## RECORD BREAKING CROWD EXPECTED HERE AT S. S. CONVENTION SATURDAY

### Two-Day Session of Sunshine Singers to Draw Wide Attendance

#### NOTED SINGERS PRESENT

#### Abilene and Lubbock to Fight For Next Meeting of Organization

The biggest crowd ever assembled in Colorado is expected Saturday and Sunday at the annual meeting of the Sunshine Singers Convention at the city here. The convention will be held at the city here, and will be held at the city here.

Estimates are that over a thousand people will attend the convention, not only at the city here, but also at the city here.

The first session of the convention will open at the city here, and will be held at the city here.

Judge R. L. ... will be held at the city here.

Two cities ... will be held at the city here.

The program ... will be held at the city here.

Lover of ... will be held at the city here.

The Sunday ... will be held at the city here.

## ORIENT DIRECTORS APPROVE \$5,700,000 FOR NEW EXTENSIONS

### Sonora And Border Connection Both Get O. K. Of Group

SAN ANGELO, June 4.—Directors of the Kansas City, Mexico and Orient Railroad Company Tuesday formally adopted resolutions approving expenditures of \$2,200,000 to the construction of an extension line from San Angelo to Sonora and \$3,500,000 for the construction of an extension which will close the gap to the company's line from Alpine to Presidio.

## NEW GREENBACKS ON DISPLAY AT TWO BANKS OF COLORADO

There are four brand new greenbacks on hand at the Colorado National Bank and at the City National Bank, representing \$36 worth of Uncle Sam's currency—and they are as small compared to the old bills that one might think he is being cheated. There is a \$1, a \$2, a \$5 and \$10 bill at each of the banks, and are secured through payment of those banks into the treasury of \$88. The new bills are all the same size and at least an inch narrower than the old currency.

The first thought is that you can carry many more bills in your pocket than you could before, the second thought is that you might have carried more before, if you had known where to go them. The government has not tried it. Whether the smaller currency, which will probably be put into circulation in July, is of any advantage to the individual has not yet been determined. The size of the bills was changed, in order that the government might receive as much as possible on the paper, which is of a very fine grade and rather costly.

These bills arrived in Colorado Tuesday morning and will be on display at the tellers' windows for the convenience of the public, according to H. E. Grandland, assistant cashier of the Colorado National, and T. W. Stensland, active vice president of the City National.

In appearance the bills do not vary much from the old worn out cur-

## CITY PARK IS THEME DISCUSSED TUESDAY BY C. OF C. LUNCHEON CLUB

### Site of 20 Acres on Lone Wolf Creek Be Offered To City Free

A beautiful site of 20 acres for a city park on Lone Wolf Creek, just east of the city at the end of Sixth, seventh and eighth streets, is to be offered to the city as a gift from the four daughters of Mr. and Mrs. W. P. Ruddick, according to an announcement made at the meeting of the Colorado Luncheon club Tuesday.

Judge R. L. Thompson, in speaking of the need for a city park, gave information that Mrs. Howard Jones of Seattle, Mrs. Jas. T. Jones of Dallas, Mrs. J. H. Greene, and Mrs. Pearl Shannon of Colorado, daughters of Mr. and Mrs. Ruddick, had purchased the park site and would render the same to the city free of charge in memory of the deceased pioneer settlers of this city.

J. H. Greene explained the location of the tract. It lies along Lone Wolf creek immediately east of the city, and is close enough to the city to be available to all residents. The site has long been talked of as desirable, and J. H. Greene and others have been interested in establishing a park here for several years.

The park was the chief topic discussed at the Colorado Luncheon club meeting Tuesday noon.

L. Lee Jones, chairman of the band commission, spoke briefly relative to erection of a band shell which has been considered for some time. Mr. Jones said the band stand should be erected in the new park and that since a permanent city park has now been made possible by the gift of a site on Lone Wolf creek, he felt the band shell should be erected in the park. Evidently this met with the approval of the club members for they ordered the chairman to appoint a committee of one member to cooperate with the Lions club, Chamber of Commerce, women's clubs, city council and band and park commissions in an effort to raise money to erect a suitable band shell. The motion was made by Rube Morgan, and seconded by W. L. Doss. Money for this purpose will probably be solicited within a few days. Mr. Jones, who was a director of the band for 25 years, said by all means the band shell should be erected in the city park if such a park is established. "Public speakings, band concerts, orchestra concerts, and public" (Continued on page 3)

## MAYOR COFFEE BOOSTS PLANS TO IMPROVE CITY PARK IN NEAR FUTURE

### Speaking Unofficially Chief Executive of City Favors Immediate Action

The city of Colorado will make immediate steps to improve the city park on Lone Wolf creek, according to Mayor Coffee, who is speaking unofficially as chief executive of the city.

Mayor Coffee stressed the need for a city park and said he would like to see the city park improved in the near future. He said that the city park is one of the most beautiful in the state.

While he was speaking of the park, he stated that the city should have a park in the near future. He said that the city should have a park in the near future.

## CITIZENS CONSIDER HAIL LOSS IN COUNTY EXAGGERATED IN EFFORT MADE FOR GOVT. AID

### Consensus of opinion among leading Mitchell county citizens seems to be that the heavy hail recently made by Congressman Claude H. Hays in his campaign for Mitchell county government exaggerated both the damage done and the need for aid.

Washington, D. C., May 29, 1929.—Honorable C. H. Hays, Congressman from Colorado, Texas, Dean Judge Earnest, and Dean Judge Earnest.

I am enclosing you a statement I have given out to the press, as it is understood that probably some of the farmers in that section would be able to purchase seed without great inconvenience, and so forth. You might, if you so desire, give this statement publicity.

I regret very much that the government has no seeds available of funds with which to purchase seed, and is not in position to relieve the distressed farmers by loans, owing to the fact that no legislation will be considered at this session other than the tariff and farm relief, so the Republican leaders state to me, and that the loss, stating that 20,000 acres of crops were destroyed by hail, when in fact there were only about half that many, according to men in position to know.

Discussion on the subject was occasioned by a letter received by Judge C. H. Earnest from Congressman Hays, Wednesday, stating that he had unsuccessfully sought government aid for the farmers in Mitchell county by repudiating and cancelling a copy of statement concerning the hail damage in this county, which he is giving to the press.

Business men here suggest that publicity be given what detriment to the county, and suggest very strongly that the majority of the farmers are not impoverished conditions. Although the county has not been so severely devastated as to crop this spring, State papers exaggerated the loss, stating that 20,000 acres of crops were destroyed by hail, when in fact there were only about half that many, according to men in position to know.

Delegates from several West Texas towns expected; program planned.

A group meeting of Lions club representatives is to be held with the Colorado club on Friday, June 14, according to an announcement made by President Lee last Friday. The club's representative to the group meeting for this district was accepted.

John Thompson was a guest of the club and made a short talk.

Bill Rader, the Bond and Dock Gray made a short talk on the state meeting at San Antonio, which they attended as delegates from the Colorado club.

Mr. Greene reported on the case of Harold Hamer, small boy sent to the Scottish Rite hospital in Dallas by the Lions club for an operation. He also stated that Truman Mize, son of Mr. and Mrs. T. J. Mize, was carried to this hospital at the same time the Hamer boy was carried. Both are to be operated upon this week.

W. R. Morgan, secretary of the school board, requested that the name of Ben S. Peck be withdrawn as a candidate for president of the Lions club. Officials are to be elected next Friday and if Peck's name is withdrawn Bill Rader will be the only candidate for this office, according to nominations previously made.

## JUNIOR BAND TO MEET ON TUESDAYS IN HUT

Beginning next week, the Junior band is to meet every Tuesday night at 8 o'clock in the Legion Hut, according to Roy Hester, band director. Friday night meetings of the band will be held in the high school gymnasium.

Mr. and Mrs. D. H. Snyder, Mr. Dudley Snyder, and Misses Susie Beal and Helen Snyder left Friday for Marshall for the Snyder-Davis wedding which was solemnized on Wednesday evening at 9 o'clock.

Mrs. Knowsly and Mrs. Gossip are here to attend the wedding of Mrs. Zander and Uncle Bim at the high school June 11.

## UNIQUE FOUNTAIN INSTALLED BY THE COLORADO DRUG CO.

### Russ Built-Rite Fountain Cost \$3,000; Most Modern Made

The new Russ tile fountain recently installed by the Colorado Drug Co. is one of the most unique, yet one of the most complete, ever seen here.

This fountain, costing near \$3,000, is the very latest design in soda fountains. It is 16 feet long with the entire front done in built-up glazed tile of light green with black tile trim and figure work. The top is of the finest black marble. It is one of the most beautiful fountains made today.

In point of equipment it can not be surpassed. The cooling device is made into the fountain and it is so constructed that every item kept in the fountain, including the syrup in the fountain pumps is kept at any desired temperature, and therefore are always fresh and the best. The fountain has four compartments for storing ice cream, two for storing bottles of supplies and one for brick cream. These can be held down to below zero if desired.

"This fountain is said to be one of the best on the market," Chas. R. Farris, manager, said Tuesday. "We purchased the fountain after exhaustive investigation and only after we were convinced it could not be surpassed."

While the fountain was installed several days ago, customers are still visiting the store to see the new fountain. It is attracting unusual attention and much favorable comment.

Another improvement at the Colorado Drug Company store the past week in the form of new floor covering is also attracting favorable comment. Appearance of the store with this new inlaid linoleum is ever so much better. The linoleum is of a gray green cast with large squares of black inlaid, giving the floor the appearance of marble or tile.

The Colorado Drug Co. last year installed new fixtures and increased the stocks when the Sam L. Major's jewelry store was removed from their building.

C. R. Farris has been manager of the Colorado Drug since it was established here about seven years ago. He has had unusual success with this enterprise, but his long experience in the drug business and in the medical corps during the war has equipped him to properly conduct an up-to-date drug business, and the improvements by the Colorado Drug Co. prove that he is using his experience and ability in the direction of better serving his customers and the public.

## \$5,000,000 RURAL AID BILL PASSED BY HOUSE UNANIMOUSLY

### Measure Now Goes To Senate Where Immediate Action Is Sought

AUSTIN, Texas, June 4.—By a vote of 102 to 0, the House Tuesday finally passed a bill appropriating \$5,000,000 for two years to aid the rural schools of the State and it now goes to the Senate. Passage came after a debate of several hours. The bill provides \$2,500,000 for each year and the usual requirements are exacted before the aid will be extended. It largely follows the previous laws.

## REID TO FLY TO AUSTIN OUT OF FORT WORTH

Plans of Representative W. E. Reid when he left Colorado for Austin Wednesday, were to fly to Austin Thursday morning on the air mail express line after reaching Fort Worth. He was to have made the flying trip this morning from Fort Worth to Austin in two hours.

Rep. Reid was accompanied by Mrs. Reid, who will visit in Commerce and Austin, and by Miss Frieda Merle Reid, who is to enter summer school in Commerce at the East Texas State Teachers' college.

### Farewell Dinner for Mrs. Guy Watkins

Mr. and Mrs. L. G. Mackey named Mrs. Guy Watkins of Aberdeen, Mississippi, the guest of Mrs. Mitchell who has been a guest of Mrs. Mackey and other friends in Colorado for the past few months, honoree at an informal dinner Sunday at the Mackey home, the F. E. McKenzie place.

### Miss Virginia P. Smith, Mr. Luther Webb, and Mrs. Harry Lips

were guests in addition to the honoree. Mrs. Mackey with her son, father and mother left for Aberdeen Sunday night.

### Picnics

Thursday afternoon members of the Junior church and East Side Sunday school enjoyed a picnic over on Lone Wolf. A number of mothers from both places attended and all had a good time and enjoyed the good lunch prepared by everybody.

Friday evening Mrs. Harrison entertained a group of the Boy Scouts at Sever, Webb, and other sons, Russel Soper, who returned Sunday to Austin where he is a member in the Texas Legislature. The group arrived at Seven Wells in time to see a blast set off on the site of the proposed dam, where many of the Scouts are working each day, supervised by their scout masters and their parents. The good supper and the entertainment by the Scouts, who had served all in the sun and rain, were most appreciated. The campers had a very good time in the cabins for the night and the Scouts home were very appreciative. For other groups of Scouts, the Scouts on the rocks are also working, proving the popularity of the Scouts and assisting the Scouts in their work.

### London Bridge

The London Bridge and hands were held at the entertainment Saturday evening at the Country Club. Mrs. J. C. Merritt, Mrs. J. L. Doss, and Mrs. J. L. Doss were the hostesses. The evening was very enjoyable and the refreshments were most appreciated. When all were seated at the tables, the pointed out the London Bridge and the hands were held at the entertainment Saturday evening at the Country Club.

table. These were Joe Mills, Harry Ratliff, Harris Tolet, Frank Kelly, Oscar Price and Willie Foster. A delicious two-course dinner was beautifully served by these gentlemen.

The scores were chalked up on a blackboard, the husbands and wives adding theirs. High score prize went to Mr. and Mrs. Tolet, low to Mr. and Mrs. Frank Kelly. Both prizes were beautiful bath towels. The booby, a rolling pin, went to Mrs. Wallace.

Her guests were Mr. and Mrs. Henry Vaught, Mr. and Mrs. Dick Carter, Mr. and Mrs. Harris Tolet, Mr. Smith and Mrs. Ralph Lee.

### Merry Wives

The Merry Wives 42 Club met Wednesday with Mrs. Cliff Etheridge who had five tables of players. Her guests were Mesdames L. C. Dupree, T. J. Ratliff, R. O. Pearson, H. C. Landers, Roy Hester, Misses Bernice Terrell and Mabel Smith.

The group spent a very delightful afternoon and at its close a delectable salad plate with iced tea was served. The next meeting is with Mrs. Nat Thomas.

### Honoring Dudley Snyder

Thursday evening Dan Wallace, left man in the Snyder-Davis wedding, entertained with a star dinner in honor of the groom, Dudley Snyder. The guests were Roddy Brooks, Merritt, John H. Lupton, J. W. Chase, Raymond Gary, R. B. McEnroe, Bert Wulfson, and John Williams Doss, the honoree and host.

An elegant five-course dinner was served and greatly enjoyed. After the dinner, the eight young men spent the remainder of the evening in a way that's nobody's business, so they say.

### Methodist Social Service Study and Committee Meeting

A few of the members of the Mission Study class met Monday with the president and talked over Social Service studies for the summer. Various angles of the inter-racial question were discussed, and another meeting will be devoted to this. Mrs. Jeff Dobbis will name her legislative Child Welfare committee for negro school before the next meeting.

At five o'clock the committee to arrange for Edification day met and it was decided to put off the celebration until June 14th. This will be held at the home of Mrs. R. J. Wallace from 4 until 6 o'clock, and every woman who is a Methodist is invited and will receive a special invitation. Mrs. Garrett is chairman of invitation. Mrs. W. L. Doss of entertainment, and Mrs. J. L. Doss of refreshments.

### Baptist Missionary Meeting

The Woman's Missionary Society met Tuesday at the home of Mrs. J. L. Doss.

ness session. The president, Mrs. Jack Smith, presided. She also conducted the devotional, using the first Psalm as her scripture lesson, this being followed by prayer.

Reports were called for from each standing committee, and the various officers, all showing good work being done. It was announced that the new Associational district, composed of Mitchell, Scurry, Big Spring, Lamesa and Midland associations, is to meet in Colorado on Friday, June 14, at two o'clock, in the Baptist church to complete a permanent organization. Plans were made to entertain the out-of-town ladies who may attend the meeting.

Several members announced their intention to attend the Workers' Conference at Valley View on Tuesday. Next Monday is Circle day and they meet as follows: Number One with Mrs. Hammon; Two in the T. E. L. classroom; Three, with Mrs. T. J. Ratliff; Four, in Faithful Workers' classroom, and Five with Mrs. A. L. Whipkey.

### Christian Missionary Society

Mrs. H. B. Broadus entertaining the Christian Missionary society last Monday in its closing meeting of the church year. Mrs. U. G. Hardison was the leader, the topic being "India."

Mrs. W. W. Porter, the incoming president, made a beautiful talk on the work, and asked the members for their help in putting over the great program of the Missionary society and the church.

Mrs. Sam Majors, outgoing president, very graciously thanked the women for their cooperation and urged them to continue with the present officials. Mrs. Broadus gave an appropriate monologue, "I Am the New Year." Mrs. Majors told of "Our New Acquaintance"—the missionaries who have lately come to the field.

The year books have been ordered and will soon be ready for distribution. At the social hour the hostess served ice cream and black and white cake.

### Mrs. Looney Entertains Bridgettes

Thursday at 1:30 Mrs. R. H. Looney entertained the Bridgettes complimentary, with a luncheon.

The house was lavishly decorated with wild flowers, the especially pretty ones being used on the six luncheon tables. Chicken à la king, which contained potatoes, peas and carrots, pineapple salad, olives, pickles and so were the first course, this being followed by sherbet, cake and toasted almonds.

A very enjoyable game of bridge occupied the afternoon hours, the club being honored and the invited

guests all considering themselves most fortunate in being guests. Mrs. Clyde Haney and her sister, Mrs. Haney, are entertaining today.

### Home Department of the Methodist Church

The Home Department of the Methodist Missionary society will meet Monday with the Buchanan "family," Mrs. Walter King chairman.

### Young Matrons' Missionary Society

The Young Matrons of the Christian church met Monday with Mrs. Sheridan. Mrs. Lee conducted the devotional, her topic being "The Triumph of Love," Romans 8:31-39, was the Scripture used.

Mrs. Williams had charge of the business session. The lesson was on "India." Mrs. Lee told of a "New Coprade"—Shumati Shyam Bibini Bose of India.

Mrs. Pritchett gave the June monologue, "I Am the New Year." This was an outline of the coming year's work.

At the social hour the hostess served sandwiches, potato chips, iced tea and ice-cream pudding. The new year book will be filled out and the hostesses assigned soon.

### Name Quilt

The name quilt pieced by Grandmother Grantland is on exhibition at H. L. Hutchinson store, and is for sale if anyone wants to buy. Call Walter King, if interested.

### Harmony Club Postponed to Wednesday

Mrs. W. L. Doss, hostess to the Harmony Club, asks the members to remember that the meeting next week will be on Wednesday instead of Tuesday and will meet with her. She will be out of town on Tuesday.

### County Federation Meeting

The Mitchell County Federation will hold its last meeting of the summer at the county court room Tuesday at 3:30 o'clock. All the officers are asked to be present.

### Drama Club

The Drama Club met Wednesday with Mrs. Campbell, honoring Mrs. Wm. Simpson, who organized the club, and Mrs. Flood, who has been a most faithful member. Both of these ladies are leaving for their new homes in Midland, where their husbands have been transferred by the California Oil Co.

The play of the afternoon was read by Mrs. Sam Majors, who gave her own novel, "Stephen Guest," which was very much enjoyed by all, and the author and book were both enthusiastically applauded.

Mrs. Campbell had a number of invited guests who enjoyed the occasion with the club.

At the refreshment hour, brick ice cream and cake were served, with sweet peas as plate favors. The next meeting is with Mrs. Flood.

### Inspirational Meeting of Presbyterian Auxiliary

The Presbyterian Auxiliary met Monday in the church for their monthly inspirational meeting. In the absence of the president, Mrs. Peck, the meeting was presided over by Mrs. A. E. Maddin.

It was decided to meet Thursday and for the orphan children. The ladies will go to Mrs. John Brown's.

Mrs. Paul DeGarmo conducted the study of the afternoon, which was upon Mountain Missions. Many interesting books were given by the members.

The meeting Monday is a business one and will be held at the church.

### Vienna Roast

Misses Nina Lee Rogers and Wanda Wade entertained a group of their friends Wednesday evening with a very enjoyable "weenie" roast over on the rocks near Dr. Delaney's.

This group of the younger set are spending nearly every evening celebrating their freedom from school work.

### Bridge and 42 Luncheon

Mesdames J. T. Johnson and Pearl Shannon, assisted by Meslames J. H. Greene and Howard Towle of Snyder and Messrs. Greene and Towle, very delightfully entertained with a bridge luncheon on Tuesday and a 42 party on Wednesday at 1 o'clock. The Johnson home was very gay with wild flowers, baskets of larkspur and bowls of nasturtiums.

The table was especially attractive and over each white cover was placed a green hand-painted theatrical gauze cloth, giving the appearance of a green carpet. This was centered with a pretty white trellis covered with sweet peas. The table numbers, or score cards rested on little sweet-pea supports. This dainty effect was carried out on each of the thirteen tables. There was also a trelles covered with sweet peas between the double doors of the parlor and living room and the dining table was also centered with one.

A delicious luncheon of pressed chicken, potato chips, asparagus,

## NEW MARQUETTE CAR SHOWN HERE SATURDAY BY MAY MOTOR CO.

Hundreds See Companion Car of Buick Be Sold by This Firm

The Marquette, Buick's new six-cylinder car, was viewed by several hundred people here Saturday in the showrooms of the May Motor Company. Only one model, the four-door sedan, was displayed. This car was brought from Dallas during the past week by Mr. May.

Mr. May, manager, said the car would be on display in the showroom this week and then demonstrations will be made.

Apparently a small car, the interior shows more space than the exterior lines reveal.

In the General Motors line, this car is the ninth and will sell in the medium price field. It is offered in six models, a two-door sedan, a four-door sedan, a business coupe, a sport coupe, a roadster and a touring car.

The model on display here sells for \$1,225 delivered, and fully equipped.

The six-cylinder L-head motor and the crank case are cast in one integral unit. The engine has a bore and stroke of 3.18 inches by 4.5-8 inches and develops a maximum horsepower of 67.5 at 3,000 r.p.m.

In a demonstration late Friday evening the acceleration proved to be remarkably smart, the car has a quick getaway, and is easily handled in heavy traffic. It will pick up in speed from 10 miles per hour to 50 miles per hour within 31 seconds.

All models of the Marquette are designed along low swung rakish lines. The bodies are constructed by Fisher and finished in duco color combinations. The wheels are sturdy and carry large section 28x5.25 balloon tires.

This new car is equipped with a non-glare Fisher VV type wind shield which sets at an angle of seven degrees from the perpendicular and reflects all glare, whether from the rear, front or sides, below the driver's line of vision.

Other features are the expanding door-serve four-wheel brakes, adjustable steering wheel, adjustable driver's seat built-in bumper mountings, soft, durable mohair upholstery, water-proof impregnated under a new process with a rubber solution; fuel pressure lubricating system; thermally controlled water cooling system; a tapered chassis; long semi-elliptic springs, and many other points.

Mr. May expects to have several other models on display within the near future.

### HEAVY HAIL DAMAGE NEAR IRA AND DUNN

SNYDER, June 3.—Following a 2-inch rain Sunday night in the Ira and Dunn communities, hail that in some cases measured eight inches around fell over a strip of land four miles wide and fifteen miles long. Fruit trees were stripped, roofs were punctured and cars standing out were dented. Many chickens and small animals were reported killed. The entire strip reported much damage caused.

### Twister Near Stamford

STAMFORD, June 3.—Taking a toll of several thousand dollars in destroyed and damaged farm buildings, crops, and other rural properties, a small cyclone swept through the Center and Plainview communities, a few miles north and northwest of Stamford late Sunday.

ABILENE, June 3.—Reports indicated property damage running into hundreds of thousands of dollars had been caused Sunday from wind, hail and rainstorms in scattered districts of West Texas. One death was reported.

Heaviest damage was inflicted on the southwestern and western borders of Haskell county. A strip from Florida salad, rolls, olives, and iced tea followed by apricot sherbet and angel cake was served.

On both afternoons the games were played until after 4 o'clock. There were 13 tables each day. This was indeed one of the prettiest and most enjoyable parties Colorado society has enjoyed for a long time.

### Auxiliary Meeting

The American Legion Auxiliary will hold its regular monthly meeting Saturday afternoon at 4 o'clock in the Hut. A good attendance is desired. The president, Mrs. Farris, will give a report on her trip to Brownwood to the Fifth Division meeting.

### USE THEM

### HER MAJESTY

Small livestock, chickens and birds were killed.

On an eight-mile belt lying between Rule and Haskell, a forty-minute rain was estimated up to 15 inches, causing heavy damage. Farm houses were flooded and water stood two to four feet in depth along six miles of highway No. 120, connecting Haskell and Rule. More than 100 automobiles were marooned in that section all Sunday night. Many of the cars were abandoned by occupants.

### FIDELIS CLASS

The Fidelis Class of the Baptist church met Wednesday in a called business meeting to fill vacancies among their officers. Mrs. A. L. McSpadden was elected first vice president, and Mrs. W. S. Foster reporter. Enlistment work for the week included 27 visits and six phone calls.

### Brother Of O. B. Rice Died In Midland Friday

Mr. and Mrs. O. B. Rice and little son, Murry Earl, were called to Midland last Thursday by the serious illness of Mr. Rice's brother, J. I. Rice, who lived in Colorado about five years ago. Mr. Rice died Friday morning. Death followed an operation to remove a fishbone from his throat.

Funeral services were held Saturday. Kirby Rice, cousin of the deceased, and his wife also attended the funeral from Colorado.

J. I. Rice, 30, was the son of I. J. Rice, who lived in Mitchell county until about five years ago and who now lives near Midland. He is survived by his wife, a ten-months-old child, five brothers and a sister. The brothers and sister all formerly lived in Mitchell county.

Office Supplies of all kinds at the Record office.

Jud to Rule in Haskell county was riddled by hailstones as large as baseballs, the paper said, with crops destroyed on 20,000 to 30,000 acres.

### MISCELLANEOUS

ANOTHER SECOND-HAND FURNITURE STORE—Any old thing bought, sold and traded. See me at the Alamo Hotel store, or phone 77 and call for me and I will do the rest. Open day and night. GUY DAY. 1tp

PLAY SAFE in night driving. Let me put a Face-a-Lite on your car. Stops glare of sun or lights. Finest thing invented for this. Costs only \$2.50 installed. Guaranteed. Not in your way when not in use. See Sam Scott at Scott's Tin Shop. 1tp

LET US PLACE YOU IN THE HIGH SALARIED CLASS — WE CAN DO IT QUICKLY.

Let us train you for a private secretary or reporter. We can do it quickly with the famous Byrnie Typewriter Shorthand. Byrnie Typewriter Shorthand has but fifty-six simple memory points. Anyone can learn it, write it and read it. It is written either with a pencil or ordinary typewriter. When written on the typewriter it is the fastest and most legible system in use. One student reads another's notes just as one typist would read another's typewritten page. One who does not know Typewriter Shorthand can, with but a few hours study, read the notes of another. The printed legibility of Typewriter Shorthand standardizes the work of an office, a feature impossible with other systems. Write for free, instructive catalogue describing our ten salary raising business courses. We can place you promptly when you graduate. We maintain our own Free Employment Service in three of Texas' largest cities. These three cities employ more secretaries, accountants and reporters than all other cities and towns in Texas combined. For free catalogue, fill in and mail to Byrnie Commercial College, Dallas, Houston, or San Antonio. Name Address 6-21c

### LOST

LOST OR STOLEN—One casing, rim, and tire cover. Casing was Firestone, practically new, 34x6.00. Was mounted on rim painted gray and was covered by Pierce-Arrow tire cover. LOST—Part yin car who picked up money across from hospital Wednesday morning, will please return to Record office and receive suitable reward. 1tp

### Business Women To Have Banquet At Hotel Tonight

The Business and Professional Women's Club will hold its regular evening meeting and banquet tonight (Thursday) at the Colorado Hotel, at which time the main talk will be made by J. H. Greene, who, with Mrs. Greene, will be guests of the club. Miss Abbie Sevier, county home demonstration agent and first vice president of the club, will preside in the absence of the president, Mrs. J. E. McClary. Invocation will be pronounced by Mrs. John L. Doss, and the singing of "America" will follow. Miss Vela Melton will give several piano solos, and the constitution and by-laws will be read by Miss Ruby McGill. Office supplies at the Record

### MISSIONARY REPORTS ON WORKERS MEETING IN PLEASANT VALLEY

Inspiring Messages Brought By All Speakers On Program

The Mitchell-Seury Baptist Association Workers' Conference met on Tuesday morning at 10 o'clock with Pleasant Valley Baptist church, 5 miles north of Lorraine.

The meeting started off in a great way with Rev. Willis Taylor of Lorraine, Texas, directing the singing. The meeting was one of the best so far this year. Large attendance and every speaker brought a great message, but we wish to make special mention of the great message delivered by Dr. George W. Parks of Roscoe, on the subject, "What God Expects of the Church." When he had finished his message, we found that we had failed largely in doing the thing God expects of His church, and yet the speaker left us on shouting grounds. We could only wish that every member of our association might have heard his great man on this most vital subject.

At the 11 o'clock hour, Rev. Ferguson, pastor of First Baptist church of Snyder, brought a great stirring message on the subject, "Filling the Cup of Christ's Joy to Overflowing."

The good women of this noble church then invited all to come and take our stand around the table, which was filled with everything to eat, from fried chicken on down to the cake and pie.

After lunch, Missionary W. D. Green made his report for the two months he has been on the field, stating he had visited 20 of the churches in the Association, and most every mission point; he held one meeting and planned 24 others to be held. Several of the pastors are to help in these meetings. The missionary made special request that both old and young throughout the association lend a helping hand to the mission meetings.

The next meeting will be held on Tuesday, following the first Sunday in July, with the Wastella Baptist church. Every Baptist church in this association ought to see that someone is there to represent their church. Let us pull together as Christians in this great soul-winning campaign. W. D. GREEN, Missionary.

### CITY PARK DISCUSSED BY THE LUNCHEON CLUB

(Continued from Page One) gatherings of all kinds could be held there, and I think the park, now that we have a proper site for one, is the proper place for the band shell," Mr. Jones said.

J. Ralph Lee, president of the Lions club, favors a park and said he felt the Lions club would cooperate with other clubs in an effort to improve the city park. Mayor Coffee also spoke for the park proposition and pledged his cooperation and his assistance toward the improvement of a park at once. A start in this direction should be made at once, he said.

"Big Jim" Cantrell, Maurice Terrell, W. L. Doss, Jr., and Mr. Robertson were guests. Cantrell was listed as a new member. Now that he is out of school, Coach will join anything that offers a good feed, Jim Greene said. Coach did not deny this, but the membership of the Luncheon club cheered when he was announced as a new member.

Subject for the next meeting was not announced.

### Palace Has Fine Line Of Features For This Month

A line-up of all-talking attractions that will delight theatre-goers of Colorado is scheduled for the Palace Theatre during this month.

Among these are several big specials, which are still playing in larger cities and which are of unusually recent date to be shown in a town Colorado's size. Some of them are "The Carnation Kid," all-talking feature, with Johnnie Hines; "Hole in the Wall," all-talking; "Weary River," an all-talking and singing with Richard Barthelmess as the star, which will be shown on June 17, 18, and 19, and which is rated one of the best talkies yet made; "The Trial of Mary Dugan," which will show on June 20, 21, and 22. This last is said to be the best trial picture yet made, and Norma Shearer is the star.

### GOVERNOR MOODY WANTS STATE INCOME TAX AND UTILITY LEGISLATION

In Address Before Joint Meeting Legislature He Stresses These

AUSTIN, Texas, June 4.—Pleading for control of public utilities, for relief for the agricultural industry of the State, the substitution of an income tax for the present ad valorem system and care in making appropriations within available revenue, Gov. Dan Moody addressed the House and Senate in joint session for a hour and forty-five minutes Tuesday as he reviewed the subjects he has submitted for action during the second called session.

Governor Moody, after being introduced by Pink L. Parrish of Lubbock, president pro tem of the senate, said he had not prepared a written message, but would like to enlarge on his proclamation. During his address he said that, although he had not submitted penitentiary problems in his call, the subject was now given the Legislature for its consideration. The veto of the penitentiary relocation or concentration bill as passed by the first called session was intimated by the governor.

**Favors Income Tax**  
Governor Moody spoke in favor of an income tax bill to supplant the present ad valorem tax which he described as being a relic of the early Texas government when taxation of lands provided the only available means for securing money.

The Governor's estimate of available revenue for making appropriations during this session was nearly \$2,000,000 less than figures in the House bills and \$13,000,000 less than figures furnished by the Senate and he asked that the Legislature take care not to place the State on a deficiency basis by going past the incoming revenue.

### Banker Drowned In Lake Brother Of Local Women

George B. Scott, 54, cashier of the First State Bank at Cross Plains, who was drowned Thursday afternoon in the Phillips Petroleum company's lake near Pioneer when a small row boat in which he and Roy Mook of Fort Worth were fishing, capsized during a rainstorm, was a brother of Mrs. Clyde Hines of Colorado.

The two occupants were attempting to pull ashore from a duck blind near the center of the lake, when a strong wind tipped the boat and threw the minto water about 20 feet deep.

All efforts to locate the body have proved unsuccessful.

Mr. Scott was one of the best-known bankers and pioneers of this county, having held public office many years before starting his bank career. He was a Shriner and a member of the Baptist church.

He is survived by his wife and three children, Mrs. R. B. McGowan and Jack Scott of Cross Plains, and Mrs. Mike Cook of Putnam.

### Ben Mackie Returns Wealthy to Town Left as a Poor Man

A few years ago Ben W. Mackie left Colorado, just a "poor fellow."

This week he returned for a visit, a wealthy man. Mackie used to live in Colorado, boarding with "Aunt Rose" Whipkey. At that time he was a cotton buyer. Recently a tract of land near Corsicana, inherited from his father, has been found to be excellent oil territory, hence Mackie's many dollars. Incidentally, he still wears the same kind of boots he wore as a cotton buyer.

A. C. Connell and family returned Sunday evening from Austin, Waco and Gatesville, where they spent several days on vacation. They were enroute to Corpus Christi but the flood waters resulting from heavy rains in Central Texas caught them at Austin and they had to remain there a few days and then returned to Waco. Connell says he saw more water at Waco and Austin than he ever saw in the Corpus Christi bay.

Joe Mills and Ed Womack were in Abilene Wednesday afternoon on business.

### CITIZENS CONSIDER HAIL LOSS HERE EXAGGERATED

(Continued from Page One) it will be impossible to secure an appropriation for loans to the farmers with which to purchase seed to replant their destroyed crops. With kind regard and all good wishes, I am, Very sincerely yours, C. B. HUDSPETH.

### Article Given to Newspapers

Following is the article given out to the press by Congressman Hudspeth:

WASHINGTON, May 29.—Congressman Claude Hudspeth visited the Assistant Secretary of Agriculture, Mr. Dunlap, this morning and discussed with him the proposition of the government's sending out free seed to the people in his district whose crops had been destroyed by hail, in the El Paso Valley, in the vicinity of Fabens, and in Michell county, in which latter county a hail storm destroyed 90,000 acres of growing crops.

The Congressman urged that in the event free seed could not be furnished for the relief of his people, the Government make loans to the farmers to purchase seed for the replanting of their crops.

Assistant Secretary Dunlap exhibited sympathetic interest, but said there was no fund at present out of which relief could be granted, that the fund for such emergency purposes, appropriated in 1928, was entirely exhausted.

The appropriations committee not being organized, and no legislation permitted at this special session of the Congress except farm relief and the tariff, it is impossible for the Congressman to have passed any legislation that would be helpful to these stricken farmers.

Mr. Dunlap stated that he deeply regretted the inability of the Depart-

### ment of Agriculture to aid the farmers in their distress.

It has been the policy of the government to make such loans whenever possible, and relief was granted to Florida farmers within recent years whose crops were destroyed by storms and flood.

PAY BY CHECK

BECAUSE

A Checking Account is a Real Help in Running Your House

There are many advantages to the housewives of Colorado in a checking account at this strong, helpful bank. Paying monthly bills by check is convenient, saving time and footsteps. A cancelled check is legal receipt of payment. The stubs in a check book offer a simple, effective bookkeeping system. The risk of cash around the house is avoided.

Bank checks are money of business. Modern progressive women use them in their personal and household finances. This bank cordially invites the business of women. Come in and open an account.

City National Bank

WANTS TO GO FROM HOUSE TO HOUSE TO TELL ABOUT ORGATONE

"If I Was Not So Busy With My Farm Work I Would Go Out And Tell Everybody About This Medicine," Says Clyde, Texas Farmer

"I had stomach and rheumatic trouble and suffered torment with my back and side, the doctors could do nothing for me so a friend advised me to try Orgatone, saying he had heard so many favorable reports about it, and I got a bottle.

"After taking the first bottle I felt so much better and the result is I am feeling like a different man. I haven't had any more of those terrible rheumatic pains since I started on the treatment and those pains have left my sides and back also. I can eat anything I want and it don't hurt me, and I sleep like a log."

"To tell the truth, I just simply feel like a new man and have more strength and energy than I have had in years. It is simply the grandest medicine in the world. I would like to see all of my friends and get those who are suffering to try it, and I hope you will reach them through this testimonial, which I have gladly given."

THERE ARE LOTS JUST LIKE THEM

Yes Sir, there's a lot of farmers who say they'd rather do without their car than try to run a farm without Delco-Light. Don't smile. We'll prove it. We'll tell you about a farmer who has about 40 lights, an electric washer, electric iron, vacuum cleaner, radio, electric fan, cream separator, sausage grinder and some other power machinery...all operated from his Delco-Light. And he says it only costs him about \$2 a month to operate. What do you think of that? Write to the Delco-Light Company, at Dayton, Ohio, for his name. The point we're getting at is that he's found how to get the most out of living on a farm. And he's only one of more than 365,000 satisfied users of Delco-Light.

**ELLIS-ATLANTIC MAKES MILLION FEET OF GAS**

The Jack Ellis and Atlantic-Oil Producing Co. No. 1, Ellwood, section 30, block 18, S. P. survey, which picked up the gas strata at 633-18 feet, is making about a million feet

of gas. This well drilled deeper in search of oil, but struck salt water and has been plugged back in an effort to shut off the water. If this can not be done another well will be drilled nearby, it is said.

**COUNTY SUPERINTENDENT STATES THAT ALL RURAL TEACHING PLACES FULL**

**Contracts Have Already Been Signed By Several Of Those Elected**

All teachers have been elected for the rural schools of Mitchell county for the coming year, according to Miss Ruby McGill, county superintendent. The following contracts have already been signed:

Longfellow—Mr. Lesene Hearne and Miss Gladys Womack.  
Lone Star — Mr. H. B. Barriere, Miss Ethry Dean, and Mrs. Samuel Harris.

Iatan—Mr. and Mrs. Mack Fisher, Miss Velma Cherry.

Carr—Mr. and Mrs. H. F. Rainesback.

Payne—Mr. R. L. Bellows, and Mrs. Edd Cambren.

Cuthbert—Mr. Lynn Halbert, Rogers—Mr. E. T. Powers, Wilma Manley, Eula Carter, Cleo Farrar.

Buford—Mrs. J. V. Glover, Miss Thelma Pittman, Miss Burnice Ramsey.

Seven Wells—Mrs. R. A. Clements, Mrs. J. V. Robinson.

Fairview—Mr. and Mrs. Winfred Halbert.

Valley View—Mr. and Mrs. B. L. Templeton, Miss Opal Palmer.

Looney—Mr. and Mrs. C. M. Darnell, Miss Charles Ritchie.

Shepherd—Mrs. Reese Jones, Miss Arlene Tunnell.

North Champion—Mrs. Cora Johnson and Miss Mary Miller.

Lowe—Mr. and Mrs. J. DeWitt Wilkes.

Horn's Chapel—Miss Ruth Clements, Miss Annie Mae Cochrane.

Conaway—Mr. and Mrs. H. P. Powers, Mattie and Reba Franklin.

Little Sulphur—Mr. W. L. Russell and Mrs. Clara Cook.

Bauman—Mr. Claude Willis, Miss Edith Wilkerson.

Landers—Mr. J. D. Latham, Miss Nina Ranne.

Silver—Mrs. Hall Hooker, Miss Hazel Carpenter.

Hyman—Mr. Roy Davis Coles, Miss Fay McDonald, Miss Virgilia Welch.

**C. C. Executive Board Holds Its Monthly Meeting**

The minutes of the Executive Board of the Colorado Chamber of Commerce at its monthly meeting Wednesday morning, are as follows:

Dr. P. C. Coleman, president, present and presiding, also the following: L. B. Elliott, A. J. Herrington, T. W. Stonerod, Fred Brown, Max Bereman, Roy Doster, J. Ralph Lee, C. M. Adams, C. H. Farrest, C. L. Gray, Dr. S. W. Browning, J. W. Randle, J. E. Morris, and J. H. Greene, secretary.

Minutes of the previous meeting read and approved. Financial report made and accepted.

Secretary reported that the electric sign was soon to be hung across Second street, stating Texas Electric Service Co. was going to hang same as soon as the working crew came through Colorado.

Secretary Greene also reported the laws had been inspected by Messrs. Dr. W. L. Heister, Sam C. Harris, and H. B. Derryberry of Lorraine, who are serving as judges.

Proposition of purchasing a car for use of the Chamber of Commerce and of sending the secretary to the Evanston school in August were discussed and held over for the next meeting for final action.

Members of the board express much satisfaction over the progress made in the securing of a park and unconditional endorsement given. J. H. Greene was appointed to work on the committee of raising funds with which to erect a bandstand.

Motion of J. Ralph Lee, seconded by Fred Brown, prevailed, giving the aviation committee complete control of the airport until recommendations can be made by the committee to the chamber officials concerning operation of the airport.

The matter of taking an agricultural survey of Mitchell county passed for the present. Secretary instructed to secure additional information.

J. H. Green reported that the Pick and Pay Store took out a membership in the Chamber of Commerce.

P. C. COLEMAN, President, J. H. GREENE, Secretary.

Blank books of all kinds at the Record office.

**BRIEF NEWS**

More rain fell in El Paso during the month of May this year than any previous year since 1895, according to The El Paso Post. The rainfall in 1895 exceeded that of the past month, but not since that year has the moisture equaled the amount of this year during the month of May.

The next highest rainfall in El Paso was in 1914, The Post says.

Mac Sproul of Fort Davis has killed his 100th panther. Though only 42 years old, he has, besides that number of panthers or mountain lions, 150 bears to his credit. He is a cattleman who has resided in the Davis mountains all his life, and all these animals were killed there.

Rev. Bob Shuler, former Texas pastor and publisher of Shuler's Free Lance while pastor at Paris, has been sued in four different actions in Los Angeles, each of which seek to recover more than \$100,000 from the minister. The suits grew out of Shuler's statements over the radio.

Jack Allen, sheriff of Crane county, was killed Saturday night near Wink when his automobile crashed into the rear of a truck loaded with lumber. A large piece of lumber was jammed through the sheriff's body, piercing his heart. He lived several hours and pulled the large splinter from his body with his own hand. He was a noted peace officer wearing two guns but rarely ever using them. He was formerly a school teacher at Marathon.

**SAM WOMACK NAMED INSTRUCTOR AT TECH**

Samuel Womack, son of Mr. and Mrs. H. D. Womack, who graduated at Technological college at Lubbock last week with an A. B. degree, has been named assistant instructor in the electrical engineering department, according to Mr. Womack, who returned from Lubbock Sunday after having carried his daughter, Miss Gladys, there to enter summer school.

Samuel's health is much better now and he is entering upon the summer's work with Tech with enthusiasm. He is continuing his studies in the electrical engineering department of this school and at the same time is acting as instructor in this department for the summer.

The Record, in this connection, wishes to correct the statement made last week relative to young Womack's graduation from the Colorado high school. He graduated here in 1926 instead of 1925 as stated. With only three years at Tech College he received his A. B. with high honors. He spent summer's school in Tech and gained a year, even though he was carrying extra heavy courses and an engineering course in addition to academic courses.

He received 155 credits during his first two years at Tech, and at the same time worked two hours a day to pay his tuition fees. He also worked part time to pay expenses. This record is something to be proud of.

He had been suffering from rheumatism and was in the hospital for treatment for this ailment, and not from a nervous breakdown as was rumored here. He is now able to be out regularly and is recovering rapidly, Mr. Womack says.

**WORK OF LAYING CITY STORM SEWER STARTS**

Work of laying storm sewer on Hickory street and to serve portions of North Colorado when the Hickory street paving is put down was begun this week, according to L. A. Costin, city manager.

This work is being done by the Vedder Construction Co., of Childress and Sweetwater, and will be pushed to rapid completion.

Laying of paving on Hickory will start as soon as the storm sewer is finished.

**BANKS CLOSED MONDAY ACCOUNT DAVIS' BIRTHDAY**

The Colorado banks were closed Monday for the legal holiday given in commemoration of the birthday of Jefferson Davis, president of the Southern Confederacy. This holiday is celebrated in Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, South Carolina, Texas, and Virginia. In Tennessee, the day is called Confederate Memorial Day.

**Attention Automobile Owners and People of Thrifty Nature**

Just think! over 2,000 people are killed each month in America by Automobiles—to say nothing of 1,500,000 serious accidents each year.

You have probably had the experience of driving on a narrow country road or dark street when a car coming from the other direction flashed the headlights in your eyes and temporarily blinded you, so that you had to steer through a narrow space without knowing where you were going? Sure you have!

You can do your share in preventing this awful loss of life, health, and happiness with a "Face-A-Lite", which is a new device designed to protect the driver from blinding glares of headlights that every motorist meets as he ventures out on the highway. It likewise gives protection when facing the bright rays of the sun when out for an early morning or evening ride. It makes every motor ride a pleasure ride.

Face-A-Lite shields the eyes without interfering with vision. And it gives you perfect assurance on the narrow street or darkest road.

Face-A-Lite is easy to install and can be adjusted in three ways. It may be flipped up when not in use. It may be raised or lowered to suit the height of the various drivers who may use it.

Dr. L. O. Munn of Lincoln, Neb. was instantly killed when his car was crowded too close to a steep ditch by the blinding lights of an approaching Ford. Both cars were almost total wrecks. Dr. Munn is survived by a wife and three children. The other driver escaped with a broken collar bone.

A Face-A-Lite could have saved both of them.

**APPROVED BY SAFETY LEAGUE**

"Your device will prevent accidents, save loss of life and limb, and make for a greater comfort in night driving. You deserve the hearty endorsement of every civic organization devoted to Safety".

National Safety League of America, Inc.

Face-A-Lite is guaranteed to last the lifetime of a car, which is six years. Hence, Face-A-Lite actually protects you from accident for half a dollar a year—less than one cent a week. This is the cheapest insurance you have ever bought in your life.

Now begins the most driving season in the year. You can never tell when the accident will happen.

Be sure to get a Face-A-Lite before leaving for your vacation or trip. Don't put up any longer with the constant risk of accidents at night caused by glaring headlights. The roads are full of drivers who suddenly throw on the "brights"—blinding your vision—blotting out the road ahead and causing accidents—yes, even death. Determine now to protect your life with a Face-A-Lite—the protecting glare shield that dims blinding lights without obstructing your view.

Now a few words to those of thrifty and saving nature.

ONE DOLLAR invested in CORPORATIONS several years ago is worth THOUSANDS of DOLLARS today.

No cost to you invested in our COMPANY may bring you considerable income every year, may provide educational funds for your children every year, and the Valuation on your Stock may grow in value in the Thousands of Dollars.

The coupon below will explain to you how our modern system of co-operative merchandising will do the work for you.

You owe this to yourself to act right now without delay.

Let the F. B. C. System of co-operative merchandising make your dollars while you sleep.

Give the F. B. C. System the opportunity to provide educational funds for your children without cost to you.

May your immediate action lead you to financial success and may your immediate action save your family life the first night you will have the Face-A-Lite on your car.

Yours for co-operation and safety,

### JUDGE EARNEST MADE TEMPORARY HEAD 32ND JUDICIAL BAR ASSN.

#### Permanent Organization Of Lawyers To Be Here Late In June

Judge C. H. Earnest of Colorado was elected temporary president, and Thos. R. Smith, temporary secretary of the Thirty-second Judicial District Bar Association when tentative organization of that body took place last Tuesday night at a meeting of nearly half a hundred lawyers in Sweetwater.

A committee, with Judge Earnest as chairman, was appointed to draft a constitution and by-laws, and recommend permanent officers. When this committee has completed its work, a banquet meeting of the association is to be held in Colorado, sometime in the latter part of June. Other members of the committee are: J. E. Santell of Snyder, Judge Fritz R. Smith of Snyder, Clyde Thomas of Big Spring, and C. S. Perkins of Sweetwater.

The organization banquet meeting was held in the Wright hotel in Sweetwater and members of the Eastland court of civil appeals were special guests.

Judge A. S. Mauzey of Sweetwater presided over the meeting. Program numbers were as follows: "Much Everything" by Judge J. E. Hickman, chief justice of the Eastland court of civil appeals; "Some Experiences in My Practice," by Judge O. O. Funderburk of the Eastland court; "Transformation of a School Teacher," by Hon. J. E. Santell of Snyder; "The Judicial District Bar Association," by Hon. L. W. Sandusky of Colorado; "Cooperation," by Judge J. H. Beall, Sr., of Sweetwater. Judge Leslie, now of Eastland court of civil appeals and formerly of Colorado, also spoke.

Judges J. E. Hickman, O. C. Funderburk and J. P. Leslie of the civil court of appeals at Eastland were elected honorary members of the association.

UNDERWOOD Portable Typewriter in handsome case. Guaranteed to do everything the big machine will do. Double-shift, Standard keyboard. See and demonstrate the machine at the Record office. Sold on credit. WHIPKEY PRINTING CO.

### West Texas Press

Terry county's reputation as a "corn" producer has gotten into the headlines since the Tahoka convention of the West Texas Chamber of Commerce, and Jack Strickland, editor of the Brownfield Herald, has been busy with explanations since the Brownfield citizens stormed the Tahoka convention bragging about their corn and spiritual atmosphere. Jack says some newspapers grossly misunderstood the effort of his city to let the world know of the county's agricultural possibilities and as a result many sojourners to Brownfield have been sadly disappointed. The Herald explains as follows:

"And now the question arises once more: Did we get exactly the right kind of advertising at the WTCC at Tahoka during the convention? Did the visitors there take us literally, or were they so dumb that they could not see that our folks were speaking in parables when our crowd was trying to impress them that old Terry was the corn country—the modern Egypt, for instance. But in these days of ante-Volstead, it seems there is corn in the ear, shelled, crushed, gristed and judged. Corn in the crib, ricks, sacks, and glass containers. It is measured and weighed by both the avoirdupois and apothecary systems. But people are funny that way. A portion of the visitors over there seems, scented the air and headed a been line for Brownfield when the session was over, but the fool drink vendors of Brownfield only offered them coffee or coke when the 'high sign' was given. Some of them even took the wrong view of what one of our preachers said about looking after the 'spiritual needs' here, and decided that he might have something fluid on his hip. At least two papers in the district have had something to say about the matter since the convention, which leads us to believe that our delegation got lots of advertising, but we are inclined to think they were grossly misunderstood, for all who have come over thinking to sample our particular grade of 'corn' which they claim our folks led them to hope for, were merely shown huge piles of it in the shack—the legal commercial condition—and our visitors probably said 'shucks' and went home, sad but the wiser."

The motorist doesn't mind paying the gas and automobile tax so long as it goes to making good roads, though he knows that the tax is not equal and uniform as provided by the constitution. One of these days the legislature is going to reach out too far

and the supreme court will be in at the reins. The farmer who is using gas to make his crops is getting fed up on high-priced gas and low-priced products. He is going to ask questions about the how come of all this.—Sterling City News-Record.

Another big dam on the Concho near San Angelo will be in process of construction in the near future. This means not only money to the owners of the dam, but to all West Texas.—Sterling City News-Record.

Old Jerse was formerly looked upon with a right smart of contempt in this section of the country, but since the people have been cashing in on her products of late, she has become quite an item in the farm life of this section, and no one now thinks of farming without a few of them stuck around the place. Still, this sheet maintains that white-faced cows carry around the best steaks and the best roasts.—Brownfield Herald.

Liberalism of the pulpit was given hold relief last Sunday at El Paso when the Rev. J. E. Congdon, in addressing El Paso high school graduates, said, "I do not find fault with a boy for using profanity nowadays that has come to mean a freer form of expression." Further in his address he said, "There is but one life to live and it is much of an experiment."

The Avalanche believes that broad-mindedness of the clergy will strike near the soul of the indifferent but we do not applaud the minister of the Gospel who finds no fault with the boy who uses profanity. Alas, profanity, although a universal manner of expressing wrath, is attacked in the very Bible which Mr. Congdon preaches. If we really knew the percentage of men in America who use profanity we would be startled, but even we who thus transgress against the laws of God can find fault there; but fewer would open the floodgates. We should have more liberalism in the inefficiencies of youth.—Lubbock Avalanche.

The Bartlett Tribune records the information that the cheese factory at Round Rock consumes 23,000 pounds of milk daily and the consumption is to be increased. This means a steady flow of cash to the farmers, and incidentally a cheese factory at San Angelo would afford outlet for all the milk that could be produced in this territory. Additional facilities for the handling of milk here will put West Texas farmers on a cash basis. There is much room in West Texas for the dairy industry to expand, but it can't grow until there are marketing facilities.

#### How to Raise Poultry

By Dr. L. D. LeGear, V.S., St. Louis, Mo.

Dr. LeGear is a graduate of the Ontario Veterinary College, 1892. Thirty-six years of veterinary practice on diseases of live stock and poultry. Eminent authority on poultry and stock raising. Nationally known poultry breeder, noted author and lecturer.

### THE IMPORTANT HALF OF YOUR FLOCK

Ordinarily, far too little attention is given to proper selection of roosters for breeding; characteristics of the male are transmitted to offspring far more readily than those of the female, making selection of superior males of paramount importance.

"A good cock bird is half the flock," says an atrocious bit of doggerel in an archaic work on poultry raising that came to my attention recently. Poor verse, certainly, but good logic, notwithstanding! It is undoubtedly true in my opinion that a good male is at least half the flock—probably much more than half. His characteristics are transmitted to so many chicks and are so distinctively stamped upon them that too great care cannot possibly be exercised in his selection.

It seems to be a well established fact that the egg laying ability of a hen is often inherited from the father. That alone should establish the necessity for extreme care in the selection of male birds for breeding. Generally speaking, egg capacity is the most important consideration of all since eggs provide the quickest means of securing profits from the poultry flock.

Be sure, therefore, of the ancestry of any male bird used for breeding. Know that he comes from a strain bred for egg production, vigor and the standard requirements of his variety. While a poor male will not harm good females, he will transmit his poor traits to the offspring to an even greater degree than the hens will convey their good qualities. Thus, his poor blood will counteract the good blood of the hens, resulting in lower vitality and reduced laying capacity for the following generation of chicks.

Having established the importance of having only the best males for breeding, the question naturally arises as to how the right kind shall be chosen. The first consideration is ancestry. A rooster that comes from a long line of known productivity and adheres to standard qualities, will be more likely to be able to transmit such qualities to succeeding generations. In any flock when proper culling or weeding out of unfit members is consistently practiced and where fairly accurate records are kept on egg production, it should be fairly easy to judge the ancestry of any particular male.

Good health is, of course, essential. No matter how fine a pedigree any bird may have, if he is not up to par or better in this respect, better not use him. His lowered vitality will almost surely result in insufficient fertilization of eggs from hens with which he is mated. That means a lower percentage of hatchability and, in all likelihood, lower vitality for the resulting chicks than if they had been sired by a more vigorous specimen of chickenhood.

The ideal rooster for mating is really more than just healthy. He should be overflowing with vitality. He should have an erect bearing, a cocky, self-assured way of swaggering about as if he owned the place. He should have bright, alert eyes, good plumage, good standard head, should have a good appetite, good flesh, and should be quite free from defects or deformities.

He should crow with a loud, clear, ringing note, the kind that sounds like a challenge to anything and everything that may question his right as ruler of the flock. He should be aggressive in his guardianship of hens entrusted to his care but need not necessarily be a pugnacious or vicious fighter. Insistence on such qualities may, at first, seem somewhat far fetched. Nevertheless, they are important indications of relative fitness for the important task entrusted to the male and should be taken into account.

The ideal rooster should be a late molder, as a rule. Early molting shows that his mother or the strain from which he came are early molters. That would indicate generally that the females of the line are poor layers.

While ancestry is important, as stated above, the fitness of a rooster for use as a breeder should not be judged solely by the record of his mother or other female ancestors. It is also advisable to consider the records and characteristics of his sisters and half sisters. It stands to reason that if they have not sufficiently inherited the desirable qualities of their immediate ancestors, he will also be lacking in much the same extent as they are.

The question of body tests to ascertain good breeding males is more or less in dispute. I know definitely that body tests can establish the laying qualities of a hen, but it has not yet been fully established whether or not similar tests can be safely re-

### Managers of Acorn Stores in District Meeting in City

Managers of Acorn Stores in this district are meeting today in Colorado in their regular monthly gathering, with C. E. Stubblefield, manager of the local Acorn Store, as host. Sessions are being held at the Colorado Hotel.

A luncheon was had by the group at noon at Mrs. J. M. Terry's, at which time J. H. Greene, secretary of the Colorado Chamber of Commerce, was a guest. Miss Lucile McMullian, 14-year-old daughter of J. B. McMullian, Acorn Store manager of Midland, gave a reading at this time for the managers. She won first place in West Texas recently in the National Oratorical contest, and won a high place at the State contest in Fort Worth.

Those attending the meeting are: Leslie White, district manager from Big Spring; A. J. Cooper, store manager from Big Spring; S. C. Auld, Plainview; O. J. Green, Lubbock; E. M. Singleton, Brownfield; Mr. Moore of Slaton; J. B. McMullian, Midland; Cliff Borden, Lamesa.

lied upon to indicate a rooster's ability to pass on to his progeny a certain degree of laying power.

# "I Never Worry when they're in the Whippet"

*This low-priced car has every modern feature for driving safety and dependable performance*

**ADVANCED**, modern engineering throughout the entire chassis of the new Superior Whippet is responsible for smoothness and reliability of performance, consummate ease of handling, and maximum driving safety.

Whippet's big four-wheel brakes are of the positive, mechanical type—acting quickly and surely. Both the Whippet Four and Whippet Six have considerably greater braking area than any of their competitors. Other important Whippet advantages include extra long wheelbase, oversize balloon tires, full force-feed lubrication, silent timing chain, "Finger-Tip Control," higher compression engine, invar-st at pistons, and, in the Six, a heavy seven-bearing crankshaft.

Raymond Johnson and sister came in home from Canyon Monday night, where they have been in school for the past nine months. Miss Ruth will return Thursday for the summer session of school.

Miss Doreen Reeder is expected

# CHURCHES

**PRESBYTERIAN CHURCH**  
Bible school at 9:45 a. m., J. M. Thomas, superintendent.  
Worship and sermon at 11 a. m., and 8 p. m.  
If you are a visitor in our city, come and worship with us. Glad to have visitors.  
Christian Endeavor at 5:30 p. m., Miss Nellie Riordan in charge.

**METHODIST CHURCH**  
Sunday school at 9:45 a. m.  
Preaching 11 a. m., and 8:15 p. m.  
Epworth League at 7:15 p. m.  
Theme for sermon at 11 a. m., "Christian Education."  
At 8:15 p. m., Rev. L. N. Lipscomb, presiding elder, will preach. We invite you to hear him. He will bring a great message, as he always does. Whom or what are you worshipping? Think for a moment—"Do I worship Christ, the world's redeemer?"

**ALL SAINTS' EPISCOPAL CHURCH**  
Sunday services in All Saints Episcopal church will be Holy Communion at 11 a. m., and Sunday school at 9:50 a. m.  
All are invited.

**FIRST BAPTIST CHURCH**  
Sunday school at 9:45 a. m., G. P. Slaton, superintendent. At the close of the Sunday school hour there will be delivered a number of Sunday school and B. Y. P. U. awards. Mr. John W. Cobb will bring a message to those receiving the credits. It is indeed commendable that such a large number have completed courses which will make them more efficient in our Sunday school and B. Y. P. U. work.  
Morning hour of worship 10:50. Subject, "The Prayer Life of Jesus as King." It is helpful for any Christian to tarry awhile in Christ's school of prayer for He was the master intercessor of all time.  
Evening service begins promptly at 8:15. Let us each strive to be in our respective places on time in order that the service may not be delayed in beginning. "Christ, the Sin Bearer," will be the theme for discussion at the evening hour.  
B. Y. P. U.'s meet promptly at 6:45 until the hour of meeting is changed. Let us be faithful in the work of the training service of our church.  
Visitors in our city and others are cordially invited to worship with us.  
WILLIAM C. ASHFORD, Pastor.

**FIRST CHRISTIAN CHURCH**  
Bible school 9:45 a. m., W. W. Porter, superintendent.  
Preaching services 11 a. m. and 8:15 p. m. Subject of morning sermon, "Supplication." Evening, "If Jesus Lived in Colorado Today." Dr. Root will sing at the morning hour and there will be special music at the evening hour as well.  
Prayer meeting each Wednesday at 8:15 p. m.  
A. E. EWELL, Pastor.

**EPWORTH LEAGUE PROGRAM**  
Subject, "Results of Adventures in Christian Living."  
Leader—Mattie Dorn.  
Scripture Reading, Psalm 9; John 14:5-9.  
Prayer and song.  
Leader's introduction—"Growing Experiences of God":  
1. Through Nature—Iris Tunnel.  
2. Through Jesus—Lila McCurry.  
3. Through Service—Laura Bell Grantland.  
Piano Solo—Alta Ferguson.  
4. In Fellowship—J. C. Garrett.  
5. In Quiet Waiting—by Lester Haines.  
Open meeting, sentence prayers, and benediction.

**BLUE BOOK LISTS**  
MANY FACTS ABOUT TEXAS AND SOUTH  
In the 1929 edition of the Blue Book of Southern Progress, now being distributed by the Manufacturers Record, are presented a mass of interesting facts and figures dealing with the economic advancement of Texas and the Southern states. Every phase of the South's industrial and agricultural activity is covered.  
From this book one learns that the population of Texas has increased from 3,048,710 in 1900 to 5,487,000 in 1920 and the value of property from \$2,322,152,000 in 1900 to \$10,268,000,000 in 1928.  
The number of cattle in Texas have decreased from 9,428,000 in 1900 to 5,607,000 in 1928. During this period sheep have increased from 1,889,000 to 5,052,000, hogs have decreased from 2,666,000 to 1,210,000, horses have decreased from 1,270,000 to 780,000, while mules have increased by half a million. Manufacturers have increased from capital value in 1900 of \$3,656,616 to \$585,776,000 in 1928. Other interesting facts concerning the Lone Star State are given.  
The South has about one-third of the area and population of the United States, the book shows. In less than 30 years the South's population has increased nearly 50 per cent. Its wealth has grown from \$17,919,000,000 to \$80,000,000,000 or a gain of 346 per cent. The value of its industrial output increased from \$1,693,000,000 in 1900 to \$12,200,000,000 in 1927, the latest census figures available, or an increase of 620 per cent. Today the wealth of the South is about equal to that of the entire United States in 1900; while the value of its manufactures, amounting to \$10,371,000,000 in 1927, is about equal to that of the entire output of all the factories of the United States in 1900.  
A special chapter on the political revolution of the South during the last presidential campaign is included in the book.

# Presbyterian Seminary Will Have New Home

Plans for a new \$2,000,000 home for the Presbyterian Theological Seminary at Louisville, Ky., have been started and a 20-acre tract of land at Seneca Park and Cannon's Lane, at the eastern edge of the City of Louisville, has been sought by Rev. Dr. Charles H. Pratt, professor of missions, and Messrs. R. S. Reynolds, C. K. Reynolds, and A. D. Reynolds, and turned over to the Seminary, according to Rev. W. M. Elliott, pastor of the Presbyterian church of Colorado.

Speaking of this, the Louisville Courier-Journal says:  
The first building to be erected on the new site, according to Rev. John M. Vander Meulen, D. D., president, probably will be dormitories for postgraduate and merit students. There is a possibility that the present main building at Fort Street and Broadway will be moved to the new location. This plan has been considered, Dr. Vander Meulen said, and architects have assured the officials it can be done.

The seminary property on Broadway and Bingham Hall on Gray street, which was given to the seminary by Judge Robert W. Bingham, owner and publisher of the Courier-Journal, and the Louisville Times, is valued at approximately \$750,000.

All memorials, including Haldeeman hall, Grant-Robinson hall, Barrett library, Belknap refectory, Todd hall, Cooper gateway, and Booker chimes, will be continued in the new home, as well as all rooms named for donors.

The new structure is expected to double the present capacity of one hundred students. The library and class rooms will be in another building, thus providing for fifty more students in the main structure. Another dormitory building to house fifty students is also planned.

Dr. Vander Meulen, who came to the seminary from Chicago, nine years ago to become president, announced that the work of planting shrubbery and getting the new location in order will be begun soon.

The Louisville Presbyterian Theological Seminary was organized in 1901 by the consolidation of the Danville Seminary, founded at Danville, Ky., in 1853, and the Louisville Seminary, founded in 1893.

**NEW TWO-CENT STAMP WILL HONOR INVENTOR**

WASHINGTON—Postmaster General Brown has announced the Postoffice Department will issue on June 5 a new 2-cent stamp commemorating the fiftieth anniversary of the production of the first incandescent electric light by Thomas Edison.

The new stamp will be standard size and printed in red ink. The design features a picture of the first electric light bulb with rays of light issuing from it. The words "Edison's first lamp" will be printed above the picture. The stamp will be placed on sale at Monto Park, N. J., on June 5, and at other offices as soon thereafter as possible.

**Non-skid safety - season after season**

WITH the DUAL-Balloon you can face many seasons of slippery weather with a new feeling of security. It is a tire that will not go prematurely "bald." Long past the point where you would expect to be running on "bald-headed" tires, the DUAL-Balloon will give you the full protection so important in this age of traffic emergencies. Guarantees that depend upon the user's running out a great part of the mileage on smooth rubber are poor insurance.

*[With rubber prices going up why take chances of paying more later on when you can buy tires now that will still be good when NEXT year rolls around.]*

put your Telephone on Half-pay during Vacation

You'll save money... and spare yourself inconvenience when you return.

The Rumseys are going vacationing. The milk's been stopped, the ice man has been called off, and the Man Who Delivers the Newspaper has been instructed to bring no more until further notice.

But the telephone will be left at home, drawing full pay in an empty house! Something should be done about this!

**Vacation rates for idle telephones**  
One solution (provided you're planning a vacation of 30 days or more) is to place your telephone on vacation half-rates while you are away.

It's a convenient way to save money. And—this to folks who sometimes have their telephones taken out—it spares you inconvenience on your return.

That's because:

1. You pay just half the regular rate.
2. Service is reconnected quickly after you return—usually within 24 hours after you notify us.
3. You don't lose your present telephone number (you'd lose it if you had your telephone removed!)
4. Your name remains in the telephone directory.

If you wish, while you are away we will transfer your calls to another telephone number of relatives, for instance.

Vacation rates are available for periods of more than 30 days, but not over four months.

Something should be done about this.

To obtain them, mail the coupon or telephone the business office.

Manager, SOUTHWESTERN BELL TELEPHONE CO., City.  
I'm leaving town. Place my telephone on vacation rates from (Date of Departure) to (Date of Return).

LOCAL NOTES

Claude Cook was in Colorado Wednesday for a short visit. Miss Gladys Dorn is home from State University. She was accompanied by Miss Lona Dean of Claude, who spent Sunday with her.

PALACE

Thursday and Friday, June 6-7 "Flying Fleet" This is an extra good picture, almost as good as "Wings," in fact many have said it was.

Saturday, One Day, June 8th "The Law of The Mounted" With Bob Custer, a good Western Also Comedy.

Monday and Tuesday, June 10-11 "The Carnation Kid" A GOOD TALKING PICTURE With Johnnie Hines. This is one of the best Talking Comedy Dramas ever made, it's different, you'll like it. 15c and 40c.

Wednesday, Thursday and Friday June 12, 13 and 14 "The Hole In The Wall" All Talking Paramount Picture. The actors are all stage stars. No movie actors at all, and the picture should be unusually good.

RITZ

Friday and Saturday, June 7-8 "Hawk Of The Hills" A good Western. Also good comedy and 9th episode of "Diamond Master".

Monday and Tuesday, June 11-12 "Beggars Of Life" A Big Paramount picture for regular prices. Starring Richard Arlin, Olive Brooks and Wallace Berry. Also a good comedy.

Wednesday and Thursday "The Hunting Tower" Another good Paramount Picture with star cast. Don't pass up these good pictures at the Ritz this week. No raise in admission. Also good comedy, "Lay On Me Duff."

Trade with Sam Bedford Grocery this month and save money. Free Lawn Hose and Sprinklers at McMURRAY'S.

Mr. and Mrs. Lee Jones, Jr., spent Sunday in Colorado, coming over from Midland. Special attention given to the most delicate of Silk Fabrics at Tom Hughes' Tailor Shop. Just phone 171 and we will call for and deliver. 1tc

Bill Martin of Loraine, who has been seriously ill with trench mouth, is reported improving. NOTICE! I am the Keeper of the Colorado Cemetery. If you are interested in the keeping of your lot clean, I am the one you want to see.

A letter from Russell Soper, page in Austin, states that he shook hands with Reg Robbins and Jim Kelley, the endurance flyers, when Governor Moody bestowed on them the titles of Lieutenant-Colonels.

\$2.00 will rebuild Shoe Bottoms at Jackson's Shoe Shop that lasts as long as \$10 shoes. C. R. Raifsnider, employee in the mechanical department of The Colorado Record, left this afternoon with his family on a two weeks' vacation trip. "Raif," as he is known to the boys in the office, received a message yesterday stating that his parents at Granbury were expecting him and the "fatted calf" would be on the dining table tonight at 8 o'clock, in honor of his coming. He and family are going to try to make it there on time. "Raif" will buy considerable gasoline and "lube" during the two weeks, and also expects to do a little light fishing while gone.

It is impossible to clean a typewriter and put it in first-class working shape without taking it to pieces, and many amateurs who try this are not successful. Phone Bonner at The Record office, and he will make that old mill write like new, and the cost will be small. Mr. Allen states that he wouldn't take \$15,000.00 for his Delco Light plant if he couldn't get another. 1tc

Wilborn Lewis left today for Athens to spend a few days visiting with his father and mother and other relatives. See the Katzenjammer Kids as train bearers in Zander-Gump Wedding; also Chester as ring bearer. Get your cotton Chopping Hoes at McMURRAY'S.

Mrs. T. L. Davis and daughter, Miss Florine, returned to their home in Stephenville Sunday, after having spent a week visiting with Mr. and Mrs. Ray Womack. Mrs. Womack is a daughter of Mrs. Davis. Ferman Davis, brother of Mrs. Womack, came down Saturday from Lubbock, where he has been attending Tech College, and returned to Stephenville with his mother and sister.

I repair all makes of Sewing Machines. Telephone 86-J. 6-21c If you want to have the best laugh you have had in a long time, just see the Zander-Gump wedding at the high school auditorium June 11th. PHONE 333 FOR TEXACO KER-OSENE. Prompt Deliveries. J. BROWN, Agent.

We have at all times, fresh Vegetables and Produce, and the best Meats, at MILLER'S MARKET. Mrs. Sam Armstrong has gone to Dallas to see her brother finish at dental college.

Mr. and Mrs. Frank Spain have returned to their home in Abilene after a month's visit in Colorado. Mr. and Mrs. Bill Dorn have been on a trip to Mission, Texas.

MR. AND MRS. C. S. LARKINS OFF TO COAST FOR VISIT Mr. and Mrs. C. S. Larkins of Westbrook were in Colorado a short while this week, returning from an extensive trip and preparing to start on another.

They had been in McGregor for the past several weeks. At least, McGregor was their headquarters while they made trips into Falls county; Walters, Oklahoma; Dry Creek, La.; Houston, Galveston, and Dallas.

Mr. and Mrs. Larkins left this week for a visit to Carlsbad, New Mexico; Los Angeles, California, and then through San Francisco to Washington, and back by Colorado Springs and the Yellowstone National Park. They plan to be in their new home in Findley, Ohio, by August 1.

For the past three years Mr. and Mrs. Larkins have made their home near Westbrook, where Mr. Larkins has been employed by the Atlantic Oil Producing company. Record "Want Ads" get results.

Crew Working On Repairs to Dam At Country Club

Striving to complete work before another large rain shall fall and put Lone Wolf creek on a rise, a crew is working at the Country Club dam on the erection of an additional concrete wall to extend the dam over the gap washed out at one end by the swollen creek recently.

Roy Buchanan of Austin, who designed the dam, conferred with the board of directors of the Country Club Tuesday night, and suggested the remedy which is now being worked out. The creek was on the biggest rise in many years when the bank at one end of the dam gave way.

Members Eastern Star To Attend Sweetwater School

A number of women from the Colorado chapter of the Eastern Star plan to attend a school of instruction to be held in Sweetwater Monday and Tuesday nights.

Those from here who plan to go over and work for a certificate are, Mrs. Lee Jones, Mrs. W. L. Doss, Sr., Mrs. Clarence Gross, Mrs. Arlie Taylor, Mrs. Clarence Cook, Mrs. McCloud, Mrs. Hamrick, and Miss Marguerite Stoneham. Record Want Ads for Results.

LONE STAR GAS CO. PLANS EXTENSIONS ON 20TH ANNIVERSARY

Passage of Two Decades Sees Development of Gas Industry

The Lone Star Gas Company celebrates its twentieth anniversary this June with a large expansion program. During the two decades of its history the company has devoted its efforts to the industrial and commercial development of the territory it serves.

From its small beginning 20 years ago, the company has expanded into a system with 3400 miles of pipe line serving more than 200 towns and cities in Texas and Oklahoma.

RIG AT SIMMS DEEP WELL BEING REPAIRED

Simms Oil Co.'s No. 1 W. L. Ellwood in the center of the southeast quarter of section 29, block 18, S. P. Ry. Co. survey, is repairing rig.

Memorial Day Services Here Well Attended

A number of American Legion members, U. D. C. and Auxiliary members gathered at the cemetery Thursday afternoon to pay tribute to their fallen heroes.

The opening prayer was made by Rev. W. M. Elliott, who expressed thanks for those who gave their all for a cause they believed was right, and thanks for a grateful people who revered their memory.

Mrs. R. N. Gary, president of the U. D. C., introduced Rev. W. C. Asford, who made the address of the occasion. He told the story of Culloden Moor, where it is said that the blood of the heroes caused a beautiful blue flower to spring up.

WM. LESLIE FINISHES AT SCHREINER INSTITUTE

William Leslie, son of Judge and Mrs. W. P. Leslie, graduated at Schreiner Institute at Kerrville last week, according to information received from this school by the Record.

Young Leslie made good records at Schreiner and his graduation there is causing his many friends here to shower him with congratulations and best wishes.

DAIRY PRODUCTS CO. OPERATING HERE IS LARGEST IN SOUTH

Concern Will Open Buying Station Here If Output Justifies

The Southwest Dairy Products Co., which recently purchased the plant of the Banner Creamery Co. here along with several other such plants in West Texas, is probably the largest concern of the kind operating in the South, according to N. H. White, manager of the local plant.

This company now has only such equipment in the local plant as was secured from the Banner, White said, but he hopes the company will install further equipment in the near future that will enable him to purchase all whole milk and sweet cream that comes in.

With further reference to the Southwest company, White said: "The company operates in nearly all the principal cities in Texas, Arkansas and Louisiana, having large facilities at such points as Little Rock, Arkansas; Shreveport, Louisiana; Dallas, Fort Worth, San Antonio, and Houston, Texas, as well as forty more other communities lying in the same general territory."

"At the present time, the company has between eight and nine million dollars invested in properties and facilities for buying and marketing the various commodities which it handles, including ice cream, milk, butter, cheese, condensed milk, and other by-products. It expects to add to these facilities and install plants for handling increased production as it is developed throughout the entire territory."

"The Southwest Dairy Products Company is ambitious to work hand-in-hand with the development of the dairy industry in the Southwest and the cities and sections in which it operates, having in mind that such development and expansion will mean a more solid basis for prosperous conditions in the agricultural districts of this section. It has created and maintains a department to work with the farmer and milk producer in the various sections, with a view of improving the standards of milk and assisting the producer generally in an educational way to increase production intelligently and in such a manner as to bring a better price for graded milk."

Foster Willis Proves Ground Maize Best Feed

Ground threshed maize was again proved to be a better hog feed in a demonstration carried on by Foster Willis, son of Mr. and Mrs. T. F. Willis of Lorraine when his record was completed Monday. His six-month-old pig weighed 280 pounds while two others from the same litter fed head maize with a commercial pig feed and tankage weighed 208 and 207 pounds.

The pig was fed ground threshed maize and tankage in self-feeder and made an average gain of 1.99 pounds per day.

J. T. Gist Goes With Oil Company After Graduation

J. T. Gist, son of Mr. and Mrs. A. C. Gist of Colorado, who graduated in geological engineering at Texas Technological College last week, has accepted a position with the Phillips Petroleum Co., and left Lubbock Saturday for Oklahoma to join the geological force of this company.

Young Gist was the first and only graduate from the geological engineering department of Tech College. He took two courses in this department completing both this year with high honors. No other student in the department graduated this year.

POND AND MERRITT INSTALL ELECTRIC HAT BLOCK MACHINE

SHOP NOW EQUIPPED TO RE-BLOCK AND CLEAN ALL KINDS OF HATS

With the installation of a Rhodes Electric Hat Man, Pond & Merritt, local gent's furnishing store and tailoring establishment, hat re-blocking and cleaning of the better class is now available to customers in this section.

This installation brings a service to Colorado that has never before been given. The Rhodes machine is the finest thing in hat blocking machines, and is equipped to handle men's and ladies' hats of all kinds, including straw hats. The machine will turn out a hat completely blocked and re-shaped in six minutes.

The installation of this machine will be highly appreciated by the customers of this progressive and busy tailoring firm. Heretofore, the firm had been forced to send hats out of town for blocking.

With a number of high-class tailoring establishments in the city, each of which is adding new service from time to time, customers can be served promptly and to best advantage.

EAST COLORADO MEN SUCCEED WITH CHICKS BY USING GREEN FEED

Metzger and Morrison Grow Alfalfa For 1,400 Baby Chicks

Alfalfa for green feed and sunflowers for shade are two reasons why the Metzger and Morrison poultry farm in East Colorado has been successful in brooding and raising 1400 baby chicks this spring.

Chicks of different ages have been kept in separate pens and in each of these pens alfalfa is being grown and the lots are so divided that the chicks may be turned in one lot while the alfalfa in the other lot is growing.

Mr. Metzger says that he has had very little trouble disposing of his fryers, as people are learning that a White Leghorn fryer properly fed is just as good as any other fryer.

George Draper Makes Profit In Feeding Club Pig

George Draper, son of Mr. and Mrs. J. T. Draper of Lorraine finished his 4-H Club record with a pig weighing 296 pounds at six months of age. The pig was fed ground threshed maize and tankage in a self-feeder and a small amount of skim milk.

SWEETWATER SHOW OFFERS FREE TICKET TO COLORADOANS

The R. & R. Palace Theatre of Sweetwater, Vitaphone and Movietone exhibitors, are offering a free ticket to patrons from other cities, provided the name and address of the individual is handed in at the box office.

This show has an ad in this issue of the Record announcing the talking picture, "Give and Take" for Friday and Saturday, and the famous Clara Bow all-talking picture, "Wild Party," for next Monday, Tuesday, and Wednesday.

PLANS ARE BEING MADE FOR EX-RANGERS' MEET IN SAN SABA JULY 3, 4, 5

Maj. Green of Colorado, Head Of Association, Receives Information

Arrangement for the entertainment of the Texas Ex-Rangers' Association of which Major W. M. Green of Colorado is life-time president, and which is to meet in San Saba on July 3, 4, and 5, are being made by the San Saba County Old Settlers' Association, in cooperation with the Wiley B. Murry Post, American Legion, and the San Saba Chamber of Commerce, according to information which has been received by Major Green. The association met in Colorado last year.

The ex-rangers will be the special guests of the American Legion July 4, when a barbecue will be served and a large program of entertainment will be carried out, including music by the Old Gray Mare Band of Brownwood. The barbecue will be held at Legion Park, one mile east from town. The Old Settlers' camp ground at the San Saba Fair Park will be headquarters for the rangers, and here every provision for their comfort will be made.

Miss Ruby Green of Colorado is secretary-treasurer of the ranger organization. W. M. Green is major, W. W. Lewis captain, J. M. Renick first lieutenant, W. H. Hale second lieutenant, C. M. Grady adjutant, L. T. Arnold chaplain, and T. W. Clark color bearer.

Mrs. Charles D. Bruce of San Saba is chairman of the various local committees. Those named as committee members by Mrs. Bruce are as follows: Program committee, E. B. House, chairman; Mrs. Edgar T. Neal, Mrs. Bama Halden, Mrs. W. A. Smith, R. W. Burleson, Music, Hugh Miller, Alex Miller, Sime Williams, Scouts, the Rev. R. K. McCall, Automobiles, M. R. Weatherby, S. L. Kirk, R. J. Smith. Registration, Judge John Seiders, S. E. Kelley, Mrs. Bertha Martin, Mrs. Eddie Williams, Miss Thelma House, Miss Lucile Linn. Badge printing, W. A. Smith, W. D. Cowan, Mrs. W. D. Cowan, Arrangements, Edgar T. Neal, J. E. Rainey, Alex House. Finance, Clay W. Kuykendall, W. C. Dofflemeyer, G. S. Gray, H. T. Speake, J. T. McConnell. Equipment, R. L. McConnell, W. T. Thorp, W. R. Harris, Judge R. E. Gray, Arch Woods, C. A. Harkey, Alex Moore, W. T. Terry, E. E. Pierce. Meals, W. T. Little, N. C. Walker, Mrs. H. C. Holcomb, Mrs. D. A. Cameron. Water and ice, R. B. Hall, D. E. Epps, Gus Behrens.

Partial Program

The following partial program has been announced: July 3—At 9 a. m. registration, roll call and invocation; music; address of welcome, Judge R. E. Gray; response; readings; music; announcements. At 12:30 p. m. dinner will be served. At 3 o'clock an automobile drive over the city and a watermelon feast. Supper will be served at 6:30 and at 8 o'clock there will be a sing-song and fiddling.

July 4—The morning program will be turned over to the American Legion. At 12:30 dinner and reminiscences and fiddling will occupy the afternoon. There will be fiddling, readings, a pageant and other entertainment features for the second day.

Election of officers and selection of next place of meeting will be features of the third day's program.

RAINFALL FOR MAY TOTALS 3.98 INCHES

Total rainfall at Colorado for the month of May was registered at 3.98 inches by E. Keathley, weather observer. This was for the actual fall in the city. Much more than this amount fell during the month in other portions of the county. Buford, Longfellow, Lorraine, Cuthbert and Rogers report a total rainfall during the month from 6 inches to 10 inches. Most of the above mentioned communities suffered heavy loss of crops and to farm lands from excessive rains, and hail.

SIMMS ABANDONS NO. 1-A AS NON OIL PRODUCER

Simms Oil Company has abandoned their Ellwood No. 1-A at a depth of 2014 feet as dry. This well is near the Simms discovery gasser in the Ellwood field, and picked up a good gas production at a depth of about 600 feet, but was drilled deeper in search of oil.

MAJOR GREEN REPORTS HEAVY DAMAGE SUNDAY FROM RAIN AND HAIL

Major W. M. Green reports heavy damage to crops and lands in the

Rogers and Horn's Chapel communities Sunday afternoon from heavy rain and hail. Major Green says practically all crops on his farm near Rogers were wiped out by this down-pour, and that farmers in the Horn's Chapel community suffered heavy damage also.

**SAYS MOODY SHOULD HAVE A THIRD TERM**

AUSTIN, June 3.—Governor Dan Moody should announce for a third term with a State road bond issue as his platform, W. T. Wheeler of Ft. Worth is proposing here.

Wheeler is head of the Texas Highway association. He says that a State-wide bond plan, such as that defeated at the regular session of the Legislature this year, is inevitable if

Texas is to have adequate highways. If Governor Moody will run again and make a State bond issue for roads his chief plank, he will win, despite the third-term bogie, Wheeler said.

Mr. and Mrs. R. J. Wallace, their son, Don, and Roddy Merritt left on Tuesday morning for Marshall to attend the Snyder-Davis wedding. Don is to be best man. Roddy Merritt and Douglass Brennan are ushers.

**MANY LAWS PASSED BY REGULAR SESSION WILL BE EFFECTIVE JUNE 12**

**New Marriage Law, Regulate Pharmacists And Others Go On Statutes**

These new laws, "90-day" bills, passed at the regular session of the Texas Legislature, will go into effect June 12:

- Marriage license notice.
- Authorizing self-paying dormitories at University of Texas.
- Create rural credit unions.
- Large banks may increase number of directors to 25.
- Create dairy experiment station near Waco.
- Theft of cotton or cottonseed a felony.
- Civil appeals courts may hear cases involving \$100 judgment.
- Unlawful to drink in airplane or common carrier.
- School teachers must be American citizens.
- Sale of real estate for delinquent taxes only on foreclosure.
- Specifying bond of executors and administrators.
- Validating La Feria water control and improvement district No. 3, in Cameron county.
- Pay for republican presidential electors.
- Civil service for counties over 150,000 population.
- Deer season November 16-30, west of the Pecos.
- Minimum school age six years (in operation September 1, 1930).
- Salary raise for clerks of courts of civil appeals and court of criminal appeals.
- Legal notices shall be posted and published.
- Unlawful to contribute to delinquency of minor.
- Regulate pharmacists and sale of drugs.
- Felony to steal fowls.
- Permit mailing.
- Cities may annex territory any time by majority vote.
- Create board of nurse examiners.
- Banks shall pay survivor of joint account deposit at death of one.
- Create game, fish and oyster commission (effective September 1).
- alds-150,2ntio30pC
- Holbrook closed coastal waters fish bill.
- Cities and counties cooperate in creation of parks.
- Extend term commission of crim-

**FEELS YEARS YOUNGER, SAYS FORMER SHERIFF**

"I am 63 years old. Take a man my age, down and out physically, and let him find some medicine that puts him on his feet like Sargon did me, and he is going to tell about it."

HENRY C. KING said Henry C. King, 2112 West 11th St., Oklahoma City, an "old timer" who for 50 years as cattleman and deputy sheriff has maintained a reputation as a "straight shooter."

"When I saw myself begin to get old and puny a few years ago, I began to try nearly every medicine I ever heard of to get me straight, but I couldn't get anything to do me any lasting good."

"Then I tried Sargon, and it soon had me feeling twenty years younger! Today, two months since I quit taking Sargon, I feel just as good. A friend met me the other day and said, 'Why Henry, somebody told me you had been sick. He must have been mistaken. I never saw you looking better.'"

"We old timers learned to help one another so I want people to know what Sargon did for me. I couldn't digest anything I ate, my skin was yellow and spotted, and I was so weak that when I lay down I didn't care whether I got up or not. I never had a natural action of my bowels, and had to get up all during the night on account of my kid-neys."

"Sargon made me gain 14 pounds. I eat more and digest it with no trouble; my kidneys have stopped bothering me and my bowels are regular as clockwork; and mind you, it has been two months since I quit taking it."

Sargon may be obtained in Colorado from Colorado Drug Co.; or in Westbrook from Margaret Lasseter, or in Loraine from Hutchinson & Hall, drug stores. Adv-11

**McCRELESS WRITES ON PROBLEMS FACING PEOPLE OF THE STATE**

To The Record:

There is two important problems facing the citizenship of our great nation today. Namely, the crime wave and the unrest among our people generally. In my weak way I will at this time deal with the latter only.

That of Unrest: To begin with, I will say that it is an undeniable fact that somebody is responsible for everything that exists or don't exist. To my mind there is too many hunters in the field, who are hunting either jobs or positions instead of hunting homes, and right here let me mention one of Ex-Governor Jim Hogg's slogans which reads thus: "Every man a home, if no more than twenty acres." Who will deny the fact that we need more home builders instead of job hunters.

Now a question: Does money make a wealthy country? I answer no. Then what does? I answer substantial and independent homes.

Permit me now and here to say that education is one of the leading features of the country today, and I am proud of the fact that every person known has the privilege of placing his own construction upon

We are trying to keep on good terms with the public by treating them right.

ABIDING IN CHRIST FOR ALL—ALL FOR CHRIST
CHRIST'S LOVE—
John 15:9-10, 12-14
—Jesus said: As the Father hath loved me, so have I loved you; continue ye in my love. If ye keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in His love. That is my commandment, That ye love one another, as I have loved you. Greater love hath no man than this, that a man lay down his life for his friends. Ye are my friends, if ye do whatsoever I command you.

SOMETHING FOR NOTHING
Everyone knows that no business can continue which gives away its stock. The idea that you can get something for nothing is erroneous. It never pans out. The El Paso Post gives some very good logic and quotes some very pertinent truths in an editorial on this subject, as follows:

"The determination of the United Cigar and Shuts stores to abandon coupons is merely another step in the rationalizing of business.
"In the long run consumers will lose nothing and this branch of business will get closer to sane methods.
"Nobody gets something for nothing. There is no reason why anybody should. Premiums given to customers in the purchase of any commodity are paid for by the customers, of course. If chain stores sell any commodity below cost in order to entice customers into their stores, it is unfair to merchants who build up their business on the sale of that particular commodity; although the right of any merchant to sell below cost if he wants to may be conceded.
"Selling below cost may be successful temporarily as a trade stimulator, but taking business as a whole, it is bad for business. Nobody objects to a legitimate profit on everything sold. But where there is a loss on one commodity any sane merchant expects him to make it up on excessive profit on something else. It is simply a form of advertising, and a form that is dying out because it ought to die out.
"There has been a steady improvement in advertising, the tendency all the time being toward advertising that is not intended to deceive but rather to invite confidence by deserving it. One of the things that makes advertising profitable is the reputation back of the advertiser. If he lives up to his advertised promises he gets the cumulative effect of good advertising; he inspires confidence by deserving it. No merchant can have a better business asset than the confidence of his customers.
"All of us learn by experience, and experience teaches that nothing builds up a dependable business better than the reputation for square dealing. The essence of good advertising is to convince your public that you mean what you say in your advertisements and that you deliver the goods."

LAWYER GOVERNMENT CONDEMNED
It seems that Texas is not the only State in which the Legislature and State Government is in control of the lawyers. Nor is it the only State where the people are growing tired of lawyer control. Up in Missouri they are having the same difficulty in securing a simplification of court procedure as we are meeting in Texas. In fact, the cases are almost parallel. In Texas the Bar Association, after careful consideration and much discussion, presented a program of court procedure reform to the Legislature. It was promptly killed. In Missouri a committee of eminent lawyers also presented some court reform measures only to have them ignored by the lawyers in the Legislature. In Texas every constructive court procedure reform measure was killed in the committee room. They did not dare to permit them to go before the body of either the House or Senate because open discussion of prevailing abuses is the last thing triep practicing lawyers want. The same thing happened in Missouri, and now the Missouri Ruralist suggests that they either keep lawyers out of the Legislature or off the committee on judiciary matters.

It would take a lot of glamour out of the practice of law and a lot of taxes off the shoulders of the people if common-sense rules were in vogue in our courts. But until we displace about 80 per cent of the lawyers in the Legislature by men who appreciate the value of giving "Justice" an even break in our courts, we will fail in our efforts to bring about reform. The leading lawyers of the State may continue to recommend constructive legislative programs on the subject of court procedure reform and reform in the practice of law, but while the self-interest and trick practicing lawyers are in the majority, their efforts will be wasted.—Farm and Ranch.

A CRYING NEED

"The Texas Legislature," says the Houston Post-Dispatch, "can put a stop to 90 per cent of the prison escapes by agreeing on a prison centralization plan and authorizing the erection of modern prison buildings."

The frequent escapes from prison farms isn't a laughing matter to the people who live near those farms. The Post-Dispatch continues:

"A modern penitentiary plan is a crying need in Texas. It is little short of a state-wide disgrace that law-abiding citizens are placed in jeopardy of life and limb by escaping convicts; and that fear of escaping prisoners disturbs the tranquility of so many homes in South and East Texas."
The prison farm system, aside from the opportunity it affords desperate criminals to escape, has been tried a good many years in Texas and proved to be unsound economically. A centralized system would provide an outlet for the energy of prisoners without causing them to compete with the farmer in the growing of cotton and other farm products. It would be possible to install factories in the prison that would not compete with any existing factories in the State. Such plants would not only keep the prisoners busy and bring in profits to the system but it would enable the State to set aside a certain percentage of the prisoners' earnings for the benefit of their families.

The prison centralization and allied problems is one of the big issues before the legislature. Something definite should be done to remedy the existing conditions which, as the Post-Dispatch remarks, is a crying need.—Abilene Morning News.

TAX GASOLINE WITH CARE

Fear is expressed from many authoritative quarters that gasoline taxing may be overdone. Since 1919, when the first of such taxes was levied, there have been steady increases in the rate, until today the tax equals 10 to 30 per cent of the retail price of gas in the various states.

A reasonable tax, with all receipts applied to highway building and maintenance, is probably the best way of solving the demand for good roads. But when the funds are applied to other State expense, the motorist has cause for complaint. Opinions of newspaper editors throughout the United States show that a great number of them oppose exorbitant gas taxes, because they encourage extravagant spending, represent class legislation, tax a necessity instead of a luxury, are increasing too fast, harm business by discouraging consumption and cause other difficulties. Texas has already been accused of extravagance in its highway department.

Missouri, realizing the danger of an exorbitant tax, has fixed the rate at two cents per gallon for 10 years. Sensible taxation is a success but oppressive taxation benefits no one and discourages progress. Texas' taxes are mounting rapidly and unless there is a check within the next year or two the rate will have become unbearable to the man of modest means.

THE "SWIGG" ASSOCIATION

Headline in Texas Farm Bureau News says: "El Paso Herald Strongly Commends Swigg Association." The headquarters of this association have been in Juarez, Mexico, since Volstead made himself felt in the United States, but the stamp of approval from the Herald leads us to wonder if the headquarters have been moved to El Paso. Maybe the Herald has been named official publication for the association, or maybe Don Roderick, new publisher of the Herald, has been named Chief Grand Gulper of the association since he moved to El Paso. The Herald has always favored the idea of a "toddy" for special occasions and has at times openly derided Mr. Volstead, but when it comes out and advises its readers to "Swigg" 'er down, we wonder if that Rio Grande "water" is getting better or worse. The advice might be good in either instance.

Fifty-four school teachers at Edinburg, Texas, who voted with the "independents" of Hidalgo county last November have been dismissed, according to reports. School authorities gave "political disloyalty" as the reason for dismissal of many of the teachers, it is charged. A political upheaval has been in progress in that county, directed at what is termed machine politics. The dismissal of teachers because of alleged "disloyalty" indicates the machine is working. The charges of corruption and stuffing of ballot boxes, and the charges that the "ins" are dictating law and order to suit themselves can scarcely be denied in that county, if reports of the school affair are correct. When matters get so bad that the school superintendent or board of trustees in any community tries to dictate the politics of the teachers, and lays down a rule that teachers do the bidding of the higher-ups and must get down on their knees before the political god of the superintendent, or the board, then it's time somebody took a hand. Such conditions should never be permitted, and we doubt if they will be permitted in any community for a long period of time. School boards are created for the purpose of conducting the business of the schools. The superintendent is chosen to supervise the conduct of the schools and the work of teachers in the schools. Neither are chosen to dictate the political views of teachers or citizens and neither should try to usurp that authority. When they do try it, the people should speak out in no uncertain terms. In the case of Edinburg, we imagine the people will speak out. Five thousand of the citizens stormed the State Capitol in protesting the actions of the political machine in that county and we expect they will keep it up.

Joe Jinks has awakened to the fact that should the boxing commission hand the championship belt to his fighter, Dynamite Dunn, without a contest the crown will be objectionable because no \$200,000 gate receipts will be forthcoming. On the other hand, the "kid" governor of Texas says Joe can not continue his fighting, so what is Joe to do? Will he have to admit that Shrivel was right and pocket a big loss? Looks that way if the governor continues to have the Captain of the State Ranger force bust up Joe's racket. Such is life, when you get a good thing started somebody gets jealous and tries to queer your game.

An exchange received last week by The Record tells of the Baptist ladies in a certain West Texas town putting on a big chicken dinner and in the succeeding local mentions the fact that a farmer near town lost 200 fine hens the night before. Of course, we place no connection in the two incidents but we would suggest this editor at least place a patent medicine ad between such items in future.

IT IS TO LAUGH

(Editorial)

Bill Wheeler of Fort Worth, head of the Texas Highways association, comes out with the statement that Governor Moody should announce for a third term with the State-wide road bond issue plan as his platform. Wheeler has long been known as a "wind-jammer" and we doubt if he is serious in this statement. The writer knew Wheeler several years ago when Wheeler was secretary of the Y. M. B. L. at Waco, and this humble pencil pusher was running errands for the Waco Times-Herald. We were in his office every day and knew him and his work pretty well. While he did his work well, he was given to "boosting" of a nature that could hardly be classed as strictly iron-clad truth at all times. With these facts before us we can hardly believe that Wheeler is so dumb or so foolish as to believe that the Gov-

ernor could be re-elected for a third term on the State-wide bond issue platform. In the first place, no man could be elected governor in Texas on this gigantic State bond issue plan, much less a man who has been in office four years and made some enemies, lost some supporters because of official duties and who would have to surmount the "third term" mountain in politics. The people of Texas would vote down any man who tried to ride into the governor's office on the idea of bonding the people and their property for two hundred million dollars. If Bill Wheeler thinks the people of Texas will stand for this kind of political pressure he is mistaken. If he thinks any man can be elected governor with a plank in his platform that would bend the backs of the people of Texas to the breaking point for the next fifty years he is badly mistaken. If he thinks Governor Moody could be re-elected on the bond issue

platform, he is not only mistaken but foolish.

WOULD RAISE SPEED OF AUTOMOBILES IN TEXAS

AUSTIN, June 5.—A bill offered in the Texas senate Monday, would

raise the automobile speed limit from 35 to 50 miles an hour.

Honors Record Flyers

AUSTIN.—A joint session of the Texas Senate and House Monday honored flyers Reg Robbins and Jim Kelly, who recently broke the sustained flight record at Ft. Worth.

RETAIN YOUTH AND BEAUTY

The Chiropractic way is the modern road to continuous good health. Good health means efficiency in whatever you do, the retention of a youthful appearance and attractiveness. If you are not familiar with the science of Chiropractic we shall be glad to explain it to you and tell you how you can benefit by a series of adjustments.

Perfect Service

1909 ... when the airplane was a curiosity
and automobiles were "horseless carriages"
... before the great war was thought of
... and the "Lone Eagle" was a kid!

LONE STAR GAS COMPANY BEGAN THESE 20 YEARS OF SERVICE

This June, Lone Star Gas Company rounds out its first 20 years of service. Twenty years! And what eventful years! The fastest moving 20 years in the world's history! The 20 years during which the Southwest has had its greatest growth!

To meet the growing natural gas demands of an ever increasing number of Texas and Oklahoma communities has been Lone Star's part in this swift development ... and we have tried to play it well! These 20 years have brought a greatly increased use of natural gas, with many new gas uses unknown 20 years ago. Gas refrigeration, for instance!

Natural gas ... supplied through Lone Star pipe lines to nearly 250 communities and more than a million people ... is one of the Southwest's greatest assets. Much of the Southwest's growth in the next 20 years will come from the industrial utilization of this rich fuel resource, and the Lone Star organization will continue to play a big part in this development.

As we reach the 20th milestone, we pause an instant for a brief backward glance at the trials and triumphs of the past ... then we face ... FORWARD!

Lone Star Gas Company

### Hyman Happenings

Robert C. Scott was a caller in Hyman last Wednesday to see Mrs. Hyman, his mother.

Harry Hyman and Otis Chalk left last Tuesday morning for Abilene, where Mr. Chalk has a case in court there, and Mr. Hyman was a witness. They are expected back the last of the week.

Mrs. H. H. VanZandt and children left Wednesday for Seven Wells, to visit Mrs. VanZandt's parents, Mr. and Mrs. John Hammond, to be gone about a week.

Mr. and Mrs. Summerford, Mr. and Mrs. Tommie Summerford, and Mrs. Marvin Dozier and baby, all of Ralls, were visitors in the home of Ike Smallwood this past week, returning home Sunday morning. Mr. and Mrs. Summerford, Sr., are the proud parents of Mrs. Smallwood.

Mr. and Mrs. Felix Jacobson of Brady are visiting her father and mother, Mr. and Mrs. Gus Heins, who live at the old Harper place.

Mrs. Van Zandt and children returned home from Seven Wells Sunday night, after a most enjoyable time. Sunday being Mrs. VanZandt's birthday, all her family met at her mother's where an elaborate dinner was given her. All her sisters were present except Mrs. Lindley of Colorado, who was not able to come.

Mrs. H. S. Espey of Eldorado, Texas, came in Saturday night to visit her daughter, Mrs. A. J. Roach. She came with Mrs. Tom Henderson of Eldorado this far. Mrs. Henderson expected to stop at Colorado, Texas, to spend the night with her cousins, Mr. and Mrs. Cummings. From there Mrs. Henderson, accompanied by Mr. and Mrs. Cummings, expected to go to Amarillo to visit Mr. and Mrs. Jack, the parents of Mrs. Henderson. Mrs. Espey is a frequent guest in the home of Mr. and Mrs. Roach and family, and has made a lot of friends in Hyman who are always glad to see her.

Miss Eleanor Thomas and Mr. Cub Wheeler, both of Colorado, were guests of Mr. and Mrs. Harry Hyman last Sunday. Miss Eleanor has been out near Marfa teaching, but has returned home for the summer. A visit to the Magnolia well, and the two McGinley and Sigler wells, added quite a good deal of pleasure to their stay out here.

Little Miss Bougie Scott, the granddaughter of Mr. and Mrs. Hyman, was brought out by her father, Bob Scott, Saturday, to visit her grandparents and Miss Margie Roach. Miss Bougie is visiting here while her father and mother are in Abilene on business and will later go to Dallas where Mr. Scott will be in a golf tournament.

Monday morning it seemed the male population all seemed bent on

going to town, and the wives are wondering what was the attraction. The following are some who went: T. C. Smith and sons, Harry Hyman, Will T. Scott, A. J. Roach, Jim Boyd, Sam Pritchett, and Fulton Reynolds. Mr. and Mrs. T. C. Smith were over to the city yesterday, guests of Mr. and Mrs. I. L. Jones.

Mr. and Mrs. Frank Andrews went to Bailey's Chapel Saturday to attend the Methodist quarterly conference there, where our presiding elder, Bro. Lipscomb, was to preside. We all love to go to conference, especially if Brother Lipscomb preaches. He is very popular and we all hope he will stay in this district indefinitely. Bro. Garzer, although attending the preachers' school at Abilene, expects to be there.

### Carr Certifications

On the third Sunday afternoon in June the West Side Singing convention meets at the New Home Baptist church, beginning promptly at 1:30 o'clock. Everybody invited to come and take part. Bring your books and let's enjoy a real song feast.

Rev. Carter filled his regular appointment here Saturday night and Sunday. Quite a lot of New Hope folks attended the singing at West-brook Sunday evening and enjoyed part of the Dr. C. L. Root speech. The cloud and rain tormented and we had to run home to pop up our little chicks, and therefore missed part of the lecture, which was surely fine.

T. E. Ellett is enjoying the visit of his three sisters, one of whom he had not seen in 40 years. They are Mrs. Williamson of Ralls, Texas, and Mrs. Cunningham and Mrs. Osburn of Mississippi.

The stock has been paying our community some visits. Mr. and Mrs. W. D. Hays have a nice boy, and Mr. and Mrs. Aubrey Reese have a fine girl. Mothers and babies are doing fine, and it is thought the fathers will recover.

The teachers entertained the girls' and boys' basketball teams with a 42 party last Friday night, and all report a most enjoyable time.

Mr. and Mrs. J. H. Burrow made a business trip to Abilene Monday, and while there visited her brother, Ed Swent, returning home Tuesday. J. F. Fields and daughter, Miss Florene, and Mr. George Swartz, visited in the F. M. Swartz home last Sunday.

Miss Jettie Fay Jackson of Carbon is visiting relatives here.

The Literary Society meets Friday night, June 7.

The Carr school will be out Friday night, June 14, and we are going to preach the play, "Devious Dukka".

The players are:  
Deacon Dubbs—Paul Swartz,  
Amos Coleman—Emory Swartz,  
Rawdon Crawley—Taff Morris,  
Major McNut—Leonard Young,  
Deuteronomy Jones—Gop. Swartz,  
Rose Raleigh—Nellie Jackson,  
Philippa Popove—Lola Swartz,  
Emily Dale—Ellie Swartz,  
Trixie Coleman—Margaret Jackson.

Jonnie Yensen—Marion Gregory.

This is a fine play. Come see it! We have had some fine rains and the farmers are all very busy driving back an dJude up and down the cotton rows, dreaming of bumper crops this fall. Most everyone reports a fine stand of cotton and other stuff.

Vice-President and General Sales Manager  
Chevrolet Motor Company  
KLINGER NEW SALES MANAGER FOR CHEVROLET

DETROIT, June 5.—A new figure rose to prominence on the automobile horizon a few weeks ago with the appointment of H. J. Klingler as vice president and general sales manager of the Chevrolet Motor Company. Mr. Klingler takes charge of a selling force of more than 35,000 people and becomes the leader of an organization geared up to sell more than one million automobiles annually.

In his new position, Mr. Klingler at 40, takes over the work formerly directed by R. H. Grant, now a vice president of General Motors.

### Colorado Hicks Store Contests Wharton Store

Colorado is pitted against Wharton, a South Texas city of about 7,000, in a sales contest conducted within the company ranks by the Hicks Rubber Co., according to A. C. Connell, manager of the local Hicks store, who has been advised that the Colorado store is running about equal to the Wharton store in sales.

Connell says the Wharton store has advantage in that the crops in the Wharton territory are two

# MILLION FRIGIDAIRE

have been built

With every department of the Frigidaire factories running at maximum capacity, with orders greater than at any time in the history of the business, on Thursday, May 16th, the Millionth Frigidaire was built

In both the Household and Commercial fields Frigidaire leads in sales to customers

There are definite reasons why more Frigidaires are in use than all other makes of electric refrigerators combined; why it is the choice of home owners, of builders, of apartment owners, of commercial refrigeration users throughout the world.

### Beauty, power and convenience

Frigidaire has surplus power that meets every emergency in the hottest weather, and yet operates economically always.

Frigidaire cabinets are beautiful—they are finished in gleaming porcelain enamel, or white Duco—clean and easy to keep clean. The mechanical part is completely enclosed and so quiet that you don't hear it start, stop, or run. Food shelves are elevated so that stooping is unnecessary.

### The famous "Cold Control"

And in addition to the standard temperature regulator which automatically maintains an ideal temperature in the food compartment, Frigidaire is equipped with the famous "Cold Control" that speeds the freezing of

ice cubes and makes possible dozens of new and delicious desserts and salads.

### Low Prices

Because Frigidaire has achieved the million mark—because it is the overwhelming choice of the majority—the economies of quantity production have made prices so low that every model represents a tremendous saving to the buyer.

The D-4 Frigidaire equipped with the "Cold Control" ONLY \$215

complete, delivered and operating in your home

### LONG-AGO PLEASURES AND DOINGS OF MITCHELL COUNTY FOLKS TOLD IN LAST COPIES OF OLD PAPER

A moonlight picnic of long ago, attended by boys and girls who are now prominent citizens here and elsewhere and now the parents of boys and girls attending similar picnics, only reaching them via the automobile rather than the horse and buggy, is one of the things told in one of the

old copies of the Saline Call, early Mitchell county newspaper of which copies are on file at the Record office.

Nearly half a century has passed since "The Saline Call" contributed anything of the events and persons in Colorado then to the old paper files, the last copy of that paper on file being the one for Saturday, June 3, 1893.

Prior to that date, papers for Wednesday, September 7, 1892, and Saturday, May 27, 1893, were filed.

Among local notes in the issue for September 7 were the following:

"S. T. Shropshire returned Saturday from a trip to St. Louis and Chicago.

"The First Christian Church had an ice cream supper Monday night, which was well attended.

"The Sweetwater Baptist Association will meet with the Baptist church of Colorado on Friday morning, the sixteenth, at 10 o'clock. Services will be held on Wednesday and Thursday nights of the same week. Reduced rates will be given on the T. & P.

"The Republicans held a meeting yesterday at the opera house, and voted to send their delegates unopposed to the convention at Fort Worth.

"Mrs. G. H. Colvin returned last Wednesday from a two-weeks visit to Robert Lee.

"The cotton gin (there must have been but one) is being put into readiness for the fall crop of cotton that will commence to come in soon.

"Charley Wulfjen left on Friday morning to attend school at Weatherford college.

"D. P. Atwood returned to Colorado last Saturday after an absence of several months.

"Judge Fisher of Sweetwater was in town Friday and Saturday.

"Ben Randall left Saturday morning for Weatherford, where he will attend college.

"Master Sam Arnett left Friday morning for Granbury, where he will attend school.

"Miss Ruby Betty, who has been attending the Convent for the past two years in Fort Worth, returned Saturday morning.

"Contract will be let on Wednesday for the construction of brick piers in putting in position an iron bridge across Beal creek on San Angelo and Colorado road.

"Mrs. Chas. Reed and Mrs. Frank Ross of Big Spring were in the city Monday visiting Mrs. Ed Curd.

"W. C. Robinson of Nolan county

was in town this week.

"Runaways are getting rather too frequent in this city, and people are requested to be more careful in the future. Hardly a day goes past but some runaway occurs, and many times serious damage is done.

"R. P. Robertson and John Marcherson start tomorrow for Ballinger, where they are to receive 2200 steers to be delivered in Colorado in the next ten days.

"John Greenwood was in from the ranch the first of the week.

"B. McDonald has gone to Fort Worth.

"Miss Enid Coleman returned on Thursday evening from a few weeks' visit to relatives in Murfreesboro, Tennessee."

The following local notes appeared in the paper for May 27, 1893:

"W. V. Johnson was in Fort Worth the first part of the week.

"R. C. Ware left Tuesday morning for San Antonio.

"G. W. Smith, secretary of State, was up from Austin for a few days recently.

"Miss Mattie Payne returned on Tuesday evening from an extended visit to relatives in Missouri.

"A. S. Hawkins, representative for this district, was here Saturday and Sunday.

"Rev. Dr. Stum filed the pulpits of All Saints church Sunday morning and evening.

"City Marshal Parks was around this week notifying the dear people that there was in force a sanitary ordinance.

"Mrs. Geo. M. Bailey of Dallas, accompanied by her little son, was the guest this week of Mrs. T. Q. Mullin.

"Charley Blanford was all smiles Saturday over the arrival of a fine boy at his house.

"Theo Schuster is in from the ranch this week.

"Mrs. Davis of Fort Worth is in the city on a visit with her sisters, Mrs. Hazzard and Mrs. McLin.

"Go to the races this evening at the race track at Waddell's stock farm.

"Mrs. Kreth McDonald of Clinton, Mo., is visiting her parents, Mr. and Mrs. T. J. Payne of this city.

"Fred Lancaster has resigned his position of constable and left Thursday morning for San Antonio. Max R. Andrews has been appointed by the county commissioners to fill out his term.

"The Saline Call is now located in the old Clipper building, where we will be glad to welcome our friends and patrons.

"Rev. Herman Morgans reports the tabernacle meetings progressing finely, and says interest is already beginning to be manifested.

"Again on Friday night was Frankie's opera house taxed to its utmost capacity to seat the people who gathered to see the closing exercises of our public schools. The orchestra, composed of five-piece made excellent music and an interesting program was begun by Rev. Dr. Zivley, who delivered the invocation. Declarations, recitations, etc., were among the exercises for the evening, and all were well executed. Among those who merited special mention was Mr. Lee Prood, who recited a negro prayer. Miss Katie McCall was also honored.

"More sheep are being shipped from this place this year to the Chicago market than ever before in the history of the sheep industry in this section.

"The races this evening, Saturday, at 4 o'clock between Gulliver and the Baptist Bull for a purse of \$500 promises to be very interesting, and

many parties from out of town are to attend.

"W. C. Henderson, the popular counting lawyer from Lubbock, returned last Thursday to Lubbock after a two-weeks' stay in the city with his mother. Mr. Henderson was accompanied by his sister, Miss Ruth.

"It was remarked that one of the picnickers acted as though he was afraid it was going to rain—had his buggy top and curtains up. Who was it, did you say?

"On last Wednesday evening, 12 or 15 couples repaired to Seven Wells in buggies for a moonlight picnic. On arriving at the wells, the company congregated to exchange greetings, then scattered in couples and small groups. The party was chaperoned by Mr. and Mrs. C. M. Adams, Mr. and Mrs. G. H. Colvin, and Mr. W. H. Nichols. The luau was laid about 10:30, and consisted of all that was tempting to the appetite. Those in attendance were: W. P. Gresham and Miss Laura Stonemets; W. S. Smallwood and Miss Belle Stonemets; Richard O'Neil Pearson and Miss Mary Kennedy; Harry Hickey and Miss Jennie Rix; Robert Terrell and Miss Mary Mullin; N. Lapowski and Miss Lillian Largent; Geo. L. Cook and Miss Frankie Riordan; Ivy H. Burney and Miss Addie Robert; Douglas Sherwin and Miss Bessie Platt; Brooks Bell and Mrs. Platt; Mr. Tutwiler and Misses Georgia and Claudia Mullin; Theo. H. Schuster and Mrs. May Gray."

The last copy of The Saline Call on file in the Record office, the issue for June 3, 1893, bears the following proud inscription: "The leading paper of West Texas and the only paper in Mitchell county, having absorbed the Colorado Clipper, May 1, 1893." The following local notes are found in it:

"Miss Jessie Smith left last Saturday for Tyler to spend the vacation.

"Bob Terrell was in the city the first part of the week, visiting the home folks.

"Dr. J. W. Pearson returned to the free State of Kent the first part of the week.

"H. C. Townsend went east the first part of the week and returned

Thursday evening.

"The Misses Burns of South Texas are visiting Mrs. J. M. Williams.

"Miss Mary Kennedy and Miss Frankie Riordan are visiting Mrs. Corliss at the Pecan Grove on Carlisle Ranch this week.

"Our friend, George Cooke, has been considerably indisposed this week, but we are glad to note that he is improving and ere long will be himself again.

"Miss Mabel Oxshere returned last week from Belton, where she has been attending Baylor college. Miss Mabel graduated this session, and was awarded a handsome medal for proficiency in music.

"W. Q. Hodgson donned his cowboy equipment and hid himself to the K Ranch to "rustle" cows for the summer. Good luck to you, Willie, and may your horses be gentle."

"Mrs. W. H. Wiggins, accompanied by Gerlie and Nora, passed through the city last week enroute to Roswell, New Mexico, where they go to join Mr. Wiggins. Quite a number of friends were at the depot to see

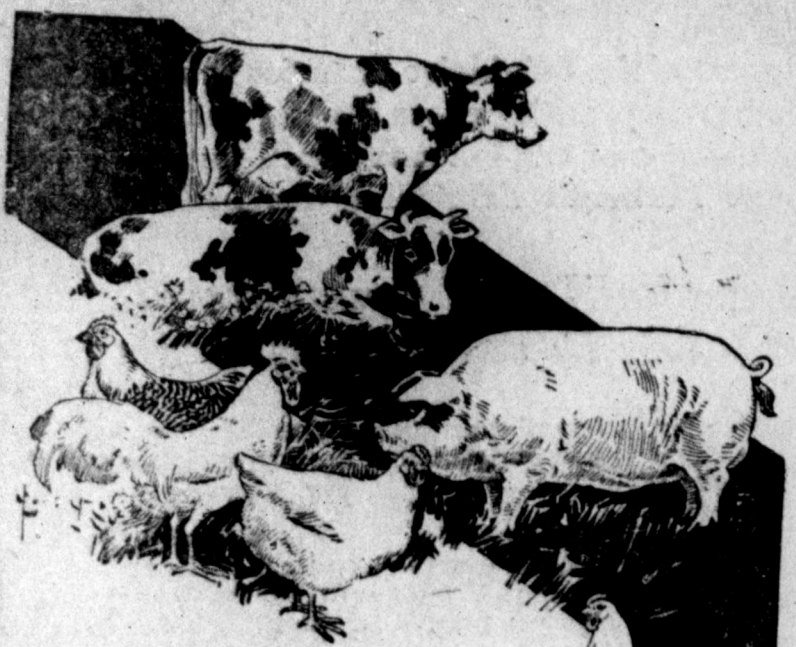

them.

"Miss Angelina Hughes of the Indian Territory arrived Thursday to see her daughter, Mrs. D. C. Flowers, who has been quite ill.

"W. H. McCord, for a long while agent at Tatan, has been transferred to Eastland City.

"The Colorado Guards are now out every night on drill."

"Gus Bertner has made another improvement in his barber shop, having added a set of fans which run by a water motor."

### What could be simpler?

## GENERAL ELECTRIC Refrigerator

When the General Electric engineers worked over this refrigerator for fifteen years, they surely knew what they were about. They wanted something simple but efficient—and they got it. This refrigerator hasn't a pipe or a fan or a belt. It hasn't a bit of machinery hiding under it—or nestling in the basement. It never needs a drop of oil. All its mechanism is sealed away from the pitfalls of this world in a casing of steel, air-tight.

You can't get at the machinery, Junior can't either—and no one

else will have to. For it's all assembled in the factory, where it is tested any number of times. Then it's hermetically sealed. When we deliver it to you, we don't have to solder a single joint, or connect a single pipe or twist a single screw. We just lower it into the top of the cabinet—built to receive it. All you have to do is to plug it into any convenience outlet.

Why not drop in and see the many models? And, by the way, you can buy on time, if you prefer.

### PAINS In Side and Back

"I HAD BEEN miserable for a long time. My health was poor, and I suffered a lot from weakness. At times, my strength was so little that I could not stand on my feet. I would have to give up and go to bed. My sides and back hurt dreadfully.

"I grew discouraged, for I could do so little. I worried about myself, and almost gave up hope of ever being strong and well. I could scarcely lift a bucket of water. My house work went undone, for I was not strong enough to do it.

"After I had taken Cardui for a little while, I began to feel better. I grew stronger, soon found that I could do my work with less effort, and the pains in my back and sides left me. I think Cardui is a wonderful medicine. My health has been excellent since then."—Mrs. D. L. Beckner, W. Main St., Salem, Va.

## Come Down and Look It Over --- Note The Deep Cut Tread

THE CLEAN CUT LINES OF FEDERAL TIRES, STURDY AND BLACK, ADD THE FINAL TOUCH OF THOROBRED APPEARANCE TO YOUR CAR. DEPEND ON FEDERAL FOR STEADY PERFORMANCE UNDER EVERY DRIVING CONDITION. MANY LAYERS OF EQUAL TENSION CORD UNDER THE BIG TOUGH BLOCKS OF FEDERAL'S NON SKID TREAD, KEEP FEDERAL TIRES GOING STEADILY.

**SAFETY!**—Safety against skidding on wet pavements—Safety when brakes say stop—Safety when turning corners—Safety at high speeds on open highways—Safety whenever and wherever you drive your car—You enjoy these when you ride on the new Super Ballon. More Rubber—More Cords—More Miles in Federal Tires than any other make, that is why more people in West Texas use Federal Tires than any other kind. Not an ordinary Tire of Six Pies but a Super Tire of Six Pies.

### INTEREST IN ZANDER-GUMP NUPTIALS GREAT AS DATE DRAWS NEAR

Major Social Event of The Season Scheduled For Tuesday Evening

The major social event of the season, the Zander-Gump wedding, scheduled for next Tuesday evening at 8 o'clock at the high school auditorium, is receiving more preparation than any other similar event ever performed here, according to Mrs. C. H. Lasky and Mrs. O. Lambeth and other Baptist ladies who are leading in arrangements for this

prominent matrimonial event. At this public place amid cheers and congratulations from the public, Uncle Jim Gump and the Widow Zander are to be united in the holy bonds of matrimony. Andy and Min, Little Chester and all the other Gump relations, are to be present and take part in the wedding ceremonies. The entire ceremonies are to be broadcast over radio station ZGW with the famous announcer, William Cornfield Ashford, at the "mike." Thousands of listeners-in are expected to send wedding presents and hundreds of local citizens are expected to be present with a gift of 35c in cash which is to pay admission fees. These fees are donated by Uncle Jim and the widow to the ladies of Circle No. 1 of the First Baptist church, who are sponsoring the wedding. These women will put this into the

building fund in remembrance of the noted couple. Last week it was announced that Andy and Min had withdrawn their objections to the marriage of Uncle Jim. He has lost all his gold mines in Austarlia because salt water broke in and turned the gold to brass. Since this misfortune Andy and Min have consented to allow their Uncle to marry the Gold Digger, Mrs. Zander. They are to start life over in Alaska, where Uncle Jim is going to stake a claim and start prospecting again. Several changes in the personnel of the wedding party have been made, and the final assemblage of participants will be as follows:

**Bride's Party**

Groomsmen: Mr. Whipple—Pat Whitaker. Hearbreath Harry—C. L. Gray. Bridesmaids: Tiffie the Toiler—Mrs. Luckey. Belinda—Mrs. Paul Cooper. Flower Girl: Orphan Annie—Mrs. A. L. Whipkey. Ring Bearer: Chester—George D. Slaton. Train Bearers: Katzenjammers—Marion Hardison, Harold Lambeth. Bride: Henrietta Zander—Mrs. White. Matron of Honor: Min—Mrs. Pat Whitaker. Groom: Uncle Jim—Mr. Rice. Best Man: Andy Gump—Mr. Pickens. Announcer—Rev. W. C. Ashford.

**Guests**

Rinky Dinky Club—Three boys. Miss Appleby—Mrs. Minnie Manering. Ambrose Potts—A. L. White. Mr. Appleby—Jno. Cobb. Jiggs—C. M. Adams. Maggie—Mrs. C. C. Gary. Miss Jiggs—Mrs. Rice. Uncle Walt—J. A. Sadler. Skeezix—Helen Farris. Tilda—Mrs. R. B. Terrell. Rachael—Mrs. Lee Jones. Gollath—The Baby. Mutt—Mr. Haston. Jeff—Roy Farmer. Mandy—Mrs. C. H. Lasky. Pluto—Harry Ratliff. Rosie—Mrs. Green Delaney. Her Beau, Archie—Mr. Fields. Winnie Winkle—Mrs. Dick Delaney. Patsy—Miss Bernice Terrell. Major Hoople—J. H. Greene. Rejected Suitor—Edwin Moeser. Mrs. Nosey—Mrs. Adair. Mrs. Gossip—Mrs. W. A. Rose. Miss Beatrice Logan will preside at the piano. Mr. Hester and others will favor with special musical numbers.

### Stars Shine Through Nation

One of the outstanding distant purchasers of Star tires since acquisition of the Star Rubber Company, Akron, Ohio, by the Hicks Rubber Company, is the American Auto Supply Company of Rochester, N. Y., according to Allen Connell of Hicks Rubber Co., selling Star tires in Colorado. The first order to reach the general offices of the South's Largest Tire House of Waco, Texas, from American Auto Supply was in terms of carloads, and the Rochester concern has been sending in large repeat orders ever since. This New York State firm, which is understood to be the nation's largest tire jobbers, "see Stars" as tires that are more than giving the "complete satisfaction" guaranteed by the Hicks Rubber Company. While New York highways do not provide such a terrific test for tires as do the hot roads of the Southwest, for which Hicks-built Stars are especially manufactured, it is nevertheless a source of considerable satisfaction to the Hicks Rubber Company that its product is performing and selling extensively in distant fields.

**DREAM OF A PARK REALIZED**  
(An Editorial)

The dream of a beautiful park along Lone Wolf creek cherished by a deceased pioneer of this city, is about to be realized. The four patriotic daughters of this pioneer have purchased 20 acres of land on Lone Wolf creek at the end of Sixth, Seventh and Eighth streets, which will be tendered the city free for a park to be named for this fine old-time citizen. In view of the demand for a city park and the recent efforts to secure such a park, this information comes as a boon to the city and the people of the city. The gift, valuable as it

is, is made more valuable from the fact that the people evidently are now in a mood to improve a park and are expecting the city council and the park commission to do something towards securing proper city park facilities. Then, too the location of this tract makes it one of the most desirable for a park. It is convenient to the city from most every angle, and presents a natural stadium effect on the hillside where a band stand and speaking platform can be erected. In addition to this it will afford access to nearly a half mile of the creek, the land extending back a short ways on each side of the stream. The people of Colorado will surely

ly appreciate this gift from the daughters of an illustrious pioneer. Nothing of greater importance has been announced here in years, if the park is to be improved and placed in use. And it surely will be improved. The proposed band shell should be erected in this park. That would be a permanent place for it and a very desirable place. It would be a place where everyone would go to hear a band concert. Public gatherings could and will be held there. A speaker's platform should be erected in connection with the band shell. If these are built down on the hillside that part above it would be a natural stadium and a very fine

place for the public to congregate for recreation. The Record considers this gift a valuable one, and we know the public will appreciate the same. We commend the daughters of the deceased friend of this city for donating Ruddick park in honor of their father. It is our hope that the park will be improved at the earliest possible date, and we can see no reason why it may not be improved.

### Star Parasite Remover

Used as directed, will keep your chickens free of lice, mites, fleas, blue-bugs; healthier and producing more eggs or your money back. For sale by Colorado Drug Co. 5-91c

Westbrook, Texas

The teachers' training school which  
was in session at the Methodist  
church last week came to a close  
Thursday night at which time sev-  
enteen certificates were awarded  
to those who completed the course.

See the model Chicken Houses at  
BURTON-LINGO CO. Westbrook.  
Mr. E. S. Hudson visited his  
brother and family at Hermleigh sev-  
eral days last week.

Hall Weaver and family of Car-  
bon, Texas, have moved to West-  
brook and are now occupying the  
house formerly occupied by Floyd  
Bomer. Mrs. Weaver is a daughter  
of Mrs. Tom Rippetoe.

Complete plans and blue prints of  
Farm Buildings. See them at—  
BURTON-LINGO CO. Westbrook.  
Mr. and Mrs. Shorty Morris have  
recently moved to Dora Roberts,  
where Mr. Morris has employment.  
N. A. Terrell and family are visit-  
ing relatives in San Angelo this  
week.

The Woman's Missionary Society  
of the Methodist church met at the  
home of Mrs. L. E. Gressett Monday  
afternoon in a business and social  
session. After the devotional con-  
ducted by Mrs. McDonald, a short  
business session was held. During  
the social hour some Bible contests  
were enjoyed. Refreshments were  
served to 10 members and four vis-  
itors.

Complete plans and blue prints of  
Farm Buildings. See them at—  
BURTON-LINGO CO. Westbrook.  
The third quarterly conference of  
the Westbrook and Cuthbert Meth-  
odist churches was held in a joint ses-  
sion with the Colorado circuit at  
Bailey's Chapel, Saturday, June 1.

Rev. L. N. Lipscomb, the presiding  
elder, was in charge. Good reports  
were received from all points.

See the model Chicken Houses at  
BURTON-LINGO CO. Westbrook.  
Quite an appreciative audience  
met at the Baptist Tabernacle Sun-  
day afternoon to hear the lecture by  
Dr. C. L. Root of Colorado. The  
service opened with a solo by Dr.  
Root, accompanied by Mrs. Maxine  
Wulfjen at the piano, Julia Mae Rog-  
er on saxophone, and Charles Edwa-

Root with cornet. This was followed  
by a solo by Mrs. L. Berryhill. Dr.  
Root had only started upon what  
promised to be a very interesting lec-  
ture when he was forced to stop by  
the approaching storm cloud. He  
promised to come back at a future  
date and lecture, sometime when we  
need rain.

See the model Chicken Houses at  
BURTON-LINGO CO. Westbrook.  
Rev. J. E. McDermott and wife,  
accompanied by the following mem-  
bers of the Baptist church, attended  
a Workers' meeting on Tuesday at  
Pleasant Valley, five miles north of  
Lorraine: Mrs. R. F. Bassinger, Mrs.  
R. C. Anderson, Mrs. G. C. Williams,  
Mrs. Donaldson, and Miss Opal Mc-  
Dermott. Rev. McGuire was the pas-  
tor host.

A series of revival services began  
at 10:00 on Monday night. Rev. J.  
E. McDermott is to do the preaching.  
Everybody invited to attend.

The Baptist Young People's Union  
will give a missionary program next  
Sunday night. Are you going? You  
will be welcome.

The Epworth Leaguers are looking  
forward to an interesting meeting  
next Sunday night, at which time  
plans will be made for attending the  
summer assembly of the Northwest  
Texas Epworth League at McMurry  
College at Abilene. You are invit-  
ed.

Baptist Church Notes  
Sunday school attendance 140.

Visitors from Ballinger and Color-  
ado. Ernest Keathley was here from  
Colorado, and gave us nice words of  
encouragement.

Brs. McDermott brought a mes-  
sage on Christian fellowship which  
was so inspirational that we were  
really placed on higher ground.

The B. Y. P. U. had a real lively  
entertainment at the tabernacle on  
Thursday night. Games, music, and  
singing were the order of the even-  
ing.

Circle One met with Mrs. Davis  
Monday, with 10 present. Devotional  
was led by Mrs. Watson, after which  
sentence prayer were given for the  
meeting which began at 10:00 Mon-  
day night. The hostess served deli-  
cious ice cream and cake.

Circle Two met with Mrs. Neal and  
spent the afternoon quilting. Next  
meeting with Mrs. Melvin Ellis.

Bro. McDermott, Mrs. McDermott,  
Opal, and O. C., Mrs. Williams, Mrs.  
Donelson and Mozell, Mrs. Moore,  
Mrs. Bassinger, Mr. and Mrs. Ander-  
son, Mr. Sorrells, and Earl and Elmer  
Sorrells, attended the Workers' Con-  
ference at Pleasant Valley Tuesday.

The W. M. S. ladies carried off the  
banner for the largest number of lad-  
ies present from the different cir-  
cles.

P. M. Rowland and family and his  
mother have been visiting in Albany  
the past week.

The Elite Cafe will reopen on  
Wednesday morning. Mrs. Ed Hal-  
slip and Mrs. G. Hay will be in  
charge.

Mrs. G. Hay has moved here from  
San Angelo to make her home. She  
is an aunt of Mrs. Ed Halslip.

Mr. Deleau, who formerly ran the  
filling and service station just north  
of the Exchange Hotel, is building a  
station on the block just west of the  
Guitar gin.

Sunday School News  
The young women of the West-  
brook Baptist Sunday school held  
a business session Sunday morning,  
at which time a name was chosen and  
officers appointed. The teacher, Mrs.  
Hattie Berg, was given authority by  
the class to appoint officers, who are  
to serve three months, as follows:

Miss Hoodie Pool, president; Mrs.  
Neal, first vice president; Mrs. Witt  
Hines, second vice president; Mrs.  
Holder, third vice president; Mrs.  
Davis, secretary; Mrs. Bassinger,  
treasurer; Mrs. Hague, reported, and  
Mrs. Berry, teacher. "The Home  
Workers" was chosen for the name  
of the class. The class colors are  
green and white; class flower, rose.  
If you do not belong to a Sunday  
school class, you are cordially invit-  
ed to join "The Home Makers."

LAWSON DOING GOOD  
JOB IN CEMETERY WORK  
O. L. Lawson, recently appointed  
keeper for the cemetery, is doing a  
good job of cleaning and caring for  
the grounds, we have been informed,  
and is making an effort to get all  
lot owners to authorize him to keep  
the lots cleared of grass and weeds.  
Lawson derives his pay from the in-

## Broad Facilities and Personal Service

Association with a bank is indispensable to the individual as well as  
the business concern. And you might as well have a bank with broad  
facilities and experienced officers.

Our organization, complete in itself, is made more comprehensive by  
connections elsewhere, so this institution stands as a unit in banking  
and credit structure of the country- Thus we offer to our customers fac-  
ilities of wide extent while giving them a personal service that meets  
the most exacting and detailed requirements. You will like to do busi-  
ness with us.

## Colorado National Bank
