BREAD WINNERS OF COUNTY FACE VERY SERIOUS PROBLEM

Heads of families in Mitchell county face a big problem.

The problem has just been called to their attention by T. H. Westbrook of Longfellow, one of the bread winners who has studied a great deal on the question but so far has been unable to solve it.

If the problem could be permanently solved in the affirmative, as Westbrook hopes it will, it would mean thousands of dollars to the men of Mitchell county.

Westbrook is urging each community to select a committee to meet with a general council of men from over the county to try to work out a definite solution of this matter.

Which if not solved before the real winter weather starts may result in much suffering.

The question as raised by Westbrook is: "How many pants does a man get when he buys a pair?" Please answer this. Dry goods merchants are barred.

GREAT FOX MOVIE TONE PICTURE AT PALACE FRIDAY AND SATURDAY

"The River" Is All Talking Picture And One of Best Filmed By Fox

A picture with big moments in dialogue, directed by the man who made "Seventh Heaven," "Street Angel" and other box-office hits — Frank Borzage—comes to the Palace Theatre Friday and Saturday, November 14 and 15.

It is "The River," Fox Movietone talking picture in which Charles Farrell, Mary Duncan, Margaret Mann and Ivan Linow take part in an audible scene.

The story of "The River," by Tristram Tupper, relates a modern pilgrim's Progress—the pilgrim being a young man who, reared in the backwoods, decides to see the world and its women by means of a river boat made with his own hands.

The first woman he sees who attracts him, and the last to whom he chooses to give his love, is a worldly-wise miss waiting in a secluded place for her consort—a construction camp foreman—to return from prison, to which he had been committed for murder.

In a lonely mountain cabin, Borzage is said to create a situation fater situation which have no counterparts in the history of motion picture direction. Although in Miss Duncan he had an entirely different type from Janet Gaynor, whom he previously has led through many touching dramas, Borzage is said to emerge from this production more strongly entrenched than ever as a foremost producer.

Farrell, in both the silent and audible sequences, is simply Farrell—the amazing young actor who time and again has had the world of film enthusiasts at his feet.

Pupils To Have Charge of Program During This Time

Colorado High has a new mode of assembly entertainment which was introduced on Monday and Tuesday, Oct. 21 and 22 by Mr. Wilkins, during a special assembly called for that purpose.

Mr. Wilkins proposes that, instead of having assembly off and on, at un-stated intervals, called by special notice, a new method would be instituted. This method places fifteen minutes before nine as the stated time for an assembly every day.

Orin Feaster Gets Collarbone Broken Monday

Orin Feaster, one of the lettermen in football, seems to be getting more than his share of bad luck. The high school students regret very much that Orin got his collarbone broken in a practice skirmish Monday afternoon, November 4, which cancelled his chance of getting to play any more football this year.

Orin was just recovering from a sprained ankle which had kept him from playing in several of the games previous to his last accident.

It is hoped that he will continue to improve and will be able to continue his school work promptly.

The characters are as follows: Sweet Mama, Mrs. Bessie Morgan—Linnie Mae Charles; Harry Morgan—Roy Britton, her husband; Evelyn Falconer, her daughter—Rebecca Britton; Sally, her maid—Juanita Blair; Rufus, her butler—Curtis Riggs; Bob Bayland, Harry's friend—Thomas Long; Robert Whitcomb—Melvin Blair; H. B. Barrier and Mrs. S. C. Harris will be the directors of the play and practice will begin the first of next week.

 The following pupils are on the honor roll for the first month of the school: Rebecca Britton and Linnie Mae Phares; ninth grade, Billie J. Barron, Clifton Riggs, Madrid Spurger, Wilburn Albright, Herbert Miller, Johnnie Britton, George Prescott, Ella Mae Willis, Dorothy Lee Wills, Arlie Owens, Oleta Blair, Nina Pearl Groom, Mae Dell Hall, and Opal Gold in the primary grades.

Lone Star Boys Play Valley View
 The Lone Star basketball boys will open the season in opposition to the Valley View quintet. The game at

Valley View last week was postponed on account of inclement weather, so come to Lone Star Friday afternoon at 2:30 and see a good game. Both of these teams are going to make a strong bid for county rural honor.
Box Supper at Lone Star
 Don't miss the box supper at Lone Star school house Friday night, November 15. There will be music furnished by the Lone Star string band and Jimmy Rogers. There will be plenty of good eats and contests for the most beautiful girl and the very ugliest man. A delicious cake will be the prize in these contests. The people of Lone Star have been very generous in the past and we are sure you will help us raise funds this time to supply the school with needed equipment.
 The main attractions for entertainment for Friday night will be the "Womanless Wedding" to be put on by the Lone Star school boys. You must come early to get a front seat, because they are all free, so first come, first served.
 The funds derived from this entertainment will be used by the local Parent-Teachers' association for the general benefit of the school.

Rilla Thompson, Harold Bennett and Miss Gaithe Lee Hester. We also had good talks by our local men—G. W. Hendricks, toastmaster, and Judge Hall, president of the club, and others.
 Every chairman for the different lines of work was very faithful and reported heartiest cooperation, which made our work very pleasant. Mrs. Germany Land rendered us valuable service.
 Mrs. W. E. Dickenson deserves honorable mention. She, as secretary and treasurer, kept a complete record of everything in perfect order, which saved us much confusion, and was of valuable assistance in checking up. After deducting our small expense and selling our leftover cakes, bread, coffee and sugar, we found we had the nice sum of \$59.20 to add to our cemetery fund. We are very tired but happy, and feel the ties of friendship strengthened by the social cooperation of friends.

SYSTEMATIC DRIVE ON RED CROSS ROLL CALL STARTS MONDAY

Clubs of Colorado Are Working This Week to Secure 100 Per Cent Enrollment

Systematic drive to answer the annual American Red Cross roll call will start throughout the county next Monday, according to present plans of the county-wide committee.

This week the women's clubs, service clubs and several firms have been working to secure 100 per cent enrollment of their membership and the general public has not been solicited, but general enrollment of everyone will start Monday morning.

Many citizens have volunteered to pay their dollar and enroll this week and several of the clubs have about reached the 100 per cent mark with their membership enrollment.

Beginning Monday everybody will be given an opportunity to join the Red Cross. When the solicitors call it would facilitate the enrollment very much if citizens would volunteer to enroll.

One-half of all the funds collected will remain in Colorado to take care of any charity cases such as handed by the Red Cross and to care for the needs of the local chapter. J. H. Greene, chairman of the enrollment committee, has the following to say regarding the Red Cross roll call:

"We all have reason to be thankful that no great disaster has come to our country this year. The Roll Call has the right of way.

"Our attention therefore can be centered on our great opportunity for increasing the membership of the American Red Cross so that its vital services may be adequately maintained.

"I urge that you take full advantage of this opportunity in your Roll Call effort. Let us march a step nearer to the goal, 'Everybody a Member Everywhere.'

School has been progressing nicely, but bad weather has caused a number to be absent the last few days. The program and "Get Together" meeting, which was announced for last Friday night, was indefinitely postponed on account of inclement weather. We have two new savings this week which were really needed. A new playground ball and bat have been purchased, so that the primary boys might play ball. The floors were oiled this weekend and as a result one of the eighth-grade girls caught a severe fall Monday morning. Since Monday was Armistice day, each room had a short Armistice program, after which all the students assembled in front of the hallways. The flag was raised, after which "America" was sung. Since most schools were having Monday off, the students were really happy when the teachers announced to them that if lessons were well prepared the day would be over at recess in the afternoon.

Since Colorado schools observed Monday as a holiday, several from this community who attended school there, visited school here Monday. The visitors were: Sadie Simpson, William Van Stary, Madeline Hammonds, Doris Hammonds, and Rosaline Hammonds.

Little Ida McGuffee was reported very ill Tuesday. It is hoped that she will soon be able to attend school again.

All the pupils are very anxious for Wednesday to come, as the report cards are to be given on then.

Among those from this community attending the football clash between the Snyder Tigers and Colorado Wolves at Colorado Monday were Jim Bon-Tee, Flaville Roberts, J. V. Glover, Miss Johnny Chesney and Mrs. Burnice Ramsey.

M. L. Campbell and family attended the show in Colorado Saturday night.

Mr. and Mrs. W. E. Payne and children also attended the show in Colorado Saturday night.

Mr. and Mrs. Bill Jones and little son, Claude, attended the talkies in Colorado Monday night.

Mr. and Mrs. M. L. Campbell and little daughters, Joyce and Geneva, and Mr. and Mrs. J. W. Hines and Mrs. Adrien attended the Hagley Sadler show in Colorado Monday night.

Mrs. L. Foster who was operated on October 29 for appendicitis, is rapidly recovering.

Walter Nanny of San Angelo visited Buford Friends Sunday.

Mrs. H. F. Foster visited her mother, Mrs. L. E. Barton of Colorado, Sunday.

Miss Venita Payne was the guest of Beatrice Beardon Sunday.

Grin Foster spent Sunday with his sister and her husband, Mr. and Mrs. Marlin Lipham.

Merrill Johnson of Colorado spent the week-end with Howard Simpson.

J. D. Simpson and Earl Simpson of Oklahoma were visitors in the N. E. Simpson home last week.

Mr. and Mrs. C. Tidwell were the guests of Mr. and Mrs. J. R. Collins Sunday.

Sadie Simpson spent Sunday afternoon with Raye Collins.

Attorney Perry T. Brown of Clairmont was a caller at the teachers' Sunday afternoon.

Among those shopping in Colorado Saturday were Messrs. Jim Bodine, Emmett Blasingame, Curtis Rogers and family, J. V. Glover, Mrs. Annie Glover, Burnice Ramsey, Beatrice Beardon, and Elizabeth McGee.

C. H. Adams spent Sunday night with Gurn Simpson.

Mr. and Mrs. Harmon of Westbrook were visitors at the teachers' Sunday afternoon.

WORLD PAYS TRIBUTE TO BEAUTIFUL ACTRESS IN 'COCK-EYED WORLD'

Beautiful French Maiden To Be Seen in Picture at Palace On Nov. 21-22-23

When capable actresses are young and beautiful they have the "Cock-eyed World" at their feet. Women become their devotees out of jealousy—and delight, too, unconsciously desirous of being so beautiful and having all men paying homage to them. Marie's motive, of course, are quite evident—for every man wants to make love to a lovely actress.

Lily Danit, a charmingly pretty French star of the stage and screen, is the adorable one we have in mind. Her training has ably prepared her for her chosen career. She was born in Paris, France, July 20, 1906, the daughter of Isabel and Pierre Danita. Her father was attached to the foreign department of state.

Her early education was received in a convent just outside Paris; her stage training was received at the Paris Opera and on stages all through Europe.

At the age of 17 she was in the Paris Operatic productions. A year later saw her featured in the Follies Bergere, followed by a tour of the continent in Parisian Revue.

Then came screen offers. For two years she was starred by UFA, then appeared in a stellar role in two big European pictures, "The Queen's in the Park" and "Forbidden Love," which were released in this country and abroad.

Samuel Goldwyn saw her in Europe and signed her to a contract to appear in American productions.

She is the cause of a series of "battles" between the imitable Flagg and Quirt of "What Price Glory" fame, played by Victor McLaglen and Edmund Lowe.

Lovely Lily is 5 feet 2 inches in height, weighs 114 pounds, has beautiful ash blonde hair of the normal length, big brown eyes and perfect teeth. Her charming laugh has an infectious ring to it and local fans will see and hear for themselves at the Palace Theatre November 21, 22 and 23. Don't fail to see it.

COTTON CROP OF 3,950,000 BALES TEXAS FORECAST
COMPARES WITH THE 5,106,000 BALES GROWN LAST YEAR
AUSTIN, Nov. 12.—A Texas cotton report based upon conditions on November 1 was issued here today by Federal Statist H. H. Schultz. His report says:
Indications point to 3,950,000 five hundred pound bales in Texas this year compared with 5,106,000 in 1924. The probable yield per acre of 108 pounds is with the exception of 1921 the lowest on record. Ginnings prior to November 1 were 3,143,000 bales or 82 per cent of the estimated production for the year.

OFFICERS OF SUNDAY SCHOOL CLASS ELECTED

Stoneroad was re-elected teacher; C. C. Thompson, assistant teacher; Clarence Cook, president; Ed Womack, vice president; Arlie Martin, secretary-treasurer; Boyd Dozier, assistant secretary, and Sam Smith, musical director.
The nominating committee which turned in its report last Sunday and which was adopted unanimously, was composed of J. W. Randle, Roy Dozier, and J. R. Baze.

CAN WORK WITH BEST OF THEM NOW, HE SAYS
"I suffered with constipation for five years, and during the past two years was so weak and rundown, and had to spend so much time in bed, I finally had to quit work entirely."

J. T. STOKES
suffered with indigestion and would bloat up so after meals I could not fasten my clothing, and had awful pains in my stomach, between my shoulders and around my liver. It's wonderful what the Sargon treatment did for me. Every pain in my body is gone, I eat hearty meals and my digestion is perfect. I'm so strong and well now I can put in a hard day's work with the best of them. The clothes I couldn't fasten are now loose on me and I feel like a different man.
"Sargon Pills rid me of constipation, toned up my liver and I will gladly tell anybody what I think of this wonderful treatment."—J. T. Stokes, 309 Arizona St., Dallas.

GRADE ADDED TO SCHOOL AND SALOONS 'CLOSED' HERE IN APRIL, 1902, CLIPPER SAYS

Addition of an eleventh grade in Colorado High school occupied front page space in the Colorado Weekly Clipper for April 12, 1902.
The Clipper announced that there would be no graduating class from Colorado public schools that year, since the school board had "wisely decided" to add another grade. The school, which was to close on the 23rd of May, had gone through the entire term without any delay or suspension on account of epidemic of contagious diseases being present in the city for the first time in two years. Professor Skinner was at the head of Colorado schools in those days.

"Saloons To Close" read the headline of a front-page article in this edition of The Clipper, and the article was as follows:
"The saloons of the city will close Saturday night, the 14th inst., in compliance with the result of the recent local option election held in Mitchell county. It seems that the talk of injunction has been abandoned, and the saloon people have decided to take their medicine. For the next two years Colorado is going to be dry—at least it is to be hoped that the law will be strictly and impartially enforced in order that the people of the county who voted out the saloons may have full opportunity to enjoy what they expressed themselves as desiring."

Delegates all over this section of West Texas were being instructed to vote for the nomination of Judge W. R. Smith of Colorado for congressman from the sixteenth Congressional district.
An electric railway between Snyder and Colorado was also a topic of interest discussed in the Clipper that particular week.
The oil mill enterprise, which had been interesting Coloradans for some time, was ready to launch as soon as the county could get a good general rain, which would improve business conditions, it was hoped. Col. S. T. Shropshire was heading the movement for the mill.

C. A. Arbutnot had received a letter from Pecos on Thursday announcing that Barney Riggs, prominent cattleman of Fort Stockton, near Pecos City, had been killed on Friday by Buck Chadborn, son of ex-Sheriff Chadborn of Jeff Davis county and a step-son-in-law of Riggs.
The new manufacturing plant of the Medicated Salt and Manufacturing company had just been located in Colorado, and was to begin running full blast in a few days.
J. L. Shepherd had defeated C. W. Simpson for school trustee.
Postmaster Hazzard had succeeded in obtaining a new mail line from Colorado to Pylon, via Winston, three times each way weekly.

The following local notes appeared in The Clipper:
"O. M. Logan has returned from a trip to Claremont."
"John Person came in Wednesday from a drumming trip."
"Mr. A. B. Robertson has returned from a business trip to Stanton."
"G. M. Williams came in from Comstock Sunday."

Rev. Hinds Attends Golden Anniversary of Parents at Tye

Rev. and Mrs. W. C. Hinds of Colorado were among the children of Mr. and Mrs. J. J. Hinds of Tye attending the Golden Wedding Anniversary celebration of the latter couple last Wednesday. More than 150 friends and relatives of the family also joined in the celebration.

In the group were a number of West Texas pioneers who have known the couple since they went to Taylor county more than 35 years ago.

Daughters of the couple assisted in receiving guests and grandchildren presented an entertaining program. During the program hour the honor couple delighted their listeners with accounts of their wedding, and of customs of fifty years ago.

Cut Wedding Cake
At the refreshment hour guests passed into the dining room, where a wedding cake, embossed in the dates "1879-1929" centered a table decked with bronze tinted chrysanthemums,

and lighted by golden tapers. For the serving of refreshments golden-toned amber crystal service was used.

The occasion also marked the twenty-fifth wedding anniversary of their oldest daughter, Mrs. A. C. Bell, and Rev. Bell of Abilene. Their children, other than Mrs. Bell, who were all present, were: Mrs. J. O. Haynes of Vernon, Mrs. Lee Smith of Midland, Rev. W. C. Hinds of Colorado City, Mrs. W. H. Briggs, Mrs. Coleman Smith, Mrs. Theo Kincaid, Miss Johnny Hinds, S. B. Hinds, T. J. Hinds, and A. M. Hinds, all of Tye.

OCTOBER PRODUCTION RECORDS ARE BROKEN

DETROIT, Nov. 14.—All October production records in the history of the Chevrolet Motor company were broken last month with an output of 85,915 cars and trucks. It was announced at the central offices here today.

Compared with the output of 65,052 units for October of last year, the 1929 October manufacturing volume shows a gain of more than 20,000 units. It indicates an increase of more than 900 cars and trucks a day over the showing for the corre-

ponding month a year ago.

Chevrolet's record October performance brings output up to 1,275,778 units as of November first. This is more cars than Chevrolet has ever built in an entire year and is nearly five times the number of any other six cylinder-car built in an entire year.

Due to the continued high demand, Chevrolet plants are working on the biggest November schedule on record.
