

115 ADDITIONS TO BAPTIST CHURCH AS RESULT REVIVAL NATIONALLY KNOWN SPEAKER COMING TO COLORADO COLORADO PUBLIC SCHOOLS END SUCCESSFUL TERM IN TWO WEEKS

PASTOR D. W. MORGAN ELATED WITH RESULTS CAMPAIGN JUST ENDED

129 Profess Religion; 14 Go To Other Churches; Much Good Done

EVANGELIST IS PRAISED

Dramatic Close Monday Night With Presentation of Crucifixion

With a total of 115 additions to the Baptist church and 14 others who professed Christ and stated intention to join other churches, the Baptist revival campaign under leadership of V. B. Starnes evangelist party of Waco, came to a close Monday night, with a dramatic presentation of the Crucifixion of Christ, with five people presenting the scene in a realistic, touching and effective manner, ending what is said to be the most successful revival campaign conducted in Colorado in many years.

Rev. D. W. Morgan, pastor of the First Baptist church, who started the campaign three weeks ago, is elated over the unusual success of the campaign, and he says the evangelist party received very cordial welcome and excellent cooperation and left the city with the praise of the citizenship for the work done.

The pastor says the city received a spiritual awakening of untold value and that all the churches of the city were benefitted beyond the number of additions to the membership.

Those giving their names for membership are as follows:

- Those for Baptism**
- Miss Leola Watkins, Arthur Claybrook, Opal Miller, Mrs. John Callison, Miss Inez Carter, Miss Christine Yiles, Miss Maurine Morrow, Miss Juliana Smith, Miss Lois Pond, Miss Mary Evans, Miss Valma McClouli, Miss Lila Beaman, Mrs. E. L. King, Miss Zilpha Thomas, Miss Lois Andrews, Miss Mary Frances Dupree, Miss Evie May Robinson, Miss Frances Plaster, Miss Bernice Bloodworth, Miss Syble Mints, Hollis Watkins, Marvin Jackson, Miss Lillie McKenney, Leonard Hutchins, Miss Martha Evelyn Morgan, J. C. Robison, Jimmie Duckett, Miss Juanita Barton, Miss Nellie May Goodrich, Otho Rice, L. J. Burdine, Grover Buchanan, J. W. Rouse, Miss Carrie Wilson, Miss Ellen Oxford, Miss Ruth Broadworth, Miss Lucille Shannon, W. E. Hamilton, Roy Scott, Miss Lou Ellen Strong, Mrs. C. L. Bomer, Mrs. Sam Scott, Roy Snowden, A. C. Whitaker, Harold Lambeth, Mrs. Earlene Leach.

See 115 ADDITIONS, page 4

2 New Members Introduced At Lions Club Meet

Fred Brown, local filling station proprietor, and Thos. J. Coffee, attorney, were introduced as new members of the Colorado Lions club at the luncheon last Friday, each of them having been elected to membership at the previous meeting. Both these clubs made talks.

Machinery For Lambeth Gin At Snyder Now In

O. Lambeth stated Wednesday morning that the building had been completed and the machinery is now being installed at Snyder by Lambeth & Ely, and that the plant would be ready to run when the first cotton is picked this season. The plant is new, throughout and will be one of the most modern in West Texas.

200 STUDENTS TAKE PART IN PROGRAM BE GIVEN FRIDAY EVENING

Featuring 200 characters in three costumes plays from the grades of the Colorado public schools, a program of unusual attractiveness will be given at the high school auditorium Friday evening, May 13, under direction of Mrs. J. H. Guitler, director of music in the schools, and it is expected that a large crowd will witness the performance.

High School Auditorium Be Scene of Features By Pupils

Proceeds of the admittance fares will be used to purchase music and violas for the schools. Some of the features to be given are: "Spring on Parade," featuring flowers, frogs, rabbits, May queen, etc., enacted by pupils of the grades; "Bobby Shaftoe," featuring the prince with two lovers, attendants and witch; "Uncle Sam's Party," featuring the nations in song and dance. Mrs. Guitler urges patrons of the school and others interested in the schools to attend and promises a program that will be worth while. An elaborate program of dancing will be given in connection by Miss Jennie Bond Arledge who is presenting her pupils in a program of class.

SEVEN DRAW PEN TERMS IN DISTRICT COURT THIS WEEK

Lamesa Judge Presides Monday; Grand Jury Returns More Bills

Seven persons had been given penitentiary sentences up to Wednesday night in district court with only three days of the term set for the criminal docket expired. The criminal docket was taken up Monday with Judge Gordon B. McGuire of Lamesa, judge of the 106th district, presiding, having exchanged benches with Judge Fritz Smith.

Richard Keyes and Robert Cline were given seven years each on charges of robbery to which they pleaded guilty. They held up Allie Carlisle near Iatan and took his car and some money from him.

Alex Barnes and Willie Hamilton of Proctor, Texas, were given a suspended sentence of five years each on a plea of guilty to forgery. Cecil Bolinger was also given a five-year suspended sentence on same charge.

The fathers of Barnes and Hamilton and stated they would try to control the boys in future and keep them out of trouble.

Marcellino Albarado was given two years in the pen on charge of burglary.

Joe Anderson was acquitted on the charge of possession and sale of liquor.

Mrs. Alva May McLennan was sentenced to two years in the pen on charges of unlawful possession of liquor.

In the case of G. N. Connors vs. Jessie Connors, the plaintiff was given divorce as prayed for.

C. of C. Offer County Prizes In Litter Contest

The Colorado Chamber of Commerce will offer county prizes in the Ton-Litter contest, according to an announcement made by J. H. Greene, secretary. The Ton Litter contest is sponsored by the Progressive Farmer magazine and the A. & M. Extension Service, and they are offering several hundred dollars in prizes divided into two classes; the heaviest litterers and for the highest average weight per pig. The county prizes will be offered for the highest average weight per pig for litters of seven pigs or over.

- Rules for the county contest are as follows:
- Prizes are open to any one residing in Mitchell county.
 - Fifteen dollars will be paid to the person whose litter of seven pigs or over has the highest average weight per pig, provided at least three entries complete in prizes divided into two classes; the heaviest litterers and for the highest average weight per pig, provided at least five entries complete.
 - All entries must be listed with the county agent by 8 p. m., May 25.
 - Pigs must be weighed when they are 180 days old.
 - Entrants are requested to keep a record of all feed consumed by the pigs and by the sow during the suckling period only.
 - The judging committee will consist of the Secretary of the Chamber of Commerce, the county agent and a farmer.

COMING OF MAJOR CHAS. BRANDON BOOTH MONDAY GREAT EVENT

Head of Big Brotherhood Movement Speak Under Auspices Lions

Coming of Major Charles Brandon Booth, head of the Big Brotherhood movement in America, who will deliver two addresses in Colorado next Monday, May 16, is heralded as one of the most important events of the season. Major Booth is coming to Colorado under auspices of the Colorado Lions club, this club and the Hesperian club having guaranteed the expenses of his trip.

All those who know of Major Booth feel that this is a rare treat for the citizenship of this city and county. The lecture will be at the high school auditorium Monday night and will be free to all. He will also

lecture to the high school pupils in the afternoon and will be guest of the Lions club at luncheon Monday noon.

Mrs. S. H. Millwee, member of the Hesperian club, who heard Major Booth in Dallas last November, said: "Major Booth's work is recognized for its far reaching benefit and he has done welfare work that brings results. He is at the head of the Big Brotherhood movement of America, and it is along this line that he will speak."

"When the Biennial met in Atlantic City last June, Major Booth was recognized as the outstanding man—even though many national and international speakers were heard."

"Major Booth made his first lecturing tour to Texas last November and among other addresses, he gave his famous lecture, "Beauty for Ashes."

"He is a Christian gentleman of strong personality and we urge old and young to take the day off and hear every lecture or talk that he may give."

"Major Booth belongs to the well-known Booth family who organized the Salvation Army and Volunteers of America."

"FOLLIES OF '27" DRAW BIG CROWD

"The Follies of 1927," presented by high school students Tuesday evening was enjoyed by all present. The spacious school auditorium was almost filled, and the crowd was well entertained by the many gags, the good singing and dancing, and the other features of the vaudeville acts and the black-face minstrel. The program was of the type that does more than merely entertain. Such performances bring out the talents possessed by the students in the various lines, and the "Follies" revealed the fact that Colorado has "no small amount of good juvenile talent."

The boys in the minstrel deserve special mention. First place must go to Jack Baines for his versatility as a clog dancer, guitar artist, tenor singer, and all-around burnt cork performer. His dancing compares favorably with that of many professionalists. As an all-around comedian, white or black faced, Mike Porter rivals the best, and with continued practice he should soon rank at the top. Preceding the minstrel he carried off honors in several vaudeville acts, his impersonation of "Bud Crabapple" arousing much laughter when that unsophisticated "rube" beat a pair of city crooks at their own game. In the minstrel Mike was up to his usual standard. Elmer Lay Powell deserves much credit for the capable way in which he filled the role of interlocutor. Mention must also be made of the "strut" of John Shurtliff, the characteristic antics of Hoyt Max, the comical appearance and actions of "Fat" Slaton, the harp playing of James Hood, and the clever singing of Frank Pidgeon, Weldon Shanner and Lester Haines. In fact, much credit is due all the "crooks" for it was only by the teamwork and constant practice on the part of all that the act was rounded out into a smooth performance. The "circle" presented an attractive picture in their wing collars and dress suits of navy blue and rose, the colors harmonizing with the stage setting.

Of the girls taking part in the various vaudeville acts, first honors must go to the "Melody Maidens," a group composed of Sybil Kiker, Geraldine Baze, Annah Hewitt, and Katherine Hammock. Their costume

Dinner Proceeds Go To Help High School Annual

Pupils of the High School will serve Saturday dinner in the Earnest & Thomas building for the benefit of the high school annual. A good dinner is promised and the annual fund needs the proceeds, so special invitation is extended to all to eat dinner Saturday at the Earnest & Thomas building.

City Council Held Regular Meet Monday

The city council met in regular monthly session Monday night and attended to routine business of allowing accounts for bills due, etc.

Fred Brown was given a permit to erect an underground gasoline storage tank at his filling station on Second street to comply with regulations of fire insurance commission.

Base line for numbering streets and houses was set. The T. & P. railway was made the dividing line north and south, and Walnut street dividing line east and west. For instance, all streets north of the T. & P. will be north, L. e., North Walnut, and those on the east of Walnut will be east, such as East Second, etc.

Map for the naming and numbering of streets and houses is to be completed next week and the work will be done soon, City Manager Costin reports.

Report of L. A. Costin read and approved. Order was entered authorizing L. A. Costin to have eight-inch water main extended from Tenth street to Fifth street with view of cross cutting to serve north section of the city. Piping was unloaded Wednesday for four-inch line on Elm and across Second to negro section of the city, which was ordered several weeks ago.

Committees were named as follows: Streets and Alleys, J. Ralph Lee, G. B. Slaton and R. L. Spalding; Fire committee, R. L. Spalding, J. Ralph Lee and R. O. Pearson; Water and sewer committee, R. O. Pearson, G. B. Slaton and W. W. Whippley.

ROAD BONDS BE SOLD TODAY; ENGINEER BE EMPLOYED AT ONCE

Bonds Are Issued To Meet Requirement Of State Aid

The \$200,000 Mitchell county road bonds are to be sold this afternoon to the highest bidder, bids to be opened by commissioners' court.

The court met Monday and issued the bonds as per agreement and requirement of the State and Federal governments, so this county could qualify and receive the \$600,000 aid recently granted by these authorities.

Applications of engineers were heard by the court Monday and appointment of a resident engineer will be made at an early date, Judge Thompson stated Wednesday. Thirteen engineers filed application with the court for appointment. These were as follows: O. L. Crook, Austin; J. H. London, Anson; R. B. Glean, Fort Worth; O. L. Wilson, San Antonio; Geo. S. Hiland, Dallas; C. L. Hoste, Memphis, Texas; Thos. Wood Whitten, Abilene; S. C. Daugherty, Stamford; C. V. Nixon Schultz, Lubbock; L. A. Puckett, McCamey; Nagle, Witt, Rawlins & Gilchrist, Dallas; W. A. Bandy, Colorado.

As soon as the engineer has been elected plans and specifications will be drafted and the officials will be ready to let contract for construction. There is always considerable delay on state aid projects of this kind, but the county officials are pushing this project as much as possible and they have assurance from the highway commission that they are anxious to get the work under way.

BACCALAUREATE SERMON SUNDAY, MAY 22 BY REV. BEAVERS

Grammar School Exercises May 27; Senior Commencement Friday, May 27

44 IN THE SENIOR CLASS

Dr. J. W. Hunt To Deliver Commencement Address; Play Next Week

The Colorado public schools will end Friday, May 27, with one of the most successful terms in history. The attendance, scholarship and general progress far exceeds anything ever recorded here, and the school plant, with the new high-school building, is ever so much better than before.

There are 44 in the Senior class this year and 37 of these will receive diplomas at the commencement exercises Friday night, May 27, and the other seven will receive diplomas at the end of the summer term which starts soon after close of the regular term.

Commencement exercises will be held at the high school auditorium Friday evening, May 27. Dr. J. W. Hunt, president of McMurry College of Abilene, will deliver the address.

Baccalaureate Sermon May 22

Rev. M. M. Beavers, pastor of the Colorado Methodist church, will deliver the baccalaureate sermon at the high school auditorium Sunday, May 22.

The Senior play will be given at the high school auditorium Friday night, May 20.

Examinations for seniors will be held Tuesday, Wednesday and Thursday of next week. Final examinations for the remainder of the school will be held on Tuesday, Wednesday and Thursday, May 24, 25 and 26.

Grammar grade graduation exercises will be held on Friday morning, May 27.

On next Tuesday night, May 17, Mrs. Ed Dupree will present her music pupils in recital at the high school. Friday night of this week, Mrs. Guitler and Miss Arledge present an extensive program, followed on Monday.

RURAL CLUB RALLY SATURDAY EXPECTED DRAW LARGE CROWD

According to Miss Ives Belle Jones, county home demonstration agent, and W. S. Foster, county agent, the rural club rally to be held in Colorado Saturday will draw a large crowd to this city, including several hundred club women, boys and girls. The rally is sponsored by Miss Jones and Mr. Foster, and will be attended by parents of the club boys and girls, as well as visitors from every community in the county.

A big parade will be staged by the visitors, led by members of the Chamber of Commerce band. C. A. Hewitt, director of the band, said Tuesday that he would furnish music for the occasion. Following the parade, which starts at 1:30 p. m., a free picture show will be given for the visitors at the Ritz Theatre. Educational films from the Department of Agri-

culture will be shown as well as other features. The morning session will open at the tabernacle. A dairy cattle judging demonstration will be given by C. H. Clark of Sweetwater and C. C. Willis of Snyder.

J. R. Masterson of Abilene and Miss Jennie Campbell of the Extension Service of A. & M. College will speak to the boys and girls. Basket lunches will be brought by many visitors and several town people will carry lunch to the tabernacle for the noon hour.

Hundreds of visitors are expected to be in Colorado for this rally, as every community in the county is represented by some club work, and the students of the twenty-eight rural schools in the county have been invited to attend the rally. Foster

BAND TO PLAY POPULAR MUSIC CONCERT HERE FRIDAY NIGHT

The Chamber of Commerce band will give a big free band concert Friday night at 8 o'clock at the Tabernacle, according to J. H. Greene, secretary.

A large assortment of new popular music has been received and will be given by the band at this performance, Greene says. He also reports that several specials will be in store for the audience, possibly including some numbers by the high school quartet and members of the orchestra.

The band has been giving free concerts on Friday nights of each week with great success. Last Friday night they went to Westbrook and gave a free concert that was attended by several hundred people. From that community in addition to several from Colorado and Loraine. The previous week a concert was given at Loraine. It is understood that invitations for concerts at Buford and Cuthbert have been received by Secretary Greene.

Come and enjoy this Program and contribute to the needs of our Public Schools

Admission 25c and 35c

Homemakers' Club
The Homemakers Club met Friday with Mrs. Haynie. The members brought their sewing and spent a most enjoyable afternoon. Mrs. Tidwell gave a report of the Ozona district meeting and read extracts from "The Bohemian Girl," "Faust" and other operas.

The club will continue to meet all summer as a sewing and social affair. The study next fall will be Home Economics. Mrs. Tidwell will continue as president, Mrs. D. M. Merritt resigning.

At the social hour the hostess served fruit jello, cake and juleps. Mrs. J. E. Pritchett and Mrs. McCall Merritt were guests. The meeting this week is with Mrs. Roscoe Dabbs.

Friday Night's Program at High
Friday night the primary and grammar grades will entertain with very entertaining three-act group of plays and musical numbers. This will be the "Awakening of Spring," by the first, second and third grade pupils. Then a burlesque opera, "Bobby Shaftoe," by the second grade in costume. The third part is Uncle Sam's Party, by the fourth, fifth, sixth and seventh grades. This is being arranged by the teachers of the various grades and promises to be one of the very best affairs the school has had.

Workers' Missionary Society
The Workers' Missionary Society met Monday in the church. There were eight present and the regular lesson with the Bible questions and answers was studied. Monday the lesson will be from Moslem Women.

Christian Aid
The Christian Aid met Monday in the church parlors. The only business was the completion of plans for the social meeting which was held Wednesday night at the church, honoring two members, Mrs. Venable and Mrs. Mitchell, who are leaving.

Civic League
The Civic League met Saturday in the library. Five new members were reported. Mrs. Merritt gave a report of the Sixth District club meeting in Ozona and stated that she had promised ten dollars on the Biennial. The league discussed buying some more section of book cases for the library, and a committee was appointed to get prices. It was decided to name a town flower for next spring and to work on more general beautification.

Hesperian Club
The Hesperian club met Friday with Mrs. S. O. Wulfjen at the home

of Mrs. Pidgeon. Mrs. Connor of Fort Worth was named historian for the past history of the club. It was reported that Mrs. Wallace, Mrs. Broadus and Mrs. J. T. Johnson, had given on the Biennial fund and the club pledged \$1 per member at the Ozona meeting.

Mrs. Johnson, Mrs. Millwee, Mrs. Majors and Mrs. Merritt told of the many interesting things that happened in Ozona at the club meeting. So enthusiastic were they that no lesson was given. Mrs. Broadus gave a report from her viewpoint and showed the beautiful bag given her by the executive committee. The hostess served a salad and iced tea. The closing meeting of the year will be with Mrs. Millwee, Friday.

Harmony Club
The Harmony club met Tuesday with Mrs. R. E. Dolman, at the home of Mrs. Abe Dolman. There were three tables of 42 players and three tables of bridge—of the last all were guests. At the refreshment hour ice cream with fresh strawberries and angel cake was served. Mrs. Byron Byrne is to be the next hostess.

U. D. C.
The Robert E. Lee Chapter, U. D. C., will meet Tuesday at 3:30 o'clock with Mrs. C. P. Gary. The lesson will be taken from the annual.

Birthday Party
Thursday was Jimmie Charlton's sixth birthday and his mother invited a number of his friends in to play with him that afternoon. They brought some nice gifts and all had a good time. Before the party closed the birthday cake with six candles was out and served with ice cream.

Episcopal Guild
The women of the Episcopal church met Monday at the church in their study Miss. They finished "Beyond the City Limits," and will resume the study of the "Call to the Church." They made plans for visiting their members, new and old, right away.

Self Culture Club
The Self Culture club met with Mrs. Otto Jones for a business meeting. The program committee reported on their manner of dealing with the program for the coming year, and it was accepted. Mrs. Merritt reported on the County Federation, and the club voted to ratify the action regarding the fixing of clubs that do not have delegates at the meetings. Mrs. Merritt also reported on the Ozona meeting and so enthused the women over the possibilities of federation that they voted to enter the State Federation at once that

they may be eligible to attend the Biennial in San Antonio. Mrs. Elliott gave a full report of the year's work and told of the pleasure she had gotten from associating with the women all of whom she counted her friends. The study for the past year has been "Our Wonderful World," and she presented each member with a pretty little globe. The hostess served punch, and the club adjourned for its summer vacation.

Baptist Missionary Meeting
Mrs. J. M. Green-athlet Mesdames J. M. Green, J. T. Johnson and Walter Stoneham were hostesses. Mrs. Phenix and Mrs. D. W. Morgan were leaders. The lesson, taken from Royal Service, was on the Southern Baptist Convention, Its Organization and Purpose. There was a splendid attendance and a very interesting program. Mrs. Morgan read a Bible lesson and Mrs. Phenix also read the 97th Psalm. Roll call was responded to with the names of Southern Baptist convention states. There was special prayer for the meeting. Mrs. Terrell, Mrs. J. M. Green and others had parts on the program. When the study was concluded, the meeting adjourned to the Sunday school rooms, where refreshments were served.

Death of Mrs. Levi Collins
Mrs. Nancy Collins, wife of Levi Collins, died at Alpine, Texas, last week and was buried in Colorado on May 10, by the side of her husband, who died here many years ago.

Mrs. Collins was 67 years, nine months and nineteen days old. She was the mother of ten children, seven of whom survive her. Funeral services were held at the Methodist church Tuesday at 3 o'clock. This was conducted by Rev. Johnston of the Colorado circuit, Rev. Beavers being in Snyder at the Sweetwater District meeting. The passing of Mrs. Collins revives memories of pioneer days in the minds of old-time Methodists. Her husband was one of the first preachers in this section. They were married after he began to preach, and in a wagon traveled from appointments in small western towns to isolated ranches where he preached to those who would gather. He was a Confederate veteran and his grave is marked with a U. C. V. marker placed by the Robert E. Lee chapter. After the death of her husband, Mrs. Collins lived with a son in Alpine, and it was he who brought her body here to place it beside his father.

Sixth District Club Meeting in Ozona
The Sixth District club meeting which was held last Tuesday, Wednesday and Thursday in Ozona, was one of the largest and most enjoyable the Sixth District has ever held. A number attended from Colorado, going over in cars and enjoying a pleasant trip, the most delightful hospitality of the Ozona people and the informational club sessions.

Ozona is the only town in Crockett county, situated in a rich sheep and cattle section of the country, with beautiful homes and public buildings. The school building of native stone is splendidly equipped and the superintendent and faculty full of life to every interest. The tree planting occurred on the campus at 9 o'clock Tuesday. Then the club women were entertained by talks, plays and musical numbers in the various rooms until 11 o'clock, when the executive session was held. At noon the newly organized Chamber of Commerce entertained the visitors with a lovely luncheon in the new Ozona hotel. This was also of native stone and quite as modern and well equipped as any city hotel. At the luncheon, a few men appeared and welcomed the women. The president of the Chamber of Commerce said most of them were busy getting other things ready. A feature of this and all the other dinners was the waitresses—pretty high school girls dressed in blue, pink and lavender gingham dresses with white organdy collars and ties.

Tuesday afternoon the club husbands staged a splendid rodeo. The town owns a lovely fair park with big grand stand with boxes, cushions and comfortable seats. Racing, wild steer riding, goat and steer roping were featured. The beautiful cow ponies gave the western visitors a real thrill. That evening a chuck wagon supper was enjoyed. This consisted of barbecue, beans, stew and steaks, and was greatly enjoyed. A feature of this was the singing of old-time cowboy songs by a group of boys and girls. In it all the old-time western spirit was seen. That evening, at the beautiful Methodist church, where all the business sessions were held, was "President's Evening." The first vice president, Mrs. Douglass, presided. The chairmen were seated on the rostrum and the presidents of the State and District, Mrs. Fields and Mrs. Broadus, together with past

district presidents, down near the front. The club women and the Chamber of Commerce formally welcomed the club women and Mrs. J. I. McDowell of Big Spring responded. Miss Morrison of McMurray College played beautifully and Mrs. Wylie, also of McMurray, sang. Mrs. Perkins of Eastland told of the Biennial in Atlantic City, and Mrs. Hagerman of the one that is coming to Texas in 1928. Mrs. Fields brought greetings, as did all of the past district presidents. Then Mrs. Broadus gave her message, which was mainly an introduction of her official family.

Wednesday the club went into business session, and throughout the day reports were given from the chairmen and individual clubs. At noon luncheon was served in the basement of the church, where the home equipment display was shown and a clever little play showing the use of electric appliances staged. This was the arts evening and after a beautiful dinner at the Ozona hotel the program was given at the Ozona theater. Dr. Morelock of Sul Ross made the main address, "The Challenge of Childhood." Miss Broadus read "The Minnet," Miss Nell Smith gave a one-act play, "Fourteen," Mrs. Robertson read her prize poem, "Recompense." Mrs. Renaud read "A Pair of Shoes." There were several musical numbers and the program closed with a play, "Jean Marie" by the Dramatic Club of Abilene Christian College. Thursday was devoted to business and club reports, the session closing at two o'clock.

One of the important messages was the plans for the Biennial which is coming to San Antonio, Texas, in 1928. Each district must raise a sum of money for this, and must do its part toward the entertainment of the guests. Mrs. Broadus was elected district chairman, Miss Reagan treasurer, and Mrs. Lee is state finance chairman. She took offerings and pledges for this and got over \$500. Every club woman should plan to support and attend the great meeting.

The Eastland and Mitchell County federations tied on club reports and each was given a prize. The Alpine club got first prize on its report. The Rising Star club was second and Colorado Home Makers honorable mention.

Mrs. Pettit of Cisco got first prize on the one-act play; Mrs. Harry Raliff, second; Miss Broadus, third.

Mrs. John Poy of Sweetwater was elected president, with Mrs. Hedrick secretary and treasurer. Mrs. G. Flak of Abilene was elected first vice president, and Mrs. Mead of Marfa, second vice president. The place of next meeting was not decided.

A unique feature was the relics

exhibit. The Coleman clubs had the biggest group of relics. Eighteen new clubs were received. Miss Iva Belle Jones had a home demonstration exhibit which was a source of great interest to the women who do not have this work.

Auxiliary to American Legion
The American Legion Auxiliary will meet Saturday at 4 o'clock in the Hat. This is an important meeting and every member is urged to be present. The Auxiliary has sent a nice box to the soldiers without compensation in Kerrville, but more garments are needed. A division meeting is to be held in Lubbock on May 20-21, and a district meeting in San Angelo on May 29. Delegates must be elected to both of these, so be on hand.

Home Department of Missionary Society
The Home Department of the Methodist Missionary Society met on Monday with Mrs. Q. D. Hall as hostess, in the basement of the church. The chairman, Mrs. W. L. Doss, called the meeting to order. After prayer and reading of the minutes, Mrs. Garrett gave a report of the district meeting held here in April. It was voted to paper and otherwise repair the upstairs bed and bath rooms. It was decided to have a market next Saturday and the next after that. The wedding of Miss Willie Fay Beavers was announced for Thursday, and the ladies decided to notify the entire church of a shower for her. The gifts are to be taken to Mrs. Oscar Majors and she and Mrs. Millburn Doss will pack the articles for the bride, who will only be here two days. Miss Beavers is coming from Canyon, where she is in school, to be married.

A bill of five dollars for flowers was ordered paid, and ten dollars was voted for the girls camp at Palo Duro Canyon.

Club Night
At the social hour, the hostess served black and white cake and cream. The next meeting is to be with Mrs. Wulfjen. Mrs. Clark of Slaton was an appreciated visitor.

Thursday was the first "club night" at the Country club and was greatly enjoyed by those attending. Miss Thomas and Mr. John Shaw were hostess and host for this affair. There were ten tables of bridge and at the close of the game a refreshment course of ice cream and cake was served. Henceforth, there will be one club night each month and one ladies' day.

Palace Theatre

Friday and Saturday, May 20 and 21

We have seen this picture and guarantee it to be one of the best pictures of its kind we have ever shown. Lon Chaney as "As He Is"—no make up at all. Lots of pep, action and plenty of comedy. Only Two Days, Don't miss it.

SILVER SIGNALS

I. O. FINLEY, Reporter Interest in Sunday school is growing...

Brother Herman Charles of A. C. C. will preach for us the first Sunday in June...

We expect to render a very interesting program the last of school...

We were flooded with visitors last Friday. We appreciate the interest shown by the people...

Supt. G. D. Foster visited us this week. We are always glad to have him come with his helpful suggestions.

Mr. Finley and family of Lorraine visited at the teachers Sunday afternoon.

Almost every day the high wind passes singing: "Tain't Gonna Rain No More."

Mrs. Everett McCann of Snyder is visiting Mr. Ben McCann and family.

Mr. Nest Johnson has gone to...

SANITARIUM HAS MANY PATIENTS THIS WEEK

Several operations for appendicitis were performed by Dr. C. L. Root, chief surgeon of the Colorado Sanitarium...

Mrs. Kruse of Ira, operated on Tuesday night. Mrs. Ray Ellis of Westbrook was operated on Wednesday for appendicitis...

The Civic League reported, as did the 1927 Self Culture clubs.

Lorraine P. T. A. had their last meeting of the year Wednesday. This was a social with a summary of the year's work...

Mrs. Hart reported for five members of Pioneer. Sold: Butter, 37 pounds, \$18.10; eggs, \$29.93; cream, \$14; hens, \$7.20; baby chicks, \$8.40; Baby chicks hatched, 225; canned 295 cans beef; made 14 garments; made over five dresses. Planted 100 blackberries, 50 strawberries, 1 pecan tree.

Mrs. Morrill spoke of the Biennial in San Antonio in 1928 and the coming of Capt. Booth next Monday.

Everybody invited to hear him Monday evening at high school. After adjournment, Mr. Richardson took a picture of some of the ladies.

COUNTRY CLUB HOSTESSES Mrs. Chester Jones and Mrs. Harry Ragan will be hostesses at Colorado Country club next Wednesday, which is regular ladies' day.

Corley Dozeman has returned from Dallas, Fort Worth, Mineral Wells and other points where he spent vacation. He assumed his duties at the post office Sunday night.

Social Meeting at Christian Church

Wednesday evening the members of the Christian church were entertained with a very delightful social meeting in the church parlors.

Thursday morning at 7 o'clock, at the home of the bride's parents, Rev. and Mrs. M. M. Beavers, Dr. J. W. Hendrix of Hereford and Miss Willie Mae Beavers were married.

The groom is a popular young physician of Hereford, where the young couple will live.

The church ladies showered Miss Beavers Wednesday with many useful and beautiful gifts.

Mrs. Nellie Hanks, 47, wife of J. B. Hanks, was buried at Cuthbert Thursday afternoon of last week, having died at their home in Howard county Wednesday.

The following contributions to storm relief funds have been announced by J. H. Greene, which is in addition to the amount previously published:

Crawford Land Co. by J. A. Bachman, \$25.00, J. B. Farmer & Co., \$10.00, R. L. Cathart \$5.00.

Several hundred were killed and many more injured in the storms of several days ago and the flood damage in the east, and the Red Cross is making every effort to care for the homeless and the injured.

Mr. Richardson of Farm and Ranch was presented. He said that women's clubs were once one of his pet animosities.

Mr. Paul Snively and family and Mrs. A. D. Kiker spent the week-end in Dublin.

The Primary and Hutchinson schools invite you to their program at the high school Friday night.

Big Spring—Contract let for the new Crawford hotel to be built at West Third and Gregg streets.

Brother Herman Charles of A. C. C. will preach for us the first Sunday in June.

We expect to render a very interesting program the last of school.

We were flooded with visitors last Friday. We appreciate the interest shown by the people.

Supt. G. D. Foster visited us this week. We are always glad to have him come with his helpful suggestions.

Mr. Finley and family of Lorraine visited at the teachers Sunday afternoon.

Almost every day the high wind passes singing: "Tain't Gonna Rain No More."

Commissioners' Court Proceedings
Monthly report of County Treasurer H. C. Doss examined and approved.
Monthly report of Tax Collector R. E. Gregory approved.

Considered the application of the Gulf Production Company and Gulf Pipe Line Company for a franchise to operate pipe lines for the transportation of oil, gas, water and gasoline through Mitchell county, and the commissioners decided that the court would grant said petition if the oil company would designate the roads and the location of said crossings, but in no wise would they be permitted to cross the roads unless the above conditions are met.

Considered returns of an election held on the 7th day of May, 1927, in Conaway Common School district No. 23, for the purpose of determining whether or not a majority of the legally qualified resident taxpayers voters of that district desired to further tax themselves by increasing the present maintenance tax of said district for further supplementing the State school fund apportioned to the said district, and to determine whether the commissioners' court of said county shall be authorized to levy, assess and collect annually an additional tax of and at the rate of 25

cents in addition to the 75 cents heretofore voted, aggregating a total of 100 cents on the \$100 valuation of all taxable property in that district. It was found that there were 13 votes cast for the increase and only one against.
Considered the returns of an election held on the 7th day of May, 1927, in Conaway School District No. 23, upon the question of issuing \$2,000.00 school house bonds. It was found that a majority of voters favored the issue, 12 voting for and 2 against the issue.

Colorado Public Schools END SUCCESSFUL TERM WITHIN TWO WEEKS
(Continued from page 1)
night by lecture of Major Charles Brandon Booth.
RURAL SCHOOLS CLOSE SUCCESSFUL TERMS
According to G. D. Foster, county superintendent, the rural schools are all ending a very successful term. Two of these schools have already closed and Northampton and Baumann will close Friday, May 13. Jatan, Rogers, Dorn, Spade, Buford, Fairview and Silver will close on Friday of next week, and Lone Star, Carr, Cuthbert, Seven Wells, Valley View, Horn's Chapel, McKenzie, Landers and Hyman will close Friday, May 27.
Longfellow, Payne, Looney, Shepherd and Conaway will continue to June 4th, according to Mr. Foster.

The grand jury which was discharged Monday after turning in about 30 indictments, 18 of which were felony cases, was re-convened Thursday morning by Judge Fritz R. Smith to take up some special matters and make investigations of further matters pertaining to law violations.
The district court recessed Thursday morning, owing to illness of a son of Judge Smith, who was hurt in an automobile accident in California a few days ago, and who was brought back to Snyder Wednesday night.

200 STUDENTS TAKE PART IN PROGRAM BE GIVEN FRIDAY EVENING

and pantomime dances and ballet, "My Lady's Boudoir." This feature of the program will be attractive and worth the price of admission, it is said.
Owing to arrangement for the program of Miss Arledge, the entertainment will be a double program of unusual merit. The interpretative dancing, built around Mother Goose melodies and a number of divertissements depicting the seasons, will be of unusual interest.

FOLLIES OF '27—from page 1
relieve the unsuspecting Bud Crabapple of his hard-earned month's wages. Margaret Mann, the wife with "brown eyes" and a guilty conscience, seemed perfectly at home, as did Mary Louise Campbell, a modern "Opheelia" bent on drowning herself. The comic make-ups of the feminine passengers in "Janky's Jitney" were extremely good. The girls' choruses and dances were prettily costumed and added much to the program.
Mention must also be made of two performers who were not high school students: Little Ross Dixon, Jr., a curly-haired tot less than two years old, performed like a veteran of the stage, and gives promise of being another Jackie Coogan. "Bloody Pin-dolin, a youth who hails from Paris, Texas, "clipped the pigeon's wing" and showed that he "knew his onions" when it came to the terpsichorean art.
The receipts from this entertainment were over ninety dollars, and the net proceeds were divided equally between the high school annual fund and the orchestra. Posters for advertising the program were drawn by high school students who competed for prizes. The first prize of \$5 was won by Richmond Campbell, and the second prize of \$1.00 went to Clifton Morrow. Many good posters were entered in the contest.

115 ADDITIONS—from page 1
Miss Billie Wyatt, Grady Beach, Mrs. T. E. Burrus, Miss Leola Smith, Miss Sterling Cooper, Miss Irene Stripling, Beulah Strong, Juanita McKenney, J. C. Hall, Jr., Allie Callaway, Mrs. Conaway Iglehart, Mrs. Beulah Webber, Lovena Wren.

CHURCHES

REV. J. D. WHITE AT CHRISTIAN CHURCH SUNDAY
Rev. John D. White of Gatesville will be in Colorado Sunday and will hold services at the First Christian Church Sunday morning and evening, according to W. W. Porter, member of that church. Porter urges all members to be present and hear the speaker.

THE METHODIST CHURCH
Sunday school at 9:45 a. m. Preaching morning and evening by the pastor.
Morning subject, "Which Church Would Jesus Join?"
Evening hour, "Seeking the Lost." We hope to serve and help. Worship with us.
M. M. BEAVERS, Pastor.

CHURCH OF CHRIST
Lord's Day Bible classes at 10 a. m. More room has been provided for this work. Preaching and communion from 11 to 12.
Young People's class 6:30 p. m. Evening Gospel service, 8 p. m. Week day activities, Ladies' Bible class, with Mrs. Lipps, Monday at 3 p. m.
Wednesday night service 8 o'clock. We welcome your presence.
J. D. HARVEY, Minister.

PRESBYTERIAN CHURCH
Sunday school at 9:45 a. m., J. M. Thomas, superintendent.
Sermon and worship at 11 a. m., and 8 p. m.
Prayer Band at 7:45 p. m.
Christian Endeavor at 5 p. m.
We are always glad to have visitors. You will find our church a home-like church, always friendly to strangers and visitors. Stay awhile after services and get acquainted with us.
Prayer meeting at 7:30 Wednesday evening. We try to make this service an inspirational service. You go back to the duties of the week feeling better and more like there is something to live for.
Come to all our services—we welcome you.
W. M. ELLIOTT, Pastor.

FIRST BAPTIST CHURCH
All members are urged to be present Sunday, as we are looking forward to one of the greatest services ever held in the church. Come praying that the Lord may lead in the service.
Preaching at 11 a. m., and 8 p. m.
D. W. MORGAN, Pastor.

Lon Chaney In Big Spectacular Film Here Thurs.

Lon Chaney, he of the thousand faces, is showing his thousand-and-first visage at the Palace Theatre on Friday and Saturday, May 20-21.
The sinister cripple of "The Penalty," the tragic clown of "He Who Gets Slapped," the one-eyed monster of "The Road to Mandalay," has forsaken his weird trappings—for a disguise even more amazing.
He roars his way through the role of a tough old Marine sergeant; years in the service; veteran of many a battle—battering the new generation of recruits into the traditions of the service that is "first to fight."

A grim old fellow, this sergeant of the new Metro-Goldwyn-Mayer spectacle, "Tell it to the Marines." But under it all, proud of his boys; as fond of them as a father might be, even while he belabors them like a Simon Legree.
His is the story of many a tough old "top kicker" of the corps—and the explanation of the fanatical adoration Marines have for their sergeants—the tougher the better.

"Tell it to the Marines" is Simon pure entertainment—but it is more—it is the very soul of Uncle Sam's great service thrown on the screen.
It is full of sensational thrills—a great battle fleet thundering its defiance to the world; desperate battles; and with a wonderful love story woven through its laughs. The government saw its value—that is why it was made with the cooperation of the whole corps—why hundreds of Marines play in its dramatic action—why great battleships lent themselves to its needs. It does for the Marines what "The Big Parade" did for the soldiers.
William Haines, as the irrepressible recruit, has a role that was "custom made" for him, and Eleanor Boardman makes a charming heroine. Carmel Myers, Eddie Gribbon and others, including George Hill, director, merit praise.
If there is any particular film idol of the Marine Corps, that man is Lon Chaney. During his stay on battleships and the Marine base, he was principal entertainer at night, reviving his old comic opera songs and dances, relics of his bygone stage career, and made hundreds of friends.
This occurred during the filming of the Metro-Goldwyn-Mayer production, "Tell it to the Marines," coming to the Palace Theatre, Friday and Saturday, May 20-21.

WITH THE JOKESMITH
Idiom of the Waiter
Customer (in lunch room)—Waiter, give me milk and shredded wheat biscuits.
Waiter (shouting to kitchen)—Cow juice and two straw pillows.
Logical
"De doctuh say I got too much Foo in my blood."
"Does you eat much po'k, nigger?"
"Sho! Whuffo you ask?"
"Den you'd bettah eat less po'k; you is full o' pig-fo'."

Good Intentions
A little girl was seen giving her dog her pudding. Her mother told her not to give her own pudding, but only what was left from the plates. The child obeyed, and, taking it to the dog, said: "Doggie, I mean this to be an offering, but it's only a calculation."

Heard it "Drap."
An ancient negro was relating some of his experiences:
"And I suppose," remarked one of the party with sarcasm, "that you remember the Fall of Rome?"
"Well, sah," answered the old man, shaking his head, "I can't exactly say I see it, but I does recollect hearing somethin' drap!"

IN THE MARKET FOR A TOMBSTONE?
Since November, 1911, I have sold more than 100 tombstones, which have been set in some 17 cemeteries. If you are in the market for one, come and look over the list of people I have sold and get my prices.
I never have prospective buyers, simply give you my prices, guarantee my work, and leave it up to you. See me or phone me at the Alamo Hotel.
ERNEST KEATHLEY,
Agent Since November, 1911.

Bilious dull feeling
Thedford's BLACK-DRAUGHT LIVER MEDICINE
"MY old stand-by is Thedford's Black-Draught—I have used it off and on for about 20 years," says Mr. W. S. Reynolds, of R. F. D. 2, Arcadia, Ind.
"I get bilious and have a bad taste in my mouth. My head feels dull. I don't just feel like getting around and doing my work. I know it isn't laziness, but biliousness.
"So I take a few doses of Black-Draught and when it acts well, I get up feeling like new—full of pep and ready for any kind of work.
"I can certainly recommend it."
In case of biliousness and other disagreeable conditions due to an inactive liver, Black-Draught helps to drive the poisonous impurities out of the system and tends to leave the organs in a state of normal, healthy activity.
Black-Draught is made entirely of pure medicinal roots and herbs and contains no dangerous or harmful mineral drugs. It can be safely taken by everyone.
Sold everywhere. Price 25c.

HAPPINESS Instead of Gray Hairs

Isn't it awful when the mail brings you nothing but bills? And when the door bell rings does it mean friends or someone with a neglected bill? From morning till night, at home or on the streets you are worried with bills, bill, and unpaid bills.

Many of these bills were for things you could have done without, but it was too easy to say "charge it."

R. H. Smith and Son says, "why grow gray over worrying about bills? Trade with us, pay as you go, either use our coupon book, or pay when we deliver." We deliver and have a telephone, so why worry? Be at ease by trading with us.

R. H. Smith & Son

Old City Hall Building on Corner

ROBERT WHIPKEY IS HONORED BY STUDENTS SIMMONS UNIVERSITY

Son of A. L. Whipkey Gets
Highest Honors at Abilene
School This Year

Robert Whipkey, son of Mr. and Mrs. A. L. Whipkey of Colorado, carried off the principal honors in the annual student election held at Simmons University at Abilene Tuesday.

Young Whipkey, who is a junior at Simmons, was elected president of the Simmons Students' association.

and editor of the Brand, official student publication of the university. He defeated Lawrence Fitzgerald for president of the association by such a substantial majority that he was unopposed for editor of the Brand. He served as managing editor of the Brand the past season just closed, and has had some position on the staff of that paper since he matriculated at Simmons three years ago.

In addition to the above the Colorado young man is president of the Junior class this year, is a member of the famous Cowboy band and a member of the special saxophone sextette of Simmons.

Last year, Whipkey was more honored than ever on a loving cup for his all-around university career. He has also been connected with publication of the annual of the university each year.

Robert Whipkey graduated from the Colorado High school in 1924 with highest honors and was awarded a scholarship for his splendid work.

It seems that young Whipkey's ability runs toward a journalistic career, which would be following in the footsteps of his father, who was part owner and co-publisher of the Record for 18 years. His mother was also society editor of the Record for many years.

CROP OUTLOOK UNFAVORABLE OLD TIMERS OF COUNTY SAY

Crop conditions in Mitchell county in many communities are not favorable at this time, according to old timers who have farmed in this county for a number of years.

While there is a good deep season in the ground, excessive winds have dried out the top soil in many communities until planting cannot be done and farmers are awaiting rain to finish planting. In some cases farmers have not planted anything, more especially on the tight land. Many of the farmers who had food and cotton up to a good stand report loss or heavy damage to these fields from the high winds and sand blowing Saturday, Sunday and Monday.

J. R. Sheppard of near Buford, reports the loss of a field of feed, the first time since he has been farming in that community, and he says farming conditions in this county are not at all favorable now. Of course, everybody knows that there is yet plenty of time to plant and grow bumper crops of all kinds if rain falls. Most farmers say there will be plenty of time to plant even up to the first of June.

A farmer north of Loraine, in the divide country, said Wednesday that the best crop he ever raised in Mitchell county was planted on the 10th of June and that he gathered a bale to the acre that year. Others say that cotton planted from May 29 to June 1 will produce better if proper season is had, so it is not yet a very serious proposition with the farmers, if rain can be had this month.

While some communities have had rain and are going right ahead with farming, others are at a standstill awaiting rain and as a whole, it is said that conditions are not nearly so favorable for crops this year as many had expected.

There is no occasion for great alarm, but the Record is trying to lay the facts before its readers just as they exist. We are not "scared" and are not pessimistic, but we wish to state the case as it stands.

Taken as a whole crop conditions are unfavorable all over the country, and Mitchell county is probably much better off than other counties in the state. Most of West Texas is dry at this time and practically all the eastern states are flooded.

GREENE SAYS PIPE LINE IS VALUABLE ASSET TO COUNTY

New Taxable Wealth; Pay
Roll Is Big Item;
Work Started

J. H. Greene, secretary of the Colorado Chamber of Commerce, calls attention to the value of the Gulf company's oil pipe line now building through Mitchell county. Camp for the crew is located near the old water works in Southeast Colorado.

"One item alone," Greene said, "is of great importance financially, and that is the matter of taxes. The company is building thirty-two miles of pipe line through Mitchell county and will invest about \$375,000.00 here. The addition of this wealth to the county will mean much in the way of taxes, and the Chamber of Commerce is glad to give any aid it can to the Gulf company in carrying out its work."

A representative of the company was here the latter part of last week and first of this week working on the right-of-way and stated the land had all been secured for the right-of-way from Ranger to Midland, including Mitchell county, and that the work would be pushed to completion.

He stated that the history of pipe lines shows that they are a great asset to the development of communities. They aid in oil development, for drilling companies make tests new pipe lines, knowing that if production is obtained they will have a way to dispose of their crude without delay. He also stated that the Gulf company in laying this line has gone a more circuitous route than would have been necessary to pipe the oil to Port Arthur, the ultimate destination of the line, because they believe they are carrying the line through much undeveloped oil territory which will bring heavy production in the future.

Half of the \$375,000 that will be spent in putting the pipe line through this county will be used for labor, food and supplies, he said. The right of way has been secured across the county.

ORDER EASTERN STAR MEETS HERE MAY 19

Mrs. M. E. Lindley, Worthy Matron of the Order of Eastern Star, announces regular meeting of the order at the Masonic hall for Thursday night, May 19. Important business is to come up, including the election of officers for the coming year. Every member is urged to be present.

J. W. Chase And J. A. Green Buy C. E. Webb Dairy

J. W. Chase and J. A. Green purchased the C. E. Webb dairy, formerly the Hardison dairy, and assumed charge Wednesday morning. Chase and Green purchased all the cattle and dairy equipment and leased the farm on which the dairy is located and will continue to operate the dairy at the same location. Several new dairy cows have been added and great improvements to the equipment and mode of handling the products will be made, Chase announced Wednesday.

J. A. Green has been farming on the Lasky farm and J. W. Chase has been connected with his father, J. E. Chase, in management of the Lone Wolf Produce company. Both of these young men have had experience in dairy work and in the management and handling of dairy products and they promise to give this city a real up-to-date sanitary dairy.

This dairy is well equipped with milking machines and all conveniences needed to put out the highest type of dairy products, and the new owners promise the public the best possible service and a product that will meet every requirement as to quality and sanitation.

OLD FASHION MOTHER BE STAGED BY PUPILS LOONEY SUNDAY SCHOOL

A Free Performance Friday
Night at Looney
School

Dramatic presentation of the "Old Fashioned Mother" will be given by the pupils of the Sunday school of Looney, at the Looney school house, Friday night, according to E. S. Miles. Mrs. E. A. Carey is director of the play, which will be given free and all are invited to attend, Miles said.

Special music will be rendered by musicians of the community and specialty acts may be given. The entire performance will be under direction of Mrs. Carey and will be given by local talent of the community.

The cast of characters:

Mrs. Deborah Underhill—Mrs. E. S. Miles.
Widow Bill Pendle—Miss Mavis Roney.

Miss Lourzy Loving Custard—Mrs. M. D. Daugherty.
Isabel Simpact—Gladys White-side.

Gloriana Perkins—Inez Thompson.
Sukey Pindle—Miss Ina Mae Carey.

John Underhill—Trudo Webb.
Charley Underhill—Marion Hamrick.

Jonah Quakenbush—J. M. Thompson.
Jerry Gauslin—E. S. Miles.
Enoch Rone—Warren Goods.
Quintis Todd—Jake Sheperd.

Time—Twenty years ago.
Place—The Village of Canton, in New York.

Time of playing—Two hours.

NEW MODEL CHEVROLET

Chevrolet today announces a new model, the Imperial Landau. It is a five-passenger closed car of luxurious appointments and new design, listed at \$780, f. o. b. Flint.

Heralded as the aristocrat of low-priced cars, the new model is equipped with a specially designed Fisher body, marking a new creation by Fisher that provides the low-priced field with a smart, rakish landau.

Contributing to the distinction of the Imperial Landau is the specially designed low-slung Fisher body with its many advancements in design from vaulted roof and oblong plate-glass windows to smoking set. Hardware is of special design throughout, with garnish rails in polychrome and door seals of beaded maroon leather—in pleasing contrast with the deep-tufted taupe mohair upholstery.

Emphasizing the exterior beauty of the car is the lustrous satin black Duco finish with double head stripes of chasseur red. Window frames have a crimson trim on the outside and maroon within the car. The top rear quarter and the sun visor are of mouse gray textile leather. The Imperial Landau is fitted with a swing-out type windshield of one-piece design on nickel-plated brackets, while narrow front pillars provide for increased driving vision.

Like other Chevrolet models this year, the Imperial Landau is equipped with standard one-piece, full-crown fenders, oil filter, air cleaner-type head lamps, remote control door handles, improved instrument panel, new gasoline gauge, disc wheels, new radiator and running board.

M. W. A. PICNIC AND BARBECUE BE 2 MILES EAST TOWN

Grounds in West Colorado
Not Available; New
Location Better

The Modern Woodmen and Royal Neighbors picnic and barbecue announced for next Tuesday, May 17, will be held two miles east of Colorado, just east of the Cowan filling station near the cemetery, officials of the lodge announced Wednesday.

The new grounds are much more desirable because the grounds are not dusty and there is plenty of water and shade on the ground.

A big hall game between the M. W. A. and Hyman has been matched for 3:30 p. m., and the barbecue will be given at 6:00 p. m. The Royal Neighbors will serve cake also. Several beehives will be barbecued on the ground and all M. W. A. and R. N. members and all visiting members will be welcome and are urged to attend.

The members will meet at the hall early Tuesday morning and will meet the west bound train on which State Deputy Robert Vidler will arrive. Visiting members and local members are asked to congregate at the hall as rapidly as they arrive in town. From the hall they will go to the picnic grounds.

The big open initiation to be staged late in the afternoon is expected to draw a large crowd and everybody will be invited to witness this initiation, whether a member of the lodge or not. This is the first time an open initiation has been given in this section by this lodge.

Local officials of the M. W. A. and R. N. are enthusiastic over the outlook for the occasion and they say hundreds of visitors will be here for the day. The State Deputy of Dallas will be here and will deliver an address.

Mrs. S. P. Craven of Merton and Mrs. Earl Glaser of Big Spring visited Mrs. J. A. Sadler, Wednesday.

ATTRACTIVE PROGRAM FOR REDPATH-HORNER CHAUTAUQUA JUNE 29-29

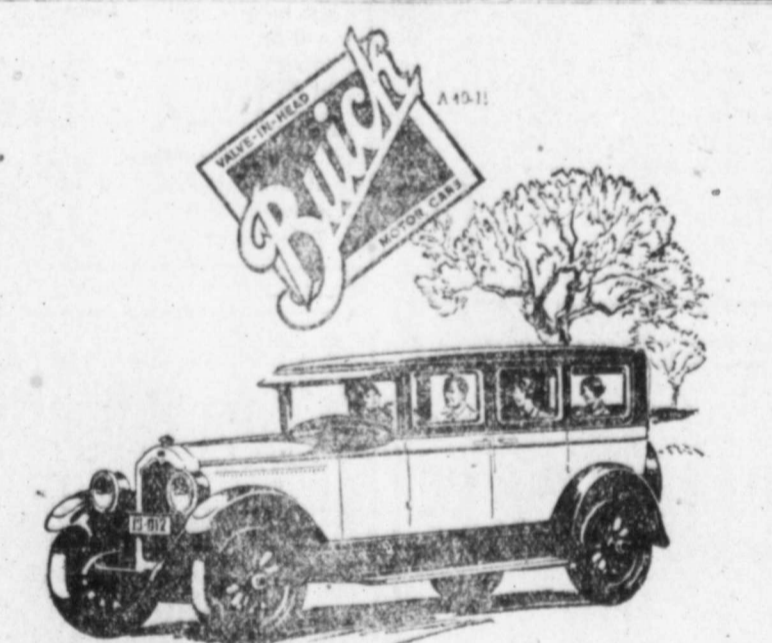

Chase Says Premier Circuit
Represents Highest Type
Entertainment

Colorado will enjoy a session of summer entertainment of the highest type from June 23 to 29, inclusive, when the Redpath-Horner Premier Chautauqua comes here for a full week, J. E. Chase, president of the Colorado Chautauqua association, announced this week. The Premier circuit represents the highest type of entertainment and has an established record, Chase says, and will furnish Colorado with a week's engagement that will be worth while.

The program as announced by Mr. Chase includes two dramatic productions, "The Patry," and "Pine Feathers," one musical comedy, "The Firefly," with a cast of twenty, including an orchestra, "An Evening in Hawaii" by George Vierra and his native Hawaiians, and other musical attractions and entertainers. In addition there are several outstanding lecturers on live topics of the day.

Do You Know?

Ford

Parts and Accessories

- That to buy any car, other than a Ford, you have to spend an average of at least \$142.14 more as purchase price alone?
- That the Ford is the only car now equipped with the Ford vaporizer, which has 50 percent increased the mileage per gallon of gas?
- That the Ford is the only car under the \$2,000 class equipped with a Dual Ignition System, so when complicated and delicate battery system is out of order or battery dead, you can continue using the car with its old reliable magnet ignition system?
- That the Ford has more horsepower (A. L. & A. M.) rating to each 100 lbs. of weight than any other car?
- That the Ford has more square inches of tire surface per 100 lbs. of weight than any other car?
- That the Ford has more piston displacement per 100 lbs. weight than any other car?
- That the Ford has more braking power for each 100 lbs. of weight than any other car?
- That the latest model Ford has 80 per cent increased braking area on the foot brake and 130 per cent increased braking area on the rear wheels?
- That the Ford planetary transmission costs more to manufacture and is simpler to operate than a sliding gear transmission?
- That at 35-mile speed you can instantly go into reverse with the Ford and not hurt the transmission, an operation which would ruin a sliding gear transmission?
- That material used in the working parts of the Ford are of the best quality known to engineering?
- That 43 per cent of Ford parts are sold at 15 cents or less?
- That \$1.00 worth of Ford parts is equivalent to \$3.00 to \$25.00 worth of the parts of other cars?
- That the Ford has a torque tube drive, found on such high-priced cars as Lincoln, Rolls-Royce and Marmon, etc.
- That the Ford has the simplest and most positive rilling system of any car?
- That the Ford has the Thermo Syphon cooling system, and needs no pump with its numerous parts and attachments?
- That in Fords the gas flows by gravity to the carburetor, having no moving parts with no chance of a vacuum tank or connection troubles?
- That the Ford has an all-steel body, the most rigid known?
- That the Ford is a 3-point suspension car, the advantages of which are too great to detail, but will gladly demonstrate?
- That the new Pyroxylin Lacquer finish on the Ford car cannot be affected by acids or even hot water? You can pour boiling tar on it and soak it off with gasoline without affecting its lustre?
- That the Pyroxylin Lacquer finish on Fords is the most durable finish known?
- That Ford cars take more abuse and show less depreciation than any other car?
- That the Ford car has the quickest get-away in traffic and is easiest parked in congested districts?
- That more wealthy people, who can afford any car, are buying Fords than ever before?
- That many a man has suffered loss of a good job, savings and sometimes good reputation by trying to own and operate a higher-priced car in both purchase price and up-keep than he could afford?
- That high priced cars need high pressure salesmen to prevent discussion of high automobile costs?
- That automobile depreciation increases with investment?
- That the Ford dealer receives the smallest discount given any car dealer by any manufacturer?
- That the Ford is really the ONE PROFIT car, because the Ford Motor Company controls its basic source of supply for raw materials?
- That the Ford car can break the speed limit on any highway in America?
- That there have been 163 improvements in the Ford car during the last 12 months?
- That all Ford dealers' service stations operate on a flat-rate basis, no haggling or arguing, no undercharging one customer or overcharging another?
- These facts have reference to cars manufactured in the United States of America.

MRS. MERRITT CALLS MEETING OF SIXTEENTH DISTRICT AUXILIARIES

Legion Auxiliary Units To Meet In San Angelo May 29

Mrs. J. G. Merritt of Colorado, chairman of the sixteenth district, American Legion Auxiliary, has called a meeting of all units in the district to convene in San Angelo, Sunday, May 29.

The call sent out to all auxiliary

unit presidents and secretaries of the district, reads as follows:

"The American Legion Auxiliary units of the Sixteenth District are hereby called to meet in San Angelo, Texas, May 29th. Conventions of the Sixteenth District Auxiliary units and American Legion posts will be held then, Sunday, May 29, 1927, in San Angelo, Texas.

"Col. Alvin M. Owsley, past National commander of the American Legion, will address the joint convention Sunday morning at 11 o'clock.

"At 2 p. m. the Auxiliary session will open, organize the district and attend to any business. Mrs. Grady Kinsolving, our division president, and Miss Florence Klein, rehabilitation chairman, will be with us. The program will be very interesting and enjoyable. Each unit will be asked to give a brief report. Unit problems will be discussed and plans made.

"Please give this message at once to all members of your Auxiliary and make every effort to have the president, secretary, and as many other members as possible at the meeting. We hope to have delegates from every unit in the District, and we want to come alive on the membership work."

GOOD RAINS WEDNESDAY

A heavy rain, accompanied by a gale, fell here last Wednesday evening. At times the wind threatened damage to buildings, but the only hurt was a little scare.

The total rainfall here was about one inch. As much as three and four inches of rain is reported in some parts of the county. A ten foot rise came down the river, which indicated that the rain was heavier in the upper reaches of the valley.

It was getting a little dry and the rain came just right to keep the range in fine condition and to put moisture in the ground for crops.—Sterling City News-Record.

Cemetery Work Be Done Next Monday, May 16

Mrs. P. C. Coleman, president of the Colorado Cemetery association, announced Tuesday that the Record was in error last week in mentioning the proposed clean-up of the cemetery, as to date. The clean-up and working for the cemetery will be next Monday, May 16, instead of May 30th, as stated last week.

Mrs. Coleman urges all those who have lots at the cemetery to have them properly cleaned on next Monday and to furnish whatever help they can towards a general clean-up of the whole cemetery. Solicitors are asking for funds to help pay for the work of properly cleaning the cemetery, and all those interested are asked to see Mrs. Coleman, Mrs. C. H. Earnest or Mrs. Shropshire about donation of funds or work.

It is hoped that the entire cemetery can be properly cleaned and put in shape on the one day, Mrs. Coleman said. All the lots in the cemetery will be worked. Remember, the date is next Monday, May 16.

GRAY LUMBER CO. OFFICE 'ROBBED FRIDAY NIGHT'

Dick Gray, manager of the Gray Lumber company, reported their office was entered Friday night and about \$35.00 taken from the safe. The robbers entered from a rear door, breaking the latch.

DR. BROOKS BELL IS OPERATED ON SATURDAY

Dr. Brooks Bell, former Colorado boy, now practicing dental surgery in Dallas, was operated upon Saturday for appendicitis and is recovering nicely. His many friends here will be glad to know he is recovering so rapidly.

STORMS SWEEP TEXAS TOWNS TAKING TOLL OF MORE THAN 50 LIVES

Hundreds Injured In Four States; High Winds Do Damage Here

Winds of almost cyclonic proportions swept this section of West Texas Saturday, Sunday and Monday, doing considerable damage to windmills, small out-buildings, etc., and to crops which were up to a stand. Many fields of feed and cotton were cut down by blowing sand.

The death list in tornadoes and storms which have been sweeping the middle west since Saturday stood at more than 150 last night, with more than a thousand injured and property loss of millions of dollars.

Approximately 40 persons were killed and injured when a tornado moved through the business area of Poplar Bluff, Mo., late yesterday, while more than 40 persons were killed and 100 injured in a series of twisters that shot across Arkansas from the central southern portion to the northwestern tip. In addition, reports trickling in over damaged lines of communication of the storm-swept territory, added to the mounting list of dead and injured.

The Monday afternoon total of 150 or more dead, added to a casualty total of 45 killed on Saturday night, Sunday and early Monday in Texas, Kansas, Missouri and other states.

Two separate tornadoes which swept through southwestern Texas early Monday caused 32 deaths at Nevada, Garland, Wolfe City and Kellogg, injured 50 and caused property damage of a million dollars.

A dozen were killed and 30 injured Sunday night when tornadoes hit several central and southern central Missouri counties, while ten were killed and thousands made homeless when the first of the twisters struck four Kansas counties Saturday night.

Town of Nevada Demolished NEVADA, Texas, May 9.—A pile of splintered ruins tonight is what yesterday was the town of Nevada. Caught in the path of a terrific twisting wind, the village of 800 was crushed like an egg shell early today, and tonight was seeking a roof overhead and coffins for its dead.

Its Baptist church, the one brick building which suffered least was a morgue where lay, on pine boards, 14 of its 16 dead. Its houses were flattened to the ground or scattered to the four winds. Its business buildings were wrecks and beneath fallen roofs and collapsed walls lay more than fifty of its wounded, who sought the wreckage of their homes after receiving emergency treatment. More than 20 more seriously injured were taken to Dallas, McKinney, and Greenville. Upwards of 300 were without adequate shelter tonight, as all the able-bodied residents worked far into the night to relieve suffering and bring some order out of chaos.

Poplar Bluffs Toll 40 POPLAR BLUFF, Mo., May 9.—Approximately 40 persons were killed and 100 injured in a tornado which swept through the business section here late today, according to revised estimates late tonight.

Thirty-nine children were injured in collapse of the East Side school. Unverified reports said three or four children were killed.

Torrential rain fell after the tornado quenched stock exposed to the elements were ruined.

Early tonight only three bodies had been taken in the city morgue in which water was a foot deep.

Some injured were taken to the churches and others to the high school.

Eighteen Dead Near Eldorado ELDORADO, Ark., May 9.—Eighteen known dead, 50 seriously injured and ten missing, many of whom it is believed perished, was the toll tonight of two tornadoes that late this afternoon swept Strong, a little farming community, and Norphlet, in the Arkansas oil belt, within 20 miles of this city.

The disaster at Strong where seventeen are dead, seven seriously injured and ten missing, is one of the worst in the history of the Southwest. Sweeping out of the southeast at 2:30 p. m., the twister caught the little farming community off guard, and within ten minutes had leveled all but a few houses. The business district is destroyed and war-time desolation, Daily News staff correspondents said over long distance, telephone at 8 p. m.

Eight Killed, Twelve Hurt PINE BLUFF, Ark., May 9.—Eight persons were killed, another perhaps fatally injured, and dozen others suf-

fered serious injuries about 2 o'clock this afternoon when a small tornado, sweeping westward through Cleveland county, struck the towns of Randall, Toledo and Calmer, near Risson, according to reports received by the Daily Graphic.

LONOKE, Ark., May 9.—Eight or nine persons, all white, were injured here this afternoon when a tornado struck the Bradford plantation just south of town. No one was killed as far as had been ascertained at five o'clock.

County Agent Says Plenty of Time Plant Feed

W. S. Foster, county agent, says there is still plenty of time to plant feed crops in Mitchell county, and he urges the farmers not to reduce their feed acreage owing to the continued dry weather, but to plant even an increased acreage in feed crops as soon as rain is secured.

He further states that during years of low-priced cotton, it is even more important than ever to raise sufficient feed and that every effort should be made to raise all the feed that is needed.

Such crops as grain sorghums, including feterita, milo, hegart kafir and darso may be sown as late as July, as emergency crops to take the place of corn. Even quickly maturing varieties of corn, such as the sure-cropper type and June corn may still be planted.

To guard against blasting of grain sorghum heads by the sorghum midge, pure type seed should be used on account of the uniformity in heading; all heads which form before the main crop should be cut off. The seed should also be planted at least 30 yards away from sweet sorghum, and Johnson grass should be kept down.

Sudan grass, Red Top sorghum, cow peas and millet are other good feed crops to grow. Sudan grass furnishes excellent grazing when planted in three foot rows at the rate of 10 to 15 pounds per acre and will be ready to cut for hay in from six to eight weeks. A good combination is Sudan grass for grazing and Red Top sorghum for hay.

Millet such as German millet is also a quick maturing crop and is fair-

Gaps in State Highway First Get Attention

AUSTIN, May 9.—A comprehensive plan for work on Texas highways during the next three years' period was unofficially agreed to by the State highway commission upon the instance of Federal engineers, who held a conference recently with the commission, it was revealed Saturday by R. A. Thompson, state highway engineer.

"After a three weeks' tour of Texas by Federal Engineer Thomas H. McDonald and his assistant, E. W. James, recommendations were made that Federal and State allotments be made immediately to begin work on several important Texas highways," Thompson said.

Roads To Be Improved The Federal engineers filed a statement with the commission showing the roads which were in bad condition and others that should be improved within the near future.

"Their report affects 300 to 400 miles of Texas roads, and outlines the highways which should be given preference in construction and maintenance work," declared Thompson.

Engineer Thompson said that recommendations made by Federal engineers were in accordance with plans already adopted by the commission.

ly drought resistant. Millet should be cut for hay right after blooming and should not be allowed to go to seed, especially when it is to be fed to horses and mules. It is best to sow the seed broadcast at the rate of about 20 pounds per acre.

More cow peas should be grown, as they make excellent hay when properly cured, being almost equal to alfalfa in feed value. They can also be used for grazing or be plowed under for building up soil fertility. Some of the best varieties are the Groat, New Era, Brabham, Whip-pur-will and Chinese Red. The black-eyed pea is a good variety for table use. Soy beans and Mung beans are also good summer legumes, but unfortunately Soy beans are often badly damaged by rabbits, as rabbits are very fond of these young plants. Mung beans are valuable because they can stand a great deal of dry weather.

"The Federal engineers showed that they were heartily in favor of the program of the commission to construct nothing but concrete tops for main Texas highways, and a hard surface of other material for secondary highways.

To Fill in Gaps "We agreed that the first year's work of the commission should be given to filling in gaps in important highways, and to allot Federal and State aid first to those counties who were able to contribute a certain sum toward the project," stated Thompson.

It is the intention of the commission to spread highway funds as much as possible so as to improve most of the main highways, it was learned.

That allotments of aid by the State commission for highway projects were in accordance with suggestions by Federal engineers was indicated. Action has already been taken in providing for construction and maintenance work on highways badly needing improvement, it was stated.

Washing is Hard Work Even with a Machine to Help Washing is hard work—even with a power-driven machine to help. We use the finest washing machines made, but we hire strong men to operate them—it isn't a woman's job. The machine can't draw water, lug it to the stove, heat it, and empty it into the washer. It can't pick up heavy baskets of steaming, soggy clothes, carry them to the line, and hang them up. The water must be changed several times; the clothes must be sorted; starch must be mixed and cooked; blueing, soap, and other supplies measured out. And with all the care in the world you can't get perfect results without rainsoft water—and the washing machine doesn't supply that. We'll relieve you of all this heavy work; take over all the responsibility; wash for you with rainsoft water; iron, too, if you wish, at a cost within your reach. We have several different types of service. Each is thorough and economical. No initial investment is required; no long-draw-out installments to be met each month. And we take out of your home all the fuss and bother of wash-day; all the worry over uncertain wash-women. You'll find this modern way of washing a most welcome relief—phone today, and have our representative call. Colorado Laundry Send it to the Laundry

NEWS NOTES FROM OTHER WEST TEXAS OIL FIELDS

INCREASE IN DEMAND FACTOR IN OIL RAISE

Raise of 10 cents per barrel in its prices for crude of the Midcontinent grades by the Magnolia Petroleum company. Thursday, took first interest even over record well completions during the past week.

Better Demand Cited

However, the price raise had to be based on some grounds of improvement in the general market situation.

Unofficial reports indicated that the company attributed its action toward the ending of gasoline price war in California, and to the fact that a season of heavier consumption has been reached which will partly offset overproduction even in the face of an increase in the general output of crude in the past two weeks.

Outside observers attributed the price raise to other reasons. Some were inclined to think that the Magnolia was beginning to feel too strong a back-kick from the fact that its posted prices were so far under those of other buyers, and though not willing to go all the way back to the general market level, it felt the necessity of decreasing the price margin against it.

Others suggested that the price rise recognized the need for something of a bullish stimulant in the open tanker gasoline market, which was possibly making the maintenance of tank wagon prices more difficult.

Tank wagon and service station gasoline prices in the major consuming territories have been maintained to a far greater degree than crude prices—averaging only slightly less than the prices at this time last year, while crude prices have been approximately halved.

The maintenance of tank wagon and service station prices in the major territories, especially in the East, has been taken by producers as proof that the situation with respect to overproduction is not so very bad, and that the crude price cutting has been badly overdue.

That has reacted to cause further bitterness against the Magnolia in its attempts to bring additional cuts in the crude market when the average level of prices for gasoline of the Standard of New York, which owns

TRANS-PECOS AND EDWARDS PLATEAU GET LOCATIONS

SAN ANGELO, May 10.—Serving in a measure to counteract the slackening of oil development due to the slashes in crude, locations for 22 tests recently have been officially recorded in six counties on the Edwards Plateau and in the Trans-Pecos. Six of the locations were in Crane county, five each in Upton, four in Howard and one each in Tom Green and Winkler counties.

All the locations in Pecos county are in unproven areas, bringing the number there for the last fortnight to 13. Incidentally the total number of locations last week was the same as the week before.

One of the most interesting in this group is that which Allsman & Bell will drill for the Ozona Development company in the Pecos river bed, about one and one-half miles east and slightly north of the Yates field. It will be 24 varas east and 42 varas south of the northeast corner of Section 60. Timbers are being moved to the location and the test will be spudded within three weeks.

Other Pecos Locations Anderson & Menzie will drill No. 1 Sherbine 1,320 feet from the north line and 50 feet from the west line of Section 43, block C-4, G. C. & S. F. Railway company survey. Other Pecos county locations follow: Shankel No. 1 Yates, 1,000 feet from the east line and 250 feet from the south line of section 58, block 1, L. & G. N. Railway company survey; Bad and Hagan No. 1 University, 1,320 feet from east line and 9,240 feet from the west line of subdivision 4, Jasper county school land; Big Three Oil company No. 1 Holmes, in the center and 621 feet from the south line of section 542, L. & G. N. Ry. Co.

Landreth Production Co. made two locations in Crane county, as follows: No. 1 Cowden State, 990 feet from the east line and 200 feet from the south line from the southwest corner of section 47, block 30, University land, vacant strip, and No. 2 Cowden State, 200 feet from the south line and 310 feet from the west line from the southeast corner of section 46, block 30, University land, vacant strip. The vacant strip is reported to be 50 feet wide across the top of Sections 216, 201, 200 and 185, J. T. McElroy land, that marks the northern boundary of the McElroy field, separating it from the University (Church-Fields) area.

Crane County Tests Simms-Atlantic made two locations in the University field in Crane county. No. 2-D University, 230 feet from the south and east line of Section 46, Block 30, and No. 3-C University, 990 feet from the north line and 1,650 feet from the west line of Section 47, block 30. Material is on the ground for No. 2-D and is being moved in for No. 3-C.

Gulf Production company is building a derrick for its No. 12 McElroy in section 201 F. C. S. D. R. G. & N. G. Railway company survey, and has made a location for its No. 13 McElroy, 400 feet from the north line and 1,650 feet from the west line of section 29, block F. C. S. D. R. G. & N. G. Railway company survey.

Humble made the latest location in Upton county for its No. 5 Ricker & Dodson, 2,310 feet from the north-east line and 4,610 feet from the north-west line of section 5, M. S. Denton survey.

Activities in Howard In Howard county Marland is building the derrick for its No. 1 A. M. Fisher, 990 feet from the north and west lines of section 1, block 34, township 1 south, T. & P. Railway company survey. Magnolia made 2 locations in Howard: No. 5 M. Chalk, 2,440 feet from the north and east lines of section 124, block 29, W. & N. W. Railway company survey; No. 3 Sloan, 390 feet from the north line and 1,650 feet from the west line of section 114, block 29, W. & N. W. Railway company survey; No. 2 Sloan Chalk, 2,440 feet from the north and west lines of section 114, block 29, W. & N. W. Railway company survey.

Humble has made location for a southern offset to the Texon location in Winkler county, its No. 1 T. G. Hendricks, 330 feet from the north and west lines of section 34, block B-3, public school land.

In Reeves county, World Oil Company has replaced a derrick on the old Pecos-Angelus well, which was drilled to 1,250 feet, and will carry it on down. It will be known as No. 1

Duff and is 900 feet from the north line from the southwest corner of section 2, block 3, H. & G. N. Railway company survey.

OLIMEN OPTIMISTIC

Oil men here view with considerable interest the increase in price in crude in Texas, Oklahoma and Kansas, announced by Magnolia company. This return toward the price maintained by other purchasing companies is proof of the fact that the Magnolia has been drastic in its attempt to take advantage of the producers in the present over-production period. Haphazard wild-cattling has been stopped by the big companies but large purchases for future drilling are known to have been made in West Texas. The Magnolia's return to the old price seems to be in line with the statement of Walter Teagle last week in which he said that the oil business had sustained greater shocks than the present over-production and would come out of this decline stronger than ever.—San Angelo Standard.

INTEREST IN POSSIBLE NOODLE CREEK EXTENSION

ABILENE, May 10.—Oil men in this part of the State have been keeping in close touch with developments in the Noodle Creek district during this week.

An extension southeast by a mile and a half of the proven area in that pool is possible, many of the operators believe, as a result of the showings made in Morrison & Thompson's No. 1 Mrs. Alice Rose.

This test has been delayed for several days this week on account of pulling pipe in two while underreaming at 2,510 feet preparatory to drilling into the expected pay, which the

operators think will be encountered at around 2,520 feet.

A showing of gas has already been passed up in this test and as soon as the loose pipe can be raised drilling will be resumed.

Rose Test Promising

Despite the fact that Marston Oil company's No. 1 Winn, two miles east of the Rose well, has picked up the 525-foot level without picking up any signs of oil production, men in touch with the operations are optimistic over the Rose test, for they say that the finding of the Winn dry hole and of the Rose test are greatly different.

The Rose test has been showing up very much like the Noodle Creek producers, while the dry hole east of it has found many stratas of an entirely different formation, they say.

Noodle Creek's seventeenth producer was due to be completed the last of the week.

Phillips Petroleum corporation's No. 4 Tessie (Walling) had passed 2,516 feet Thursday night and was due for completion within the next few hours. This well is inside the proven limits of the pool and south of the Phillips No. 1 Winter discovery well of the pool.

Rig on Vestal Tract

Rig for a test on the Vestal tract southeast of the producing area in the Noodle Creek pool, has been completed by the Phillips Petroleum Co. and the test will be spudded shortly. This test will be outside the proven territory.

Owners of land in South Central Jones county are elated over the announcement from Hart & Co., independent operators, that they are to get another test for oil. The new test will be Hart & Co.'s No. 1 Joe Dillard and will be located in the northwest corner of Section 2, block 17, T. & P. survey.

The new test will be approximately half way between two tests, both now abandoned, but in each of which showings of oil were reported during the recent months. Hart & Co.'s No. 1 Cranston on Section 10, block 17, T. & P. survey, is said to have had an oil showing at 2,265 feet, but this was not considered of commercial value and the hole was drilled

to 3,407 feet and abandoned. Pipe is now being pulled from this test and some oil is being brought out on the slush from the 2,265 foot strata.

Test Is Abandoned

On the east side of the location for the new Dillard test, a producer almost was made in Gillette & Hickey-Cowboy Evans No. 1 King, Manuel Baeno survey No. 197, but on account of cave-ins after an oil sand was found at 2,079 feet, the well was allowed to stand filled with water for several weeks and the apparently good showing was ruined and the hole has been recently abandoned.

The owners have announced that another test nearby will be started soon.

Between the abandoned King well and the location for the new test to the west of it, Manhattan Oil company's test on the south end of the Bartlett survey, No. 198 is drilling past 1,000 feet with very similar showings to those found down to that depth in the King test.

WHAT'S DOING IN WEST TEXAS

Lamesa.—An association to foster expansion, betterment, and advertisement of Highway No. 83, between Ft. Worth and El Paso, the "short line," was formed at a meeting of some 250 delegates and visitors of towns on this route here recently. The name of the association is to be conferred by a directorate of 15 selected during the session. The formation of the highway association marks a monumental step in the Lamesa county.

Sau Antonio.—Traffic experts of the West Texas Chamber of Commerce are at work on an analysis of the recent decision handed down by the Interstate Commerce Commission with reference to what is known as the Common Point freight case.

Should the official ruling be considered of sufficient importance by West Texas officials, a report of the order in full will be made at the annual convention to be held in Wichita Falls, May 16 and 17, and the convention will be asked to take such action as is necessary for requirements.

Canyon.—Randall county's \$250,000 paving bond issue has been sold

and the county has been granted State and Federal aid by the State Highway Commission to the amount of two-thirds the cost of paving between Canyon and Amarillo. The exact route of the highway is to be chosen at once and work will begin at the earliest possible moment.

Sweetwater.—The Board of City Development and city officials have already established their offices in the new \$200,500 municipal building of Sweetwater which is a combination auditorium of 2,000 seating capacity and a city hall. The latter part is already completed, while construction is still underway on the former portion of the structure.

Goldthwaite.—Improvements have been made in Hotel Saylor here recently among which was rest-uccoing exterior of the building.

Cross Plains.—Excavation work on the foundation for two new school buildings has been completed here and construction work proper is underway. The grade and high school structures, costing over \$60,000, will be ready for occupancy this fall.

Odesa.—Due to increased business at the local post office, considerable expansion is being made in the Odesa quarters. Second class recognition is expected before the first of the year.

Carlsbad, N. M.—The east side of Canyon street here has recently been changed completely in appearance with new buildings, remodelings, and improvements distributed along the main business block.

Quanah.—Quanah will be 1928 host to the Green Belt-Lower Panhandle District convention of West Texas Chamber of Commerce, it was decided at the 1927 meet held at Childress May 5.

MRS. SNYDER AND GRAY GET THE DEATH PENALTY

NEW YORK, N. Y., May 9.—Mrs. Ruth Brown Snyder and Henry Judd Gray, her escort salesman paramour, are to pay with their lives for the crime that snatched them from obscurity and made them internationally known.

Deliberating less than two hours, a jury today convicted them of the murder of Mrs. Snyder's husband, Albert Snyder, magazine art editor. Death sentence is mandatory for first degree murder, but the formality of sentence was postponed until next Monday morning.

No Such Place

"Where did the car hit this man?" asked the lawyer when questioning the attending physician at the trial. "At the junction of the dorsal and cervical vertebrae," responded the doctor.

The foreman of the jury rose in his seat and remarked, "I've lived in this county for upward of fifty years and I never heard of any such place; I believe it's a made-up case."

NOTICE OF ROAD BOND ELECTION

In Road District Number Two, of Mitchell County, Texas.

THE STATE OF TEXAS, COUNTY OF MITCHELL.

To the Resident Property Taxpayers Voters of Road District Number 2 of Mitchell County, Texas:

Notice is hereby given that an election will be held in Road District Number Two, of Mitchell County, Texas, on the 10th day of June, 1927, in pursuance of that certain election order made and entered by the Commissioners' Court of Mitchell County, Texas, on the 29th day of April, 1927, and which order is in words and figures as follows, to-wit:

THE STATE OF TEXAS, COUNTY OF MITCHELL.

Be It Remembered that on this 30th day of April, 1927, the Commissioners' Court of Mitchell County, Texas, being duly and regularly convened in a regular session thereof, held at the Courthouse in the City of Colorado, Texas, and being the regular meeting place for said Court, there was present and in attendance the following members, to-wit:

C. C. THOMPSON, County Judge, presiding, and, A. A. DORN, Commissioner of Precinct No. 1; BURR BROWN, Commissioner of Precinct No. 2; J. D. LANE, Commissioner of Precinct No. 3; CLYDE SMITH, Commissioner of Precinct No. 4; J. LEE JONES, County Clerk and Ex-Officio Clerk of the Commissioners' Court.

and, among other proceedings had was the following: There came on to be heard and considered the petition of B. F. Rice and 71 other persons, as resident property taxpayers voters of Road District Number Two, of Mitchell County, Texas, praying this Court for an order for an election on the following proposition:

To determine whether or not the bonds of said district in Mitchell County shall be issued in the amount of FORTY THOUSAND (\$40,000.00) DOLLARS, bearing interest at the rate of not to exceed FIVE AND ONE-HALF PER CENT (5 1/2 per cent) per annum, maturing at such times as may be fixed by the Commissioners' Court, serially or otherwise, not to exceed Thirty (30) years from date thereof, for the purpose of constructing, maintaining and oper-

ating macadamized, graveled or paved roads and turnpikes, or in aid thereof; and whether or not a tax shall be levied upon the property of the said Road District subject to taxation, for the purpose of paying the interest on said bonds, and to provide a sinking fund for the redemption thereof at maturity.

And, it appearing to the Court that said petition was presented to this Court, and filed with this Court, on the 19th day of March, 1927, and that it is duly signed by more than fifty (50) resident property taxpayers voters of said Road District Number Two, of Mitchell County, Texas; and,

It Further Appearing to the Court that heretofore, to-wit: On the 18th day of April, 1927, by order duly passed and entered of record, this Court, set said petition down for hearing to be held before the Commissioners' Court at a Special Session of said Court, to be held in the Commissioners' Court Room in the County Courthouse, in the City of Colorado, Texas, at 10 o'clock a. m., which was not less than fifteen days nor more than thirty days from the date of the aforesaid order of this Court setting such petition down for the hearing, and,

It Further Appearing to the Court, from the evidence submitted, that notice of this hearing was thereupon given by the County Clerk in the time and manner required by law, and which notice informed all persons concerned of the time and place of such hearing, and of their right to appear at such hearing and contend for or protest the ordering of such bond election; and, further, that the aforesaid notice also stated the amount of the bonds proposed to be issued, and described said Road District Number Two by its proper name and number, and also described the boundaries of said District as such boundaries are described and defined in the order of this Court establishing said Road District; and,

It Further Appearing to the Court, and the Court so finds from the evidence submitted, that the Clerk of this Court, pursuant to the order setting said petition down for hearing, posted and published the notices of such hearing in the time and manner required by law, that is to say—

(a) That the County Clerk and Ex-Officio Clerk of the Commissioners' Court of Mitchell County, Texas, executed said notice by posting true copies thereof in the following three public places within Road District Number Two, of Mitchell County, Texas, to-wit: One copy at Rogers' School House, in Road District Number 2; One copy at Cuthbert, Texas; One copy at Westbrook, Texas.

(b) That the said County Clerk also posted a true copy of such notice at the door of the County Courthouse, of Mitchell County, in the City of Colorado, Texas;

(c) That each and all of the three copies of the notice of this hearing posted by the County Clerk at the three public places in said District, above described, on the 4th day of April, 1927; that each of said places was a public place in said Road District; that each of the notices posted at said places was posted in a conspicuous position; that each of said places was accessible to the public; and that each of said notices so posted at each of said places was posted so as to be easily visible to the public;

(d) That the copy of the notice of this hearing posted by the County Clerk at the Courthouse door, as aforesaid, was posted on the 4th day of April, 1927, and that such notice was posted at said place so as to be easily visible to the public;

(e) That the said County Clerk also caused said notice of this hearing to be published in The Colorado Record, which is a newspaper of general circulation, published and circulated in the said County, and which said notice was published in said newspaper on the 8th day of April, 1927, which date was at least five days prior to this hearing on the aforesaid petition; and,

It Further Appearing to the Court, that said petition is legal in every respect, and that all notices required by law to be given have been duly and legally given, and that all of the requirements of the law have been properly fulfilled;

And, It Further Appearing to the Court, and the Court so finds from the evidence submitted at this hearing, that the proposed improvements in said Road District Number Two, of Mitchell County, Texas, will be for the benefit of all taxable property situated within the boundaries of the said Road District Number Two, and which are the same boundaries described and defined in the notice of this hearing;

IT IS, THEREFORE, CONSIDERED, AND FOUND AND ORDERED

What's behind your lighting switch?

Tonight, when you touch a lighting button, think for a moment of the people whose service it commands, of the sentinels who are patrolling the wires, of the emergency crews who respond to a call as quickly as the firemen, of the workers in the power house, on watch while you sleep, to make sure that you shall have light if you need it.

Think of the hundreds of other men and women you never see but in whom you have put your trust.

"The things we depend upon most," a great thinker has said, "we think of least." Our business is serving you and we think of you twenty-four hours a day.

Texas Electric Service Company

Electricity Is Your Servant

BY THE COMMISSIONERS' COURT OF MITCHELL COUNTY, TEXAS.

I.

That an election shall be, and is hereby ordered to be, held within Road District Number Two, of Mitchell County, Texas, on the 4th day of June, 1927, and which date is not less than thirty (30) days from the date of this order, at which election the following proposition shall be submitted:

To determine whether or not the bonds of said district in Mitchell County shall be issued in the amount of FORTY THOUSAND DOLLARS (\$40,000.00), bearing interest at the rate of not to exceed FIVE AND ONE-HALF PER CENT (5 1/2 per cent) per annum, maturing at such times as may be fixed by the Commissioners' Court, serially or otherwise, not to exceed Thirty (30) years from date thereof, for the purpose of constructing, maintaining and operating macadamized, graveled or paved roads and turnpikes, or in aid thereof; and whether or not a tax shall be levied upon the property of the said Road District subject to taxation, for the purpose of paying the interest on said bonds, and to provide a sinking fund for the redemption thereof at maturity.

II.

It is Further Ordered that said election shall be held under the provisions of the Laws of the State of Texas, and particularly Chapter 16, of the General Laws of the State of Texas, passed by the Thirty-ninth Legislature, at its First Called Session, in 1926.

III.

It is Further Ordered that all persons who are legally qualified voters of this State, and of this County, and who are resident property taxpayers voters in Road District Number Two, of Mitchell County, Texas, shall be entitled to vote at said election, and all voters desiring to support the proposition to issue the bonds shall have written or printed on their ballots the words:

"FOR THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

And, those opposed, shall have written or printed on their ballots: "AGAINST THE ISSUANCE OF BONDS AND THE LEVY OF AD VALOREM TAXES IN PAYMENT THEREOF."

IV.

It is Further Ordered that said election shall be held at the following voting places, and by the following officers:

At Westbrook, Texas, in City Hall, and O. T. Bird and A. F. King are hereby named as the Judges of said election, and Mrs. N. Van Horn and Mrs. Mattie Berry as Clerks thereof; and the said O. T. Bird is hereby designated as the Presiding Judge.

At Iatan, in the school house with E. B. Gregson as Presiding Judge, and At Carr, in the school house, with

R. M. Jones as Presiding Judge; and, At Cuthbert, in the school house, with E. O. Green as Presiding Judge.

V.

It is Further Ordered that the manner of holding such election and canvassing and making returns thereof, shall be governed by the General Laws of this State, when not in conflict with the provisions of Chapter 16, of the General Laws passed by the Thirty-ninth Legislature, at its Regular Session in 1926.

VI.

It is Further Ordered that notice of said election shall be given by publication of a copy of this order in the Colorado Record, a newspaper published in Mitchell County, Texas, for three successive weeks before the date of the said election, and in addition thereto, there shall be posted other copies of this order at three public places in said Road District Number Two, and also at the door of the County Courthouse, in the City of Colorado, Texas, and all of which notices shall be posted for three successive weeks prior to said election.

The County Clerk is hereby authorized, ordered and directed to post and publish notices of said election as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers and received by this Court. The duties herein imposed upon the Clerk may be performed by said Clerk, or by Deputy, as provided by law for other similar duties.

PASSED AND APPROVED by the Commissioners' Court of said County, this 30th day of April, 1927.

CHAS. C. THOMPSON, County Judge, Mitchell County, Texas.

A. A. DORN, Commissioner of Precinct No. 1; JNO. D. LANE, Commissioner of Precinct No. 2; BURR BROWN, Commissioner of Precinct No. 3; CLYDE SMITH, Commissioner of Precinct No. 4.

The above order having been read, and seconded by Burr Brown, that it be passed. Whereupon, the question being called for, the following members of the Court voted "AYE": A. A. Dorn, Burr Brown, J. D. Lane, and Clyde Smith; and none voted "NO."

Minutes approved, this 30th day of April, 1927. CHAS. C. THOMPSON, County Judge, Mitchell County, Texas.

THIS NOTICE is issued and given by me pursuant to authority conferred by order of the Commissioners' Court of Mitchell County, Texas.

GIVEN UNDER MY HAND with the seal of the Commissioners' Court affixed, this 9th day of May, 1927.

(SEAL) J. LEE JONES, County Clerk and Ex-Officio Clerk of the Commissioners' Court of Mitchell County, Texas. 5-27c

We will call for and Deliver at your home

E. L. KING Price Building

MILES and More MILES

BEFORE your next week-end trip, fill your tank with Summer Conoco Gasoline. Then keep tab on your mileage. When you arrive back home, figure up your miles per gallon. That's the way to check our claims that Summer Conoco is packed with extra miles.

This summer make your gasoline deliver — make it deliver miles. And we promise you this: that—provided your car is in good condition—you'll never be disappointed when you use Conoco.

It pays to be particular when you buy gasoline. Careless motorists penalize themselves every time they allow inferior fuels in the tank.

Their cost per mile of motor operation is out of all proportion to what it should be. They are paying a premium simply because they never take the trouble to figure out the miles they get per gallon.

So play fair with your pocketbook. Use Conoco regularly and keep down your motoring costs.

Just look for the Conoco sign on service stations and garages.

Poultry, Hog and Garden Fence

Rev. Mr. Northcutt, accompanied by Mesdames Skelton and Terrell of Westbrook and Mrs. B. B. McGuire and Grandpa McCress of Dorn went to Snyder Tuesday to attend the District Conference of the Methodist church.

Committees from both the Methodist and Baptist churches met at the Baptist church Sunday afternoon to discuss plans for taking a religious census in and around Westbrook. This committee, with others, will meet again next Sunday to set the time and make further plans for the work.

Joe McKinney and family visited friends in Sweetwater Sunday.

FAY UP NOTICE

To all those who owe me an account, this notice is given asking you to come in and let's settle some way, by note or otherwise.

E. V. BELL, Westbrook.

SCHOOL NOTES

Eighth Grade Class Picnic
Last Saturday the pupils of the eighth grade, accompanied by Miss

Story, their sponsor, took their lunch and went to Horse-Shoe Bend on Morgan creek, for an afternoon's outing. Various games and swimming were the order of the day. Then all enjoyed a delicious spread, after which they started on their homeward journey. There was only one thing that marred the pleasure of this delightful outing. Patience Suggs was unlucky. One of her feet was run over by the wagon wheels. This accident, however, did not result in anything serious, and we are glad to report that she was able to be back in school Monday.

School Program Last Friday Night
A very interesting and attractive program was given by the grade rooms, under the direction of the grade teachers, Friday evening, May 6. The program, which consisted mainly of songs, drills and plays, was well rendered. Each little fellow seemed to be at his best and showed evidence of very careful and efficient training. Great credit is due both them and their teachers for this excellent program. There was a large crowd in attendance, one of the largest we have seen in our school auditorium.

Baccalaureate Sermon
Rev. Burnett of the Baptist church will deliver the Baccalaureate sermon next Sunday morning, May 15, at the Methodist church. Every one is invited to be present.

Pagant Friday Night
The high school will stage a pagant next Friday night in the high school auditorium. Due to the fact that there has been some expense in preparing the programs and that the P. T. A. is in need of funds to make a payment on the playground equipment, there will be an admission charge of 15 cents for every one. The high school is working to prepare a good program and requests the presence of everyone. The curtain will rise at 8:30.

Rev. Bennett Addresses School
Rev. Bennett came up and led the devotional service for chapel Monday morning. After the devotional exercises, he made the school an excellent talk.

Ninth Grade Luncheon
The ninth grade Spanish class gave a luncheon for the members of the class and the faculty. Every word was to be spoken in Spanish, or a forfeit of one penny was to be paid for each word spoken in English. Needless to say, several forfeits were paid and not all of them came from the pupils, either. However, no one went away hungry and all expressed themselves as having had a great amount of fun.

Mother's Day Program
A very interesting program was rendered at the Baptist church Sunday, May 8th, Mother's day. A large crowd attended, and the program was as follows: Reading—Ruth Suggs; Reading; Prayer—Alicia May; Short Play—Hollis Bledsoe; Francis Jones; and a play was put on by Mrs. Williams' class; Special song—Mr. and Mrs. Herrington. The program was enjoyed by all, and Brother Bennett brought us a great sermon.

Mrs. Berry Returned Home
Mrs. Hattie Berry who underwent an operation at the Colorado Sanitarium a few days ago, returned home Saturday afternoon. We are glad to report that she is doing nicely at this writing.

Boy Scout Hike
This coming Wednesday night the Boy Scouts of Westbrook will go out on a hike. We expect Mr. Moore, the scout executive, to be with us, and

he will teach the boys how to cook chicken.

Mother's Day Program
The children of the Methodist Sunday school, under the direction of Mesdames Terrell and Curry, gave a very interesting and impressive program Sunday night, honoring the mothers. The program consisted of songs, readings, short plays and a beautiful pagant as a closing number. All of the numbers brought out the beauty and greatness of a mother's love and care. Especially was this well brought out in the pagant, which emphasized the greatness of a mother's love in comparison to that of a club woman and business woman. There was a large crowd in attendance, and the program was greatly enjoyed.

Last week the W. M. U. met with a fair attendance. Arrangements were planned to feed our visitors at the Workers' conference May 10. A good Sunday school and a splendid sermon on Sunday, which so aptly described Christians in general that many of us felt that it had been planned for our special benefit.

The W. M. U. met at the church with a splendid attendance, and arrangements were completed for taking care of our visitors. Sunday was a wonderful day with the Westbrook church. After a short and interesting program a most splendid sermon on "The Mother of Moses," which made many of us miss our mothers who had passed on, was delivered.

A matter of importance that was overlooked last week was the Capsule party of the W. M. U. which was held at the home of Mrs. G. C. Wildman. Each member brought a gift for her capsule. Thirty-five were present and each found out who their benefactor was, with a great surprise to many of them. The committee in charge served angel food cake with lavender icing and brick ice cream that carried out the color scheme. This was decidedly the most enjoyable affair ever given by the W. M. U.

DORN LOCALS

FLORENCE WHIRLEY, Reporter
The baseball game between Dorn and Buford Friday afternoon was a close game. The score was 6 to 7 in favor of Dorn, which calls for a third game to be played sometime soon.

Mrs. B. B. McGuire spent Thursday with relatives in Colorado. Mr. McGuire spent several days of last week on the grand jury.

Little Joe Whirley has been on the sick list for several days, but is able to be up now.

Miss Frances Shurtliff spent the night with Miss Ora Vines, Tuesday. Prayer meeting had to be omitted again last Wednesday night because of threatening weather.

Mr. and Mrs. Paul Whirley of Westbrook visited his parents Friday night.

Quite a bunch from our community attended Miss Gladys Salty's birthday party, given by her parents. All report a nice time.

Miss Gertrude Whirley spent Thursday night with Mrs. B. B. McGuire.

Mr. and Mrs. Jesse Elliott spent Friday night with Mr. and Mrs. M. P. Dorn.

Young Patton is sure suffering from the continued sand storms of the past week. With moisture scarce the farmers have a discouraging prospect if we don't get a rain before many days.

Miss Mildred Bolden entertained quite a crowd of young people with a party Saturday night.

Rev. L. E. Northcutt filled his appointment here on Sunday afternoon with a splendid "Mothers' Day" sermon. Rev. Leach preached at Plainview Sunday and Sunday night.

We are all real glad Grandpa McCress is home again, as the Mississippi flood kept us uneasy about him.

Horn's Chapel Locals

Edited by English Students
The past few days of sandstorms reminds us of real March weather. A general rain would be a great benefit to the entire county.

We are doing splendid work on our closing night's play. Everybody is in high spirit and interest is growing as time passes. We are justly proud of our boys and girls and the keen interest they are taking in the plays. Our short play, "No Peddlers Admitted," is a real peppy play and the boys are putting it over in a way to make you enjoy every minute of it. We will give the paper the complete program next week. Remember that our play will be Friday night, May 27. We are planning on staging the play so as to give the audience an outside seat. If seating arrangements can be made and the weather is permissible, we plan to have the seats on the outside of the house.

Miss Rena Whitten spent Sunday with Miss Ruth Trice.
Mr. and Mrs. Erskine Gross, Willie and Jewell Geiger, visited Mr. and Mrs. A. R. Trice Sunday night.

Messrs. Harvey Truman Humphreys and Willie Geiger have returned from the oil field at Brownwood. We are glad to have the boys back home.
Mrs. Erskine Gross spent Monday with her parents, Mr. and Mrs. A. R. Trice.

LOONEY TELLS

THE WEST TEXAS sand storms have been blowing for the past few days and they don't suit the Looney people even a little bit. They are dreadful and besides they are killing all of the cotton and feed which farmers have up. We are wanting to see a good rain, and maybe some of this sand will stop.

Rev. Kyle preached here Saturday night, Sunday morning and evening.

Hyman Happenings

L. H. WELCH, Reporter
The school is busy working away on a program for the last night of school which will be Friday, May 27. We will present two plays that night, both of which will be rendered by school pupils only.

Last week the Hyman ball team played two games with Conway. On Tuesday, Hyman played at Conway and it was a decided victory for Hyman, the score being 10 to 5. Saturday Conway returned the visit and this time they came out in the lead. The score was 11 to 9.

The community enjoyed a "home" baseball game Thursday afternoon at 4 o'clock between the "Fats" and the "Leans." The score was 12 to 10 in favor of the "Leans."

The community was saddened Sunday when we learned of the death of O. T. Palmer of Spade. He was the little brother of Miss Virginia B. Palmer who stays at the teacherage. He was also a former pupil of Mrs. Welch. He was sick only two days and his death came as a shock to all. In this dark hour of sorrow, we bid the loved ones look to God for solace.

Sunday is the regular preaching date for Rev. A. D. Leach. At this time there will be a program rendered at the church. The program will include a church service, a play, and a basket lunch at noon. Everyone is cordially invited to attend these services and be with us on that day.

The Holiness people held services here Saturday night, Sunday and Sunday night.

Longfellow Locals

By Eighth Grade Pupils
Longfellow school is progressing fine. School will end June 3, but we will have our play on Thursday night, June 2. Everyone come and see the act, "In Plum Valley." There are four acts to the play, lasting two hours and fifteen minutes. There will be diversions between the acts that will be real entertaining. Everyone is invited.

Mrs. J. F. Rogers returned home Monday from a visit with her son, J. M. Rogers, who lives at Westbrook. Miss Velma Robinson spent Saturday night and Sunday visiting with friends in Loraine.

Mr. and Mrs. W. M. Reese were in Lubbock last week-end on business. The farmers of this community are crying for rain, but seems now that their cries are answered with sand.

thereon, "For amendment to the Constitution of the State of Texas giving the Legislature power to provide compensation for the District Attorney and county officers through salaries in lieu of fees, and commissions and perquisites as now prescribed by the Constitution," and "Against amendment to the Constitution of the State of Texas giving the Legislature power to provide compensation for the District Attorney and county officers through salaries in lieu of fees, commissions and perquisites as now prescribed by the Constitution," leaving the one expressing his vote on the proposed amendment.

Sec. 3. JANE Y. McCALLUM,
Secretary of State.

H. J. R. No. 25
Proposing an amendment to the Constitution of the State of Texas amending Article VIII by the insertion of Section 1-a, authorizing the Legislature to provide for the separation of the objects of taxation for State purposes and for the support of the counties, districts and political subdivisions of the State and Counties; and authorizing the Legislature to provide for the levy of an ad valorem tax or other form of tax for State purposes only; and for local purposes only; authorizing the Legislature to provide for the classification of objects of taxation and providing that rates shall be equal on the same class of property, and fixing limitations upon taxation.

Be it Resolved by the Legislature of the State of Texas:

Section 1. That Article 8 of the Constitution of the State of Texas be amended by inserting therein Section 1-a, as follows:

Section 1-a. The Legislature may separate the objects of taxation for State purposes from the support of the counties, districts and political subdivisions of the State and Counties; and may provide for the levy of an ad valorem tax, or other form of tax, on certain classes of taxable property, or other objects, for State purposes only (including school purposes); or upon certain classes of property, or other objects, for county or local purposes only (including school purposes). In no event shall the rate of such taxes exceed the sum of the limits of such taxes fixed by this Constitution for State, County and other local purposes. The Legislature may provide for the classification of objects of taxation.

Taxation shall be equal and uniform. Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State, at an election to be held the first Monday in August, A. D. 1927, at which all ballots shall have printed thereon the following:

"For the amendment to Article 8, inserting Section 1-A, providing for changing the taxation system so that the State may derive its income, in whole or in part, from other sources than the ad valorem tax."

"Against the amendment to Article 8, inserting Section 1-A, providing for changing the taxation system so that the State may derive its income, in whole or in part, from other sources than the ad valorem tax."

Sec. 3. The Governor of this State is hereby directed ordering an election to determine whether or not the proposed constitutional amendment set forth herein shall be adopted, and to have the same published as required by the Constitution and laws of this State. And the sum of Five Thousand Dollars (\$5,000.00) or so much thereof as may be necessary, is hereby appropriated from any funds in the State Treasury, not otherwise appropriated to defray the expenses of printing said proclamation and of holding said election.

Approved March 11, 1927.
(A Correct Copy)
JANE Y. McCALLUM,
Secretary of State.

Be it Resolved by the Legislature of the State of Texas:

Section 1. That the Constitution of the State of Texas be amended by adding thereto another section to be known as Section 60, Article 16, to read as follows, to-wit:

Section 60. The Legislature may provide compensation for certain district and county officers, to-wit: The District Attorney, County Judge, County Attorney, Sheriff, County Clerk, District Clerk, County Tax Assessor and County Tax Collector, by prescribing their duties, and fixing salaries in lieu of fees, commissions and other perquisites as now provided by the Constitution.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Monday in August, A. D. 1927, at which all ballots shall have printed

thereon, "For amendment to the Constitution of the State of Texas giving the Legislature power to provide compensation for the District Attorney and county officers through salaries in lieu of fees, and commissions and perquisites as now prescribed by the Constitution," and "Against amendment to the Constitution of the State of Texas giving the Legislature power to provide compensation for the District Attorney and county officers through salaries in lieu of fees, commissions and perquisites as now prescribed by the Constitution," leaving the one expressing his vote on the proposed amendment.

Sec. 3. There is hereby appropriated out of any money on hand in the State Treasury not otherwise appropriated the sum of five thousand (\$5,000.00) dollars or as much thereof as may be necessary to defray the expenses of the holding of this election, including the expense of printing notices and advertisements.

Sec. 4. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Approved March 25, 1927.

H. J. R. No. 25
Proposing an amendment to the Constitution of the State of Texas amending Article VIII by the insertion of Section 1-a, authorizing the Legislature to provide for the separation of the objects of taxation for State purposes and for the support of the counties, districts and political subdivisions of the State and Counties; and authorizing the Legislature to provide for the levy of an ad valorem tax or other form of tax for State purposes only; and for local purposes only; authorizing the Legislature to provide for the classification of objects of taxation and providing that rates shall be equal on the same class of property, and fixing limitations upon taxation.

Be it Resolved by the Legislature of the State of Texas:

Section 1. That Article 8 of the Constitution of the State of Texas be amended by inserting therein Section 1-a, as follows:

Section 1-a. The Legislature may separate the objects of taxation for State purposes from the support of the counties, districts and political subdivisions of the State and Counties; and may provide for the levy of an ad valorem tax, or other form of tax, on certain classes of taxable property, or other objects, for State purposes only (including school purposes); or upon certain classes of property, or other objects, for county or local purposes only (including school purposes). In no event shall the rate of such taxes exceed the sum of the limits of such taxes fixed by this Constitution for State, County and other local purposes. The Legislature may provide for the classification of objects of taxation.

Taxation shall be equal and uniform. Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State, at an election to be held the first Monday in August, A. D. 1927, at which all ballots shall have printed thereon the following:

"For the amendment to Article 8, inserting Section 1-A, providing for changing the taxation system so that the State may derive its income, in whole or in part, from other sources than the ad valorem tax."

"Against the amendment to Article 8, inserting Section 1-A, providing for changing the taxation system so that the State may derive its income, in whole or in part, from other sources than the ad valorem tax."

Sec. 3. The Governor of this State is hereby directed ordering an election to determine whether or not the proposed constitutional amendment set forth herein shall be adopted, and to have the same published as required by the Constitution and laws of this State. And the sum of Five Thousand Dollars (\$5,000.00) or so much thereof as may be necessary, is hereby appropriated from any funds in the State Treasury, not otherwise appropriated to defray the expenses of printing said proclamation and of holding said election.

Approved March 11, 1927.

JANE Y. McCALLUM,
Secretary of State.

Be it Resolved by the Legislature of the State of Texas:

Section 1. That the Constitution of the State of Texas be amended by adding thereto another section to be known as Section 60, Article 16, to read as follows, to-wit:

Section 60. The Legislature may provide compensation for certain district and county officers, to-wit: The District Attorney, County Judge, County Attorney, Sheriff, County Clerk, District Clerk, County Tax Assessor and County Tax Collector, by prescribing their duties, and fixing salaries in lieu of fees, commissions and other perquisites as now provided by the Constitution.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Monday in August, A. D. 1927, at which all ballots shall have printed

necessary to the exercise of its jurisdiction. Said Court shall be open at all times and shall sit at the State Capital for the transaction of business at such times as may be designated by it. Said Court shall appoint a clerk, who shall give bond in such manner as is now or may hereafter be required by law, and he shall hold his office for four years, unless sooner removed by the Court for good cause entered of record on the minutes of said Court, and said Clerk shall receive such compensation as may be prescribed by law.

Section 6 (of Article V): The Legislature shall, from time to time, divide the State into such number of Supreme Judicial Districts as to it may seem necessary, not exceeding twelve at any one time, and shall have the power to re-district the State at any time, and shall establish a Court of Civil Appeals in each of said Districts, which Court shall consist of a Chief Justice and not less than two Associate Justices as the Legislature may provide, who shall have the qualifications as herein prescribed for Justices of the Supreme Court, provided that the aggregate number of Judges of all of the Courts of Civil Appeals shall never at one time exceed thirty-six. Each of the existing Courts of Civil Appeals shall continue until otherwise provided by law. The Courts of Civil Appeals shall have appellate jurisdiction co-extensive with the limits of their respective districts, which shall extend to all civil cases of which the District Courts or County Courts have original or appellate jurisdiction, under such restrictions and regulations as may be prescribed by law; provided that the decisions of said Courts shall be conclusive on all questions of fact brought before them on appeal or error. Said Courts of Civil Appeals shall hold their sessions at such places as may be designated by the Legislature and at such times as may be prescribed by law. Said Justices shall be elected by the qualified voters of their respective Districts, at a general election, for a term of six years, and shall receive such compensation as may be provided by law. Said Courts shall have such other jurisdiction, original and appellate, as may be prescribed by law. Each Court of Civil Appeals shall appoint a Clerk in the same manner as the Clerk of the Supreme Court, which Clerk shall receive such compensation as may be fixed by law. The Judges of the Courts of Civil Appeals who may be in office when this amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment.

Section 7 (of Article V): The State shall be divided into as many Judicial Districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a general election, a Judge, who shall be a citizen of the United States and of this State, who shall have been a licensed lawyer for four years next preceding his election, and during that time shall have been a practicing lawyer or Judge of a Court of record or such practicing lawyer and Judge together, who shall have resided in the district in which he was elected for two years next preceding his election, who shall reside in his District during his term of office, who shall hold his office for the term of four years, and shall receive for his services such compensation as may be prescribed by law. He shall hold the regular terms of his Court at the County seat of each County in his District at least twice in each year, in such manner as may be prescribed by law. The Legislature shall have power, by general or special laws, to authorize the holding of special terms of the court or the holding of more than two terms in any County for the dispatch of business. The Legislature shall also provide for the holding of District Court when the Judge thereof is absent or is, from any cause, disabled or disqualified from presiding. The Supreme Court or the Chief Justice thereof may assign any District Judge to any District in the State other than that for which he was elected, with all the powers of a resident District Judge of the District to which he is assigned, under such regulations as may be prescribed by the Legislature, or by the Supreme Court in the absence of such regulations enacted by the Legislature. The District Judges who may be in office when this amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment.

Sec. 2: Said proposed amendment shall be submitted to a vote of the electors of this State qualified to vote on constitutional amendments at an election to be held throughout the State on the first Monday in August, A. D. 1927, at which each voter opposing said amendment shall scratch off of the ballot with pen or pencil the following words printed thereon:

"For the amendment to the Constitution of the State of Texas removing from the Constitution all limitations as to the amount of compensation of officers, the compensation and expenses of said officers to be as provided by law, and fixing the compensation of the Governor, and providing that said amendment shall be effective on and after January 1, 1929, and not sooner."

If it shall appear from a return of said election that a majority of the votes cast have been in favor of said amendment, it shall become a part of the Constitution of the State of Texas.

Sec. 3: The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this resolution and the Constitution and laws of this State; and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the required vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

Sec. 4: The sum of five thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of the State Treasury to pay for publication of the proclamation calling said election and any expense of the State in submitting said amendment and holding said election.

Approved March 29, 1927.

purpose of providing a more efficient judicial system."
If it shall appear from a return of said election that a majority of the votes cast have been in favor of said amendment, it shall become a part of the Constitution of the State of Texas.

Sec. 3: The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this resolution and the Constitution and laws of this State; and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the required vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

Sec. 4: The sum of five thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of the State Treasury to pay for publication of the proclamation calling said election and any expense of the State in submitting said amendment and holding said election.

A JOINT RESOLUTION

S. J. R. No. 33.
Proposing an amendment to the Constitution of the State of Texas removing from the Constitution all limitations as to the amount of compensation of officers, the compensation and expenses of said officers to be as provided by law, and fixing the compensation of the Governor, and providing that said amendment shall be effective on and after January 1, 1929, and not sooner.

Be it Resolved by the Legislature of the State of Texas:

Section 1. That Article XVI of the Constitution of the State of Texas be amended by inserting therein a new section to be numbered Section 30a which shall read as follows:

Section 30a. All provisions of the present Constitution of Texas fixing or limiting the amount of salary or compensation of officers and members of the Legislature are hereby repealed and hereafter said officers and members of the Legislature shall receive such salary or compensation and expenses as now provided until otherwise provided by law. The salary of the Governor shall be Ten Thousand Dollars (\$10,000.00) per year, and no more, payable monthly, and he shall have the occupancy and use of the Governor's mansion, fixtures and furniture.

The salary or compensation of any member of the Legislature shall not exceed fifteen hundred dollars per year, and actual traveling expenses from the place of residence to the capitol and returning for each session of the Legislature, as shall hereafter be provided by law; and provided that no change of salary or compensation from that now provided by the Constitution shall become effective until the first general election held after adoption of this amendment.

Sec. 2: Said proposed amendment shall be submitted to a vote of the electors of this State qualified to vote on constitutional amendments at an election to be held throughout the State on the first Monday in August, A. D. 1927, at which each voter opposing said amendment shall scratch off of the ballot with pen or pencil the following words printed thereon:

"For the amendment to the Constitution of the State of Texas removing from the Constitution all limitations as to the amount of compensation of officers, the compensation and expenses of said officers to be as provided by law, and fixing the compensation of the Governor, and providing that said amendment shall be effective on and after January 1, 1929, and not sooner."

If it shall appear from a return of said election that a majority of the votes cast have been in favor of said amendment, it shall become a part of the Constitution of the State of Texas.

Sec. 3: The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this resolution and the Constitution and laws of this State; and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the required vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

Sec. 4: The sum of five thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of the State Treasury to pay for publication of the proclamation calling said election and any expense of the State in submitting said amendment and holding said election.

Approved March 29, 1927.

Section Foreman H. H. Earnest received a message Tuesday, stating the death of his father, which occurred at Abilene, due to an inactive heart, Tuesday. Mr. Earnest left immediately for Abilene, while Mrs. Earnest and the baby went down on the train Tuesday night.

Junior, small son of Mrs. Neil Harris, who is visiting here from Bastrop, La., is able to be up and about now from an illness of two weeks' duration.

Mr. Oren Coon is reported doing fine from an appendicitis operation performed at the Colorado Sanitarium last Sunday.

We are sorry to report Mr. Leslie Collier's condition has grown worse, following an operation at Temple,

some four months ago. Following advice of physicians, he has returned to Temple for medical advice and treatment. Mr. Mat Allen, his brother-in-law of China Grove, accompanied him Tuesday.

C. F. Glass and family and Mrs. Lina McGee visited in Midland Sunday.

Mr. and Mrs. G. Coury returned from Crano City, Monday, where they have been for the past three weeks on business.

Messrs. Frank O'Neal, Lee Dora, Wilburn Lewis and Ernest Richardson, Misses Rilla Thompson, Faye Coon, Richard Looby and Irene Henderson were dinner guests of Mr. and Mrs. Earl Hallmark and son Sunday. In the afternoon the party motored

to Colorado and later dined at the home of Mr. and Mrs. O'Neal. The young people report a very enjoyable day, with plenty to eat on both occasions.

Mrs. J. J. Lyons and children who have been visiting relatives here, will return to their home at El Paso this week. Miss Velma Price will accompany her sister, Mrs. Lyons, to make her home in El Paso.

Miss Buena Wilhite, daughter of Mr. L. G. Wilhite of the H. O. Weston Grocery Co., arrived Tuesday from Roaring Springs, where she has been teaching. Miss Wilhite comes here to assist her father in the dry goods department store opened in the Wimberly building Monday.

Mr. Emmett Richardson attended to business in Abilene, Monday.

Mr. John Coffee is attending the Bankers' association meeting in El Paso this week.

Messrs. J. M. Baker, Frank Johnson and son, Homer, and Mr. Baker's granddaughter, little Miss Fern Jackson, spent the week-end here from Abilene, with relatives.

Mr. and Mrs. W. K. Miles and daughter, Mr. Thomas Riden and wife and Rev. A. C. Harden, pastor of the

Bethel church, attended the Workers' conference at Westbrook, Tuesday. A basket dinner was served on the grounds. Next conference will be held in Dunn.

Mrs. Pat Taylor of Brownwood is visiting her sister, Mrs. Walter Simmons, and family.

Messrs. J. M. Brue and son, J. H. T. Johnson, H. J. Askins and Marim Mahon attended district Methodist conference at Snyder, Tuesday.

Misses Viola and Irene Brown entertained a young lady friend from San Angelo the past week-end.

Mrs. Jim Marshall entertained the fifth grade class, numbering 37 and their teacher, Miss Alta Lee, of the Loraine high school Tuesday afternoon, from 5 to 7. Various games and piano music were enjoyed. Refreshments of punch and cake were served.

Friends and relatives from Bethel have been invited to join Mr. Ollie Thompson and family of Westbrook in a birthday celebration to be spent in an outing on Sulphur creek, west of Colorado, Wednesday.

Mother's Day observance at Bethel Church, Sunday, despite the bad weather, was well attended. Visitors from other communities report a splendid program, well rendered, with an enjoyable evening spent in singing.

Mrs. G. L. Bryant and children who reside at Mereta are here on a visit with Mrs. Bryant's parents, Mr. and Mrs. J. W. Richburg.

Miss Garnett Thornton of A. C. C. spent Monday night and Tuesday at home. Her cousin, Miss Hazel Baggett, of Abilene, accompanied her.

Messrs. A. C. Taylor and son, George, D. K. Nelson and his brother, John who has been visiting here, left Tuesday morning for San Saba, where they will spend the week fishing. Mr. Nelson will leave the party there and return to his home at Parksdale.

Mr. Lee Burras and mother spent the week-end with relatives who live at Ackerly.

Mr. and Mrs. S. H. Hart of Valley View and Mrs. Clyde Smith and baby were dinner guests of Mr. and Mrs. Otha Thompson, Sunday.

Mr. W. L. Davis and wife, enroute from a visit to Lubbock to their home in Brownwood, dined with relatives here Monday.

Dr. and Mrs. H. W. McIntyre of Roscoe visited Loraine friends Thursday night.

Mr. and Mrs. R. H. Bennett are the proud parents of a fine baby girl, Elizabeth Aycce, who arrived at their home early Saturday morning, May 7.

We are sorry to report Rev. O. B. Annis is confined to his room this week, a victim of flu since Wednesday.

Commencement Exercises
Commencement exercises of the Loraine high school are to be as follows:

Baccalaureate sermon to be delivered at the Methodist tabernacle on Sunday, May 15th, by Rev. W. M. Elliott, pastor of First Presbyterian church of Colorado.

Commencement exercises will be given May 20 in the high school auditorium. The class address will be made by Judge Herman Mahon, an alumnus of the school and now our county attorney of Colorado.

Following is an outline of the exercises for the evening:
Professional—Mrs. Kirk Taylor.
Class song—By the Class.
Salutatorium—Wilma Manly.
Class History—Inez Mayes.
Class Prophecy—Raymond Johnson.
Class Will—Virgil Richburg.
Valedictory—Georgia Lee.
Diploma Presentation—H. E. Blythe.

Address—Judge Mahon.
The graduating class of nineteen members are: Jewell Armstrong, Lurline Britton, M. L. Clark, Alma Garrett, Freddie Glass, Raymond Johnson, Mary Nell Kimbel, Georgia Lee, Wilma Manly, Maude Manly, Ollie Mae Martin, Inez Mayes, Adeline McGee, Lela Wilcox, Rilla Thompson, Willie Taylor, Birdie Robertson, Virgil Richburg, Albert Ohlentbusch.

LAUNDRYMEN HOLD DISTRICT MEETING AT SWEETWATER

A district meeting of laundrymen of this territory was held in Big Spring last Saturday with nine representatives in attendance. This was a special meeting held for the purpose of recommending for membership in the State association, and the transaction of other business.

Representatives were here from Sweetwater, Colorado, Lamesa, Snyder, Midland and Odessa.

Colorado was selected as the place for holding the next meeting and July 29 was selected as the date for such meeting.

The visiting delegates were the guests of L. C. Holdselaw and C. E. Yarnell while here. They were taken for a ride through the city, a visit to the U. S. Experiment Station and other points of interest.—Big Spring Herald.

Panhandle.—Election ordered for voting \$65,000 in bonds for street improvements.

Grand Saline.—Earl Persons shipped two cars of hogs to Fort Worth recently.

Laredo.—Comitas Oil & Gas company recently organized in this city.

Anson.—Several streets in this city being paved.
