LIONS CLUB DEPLORES DELAY IN POST OFFICE IMPROVEMENT FOR CITY

Passed Resolution Urging Immediate Action In Securing Relief

NEW BUILDING URGED

Federal Officials Asked To Proceed With Promised New Structure

Crowded condition of the Colorado post office and the delay experienced in securing promised relief came in for discussion at the Colorado Lions club last Friday noon, and the club passed a resolution deploring the situation, and urging immediate steps to correct same.

Federal officials, congressmen and senators were memorialized to use their efforts in securing some action on the part of the post office department at Washington.

The resolution cites the fact that relief was promised in the form of a new Federal post office building many months ago, but for some reason the promised relief never materialized while other cities in this section of the State no more meritorious and where no greater need existed, have received a new building.

Roy Farmer presided at the Friday meeting of the club.

The resolution as adopted reads as follows:

"In view of the fact that our city, Colorado, Texas, is of a size and a volume of business to merit an adequate Post Office building, our post office being housed in a rented, and, for some time, inadequate building, and in view of the further fact that we are assured that our needs would receive early attention for a new Post Office building, but for some reason or reasons unknown to us, we did not secure the building while other cities in nowise more meritorious, and some of them, as we think, less so, received new buildings, therefore:

"Be It Resolved, That while we do not impeach anyone's acts or impugn their motives nor in any way offer criticism as to what has been done or failed to be done in regard to our Post Office building in the past, yet we do most earnestly urge that our need in respect to this building be met immediately if at all possible.

"To that end we are once more

CLUB PROGRAMS WERE DISCUSSED THURSDAY BY BUSINESS WOMEN

Mrs. Morrison Made New Member At Luncheon of Club Thursday

Club meeting programs were discussed at the regular luncheon of the Business and Professional Women's Club last Thursday noon.

Mrs. J. E. McLeary presided, and Mrs. J. A. Ferguson pronounced the invocation.

Mrs. Earl Morrison was admitted to the club as a new member.

Miss Ann Ware of Honey Grove attended the luncheon as Mrs. McCleary's guest, and Mrs. Lloyd Jones was the guest of Miss Eloise Pond.

The discussion of the kind of programs desired by the club membership claimed most of the time. Club songs were also practiced.

The next meeting of the club will be the July luncheon, the July banquet having been cancelled as it would have come on July 4.

FIRE DEPARTMENT ANSWERS TWO CALLS

Two alarms were answered by the Colorado fire department during the early morning hours Thursday.

One was a call to Mexican town, where a car owned by the Catholic church was destroyed by fire. The other call was to the negro settlement where no damage was done.

RECORD OFFICE TO BE CLOSED ON JULY 4TH

July 4th and publication day for a newspaper are two occasions that printers never enjoy if they come on the same day. This year July 4th falls on Thursday, the day the Record goes to press and the day on which all printers in the office are compelled to get busy and do a day's work, hence, the paper has advanced publication day to Wednesday for next week only, so the force can lay off and celebrate Independence Day.

Advertisers and others should remember that the paper will be printed on Wednesday next week so the office may remain closed for Thursday, July 4th. Those interested in getting news items or advertisements in the paper should get same into this office Monday or Tuesday, and not later than Wednesday morning early.

PLANS FOR COUNTY FAIR APPROVED AT LUNCHEON CLUB MEET

Representatives From Over County Enthusiastic Over Prospect

Representatives from practically every section of the county expressed themselves enthusiastically in favor of holding a Mitchell county fair this fall, when discussion of this matter was taken up at the Colorado Luncheon club meeting Tuesday noon.

After talks in favor of the fair were made by Lora Lee, Looney, Buford, Spade, Colorado, and other citizens, the club went on record as favoring the plan to hold a fair this fall and authorized the chairman to appoint a committee to formulate plans and report back to the meeting next Tuesday.

W. S. Foster, county agent, presided at the Tuesday luncheon. C. T. Watson, secretary of the Big Spring Chamber of Commerce, delivered an address on the Community Fair, which was instructive and highly appreciated. Mr. Watson is a former county agent. He has had several years experience in helping promote county and community fairs.

J. C. Hall and T. R. Bennett of Lorraine spoke in favor of the fair and said Lorraine would endeavor to carry off a major portion of the prizes when the fair is held.

Mrs. J. H. Carlock, Mrs. Drew Givins, Mrs. John Hooks, Miss Ruby McGill, R. A. Hood, U. D. Wulfjen, R. C. Morgan, and Everett Winn all spoke in favor of holding a fair this fall and each pledged support to the proposition.

John R. Baze was appointed to preside at next Tuesday's meeting. No subject was assigned for discussion. Foster announced his great pleasure in being able to appoint Baze to preside as retaliation for last week's efforts of Baze in Foster's behalf.

Guests were as follows: J. C. Hall, Lorraine; C. T. Watson, Big Spring; T. R. Bennett, Lorraine; Urda Wulfjen, Everett Winn, Rev. Jim Harvey, L. J. Taylor, Burt Smith, E. R. Bibe-

gan.

LARGE AUDIENCE HEARS BRO. LYLE PRICE, EVANGELIST, PREACH ON 'THE OLD PATH'

An audience as large or larger as the one present on Sunday night heard Bro. Lyle Price, pastor of the Church of Christ in Denison and evangelist conducting the Church of Christ revival begun last Sunday at the Union tabernacle here, preached Tuesday night on the subject, "The Old Path."

Basing his sermon on the text: "And thus said the Lord, stand ye in the ways; and see, ask for the old paths; where is the good way and walk therein, and ye shall find rest for your souls. But they said we will not." (Jeremiah 6:16). Brother Price preached as follows:

"This theme is a plea for a restoration, not a reformation. Pure religion cannot be found this side of the Lord Jesus Christ and his Apos-

BARBECUE AND RODEO CHIEF FEATURES FOR 4TH JULY CELEBRATION

All-Day Program At H. S. Ranch Includes Talks, Play, Ball Games

PUBLIC INVITED

Luncheon Served to Every Visitor; Large Crowd Expected

Barbecue luncheon and a big rodeo in the afternoon are the chief attractions for the all-day program and Fourth of July celebration to be held at the H. S. Ranch, south of Spade, next Thursday, according to E. Barber, chairman of arrangements.

An all-day program has been arranged, and public invitations have gone out all over the country, and Mr. Barber says a large crowd is expected.

Other features on the program are speeches by local citizens, old fiddlers' contest, and other music, and at night a comedy-drama in three acts by the Spade young people.

According to E. Barber the program will begin at 11 o'clock Thursday morning, and will be as follows:

Everybody singing "America."

Welcome address.

Reading, to be supplied from the Spade community.

Texas Supreme Court election, by Judge W. H. Garrett.

Reading, to be supplied.

Old-time fiddling contest.

Address by Geo. H. Mahon.

Address by W. W. Porter.

Address, "The Boy Scouts," by Rev. W. M. Elliott.

Other speeches and music to be supplied.

At noon dinner will be served on the grounds to everybody.

Afternoon

Goat roping, baseball, bronco busting and radio program. Everybody having a good time.

At Night

Original 3-act comedy play written by A. R. Norcutt and produced by the young people of Spade at the Spade school auditorium.

On account of the high cost of the four heaves and goats to be barbecued by Booker, a gate charge of 50 cents for grown persons and 25 cents for children over 12 years will be made and collected at the gate. Any person not satisfied with the day's program, including the play at night, may have his money refunded.

No special invitations will be issued, but everybody welcome.

Come and celebrate the Glorious Fourth.

Mr. and Mrs. Walter King went to Sweetwater Tuesday to have Mr. King's eyes treated, he having gotten a piece of steel in one of them.

by J. A. Holt, H. H. Herrington, Luke Girvin, J. F. Merritt, Thos. R. Smith, Ray Womack, C. A. Simpson, Vergil H. Brooks, John Elliott, W. S. Foster, Mrs. J. H. Carlock, R. A. Hood, Mrs. Drew Givins, Mrs. John Hooks, Miss Ruby McGill, R. C. Morgan.

Footbridges have been built by the Scouts across the ravines leading to the site of the pool, which promises to be one of the best in the county after it has been filled by a rain. The Scouts plan to hold a big program for the official opening day of the pool, which will be about the middle of July.

SOCIETY PAGE

MRS. J. G. MERRITT, Editor
Phone 144
would appreciate report of all social and club meetings. Reports must be phoned in not later than Wednesday afternoon each week.
PHONE 144

Harmony Club
The Harmony Club met Tuesday with Mrs. R. B. Terrell, who had a lovely party.
There were five tables of players, the guests being Miss Bernice Terrell, Mesdames R. O. Pearson, Monroe Dawson, Henry Doss, R. H. Brennan, Oscar Price, A. L. Whipkey, B. F. Dulaney, Pat Whitaker, and Cliff Ethridge. Mrs. Lay Powell was taken in as a new member.
It was voted to adjourn during the summer months, the next meeting to be in September. At the refreshment hour, delicious pressed chicken, pear salad, potato chips, wafers and iced tea were served, followed by ice cream and cake.

Bible Study of Presbyterian Auxiliary
The women of the Presbyterian Auxiliary met Monday in the Bible Study class in the church. The lesson from the 15th chapter of Luke was conducted by Mrs. Wolff.
The meeting Monday will be the inspirational one.

Mrs. Carter Entertains
Wednesday afternoon Mrs. M. Carter entertained a few of her friends at bridge. A very pleasant afternoon was spent. At the conclusion of the game refreshments were served at the Keybrook.

Business Men's Sunday School Class
Of the Baptist Church
Tuesday evening in Ruddle Park, the contest winner of the Baptist Business Men's class were entertained in a most delightful way by the losers. Not only were the men, but their families included in this first picnic given in Ruddle Park.
Joe Smoot, president of the class,

was ably assisted by J. H. Greene in doing the honors of the occasion. The program opened with a sing-song. Mr. Cobb and Rev. W. C. Ashford each made speeches. Ralph Lee, one of the honor guests, made a talk.
A delicious supper of barbecue, fried chicken, bread, pickles, onions, salads and iced tea was served to about one hundred and fifty people.
Mrs. Jack Smith, president of the Woman's Missionary Society, expressed the thanks of the families for being included in this delightful occasion. The losers did not eat the bean soup that was assigned as their portion, but with their families enjoyed the good eats quite as much as the winners, and they are persuaded it was entirely worth even being a loser.

Merry Wives Club
Mrs. Ed Jones, Sr., very pleasantly entertained the Merry Wives Club on Wednesday afternoon. She had seven tables of players, some on the porch and some in the house. Baskets of sunflowers and vases of roses decorating both. Her guests were Mesdames Campbell, B. F. Dulaney, J. G. Merritt, Homsley, Piaster, Russell, J. T. Pritchett, Ewell, Spoons, Ralph Beal, Hutchinson, W. W. Whipkey, P. C. Gary, and Dewel Tidwell.
At the conclusion of the games a delicious moulded salad, pickled peach, potato chips, black cake and iced tea were served by Mrs. Ed Jones, Jr., Misses Charline McComber, Doris Gaskin of San Angelo, and Gladys Louise Jones.
It was decided to have no more regular meetings of the club until September, but any member is privileged to entertain if she wishes.

Baptist Circles Meet
The women of the Baptist church met in circles Monday.
Circle No. 1 met with Mrs. C. H. Lasky, and elected the following officers: Chairman, Mrs. McFadden; vice chairman, Mrs. Julian Hammond; secretary-treasurer, Mrs. J. L. Bowen.
Circle Two met at the church. The

officers were re-elected, as follows: Mrs. Jas. T. Johnson, chairman; Mrs. W. G. DeLaney, vice chairman; Mrs. J. R. Sorrell, secretary-treasurer; Mrs. H. B. Smoot, teacher. Adjourned until September.
Circles Three and Four had no meetings.
The Excel Circle met with Mrs. A. L. Whipkey, with ten present. A nominating committee was appointed to report at next meeting. An interesting lesson on "The Wandering Jew in Brazil" took up the greater part of the time.

Epworth League Program
Subject, "Result of Adventure in Christian Living"
Song service and prayer.
Bible lesson, Isaiah 33:17-24, and Romans 15:17-24.
Song.
The Expanding Kingdom in Other Lands—Ruthel McKinley.
The Expanding Kingdom in Personal Relationships—J. C. Garrett.
The Expanding Kingdom and Industrial Life—Laura Bell Grandland.
Song.
The Expanding Kingdom and Other Races—Paul Hargrove.
The Expanding Kingdom and Other Nations—Lucile Bass.
Installation of officers.
Closing prayer.

Methodist Missionary Society
The Methodist Missionary Society met Monday at the home of Mrs. W. H. Garrett. The meeting was opened with prayer by Mrs. Q. D. Hall. The president told of the tragic death of Miss Althea Jones, council superintendent of children, who was killed in a car accident in Mississippi on June 27rd, and who was brought back to her home in Houston to be buried.
The resignation of Mrs. Connell as superintendent of the primary department was announced and the summer work of the young people's camp explained.
Mrs. Garrett reported the interesting work being done by the Juniors in their study for June and July. Japanese life is being studied each

Thursday afternoon. Japanese stories are told and then scrap books are being made to send to Japanese children. On Sunday mornings the stories are from "Better Americans," telling of the various nationalities who have made America.
Social service reported the dependent family being studied and helped was not turning out as the committee had hoped, but further investigation was being made.
It was decided to combine the box of books from the Juniors and the clothing from the Adults and send all to the Wesley house at Tauber this week.

Mrs. Lucian Maddin was elected to the office of primary superintendent of children's work. A vote of thanks was given Mrs. Wallace for the use of her home for the enrollment reception, and to Mrs. W. L. Doss, Sr., chairman of the program committee for the good program given.
In the absence of Mrs. Wallace, the devotional was given by Mrs. Merritt. "The Call of Youth," John 1:35-42. Mrs. Arnett led in prayer for youth and for those of the church who were sick. Mrs. Hinds gave the missionary topic, "Broken Homes Rebuilt," which was followed by a discussion of local conditions. Mrs. Van King read the closing prayer.
The members are asked to meet next Monday at Mrs. Garrett's for a season of prayer, then to visit. All officers are asked to mail out their reports by the first of the month.

An Old-Time Party
Saturday evening, at the Country club, Mr. and Mrs. J. M. Thomas and Miss Thomas entertained in a most delightful manner, honoring Mrs. D. H. Snyder, Jr. About two hundred guests gathered at 8 o'clock and were met on the brilliantly lighted lawn by the hostesses and honoree. After greetings, many of the guests went swimming in the beautiful club lake, some went boating, others found the tables inside arranged for dominoes, 42 or bridge and enjoyed their favorite game. Many others sat on the porch and visited or watched the bathers.
A fortune teller in a gay striped tent was kept busy all evening. A Yo-Yo contest was conducted, with D. H. Snyder, Sr., Jim Cantrill, Harris Toler and D. H. Snyder, Jr., as contestants. The prize, a Yo-Yo big as a cart wheel, was won by D. H. Snyder, Jr., in a thrilling finish contest with his father.
A putting contest was staged by an interested group. This was the thing that made the party such a success. Everybody did the thing they wanted to.
About 9:30 a call was made to line up, cafeteria style, for supper. This was a lot more fun, getting plates, cups, forks and spoons, then pickles, salad, buns, barbecue, coffee and cake. A delicious meal was thoroughly enjoyed.
After supper the younger people danced while the older ones played games or chatted.
Some said this was an old-time Western party. If so, the group who enjoyed Mr. and Mrs. Thomas' hospitality Saturday evening, are agreed that old-time parties are far nicer than the new-time kind, and they are hoping that many others will be given.

Mrs. Tidwell Entertains Two Groups
Last Thursday morning Mrs. Dewey Tidwell entertained a group of friends at 9 o'clock following a party the morning before. She had seven tables of players, the house being gay with crystal baskets of phlox. There were candies on the tables and at the refreshment hour each table was centered with a crystal basket of phlox and a salad plate followed by pie and punch was served.
High score was won by Mrs. Dudley Snyder, a bridge set, and low prize won by Mrs. John Williams, a bridge indicator.
Thursday evening Mrs. Tidwell very delightfully entertained the Bridgettes and their husbands with a beautiful lawn party. At this time there were six tables. Randolph McEntire won high score for men, Harris Toler low; Mrs. Ed Jones high for the ladies, and Mrs. John Prude low. The prizes were bridge sets and indicators.
A frozen salad with cheese straws, olives, potato chips, crackers, and punch was followed by pumpkin pie with whipped cream.
The Bridgettes met this morning with Mrs. Harris Toler.

COUNTY COMMISSIONERS MEET AS EQUALIZATION BOARD MONDAY-TUES.
The County Commissioners' Court met Monday and Tuesday as a board of equalization and approved the tax rolls for Mitchell county.
Judge Thompson said Wednesday that few changes were made in the renditions, most of which were placed at last year's figures. The total for this year will be about the same as the total for last year, he said.

Vacation Resort Literature May Be Had At C. of C.

Literature descriptive of the leading vacation spots of the country may be secured at the offices of the Colorado Chamber of Commerce, and those contemplating a trip to any section of the country are invited to call and get maps and other information.
"We have leaflets and folders from points in Colorado, New Mexico, Arizona, and many other States, as well as points in Texas, and would be glad to have those who wish to make a trip call here and get maps and literature and other information we have," J. H. Greene, secretary, said Thursday morning.
Valuable travel information can be secured at the Chamber of Commerce and the public is welcome to call there for same. In arranging for this information and literature, the organization has endeavored to be of service to everyone interested in making a trip.

Miss Broadus Opens Summer Reading Class

Miss Mary Broadus is opening her studio of expression for summer classes on July 1, according to an announcement she made last week.
Miss Broadus has taught several classes of reading here, and is becoming well-known for her work along this line. She is an accomplished reader, having studied in T. C. U. under reading masters.

A. L. WHIPKEY ILL
A. L. Whipkey suffered a slight stroke Wednesday morning when he was overcome in the lobby of the Colorado National Bank. He had been walking about town and it was said he got too hot. He revived and was carried home, and was feeling very good—the balance of the day Wednesday and Thursday, while he had not been out today.

T. & P. SPEEDS FREIGHT RUN
Effective Monday, the Texas & Pacific-Missouri Pacific railroads cut their schedules approximately 14 hours on three fast freight trains between St. Louis and El Paso, W. K. Beall, Texas & Pacific passenger agent, announced this week.
Train No. 69 now leaves the St. Louis terminals at 12:30 p. m., and reaches Colorado about 1:10 p. m., the second day. The train is scheduled to handle the bulk of Abilene tonnage from St. Louis and beyond.

Show Boat, Talking Picture, Coming To Big Spring

Seiden is a theatre afforded the opportunity of presenting to the public a motion picture of such unusual merit as "Show Boat"—and accordingly, the management of the Ritz Theatre of Big Spring is justly proud to announce the presentation of this Universal super talking production to its patrons, beginning Sunday. The Ritz Theatre in Big Spring is said to be the best talking motion picture theatre in the State.
"Show Boat" is not merely a motion picture. Besides being an intensely dramatized picture with dialogue of Edna Ferber's famous best seller of the same name, the production includes, in sound, all of the famous musical hits of the Zeigfeld extravaganza, "Show Boat," presented as an integral part of the program by the world famous stars who appeared at the Zeigfeld Theatre in New York.
Therefore, besides seeing as living

H. Wolk Will Re-enter Dry Goods Business

H. Wolk, former dry goods merchant here, who operated the Fair Store in the Lasky building on Oak street, but who has been in business at Crane, Texas, for the last two years, has returned to Colorado and will re-enter business.
He said Wednesday morning that he was forming a partnership with Mr. Bodzine of the Reliable Dry Goods Co.
Wolk left this morning for New York and other northern markets to purchase new stocks of merchandise and to acquaint himself with manufacturing and market conditions. He will visit all the principal textile concerns in New York. He will be gone about a month, he said.
characters the immortal romance which Miss Ferber gave the world in fiction, theatre-goers actually hear the equivalent of a high-priced New York show as a part of their entertainment.

WANTED—One hundred Heaters. Will trade or buy. GUY DAY, 2nd Hand Furniture. 1tc

POSITION WANTED—Bookkeeper, Draughton trained, experienced. Call Phone 538-J, or write Box 704. 6-28p

CITY ORDINANCES

It is my duty as your city health officer to call your attention to the fact that the ordinances of the city governing and controlling those conditions which provide for and protect the health of the people be enforced, and this will serve notice that within the corporate limits of the city all weeds on the vacant lots owned and controlled by you must be cut and burned or hauled off the premises, and all trash and garbage, tin cans, and rubbish shall be removed. There is no question but that such conditions furnish breeding grounds for flies, mosquitoes, etc., and thereby a menace to public health. Ample provision is at hand for taking care of the situation, and if you will apply to the city secretary, he will furnish you the names of those who have the equipment for doing this work. P. C. COLEMAN, M. D., City Health Officer.

CITATION BY PUBLICATION

THE STATE OF TEXAS
To the Sheriff or Any Constable of Mitchell County—Greeting:

Oath having been made as required by law, you are hereby commanded to summon W. A. Kile, B. J. Phillips, W. W. Evert and R. H. Phillips, doing business under the general partnership of the Lone Wolf Gin Company by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the Justices Court of Precinct No. 1, Mitchell County, to be holden at Colorado in said Mitchell County, on the 29 day of July A. D. 1929, then and there to answer a petition filed in said Court on the 17 day of June A. D. 1929, in a suit numbered on the docket of said Court No. 3735, wherein J. B. Pritchett is Plaintiff, and W. A. Kile, B. J. Phillips, W. W. Evert and R. H. Phillips, doing business under the general partnership name of the Lone Wolf Gin Company, are defendants, and said petition alleging that on or about the 6 day of December, 1927, the defendants of the Lone Wolf Gin Company by W. A. Kile, executed and delivered to this plaintiff one certain promissory note dated as aforesaid and due and payable to the plaintiff Oct. 12, 1928, bearing interest from date at the rate of ten per cent per annum payable at Colorado, Texas, and providing for ten per cent attorneys fees on stipulated conditions. Plaintiff prays for judgment for the amount due and for general relief.

Herein fail not, but have you before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

Witness W. S. Stoneham, Justice of the Peace for Precinct No. 1, Mitchell County. Given under my official signature, at office in Colorado, this 25 day of June, A. D. 1929.

W. S. STONEHAM, Justice of the Peace Precinct No. 1, Mitchell Co., Texas. 7-12c

PETROLEUM BUILDING AT MIDLAND BE OPENED WITH PROGRAM JULY 3

Special invitations to the public of Colorado and Mitchell county to attend the celebration and program incident to opening of the 12-story Petroleum office building in Midland on July 3 and 4 are being received here.

Jim Kelly, co-pilot on the Fort Worth endurance flight, Congressman Claud Hudspeth, Mayor R. E. Thomason of El Paso, and others will speak on July 4.

LARGE AUDIENCE HEARS EVANGELIST PRICE HERE

(Continued from Page One)
"Jerusalem" was the cry, "back to the apostles' doctrine, back to the Bible! Speak where the Bible speaks, be silent where it is silent. Cut loose from church creed, away with the Catechism and the church rituals! Be governed by the Bible alone."
"Stand ye in the way," is the admonition given us. Note that there is more than one way. Today there are about 200 different ways held out by the religious world as being the right way, all leading home to heaven, all teaching different doctrines. Thus, my friends, it behooves us to stand in the ways and see and ask for the Old Path.
"Not the detour, not some side track, but the way that leads home is the one laid out and outlined by Jesus Himself. I know this advice is not in harmony with the twentieth century ideals. The farmer would not think of going back to the old method of farming, the tourist would not consider the old ox wagon. But, remember, friends, the Lord's way is perfect plan and a perfect theme. Therefore, being perfect, it is not subject to change.
"Our text says, 'But they said we will not!' Oh! the price of rejection that came to Israel, and the terrible price that will come to the world today, the danger of the word 'modern' and it will sell. And there is a terrible pitfall in all departure.
"In Jeremiah 31:21 we find this admonition: 'Set them up waymarks, make thee high heaps; set thine heart towards the highway, even the way of Israel, turn again, O Virgin of Israel, turn again to these cities. We, too, need guide posts to direct us to this way. We need signs— even when we are traveling along earthy highways.
"What are the way-posts to the 'Old Path' in religion? Belief in God is first, belief in Jesus Christ, belief in the Holy Scriptures. Another signboard is repentance, and confession is still another. A fourth is baptism. Meeting on the first day of the week for worship is another post on the right path. Others are singing praises, steadfastness, and an earnestness, and an earnest plea for unity of God's people.
"When we have followed these sign posts to lead us to and keep us on the old path and the right path, we, as the text says, 'shall find rest for our souls.'"

He complimented the lawyers for the class of citizens who have engaged in this profession in this section.

After hearing ringing appeals from Judge J. E. Hickman and Judge W. P. Leslie of the Court of Civil Appeals at Eastland, the association endorsed their plea for law enforcement and cooperation of the law profession in educating the public to better observe our laws and more respect for law.

Hickman and Leslie each delivered wonderful talks and were loudly cheered. Their logical, clear and scholarly appeals for high class service in the law profession and the continuation of the high plane of practice heretofore adopted by the bar of this district met with instant approval.

Judge O. C. Funderburk, also a member of the Civil Appeals Court, directed his remarks toward the splendid and commendable start made by the bar in the organization work. His talk was highly appreciated.

Judge Charles Klaproth of Midland, J. H. Beal, Jr., of Sweetwater, W. W. Hamilton of Snyder, and others spoke.

A dialogue portraying a court term at Yall, Burden county, was a laughable affair. Judge Smith presided and various defendants were ushered in to be tried while Charlie Thompson acted as clerk and read off the charges. Harry Ratliff was bailiff and a negro bell-hop at the hotel was the chief defendant. He was charged with selling bootleg, and the judge passed his case up until a report could be had from the Court of Civil Appeals on the quality of the staff sold by the negro. The negro pleaded not guilty to selling intoxicating liquor, but said he sold Frog liquor which made the victim hop around after one drink, and croak after two drinks. The negro got back at the judge when he said he had no lawyer and did not want one because he had decided to tell the truth. The warden caught term of the metropolitan of Burden county was comedy.

Those present who became charter members of the 32nd district bar association were: M. R. Showalter, John G. Whitaker, Curtis Conroy, Tracy Smith, E. F. Duncan, Clyde Thomas, Cecil C. Collins, C. P. Rogers and James Little, all of Big Spring; J. H. Beal, Jr., J. H. Beal, Sr., W. W. Beal, Chas. W. Lewis, B. A. Bagland, Earl Eary, Dent Beal, Ellis K. Douthit, C. S. Perkins, Guss Farrar, R. C. Crane and P. E. Ponder all of Sweetwater; J. M. Harris, W. W. Qumilton, John E. Senter, Fritz R. Smith, and Judge C. E. Senter, all of Snyder; Samuel C. Harris, Lorraine R. H. Ratliff, G. B. Harness, Thos. J. Coffee, Thos. R. Smith.

(Continued from Page 1)
not wish to serve and asked to be relieved, but the membership refused to allow him to retire.

C. C. Thompson and R. H. Ratliff were nominated for secretary-treasurer. Ratliff, who is secretary of the Mitchell County Bar Association, withdrew and succeeded in getting his candidacy dismissed in favor of Thompson and electing him by acclamation.

Thos. R. Smith took the gavel as toastmaster. Judge C. C. Thompson delivered the welcome address, and Judge R. C. Crane of Sweetwater gave a history of the 32nd judicial district. He said the district grew out of the old 12th district which extended to the Rio Grande river and Brownsville. The 32nd was created in about 1870, Judge Crane said. At that time Williamson county was the chief county in the district, and in 1879 the district was changed to run from Runnels county to New Mexico.

He complimented the lawyers for the class of citizens who have engaged in this profession in this section.

After hearing ringing appeals from Judge J. E. Hickman and Judge W. P. Leslie of the Court of Civil Appeals at Eastland, the association endorsed their plea for law enforcement and cooperation of the law profession in educating the public to better observe our laws and more respect for law.

Hickman and Leslie each delivered wonderful talks and were loudly cheered. Their logical, clear and scholarly appeals for high class service in the law profession and the continuation of the high plane of practice heretofore adopted by the bar of this district met with instant approval.

CANTRILL FIELD TO BE SCENE OF BAND CONCERT ON TUESDAY

Program Is Postponed From Friday Evening; Numbers To Be Varied

The concert by the Colorado Municipal Band which was scheduled to take place this Friday night, has been postponed until Tuesday evening, according to Ray Hester, director. The concert will begin at 8:30, at Cantrell Field, Tuesday night, July 2.

"Our third concert of the season, I think," Mr. Hester states, "will please everyone from the age of 6 to 60. We also have a few popular numbers for the younger generation, and for those that love real, tuneful music, we have a selection from Victor Herbert's comic opera, 'Mlle. Modestie.'"

"It is very difficult to select music to play for a concert that will please everyone, so if you have any special piece of music that you would like to hear, we will be only too glad to play it for you, providing we can secure an arrangement from the publishers. Just drop a card to Mr. Hester and he will try and take care of the requests in the order they come in."

The Record published the full program last week, describing each number, but as some of the readers may have not seen it, a short synopsis is again given:

PART ONE

March, "Hail, Hail, the Gang's All Here."
"The Best Loved Southern Melodies," overture arranged by Hayes.
"We and the Man in the Moon," fox trot by Leslie and Monaco.
"Old Timers," waltz arranged by M. L. Lake.

"By the Light of the Silvery Moon," a popular number of 1910.
"I Want a Daddy to Cuddle Me," fox trot by Ebie and Wright.

"The Old Log Cabin," a dream picture of the Old South.
"I Can't Give You Anything But Love," fox trot.

PART TWO

"Old Ireland," arranged by Geo. Southwell.
"Cheyenne and La Sorella," march by Van Alstyne and Clerc.

"Dream House," fox trot by Cowan and Foxe.
"Mlle Modestie," selection from the comic opera by Victor Herbert.

"In the Shade of the Old Apple Tree," by Van Alstyne.
"That's How I Feel About you," fox trot by Davis & Gottler.
"Songs From the Old Folks," arranged by M. L. Lake.
"God Be With You Till We Meet Again," and "Sweet Bye-and-Bye," a march arranged by E. W. Berry.
"The Star-Spangled Banner," by Francis Scott Key.

Runways At The Airport Ready For Landings

The Colorado Municipal Airport is now ready for landings with the completion of the runways this week.

There are runways north and south, east and west, northeast and southwest. These were graded and dragged by the county during the past week, the loan of the county implements being obtained through the courtesy of A. A. Dorn, county commissioner in Precinct 1.

With the completion of the hangars and other improvements on the field within the near future, Colorado will be able to make her stand with other towns in this section in the matter of airports.

THROTTLING JUSTICE IN DEMOCRACY'S NAME

From Dallas News:

A communication intended to go to the people of Texas and signed by R. B. Russell and six other gentlemen of San Antonio urges the defeat of the full-bench full-time Supreme Court amendment. A careful reading of the statement shows that these protestants do not deny that Texas needs nine men on its Supreme Court or that it ought to be open all the year round instead of being closed three months out of the twelve as at present. They do not deny that the court is too small and is closed up too much. Their protest is as to one feature of the amendment only, and that is to the following language contained therein:

When this amendment takes effect the Governor shall immediately appoint six additional Associate Justices of the Supreme Court for terms of office so that the terms of two of such appointed Associate Justices shall expire with the term of office of each of the present members of the Supreme Court.

Against this provision these gentlemen make the surprising argument

that, first, this vicious because it interferes with our elective system of Judiciary and, second, appointees of the Governor under such a vicious system are practically assured of reelection by the people when their appointive terms expire, so that "the personnel of a two-thirds majority of our Supreme Court would probably be fixed for a generation to come by mere appointment and without any effective voice in the matter on the part of the people."

The merit of electing Judges instead of appointing them must be either that the people know better how to choose judges than Governors do, or else that the people have the essential and necessary duty of doing the choosing. The elective process draws its superior virtue either from the superior wisdom of the electorate or else from some sanctity residing mysteriously in the process itself. Now if the people choose more wisely than the Governor, the fear that they will continue bad judges in office for a generation through electing them again and again sounds absurd. Or, if they do re-elect the appointed judges, the fear that these will have been bad men seems entirely groundless.

If, on the other hand, we take the position that the form of casting ballots for a man before he is installed on the bench is indispensable, the fault of the amendment is self-curtative as fast as the temporary terms expire. But, if we defeat the amendment, we continue the present Commission of Appeals, composed of six men, all of whom were appointed and not elected. And not only do we continue in office six appointed lawyers, but we continue the arrangement whereby their hands are tied and justice is slowed up in quantity and hurried in quality to the hurt of all Texas.

As an unprejudiced proposition, the question might be put thus: Can the voters of Texas, asked to choose six Justices from a mass of perhaps twelve to twenty candidates all running at one election be expected to choose better Judges than the Governor who would be free to choose from distinguished jurists who have not even applied for the place at all? It is the necessity of selecting so many at one time, and not any insidious desire to pack the court which urges appointment as means of starting off a nine-man court, Texas can afford to look at this matter in a practical manner. Defeating the amendment would throttle justice without in any way advancing the cause of "democracy" for which Mr.

Russell and his associates are fearful. Limitations formulated in the days of the Republic can no longer accommodate the tide of legal business that sweeps over our highest court. It is an emergency which confronts us. We must meet it or suffer delayed and ill-considered justice.

Baptist Church Officials Hold Splendid Meeting

The officers' and teachers' meeting of the First Baptist church Wednesday evening was exceptionally interesting and profitable.

Lunch was served to 32 by the Fideis class of which Mrs. C. R. Earnest is teacher. They are to be congratulated on the excellent meal served.

The reports showed the following: Present, 53; visits made, 325; phone calls, 66; a weekly visitation day was initiated last Tuesday, with those participating receiving a great deal of joy from the work.

After reports were made a demonstration was given of the working of an organized class by the following: George Slaton, president; W. A. Rose, first vice president; A. C. Whitaker, 2nd vice president; John W. Cobb, 3rd vice president; Clyde Bennett, treasurer; Charlie Moeser, reporter; W. C. Ashford, teacher.

Lunch will be served next Wednesday evening by the departmental secretaries.

CARD OF THANKS

We wish to take this method to extend our heartfelt thanks to the many friends who so kindly assisted or offered their assistance during the illness and death of our mother, Mrs. N. M. Anthony. May God bless and keep you, is our prayer.

Mr. and Mrs. Ben Montgomery

BROTHER OF COLORADO WOMAN HONORED

Mrs. Sam Armstrong returned last week from Seymour, where she spent her vacation with her mother, Mrs. P. G. Easley. While there the Easley family attended the commencement exercises of Baylor U. College of Dentistry at Dallas, where Mrs. Armstrong's brother, Jozach Easley, graduated. He was immediately selected as head of the dental department in Wichita Falls Clinic hospital. Dr. Easley is a dentist of the third generation and will no doubt make good in his responsible position.

Mrs. Armstrong also attended the graduating exercises of the Seymour high school, where a younger brother, Tom Easley, finished.

GIFT FOR PARK SITE FROM RUDDICK HEIRS ACCEPTED BY CITY

(Continued from Page 1)
and for their foresight in accepting this wonderful park site and for their plans to do something toward its improvement at the earliest possible date. The appreciation shown by the councilmen for the gift is shared, doubtless, by every citizen of Colorado.

In the donation of this gift to the city, the Ruddick heirs are not only giving the city the \$1,500 which the site cost, but are giving the city something that can hardly be valued in dollars and cents if it could not be secured otherwise. There is no other city in this section of West Texas so fortunately situated on a creek that affords a better park site, and there is no city which has a greater need for a park.

In the gift just accepted the city can see the pleasure, health and happiness of the citizenship concentrated. What is more desirable for the improvement of the health and happiness of the children of the city than a city park? What can do more than a park of this kind for the children, affording them a place to play, get into the open and enjoy the rugged scenes of nature? Nothing! And all of this has come to the city as a gift which, making the start as it does toward a fine park for the city, can be valued at much more than the actual cost of the land, while that item itself was an appreciable one. pfrvrmproe.

LAWYERS OF COUNTY APPROVE AMENDMENT

(Continued from Page 1)
Supreme Courts term and unless the Constitution is amended the Supreme Court must suspend work for more than three months each year.) When Texas grew great and populous, with varied and complex interests, it became impossible for three men to do the work required of the Supreme Court.

Years ago the Legislature, as a temporary relief, provided for two Commissions of Appeals with three members each to assist the Supreme Court. Thus we have nine men working on this court, drawing equal salaries. But the six men on the Commission of Appeals are only "Assistants." The Dallas News calls their

positions "Research Clerks." It requires most of the time of the three Supreme Court judges to supervise and approve the work of the other six men. They are able to render only a few original opinions each year. Therefore, we have the labor of nine men with the expense of nine men with the results of only six.

The decisions of the Commission of Appeals do not have the force or effect of law. Neither the people concerned, the lawyers nor the courts are satisfied with these decisions. The effect is that to a large extent we have no Supreme Court in Texas.

To remedy this deplorable situation the Legislature has submitted an Amendment to the State Constitution to be voted on by the people on July 16th next. It also provides for a twelve-months' term of the Supreme Court. The undersigned are in a position to know the facts above recited and the effects of the adoption of this Amendment.

We are confident of the following: (1) It will not increase expenses (we pay nine men now; we pay only nine under the new plan); (2) We will get the results of nine men's work instead of six (no increase in expenses); (3) The Supreme Court will be required to remain in session for twelve months in each year instead of less than nine; (4) We will have a real Supreme Court on which the lower courts may depend; (5) Lawyers will be in a position to know and advise the law; (6) And the people can pursue their business in confidence.

Most of the readers hereof are friends of and are willing to take counsel from some one of us. Therefore we, each of us, appeal to our friends to support this Amendment July 16th. We feel that its adoption is imperative. If we had the time and you had the time and patience, we would appeal to you in person for a favorable vote.

CENSUS COUNT MAY GIVE WEST TEXAS NEW CONGRESSMAN

Population Figures Colorado Will Show Great Increase

The census and reapportionment bill just signed by President Hoover may give West Texas two new congressmen, and may result in Colorado and Mitchell county voting in another congressional district after 1930. The reapportionment, it is believed, will provide at least two new congressional districts in this vicinity.

The present 16th Texas district, in which Mitchell county is placed, includes 38 counties running to El Paso and to the border at Del Rio. It is by far the largest district in the State.

The population of Colorado, which was placed at a low figure in 1920, will show about 300 per cent increase, according to estimates of local citizens. The rural sections of the county may not show such a large increase but a very large increase in population of the county will be recorded.

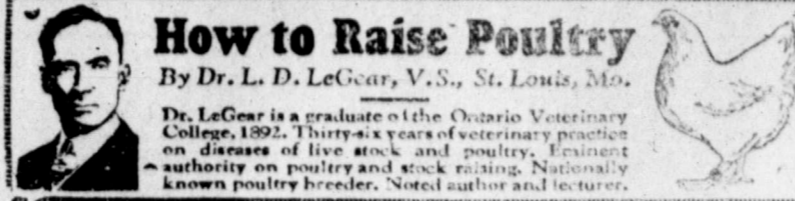

The new act has a two-fold purpose: Provision for the regular decennial count of population and the setting up of a plan for reapportionment of the House of Representatives.

tives, the first reapportionment since 1910.

The 1930 census will show a new West Texas—a revelation to one not acquainted with the rapid growth and development of this section. There are towns which the census figures will list for the first time—towns of several thousand inhabitants. McCamey, for instance, was not in existence when the last Federal count was made in 1920. Today it has a population of close to 5,000 due to the magic development of oil. Farther away, in Winkler county, the town of Wink has sprung up, mushroom-like, in the sand hills to become a city of close to 8,000 persons. There's a score of other towns in West Texas that the census report will show in 1930 for the first time.

The population of the sixteenth congressional district in 1920 was 230,577 persons and within its limits are 38 counties, including Andrews, Bandera, Brewster, Coke, Crane, Crockett, Culberson, Ector, Edwards, El Paso, Gillespie, Glasscock, Howard, Hudspeth, Irion, Jeff Davis, Kerr, Kimble, Loving, Martin, Mason, Menard, Midland, Mitchell, Pecos, Presidio, Reagan, Real, Reeves, Schleicher, Sterling, Sutton, Terrell, Tom Green, Upton, Val Verde, and Winkler.

In all possibility, according to those who are posted on the matter, three congressmen will be elected from these counties at the next election. C. B. Hudspeth of El Paso, who owns ranch interests in Crockett, Val Verde and Terrell counties, is congressman of the district at this time.

How to Raise Poultry

By Dr. L. D. LeGear, V.S., St. Louis, Mo.

Dr. LeGear is a graduate of the Colorado Veterinary College, 1922. Thirty years of veterinary practice on disease of live stock and poultry. Extensive authority on poultry and stock raising. Nationally known poultry breeder. Noted author and lecturer.

BETTER BOARD FOR BREEDERS

Proper Housing, Feeding and Care of Fowls Selected for Breeding Is of Importance. On the Way They Are Handled Depends Much of the Strength and Productiveness of Future Generations.

It seems fairly easy for most people to understand that horses, dogs, and other animals whose young are born in the same way must be in prime condition at the time of mating or the offspring are likely to be inferior. Consequently, every precaution is taken in the way of careful housing, feeding and conditioning to make sure that animals selected for breeding are in good physical condition. Particularly enough, the fact that the same care should be exercised with fowls whose young are hatched from eggs does not seem to be so generally understood. Possibly, the fact that any one egg looks so much like all others causes an instinctive deduction that such is the case. However that may be, the fact remains that the same need exists for proper care of breeding fowls as for any other form of animal life. In this article, therefore, I shall give briefly some of the most important points to be observed in the care of breeders.

As the first step working toward a stronger, more vigorous, high producing flock for the future, you will naturally select only such birds as are most likely to transmit these desirable qualities. They should be one year old or over, and of good size. You will choose only your finest specimens—birds of good form with vigor, perfect health, good individual records, and desirable ancestry. Breeders must be properly fed, housed and cared for if they are to provide eggs of sufficiently high fertility.

Not the least important consideration is proper feeding. As everyone knows, chickens can be fed certain materials in such proportions as to force a relatively high yield of eggs. This should not be done with breeders. What is wanted is quality—not quantity. During the breeding season, you want as many large, perfect, fertile hatching eggs as possible, eggs from which will come strong, vigorous chicks that will live, thrive and grow rapidly. If the breeding female is forced during the winter, she may come into the breeding season in a weakened condition so that her eggs will lack fertility and vitality.

Give breeding birds a good rest after the molt and do not force egg production during the winter. Keep them on what is practically a maintenance ration—a good laying ration, with the protein bearing foods such as meat scraps that are reduced in quantity and green foods. Rely mostly on hard grains well buried in litter so they will have to scratch for it.

As the breeding season approaches gradually go back to a laying ration by increasing from time to time the quantities of protein bearing materials which constitute a considerable part of mash feeds. Be content with a fair normal yield from breeders that are never forced and you are most likely to get eggs of high

quality for hatching. Keep plenty of water, grit, charcoal and shell before your breeders at all times.

Feed breeding birds liberally, but do not overfeed so they become fat and lazy. Keep feeding down to what you can see keeps the fowls in good physical condition and promotes normal egg yield.

As a further guard against excess

sive fat as well as to insure necessary health and vigor, give your breeders plenty of exercise. Give them runs of unrestricted range, preferably where there is some form of green feed. Such range also affords opportunity to pick up bugs, worms and similar natural food materials which require exercise to get them.

See that houses are always well ventilated, clean and sanitary. Disinfect frequently with a good Disinfectant; keep down lice, mites and disease germs. Remove droppings frequently and change litter often.

As for the type of house best suited for breeders, no special type is required. Any good house of the open front type that is weathertight

and free from drafts or dampness will serve the purpose. Allow each bird at least 5 square feet of floor space, and I would prefer 10 or more—better too much space than too little.

In extremely cold weather guard against frozen combs and wattles. Adequate feeding is one precaution as properly fed birds have greater stamina. It is also necessary in unusually cold weather to have curtains over the front opening of houses; also to drop curtains before roosts. In the case of males it is desirable to put them in separate boxes or coops covered with burlap, since their large combs and wattles are more likely to freeze than those of the hen.

Passing the Buck

A woman driver ran into an embankment and bent a fender. It worried her. She went to a garage and asked the mechanic:

"Can you fix this fender so my husband won't know it was bent?"

The mechanic looked at the bent fender and then at her, and said: "No, lady, I can't. But I tell you what I can do. I can fix it up so that in a few days you can ask your husband how he bent it."

PETERSBURG'S high school library will be left open during the summer on stated days. Magazines and books will be loaned, and as much time as desired may be spent in the reading room.

CHRYSLER MOTORS PRODUCT

Results heretofore unheard of in a Low-Priced motor car

EVERY day brings additional emphasis to the self-evident fact that the improved Plymouth is today's great example of progress in the field of low-priced cars.

Plymouth, bear in mind, is the only low-priced car with the advanced scientific advantages of Chrysler engineering.

Plymouth is the only low-priced car with the beauty and style so appealingly characteristic of Chrysler designing.

LIONS CLUB DEPLORES DELAY IN POST OFFICE IMPROVEMENT FOR CITY

(Continued from Page 1) urgently but respectfully calling the attention of the following parties to this matter:

"The Secretary of the Treasury,
"The Postmaster General,
"The Chairman of the Federal Buildings committee,
"Congressman Hudspeth of this District, and
"The two United States Senators from Texas.

"This resolution is in no sense an impeachment of the past or present efforts of our local committee representing this organization with other organizations of the city and the community at large. This committee has done all that could possibly have been done by any one and this resolution is in harmony with their wishes. But as an organization and as representative individual citizens of this community who are members of this organization, we desire to add our influence to theirs to most persistently keep this matter before the rightful authorities until we get our building."

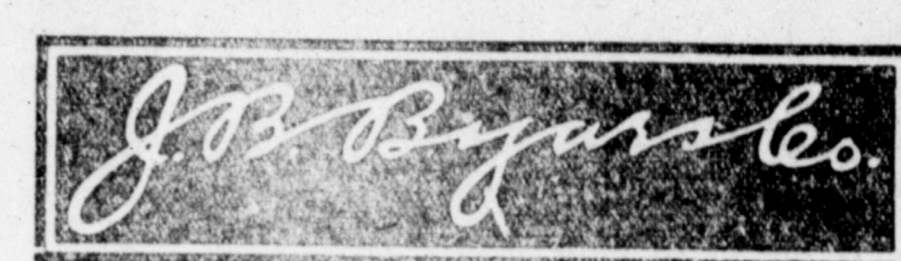

United States government authorities show that under favorable conditions with a beginning of one male and one female fly, they may increase in one season to over 50,000,000,000,000 flies. This shows the need of FLY-TOX. FLY-TOX is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Research Fellowship. Simple instructions on each bottle (blue label) for killing ALL household insects. INSIST on FLY-TOX with the perfume-like fragrance. It is safe, stainless, sure. Adv. 11

Baptist Church Notes

Sunday services were well attended, with 140 in Sunday school, 104 contributors, two additions to the church by letter.

Murry Fuquay made public surrender to the ministry and the church liberated him to preach. We are expecting a great life work for him, as he is a model young man, a good worker among the young people, has made good in the public school activities, and is entering the ministry without any stain on his character, such as handicaps most young preachers.

Circle One met Monday with G. C. Williams with five present; Circle Two met with Mrs. Dawson, with ten present; Circle Three meets Tuesday with Mrs. Herrington; Circle Five meets Wednesday with Mrs. Witt Hines.

The W. M. S. circles are giving a church carnival at the Tabernacle on Saturday night, June 29, beginning at 6 o'clock. Supper will be served. Ice cream booths and other attractions galore. The Junior B. Y. P. U. is putting on a negro dialect play en-

itled, "The Fishing Party," written by J. E. McDermott of Westbrook. A social time for all.

Next Sunday morning the Sunday school will have a special hour of visitation for all the classes.

The McDermott-Miles tabernacle meeting out four miles north of Westbrook starts next Monday night, July 1.

COMPLAINTS AGAINST VIOLATORS OF SEWER ORDINANCE ORDERED

Monday night the city council ordered the city attorney to file complaints against property owners who have not connected with the city sewer lines as directed in special notices sent out about a month ago, unless connections are made by July 8th.

Several weeks ago the council sent out notices to property owners in certain sections demanding that sewer connections be made and those who received special notice and have not connected with the sewer lines by July 8th will be prosecuted, according to order of the council.

That section of the city where sewer lines have recently been put down, is not covered by the special order, and property owners in the new section are allowed additional time to connect, it was said.

C. C. PYLE, BUNION DERBY PROMOTER, IS HAVING MUCH TROUBLE

The woes of C. C. Pyle, promoter of the bunion derby, did not end when his runners reached the coast the other day. Members of his coal show are suing him and taking their claim before the State Labor Bureau of California, and the Los Angeles city prosecutor has Pyle on the mat to explain why he has not returned the deposit of contestants. Other claims are bobbing up, it is said.

This reminds us of the demands for funds made upon Colorado by Pyle for the privilege of keeping his outfit over night. J. H. Greene, secretary of the Chamber of Commerce, turned down Pyle for a night stop here and the directors upheld his action. The recent troubles of the bunion derby promoter is giving many the opportunity to say, "I told you so," and Greene is one of these.

The Colorado Chamber of Commerce has been commended on various occasions for its stand in refusing to approve various so-called "fake" advertising schemes, and other promotions, and now this organ-

W. B. SCHLEY MAKES HIGH SALES RECORD WITH DELCO-LIGHT

PROSPEROUS CONDITIONS IN MITCHELL GIVEN AS REASON

Among selling men of the Delco-Light Company who are helping in the building of a high sales volume for the second quarter of 1929 is W. B. Schley of Colorado, according to reports from the company's general offices at Dayton, Ohio.

Mr. Schley is one of the members of the Delco-Light Foundation, an organization of picked dealers who represent the highest producing selling ability in the Delco-Light business. Delco-Light Foundation members are pledged to definite quotas of sales each quarter of the year, and they represent one of the strongest selling groups in the entire country.

Referring to his work in his territory, Mr. Schley recently wrote the factory that much of the credit for his sales goes to the progressive community in which he lives.

"In any community where there is a progressive farm population, there is a ready appreciation of the advantages of electric lights and running water," he wrote. "This is especially true in my territory where farm prosperity is high and where there is a class of rural population that is interested in everything that will contribute to farm advancement and to rural profit and comfort."

Discussing the work Delco-Light products do on the farm, Mr. Schley has written an unusually clear and concise summary of the place farm electrification is taking in rural life. He writes:

"No longer need the farm home be one of inconvenience. Modern scientific developments provide the rural home with all the up-to-date features of the ideal city residence. Smoky kerosene lamps have given way to electric lights and all the modern electrical appliances can be utilized. The farmer's wife now does her ironing with an electric iron; her laundry work is done with a modern electric washer. Running water is available, which reduces the drudgery of house work to a minimum. Heretofore this was a convenience associated only with city

zation is being complimented for not allowing the Pyle follies and foemen to collect \$1,500 from the people of Colorado for spending one night here.

homes, now it is fast becoming a standard part of the rural residence.

"In this way the Delco-Light Company is bringing added comfort and efficiency to rural life.

"Already known throughout the country as the pioneer and largest manufacturer of individual electric plants, this General Motors subsidiary has brought highly specialized knowledge and experience to the manufacture of D-L electric residence water systems. It now manufactures systems for supplying water requirements, for both the house and barns, and for use with any type of well, cistern or running stream and spring.

"Many farm homes in this vicinity equipped with individual electric plants or city current have installed D-L electric water systems recently. Since the D-L systems can be used with any type of current, they are as adaptable for homes in town as in the country and many sales are made to city dwellers."

Adrath Byrd On Honor Roll At Baylor College

Making a record seldom attained by freshman at Baylor College, Bolton, Miss Adrath Byrd, daughter of Mr. and Mrs. J. M. Byrd of Conway, was awarded a place on the honor roll for the spring term at Baylor College, was awarded a letter in hiking and other honors.

Information from the college says freshmen are rarely ever accorded a place on the honor roll and that Miss Byrd's work has been so excellent that she was given a place near the top of the list.

In order to secure a hiking letter, 100 miles is required of every student.

Miss Byrd is praised by the college as most excellent student.

Loraine Couple First To Wed Under New Law

The first marriage in Mitchell county under the three-day-notice to apply for license law, took place Sunday when Mr. Buford Claxton and Miss Lily Akins of Loraine were married here by W. S. Stoneham, justice of the peace.

Five more applications have been filed up to date at the county clerk's office.

TWO BIG SPRING BOYS DIE AS AUTO TURNS OVER

BIG SPRING, June 24.—An automobile accident last night snuffed out the lives of two Big Spring boys, James L. Prichard, Jr., 24, and Frank Hall Jones, 18, and seriously injured Denny Ivey, 16.

The roadster in which the boys were riding at 9:20 o'clock Sunday evening overturned on the Bankhead highway, two miles east of Stanton. Prichard, son of J. L. Prichard, county and district clerk here for the past 20 years, was killed instantly, his body horribly crushed. He had worn a steel body brace several years, since his back was fractured when a car he cranked crushed him against a wall.

Jones lived for 15 minutes after the crash. He died in the arms of Mrs. E. P. Mosier of Tulsa, Okla., who with Mr. Mosier and another woman were hailed by Denny Ivey, who was barely conscious. Jones neck was broken.

Young Jones, son of R. V. Jones, a Texas and Pacific engineer, was graduated from high school here this month. He was one of the greatest backfield performers in the school's football history.

Inspection of the scene of the crash indicated the car, which had just topped the hill, got into loose gravel beside the paving, whirled into the ditch, and turned end over end.

CAR ACCIDENT AT COAHOMA

J. S. McKinney of Coahoma was thrown from the car in which he was riding, two ribs were broken, and he was considerably jarred, when the car in which he was riding collided head-on with another on the Bankhead highway Tuesday night.

Mr. McKinney, with A. L. Brown of Coahoma, were on their way to Waco to get Mrs. Brown, who had been visiting there. According to Mr. McKinney, who was taken to the Sweetwater sanitarium for treatment, they were traveling at only a moderate rate, had slowed down when a westbound car swerved and struck them. The occupants of the other car were unhurt.

WATER BILL PASSES

AUSTIN, June 26.—Senator Woodward secured final passage in the senate, 28 to 2, of his water priorities bill supported by West Texas Texas Chamber of Commerce. The bill will be pushed for final action in the house this session, he said.

MITCHELL-SCURRY S. S. MEETING AT HERMLEIGH SUNDAY

JOHN W. COBB OF COLORADO ON PROGRAM FOR THE AFTERNOON

The Associational Sunday school meeting of the Mitchell-Scurry Baptist Association to be held at Hermleigh Baptist church next Sunday afternoon, beginning at 2:30, is expected to draw large attendance from over the five counties embracing the association, according to Rev. W. C. Ashford of Colorado.

John W. Cobb of Colorado will deliver the main inspirational address of the meeting. The program, as announced, follows:

- 2:30—Devotional, by J. C. Parks of Roscoe.
- 2:45—Inspirational address, by John W. Cobb, Colorado.
- 3:00—"Solving Absentee Problem" by A. A. Bullock, Snyder.
- 3:15—"The Young People's Department," by J. Q. Woodward, Roscoe.
- 3:30—Organized Class Demonstration, by group of men from the First Baptist Church of Colorado.
- 3:45—Reports.
- 4:00—Round Table Discussion of Sunday School Work, led by J. E. McDermott of Westbrook.

FORMER MERCHANT HERE RETURNS FOR VISIT

Mr. and Mrs. H. D. Beakley of San Antonio, former residents of Colorado, were here the past week visiting with friends and relatives.

They spent several days at Dunn with his parents, Mr. and Mrs. J. C. Beakley and a sister, Mrs. John Brown of Dunn. They also spent the past week-end with Mr. and Mrs. W. E. Reid of Colorado, leaving Sunday afternoon for their home in San Antonio.

Mr. and Mrs. Beakley owned and operated the Colorado Spot Cash Grocery here a few years ago, leaving here in 1924. The Spot Cash store was in the building now occupied by Pickens Market and Grocery. Beakley was treated at Dunn and served in the American army in France during the world war.

WHITEHEAD QUILTS WEST TEXAS C. O. P. C.

E. H. Whitehead, publicity manager of the West Texas Chamber of Commerce, has resigned effective July 10, to become assistant manager of the South Texas Chamber of Commerce, he announced Wednesday. He has been with the organization four years.

He has been succeeded by H. J. Adair, manager of the Oil and Gas division for the past two years.

CHURCHES

FIRST BAPTIST CHURCH

Sunday school 9:45, G. B. Slator, superintendent. There is a place of service, fellowship and blessing for you in our Sunday school if you are not now affiliated with some Sunday school in our town. We extend you a cordial invitation to visit the First Baptist Sunday school.

Morning hour of worship, 10:50. Subject, "The Prayer Life of Jesus as Man." Luke paints for this attractive and helpful picture of our Christ.

Evening service 8:15. Theme, "The Wedding Garment." The time of June brides has been evident on every hand. Perhaps long hours and much painstaking care has been put into the making of the bride's trousseau.

seau. Meet with us Sunday evening and study the above subject.

There will be a baptismal service following the evening hour of worship.

B. Y. P.-U.'s meet at 7 o'clock. As a young Christian, how much of time; of thought; of real effort are you investing in the training service of the church? A service of such vital and far-reaching importance in your life now and for the future. Visitors in our city are always welcomed to all our services.

WILLIAM C. ASHFORD, Pastor.

METHODIST CHURCH

All regular services Sunday.

Morning and evening worship at 11 and 8:30, respectively. Themes for these hours: "The Duty of Acknowledgment," and "The Universal Elements of the Gospel."

Sunday school at 9:45 a. m., A. Dorn, superintendent. Epworth League at 7:30 p. m. All

officers elected for another year are expected to be present and be installed.

A welcome is extended to all who desire to attend.

W. C. HINDS, Pastor.

FIRST CHRISTIAN CHURCH

Bible school 9:45 a. m., W. W. Porter, superintendent.

Preaching services at 11 a. m., and 8:30 p. m. Subject of morning sermon, "Lovest Thou Me More Than These?" Evening theme, "Sowing to the Wind and Reaping a Whirlwind." Dr. C. L. Root will sing at the morning hour and Mrs. Berryhill at the evening hour.

The evening service will be the last Sunday night service for the summer. Union services are being planned for the Sunday evenings of July and August.

A. E. EWELL, Pastor.

PRESBYTERIAN CHURCH

Bible school at 9:45 a. m., J. M. Thomas, superintendent.

Worship and sermon at 11 a. m. and 8:30 p. m.

Your pew will not be occupied unless you come, and remember an empty pew has no life in it, and no inspiration either. Come and give it both. It helps all concerned.

Your pastor, W. M. ELLIOTT.

CHURCH OF CHRIST

Lordsday Bible school at church building.

Preaching and communion at the City Tabernacle, 11-12 a. m.

Young People's meeting at church building, 7 p. m.

Evening Gospel service 8:30, at the city tabernacle.

Ladies' Bible class Monday at 3 p. m.

And the meeting will go right on in the city tabernacle.

J. D. HARVEY, Minister.

BAPTIST BUSINESS MEN HAVE BARBECUE PICNIC

An unusually entertaining barbecue picnic was held by the Young Business Men's Bible class of the Baptist Sunday school Tuesday evening in Ruddick Park. The families and friends of the class members were guests, and about 95 attended.

The picnic was the termination of a bean-soup attendance contest staged by the class. As a result of the contest the attendance grew from 20 to 60. Joe Smoot is president of the class.

Rev. W. C. Ashford and John W.

Yo-Yo Fad Still Grows Here; Elwood Beall Makes a Record

A breathless voice over the Record phone last Friday, giving the information that Elwood Beall had "just yo-yo-ed 3500 times," proved that this diversion is still waxing greater in Colorado and that its devotees here are getting more skillful.

Coloradans who spent the greater part of their time practicing manipulation of this simple appearing device will be interested to learn that barefooted Tagalog tribesmen in the Philippine Islands, 2,000 miles across the Pacific, have known and used for hundreds of years the yo-yo, the craze for which has recently struck the United States, according to William K. St. Claire, manager of the Pillsbury Flour Mills company of Minneapolis and in charge of the activities of the concern in the Southwest.

"This imported toy, thought by many to be a recent invention, proves the old saying that there is nothing new under the sun," Mr. St. Claire said. "The present craze for yo-yo's is not to be wondered at, as the fascination of this old toy is irresistible, and the marvel to me is not that the rage is spreading so rapidly, but that it has taken so long for the ancient toy to make its appearance in our country."

Mr. St. Claire is the son of an American army officer and spent a number of years in the Philippine Islands. He traveled extensively and lived for a number of years in the Orient. He recalled seeing and using yo-yo's in Manila, capital city of the island possessions, 15 years ago.

"The yo-yo originated in the Philippine Islands, the simple toy of the children of the Tagalo tribes, one of the numerous divisions of the Malay race comprising the population of the archipelago," Mr. St. Claire said. "At first crudely carved with rude shell knives from softer woods and spun from native hemp, they have gradually been improved until now in the land of their origin they are in many instances works of art, turned from

marvelously polished hardwoods and often inlaid with other woods, sometimes with gold and silver.

"One thing about the yo-yo that is modern, however," concluded Mr. St. Claire, "is the Americanization of its name. The actual pronunciation for yo-yo is 'yo-yo,' with the accent on the second syllable."

Five marriage applications have been filed to date.

PALACE

Thursday-Friday, June 27 and 28
"BROADWAY MELODY"
All-Talking, Singing and Dancing. One of the most popular talking pictures yet shown. Ask those who have seen. Starring Bessie Love, Alice White and many stage stars. Also a good comedy.
25c and 50c

Saturday, One Day June 29
"ROUGH RIDIN' RED"
With Buzz Barton, the Kid Cowboy. A good comedy and Singing act.

Monday, Tuesday, Wednesday July 1, 2 and 3
"THE RAINBOW MAN"
100 per cent All-Talking and Singing. This is the best talking and singing picture since "Singing Fool." Its showing at the Palace in Dallas this week. Read the criticisms in the Dallas papers. This picture is absolutely one of the best and the most gripping pictures we have ever shown. Eddie Dowling of Broadway and little Frankie Darrow, who almost stars the picture are among the stars. If you never see another movie, see this one. We have made a special effort to show this picture before Sweetwater and Big Spring in order to keep our patrons at home and truly hope you will come to see it and enjoy it.
25c and 50c

Don't forget July 4, 5 and 6 is the date for the home talent MOVIE, which was made last week. Every one will want to see it, for most everyone is in it. It's a scream!

RITZ

Friday, Saturday, June 28 and 29
"THE WINGED HORSEMAN"
With Hoot Gibson. This is the first Gibson we have had in some time and we hope you will enjoy it. Also a good comedy and the serial.

Monday, Tuesday, July 1 and 2
"THE DRAG NET"
A big Paramount special starring George Bancroft. Here's a picture you will all want to see. No raise in prices. Don't miss this treat. Also a good comedy.

WEDNESDAY, THURSDAY
"THE BIG KILLING"
Another Paramount starring Geo. K. Arthur and Carl Dane. Comedy "Fast Loose Winners."

J. H. COOPER AND FAMILY VISIT MEXICO

J. H. Cooper and family left on Thursday morning for Seneca, New Mexico, to visit a daughter, Mrs. Minor Goode and family. They will visit the mountains of that section and may go into the State of Colorado before returning. They will be absent from Colorado about two months.

Miss Edwina McDaniel of Dallas is visiting her aunt, Mrs. A. L. Whippley.

Mr. Reeder Died In Loraine Early Thursday Morning

Word was received in Colorado this morning (Thursday) of the death in Loraine about 4 o'clock of C. B. Reeder, father of Mrs. J. A. Pickens, Mrs. Byron Dorn and Mrs. Hall DeGarmo of Colorado.

Mr. Reeder, one of the pioneers of Loraine, had been in ill health for some time. Funeral services are being held this afternoon (Thursday).

C. H. EARNEST HOME BEING MODERNIZED

Workmen are busily engaged in remodeling the C. H. Earnest home, on corner Third and Hickory, with Fred Strong, local contractor, in charge of the work.

W. W. Whippley, architect, said Wednesday the property would be completely overhauled, three new rooms added, two bath rooms added, hardwood floors put down throughout and this already splendid residence would be modernized to the last degree. The work will cost near \$7,000, Whippley indicated.

The Earnest home has long been considered one of the best in Colorado. Occupying a commanding position on the hill, with a splendid view to the south and east, it is one of the most desirable and attractive in Colorado.

rites Held Sunday FOR LOCKNEY NFANT

Funeral services were held Sunday afternoon for the infant daughter of Mr. and Mrs. J. D. Lockaby. The infant lived only about two days, having been born on June 21. Interment was in the I. O. O. F. cemetery.

Office supplies at the Record

Public Urged To Attend Luncheon Club Next Tues.

Citizens throughout Mitchell county who are interested in development of the county and who would like to hear discussions about community affairs, are urged to attend the Colorado Luncheon club meeting next Tuesday noon.

J. H. Greene says every farmer and business man in the county who would like to better his business and learn something of the needs of the community should make reservation for the luncheon and be on hand.

The Luncheon club is endeavoring to create a spirit of community building and cooperation and is meeting with great success along this line. Farmers and business men who attend regularly are enthusiastic, and they are urged to bring a guest or to solicit a neighbor to come to the meeting next Tuesday noon.

Discussion of the County Fair will probably be continued next Tuesday and every community in the county should be represented. Greene urges farmers and others not to wait to be invited—but come of their own initiative.

MAJOR W. M. GREEN AND OTHERS LEAVE TUESDAY FOR EX-RANGERS MEET

Colorado Well Represented At Gathering in San Saba Next Week

Major W. M. Green, life-time head of the Texas Ex-Rangers Association, accompanied by several other Coloradans, will leave Tuesday for San Saba to attend the annual convention of that association there Wednesday, Thursday and Friday.

Accompanying Major Green will be Mrs. Green, Miss Ruby Green, secretary of the association; Mrs. Burt Smith; Judge and Mrs. C. C. Thompson; Mr. and Mrs. D. N. Arnett; Mr. and Mrs. U. D. Wulfsen.

Arrangements for the entertainment of the association, which met in Colorado last year, have been made by the San Saba County Old Settlers Association, in cooperation with the American Legion post in San Commerce.

The ex-rangers will be the special guests of the American Legion July 4, when a barbecue will be served and a large program of entertainment will be carried out, including music by the Old Gray Mare Band of Brownwood. The barbecue will be held at Legion Park, one mile east from town. The Old Settlers' camp ground at the San Saba Fair Park will be headquarters for the rangers, and here every provision for their comfort will be made.

Miss Ruby Green of Colorado is secretary-treasurer of the ranger organization. W. M. Green is major; W. W. Lewis, captain; J. M. Renick, first lieutenant; W. H. Hale, second lieutenant; C. M. Grady, adjutant; L. T. Arnold, chaplain; T. W. Clark, color bearer.

The following partial program has been announced: July 3—At 9 a. m. registration, roll call and invocation; music; address of welcome, Judge R. E. Gray; response; readings; announcements. At 12:30 p. m. dinner will be served. At 3 o'clock an automobile drive over the city and a watermelon feast. Supper will be served at 6:30 and at 8 o'clock there will be a sing-song and fiddling.

July 4—The morning program will be turned over to the American Legion. At 12:30 dinner and reminiscences and fiddling will occupy the afternoon. There will be fiddling, readings, a pageant and other entertainment features for the second day. Election of officers and selection of next place of meeting will be features of the third day's program.

Coloradoan Says Rabbit Raising Has Future Here

Raising domestic rabbits on a commercial scale is destined to become a profitable industry in Texas, says R. M. Hardison of Colorado. Several months ago Mr. Hardison purchased three Chinchilla rabbits for \$41 and from the first litters he kept a pair and sold the remainder for \$45.

He has also purchased six New Zealand White Rabbits and has placed an order for ten more does of the Chinchilla variety. The meat of the domestic rabbits which are raised in hutch is said to be superior to chicken, and reports from Sweetwater say it is impossible to supply the demand for rabbit meat at the present time. Visitors to California say that Los Angeles alone uses 35,000 dressed rabbits each week.

The pelts from the rabbits, especially the Chinchillas, are very much in demand for making fur coats, and hundreds of thousands of pelts are imported each year into the United States.

U. G. Hardison, Clyde Smith and Walter Doss are also raising Chinchilla rabbits.

One of Youngest Club Boys Makes Very High Record

It has often been said that the older boys in 4-H Club work usually make the best records, but this does not hold true in Mitchell county, for the smallest club boy in the county raised the second best pig and ran a fairly close second to the State champion pig raised by Garvice Craghead.

This young man, who is ten years old and weighs all of sixty pounds, is Joe Leonard Blackard, son of Mrs. R. L. Blackard of Buford, and the second best pig is a Big Type Poland China that weighed 330 pounds last week when it was six months old. Joe Leonard's record is especially interesting since he used only five pounds of bought feed in making this record and that was cottonseed meal which should be considered home-grown since it is possible to trade cottonseed for meal at the mill. The remainder of the pig's feed consisted of ground maize with the chaff floated out and skim milk. The pig consumed 214 gallons of milk and 985 pounds of ground maize, which is valued at \$14. The cost of the pig and labor makes the total cost amount to \$21. The pig was sold for \$30, leaving \$9 net profit.

COLORADO GIRL AND LITTLEFIELD MAN MARRIED SATURDAY

Miss Lola Muri Johnson Bride In Quiet Wedding Here

Miss Lola Muri Johnson, well-known young lady of Colorado, and Mr. Max Brown Adams, young lumberman of Littlefield, were married in a quiet ceremony at the home of the bride's parents here at 5:30 Saturday afternoon.

The ring ceremony was simply and briefly said by Rev. W. M. Elliott, pastor of the Presbyterian church, in the presence of only the family of the bride and Mr. and Mrs. Bob Fee. The bride wore a blue and white georgette ensemble, with a corsage of gladioli and sweetheart roses. The home was decorated with shasta daisies.

Following the ceremony, Mr. and Mrs. Bob Fee tendered the bride and groom a wedding supper at their home, which was decorated in gladioli.

Mrs. Adams is the daughter of Mr. and Mrs. Thos. W. Johnson, who have made their home in Colorado for the past four years. She is a graduate of Colorado High School, and one of the town's most accomplished readers. It was during the West Texas Lumbermen's Convention here last November that she and Mr. Adams first met, following her appearance in a reading on the program of the convention.

Mr. Adams is a graduate of Oklahoma University and at present is connected with a lumber company at Littlefield.

Mr. and Mrs. Adams left Saturday night for Fort Worth, Dallas, Ardmore, Okla., and other points. After their honeymoon trip they will be at home in Littlefield, Texas.

HYMAN FARMER TRIES CROP SPACING METHOD

Carl Lowery of Hyman is making a test of the spacing of maize in cooperation with the county agent this year. Part of his field has every row planted, while another portion has every third row left blank. The two plots will be weighed this fall to determine which spacing will give the greatest yield.

Mr. Lowery is also testing half and half cotton with a good variety of staple cotton to compare the profits of the two kinds of seed. His son, M. C. Lowery, in his 4-H Club work is comparing the yield of Paris Big Boll cotton with gin-run seed of similar staple.

Coloradoans Make Various Plans To Celebrate Fourth

Selection of their manner of celebrating the Fourth is being made by Coloradans these days from among a number of diversions offered in this section in observation of that day.

The all-day program and barbecue to be given on that day at the H. S. Ranch will probably claim most Mitchell county inhabitants. E. Barber is in charge of arrangements for the program, which will include a rodeo, baseball, a general picnic, and a comedy-drama in three acts, written by A. R. Northcutt and played by young people of the Spade community.

Many Coloradans plan to attend the races in Abilene, the mammoth Fourth celebration in Midland, or to take advantage of excursion rates to El Paso.

All stores in Colorado will close for the day. The Record will be put out on Wednesday afternoon, and Colorado will likely wear its usual deserted look on the Glorious Fourth.

Mitchell County Farmers Try Crop Spacing This Year

Wiley Walker, W. J. Manly, and Virgil Walker are carrying on crop spacing demonstrations with maize, in which skip-row planting will be compared with solid planting.

About twenty other men are making similar tests in cooperation with the county agent. These men are Emmett Blasingame, Harry Cranfill, Joe Church, J. H. Greene, W. A. Hallman, L. C. Hinton, Jim Hestand, A. J. Hooks, Herman Gist, J. F. Bodine, E. B. Hale, H. L. Baker, A. R. Northcutt, J. H. Glass, I. K. Galey, Carl Lowery.

Bob Scott Buys Registered Bulls For Local Ranch

Bob Scott has purchased five registered Hereford yearling bulls from the Byrd ranch at Robert Lee and will move them to his ranch at Hyman this week. These animals are highly bred and are from the Byrd's show stock which will be exhibited at the stock shows this fall and winter. One of the yearlings is ten months old and weighs 950 pounds.

Mr. Scott has a number of fine Hereford heifers, ten of which are subject to registration.

FRIDAY WAS LONGEST DAY OF THE YEAR

The interval required Friday for the sun to traverse its accustomed path across the heavens was the greater than for any other day of the year.

June 21, besides being the longest day of the year, is designated according to astronomical calculations as being the opening day of summer.

On the following day, known as the summer solstice, the sun reaches the limit of its journey from the equator, and apparently stands still in its northward and southward movement.

PLANNING FOR REVIVAL AT CHINA GROVE SOON

Plans are being made for a revival to be held at China Grove beginning on the Friday before the third Sunday in July. Rev. A. Harding of Abilene is to do the preaching.

Mr. and Mrs. Compton Pritchett are vacationing in Ruidosa, New Mex.

LEES HOME FROM EL PASO

Mr. and Mrs. J. Ralph Lee and little daughter returned Sunday from El Paso, Clouderoft, and Roswell, N. M., where they spent the past week. They visited Mrs. Lee's sister, Miss Kate Biggerstaff, in El Paso. Mrs. E. L. Biggerstaff, mother of Mrs. Lee, returned to Colorado with them. Leaving El Paso on the return trip, they visited Clouderoft, N. M. in the mountains, and returned via Roswell and the South Plains.

SCOTT'S GO TO PHOENIX

Mr. and Mrs. B. W. Scott left on Tuesday morning for Phoenix, Arizona, for a visit with Mr. Scott's sister, Mrs. Roy Smith and family. They will visit the Grand Canyon enroute, in addition to other places of interest in New Mexico and Arizona, and may return by a northern route, which will carry them into the State of Colorado. They expect to be gone about two weeks.

MISS DALE HALL AND MR. A. L. GEER MARRIED IN SIMPLE CEREMONY

Beautiful Wedding Held Friday on Lawn of Hall Home in Loraine

In a simple and beautiful ceremony at the home of the bride's parents in Loraine, Miss Dale Hall, formerly of Colorado, and Mr. A. L. (Buck) Geer of Sweetwater were married Friday evening at sundown. The marriage united two prominent families of this section.

Guests were relatives of the two families and a few close friends. These were seated on the spacious lawn at the Hall home, and the ceremony took place on the porch, which was banked in fern and flowers. The altar at the edge of the porch was marked by an arch of fern, flowers being banked on the balustrade.

Just at sundown, when the sky was at its loveliest and a full moon was rising in the east, Rev. N. E. McGuire, pastor of the Baptist church at Loraine, took his place to perform the ceremony.

Mrs. Kirk Taylor, at the piano, gave a beautiful interpretation of Lohengrin's Wedding March. Miss Willie Fae Hall, sister of the bride, came on the porch first. She wore a deep pink georgette dress of simple lines with picture hat of the same shade, and carried an arm bouquet of pink rosebuds.

The bride entered on the arm of her father, Judge J. C. Hall. Her dress was bluish pink georgette, with a large cape collar, no sleeves, and a skirt of three wide ruffles, which drooped gracefully in the back. Her picture hat was pale orchid and her arm bouquet was of pink rosebuds.

The groom came upon the porch from a side door, accompanied by his brother, John Geer.

When the ceremony had been said, and congratulations had been offered, the bride cut the first piece of the wedding cake, while Miss Jewell Collier and Miss Abie Kennison served punch to the guests. Miss Ruth Simms of Chillicothe finished the cutting of the cake while the bride made ready to go away.

Mrs. Geer's going-away costume was in lavender and orchid, consisting of a soft lavender hat, a light coat, and a smocked dress in Russian design embroidered on lavender voile. Her slippers and gloves were light cream.

On their wedding trip Mr. and Mrs. Geer visited Tyler and Waco and other points, returning Monday to Sweetwater, where they will make their home.

The bride is the oldest daughter of Judge and Mrs. J. C. Hall of Loraine, former residents of Colorado. Judge Hall was county judge of Mitchell county three terms and represented this district in the State House of Representatives two years ago. At present he is active vice-president of the First State Bank in Loraine.

Mrs. Geer was reared in Colorado, moving from here to Loraine about a year ago with her parents. She is a graduate of Colorado High School, and this past year completed work for a degree in Simmons University, Abilene.

Mr. Geer is the son of Mr. and Mrs. L. J. Geer of Sweetwater. He holds a position with the Texas Electric Service Co. in this district. L. J. Geer, his father, is general manager of the Texas Electric Service Co. in this district. The groom was reared in Sweetwater, but is well known in Colorado.

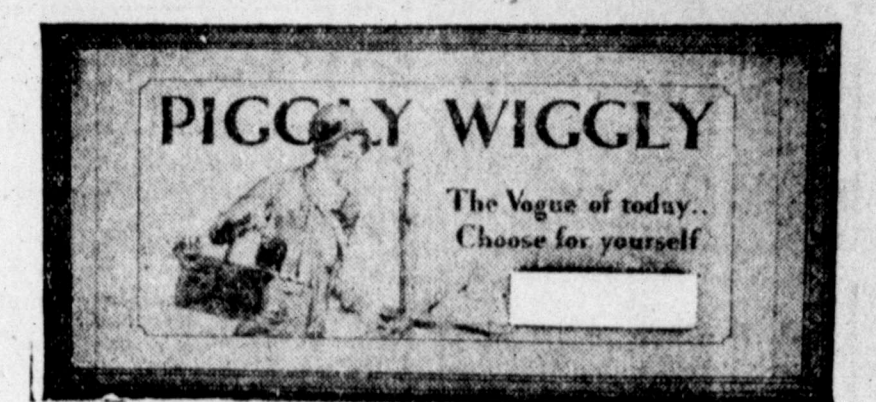

Guests who attended the ceremony Friday evening were: Mr. and Mrs. W. A. Kinnison, Mr. and Mrs. W. O. Kinnison, Misses Lois and Abie Kinnison, Mr. and Mrs. Roy Edwards, Rev. and Mrs. N. E. McGuire, and Mr. and Mrs. Kirk Taylor, all of Loraine; Mrs. L. J. Geer and Ellis Douthitt of Sweetwater; Mr. and Mrs. A. L. McSpadden, Mr. M. W. Barrett, and Miss Jewel Collier, all of Colorado; Miss Ruth Simms of Chillicothe.

RETURNS FROM VACATION

Mr. and Mrs. H. F. Ward returned Sunday from a two-weeks vacation spent in Oklahoma and Arkansas. Most of the time was spent in Eureka Springs, from which place they visited many interesting places in the beautiful Ozark mountains. Mr. Ward, who is a druggist for W. L. Doss drug store, says he enjoyed every minute of his stay and reports an abundance of fish in the Arkansas streams.

Mr. and Mrs. Bill Simpson are leaving Thursday for their new home in Midland. Their many friends here regret to have them leave. Mrs. Simpson has made a place for herself in the club and church life of the town—a place that will not easily be filled.

VACATIONING ON THE GULF—Greene left Monday for Corpus Mr. and Mrs. Jas. T. Johnson, Mrs. Christi and other points on the Gulf coast. They will spend several weeks vacationing there.

HARVEY AND NORTON WILL HOLD SERVICES AT VINCENT IN JULY

J. D. Harvey, minister of the Church of Christ, and Ted Norton, singer and special worker, will begin a series of rival services at Vincent July 8 to continue through July 18, under auspices of the Church of Christ at that place. Services will be held twice daily.

J. D. Harvey is rated as one of the most able ministers in the Church of Christ and his services are much

sought after for revival campaigns. He has conducted gospel meetings throughout the State and has had wonderful success and his going to Vincent for a series of services is being heralded by the citizenship of that community.

LOVERS OF FICTION PLEASED WITH MIDSUMMER ADDITIONS TO COLORADO PUBLIC LIBRARY

Lovers of fiction in Colorado will be pleased with the several new books which have been placed on shelves of the Colorado public library for midsommer reading by Mrs. Boyd Dozier, librarian.

Books by well-known authors make up the greater number of these, and several of them are books which have been made into popular photoplays.

A list of the new books follows: "Alimony," by Faith Baldwin; "The Gate Marked Private," Ethel M. Dell; "The Rescue," Joseph Conrad; "Tangled Trails," Wm. MacLeod Raine; "The Key Above the Door,"

Maurice Walsh; "On Trial," Elmer L. Rice; "Doomsday," Warwick Deeping; "This Day's Madness," anonymous; "The Jazz Singer," Arline De Haas; "Wildfire," Zane Grey; "The Gaucho," Eustace Hale Ball; "Keeper of the Bees," Gene Stratton Porter; "Elope If You Must," E. J. Rath; "London After Midnight," Marie Coolidge Rask; "Ann's An Idiot," by Pamela Wynne; "The Son of the House," Anthony Pryde; "The Dear Pretender," Alice Ross Colver; "Radio Boys Under the Sea," and "Radio Boys in Darkest Africa," J. W. Duffield; "Barren Ground," Ellen Glasgow.

MITCHELL COUNTY INCLUDED IN NEW FISH SEINING LAW

Fish and Game Laws Recently Passed Are Explained By Warden

Mitchell county is included in the new fish seining law, which became effective June 15, according to W. T. St. John of Abilene, district game warden, who was in Colorado Saturday.

This new seining law was passed by the 41st regular session of the legislature. It is a bill making it lawful to catch suckers, buffalo, carp, shad and gar any time with a seine or net of not less than four-inch mesh in the following named counties: Burnet, Williamson, Lampasas, Dimmitt, Zavilla, Medina, Uvalde, Brown, Hamilton, DeWitt, Coryell, Gonzales, Lavaca, Bell, Collin, Grayson, Cook, Denton, Jefferson, Orange, Mitchell, Fisher, Nolan, Chambers, Travis, Hardin, and Fannin, provided that the owner of the one in possession of the seine make a report under oath to the game, fish and oyster commission within five days after such seining, giving names of each and every person and party and showing that all species of fish other than the above named were immediately returned to the waters from which they were caught.

Other new laws affecting game

and fish taking effect which might be of interest to local citizens, are:

Use of Trot Lines

Prohibiting the use of trot lines, and prohibiting the use of throw lines or set lines equipped with more than two hooks in San Saba, McCulloch, Gillespie, Blanco, Kendall, Kerr, Mason, Llano and Kimble counties. Making it unlawful to have in possession any bass less than 11 inches, crappie and white perch less than 7 inches, or any catfish less than 9 inches in any of the above mentioned counties. Repealing all laws in conflict.

Black-Tail Deer Season

A bill providing an open season on black-tail deer west of the Pecos river from the 16th day to the 30th day of November, inclusive, of each year and providing a bag limit of one pronged horn buck deer during this open season.

Open Season for Squirrels

A bill providing an open season on squirrels in both north and south zones for the months of May, June, July, October, November and December of each year. This includes all counties in the vicinity of Mitchell and Southwest Texas. The bill also provides open season the year round in the counties of DeWitt, Caldwell, Guadalupe, San Saba, Mason, Fort Bend, Gillespie, Llano, Kimble, Menard, Comal, McCulloch, Brown, Kerr, Burnet, Schleicher, Edwards, Gonzales, Austin, Real, Kendall, Victoria, Medina, Uvalde, Jackson, Wharton, Bandera, Lavaca, Fayette, Colorado, Callahan, Stephens, Travis, Eastland, Bastrop, Dimmitt, Zavala, Blanco, Lampasas, Hamilton, Coryell, Matagorda, Brazoria, Washington, Throckmorton, Karnes, Wilson, Comanche, Hays, Goliad, Erath, Bosque, Hill, Waller, Tarrant, Wise, Cooke and Montague.

Dove Laws Changed

Mitchell county is in the north zone in which doves may be killed during the months of September and October. In the south zone doves may be killed only during October and November, except in most of the Southwest Texas counties south of the Orient railway doves can only be killed from December 1 to January 16. This puts the south zone season on doves the same as on quail.

OIL TESTS IN SCURRY COUNTY ARE ANNOUNCED

SNYDER, June 25.—Announcement was made here by the Camp Springs Oil and Gas Company that it is sinking a new well south of the old Camp Springs test. The old well, after months and months of fishing for tools with no success, has at last been abandoned. Oil was discovered in the old well, but it is thought the new location will catch the same deposits as were encountered at the old well. The John R. Truss No. 1, south of Fluvanna, and the J. Wright Moor test, northwest of Snyder, will get under way within the next two weeks.

A test six miles east of Gail is to be made by the Wirt-Franklin Petroleum Company of Ardmore, Oklahoma. W. H. Gant holds the drilling contract, which calls for a depth of 4,000 feet.

NOTICE TO PUBLIC

I have opened a plumbing shop at 502 Oak street, and am prepared to do all kinds of Plumbing, either gas or water. Prices reasonable and work will be strictly guaranteed.

HAS NEVER SEEN EQUAL OF SARGON, SAYS NEWBY

"I believe I had, about the worst case of stomach trouble in Texas, but after taking two bottles of Sargon and one bottle of Sargon Soft Mass Pills, I am in the very pink of condition."

W. H. NEWBY

"Right after every meal I would have sour stomach. I suffered day and night. I was at dinner one day and a sharp pain hit me right under my liver and extended through to the pit of my stomach and almost knocked me out. I was dizzy for hours afterwards and the pain just stayed in my side.

"My kidneys were acting so freely I had to be up four or five times every night. Loss of sleep made me weak and nervous and my whole system was badly run down. My liver was out of order, I was badly constipated, and was continually taking laxatives.

"Since taking the wonderful Sargon treatment my only trouble is to keep from eating too much, and I never have a sign of indigestion. All the pain is gone from my side, my nerves are in fine shape, and I sleep fine. I'm no longer constipated. Sargon Soft Mass Pills certainly are wonderful for they do their work thoroughly without griping like other laxatives.

"I have read a lot about Sargon, but I never had the slightest idea I would get such remarkable results from it in so short a time."

The above statement was made by W. H. Newby, well known resident of Dallas. He owns the Live and Let Live Barber Shop at 3906-A Holmes Street.

Sargon may be obtained in Colorado from Colorado Drug Co., and in Westbrook from Margaret Lasseter, and in Loraine from Hutchinson and Hall. Adv.11

WEST TEXAS STOCKMAN, ANOTHER OLD NEWSPAPER, FILLED WITH RANCHING NAMES AND ACTIVITIES

Jumping from 1897 to November 6, 1900, the second old Mitchell county paper on file at the Record office is a copy of the West Texas Stockman, a sheet devoted to the ranching interests in this section during the latter part of the nineties and the early years of this century. Directors of this publication were A. B. Robertson, Hec A. McEachin, H. B. Smoot, Charles M. Adams, and J. M. Patterson. McEachin was managing editor. The front page of the paper is headed by "On the Range," and is made up of ranching notes from Fisher county, Devil's River country,

Brennand, Charles Haughton, F. G. Oxheer, Wm. Weir, Sam Davidson, W. J. Adams, J. N. Webb, Will Lewis, T. S. Bugbee, W. H. Norris, Dick Walsh, Geo. G. Gray, A. F. Crowley, Lee Breckenridge, W. D. Donnell, S. E. Townsend, Major Thomas Boman, Geo. D. Elliott.

Several articles on the death by apoplexy of R. L. Barnett were in the publication. Barnett was employed in Fort Worth as correspondent for the West Texas Stockman, and died suddenly in the lobby of the Grand Hotel there.

All the paper is devoted to articles of interest to ranchers. There are stories on quarantines, cattle-men's celebrations in Kansas City, and San Angelo, land leases, range conditions. Every page carries several advertisements of Colorado business firms.

Local livestock news is given in three columns on one of the inside pages. Some of the notes are:

"J. D. Earnest has moved a bunch of 500 head of steers to the LT Ranch in Borden county for winter pasturage.

"Dr. W. K. Lewis, local quarantine inspector, was called to Sweetwater

H. BLAIR SMITH, Treasurer.

the line. "Will N. Waddell has returned from his trip to Kansas City, and says the livestock show recently held there was the biggest thing the world has ever known.

"Fred McKenzie, the well-known short-horn breeder, has a card in this issue advertising the famous Sandhurst Short-horns.

"W. R. Harris was here a few days ago from Borden county, looking for some good offerings in cattle.

"Tom Trammell received a bunch of fine Hereford bulls and cows here a few days ago, and they were driven to his ranch in Borden county.

"Sam C. Arnett came in Saturday from the Randerbrook ranch, and says the fall branding is now in progress down there. He says they will brand 3500 calves on the ranch this season.

"R. P. Robertson has gone to Odessa to look after his extensive ranch interests in that section. Dick is advertising a bargain in the way of a nice home for sale out in the suburbs of the town.

"J. S. McCall has gone out to his Fisher county ranch to spend a short time, Mrs. McCall accompanying him.

"Sam C. Wilkes has returned from a trip to his ranch in Garza county, where he finished up his fall branding, and reports his cattle in fine shape for the winter.

"W. T. Scott came in from Fort Worth Friday morning and will spend a few days out in this section looking over his extensive ranch interests.

"Green Igo is said to be in the market for 2000 yearling steers, and has gone out to look at several bunches since his arrival here. It is understood that our local stockmen are holding their steers at about \$14.

"Col. H. Wright was in town yesterday from the Iatan country, and gives a glowing account of conditions out in that section. He says that stockmen out there have provided an abundance of feed for the winter and that cattle are in prime condition.

"Lewis & Johnson have purchased 157 head of fine Hereford and short-horn bulls from the well-known herd of Gus O'Keefe, and have put the animals on feed at their pens in this city.

"A. B. Robertson has returned from Hereford, where he went to superintend the shipment of 800 head of cattle to market."

Many Ranches

One page is nearly filled with the stock brands of the various ranches in this section. These are some of those having a picture of their brand run in the Stockman: W. W. Barron, Roby; T. T. Polk, Gail; J. C. Powell, Fort Davis; D. H. McNairy, Colorado; A. B. Robertson, Colorado; Richard Riggs, Pecos; McCall & Lee, Colorado; R. B. Pyron, Scurry county; Serogins & Brown, Clairmont; W. C. Robertson, Colorado; Tahoka Cattle Co.; N. N. Rogers, Clairmont; John W. Glover, Colorado; Charles M. Mann, Snyder; B. M. Jones, of Sweetwater; J. B. Foster, Sterling City; Bee Van Tysl, Colorado; C. A. O'Keefe, Colorado; Newman & Trammell, Sweetwater; J. P. Robertson, Colorado; Hudson & Schultz, Emma; Sam C. Wilkes, Colorado; Jeff Justice, Snyder; M. V. Brownfield, of Sweetwater; Tom Powers, Colorado; E. C. Good, Robert Lee; S. D. Simms, Clairmont; Bush & Tillar, Colorado; Llano Livestock Co.; Q. D. Hall, Colorado; J. P. Trammell, Sweetwater; Rush Rector, Roby; John R. Lewis, Sweetwater; F. M. Long, Sweetwater; J. M. and W. L. Foster, ranch in Howard and Mitchell counties; A. P. Large, Fisher; J. P. Brown, Maverick; W. A. Black, Colorado.

The last page in the old paper contains the following local notes:

"Charlie Coppington was in last week from the ranch.

"Mrs. M. J. Townsend has purchased the Thos. McDowell place.

"We are to get the election returns tonight on Adams & Hills wall.

"Mrs. Filler was thrown from her buggy Saturday afternoon and had an arm broken.

"Messrs. Knott & Ruddick have put Church street in fine order, and are now ready for another street.

"Mr. Don H. Biggers goes to Fort Worth to succeed the late R. L. Barnett as representative of The Stockman.

"Rowdy Joe," the property of Ben Plaster, was captured by the polo pony buyers for the snug sum of two hundred dollars.

"Mrs. Lewis Waddell died Saturday afternoon.

"The young people engaged in a very pleasant and agreeable party on Wednesday night at the residence of Mr. M. Carter.

"The latest news from the Weatherford College is that Pool Earnest, who was severely hurt in a personal difficulty with John Glover, will be out in a few days. It was a schoolboy right.

"The young man, Lee Helton, who swallowed 110 grains of arsenic on Wednesday night, died at the St. James Hotel Thursday afternoon. It is believed by many that the young man's mind was unbalanced.

"Perhaps it would be best not to yell too soon tonight. The stereopticon shades and lights may not hold out until all the returns come in. We want Bryan but we may not get him. Be quiet as possible and hold your

with a red mustache, has purchased the other Colorado paper.

"D. H. McNairy was pretty badly hurt a few days ago while chasing a wolf on his Terry county ranch. His horse fell with him while going at full speed, and Mr. McNairy was badly bruised up and had a narrow escape from death."

DIFFERENT FROM ANYTHING ELSE

Abilene Mother Tells of Husband and Daughter's Wonderful Improvement—Effect of Orgatone Almost Immediate

The instant and phenomenal demand for Orgatone is easily explained. Its effect is almost immediate. Right from the first dose people who are suffering with lowered vitality begin to feel its stimulative tonic effects. Thousands of half-sick, run-down men and women who have taken it with the most gratifying results report that it seems to pick them right up and put them on their feet.

It is not only a powerful reconstructive tonic, designed to impart tone and strength to the entire system, but it is a constitutional treatment as well, and exerts an elimination. It also contains other ingredients of recognized therapeutic value, which are valuable for their influence upon the appetite and digestion.

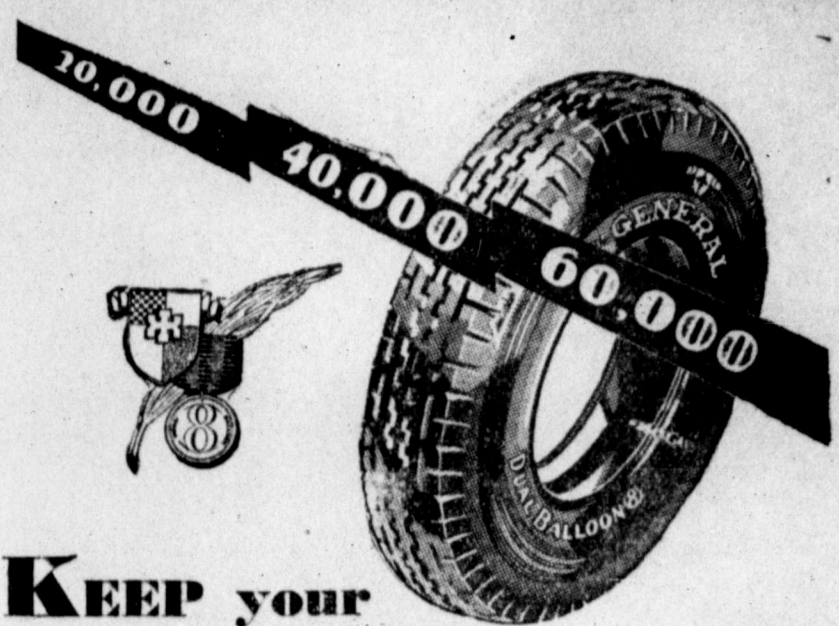

Mrs. W. H. Grand, living at 1918 Merchant St., Abilene, Texas, who is the wife of a civil engineer and former school teacher, in relating her husband's and daughter's experience with Orgatone, said:

"My husband has been in a very badly run-down condition for the past year. In fact when he started taking Orgatone he was down in bed under the doctor's care. My little ten year old daughter had also been a weak and frail girl for several years. Her complexion was very pallid and she didn't have the life she should have.

"Orgatone started helping both my daughter and husband right from the very first few doses. They have taken three bottles and the change that has come over them is wonderful. They both have a splendid appetite and eat almost anything they want without fear of indigestion or other bad effects. My husband is gaining so rapidly in weight and strength that you can almost see it. And as to my daughter, you wouldn't recognize her as the same girl. She isn't bothered with any of the ailments that have troubled her for years and she has a clear and rosy complexion now.

"After seeing the wonderful benefits my husband and daughter have obtained from Orgatone, I am convinced it is an extraordinary medicine and far different from anything else of its character ever offered. We all recommend it highly and I'll tell

Genuine Orgatone may be obtained from the Colorado Drug and City Drug stores. It is a... Hostess—He tried to talk back to... his wife, and they're still working on... him.

KEEP your New Car's Performance New

THE THRILL of new car silence and smooth power lasts seasons longer in cars equipped with the Dual-Balloon "8". The extreme low-pressure efficiency of the Dual-Balloon completely insulates motor and chassis from destructive road shocks and vibration.

The Dual-Balloon does more, too, than prolong the life of your car and your pleasure in driving. It adds to power and performance by putting more rubber, more non-skid on the road—a softer, clinging grip that prevents the power waste of constant slippage—that makes fast get-away faster and the power to stop unflinching.

Only the Dual-Balloon principle makes possible the combination of true balloon low-pressure in a tire with the greatest mileage and longer-lasting non-skid.

Drive in with your new car and let us tell you how easily you can make the changeover to the DUAL Balloon "8".

Hyman Happenings

Otis Chalk and little grandson, Sonny, were over at Hyman Wednesday, a visitor at the Hyman home. They returned the same day.

H. S. Espey and his granddaughter Miss Marjorie Roach, the daughter of our estimable Mr. and Mrs. A. J. Roach, came in to Hyman Wednesday. Miss Marjorie has been visiting her grandparents and uncles and aunts at Eldorado and Sonora, since the close of school. She is a popular little girl and we are glad she has returned. Mr. Espey, father of Mrs. Roach, is not a stranger to us, as he quite often runs up from Eldorado to see the family here.

Mr. and Mrs. Lee Atkins gave the young people of Hyman a party this week, honoring her sister, Miss Wilkins, who has recently come here to visit her relatives and make a visit of an indefinite length. Perhaps her parents will locate here. Mr. and Mrs. Atkins are admirable hosts and we know the young people enjoyed every moment.

Since close of school, and we have had a breathing spell from the crops, our young folks have taken advantage of this lax time and parties have been the vogue. The last party was given at the home of Mr. and Mrs. Gus Heins, in honor of their niece, Miss Myrtle Wilkins. Dancing and

games prevailed and all reported a fine time. About midnight refreshments were served to which all did full justice.

S. H. Espey, while not exactly in the young crowd, came in for his share of entertainment last Wednesday, when some of his friends met at the home of his daughter, Mrs. A. J. Roach and family, and while there was no dancing except by young A. J. in his efforts to entertain the friends. A very pleasant evening was spent, visiting in the moonlight when at a later time ice cream and cake were served. Mr. Espey left next morning for his home in Eldorado. The Espeys who visit Mr. and Mrs. Roach and family frequently, are very popular in Hyman.

A big birthday dinner was had at the home of Mr. and Mrs. Ike Smallwood last Sunday, when the birthday of Mrs. Smallwood and Miss Elsie VanZandt was jointly celebrated. The guests consisted of the immediate families of the Smallwoods and Mr. and Mrs. H. H. VanZandt and family, Mr. and Mrs. Jim Boyd and family, and Mr. and Mrs. Ivy Lane and child of Lone Wolf Valley. It is useless to say that when these friends get together that a very jolly time is had. Loyalty to the Sunday school and church made them all gather at the appointed time at the church for the services of that day.

Mr. and Mrs. Ivy Lane and little daughter came up last week from their home near Lone Wolf Valley, to visit her sisters and their families, Mr. and Mrs. Jim Boyd, Mr. and Mrs. H. H. VanZandt. We are always glad to have them come to Hyman.

Mr. and Mrs. Fred Bruton and six children of Eldorado, came up one day the latter part of the week to visit her parents, Mr. and Mrs. Tom Vowell. Mr. Bruton is a prosperous farmer of that place. They left Sunday afternoon to return home, accompanied as far as Sterling City, by Mr. and Mrs. Vowell and Tack, Mrs. Vowell and Tack returning home later in the day.

Monday morning it looked like the town of Hyman would be depopulated of its male population, as loads after load of men went to Colorado as witnesses for the Jones-Smith trial set for that morning.

I. F. Floyd and family left last week for Paris, unknown, after living in Hyman for the better part of this past year. He made himself quite popular as a painter, having done most of the painting at Hyman this spring.

Last Sunday being the fourth Sunday in the month, was the regular preaching day of the Methodist pastor, Brother Garner. He preached in the afternoon to a crowded house, most of the Sunday school attendants having remained for the sermon. Brother Garner has recently returned from Abilene where he attended a college course for ministers. He reported this as a great place to work and learn, he having been busy from 7 in the morning until late at night. Mrs. Garner and little ones accompanied him. Brother Garner preaches at night at Spade, but next Sunday will give the full day to Hyman, and we want all our good people to turn out and show him our appreciation of this extra day of service.

The Smallwood made a business trip to San Angelo Saturday, returning home that night.

Mr. Gossett and Mrs. Henderson of the northern part of this settlement, came to Hyman Monday and stopped at the store, as they were returning from Colorado, where they made a business trip. They are some of our best farmers and perhaps sell more milk and cream than anyone out here. We congratulate them on the success they are making.

Mr. and Mrs. Harry Hyman went into Colorado Saturday night to attend the party given at the Country club that night by Mr. and Mrs. Max Thomas and their charming daughter, Miss Eleanor, who for the past few months has been out of the city. This was one of the most beautiful

and delightful parties ever given in Colorado, for no trouble, and expense had been spared to make it a bower of beauty, and with the gaily attired guests and their brightest smiles, especially for this occasion, it was everything that the most fastidious could wish. Mr. and Mrs. Thomas and Miss Eleanor met the guests at the open porch with the most gracious hospitality, making each one feel the old-time charm of the long ago. The house was beautifully and brilliantly lighted from front to back, illuminating all the grounds, to where the swimming pool in the rear was most alluring and was soon full of the girls and boys and some of the older ones—and we wondered how some of them ever learned to swim before we got the pool. The canoes and boats gliding smoothly over the water presented a scene that was charming and we could hardly believe we were in Colorado.

We were soon called to the heavily laden tables, where each guest did full justice to the bountiful feast laid before us. The golf fans gathered around the green where they made merry with an interesting game, while others—both old and young—retired to the brilliantly lighted reception room and tripped the light fantastic. Some older guests played bridge, and still others used this time to visit and talk with friends. A fortune teller, imported for the occasion, told guests what to expect in the future. We want to extend our heartfelt thanks to the Thomas family for the great pleasure they gave to the two hundred who made merry Saturday evening, and again extend our congratulations to the honorees, Mr. and Mrs. D. H. Snyder, Jr.

Perhaps to the casual visitor on his first visit to Hyman, he could not visualize the large number of people who live around and make up the community of this place, but had he come around Sunday, he would have had the occasion of seeing one of our best crowds when we gathered at the church for Sunday school, when we met 114 strong, with four visitors, and a collection of \$4.60. We admit this large attendance is due to the friendly Sunday school contest that we have on with Spade, and with each Sunday has been increasing until it has reached the above number. This is about 75 per cent attendance at Hyman and we are almost ready to challenge any other place to come with a good a per cent of attendance of the entire community. Perhaps the fact that if we lose to Spade, we will have to give a barbecue to the Sunday school of Spade adds to our efforts to win. But Hyman always goes over the top with every undertaking, and we may yet challenge Colorado or Sweetwater.

ter of section 20, block 17 S. P. Ry. Co. survey, had drilled to 1,460 feet in booken lime.

Fuhrman Petroleum Corporation on Thursday finished its No. 1 J. D. Sugg lease 1, in Irion county, at 2,004 feet in green shale, and began moving the equipment to Howard county for No. 1 H. C. Reed, 330 feet from the west line and 2,310 feet from the south line of section 41, block 32, township 1 north, T. & P. Ry. Co. survey. No. 1 Sugg, lease 1, was in the center of the southeast quarter of section 3,024, block 24, H. & T. C. Ry. Co. survey.

Phillips Petroleum Company's No. 1 Plunkett in Nolan county, 330 feet north and west of the southeast corner of the northwest quarter of section 66, block 23, T. & P. Ry. Co. survey, was waiting for cement to set at 2,435 feet.

Mrs. Alvin Myhre, who has been very sick, is now so much improved that she is able to be up a part of the time.

Among all the delightful performance characteristics of the Outstanding Chevrolet—none is creating more widespread enthusiasm than its thrilling speed and flashing acceleration!

The great new six-cylinder valve-in-head engine responds to the accelerator with an eagerness that is literally amazing. Touring speeds are negotiated with such smooth, silent, effortless ease that you almost forget there's a motor under the hood. And when the throttle is opened wide—the pace is faster than the most experienced driver would care to maintain!

Back of this exceptional performance is a brilliant array of engineering advancements—typified by a high-compression, non-detonating cylinder head... automatic acceleration pump... hot-spot manifold... semi-automatic spark control... and a heavier crankshaft, statically and dynamically balanced.

Come in and drive this car. Learn for yourself, at the wheel, that no other car can approach it in the price range of the four!

GOVERNOR THREATENS VETO APPROPRIATIONS AND CALL NEW SESSION

Says Amounts Allowed Too Heavy For Revenue In Sight

AUSTIN, Texas, June 24.—When it became known Monday that the rural aid appropriation would be \$5,500,000 and that the total appropriations against the next year's income would exceed \$50,000,000, it was said that Gov. Dan Moody would veto the whole schedule of money measures and immediately recall the Legislature with an admonition to stay within the revenues. The Governor was quoted Monday as having delivered that ultimatum. The four general appropriation measures, all but one agreed to in conference, will call for a minimum

WHAT'S A COUPLE OF 'IFS' BETWEEN FRIENDS

Filling oil lamps and trimming wicks and all that would be all right IF—oil lamps gave you a better light. But they don't. Washing clothes and sweeping and pumping water by hand might be worth the effort IF—you got better results that way. But you don't. No, sir. We can't see any way that a farmer or his wife gets along any better by not having a Delco-Light Farm Electric Plant. We'd just like to show you some letters from Delco-Light users. We wouldn't dare tell you all the things they tell us. You wouldn't believe us. But you'll believe them. So drop in and see us. We'll read you some of the letters and show you the newest Delco-Light.

W. P. BERRY No. 2

of \$43,500,000. To that must be added the \$1,500,000 appropriated in the regular and special sessions chargeable to the income of next year, emergency amounts of \$250,000, claims and accounts of approximately \$1,000,000, supplemental rural aid and high school tuition of \$450,000, any number of smaller special appropriations amounting to \$500,000, and the rural aid for the next two years of \$5,500,000. This would make the minimum total now in prospect \$52,450,000, or \$7,000,000 more than the Governor's estimate of the available revenue for the two years. He can not reconcile the huge difference and has given warning that if the total appropriations reach \$50,000,000 he will veto all bills and recall the Legislature with the request that it stay within the income and not plunge the State into debt.

Would Start July 3 If the Governor was serious in his threat the third called session will reassemble July 3 at an immediately start on the money bills. Amounts given do not include the \$250,000 asked for the Alamo land purchase, the \$400,000 for the David Crockett memorial and other amounts for various purposes, some of which may get through and help swell the already crowding total.

In his address to the House, the Governor used the maximum State tax rate of 35¢ for general purposes and said with emphasis that the net amount available from it would not exceed about \$45,500,000. Since then he has been quoted as saying that if the total appropriations went to \$50,000,000 he would veto the entire list of money bills and send them back to an immediate session.

Barber—You say you have been here before? I don't seem to remember your face.

Victim—Probably not. It's all needed up now.

WE COULD HARDLY AFFORD TO DO OTHERWISE WITH USED CARS Every Ford dealer has a reputation to maintain. Our name is for fair-dealing in selling new cars, and servicing those cars means far more than 'quick profit regardless of consequences.' Likewise, our good name must also be upheld when we sell used cars, accepted in trade for the Model A. We could hardly afford to have it otherwise, for we realize that the person who buys a used car from us is a prospect for a new car later on—or at least another used car. You will find here many bargains in unused transportation, sold for what they are actually worth. There is no inflation of used-car prices to care for excessive trade-in allowances—for the low price and high value of the Model A allows no margin for unreasonable trade-in concessions. When we sell a used Model T Ford, it has been thoroughly reconditioned, and we guarantee it. Other makes of cars are priced according to the service you may expect from them. Stop in today. Look at the bottom, look inside . . . and listen to it! GENERAL ELECTRIC Refrigerator When you buy an electric refrigerator, do a bit of investigating on your own. Look under the cabinet, look carefully inside, and, above all things, listen to it. When you look under the cabinet do you find moving parts of machinery or no machinery at all? In the General Electric Refrigerator, you'll notice at once that all the models are up-on-legs. This means an easy job cleaning under them. And it also means that the machinery is safely sealed away in the air-tight steel casing which you see mounted on the top of the cabinet. Look inside. Is there really ample food space? You will find in the General Electric Refrigerator that the chilling chamber is amazingly compact. It actually takes little more space than the trays in which your ice is frozen. Then listen. This you must do. We want you to judge for yourself the quietness of this remarkable refrigerator. Come in today. Time payments can be arranged, if you wish. Texas Electric Service Co. "Your Electric Servant" Phone 198
