Night Coughing Relieved At Once

Why suffer continually from a persistent, weakening night cough when you can get almost instant relief, and usually break the cough completely in 24 hours by a new method based on the famous Dr. King's New Discovery?

Here is the method: You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. It has a double action. It not only soothes and heals irritation, but also removes the phlegm and congestion which are the real cause of the coughing. As a result even the worst cough usually disappears quickly.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

WOMAN KILLED IN AUTO ACCIDENT NEAR STANTON

Mrs. Emily Bradshaw, aged 41 years and 9 months, wife of W. A. Bradshaw, was killed two miles east of Stanton about 4 o'clock Monday afternoon as the result of an automobile accident.

Mr. and Mrs. Bradshaw were en route from Springfield, Mo., to Phoenix, Ariz., and traveling in a big Buick six when Mr. Bradshaw attempted to pass another car. He thought his car started to skid and in attempting to right it it struck a ditch and turned completely over. Mrs. Bradshaw was thrown from the car and badly crushed about the head and chest. She was rushed to Stanton but died a few minutes after reaching there. Mr. Bradshaw escaped injury. The remains were brought to the Eberley Undertaking Parlor in this city and prepared for shipment to Springfield, Mo., Tuesday night. Deceased is survived by her husband, a son aged 16, her father, who resides at San Diego, a sister in Springfield and a sister in Chicago.

Mr. and Mrs. Bradshaw were going to Phoenix to make their home and where their son was to join them. The boy has been ill and was making the trip to Phoenix by rail.—Big Spring Herald.

WHAT'S DOING IN WEST TEXAS

Archer City—Work has started on constructing the new post office building here. The building will be modern in every respect. Work is under way on an \$80,000 high school building.

Silverton—The Briscoe county fair will be held Oct. 8-9 this year. Early dates were selected to insure against bad weather.

Levelland—A twenty-six piece band has just been organized here under the direction of Clayborne Harvey of Littlefield.

Austin—The year book of the State Game Fish and Oyster Commission is ready for free distribution. The volume is beautifully bound and illustrated and contains much valuable and interesting information. This is the first book ever gotten out by the commission and was prepared under the direction of Fred Smith, special deputy of the department. First applicants will receive preference on distributing the book. Schools, newspapers, chambers of commerce and libraries will be given special preference, although private individuals are eligible to receive one free copy of the book each.

Colorado—Interest in potash development in this section of West Texas is greatly stimulated as a result of the Sheppard Potash Bill now before Congress. Great deposits of this mineral are known to underlie this country and early development of the deposits is anticipated.

Fort Worth—Crowell, Swenson and Paducah are the latest cities to enter their order for a car load of the gilts being pooled for shipment into West Texas. Every load of hogs shipped into this section has given great satisfaction and the campaign is gaining rapidly in popularity.

San Angelo—A solid car load of pumps and motors has been received here. All will be used in irrigation projects along the Concho river.

Littlefield—The George Martin Ranch of eighteen thousand acres located in Lamb county has been subdivided and will go on the market immediately. One hundred farms will be in this tract.

El Paso—A new bridge across the Rio Grande to connect El Paso with Mexico is foreseen as a result of favorable congressional action on the bill introduced by Representative Hudspeth.

Ranger—A new creamery will be installed here. The new machinery will encourage the dairying industry in this county.

Memphis—P. A. James, director of the Memphis Band announces that the Memphis Band, former official band of the West Texas Chamber of Commerce will enter the contest at the Amarillo convention.

Cross Plains—The Oil Belt District Convention of the West Texas Chamber of Commerce held here was a record breaker from the standpoint of attendance. Baird was selected as the 1927 meeting place. Carl Mount of Cisco won first prize in the speaking contest on "My Town". A feature of the meeting was the formal announcement of R. W. Haynie of Abilene as candidate for the next president of the West Texas Chamber of Commerce. Announcement of Judge Haynie's candidacy was made by Mayor Chas. Combs of Abilene.

Stephenville—West Texans are urged to petition the state highway department to give West Texas pro-

per treatment in the letting of highway maintenance contracts. J. H. Corbett local engineer points out that practically all contracts let are for work on highways in other sections while throughout West Texas roads are deteriorating while material for surfacing them is piled along the roadside uselessly.

SHOP EARLY

Every year, the problem of supplying cars to satisfy the great spring demand is one which taxes the manufacturing and distributing facilities of the automobile industry and occasions delays in delivery. This year, even the weatherman and Congress have added their bit toward complicating the task.

Thousands of persons who would normally have purchased new cars last Fall or during the winter, held off to await the proposed reduction in federal excise tax. Now, with the tax question finally decided they are added to the list of spring buyers. Balmey weather is also a tremendous incentive for automobile buying and by holding back spring buyers, the weatherman seems determined to handicap even further

the manufacturer's plans for well balanced distribution.

As the world's greatest producer of motor cars, the Ford Motor Company is particularly affected by this spring's buying congestion. Even under the most ideal weather conditions, the company would have been faced with an imposing problem for supplying the demand for Ford cars. Since the spring volume of business last year, Ford cars have won increased popularity through improvements and refinements more pronounced than at any time in the history of the company. And, more recently, the comforts of closed car transportation have been made available to thousands of new owners through sharply reduced prices in all closed types.

Another division of the army of Ford buyers expecting spring delivery will be composed of persons enrolled in the Ford Weekly Purchase plan, who started systematically to save toward a car months ago. However those enrolled in this plan are assured delivery immediately following the fulfillment of the necessary portion of their payments, their membership naturally giving them the

preference over last minute orders.

From these indications, it is obvious that the wise Ford shopper, not unlike the wise Christmas shopper, will do his shopping early.

An Open Letter to the Public

For two reasons, first to thank each and every one who has given me patronage in my monumental work, and second, to solicit a share of patronage by any one needing such work. I am still with the Continental Marble and Granite Company of Canton, Ga., I promise you the best of material up to date workmanship, fair prices, a court-

eous treatment.

I have something special for each and every one wanting a monument regardless of name, order, creed, color, race or anything else that they may be. See me and my designs before you buy.—E. M. McCreless.

Mrs. E. V. Ellis and children have returned from an extended visit to

Cisco where they were called because of the serious sickness of Mrs. Ellis' mother.

Johnnie Leaf, office boy for the Dunnigan Tool and Supply Co., and Billie Pirtle ran into a ditch while returning from Colorado Saturday night, throwing both of them out and badly wrecking the car in which they were riding. Both of the boys were badly scratched about the head. Billie sustained a broken arm and Johnnie's limbs were badly torn and bruised. They are both resting as well as could be expected.

The death angel entered the home of Mr. and Mrs. Charlie Oliver Saturday night at 10 o'clock and took from their care and keeping, little Chas. Billie, aged 14 months who had been hovering between life and death for the past two weeks with flu and

pneumonia. Rev. Summers conducted the funeral services at the Baptist church Saturday afternoon in the presence of a large crowd of relatives and friends. After which the little body was tenderly laid to rest in the Westbrook cemetery.

To the heart-broken parents and relatives we extend our sympathy and bid you look to Him who said, "Suffer little children to come unto me and forbid them not for of such is the Kingdom of Heaven."

Mrs. J. B. Pirtle went to Slaton Saturday where she met Dr. whom she accompanied home. Dr. Pirtle has been in the Lubbock sanitarium for the past few weeks and has made a wonderful improvement. He stood the trip home remarkably well and seems to be improving daily.

Mrs. Airhart and little son of Arizona are guests in the home of Mrs. Airhart's sister, Mrs. E. V. Ellis this week.

Rosa Lee, the 7 months baby girl of Mr. and Mrs. Alford Davis died Wednesday night after a lingering illness caused from pneumonia. Funeral services were held at the home Thursday afternoon, Rev. Summers officiating. Afters which interment was made in the Westbrook cemetery.

Our tenderest sympathy is extended to those whose hearts are sad because of the death of little Rose Lee.

Mrs. J. T. Robinson is spending the week in Stanton the guest of her sister Mrs. Thompson who is quite ill.

Mrs. Joe Bird has returned from Temple where she has been under treatment of Scott and White for the past few weeks. Her condition is somewhat improved at this writing. Mrs. Albert Young and children have returned from a visit to relatives in Ft. Worth.

Sicket Gressett has been quite sick for the past few days with flu and pneumonia, tho his condition is more favorable today.

We desire to thank every one who so kindly and thoughtfully administered to us during the sickness and death of our darling baby, Chas. Billie. Every kind word and loving deed so unselfishly bestowed shall always be treasured up in our

HOW COME?

Some people say: "It's cheaper to rent than to own a home of your own."

If that's true, think of how much money the poor landlord must be losing just to make it possible for his tenants to rent instead of having to own homes of their own.

Yet, strange to say, we don't find many landlords at the poor farm.

RESOLUTIONS OF RESPECT

Whereas, it was the will of Almighty God to remove from this earth, Brother E. T. Reid to the Supreme Lodge above where labor is no more and where sorrows cease and troubles are over,

Be it resolved, That we acknowledge the wisdom and goodness of our supreme Grand Master and bow in humble submission to the inevitable edict from the East, yet mourn the death of our brother whom we shall never meet again at the altar of Free Masonry until we gain admission into that Celestial Lodge on High, where he has preceded us; and we deplore his loss to the Fraternity, his family and his friends.

He was a just and upright Mason, a sincere friend and an obliging neighbor. A man who endeavored always to perform every duty to his God, his country, his family, his lodge and himself, faithfully and well.

Resolved that in token of our sincere friendship and sympathy in this dark hour of this great affliction, and as a pledge to the memory of our deceased Brother, we extend to the bereaved family the fraternal right hand of Free Masonry and with the assurance that with the great light given of God to man, will guide us and them safely to that Spiritual building, that house not made with hands, eternal in the heavens, where the broken circle shall be united, never again to be parted, and where we shall dwell together in peace and

happiness for ever and ever.

Resolved that a copy of these resolutions be spread on the minutes of the Lodge, a copy furnished the press for publication and a copy be given the bereaved family.

Missionary Meeting

For a year now the different missionary societies of the town have held joint meetings on the fifth Mondays. On last Monday the Presbyterian society had charge of the program and the meeting was held in their new church home. This was an unusually good meeting for several reasons and was the best attended of

any of the meetings. The church house was fragrant with lilacs as baskets and bowls of them were placed in front of the pulpit, on the table and in front of the organ.

Mrs. Coleman greeted the ladies as they entered. Mrs. Finch, president of the auxiliary conducted the devotional exercises, reading part of the 16th chapter of Mark. Emphasizing "Go ye into all the world and preach the gospel to every creature."

Mrs. Ed Jones told of the Foreign Mission work of the Christian church. Mrs. C. C. Thompson gave an outline of the Foreign mission work of the Methodist church. Mrs. Stewart Cooper of the Episcopal church, Mrs. McCombs of the Baptist and Mrs. Sherwin of the Presbyterian church.

Mrs. J. E. McCleary talked on co-operation in local work.

Special music was given by Mrs. J. H. Guitart and Mrs. Ross Dixon. At the conclusion of the program the ladies were invited in the basement for a social hour. Here again the fragrance of lilacs greeted them for on small tables vases were placed and in the windows were banks of them. More than a hundred guests were served sandwiches, pickles, little cakes and coffee. The next meeting will be with the Episcopalian women in the American Legion hut, May 31st.

THE LONE WOLF

By Mrs. A. B. Blanks

The first time we ever saw him was before sunrise one morning, just after the gray shadows had been chased into clear day light, we were on the way to San Angelo and down the road stood—the Lone Wolf, his

head held high and one fore foot slightly raised, he was a great big fellow all tawny yellow except the white star in the middle of his head.

He stood there proudly poised, ready for flight, until we were very close to him, then he turned and cantered lightly off into the ranch nearby and soon we lost sight of him in the bushy mesquites.

And my thoughts wandered idly on behind him as I tried to picture the romance of his life.

He was a splendid animal, worthy to be the leader of his pack, as we later learned he was.

Each time we passed we searched in vain for a glimpse of him, but at last when we'd almost given up hope of seeing him again to our surprise we stumbled onto his love story.

It was the late afternoon and it seemed Mother Nature had been unusually lavish with her brush in painting the sunset. The whole horizon round was tinted with the reflection of the beautiful colors that trickled out from the sun like long iridescent prisms.

I have a passion for sunsets so as we paused for a moment to drink in the beauty of this one, some one whispered "Look." And there on top of the hill stood the Lone Wolf! He looked anxiously about him, then raised his head and gave that loud, piercing cry that only a coyote can give.

Soon three more joined him, but still he looked into the distance. In a few moments we saw two more slapping leisurely along toward the pack, when they had almost reached the others Silver-Foot (we named her that because her two front paws were tipped with white) moved closer to the big brute by her and put her head out to him, like a flash, before he had time to respond, the Lone Wolf was upon him, and with little guttural noises they clinched in the death struggle.

The three sat quietly on their haunches but Silver Foot crouched close by, suddenly she whimpered and the Lone Wolf glanced her way, that second off guard was all the brute needed, he made a lunge at Lone Wolf, missed his throat but caught him in a mouth hold, down they went, Lone Wolf on the bottom.

Silver Foot stood, threw back her head and the death cry she raised caused trickles of ice up and down the spine. The three others of the pack crept closer, their eyes like smoldering coals, when quicker than a flash—we knew not how—the Lone Wolf was on top, his teeth sunk deep into the brute's throat and there we stood until the other body was limp and lifeless. Then slowly he turned to Silver Foot, his great mouth ragged and bleeding. On her haunches she edged up to him. He never moved, when at last she was near enough, she stood with her head on one side and looked at him shyly and coquettishly. Still he stood like a statue. Then she edged closer and putting out her soft, pink tongue, she caressed his wounds, round and round him she walked, then down on her haunches she sat, her eyes never leaving him, proving her to be the eternal female, and still he stood, king of all he surveyed.

The Lone Wolf sauntered over to Silver Foot, gently rubbed her head with his nose and as he mounted the hill-top she was trotting at his side, a bit to the back.

The last we saw of them was when he turned on the hill and gave the pack cry, the rest of the pack fell in file and they disappeared over the hill just as the sun was sinking a great molten ball of fire.

STORM OF PROTEST

AUSTIN, Texas.—Medicinal beer, with a 3.75 "kick" will not come into Texas, in the opinion of Assistant Attorney General C. A. Wheeler because of the Dean liquor law. The law, said to be one of the strictest anti-liquor enactments, will not permit any kind of beer to be sold in Texas, he said.

WASHINGTON, March 31.—Sale of the new 3.75 per cent beer tonic was defended today by Assistant Secretary Andrews in charge of prohibition, "practicable and reasonable."

Although issuance of a permit for a preparation has been pronounced a "mistake" by the anti-saloon league and assailed as illegal by the father of the Volstead act, General Andrews declared in a public statement that the new product not only was entirely permissible, but was of such a character that by no stretch of the imagination could it be regarded as "beer."

The statement follows: "In the matter of our policy of granting permits to manufacture and distribute malt and wine tonics:

"This policy was adopted after

thorough consideration of the question, and amounts to this—agreements are being entered into with all reliable houses to restore to the market certain well known and established tonics on the basis that he accepts the responsibility for distribution for legitimate purposes and agrees to watch this closely and withdraw the product from any market where it appears that the tonic is being sold for use as a beverage.

"This is practicable and reasonable and is done for the purpose of making the tonics available to those who need them. A malt tonic containing 25 per cent of solids is by no stretch of imagination a 'beer.' If the public attempts to use it as a beer it can be instantly withdrawn from the market."

Do not forget that only a few more days remain for the clean up week and make those days count.

THEY ARE NOT THE ONES TO SIT IN JUDGEMENT

We see in your issue of March 23 an article from B. B. Garrett of Texarkana, in which he advocates the

barring of the bolters in our last election. He thinks they bolted without rhyme or reason, and should be punished accordingly. Any party that can pull the bonehead the Democrats did in giving us our Governor has no right to sit in judgement.

Mr. Garrett says he opposes woman suffrage, but walked up like a man and voted for Mrs. Ferguson for Governor. We are glad that it was he and not ourselves who assisted in seating the present incumbent. Will never vote for man or woman who has no more in their platform than personal affair. From the beginning Mrs. Ferguson asserted she only wanted the office to clear her husband's name. Two years have passed and she is still calling on the people of Texas to stand by her that she may accomplish the thing she has failed so far to do. We just can't feel very proud of such a Governor and feel that our honor hasn't been hurt much by refusing to vote for such. Yours very truly,

MRS. J. A. STORY,

In Dallas News.

O, Lord, our foolishness has made us shun Thy admonitions, and now we are covered with the ashes of shame, for didst Thou not say unto Eve: "thy desires shall be unto thy husband, and he shall rule over thee"? We tried it the other way, Lord, and now we are sorry. God give us a man. Amen!

If it was left to some folks it would be a crime to smile.

\$3.00 PER CAR

Less than \$3.00 per car was the average expense incurred in 1925 by 6,600 Chevrolet dealers and ser-

vice stations in the United States in repairs and adjustments to cars during the 90-day period covered by the factory guarantee on new cars.

Under this guarantee, all adjustments, including setting and grinding valves, adjusting brakes and replacement of parts defective in workmanship are made free by the dealer, who impresses upon the patron the value of frequent inspection of the new automobile during this three months time.

Records show that only 15 per cent of the owners brought their cars in for adjustments of any kind, indicating that 85 per cent of purchasers were fully satisfied with the performance of their machines in ev-

ery respect.

Rigid standards of inspection during all stages of factory operations are held by Chevrolet officials to be responsible for this low maintenance cost when the car finally reaches the owner. In the motor department alone, one out of every six employees is an inspector, detailed to insure exact conformance to precision limits gauging down as low as one-tenth thousandths of an inch.

In addition to a large corps of inspectors of the service department who visit all Chevrolet dealers at short intervals, a 'super-checking' group works directly under the direction of the standards department, a factory division independent of the sales and production departments. Their reports, obtained directly from interviews with Chevrolet owners at service stations, are forwarded immediately to the engineering department, giving accurate information of the car's performance

Interesting Facts about Gasoline

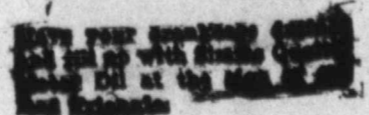

From the time the first commercial well was drilled in 1859 until about 1900, when the automobile became popular, crude petroleum was refined mainly for its kerosene, lubricating oil and medicinal contents.

Kerosene was used extensively for home and street lighting and cooking. Lubricating oils were needed for all types of machinery, while certain products of petroleum were in demand for medicines.

The gasoline resulting from the refining process was a drug on the market. There was little or no use for it. A few stoves used it for fuel, thus giving the name of "stove naphtha." Gasoline sold for a fraction of a cent per gallon; often there was no market for it at all. Refiners dumped it into rivers and harbors until there was legislation against such dangerous practices; then the waste gasoline was burned.

BEASLEY-ATKINS

The following article is taken from The Daily State, published at Columbia, S. C., dated Sunday, March 21:

The wedding of Miss Elizabeth Buford Beasley and Hardin Louis Atkins was beautifully solemnized at 8 o'clock Thursday evening at "Los Pinos" the country estate of her parents, Mr. and Mrs. G. M. Beasley, in Williamsburg county. The spacious rooms of the typical southern mansion were garlanded in Spanish moss and smilax, the only light being from white unshaded candles in a setting of snowy Easter lilies.

Preceding the ceremony Frank Hawkins played a violin solo, "Farewell to Cucullain" by Kreisler and sang "An Indian Love Lyric" from Lawrence Hope. Miss Francis Monteith of Columbia, accompanied by Mrs. R. S. Weinburg, played Schubert's "Serenade" on the violin. The wedding party entered to the strains of the wedding march from "Lohengrin." The youthful ribbon bearers, J. B. Clarkson and Billy Brown, drew white satin streamers from the stairway to the altar to form an aisle for the wedding party. Following them the youngest sister of the bride, Miss Lydia Beasley in a piquant dress of yellow bearing a silver candelabrum lighted the tapers which formed a background for the wedding party in the music room. Entering in order were the four bridesmaids, Miss Agenora Adams of Fort Motte and Misses Elizabeth Lindsay, Harriett Fishbourne and Dorothy Welch of Columbia, gowned similarly in daffodil yellow satin, fashioned with light bodices and flare skirts. Their shoes and hose were gold and they carried arm bouquets of yellow snap dragons tied with gold tulle. Next came the matron of honor, Mrs. Walter Banks of Greenville, entirely in white, her gown being of white taffeta in bouffant style. Her flowers were an armful of Columbia roses. The maid of honor entered next, Miss Eleanora Beasley, sister of the bride—her dress of yellow satin with flowing georgette scarf. She also carried Columbia roses. The tiny ring bearer, Mac Montgomery, wearing a white satin suit, bore the ring in the heart of a lily. Next came the little flower girl, Elizabeth Van Kueren, in a dainty yellow frock, scattering flower petals in the path of the bride who was met at the foot of the stairs by her father who escorted her in.

The bride was girlishly lovely in her wedding gown of white georgette embroidered in seed pearls and crystals. Her tulle veil, arranged on a coronet of orange blossoms was bound with satin. Her flowers were a showered bouquet of bride roses and lilies of the valley. She was met at the altar by the bridegroom who entered from the conservatory with his best man, Troy Beasley, the bride's brother. In the lovely setting of white lilies and glowing tapers the beautiful ring ceremony was performed by the Rev. Walter Herbert, a cousin of the bride. During the ceremony "To a Wild Rose" was softly played on violin and piano.

Immediately after the ceremony, a reception was tendered the large number of friends gathered for the occasion. The bride's parents received with the wedding party, Mrs. Beasley wearing a dress of gray satin with a corsage of pink roses. The bride's table was arranged in the dining room where unshaded white and yellow tapers burned on the mantel and buffet. The chandelier was showered with real orange blossoms and tulle streamers caught to the table with sprays of valley lilies. On the table was a handsome cover of Irish lace centered with a silver basket of lilies. Unshaded white candles burned in silver holders and silver comports held the mints, made in the shape of jonquils. The bride's cake, in tiers, was elaborately iced with green and white. The fake emblems were concealed in individual cakes iced in yellow jonquils. White and yellow ices and sweets, made into orange blossoms were served and real orange blossoms were given each guest as a souvenir.

Punch was served during the evening from the drawing room and conservatory by Misses Agnes Carson, Dorothy Reeves, Virginia Warchope and Margaret Lancaster. The bride's book was in charge of Misses Beth Carson and Harriet Baker.

A large number of friends from

Columbia, Sumter and Greenville were present.

Mrs. Atkins is the eldest daughter of Mr. and Mrs. G. M. Beasley and is a pretty and accomplished girl. She received her education at the University of South Carolina, having been graduated there with honor in '24. The bridegroom is the son of Mrs. H. L. Atkins of Banderia, Texas. He is a graduate of Texas A. & M. college and since then he has been in business in Porto Rico. For the last two years he has been a county agricultural agent in Texas.

The young couple will make their home in Colorado, Texas.

PAINTING CONTEST

Prizes amounting to \$6,000 are being offered by the San Antonio Art League in a national competition for oil paintings of landscapes showing Texas wildflowers. An anonymous member of the league generously donated the money for the prizes and for the expenses of conducting the contest. This money is already on deposit in the First National Bank in San Antonio.

The contest was announced March 21st by Mrs. Henry Drought, president of the San Antonio Art League. Mrs. Drought explained that the beauty and riot of color of the flowers now coming into bloom had inspired the donor to plan this competition in order to call our wildflowers to the attention of the artists of the nation.

Any artist in the United States is eligible to compete for the prize of \$5,000 which will also be open to Texas artists. An additional prize of \$1,000 will be awarded for which only Texas artists may compete. However, no one painting can be entered for both prizes.

For size of canvases, time limit and other rules of the contest write to the President of the San Antonio Art League.

Yesterday was a high day at Mr. B. B. McGuire's home he having reached his fifty-third birthday, he was provided with a bountiful feast, and had to endure 53 licks which put him quietly to sleep, until he was awakened to eat ice cream. Now Mr. Editor permit me to say to Mr. Bill Kellis of Sterling City

that I bow my head and tip my hat to him after reading his fervent prayer in the Colorado Record. And further to ask him in his next prayer to remember the many good people in the State of Texas who made the vital mistake by voting for the bad instead of the good to rule over us.

Driver Escapes injury when all steel car turns upside down

An icy pavement between Piqua and Dayton, Ohio . . . traffic complications . . . and the car shown above plunged through a wire fence and turned completely over.

"The driver," reads the report, "only found it necessary to operate the window crank in the left front door and crawl out. He had not received a scratch."

Lucky motorist to have been driving a Dodge Brothers all steel sedan!

Imagine what would have happened, under similar circumstances, to a motor car with a body of wood—and to the driver!

Every automobile body should now be all steel just as every sleeping car is now built of steel.

All steel bodies are safer. Anyone knows that. Steel doesn't splinter. Steel doesn't burn. Steel is tough and strong—the modern ship metal—the modern aeroplane metal—the modern bridge and building metal.

That's why Dodge Brothers built the first all steel touring car eleven years ago—the first all steel closed car four years ago—and this year pioneered

again in further perfecting all steel construction.

And remember that while nearly all types of motor car bodies appear to be all steel, most of them are simply frames of wood covered by a steel shell—a fragile substitute for the sturdy construction common to Dodge Brothers product.

Protect yourself—and family—with steel. Demand all steel automobile bodies.

They will stand up under impacts that would crush the average body to splinters.

And by substituting slim, strong steel columns for bulky wooden corner posts, they almost double driving vision—a safety improvement of transcendent importance.

Then there are Dodge Brothers dependable quick-action brakes to protect you. And a chassis possessing more pounds of drop forgings and costly alloy steels, in proportion to total weight, than any other car built, regardless of price.

The car will continue to be a "four"

OIL NEWS

Material for the California Company's rig at Davis well No. 1 on the S. E. 1/4 of section 288, block 2, H. & T. C. Ry. Co., 3-4 of a mile north of the town limits, arrived Tuesday and is being rapidly assembled.

The Deep Rock's Hyman No. 1 on section 88, block 29, W. & N. W. Ry. Co., 24 miles northwest of here is shut down at about 3560 feet. It is reported that this well will be plugged back to the shallow oil bearing stratum around 1300 feet and shot.

The Cedar Hill well on section 53, block 2, H. & T. C. Ry. Co., 13 miles northwest of here, is shut down at 3250 feet, the contract depth. This well may be plugged and abandoned.

Collins No. 1 on section 3, block "W" T. & P. Ry. Co., 6 miles east of town is drilling in blue shale past 2145 feet.

Deep Rock Clarke No. 1 on section 17, block 15, H. & T. C. Ry. Co., 8 miles southeast of here, is setting 12 inch casing at 1340 feet.

Roxana Clark No. 1 on section 5, G. C. & S. F. Ry. Co., 13 miles southeast of here, is shut down to make repairs on machinery. This well is past 2250 feet in depth.

Douthitt No. 2 on section 173, block 29, W. & N. W. Ry. Co., 18 miles northwest of here, is drilling past 2000 feet.

The Sloan-Owen Well on section 113, block 29, W. & N. W. Ry. Co., 23 miles northwest of here is shut down at 1490 feet. This well will probably be used as a gasser, as it is reported to be making nearly a quarter of a million feet of petroleum gas.

The Sparkman No. 1 on section 34, block 30, W. & N. W. Ry. Co., 20 miles west of here, is drilling a round 2700 feet in hard lime.

The Magnolia Company has made a new location on W. J. Foster's Mitchell county ranch one-half mile west of the Mary Foster well. It is said that drilling will begin at once on the new location.

Durham No. 1 is drilling in hard lime past 3250 feet. On account of high water in the Concho, the water supply was interrupted for two or three days and drilling had to be suspended during that time.

Durham No. 2 gradually increases in its daily production under the pump. It is the opinion of some experienced oil men that a shot would greatly increase the output of No. 2.

A deal was closed yesterday for a lease on the W. J. Mann land five miles east of town. It is currently reported that a well will be drilled north of the Mann ranch.

Welding broken parts Saves money

We will be glad to serve you.

There was a time when most broken metal parts were thrown away. Metal parts, leaky tanks, cracked engine blocks, iron brackets, etc., had to be replaced by new ones if they were broken.

But welding has changed all this. It is no longer necessary to throw away valuable machines or tools because they are broken. We can weld anything of metal and make it as good as new. The cost is very little.

Ask us about our new welding service. We will be glad to inspect any broken machine or utensil you may have, and make estimates on the cost of repairing. Let us save you money.

Run-Down gave out easily

"MY health wasn't any account at all," says Mrs. H. L. Cayton, of Washington, N. C. "I would start to do my housework and I would give out before I had done anything at all. I did not have any strength, and if I did the least thing it seemed to tax me so I could not finish. I was run-down sure enough. Several of my friends had taken Cardui and they said to me, 'Why don't you try it?' I knew I needed something to build up my general health and to increase my strength. Finally one day when I was recovering from a spell of sickness, I decided to try Cardui. I got a bottle and began to take it. I could notice that I was improving as my appetite got better and I did not give out nearly so quick. I took several bottles and I felt lots better. Two years ago I decided to take it again. It built me up and made me feel like a different person. It is the greatest medicine for women that I know anything about."

COLORADO READY FOR BIG INTERSCHOLASTIC MEET

ANNUAL SCHOOL EVENTS TO BE OPENED AT NOON TODAY WITH BANQUET

With banners flaunting to the breezes and school colors galore combining to make the occasion— even more enthusiastic, 2,000 Mitchell county school students will take Colorado this afternoon and Saturday when the annual interscholastic league meet will be convened. The meet will, in the belief of G. D. Foster, director general, be the biggest and most successful ever held in Mitchell county and all previous attendance records are expected to be broken.

The two day fete will be opened at noon with an elaborate banquet at the Barcroft Hotel, when the teachers from this county's twenty-seven public school districts gather for their March meeting. Oratory and humor, mingled with the more serious problems of education will dominate attention of these teachers for the hour.

Immediately following adjournment of the banquet the county programs will open at the high school. During the afternoon and evening school students will vie one against the other for supremacy in scores of entries. The first annual school fair, an important adjunct of the league this year, will also be opened Friday afternoon.

Saturday morning will bring to the public some of the fastest track and field teams ever competing for pennants at Colorado. Practically every school in the county is sending strong representation to this meet and competition is expected to be unusually strong.

In addition to the more than 100 medals to be awarded all the first prize winners by the Colorado Chamber of Commerce, a beautiful Victory statue, donated by Price Brothers of Colorado, for the best high school track team; a loving cup by the Colorado Grain House, Colorado, for the best fair exhibit; and five by eight foot wool bunting flag by Burton Lingo Co., Colorado, and a twenty-five foot steel flag pole by R. B. Terrell of Colorado for the best all round rural school and a silver loving cup by Sam L. Majors, Colorado jeweler are offered as prizes for the competing teams.

Attendance at the field and track events Saturday is expected to be especially large, Foster states. With small exception every school entering individuals and teams in these events will have strong delegations here to root for their school.

Colorado bankers and business men will throw their buildings and offices open to these visitors for the two days. Through the chamber of commerce and Lions club a cordial invitation has been extended the people of this county to be guests of the city during the meeting visitors will be expected to make themselves at home while in the city.

COUNTY FARM AGENT RETURNS WITH BRIDE FROM CAROLINA

Mr. and Mrs. H. L. Atkins arrived Sunday morning from Gourdin, S. C., where they were married March 18. Mr. Atkins has been county agent in Mitchell county during the past two years.

"Tommy's" many friends here are showering him with congratulations upon having won such a charming and accomplished young lady as his bride. Already Mrs. Atkins has been the guest at several receptions given in her honor.

Mr. and Mrs. Atkins have an apartment at the Judge R. H. Looney home.

CONTRACT FOR \$400,000 HOTEL AT COLORADO AWARDED IN DALLAS

Contract was awarded here Saturday to the Churchill-Humphreys Company of Dallas for the erection of a five-story and basement hotel building in Colorado, Mitchell County, work on which is to begin April 15. The building, which will be thoroughly modern in every particular, will with its furnishings, represent an

investment of about \$400,000. The owners are J. M. Thomas, Ross D. Dixon and E. E. Parkhurst, all of Colorado, who signed the contract. Young & Young, Dallas architects, designed the building and will supervise its erection.

To be located at the Southeast corner of Walnut and First streets in

Colorado, but the structure will be of reinforced concrete and steel and brick with stone trim. It will contain eighty-five rooms with bath, and in addition will house a theatre with a seating capacity of 800 with five storerooms adjoining the lobby on the ground floor. A forty-car garage will be built as an accessory to

the hotel. The building will be completely equipped with high speed elevators, steam heat, fans and other conveniences. It will be completely fireproof in every department.

Site was donated by citizens of Colorado. Construction is expected to require six months.—Dallas Morning News.

SCHOLASTIC POPULATION EXPECTED REACH 4,000

A tabulation of the census returns from the twenty-seven school districts of Mitchell county is expected to show enrollment of 4,000 scholastics for 1926, in the opinion of G. D. Foster, county school superintendent. Foster announced this week that under the law all enrollments were to have been completed by April 1 and that tentative reports indicated a material increase in scholastic enrollment over last year. In 1925 the total county scholastic population was 3,380.

A material gain in both the rural and independent districts is expected by the county superintendent. The Colorado independent district, considerably the largest in Mitchell county, is believed to have made the largest gain of any other district. Including Loraine and Westbrook there are three independent school districts and twenty-four rural or common school districts in the county.

With the substantial gain in scholastic population in the county has come a decided improvement in school equipment the county over, Foster declares. The official is elated over the excellent progress made by the public-school system of the county during the past year.

TEXAS AND PACIFIC WILL TO SPEED UP TRAIN SCHEDULES

Announcement that the Texas and Pacific is to speed up its two crack passenger trains, Sunshine Specials Nos. 1 and 2, between Fort Worth and El Paso, is announced here. The running time now in effect for these two trains will be shortened about two hours between the two cities.

Operating under the faster schedule will permit the Sunshine Special to connect with Southern Pacific fast trains at El Paso thus shortening the time between Fort Worth and Los Angeles by seven hours.

CUT WORM THREATENS TO DAMAGE GARDENS, CROPS

There is considerable evidence that farmers may expect presence of cut worms in large numbers in their gardens and fields at this season, according to H. L. Atkins, county farm agent. With proper attention to the work of poisoning these pests, however, the pests should not do material damage.

In speaking of the cut worm menace and of plans for ridding the garden of these pests, Atkins said:

"At this season of the year cut worm damage often becomes serious in gardens and small field plants. Cabbage, lettuce, tomatoes and other garden plants are subject to most injury.

"Poison bran mash which is so effective in control of grasshoppers is the only satisfactory material for the control of cut worm. The mash should be put out in small quantity near each plant, and where the plants are not too numerous a small ring of the mash may be put around each plant.

"For small quantities of the mash the following formula is correct: "White arsenic, 1 pound, "Wheat bran, 5 pounds, "Cane Molasses, 1 pint, "Juice and rinds of two lemons, water sufficient to form a mash which flakes apart when squeezed in the hand.

"Mix bran and arsenic dry; add molasses, lemon juice and ground rind, putting in sufficient water.

"If the above be properly used control will be effective."

SPECIAL EASTER AD SELLS 19 SUITS FOR HUGHES-DORN

Hughes & Dorn, Colorado tailors, will subscribe to the fact that advertising in The Record pays and pays well as a business producer. Last week the firm ran a small display advertisement in this paper, announcing a special sale on men's suits. A coupon was printed in the ad and this was described as being worth five dollars on purchase of a suit of clothes.

Up to Tuesday afternoon a total of 19 of these coupons had been presented at the tailor shop and as many orders taken for tailor made suits.

Advertising in The Record has never failed to bring results yet.

FORDSON DEMONSTRATION IS GIVEN SATURDAY AFTERNOON

Scores of Mitchell county farmers were detained from attending the Fordson demonstration at the Herrington experiment farm one mile east of Colorado Saturday afternoon on account of the cold weather. However, a number of interested farmers witnessed varied performances of this farm power equipment and were well pleased with the showing made.

One of the demonstrations was given with a large disc breaking plow. The sturdy Fordson handled the large plow with all the ease characteristic of these tractors, breaking two and one half acres in so many hours.

Other demonstrations included work with the cultivator and lister. Mr. Herrington expressed entire satisfaction over the demonstration and believes that the Fordson will continue to merit commendation among its large army of satisfied users.

MEMBERS BRUNKS COMEDIANS MARRY HERE SATURDAY P. M.

Frank E. Wilder and Miss Gertrude Needham, members of Brunks Comedians playing a week's engagement here last week under auspices of the American Legion, were married late Saturday afternoon in the office of County Judge Chas. C. Thompson, the county judge officiating.

After completing a successful week in Colorado this popular company left Sunday for Big Spring where they are booked for all this week.

CROWD FROM BIG SPRING HEARS UNIVERSITY BAND

Quite a few of our Big Spring people took advantage of the opportunity offered them this week of hearing the Longhorn band of the State University, Austin, when it gave concerts in several of the neighboring towns. The band gave a concert in Colorado Saturday evening, Midland Monday evening, and Lamesa Tuesday evening. From all accounts the program that they gave was highly entertaining and scored a success with the several hundred people who heard them each evening.—Big Spring Herald.

MINISTERS OF COLORADO PLEDGED CLUB SUPPORT

The Ministerial Association of Colorado, which recently saw fit to publicly give its views on the liquor question, especially as to the means employed by interests seeking to break down the Eighteenth Amendment, were pledged the full support of the Lion's club Friday in passage of a resolution outlining the position of the club membership on those matters.

The question was introduced by Rev. J. E. Chase, pastor of the First Christian church, who charged that supporters of the liquor interests throughout the country were making libelous statements in their propaganda. The statement made by these agents that a large per cent of the students of our colleges and universities are drinking is false, Chase charged, and should be met with denial in no uncertain terms by the people who would sponsor good society and good government.

A signed statement, in which the position of members of the Ministerial Association was given, was published in The Record last week. The Lions voiced their approval of this stand and assured them of dependable backing in any undertaking having for its purpose the advancement of any worthwhile program.

MEN DELIVER DEFEAT TO LADIES IN S. S. CONTEST

The attendance contest waged since January 1 between the Young Business Men's Class and the Young Mother's Class at the First Methodist church, ended Sunday morning, with the men leading by eleven. The men's class is taught by T. W. Stoneroad and the ladies by Mrs. J. E. McCleary. Both were confident of victory until the last roll call Sunday morning, when Stoneroad registered an attendance of 76 and Mrs. McCleary 69. A total of 417 were registered in the Sunday school last Sunday.

The losing class is to be host at an entertainment to be given at an early date and at which members of the winning line-up are to be guests. The ladies have not announced definitely just what the nature of this entertainment is to be.

20 PER CENT DIVIDEND IS PAID BY FARMERS GIN CO.

STOCKHOLDERS RE-ELECT OLD BOARD AT ANNUAL MEET HERE SATURDAY

The season recently closing was the best in history of the corporation, officials of the Farmers Gin Company, owners of four gin plants in Mitchell county, declared following adjournment of the annual stockholder's meeting here Saturday afternoon. The four plants handled a total of 9,646 bales of cotton and business affairs of the corporation were said to be in excellent condition. A dividend of twenty per cent was ordered paid.

The Farmers Gin Company was organized at Colorado a few years ago and the first year of operations the company owned one gin plant. This plant was located in Colorado. The following year the second plant was built and each subsequent year the company has financed erection of a new gin plant until now it owns and operates four, three of them being located at Colorado and one at Buford.

The same board of directors managing affairs of the corporation last year were re-elected at the annual meeting which was held Saturday afternoon in the district court room. These are U. D. Wulfjen, George Plaster, D. P. Smith, James Bodine, W. W. Porter, E. M. Reese and Jas. T. Johnson. The board will meet Saturday to perfect organization by election of a president, vice-president, secretary-treasurer and general manager. U. D. Wulfjen, prominent Mitchell county planter, and banker is at present president of the corporation. T. L. Sailors has held the place of business manager several years.

HOGS AND PURE BRED SEED BOUGHT BY SCURRY FARMERS

The first car of pure bred cotton seed to be received at Snyder for distribution among farmers of that section arrived in the Scurry county city this week. Scurry county recently employed the services of a county farm agent and has since made commendable strides to improve agricultural conditions.

The same issue of the Scurry County Times, published at Snyder, which announced arrival of the car of pure bred cotton seed, also announced arrival of a car of gilts purchased at Sioux City, Iowa, for farmers of Scurry county.

Mitchell county has been producing the better type of staple cotton for several years and found that the extra cost of pure seed is a big dividend payer. This city was the first in West Texas to receive a car of gilts under program of the West Texas Chamber of Commerce to stock West Texas with hogs.

COLORADO FIRST IN SHOW ATTRACTIONS, PAPERS SHOW

Colorado is not only leading many Texas cities in development along both civic and industrial lines, but is also leading other Texas cities in a number of instances when it comes to showing the best productions first in the local theatres.

"The Wanderer," considered one of America's best screen dramas and which was featured at the Palace recently, is making its first appearance in Fort Worth this week and according to the press is meeting with considerable enthusiasm in the Panther City.

Then again, "The Iron Horse," special appearing at the Palace Thursday, Friday and Saturday of last week, opened for a run of two days at one of the popular theatres in Abilene Monday.

Mr. and Mrs. Ross D. Dixon are to be congratulated on their policy to show the best pictures first in Colorado.

Mrs. Pearl Shannon has returned from an extended visit to New Orleans and various points in Florida.

Methodist Church

There was a splendid attendance at S. S. and the best attendance at the church services we have had for some time. Next Sunday morning we are to have an Easter program. We extend a hearty welcome to all to come and enjoy this excellent program. Our young peoples revival begins at the evening hour. Brother Foster and his people will worship with us Sunday night and Brother Foster will preach at that hour. The

services will continue throughout the week, at night only. The meeting will be especially for the young people of the community. The B. Y. P. U. and the Epworth League will furnish special music and acts as ushers, also lead in prayer.

Brother Fred McPherson will preach one night. The pastor will do the preaching at all the other services. While this shall be a young people's revival, we want every one to take part. It is our earnest prayer that the meeting shall be a blessing and an inspiration to every one in the community. May each Christian feel his or her responsibility and do their best to discharge their Christian duty. Pray earnestly for the salvation of the lost then speak to the lost in the interest of their souls. We earnestly request the presence and prayers of each individual.—H. W. Hanks, pastor.

Mr. R. N. Compton who has been visiting his son, H. E. Compton and family returned to his home at Nimrod, Monday.

Good rains have fallen here this week followed with a light snow, putting a fine season in the ground.

CARD OF THANKS

Words are wholly inadequate to express our thanks and sincere heart felt appreciation of the kind words and deeds tendered in our behalf during the sadness we experienced when our dear son, husband and brother left this old earth for his home beyond. We can never repay the good people of Colorado for these beautiful tokens of love and respect, but we sincerely trust that the Master above, in whom we place our faith, will reward each of you. Courtesies extended by the Colorado Masonic fraternity and the beautiful floral offerings were especially appreciated. May God bless each of you and give us courage to bear up under the crushing grief with more fortitude.—Mrs. E. T. Reid and daughter; Mr. and Mrs. W. C. Tatum; Mr. and Mrs. W. A. RECORD BROKEN

Chevrolet dealers in February delivered 32,504 cars, the largest number ever sold in that month in the history of the company.

The quota set for the thirty sales zones of the company was 22,002 cars, an estimate based on a conservative examination of the prospective February demands. When the total sales for the month were tabulated it was found that the increase in sales was 147.7 per cent. of the quota.

Despite decided increases made in the quota set for February it was found the zones had practically all exceeded their allotments.

In January every sale zone exceeded its quota, ranging from 112.9 per cent in the Jacksonville zone to 275.4 per cent in the Omaha zone.

The Omaha zone, established only three months ago, again led the zones exceeding their February allotments, with a percentage of 398.3. Minneapolis zone was second with 304.9 per cent of its quota, reflecting the unprecedented growth of the Northwest's diversified industries. Oklahoma City was third with 255.4 per cent of quota, Atlanta fourth, with 249 per cent and Des Moines fifth with 243.8.

HE WANTS MA

We asked a prominent West Texas lawyer and politician this week to give us his views on the governor's race and this is what he said:

"At present I am not disposed to jump into this until all the parties have their hands on the table. Mr. Davidson has made his opening speech, and we have had time to look that over. Neither Mr. Moody nor Mrs. Ferguson have yet given the people an expression formally as to what they will stand for in the coming campaign, and until I have the benefit of their opening speeches I would not like to give an expression.

In other words, when I do I want to be in a position to analyze and compare the position of each candidate before the public. It is my present intention to support Mrs. Ferguson, though as stated, I prefer to wait until a formal announcement of all parties before coming out in the matter."

The tenets of your Orders, enjoin upon each of you to observe the occasion by attending religious services on Easter day. In the absence of a formal service especially for you, we are taking the liberty to invite you to avail yourselves of the invitation to worship with us at the 11 o'clock hour. As you are further enjoined at that time to make an offering to some benevolent purpose, you are advised that we are

planning to make an offering to the relief of the aged and infirm ministers, who are fellow soldiers of the Cross, who have served long and well the Faith you have sworn to defend. Any contribution you may see fit to make will be devoted to this cause.

To anyone and every one living within reach of these services, and who are not obligated elsewhere, we extend a most hearty and cordial invitation to unite with us in honoring the Christ who suffered, died and rose again, bringing "life and immortality to light."

Our evening service will be held at the American Legion Hut at 7:45 p. m. Everybody come. Everybody go to church somewhere on Easter Sunday.—J. E. Chase, pastor.

PRESBYTERIAN CHURCH

Sunday is every body go to church and Sunday school day. Glad to have you present.

Sunday school at 9:45 a. m. Eastor service and communion service at 11 a. m. and evening service at 7:45.

Christian Endeavor at 3 p. m. and the Senior endeavor at 6:45.

We hope to see all our people and friends there.—W. M. ELLIOTT, pastor.

GO TO CHURCH WITH THE BAPTISTS

Next Sunday is "go to church" Sunday. Anybody can stand to go to church on Sunday. What do you know about the Resurrection? We want to discuss that subject next Sunday morning at the Baptist church. It means much to us.

We were pleased with the services last Sunday.

Help us make next Sunday a "Red Letter" day for Colorado. The music will be good. The Spirit will be fine.

Bring your friends to Sunday school and stay for church.—M. C. BISHOP, pastor.

SEVEN NIGHTS IN—

Not in a bar-room, but at the Methodist church. Seven deadly sins will be a series of sermons, preached at the Methodist church. In mediaeval times "The Seven Deadly Sins" were recognized as the worst and most insidious that tempt humanity. They were agreed on after several centuries of controversy engaged in by the greatest theologians of that time. To what extent is our modern civilization afflicted with the seven sins will be discussed at the Methodist church in seven Sunday evening sermons beginning Sunday, April 4, 1926. The seven deadly sins, so called are: pride, envy, anger, sloth, avarice, gluttony and sensuality.

Our crowds continue to grow with every service of the other series. We hope that this will be the case with these. We appreciate the interest shown in the other sermons more than we can tell you. We enjoyed having every one who came and are grateful indeed for the very helpful words of praise spoken by the many, but what is most comforting to us is the thought that we are helping some one to a better life. This after all is the preachers chief aim and purpose in all his efforts to do good. Come one—come all and enjoy these evenings with us.

CHURCH OF CHRIST

The Gospel meeting started off last Sunday with the finest interest, the evening service was far the best attendance since I came to Colorado. The weather condition hindered some the first of the week, but now God has given us better conditions and we go forward with the greatest anticipations.

Have you been yet? We solicit your presence and here are some of the subjects that will interest you. Tonight, "The Divine Will", "Things That Save", (the strongest argument that man can make against water baptism) Friday evening "The Great Invitation". Saturday evening, Sunday morning "Where Does Christ go to Church?" and "Blessings in the Church—How to Get into the Church." Sunday evening.—J. D. HARVEY, Minister.

METHODIST CHURCH

Sunday school 9:45 a. m. We had 417 present last Sunday and splendid congregations. Come again next Sunday to Sunday school and to preaching at 11 a. m. and 7:45 p. m.

Not have communion at the morning hour but baptism of children at close of Sunday school and baptism and reception of members at the close of the morning service. We have ten fine pupils coming into the church from the Sunday school and should have that many from the adult department. Besides these we have twenty or twenty-five Methodists in the town who should unite with us. Come Sunday and line up and let us work together and with God.

Sunday evening I am going to start another series of sermons. I am anxious for you to hear these for I am going to make them the foundation of seven others I am going to preach. I have an object in view in preaching these special sermons—and one thing is to help you. It takes hard work to make sermons. I have done almost all kinds of hard work—digging ditches, splitting rails, sawing logs and hauling logs and all kinds of farm work but preaching and getting ready for it is the hardest job I have ever tackled. It simply takes more real life giving energy than any other job I know anything

about. But I am willing to work hard and preach the very best sermons of which I am capable of making so long as the people manifest a desire to hear them. That interest has been very plainly seen and felt during the series just closed. Come Sunday evening and hear me on "Pride"—one of the ancient sins—so called.—J. F. LAWLIS, pastor.

Mr. J. M. New, son of J. S. New of Colorado has just enrolled as a student in the Byrne Commercial College at Dallas, for a course in cotton classing, and is making a nice start with his work.

Did Your Washroom Have Lunch With You This Week?

The laundry eats no lunches

Ever stop to figure the 'incidental' expenditures and bothers of home-washing? The waiting before, and the 'picking up' afterward. The soap, the lunches—if you include these items in the cost of home washing, you'll see that the laundry is the most thrifty as well as the most efficient method of having the washing done. And the time you save is clear profit.

begun. The twenty-first annual assembly will open June 1 and the first conference program begin June 23, with the Rev. Charlton H. Stoney of Corpus Christi as platform manager. A feature will be J. Lucher Stark's Boy Scout Band, to make the encampment its first stop on its return trip from the Rotary convention at Denver.

The summer conferences follow: Young people's conference, June 23-24; religious education, July 4-18; mission conference, July 18-25; Lectures and entertainment, July 27-Aug. 14; women's conference, Aug. 15-22; presynodical conference, Aug. 24-26, and synod and synodical conference, Aug. 26.

Schreiner Institute, a junior college for boys, endowed by Capt. Charles Schreiner of Kerrville, under control of the Presbyterian Synod of Texas, adjoins the encampment grounds and Schreiner Institute buildings are used for the conference classes, etc.

POLITICAL COLUMN

The Abilene Reporter is published in a Ferguson stronghold and has come out four square for Dan Moody. It may be because Abilene is or soon will be a Moody brother-in-law. Hear

the Reporter:

It may be of interest to show just how Taylor county voted in the three "battles of the ballots" held in 1924—two primaries and the general election—insofar as the candidates now in the field for governor are concerned.

In the first primary Mrs. Ferguson and Lynch Davidson, present candidates for governor, received these votes: Mrs. Ferguson, 817; Lynch Davidson, 651. Dan Moody, also a candidate for governor now, received 1,668 votes two years ago in his race for attorney general, in the first primary—a plurality of about 500 over his nearest opponent.

In the second primary Mrs. Ferguson received 2,689 votes and her opponent, Judge Robertson, received 3,139. In that primary Dan Moody got 3,613 votes and his opponent, Judge Wade, received 1,516.

In the general election when Mrs. Ferguson was opposed by Dr. Butte, republican, the vote was Ferguson, 2,491; Butte 1,896. In this same election Dan Moody received 3,995 and his republican opponent, Judge Harrison, received 363. Moody got more votes than John W. Davis, democratic presidential nominee, whose vote was 3,693 to Coolidge's 442.

Quite obviously Dan Moody was popular in this county in 1924, and it would be no stretch of the imagination to believe that his popularity has increased rather than decreased since that time.

The Reporter says further: The opening speech of Lynch Davidson for governor, made at Palestine the other day, was full of contradictions and lacking in harmony and homogeneity.

Mr. Davidson declares war on "trusts" and "special interests" in one paragraph and in another advocates the turning over of our water power resources to private capital. In one he scores the so-called government aid projects as dangerous to state rights, and in another upholds the same doctrine. He deprecates the multiplicity of laws, yet promises the aid of the state in making other laws that would appeal to various classes of people. He inveighs against "great corporate interests" as dangerous, and a little further along avers that "private enterprises, likewise, is stagnated and discouraged by government regulation and red tape." He summarizes his candidacy by saying that "I am not the candidate of any bloc, group, clique, clan or association," and then appeals to the people to elect a legislature that will be in sympathy with his own ideas of government.

The idea seems to be that the only association he represents is Lynch Davidson, Individual.

To insure this state against a repetition of the disaster of '24 it is necessary to support a man who attacks the situation with all the force at his command, a scrapper who can not be daunted, and a man of vigorous personality and great popularity who can and will rally to his banner and the overwhelming support of the people of Texas.

Such a man is Dan Moody. There are many persons who are predicting that there will be no second primary, that Dan Moody will get a majority of all the votes cast in the first. That may be so. We hope it is. As it shapes up now, barring a first-primary majority for Moody, it looks like the Fergusons and Moody will be in the run-off. Mr. Davidson hasn't got a chance.

Not in a generation has Texas had a candidate who commanded the tremendous personal following that Mr. Moody commands. While others have talked and promised and surmised, Mr. Moody has acted. He has achieved. He has "delivered the goods."

And the people of Texas, we believe, want him for their governor.

CITATION BY PUBLICATION

The State of Texas to the Sheriff or any Constable of Mitchell county, Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Mitchell county, a copy of the following notice:

The State of Texas, to all persons interested in the welfare of Mrs. L. H. Weatherly, a person of unsound mind, M. Carter was by the county court of Mitchell county, Texas, on the 31st day of December, A. D. 1925 duly appointed temporary guardian of the estate of said Mrs. L. H. Weatherly, which appointment will be made permanent unless the same shall be successfully contested at the next term of said court, commencing on the First Monday in May, 1926,

the same being the 3rd day of May, 1926, at the court house thereof, in Colorado, Texas, at which time all persons interested in the welfare of said Mrs. L. H. Weatherly, a person of unsound mind, may appear and contest such appointments if they so desire.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court at office in Colorado, Texas, this the 16th day of March, 1926.

When You Trade Your Car—

Ford owners are continually being approached by automobile salesmen who wish to "accept" Fords as part payment on more expensive cars.

It is logical that automobile dealers should be eager to trade with Ford owners. No other used car is so easy to sell as a used Ford—because everyone has confidence in Ford quality. And it is not expensive to recondition, since Ford replacement parts are lowest in price.

Most automobiles carry greater discounts to dealers than the Ford—another reason why other dealers may offer the Ford owner a larger trade-in allowance.

But, bear these facts in mind:

The amount of the trade-in allowance you can get is not the most important thing for you to consider. The big thing is the difference you have to pay. And remember, that the higher priced car will not be so easy to dispose of when you come to trade it in.

If you wish to trade your Ford for a new automobile, stick to the car that you know to be dependable, useful and economical. Go to your Ford dealer!

He will give you a fair and liberal allowance for your present Ford and will gladly arrange payment of the balance to suit your convenience.

The State of Texas, to the Sheriff or any Constable of Mitchell county—Greeting:

You are hereby commanded to summon D. B. Hogan and the heirs of D. B. Hogan, deceased, whose names are unknown, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where some newspaper is published, to appear at the next regular term of the District Court of Mitchell County, Texas, to be holden at the court house thereof in Colorado, Texas, on the 3rd Monday in April, A. D. 1926, the same being the 19th day of April, A. D. 1926, then and there to answer a petition filed in said court on the 9th day of March, A. D. 1926 in a suit numbered on the docket of said Court No. 4726 wherein C. N. Adams is plaintiff and D. B. Hogan and the heirs of D. B. Hogan, deceased, whose names are unknown, are defendants and said petition alleging as follows:

1. That on or about the 1st day of February, 1926, plaintiff was lawfully seized and possessed of the following described land and premises, situated in Mitchell County, Texas, holding and claiming the same in fee simple, to-wit:

All of the northeast one-fourth (N. E. ¼) of section No. 21 in block No. 29 in township number One (1) South, of the Texas & Pacific Railway Company surveys, said Mitchell County, Texas.

2. That on the day and year last aforesaid defendants unlawfully entered upon said premises and ejected plaintiff therefrom, and unlawfully withheld from him the possession thereof, to his damage \$10,000.00.

3. And specially pleading his title hereunder, plaintiff says that the common source of title of plaintiff and defendants is A. A. Daniel; that on the 10th day of August, 1914, A. A. Daniel, joined by his wife Eva Daniel, executed and delivered to W. E. McCoy, a deed conveying the above described land to said W. E. McCoy, and in said deed retained a lien and the superior title to secure the payment of eight (8) vendor's lien notes executed by the said W. E. McCoy and delivered to said A. A. Daniel as part payment for said land, said notes described as follows: The first of said notes for the sum of \$100.00 and due and payable on January 1st, 1916, the next six of said notes for the principal sum of \$100.00 each, and due and payable January 1st, 1920, January 1st, 1921, January 1st, 1922, January 1st, 1923, January 1st, 1924 and January 1st, 1925, respectively, and the eighth and last note for the principal sum of \$150.00 and becoming due and payable January 1st, 1926; said deed being of record in Volume 84, page 100, of the Deed Records of Mitchell County, Texas; that the said W. E. McCoy, joined by his wife Minnie McCoy, on the 5th day of December, 1914, executed and delivered to T. W. Gilliam a deed conveying to the said T. W. Gilliam the above described land, said T. W. Gilliam assuming payment of above described notes in said deed, and said deed being of record in Volume 40, page 96 of Deed Records of Mitchell County, Texas; that on the 2nd day of September, 1915, T. W. Gilliam joined by his wife Mary L. Gilliam, executed and delivered to the defendant, D. B. Hogan a deed conveying to said D. B. Hogan the above described land, said D. B. Hogan in said deed assuming payment of above described notes; said deed being of record in Volume 43, page 223, Deed Records of Mitchell County, Texas; that on the 21st day of April, 1920, A. A. Daniel recovered judgement against C. E. McCoy in the District Court of Mitchell County, Texas, upon above described notes, said judgement decreeing a foreclosure of the vendor's lien retained in aforementioned conveyance from A. A. Daniel to W. E. McCoy and ordering said land sold under said judgement, said judgement being of record in Volume 4, pages 571 and 572 of the Minutes of the District Court of Mitchell County, Texas; and an order of sale was issued on said judgement and delivered to the Sheriff of Mitchell County, Texas, and said land was duly sold by the sheriff of Mitchell County, Texas, as under execution, and, on the 29th day of September, 1920, W. J. Chesney, Sheriff of Mitchell County, Texas, executed and delivered to A. A. Daniel a deed conveying the above described land to said A. A. Daniel, and said A. A. Daniel filed said deed with the County Clerk of Mitchell County, Texas,

for record, on the 6th day of October, 1920, and said deed was duly recorded in Deed Records of Mitchell County, Texas in Volume 49, page 161, thereof; that on the 8th day of November, 1924, said A. A. Daniel executed and delivered to plaintiff, C. N. Adams, a deed with general warranty of title conveying to plaintiff the above described land, for the consideration therein named, said deed being of record in Volume 59, page 641, Deed Records of Mitchell County, Texas; that on the 1st day of March, A. D. 1926, said A. A. Daniel executed and delivered to plaintiff a transfer in writing, duly acknowledged, wherein and whereby said A. A. Daniel transfers and assigns to plaintiff all his right, title and interest in and to said notes and in and to the lien securing same and all right, title and interest in and to said land based on said notes. Plaintiff further says that each and all of said notes executed by W. E. McCoy to A. A. Daniel in part payment for above described land are past due, but that said notes nor any part of them have been paid to either A. A. Daniel or to plaintiff, nor has there been any interest paid on same; that said A. A. Daniel went into possession of said land on or about the 29th day of September, 1920, and has been holding possession of same from said time until the 8th day of November, 1924, at which time this plaintiff went into possession of same and since said time has been holding possession of same, the said A. A. Daniel and plaintiff each claiming to have fee simple title to same; that since the said 29th day of September, 1920, neither the defendant D. B. Hogan nor any other person have made any payment or offered or tendered any payment on above described notes. Plaintiff says that above described notes have been lost or mislaid and that he has made diligent search for same but same cannot be found; that same were lost while in the possession of said A. A. Daniel, and have never been delivered to plaintiff.

4. And plaintiff by way of further specifically pleading his title hereunder says that he (and A. A. Daniel, whose estate and title he has), claiming the same under a deed duly registered, has had peaceable, continuous and adverse possession of the land and tenements described in paragraph "1" above, cultivating, using and enjoying the same, and paying all taxes due thereon before same became delinquent, for a period of more than five years prior to the 1st day of February, 1926, and before the commencement of this suit, and this he is ready to verify. And that during all of said 5 year period said land was under fence, and used for farming and grazing purposes by the said A. A. Daniel and plaintiff, either in person or by tenant.

Wherefore plaintiff prays judgement of the court that defendants be cited to appear and answer this petition and that plaintiff have judgement for title to and possession of said above described land and premises, and that writ of restitution issue, for costs of suit, and for such other and further relief, special and general, in law and in equity, that he may be justly entitled to.

Herein fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court at office in Colorado, Texas on this the 9th day of March, A. D. 1926,

J. LEE JONES, Clerk, District Court of Mitchell County, Tex. 4-9c

CITATION BY PUBLICATION

The State of Texas, to the Sheriff or any Constable of Mitchell County—Greeting:

You are hereby commanded, that you summon, by making publication of this Citation in some newspaper published in the county of Mitchell, for four consecutive weeks previous to the return day hereof, J. H. Thomas whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Mitchell at the court house thereof, in Colorado on the eleventh Monday after the first Monday in February, A. D. 1926 the same being the 19 day of April, A. D. 1926, then and there to answer a petition filed in said court on the 5 day of November, A. D. 1925, in a suit numbered on the docket of said court No. 4703 wherein Rachel Thomas is plaintiff and J. H. Thomas is defendant.

The nature of the plaintiff's demand being as follows, to-wit: That plaintiff resides in Mitchell County, Texas; that defendant's residence is unknown; that Nov. 11, 1921 plaintiff and defendant were lawfully married in Mitchell County, Texas; that

they continued to live together as husband and wife until on or about the 1 day of September, A. D. 1925, when by reason of the cruel and inhuman treatment of the plaintiff by the defendant, she was forced and compelled to separate from him since which time they have not lived together as husband and wife; defendant abused, beat and threatened to kill the plaintiff until she feared for her life and was forced to flee from the home of the defendant; that said marriage relations still exist; plaintiff prays for divorce and for all costs of suit.

Herein fail not, and have you before said court on the first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Colorado, this 10 day of March, A. D. 1926.

Ray Womack vs. M. W. Fry No. 4733 in the District Court of Mitchell county, Texas, April term, A. D. 1926.

The State of Texas to the sheriff or any constable of Mitchell county, Greeting:

You are hereby commanded to summon M. W. Fry, by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the district court of Mitchell county, to be holden at the court house thereof in Colorado, on the 3rd Monday in April, A. D. 1926, the same being the 19th day of April, A. D. 1926, then and there to answer a petition filed in said court on the 24th day of April, 1926, in a suit numbered on the docket of said court No. 4733, wherein Ray Womack is plaintiff and M. W. Fry is defendant, said petition alleging that on or about the 20th day of March, A. D. 1926, plaintiff was lawfully seized and possessed of the land and premises described as the N. W. ¼ of section No. 30, block 26, T. & P. Ry. Co. surveys in Mitchell County, Texas, holding and claiming the same in fee simple; that on the day and year last aforesaid defendant unlawfully entered upon said premises and ejected plaintiff therefrom, and unlawfully withheld from him the possession thereof, to his damage in the sum of one thousand dollars; that the reasonable annual rental value of said land and premises is one hundred dollars. Wherefore plaintiff prays judgement of the court that defendant be cited to appear and answer this petition, and that plaintiff have judgement for the title and possession of said land and premises, and that writ of restitution issue, and for his rents, damages and costs of suit, etc.

Herein fail not, but have before said court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

SHERIFF'S SALE

No. 4613. The State of Texas, County of Mitchell:

By virtue of a certain order of sale issued out of the Honorable 32nd Judicial District Court of Mitchell County, Texas, on the 29th day of March, 1926, by J. Lee Jones, Clerk of said Court, on a judgement rendered in favor of the City of Colorado, for the use and benefit of West Texas Construction Company against A. W. Dunn, W. H. Snyder and J. W. Mooar, individually and as co-partners under the firm name of Dunn, Snyder & Mooar, the heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, in cause No. 4613, styled City of Colorado vs. A. W. Dunn, et al, in the District Court, for the 32nd Judicial District of Texas, wherein the City of Colorado is Plaintiff, and A. W. Dunn, W. H. Snyder and J. W. Mooar, individually and as

co-partners under the firm name of Dunn, Snyder & Mooar, the heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, are Defendants, for the sum of \$375.59, together with interest thereon from November 30, 1925, at the rate of 6 per cent per annum, and costs of suit, and placed in my hands for Sheriff I. I. W. Terry, as Sheriff of Mitchell County, Texas, did on the 29 day of March, 1926, levy on certain real estate situated in the County of Mitchell, State of Texas, in the City of Colorado, and more particularly described as follows, to-wit:

Being a part of section 44, block 26, T. & P. Ry. Co. Survey, being the East 25 feet of Lot 6, in Block 37 of the City of Colorado, according to the Map or Plat of said City of Colorado of record in Volume C, page 250, of the Deed Records of Mitchell County, Texas, said property fronting 25 feet on the South side of Second Street in said City; and,

WHEREAS, said judgement is the foreclosure of a special assessment tax lien as the same existed on August 4th, 1923, and at all times thereafter, against all interests held by the said A. W. Dunn, W. H. Snyder and J. W. Mooar, individually and as co-partners under the firm name of Dunn, Snyder & Mooar, the heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, on Tuesday, the 4th day of May, 1926, being the first Tuesday in said Month of May, at the Court House door of Mitchell County, Texas, in the City of Colorado, Texas, between the hours of 10:00 o'clock A. M. and 4:00 o'clock, P. M.; I will sell said real estate at public vendue for cash to the highest bidder as the property of A. W. Dunn, W. H. Snyder and J. W. Mooar, individually and as co-partners under the firm name of Dunn, Snyder & Mooar, the heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, and the unknown heirs and legal representatives of the heirs and unknown heirs of A. W. Dunn, W. H. Snyder and J. W. Mooar, by virtue of said levy and said order of sale, and in compliance with law, I give this notice by publication in the English language once a week for three consecutive weeks immediately preceding the day of sale in the Colorado Record, a newspaper published in Mitchell County, Texas.

Witness my hand this 29 day of March, 1926.

I. W. TERRY, Sheriff of Mitchell County, Texas By C. E. Franklin, deputy. 4-16c

The hostess served sherbert and Angel food cake. The next meeting will be with Mrs. Floyd Quinney at Mrs. Lee Jones.

The Clubs

The Hesperian club met with Mrs. Sam Majors. Mrs. Johnson led the lesson, second act of the Great Divide. Mrs. Whipkey told the story of Act II. Mrs. Millwee read a paper, "Trace the Great Divide of the Lover showing the physical and Spiritual Causes."

Ghent as a Lover—Mrs. Lee. Debate: Resolved that Ruth Would Have been Happier with Winthrop; Negative, Mrs. Merritt, affirmative, Mrs. Jesse Gage.

At the social hour the hostess served sherbert and home made cake. Mrs. Gage will be hostess this week.

Standard

The Standard club met with Mrs. Carter. Mrs. Coleman led the lesson on History of Mexico and conducted a parliamentary law drill. At the social hour the hostess served fresh strawberries, whipped cream, cake and coffee. Rev. W. M. Elliott was a guest at the social hour.

Mrs. Guitar will be hostess this week.

The Shakespeare

The Shakespeare club met with Mrs. Frank Lupton. Mrs. D. H. Snyder led the lesson from the Mentor magazine and Shakespeare's Twelfth Night. The hostess served a salad course, ice cream, cake and coffee. The meeting will be with Mrs. R. O. Pearson this week.

Hours of Prayer

The Women of the Christian church met on Monday, Wednesday and Friday this week for an hour each day in prayer and study of the life of a missionary.

On Monday Mrs. Ed Jones and Mrs. Chase had charge of the program, on Wednesday the Junior Society had charge and on Friday it was a joint program. A free will Easter offering was taken.

Bridgettes

Miss Elsie Lee Majors was hostess to the Bridgettes Thursday of last week. Besides the members she had two tables of guests. Mrs. Lois Prude Bennett made high score and Mrs. Carey low score.

The hostess served sherbert and cake. The favors were bouquets of sweet peas. Mrs. David McCall Merritt will be hostess this week.

Rally Day

The Home Demonstration club girls over the county observed last Saturday as a rally day. Notwithstanding it was cold and wet yet they brought their lunch and made the best of things, as they always do. Their sewing and canning products were on display at the American Legion hut and quite a number of their friends were there to see them and enjoy the program of readings and music. At the noon hour the lunch with hot chocolate supplied by the thoughtfulness of Miss Jones and a free picture show at the Palace concluded the enjoyable day. There were a little more than half of the membership present.

Home Makers

The Home Makers club met with Mrs. Max Berman. The program was on Thrift. The following subjects were discussed:

Economy in the home—Mrs. Dewey Tidwell. What to buy—Mrs. Wyatt. Efficiency in Buying—Mrs. G. Vaught.

The Woman Buyer—Mrs. H. Vaught. A concrete example of thrift was given.

The members reported nine dresses made. Three breakfast room suites painted, 1 pillow top painted, one bedroom suite painted, two dressers painted, three sets of draperies painted, and three reported gardens made.

Mesdames Bill Dorn, Dewey Tidwell and Wyatt were appointed to attend the county federation meetings. Mrs. Dick Carter was received as a new member. The hostess served strawberry whip and cake.

The Pioneer Club

March 10th the Pioneer club met at the home of Mrs. J. Robinson. The weather being unpleasant and also on account of sickness there were only a few members present, however, the regular business session was gone thru after which those present enjoyed a very pleasant social hour.

Birthday Surprise

On March 24th the Pioneer club met at the club house and from there drove to the home of Mrs. S. H. Hart, they having planned a surprise party for her, the occasion being her birthday.

The crowd was met at the gate by Mrs. Hart, she not realizing it was a surprise party until the guests had been there for some time.

The regular business of the club was disposed of. Mrs. Harrel giving a talk on "Wise Buying" and Miss Inez Jones giving a talk on "Life and Color," both of which were very interesting.

Mrs. J. T. Johnson of Colorado, district chairman of library extension, who was an honored guest, gave a delightful talk in which she paid a pretty tribute to Mrs. Hart.

During the social hour Mrs. Hart was led into the dining room blindfolded and upon uncovering her eyes found the table filled with many useful and pretty gifts in the center of which was a large birthday cake lit with fifty candles. Refreshments were then served by the members of the club. There were about 30 present being several visitors aside from the members of the club and all joined in wishing Mrs. Hart many happy returns.

The next meeting of the club will be held at the club house April 13th with Mrs. Earl Brown and Mrs. Chester Hart as hostesses.

Parent-Teacher

The Parent-Teacher Association will meet at the high school auditorium Tuesday April 6th at three o'clock. Miss Mary Terrell's room has charge of the program and will give a little play "The Trial of Tire."

A Community Investment

ANY COMMUNITY'S biggest single investment is in its utilities.

The utility company in order to give the community adequate service must invest large sums of money in plants and equipment.

Once installed, electric light and power property is as much a part of a community as its sewers, sidewalks or streets, and just as readily usable by all residents. If it is necessary for this property to be expanded in order to meet the public demand for service, the same thing must be done as when sidewalks are laid or sewers put in.

In other words, whenever the West Texas Electric Company has to extend new electric light and power lines in order to give increased service the company must go out and get the money to buy material and pay for the labor.

The West Texas Electric Company is just like any city or individual that goes into a bank to borrow money. If its credit is good it gets the loan. If it isn't, it doesn't, the new improvements can not be made, and those who want service—the public—can not get it.

But if it can show that because of its financial soundness and ability to pay the going rate of interest it is entitled to credit, it gets the money, the improvements are built, and the result is Growth, Expansion, Increased Prosperity for Community and Company.

Mr. F. B. Whipkey, City.
Dear Bro. Ed:-

In reading over Colorado's inter-
esting and progressive weekly Rec-
ord (bootser) publication of 26th
inst., I read an editorial on "The Sin
of Indifference" by ye editor; as well
as "A Statement and Appeal," by
five well known and influential pas-
tors of the leading churches of this
city and coming big city, that ap-
pealed and touched my heart to in-
spiration. All I could think and
say: Amen!

God give us more editors, pastors
and men like these good men; we
would not be long in ridding our fair
land and glorious nation, these U. S.
A., of so much vice, crime, illicit
practices, heinous sins—so that the

devil would tuck his proverbial "ap-
pendix" between his legs and look
for a more lucrative territory to work
in.

I say, stand by a bunch of men
like these, for they are safe to "tie
to". Help to hold up their hands, and
give them good moral and Christian
backing—your support. And any
candidate for office who is known
to stand for these very principals and
ideals, vote for him! Let us make
America safe for better government,
so that brotherly love will abound.
May God's rich blessings rest upon
men and women, who will do their
whole duty in a moral and Christian
way, as citizens of the best nation
on earth.

(Signed—BOOSTER.
