THE PRICE IS THE THING

President J. H. Greene, Vice President J. A. Sadler or Sec.-Treas., Ernest Keathley will be pleased to answer questions about our E. K. Local Progressive Mutual Life and Accident Aid Association.

ADDITIONAL SCHOOL MUST BE PROVIDED, KING SAYS

(Continued from page 1)
"We have had from two to five teachers out because of sickness for the last two weeks, and this disorganized the work very much, but some of the teachers are back on the job and we hope all may be well within a few days. Mrs. Adams, Miss Volentine, Mrs. Cameron and Miss Noel have been out several days on account of sickness, and Mrs. O'Bannon was snowbound on the Plains several days.

"The teacher of the negro school was called to Dallas by her husband last week, he having been severely hurt. It was necessary to suspend work in the negro school until the 26th, at that time it was necessary to add a second teacher in the negro school, the enrollment having reached one hundred.

"It has also become necessary to add a second teacher in the Mexican school. More than fifty have been enrolled in that school and several grades are represented. Miss Mary Terrell the present teacher is convinced that she needs some assistance.

"Several rooms of the high school are overcrowded, which makes the work less thorough than it should be. We had just as well begin to make plans for that school building that is going to be necessary to take care of the growing school. Buildings now in use will not care for the school next year.

MANY LAW CHANGES ARE SUGGESTED BY LEGISLATORS

(By J. G. Burr)
Choosing neither administration nor klan candidate for speaker, the House turned to the independent candidate, Lee Satterwhite of Panhandle to guide its deliberations which is taken to indicate there will be no domination by outside agencies. Klan members who supported Irwin of Dallas, and with some hope of support from the administration side, should they win, were not to call it a klan victory but a common sense victory, as one member expressed it. Irwin was not a member of the klan but was said to have been a former member. No klan mention was made in the nominating speeches but the language of Norman G. Kittrell of Houston, who supported Hall of Harris, bristled with thrusts at the invisibles.

The Senate, admittedly pro-administration, sparred along cautiously on the question of confirmation of recess appointments of Gov. Neff, most of the senators being non-committal. There was a certain danger in the disposition of these appointees. Refusal to confirm Neff men could easily develop a minority that might defeat the two thirds vote required to confirm Ferguson selections. Final confirmation of Neff appointees practically without opposition developed the fact that unwarranted guesses had gone astray, except that confirmation of University regents has been temporarily halted.

Fifty-two parks have been given to the state through the efforts of Governor Neff and the park board, it was stated in the governor's message to the legislature reviewing the work of the board which has traveled over 8,000 miles and visited 82 counties. Public camping grounds over 100 miles and places of recreation are recommended and Texans are called upon to "See Texas first" and cash in on its scenic beauties.

Senator Davis of Dallas offered a resolution condemning the practice of the federal government of appropriating state aid to be matched by state appropriations, as an encroach-

ment upon state sovereignty, which was passed after being amended to except road building help, while Foster of the House offered a bill providing for co-operation between the state and the United States Department of Agriculture in the destruction of rodent pests, prairie dogs, rats, pocket gophers, and ground squirrels and predatory animals, coyotes, wolves, mountain lions, bobcats, etc.

A House resolution by McGill calls upon the attorney general to look into the federal transportation act for the consolidation of parallel lines and see that competition of such lines be not destroyed.

Senator Pollard has launched a rural school aid bill asking for \$3,000,000 annually for schools of less than 400 and for districts of less than 500 scholastics, while Kinnear of the House would authorize creation of Junior College Districts for two or more counties, the election of trustees bond issues, etc.

Chitwood offers a bill providing for election of county boards of trustees and their management of county schools, and Graves offers a law that would prohibit any one without a poll tax from teaching in a public or state school.

A five years closed season on deer in the counties of San Augustine, Sabine, Newton and Jasper is asked for by House members Downs and Bean, and the general game bill by Wells of Jackson, calls for material reductions in bag limits and changes in seasons as detailed in former publication.

Male applicants for marriage licenses would be required to have a physician's certificate showing the applicant to be not infected with syphilis, gonococcus infection or chancroid, in a bill by Lane of Harrison county.

Bean of Jasper has a bill creating a board of veterinary medical examiners for the licensing of veterinary practitioners.

The Veach House bill on consolidation of the Warehouse and Markets Department with the Department of Agriculture has been reported favorably by the committee, with a minority report by one of the members.

Mankin of Georgetown offers a bill to prohibit any person masked or disguised from going into or near any public or private place in a manner calculated to disturb the inhabitants.

Finlay et al have a bill to regulate the taking of certain fur-bearing animals or their pelts for barter or sale.

Few governors have left Austin with finer tokens of friendship than were showered upon Governor Pat Neff at a farewell banquet given by a host of nearly 500 in the roof garden of the Austin hotel, and presenting the governor with a handsome automobile. Ex-governors Culbertson, Sayers, Colquitt and Hobby sent regrets of inability to attend, as did also Mrs. Ferguson, governor-elect; but former governor James E. Ferguson was present.

The spirit of cordiality worked as a cement between the outgoing and incoming administrations in friendly exchanges of wit and humor between Neff and Ferguson and Neff's assurance of readiness to hold up the hands of Mrs. Ferguson and help make her administration the greatest of all.

FAIRVIEW FACTS

We are still having some bad weather, but look like that we might have some pretty weather for a while now.

We are having a lot of sickness around here at present. Miss Mildred and Jewell Strain have been pretty sick this week but are a lot better at this writing.

Mr. and Mrs. Ira Buckalew have been sick but they were getting along nicely Sunday.

A bunch of young folks surprised Mr. and Mrs. O. L. Simpson with a party Saturday night. The following were there: Oma Rhodes, Vera, Lena, and Milton Hardec, Mildred, Velma Strain, Viola Middleton, Travis Rhodes, Delfo Clark, All had a fine time.

Brother Davis filled his regular appointment here Saturday night, Sunday and Sunday night. He was accompanied by two young girls and a boy who rendered us a nice program Sunday morning and night. All enjoyed it fine and wish them to pay us another visit some time.

Mr. J. G. Adcock from O'Donnell was down on business Saturday and Sunday.

Miss Viola Middleton has moved from Mr. and Mrs. J. M. Strain to Mr. and Mrs. Pink Fuller's.

Miss Bertha Fuller spent Sunday with her brother, Pink Fuller.

There were a number of young people spent Sunday afternoon at Mr. and Mrs. J. M. Strains.

Mr. and Mrs. Lee Strain visited Mr. and Mrs. John Womack at Cuthbert Sunday.

All of the school pupils are going around with one arm in a sling on account of the vaccination. We hope that they will soon be better.

Mr. C. L. Woods is on the sick list this week.

Miss Viola Middleton visited Miss Gladys Jackson Sunday.

The Sunday school was a great success Sunday. 62 present, four new members and seven visitors. We thank you all for coming out and ask you to come again and bring some one with you.

Mr. Edd Strain is moving one of his houses to his other place.

Mr. and Mrs. Ira Buckalew have moved to the Baggett place.

Mrs. Lee McGuire's mother visited her Sunday.

Don't forget the singing next Sun-

day night. Everybody is invited to come out and bring some one with you.
HAPPY JACK.

Sideache Backache

"I have been taking Cardui," says Mrs. Lillie Bolton, of Lake Providence, La. "I got down in bad health and lost in weight until I only weighed 120 pounds. I had bad pains in my sides and back and my legs hurt me until I couldn't walk. I stayed in bed half the time. I tried all kinds of medicine, but it did me no good. Finally I tried

CARDUI

The Woman's Tonic

"It seems like it did me good from the very first. After I had taken half a bottle I noticed an improvement. I continued its use and I got better and better. The pains in my legs and sides disappeared and I began to gain in weight until now I weigh 155 pounds and feel better than I ever did in my life. I am perfectly well and strong. I have given it to my girls, too."

Cardui has relieved many kinds of pains and distressing symptoms caused by female trouble. It should help you, too, in the same way. Why not give it a fair trial?

JAKE'S HOTEL

JAKE.

Stop Night Coughing This Simple Way

People who have persistent, annoying coughing spells at night, and who through loss of valuable sleep are weakening their systems and laying themselves open to dangerous infections, can stop their distressing trouble promptly by a very simple treatment. Hundreds who have hardly been able to rest at all for coughing, have gotten their full night's sleep the very first time they tried it.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring and hold it in your throat for 15 or 20 seconds before swallowing it, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. The result is that you usually sleep as soundly as a babe the very first night, and the entire cough condition goes in a very short time.

The prescription is highly recommended for coughs, chest colds, hoarseness and bronchitis, and is wonderful for children's coughs and spasmodic croup--no harmful drugs. Economical, too, as the dose is only one teaspoonful. It is on sale at all good druggists. Ask for

PIONEER SETTLER OF TAYLOR AND NOLAN DIED LAST WEEK

The death of Andrew M. Sheppard, 83, pioneer, occurred at home of his son at Sweetwater Wednesday afternoon. Mr. Sheppard is survived by five sons and a daughter.

Sheppard was one of the few remaining Nolan county pioneers. He settled early in this section, owned a ranch in the southeastern portion of Taylor county near the Nolan county line and established a small store there. The town of Shep has arisen from that beginning and it is said that the village is named in honor of its founder. He had lived in Nolan county for 40 years.

His sons are: George Sheppard, former Sweetwater mayor; R. C. and Charles Sheppard of Sweetwater; Bert Sheppard of Robert Lee and John of Abilene. The daughter is Mrs. A. Henslee of Mansfield, Ohio.

B. M. Whitaker of Haskell, exhibit manager of the West Texas Chamber of Commerce, was in Colorado Friday and Saturday on official business. Mr. Whitaker addressed the Lions club Friday. In company with officials of the Colorado Chamber of Commerce and Lions club Whitaker attended the annual Chamber of Commerce banquet at Big Spring Friday night. He left Colorado Saturday morning for Haskell.

Man never realizes how weak he is until he tries to quit smoking or meets a woman insurance agent.

FIRST BALE OF COTTON IN MITCHELL SOLD FOR \$700

Appearance of the first bale of cotton on streets of Colorado back in 1890 created much interest and was the source of considerable speculative comment, according to Col. C. M. Adams, pioneer business man of the city. In an address delivered at the annual banquet of the Big Spring Chamber of Commerce Friday evening, Col. Adams became reminiscent and told in an interesting way how cotton was introduced into this county.

"The first cotton to be grown in Mitchell county was planted on a farm ten miles northeast of town in 1890," he stated. "That farmer, who grew this initial bale, planted one acre to the crop on land which cost him \$1 per acre. From that one acre he gathered a bale of cotton. The nearest gin was located at Abilene, 72 miles away, and the cotton was expressed there for ginning. "After having been ginned the bale was returned to Colorado and placed on exhibition in a window of the Colorado National Bank for six weeks. It was then expressed to New Orleans and sold at auction for quantity, the sale netting \$700."

Col Adams declared that the land on which this first bale of Mitchell county cotton was grown had increased in value of from one dollar to one hundred dollars per acre. From that beginning 35 years ago, Mitchell county has developed into one of the best cotton growing counties of Texas.

WEEKLY NEWSPAPER TO BE PUBLISHED AT SWEETWATER

The Watson-Focht Printing Company is installing a modern newspaper plant at Sweetwater from which a weekly newspaper is to be issued. Luther Watson, manager of the concern, announced that an all home print paper of from eight to sixteen pages will be issued. The company has been operating an exclusive commercial printing plant at Sweetwater during the past five years.

E. I. Hill, Jr., son of former District Attorney E. I. Hill, now engaged in the newspaper business at Tahoka, will become identified with the publication as news editor. The first number is to appear early in next month.

Sweetwater has an E. K. Local Progressive Mutual Life and Accident Aid Association with the full 2000 members. Why not all pull together and have one in Colorado? For death or loss of both eyes, or both hands, or both feet, or one hand and one foot this pays \$2000, and it costs only \$1.50 to each member and \$3 each November. They have been some 3 years getting theirs up to that number. For \$5.00 you may become a member and we will give each of the first 500 members two due bills for \$1 each to be used as cash in paying the first two deaths of \$1 each. Or husband and wife may both join for \$9 and get four due bills for \$1 each. If you are at all interested, any of the following will take pleasure in giving you information: J. H. Greene, President; J. A. Sadler, Vice President; Ernest Keathley, Sec.-Treas.; J. C. Hall, A. B. Blanks, and E. H. Hurd, Trustees.

TALENT OF MARY BROADDUS PRAISED BY PUBLICATION

In the current number of "The Skiff," official publication of Texas Christian University, is published an interesting account of a recent meeting of "The Footlights Club," one of the university social organizations. Mary Broaddus, daughter of Mr. and Mrs. H. B. Broaddus of Colorado, who is doing freshman work at the university, is making good there as a most talented young lady as the article denotes:

"The Footlights Club held a meeting Wednesday night. It was opened by the president, Ruby Stoker, and Prof. Fallis, sponsor of the club, presented the name of Mr. Thompson, national speaker and reader from the School of Expression in Boston, before the club as a prospective speaker in February.

"The speaker for the club was Mary Broaddus, a freshman from Colorado, Texas. She presented "Ashes of Roses," and Prof. Fallis in commenting upon her presentation said it was one of the finest pieces of work he had ever seen or heard. It was charming and gracefully given and she held her audience to the very last word."

Miss Broaddus graduated from the Colorado High school last year. Her talent as a dramatist and speaker is well known to the people of her home city. Her mother, Mrs. H. B. Broaddus, is prominently associated with club work at Colorado and throughout the Sixth District, Federated Woman's Clubs. Mrs. Broaddus is an official in the district organization and is being prominently mentioned for the presidency.

BABIES BORN TO SISTERS AT EXACTLY SAME HOUR

SAN SABA, Jan. 25.—Mrs. Berl Davenport and Mrs. Otto Garrett, of the Richland Spring territory, living about four miles apart in the Richland Springs section, each gave birth to an infant at the same hour and minute, 4:40 o'clock Thursday morning. They are sisters, daughters of Mr. and Mrs. J. H. Hart of the Shiloh community. To Mr. and Mrs. Berl Davenport was born a girl, and to Mr. and Mrs. Otto Garrett, a son.

LORAIN WOMAN HURT AS AUTO OVERTURNS

Late Saturday afternoon the car belonging to H. W. Black driven by his small son and occupied by Mrs. Black, a married daughter, and a negro man and his wife, ran into a ditch on the Bankhead Highway in South Lorraine, seriously, if not fatally injuring Mrs. Black, and hurting the other occupants. The ditch is six or more feet deep and the car turned over completely and landed in the bottom.

To Build New Gin at Big Spring

The cotton growers of Howard county plan to have a cotton gin owned and controlled by men who produce the cotton and expect to complete the organization to build and operate this gin at a meeting at the

court house in Big Spring at 8 o'clock Saturday, January 24th. All stockholders are requested to attend this meeting so the question of purchasing a site and let contract for gin building may be acted upon.—Big Spring Herald.

Gas means much to our Plains cities and all that they need do is to welcome it. A plant will pay so, the gas people say, out here bigger and surer than in East Texas, where they have so much cheap fuel of all kinds. They figure gas out here will cost the average family from four to six dollars per month.—Grubbs Brokerage Co., Box 584, Colorado, Texas.

HOTEL PROPRIETOR VOTED MEMBERSHIP IN LIONS CLUB

W. R. Douglas, proprietor of the Barcroft Hotel, is the newest member of the Colorado Lions Club, having been declared a member of the civic organization Friday. Mr. Douglas and family came to Colorado a few weeks ago from Dermott, Ark., to assume management of the Barcroft and will make this city their permanent home.

Mr. Douglas took out a membership card in the Chamber of Commerce several days ago.

J. S. Bonner, another recent addition to the club membership roster, attended the club the first time Friday. In an address he declared his intention of becoming the kind of useful citizen in Colorado that the ethics of Lionism specified. Bonner, too, is a member of the Chamber of Commerce.

"What" asks a cleric, "has Birmingham ever done to help the church?" It seems to have escaped him that Birmingham produces over a million buttons every week.

To loan \$50,000 on city business and close up residential property 6 per cent ten to 20 years.—Grubbs Brokerage Co.

GROUNDS AT COURTHOUSE EXAMPLE OF CIVIC BEAUTY

The transformation made of the grounds surrounding the new Mitchell county court house within the past two weeks is a striking example of what may be accomplished in transforming an unsightly place into one of civic beauty. Under direction of Commissioners' Court the grounds have been brought to grade level preparatory to planting to grass evergreen shrubs and ornamental trees.

A few days ago the grounds about the court house presented one of the most spectacular uncivic attractions in Colorado. Debris from the old court house, the old mule barns, piles of junk and rubbish littered the public square from one end to the other. Today all this has been removed and the grounds are ready for the gardener to locate his grass plots, flower beds and other decorative schemes to be carried out in the improvement plan.

Tom Goss, commissioner of the Colorado precinct, is personally in charge of this improvement, and according to him the public square in Colorado is to be transformed into one of the real beauty spots of West Texas. Mitchell county folk may consistently be proud of the asset they have in their modern new court house and of the well kept premises surrounding the building.

LAMESA VOTES \$150,000 BONDS TO MAKE IMPROVEMENTS

LAMESA, Jan. 26.—In an election held January 20th, bonds to the total amount of \$150,000 were voted by a majority of two to one, for the purpose of enlarging and extending the water and sewer systems of the city and to build a city hall. A total of \$30,000 of the amount will be used for the city hall, which will house the fire department, city offices and other municipality. The bonds were sold prior to the election and it is thought that the contracts will be let and work started on these projects within the next six weeks. The water and sewer systems will be extended to several parts of the city that have been opened up recently.

The sidewalk jumped up and hit quite a few folks during the holidays because they thought bootleggers were honest.

LORAIN LUNCHEON CLUB BIG SUCCESS, IS REPORT

The luncheon club organized recently by the Loraine Chamber of Commerce is already a definite success, according to R. A. Highsmith, convention manager for the West Texas Chamber of Commerce, who was in Colorado Tuesday morning. Highsmith attended the second meeting of the club which was held in Loraine Monday night.

Lorraine will send a large delegation, accompanied by her splendid band, to the district convention of the West Texas Chamber of Commerce at Big Spring Thursday of next week, Highsmith stated. This means that Mitchell county, with its two bands and delegations from Colorado, Loraine and Westbrook, will probably have the largest representation of any other West Texas county at the convention.

While here Highsmith urged that Colorado send a strong delegation to the convention at Big Spring. "There are at least two good reasons why this should be done," he stated. "In the first place, the splendid relations existing between Colorado and Big Spring should induce you folks to co-operate with your neighbor city in putting the convention over big. In the second place, you had the convention last year and should demonstrate the fact you appreciate that consideration."

There will be no charges for the luncheon, to be served at noon the day of the convention, Highsmith stated. Tentative plans as first announced were to charge a fee of \$1 for registration by each delegate and allow only those who registered to attend the luncheon.

The visitor stated that in visiting West Texas towns and cities he seldom stopped in any of the progressive communities but what he heard some commendable mention about Colorado and her paved streets. The Colorado Booster Band, also, is before the people of West Texas, especially when the subject of conventions is up for discussion.

WEST TEXAS NEWS IN BRIEF SHOWS ACTIVITY

BIG SPRING.—The convention for the Central-West Texas District of the West Texas Chamber of Commerce will be held in this city February 5th. From reports received from Convention Manager R. A. Highsmith there will be a large attendance, and everything is being done to make it the best of its kind ever held. Colorado, City, Hermleigh, Merkel, Loraine and San Angelo will send bands with their delegations, and practically every town has promised to send delegations to the convention. Indications are at this time that this will be the largest District convention yet held.

SAN ANGELO.—From records secured from the County Agent's office here it is shown that there has been a large increase in the poultry industry in Tom Green county in 1924. This increase in 1924 was 25 per cent greater than the year 1923. The turkey crop alone in 1924 was 2,500 head with an increase in 1924 of 88,000 head, shipped through San Angelo.

Great growth of the poultry industry is also shown in the increased capacity of two San Angelo hatcheries, the Breezeland Farm and the Rock Hill Poultry Farm, from 1300 to 23,800.

SWEETWATER.—Sweetwater is considering plans for street improvements and has asked for bids for furnishing material, labor and machinery for the construction of the same. Plans and specifications are already on file in the City Secretary's office.

BRADY.—Among the new buildings to be erected here this year is the modern store building to be constructed by H. W. Zweig. The building will have a 40 foot frontage and 90 ft. depth, the front to be constructed of ornamental brick and plate glass. The building will also be fire-proof.

LLANO.—The Llano Chamber of Commerce, through the traffic bureau of the West Texas Chamber of Commerce is preparing figures on freight rates on granite into Llano, with the purpose of filing complaint for the readjustment of these freight rates so as to put Llano on a parity with granite shipping points in Oklahoma and Kansas. Llano is now putting on a campaign to interest the farmers in the production of Irish potatoes for commercial purposes.

JAYTON.—Plans have been completed here for the installation of a modern water works system, and efforts are being made to get West Texas Utilities Co. to extend their high transmission lines to Jayton. A conference will shortly be held on this.

Sometimes a man thinks he has no kick coming, especially when it comes his time to kick in.

YOUTHFUL MINISTER PAYS VISIT TO LOCAL PASTOR

Rev. J. N. Tidwell, 13, a mere youth wearing knickerbockers, and who has within the past few months become nationally known as an evangelist of more than the usual ability and power, was the guest of Rev. M. C. Bishop at the Baptist parsonage here Monday. The youth was en route to his home at Abilene from Midland where he preached in the First Baptist church Sunday morning and evening.

Tidwell is indeed a prodigy. Last year he traveled 4,000 miles by motor car, traversing 13 States and conducted evangelistic services in scores of cities and towns. Almost 200 conversions were reported to have resulted from his preaching on this trip. He is a forceful speaker and interprets the Bible with the promptness and accuracy of a Bible student of many years his senior. He is a student at Simmons College, Abilene.

Expression and Public Speaking

Miss Lucile Blume of Fort Worth wishes to announce the opening of a studio in Expression and Public Speaking at the home of Mr. D. M. Logan.

Miss Blume has an A. B. degree, and a B. S. degree in Public Speaking from Texas Woman's College. She has also studied under Dr. S. S. Curry of the Boston School of Expression and done work in Public Speaking and Play Directing at the University of California. She has had three years teaching experience. Miss Blume is to direct the Little Theatre here.

1-30p Fine Stationery at this office.

Mrs. Bullard Dies.

Funeral services for Mrs. H. L. Bullard were conducted Monday morning at 11 o'clock at the family residence in South Colorado. Burial was in I. O. O. F. cemetery. Mrs. Bullard is survived by her husband and seven children.

First class harness and saddle repairing.—Frank Herrington.

Young Peoples Meeting

The Young Peoples Missionary Society of the Methodist church met Monday with Mrs. Ed Jackson, with twelve present. Mrs. C. C. Thompson led the bible study on "Thirty Studies of Jesus." Mrs. Hope Herrington led the Mission Study. Refreshments were served at the social hour. The next meeting will be with Mrs. George Morgan with a program on the Scarlett Training School.

Miss Nettie Martin spent the week end in Big Spring with friends.

HAROLD LLOYD SPECIAL MISSION'S OPENING BILL

Harold Lloyd needs no introduction to theatre going audiences, for his popularity throughout the world is almost a household word. Three weeks have been spent remodeling and decorating the Mission Theatre, which was formerly the Best. The management states that among all the attraction available for what might be termed a formal opening of the theatre, they felt that none would so universally and generously appeal to every one as would Harold Lloyd's Special production, "GIRL SHY." The new crossword puzzle picture recently procured by the Mission management, will make their first appearance on this opening bill, and a new two reel comedy will round out a program that will, beyond any doubt, please every person regardless of age or sex. The Mission is carrying an ad announcing a number of coming attractions in this issue of The Record, and a glance at subjects listed will be sufficient to warrant the patrons of Colorado and community, that this little play house has been very successful in arranging splendid entertainment for the future. Many of the forth coming productions have just been released or soon will be. Some are now showing in the larger cities of the state, and others will open in these amusement centers soon. It is very pleasing to note that some of the most stupendous features produced recently will be shown in Colorado on even dates with the cities, and astonishing to know that some of them will be shown here in advance of the cities. Mr. Bonner stated that they had the choice of many big attractions for an opening bill, and from the entire list, "Girl Shy" was selected, even after new productions were screened at private showing to select from. The opening of this performance, which runs for four days, afternoon and night, is the beginning of the newly arranged service for the Mission. From present indications the future holds much pleasure for theatre patrons in this locality. A new organ has been purchased for the Mission, and is enroute from the factory now. It is hoped that it will arrive in time to install for this opening bill, but time is short and other music may have to be arranged until its arrival.

WEST TEXAS EXHIBITS TO FEATURE FAT STOCK SHOW

FORT WORTH, Jan. 28.—Increased appropriations for the agricultural division have been made by the Southwestern Exposition and Fat Stock Show for 1925, according to Secretary-Manager Ed R. Henry. The exposition will open March 7 with a magnificent pageant and the coronation of the eleventh queen of the show. The largest display of agricultural products ever shown at the exposition, including many exhibits arranged by West Texas counties will be seen this year, Henry said. For the first time in seven years the show will have sufficient room to care for farm implements and road machinery. The exposition grounds have been enlarged and a large section has been set aside for the exhibits. Demonstrations will be arranged for persons interested in the latest farm and road building machinery. R. V. Colbert & Sons of Stamford will again exhibit Herefords at the show, according to information received at exposition headquarters. The Colbert herd is known as one of the best in the country and has won prizes at some of the leading livestock shows of the country. Many exhibits seen at the West Texas fair will be in the poultry division, according to C. M. Miller, superintendent of the poultry division. Railroad rates of a fare and one-third have been granted for points within 150 miles of Fort Worth on account of the exposition. A rate of a fare and one-fifth will exist for points beyond this limit and still in Texas. Special rates for points outside of Texas will be announced later. Rodeo Manager Bob Tadlock believes that the entry list in the rodeo will exceed that of last year. He is now negotiating for the steers that will be used in bull-dogging and steer riding and for the horses that will be used in bronco riding contests. Hal Worth of Miami, Florida, who produced the 1924 pageant, has again been named pageant director. He is assembling the cast and has ordered several cars of imported scenery. Fine Stationery at this office.

NOTICE TO CREDITORS AND DEBTORS OF DAVE ROBERTSON, DECEASED.

The State of Texas, County of Mitchell: The undersigned, having on the ninth day of January, 1925, been granted letters Testamentary on the Last Will and Testament of Dave Robertson, deceased, and having on said date been named as Independent Executor of said will, by the county court of Mitchell County, Texas, in which county the deceased resided, said appointment having been made at a regular term of said court, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claims against said estate to present them to him within the time prescribed by law, at his residence, Lorraine, Mitchell County, Texas, where he receives his mail, this the 28th day of January A. D. 1925.

D. W. WALLACE, Independent Executor, Estate of Dave Robertson, Deceased. 2-20c

Approval was given Monday by the lower house of congress building committee to the Elliott bill to authorize expenditure of \$150,000,000 for postoffice and other government buildings. Colorado is entitled to receive a federal building and the citizenship of this city and county should go after it. There are small cities in Texas not doing the annual postoffice business as shown here who will no doubt receive appropriations under the bill, in the event it is finally passed. Why not Colorado?

MRS. ZORA DEAN

Mrs. Dean is also authorized to receive and receipt for all subscriptions for The Colorado Record and to transact all other business for the Whipkey Printing Company in Loraine and vicinity. See her and take your County paper.

Methodist Notes

There was a good attendance at both S. S. and preaching Sunday. There was 183 present at Sunday school. Our pastor preached a good sermon on "Sacrifice" at the morning hour. Conference was held at the evening hour and a good sermon by Rev. Hanks, the text, "I have opened my mouth unto the Lord, and I can not turn back." The Methodist revival will begin the 3rd of July, Rev. Houston will assist the pastor in conducting the services. Every one is cordially invited to attend all services every Sunday. Sunday school at 10 o'clock. Preaching every second and fourth Sundays. Epworth League meets at 6 o'clock. Preaching at 7 o'clock.

Reporter.

The second banquet of the Chamber of Commerce met Monday night although the weather was very inclement, about 22 plates were used. We had Mr. Highsmith of the West Texas Chamber of Commerce with us and he made a very enthusiastic speech outlining the outstanding features that go to make up a real commercial organization and the necessity of the co-operation of every citizen of the town and community.

Creosene Stops Sore and Bleeding Gums in 12 Hours

This new discovery is a pleasant penetrating liquid medicated with gum-tissue healing and germ-destroying ingredients used by the dental profession, which carries the medication direct to the roots of the teeth, relieving pain, tightening loose teeth, healing pus pockets and killing the germ that leads to pyorrhea, thereby accomplishing at home in a pleasant way, all the good benefits of a treatment in the dental chair without the pain and expense. Recommended by Colorado Drug Co.

Dr. BELL'S

**PINE-TAR HONEY
FOR COUGHS**

FOR quick, sure cough relief there is nothing like the pine-tar and honey, which our parents and grandparents relied on. But be sure you get the genuine Dr. Bell's Pine-Tar Honey, the original compound which has been used in thousands of families for years. It has had many imitators, but still remains the best. Often stops a bad cough in 24 hours. Perfectly safe for children as well as grown-ups. Insist on Dr. Bell's and no other. Only 50c at any good druggist's.

Mrs. Black, who was painfully injured late Saturday afternoon when the H. W. Black car, driven by his small son, ran into a six foot ditch on the Bankhead highway in South Loraine, is reported doing nicely. Other occupants of the car, a daughter and a negro man and his wife escaped with minor injuries.

Mr. W. E. Sanders of Sterling City here in the interest of business affairs underwent an operation for appendicitis at the Colorado sanitarium Friday.

Mr. W. T. Thweatt returned Saturday from a business trip to Monday.

Britton and Smith, real estate, who have been officing in the J. W. Fairbairn building moved Monday to the Dr. T. A. Martin frame building, East side main street near the Auto Supply Station.

Miss Gladis Spikes was home from McMurry college for the week-end.

Miss Bernice Clement visited friends at Sweetwater Saturday.

Miss Viola Brown visited in Abilene.

Mr. R. G. Peach, merchant of Colorado was a Loraine visitor Tuesday.

Mr. Eugene Watlington is a business visitor from Andrews this week.

Miss Swan Farrar was home from Coahoma for the week-end.

Mr. Zeak Nordyke has returned from a visit to Baird.

Mrs. Wadd Perry has returned to her home at Del Rio after an extended visit with her parents, Mr. and Mrs. S. D. Dunnahoo.

Rev. and Mrs. H. W. Hanks, Mrs. Albert A. Rutt and Miss Fannie Jerratt visited near Roscoe Sunday.

Baptist Notes.

Monday, January 19th our W. M. U. met at Mrs. Norman's for our new testament studies, we all got new inspiration as we studied our Savior's farewell discourse after the last supper as Jesus talked about the Heavenly home. The way to it, His coming back, their union with Him. After He ceased the discourse, that wonderful prayer of consecration as He placed them in the hands of the Father. In the hush of the night they went on to Gethsemane, next the struggle in the garden, this was His hour of greatest peril and He needed sorely human sympathy and divine help. Three times He sought fellowship with the three Disciples. Each time they failed Him, in their sleep (Let's not do likewise). After our lesson we appointed Mrs. R. L. Lee to write a letter in the name of the W. M. U. to Bro. Winsette that we had agreed to pray each day that he would gain his health and resume his evangelistic work. Our Sunday school last Sunday showed an improvement in attendance and interest.

Every one attending the Senior B. Y. P. U. last Sunday evening noted the upward trend it has taken. All the new officers seem to fit their places so beautifully. The Bible reader leader, Fred McPherson is putting much pep and enthusiasm into that part. The new president, Lark Crutcher, is very able and efficient. Last Sunday they had the pleasure of receiving several new members and while a hymn was being sung they extended to them the hand of welcome.

All the young people from sixteen to forty (single) are urged to join this society. They need you and you will be benefitted mentally, socially and spiritually.—Reporter.

On last Friday evening the W. M. U. was hostess to the Senior Union at the home of Mrs. Normans. Two rooms were decorated, one with red and white crepe paper, which represented Harvard University, another room decorated with blue and white which represented Yale. When the young people arrived leaders were chosen. They in turn chose the one for their schools and assigned to their respective schools after which each school selected their songs and yells and selected their representatives for a track meet. It was a real live track meet, each side boosting and "rootin'" for their colleagues. After every contest the winning side gave yells and songs. The track meet continued for two hours, Harvard scoring eight points and Yale scoring nine. After which violin and piano music was intensely enjoyed by all. Refreshments of sandwiches and hot chocolate were served to a very large crowd.

NOTICE CONTRACTORS.

If you care to figure on building to be erected by me see J. E. Pond for plans and specifications. Building to start about February 15th, 1925.

J. H. GREENE.

Mrs. G. W. Wigley of Windom is visiting her daughter, Mrs. R. P. Price.

Ralph De Palma Wins Against Time

1000 MILES IN 786 MINUTES

Here is a record breaking demonstration of stamina and dogged endurance—A demonstration which the Automotive Industry, with all its heroic achievements on road and track has never witnessed before—A demonstration far greater than breathless speed—a demonstration that, most of all, proves superior engineering, materials and workmanship of the highest order—a demonstration of heart-breaking endurance far surpassing any demands that a car will ever be called upon by an owner to do.

On Sept. 17th, a Chrysler strictly stock car hypnotized the world by covering 1000 miles in 1007 minutes, but that wasn't a starting point to its latest achievement, Read the telegram below and then try to grasp the meaning of this performance.

TOLER MOTOR COMPANY, Los Angeles, Cal., Jan. 19, 1925
Maxwell-Chrysler Distributors,
Colorado, Texas.

Culver City Speedway, January Fifth, Ralph DePalma driving absolutely stock Chrysler touring except with gear ratio three seventy five to one made one thousand miles in seven hundred eighty six minutes six and one fifth seconds total elapsed time averaging seventy six and thirty two hundredths miles per hour with absolutely no mechanical adjustment tire changes or even addition water. Timed by American Automobile Association. Stock certification by Harry Miller, racing manufacturer. This non trophy event beating previous record of eight hundred forty eight minutes thirty one and four-fifths seconds with average of seventy and seventy-one hundredths miles per hour made by competing car with similar gear ratio. Chrysler still holds Los Angeles Times Trophy for fastest one thousand miles made by absolutely stock touring with standard gear ratio.

GREER-ROBBINS COMPANY.

When you stop to think that men spend thousands of dollars and years of time perfecting powerful racing machines to compete in the great 500 mile Indianapolis Speedway race where only one out of every six entries finish the grueling test, you can then only begin to realize what it means that this Chrysler touring car should make 1000 miles (twice the distance) without the slightest mechanical adjustment or even the addition of any water. Such wonderful results as this are bound to prove to you the slogan, "Results never before achieved," and to verify the statements of dealers and owners that here is really a revelation in automobile construction. You will also realize that The Chrysler represents a complete overturning of previous precedents which have taken the public by storm.

At this writing more than 32,000 Chrysler cars are verifying the soundness of Chrysler design—showing unparalleled speed which means power, unequalled acceleration, phenomenal climbing ability, and superb riding quality. The more than \$60,000,000 already invested by the public in Chrysler success. The tide of popular approval will continue to rise indefinitely, because nothing can stop the onward sweep of any achievement which contributes to the enjoyment and economic progress of the race. We give blow the names of just a few of the many Nationally and Internationally known men who according to their own words, own and drive Chrysler cars strictly for their merits.

LONGFELLOW LOCALS

My, aren't we having some cold weather? There ought not be any insects left to destroy our crops in the spring. These fine snows we are having ought to give us a good season so the farmers can put up their land. Mr. and Mrs. Roy Smith and Mr. and Mrs. Sam Scott spent Sunday in

the home of their sister, Mrs. Logan Spalding in Colorado. Brown, Lawlis preached a fine sermon Sunday afternoon. You people missed something worth while by not coming out. He will preach again the fourth Sunday in February. Come out. Mr. Bert Smith and Mr. Garrett came out with Bro. Lewis. Come again folks, we wish more visitors would come.

PHONE DAY OR NIGHT

Mr. and Mrs. C. L. Hudson entertained the young folks with a singing Sunday night. Miss Winnie Mae Towery of Buford was visiting Miss Nellie Smith Sunday. Grady and Vaughn Lloyd spent the week-end in Abilene visiting their brother and other relatives. Mr. Percy Felts visited in Lamesa last week. Mr. Melvin Westbrook spent the week-end visiting friends at Hamlin. Mr. Lasky is putting in a new farm and building a new house. Maybe we will get some more new school chil-

SLIM JIM.

The little infant daughter of Mr. and Mrs. Jeff Lloyd has been quite sick but is better.

SEVEN WELLS ITEMS.

The cold weather seems to hang on awfully well. The snow was real nice but we would have been better pleased had it been four inches deep. But that's all right, old Mitchell has a bumper crop ordered any way. Mr. and Mrs. J. E. Murphy visited friends at Cuthbert Sunday. Mr. and Mrs. R. H. Towery and family visited their son, Claud at Beal's Ranch Sunday. P. M. Bassham, H. L. Bassham and Mr. Garland White made a business trip to the Plains Sunday returning Monday. J. E. Wallace returned from Midland Saturday. J. E. likes that country, he bought fifty acres more of land while there. If we Seven Wells people are not careful we are going to lose a good farmer. Mr. and Mrs. H. L. Bassham and family, Miss Velma Cherry, Mrs. L. L. Bassham children had a real nice visit in the Wallace home Friday night. Mr. and Mrs. W. H. Brown visited in the Grissom home at Payne Sunday. J. E. Wallace and children attended Sunday school at Payne Sunday afternoon. Mr. Curtis Carden and sister, Dezzie attended singing at Looney Sunday night. Mr. C. B. Reese and little daughter Doris is on sick list this week. Mr. and Mrs. L. L. Bassham and babies had a real nice visit with Mr. and Mrs. A. A. Andrews Sunday evening.—The Bunch.

HYMAN HAPPENINGS.

New settlers continue to come in, and a number are buying land here to improve this summer ready for a crop next year. One of the most recent to buy with this intention is Mr. M. E. Woodard, formerly of Oklahoma, now of Waco, Texas. Mr. Woodard prospected in various parts of Texas before locating here. He bought a fine quarter section of land from Mr. John Scott of San Antonio, one of the best quarter sections on the ranch, on Hackberry Creek, adjoining the famous Dollar farm, one of the best producers in Mitchell county. His brother, Henry Woodard, is already improving land recently bought by him here from Mr. John Scott. Mr. Lee P. Adkins entertained with 42 at his attractive home here Friday evening. The guests included Mr. and Mrs. Otis Chalk, Misses Doris and Ernestine Chalk, Mr. William Phillips and Miss Mamie Phillips of Fairview; Mr. Thurman Cole of Sterling City; Mr. and Mrs. Robert Scott of San Antonio; Messrs. Otto and Arthur King of Lubbock; and Mr. and Mrs. Harry Hyman, Mr. and Mrs. A. J. Roach, Misses Lula Mae and Luoisie Britton, Miss Lula Mae Hollis, and Messrs. Fulton Reynolds and Nelson Pierce, of Hyman. Choocolate and cake were served, and everybody seemed to have a good time. Messrs. J. E., A. T. and C. S. Crockett, brothers, and well-to-do farmers of Callahan county, have just contracted for homes here. They all bought in the A. P. pasture near the school. They will begin at once to improve their holdings, and will make their homes here after this year. Messrs. Otto and Arthur King of Lubbock visited here this week. Mr. C. L. Gossett, formerly of Fisher County, but recently of the Knott community in Howard county has moved to his new home here and has bought additional land which he will improve. Commissioner and Mrs. John Lane who live on the east side of the ranch, were welcome visitors here Sunday. Mrs. Howerton of Kent county is here on a prospecting trip. It is probable that she will buy one of the tracts that Mr. Robert Scott is improving in the T. V. pasture and selling to settlers. Mr. Wiley Rawlings of East Texas, is prospecting here this week and will probably locate. We learn that Mrs. Fulton Reynolds and little son, Frank, who have been visiting at the home of Mrs. Reynolds' parents, Rev. and Mrs. Sandel of Cisco, will return home soon. Mr. and Mrs. J. W. Burrier, recently of Eastland County, have moved onto the Oglesby place which they will cultivate this year. Four of the children have entered school here. Messrs. A. H. Morris and J. H. Buchanan of Eastland county were visitors during the week. This community boasts and rightfully, of the prettiest school grounds and the fastest growing school in Mitchell county. There are nine acres in the grounds and 73 pupils in the school. We have two teachers and two large rooms. We have a brand new teacherage, paid for. We are proud of this record, because two years ago there were neither scholars, nor teachers, nor school. Two years from now we expect to have a school teaching the higher grades, and with double the number of pupils and teachers, and with a house twice as large as now. Rev. Bramond of Big Spring preached to us Sunday night. We understand that he will hereafter preach regularly on the 4th Sunday and Sunday night of each month. There was quite a feeling of Spring in the air this week. Grubbers are numerous, and the voice of the tractor is heard in the land. Judging by the number of geologists, contractors, lease men and oil scouts who visit us these days this territory must be attracting favorable consideration from the oil fraternity. We understand that one at least, and probably several tests will be made on the ranch this year. A careful estimate shows that twenty-five hundred and probably twenty-five hundred and probably will be in cultivation in this immediate community this year. There is already about thirty-five hundred acres in cultivation and we are only two years old and have just begun to grow. Gin men will do well to give these figures careful consideration.—S. M. H.

DO YOU KNOW.

We feel quite sure that most of the patrons of the rural routes of Mitchell county will be surprised as well as most every one else to learn that the rural carriers of this county have a rural letter carrier's organization and that each one of us belong to the National Rural Letter Carriers Association, and in forming this organization, we had two purposes in view. They were for our own benefit and the betterment of the service. Which we believe is most satisfactory but still we believe that there is room for an improvement. Co-operation is one of the first things that are necessary to make anything a success, and we want to thank each one who

Why Your Electric Light Bills Go Up and Down

This chart shows why your electric light bills are higher in some months than others

In Winter you depend upon artificial lighting nearly three times as many hours in each 24 as in summer. In June the average use of electric light, in a residence, is 2 hours and 35 minutes a day. In December the average use of electric light, in a residence, is 6 hours and 50 minutes a day. This is perfectly natural. As examination of the chart will show, fewer "daylight hours" means more "electric light hours." There are other reasons, too, why your bills in fall and winter are larger than in the spring and summer—good reasons that show it is simply the result of the season's changes; your more extensive use of electric light, and not the fault of the electric light company at all. When summer is over, Vacations are over. Everybody is home again; more rooms are occupied; more light is needed. Long evenings — late bed-times. The outside cold keeps us indoors. The soft, cozy glow of electric light makes reading a pleasure. More people stay home on this account. The newspapers, magazines, study or a good book, music and games pass the evening all too quickly. It is bedtime before one knows it! More entertaining is done — parties at home for the grownups and little folks. Sometimes the house fairly radiates with the good cheer of electric light.

Think this all over carefully and you will see why your winter electric light bills can reasonably triple those of summer

"It's all right to build air castles—but keep your foundation on the ground"

C. D.'s Have a Solid "Foundation"

Many people with small means are now making their savings earn something for them by using our C. D.'s—an abbreviation of Certificates of Deposit

We are glad to use your idle funds, paying you 4 per cent compounded semi-annually.

This serves the double purpose of serving you and allowing us to be more useful in the placing of loans.

Why should your funds lie idle when they might be earning revenue? Ask us for details.

COLORADO NATIONAL BANK

METHODIST LAYMEN HOLD RALLY AT SWEETWATER

Laymen of Methodist churches of the Sweetwater district gathered in Sweetwater Thursday morning for the Laymen's rally and was called by Presiding Elder, R. A. Stewart, and district leader, C. C. Thompson.

About twenty delegates from the various churches in this district had gathered by noon and more representatives arrived later in the afternoon. Bad roads delayed the arrival of many delegates, consequently the session was late in getting under way. The rally was scheduled to open at 10 o'clock at which time a short devotional service was to be held. It was near 11 o'clock, however, when the session began, and following the devotional service, a discussion of "What we want to accomplish at this meeting" was made by Lay Leader C. C. Thompson and assistant Lay Leader J. M. Bruce.

At noon those attending the rally were the guests of the ladies of the First Methodist church at a luncheon in the church dining room. A splendid meal was served to a large number of guests, both men and women.

A number of splendid addresses featured the afternoon session. A short devotional service was held and a number of speakers, including J. E. Crawford, H. W. Hanks, D. P. Yoder, J. R. Coker, J. L. Carroll and others, spoke on subjects of much interest to the laymen. A round table discussion of laymen's work was led by the conference leader, J. H. Moore, and was joined in by several delegates.

A talk by C. C. Thompson, district lay leader, closed the session. Thompson told of the plans and obligations of the Sweetwater district and outlined plans for perfecting the organization, building it up and obtaining the best results possible through its existence.—Sweetwater Reporter.

DEATH OF MRS. ADAMSON.

Mrs. Amelia J. Adamson, whose maiden name was Hamilton, was born in Lewisville, Ky., October 10, 1839. She moved with her parents to Texas when about twelve years of age. The family settled in Dallas county and near enough to Dallas, a little village then, but now has built out over the Hamilton farm. Miss Hamilton was married to Mr. Lawson P. Adamson at Weston, Colfax county, March 14, 1859. They were the parents of nine children, two dying in infancy and one, Miss Lillie, dying in Colorado, Texas at the age of 22 years. The six who are living are: Mrs. Q. D. Hall, Colorado, Texas; Mrs. P. E. Denton, McKinney, Texas; Mrs. J. H. Harper, El Paso, Texas; E. L. Adamson, McKinney, Texas; W. S. Adamson, Ranger, Texas, and E. Clint Adamson, San Antonio, Texas. The father died August 5, 1908, at McKinney. Since that time Mrs. Adamson has made her home for the most part with Mr. and Mrs. Q. D. Hall in Colorado, Texas. Mrs. Adamson was known by every one to be a good christian woman. She joined the Methodist church when she was about 11 years old and ever remained faithful and true to her early obligations. She loved the church people and always attended the services when it was possible for her to do so. She died at the ripe old age of 85 years, 3 months and 17 days. We commit her body to the ground but hope to meet her in spirit in the better and brighter world.

Card of Thanks.
We wish to express our sincere thanks and appreciation for all the kindnesses shown us and especially the ones who sat up with us, also for the beautiful flowers sent during the sickness and death of our dear mother and grand-mother.
Mr. and Mrs. Q. D. Hall, Mrs. John H. Harper, El Paso; W. S. Adamson, Ranger; Harry T. Hall Sweetwater; Mr. and Mrs. J. W. Shepperd and family.

F. B. Whipkey was in Big Spring Tuesday on business.

LOCAL CHOC CHEF WOULD WASH MIDLAND'S CLOTHES

Dirty clothes in Midland can get a "jam-up good washing" if the Midland County Chamber of Commerce will go the bond of a would-be laundryman now confined in the Mitchell County jail at Colorado.

The Fort Worth Star-Telegram ran a newspaper story telling about Midland's need for a laundry because of a scarcity of washwomen. Replies came from all sections of the State. Among these was a man now confined in the Colorado jail for making choc beer.

He declares in a letter to the Midland Chamber of Commerce he and his wife will put an end to dirty duds in Midland if somebody will go his bond.

The bond hasn't been made yet and Midland is still seeking a laundry.

The BULL'S EYE

Editor and General Manager
WILL ROGERS

Will Rogers, Ziegfeld Follies and screen star, and leading American humorist, announces a series of Bull Durham advertisements. They are worth watching for.

If you want the real truth about why I signed up to write a lot of pieces for these people, it's because I love animals. Have you ever studied that picture of the 'Bull' carefully? . . . have you ever seen such a kind-looking animal? I thought this:—certainly no one who cares as much about dumb creatures as they do would put out anything but the best smoking tobacco possible—so I said all right, I'll write your stuff. Honestly, the money part of it didn't have much to do with it. That is, not very much.

Seriously, though, out where I come from, unless a male member of the population has got that 'Bull' Durham tag hanging from the shirt pocket, he's liable to be arrested for indecent exposure. And, you believe me, you can't sell those western hard-boiled eggs much and keep on selling them unless it's got class.

Will Rogers
P. S. I'm going to write some more pieces that will appear in this paper. Keep looking for them.

MORE OF EVERYTHING for a lot less money. That's the net of this 'Bull' Durham proposition. More flavor—more enjoyment—and a lot more money left in the bankroll at the end of a week's smoking.

TWO BAGS for 15 cents
100 cigarettes for 15 cents

'BULL' DURHAM

CITATION BY PUBLICATION THE STATE OF TEXAS

To the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded, that you summon, by making publication of this citation in some newspaper published in the County of Mitchell, if there be a newspaper published therein, but if not, then in a newspaper published in the nearest County to said Mitchell County, for four consecutive weeks previous to the return day hereof, J. D. Houston, whose residence is unknown; the heirs of J. D. Houston, deceased, whose names are unknown, if the said J. D. Houston be dead; Frank Jecker, whose residence is unknown; the heirs of Frank Jecker, deceased, whose names are unknown, if the said Frank Jecker be dead; the heirs of Adel Jecker, deceased, whose names are unknown; A. M. Gore, whose residence is unknown; and the heirs of A. M. Gore, deceased, whose names are unknown, if the said A. M. Gore be dead; to be and appear before the Honorable District Court of Mitchell County, Texas, at the next regular term thereof, to be holden in the County of Mitchell, State of Texas, at the court house thereof in the City of Colorado, Texas, on the eleventh Monday after the first Monday in February, A. D. 1925, same being the 20th day of April, A. D. 1925, then and there to answer a petition filed in said court on the 6th day of January A. D. 1925, in a suit numbered on the docket of said court No. 4617, wherein Thos J. Coffee is plaintiff and J. D. Houston, the heirs of J. D. Houston, deceased whose names are unknown, Frank Jecker, the heirs of Frank Jecker deceased, whose names are unknown, the heirs of Adel Jecker, deceased, whose names are unknown, A. M. Gore, and the heirs of A. M. Gore, deceased, whose names are unknown, are defendants; the nature of plaintiff's demand being as follows:

A suit in trespass to try title, with the usual and customary allegations of such action, wherein plaintiff is seeking to recover of and from defendants the title to and possession of the following described land, viz: All of the Northwest One-fourth of Section Number Twenty-one (N. W. ¼ of 21) in Block Number 29, Township 1 South, Texas & Pacific Railway Company Surveys, in Mitchell County, Texas. Plaintiff specifically pleads that as follows: That a certain note and lien securing same, set out and described in deed from J. D. Houston to E. B. Gregson, dated February 13th, 1909, said deed of record in Volume 32, page 46, Deed Records of Mitchell County, Texas, said note being for principal sum of \$160.00 of even date with said deed, executed by E. B. Gregson, payable to J. D. Houston, and due date of same being January 1st, 1910, is more than four years past due and that there does not appear of record any extension of the due date thereof in writing, and that same and lien securing same is barred and unenforceable; but that same constitutes a cloud upon the title of plaintiff; That two certain notes and liens securing same, recited in deed from Frank Jecker, for himself and as survivor in community of the estate of himself and his deceased wife, Adel Jecker, to B. B. White, said deed of record in Volume 34, page 473, Deed Records of Mitchell County, Texas, one of said notes for principal sum of \$300.00 and the other of said notes for the sum of \$250.00, both notes dated July 28th, 1919, and due and payable on September 1st, 1919, are more than four years past due and that there does not appear of record any extension of the due dates thereof in writing, and that the same and lien securing them are barred and unenforceable; but that the same constitutes a cloud on the title of plaintiff; Plaintiff prays for judgment against defendants for the title and possession of said land, and that said liens shown by the records to exist against said land be cancelled and that plaintiff be adjudged to hold same free from said liens. Herein fail not, and have you before said court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same. Given under my hand and seal of said court, at office in Colorado, Texas, this, the 6th day of January, A. D. 1925.

(S) J. LEE JONES,
Clerk District Court Mitchell County, Texas. 1-30c

WITH THE CHURCHES

Of Interest to the People of Colorado and Mitchell County:
 The soil in this part of Texas is well adapted to growing most any kind of vines as most of the farmers have experienced. The watermelon

vine grows well in this part of the state. The cucumber vine also flourishes when it can get sufficient moisture; and the grape vine, my, how it grows and bears well. In fact this soil has been compared to the peculiar vine soil in the far east where great vineyards are planted and abundant crops of grapes are grown. It is said that one vine planted years ago in the far East sent its branches out—well, to almost every country. You don't believe that? Well, come to the Methodist Church Sunday at 11 a. m. and I will tell you about it. Come in time for the Sunday School at 9:45 a. m. Then come back for the League at 6 p. m. and see this vine grow. Also at 7 p. m. I will tell you about a Man Who Was too Busy to Grow. We had last Sunday a good Sunday School. Two good congregations, and one new member. We will have other new members next Sunday. Mrs. Lockhart will sing Sunday Morning and Miss Lucile Blume will give reading Sunday evening.—J. F. Lawlis, P. C.

 Prayer.
 Special music—Mary Dixon Smith.
 Scripture Lesson—Phil. 2:1-11.
 Song.
 "The Necessity of Friends"—Lela McCurry.
 "Our Friend, Jesus"—Darrel Skinner.
 Reading—Vera Gaskins.
 "What Friendship can Mean"—Ruebelle Smartt.

BAPTIST NOTES
 Two good services last Sunday. Two additions, one for baptism. The S. S. was somewhat off. We talk about religion being worth more than anything but we give it the lie nearly every day. We act like everything is worth more than religion. Folks are fooling themselves on excuses. Folks are neglecting their souls by giving everything to the carnal and the physical parts of man. Are fathers and mothers caring for the souls of their children? Look around next Sunday morning and evening at church and you can tell. Don't be deceived. Some are laying more emphasis on their children studying their text books on Sunday than church attendance. It is not right for the children to study on the Sabbath day and thereby neglect worship. We are pleading for the betterment of the folks. This is the business of the preacher. Folks are going to the devil and at the same time think they are doing something real cute.
 Hear us both hours next Sunday Be at Sunday school.
 M. C. BISHOP, Pastor.

Senior B. Y. P. U. Program.
 February 1, 1925.

 6. Grow in this grace by God's Help—Guy King.

COTTON GIN WASTE IS EXCELLENT FERTILIZER
 COLUMBIA, Mo., Jan. 28.—A new use for a heretofore wasted product has been found. Cotton gin waste has almost the value of barnyard manure for fertilizer, according to the findings of Professor L. D. Haigh of the department of agricultural chemistry of the University of Missouri. It came about in this way. Frank Shelton, a Dunklin county cotton grower, conceived the idea that the waste from cotton gins should have some fertilizer value.
 He applied some to his land with desirable results. Curious to find a little more definitely just what merit the material had, the county farm adviser, C. R. Talbot, an alumnus of the University of Missouri, sent a sample to the University chemists for analysis.
 The findings of the department of agricultural chemistry showed 1.45 per cent nitrogen, 1.78 per cent potassium, and .63 per cent phosphorus; and a nitrogen activity of 53 per cent. This is approximately that of barnyard manure. The waste under field conditions if figured commercially would be worth about \$4 per ton. It is most effective when used with some phosphoric acid at the ratio of from three to five tons to 175 pounds of phosphoric acid. The cotton gin waste should be allowed to rot. This renders the element more available.
 The effect this will have upon the fertilizer situation in Missouri's cotton belt is tremendous. A material always a waste will contribute its share to soil fertility and greatly improve the physical tilth as well. This is a striking example of what progress can now be made in a brief space of time. Back a generation or so ago the value of such a practice would have been debated for years.

You can get 10 pounds of Sugar for 85c Saturday at Berman's Variety Store.

BUSINESS MEN OF DALLAS URGE SUPPORT OF C. OF C.
 This week the Dallas Chamber of Commerce is directing its annual membership drive. In the Dallas Morning News for Monday appeared statements from a number of prominent business men of Dallas, outlining why, in their belief, every business and professional man should support his chamber of commerce, it mattering not what city or town he may live in.
 The fact recited by these prominent men of Dallas as just as applicable to the business and professional men of Colorado as to those who live in Dallas. Believing that there are a few citizens here who are not affiliated with the chamber of commerce but who should take out membership cards in the organization, The Record reproduces some of the statements made by those Dallas men, as follows:
 "Money lubricates the wheel of progress," Arthur L. Kramer, a director of the Dallas Chamber of Commerce, stated. "Our commercial organization cannot function smoothly and develop the necessary power to serve itself and the surrounding territory unless it is properly financed."
 Henry Camp Harris, Dallas insurance man, said: "A militant and efficient Chamber of Commerce is the dominant factor in the progress of any city. Every one should subscribe to the chamber of commerce budget. Each individual should hold it a privilege to join such an organization."
 Ike Sessel, Dallas shoe dealer, said: "Among the first things a firm should do after organizing or locating in the city is to join the Chamber of Commerce and take an active part in the building of a greater city."
 Nathan Adams, prominent Dallas banker, and who is well known in local financial circles, declared: "The welfare and prosperity of every city depends much upon the activities of its chamber of commerce. Every business concern in the city and every individual should feel that membership in the chamber of commerce is necessary to his welfare and the welfare of the city."
 J. W. Pat Murphey, president of Dallas Real Estate Board, says: "The chamber of commerce needs the unified support of every citizen in her

civic, commercial and industrial progress."
 Statements from other prominent Dallas citizens were published along with those as noted above. There are some 200 citizens of Colorado who have the same idea of the chamber of commerce in their community. Colorado has a strong organization in its chamber of commerce and the organization should continue to grow and develop with the city and surrounding territory.

NOTICE TO ADVERTISERS

30 HEAD

OF EXTRA GOOD BIG FARM MULES WE WILL SELL AT OUR HORSE AND MULE YARD, COLORADO, TEX.

Saturday, Jan. 31
 Commencing 1 P. M. Sharp

30---HEAD AT PUBLIC AUCTION. ---30 HEAD

Every farmer should know by this time how many head of mules he will need for the coming season, and if he has not sufficient amount of Mules our advice is, buy now. The mule market reports show that after each sale, good mules are advancing in price, and the top is not reached yet. We feel as though our many friends and customers will give some consideration to what we say in regard to the Mule business. It will yet take thousands of the best Mules that grow to supply the demand for road work; this does not take in the lumber region, coal mining districts, sugar districts, Cuba and Old Mexico, and thousands of head the farmer is going to need. The only thing we can go by is where there is a shortage of good Mules and a big demand, the price is bound to go up. Our sales are conducted on a basis of honesty and steadiness, with the utmost consideration for buyers and sellers.

Sale Will Be At the A. M. Bell Horse and Mule Yard.

Men! Don't Come Home Fagged Out by Hard Work

DOCTORS say that in an enormous number of cases when men come home physically and mentally "all in," nervous and cranky, the real cause is not hard work, but thin, pale, watery blood, deficient in strength-giving iron. Once this iron is restored to the blood it is often astonishing how quickly these men gain new strength, nerve force and endurance.

If you want to buy a home in Colorado and pay it out like rent talk to us.—Grubbs Brokerage Co. Phone 27.

19c Special for Saturday, 10 qt. galvanized water bucket at 19c—Berman's Variety Store.
