MRS. J. G. MERRITT, EDITOR PHONE 144

Miss Buchanan Entertains
Honoring Mrs. St. Clair, who left Sunday for New York, Miss Katherine Buchanan entertained Thursday at her home with bridge. There were four tables of players. The house was beautifully decorated with flowers.

Before the games, the guests enjoyed a very clever contest. Each one was given an envelope containing

15 paper Easter eggs and a parody of Kipling's "If." When a player said "Yes" or "No," they forfeited one egg. At the conclusion Miss Kate Justice had the most eggs and was presented with an Easter basket with the bunny and eggs.

Mrs. Joe Smoot won high score at bridge and was rewarded with a portfolio of French note paper; Mrs. Turner with low score was given a box

of bath powder. The honoree was presented with a box of linen handkerchiefs.

At the social hour, the hostess served chicken sandwiches, fruit salad, coffee, salted nuts in Easter baskets, frozen yellow and white chickens and white cake with Easter bon-bons.

Honoring Mr. and Mrs. St. Clair
Mr. and Mrs. Harry Ratliff entertained Wednesday evening with a bridge supper, honoring Mr. and Mrs. Stuart St. Clair, as Mrs. St. Clair left this week for New York, where she will remain for some time.

A Mexican supper was served to 18 guests, who came adorned with Spanish shawls. A color scheme of red, yellow and green was carried out. Chili en casserole, frijoles, hot tamales, tortillas, stuffed pepper salad, and crackers were served as the first course, followed by chocolate cake covered with whipped cream and coffee. The tables were laid in yellow and white cloths, lighted with green candles in yellow candlesticks. Ferns and Mexican pottery were used as decorations.

After supper, bridge was played. On each table were highly colored candles in pottery bowls. Mexican clay bats were used as ash trays. The tallies and score pads were of Spanish ladies, hand-painted. At the close of the game, Mrs. St. Clair was presented with a hand-painted water color done by the hostess. This was a patio scene, a memento of the border state. Dr. Browning won high score for gentlemen and was given a Spanish water jug. Mrs. Wilkes got high score for ladies, a Spanish water jug. Mr. Wed Reid and Miss Kate Buchanan were those having low score and each were given a Mexican hat brush.

After playing bridge for a while, the group enjoyed dancing to Mexican music, provided by Mr. Chester Jones and Harry Ratliff.

County Federation
The County Federation is to meet April 9, next Tuesday, at the home of Mrs. R. P. Price. This is an important meeting, and all members should be present, as this is the last meeting before the district meeting in Brownwood.

Easter Egg Hunt
Saturday afternoon the Episcopal church had their annual Easter egg hunt at the home of Mrs. J. C. Prude. There were about 30 children present. After the hunt, the children were served ice cream in Dixie cups.

1921 Club
Mrs. Dick Carter was hostess to the 1921 Club. It was decided to combine two lessons and have no meeting next Friday, in order that the members might cooperate with other clubs in getting out the April 15th edition of "The Howl."

The lesson was an Merrick's "Conrad in Quest of His Youth." Mrs. Ed Jones gave a very interesting paper. Mrs. Harry Ratliff led the discussion. The next meeting will be with Mrs. J. M. Doss.

Self Culture Club Entertains
Melody Way Pupils
Friday was Melody Way day at the Self Culture club, which met with Mrs. J. Brown. Mrs. Guitler's first and second year pupils and high school orchestra were guests, with their mothers invited to hear them play. No program was given by the club women, but each one of Mrs. Guitler's pupils played and all did well, showing great improvement over last year. There were violin solos by Lena Smith and Amona Rogers; clarinet solos by Harold Lambeth and Bruce McCloud; piano solo, duos and trios by all the others, all of which were enjoyed. The orchestra was unable to play, as their leader, Miss Hightower, did not come. A novel feature was music by an orchestra of Mrs. Guitler's younger pupils, Nancy Price, Katherine Slagel and Elizabeth Dupree were at the piano during this number.

At the conclusion of the musical program, Mrs. J. G. Merritt told the children about the many interesting and beautiful buildings of Washington, D. C. She told of her visit to Mt. Vernon, Arlington, the Capitol, Pan-American building, museum and art gallery.

Ice cream and cake were served at the conclusion of the party, which was enjoyed.

Shakespeare Club
In deference to the Episcopal members of the Shakespeare club, there was no meeting this week. The club will meet in regular session next Friday with Mrs. J. M. Thomas.

London Bridge
Mr. and Mrs. Foster were host and hostess to the London Bridge Club Tuesday evening. There were five tables of players. The house was decorated in Easter flowers. After a most delightful evening, the guests were served a salad plate.

Hesperian Club
The Hesperian Club met Friday with Mrs. Ralph Lee. Letters regarding reports and candidates were read. The club voted to endorse Mrs. John Perry of Sweetwater for second vice president of the State Federation. Mrs. Barcroft resigned as president for the incoming year, and Mrs. W. A. Bandy was elected to take her place. Mrs. J. G. Merritt was made corresponding secretary.

It was voted to cooperate with the other clubs of the town in getting out the April 15 issue of The Howl. A committee composed of Mrs. Whipkey, Mrs. Lockhart and Mrs. Sadler was appointed.

The lesson on "American Art" was led by Mrs. Pidgeon. Mrs. Gage had a splendid paper on "Sculpture in America." Mrs. Homsley gave a very interesting talk on her display of reproductions. The questions on Lesson V were studied. Mrs. Johnson conducted the Better English drill, which was very helpful.

The hostess had as her guests Mrs. Owens, Mrs. Randle and Mrs. Thomas. She served a salad, sandwiches and individual Easter cakes. The next meeting is with Mrs. Lockhart.

Easter Party
Saturday afternoon at the Colorado Hotel Misses Kate Justice and Virgie Powell gave a beautiful Easter party to more than 75 of their friends. The dining room of the hotel was decorated in palms, bowls and vases of spring flowers, and at one end was the Easter rabbits' garden with the many-colored eggs and bunnies of various sizes. On entering this room the guests were presented to a receiving line composed of Miss Justice, Miss Powell, Miss La Nell Shell of Sweetwater, Miss Emily Ailidge of Rescoe, Mrs. John Duffenbach, Mrs. Raymond Gary and Mrs. Bell of Colorado.

Easter flower tally cards were passed, there being 18 tables of bridge and 42 players. The score pads were covered with orchid crepe paper adorned with Easter ladies.

At the conclusion of the games, a number of delightful musical selections were given by Miss Melton and a beautiful spring dance given by little Miss Winnie Powell, who was attractively gowned in red. A long table in the center of the room covered with a lace cloth was centered with flowers. At one end was placed a punch bowl filled with delicious and refreshing punch. Before this was seated Miss Sandusky, while on one hand stood Miss Edna Mae Powell, on the other Miss Stoneroad, to pass out the filled punch cups. From the other end of the table Miss Sandusky served slices of white and orchid cream. Plates of angel cake, wafers and flower mints were on the table. Scattered thickly over the cloth were orchid and rose-colored sweet peas. These were favors. Napkins were handed each one by Miss Margaret Smith.

High score in 42 was won by Mrs. Root, who was presented with two beautiful candles. High score in bridge was made by Miss Emily Arledge. She was presented with a set of brass dinner chimes. Mrs. W. L. Doss, Jr., got second highest at bridge and was given a beautiful green condiment dish in a silver holder. Miss Dimples Way received as consolation an ash receiver.

This, the last of Colorado's many pre-Easter affairs, was by far the most beautiful both as to setting and the gowns of the ladies present.

Presbyterian Missionary Society
The Presbyterian Missionary Society met with Mrs. John Brown. Miss Nell Riordan conducted the devotional. Her text was the 119 Psalm. She gave out references to different ones about the symbols of God's word. They were: 1st symbol, God's word a mirror; 2nd, A lamp to light us in the right path; 3rd, Fine gold; 4th, a sweetener of a Christian's life; 5th, fire of hammer; 6th, the Christian's sword; 7th, the seed. Mrs. Jerold Riordan offered a prayer. Mrs. Daugherty led the lesson on Home Missions. Mrs. Clarence Gross told "What Comprises the Frontier of Today." Mrs. Riordan told about "Where the Home and Foreign Missions Meet." Mrs. Peek told of "The Lewis Cot League." Miss Nell Riordan gave an interesting story about "The Unique Service a Pecan Tree Rendered." Mrs. Van Tuyl gave the "Three Distinct Problems that Atlanta Faces." Mrs. Madden gave "Rev. William Huck's Work in the Atlanta Presbytery." Mrs. Carter gave "Organization of the First Church in San Antonio." Mrs. Ballou gave the "Synod of Small Churches." Mrs. J. Brown gave "Key West As a Cuban Inroad." Miss Nell Riordan read a letter from Miss Alice McClelland, a missionary in Mexico. Mrs. Jerold Riordan gave the year's report of the Auxiliary, also an "Alphabet" sent out by Mrs. McDowell of Big Spring.

The meeting was closed with sentence prayers. The next meeting will be at the church.

Christian Missionary Society
The Christian Missionary Society met at the home of Mrs. Venable. The topic for the day was "Africa in One Generation." Mrs. Ewell led the devotional. Mrs. Jones gave the story of "Our Work by Map and Story." Mrs. Venable told of "Our New Acquaintance in Africa." Mrs. Chase gave a monologue, entitled, "I Am Youth." Mrs. Porter told of "A Central Training School." Mrs. Ewell led the round-table discussion. At the social hour the hostess served delicious ice cream and angel cake.

The next meeting will be "The Aid," which will meet in the church parlors with Mrs. Frank Pond and Mrs. Carlock as hostesses.

Merry Wives
Mrs. Frank Kelley very delightfully entertained the Merry Wives on Wednesday afternoon. The house was lavishly decorated in lilacs. Mrs. James Griffin and Mrs. Ralph Beal were guests. At the conclusion of the games the hostess conducted the party to the Keybrook confectionery, where they were served orange sherbet, angel cake and orange mints.

LIFE and growth for chicks... this sign points that out to you. It directs you to Purina Chick Startena. The new feeding discoveries that come to you in Startena this year will give better livability and 15 to 20% greater growth than ever before.

There's lots of buttermilk in Startena. Chicks like it and grow on it. The cod-liver oil in Startena takes the place of sunshine and keeps chicks from getting leg weakness.

And there's alfalfa leaf meal, granulated meat, wheat middlings, wheat bran, wheat germ, corn meal, bone meal, linseed meal, calcium carbonate and salt in Startena.

Everything there... that chicks need. Order your Purina Chick Startenatoday

LOGAN'S HATCHERY

Smith Equipped 52,000 Egg Capacity

THREE CARS EGGS PAY FOR 600 CARS MAIZE

In the meeting of the district convention of the West Texas Chamber of Commerce held recently at Snyder, one man brought out in his talk that in 1928 Amarillo shipped 600 carloads of maize to the poultry districts of California, and this maize was in turn paid for with three car loads of eggs that were shipped to Amarillo. This is a ratio of 200 to 1. The poultry business should be an enormous one here where the feed is raised. Think it over.

E. H. MEEK AND H. A. LASSETER FORM AUTOMOBILE COMPANY

Secure Distributorship For Hupmobile in Five Counties

E. H. Meek of Colorado and H. A. Lasseter of Westbrook have formed the Meek-Lasseter Auto Co., and have contracted for distributing agency for the Hupmobile, in Nolan, Scurry, Mitchell, Howard and Glascock counties.

At present the company is storing their cars with the Dobbs & Rice garage, but Mr. Meeks announces that as soon as proper location can be secured the company would open a salesroom in Colorado, Sweetwater and Big Spring. Mr. Lasseter may erect a suitable building in Big Spring, Meeks said.

The Hupmobile line of cars includes the famous Century sixes and eights and the Chandler sixes and eights. The Hupmobile company owns the Chandler plants. Meeks says the Hupmobile company also owns control of the Goodyear Tire & Rubber Co.

The Hupmobile straight eight Century model created considerable of a sensation a short time ago and is said to be gaining in popularity rapidly.

Mr. Meek, the manager, who was formerly with the Buick agency, has several cars on hand here now, he said.

ROY WILLIS, LORAIN HIGH SCHOOL BOY, IS KILLED IN AUTO WRECK

Three Others Injured in An Accident South Of Loraine

An April day school picnic ended tragically near Loraine late Monday when Roy Willis, 15, Loraine High school freshman, was instantly killed and three boy companions were injured, two of them seriously, in an automobile accident, six miles south of that city.

The injured are Clay Dean, Lester Ray Robertson and Victor Tillison. All are high school students.

As the picnickers neared their destination, a front wheel of the car driven by Young Willis broke and the machine turned over, crushing his head and killing him instantly. The accident occurred at 4:30 p. m. Monday.

Young Dean suffered internal injuries, extent of which had not been determined Monday night. Robertson's arm was broken. Tillison escaped with slight bruises.

Roy Willis was the son of Mr. and Mrs. T. E. Willis, who live four miles north of Loraine. The funeral was held Tuesday.

GREENE REPRESENTS COLORADO AT RAIL HEARING AT LUBBOCK

THIS CITY INTERESTED IN T. & P. SECURING PERMIT TO EXTEND LINE

J. H. Greene has just returned from Lubbock, where he attended the I. C. C. hearing on the matter of the extension of the T. & P. branch railroad. The T. & P. proposing to extend from Monahans up into the Southeastern New Mexico to Livingston. This hearing is before Judge Davis, chairman of the I. C. C. Commission.

Colorado's interest in this extension would be centered around the fact that it would give us an outlet for building materials taken from the Colorado river, our dairy and poultry products and in return would give to us a fruit and vegetable market from the irrigable lands of New Mexico. According to Greene the Lubbock people are partial to the Santa Fe extension. The Livingston people, however, seem to be almost unanimous in desiring the T. N. M. extension.

COLORADO CIRCUIT VOTES TO BUILD PARSONAGE HERE

LOT GIVEN BY R. T. MANUEL, CONSTRUCTION TO START IN NEAR FUTURE

Voting to build a parsonage was the main accomplishment of the quarterly conference of the Colorado Methodist Circuit held in Colorado Tuesday afternoon. F. O. Garner is pastor of this circuit.

The parsonage is to be built three blocks northeast of the high school on a lot and a half of land given by R. T. Manuel. Construction is to begin in the near future.

Every point in the circuit was represented at the conference. Those points are Spade, Hyman, Union, Bailey's Chapel, and Champion.

During the week-end Martha Reba Hubbard gave a slumber party, honoring the Simmons co-eds who were visiting home. Kack Price, Margaret Mann, Lucille Ashford, Geraldine Baze, Nell Harper Greene and Elizabeth Looney were present.

'ABIE'S IRISH ROSE' TO BE SHOWN HERE ON THREE DAYS NEXT WEEK

Palace to Offer Movie Made From Famous Play As First Big Talkie

Offering its first feature talking and sound picture, the Palace Theatre will present "Abie's Irish Rose," the film version of Anne Nichols' famous play, next Monday, Tuesday and Wednesday. The picture is equipped with Quality Sound effects, music score, and talking, according to Mr. and Mrs. Ross Dixon, managers of the theatre, which last week showed its first trial talkie.

"Abie's Irish Rose" was produced by Paramount from the famous stage success of Anne Nichols who also supervised the transplanting of her famous play from the stage to the screen at the Hollywood studios of Paramount. It is perhaps the best known play generally to have ever been produced. The stage play ran for five and a half years continuously in New York City. Innumerable road companies have presented the play in every important city and in some small towns have glimpsed the Nichols success.

"Abie's Irish Rose" is so well known that it needs no description in this paper, and the talkie picture of this great play is simply great.

Bailey Chapel S. S. Picnic Is A Big Success

Fifty-five pupils of the Sunday school and members of the Epworth League at Bailey's Chapel and a number of visitors from Big Springs, Colorado and Dorn went on a picnic Sunday at 11 o'clock. They met at the home of the Sunday school superintendent, R. M. Jones, where a splendid Easter program was rendered. At 12:30 a bountiful feast was spread, which was enjoyed by all. The afternoon was spent in making pictures and an egg hunt, until 3:30, at which hour they met at the church for Sunday School.

All returned home reporting one of the happiest days they ever spent.

Miss Calle Price Is New Saleslady At Grissom Store

Miss Calle Price, well known in Colorado, is a new member of the sales force at Grissom Bros. store here. Miss Price is a sister of R. P. and Oscar Price.

Until 1919, Miss Price made her home in Colorado. Since that time she has been making her home in Honey Grove, returning from there only a short time ago.

Rogers Ramblings

Munday, April 1, the teachers of Rogers school entertained the students with a picnic. Everyone reported a good time.

The party at Mr. and Mrs. Clyde Bynum's was enjoyed by all, especially Preston Wynne who learned a new game.

Ted Keen of Colorado spent Saturday night and Sunday with Leroy Roberts.

C. C. Moore returned Monday from Abilene.

Marion Cox of Houston is the guest of Mr. and Mrs. A. F. Callan.

Misses Myrtle Ballard and Olga Roberts went Saturday night with Valencio Oliver.

Jack McMillan and Miss Lopez

Burford of Abilene spent Saturday night and Sunday with relatives here. The party given in the home of Mr. and Mrs. C. W. Burford Monday night was well attended and all reported a nice time.

Mr. and Mrs. H. H. Cook of San Angelo spent Sunday with Mr. and Mrs. B. A. Wynne and family.

HERMLEIGH CHILD DIES OF DIPHTHERIA

Doyle Peterson, 7-year-old son of Mr. and Mrs. Doyle Peterson of Hermleigh, was buried yestear afternoon at Hermleigh cemetery. The little boy died at 11 o'clock Friday night of diphtheria.

Legal size paper at Record office.

CAMERON McLEAN'S APPEARANCE WAS UNUSUAL SUCCESS

Colorado Turned Out Fair-Sized And Appreciative Audience Thursday

Disproving considerably her reputation for failing to support worthwhile programs, Colorado turned out an encouraging audience when Cameron McLean, Scottish baritone, appeared in a varied and delightful program at the high school auditorium Thursday evening. Several people who planned to come from Snyder and other out-of-town points were kept away by roads rendered almost impassable by the rains.

Encored after each group of songs, the artist's every number was received with an enthusiasm unusual for an audience in Colorado. The whole-hearted response of the audience was felt especially when Western groups of songs were sung. The rhythm and spirit with which Cameron McLean entered into the rendition of these old cowboy tunes led to the remark that "To fear him one would think him a cowboy himself." Another stated that to hear his singing of "Old Paint" was well worth the price of admission. A prime favorite with the audience was "We'll Be Rounded Up in Glory By and Bye," which Mr. McLean gave as an encore to this group. "W.P. a Hundred Pipers," arranged by Arthur Whiting, was probably the favorite of the Scottish group of songs. In this number the piano accompaniment was an excellent reproduction of bag-pipes. The remarkable interpretation, tone and color given by the singer and his famous accompanist, Mabelle Howe McLean, was as pronounced in this group as in all the others.

Comments of high praise came from hearers concerning Mr. McLean's singing of "The Old Rugged Cross." A woman of the audience declared that she had ever heard that hymn really sung until she heard Cameron McLean.

The last encore was sung in response to a request made by a Colorado woman, Mrs. J. G. Merritt, who will probably learn for the first time when reading this that Mrs. Cecil C. Meskimen, who was responsible for Mr. McLean's appearance here, requested him to sing "Going Home"

Baby Beeves Of Club Boys Sold At Auction Sat.

Everyone is invited to see the 4-11 Club members' baby beef calves which will be exhibited in front of the city hall Saturday, April 6, from 10 a. m. to 3 p. m., at which time they will be auctioned off. Three registered girls that have been turned in to the Chamber of Commerce by club boys will be auctioned off just after the calf auction.

The boys who fed the calves have never had any experience feeding calves before, but the demonstration has proven a success and shows what can be done when home grown grains are fed to home grown livestock.

The county agent is especially anxious for all 4-11 club members to inspect these calves while in town Saturday.

'THE LIVING CHRIST' THEME OF EASTER DAY SERMON REV. ELLIOTT

Presbyterian Pastor Speaks Of Jesus As The Victor, Not Victim of Death

Explaining the meaning of Easter in a wonderful sermon on the theme, "The Living Christ," Rev. W. M. Elliott, pastor of the First Presbyterian church, delivered an Easter Sunday sermon that was indeed worth the hearing.

"The resurrection is essential to Christian life and thought," the pastor said in opening. Continuing, he said:

"There are those calling themselves Christians to whom Jesus is simply the first Christian, and in no proper sense an object of worship. There are others calling themselves Christians to whom the expiatory death of Jesus is abhorrent. There are those calling themselves Christians who say that as far as their religious lives are concerned, it would make no difference if it could be shown that Jesus is not alive today, or even that if he had never existed at all.

"The Easter tide comes to tell us not of a dead Christ but of a living Christ. He lives in the church and illuminates it with His love. He lives in the truth, that reflects His image in every service we render. He lives in the hearts of His followers which burns as He walks and talks with them along the way.

"Some one has said, This the trumpet call of Easter, Jesus lives, hallelujah, Jesus lives. So, my beloved, the Church is not proclaiming a dead Christ, but a living Saviour;

"Easter is a day of gladness, when we are conscientious of the fact that our Christ lives. We have great joy. There is no place for sadness in the Christian life or disappointment.

"We are not like many who are without God in the world, without hope, without everything that would make for happiness, for of course they are sad, miserable and hopeless. To those who have a living Christ there is a joy that is unpeakable. We are told that at the funeral of Ingersoll, there was no music. There was no music, no hope, no gladness in the realm of infidelity. Our religion is the only religion that is set to music, the only one that rings with hope.

"Easter is a day of good tidings. "Easter comes at the time of the year when the newness of life is evident everywhere. I always like the Spring especially for that reason. It is a message of new life. Old things with their darkness and gloom have passed away and behold all things have become new. The sun of righteousness shines forth in all its noon-day brilliancy, and it brings to our hearts a wonderful certainty of life, which neither death nor the grave can dim or overshadow.

"Do you wonder that Easter is a time of joy and gladness? New life everywhere. The fields rejoice, the trees of the forest clap their hands, the flowers in the yard look up into our faces with a smile of loveliness and are glad. In fact, all nature joins in the song of the angels song, "Joy to the World," the Lord has come, and as the Lord Himself said, that ye might have life, that ye might have it more abundantly.

"When we are cast down with our dreary winter life the beautiful Easter message comes to cheer us on. When this new life comes into our hearts we will begin to live the new life. If any man be in Christ Jesus, he is a new creature. Beloved let this Easter message be to us the gateway to a higher and a better and a nobler life.

"Let us believe more sincerely, live more cheerfully, serve more faithfully, pray more earnestly, and share with others more willingly.

"This is the reason for our gladness and the new life. Victory that overcometh the world. Jesus is the victor; He never was the victim. He came and died that we might have the victory over sin and the consequence of sin. Jesus was self-elected sufferer who gave His life a ransom for sinners. He tells us that no man taketh his life, that He had power to lay it down and had power to take it again. By the giving of His life He conquered sin, and now He is victor over sin, death, and the grave.

"The angel said to the women, He is risen; he is not here; you think He is dead, but He is alive. The cross was not the end but the beginning of life. The darkest hour is just before the day, so the tragedy of the cross was a dark hour but it was the dawning of the beautiful morning when all nature broke forth in a new song of victory.

"Let us thank God for giving us the gladness of a new life in victory. Jesus lives, and because He lives we shall live also. Let the redeemed of the Lord say so. Let us not be slow to tell others of the victory that is for them."

"They say if theres anything in a man, travel will bring it out. "You tell 'em! I found that out my first dry at sea."

Auto Thief Gets Cold Feet When Looks At Pistol

Beating an alleged car thief to the "draw" probably saved the life of Officer Homer Key Tuesday night when he, together with Chief Dick Hickman and Constable Cook, arrested two men charged with stealing a Studebaker coupe at Big Spring.

The officers had received information from Big Spring officers to be on the lookout for the coupe and thief, and were station on the south Westbrook detour about two miles out when the Studebaker passed "wide open," as one of the officers described it. Chief Hickman immediately took in after the car and alleged thief, and it looked as though the chief's Ford did not have enough cylinders, when the Studebaker drivers saw the river bridge and slowed down. Just as they crossed over, the chief's car ran around beside them, throwing his front wheel into the front wheel of the Studebaker. At the same instant Homer Key, who was riding beside Chief Hickman on the front seat, jumped to the running board of the Studebaker, jerked out his pistol and poked it through the coupe door just as the driver was drawing a brand new Savage automatic from his shoulder holster. The driver stated to the officers later that that big Colt's pistol of Key's looked too big and he decided not to shoot it out.

Local officers are to be complimented in having caught every stolen car headed this way from Big Spring where they received information of the theft in time to make a capture.

COLORADO GIRL EDITOR OF "APRIL DAY" PAPER

As is the custom of all colleges, an April day publication, was issued at Simmons University April 1, which covers the funny and more or less ridiculous side of college life. The Simmons publication is known as "The Cutthroat." It is published only once a year, on two pages, six columns, printed on yellow paper. Miss Geraldine Baze, daughter of Mr. and Mrs. John R. Baze of Colorado, was editor-in-chief of the publication this year. Even though a foolish atmosphere is thrown around the publication, it shows real ability in its get-up.

FOSTER WANTS HICKORY CANE CORN SEED

County Agent Foster wants to get in touch with anyone who has some Hickory Cane roasting ear corn which has only eight rows of grain.

T. & P. WILL BUILD ROUND-HOUSE, SHOPS, BIG SPRING

BIG SPRING, March 18.—In a conference with the city commission here this morning, J. L. Lancaster, president of the Texas & Pacific railway, announced the immediate construction of a super-modern round-house, machine shops, freight depot and warehouse, laying at rest the disturbing prospect that has often loomed before the people of this city that the railway company might remove its shops and division headquarters from Big Spring.

Heavy additions will be made to the regular list of employees in the various departments which the railway company will station here permanently.

First Girl—Who told you that dress is too long?
Second Girl—Nobody, but yesterday it caught on my garters.

The Christy Bros. big five-ring wild animal show which will be here on Friday, April 5, for two performances, and is the only big show of its magnitude that still retains the parade feature of circus days, with a two-mile-long gorgeously and brilliantly spectacular street pageant that will leave the show grounds promptly at noon.

Among the many stellar attractions of this national organization will be the five herds of elephants and they are all actors of proven ability and go through a series of acts without the aid of human direction that will give a thrill to even the old-time circus fan.

There is an army of acrobats, aerialists, equestriennes, and fifty really funny clowns.

Performances are scheduled for two in the afternoon and eight for the night show. Doors will open an hour earlier so that all may pay a leisurely visit to the menagerie.

The Texas Press

A man who "was once reputed to be the biggest manufacturer of beer in Kansas City," according to a dispatch, ran afoul of the new Jones law the other day. He was sentenced to serve two years in the penitentiary and pay a fine of \$10,000. Opinions may differ as to the efficacy of the new law with teeth in it, but that is one man who hasn't any doubts about the matter. Ask him; he knows.—Abilene Reporter.

West Texas and the South Plains of Texas should be the home of the happiest people on earth. Just think of the fine conditions that face this section. The spring here, and the wonderful rains have come, and the soil is in fine shape for receiving the seed for the new crop, while other portions of the United States are suffering from wind storms, and hail and floods. This is a wonderful country, and any of us should really be ashamed to complain about anything that happens.—Lubbock Avalanche.

Report says that a new paper has been started at Clarendon. We have not seen it but opine that breaking into Braswell's preserves isn't going to be so easy and it's a question if Clarendon is large enough to support two papers. When four old, well established papers like the Clovis News and Journal and the Plainview News and Herald find it to their interests to consolidate, it would seem to indicate that it takes a pretty good town to adequately support two newspapers in these days of high prices. Clarendon is not so large as either Clovis or Plainview and while there is always a certain per cent who will flock to a new standard bearer for a time, they are usually fickle and flock back again on the slightest provocation. Another excellent Plains paper which has recently "developed" opposition is the Clayton News. Two newspapers have been tried before in the Union county capital and it was not found to be a profitable proposition. Even though Clayton has grown and improved greatly since that time, it is difficult to see where there is enough patronage to warrant a second with the enormous increase in expense that is now necessary. It looks to us like "flying in the face of Providence."—Southwest Plainsman.

Can you imagine anything more inspiring than to have a boy call at a place of business, ask for credit and make the voluntary statement that he is a Boy Scout, dependable, and tell the day and hour he will pay? One did that very thing right here last week and he carried out his promise. He is dependable. He will make a good man. If every Scout will be as loyal to the teachings of the organization, what a citizenship America will have 20 years hence. Ought we not spend more money on such chaps and less on other things? It would be an investment. Interest would be compounded daily. We could, in a very short time, dispense with reformers, save money, and spend the difference. The tree will grow the way the twig is bent. Learn to like

boys. Know their natures and their habits. Associate with them often and you will not think civilization is headed for the rocks. All Boy Scouts do not live up to the teachings of the craft, but more than 50 per cent do, and 50 per cent is enough to continue America the way she should go.—Coleman Democrat-Voice.

The Slaton Slatonite reports that A. J. Payne has been in Ft. Lauderdale, Fla., for several weeks, recovering from an attack of rheumatism. While in Florida Mr. Payne visited with his daughter, Mrs. P. V. Burns and family. Mr. Payne formerly lived in Colorado and has hundreds of friends here who will be glad to know he has recovered from the attack of rheumatism.

NEW CHEVROLET SIX IN MANY BEAUTIFUL COLORS

Watching the new Chevrolet as it noses gracefully through traffic or presses forward eagerly on some highway, you may have wondered how its various color blendings are conceived, and why they appear in such profusion. You might have guessed that so alert an organization as General Motors does nothing haphazardly, that there must be a special department in charge of color creation. And if such was your guess you were right.

The art and color division of General Motors is the source of all the color schemes which enhance every General Motors car from the graceful Chevrolet to the baronial Cadillac. Here colors are evolved systematically, the same degree of efficiency prevailing that is found in the sales and manufacturing divisions. Nothing is left to guess work.

The studio, in charge of Captain H. Ledyard Towle, has a research department without any known duplicate in the world. Chief among its functions is to keep the staff constantly posted as to the fluctuating color preference in America and abroad, for styles in color, as in other things, are known to move in cycles. Constant check is being made to ascertain which is the reigning color blend in the exclusive dress making salons, in the kitchens and bathrooms of America, in the art galleries of the world. A complete library of art magazines and automobile trade journals is kept on file. Sales figures from all General Motors units are studied with reference to color.

Although the artists might know with certainty that the color most popular on the Riviera last winter was green, no restraint is placed on their originality. While Captain Towle's staff attempts to give the public what it wants during a particular season, it is axiomatic that some new hue will be favored next season and General Motors artists in the opinion of Captain Towle might just as well as sponsor to the new vogue as some leading Parisian gown maker.

Original color ideas come from everywhere and everything. The blendings of a new car might derive from a Persian rug, a famous painting, the plumage of a bird, the tint of a precious stone.

When a new car is about to be marketed or a color change desired on an existing model, the artists busy themselves at their palettes, each achieving his idea of the proper color harmony. When a half dozen or more suitable combinations are finished, the work is submitted to the manufacturer.

Captain Towle credits pyroxylin with the current color invasion of industry. By its use cars which formerly required days to paint can now be completed in a few hours. Now that beauty can be had without costly delay, industry in almost every line is busy coloring its products.

Ten Reasons why 300,000 careful buyers have chosen the New Chevrolet Six since January 1st

Ever since the date of its introduction, the new Chevrolet Six has swept triumphantly on to greater and greater heights of popularity. Value for value and price for price—buyers have compared it with other cars in the low-price field. And the result has been an overwhelming public preference—over 300,000 buyers since January 1st. And everywhere the enthusiasm is constantly increasing—for the new Chevrolet Six combines, as does no other car in the world, those ten great fundamental factors which careful buyers are now demanding in the cars they buy.

6-Cylinder Smoothness

Due to the finer inherent balance of its six-cylinder valve-in-head motor, the new Chevrolet provides that smooth, quiet, flexible performance which is the distinguishing characteristic of the truly fine automobile. At every speed, the power is delivered easily, freely and without annoying vibration. You can ride and drive for hours without annoying rumble or noise fatigue—every mile a delight for both driver and passengers.

6-Cylinder Getaway

And in sheer brilliance of performance, as well as in smoothness and quietness of operation, the new Chevrolet Six is a revelation. An automatic acceleration pump results in remarkably fast acceleration whenever the accelerator is suddenly depressed. And a new high-compression non-detonating cylinder head eliminates every trace of "lugging"—even when you have occasion to accelerate swiftly in high gear.

6-Cylinder Speed

Naturally, Chevrolet's powerful six-cylinder valve-in-head motor might be expected to provide speed in abundance. But even more important than the speed of the new Chevrolet Six is the smooth, quiet, restful comfort you experience at every point on the speedometer. You can open the throttle wide with a feeling

of complete security—and you come to the end of a full day's drive entirely free from the weariness caused by engine noise and body rumble.

6-Cylinder Power

The great reserve power of the new Chevrolet Six is a constant delight. The steepest hills are taken with ease. Heavy roads are negotiated without the necessity for frequent gear-shifting. And even at the higher speeds, there is always that feeling of confidence which comes from the knowledge that additional power is at hand . . . instantly available for whatever need may arise.

Modern Safety Features

The new Chevrolet Six is equipped with every modern safety and convenience feature—typified by a full ball bearing steering mechanism, nonlocking 4-wheel brakes with separate emergency brake, foot controlled adjustable two-beam headlights, automatic fuel pump, theft-proof Electrolock, electric motor temperature indicator, and Fisher VV windshield and adjustable driver's seat in all closed

models. As a result, it is one of the easiest and safest cars in the world to handle.

Better Than 20 Miles Per Gallon

The marvelous performance of the Chevrolet Six would be considered exceptional in any automobile. But in the new Chevrolet it is nothing short of sensational—for here it is combined with operating economy of *better than 20 miles to the gallon of gasoline*. As a result, those who can afford to own *any* automobile can afford to own and operate a Chevrolet Six!

Exceptional Riding Comfort

Another vital factor that has influenced hundreds of thousands in their selection of the new Chevrolet Six is its exceptional riding comfort. Built on a wheelbase of 107 inches . . . offering the deep-cushioned luxury of bodies by Fisher . . . and with the entire upper structure cradled on four long semi-elliptic shock absorber springs—it travels the roughest highways with amazing comfort. And its balance on turns and curves is equally

exceptional—for the rigid frame and the long springs reduce sidesway to the minimum.

Beautiful Fisher Bodies

The marvelous bodies on the Chevrolet Six reveal, as never before, the matchless artistry that has made the Fisher name renowned throughout the world for excellence in coachcraft. Longer, lower and roomier . . . finished in attractive, long-lasting colors . . . and upholstered in rich deep-tufted fabrics that give to the interiors an air of custom elegance—they introduce into the low-price field an entirely new measure of style and distinction.

Proved Dependability

Before the new Chevrolet Six was presented to the public, it had been tested for more than a million miles on the roads of the General Motors Proving Ground. Never did a new motor car go into the hands of its owners more thoroughly proved in every detail. And now, reports of its performance on the highways of the nation pay glowing tribute to its endurance and dependability.

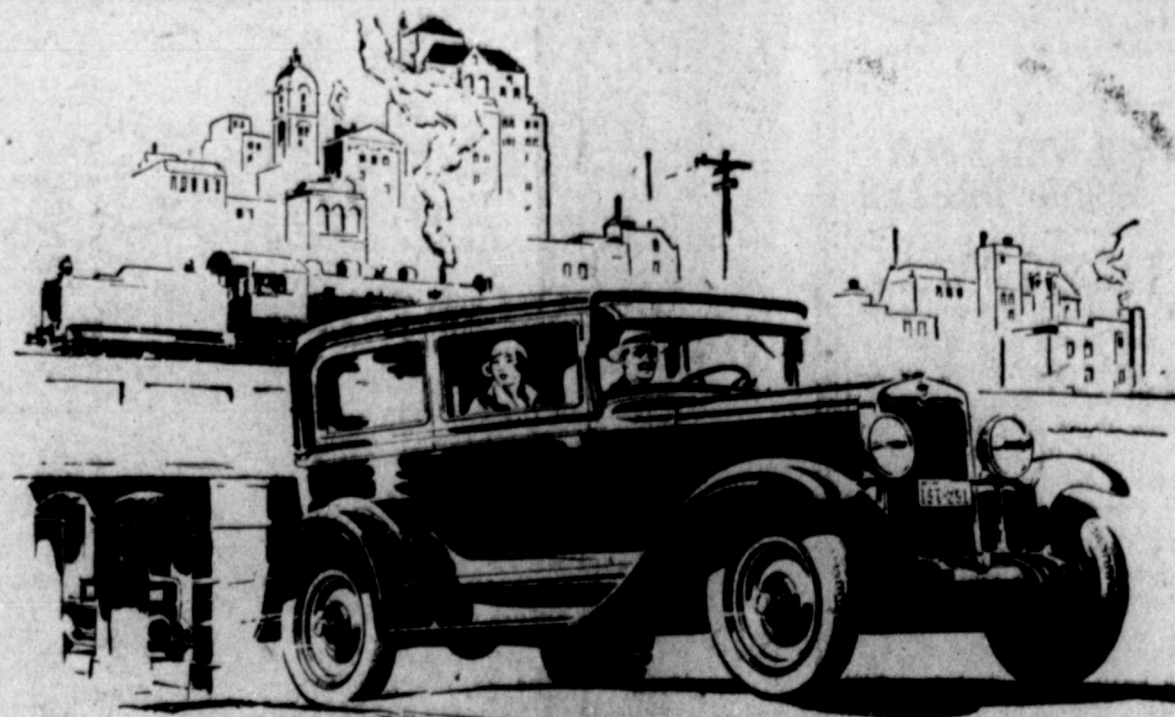

Amazingly Low Prices

Many people do not realize that this marvelous new six-cylinder Chevrolet is actually offered in the price range of the four. Compare total delivered prices as well as factory prices when determining automobile values. You will find Chevrolet delivered prices include the lowest handling and financing charges available.

SUFFERS FOR TWENTY YEARS; REGAINS HEALTH

"I suffered from inactive liver for twenty years and about three years ago I became so terribly run down I could not attend to my household duties without stopping to rest.

MRS. JULIA OAK

"I would have such severe pains in my stomach after meals that I would have to run for the soda bus. Dieting did not help me, and even the best medicines I could buy did not reach my case.

"But Sargon went right to the root of my trouble without losing a minute's time. I never saw anything like it. I felt better from the very first dose, and now I eat anything I want without any ill effects. I am not the least bit nervous and I feel so well and strong that even after I get through with my housework I went to bed up and on the go.

"Sargon Soft Mass Pills completely overcame my liver trouble and constipation. They act so gently that they did not upset my system or make me the least bit sick.

"I know from experience that the Sargon treatment will end stomach and liver complaints. I feel just like I have been made all over like new, and I want all my friends to know what this grand medicine will do."

The above statement was made recently by Mrs. Julia Oak, well known and highly esteemed resident of R. F. D. 1, Box 157, San Antonio, whose motherly kindness has endeared her to hundreds of friends throughout her community.

Sargon may be obtained in Colorado from Colorado Drug Co., in Westbrook from Margaret Lasseter, and in Loraine from Hutchinson & Hall.

community joins in wishing them much happiness. They will make their home in Stanton.

Misses Lela and Ellie Sweatt, Nellie Jackson, Mrs. Richard Jackson, Guy Thompson, and Bill Slaton spent Sunday with Mrs. Hollie Jackson.

Miss Mary Franklin, Nawi Boatler, Miss Lillian Smith, and Carl Oglesby attended the singing convention at Forsan last Sunday.

Mrs. Will Smith of Westbrook visited her son, C. J. Smith, Sunday.

Demmond Wagner who is in Glenrose under care of physicians, is improved very much, it is reported.

Mr. and Mrs. Jim Jackson visited in Colorado Sunday.

Mrs. W. H. Gregory and daughter, Mariani, visited relatives in Big Spring last Sunday.

There was an Easter egg hunt Sunday afternoon at the home of R. M. Jones.

Hyman Happenings

Jack Smith of Colorado and Glen Myers of San Angelo were in Hyman Saturday closing up papers on an oil lease on the east part of the ranch.

Harry Hyman came in from Colorado Friday. He was accompanied by his brother, Joe Hyman of San Antonio.

Saturday afternoon a large drilling rig passed through Hyman, on its way to the Edwood ranch.

Mr. and Mrs. John Hamon and son Billy of the Payne community spent Easter with their daughter, Mrs. H. H. VanZandt, and Mrs. Jim Boyd and family.

Miss Abbie Sevier, county home demonstration agent, was in Hyman Saturday in the interest of the better living room contest. Mrs. Frank Andrews, Mrs. Ike Smallwood, Mrs. H. H. VanZandt and Mrs. S. D. Allen have entered this contest.

Mr. and Mrs. Milton Taylor, who live near Champion, were visitors in homes of Mr. and Mrs. Bill Taylor, and Mr. and Mrs. Frank Taylor this week, returning home Sunday.

Mrs. Taylor will be remembered as Miss Louise Banks. At one time she was organist at the church and Sunday school and was correspondent for the Colorado Record. She was the daughter of Mrs. Britton, now Mrs. Frank Block of Champion. Miss

Louise was one of the most attractive and popular girls Hyman has ever had.

The friends of Herman Davis of Forsan, who formerly lived here, have recently learned that he has lost the sight of one of his eyes as a result of measles, and that his other eye is in grave danger.

The infant baby of Mr. and Mrs. Smith of Chalk was buried in the Hyman cemetery Monday afternoon. We extend our deepest sympathy to the bereaved parents and children.

Dorothy Dawson won first place in declamation for the junior girls at the Intercholastic meet in Colorado. Lavoyce Lowrey won second place for the senior girls. Billy Woodard won second place in shot put, and fourth in the mile run. Clifton Yancy was fourth in the half mile run. These were not named in the 1st week's happenings, since the writer assumed that they would be named in the general write-up of the meet.

Mr. and Mrs. J. J. Brown are the parents of a daughter, Ruby Lee, who was born the 29th of March.

April Fool's day was observed at our school by various pranks, first by the pupils and then by teachers. We enjoy a good laugh, and had more fun than a barrel of monkey at a three-ring circus, but just the same we are glad April first comes but once a year.

Many in this community will avail themselves of the opportunity to visit Dr. Mellethin on this special visit to Sweetwater.

The doctor pays special attention to the SCIENCE OF INTERNAL MEDICINE AND DIETETICS. He is trying conscientiously to eliminate surgery in his treatment of disease as far as possible.

He has to his credit many wonderful results in diseases of stomach (especially ulcers), glands (especially goitre), ailments of women, diseases of liver and bowels, as infected gall bladder, gall stones, appendicitis, chronic constipation, colitis, auto-intoxication and rectal ailments, circulation disturbances as high or low blood pressure, heart and blood disorders, skin, nerves, bladder, kidneys, bed-wetting, weak lungs, tonsils, adenoids, metabolic disturbances such as Rheumatism, sciatica, leg ulcers and chronic catarrh.

Medicines are prescribed and prepared for each individual case in his private laboratory, also special attention given to diet as to proper balance and selection of foods.

For this service a nominal charge is made.

Dr. Mellethin is a regular graduate in medicine and surgery and is licensed by the State of Texas.

Married women must be accompanied by their husbands.

Address: 224 Bradbury Bldg., Los Angeles, California. 4-5pd.

Carr Certifications

We are proud to see the attendance of school much improved this week.

The girls entered in the contest of volley ball last Friday evening at Colorado and were defeated. The boys are improving rapidly in baseball. There will be a baseball game at the school building Friday evening between Carr andlatan. We are hoping to be the winners. The teachers entertained the pupils with an Easter egg hunt Monday at noon, which was enjoyed very much by the pupils.

Do not forget the Literary Society Friday night of April 12.

An Easter program was given Sunday morning at the Baptist church which was greatly enjoyed.

Edward Fryer and Miss Marie Howell were married Sunday evening. The wedding was a great surprise to their many friends, but the

PAINFUL INDIGESTION

"I SUFFERED a good while before I found something that would help me," writes Mr. E. W. Berry, of Neosho, Mo. "My trouble was indigestion, pains in my chest and a tight, bloated feeling that would make me feel smothered."

"Speaking of this to a friend of mine, he told me that Black-Draught was good for this trouble. I went over bought a package. It certainly did help me, so I continued to use it.

"I am in the transfer business, and sometimes when I would be hungry and ready to eat, I would have a call and would have to eat later. Then I would eat too much or too hurriedly. This would cause indigestion. After I started using Black-Draught, I found it did me a world of good. It is splendid for biliousness and stomach troubles."

Black-Draught
For CONSTIPATION, INDIGESTION, BILIOUSNESS

WOMEN who need a tonic should take Cardul. In use over 50 years.
