. F. A. Buxton, Lee B. Slauter, Misses Alice O'Keefe and Mary Arbutnot. The following program was given: Reading, little Sarah Elizabeth Vaughan; solo dance Miss Augusta Humphrey; piano solo, Miss Johnnie Davis; reading, Miss Willabeth Floyd; song, Miss L. Buck; collection of songs in four languages, Miss Lucille Henthorne; piano solo, Mrs. George Connor.

scheme were served in the dining room where Mmes. T. R. James and James Evans of Dallas presided. Mrs. Edgar W. Bounds extended greetings to the visitors, and Mrs. C. A. O'Keefe presented the honoree with a gift. Mrs. Connor toasted the honoree and gave a poem on the Blue-

bonnet. The guests then re-assembled in the dining room where Miss Lucille Henthorne, gowned in a quaint colonial costume, sang a number of old songs. About 50 guests were present—Fort Worth Star-Telegram.

Young Woman's Circle

The Young Woman's Circle met with Mrs. A. H. Simon on Tuesday. The study lesson was lead by Miss Mabel Smith. Mrs. Farris was received as a new member. The hostess served tea and waffles. The next meeting will be with Mrs. Joe Smoot on May 15th.

1921 Study Club

The 1921 Study Club met with Mrs. C. L. Root with Mrs. Dobbs as leader. Mrs. Thompson gave a resume of "Why War" by Brailsford. The committee on Literature gave a special program which consisted of interesting talks on modern literature. The hostess served cream and cake. Mrs. R. P. Price, Mrs. Pullam, Mrs. Moody and Miss Nell Guest were guests.

Hesperian.

The Hesperian club met with Mrs. A. L. Whipkey. Mrs. Dawson led the lesson on Longfellow. Mrs. Merritt told of the secret of Longfellow's popularity. Miss Sealy gave the story of "Evangeline" with selected readings. Mrs. Whipkey gave the interpretation of "The Building of the Ship." Mrs. Jerold Riordan was a guest and told of the Better Homes Week the clubs are observing May 11 to 18. The hostess assisted by her daughter, Mrs. Robertson, served salad course, mints and coffee. Mrs. Wulfjen will be hostess this week.

Civic League

The Civic League met with Mrs. A. L. Whipkey Saturday afternoon. Besides the regular business the League planned to work on prevention of mesquitos and the City council will be petitioned to drain Lone Wolf Creek near the disposal plant. Mrs. Dobbs was appointed chairman of hostess committee for Better Homes Week. Mrs. Baker was the other member from this club. Mrs. Roy Dozier reported quite a number of shrubs, plants and seeds planted through the seed and bulb exchange. A book and magazine shower was reported given to the negro school.

Four O'Clock Tea.

Last week the many friends of Mrs. Jack Smith were invited to her home for tea Saturday at four o'clock. The hostess greeted them as they entered the gate and soon the whole lawn was full of women indulging in pleasant conversation.

After a short period of this a group of the high-school glee club girls came on the porch and announced in verse and song the marriage-to be of their teacher, Miss Jane Bounds to Mr. Earl Powell, May 17th

After best wishes to the happy bride-elect, Mrs. Ross Dixon sang an appropriate song with Mrs. J. H. Guitler accompanying. Mrs. Coleman read a telegram of congratulation from the Julia Lee U. D. C. Chapter at Fort Worth, of which Mrs. W. E. Bounds and daughter, Miss Bounds, are members and invited the honoree and close friends to form a group to have their pictures taken for the Brides Book.

Misses Laura Louise Pearson and Edna May Powell served punch from a punch bowl surrounded by red roses. Mrs. Jack Carter later gave white and red hearts with the dates and names on them.

Allathian Meet.

The Allathian Class of the Baptist Sunday school met last Thursday with Mrs. G. W. Smith. The usual business was transacted. Eighty cents was received as dues. Mrs. J. M. Green led the lesson on the fifth chapter of John. The hostess served chocolate and cake.

Shower for Bride Elect

On Monday afternoon Mrs. F. E. McKenzie and Mrs. Ross Dixon entertained with a miscellaneous shower at the home of Mrs. McKenzie for Miss Jane Bounds, who is to marry Earl Powell May 17th. The house was decorated with spring flowers.

After the guests arrived the honoree was blind-folded, love being blind, and led with lines of love to where an array of beautiful gifts opened the eyes of the bride elect. The guests were then invited into the dining room where delicious punch was served. Miss Anna Mary Mann toasted the bride, Miss Mary Snyder the groom, and Miss Eleanor Thomas the girls left behind. Mrs. Dixon gave some interesting hints to the bride.

Standard.

The Standard club met with Mrs. Marcus Snyder. The program was on South America. An interesting paper was read by Mrs. Snyder. At the social hour the daughter of the hostess assisted by Miss Nell Harper Greene, served a salad course, ice cream and cake. The meeting this week will be with Mrs. R. N. Gary.

Harmony Club.

The Harmony club met with Mrs. Jess Gage. Her guests were Mmes. Frank Lupton, C. H. Lasky, T. J. Ratliff, J. A. Sadler, Tom Coffee, Misses Anna Mary Lupton and Lindley. The hostess served black and white cake and brick ice cream. The next meeting will be with Mrs. Jim Johnson.

BIG BANQUET BE CROWNING FEATURE W. T. C. OF C. MEET

The crowning feature of each annual meeting of the West Texas Chamber of Commerce is always the banquet which is held the last night, and upon this occasion at six o'clock on the campus of Howard Payne College, only a few blocks from the Sailors and Soldiers Memorial Hall, where the final session will be held.

The Central Committee on entertaining the great convention, has arranged what will in all probability be the largest banquet ever given in Texas. In fact in the point of enthusiasm, pep and spirit, it will be a most unusual affair.

This gigantic banquet will be in charge of a banquet committee headed by R. L. McLaugh, chairman, and Bert Beck is vice-chairman. These gentlemen are organizing a force of 400 men and women to serve the banquet, and this would be insufficient except for the fact that everything will be placed upon the table before the guests are admitted with the exception of the drinks, and ice cream. The committee has figured out the requirements in spacing the tables, arrangements, etc., to a mathematical precision. In this it has arranged for 100 tables, each to be sixty feet long and three feet wide. This will allow 100 persons to the table or provide for the feeding of six thousand persons, and from reports that are coming to the headquarters there will be a demand for all of this space.

The menu is a substantial one, and will in fact be a square meal. It will be placed upon the table upon plates, and is constituted of the following edibles: Three kinds of sandwiches, including roast beef, boiled ham and pimento cheese; pies, salad, potato chips; also pickles, soft drinks, ice cream and coffee.

To supply this the banquet committee has placed orders for the following: Nine hundred pounds of roast beef; 900 pounds of boiled ham; 240 pounds of pimento cheese; two barrels of sour pickles; 6,000 individual pies; 6,000 bottles of soft drinks, including soda water and Budweiser; 6,000 packages of brick ice cream, and 350 pounds of cookies, besides butter, cream and sugar for coffee and other necessities. It should be said that in order that all be served bounteously that 20,000 sandwiches will be prepared.

The preparation for this immense banquet will consume the entire day for a corps of several hundred workers, aided by needed mechanical contrivances. But the banquet committee has announced that its forces will be able to have everything upon the tables, in due time, with the exception of the drinks, and ice cream, which as stated, will be served by the large force of men and women.

The committee announced that it would have special drills for all helpers, in order that the serving of the banquet may entail as little time as possible, and expect to consume

less than one hour from the time, the tables are surrounded until all are served.

The first ones to be served will be all band members, who will be permitted to partake of the banquet before any one else enters. When they have completed their repast, the personnel of all bands will be massed, which means that about 2,000 musicians will be formed as one band and this unequalled body of musical talent, both in quality and quantity, will dispense popular airs, while they partake of the menu already given. Conway King, president of the Texas Band Master's Association, will direct these 2,000 musicians, and members of all bands have been supplied with the music that will be played upon this occasion, so that there will be harmony and rhythm accomplished.

Following this most unusual feature the banquetters will dispense, and the final meeting of the convention will be held in the Sailors and Soldiers Memorial Hall, at this session the entertainment feature will be the pageant, and "Crowning of Eskota's Queen," in which the entire citizenship of Eskota, consisting of one dozen people, more or less, will participate. The well known "Hired Hand" will be the directing head of this stunt.

When this has been accomplished, the awards of the judge and the band contests will be made, two short addresses will be delivered, and the last and greatest battle of the convention will be fought. This will be the selection of the place of meeting for the year 1925. Amarillo, El Paso and Mineral. Wells are the contestants for this honor, and each of these cities will send large delegations, in fact, special trains will bring large representations from each of these towns, and the fight will be without question the most spectacular and interesting in the history of the convention. But it will be in the spirit of friendly rivalry, good humored and good natured throughout.

The registration badge will be the ticket of admission to the banquet, and those who do not have these, will secure a ticket at stands provided, paying one dollar for the same. Admission into the auditorium for the final session will be limited to those who wear registration badges.

MORE CHICKS SHOULD BE RAISED THIS YEAR

Every time you bury a dead chick you are burying 50 cents or more. If the average poultry raiser would pay more attention to scientific care and feeding of chicks during the first six weeks after hatching there would be more plump broilers this summer and many more layers next winter.

A simple and yet scientific explanation of how to save over 90 percent of your chicks is published by the Purina Mills of St. Louis, Mo., in their 1924 Purina Poultry Book. Through the courtesy of O. Lambeth, this valuable book is mailed free of charge to any poultry raiser who requests it from them.

COLORADO DEMOCRATS SEND UNINSTRUCTED DELEGATION

Evidently those attending the Democratic precinct convention at Colorado Saturday afternoon were not interested in demanding that

I want another Buckeye Colony Brooder

People who already own Buckeye Brooders are our best customers—because they all make big profits. And they put their money into more Buckeyes for still bigger profits. Ask the Buckeye user—he knows. He'll tell you, you can't get Buckeye results with anything but a Buckeye Colony Brooder—whether coal or oil burning. You'll grow three chicks where one grew before, at the lowest running expense—and you'll raise them to maturity and make real money. Come in and see these remarkable brooders today. We have the very size you need.

delegates to the county convention be sent as instructed representatives. The question failed to arise for discussion during the entire session and the Colorado delegation, therefore, attending the county convention Tuesday, went with authority to act upon their own initiative.

The convention was called to order by Dr. P. C. Coleman, precinct chairman, who announced purpose of the meeting. Judge R. H. Looney was elected chairman of the convention and W. S. Cooper secretary.

Authorized by the convention, the chairman named L. W. Sandusky, Dr. Coleman and Mrs. H. B. Broadus as committee on nominations. This committee recommended the following Democrats as delegates, all of whom were elected:

F. M. Burns, Hall Jarman, G. E. Quinney, Mrs. H. B. Broadus, L. B. Elliott, W. W. Porter, E. Frank King, W. S. Cooper, P. C. Coleman, M. Carter, Mrs. Y. D. McMurry, Mrs. Joe Merritt, George Bynum, M. S. Goldman, Mrs. Jerold Riordan and A. J. Coe.

ROCKDALE CLAIMS STATE RECORD ON BOND VOTE

Rockdale, Milam County, claims to hold the State record on proportionate majorities in favor of good roads bonds. In an election held in Milam County Saturday to vote on an issue of bonds for permanently improving the Farrier Highway, Rockdale voted in favor of the issue at the rate of 57 to 1. There were only 10 votes polled against the issue in the town. The issue was carried in the county by more than ten to one.

On the same day a similar election was held in Bowie and the town of New Boston, home of R. M. Hubbard, chairman of the State Highway Commission, voters endorsed the issuance of bonds fifteen to one.

FRAME-UP OF YOUTH LANDS HIM IN JAIL AT COLORADO

Out of breath and evidently much excited, a young man raced into Westbrook on foot Friday and exclaimed to the deputy sheriff there that two Mexicans had just robbed him of \$16 in currency and three dollars in silver.

"I was walking along near the cotton yard a few minutes ago, and two Mexicans caught me, threw me to the ground and while one of them sat on me, the other took my money" the youth declared.

The officer took the young man with him and hurriedly left for the scene of the "hold-up." The Mexicans accused were soon under arrest and the trio were brought to Colorado, where the young man reiterated his charge of robbery.

The Mexicans, however, denied emphatically the charges. They claimed that the man who was accusing them and another white boy had come to the railroad where they were at work and suggested a crap game. The Mexicans accepted and the game was soon in progress in a nearby thicket. The Mexicans made a "cleaning" and within a short time had all the "money" both boys had about their persons.

Under cross examination the complaining witness finally admitted that the story related by the Mexicans was true. He had invited them to roll the bones with him and companion, expecting to relieve them of whatever cash they might possess. However, when the tables were turned and the winning went the other way, he became "sore" and framed the hi-jacking story to "get even."

The two Mexicans paid fines on gaming charges with money they had won from the complaining youth and his companion and were released. Saturday morning the youth sat in a cell in the Mitchell County jail, pondering over and over in his mind the problem, "What did I do it for?"

\$500,000 ROAD BOND ISSUE VOTED IN JONES COUNTY

STAMFORD, May 4.—Reports from the Jones County road bond election show 1,496 for the bonds and 228 against. The issue was for \$500,000 the proceeds of which will be used in hard surfacing roads in the county.

NOTICE OF ROAD BOND ELECTION.

The State of Texas, County of Mitchell. To the resident property tax paying voters of Mitchell Texas—TAKE NOTICE:

That an election will be held on the 24th day of May, 1924, within Mitchell County, Texas, to determine if said County shall issue bonds and if a tax shall be levied in payment thereof, in obedience to an election order entered by the Commissioners' Court, on the 14th day of April, 1924, which is as follows:

BE IT REMEMBERED, That on this the 14th day of April, 1924 the Commissioners' Court of Mitchell County, Texas, convened in regular session, at the regular meeting place thereof, in the court house at Colorado, Texas, all members of the court, to-wit: J. C. Hall, County Judge. U. D. Wulfjen, Commissioner of Precinct No. 1; H. A. Lasseter, Commissioner of Precinct No. 2; Jno. D. Lane, Commissioner of Precinct No. 3; W. D. McAdams, Commissioner of Precinct No. 4;

Being present, came on to be considered the petition of J. J. Ridens and 279 other persons, praying that bonds be issued by said Mitchell County, Texas, in the sum of Three Hundred and Twenty-Five Thousand Dollars (\$325,000.00), bearing interest at the rate of not exceeding Five and One-half per cent (5½%) per annum, payable semi-annually, and the principal of said bonds to mature at such times as may be fixed by the Commissioners' Court serially or otherwise not to exceed thirty (30) years from date thereof, for the purpose of constructing, maintaining and operating a concrete paved Highway and Turnpike, running through said county from the Mitchell-Nolan county line to the Mitchell-Howard county line and known as the

Bankhead Highway, or in aid thereof, in said County of Mitchell and whether or not a tax shall be levied upon the property of Mitchell County subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity;

AND IT APPEARING to the Court that said petition is signed by more than fifty (50) of the resident property taxpaying voters of said Mitchell County, Texas; and,

IT IS THEREFORE CONSIDERED AND ORDERED by the Court, that an election be held in said County, on the 24th day of May, 1924, which is not less than thirty (30) days from the date of this order, to determine whether or not the bonds of said county shall be issued in the amount of Three Hundred and Twenty-Five Thousand Dollars, (\$325,000.00) bearing interest at the rate of not exceeding five and One-half per cent (5½%) per annum, payable semi-annually, and the principal of said bonds to mature at such times as may be fixed by the Commissioners' Court, serially or otherwise, not to exceed thirty (30) years from the date thereof, for the purpose of constructing, maintaining and operating a concrete paved highway and turnpike, running through said county from the Mitchell-Nolan county line to the Mitchell-

Howard county line and known as the Bankhead Highway, or in aid thereof, in said county of Mitchell; and whether or not a tax shall be levied upon the property of Mitchell County subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity. The said election shall be held under the provisions of Article 627 to 641, inclusive, of Chapter 2, Title 18, Revised Statutes of 1911, as amended by Section 1, Chapter 203, Acts 1917 Regular Session.

All persons who are legally qualified voters of this state, and of this county, and who are resident property taxpayers in this county, shall be entitled to vote at said election, and all voters desiring to support the proposition to issue the bonds, shall have written or printed on their ballots, the words: "For the Issuance of Bonds and the Levying of the Tax in Payment thereof."

And those opposed, shall have written or printed on their ballots the words: "Against the Issuance of Bonds and the Levying of the Tax in Payment thereof."

For voting Precinct No. 1, held at Colorado, Texas, in the Court House thereof, A. A. Dorn, presiding judge.

For voting Precinct No. 2, held at the Methodist church in the town of Westbrook, J. C. Costin, presiding judge.

For voting Precinct No. 3, held at the school house at Spade, E. A. Hood, presiding judge.

For voting Precinct No. 4, held at Landers school house, W. E. Wimberly, presiding judge.

For voting Precinct No. 5, held at Bozeman's store in Cuthbert, W. C. Berry, presiding judge.

For voting Precinct No. 6, held at Carr school house, G. W. Sweatt presiding judge.

For voting Precinct No. 7, held at J. J. Riden's office in the town of Loraine, J. L. Pratt, presiding judge.

For voting Precinct No. 8, held at the store house in Iatan, E. B. Gregson, presiding judge.

For voting Precinct No. 9, held at the McKenzie school house, G. A. Brown, presiding judge.

For voting Precinct No. 10 held at the Buford school house, I. K. Gailey, presiding judge.

ment thereof."

Notice of said election shall be given by publication of a copy of this order in the Colorado Record and the Loraine Leader, newspapers published in the county, for four consecutive weeks before the date of said election, and in addition thereto, there shall be posted other copies of this order at three public places in the county, one of which shall be at the court house door, for three weeks prior to said election.

The county judge is hereby directed to cause such notices to be published and posted, as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers and received by the Court.

Given under my hand, with the Seal of the Commissioners' Court affixed, this the 14th day of April, 1924.

(L.S.) J. C. HALL,
County Judge Mitchell County, Texas.

MITCHELL CO. ENDORSES McADOO FOR PRESIDENT

Charging that the present Republican administration had repudiated the time honored principles of the Democratic party and was directly responsible for the "shameful and disgraceful" condition of national affairs, Mitchell County Democrats in convention at Colorado Saturday afternoon unanimously passed resolutions endorsing William Gibbs McAdoo as the "safe and patriotic" mecca for leadership of the party and instructed delegates elected to the State convention at Waco to support McAdoo for the presidency so long as his name shall be before the convention.

The convention was called to order by J. A. Buchanan, chairman of the Mitchell County executive committee, Democratic party. Judge A. J. Coe was elected chairman of the convention and W. W. Porter secretary. In accepting the place as chairman of the convention, Judge Coe stated that he sincerely appreciated the honor conferred upon him by delegates.

The committee on platform and resolutions, named by the chairman, consisted of the following:

Dr. P. C. Coleman, F. M. Burns, Mrs. H. B. Broadus, Mrs. J. Riordan, Mrs. A. L. Whipkey.

Committee on credentials were G. E. Quinney, Mrs. J. G. Merritt, W. S. Cooper, E. B. Gregon, J. R. Oglesby.

Delegates from Colorado, Iatan and Westbrook were seated. No representatives of other voting precincts of the county presented their credentials to the convention.

Delegates elected from Mitchell County to the State convention were as follows:

Colorado: P. C. Coleman, J. A. Buchanan, W. W. Porter, Mrs. J. Riordan and W. S. Cooper.

Westbrook: H. A. Lisseter and J. W. Bird.

Iatan: W. A. Griffith and E. B. Gregon.

Spade: R. A. Hood and R. F. Hargrove.

Loraine: S. E. Brown, Dr. T. A. Martin and J. H. Johnson.

Burford: J. H. Bodine and W. C. Hooks.

Cuthbert: G. W. Womack and W. C. Berry.

Carr: R. M. Jones and Tom Grant. McKenzie: Gail Brown.

A heated discussion developed on the convention floor when a resolution endorsing the name of Alvin Owsley, former national commander of the American Legion, as vice president was presented by M. S. Goldman. Speakers addressing the convention on the resolution were profuse in praising Owsley as a statesman and soldier, but most of them introduced the prohibition question, claiming that in view of the fact that the convention did not know the position of Mr. Owsley on this national issue, it would be unwise to instruct delegation to support him at Waco.

L. W. Sandusky, local attorney, was permitted to address the convention on this subject and paid a glowing tribute to the man from Denton county. Sandusky declared in the eloquence of his address that Owsley stood without a peer in the eyes of patriotic citizens and leaders of lofty ideals the country over, and pled for an instructed delegation.

An amended motion, specifying that Mitchell county delegates support Mr. Owsley for vice president, on condition "he stands four square for 18th amendment," carried. The amended motion was introduced by Dr. P. C. Coleman.

The resolutions which denounced administration leaders and lined Mitchell county up solidly in support of McAdoo, follows:

"We, the Democrats of Mitchell county in convention assembled, would renew our allegiance to the time honored teachings of our party, and, further, deplore the fact that these teachings have been repudiated to such an extent by the present Republican party that the American people today are suffering the disastrous results which surrounded them at the present time.

"We feel the only relief from the shameful and disgraceful condition is to restore to the sane and patriotic hands of the Democratic party the reins of our government, and, further, the absolute necessity of having as our standard bearer one who has demonstrated his ability, courage and patriotism, we instruct our delegates to the State convention to cast the vote of Mitchell county for the Honorable W. G. McAdoo for president, so long as his name is before the convention."

"Flu" and Fever Almost Left Permanent Injury

Influenza, dengue fever, etc., often leaves the patient with some form of colitis, which if neglected results in kidney trouble, high blood pressure, rheumatism and even tuberculosis. A physician discovered a preparation known as Ferrasal which dissolves the food wastes in the colon, heals the mucous lining where broken down and eliminates the accumulated poisons. It also aids digestion, keeps the kidneys regular and is absolutely harmless. It proved successful with hundreds of his patients and now FERRASAL can be purchased at your druggist's. Take Ferrasal regularly night and morning for a month. It will do the work for you or your money refunded. "I was left with a bad colitis after a severe attack of the flu and dengue fever. FARM POULTRY

FOUNDATION STOCK OF FUTURE EGG LAYERS

(Prepared by the United States Department of Agriculture.)

The buying of baby chicks is a far more important problem than most purchasers realize. Baby chicks constitute the foundation stock of the future layers and breeders and, therefore, too much care cannot be exercised in deciding upon the hatchery from which to buy.

Officials of the United States Department of Agriculture have observed that practical poultry raisers and farmers are relying upon the hatcheries more and more each succeeding year as a source of supply for their new crop of chicks. In other words, each year sees fewer and fewer chicks hatched under hens and the mammoth hatcheries are taking the place, to a certain extent, of the smaller incubators which are commonly operated on the farms. It is because of the fact that farmers are buying baby chicks from the commercial hatcheries in such large numbers that the officials of the department feel the necessity of urging them to exercise great care in deciding upon where to buy this year's supply of chicks.

At the same time it should be pointed out that many farmers, perhaps the majority, will still find it more economical to do their own hatching. This is especially the case where the farm flock is of good standard quality and has been bred for egg production. A farmer hatching his own chicks knows the quality of chicks he can expect.

The commercial hatchery business has developed to a very remarkable extent in the United States in the last two years. Some of the hatchery men have estimated that practically double the number of baby chicks will be hatched in mammoth hatcheries this year compared with last. There is a great increase in the number of hatcheries, each varying in capacity from a few thousand to several hundred thousand chicks.

The question of importance to a purchaser of baby chicks is the source of supply of eggs for the hatcheries. Many of the hatcheries have their own business well organized, and are able to guarantee the quality of the chicks. Some of the hatcheries, however, are not so particular where they purchase the eggs they use and are not able to guarantee high-quality chicks.

Purchasers of baby chicks would be well advised, officials of the department say, to make sure of purchasing from a reliable hatchery. Only pure bred chicks should be bought, and in addition to this, the purchaser should insist upon a satisfactory statement from the hatchery man as to the quality of eggs used. Were the eggs from a standard-bred flock with trap-records and was the flock in good breeding condition? Purchase baby chicks with great care. It is better to pay a few cents more for good quality chicks than to be guaranteed.

High Value of Milk for Increasing Yield of Eggs

Milk fed to laying hens brings better returns than when fed to hogs, according to Purdue university. Returns at that station show that the increase in egg production gives a return of \$1.82 to \$5 per hundred pounds of milk fed to hens. Feeding of protein to hens will usually increase the egg production of a hen about 100 eggs per year as compared to hens that do not receive a protein supplement.

Milk cannot be compared with other forms of animal protein such as meat scraps and tankage wholly on the protein basis, since its palatability, ease of digestibility, and general availability on the farm must be given consideration.

For chicks, milk is almost a necessity "since most people can raise chicks easier and better and with less mortality when given as a liquid diet.

Poultry Notes

The wise poultry raiser knows that early hatching catches the best profits.

Young goslings should be kept out of the sun on hot days or they will suffer from the heat.

Gather eggs to be set often and keep them in a cool, dustless place, turning them twice daily.

The best cure for a hen with the egg-eating habit is to give her a dose of iron—applied just back of the ears.

You can count your chickens before they hatch if you observe carefully the correct principles of egg selection and incubation.

Milk is a very valuable feed for baby chicks, since it contains the vitamins so essential to growth and also protein required in a ration.

The thermometer used in the incubator should be tested to determine whether or not it is recording the temperature accurately.

The more ventilation allowed the more the egg evaporates. Skill in running the incubator consists in balancing these two factors so the eggs do not smother or dry out.

WOLK AND SON

CREATION BY PUBLICATION.

STATE OF TEXAS To the Sheriff or any Constable of Scurry County—GREETING: You are hereby commanded to summon J. J. Holliday, if he be living, and, if he be dead, to summon his unknown heirs by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof in some newspaper published in Scurry County, Texas, as well as by making publication in the return day hereof in some newspaper in Mitchell County, Texas, to appear at the next regular term of the District Court of Scurry County to be holden at the courthouse thereof in Snyder, Texas, on the sixteenth day of May, A. D. 1924, then and there to answer a petition filed in said court on the 4th day of April, A. D. 1924, in a suit numbered on the docket of said court, Number 2282, wherein F. F. DuBoise is plaintiff and J. J. Holliday, if living, and if dead, his unknown heirs are defendants, said petition being an action of trespass to try title to recover the following described property situated in the town or city of Colorado in Mitchell County, Texas, and described as follows, to-wit:

A part of lots 12-13-14 and 15, in Block 41 in the town or city of Colorado according to the map or plat of said town or city, a copy of which is of record in the Deed Records of Mitchell County in Volume 16, pages 16 and 17, beginning at a point 50 feet north of the southwest corner of said lot 15, said point being in the west line of said lot 15 on Oak St.; thence on a line parallel with the south boundary lines of lots 12, 13, 14 and 15 in an easterly direction the distance of 100 feet to a point in the east boundary line of lot 12; thence south 50 feet to the southwest corner of lot 12; thence westerly 100 feet to the southwest corner of lot 15; thence northwesterly along the west boundary line of lot 15 a distance of fifty feet to the place of beginning.

Plaintiff set up the statute of limitation of five and ten years, and for the particular allegations in that respect, reference is here made to plaintiff's original petition.

Heirs fall not but have you before said court on the said first day of the next term thereof, this writ with your return thereon, showing how you have executed the same. Given under my hand and seal of the said court in the city of Snyder, Scurry County, Texas, this 4th day of April, A. D. 1924. JEAN GRIGGS, Clerk of District Court, Scurry County, Texas. (SEAL) JEAN GRIGGS, Clerk of District Court, Scurry County, Texas. 5-9c

GAINES COUNTY. FARM. LANDS at reasonable prices and at attractive terms—Very little ready money is required to own a good farm in the South Plains of the Texas Panhandle. Payments for your farm are on about the same basis as paying rent. At Seagraves, Gaines County, Texas, we offer you farm land at prices from \$12.00 to \$20.00 per acre, cash payment down only one dollar per acre, four yearly payments of one dollar per acre and the balance in yearly payments of two dollars per acre with interest at six per cent. This is strictly a general farming country. Abundance of pure water, no boll weevil; and cotton a sure crop. At present prices of cotton it will not take a great many bales to pay for a 160 acre farm in one season. This is your big opportunity. If interested in securing a farm and home for yourself and family on very unusual terms, now is the time to act. Address W. A. SoRELLE, General Agent, 12 Santa Fe Bldg., Seagraves, Gaines County, Texas, for terms of sale and descriptive folder. 1t
